Section 1.2 Assumptions. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 will be applied. The provisions of this Section 1.2 are applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Secured Debt will be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating each of the Coverage Tests and the related reporting requirements, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations or Deferring Securities, unless actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, will be assumed to have Scheduled Distributions of zero, except to the extent of any payments actually received) will be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset will be assumed to be received on the applicable Due Date, and each such Scheduled Distribution will be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds will be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Debt, distributions on the Subordinated Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.8(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto. For the avoidance of

doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party has any obligation to make any payment hereunder as a result of the amounts calculated under this Section 1.2(d) being greater than the actual amounts available.

(e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Amount of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations and Deferring Securities will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations are treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for First Lien Loans.

(j) At the election of the Collateral Manager in its sole discretion, compliance with the Investment Criteria may be measured by determining the aggregate effect of any series of reinvestments and/or sales (a "Trading Plan"), occurring within a period of up to 15 Business Days (such period, the "Trading Plan Period") rather than considering the effect of each acquisition and disposition of Collateral Obligations individually; provided, that (1) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Amount that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (2) no Trading Plan Period may span a Determination Date, (3) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (4) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria will not be evaluated by giving effect to any subsequent Trading Plan without notice having been given to each Rating Agency and (5) unless such Collateral Obligation is a DIP Collateral Obligation, no Trading Plan may result in (i) the purchase of any Collateral Obligation having a stated maturity of less than six months after the date of the purchase of such Collateral Obligation or (ii) following the end of the Reinvestment Period, the

purchase of a group of Collateral Obligations if the difference between the earliest stated maturity of any Collateral Obligation in such group and the latest stated maturity of any Collateral Obligation in such group is greater than three years. The Collateral Manager shall notify the Collateral Trustee and the Collateral Administrator of the details of any Trading Plan for inclusion in the Monthly Report pursuant to Section 10.8 of this Indenture.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Collateral Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations will be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) will each be deemed to be a Floating Rate Obligation that is a First Lien Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, will be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise. For the avoidance of doubt, if any Concentration Limitation calculation is a value less than zero such value will be deemed to be 0% and if any Concentration Limitation calculation is a value greater than 100% such value will be deemed to be 100%.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture are in Dollars.

(p) If withholding tax is imposed on (x) late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, will be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Collateral Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate are calculated on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and are based on the Fee Basis Amount.

(r) To the extent of any ambiguity in the interpretation of any definition, provision or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator and/or Collateral Trustee, as the case may be, be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Collateral Trustee, as applicable, will be entitled to follow such direction, and together with the Collateral Trustee, is entitled to conclusively rely thereon without any responsibility or liability therefor. For the avoidance of doubt, the Collateral Administrator shall also be entitled to request direction from the Collateral Manager with respect to any interpretations and/or methodologies to be used relating to the benchmarks used for the Collateral Obligations and the Benchmark for the Floating Rate Debt.

(s) For purposes of calculating compliance with any tests hereunder (including the Coverage Tests, the Collateral Quality Test, the Concentration Limitations and the Target Initial Par Condition), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment will be used by the Collateral Administrator to determine whether and when such acquisition or disposition has occurred.

(t) Each asset of any Issuer Subsidiary permitted under Section 7.17 will be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture other than tax purposes and each reference to Assets, Collateral Obligations and Equity Securities herein will be construed accordingly.

(u) To the fullest extent permitted by applicable law and notwithstanding anything to the contrary contained in this Indenture, whenever herein the Collateral Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Collateral Manager shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Issuer, Holders or any other Person. The intent of granting authority to act in its "discretion" to the Collateral Manager is that no other express consent of another party is required to be obtained by the Collateral Manager when acting pursuant to such grant of authority under this Indenture; provided that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Collateral Manager.

(v) All calculations related to Maturity Amendments, sales of Collateral Obligations and the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria) or other tests that, in each case, would otherwise be calculated cumulatively will be reset at zero on the date of any Refinancing of the Secured Debt in whole.

(w) If any Obligor of a Collateral Obligation enters into a bankruptcy, insolvency or receivership proceeding following the acquisition of such Collateral Obligation, for the period that such Obligor is subject to such proceeding, the priority of such loan shall be determined immediately prior to the time that such proceeding was initiated.

(x) With respect to the calculation of the Overcollateralization Ratio Tests prior to the purchase of Uptier Priming Debt, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the avoidance of doubt, with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Collateral Manager).

(y) Notwithstanding anything in this Indenture to the contrary, a debt obligation or security may be acquired by the Issuer without regard as to whether it is "received in lieu of debts previously contracted" (or any similar standard).

(z) For purposes of the calculation of the Weighted Average Floating Spread, the Weighted Average Coupon, the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test, Collateral Obligations contributed to an Issuer Subsidiary in accordance with this Indenture will be included net of the actual taxes paid or any future anticipated taxes payable with respect thereto.

(aa) After the Reinvestment Period, in determining any amount required to satisfy any Coverage Test, for purposed of the priorities set forth under the Priority of Interest Payments, the Collateral Principal Amount and the Aggregate Outstanding Amount of the Notes shall give effect, first, to the application of Principal Proceeds to be used on the applicable Payment Date to repay principal of the Secured Notes and, second, to the application of Interest Proceeds on such Payment Date.

(bb) For purposes of determining the total potential indebtedness of any obligor of a Drop Down Asset, such total potential indebtedness shall be deemed to include the total potential indebtedness of the obligor of the related Subject Asset.

Section 1.3 Inapplicability of a Rating Condition. With respect to any event or circumstance that requires satisfaction of the S&P Rating Condition or the Moody's Rating Condition (each a "Rating Condition"), the applicable Rating Condition will be deemed inapplicable with respect to such event or circumstance if:

(a) the applicable Rating Agency has made a public statement to the effect that it will no longer review events or circumstances of the type requiring satisfaction of the Rating Condition in this Indenture for purposes of evaluating whether to downgrade or withdraw the then-current ratings (or Initial Ratings) of obligations rated by the applicable Rating Agency;

(b) the applicable Rating Agency has communicated to the Issuer, the Collateral Manager or the Collateral Trustee that such Rating Agency will not review such event or circumstance for purposes of evaluating whether to downgrade or withdraw the then-current rating (or Initial Rating) of the Secured Debt;

(vi) No transfer of a beneficial interest in any Class of Issuer Only Notes will be permitted or recognized if it would cause the 25% Limitation to be exceeded with respect to the such Class of Issuer Only Notes. (1) The initial Benchmark for the Floating Rate Debt shall be Term SOFR. Term SOFR will be determined for each Interest Accrual Period in accordance with the definition of Term SOFR set forth herein; provided, that, with respect to the first Interest Accrual Period for the Second Refinancing Notes, Term SOFR will be calculated by

interpolating linearly between the rate for the next shorter period of time for which rates are available and the rate for the next longer period of time for which rates are available (rounded to the nearest 0.00001% thereof). The spread over the Benchmark of any Class of Re-Pricing Eligible Debt may be reduced in connection with a Re-Pricing of such Class of Debt, subject to the conditions set forth in Section 9.8. The Benchmark may be modified as set forth herein.

(c) The Notes will be issued in the applicable Minimum Denominations.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes will be executed on behalf of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

Any Notes bearing the manual, facsimile or electronic signature of an individual who was at any time an Authorized Officer of an Applicable Issuer, will bind such Applicable Issuer, notwithstanding the fact that such individual has ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Collateral Trustee or the Authenticating Agent for authentication, and delivery, and the Collateral Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order will, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Collateral Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Collateral Trustee or the Authenticating Agent upon Issuer Order on the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, will be dated as of the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable. All other Notes that are authenticated and delivered after the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, for any other purpose under this Indenture will be dated the date of their authentication.

Notes (or beneficial interest therein) issued upon transfer, exchange or replacement of other Notes will be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes (or beneficial interest) so transferred, exchanged or replaced, but will represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note will be proportionately divided among the Notes delivered in exchange therefor and will be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Collateral Trustee or by the Authenticating Agent by the manual, facsimile or electronic signature of one of their Authorized Officers, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Debt to be Registered and shall cause to be kept a register (the "Register") at the office of the Collateral Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Debt and the registration of transfers of Debt (and beneficial interests therein), including an indication, in the case of an Issuer Only Note, as to whether the Holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Register will record and track the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Debt. The Collateral Trustee is hereby initially appointed "registrar" (the "Registrar") for the purpose of registering Debt and transfers of such Debt (and beneficial interests therein) in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error.

If a Person other than the Collateral Trustee is appointed by the Issuer as Registrar, the Issuer will give the Collateral Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Collateral Trustee will have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Collateral Trustee will have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register. In addition, and upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder a list of Holders as set forth on the Register and will, at the Issuer's expense, provide a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Minimum Denomination and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated and delivered upon any registration of transfer or exchange of Notes will be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange will be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge will be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Registrar or the Collateral Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith. The Registrar or the Collateral Trustee is permitted to request such evidence reasonably satisfactory to it documenting the identity, authority and/or signatures of the transferor and transferee, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

(b) No Note (or interest therein) may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act. No Note (or any interest therein) may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, within the United States or to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes (or interests therein) may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note (or any interest therein) may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note (or any interest therein) may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Collateral Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) (i) Unless the transferee's interest is represented by a Certificated Subordinated Note or a Class E Note represented by an interest in a Certificated Note, as applicable, no Subordinated Note or a Class E Note (or any interest therein) may be transferred to a Benefit Plan Investor or a Controlling Person after the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, (other than a Controlling Person purchasing an Issuer Only Note who has provided the Confirmation and received the Consent), and the Collateral Trustee shall not recognize any such transfer to a Person that represents that it is a Benefit Plan Investor or a Controlling Person. Except as otherwise indicated in a subscription agreement with respect to an initial investor purchasing from the Issuer or the Initial Purchaser on the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, each initial purchaser or subsequent transferee of a Subordinated Note in the form of a Global Note or a Class E Note in the form of a Global Note (or any interest therein) will be deemed to have represented, warranted and agreed that: (A) for so long as it holds an interest in such Global Note, it (and each account for which it is acquiring such Global Notes) is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person (other than a Controlling Person purchasing after the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, who has provided the Confirmation and received the Consent); and (B) if it is a governmental, church, non-U.S. or

other plan, (i) it is not, and for so long as it holds such Global Note or interest therein will not be, subject to any Similar Law, and (ii) its acquisition, holding and disposition of such Global Note (or any interest therein) will not constitute or result in a violation of any applicable Other Plan Law.

(ii) Each purchaser or transferee of an Issuer Only Note in the form of a Global Note with respect to an initial investor purchasing from the Issuer or Initial Purchaser on the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, or in the form of a Certificated Note (or any interest therein) will be required to (i) represent and warrant in writing: (i)(A) whether or not, for so long as it holds such Notes or interests therein, it is, or is acting on behalf of, a Benefit Plan Investor; (B) whether or not, for so long as it holds such Notes or interests therein, it is, or is acting on behalf of, a Controlling Person; and (C) that (1) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (2) if it is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any Similar Law, and (y) its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of any Other Plan Law and (ii) agree to provide a with a subscription agreement substantially in the form of the applicable transfer certificate to the Issuer and the Collateral Trustee.

(iii) No transfer of any Issuer Only Note (or any interest therein) will be effective, and the Collateral Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the Issuer Only Notes (determined separately by Class) would be held by Persons who have represented that they are Benefit Plan Investors (the "25% Limitation"). For purposes of these calculations and all other calculations required by this subsection and as set forth in the Plan Asset Regulation, (A) any Issuer Only Notes held by a Controlling Person, the Collateral Trustee, the Collateral Manager or any of its respective affiliates will be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person includes any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual means the power to exercise a controlling influence over the management or policies of such Person. Unless such transferee's interest is represented by a Certificated Note, transfer of an interest in a Global Subordinated Note or a Class E Note represented by an interest in a Global Secured Note to a Person that is a Benefit Plan Investor or a Controlling Person will not be permitted and the Collateral Trustee shall not recognize any such transfer (except for Issuer Only Notes purchased on the Closing Date, the First Refinancing Date or the Second Refinancing Date, as applicable, from the Issuer or the Initial Purchaser and Controlling Persons purchasing after the Closing Date who have provided the Confirmation and received the Consent).

(d) Notwithstanding anything contained herein to the contrary, the Collateral Trustee is not responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction,

ERISA, the Code or the Investment Company Act; provided, that if a Transfer Certificate, Confirmation and Consent, investor letter or subscription agreement is specifically required by the terms of this Section 2.5 to be provided to the Collateral Trustee by a prospective transferor or transferee, the Collateral Trustee is under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms; provided, further, that the Collateral Trustee shall have no liability with respect to any transfer or purported transfer of which it has no actual knowledge. Notwithstanding the foregoing, the Collateral Trustee, relying solely on representations made or deemed to have been made by Holders of an interest in any Class of Issuer Only Note shall not permit any transfer of an interest in an Issuer Only Note if such transfer would result in a violation of the 25% Limitation in respect of the applicable Class of Issuer Only Notes. The Collateral Trustee shall be entitled to rely exclusively upon the information set forth in the Transfer Certificates and any Confirmation and Consent received pursuant to the terms of this Section 2.5 and only Notes that a Trust Officer of the Collateral Trustee actually knows (solely in reliance upon such information) to be so held shall be so disregarded for the purposes of Section 2.5(c)(iii).

(e) For so long as any of the Debt is Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. Persons, and the Co-Issuer shall not issue or permit the transfer of any common shares of the Co-Issuer to U.S. Persons; provided, that this clause does not apply to issuances and transfers of Subordinated Notes.

(f) Transfers of Global Secured Notes (or interests therein) will only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Transfer of Rule 144A Global Secured Note to Regulation S Global Secured Note. (xxi) Such beneficial owner agrees to the provisions of Section 2.12 and makes the representations and warranties set forth therein.

(xxii) Each beneficial owner will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and hereby permits the Issuer and its agents to share such information with any relevant regulatory authority (including the Jersey Financial Services Commission), and shall update or replace such information or documentation, as may be necessary.

(xxiii) Each beneficial owner represents and warrants that all personal data provided to the Issuer or its delegates (including, without limitation, the Administrator) by or on behalf of the beneficial owner has been and will be provided in accordance with applicable laws and regulations, including, without limitation, those relating to privacy or the use of personal data. Each beneficial owner shall ensure that any personal data that the beneficial owner provides to the Issuer or its delegates (including, without limitation, the Administrator) is accurate and up to date, and the beneficial owner shall promptly notify the Issuer if the Investor becomes aware that any such data is no longer accurate or up to date.

(xxiv) Each beneficial owner acknowledges that the Issuer and/or its delegates may transfer and/or process personal data provided by the beneficial owner outside of Jersey and the beneficial owner hereby consents to such transfer and/or processing and further represents that it is duly authorized to provide this consent on behalf of any individual whose personal data is provided by the beneficial owner.

(xxv) Each beneficial owner acknowledges receipt of the Issuer's privacy notice set out in the Offering Circular (the "Privacy Notice"). The beneficial owner shall promptly provide the Privacy Notice to (i) each individual whose personal data the beneficial owner has provided or will provide to the Issuer or any of its delegates in connection with the beneficial owner's investment in the Notes (such as a directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents) and (ii) any other individual connected to the beneficial owner as may be requested by the Issuer or any of its delegates. The beneficial owner shall also promptly provide to any such individual, on request by the Issuer or any of its delegates, any updated versions of the Privacy Notice and the privacy notice (or other data protection disclosures) of any third party to which the Issuer or any of its delegates has directly or indirectly provided that individual's personal data.

(k) Each subsequent transferee of a Certificated Note will be required to make the representations and agreements set forth in the applicable Transfer Certificate.

(l) Any purported transfer of a Note not in accordance with this Section 2.5 will be null and void and will not be given effect for any purpose whatsoever.

(m) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Collateral Trustee, impose additional transfer restrictions on the Subordinated Notes to comply with the USA

Patriot Act and other similar laws or regulations, including, without limitation, requiring each transferee of a Subordinated Note to make representations to the Issuer in connection with such compliance.

(n) The Registrar, the Collateral Trustee and the Issuer are entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 and are entitled to presume conclusively the continuing accuracy thereof, in each case, without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Collateral Trustee shall not be required to obtain any certificate specifically required by this Section 2.5 if the Collateral Trustee is not notified of any transfer requiring such certificate to be presented by the proposed transferor or transferee.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there has been delivered to the Applicable Issuers, the Collateral Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Collateral Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Collateral Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Collateral Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Collateral Trustee will be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and will be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Collateral Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note must be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Collateral Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Applicable Issuers and such new Note is entitled, subject to the second paragraph of this

Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) Each Class of Secured Debt will accrue interest during each Interest Accrual Period on the Aggregate Outstanding Amount thereof as of the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date) at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date. Payment of interest on each Class of Secured Debt (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Secured Notes on any Payment Date, to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes of Debt are Outstanding with respect to such Class of Deferred Interest Secured Notes, shall constitute "Secured Note Deferred Interest" with respect to such Class and will not be considered "due and payable" on such Payment Date, and, although such amounts will not be added to the principal amount of the related Class, such amounts will be deferred and will bear interest at the Interest Rate applicable to such Class of Secured Debt, until the earlier of (i) the date on which such amounts are paid and (ii) the Stated Maturity of the applicable Class of Secured Debt; provided, that any such Secured Note Deferred Interest must, in any case, be paid no later than the earlier of the Redemption Date or Stated Maturity of such Class. Regardless of whether any Priority Class of Secured Debt is Outstanding with respect to any Class of Deferred Interest Secured Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Secured Notes) to pay previously accrued Secured Note Deferred Interest, such previously accrued Secured Note Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Secured Note Deferred Interest on such Payment Date will not be an Event of Default. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A Notes, or if no Class A Notes are Outstanding, any Class B Notes, or if no Class A Notes or Class B Notes are Outstanding, any Class C Notes, or if no Class A Notes, Class B Notes or Class C Notes are Outstanding, any Class D Notes, or if no Class A Notes, Class B Notes, Class C Notes or Class D Notes are Outstanding, any Class E-1 Notes, or if no Class A Notes, Class B Notes, Class C Notes, Class D Notes or Class E-1 Notes are Outstanding, any Class E-2 Notes, will accrue at the Interest Rate for such Class until paid as provided herein or the Stated Maturity of such Debt. Notwithstanding anything herein to the contrary, interest payable on Debt of a Pari Passu Class will be paid together, *pro rata* based on amounts due.

Any interest on Secured Debt will cease to accrue or, in the case of a partial repayment, on such part repaid, from the date of repayment or the Stated Maturity unless payment of principal is improperly withheld or unless an Event of Default has occurred with respect to such payments of principal.

(b) The principal of each Class of Secured Debt matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Secured Note Deferred Interest thereon, which will be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, and distributions of Principal Proceeds to the Holders of the Subordinated Notes, that are not paid in accordance with the Priority of Payments on any Payment Date (other than the Payment Date which is the Stated Maturity of the such Class of Debt or any Redemption Date) because of insufficient funds therefor, will not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which funds are available therefor in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Debt will be made in accordance with the Priority of Payments and Section 9.1. Notwithstanding anything in the Priority of Payments or Section 9.1 to the contrary, principal payments on Debt of a Pari Passu Class will be paid together, *pro rata* based on amounts due.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) together with all applicable attachments in the case of a Person that is not a United States person within the meaning of Section 7701(a)(30) of the Code), or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Collateral Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note, or to comply with any reporting or other requirements, under any applicable law. The Co-Issuers are not obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Paying Agent, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided, that (1) in the case of a Certificated Note, the Holder thereof has provided written wiring instructions to the Paying Agent on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment will be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Collateral Trustee or at the office of any Paying Agent on or prior to such Maturity; provided, that in the absence of notice to the Applicable Issuers or the Collateral Trustee

that the applicable Note has been acquired by a protected purchaser, such final payment will be made without presentation or surrender, if the Collateral Trustee and the Applicable Issuers have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. None of the Co-Issuers, the Collateral Trustee, the Collateral Manager or any Paying Agent (or any affiliate of the foregoing) will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Class of Secured Debt (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Collateral Trustee, in the name and at the expense of the Applicable Issuers, shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice, which will specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Debt or Subordinated Notes, as applicable, and the place where Notes may be presented and surrendered for such payment.

(f) Payments to Holders of the Debt of each Class will be made ratably among the Holders of the Debt of such Class in the proportion that the Aggregate Outstanding Amount of the Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Debt of such Class on such Record Date.

(g) Interest accrued on each Class of Floating Rate Debt will be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to any Class of Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Class of Debt (or predecessor Debt) effected by payments of installments of principal made on any Payment Date or Redemption Date are binding upon all future Holders of such Class and of Debt of such Class issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Debt.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Secured Debt and this Indenture are limited recourse obligations of the Applicable Issuers and the obligations of the Issuer under the Subordinated Notes are non-recourse obligations of the Issuer, payable solely from proceeds of the Collateral Obligations and the other Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization will be extinguished and will not thereafter revive. No recourse may be had against any Officer, director, employee, shareholder or incorporator of the Co-Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Debt and this Indenture. It is understood that the foregoing provisions of this paragraph (i) do not (1) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (2) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Debt or secured by this Indenture until such Assets have been realized, whereupon any outstanding indebtedness or

obligation shall be extinguished and not thereafter revive. It is further understood that the foregoing provisions of this paragraph (i) do not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt and this Indenture , so long as no judgment in the nature of a deficiency judgment or seeking personal liability has been asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder, and the Holders of the Subordinated Notes are not Secured Parties.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note carries the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Collateral Trustee, and any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall treat as the owner of any Debt the Person in whose name such Debt is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Debt and on any other date for all other purposes whatsoever (whether or not such Debt is overdue), and none of the Issuer, the Co-Issuers, the Collateral Trustee or any agent of the Issuer, the Co-Issuer or the Collateral Trustee will be affected by notice to the contrary.

Section 2.9 Cancellation. All Notes surrendered for payment, registration of transfer or exchange, or mutilated, defaced or deemed lost or stolen, shall be promptly cancelled by the Collateral Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except (x) for payment in full as provided herein, or (y) for registration of transfer or exchange, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen; provided, that, in the case of this clause (y), a new Note in the identical principal amount as the cancelled Note will be issued. Any such Notes will, if surrendered to any Person other than the Collateral Trustee, be delivered to the Collateral Trustee. No Notes will be authenticated or registered in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Collateral Trustee shall be destroyed or held by the Collateral Trustee in accordance with its standard retention policy unless the Issuer directs by an Issuer Order received prior to destruction that they be returned to it. Notwithstanding anything to the contrary herein, any Note surrendered or cancelled other than in accordance with the procedures in this Indenture shall be considered Outstanding (until all Notes senior to such Note have been repaid) for purposes of the Coverage Tests. For the avoidance of doubt, except as otherwise provided hereunder, no Notes may be tendered without payment.

Section 2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 will be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (i) such transfer complies with Section 2.5 of this Indenture and (ii) either (x) (A) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (B) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within

90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferrable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 must be surrendered by DTC to the Collateral Trustee's Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Collateral Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note will, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and will be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Co-Issuers shall promptly make available to the Collateral Trustee a reasonable supply of Certificated Notes.

In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners are entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided, that the Collateral Trustee is entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate substantially in the form of Exhibit F) and/or other forms of reasonable evidence of such ownership.

Neither the Collateral Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11 Notes Beneficially Owned by Persons in Violation of Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. Person (i) that is not (A) a Qualified Institutional Buyer and also (B) a Qualified Purchaser and (ii) that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act will be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(b) If any U.S. Person that is not either (i) a Qualified Institutional Buyer or (ii) solely in the case of Subordinated Notes, an Institutional Accredited Investor, and in either case, a Qualified Purchaser, or that does not have an exemption available under the Securities Act and the Investment Company Act, becomes the Holder of or beneficial owner of an interest in any Note (any such person a "Non-Permitted Holder"), the Issuer shall, in its sole discretion, promptly after discovery by the Issuer that such person is a Non-Permitted Holder, or upon notice to the Issuer from the Collateral Trustee or the Co-Issuer, each of whom agrees to so notify the Issuer if a Trust Officer of the Collateral Trustee or if the Co-Issuer, respectively, obtains actual knowledge that such person is a Non-Permitted Holder, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes or interest therein, the Issuer or the Collateral Manager acting for the Issuer has the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer or the Collateral Manager (on its own or acting through an investment banker selected by the Collateral Manager) acting on behalf of the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder; provided, that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager will be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale will be remitted to the Non-Permitted Holder. The terms and conditions of any sale will be determined in the sole discretion of the Issuer, and the Issuer, the Co-Issuer, the Collateral Manager and the Collateral Trustee will not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Issuer Only Note to a Person who has made or is deemed to have made an ERISA-related representation or a Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading will be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee has notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(d) If any Non-Permitted ERISA Holder becomes the beneficial owner of a Note, such purchase and holding will be deemed void *ab initio* and the Issuer shall, in its sole discretion, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Collateral Trustee (if a Trust Officer of the Collateral Trustee obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes or interest therein, the Issuer has the right,

without further notice to the Non-Permitted ERISA Holder, to sell such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale will be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection will be determined in the sole discretion of the Issuer, and the Issuer is not liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Tax Treatment and Tax Certifications. (a) Each Holder (including for purposes of this Section 2.12, any beneficial owner of an interest in the Notes) will treat the Issuer, the Co-Issuer, and the Notes as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer, the Collateral Trustee or their respective agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer, the Collateral Trustee or their respective agents reasonably request in order to (A) permit the Issuer, the Collateral Trustee and their respective agents to make payments to the Holder without, or at a reduced rate of, deduction or withholding, (B) enable the Issuer and its agents to qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) enable the Issuer, the Collateral Trustee and their respective agents to satisfy reporting and other obligations (including any cost basis reporting obligations) under the Code, Treasury Regulations, and any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with its terms or subsequent amendments, and acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to the Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer and its agents with any correct, complete and accurate information or documentation that may be required for the Issuer to comply with FATCA, the Jersey AEOI Regulations, and the CRS and to avoid the imposition of tax under FATCA on any payment to or for the benefit of the Issuer, and, in the event it fails to provide such information or documentation for the purposes of FATCA or in the event that its ownership of any Notes would otherwise cause the Issuer to be subject to withholding tax under FATCA, (A) the Issuer is authorized to withhold amounts otherwise distributable to the Holder as compensation for tax imposed under FATCA as a result of such failure or the Holder's ownership of Notes, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership of Notes, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or

an agent thereof, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in their sole discretion. The Holder, by its acceptance of a Note, agrees that the Issuer and/or its agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Comptroller of Revenue in Jersey, the U.S. Internal Revenue Service, and any other relevant tax or regulatory authority, and (2) take such other steps as they deem necessary or helpful to cause the Issuer to comply with FATCA, the Jersey AEOI Regulations, and the CRS.

(d) Each Holder of Secured Debt represents that, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it:

(i) is (A) not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of section 881(c)(3)(A) of the Code); (B) not a "10 percent shareholder" with respect to the holder or any Holders of the Subordinated Notes within the meaning of section 871(h)(3) or section 881(c)(3)(B) of the Code; and (C) not a "controlled foreign corporation" that is related to the holder or any Holders of the Subordinated Notes within the meaning of section 881(c)(3)(C) of the Code;

(ii) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with its conduct of a trade or business in the United States and includible in its gross income; or

(iii) has provided an IRS Form W-8BEN-E representing that it is eligible for the benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of payments on the Notes.

(e) Each Holder of Secured Debt (or any interest therein) agrees to provide the Issuer and the Collateral Trustee with certifications necessary to establish that it is not subject to withholding tax under FATCA.

(f) Each Holder of Class E Notes and Subordinated Notes represents, acknowledges, and agrees that:

(i) if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it:

(A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code), and

(B) is not purchasing the Note in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan;

(ii) it will not (A) treat its income in respect of such Class E Notes or Subordinated Notes as effectively connected with the conduct of a trade or business in the United States for U.S. federal income tax purposes, or (B) provide to the Issuer or its agents

an IRS Form W-8ECI (or successor form) or an IRS Form W-8IMY (or successor form) to which an IRS Form W-8ECI (or successor form) is attached;

(iii) it will not (1) acquire or directly or indirectly sell, encumber, assign, participate, pledge, hypothecate, rehypothecate, exchange, or otherwise dispose of, suffer the creation of a lien on, or transfer or convey in any manner (each, a "**Transfer**") such Notes (or any interest therein that is described in Treasury Regulations Section 1.7704-1(a)(2)(i)(B)) on or through (x) a United States national, regional or local securities exchange, (y) a foreign securities exchange or (z) an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers ((x), (y) and (z), collectively, an "**Exchange**") or (2) cause any of such Notes or any interest therein to be marketed on or through an Exchange;

(iv) it will not enter into any financial instrument payments on which are, or the value of which is, determined in whole or in part by reference to such Notes or the Issuer (including the amount of Issuer distributions on such Notes, the value of the Issuer's assets, or the result of the Issuer's operations), or any contract that otherwise is described in Treasury Regulations Section 1.7704-1(a)(2)(i)(B);

(v) if it is, for U.S. federal income tax purposes, a partnership, grantor trust or S corporation, then less than 40% of the value of any person's interest in it will be attributable to such Notes;

(vi) no Transfer of such Notes shall be registered or effective if, as a result of such Transfer, there will be more than 90 beneficial owners collectively of the Class E Notes and Subordinated Notes; and

(vii) it will not Transfer all or any portion of its Notes unless: (1) the Person to which it Transfers such Notes agrees to be bound by the restrictions, conditions, representations, warrants, and covenants set forth in this paragraph (f), and (2) such Transfer does not violate this paragraph (f).

Any Transfer made in violation of this paragraph (f) will be void and of no force or effect, and will not bind or be recognized by the Issuer or any other Person, and no Person to which such Notes are Transferred shall become a Holder unless such Person agrees to be bound by this paragraph (f). However, notwithstanding the immediately preceding sentence, a Transfer in violation of this paragraph (f) shall be permitted if the Issuer receives written advice or an opinion from Weil, Gotshal & Manges LLP or Cadwalader, Wickersham & Taft LLP, or an opinion from another nationally recognized U.S. tax counsel experienced in such matters, to the effect that, the Transfer will not cause the Issuer to be treated as a "publicly traded partnership" taxable as a corporation for U.S. federal income tax purposes.

