

Company Announcement

For Immediate Release

5 November 2021

KCI Manufacturing Unlimited Company (**Company**)

The Company has agreed, subject to certain conditions, to enter into the following agreements anticipated to be effective no later than January 1, 2022:

- The Company would grant a limited non-exclusive license of its existing intellectual property rights to an affiliate of 3M Company (the **Affiliate Company**) for 3M Company and its affiliates to develop future intellectual property rights;
- The Company would retain the right to exploit its existing intellectual property rights; and
- The Affiliate Company would grant a non-exclusive license to the Company to exploit its future intellectual property rights.

Final terms of the arrangement will be based on arm-length terms.
