The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.7(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Payment Account, all Interest Proceeds (unless, in the case of accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest, simultaneously reinvested in additional Collateral Obligations in accordance with Article 12). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.7(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article 12 or in Eligible Investments); provided that, (i) prior to the Effective Date, any Principal Proceeds received by the Issuer in respect of the Collateral Obligations shall be held in the Ramp-Up Account and (ii) up until the second Determination Date, if the Effective Date Transfer Conditions, the Collateral Quality Tests and each Overcollateralization Test are satisfied, the Collateral Manager may direct the Trustee to transfer (any such transfer, a "Second Determination Date Principal Transfer") from the Principal Collection Subaccount into the Interest Collection Subaccount as Interest Proceeds an amount designated by the Collateral Manager in writing, subject to the Interest Proceeds Designation Restriction. Except as otherwise set forth in the definition of "Interest Proceeds", the Collateral Manager may designate in its sole discretion and in writing (to be exercised on or before the related Determination Date), on any date after the second Payment Date, that any portion of Interest Proceeds in a Collection Period be deemed to be Principal Proceeds; provided that, such designation would not result in an interest deferral on any Class of Senior Notes. The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Cash received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Cash deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.7(a).

deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, (i) amounts necessary for application pursuant to Section 7.18(f) or the second proviso to Section 7.18(f) or (ii) in the Collateral Manager's sole discretion (to be exercised on or before the related Determination Date) on any date after the second Payment Date, any amount as directed by the Collateral Manager, such that, in the reasonable determination of the Collateral Manager (i) such designation would not result in a failure of any applicable Interest Coverage Test, (ii) absent such transfer on or before the related Determination Date, each Overcollateralization Test would be satisfied and (iii) such designation would not result in an interest deferral on any Class of Secured Notes; provided that any such designation shall be irrevocable.

Section 10.3 Transaction Accounts.

(a) Payment Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account held in the name of "Rockford Tower CLO 2020-1, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties, which shall be designated as the "Payment Account", which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Notes in accordance with their terms and the provisions of this Indenture and, upon Issuer Order, to pay Administrative Expenses, Management Fees and other amounts specified herein, each in accordance with the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the provisions of the Priority of Payments. Amounts in the Payment Account shall remain uninvested.

(b) Custodial Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account held in the name of "Rockford Tower CLO 2020-1, Ltd., from and after the Closing Date, subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties, which shall be designated as the "Custodial Account", which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. All Collateral Obligations shall be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers immediate notice if (to the actual knowledge of a Trust Officer of the Trustee) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments. Amounts in the Custodial Account shall remain uninvested.

(c) Ramp-Up Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian two segregated non-interest bearing trust accounts, one of which shall be designated the "Ramp-Up Interest Subaccount" and one of which shall be designated the "Ramp-Up Principal Subaccount", each held in the name of "Rockford Tower CLO 2020-1, Ltd.,

subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties, and together comprising the "Ramp-Up Account", which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit the amount specified in Section 3.1(a)(xiii)(A) in the interest subaccount and the principal subaccount, as applicable, of the Ramp-Up Account on the Closing Date. In connection with any purchase of an additional Collateral Obligation, the Trustee shall apply amounts held in the Ramp-Up Account as provided by Section 7.18(b). On behalf of the Issuer, the Collateral Manager shall have the right to direct the Trustee to, from time to time on or before the Effective Date, purchase additional Collateral Obligations (using amounts in the interest subaccount or the principal subaccount of the Ramp-Up Account (at the direction of the Collateral Manager)) and invest in Eligible Investments any amounts not used to purchase such additional Collateral Obligations. At the direction of the Collateral Manager given on or prior to the Determination Date relating to the second Payment Date, funds in the interest subaccount of the Ramp-Up Account may be designated by written notice to the Trustee and the Collateral Administrator as either Interest Proceeds or Principal Proceeds by the Collateral Manager to the Trustee and shall be transferred from the interest subaccount of the Ramp-Up Account to the Interest Collection Subaccount or the Principal Collection Subaccount (as directed) of the Collection Account. On any date on or after the Target Initial Par Condition is satisfied (and the Effective Date is declared in connection with the certification of the Collateral Manager) and on or prior to the Determination Date relating to the second Payment Date, funds in the principal subaccount of the Ramp-Up Account may be designated by written direction as either Interest Proceeds or Principal Proceeds by the Collateral Manager to the Trustee and shall be transferred from the principal subaccount of the Ramp-Up Account to the Interest Collection Subaccount or Principal Collection Subaccount (as directed) of the Collection Account; provided that (i) such direction shall only be provided if after giving effect to any such transfer to the Interest Collection Subaccount, the Target Initial Par Condition and the Effective Date Tested Items are satisfied and (ii) such designation is subject to the Interest Proceeds Designation Restriction. Prior to the Effective Date, any Principal Proceeds shall be held in the Ramp-Up Account. Notwithstanding anything in the Transaction Documents to the contrary, upon the occurrence of an Event of Default, the Trustee shall deposit any remaining amounts in the principal subaccount of the Ramp-Up Account (excluding any proceeds that shall be used to settle binding commitments entered into prior to such date) into the Principal Collection Subaccount as Principal Proceeds and any remaining amounts in the interest subaccount of the Ramp-Up Account into the Interest Collection Subaccount as Interest Proceeds or (at the direction of the Collateral Manager) the Principal Collection Subaccount as Principal Proceeds. Any income earned on amounts deposited in the Ramp-Up Account shall be deposited in the Interest Collection Subaccount as Interest Proceeds.