(g) Each Holder of Class E Notes or Subordinated Notes that owns more than 50% of the Subordinated Notes by value or if such Holder is otherwise treated as a member of the "expanded affiliated group" of the Issuer (as defined in Treasury Regulations Section 1.1471-5(i) (or any successor provision)), it represents that it will (A) confirm that any member of such expanded affiliated group (assuming that the Issuer and any Issuer Subsidiary is a "registered

deemed-compliant FFI" within the meaning of Treasury Regulations Section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI," a " deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(h) Each Holder of Class E Notes or Subordinated Notes hereby agrees to take any and all actions, and to furnish any and all information, requested by the Issuer in order to permit the Issuer to minimize any tax liability that would otherwise be imposed on the Issuer under Section 6225 of the Code, or any successor provision, including (if requested by the Issuer) by (i) filing amended tax returns to take into account any adjustment to the amount of any item of income, gain, loss, deduction, or credit of the Holder, or of any Person's distributive share thereof, and (ii) providing the Issuer with any information necessary for the Issuer to (x) establish the amount of any tax liability resulting from any such adjustment and (y) elect (in accordance with Section 6226 of the Code, or any successor provision) for each Holder to take any such adjustment into account directly. To the fullest extent permitted by law, each Holder of Class E Notes and Subordinated Notes hereby agrees to indemnify the Issuer for the Holder's allocable share of any applicable tax liability of any type whatsoever (including any liability for penalties, additions to tax or interest) attributable to such Holder's share of the income of the Issuer or attributable to distributions to such Holder. This paragraph (h) shall survive the termination of any Holder's interest in its Class E Notes or Subordinated Notes.

(i) Each Holder of Secured Debt will make, or by acquiring Secured Debt will be deemed to make, a representation that if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it is not and will not become a member of an "expanded group" (within the meaning of the regulations issued under Section 385 of the Code) that includes a domestic corporation (as determined for U.S. federal income tax purposes) if such domestic corporation directly or indirectly (through one or more entities that are treated for U.S. federal income tax purposes as partnerships, disregarded entities or grantor trusts) owns any equity interests in the Issuer.

(j) Each Holder will provide the Issuer or its agents with such information and documentation that may be required for the Issuer and the Administrator to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the "Holder AML Obligations").

(k) If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Notes would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell

its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of (i) an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time or (ii) the issuance of additional Notes to comply with the U.S. Risk Retention Rules or to cure a Retention Deficiency, at any time) and subject to the conditions set forth in Section 3.2, the Co-Issuers, with the consent of the Collateral Manager, may issue and sell additional notes of one or more new classes of notes that are fully subordinated to the existing Secured Debt (or to the most Junior Class (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Debt and the Subordinated Notes is then Outstanding) ("Junior Mezzanine Notes") and/or additional debt of one or more Classes of Secured Debt or the Subordinated Notes and use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, with respect to the issuance of Subordinated Notes or Junior Mezzanine Notes, to apply proceeds of such issuance as Principal Proceeds or towards a Permitted Use in accordance with clause (vii) below); provided, that the following conditions are met:

(i) (x) the Collateral Manager consents to such issuance, and (y) such issuance is consented to by each Hedge Counterparty, if any, and a Majority of the Subordinated Notes;

(ii) in the case of additional Class A Notes, a Majority of the Class A Notes consents to such issuance;

(iii) in the case of additional debt of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), the aggregate principal amount of Debt of such Class issued in all additional issuances must not exceed 100% of the respective original Aggregate Outstanding Amount of the Debt of such Class; provided, that Pari Passu Classes may be issued separately or together as a single Class (in which case the original Aggregate Outstanding Amount will be equal to the sum of the original Aggregate Outstanding Amount of each Class);

(iv) in the case of additional debt of any one or more existing Classes, the terms of the debt issued must be identical to the respective terms of previously issued Debt of the applicable Class (except that the interest due on additional debt will accrue from the issue date of such additional debt and the spread over the Benchmark, in the case of additional Floating Rate Debt, or the fixed rate of interest, in the case of additional Fixed Rate Notes, of such notes does not have to be identical to that of the initial Debt of that Class; provided, that the spread over the Benchmark, in the case of additional Floating Rate Debt, or the fixed rate of interest, in the case of additional Fixed Rate Notes, on such debt must not exceed the spread over the Benchmark or the fixed rate of interest, respectively, applicable to the initial Secured Debt of such Class);

(v) each Rating Agency has been notified of such issuance:

(vi) in the case of additional debt of any one or more existing Classes, unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued, additional debt of all Classes must be issued and such issuance of additional debt must be proportional across all Classes, provided, that the principal amount of Junior Mezzanine Notes and/or Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Junior Mezzanine Notes and/or Subordinated Notes;

(vii) in the case of the issuance of (x) additional Junior Mezzanine Notes or Subordinated Notes only, each Rating Agency has been notified of such issuance or (y) additional debt of any one or more existing Classes (other than Junior Mezzanine Notes or Subordinated Notes), the Global Rating Agency Condition has been satisfied (or deemed inapplicable under Section 1.3) with respect to any Secured Debt not constituting part of such additional issuance;

(viii) the proceeds of any additional debt (net of fees and expenses incurred in connection with such issuance) will be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments; provided, that the Collateral Manager may elect to designate any portion of the proceeds from the issuance of Subordinated Notes and/or Junior Mezzanine Notes towards a Permitted Use;

(ix) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, each Overcollateralization Ratio Test will be maintained or improved immediately after giving effect to the proposed additional issuance;

(x) except when only additional Subordinated Notes are being issued, an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters will be delivered to the Collateral Trustee to the effect that any additional Class A Notes, Class B Notes, Class C Notes or Class D Notes will be treated, and any additional Class E-1 Notes or Class E-2 Notes should be treated, as indebtedness for U.S. federal income tax purposes; provided, however, that the opinion described in this clause (x) will not be required with respect to any additional Debt that bears a different securities identifier from the Debt of the same Class that are Outstanding at the time of the additional issuance; and

(xi) in the case of the issuance of additional Junior Mezzanine Notes only, any supplemental indenture effected to implement such additional issuance provides for the payment of accrued and unpaid interest (including any defaulted interest and any interest thereon) on such Debt pursuant to the Priority of Payments at a level subordinate to any Interest Diversion Test under this Indenture.

(b) Any additional debt of any Class issued pursuant to this Indenture shall, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class; provided that any additional Junior Mezzanine Notes issued as described above will, to the extent reasonably practicable, be offered first to the Holders of the Subordinated Notes and any existing Junior Mezzanine Notes in such amounts as are necessary to preserve their *pro rata* holdings of the Junior Mezzanine Notes

and the Subordinated Notes on a combined basis. With respect to any additional Subordinated Notes or Junior Mezzanine Notes, if any such holder declines such offer in the preceding sentences, its portion of additional Subordinated Notes or Junior Mezzanine Notes will be offered to the holders of Subordinated Notes and/or Junior Mezzanine Notes that accept such offer as are necessary to preserve the *pro rata* holdings of additional Junior Mezzanine Notes and/or Subordinated Notes, collectively, of the accepting Holders. Any such offer to an existing Holder of Subordinated Notes or existing Junior Mezzanine Notes that has not been accepted within three Business Days after delivery of such offer by or on behalf of the Issuer will be deemed a notice by such Holder that it declines to purchase additional debt.

(c) At the cost of the Co-Issuers, the Collateral Trustee shall provide to each holder of Debt notice of any additional issuances.

Section 2.14 Issuer Purchases of Debt. (a) The Issuer, at the direction of the Collateral Manager, may use Principal Proceeds or any amounts on deposit in the Contribution Account to purchase Debt, in whole or in part, in accordance with, and subject to, the terms described in this Section 2.14. The Collateral Trustee shall cancel as described under Section 2.9 any such purchased Debt surrendered to it for cancellation or, in the case of any Global Notes, the Collateral Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Debt, and approve any instruction at DTC or its nominee, as the case may be, to conform its records.

(b) An Issuer purchase of the Debt may not occur unless each of the following conditions is satisfied:

(i) the outstanding principal amount of Secured Debt shall be purchased in the order of priority set out in the Debt Payment Sequence;

(ii) each such purchase is effected only at prices at par or discounted from par;

(iii) each such purchase of Secured Debt of any Class shall be made pursuant to an offer made to all Holders of the Secured Debt of such Class and each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms;

(iv) each Interest Coverage Test will be satisfied after giving effect to such purchase;

(v) each Overcollateralization Ratio Test will be satisfied, maintained or improved;

(vi) no Event of Default has occurred and is continuing;

(vii) each such purchase is otherwise conducted in accordance with applicable law;

(viii) the consent of a Majority of the Subordinated Notes is obtained;

(ix) S&P is notified of such purchase; and

(x) the Issuer and the Collateral Trustee have received an Officer's certificate of the Collateral Manager to the effect that the Debt purchase offer has been provided to the holders of the Class of Debt subject to the purchase offer and the conditions in this Section 2.14(b) have been satisfied.

(c) Any Debt purchased by the Issuer shall be surrendered to the Collateral Trustee for cancellation in accordance with Section 2.9; provided that any Debt purchased by the Issuer on a date that is later than a Record Date but prior to the related Payment Date will not be cancelled until the day following the Payment Date.

(d) In connection with any purchase of Debt pursuant to this Section 2.14, the Issuer, or the Collateral Manager on its behalf, may by Issuer Order provide direction to the Collateral Trustee to take actions it deems necessary to give effect to the other provisions of this Indenture that may be affected by such purchase of Debt; provided that no such direction may conflict with any express provision of this Indenture, including a requirement to obtain the consent of Holders or the Global Rating Agency Condition has been satisfied prior to taking any such action.

It is acknowledged and agreed that the Collateral Trustee and Custodian are not under a duty to examine underlying credit agreements or loan documents to determine the validity or sufficiency of any Loan Assignment Agreement (and has no responsibility for the genuineness or completeness thereof), or for the Issuer's title to any related Loan.

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether such event is voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of any interest on any Class A Note or Class B Note, or if there are no Class A Notes or Class B Notes Outstanding, any Class C Note, or if there are no Class A Notes, Class B Notes or Class C Notes Outstanding, any Class D Note, or if there are no Class A Notes, Class B Notes, Class C Notes or Class D Notes Outstanding, any Class E Notes, and, in each case, the continuation of any such default for five Business Days; provided, that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Collateral Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Collateral Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined); provided, further, that if the Secured Debt is accelerated following an Event of Default (other than pursuant to this clause (a)) and such acceleration has been rescinded or annulled in accordance with Section 5.2(b), a default in payment of interest on the Class B Notes resulting from such acceleration and application of funds pursuant to Section 11.1(a)(iii) will not be an Event of Default pursuant to this clause (a) unless and until the Class B Notes are the Controlling Class;

(b) a default in the payment, when due and payable, of any principal of, or interest or Secured Note Deferred Interest on, or any Redemption Price or any Re-Pricing Sale Price in respect of, any Secured Debt at its Stated Maturity or on any Redemption Date (unless, in the case of a Redemption Date, the applicable notice of redemption was withdrawn in accordance with Article IX); provided, that, (x) in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Collateral Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Collateral Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined) and (y) in the case of a default in the payment of any principal of any Secured Debt on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for

the sale of such asset prior to the applicable Redemption Date with settlement scheduled to occur prior to the Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Collateral Manager, and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for 10 Business Days after such Redemption Date; provided, further, that any Refinancing that fails to occur will not constitute an Event of Default;

(c) unless the Issuer is legally required to withhold such amounts, the failure on any Payment Date to disburse amounts in excess of U.S.$100,000 available in the Payment Account (other than a default in payment described in clauses (a) and (b) above) in accordance with the Priority of Payments and continuation of such failure for a period of ten Business Days (or, if such failure can only be remedied on a Payment Date, such failure continues until the later of the ten Business Day period specified above and the next Payment Date); provided, that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Collateral Trustee, the Collateral Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Collateral Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined);

(d) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);

(e) except as otherwise provided in this Section 5.1, a default in a material respect in the performance, or breach in a material respect, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or the Interest Diversion Test is not an Event of Default and any failure to satisfy the requirements of Section 7.18 is not an Event of Default, except in either case to the extent provided in clause (f) below), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in each case in all material respects when the same has been made, and the continuation of such default, breach or failure for a period of 45 days after notice to the Issuer or the Co-Issuer, as applicable, and the Collateral Manager by registered or certified mail or overnight courier, by the Collateral Trustee, the Issuer, the Co-Issuer or the Collateral Manager or to the Issuer or the Co-Issuer, as applicable, the Collateral Manager and the Collateral Trustee at the direction of the Holders of at least a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided that the delivery of a certificate or other report which corrects any inaccuracy contained in a previous report or certification shall be deemed to cure such inaccuracy as of the date of delivery of such updated report or certificate and any and all inaccuracies arising from continuation of such initial inaccurate report or certificate and the sale or other disposition of any asset that did not at the time of its acquisition satisfy the Investment Criteria shall cure any breach or failure arising therefrom as of the date of such failure;

(f) on any Measurement Date, failure of the percentage equivalent of a fraction (i) the numerator of which is equal to (1) the sum of (a) the Aggregate Principal Amount of the Collateral Obligations, excluding Defaulted Obligations and (b) without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) *plus* (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A Notes on such date, to equal or exceed 102.5%;

(g) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(h) the institution by the Issuer or the Co-Issuer of Proceedings to have the Issuer or Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, as the case may be, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Collateral Trustee and (iii) the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer of the Collateral Trustee, the Collateral Trustee shall, not later than two Business Days thereafter, notify any Hedge Counterparty, the Holders (as their names appear on the Register), each Paying Agent, DTC and each Rating Agency of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(g) or (h)), the Collateral Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Applicable Issuers, each Hedge Counterparty, each Rating Agency and the Collateral Manager, declare the principal of all the Secured Debt to be immediately due and payable, and upon any such declaration, such principal, together with all accrued and unpaid interest thereon (including,

in the case of the Deferred Interest Secured Notes, any Secured Note Deferred Interest) through the date of acceleration and other amounts payable hereunder, will become immediately due and payable. If an Event of Default specified in Section 5.1(g) or (h) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable thereunder and hereunder, will automatically become due and payable without any declaration or other act on the part of the Collateral Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Collateral Trustee, each Rating Agency and the Collateral Manager, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Collateral Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than as a result of such acceleration); and

(B) all unpaid Taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Collateral Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Base Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Base Management Fees; and

(C) all amounts then due and payable to any Hedge Counterparty (other than as a result of such acceleration).

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Collateral Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

Subject to the second proviso in Section 5.1(a), no such rescission will affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Collateral Trustee. The Applicable Issuers covenant that if a default occurs in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers will, upon demand of the Collateral Trustee, pay to the Collateral Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest is legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Collateral Trustee, in its own name and as trustee of an express trust, may, and (subject to its rights hereunder, including Section 6.1(c)(iv)) shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Trustee deems most effectual (if no such direction is received by the Collateral Trustee) or as the Collateral Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Trustee by this Indenture or by law.

If Proceedings are pending relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or if a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official has been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Collateral Trustee, regardless of whether the principal of any Secured Debt is then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Trustee has made any demand pursuant to the provisions of this Section 5.3, will be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Trustee (including any claim for reasonable compensation to the Collateral Trustee and each predecessor Collateral Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee, except as a result of negligence or willful misconduct) and of the Secured Debtholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Debtholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Collateral Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Debtholders to make payments to the Collateral Trustee, and, in the event that the Collateral Trustee consents to the making of payments directly to the Secured Debtholders to pay to the Collateral Trustee such amounts as are sufficient to cover reasonable compensation to the Collateral Trustee, each predecessor Collateral Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee except as a result of negligence or willful misconduct.

Nothing herein contained shall be deemed to authorize the Collateral Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Debtholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Collateral Trustee to vote in respect of the claim of any Secured Debtholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Collateral Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Collateral Trustee is a party), the Collateral Trustee will be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Debt has been declared or has become due and payable (an "Acceleration Event") and such Acceleration Event and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Collateral Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iv)) shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Trustee and the Holders of the Secured Debt hereunder (including exercising all rights of the Collateral Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, that the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Collateral Trustee may, but need not, obtain and rely upon an opinion (the cost of which will be payable as an Administrative Expense) of an Independent investment banking firm of national reputation with experience in structuring and distributing securities similar to the Secured Debt, which may be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion will be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing the Collateral Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Trustee, or of the Officer making a sale under judicial Proceedings, will be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers will not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, will bind the Co-Issuers, the Collateral Trustee and the Holders of the Secured Debt, will operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and will be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Collateral Trustee, the Secured Parties or the Holders may, prior to the date which is one year and

one day (or if longer, any applicable preference period *plus* one day) after the payment in full of all Debt and any other debt obligations of the Issuer or the Co-Issuer that have been rated upon issuance by any rating agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings (other than an Approved Issuer Subsidiary Liquidation), or other Proceedings under Jersey, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 precludes, or will be deemed to estop, the Collateral Trustee, any Secured Party or any Holder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Trustee, such Secured Party or such Holder, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

The foregoing restrictions of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of Debt to acquire such Debt and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of such documents. Any Holder or beneficial owner of Debt, the Collateral Manager or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Issuer Subsidiary Liquidation), or other proceedings under Jersey law, United States federal or state bankruptcy law or similar laws of any jurisdiction.

(e) In the event one or more Holders or beneficial owners of Debt cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Debt that does not seek to cause any such filing, with such subordination being effective until all amounts with respect to any Debt held by each Holder or beneficial owners of any Debt that does not seek to cause any such filing are paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Collateral Trustee is entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(e).

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Collateral Trustee shall retain the Assets securing the Secured Debt intact (except as otherwise expressly permitted by Sections 10.8 and 12.1), collect and cause the collection of the proceeds thereof and

make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Collateral Trustee, pursuant to Section 5.5(c) and in consultation with the Collateral Manager, and with notice to each Rating Agency, determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including any accrued and unpaid Secured Note Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Base Management Fees and any Hedge Payment Amounts (assuming, for this purpose, that the related Hedge Agreement has been terminated by reason of the occurrence of an "event of default" as defined thereunder by the Issuer)) and a Majority of the Controlling Class agrees with such determination; or

(ii) (A) in the case of an Event of Default specified in Sections 5.1(a) (unless such Event of Default was caused solely as a result of acceleration), (b) or (f), a Majority of the Controlling Class and (B) in all other cases, a Supermajority of each Class of the Secured Debt (voting separately by Class), or, if no Class of Secured Debt remains Outstanding, a Majority of the Subordinated Notes, directs the sale and liquidation of the Assets.

The Collateral Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Collateral Manager and the Rating Agencies. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist. The Issuer shall provide notice to the Rating Agencies of any such rescission.

(b) Nothing contained in Section 5.5(a) will be construed to require the Collateral Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) will be construed to require the Collateral Trustee to preserve the Assets securing the Secured Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee shall use reasonable efforts to obtain, with the cooperation and assistance of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Collateral Trustee, with the cooperation and assistance of the Collateral Manager, is only able to obtain bid prices with respect to a security contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Collateral Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. If the Collateral

Trustee is unable to obtain any bids, the condition in Section 5.5(a)(i) shall be deemed to not exist. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee may retain and rely on an opinion or advice of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which will be payable as an Administrative Expense).

The Collateral Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Collateral Trustee shall make the determination required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Collateral Trustee retains the Assets pursuant to Section 5.5(a)(i).

Section 5.6 Collateral Trustee May Enforce Claims without Possession of Debt. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Collateral Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Trustee will be brought in its own name as trustee of an express trust, and any recovery of judgment will be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Collateral Trustee with respect to the Debt pursuant to this Article V and any Money that may then be held or thereafter received by the Collateral Trustee with respect to the Debt hereunder will be applied in accordance with the provisions of Section 11.1(a) and Section 13.1. Following commencement of liquidation pursuant to Section 5.5, payments will be made only on the date or dates fixed by the Collateral Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) will be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Debt has any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or any Debt, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Collateral Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Debt of the Controlling Class have made a written request to the Collateral Trustee to institute Proceedings in respect of such Event of Default in its own name as Collateral Trustee hereunder and such Holder or Holders have provided the Collateral Trustee indemnity reasonably satisfactory to the Collateral Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Collateral Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity to the Collateral Trustee, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Collateral Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Debt has any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Debt of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Collateral Trustee receives conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Collateral Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Collateral Trustee, in its sole discretion, may determine what action, if any, will be taken.

Section 5.9 Unconditional Rights of Secured Debtholders to Receive Principal and Interest. Subject to Section 2.7(i) but notwithstanding any other provision of this Indenture, the Holder of any Secured Debt has the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Sections 5.4(d) and 5.8, to institute proceedings for the enforcement of any such payment, and such right will not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Debt still Outstanding have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right will be subject to the provisions of Sections 5.4(d) and 5.8, and will not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Collateral Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Collateral Trustee or to such Holder, then and in every such case the Co-Issuers, the Collateral Trustee and the Holder will, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Collateral Trustee and the Holder will continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be

cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, does not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Trustee or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default impairs any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Collateral Trustee or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Trustee or by the Holders of the Secured Debt.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class has the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding or for any other remedy available to the Collateral Trustee; provided, that:

(a) such direction does not conflict with any rule of law or with any express provision of this Indenture;

(b) the Collateral Trustee may take any other action deemed proper by the Collateral Trustee that is not inconsistent with such direction; provided, that subject to Section 6.1, the Collateral Trustee need not take any action that it determines might involve it in liability (unless the Collateral Trustee has received the indemnity as set forth in (c) below);

(c) the Collateral Trustee has been provided with indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request; and

(d) notwithstanding the foregoing, any direction to the Collateral Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all Debt waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Debt (which may be waived only with the consent of the Holder of such Secured Debt);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Class of Debt materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Co-Issuers, the Collateral Trustee and the Holders of the Debt will be restored to their former positions and rights hereunder, respectively, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereto. The Collateral Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Debt by such Holder's acceptance thereof will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Collateral Trustee for any action taken, or omitted by it as Collateral Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 will not apply to any suit instituted by the Collateral Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Collateral Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 will not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but will continue unimpaired until the entire Assets have been sold or all amounts secured by the Assets have been paid. The Collateral Trustee may upon notice to the Holders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided, that the Collateral Trustee is authorized to deduct the reasonable costs, charges and expenses (including but not limited to reasonable costs and expenses

of counsel) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Collateral Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses (including but not limited to reasonable costs and expenses of counsel) incurred by the Collateral Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Collateral Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Collateral Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Collateral Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Collateral Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale will be bound to ascertain the Collateral Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Collateral Trustee shall provide notice of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes are permitted to participate in any such public Sale to the extent such Holders meet any eligibility requirements with respect to such Sale.

Section 5.18 Action on the Debt. The Collateral Trustee's right to seek and recover judgment on the Debt or under this Indenture will not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Collateral Trustee or the Holders will be impaired by the recovery of any judgment by the Collateral Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE COLLATERAL TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Collateral Trustee:

(i) the Collateral Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations will be read into this Indenture against the Collateral Trustee; and

(ii) in the absence of bad faith on its part, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Collateral Trustee, the Collateral Trustee is under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form has not been delivered to the Collateral Trustee within 15 days after such notice from the Collateral Trustee, the Collateral Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Collateral Trustee has occurred and is continuing, the Collateral Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture may be construed to relieve the Collateral Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection may not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Collateral Trustee will not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proven that the Collateral Trustee was negligent in ascertaining the pertinent facts;

(iii) the Collateral Trustee is not liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee,

or exercising any trust or power conferred upon the Collateral Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if, in the Collateral Trustee's sole determination, the amount of such funds or risk or liability is reasonably expected not to exceed the amount payable to the Collateral Trustee pursuant to Section 11.1(a)(i)(A) on the immediately succeeding Payment Date, as applicable, net of the amounts specified in Section 6.7(a), the Collateral Trustee will be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its incidental services, including mailing of notices under Article V, under this Indenture (it being expressly acknowledged and agreed without implied limitation that the enforcement or exercise of rights and remedies under Article V and/or commencement of or participation in any legal proceeding does not constitute "incidental services");

(v) in no event will the Collateral Trustee be liable for special, punitive, indirect or consequential loss or damage (including lost profits) even if the Collateral Trustee has been advised of the likelihood of such damages and regardless of such action; and

(vi) in no event shall the Collateral Trustee have any obligation to determine or verify whether the U.S. risk retention regulations in Section 15G of the Exchange Act (and the applicable rules and regulations thereunder) or the risk retention regulations of any other jurisdiction have been satisfied.

(d) For all purposes under this Indenture, the Collateral Trustee will not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(d), (e), (g) or (h) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Collateral Trustee at the Corporate Trust Office, and such notice references the Debt generally, the Issuer, the Co-Issuer or this Indenture. For purposes of determining the Collateral Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Collateral Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the Collateral Management Agreement has occurred, the Collateral Trustee shall, not later than three Business Days thereafter, forward such notice to the Holders (as their names appear in the Register) and each Rating Agency.

(f) Provided that the Collateral Trustee has received from the Collateral Manager on or prior to the Second Refinancing Date a copy of Part 2 of the Collateral Manager's Form ADV, the Collateral Trustee shall on the Second Refinancing Date deliver a copy of Part 2

of the Collateral Manager's Form ADV to the Holders by posting to the Collateral Trustee's website.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Collateral Trustee is subject to the provisions of Section 6.1 and Section 6.3.

Section 6.2 Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Collateral Trustee or after any declaration of acceleration has been made or delivered to the Collateral Trustee pursuant to Section 5.2, the Collateral Trustee shall transmit by email to the Collateral Manager, each Rating Agency and all Holders, as their names and addresses appear on the Register, notice of all Defaults hereunder known to the Collateral Trustee, unless such Default has been cured or waived.

Section 6.3 Certain Rights of Collateral Trustee. Except as otherwise provided in Section 6.1:

(a) the Collateral Trustee may conclusively rely and is fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, electronic communication, note or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties; it being understood that an electronically signed document delivered via email by an individual purporting to be an Authorized Officer will be considered signed or executed by such Authorized Officer on behalf of the applicable Person. The Collateral Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein will be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Collateral Trustee (i) deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Collateral Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) is required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Collateral Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Collateral Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken or

omitted by it hereunder in good faith and in reliance thereon and the Collateral Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purposes of determining and discharging its rights and duties hereunder;

(e) the Collateral Trustee is under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders have provided to the Collateral Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in compliance with such request or direction (including any actions in respect thereof);

(f) the Collateral Trustee is not bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report (including any Accountants' Report), notice, request, direction, consent, order, note, electronic communication or other paper or document, but the Collateral Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it has been directed, and the Collateral Trustee is entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Debt and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided, that the Collateral Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or governmental authority and (ii) to the extent that the Collateral Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Collateral Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Collateral Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through Affiliates, agents or attorneys; provided, that the Collateral Trustee is not responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Collateral Trustee is not liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein imposes an obligation on the part of the Collateral Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Collateral Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Collateral Trustee will be entitled to request and receive (and rely upon) instruction from the Issuer or a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10) (and in the absence of its receipt of

timely instruction therefrom, will be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Collateral Trustee is not liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Collateral Trustee), DTC, Euroclear, Clearstream or any other clearing agency or depository and without limiting the foregoing, the Collateral Trustee has no obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Collateral Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Collateral Trustee, the Custodian or the Securities Intermediary are under a duty or have an obligation in connection with the acquisition or Grant by the Issuer to the Collateral Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank or one of its Affiliates is also acting in the capacity of Paying Agent, 17g-5 Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Article VI will also be afforded to the Bank or such Affiliate acting in such capacities; provided that, such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, protections, benefits, immunities and indemnities provided in the Account Agreement or any other document to which the Bank or such Affiliate in such capacity is a party; provided, further, however, that the foregoing shall not be construed to impose upon the Paying Agent, 17g-5 Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Collateral Trustee;

(n) any permissive right of the Collateral Trustee to take or refrain from taking actions enumerated in this Indenture will not be construed as a duty;

(o) to the extent permitted by applicable law, the Collateral Trustee is not required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Collateral Trustee will not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Collateral Trustee at the Corporate Trust Office and such notice references the Debt generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference will, insofar as determining any liability on the part of the Collateral Trustee is concerned, be construed to refer only to a Default

or an Event of Default of which the Collateral Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Collateral Trustee is not responsible for delays or failures in performance resulting from acts or circumstances beyond its control (such circumstances include but are not limited to any act or provision of any present or future law or regulation or governmental authority, acts of God, strikes, lockouts, riots, acts of war, terrorism, accidents, labor disputes, disease, epidemic, pandemic, quarantine, national emergency, loss or malfunctions of utilities, computer (hardware or software) or communications services or the unavailability of the Federal Reserve Bank of New York wire or telex or other wire or communication facility);

(r) in accordance with the laws, regulations, executive orders of the United States or any state or political subdivision thereof applicable to financial institutions relating to the funding of terrorist activities and money laundering, including without limitation, the USA Patriot Act and the regulations promulgated by the Office of Foreign Asset Control, the Collateral Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Collateral Trustee. The Collateral Trustee will ask for the name, address, tax identification number and other information that will allow the Collateral Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Collateral Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided. In accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other Computershare Trust Company, N.A. facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 C.F.R. Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use them to process or facilitate payments for prohibited internet gambling transactions;

(s) to the extent not inconsistent herewith, the rights, protections benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Indenture also will be afforded to the Collateral Administrator; provided that, with respect to the Collateral Administrator, such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement; provided, further, however, that the foregoing shall not be construed to impose upon the Collateral Administrator any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Collateral Trustee;

(t) in making or disposing of any investment permitted by this Indenture, the Collateral Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates qualify as Eligible Investments hereunder;

(u) the Collateral Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (i) serving as investment advisor, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect

transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(v) the Collateral Trustee has no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(w) the Collateral Trustee is entitled to conclusively rely on the Collateral Manager with respect to (i) whether or not a Collateral Obligation meets the criteria in the definition thereof and for the characterization, classification, designation or categorization of the Assets to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature, or based on information not readily available to the Collateral Trustee and (ii) whether the conditions specified in the definition of "Deliver" have been complied with;

(x) the Collateral Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance fees owing to the Collateral Manager;

(y) notwithstanding anything to the contrary herein, any and all email communications (both text and attachments) by or from the Collateral Trustee that the Collateral Trustee deems to contain confidential, proprietary, and/or sensitive information may be encrypted.

(z) neither the Calculation Agent nor the Collateral Trustee shall have any liability for any interest rate published by any publication or website that is the source for determining the interest rates of the Secured Debt, rates compiled by the CME Group Benchmark Administration Limited (CBA) or any successor thereto, or rates published by the FRB or on the Federal Reserve Bank of New York's Website, or if any of the foregoing causes for any delay, error or inaccuracy in the publication or website of any such rates, or for any subsequent correction or adjustment thereto;

(aa) unless the Collateral Trustee receives written notice of an error or omission related to financial information or disbursements provided to the Holders within 90 days following the Holders' receipt of the same, the Collateral Trustee shall have no liability in connection with such and, absent direction by the requisite percentage of Holders entitled to direct the Collateral Trustee, no further obligation in connection thereof;

(bb) the Collateral Trustee will be under no obligation to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with the Grant by the Issuer to the Collateral Trustee of any item constituting the Assets or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with applicable requirements of and restrictions on transfer of a Collateral Obligation;

(cc) the Collateral Trustee shall have no obligation, responsibility or liability for determining or selecting the Fallback Rate (or any components thereof) (including, without limitation, whether a Benchmark is unavailable or no longer reported);

(dd) nothing herein or in the other Transaction Documents shall be construed to impose any liability or obligation on the part of the Collateral Trustee to monitor AML Compliance or compliance with FATCA, the Jersey AEOI Regulations, and the CRS by the Issuer, any Holder or any other Person;

(ee) the Collateral Trustee's services hereunder shall be conducted through its Corporate Trust Division (including, as applicable, any agents or Affiliates utilized thereby); and

(ff) the Collateral Trustee shall have no obligation to cause the Issuer to merge, consolidate, reincorporate or otherwise change its jurisdiction of organization or domicile. To the extent any such merger, consolidation, reincorporation or other change of the Issuer requires the consent or other related action of the Collateral Trustee, whether pursuant to the applicable laws of such jurisdiction, the governing documents of the Issuer or otherwise, the Collateral Trustee shall be entitled to conclusively rely upon an instruction of the Issuer (or the Collateral Manager on its behalf) as to the provision of such consent or taking of such action.

Section 6.4 Not Responsible for Recitals or Issuance of Debt. The recitals contained herein and in the Debt, other than the Certificate of Authentication on the Notes, will be taken as the statements of the Applicable Issuers; and the Collateral Trustee assumes no responsibility for their correctness. The Collateral Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Collateral Trustee's obligations hereunder), the Assets or the Debt. The Collateral Trustee is not accountable for the use or application by the Co-Issuers of the Debt or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Collateral Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Collateral Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Collateral Trustee hereunder will be held in trust to the extent required herein. The Collateral Trustee is under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank or one of its Affiliates in its commercial capacity and income or other gain actually received by the Collateral Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its respective capacities) on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to pay or reimburse the Bank (individually and in each of its respective capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this

Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.10, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Bank (individually and in each of its respective capacities) and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable fees and costs of experts or attorneys) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture, the transactions contemplated hereby or under any of the other Transaction Documents and the enforcement of the provisions hereof or of any of the other Transaction Documents, including the Issuer's indemnity obligations, including the costs and expenses of defending themselves (including reasonable fees and costs of experts, agents or attorneys) against any claim (whether brought by or involving the Issuer or any third party) or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto, or of enforcing this Indenture or any of the other Transaction Documents and any indemnification rights hereunder; and

(iv) to pay the Collateral Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V hereof.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or other Transaction Documents only as provided in Section 11.1(a) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Collateral Trustee under this Indenture notwithstanding the fact that the Bank has not received amounts due it hereunder; provided, that nothing herein impairs or affect the Bank's rights under Section 6.9. No direction by the Holders will affect the right of the Bank to collect amounts owed to it under this Indenture. If on any date when a fee is payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee will be payable and sufficient funds are available therefor.

(c) The Bank hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Collateral Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or if longer the applicable preference period then in effect *plus* one day, after the payment in full of all Debt (and any other debt obligations of the Issuer or the Co-Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 are secured by the lien of this Indenture on the Assets and will survive the discharge of this Indenture and the resignation or removal of the Collateral Trustee. When the Bank incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(g) or (h), the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Collateral Trustee Required; Eligibility. There will at all times be a Collateral Trustee hereunder that will be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "Baa3" by Moody's and having an office within the United States; provided, that if the Collateral Trustee, or its successor's ratings at any time are below the minimum rating or combined capital and surplus requirements as set forth in this sentence, the Collateral Trustee (x) shall promptly notify the Co-Issuers and the Collateral Manager and (y) may retain its eligibility if it obtains or has obtained (i) a confirmation from each Rating Agency that such Rating Agency's then-current rating of the Debt will not be downgraded or withdrawn by reason of the Collateral Trustee's rating or (ii) a written waiver or other written acknowledgement (which may be evidenced by an exchange of electronic messages or facsimiles) from each Rating Agency that it will not review such Rating Agency's then current rating of the Debt in such circumstances. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity will be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Collateral Trustee ceases to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Collateral Trustee and no appointment of a successor Collateral Trustee pursuant to this Article VI will become effective until the acceptance of appointment by the successor Collateral Trustee under Section 6.10.

(b) The Collateral Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Collateral Manager, the Holders of the Debt and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which will be delivered to the Collateral Trustee so resigning and one copy to the successor Collateral Trustee or Collateral Trustees, together with a copy to each Holder and the Collateral Manager; provided, that such successor Collateral Trustee will be appointed only upon the written consent of a Majority of the Secured Debt of each Class voting as a single Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Collateral Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Collateral Trustee has been appointed and an

instrument of acceptance by a successor Collateral Trustee has not been delivered to the Collateral Trustee within 30 days after the giving of such notice of resignation, the resigning Collateral Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee satisfying the requirements of Section 6.8.

(c) The Collateral Trustee may be removed upon 30 days' prior written notice by the Collateral Manager (solely if the Collateral Trustee defaults in the performance of any of its material duties under this Indenture or any of the Transaction Documents and has not cured such default within 60 days) or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Collateral Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Collateral Trustee ceases to be eligible under Section 6.8 and fails to resign after written request therefor by the Co-Issuers or by a Majority of the Controlling Class; or

(ii) the Collateral Trustee becomes incapable of acting or is adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Trustee or of its property is appointed or any public officer takes charge or control of the Collateral Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Collateral Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

(e) If the Collateral Trustee is removed or becomes incapable of acting, or if a vacancy occurs in the office of the Collateral Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Collateral Trustee. If the Co-Issuers fail to appoint a successor Collateral Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Collateral Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Collateral Trustee. The successor Collateral Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Collateral Trustee and supersede any successor Collateral Trustee proposed by the Co-Issuers. If no successor Collateral Trustee has been so appointed by the Co-Issuers or a Majority of the Controlling Class and has accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Collateral Trustee and each appointment of a successor Collateral Trustee by delivering written notice of such event in the manner specified in Section 14.3 to the Collateral Manager, to each Rating Agency and to the Holders of the Debt as their names and addresses

appear in the Register. Each such notice will include the name of the successor Collateral Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Collateral Trustee, the successor Collateral Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank resigns or is removed as Collateral Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Transfer Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Collateral Trustee appointed hereunder must meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Collateral Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Collateral Trustee will become effective and such successor Collateral Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts, duties and obligations of the retiring Collateral Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Debt or the successor Collateral Trustee, such retiring Collateral Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Trustee all the rights, powers and trusts of the retiring Collateral Trustee, and shall duly assign, transfer and deliver to such successor Collateral Trustee all property and Money held by such retiring Collateral Trustee hereunder. Upon request of any such successor Collateral Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Collateral Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Collateral Trustee. Any organization or entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Trustee is a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Trustee, will be the successor of the Collateral Trustee hereunder, provided, that such organization or entity is otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Collateral Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Collateral Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Collateral Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, the Co-Issuers and the Collateral Trustee have power to appoint one or more Persons to act as co-trustee (subject to prior notice thereof being given to each Rating Agency), jointly with the Collateral Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Collateral Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Collateral Trustee has the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes will be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder, may be exercised, solely by the Collateral Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Collateral Trustee in respect of any property covered by the appointment of a co-trustee will be conferred or imposed upon and exercised or performed by the Collateral Trustee or by the Collateral Trustee and such co-trustee jointly as provided in the instrument appointing such co-trustee;

(c) the Collateral Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Collateral Trustee has the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder will be personally liable by reason of any act or omission of the Collateral Trustee hereunder;

(e) the Collateral Trustee will not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Collateral Trustee will be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Collateral Manager of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Collateral Trustee Related to Delayed Payment of Proceeds. In the event that the Collateral Trustee has not received a payment with respect to any Asset on its Due Date, (a) the Collateral Trustee shall promptly notify the Issuer and the Collateral

Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment has been received by the Collateral Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), has made provision for such payment satisfactory to the Collateral Trustee in accordance with Section 10.2(a), the Collateral Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Collateral Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager directs. Any such action will be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or delivered Collateral Obligation will be subject to Section 10.9 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Collateral Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Trustee in accordance with this Section 6.13 and such payment will not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Collateral Trustee shall, and if the Collateral Trustee so chooses the Collateral Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 will be deemed to be the authentication of Notes by the Collateral Trustee.

Any organization or entity into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, consolidation or conversion to which any Authenticating Agent is a party, or any organization or entity succeeding to the corporate trust business of any Authenticating Agent, will be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Collateral Trustee and the Issuer. The Collateral Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Collateral Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Collateral Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 are applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding Tax is imposed on the Issuer's payments under the Debt by law or pursuant to the Issuer's agreement with a governmental authority, such Tax will reduce the amount otherwise distributable to the relevant Holder. The Collateral Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority (but such authorization will not prevent the Collateral Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Debt will be treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Trustee. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Collateral Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Collateral Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Trustee for any out-of-pocket expenses incurred. Nothing herein imposes an obligation on the part of the Collateral Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Debt.

Section 6.16 Representative for Secured Debtholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the Delivery of any Asset to the Collateral Trustee (or the Custodian on its behalf) is to the Collateral Trustee as representative of the Secured Debtholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Collateral Trustee of any Asset, the endorsement to or registration in the name of the Collateral Trustee (or the Custodian on its behalf) of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Collateral Trustee in its capacity as representative of the Secured Debtholders and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Collateral Trustee, Paying Agent, Registrar, Transfer Agent and Calculation Agent under this Indenture. The Bank has taken all necessary

corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Collateral Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Debt in accordance with the terms of such Debt and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Debt or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Debt or this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Note will be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Collateral Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Collateral Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; provided, that no paying agent

will be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such paying agent's activities. If at any time the Co-Issuers fail to maintain the appointment of a paying agent, or fail to furnish the Collateral Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Collateral Trustee at its Corporate Trust Office.

The Co-Issuers hereby appoint Corporation Services Company, ("CSC") as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby and agree that the service of any such process or demand on CSC shall be effective for all purposes upon the receipt of CSC thereof. The Co-Issuers may at any time and from time to time vary or terminate the appointment of CSC or appoint an additional process agent; provided, that, if the appointment of CSC as process agent is terminated, the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time following the termination of CSC as process agent the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Collateral Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Collateral Trustee, each Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Money for Debt Payments to be Held in Trust. All payments of amounts due and payable with respect to any Debt that are to be made from amounts withdrawn from the Payment Account will be made on behalf of the Issuer by the Collateral Trustee or a Paying Agent with respect to payments on the Debt.

When the Applicable Issuers have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Debt held by each such Holder.

Whenever the Applicable Issuers have a Paying Agent other than the Collateral Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Collateral Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Trustee) the Applicable Issuers shall promptly notify the Collateral Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Trustee) in excess of an amount sufficient

to pay the amounts then becoming due on the Debt with respect to which such deposit was made will be paid over by such Paying Agent to the Collateral Trustee for application in accordance with Article X.

The initial Paying Agent will be as set forth in Section 7.2. Any additional or successor Paying Agents (other than a successor Collateral Trustee who shall automatically become the Paying Agent hereunder pursuant to Section 7.2) will be appointed by Issuer Order with written notice thereof to the Collateral Trustee; provided, that so long as any Class of Debt is rated by a Rating Agency, any Paying Agent shall (x) have a counterparty risk assessment of at least "Baa3(cr)" and "P-3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured debt rating of at least "Baa3" and "P-3" by Moody's and (y) a long-term issuer credit rating of "A+" or higher by S&P or a short-term issuer credit rating of "A-1" by S&P. If such successor Paying Agent fails to meet the required ratings set forth above, the Co-Issuers shall remove such Paying Agent and appoint a successor Paying Agent within 60 days of such Paying Agent failing to meet such required ratings. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Collateral Trustee to execute and deliver to the Collateral Trustee an instrument in which such Paying Agent agrees with the Collateral Trustee (and if the Collateral Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will;

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums have been paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Collateral Trustee, immediately resign as a Paying Agent and forthwith pay to the Collateral Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Collateral Trustee, immediately give the Collateral Trustee, with a copy to the Collateral Manager, notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Collateral Trustee, during the continuance of any such default, upon the written request of the Collateral Trustee, forthwith pay to the Collateral Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Collateral Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Trustee, such Paying Agent will be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Trustee or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable will be paid to the Issuer on Issuer Order; and the Holder of such Debt may thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Collateral Trustee or such Paying Agent with respect to such trust Money will thereupon cease. The Collateral Trustee or such Paying Agent, before being required to make any such release of payment, may, but is not required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as Jersey private company limited by shares or a company organized under the laws of the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or will be necessary to protect the validity and enforceability of this Indenture, the Debt, or any of the Assets; provided, that, in addition to the rights set forth in Section 7.10(i), the Issuer is entitled to change its jurisdiction of incorporation from Jersey to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Collateral Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, including that such change does not affect the perfection and priority of the security interest created hereby, (ii) written notice of such change has been given by the Issuer to the Collateral Trustee (which shall provide notice to the Holders), the Collateral Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Collateral Trustee has not received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the

Administration Agreement or the Issuer's declaration of trust by the Share Trustee, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person (except that the Co-Issuer will be treated as an entity disregarded as separate from the Issuer for U.S. federal income tax purposes) and (J) correct any known misunderstanding regarding its separate identity.

(c) The Co-Issuers and the Collateral Trustee agree, for the benefit of all Holders of each Class of Debt, not to institute against any Issuer Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, an Approved Issuer Subsidiary Liquidation), until the payment in full of all Debt (and any other debt obligations of the Issuer or the Co-Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

(d) The Co-Issuer will have at least one independent manager. For this purpose "independent manager" means a duly appointed manager of the Co-Issuer who should not have been, at the time of such appointment or at any time in the preceding five years, (i) a direct or indirect legal or beneficial owner in such entity or any of its Affiliates (excluding de minimis ownership interests), (ii) a creditor, supplier, employee, officer, director, family member, manager or contractor of such entity or its Affiliates or (iii) a person who controls (whether directly, indirectly, or otherwise) such entity or its Affiliates or any creditor, supplier, employee, officer, director, manager or contractor of such entity or its Affiliates.

Section 7.5 Protection of Assets. (a) The Issuer, or the Collateral Manager on behalf of the Issuer, will cause the taking of such action by the Issuer (or by the Collateral Manager if within the Collateral Manager's control under the Collateral Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Collateral Trustee in the Assets; provided, that the Collateral Manager is entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and is fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable

or desirable to secure the rights and remedies of the Holders of the Secured Debt hereunder and to:

(i) grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Collateral Trustee and the Holders of the Secured Debt in the Assets and of the Collateral Trustee against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets and, if required to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax, and if reasonably able to do so, deliver or cause to be delivered an applicable IRS Form W-8 or applicable successor form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction.

The Issuer hereby designates the Collateral Trustee as its agent and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation does not impose upon the Collateral Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's U.S. counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Collateral Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets of the Debtor now owned or hereafter acquired and wherever located" as the Assets in which the Collateral Trustee has a Grant.

(b) The Collateral Trustee shall not, except in accordance with Article V, Section 10.9(a), (b), (c) and (f) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets or amount from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Collateral Trustee's security interest in such Assets or amounts is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of

Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii) of the Original Indenture) unless the Collateral Trustee has received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Collateral Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Collateral Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Collateral Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it must obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Collateral Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Collateral Trustee.

Section 7.6 Opinions as to Assets. Within the six-month period preceding the fifth anniversary of the Closing Date (and every five years thereafter), the Issuer shall furnish to the Collateral Trustee, and the Rating Agencies an Opinion of Counsel relating to the security interest granted by the Issuer to the Collateral Trustee, stating that, as for the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next year.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Secured Debt (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent is required), contract with other Persons, including the Collateral Manager, the Collateral Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers will remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons will be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Collateral Manager, the

Collateral Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency (with a copy to the Collateral Manager and the Collateral Trustee) within 10 Business Days after any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix), (x) and (xii) the Co-Issuer will not, in each case from and after the Second Refinancing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Debt, except as permitted under this Indenture;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Debt, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities except in accordance with Sections 2.13 and 3.2 or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Debt except as may be permitted hereby by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture or amend any Hedge Agreement except as permitted by the terms thereof and of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, any Issuer Subsidiaries);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement or engage in any securities lending; or

(xii) if any Secured Debt is Outstanding, amend its organizational documents unless the Global Rating Agency Condition has been satisfied (or deemed inapplicable in accordance with Section 1.3) with respect to such amendment.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis or income tax on a net basis in any other jurisdiction.

(d) In furtherance and not in limitation of Section 7.8(c), the Issuer shall comply with the Tax Guidelines, unless, with respect to a particular transaction, the Issuer, the Collateral Manager and the Collateral Trustee have received Tax Advice, to the effect that the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis. The Issuer will be deemed to have complied with its obligations under Section 7.8(c) not to be engaged in a trade or business within the United States for U.S. federal income tax purposes if it complies with the Tax Guidelines or such Tax Advice, so long as the Collateral Manager does not have Knowledge that there has been a material change in U.S. federal income tax law or the formal administrative or binding judicial interpretation subsequent to the date hereof or the date of such Tax Advice that would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis notwithstanding compliance with the Tax Guidelines or reliance on the Tax Advice described in the previous sentence. For purposes of this Section 7.8(d), the term "Knowledge" shall mean the actual knowledge of any member of the senior management responsible for the implementation of this Indenture and the Collateral Management Agreement. The provisions set forth in the Tax Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Collateral Management Agreement) if the Issuer, the Collateral Manager and the Collateral Trustee have received Tax Advice, to the effect that the Issuer's contemplated activities, taking into account

such waiver, amendment, elimination, modification or supplement, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines in accordance with the terms thereof. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines in accordance with the terms thereof.

(e) The Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying each Rating Agency.

(f) The Issuer may not acquire any of the Debt (including any Debt surrendered or abandoned). This Section 7.8(f) does not limit an Optional Redemption, Tax Redemption, Mandatory Redemption, Clean-Up Call Redemption, Re-Pricing or Special Redemption pursuant to the terms of this Indenture.

(g) The Issuer will not elect or take any other action that would cause it to be classified for U.S. federal income tax purposes as other than a foreign partnership or an entity disregarded as a separate entity from the sole beneficial owner of the Subordinated Notes. The Co-Issuer will not elect or take any other action that would cause it to be classified as other than a disregarded entity for U.S. federal income tax purposes.

(h) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation (but not excepting any Hedge Agreement).

Section 7.9 Statement as to Compliance. On or before June 30th in each calendar year, commencing in 2025, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional debt pursuant to Section 2.13, the Issuer shall deliver to the Collateral Trustee and the Administrator (to be forwarded by the Collateral Trustee or the Administrator, as applicable, to the Collateral Manager, each Holder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Jersey law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity is the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, is a company organized and existing under the laws of Jersey or such other jurisdiction approved by a Majority of the Controlling Class (provided, that no such approval is required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (B) in any case expressly assumes, by an indenture supplemental hereto, executed and delivered to the Collateral Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Debt and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency has been notified in writing of such consolidation or merger and the Global Rating Agency Condition has been satisfied in respect of such consolidation or merger (unless deemed inapplicable in accordance with Section 1.3);

(c) if the Merging Entity is not the Successor Entity, the Successor Entity has agreed in such supplemental indenture (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity has delivered to the Collateral Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Secured Debt, (ii) the Collateral Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Debt and (iii) such Successor Entity will not be

treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis; and in each case as to such other matters as the Collateral Trustee or any Holder may reasonably require;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity has notified each Rating Agency of such consolidation, merger, transfer or conveyance and has delivered to the Collateral Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis;

(g) the Merging Entity has delivered to the Collateral Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act;

(h) after giving effect to such transaction, the outstanding stock (other than the Subordinated Notes) of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person; and

(i) notwithstanding anything else to the contrary in this Indenture, if on any date the Cayman Islands is not included in the EU/UK Restricted Lists, the Issuer (or the Collateral Manager on its behalf and with the prior written consent of a Majority of the Subordinated Notes) may, but shall not be obligated to, change the jurisdiction of incorporation of the Issuer to the Cayman Islands, whether by merger, consolidation, reincorporation or otherwise so long as the Moody's Rating Condition is satisfied with respect to such change in jurisdiction; provided that S&P shall receive notice of such change in jurisdiction pursuant to this clause (i).

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor that has theretofore become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter is released from its liabilities as obligor and maker on all the Debt and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not have any employees and shall not engage in any business or activity other than issuing, paying and redeeming the Debt and

any additional debt issued pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and other Assets, acquiring, holding, selling, exchanging, redeeming and pledging shares in Issuer Subsidiaries and other activities incidental thereto, including entering into the Transaction Documents to which it is (or in the case of any Hedge Agreement, to which it may become) a party. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Debt and any additional co-issued secured debt issued pursuant to this Indenture and other activities incidental thereto, including entering into the Transaction Documents to which it is a party.

Section 7.13 [Reserved].

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Debt remains Outstanding, on or before June 30th in each year, commencing in 2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Secured Debt from each applicable Rating Agency. The Applicable Issuers shall promptly notify the Collateral Trustee and the Collateral Manager in writing (and the Collateral Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Secured Debt has been, or is known will be, changed or withdrawn.

(b) The Issuer shall obtain and pay for a review of any Collateral Obligation (including DIP Collateral Obligations) which has a Moody's Rating derived under clause (a)(B) of the definition thereof (x) annually and (y) following the consummation of a material amendment to such Collateral Obligation, as determined by the Collateral Manager in its reasonable business judgment.

Section 7.15 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Applicable Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Collateral Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A in connection with the resale of such Note. "Rule 144A Information" is such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Debt remains Outstanding there will at all times be an agent appointed (which agent does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) in accordance with the definition of Benchmark (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as the Calculation Agent. The Calculation Agent may

be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent will be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible after 5:00 p.m. New York time on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Debt during the related Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Debt Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Debt and the related period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Collateral Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Collateral Trustee, the Paying Agent or the Calculation Agent have any obligation (i) to monitor, determine or verify the unavailability or cessation of any applicable Benchmark, (ii) to select, determine or designate any Benchmark or Fallback Rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any modifier to any replacement or successor index, (iv) to determine whether or what Benchmark Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing or (v) to calculate any Benchmark or other successor or replacement benchmark index to the extent that it is incapable of implementing such successor or replacement benchmark index operationally.

(d) None of the Collateral Trustee, the Paying Agent or the Calculation Agent will be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture as a result of the unavailability of Term SOFR (or other applicable Benchmark) and absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of the Benchmark as determined on the previous Interest Determination Date or a preceding U.S. Government Securities Business Day if so required under the definition of Term SOFR or any Benchmark Conforming Changes. The Calculation Agent shall be entitled to rely upon direction provided by the Issuer or the Collateral Manager facilitating or specifying administrative procedures with respect to the calculation of any replacement Benchmark. For the avoidance of doubt, if the rate published by the Term SOFR Administrator (or successor source) is unavailable, neither the Calculation Agent nor the Collateral Trustee shall be under any duty or

obligation to take any action other than the Calculation Agent's obligation to take the actions expressly set forth in herein. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Collateral Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any replacement Benchmark on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. In connection with each Floating Rate Obligation, the Issuer (or the Collateral Manager on its behalf) is responsible in each instance to (i) monitor the status of the applicable Benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitute index, and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person, and neither the Collateral Trustee nor the Collateral Administrator shall have any responsibility or liability therefor.

(e) Neither the Calculation Agent nor the Collateral Manager shall have any liability for any interest rate published by any publication that is the source for determining the interest rates of the Secured Debt, rates compiled by the CME Group Benchmark Administration Limited (CBA) or any successor thereto, or rates published by the FRB or on the Federal Reserve Bank of New York's Website.

Section 7.17 Certain Tax Matters.

(a) The Co-Issuers will treat the Co-Issuers and the Debt as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders of a Subordinated Note) for each taxable year of the Issuer, the Co-Issuer and any Issuer Subsidiary the U.S. federal, state and local income tax returns and reports as required under the Code or any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder any information that such Holder reasonably requests in order for such Holder to comply with its U.S. federal, state, or local tax and information return and reporting obligations or to make and maintain an election to treat any non-U.S. Issuer Subsidiary as a "qualified electing fund" ("QEF") for U.S. federal income tax purposes and/or a "protective" election to treat the Issuer as a "qualified electing fund" for U.S. federal income tax purposes.

(c) The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for compliance with FATCA, the Jersey AEOI Regulations, and the CRS, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer and any non-U.S. Issuer Subsidiary pursuant to FATCA, the

Jersey AEOI Regulations, and the CRS, and any other action that the Issuer would be permitted to take under this Indenture necessary for compliance with FATCA, the Jersey AEOI Regulations, and the CRS. Upon written request, the Collateral Trustee and the Registrar shall provide the Issuer, the Collateral Manager, or any agent thereof any information specified by such parties regarding the Holders of the Debt and payments on the Debt that is reasonably available to the Collateral Trustee or the Registrar, as the case may be, and may reasonably be necessary for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA, Jersey AEOI Regulations, and the CRS. The Issuer and its agents may share such information with the relevant regulatory authorities (including the Comptroller of Revenue in Jersey) in order to comply with FATCA and the Jersey AEOI Regulations. Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any non-U.S. Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer or such Issuer Subsidiary satisfies any and all withholding and tax payment obligations under the Code or other applicable law and to comply with FATCA, the Jersey AEOI Regulations, and the CRS. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any advisor retained by the Collateral Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications (including an applicable IRS Form W-8 or W-9, as applicable) to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

(d) Notwithstanding any provision herein to the contrary, the Issuer shall take any and all reasonable actions that may be necessary or appropriate to ensure that the Issuer satisfies any and all reporting, withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1446, 1471, and 1472, or any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it or any advisor retained by the Collateral Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Holder

(e) Upon the Collateral Trustee's receipt of a written request of a Holder, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Collateral Trustee shall forward such request to the Issuer and the Issuer shall cause its Independent accountants to provide promptly to the Collateral Trustee and such requesting Holder all of such information.

(f) This Section 7.17(f) through Section 7.17(l) shall apply to tax periods during which the Issuer is treated as a partnership for U.S. federal income tax purposes. The Collateral Manager will be the initial "partnership representative" (the "Partnership Representative") (or, if not eligible under the Code to be the Partnership Representative, the agent and attorney-in-fact of the Partnership Representative) and may designate the Partnership Representative from time to time with respect to any taxable year of the Issuer during which the Collateral Manager holds or has held any Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative); provided, that during any other period or if the Collateral Manager

declines to so designate a Partnership Representative, the Issuer (after consultation with the Collateral Manager) shall designate the Partnership Representative from among any beneficial owners of Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative). The Partnership Representative (or, if applicable, its agent and attorney in fact), shall sign the Issuer's tax returns and is authorized to make tax elections on behalf of the Issuer in its reasonable discretion, to determine the amount and characterization of any allocations or tax items described in this Indenture in its reasonable discretion, and to take all actions and do such things as required or as it shall deem appropriate under the Code, at the Issuer's sole expense, including representing the Issuer before taxing authorities and courts in tax matters affecting the Issuer and the beneficial owners of Subordinated Notes (as determined for U.S. federal income tax purposes) in their capacity as partners in the Issuer. Any action taken by the Partnership Representative in connection with audits of the Issuer under the Code will, to the extent permitted by law, be binding upon the "equity owners" (for U.S. federal income tax purposes) of the Issuer. Each such beneficial owner agrees that it will treat any Issuer item on such beneficial owner's income tax returns consistently with the treatment of the item on the Issuer's tax return and that such beneficial owner will not independently act with respect to tax audits or tax litigation affecting the Issuer, unless previously authorized to do so in writing by the Partnership Representative (or, if applicable, its agent and attorney-in-fact), which authorization may be withheld in the complete discretion of the Partnership Representative (or, if applicable, its agent and attorney in fact). The Issuer will, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative and any agent and attorney-in-fact of such Partnership Representative in connection with any expenses reasonably incurred in connection with its performance of its duties as or on behalf of the Partnership Representative. For the avoidance of doubt, any indemnity or reimbursement provided pursuant to the immediately foregoing sentence shall be treated as an Administrative Expense pursuant to the definition thereof.

(g) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Holder of Subordinated Notes (including, for purposes of this Section 7.17(g) and Section 7.17(h) through (k), any Holder of Subordinated Notes (as determined for U.S. federal income tax purposes)), in accordance with Section 704(b) of the Code and Treasury Regulations Section 1.704-1(b)(2)(iv).