(d) Expense Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account held in the name of "Rockford Tower CLO 2020-1, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties, which shall be designated as the "Expense Reserve Account", which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(xiii)(B) and any Interest Proceeds required to be deposited in the Expense Reserve Account pursuant to Section 11.1(a)(i)(A), and (ii) in connection

with any additional issuance of notes, the amount specified in Section 3.2(vii). On any Business Day from and including the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, (A) to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Notes and any additional issuance and (B) from time to time to pay accrued and unpaid Administrative Expenses of the Co-Issuers (in the order of priority set forth in the definition thereof); provided that the Trustee may decline to make any such payment on a day other than a Payment Date if the Trustee determines that doing so is necessary to ensure that the order of payments set forth in the definition of "Administrative Expenses" is maintained. All funds on deposit in the Expense Reserve Account shall be invested in Eligible Investments at the direction of the Collateral Manager. Any income earned on amounts deposited in the Expense Reserve Account shall be deposited in the Interest Collection Subaccount as Interest Proceeds as it is received. All amounts remaining on deposit in the Expense Reserve Account either (i) at the time when substantially all of the assets of the Co-Issuers have been sold or otherwise disposed of or (ii) at the direction of the Collateral Manager, may be deposited by the Trustee into the Collection Account for application as Interest Proceeds or Principal Proceeds on the immediately succeeding Payment Date.

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Subaccount as directed by the Collateral Manager, and deposited by the Trustee in a single, segregated non-interest bearing trust account established at the Custodian and held in the name of "Rockford Tower CLO 2020-1, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties (the "Revolver Funding Account"); provided that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Issuer shall deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such Selling Institution Collateral shall be deposited with an Eligible Custodian.

The Issuer shall direct the Trustee to deposit the amount specified in Section 3.1(a)(xiii)(C) to the Revolver Funding Account to be reserved for unfunded funding obligations under the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations purchased on or before the Closing Date. Upon initial purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments shall be deposited in the Interest Collection Subaccount as Interest Proceeds.

Funds shall be deposited in the Revolver Funding Account (or, at the instruction of

the Collateral Manager, provided as Selling Institution Collateral to an Eligible Custodian) upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager such that the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets as determined by the Collateral Manager.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available at the direction of the Collateral Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (ii) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and the termination of any commitment to fund obligations thereunder or (iii) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

In addition, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw any unfunded or undrawn funds with respect to any Workout Loans on deposit in the Principal Collection Subaccount representing Principal Proceeds, on the date it is acquired, and reserve such funds to be deposited in the Revolver Funding Account to meet funding requirements on future advances of such Workout Loans.

Section 10.5 The Permitted Use Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee will, prior to the Closing Date, establish at the Custodian two segregated trust accounts, one of which shall be designated the "Permitted Use Interest Subaccount" and one of which shall be designated the "Permitted Use Principal Subaccount" (and which together shall comprise the "Permitted Use Account"), each held in the name of "Rockford Tower CLO 2020-1, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee", for the benefit of the Secured Parties and each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Upon receiving Restructured Loan Proceeds, Specified Equity Security Proceeds, a Contribution or the designation of proceeds pursuant to clause (T) of Section 11.1(a)(i), the Trustee will immediately deposit such amounts into either the Permitted Use Principal Subaccount or the Permitted Use Interest Subaccount, as directed by the Collateral Manager. Any failure by the Collateral Manager to make such designation shall result in such amounts being deposited into the