(h) Each Holder or beneficial owner of an interest in Subordinated Notes or any other Class of Debt that is treated as equity in the Issuer for U.S. federal income tax purposes (each such Holder or beneficial owner and each such interest, a "Partnership Interest") agrees to treat the Issuer as a partnership and this Indenture as part of the Issuer's partnership agreement for purposes of Subchapter K and any related provisions of the Code and any Treasury Regulations promulgated thereunder. In furtherance of this Section 7.17, the Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each partner in accordance with Section 704(b) of the Code. After giving effect to Section 7.17(h) and Section 7.17(i), all Issuer items of income, gain, loss and deduction shall be allocated among the Holders of Subordinated Notes in a manner such that, after the allocation, each such Holder's capital account is equal (as nearly as possible) to the amount that such Holder would receive from the Issuer if the Issuer (i) sold all of its assets for their Book Values, (ii) applied the proceeds to discharge Issuer liabilities at face amount, and (iii) distributed

the remaining proceeds in accordance with the provisions of this Indenture (other than this Section 7.17), minus the sum of such Holder's share of "partnership minimum gain" (within the meaning of Treasury Regulations Section 1.704-2(b)(2)) and "partner nonrecourse debt minimum gain" (within the meaning of Treasury Regulations Section 1.704-2(i)(3)).

(i) (i) This Section 7.17(i)(i) incorporates by reference, as if fully set forth herein, the "minimum gain chargeback" requirement contained in Treasury Regulations Section 1.704-2(f), the "partner minimum gain chargeback" requirement contained in Treasury Regulations Section 1.704-2(i), and the "qualified income offset" requirement contained in Treasury Regulations Section 1.704-1(b)(2)(ii)(d).

(ii) In the event that any Holder of Subordinated Notes has a deficit capital account at the end of any Issuer taxable year that is in excess of the amount such Holder is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), such Holder will be allocated items of Issuer income and gain in the amount of such excess as quickly as possible. Notwithstanding the foregoing, an allocation pursuant to this Section 7.17(i)(ii) will be made only if and to the extent that such Holder would have a deficit capital account in excess of such amount after all other allocations provided for in this Section 7.17 have been tentatively made as if this Section 7.17 did not include this Section 7.17(i)(ii) or the "qualified income offset" requirement of Section 7.17(i)(i).

(iii) Nonrecourse deductions (within the meaning of Treasury Regulations Section 1.704-2(b)(1)) will be specially allocated to the Holders of Subordinated Notes in the same manner as if they were not nonrecourse deductions.

(iv) No Holder of Subordinated Notes will be allocated items of loss or deduction under Section 7.16(h) or Section 7.16(j) if such allocation would cause or increase a deficit balance in such Holder's capital account as of the end of the Issuer taxable year to which such allocation relates, within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(d).

(j) It is the intent of the Issuer that, to the extent possible, all special allocations made pursuant to Section 7.17(h) be offset either with other special allocations made pursuant to Section 7.17(i) or with special allocations made pursuant to this Section 7.17(j). Therefore, notwithstanding any other provision of this Section 7.17 (other than Section 7.17(i)), offsetting special allocations of Issuer items of income, gain, loss and deduction will be made so that, after such offsetting allocations are made, the capital account balance of each Holder of Subordinated Notes is, to the extent possible, equal to the capital account balance such Holder would have had if the special allocations made pursuant to Section 7.17(i) were not part of this Section 7.17 and all Issuer items of income, gain, loss and deduction were allocated pursuant to Section 7.17(h).

(k) For U.S. federal, state and local income tax purposes, items of Issuer income, gain, loss, and deduction will be allocated among the Holders of Subordinated Notes in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17(k), except that items with respect to which there is a difference between adjusted tax basis and Book Value will be allocated in accordance with Section 704(c) of the Code using a

method chosen by the Partnership Representative as described in Treasury Regulations Section 1.704-3.

(l) The Partnership Representative is authorized to amend the allocations described in this Section 7.17 as necessary to ensure that all allocations made pursuant to this Section 7.17 are treated as having "substantial economic effect" within the meaning of Section 704 of the Code.

(m) The Partnership Representative may, in its sole discretion, cause the Issuer to make an election under Section 754 of the Code or elect to be a "withholding foreign partnership" for U.S. federal income tax purposes.

(n) Prior to the time that:

(i) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis, or

(ii) any Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis,

the Issuer will either (x) organize a wholly owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an "Issuer Subsidiary") and contribute to the Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, (y) contribute to an existing Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or (z) sell the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, in each case unless the Issuer receives Tax Advice to the effect that the acquisition, ownership, and disposition of such asset, or that the workout, restructuring, or modification of such Collateral Obligation (as the case may be), will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

(o) Notwithstanding Section 7.17(n), the Issuer shall not acquire any Collateral Obligation if a restructuring, workout, or modification of such Collateral Obligation is in process and if such restructuring, workout, or modification could reasonably result in the Issuer being treated as engaged in a trade or business within the United States or subject to U.S. federal income tax on a net basis.

(p) Each Issuer Subsidiary must at all times have at least one independent director and organizational documents that satisfy any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of assets referred to in clauses (i) and (ii) of Section 7.17(n), and any assets, income and proceeds received in respect

thereof (collectively, "Issuer Subsidiary Assets"), and shall require the Issuer Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer, subject to Section 7.17(q)(xvii), on or before the Stated Maturity of the Secured Debt or at such earlier time designated at the sole discretion of the Collateral Manager. At the request of the Collateral Manager, the Issuer will cause any Issuer Subsidiary to enter into a separate management agreement with the Collateral Manager which agreement shall be substantially in the form of the Collateral Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to the Rating Agencies. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary.

(q) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(iii) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than their respective directors, to the extent such directors are deemed to be employees), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.17(q) applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(v) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to its Issuer Subsidiary Assets and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) it will be subject to the limitations on powers set forth in the organizational documents of the Issuer;

(vi) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(vii) the Issuer shall notify the Collateral Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Issuer Subsidiary;

(viii) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted take any actions and enter into any agreements to effect the transactions contemplated by clause (e) above so long as they do not violate clause (f) above;

(x) the Issuer shall keep in full effect the existence, rights and franchises of each Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by the related Issuer Subsidiary. In addition, the Issuer and each Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary at any time;

(xi) with respect to any Issuer Subsidiary, the parties hereto agree that any reports prepared by the Collateral Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Issuer Subsidiary Assets are held by the Issuer Subsidiary, shall refer directly and solely to the related Issuer Subsidiary Assets, and the Collateral Trustee shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xii) the Issuer, the Co-Issuer, the Collateral Manager and the Collateral Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer applicable preference period then in effect plus one day, after the payment in full of all the Debt issued under this Indenture;

(xiii) in connection with the organization of any Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary pursuant to Section 7.17(n), such Issuer Subsidiary shall establish one or more custodial and/or collateral accounts meeting the requirements of Section 10.1, as necessary, to hold the Issuer Subsidiary Assets pursuant to an account control agreement; provided, however, that (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Collateral Trustee if required pursuant to a related reorganization or bankruptcy proceeding following an Event of Default;

(xiv) subject to Section 7.17(q)(xvii), the Issuer shall cause the Issuer Subsidiary as soon as reasonably practicable to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be

determined by the Collateral Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable, as determined in accordance with subclause (xvii)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xv) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, subject to Section 1.2(p), for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Tests, and Coverage Tests or for the purpose of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in an Issuer Subsidiary or any property distributed to the Issuer by an Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s) or of any asset received in consideration of such Issuer Subsidiary Asset(s)). If, prior to its transfer to an Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by an Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xvii) if (A) any Event of Default occurs, the Debt has been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Collateral Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Optional Redemption, Tax Redemption, Clean-Up Call Redemption, or other prepayment in full or repayment in full of all Debt Outstanding occurs and such notice is not capable of being rescinded, (C) the earliest Stated Maturity of any Secured Debt has occurred or will occur within 5 Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(xviii) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United

States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis;

(xix) [reserved]; and

(xx) the Issuer shall provide, or cause to be provided, to the Rating Agencies, written notice prior to the formation of an Issuer Subsidiary.

(r) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes, based on Tax Advice.

(s) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

(u) If the Issuer is aware that it participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder or beneficial owner of Subordinated Notes (or any other Note that is required to be treated as equity for U.S. federal income tax purposes) requests information about any such transactions in which the Issuer is an investor, the Issuer (or the Collateral Manager acting on behalf of the Issuer) shall provide such information it has reasonably available as soon as practicable after such request. Upon request by the Independent accountants, the Registrar shall provide to the Independent accountants information contained in the Register and requested by the Independent accountants to comply with this Section 7.17(u).

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations.

(a) The Effective Date occurred prior to the Second Refinancing Date and, on and after the Second Refinancing Date, this Section 7.18 (other than clauses (i) and (j)) shall not be applicable.

(b) [Reserved].

(c) Up to (and including) the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account, and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Test.

(d) Within 30 Business Days after the Effective Date, the Issuer shall provide, or cause the Collateral Administrator to provide, to S&P, a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Collateral Administrator shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: CUSIP number (if any), LoanX ID (if any), name of Obligor, coupon, spread (if applicable), index rate floor (if any), legal final maturity date, average life, principal balance, identification as a Cov-Lite Loan or otherwise, settlement date, S&P Industry Classification, S&P Recovery Rate and the purchase price of assets purchased by the Issuer that have not settled as of such date.

(e) Unless clause (f) below is applicable, within 30 Business Days after the Effective Date, the Issuer (or the Collateral Manager on its behalf) shall provide, or cause the Collateral Manager to provide, the following documents: (i) to each Rating Agency, a report (that the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) identifying the Collateral Obligations; (ii) to the Rating Agencies, the Collateral Trustee and the Collateral Manager, (x) a report (that the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) stating the following information (the "Effective Date Report"): (A) the Obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, S&P Rating, Moody's Industry Classification, Moody's Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or a loan), by reference to such sources as shall be specified therein, (B) as of the Effective Date, the level of compliance with, and satisfaction or non-satisfaction of, (1) the Target Initial Par Condition, (2) each Overcollateralization Ratio Test, (3) the Concentration Limitations and (4) the Collateral Quality Tests (excluding the S&P CDO Monitor Test, the "Effective Date Tested Items") and (C) following the designation of an S&P CDO Monitor Formula Election Date, a calculation of the S&P CDO Monitor Test and (y) a certificate of the Issuer (such certificate, the "Effective Date Issuer Certificate"), certifying that the Issuer has received (A) an Accountants' Report (the "Accountants' Effective Date Comparison AUP Report") recalculating and confirming the following items from the Effective Date Report: the Obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification, Moody's Rating and S&P Rating with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or a loan), by reference to such sources as will be specified therein and (B) an Accountants' Report (the "Accountants' Effective Date Recalculation AUP Report" and together with the Accountants' Effective Date Comparison AUP

Report, the "Accountants' Effective Date AUP Reports") recalculating as of the Effective Date the level of compliance with, and satisfaction or non-satisfaction of the Effective Date Tested Items; and (iii) to the Collateral Trustee and the Collateral Manager, the Accountants' Effective Date AUP Reports. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post (or cause to be posted) such Form 15-E on the 17g-5 Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer, the Collateral Trustee or the Collateral Administrator will not be provided to any other party including each Rating Agency.

Upon receipt of the Effective Date Report, the Collateral Manager shall compare the information contained in such Effective Date Report to the information contained in its records with respect to the Assets and shall, within three Business Days after receipt of such Effective Date Report, notify the Issuer, the Collateral Administrator, the Rating Agencies and the Collateral Trustee if the information contained in the Effective Date Report does not conform to the information maintained by the Collateral Trustee with respect to the Assets. In the event that any discrepancy exists, the Collateral Trustee and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Collateral Trustee shall within five Business Days notify the Collateral Manager who shall, on behalf of the Issuer, request that the Independent accountants selected by the Issuer pursuant to Section 10.10 perform agreed-upon procedures on the Effective Date Report, the Collateral Manager's records and the Collateral Trustee's and/or the Collateral Administrator's records to assist the Collateral Manager and the Collateral Trustee in determining the cause of such discrepancy. If such procedures reveal an error in the Effective Date Report, the Collateral Manager's records or the Collateral Trustee's and/or the Collateral Administrator's records, the Effective Date Report, the Collateral Manager's records, the Collateral Trustee's records and/or the Collateral Administrator's records, as applicable, will be revised accordingly and notice of any error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report.

(f) If, within 30 Business Days after the Effective Date either (x) (1) the Effective Date Moody's Condition has not been satisfied and (2) the Moody's Rating Condition is not satisfied with respect to any Class of Secured Debt issued on the Closing Date rated by Moody's (a "Moody's Ramp-Up Failure") or (y) (1) the Effective Date S&P Condition has not been satisfied and (2) S&P has not provided written confirmation of the initial ratings assigned by it to any Class of Secured Debt issued on the Closing Date (an "S&P Ramp-Up Failure" and together with a Moody's Ramp-Up Failure, an "Effective Date Rating Failure"), then the Issuer (or the Collateral Manager on the Issuer's behalf) will instruct the Collateral Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations in an amount sufficient to satisfy the Effective Date Rating Condition; provided, that, in lieu of complying with the foregoing, the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to satisfy the Effective Date Rating Condition;

provided, further, that amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to such transfer, (1) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay in the full amount of the accrued and unpaid interest on any Class of Secured Debt on such next succeeding Payment Date or (2) such transfer would result in a deferral of interest with respect to a Class of Deferred Interest Secured Notes on the next succeeding Payment Date.

If, following an Effective Date Rating Failure, the Effective Date Rating Condition is satisfied, then the Issuer shall be under no obligation to transfer (or cause the transfer of) Interest Proceeds to the Collection Account as Principal Proceeds or to effect a Special Redemption.

(g) The failure of the Issuer to satisfy the requirements of this Section 7.18 will not constitute an Event of Default unless such failure otherwise constitutes an Event of Default under Section 5.1(e) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts will be applied as described in Section 10.3(c).

(h) On or prior to the First Refinancing Date, the Collateral Manager shall elect the Weighted Average S&P Recovery Rate that will apply on and after the First Refinancing Date to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and if such Weighted Average S&P Recovery Rate differs from the Weighted Average S&P Recovery Rate chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Collateral Trustee and the Collateral Administrator. Thereafter, at any time on written notice to the Collateral Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided, that, if: (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations, but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change, then such changed case will not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations will be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 6. If the Collateral Manager does not so notify the Collateral Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth above, the Weighted Average S&P Recovery Rate chosen as of the First Refinancing Date will continue to apply.

(i) Compliance with the S&P CDO Monitor Test will be measured only during the Reinvestment Period and shall be measured by the Collateral Manager on each Measurement Date; provided, however, that on each Measurement Date after the Second Refinancing Date and after receipt by the Issuer of the S&P CDO Monitor, the Collateral Manager shall provide to the Collateral Administrator a report on the portfolio of Collateral Obligations containing such information as is reasonably necessary to permit the Collateral Administrator to calculate the Class Default Differential with respect to the Highest Ranking Class on such Measurement Date.

In the event that the Collateral Manager's measurement of compliance and the Collateral Administrator's measurement of compliance show different results, the Collateral Manager and the Collateral Administrator shall cooperate promptly in order to reconcile such discrepancy.

(j) On or prior to the Second Refinancing Date, the Collateral Manager shall have elected the Matrix Combination that will apply on and after the Second Refinancing Date for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test. Thereafter, at any time on written notice of one Business Day to the Collateral Trustee, the Collateral Administrator and each Rating Agency, the Collateral Manager may elect a different Matrix Combination; provided that (i) if the Collateral Obligations are currently in compliance with the Matrix Combination, the Collateral Obligations comply with the Matrix Combination to which the Collateral Manager desires to change or (ii) if the Collateral Obligations are not currently in compliance with the Matrix Combination or would not be in compliance with any other Matrix Combination, the Collateral Obligations need not comply with the Matrix Combination to which the Collateral Manager desires to change, so long as the level of compliance is maintained or improved with the Matrix Combination in effect immediately prior to such change; provided, further, that if subsequent to such election the Collateral Obligations comply with any Matrix Combination, the Collateral Manager shall elect a Matrix Combination as to which the Collateral Obligations are in compliance. If the Collateral Manager does not notify the Collateral Trustee and the Collateral Administrator that it will alter the Matrix Combination chosen on the Second Refinancing Date in the manner set forth above, the Matrix Combination chosen as of the Second Refinancing Date shall continue to apply.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Second Refinancing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder):

(i) The Issuer owns the Assets free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Collateral Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the other than any Financing Statement relating to the security interest granted to the Collateral Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or Tax lien filings against the Issuer.

(iii) All Assets constitute Cash, accounts (as defined in Section 9-102(a)(2) of the UCC), Instruments, general intangibles (as defined in Section 9-102(a)(42) of the UCC), Uncertificated Securities, Certificated Securities or security entitlements to financial assets resulting from the crediting of financial assets to a "securities account" (as defined in Section 8-501(a) of the UCC).

(iv) Each of the Accounts constitutes a "securities account" under Section 8-501(a) of the UCC, or a deposit account over which the Collateral Trustee has control (within the meaning of Section 9-104 of the UCC).

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Collateral Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer, provided that any security interest purported to be created by this Indenture in any Assets situate in Jersey will not be effective to give security over those Assets.

(b) The Issuer hereby represents and warrants that, as of the Second Refinancing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or will have caused, within ten days after the Second Refinancing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Collateral Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Collateral Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Collateral Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Collateral Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets that constitute Instruments.

(c) The Issuer hereby represents and warrants that, as of the Second Refinancing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and will have been credited to one of the Accounts, each of which is a securities account within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all such Security Entitlements so credited to such accounts as "financial assets" within the meaning of Section 8-102(a)(9) of the UCC; provided that the Securities Intermediary shall not be required to treat as a financial asset any asset in the nature of a general intangible (as defined in Section 9-102(a)(42) of the UCC) or to "maintain" a sufficient quantity thereof.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets that constitute Security Entitlements.

(iii) (x) The Issuer has caused or will have caused, within ten days after the Second Refinancing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder and (y) the Issuer has delivered to the Collateral Trustee a fully executed Account Agreement pursuant to which the Custodian has agreed to comply with all instructions originated by the Collateral Trustee relating to the Accounts without further consent by the Issuer.

(iv) The Accounts are not in the name of any Person other than the Issuer or the Collateral Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any Person other than the Collateral Trustee (and the Issuer prior to a notice of exclusive control being provided by the Collateral Trustee).

(d) The Issuer hereby represents and warrants that, as of the Second Refinancing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or will have caused, within ten days after the Second Refinancing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets that constitute general intangibles.

(e) The Co-Issuers agree to notify the Rating Agencies promptly if they become aware of the breach of any of the representations and warranties contained in this Section 7.19.

Section 7.20 Rule 17g-5 Compliance. (a) The Issuer shall cause to be posted on a password-protected internet website, at the same time such information is provided to each Rating Agency, all information (which shall not include any Accountants' Report) the Issuer provides or causes to be provided to each Rating Agency for the purposes of determining the initial credit rating of the Secured Debt or undertaking credit rating surveillance of the Secured Debt, in accordance with the following procedures in the case of such credit rating surveillance.

(b) To the extent that a Rating Agency makes an inquiry or initiates communications with the Issuer, the Collateral Manager, the Collateral Administrator or the Collateral Trustee that is relevant to such Rating Agency's credit rating surveillance of the Secured Debt, all responses to such inquiries or communications from such Rating Agency shall be formulated in writing by the responding party or its representative or advisor and shall be provided

(c) To the extent that any of the Issuer, the Collateral Manager, the Collateral Administrator or the Collateral Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Collateral Management Agreement (including pursuant to Section 10.11 hereof), the Issuer, the Collateral Manager, the Collateral Administrator or the Collateral Trustee, as applicable (or their respective representatives or advisors), shall provide such information or communication to the 17g-5 Information Agent by e-mail at CCTBlackstoneCredit@computershare.com, which the 17g-5 Information Agent shall promptly upload to the 17g-5 Website in accordance with the procedures set forth in Section 7.20(d) and the Collateral Administration Agreement, and after the applicable party has received written notification that such information has been uploaded to the 17g-5 Website, the applicable party or its representative or advisor shall provide such information to such Rating Agency.

(d) The Issuer, the Collateral Manager, the Collateral Administrator and the Collateral Trustee (and their respective representatives and advisors) shall be permitted (but shall not be required) to orally communicate with each Rating Agency regarding any Collateral Obligation or the Debt; provided, that such party summarizes the information provided to each Rating Agency in such communication and provides the 17g-5 Information Agent with such summary in accordance with the procedures set forth in this Section 7.20 and the Collateral Administration Agreement within one Business Day of such communication taking place. The 17g-5 Information Agent shall post such summary on the 17g-5 Website in accordance with the procedures set forth in this Section 7.20(d) and the Collateral Administration Agreement.

(e) All information to be made available to each Rating Agency pursuant to this Section 7.20 shall be emailed to the 17g-5 Information Agent. Information will be posted by the 17g-5 Information Agent to the 17g-5 Website on the same Business Day of receipt provided, that such information is received by 12:00 p.m. (Eastern time) or, if received after 12:00 p.m. (Eastern time), on the next Business Day. The 17g-5 Information Agent shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered is accurate, complete, conforms to the transaction or otherwise is or is not anything other than what it purports to be. In the event that any information is delivered or posted in error, the 17g-5 Information Agent may remove it from the 17g-5 Website. None of the Collateral Trustee, the Collateral Manager, the Collateral Administrator and the 17g-5 Information Agent (nor any affiliate of the foregoing) shall have obtained or shall be deemed to have obtained actual knowledge of any information solely due to receipt and posting to the 17g-5 Website. Access will be provided by the Issuer to each Rating Agency, and to any NRSRO upon receipt by the Issuer of an NRSRO Certification from such NRSRO (which may be submitted electronically via the information from the 17g-5 Website).

(f) In connection with providing access to the information from the 17g-5 Website, the 17g-5 Information Agent may require registration and the acceptance of a disclaimer. warranties as to the accuracy or completeness of information made available from the information from the 17g-5 Website. The 17g-5 Information Agent shall not be liable for its failure to make any information available to each Rating Agency or NRSROs unless such information was delivered to the 17g-5 Information Agent at the email address set forth in Section 7.20(c), with a subject heading of "Valley Stream Park CLO 17g-5 Information" and sufficient detail to indicate that such information is required to be posted on the 17g-5 Website.

(g) In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post (or cause to be posted) such Form 15-E on the 17g-5 Website.

Section 7.21 Collateral Manager Standard of Care. The Co-Issuers acknowledge that they are responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Collateral Manager to take certain actions on their behalf in order to comply with such covenants, the Collateral Manager is only required to perform such actions in accordance with the standard of care set forth in Section 2(h) of the Collateral Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of Blackstone CLO Management LLC no longer being the Collateral Manager). The Co-Issuers further acknowledge and agree that the Collateral Manager has no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Collateral Manager has actual knowledge of such breach.

Section 7.22 Hedge Agreement Provisions. (a) The Issuer may enter into one or more Hedge Agreements with Hedge Counterparties that satisfy the Required Hedge Counterparty Ratings for the purpose of managing interest rate risks in connection with the Issuer's issuance of, and making payments on, the Debt. The Issuer (or the Collateral Manager on behalf of the Issuer) will not enter into any Hedge Agreement unless (i) it receives the consent of a Majority of the Controlling Class, (ii) it obtains written advice of counsel (a copy of which will be provided to the Collateral Trustee) that such Hedge Agreement will not cause any person to be required to register as a "commodity pool operator" (within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer and (iii) the Global Rating Agency Condition has been satisfied in respect thereof. The Issuer must notify each Rating Agency prior to the amendment of any Hedge Agreement, the termination of any Interest Rate Hedge if the Issuer would be required to make a termination payment. Each Hedge Agreement will (i) contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in this Indenture and (ii) provide that any amounts payable to the related Hedge Counterparty thereunder will be subject to the Priority of Payments.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(c) In the event of an early termination of an Interest Rate Hedge, the Collateral Manager shall use commercially reasonable efforts to cause the Issuer to enter into a replacement Interest Rate Hedge unless the Global Rating Agency Condition is satisfied (unless deemed inapplicable in accordance with Section 1.3).

(d) The Issuer, or the Collateral Manager acting on its behalf, shall, upon receiving written notice from the relevant Hedge Counterparty of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if such Hedge Counterparty fails to satisfy certain conditions specified in such Hedge Agreement.

The Collateral Manager, on behalf of the Issuer, will give prompt notice to the Collateral Trustee and each Rating Agency of any such termination or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement will be deposited in the Hedge Counterparty Collateral Account. Notwithstanding the foregoing, the Issuer may waive such requirements under a Hedge Agreement with notice to the Collateral Trustee, subject to satisfaction of the Global Rating Agency Condition (unless deemed inapplicable in accordance with Section 1.3).

(f) Any amounts payable to the Hedge Counterparty under any Hedge Agreement are subject to the Priority of Payments and the claims of the Hedge Counterparties under any Hedge Agreement will rank equally.

(g) The Issuer, or if, and as, directed by the Collateral Manager, the Collateral Trustee, will take actions to enforce the Issuer's rights and remedies under each Hedge Agreement; provided, however, that in no instance will the Collateral Trustee be obligated to take any action in the absence of specific and adequate direction from the Collateral Manager (which will not require the Collateral Trustee to undertake discretionary decision making) or if the Collateral Trustee determines in its reasonable judgment that it is not adequately indemnified for and from associated cost, expense or liability.

Section 7.23 Contesting Insolvency Filings. So long as any Debt is Outstanding, the Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, upon receipt of notice of any Bankruptcy Filing (as hereafter defined) shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer, Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or other applicable law (each of (i) and (ii), a "Bankruptcy Filing"). The costs and expenses (including, without limitation, fees and expenses of counsel to the Co-Issuers or any Issuer Subsidiary) incurred by the Co-Issuers or any Issuer Subsidiary in connection with their obligations described in the immediately preceding sentence ("Petition Expenses") will be payable

as Administrative Expenses without regard to the cap relating to the payment of other Administrative Expenses in the Priority of Payments up to an aggregate sum of U.S.$250,000 (the "Petition Expense Amount"). Any Petition Expenses in excess of the Petition Expense Amount will be payable as Administrative Expenses subject to the Administrative Expense Cap in accordance with the Priority of Payments.

Section 7.24 Transparency Requirements. The Issuer agrees in accordance with (i) Article 7(2) of the Securitization Regulation, (ii) SECN 6.3.1 and (iii) Article 7(2) of Chapter 2 of the PRASR (as applicable) to be designated as the designated entity required to fulfill the Transparency Requirements. The Issuer agrees and further covenants that it will make available to (i) the Issuer, (ii) the Collateral Trustee, (iii) the Initial Purchaser, (iv) a Hedge Counterparty, (v) the Collateral Manager, (vi) a Rating Agency, (vii) the Holders, (viii) any potential investors in the Debt (upon request thereby), (ix) the competent authorities (as determined under each Securitization Regulation) and (x) any such other method of dissemination as required by the Securitization Regulation (together, the "Relevant Recipients") the documents, reports and information necessary to fulfill any applicable reporting obligations under the Transparency Requirements. The Issuer shall also determine (which determination shall be made in consultation with the Collateral Manager) whether any reports, data and other information is necessary or essential in connection with the preparation of any loan level reports, investor reports and any reports in respect of significant events (such reports, collectively, the "Transparency Reports"). Pursuant to the terms of the Collateral Administration Agreement, the Issuer shall make or cause to make the Transparency Reports available via the website of the Collateral Administrator which shall be accessible to any person who completes and electronically submits a certification to the Collateral Administrator on such website (upon which the Collateral Administrator may rely absolutely and without inquiry or liability) that such certifying Person is a Relevant Recipient. The Issuer shall also be entitled (with the consent of the Collateral Manager at the cost and expense of the Issuer, subject to and in accordance with the Priority of Payments) to appoint a Reporting Agent to prepare, or assist in the preparation of, the Transparency Reports and/or to make such information available to any Relevant Recipients.

Section 7.25 Proceedings. Notwithstanding any other provision of this Indenture or any provision of the Debt, or of the Collateral Administration Agreement or of any other agreement, the Co-Issuers, whether jointly or severally, will be under no duty or obligation of any kind to the Holders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Collateral Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent. Nothing in this Section 7.25 shall imply or impose any additional duties on the part of the Collateral Trustee.

ARTICLE VIII

(xx) to enter into any additional agreements not expressly prohibited by this Indenture as well as any amendment, modification or waiver if the Issuer determines that such amendment, modification or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interests of Holders of any Class of Debt as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering such Opinion of Counsel) or an officer's certificate of the Collateral Manager; provided, that (A) any such additional agreements include customary limited recourse and non-petition provisions, (B) the Collateral Manager has consented to such supplemental indenture and (C) the written consent has been obtained from a Majority of the Controlling Class;

(xxviii) with the consent of a Majority of the Subordinated Notes, to make any modification or amendment determined by the Issuer or the Collateral Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable to enable the Issuer to rely upon the exemption from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof), in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Debt; or

(xxix) in connection with any Refinancing, Re-Pricing or additional issuance, to make any modification, which in its commercially reasonable judgment and based upon advice of nationally recognized counsel, is necessary to comply with the U.S. Risk Retention Rules or the Securitization Regulation.

(b) To the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture for purposes of conforming this Indenture to the Offering Circular pursuant to clause (viii) above and one or more other amendment provisions described above also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment to conform this Indenture to the Offering Circular pursuant to clause (viii) above regardless of the applicability of any other provision regarding supplemental indentures set forth in this Indenture.

(c) In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of Debt be considered to have a material adverse effect on any holder of such Class. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. In addition, in the case of a partial redemption, holders of Classes not subject to such Refinancing or Optional Redemption will be deemed not to be materially and adversely affected by the terms of any supplemental indenture executed in accordance with Section 9.2 that only relates to the issuance of refinancing debt and the terms thereof and does not change any terms of any Class not subject to such Refinancing or Optional Redemption or any other provision of this Indenture which would otherwise require the consent of the Holders of such Class pursuant to Section 8.1(a). In each case, holders of any redeemed Classes, any non-consenting Holders of a Re-Priced Class and holders of any non-redeemed Classes in a partial redemption have no objection or consent rights to such supplemental indenture. In connection with any proposed

supplemental indenture the consent to which is required from Holders of any Debt, no act of such Holders of Debt to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent approves its substance.

Section 8.2 Supplemental Indentures With the Consent of Holders of Debt. (a) Subject to Section 8.3, with the consent of the Collateral Manager and with the consent of a Majority of each Class of Secured Debt (voting separately by Class) materially and adversely affected thereby, if any, and if the Subordinated Notes are materially and adversely affected thereby, a Majority of the Subordinated Notes, by Act of Holders of such Majority of each Class of Secured Debt (voting separately by Class) materially and adversely affected thereby and/or a Majority of the Subordinated Notes delivered to the Collateral Trustee and the Co-Issuers, the Collateral Trustee and the Co-Issuers may, subject to the requirements provided below in Section 8.3 execute one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any provisions of, this Indenture or modify in any manner the rights of the Holders of the Debt of any Class under this Indenture; provided, that notwithstanding anything in this Indenture to the contrary, no such supplemental indenture (unless executed in connection with a redemption of the Secured Debt in whole) will, without the consent of each Holder of each Outstanding Class of Debt materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Debt, reduce the principal amount thereof or, other than in connection with a Re-Pricing or in connection with the change to a Fallback Rate, the rate of interest thereon or the Redemption Price with respect to any Debt, or modify the definition of the term "Non-Call Period" in such a manner as to shorten such period, change the Re-Pricing Sale Price, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Debt, or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Debt or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided that with respect to lowering the rate of interest payable on a Class of Debt, the consent of Holders of the other Classes of Debt shall not be required; provided, further, that any supplemental indenture entered into in connection with the execution of a Refinancing may extend the Non-Call Period;

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;

(iii) impair or adversely affect the Assets in any material way except as otherwise permitted in this Indenture;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Debt of the security afforded by the lien of this Indenture;

provided that this clause will not apply to any supplemental indenture in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to the obligations providing the Refinancing Proceeds in the form of one or more loans ranking on a parity with one or more Classes of Debt also secured pursuant to the liens of this Indenture;

(v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of any Class of Secured Debt whose consent is required to request the Collateral Trustee to preserve the Assets or rescind the Collateral Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5, provided that this clause does not apply to any supplemental indenture amending the restrictions on the sales of Collateral Obligations set forth in this Indenture that is otherwise permitted thereby;

(vi) modify any of the provisions of this Indenture with respect to entering into supplemental indentures, except to increase the percentage of Outstanding Debt the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder of each Outstanding Class of Debt affected thereby;

(vii) modify the definition of the term "Controlling Class" (other than the name of new Class or Classes in connection with a Refinancing or Re-Pricing), "Outstanding," "Class" (other than the name of new Class or Classes in connection with a Refinancing, Re-Pricing or issuance of additional Debt), "Majority" or "Supermajority" or the Priority of Payments set forth in Section 11.1(a); or

(viii) modify any of the provisions of this Indenture in such a manner as to affect (i) the calculation of the amount of any payment of interest (other than in connection with a change to a Fallback Rate) or principal on any Secured Debt, (ii) the calculation of the amount of distributions payable to the Subordinated Notes or (iii) the rights of the Holders of any Class of Secured Debt with respect to the benefit of any provisions related to a Re-Pricing, an Optional Redemption, a Tax Redemption, a Clean-Up Call Redemption or an additional issuance of Debt.

(b) In no case will a supplemental indenture, as described in Section 8.1 or Section 8.2(a) above, that becomes effective on or after the Redemption Date of any Class of Debt be considered to have a material adverse effect on any holder of such Class. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. In addition, in the case of a partial redemption, holders of Classes not subject to such Refinancing or Optional Redemption will be deemed not to be materially and adversely affected by any terms of the supplemental indenture executed in accordance with the terms under Section 9.2 that does not change any terms of any Class not subject to such Refinancing they are holding. Holders of any redeemed Classes, any non-consenting Holders of a Re-Priced Class and holders of any non-redeemed Classes in a partial redemption have no objection or consent rights to such supplemental indenture. In connection with any proposed supplemental indenture the consent to which is required from

Holders of any Debt, no act of such Holders of Debt to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent approves its substance.

Section 8.3 Execution of Supplemental Indentures. (a) The Collateral Trustee shall join in the execution of any such supplemental indenture permitted by Section 8.1 or Section 8.2 and to make any further appropriate agreements and stipulations which may be therein contained, but the Collateral Trustee is not obligated to enter into any such supplemental indenture which affects the Collateral Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) The Collateral Trustee may, but will not be obligated to, enter into any such supplemental indenture (including, without limitation, any supplemental indenture to implement any Benchmark Conforming Changes) that affects the Collateral Trustee's own rights, duties or immunities under this Indenture or otherwise. With respect to any supplemental indenture permitted by Section 8.1 or Section 8.2 the consent to which is expressly required pursuant to such Section from a Majority or a greater percentage of each Class of Debt materially and adversely affected thereby, the Collateral Trustee is entitled to conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or, solely if the Collateral Manager is Blackstone CLO Management LLC or an Affiliate thereof, an Officer's certificate of the Collateral Manager, as to (i) whether or not any Class of Secured Debt would be materially and adversely affected by a supplemental indenture and (ii) whether or not the Subordinated Notes would be materially and adversely affected by a supplemental indenture. Such determination will be conclusive and binding on all present and future Holders. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Collateral Trustee is entitled to receive, and (subject to Sections 6.1 and 6.3) is fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Collateral Trustee will not be liable for any reliance made in good faith upon such an Opinion of Counsel or solely if the Collateral Manager is Blackstone CLO Management LLC or an Affiliate thereof, such an Officer's certificate of the Collateral Manager.

(c) At the cost of the Co-Issuers, for so long as any Debt remains Outstanding, not later than 15 Business Days (or such shorter period under Article IX in connection with a Refinancing) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2 (other than a supplemental indenture to be entered into pursuant to Sections 8.1(a)(x), 8.1(a)(xi) or 8.1(a)(xix)), the Collateral Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, each Rating Agency, and the Holders a notice attaching a copy of such supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Collateral Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Debt remains Outstanding, not later than three Business Days prior to the execution of such proposed supplemental indenture (provided, that the execution of such proposed supplemental indenture will not in any case occur earlier than the date 10 Business Days after the

initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c), the Collateral Trustee shall deliver to the Collateral Manager, each Rating Agency, the Collateral Administrator, each Hedge Counterparty and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Collateral Trustee of such supplemental indenture, as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Collateral Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Sections 8.1(a)(x) 8.1(a)(xi) or 8.1(a)(xix), the foregoing notice periods will not apply and in the case of an amendment pursuant to Sections 8.1(a)(x) or 8.1(a)(xi), a copy of the proposed supplemental indenture will be included in, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each Holder of the Re-Priced Class (with a copy to the Collateral Manager, the Collateral Administrator, the Collateral Trustee , each Rating Agency) described in Section 9.8(b) and, in the case of a Refinancing, the notice of Optional Redemption given to each Hedge Counterparty, each Rating Agency and each Holder of Debt to be redeemed under Section 9.4(b). At the cost of the Co-Issuers, the Collateral Trustee shall provide to each Rating Agency, each Hedge Counterparty and the Holders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution. Any failure of the Collateral Trustee to publish or deliver such notice, or any defect therein, will not in any way impair or affect the validity of any such supplemental indenture.

(d) No Act of Holders to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent of any Holders to such proposed supplemental indenture approves the substance thereof.

(e) The Collateral Manager will not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of such amendment or supplement from the Issuer or the Collateral Trustee. The Issuer agrees that it will not permit to become effective any supplement or modification to this Indenture that would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Manager), or adversely change the economic consequences to, the Collateral Manager, (ii) modify the restrictions on the purchase of or Sales of Collateral Obligations, (iii) materially (as determined by the Collateral Manager in its sole discretion) expand or restrict the Collateral Manager's discretion or (iv) otherwise materially (as determined by the Collateral Manager in its sole discretion) adversely affect the Collateral Manager, and the Collateral Manager will not be bound thereby unless the Collateral Manager has consented in advance thereto in writing. No amendment to this Indenture (including, without limitation, any supplemental indenture to implement any Benchmark Conforming Changes) will be effective against the Collateral Administrator (including in its capacity as Calculation Agent) if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, reduce, eliminate or limit any right, privilege or protection of the Collateral Administrator, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(f) Notwithstanding any of the provisions described herein, the Issuer will not enter into any amendment to this Indenture that could reasonably be expected to have a material adverse effect on a Hedge Counterparty, unless such Hedge Counterparty otherwise consents in writing; provided, that the Collateral Trustee is entitled to conclusively rely upon an Officer's certificate of the Collateral Manager and an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or, solely if the Collateral Manager is Blackstone CLO Management LLC or an Affiliate thereof, an Officer's certificate of the Collateral Manager (without the requirement for an Opinion of Counsel), as to whether or not such amendment could reasonably be expected to have a material adverse effect on a Hedge Counterparty.

(g) At the cost of the Co-Issuers, the Collateral Trustee will provide to the holders of Debt, the Collateral Manager and the Rating Agencies a copy of any executed supplemental indenture after its execution. Any failure of the Collateral Trustee to supply such copy will not, however, in any way impair or affect the validity of any such supplemental indenture. In connection with any proposed supplemental indenture the consent to which is required from holders of any Class, it will not be necessary for any act of such holders to approve the particular form of any proposed supplemental indenture, but it will be sufficient if the act or consent approves its substance.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture will be modified in accordance therewith, and such supplemental indenture will form a part of this Indenture for all purposes.

Section 8.5 Reference in Debt to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement of Notes originally issued hereunder pursuant to Article II, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Collateral Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers so determine, new Notes, so modified as to conform in the opinion of the Collateral Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Collateral Trustee in exchange for Outstanding Notes.

If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Secured Debt in accordance with the Debt Payment Sequence to the extent necessary to achieve compliance with such Coverage Tests.

Section 9.2 Optional Redemption. (a) The Secured Debt is redeemable by the Applicable Issuers in connection with an Optional Redemption, on any Payment Date (or, with the

In connection with any such redemption, each Class of Secured Debt will be redeemed at the applicable Redemption Price and all Secured Debt to be redeemed must be redeemed simultaneously. No redemption of all or a portion of the Secured Debt from Refinancing Proceeds will be permitted unless the Collateral Manager has consented in writing thereto.

(b) Upon receipt of a written direction of an Optional Redemption of every Class of Secured Debt, if such redemption will require the Issuer to sell any Collateral Obligations to fund the redemption, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of Collateral Obligations and/or Eligible Investments such that the proceeds from such sale, the Refinancing Proceeds, Refinancing Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to pay (w) the Redemption Price of each Class of Secured Debt then Outstanding, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale payable under the Priority of Payments, (y) any Hedge Payment Amounts; provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable and (z) the Management Fees, payable under the Priority of Payments (including the Specified Fee Deferral Amount, if any). The Collateral Manager, in its sole discretion, may effect the sale of Collateral Obligations through a direct sale, by participation or other arrangement. If sufficient funds will not be available to pay such Redemption Prices and fees and expenses (as described in clauses (w) to (z) above), the Secured Debt may not be redeemed on the proposed Redemption Date.

(c) The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Debt, at the written direction of the Collateral Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes.

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), each Class of Secured Debt may, on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period, be redeemed (x) in whole from Refinancing Proceeds, Refinancing Interest Proceeds, Sale Proceeds, amounts on deposit in the Contribution Account designated for such use and/or all other funds available for a redemption pursuant to the Priority of Payments or (y) in a

Partial Refinancing from Refinancing Proceeds (together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price and amounts on deposit in the Contribution Account designated for such use); provided, that (i) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and a Majority of the Subordinated Notes and (ii) such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Secured Debt in whole but not in part pursuant to Section 9.2(d), such Refinancing will be effective only if (i) the Refinancing Proceeds, Refinancing Interest Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to redeem simultaneously the Secured Debt, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, any accrued and unpaid Base Management Fees and any Hedge Payment Amounts, (ii) the Sale Proceeds, Refinancing Proceeds, Refinancing Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and Section 2.7(i) and (iv) the Collateral Manager has consented to such Refinancing.

(f) In the case of a Partial Refinancing pursuant to Section 9.2(d), such Partial Refinancing will be effective only if: (i) each Rating Agency has been notified of such Refinancing, (ii)(A) the Refinancing Proceeds (together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price and amounts on deposit in the Contribution Account designated for such use) and, if redeemed on such date, all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to such Partial Refinancing and (B) the funds available for a redemption pursuant to the Priority of Payments and/or Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Partial Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and Section 2.7(i), (iv) the aggregate principal amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Secured Debt being redeemed with the proceeds of such obligations provided that, the aggregate principal amount of any obligations providing the Refinancing that are senior in priority to any Junior Class not subject to such Refinancing may not be greater than the corresponding Aggregate Outstanding Amount of the Secured Debt senior in priority to such Junior Class that are being redeemed with the proceeds of such obligations, (v) the stated maturity of each class of obligations providing the Refinancing is the same as or later than the corresponding Stated Maturity of each Class of Secured Debt being refinanced, (vi) the reasonable fees, costs, charges and expenses incurred in connection with such Partial Refinancing have been paid or will be adequately provided for from the Refinancing

Proceeds or paid from Interest Proceeds pursuant to Section 11.1(a)(i)(S) on such date (or if such Redemption Date is not a Payment Date, the following Payment Date), unless such expenses have been paid or will be adequately provided for by an entity other than the Issuer, (vii) the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, payable in respect of the obligations providing such Partial Refinancing is less than or equal to the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, payable on the corresponding proposed Class of Secured Debt to be redeemed (provided that, in the case of any Fixed Rate Notes being refinanced with replacement securities that are Floating Rate Debt (or vice versa), such comparison will be between (i) the spread over the Benchmark in the case of such Floating Rate Debt and (ii) the spread over the applicable swap rate at such point in time in the case of such Fixed Rate Notes); provided that the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, for any class or classes of obligations providing such Partial Refinancing may be greater than any corresponding Class or Classes of Secured Debt subject to such Partial Refinancing if (a) the Refinancing WAS Condition is satisfied or (b) the Moody's Rating Condition is satisfied with respect to any Class of Secured Debt rated by Moody's and the S&P Rating Condition is satisfied with respect to any Class of Secured Debt rated by S&P that, in each case, that is not subject to such Partial Refinancing, (viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Debt being refinanced, (ix) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Debt being refinanced (except that, at the Collateral Manager's election, a non-call period may be established for the debt issued in connection with such Partial Refinancing and/or a future Refinancing or Re-Pricing of such Class may be prohibited) and (x) the Collateral Manager has consented to such Partial Refinancing.

(g) A Majority of the Subordinated Notes may elect to include, in a notice of a Refinancing pursuant to which all (but not less than all) of the Classes of Secured Debt are subject to the Refinancing, a direction to the Collateral Manager to designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. If the Collateral Manager consents to such direction, the Collateral Manager shall make such designation by notice to the Collateral Trustee and Collateral Administrator (with copies to each Rating Agency) on or before the related Determination Date, in which case such amounts will be designated as Interest Proceeds on or before the Business Day immediately preceding the related Redemption Date.

(h) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Collateral Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager to the Collateral Trustee, the Co-Issuers and the Collateral Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments will be required from the Holders of Debt other than Holders of the Subordinated Notes directing the redemption. The Collateral Trustee is not obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Collateral Trustee is entitled to conclusively rely upon an Officer's certificate and/or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel

delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel has no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds or the sufficiency of the Accountants' Report required pursuant to Section 7.18).

(i) In connection with a Refinancing of all Classes of Secured Debt in full, with the approval of a Majority of the Subordinated Notes and the Collateral Manager, the agreements relating to the Refinancing may, without regard for any consent requirements specified in Article VIII, (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for replacement securities or prohibit a future Refinancing of such replacement securities, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of the replacement securities or loans or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity of the Secured Debt, (e) effect an extension of the Stated Maturity of the Subordinated Notes or (f) make any supplements or amendments to this Indenture that would otherwise be subject to any other provision of Section 8.1 or Section 8.2.

(j) In connection with any Refinancing, with the approval of the Collateral Manager, the agreements relating to the Refinancing may, without regard for any consent requirements specified in Article VIII adjust the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix or the Recovery Rate Modifier Matrices to account for changes in the interest rates of any of the Secured Debt (subject to satisfaction of the Moody's Rating Condition with respect to the Classes of Secured Debt not subject to such Refinancing (unless the Moody's Rating Condition is deemed inapplicable)).

(k) In the event of any Optional Redemption, the Issuer will, at least 30 days (or, with respect to any Optional Redemption undertaken with Refinancing Proceeds, 10 Business Days) (or such shorter period as the Collateral Trustee, the Collateral Manager and a Majority of the Subordinated Notes may agree) prior to the Redemption Date, notify the Collateral Trustee in writing of such Optional Redemption, the applicable Record Date, the principal amount of Debt to be redeemed on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption. (a) The Secured Debt will be redeemed in whole but not in part (any such redemption, a "Tax Redemption") at the written direction (delivered to the Issuer, the Collateral Trustee and the Collateral Manager) of a Majority of the Subordinated Notes on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) following the occurrence and continuation of a Tax Event (I) with respect to payments under one or more Collateral Obligations or Hedge Agreements forming part of the Assets that results or will result in the nonpayment of 5.0% or more of Scheduled Distributions for any Collection Period or (II) resulting in a tax or "gross-up" burden on the Issuer in an aggregate amount in any Collection Period in excess of U.S.$1,000,000; provided, that if a Tax Event occurs and is continuing because the Issuer is subject to withholding tax under FATCA, then holders of Debt that have failed to provide the Issuer or its agents with correct, complete and accurate information requested by the Issuer to avoid such withholding tax, or whose ownership of Debt otherwise caused the Issuer to be subject to such withholding tax, will not be considered in determining whether a Majority of the Subordinated Notes have directed a Tax Redemption. In connection with any such redemption, each Class of Secured Debt will be redeemed at the applicable Redemption Price and all Secured Debt to be redeemed must be redeemed simultaneously.

(b) [Reserved].

(c) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Trustee shall promptly notify the Collateral Manager, the Holders, each Hedge Counterparty and each Rating Agency thereof.

If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Collateral Trustee thereof, and upon receipt of such notice the Collateral Trustee shall promptly notify the Holders of the Debt, each Hedge Counterparty and each Rating Agency thereof.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2, the written direction of a Majority of the Subordinated Notes or, if applicable, the Collateral Manager shall be provided to the Issuer, the Collateral Trustee and (if such redemption is pursuant to Section 9.2(c) and is not being directed by the Collateral Manager) the Collateral Manager not later than 30 days (or with respect to any Optional Redemption undertaken with Refinancing Proceeds, 10 Business Days) (or such shorter period as may be agreed to by the Collateral Trustee and Collateral Manager) prior to the Redemption Date on which such redemption is to be made (which date will be designated in such direction). In the event of any Tax Redemption pursuant to Section 9.3, the written direction of a Majority of the Subordinated Notes shall be provided to the Issuer, the Collateral Trustee and the Collateral Manager not later than 30 days prior to the Business Day on which such redemption is to be made (which date will be designated in such direction). In the event of any redemption pursuant to Section 9.2 or Section 9.3, a notice of redemption shall be given not later than seven Business Days prior to the applicable Redemption Date, to each Holder of Debt to be redeemed at such Holder's address in the Register, each Hedge Counterparty and each Rating Agency. Notes called for redemption must be surrendered at the office of any Paying Agent.

(b) All notices of redemption delivered pursuant to Section 9.4(a) will state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Debt to be redeemed;

(iii) which Classes of Secured Debt are being redeemed and that all of the Secured Debt to be redeemed are to be redeemed in full and that interest on such Secured Debt will cease to accrue on the Business Day specified in the notice;

(iv) the place or places where Secured Debt are to be surrendered for payment of the Redemption Prices, which will be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2;

(v) if all Classes of Secured Debt are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which will be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) that the redemption may be withdrawn by the Co-Issuers on any day up to the Business Day immediately preceding the scheduled Redemption Date.

The Co-Issuers (at the direction of the Collateral Manager) will have the option to withdraw any such notice of redemption delivered pursuant to Section 9.2 or Section 9.3 on any day up to the Business Day immediately preceding the scheduled Redemption Date. The Issuer shall not permit any Hedge Agreements to be terminated by the Collateral Manager on its behalf in connection with an Optional Redemption until such period for withdrawal has expired. If the Co-Issuers so withdraw any notice of an Optional Redemption or are otherwise unable to complete an Optional Redemption of the Secured Debt, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may during the Reinvestment Period, at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria described herein. The Issuer shall provide notice to each Rating Agency of any such withdrawal.

Notice of redemption pursuant to Section 9.2 or Section 9.3 will be given by the Co-Issuers, or upon an Issuer Order, by the Collateral Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption does not impair or affect the validity of the redemption of any other Debt.

The reasonable fees, costs, charges and expenses incurred in connection with the failure of any such redemption will be paid by the Issuer as Administrative Expenses payable in accordance with the Priority of Payments.

(c) If Sale Proceeds are being used in whole or in part to redeem the Secured Debt, in the event of any redemption pursuant to Section 9.2 or Section 9.3, no Secured Debt may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Collateral Manager has furnished to the Collateral Trustee evidence, in a form reasonably satisfactory to the Collateral Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with (a) a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "P-1" by Moody's or (b) a special purpose vehicle that satisfies all then-current bankruptcy-remoteness criteria of each Rating Agency to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with any available Refinancing Proceeds and the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay (w) the Redemption Prices of the Outstanding Secured Debt, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts; (provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable) and (z) the Management Fees, payable under the Priority of Payments (including, for the avoidance of doubt, the Specified Fee Deferral Amount, if any),

or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager has certified in writing to the Collateral Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale or payment of Eligible Investments, (B) the Refinancing Proceeds, if any, to be applied on the Redemption Date and (C) the aggregate Market Value of the Collateral Obligations will exceed the sum of (w) the Redemption Price of each Class of Secured Debt to be redeemed, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts (provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable) and (z) the Management Fees, payable under the Priority of Payments. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) will include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) or payment of any Collateral Obligations and/or Eligible Investments, (2) the expected Refinancing Proceeds to be available for application on the Redemption Date and (3) all calculations required by this Section 9.4(c). Any Holder of Debt, the Collateral Manager or any of the Collateral Manager's Affiliates each have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

Section 9.5 Debt Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, each Class of Debt to be redeemed or prepaid will, on the Redemption Date with respect to such Class, subject to Section 9.4(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Prices and accrued interest) all such Debt that is Secured Debt will cease to bear interest on the Redemption Date. Upon final payment on Debt to be so redeemed or repaid, the Holder shall present and surrender such Debt at the place specified in the notice of redemption on or prior to such Redemption Date; provided, that in the absence of notice to the Applicable Issuers or the Collateral Trustee that the applicable Debt has been acquired by a protected purchaser, such final payment will be made without presentation or surrender, if the Collateral Trustee and the Applicable Issuers have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on each Class of Secured Debt and payments in respect of Subordinated Notes to be redeemed that are payable on or prior to the Redemption Date are payable to the Holders of such Debt, or one or more predecessor Debt, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Debt called for redemption has not been paid upon surrender thereof for redemption, the principal thereof will, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Debt remains Outstanding; provided, that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments on the Secured Debt will be made in whole or in part by the Applicable Issuers in accordance with the Priority of Payments

on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager notifies the Collateral Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager and that would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are available to be invested in additional Collateral Obligations or (ii) after the Effective Date, if the Collateral Manager notifies the Collateral Trustee at least two Business Days prior to the applicable Special Redemption Date that a redemption is required in order to satisfy the Effective Date Rating Condition pursuant to Section 7.18(f) (in each case, a "Special Redemption"). Any such notice in the case of clause (i) above will be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as described above. On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount (the "Special Redemption Amount") in the Collection Account representing (1) in the case of a Special Redemption described in clause (i) above, Principal Proceeds that the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations or (2) all Interest Proceeds and all other Principal Proceeds required to redeem the Secured Debt to receive the confirmation described in clause (ii) above available in accordance with the Priority of Payments, will in each case be applied in accordance with the Priority of Payments. In the case of clause (2), such amounts will be used for application in accordance with the Debt Payment Sequence in an amount sufficient to satisfy the Effective Date Rating Condition, in each case, pursuant to Section 7.18(f). Notice of payments pursuant to this Section 9.6 shall be given by the Collateral Trustee (at the direction of the Issuer) not less than (x) in the case of a Special Redemption described in clause (i) above, three Business Days prior to the applicable Special Redemption Date and (y) in the case of a Special Redemption described in clause (ii) and (iii) above, one Business Day prior to the applicable Special Redemption Date, to each Holder of each Class of Secured Debt affected thereby at such Holder's address in the Register and to each Rating Agency.

Section 9.7 Clean-Up Call Redemption. (a) The Collateral Manager may direct in writing (which direction will be given so as to be received by the Issuer, the Collateral Trustee (who shall forward such direction to the Holders of the Subordinated Notes) and each Rating Agency not later than 30 days prior to the proposed Redemption Date (or such shorter period as may be agreed to by the Collateral Manager and the Collateral Trustee)) that each Class of Secured Debt be redeemed by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period on which the Collateral Principal Amount is less than 20% of the Target Initial Par Amount; provided, that the Issuer will not effect a Clean-Up Call Redemption if a Majority of the Subordinated Notes has objected in writing to such redemption within 15 days of receipt of notice of such redemption.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (c) of this paragraph) by the Collateral Manager or any other Person or Persons from the Issuer, on or prior to the third Business Day immediately preceding the related Redemption Date, for a purchase price (the "Clean-Up Call Purchase Price") in Cash not less than the greater of (1) an amount equal to (a) the Redemption

Price of each Class of Secured Debt, *plus* (b) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including all outstanding Administrative Expenses and the Specified Fee Deferral Amount, if any), *minus* (c) the balance of the Eligible Investments in the Collection Account and (2) the prices for such Assets determined by the Collateral Manager in a commercially reasonable manner, and (ii) the receipt by the Collateral Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum to be received satisfies clause (i). Upon receipt by the Collateral Trustee of the certification referred to in the preceding sentence, the Collateral Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Purchase Price. The Collateral Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Collateral Manager.

(c) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to two Business Days prior to the related scheduled Redemption Date by written notice to the Collateral Trustee, each Rating Agency and the Collateral Manager only if amounts equal to the Clean-Up Call Purchase Price are not received in full in immediately available funds by the third Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Collateral Trustee at the expense of the Issuer to each Holder of Debt to be redeemed at such Holder's address in the Register not later than the second Business Day prior to the related scheduled Redemption Date.

(d) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Purchase Price will be distributed pursuant to the Priority of Payments.

Section 9.8 Re-Pricing of Debt. (a) On any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager), the Co-Issuers or the Issuer, as applicable, may, with respect to any Re-Pricing Eligible Debt, (x) in the case of Floating Rate Debt, reduce the spread over the Benchmark or (y) in the case of any Fixed Rate Notes, reduce the fixed rate of interest (such reduction, a "Re-Pricing" and any Class of Re-Pricing Eligible Debt to be subject to a Re-Pricing, a "Re-Priced Class"); provided, that the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.8 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Debt other than the Interest Rate applicable to the applicable Re-Priced Class may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary may assist the Issuer in effecting the Re-Pricing.

(b) At least 20 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Collateral Trustee, the Collateral Administrator and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice will (i) specify the proposed Re-

Pricing Date and the revised spread (or a range of spreads) over the Benchmark or the fixed rate of interest (or range of fixed rates of interest), as applicable, to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to consent to the proposed Re-Pricing or to specify the lowest spread or fixed rate of interest, as applicable, at which the Holder will consent to the Re-Pricing and (iii) specify the price (or the formula for calculating the price) at which Debt of any Holder of the Re-Priced Class that does not consent to the Re-Pricing may be sold and transferred or redeemed pursuant to clause (c) below, which, for purposes of such Re-Pricing, will be an amount equal to 100% of the Aggregate Outstanding Amount of such Debt, *plus* accrued and unpaid interest thereon (including Secured Note Deferred Interest and any accrued and unpaid interest thereon and any interest on any defaulted interest and, in the case of any Re-Priced Class that is not a Deferrable Class, any interest on any defaulted interest) until the Re-Pricing Date, if any, with respect to such Class (the "Re-Pricing Sale Price").

(c) In the event any Holder of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date that is 10 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Collateral Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Debt of the Re-Priced Class in an amount held by the non-consenting Holders (each such notice delivered by a consenting Holder, an "Exercise Notice") within five Business Days of the date of such notice. In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, on the Re-Pricing Date either (1) cause the sale and transfer of such Debt, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Debt such Holders indicated an interest in purchasing pursuant to their Exercise Notices or (2) issue additional Debt with identical terms to the Debt of the Re-Priced Class (except that (A) the Interest Rate will be equal to (x) in the case of any Floating Rate Debt, the Benchmark *plus* the applicable Re-Pricing Rate and (y) in the case of any Fixed Rate Notes, the applicable Re-Pricing Rate, as applicable, (B) the CUSIP number will be different and (C) the Non-Call Period may be extended) in an aggregate principal amount not to exceed the aggregate principal amount of Debt held by non-consenting holders (such additional Debt the "Re-Pricing Replacement Debt") to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Debt such Holders indicated an interest in purchasing pursuant to their Exercise Notices, subject to the applicable procedures of DTC, and redeem the Debt of the non-consenting Holders with amounts received from such Holders delivering Exercise Notices. In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall on the Re-Pricing Date either (1) cause the sale and transfer of such Debt, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, and any excess Debt of the Re-Priced Class held by non-consenting Holders will be sold to one or more transferees designated by the Co-Issuers or the Issuer, as applicable, or the Re-Pricing Intermediary on behalf of the Co-Issuers

or the Issuer, as applicable, or (2) issue Re-Pricing Replacement Debt to the Holders delivering Exercise Notices with respect thereto and to one or more purchasers designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer and redeem the Debt of the non-consenting Holders from amounts received from such Holders delivering Exercise Notices and such purchasers. All sales or redemptions of Debt to be effected pursuant to this paragraph (c) will be made at the Re-Pricing Sale Price with respect to such Debt, and will be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of any Re-Pricing Eligible Debt, by its acceptance of an interest in the Debt, agrees to the sale and transfer of its Re-Pricing Eligible Debt or the redemption of its Re-Pricing Eligible Debt, in each case, in accordance with this Section 9.8 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Collateral Trustee to effect such sales and transfers or redemptions. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Collateral Trustee and the Collateral Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Debt of the Re-Priced Class held by non-consenting Holders.

(d) In the event the Issuer redeems the Debt of the Re-Priced Class pursuant to paragraph (c) above, it may issue on the Re-Pricing Date additional Debt to the consenting Holders, the Holders delivering Exercise Notices and/or other purchasers, as applicable, in an amount equal to the Aggregate Outstanding Amount of the Debt such Holder has consented to re-price and/or purchase. Any additional Debt issued in connection with a Re-Pricing has terms identical to the Debt of the Re-Priced Class (except that the Interest Rate will be equal to (x) in the case of any Floating Rate Debt, the Benchmark *plus* the applicable Re-Pricing Rate and (y) in the case of any Fixed Rate Notes, the applicable Re-Pricing Rate, and in each case, the CUSIP number will be different) and will be issued in an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount of the Re-Priced Class, but will be issued under a different CUSIP number than the Debt of such Re-Priced Class. The proceeds from such additional issuance will be used to redeem the non-consenting Holders of the Re-Priced Class.

(e) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Collateral Trustee, with the prior written consent of a Majority of the Subordinated Notes, have entered into a supplemental indenture dated as of the Re-Pricing Date to (1) reduce the spread over the Benchmark or the fixed rate of interest, as applicable, of the Re-Priced Class (and to make changes necessary to give effect to such reduction, including, if applicable, the issuance of additional Debt under a different CUSIP number) and (2) reflect any necessary changes to be made pursuant to Section 9.8(h);

(ii) confirmation has been received that all Debt of the Re-Priced Class held by non-consenting Holders have been sold (or will be sold concurrently with such Re-Pricing) and transferred or redeemed pursuant to paragraph (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Collateral Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-

Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i)(S) on such Re-Pricing Date (or the subsequent Payment Date if such Re-Pricing Date is not a Payment Date) prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or have been adequately provided for by an entity other than the Issuer with amounts on deposit in the Contribution Account designated for such use and/or will be paid pursuant to Section 11.1(a)(iv). Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer will not exceed an amount consented to by a Majority of the Subordinated Notes in writing;

(v) the Issuer has provided to the Collateral Trustee an officer's certificate from the Collateral Manager to the effect that all conditions precedent to the Re-Pricing have been satisfied; and

(vi) the Collateral Manager has consented to such Re-Pricing.

(f) Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Collateral Trustee, the Collateral Manager (if applicable) and the Holders of the Subordinated Notes (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Collateral Trustee shall send such notice to the Holders of the Debt and each Rating Agency.

(g) The Collateral Trustee is entitled to receive, and is fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Collateral Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Collateral Trustee in order to effect a Re-Pricing in accordance with this Section 9.8.

(h) In connection with a Re-Pricing, (x) the Non-Call Period for the Re-Priced Class may be extended at the direction of the Collateral Manager prior to such Re-Pricing and/or (y) the definition of "Redemption Price" may be revised, with the written consent of the Collateral Manager, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class and/or (z) the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix or the Recovery Rate Modifier Matrices may, without regard for any consent requirements specified in Article VIII, be adjusted to account for changes in the interest rates of any Class of Secured Debt (subject, in the case of this clause (z) only, to satisfaction of the Moody's Rating Condition (unless the Moody's Rating Condition is deemed inapplicable)).

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Collateral Trustee may demand payment or delivery of, and will receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Collateral Trustee pursuant to this Indenture,

including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Collateral Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Debt and shall apply it as provided in this Indenture. Each Account will be established and maintained by the Custodian and all Assets and Cash credited thereto shall be deposited and held with an Eligible Institution. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Collateral Trustee shall comply, and if the Custodian in the same entity as the Collateral Trustee, shall cause the Custodian to comply, with all law applicable to it as a national banking association holding segregated trust assets in a fiduciary capacity.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a segregated account designated the "Collection Account", comprised of three sub-accounts, one of which is designated the "Pass Through Collection Subaccount," one of which is designated the "Interest Collection Subaccount" and one of which is designated the "Principal Collection Subaccount," each of which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties and each of which will be maintained with the Custodian in accordance with the Account Agreement. Any amounts received with respect to the Assets shall be deposited into the Pass Through Collection Subaccount and upon identification by the Collateral Manager, shall be withdrawn from the Pass Through Collection Subaccount and be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable. The Collateral Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.7(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or the Principal Collection Subaccount (in the case of Designated Principal Proceeds), and the Ramp-Up Account (in the case of the Designated Unused Proceeds), all Designated Principal Proceeds and/or Designated Unused Proceeds, all Interest Proceeds from Collateral Obligations, and Eligible Investments and Hedge Receipt Amounts (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII). The Collateral Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account, Revolver Funding Account or any Hedge Counterparty Collateral Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.7(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture, (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) and (iii) any amounts designated in the Second Refinancing Date Certificate. The Issuer may, but under no circumstances is required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Collateral Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.7(a).

(b) The Collateral Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Collateral Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided, that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Collateral Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Collateral Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and invest such funds in additional Collateral Obligations in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) any amount required to exercise a warrant held in the Assets or right to acquire securities held in the Assets to the extent permitted under Section 12.2(e) or any other right to acquire Received Obligations in accordance with the requirements of this Indenture, including but not limited to Section 12.2(e), and such Issuer Order and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of "Administrative Expenses"); provided, that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period will not exceed the Administrative Expense Cap for the related Payment Date. The Collateral Manager on behalf of any Issuer may direct the Collateral Trustee to deposit from the Principal Collection Subaccount into the Revolver Funding Account amounts that are required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations.

(e) The Collateral Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date and Redemption Date (other than in connection with a Refinancing), the amount set forth to be so transferred in the Distribution Report for such Payment Date or Redemption Date (as the case may be).

(f) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee to, and upon receipt of such Issuer Order the Collateral Trustee shall, transfer from amounts on deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, amounts necessary to satisfy the Effective Date Rating Condition.

(g) An aggregate amount of Principal Proceeds received by the Issuer up to an amount equal to (x) 0.5% of the Target Initial Par Amount *minus* (y) the aggregate amount of any previously designated Designated Unused Proceeds from time to time ("Designated Principal Proceeds") may be designated by the Collateral Manager (with notice to the Collateral Trustee and the Collateral Administrator) as Interest Proceeds up to the Designated Unused Proceeds Cap from time to time after the Effective Date and on or prior to the second Payment Date after the Second Refinancing Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Coverage Tests are each satisfied as of the date of each such designation on a *pro forma* basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 0.5% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Collateral Trustee shall transfer such Designated Principal Proceeds from the Principal Collection Subaccount to the Interest Collection Subaccount.

Section 10.3 Transaction Accounts.

(a) Payment Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which will be designated as the "Payment Account," which is maintained with the Custodian in accordance with the Account Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account will be to pay amounts due and payable on the Secured Debt and, if applicable, distributions on the Subordinated Notes in accordance with their terms and the provisions of this Indenture and, upon Issuer Order, to pay Administrative Expenses, Management Fees and other amounts specified herein, each in accordance with the Priority of Payments (including distributions from the Payment Account of amounts that were not disbursed as required by the Priority of Payments on the immediately preceding Payment Date within any applicable grace period described in Section 5.1(c) in order to prevent a default from becoming an Event of Default under Section 5.1(c)). The Co-Issuers have no legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Amounts in the Payment Account will remain uninvested.

(b) Custodial Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the Custodial Account, which will be maintained with the Custodian in accordance with the Account Agreement. All Collateral Obligations and Equity Securities held by the Issuer (which for the avoidance of doubt includes all Received Obligations) will be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account will be in accordance with the provisions of this Indenture. The Collateral Trustee agrees to give the Co-Issuers immediate notice if (to the actual knowledge of a Trust Officer of the

Collateral Trustee) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers have no legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments. Amounts on deposit in the Custodial Account will be remain uninvested.

(c) Ramp-Up Account. The Collateral Trustee established at the Custodian a single, segregated account held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the Ramp-Up Account, which is maintained with the Custodian in accordance with the Account Agreement. In connection with any purchase of an additional Collateral Obligation, the Collateral Trustee will apply amounts held in the Ramp-Up Account as provided by Section 7.18(c). On the first Business Day after a Trust Officer of the Collateral Trustee has received written notice from the Collateral Manager that the Effective Date Rating Condition has been satisfied or upon the occurrence of an Event of Default, the Collateral Trustee will deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that will be used to settle binding commitments entered into prior to such date) ("Unused Proceeds") into the Principal Collection Subaccount as Principal Proceeds; provided, that an amount of Unused Proceeds up to an amount equal to (x) 1.0% of the Target Initial Par Amount *minus* (y) the aggregate amount of any previously designated Designated Principal Proceeds ("Designated Unused Proceeds") may be designated by the Collateral Manager (with notice to the Collateral Trustee and the Collateral Administrator) as Interest Proceeds up to the Designated Unused Proceeds Cap from time to time on or prior to the second Payment Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests are each satisfied as of the date of each such designation on a pro forma basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 1.0% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Collateral Trustee shall transfer such Designated Unused Proceeds from the Ramp-Up Account to the Interest Collection Subaccount. Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Interest Collection Subaccount as Interest Proceeds.

(d) Expense Reserve Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Expense Reserve Account," which is maintained with the Custodian in accordance with the Account Agreement. The Issuer shall direct the Collateral Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(xiii) and (ii) in connection with any additional issuance of debt, the amount specified in Section 3.2(a)(ix). On any Business Day from the Second Refinancing Date to and including the Determination Date relating to the first Payment Date following the Second Refinancing Date, the Collateral Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Debt and any additional issuance. By the Determination Date relating to the first Payment Date following the Second Refinancing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection

Account as Interest Proceeds. On any Business Day after the Determination Date relating to the first Payment Date following the Second Refinancing Date, the Collateral Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with any additional issuance of debt or as a deposit to the Collection Account as Principal Proceeds. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Subaccount as Interest Proceeds as it is paid.

(e) Contribution Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Contribution Account" and which is held by the Custodian in accordance with the Account Agreement. In addition, the proceeds of an additional issuance of Subordinated Notes and/or Junior Mezzanine Notes and any amounts in respect of any Redirected Fee may be deposited in the Contribution Account for application to a Permitted Use, at the direction of the Collateral Manager. At any time, any Holder of Subordinated Notes (other than a Benefit Plan Investor) (each such Holder, a "Contributor") may, upon written notice substantially in the form of Exhibit G (each such notice, a "Contribution Notice") to the Collateral Trustee and the Collateral Manager and with the consent of a Majority of the Subordinated Notes, (i) make a contribution of Cash to the Issuer or (ii) solely in the case of Holders of Subordinated Notes in the form of Certificated Notes, designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with the Priority of Payments, to the Issuer (each, a "Contribution"); provided that each Contribution shall be in an amount at least equal to $500,000 (counting all Contributions made on the same day as a single Contribution for this purpose). The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall promptly notify the Collateral Trustee in writing of such acceptance or rejection, as the case may be. Unless otherwise indicated in a Contribution Notice, Contributions shall be repaid to the Contributor beginning on the next succeeding Payment Date (and shall continue to be paid on each subsequent Payment Date, to the extent funds are available pursuant to the Priority of Payments, until such amounts have been paid in full) in accordance with the Priority of Payments, together with a specified rate of return thereon agreed to between such Contributor and a Majority of the Subordinated Notes (as set forth in the related Contribution Notice), which rate of return will not exceed the greater of (x) 20% and (y) 100% minus the price of the S&P/LSTA Leveraged Loan 100 Index as of the date of such Contribution (such amount, together with such rate of return, the "Contribution Repayment Amount"). Contributions will be repaid to the applicable Contributor in accordance with the Priority of Payments on any Payment Date that funds are available therefor, in each case until such amount is paid in full. Each accepted Contribution will be deposited into the Contribution Account. If a Contribution is accepted, the Collateral Manager on behalf of the Issuer may apply such Contribution to a Permitted Use at any time as directed by the Contributor at the time such Contribution is made or, if no direction is given by the Contributor, at the election of the Collateral Manager in its sole discretion. After a Contribution has been designated to a Permitted Use by the Contributor or the Collateral Manager, as applicable, it may not be re-designated to a different Permitted Use. Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Subaccount as Interest Proceeds. For the avoidance of doubt, any amounts deposited into the Contribution Account pursuant to clause (ii) above will be deemed

for all purposes as having been paid to the Contributor pursuant to the Priority of Payments. The Issuer shall notify each Rating Agency upon receipt of any Contribution.

Contribution Repayment Amounts are payable to the applicable Contributor; provided that Contribution Repayment Amounts (i) will not be transferred to a Benefit Plan Investor and (ii) will not, without written notice from the Contributor to the Collateral Trustee, be transferred to any subsequent Holder of such Contributor's Subordinated Notes. From and after the date of such transfer and with such written notice from the Contributor to the Collateral Trustee, the transferee will be deemed to be a Contributor with respect to the applicable portion of the related Contribution. Each transferor of Subordinated Notes (or a beneficial interest therein) that is a Contributor and is owed a Contribution Repayment Amount will be required to execute and deliver to the Issuer and the Collateral Trustee a certificate substantially in the form attached as Exhibit I. Notwithstanding the foregoing, the Collateral Trustee will be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount (including the related Contribution) has occurred until such certificate is received by the Collateral Trustee.

Within three Business Days (provided, that any Contribution Notice received after 2:00 p.m. New York City time on any Business Day will be deemed to have been received on the following Business Day) of receipt of a Contribution Notice, the Collateral Trustee (via its website) shall provide notice of such Contribution Notice to the remaining holders of the Subordinated Notes substantially in the form of Exhibit J, and such notice will extend to the other holders of Subordinated Notes (other than Benefit Plan Investors) the opportunity to participate in the related Contribution in proportion to their then-current ownership of Subordinated Notes. Any existing holder of Subordinated Notes that has not, within seven Business Days after delivery of such Contribution Notice from the Collateral Trustee, elected to participate in such Contribution by delivery of a written notice in respect thereof, substantially in the form of Exhibit H (each such notice, a "Contribution Participation Notice") to the Issuer (with a copy to the Collateral Manager, the Collateral Administrator and the Collateral Trustee) will be deemed to have irrevocably declined to participate in such Contribution. The Collateral Trustee shall not accept any Contribution until after the expiration of such seven-Business-Day period.

(f) Interest Reserve Account. The Collateral Trustee established a single, segregated account held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Interest Reserve Account," and over which the Collateral Trustee has exclusive control and the sole right of withdrawal. On the first Payment Date following the Second Refinancing Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) in accordance with the Priority of Payments, and the Collateral Trustee will close the Interest Reserve Account. Amounts credited to the Interest Reserve Account will be reinvested pursuant to Section 10.7(a).

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation will be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Subaccount and deposited in a single, segregated account held in the name of the Issuer subject to the lien of the Collateral Trustee, for the benefit of the

Secured Parties (the "Revolver Funding Account"); provided, that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Issuer will deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral will satisfy the following requirement: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests will not have an Aggregate Principal Balance in excess of 5.0% of the Collateral Principal Amount and will not remain on deposit with such Selling Institution or custodian for more than 30 calendar days after such Selling Institution first fails to satisfy the rating requirements set out in the Third Party Credit Exposure Limits or Moody's Counterparty Criteria (and the terms of each such deposit will permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution fails at any time to satisfy the rating requirements set out in the Third Party Credit Exposure Limits or Moody's Counterparty Criteria, as applicable); or (2) such Selling Institution Collateral will be deposited with an Eligible Institution provided, that if such institution is downgraded such that it no longer constitutes an Eligible Institution, the Issuer will be required to use commercially reasonable efforts to replace such institution with a replacement Eligible Institution within 30 calendar days of the ratings downgrade.

Funds will be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation after the Second Refinancing Date and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager, such that the amount of funds on deposit in the Revolver Funding Account will be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets.

The Issuer shall direct the Collateral Trustee to deposit the amount specified in Section 3.1(a)(xiii) to the Revolver Funding Account to be reserved for unfunded funding obligations under the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations purchased on or before the Second Refinancing Date. Upon initial purchase of any other Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested at the direction of the Collateral Manager in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available (at the direction of the Collateral Manager) solely to cover

any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided, that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (ii) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (iii) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Collateral Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Section 10.5 Hedge Counterparty Collateral Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single segregated account (designated as the "Hedge Counterparty Collateral Account"), which will be maintained in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties and over which the Collateral Trustee shall maintain exclusive control and sole right of withdrawal. The Collateral Trustee shall immediately upon receipt deposit in the Hedge Counterparty Collateral Account all collateral received from a Hedge Counterparty under a Hedge Agreement. The only permitted withdrawal from or application of funds or property on deposit in the Hedge Counterparty Collateral Account will be in accordance with the provisions of this Indenture, an Issuer Order and the related Hedge Agreement, including: (i) for application to obligations of a Hedge Counterparty to the Issuer under a Hedge Agreement if such Hedge Agreement becomes subject to early termination; (ii) to the related Hedge Counterparty when and as required by the Hedge Agreement; or (iii) from time to time to the related Hedge Counterparty any amounts deposited into the Hedge Counterparty Collateral Account in error. The Collateral Trustee shall invest funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account as instructed by the Collateral Manager in accordance with the related Hedge Agreement; provided that such funds shall be invested in Cash or Eligible Investments.

Section 10.6 [Reserved].

Section 10.7 Reinvestment of Funds in Accounts; Reports by Collateral Trustee. (a) Each of the Accounts shall be "securities accounts" under Section 8-501(a) of the UCC and all Cash deposited in the Accounts shall be capable of being invested at the direction of the Issuer, or the Collateral Manager on its behalf; provided that the Issuer, or the Collateral Manager on its behalf shall only direct the investment of available Cash in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Collateral Trustee to, and, upon receipt of such Issuer Order, the Collateral Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Revolver Funding Account, the Interest Reserve Account, the Contribution Account and the Expense Reserve Account, as so directed in Eligible Investments having stated maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If the Issuer has not given any such investment directions, the Collateral Trustee

shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Collateral Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments will be deposited in the Interest Collection Subaccount, any gain realized from such investments will be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments will be charged to the Principal Collection Subaccount. Funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account shall be invested as instructed by the Collateral Manager in accordance with the related Hedge Agreement; provided that such funds shall be invested in Cash or Eligible Investments. The Collateral Trustee will not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; provided, that nothing herein relieves the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof. Except as expressly provided herein, the Collateral Trustee shall not otherwise be under any duty to invest (or pay interest on) amounts held hereunder from time to time.

(b) The Collateral Trustee agrees to give the Issuer immediate notice if a Trust Officer has actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, becomes subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Collateral Trustee shall supply, in a timely fashion, to the Co-Issuers, each Rating Agency, each Hedge Counterparty and the Collateral Manager any information regularly maintained by the Collateral Trustee that the Co-Issuers, each Rating Agency, such Hedge Counterparty or the Collateral Manager may from time to time reasonably request with respect to the Assets and the Accounts and provide any other requested information reasonably available to the Collateral Trustee by reason of its acting as Collateral Trustee hereunder and required to be provided by Section 10.8 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement or the Issuer's obligations hereunder that have been delegated to the Collateral Manager. The Collateral Trustee shall promptly forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports and other material communications received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in this Article X, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

(e) Any account established under this Indenture may include any number of subaccounts and related deposit accounts deemed necessary or advisable by the Collateral Trustee in the administration of the accounts.

(f) For all U.S. federal tax reporting purposes, all income earned on the funds invested and allocable to the Accounts is legally and beneficially owned by the Issuer. The Issuer is required to provide to the Bank, in its capacity as Collateral Trustee (i) an IRS Form W-8BEN-E no later than the date hereof, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation upon the reasonable request of the Collateral Trustee as may be necessary (a) to reduce or eliminate the imposition of U.S. withholding taxes and (b) to permit the Collateral Trustee to fulfill its tax reporting obligations under applicable law with respect to the Accounts or any amounts paid to the Issuer. The Issuer is further required to report to the Collateral Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Collateral Trustee, has no liability to the Issuer or any other person in connection with any tax withholding amounts paid, or retained for payment, to a governmental authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds will be invested with respect to such Accounts absent the Collateral Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

Section 10.8 Accountings.

(U) to the payment of (in the same manner and order of priority stated in the definition thereof) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein;

(Z) (1) *first*, 20% of the remaining proceeds to the payment of the Incentive Management Fee to (or, in the case of a Redirected Fee, at the direction of) the Collateral Manager and (2) *second*, all remaining proceeds to the Holders of the Subordinated Notes.

(iv) On any Redemption Date other than a Payment Date in connection with a Refinancing or on any Re-Pricing Date, Refinancing Proceeds or the proceeds of any Re-Pricing Replacement Debt, as applicable (in each case, together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price or Re-Pricing Sale Price and expenses in connection with such Refinancing or Re-Pricing, as applicable) or amounts on deposit in the Contribution Account designated for such use will be applied in the following order of priority:

(A) to the extent such proceeds will be used to pay for expenses incurred in connection with such Refinancing or Re-Pricing (as determined by the Collateral Manager), to pay any such expenses;

(B) to pay the Redemption Price or Re-Pricing Sale Price (as applicable) of the applicable Secured Debt being refinanced or re-priced in accordance with the Debt Payment Sequence; and

(C) any remaining proceeds from the Refinancing or Re-Pricing to be (x) deposited in the Contribution Account and designated to any Permitted Use, as agreed upon by the Collateral Manager and a Majority of the Subordinated Notes or (y) with respect to a Refinancing in whole of the Secured Debt, designated as Interest Proceeds in accordance with clause (xi) of the definition of "Interest Proceeds".

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Collateral Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Collateral Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Collateral Trustee no later than the Business Day prior to each Payment Date.

(d) The Collateral Manager may, in its sole discretion, with written notice delivered to the Issuer, the Collateral Trustee and the Collateral Administrator at least two Business Days prior to a Payment Date, elect to redirect (the "Redirected Fee"), defer or waive payment of or distribution in respect of any or all of the Base Management Fee, the Subordinated Management Fee and/or the Incentive Management Fee payable or distributable in accordance with the Priority of Payments on any Payment Date. The Issuer shall promptly forward any such notice relating to a Redirected Fee (but not a waived or deferred fee) to each Rating Agency. An amount equal to the Redirected Fee for any Payment Date will be, at the sole discretion of the Collateral Manager (with notice to the Collateral Administrator) either (x) applied to a Permitted Use or (y) distributed to one or more holders of Subordinated Notes as additional return on their investment at the same priority as the applicable waived fee and subject to the availability of funds therefor at such priority level in accordance with the Priority of Payments. For the avoidance of doubt, any voluntary deferral or waiver (but not a Redirected Fee) by the Collateral Manager of the receipt of the Base Management Fee, the Subordinated Management Fee or the Incentive Management Fee shall not be considered a Redirected Fee. Accrued and unpaid Base Management Fees and Subordinated Management Fees that are deferred by operation of the Priority of Payments will bear interest at the Benchmark (calculated in the same manner as the Benchmark in respect of the Secured Debt) *plus* 0.35% *per annum*.

(e) The Collateral Manager may, in its sole discretion, with written notice delivered to the Issuer, the Collateral Trustee and the Collateral Administrator at least two Business

Days prior to any Payment Date, elect to defer payment in respect of any or all of the Subordinated Management Fee payable or distributable in accordance with the Priority of Payments on such Payment Date (each, a "Specified Fee Deferral") and the failure to pay such amounts will not be an Event of Default under this Indenture. Amounts deferred in connection with any Specified Fee Deferral will not accrue interest and the aggregate amount of all Specified Fee Deferrals (the "Specified Fee Deferral Amount") will not be paid until the occurrence of a Redemption Date with respect to all Classes of Secured Debt (other than in connection with a Refinancing). The Issuer will be required to promptly forward any such notice relating to a Specified Fee Deferral to each Rating Agency.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and unless an Event of Default has occurred and is continuing (except for a sale pursuant to Sections 12.1(a), (b), (c), (d), (h), (i) or (j)), the Collateral Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Collateral Trustee to sell and the Collateral Trustee shall sell on behalf of the Issuer in the manner directed by the Collateral Manager any Collateral Obligation or Equity Security (which will include the direct sale or liquidation of the equity interests of any Issuer Subsidiary or of any Issuer Subsidiary Assets) if such sale meets the requirements of any one of paragraphs (a) through (n) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(j)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations and Received Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Defaulted Obligation or Received Obligation at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Collateral Manager may direct the Collateral Trustee to sell any Equity Security at any time without restriction, and shall (unless such Equity Security has been transferred to an Issuer Subsidiary as set forth in Section 12.1(j) below) use its commercially reasonable efforts to effect the sale of any Equity Security that constitutes Margin Stock, regardless of price, within 180 days after receipt, unless such sale is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law and not prohibited by such contractual restriction.

(e) Optional Redemption. After the Issuer has notified the Collateral Trustee of an Optional Redemption of the Debt in accordance with Section 9.2 (unless such Optional Redemption is funded solely with Refinancing Proceeds), the Collateral Manager shall direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied.

(f) Unrestricted Sales. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation (i) prior to the Effective Date or (ii) following an Optional Redemption notice (other than in connection with a Refinancing).

(g) Discretionary Sales. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation (other than a Credit Risk Obligation, Credit Improved Obligation or Defaulted Obligation) (each such sale, a "Discretionary Sale") if (x) after giving effect to such sale, the Aggregate Principal Amount of all Discretionary Sales effected during the preceding 12 calendar months (or, for the first 12 calendar months after the Second Refinancing Date, during the period commencing on the Second Refinancing Date) is not greater than 25% of the sum of (A) the Aggregate Principal Amount of the Collateral Obligations *plus* (B) amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account, in each case, as of the first day of such 12 calendar month period (or as of the Second Refinancing Date, as the case may be); provided, that, for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold will be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* with or senior to such sold Collateral Obligations) occurring within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* with or senior to such sold Collateral Obligation); and (y) either:

(i) at any time (x) the Sale Proceeds from such Discretionary Sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (y) after giving effect to such sale, the Aggregate Principal Amount of all Collateral Obligations *plus*, without duplication, amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account will be greater than or equal to either (1) the Reinvestment Target Par Balance or (2) the sum of such amounts immediately prior to such sale; or

(ii) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Reinvestment Period Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Amount at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation within 30 Business Days after such sale;

(h) [Reserved].

(i) Clean-Up Call Redemption. After the Collateral Manager has notified the Issuer and the Collateral Trustee of a Clean-Up Call Redemption in accordance with Section 9.7 hereof, the Collateral Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Collateral Trustee to effect such sale; provided, that the Sale Proceeds therefrom are used for the purposes specified in Section 9.7 hereof (and applied pursuant to the Priority of Payments).

(j) Transfers to an Issuer Subsidiary. The Collateral Manager shall effect the transfer of an asset or Collateral Obligation to an Issuer Subsidiary as required by Section 7.17. In connection with the incorporation of, or transfer of any security or obligation to, any Issuer Subsidiary, the Issuer will not be required to satisfy the Global Rating Agency Condition; provided, that prior to the incorporation of any Issuer Subsidiary, the Collateral Manager shall, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer will not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) an Issuer Subsidiary Asset if (i) based on Tax Advice, to the effect that, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis and (ii) the Issuer is otherwise permitted to hold such Issuer Subsidiary Asset directly pursuant to this Indenture. For financial accounting reporting purposes (including each Monthly Report and Distribution Report prepared under this Indenture) and the Coverage Tests and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Issuer Subsidiary Asset held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(k) Tax Redemption. After a Majority of the Subordinated Notes has directed (by a written direction delivered to the Collateral Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(l) [Reserved].

(m) Stated Maturity. Notwithstanding the other requirements set forth in this Indenture, the Collateral Manager will no later than the Determination Date immediately prior to the earliest applicable Stated Maturity, arrange for and direct the Collateral Trustee on behalf of the Issuer to sell (and the Collateral Trustee shall sell in the manner so directed) for settlement in immediately available funds no later than two Business Days before such Stated Maturity all Assets scheduled to mature after such Stated Maturity.

(n) Restricted Assets. Notwithstanding the other requirements set forth in this Indenture, in the event that any Collateral Obligation or other Asset is required to be sold pursuant to clause (e) above (in the event of an Optional Redemption of all of the Secured Debt), clause (k) or clause (m) of this Section 12.1, the Collateral Manager may notify the Issuer and the Collateral Trustee of any such Collateral Obligation or other Asset that, pursuant to the Collateral Manager's internal policies and procedures, the Collateral Manager is restricted from transacting in (any such

Asset, a "Restricted Asset"). Upon receiving any such notice of a Restricted Asset, the Issuer shall direct the Collateral Trustee to engage a broker or other third party experienced in transacting with assets similar to such Restricted Asset to sell such Restricted Asset on behalf of the Issuer and the Collateral Manager will be released from any obligations with respect to the disposition of such Restricted Asset; provided, that a Majority of the Subordinated Notes has consented to the terms of the sale of such Restricted Asset, including the selection and appointment of any such broker or third party. Neither the Collateral Manager nor the Collateral Trustee will incur any liability for any sale of any Restricted Asset consented to by the Holders of a Majority of the Subordinated Notes. The fees and expenses of any third party engaged pursuant to this Section 12.1(n) are payable as Administrative Expenses.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the end of the Reinvestment Period, subject to certain limitations described in Section 12.2(b), with respect to Principal Proceeds received from Unscheduled Principal Payments and Sale Proceeds of Credit Risk Obligations), the Collateral Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Collateral Trustee to invest Principal Proceeds, proceeds of additional debt issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Collection Account, amounts on deposit in the Ramp-Up Account, and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Collateral Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Reinvestment Period Investment Criteria. Except as expressly provided otherwise herein, no obligation may be purchased by the Issuer during the Reinvestment Period unless each of the following conditions is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to before the end of the Reinvestment Period; provided, that the conditions set forth in clauses (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) such obligation is a Collateral Obligation;

(ii) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Interest Coverage Test Effective Date), prior to the end of the Reinvestment Period each Coverage Test applicable on such date will be satisfied or if not satisfied, such Coverage Test will be maintained or improved;

(iii) (A) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Amount of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale or (2) the Aggregate Principal Amount or Adjusted Collateral Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds,

if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than or equal to either (x) the Reinvestment Target Par Balance or (y) such amounts immediately prior to such sale and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, the Aggregate Principal Amount of the Collateral Obligations *plus*, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than or equal to either (x) the sum of the Aggregate Principal Amount or Adjusted Collateral Principal Amount of the Collateral Obligations plus, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds immediately prior to such sale or (y) the Reinvestment Target Par Balance;

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation or an Equity Security, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(v) no Event of Default has occurred and is continuing.

Prior to the end of the Reinvestment Period, the Issuer may enter into commitments to purchase Collateral Obligations that the Collateral Manager believes may settle after the end of Reinvestment Period; provided, that the Collateral Manager believes, in its commercially reasonable business judgment, that the settlement date with respect to such purchase will occur within 45 Business Days of the date of the commitment to purchase such Collateral Obligations. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Collateral Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Collateral Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or from maturity or a prepayment of a Collateral Obligation that has been announced) to effect the settlement of such Collateral Obligations. In no event will the Collateral Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Subaccount, and the Collateral Trustee shall incur no

liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

(b) Post-Reinvestment Period Investment Criteria. After the end of the Reinvestment Period, the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to sales of Credit Risk Obligations before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in additional Collateral Obligations ("Substitute Obligations"); provided, (i) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Credit Risk Obligation, (ii) after giving effect to the reinvestment, the Minimum Floating Spread Test, the Maximum Moody's Rating Factor Test, the Minimum Weighted Average Coupon Test, the Moody's Minimum Weighted Average Recovery Rate Test, the Minimum Weighted Average S&P Recovery Rate Test, the Weighted Average Life Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the sale of the related Credit Risk Obligation, (iii) after giving effect to the reinvestment, the Coverage Tests with respect to each Class of Secured Debt are satisfied, (iv) the S&P Rating of the Substitute Obligation is the same or higher than the applicable S&P Rating of the Credit Risk Obligation, (v) no Event of Default has occurred and is continuing, (vi) a Restricted Trading Period is not then in effect (other than in connection with an Uptier Priming Transaction) and (vii) the Reinvestment Balance Criteria are satisfied.

After the end of the Reinvestment Period the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to Unscheduled Principal Payments before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in Substitute Obligations; provided, (i) the Reinvestment Balance Criteria are satisfied, (ii) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (iii) after giving effect to the reinvestment, the Minimum Floating Spread Test, the Maximum Moody's Rating Factor Test, the Minimum Weighted Average Coupon Test, the Moody's Minimum Weighted Average Recovery Rate Test, the Minimum Weighted Average S&P Recovery Rate Test, the Weighted Average Life Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the receipt of the Unscheduled Principal Payment, (iv) after giving effect to the reinvestment, the Coverage Tests with respect to each Class of Secured Debt are satisfied, (v) the S&P Rating of each Substitute Obligation is the same or higher than the applicable S&P Rating of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (vi) no Event of Default has occurred and is continuing and (vii) a Restricted Trading Period is not then in effect (other than in connection with an Uptier Priming Transaction).

(c) Contribution Account. At any time, the Collateral Manager may direct the Collateral Trustee to apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, as directed by the Collateral Manager in its sole discretion) to one or more Permitted Uses.

(d) [Reserved].

(e) Workout or Restructuring. Equity Securities or other securities may be received by the Issuer at any time in exchange for a Collateral Obligation or a portion thereof in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation. In addition, at any time, the Collateral Manager may, subject to certain conditions, direct the Collateral Trustee to apply Interest Proceeds, Principal Proceeds or amounts designated for a Permitted Use to make any payments required to acquire Loans (including DIP Collateral Obligations) or securities in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or exercise an option, warrant, right of conversion or similar right in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation, it being understood that (x) any Received Obligation that is a Loan or Permitted Non-Loan Asset that is not subordinate to the related Exchanged Obligation, and satisfies the definition of "Collateral Obligation" (other than clauses (ii) and (xiv)) will constitute a Defaulted Obligation and (y) any other Received Obligation will constitute an "Equity Security" for all purposes under this Indenture; provided, that (i) the Received Obligation, in the Collateral Manager's reasonable judgment, is necessary or advisable to collect an increased recovery value of the related Collateral Obligation, (ii) the aggregate Principal Balance of the Received Obligations purchased using Principal Proceeds under the terms of this paragraph (in the aggregate) since the Second Refinancing Date does not exceed 7.5% of the Collateral Principal Amount, (iii) the aggregate Principal Balance of Received Obligations (excluding Uptier Priming Debt acquired pursuant to this proviso) purchased using Principal Proceeds under the terms of this paragraph and held by the Issuer at such time does not exceed 3.0% of the Collateral Principal Amount, (iv) Principal Proceeds may not be used to acquire a Received Obligation unless (1) each Coverage Test is satisfied after giving effect to such acquisition and (2) immediately following such application of Principal Proceeds, the sum of (A) the Collateral Principal Amount (excluding Defaulted Obligations) and (B) the lesser of the S&P Collateral Value and the Moody's Collateral Value of any Defaulted Obligations is greater than or equal to the Reinvestment Target Par Balance, (v) Interest Proceeds may not be used to acquire a Received Obligation if such use would likely result, in the Collateral Manager's reasonable discretion, in a failure to pay interest on any Class of Secured Debt on the next succeeding Payment Date and (vi) Principal Proceeds may not be used to exercise warrants held in the Assets unless the Overcollateralization Ratio with respect to the Class E Notes as of the date such warrant is exercised is at least 108.70% (on a *pro forma* basis after giving effect to the exercise of such warrant). Any transaction or exchange pursuant to this Section 12.2(e) shall not constitute a sale under this Indenture or be subject to the Investment Criteria, and furthermore, any transaction or exchange that meets the Investment Criteria shall not be subject to the limitations herein and the assets received will not be treated as Received Obligations.

(f) Bankruptcy Exchanges. At any time during or after the Reinvestment Period, the Collateral Manager may direct the Collateral Trustee to enter into a Bankruptcy Exchange subject to the limitations contained in the definition of "Bankruptcy Exchange", but not subject to the Investment Criteria.

(g) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X. Funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account will be invested as instructed by the Collateral Manager in accordance with the related Hedge Agreement; provided that such funds shall be invested in Cash or Eligible Investments.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations will be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), will be effected in accordance with the requirements of Section 2(o) of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided, that the Collateral Trustee has no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets will be Granted to the Collateral Trustee pursuant to this Indenture, such Asset or Assets will be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Collateral Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(x) of the Original Indenture; provided, that such requirement will be satisfied, and such statements will be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Collateral Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchases or sales, the Issuer also has the right to effect the sale of any Asset or purchase of any Collateral Obligation (x) that has been consented to by Holders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Secured Debt and at least 75% of the Aggregate Outstanding Amount of the Subordinated Notes and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Debt and (y) of which each Rating Agency and the Collateral Trustee have been notified.

(d) Delivery of Issuer Order. Delivery of an Issuer Order, direction or a trade ticket signed by an Authorized Officer of the Collateral Manager with respect to the acquisition, sale or other disposition of an Asset will be deemed to include a certification that such acquisition, sale or other disposition complies with the terms of this Indenture.

Section 12.4 Disposition of Illiquid Assets. Notwithstanding anything in this Indenture to the contrary, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may either (a) conduct an auction on behalf of the Issuer of Illiquid Assets in accordance with the procedures described herein or (b) if the Collateral Manager certifies to the Collateral Trustee that, in its commercially reasonable judgment an auction of such Illiquid Assets pursuant to clause (a) above would be unduly burdensome or significantly increase costs to the Issuer and/or the Collateral Manager, receive, or deliver, respectively such Illiquid Assets to the Collateral Manager or any fund or account managed by the Collateral Manager or any of its affiliates. Promptly after receipt of written notice from the Collateral Manager of such auction, the Collateral Trustee shall provide notice (in such form as is prepared by the Collateral Manager) to the Holders of the Debt of an auction, which notice will (x) set forth in reasonable detail a description of each Illiquid Asset, (y) request delivery instructions in the event of a distribution in

kind as further described in clause (iii) below and (z) set forth the following auction procedures: (i) any Holder or beneficial owner of Debt may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Illiquid Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Debt submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in kind is not legally or commercially practicable and provides written notice thereof to the Collateral Trustee, the Collateral Trustee shall deliver (at such Holder's expense) a *pro rata* portion (as determined by the Collateral Manager) of each unsold Illiquid Asset to the Holders or beneficial owners of the most senior Class of Debt that provide delivery instructions to the Collateral Trustee within the time period specified in clause (i), subject to minimum denominations (provided, that, to the extent that minimum denominations do not permit a *pro rata* distribution, the Collateral Trustee shall distribute the Illiquid Assets on a *pro rata* basis to the extent possible and the Collateral Manager shall select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Collateral Trustee; provided, further, that the Collateral Trustee shall use commercially reasonable efforts to effect delivery of such interests); and (iv) if no such Holder or beneficial owner provides delivery instructions to the Collateral Trustee, the Collateral Trustee shall promptly notify the Collateral Manager and offer to deliver (at the cost of the Issuer) the Illiquid Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Collateral Trustee shall take such action as reasonably directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Illiquid Asset, which may be by donation to a charity, abandonment or other means. The Collateral Trustee has no duty, obligation or responsibility with respect to the sale of any Illiquid Asset other than to act upon the instruction of the Collateral Manager and in accordance with the provisions of this Indenture.

Section 12.5 Swapped Defaulted Obligation Transactions. Notwithstanding Section 12.2 to the contrary, prior to the end of the Reinvestment Period, a Defaulted Obligation (a "Purchased Defaulted Obligation") may be purchased with all or a portion of the Sale Proceeds of another Defaulted Obligation (an "Exchanged Defaulted Obligation") (each such exchange referred to as a "Swapped Defaulted Obligation Transaction"), if:

(i) when compared to the Exchanged Defaulted Obligation, the Purchased Defaulted Obligation (A) is issued by a different Obligor, (B) but for the fact that such debt obligation is a Defaulted Obligation, such Purchased Defaulted Obligation would otherwise qualify as a Collateral Obligation and (C) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Collateral Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(ii) the Collateral Manager has certified in writing to the Collateral Trustee (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale) that:

(A) at the time of the purchase, (i) the Purchased Defaulted Obligation is no less senior in right of payment *vis-à-vis* its related Obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation and (ii) the

S&P Rating and the Moody's Rating of the Purchased Defaulted Obligation is the same or better than the respective S&P Rating and Moody's Rating of the Exchanged Defaulted Obligation;

(B) after giving effect to the purchase, each Overcollateralization Ratio Test is satisfied, maintained or improved;

(C) after giving effect to such purchase, the Concentration Limitations will be satisfied, maintained or improved;

(D) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Purchased Defaulted Obligation; and

(E) the Exchanged Defaulted Obligation was not previously a Purchased Defaulted Obligation acquired in a transaction pursuant to this Section 12.5; and

(iii) such purchase of the Purchased Defaulted Obligation will not, (A) when taken together with all other Purchased Defaulted Obligations then held by the Issuer, cause the aggregate Principal Balance of all of the Purchased Defaulted Obligations then held by the Issuer to exceed 1.0% of the Target Initial Par Amount and (B) will not cause the aggregate Principal Balance of all Purchased Defaulted Obligations purchased pursuant to a Swapped Defaulted Obligation Transaction, measured cumulatively since the Second Refinancing Date, to exceed 5.0% of the Target Initial Par Amount.

For the avoidance of doubt, Swapped Defaulted Obligation Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation, it shall no longer be considered a Purchased Defaulted Obligation.

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Debt to the contrary notwithstanding, the Holders of each Class of Debt that constitute a Junior Class agree for the benefit of the Holders of the Debt of each Priority Class with respect to such Junior Class that such Junior Class is subordinate and junior to the Debt of each such Priority Class to the extent and in the manner set forth in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is not waived in accordance with Article V, including as a result of an Event of Default specified in Section 5.1(g) or Section 5.1(h), each Priority Class will be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Debt of any Junior Class has received any payment or distribution in respect of such

Debt contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto has been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution will be received and held in trust for the benefit of, and will forthwith be paid over and delivered to, the Collateral Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided, that if any such payment or distribution is made other than in Cash, it will be held by the Collateral Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of such Junior Class of Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes will be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 affects the obligation of the Issuer to pay Holders of any Junior Class of Debt.

(d) The Holders of each Class of Debt agree, for the benefit of all Holders of each Class of Debt, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of all Debt (and any other debt obligations of the Issuer or the Co-Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

(e) Notwithstanding anything in this Indenture to the contrary, this Section 13.1 is subject in all respects to Section 5.4(e).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders do not have any obligation or duty to any Person or to consider or take into account the interests of any Person and are not liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Collateral Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons

as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided, that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or Jersey, in the case of an opinion relating to the laws of Jersey), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided, that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Collateral Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Collateral Trustee is protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action will become effective when such instrument or instruments are delivered to the Collateral Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" or "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and conclusive in favor of the Collateral Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Collateral Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Debt held by any Person, and the date of such Person's holding the same, will be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt will bind the Holder (and any transferee thereof) of such and of every Debt issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Collateral Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Debt.

The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) Such notice will be sufficiently given to Holders if in writing, in the case of Global Notes, in accordance with the applicable procedures of DTC and, in the case of Certificated Notes, mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each beneficial owner affected by such event), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) Such notice will be in the English language.

(c) Such notices will be deemed to have been given on the date of such mailing or posting.

(d) Notwithstanding clause (a) above, a Holder may give the Collateral Trustee a written notice in a form acceptable to the Collateral Trustee that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Collateral Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided, that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

(e) At the expense of the Issuer, the Collateral Trustee shall deliver to any Holder of Notes or any Person that has certified to the Collateral Trustee in a writing substantially in the form of Exhibit F to this Indenture that it is the owner of a beneficial interest in a Global Note, any written information reasonably available to the Collateral Trustee without undue burden or expense or written notice received by the Collateral Trustee relating to this Indenture and requested to be so delivered by a Holder or a Person that has made such certification (other than items protected by attorney-client privilege or information or documents received from Independent accountants subject to restrictions or prohibitions on disclosure pursuant to an engagement letter); provided that nothing herein shall be construed to obligate the Collateral Trustee to distribute any notice that the Collateral Trustee reasonably determines to be contrary to (i) the terms of this Indenture, (ii) its duties and obligations hereunder, (iii) applicable law or (iv) the terms of any confidentiality or non-disclosure agreement to which the Collateral Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgment governing any report, statement or certificate prepared by the Issuer's accountants).

(f) Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder affects the sufficiency of such notice with respect to other Holders. In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause, it becomes impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as will be made with the approval of the Collateral Trustee will constitute a sufficient notification to such Holders for every purpose hereunder.

(g) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. Waivers of notice by Holders will be filed with the Collateral Trustee but such filing will not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(h) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement, notice or other information required to be provided to Holders may be provided by posting such report, statement, notice or other information to, and providing access to the Collateral Trustee's website.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and do not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Debt, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Debt, as the case may be, so long as this Indenture or the Debt, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Debt, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Debt, expressed or implied, confers to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, the Holders of the Debt and (to the extent provided herein) the Administrator (solely in its capacity as such) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 [Reserved].

Section 14.10 Governing Law. This Indenture and the Debt will be construed in accordance with, and this Indenture and the Debt and any matters arising out of or relating in any way whatsoever to this Indenture or the Debt (whether in contract, tort or otherwise), are governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the U.S. District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER, THE COLLATERAL TRUSTEE AND THE HOLDERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT

TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE DEBT OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts; Binding Nature. This Indenture and the Debt (and each amendment, modification and waiver in respect of this Indenture or the Debt) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.14 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer will be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.15 Confidential Information. (a) The Collateral Trustee, the Collateral Administrator, each Holder and each beneficial owner of any Note will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) in good faith to protect Confidential Information of third parties delivered to such Person; provided, that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, Collateral Trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (ii) such Person's financial advisors, auditors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (iii) any Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire or have transferred to it Debt in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Note

or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) each Rating Agency; (ix) Moody's Analytics; (x) Intex Solutions Inc. and Valitana LLC (or any other similar service providers as determined by the Collateral Manager in its reasonable judgment) in accordance with Article X hereof; (xi) any other Person with the consent of the Co-Issuers and the Collateral Manager; or (xii) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Debt or this Indenture or (E) in the Collateral Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; and provided, that delivery to Holders by the Collateral Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders is not a violation of this Section 14.15. Each Holder and beneficial owner of Debt agrees, except as set forth in clauses (vi), (vii), (ix) and (xi) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Debt or administering its investment in the Debt; and that the Collateral Trustee and the Collateral Administrator will neither be required nor authorized to disclose to Holders or beneficial owners any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and beneficial owner of a Note agrees that the Collateral Manager is a third-party beneficiary of this Section 14.15 and shall be entitled to rely upon and enforce such provisions of this Section 14.15 to the same extent as if it were a party hereto. Each Holder or beneficial owner of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner of Debt by or on behalf of the Co-Issuers or the Collateral Manager in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided, that such term does not include information that: (i) was publicly known or otherwise known to the Collateral Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the

Collateral Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Collateral Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Collateral Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Collateral Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Collateral Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Collateral Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Debt or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers has any liability whatsoever to the other of the Co-Issuers under this Indenture, the Debt, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers is entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Debt, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers is entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Issuer Subsidiary or has any claim in respect of any assets of the other of the Co-Issuers.

Section 14.17 Electronic Signatures and Transmission. (a) For purposes of this Indenture, any reference to "written" or "in writing" means any form of written communication, including, without limitation, electronic signatures, and any such written communication may be transmitted by Electronic Transmission. "Electronic Transmission" means any form of communication not directly involving the physical transmission of paper, including the use of, or participation in, one or more electronic networks or databases (including one or more distributed electronic networks or databases), that creates a record that may be retained, retrieved and reviewed by a recipient thereof and that may be directly reproduced in paper form by such a recipient through an automated process. The Collateral Trustee is authorized to accept written instructions, directions, reports, notices or other communications delivered by Electronic Transmission and shall not have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by Electronic Transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such Electronic Transmission; and the Collateral Trustee shall not have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information to the Collateral Trustee, including, without limitation, the risk of the Collateral Trustee acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties.

(b) Any requirement in this Indenture or the Debt that a document, including the Debt, is to be signed or authenticated by "manual signature" or similar language shall not be

deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by Electronic Transmission.

ARTICLE XV

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, except as otherwise expressly set forth in this Indenture, the Collateral Trustee does not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority will terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby does not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor are any of the obligations contained in the Collateral Management Agreement imposed on the Collateral Trustee.

(c) Upon the retirement of the Debt, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Collateral Trustee for the benefit of the Holders will cease and terminate and all the estate, right, title and interest of the Collateral Trustee in, to and under the Collateral Management Agreement will revert to the Issuer and no further instrument or act are necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby covenants and agrees that no compensation payable to a successor Collateral Manager from payment on the Assets will be greater than that permitted to the Collateral Manager under the Collateral Management Agreement without the prior written consent of a Majority of each Class of Debt, voting separately by Class.

(g) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the standard of care set forth in the Collateral Management Agreement) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Collateral Trustee as representative of the Holders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Secured Parties.

(iii) The Collateral Manager shall deliver to the Collateral Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) The Issuer and the Collateral Manager (with notice to but without the consent of the Collateral Trustee) may amend the Collateral Management Agreement to (A) correct inconsistencies, typographical or other errors, defects or ambiguities, (B) conform the Collateral Management Agreement to the final Offering Circular with respect to the Secured Debt or to this Indenture (as it may be amended from time to time pursuant to Article VIII), (C) permanently remove any Management Fee payable to the Collateral Manager, (D) add to the covenants of the Issuer or the Collateral Manager for the benefit of the Holders of the Debt, or (E) take any action advisable, necessary or helpful (x) to prevent the Issuer or any Issuer Subsidiary from being subject to (or to otherwise minimize) withholding or other taxes, fees or assessments, including by complying with FATCA, the Jersey AEOI Regulations, and the CRS, (y) to reduce the risk that the Issuer or any Issuer Subsidiary may be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal, state or local income tax on a net basis or (z) to allow the Issuer or the Collateral Manager to comply with any rule or regulation enacted or modified by any regulatory agency of the U.S. federal government, in each case without the consent of the Holders of any Debt, but with notice to each Rating Agency. Any other amendment to the Collateral Management Agreement is permitted with the consent of a Majority of the Controlling Class.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager has not received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the nonpayment of the fees or other amounts payable by the Issuer, the Co-Issuer or such Issuer Subsidiary to the Collateral Manager under the Collateral Management Agreement or any other

Transaction Document until the payment in full of all Debt (and any other debt obligations of the Issuer, the Co-Issuer or such Issuer Subsidiary that have been rated upon issuance by any rating agency at the request of the Issuer, the Co-Issuer or such Issuer Subsidiary, as applicable) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period *plus* one day, following such payment. Nothing in this Section 15.1 precludes, or will be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 2(o) of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Debt and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Collateral Manager will give written notice to the Collateral Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) do not apply to any transaction permitted by the terms of the Collateral Management Agreement.

SCHEDULE 2

MOODY'S DIVERSITY SCORE CALCULATIONS

For purposes of the Moody's Diversity Test, the Diversity Score (the "Diversity Score") is a single number that indicates collateral concentration in terms of both issuer and industry concentration. A higher Diversity Score reflects a more diverse portfolio in terms of issuer and industry concentration. The Diversity Score is calculated as follows:

(i). An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Amount of all the Collateral Obligations issued by that issuer and all affiliates.

(ii). An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(iii). An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(iv). An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classifications and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(v). An "Industry Diversity Score" is then established for each Moody's Industry Classifications by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

SCHEDULE 3

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation (other than a DIP Collateral Obligation), as of any date of determination, the rating determined in accordance with the following methodology:

(a) if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating (or, if the Obligor itself does not have a corporate family rating by Moody's, the corporate family rating of any entity in the Obligor's corporate family);

(b) if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation, as selected by the Collateral Manager in its sole discretion;

(c) if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations publicly rated by Moody's, then the Moody's rating that is one subcategory below the Moody's public rating on any such obligation, as selected by the Collateral Manager in its sole discretion;

(d) if not determined pursuant to clause (a), (b) or (c) above, but a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer or the Collateral Manager, such rating or rating estimate; and

(e) if not determined pursuant to clause (a), (b), (c) or (d) above, the Moody's Derived Rating;

provided, that any Moody's Default Probability Rating determined on the basis of an estimated rating pursuant to clause (d) above that has not been renewed by Moody's on or before the 13-month anniversary of its issuance or prior renewal will be deemed to be (x) for a period of 60 days, one subcategory below the previous estimated rating and (y) thereafter, "Caa3", in each case pending receipt of such rating; provided, further, that the Moody's Default Probability Rating (i) with respect to any DIP Collateral Obligation will be the higher of (A) the rating assigned by clause (iii) of the definition of "Moody's Derived Rating" and (B) if such DIP Collateral Obligation is newly issued and the Collateral Manager expects a new Moody's Default Probability Rating within 90 days, the Moody's Default Probability Rating of such Collateral Obligation until such Moody's Default Probability Rating is obtained will be (1) for a period of up to 90 days after the acquisition of such Collateral Obligation, the Moody's Default Probability Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that it believes that such Moody's Default Probability Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such

rating and (2) thereafter, "Caa3" and (ii) with respect to any Uptier Priming Debt that is newly issued and the Collateral Manager expects a new Moody's Default Probability Rating within 90 days, the Moody's Default Probability Rating of such Collateral Obligation until such Moody's Default Probability Rating is obtained will be (1) for a period of up to 90 days after the acquisition of such Collateral Obligation, the Moody's Default Probability Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such Moody's Default Probability Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating and (2) thereafter, "Caa3".

"Moody's Rating":

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to a Collateral Obligation that (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Collateral Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation;

(b) With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan (if not determined pursuant to clause (a) above), if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;

(c) With respect to a Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, then the Moody's rating that is two subcategories higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Collateral Manager in its sole discretion;

(d) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b) or (c) above, if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating;

(e) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b), (c) or (d) above, if the Obligor of such Collateral Obligation has one or more subordinated obligations publicly rated by Moody's, then the Moody's rating that is one subcategory higher than the public rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(f) With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b), (c), (d) or (e) above, the Moody's Derived Rating; and

(g) With respect to any Collateral Obligation that is a DIP Collateral Obligation, if such Moody's Rating has been withdrawn and a new Moody's Rating has not been issued, the Moody's Rating of such Collateral Obligation will be the Moody's Rating applicable to such Collateral Obligation prior to such withdrawal for up to 12 months following such withdrawal and thereafter, "Caa3" (provided that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Collateral Manager expects a Moody's credit rating within 90 days, the Moody's Rating of such Collateral Obligation until such credit rating is obtained from Moody's will be (1) for a period of up to 90 days after the acquisition of such Collateral Obligation, the Moody's Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that it believes that such Moody's Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating and (2) thereafter, "Caa3");

provided that, (x) for purposes of the determination of the Moody's Rating, if (1) the issuer or Obligor of any Collateral Obligation was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an Moody's rating of "D", "LD" or "Ca" or lower from Moody's or had an Moody's rating that was withdrawn by Moody's and (2) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an Moody's rating of "D" "LD", or "Ca" or lower from Moody's (or, in the case of any withdrawal, continues to have no S&P rating), the Moody's Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, shall be deemed to be "Caa3", so long as Moody's has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11 and (y) with respect to any Uptier Priming Debt that is newly issued where the Collateral Manager expects a Moody's credit rating within 90 days, the Moody's Rating of such Collateral Obligation will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such Uptier Priming Debt and (2) "Caa3" following such 90 day period unless, during such 90 day period, the Collateral Manager has requested the extension of such period and Moody's, in its sole discretion, has granted such request; provided that if a Moody's Rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such Moody's Rating shall apply.

"Moody's Derived Rating":

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot be determined pursuant to the respective definitions thereof, such Moody's Rating and Moody's Default Probability Rating will be determined as set forth below:

(i) (A) if such Collateral Obligation is publicly rated by S&P:

Type of Collateral Obligation	S&P Rating or Fitch Rating (Public and Monitored)	Collateral Obligation Rated by S&P or Fitch	Number of Subcategories Relative to Moody's Equivalent of S&P Rating or Fitch Rating
Not Structured Finance Security	> "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Security	< "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Security		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P or Fitch but another security or obligation of the Obligor has a public and monitored rating by S&P or Fitch (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (i)(A) above, and the Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation will be determined by further adjusting the rating of such parallel security (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (i)(B)) by the number of rating sub-categories according to the table below:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation.....	-1
Unsecured obligation	0
Subordinated obligation	+1

(C) if such Collateral Obligation is not rated by S&P or Fitch but there is a public issuer credit rating of the issuer of such Collateral Obligation by S&P or Fitch as published by S&P or Fitch, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then such issuer credit rating will at the election of the Collateral Manager be determined in accordance with subclause (i)(B) (for such purposes, treating such public issuer credit rating as if it were a rating of a parallel security); or

(D) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Rating or Moody's Default Probability Rating may be determined based on a rating by S&P, Fitch or any other rating agency;

(ii) if such Collateral Obligation is not rated by Moody's, Fitch or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, Fitch or S&P, and if Moody's has been requested by the Issuer,

the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of clause (f) of the definition of "Moody's Rating" and clause (e) of the definition of "Moody's Default Probability Rating" (as applicable) of such Collateral Obligation will be (1) "B3" if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Amount of Collateral Obligations determined pursuant to this clause (ii) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1";

(iii) with respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation will be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation will be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; provided, however, if such facility rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, the facility rating of such DIP Collateral Obligation will be the facility rating from Moody's applicable to such DIP Collateral Obligation prior to such withdrawal for up to 12 months following such withdrawal; or

(iv) if not determined pursuant to clauses (i) through (iii) above, "Caa3."

"Moody's Senior Secured Loan":

(a) A loan that:

(i) is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the Obligor of the loan;

(ii) is secured by a valid first priority perfected security interest or lien that is not a first priority in, to or on specified collateral securing the Obligor's obligations under the loan; and

(iii) the value of the collateral securing the loan at the time of purchase together with other attributes of the Obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal seniority secured by a first lien or security interest in the same collateral; and

(b) the loan is not:

(i) a DIP Collateral Obligation; or

(ii) a loan for which the security interest or lien (or the validity or effectiveness thereof) in substantially all of its collateral attaches, becomes effective, or otherwise "springs" into existence after the origination thereof.

"Assigned Moody's Rating": The monitored publicly available rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

SCHEDULE 6

S&P RATING DEFINITIONS AND RECOVERY RATE TABLES

"**S&P Rating**" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (a) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that meets S&P's then-current guarantee criteria for use in connection with this transaction, then the S&P Rating will be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer; provided, that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation will equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category above such rating;

(ii) (x) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating (provided that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and has no S&P Rating at the time of issuance, such Collateral Obligation shall be a Pending Rating DIP Loan) and (y) with respect to any Collateral Obligation that is a newly issued Select Uptier Priming Debt where the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation will be the S&P Rating that the Collateral Manager reasonably believes such Collateral Obligation will ultimately receive (but in no event higher than "CCC+") for such 90 day period unless, during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided that if a S&P Rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such S&P Rating shall apply);

(iii) with respect to any Current Pay Obligation, the S&P Rating of such Current Pay Obligation will be the higher of such obligation's issue rating and "CCC";

(iv) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (1) through (3) below:

(1) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the

Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower;

(2) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; provided, that, if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; provided, further, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided, further, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation will be "CCC-"; provided, further, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof will be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; provided, further, that the S&P Rating may not be determined pursuant to this clause (2) if the Collateral Obligation is a DIP Collateral Obligation; provided, further, that such credit estimate will expire 12 months after the receipt thereof, following which such Collateral Obligation will have an S&P Rating of "CCC-" unless, during such 12-month period following the receipt of such credit estimate, the Issuer applies for renewal thereof in accordance with this Indenture, in which case such credit estimate will continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate will be the S&P Rating of such Collateral Obligation; provided, further, that such confirmed or revised credit estimate will expire on the next succeeding 12-month anniversary of the date of the receipt thereof and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; and

(3) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-" provided, that (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings, (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, (iii) all such debt securities and other obligations of the issuer that are pari passu with or senior to the Collateral Obligation are current and the Collateral Manager reasonably expects them to remain current and (iv) all

Information with respect to such Collateral Obligation has previously been provided to S&P; or

(v) with respect to a DIP Collateral Obligation that has no issue rating by S&P, the S&P Rating of such DIP Collateral Obligation will be, at the election of the Issuer (at the direction of the Collateral Manager), "CCC-" or the S&P Rating determined pursuant to the definition of "Pending Rating DIP Loan";

provided, that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating; provided, further, that for purposes of the determination of the S&P Rating, if (1) the issuer or Obligor of any Collateral Obligation was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an S&P rating of "SD" or "CC" or lower from S&P or had an S&P rating that was withdrawn by S&P and (2) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an S&P rating of "SD" or "CC" or lower from S&P (or, in the case of any withdrawal, continues to have no S&P rating), the S&P Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, will be deemed to be "CCC-" for a period of up to 12 months from the date on which such issuer, Obligor or Selling Institution ceased to be a debtor under Chapter 11, so long as (x) S&P has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11 and (y) the Collateral Manager believes, in its reasonable business judgment, that the issuer or Obligor of such obligation will continue to make scheduled payments of interest thereon and will pay the principal thereof by maturity or as otherwise contractually due.

(iii) If a recovery rate cannot be determined using clause (a) or clause (b) and the Collateral Obligation is secured solely or primarily by common stock, other equity interests or goodwill, then the recovery rate will be determined using the table following clause (d) as if such Collateral Obligation were an Unsecured Loan.

(iv) If a recovery rate cannot be determined using clause (a), (b) or (c), the recovery rate will be determined using the following table.

* Solely for the purpose of determining the S&P Recovery Rate for such obligation, no obligation will constitute a "First Lien Loan," a "S&P Cov-Lite Loan" or a "Senior Secured Bond" unless such obligation (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such obligation's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal balance of all debt senior or pari passu to such obligation and (ii) the outstanding principal balance of such obligation, which value may be derived from, among other things, the enterprise value (but may not be based solely on equity or goodwill) of the issuer of such obligation and (c) is not secured solely or primarily by common stock or other equity interests; provided that this clause (c) shall not apply to any obligation that has been issued by a parent entity that is secured solely or primarily by the common stock or other equity interests of one or more direct or indirect subsidiaries of such parent entity to the extent that the granting by any such subsidiary of a lien on its own property would violate law or regulations applicable to such subsidiary (whether the obligation secured is such Loan or any other similar type of indebtedness owing to third parties); *provided* that the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer, the Collateral Manager and the Collateral Trustee (without the consent of any holder of any Note), subject to satisfaction of the S&P Rating Condition, in order to conform to S&P then current criteria for such obligations.

** First Lien Last Out Loans and Second Lien Loans with, in the aggregate, an aggregate principal balance in excess of 15% of the Collateral Principal Amount will use the "Subordinated Loans" Priority Category for the purpose of determining their S&P Recovery Rate.

S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" means, with respect to the Highest-Ranking Class, the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

BDR * (OP / NP) + (NP - OP) /(NP * (1 – WARR)), where

Term	Meaning
BDR	S&P CDO Monitor BDR
OP	Target Initial Par Amount
NP	the sum of the Aggregate Principal Amounts of the Collateral Obligations with an S&P Rating of "CCC-" or higher, any decrease in the Aggregate Outstanding Amount of the Highest Ranking Class, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-"; provided that such calculation will be made excluding amounts that can be reclassified as Interest Proceeds, as Designated Principal Proceeds or Designated Unused Proceeds
WARR	S&P Weighted Average Recovery Rate

"S&P CDO Monitor BDR" means the value calculated using the following formula relating to the Issuer's portfolio:

S&P CDO Monitor BDR = C0 + (C1 * Weighted Average Floating Spread) + (C2 * S&P Weighted Average Recovery Rate), where C0 = [●], C1 = [●] and C2 = [●]. C0, C1 and C2 will not change unless S&P provides an updated S&P CDO Monitor Input File at the request of the Collateral Manager following the Second Refinancing Date.

"S&P CDO Monitor Input File" means a file containing the formula relating to the Issuer's portfolio used to calculate the S&P CDO Monitor BDR.

"S&P CDO Monitor SDR" means the percentage derived from the following equation:

0.137223 + (SPWARF/8829.01) – (DRD/20413.6) – (ODM/9556.72) – (IDM/2256.55) – (RDM/40.2751) + (WAL/26.7396), where

Term	Meaning
SPWARF	S&P Weighted Average Rating Factor
DRD	S&P Default Rate Dispersion
ODM	S&P Obligor Diversity Measure
IDM	S&P Industry Diversity Measure
RDM	S&P Regional Diversity Measure
WAL	S&P Weighted Average Life

"S&P Default Rate Dispersion" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Global Ratings' Rating Factor *minus* (y) the S&P Weighted Average Rating Factor *divided by* (B) the Aggregate Principal Amount for all such Collateral Obligations.

"S&P Effective Date Adjustments" means, in connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if an S&P CDO Monitor Formula Election Date has occurred, the following adjustment shall apply: (i) in calculating the Weighted Average Floating Spread, the Aggregate Funded Spread will be calculated without giving effect to the proviso of the definition thereof and (ii) such calculation will be made excluding amounts that can be reclassified as Interest Proceeds, as Designated Principal Proceeds or Designated Unused Proceeds.

"S&P Global Ratings' Rating Factor" means, with respect to each Collateral Obligation, the rating factor determined by the S&P Rating set forth in the below table:

S&P Rating	S&P Global Ratings' rating factor
AAA	13.51
AA+	26.75
AA	46.36
AA-	63.90
A+	99.50
A	146.35
A-	199.83
BBB+	271.01
BBB	361.17
BBB-	540.42
BB+	784.92
BB	1,233.63
BB-	1,565.44
B+	1,982.00
B	2,859.50
B-	3,610.11
CCC+	4,641.40
CCC	5,293.00
CCC-	5,751.10

S&P Rating	S&P Global Ratings' rating factor
CC	10,000.00
SD	10,000.00
D	10,000.00

"S&P Industry Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Amount by the Aggregate Principal Amount of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region categorization (see "CDO Evaluator 7.2 Parameters Required To Calculate S&P Global Ratings Portfolio Benchmarks," published March 27, 2017, or such other published table by S&P that the Collateral Manager provides to the Collateral Administrator) then dividing each of these amounts by the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Amount of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Global Ratings' Rating Factor divided by (ii) the Aggregate Principal Amount for all such Collateral Obligations.

"S&P Weighted Average Recovery Rate" means, as of any date of determination, with respect to the Initial Rating of the Highest Ranking Class, the number, expressed as a percentage, obtained by:

(i) summing the products obtained by multiplying:

(A) the Principal Balance of each Collateral Obligation (excluding Defaulted Obligations), by

(B) its corresponding S&P Recovery Rate;

(ii) dividing such sum by the Aggregate Principal Amount of all Collateral Obligations (excluding Defaulted Obligations), and

(iii) rounding to the nearest tenth of a percent.

"Weighted Average Moody's Rating Factor": The number (rounded up to the nearest whole number) determined by:

(a) summing the products of (i) the Principal Balance of each Collateral Obligation (excluding Equity Securities) *multiplied by* (ii) the Moody's Rating Factor of such Collateral Obligation (as described under the definition of "Moody's Rating Factor") and

(b) dividing such sum by the outstanding Principal Balance of all such Collateral Obligations.

"Weighted Average S&P Recovery Rate": As of any date of determination, the number, expressed as a percentage and determined separately for each Class of Secured Debt,

be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds will be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Debt, distributions on the Subordinated Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.8(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party has any obligation to make any payment hereunder as a result of the amounts calculated under this Section 1.2(d) being greater than the actual amounts available.

(e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Amount of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations and Deferring Securities will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations are treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for First Lien Loans.

(j) At the election of the Collateral Manager in its sole discretion, compliance with the Investment Criteria may be measured by determining the aggregate effect of any series of reinvestments and/or sales (a "Trading Plan"), occurring within a period of up to ~~[20]~~15 Business Days (such period, the "Trading Plan Period") rather than considering the effect of each acquisition and disposition of Collateral Obligations individually; provided, that (1) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Amount that exceeds ~~[~~5.0~~]~~% of the Collateral Principal Amount as of the first day of the Trading Plan

(c) Book Entry Provisions. This Section 2.2(c) only applies to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Collateral Trustee, as custodian for DTC, and DTC may be treated by the Applicable Issuers, the Collateral Trustee, and any agent of the Applicable Issuers or the Collateral Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein prohibits the Applicable Issuers, the Collateral Trustee, or any agent of the Applicable Issuers or the Collateral Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(d) CUSIPs. As an administrative convenience or in connection with complying with FATCA, the Jersey AEOI Regulations, and the CRS, the Applicable Issuers or the Issuer's agent may obtain a separate CUSIP or separate CUSIPs (or similar identifying numbers) for all or a portion of any Class of Notes.

Section 2.3 Authorized Amount; Stated Maturity; Denominations.

(a) The amount of Notes that may be authenticated and delivered under this Indenture is limited to U.S.$~~[●]~~551,900,000 aggregate principal amount of Debt (except for (i) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.5 of this Indenture or (ii) additional debt issued in accordance with Sections 2.13, 3.2 and/or 9.3).

(1) The initial Benchmark for the Floating Rate Debt shall be Term SOFR. Term SOFR will be determined for each Interest Accrual Period in accordance with the definition of Term SOFR set forth herein; ~~[~~provided, that, with respect to the first Interest Accrual Period for the Second Refinancing Notes, Term SOFR will be ~~set on two different determination dates, and therefore, two different rates may apply during that period~~]calculated by interpolating linearly between the rate for the next shorter period of time for which rates are available and the rate for the next longer period of time for which rates are available (rounded to the nearest 0.00001% thereof). The spread over the Benchmark of any Class of Re-Pricing Eligible Debt may be reduced in connection with a Re-Pricing of such Class of Debt, subject to the conditions set forth in Section 9.8. The Benchmark may be modified as set forth herein.

(c) The Notes will be issued in the applicable Minimum Denominations.

Section 2.4 Execution, Authentication, Delivery and Dating.

The Notes will be executed on behalf of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

Any Notes bearing the manual, facsimile or electronic signature of an individual who was at any time an Authorized Officer of an Applicable Issuer, will bind such Applicable Issuer, notwithstanding the fact that such individual has ceased to hold such offices prior to the

item of income, gain, loss, deduction, or credit of the Holder, or of any Person's distributive share thereof, and (ii) providing the Issuer with any information necessary for the Issuer to (x) establish the amount of any tax liability resulting from any such adjustment and (y) elect (in accordance with Section 6226 of the Code, or any successor provision) for each Holder to take any such adjustment into account directly. To the fullest extent permitted by law, each Holder of Class E Notes and Subordinated Notes hereby agrees to indemnify the Issuer for the Holder's allocable share of any applicable tax liability of any type whatsoever (including any liability for penalties, additions to tax or interest) attributable to such Holder's share of the income of the Issuer or attributable to distributions to such Holder. This paragraph (h) shall survive the termination of any Holder's interest in its Class E Notes or Subordinated Notes.

(i) Each Holder of Secured Debt will make, or by acquiring Secured Debt will be deemed to make, a representation that if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it is not and will not become a member of an "expanded group" (within the meaning of the regulations issued under Section 385 of the Code) that includes a domestic corporation (as determined for U.S. federal income tax purposes) if such domestic corporation directly or indirectly (through one or more entities that are treated for U.S. federal income tax purposes as partnerships, disregarded entities or grantor trusts) owns any equity interests in the Issuer.

(j) Each Holder will provide the Issuer or its agents with such information and documentation that may be required for the Issuer and the Administrator to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the "Holder AML Obligations").

(k) If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Notes would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 Additional Issuance.

(a) At any time during the Reinvestment Period (or, in the case of (i) an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time or (ii) the issuance of additional Notes to comply with the U.S. Risk Retention Rules or to cure a Retention Deficiency, at any time) and subject to the conditions set forth in Section 3.2, the Co-Issuers, with the consent of the Collateral Manager, may issue and sell additional notes of one or more new classes of notes that are fully subordinated to the existing Secured Debt (or to the most Junior Class (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Debt and the Subordinated Notes is then Outstanding) ("Junior Mezzanine Notes") and/or additional debt of one or more

(viii) the proceeds of any additional debt (net of fees and expenses incurred in connection with such issuance) will be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments; provided, that the Collateral Manager may elect to designate any portion of the proceeds from the issuance of Subordinated Notes and/or Junior Mezzanine Notes towards a Permitted Use;

(ix) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, each Overcollateralization Ratio Test will be maintained or improved immediately after giving effect to the proposed additional issuance;

(x) except when only additional Subordinated Notes are being issued, an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters will be delivered to the Collateral Trustee to the effect that any additional ~~[~~Class A Notes, Class B Notes, Class C Notes or Class D Notes will be treated, and any additional Class E-1 Notes or Class E-2 Notes should be treated,~~]~~ as indebtedness for U.S. federal income tax purposes; provided, however, that the opinion described in this clause (x) will not be required with respect to any additional Debt that bears a different securities identifier from the Debt of the same Class that are Outstanding at the time of the additional issuance; and

(xi) in the case of the issuance of additional Junior Mezzanine Notes only, any supplemental indenture effected to implement such additional issuance provides for the payment of accrued and unpaid interest (including any defaulted interest and any interest thereon) on such Debt pursuant to the Priority of Payments at a level subordinate to any Interest Diversion Test under this Indenture.

(b) Any additional debt of any Class issued pursuant to this Indenture shall, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class; provided that any additional Junior Mezzanine Notes issued as described above will, to the extent reasonably practicable, be offered first to the Holders of the Subordinated Notes and any existing Junior Mezzanine Notes in such amounts as are necessary to preserve their *pro rata* holdings of the Junior Mezzanine Notes and the Subordinated Notes on a combined basis. With respect to any additional Subordinated Notes or Junior Mezzanine Notes, if any such holder declines such offer in the preceding sentences, its portion of additional Subordinated Notes or Junior Mezzanine Notes will be offered to the holders of Subordinated Notes and/or Junior Mezzanine Notes that accept such offer as are necessary to preserve the *pro rata* holdings of additional Junior Mezzanine Notes and/or Subordinated Notes, collectively, of the accepting Holders. Any such offer to an existing Holder of Subordinated Notes or existing Junior Mezzanine Notes that has not been accepted within three Business Days after delivery of such offer by or on behalf of the Issuer will be deemed a notice by such Holder that it declines to purchase additional debt.

(c) At the cost of the Co-Issuers, the Collateral Trustee shall provide to each holder of Debt notice of any additional issuances.

Section 2.14 Issuer Purchases of Debt

. (a) The Issuer, at the direction of the Collateral Manager, may use Principal Proceeds or any amounts on deposit in the Contribution Account to purchase Debt, in whole or in part, in accordance with, and subject to, the terms described in this Section 2.14. The Collateral Trustee shall cancel as described under Section 2.9 any such purchased Debt surrendered to it for cancellation or, in the case of any Global Notes, the Collateral Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Debt, and approve any instruction at DTC or its nominee, as the case may be, to conform its records.

(b) An Issuer purchase of the Debt may not occur unless each of the following conditions is satisfied:

~~(i) such purchases of Secured Debt shall occur in sequential order of priority (for which purpose, Pari Passu Classes with respect to each other will be considered a single Class) beginning with the Class A Notes and no Class of Debt may be repurchased if a Priority Class is Outstanding;~~

(iv) ~~(v)~~ each Interest Coverage Test will be satisfied after giving effect to such purchase;

(v) ~~(vi)~~ each Overcollateralization Ratio Test will be satisfied, maintained or improved;

(vi) ~~(vii)~~ no Event of Default has occurred and is continuing;

(vii) ~~(viii)~~ each such purchase is otherwise conducted in accordance with applicable law;

(viii) ~~(ix)~~ the consent of a Majority of the Subordinated Notes is obtained;

(ix) ~~(x)~~ S&P is notified of such purchase; and

(x) ~~(xi)~~ the Issuer and the Collateral Trustee have received an Officer's certificate of the Collateral Manager to the effect that the Debt purchase offer has been

of the Applicable Issuer that no such authorization, approval or consent of any governmental body is required for the valid issuance of such Secured Debt except as has been given; provided that the opinions in clause (iii) may satisfy such requirement.

(iii) U.S. Counsel Opinions. Opinions of Cadwalader, Wickersham & Taft, LLP, special U.S. counsel to the Co-Issuers and the Initial Purchaser and Locke Lord LLP, counsel to the Collateral Trustee, each dated the Second Refinancing Date.

(iv) Jersey Counsel Opinion. An opinion of Appleby (Jersey) LLP counsel to the Issuer, dated the Second Refinancing Date.

(v) Officers' Certificates of Co-Issuers Regarding Indenture. An Officer's certificate of each of the Co-Issuers stating that, to the best of the signing Officer's knowledge, the Applicable Issuer is not in default under this Indenture and that the issuance of the Secured Debt applied for by it will not result in a default or a breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any indenture or other agreement or instrument to which it is a party or by which it is bound, or any order of any court or administrative agency entered in any Proceeding to which it is a party or by which it may be bound or to which it may be subject; that all conditions precedent provided in this Indenture relating to the execution, authentication and delivery of the Secured Debt applied for by it have been complied with; and that all expenses due or accrued with respect to the Offering of such Secured Debt or relating to actions taken on or in connection with the Second Refinancing Date have been paid or reserves therefor have been made. (d) Expense Reserve Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Expense Reserve Account," which is maintained with the Custodian in accordance with the Account Agreement. The Issuer shall direct the Collateral Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(xiii) and (ii) in connection with any additional issuance of debt, the amount specified in Section 3.2(a)(ix). On any Business Day from the Second Refinancing Date to and including the Determination Date relating to the first Payment Date following the Second Refinancing Date, the Collateral Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Debt and any additional issuance. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Subaccount as Interest Proceeds as it is paid.

(e) Contribution Account. In accordance with this Indenture and the Account Agreement, the Collateral Trustee established at the Custodian a single, segregated account, which is held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Contribution Account" and which is held by the Custodian in accordance with the Account Agreement. In addition, the proceeds of an additional issuance of Subordinated Notes and/or Junior Mezzanine Notes and any amounts in respect of any Redirected Fee may be deposited in the Contribution Account for application to a Permitted Use, at the direction of the Collateral Manager. At any time, any Holder of Subordinated Notes (other than a Benefit Plan Investor) (each such Holder, a "Contributor")

may, upon written notice substantially in the form of Exhibit G (each such notice, a "Contribution Notice") to the Collateral Trustee and the Collateral Manager and with the consent of a Majority of the Subordinated Notes, (i) make a contribution of Cash to the Issuer or (ii) solely in the case of Holders of Subordinated Notes in the form of Certificated Notes, designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with the Priority of Payments, to the Issuer (each, a "Contribution"); provided that each Contribution shall be in an amount at least equal to $[500,000] (counting all Contributions made on the same day as a single Contribution for this purpose). The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall promptly notify the Collateral Trustee in writing of such acceptance or rejection, as the case may be. Unless otherwise indicated in a Contribution Notice, Contributions shall be repaid to the Contributor beginning on the next succeeding Payment Date (and shall continue to be paid on each subsequent Payment Date, to the extent funds are available pursuant to the Priority of Payments, until such amounts have been paid in full) in accordance with the Priority of Payments, together with a specified rate of return thereon agreed to between such Contributor and a Majority of the Subordinated Notes (as set forth in the related Contribution Notice), which rate of return will not exceed the greater of (x) [20]% and (y) 100% minus the price of the S&P/LSTA Leveraged Loan 100 Index as of the date of such Contribution (such amount, together with such rate of return, the "Contribution Repayment Amount"). Contributions will be repaid to the applicable Contributor in accordance with the Priority of Payments on any Payment Date that funds are available therefor, in each case until such amount is paid in full. Each accepted Contribution will be deposited into the Contribution Account. If a Contribution is accepted, the Collateral Manager on behalf of the Issuer may apply such Contribution to a Permitted Use at any time as directed by the Contributor at the time such Contribution is made or, if no direction is given by the Contributor, at the election of the Collateral Manager in its sole discretion. After a Contribution has been designated to a Permitted Use by the Contributor or the Collateral Manager, as applicable, it may not be re-designated to a different Permitted Use. Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Subaccount as Interest Proceeds. For the avoidance of doubt, any amounts deposited into the Contribution Account pursuant to clause (ii) above will be deemed for all purposes as having been paid to the Contributor pursuant to the Priority of Payments. The Issuer shall notify each Rating Agency upon receipt of any Contribution.

Contribution Repayment Amounts are payable to the applicable Contributor; provided that Contribution Repayment Amounts (i) will not be transferred to a Benefit Plan Investor and (ii) will not, without written notice from the Contributor to the Collateral Trustee, be transferred to any subsequent Holder of such Contributor's Subordinated Notes. From and after the date of such transfer and with such written notice from the Contributor to the Collateral Trustee, the transferee will be deemed to be a Contributor with respect to the applicable portion of the related Contribution. Each transferor of Subordinated Notes (or a beneficial interest therein) that is a Contributor and is owed a Contribution Repayment Amount will be required to execute and deliver to the Issuer and the Collateral Trustee a certificate substantially in the form attached as Exhibit I. Notwithstanding the foregoing, the Collateral Trustee will be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount (including the related Contribution) has occurred until such certificate is received by the Collateral Trustee.

Within three Business Days (provided, that any Contribution Notice received after 2:00 p.m. New York City time on any Business Day will be deemed to have been received on the following Business Day) of receipt of a Contribution Notice, the Collateral Trustee (via its website) shall provide notice of such Contribution Notice to the remaining holders of the Subordinated Notes substantially in the form of Exhibit J, and such notice will extend to the other holders of Subordinated Notes (other than Benefit Plan Investors) the opportunity to participate in the related Contribution in proportion to their then-current ownership of Subordinated Notes. Any existing holder of Subordinated Notes that has not, within seven Business Days after delivery of such Contribution Notice from the Collateral Trustee, elected to participate in such Contribution by delivery of a written notice in respect thereof, substantially in the form of Exhibit H (each such notice, a "Contribution Participation Notice") to the Issuer (with a copy to the Collateral Manager, the Collateral Administrator and the Collateral Trustee) will be deemed to have irrevocably declined to participate in such Contribution. The Collateral Trustee shall not accept any Contribution until after the expiration of such seven-Business-Day period.

(f) Interest Reserve Account. The Collateral Trustee established a single, segregated account held in the name of the Issuer subject to the lien of the Collateral Trustee for the benefit of the Secured Parties, which is designated as the "Interest Reserve Account," and over which the Collateral Trustee has exclusive control and the sole right of withdrawal. ~~[On the Second Refinancing Date, at the direction of the Collateral Manager on behalf of the Issuer, the Collateral Trustee will transfer proceeds from the offering of the Debt in an amount equal to the Interest Reserve Amount. On or before the Determination Date relating to the first Payment Date following the Second Refinancing Date, at the direction of the Collateral Manager, the Issuer may direct that any portion then remaining of the Interest Reserve Amount be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds for the related Collection Period.]~~ On the first Payment Date following the Second Refinancing Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) in accordance with the Priority of Payments, and the Collateral Trustee will close the Interest Reserve Account. Amounts credited to the Interest Reserve Account will be reinvested pursuant to Section 10.7(a).

Section 10.4 The Revolver Funding Account.

Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation will be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Subaccount and deposited in a single, segregated account held in the name of the Issuer subject to the lien of the Collateral Trustee, for the benefit of the Secured Parties (the "Revolver Funding Account"); provided, that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Issuer will deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the

Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral will satisfy the following requirement: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests will not have an Aggregate Principal Balance in excess of [5.0]% of the Collateral Principal Amount and will not remain on deposit with such Selling Institution or custodian for more than 30 calendar days after such Selling Institution first fails to satisfy the rating requirements set out in the Third Party Credit Exposure Limits or Moody's Counterparty Criteria (and the terms of each such deposit will permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution fails at any time to satisfy the rating requirements set out in the Third Party Credit Exposure Limits or Moody's Counterparty Criteria, as applicable); or (2) such Selling Institution Collateral will be deposited with an Eligible Institution provided, that if such institution is downgraded such that it no longer constitutes an Eligible Institution, the Issuer will be required to use commercially reasonable efforts to replace such institution with a replacement Eligible Institution within 30 calendar days of the ratings downgrade.

Funds will be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation after the Second Refinancing Date and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager, such that the amount of funds on deposit in the Revolver Funding Account will be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets.

The Issuer shall direct the Collateral Trustee to deposit the amount specified in Section 3.1(a)(xiii) to the Revolver Funding Account to be reserved for unfunded funding obligations under the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations purchased on or before the Second Refinancing Date. Upon initial purchase of any other Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested at the direction of the Collateral Manager in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available (at the direction of the Collateral Manager) solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided, that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or

Report which the Collateral Trustee disseminates in accordance with this Indenture and may affix thereto any disclaimer it deems appropriate in its reasonable discretion. The Collateral Trustee will not be liable for the dissemination of information made in accordance with this Indenture.

Section 10.9 Release of Assets.

(a) If no Event of Default has occurred and is continuing (other than in the case of sales made pursuant to Sections 12.1(a), (b), (c), (d) and (h)) and subject to Article XII, the Issuer may, by Issuer Order executed by an Authorized Officer of the Collateral Manager, delivered to the Collateral Trustee at least one Business Day prior to the settlement date for any sale of an Asset certifying that the applicable conditions set forth in Article XII have been met (which certification shall be deemed to be provided upon delivery of such Issuer Order, or direction or a trade ticket signed by an Authorized Officer of the Collateral Manager with respect to such sale), direct the Collateral Trustee to release or cause to be released such Asset from the lien of this Indenture and, upon receipt of such Issuer Order, the Collateral Trustee shall deliver any such Asset, if in physical form, duly endorsed to the broker or purchaser designated in such Issuer Order or, if such Asset is a Clearing Corporation Security, cause an appropriate transfer thereof to be made, in each case against receipt of the sales price therefor as specified by the Collateral Manager in such Issuer Order; provided, that the Collateral Trustee may deliver any such Asset in physical form for examination in accordance with street delivery custom.

(b) Subject to the terms of this Indenture, the Collateral Trustee shall upon an Issuer Order (i) deliver any Asset, and release or cause to be released such Asset from the lien of this Indenture, which is set for any mandatory call or redemption or payment in full to the appropriate paying agent on or before the date set for such call, redemption or payment, in each case against receipt of the call or redemption price or payment in full thereof and (ii) provide notice thereof to the Collateral Manager.

(c) Upon receiving actual notice of any tender offer, voluntary redemption, exchange offer, conversion or other similar action (an "Offer") or any request for a waiver, consent, amendment or other modification with respect to any Asset, the Collateral Trustee on behalf of the Issuer shall notify the Collateral Manager of any Collateral Obligation that is subject to an Offer or such request. The Collateral Manager may direct (x) the Collateral Trustee to accept or participate in or decline or refuse to participate in such Offer and, in the case of acceptance or participation, to release from the lien of this Indenture such Asset in accordance with the terms of the Offer against receipt of payment therefor, or (y) the Issuer or the Collateral Trustee to agree to or otherwise act with respect to such consent, waiver, amendment or modification; provided, that in the absence of any such direction, the Collateral Trustee shall not respond or react to such Offer or request; provided, further, that the acceptance of, or participation in, any Offer, and the consent to any such waiver, amendment, modification or variance, will be deemed not to be an acquisition of a new Collateral Obligation. During and after the Reinvestment Period, the Collateral Manager, on the Issuer's behalf, may vote in favor of a Maturity Amendment, which Collateral Obligation will be retained by the Issuer after such extension becomes effective, only if (A) after giving effect to such Maturity Amendment, not more than [1.0]% of the Target Initial Par Amount of Collateral Obligations have a stated

maturity later than the earliest applicable Stated Maturity of the Debt and (B) at least one of the following conditions is satisfied:

(i) such waiver, modification, amendment or variance is (1) consummated in connection with an insolvency, bankruptcy, reorganization, debt restructuring or workout of the related obligor or (2) in the Collateral Manager's judgment, due to the materially adverse financial condition of the Obligor, to minimize material losses on the related Collateral Obligation; provided that the Aggregate Principal Amount of all Collateral Obligations whose stated maturity is extended pursuant to this clause (i) and held by the Issuer at any time may not exceed [5.0]% of the Target Initial Par Amount unless the Issuer receives the consent of a Majority of the Controlling Class; provided, further, that the Aggregate Principal Amount of all Collateral Obligations whose stated maturity is extended pursuant to this clause (i), measured cumulatively since the Second Refinancing Date, may not exceed [10.0]% of the Target Initial Par Amount unless the Issuer receives the consent of a Majority of the Controlling Class;

(ii) after giving effect to such waiver, modification, amendment or variance, the Weighted Average Life Test is satisfied;

(iii) the Issuer receives the consent of a Majority of the Controlling Class to such waiver, modification, amendment or variance; or

(iv) in the reasonable judgment of the Collateral Manager, not voting in favor of the Maturity Amendment will have a material adverse effect on the Issuer, the Secured Debt or the Holders; provided that (x) solely in the case of this clause (iv), such Maturity Amendment will not extend the stated maturity of the applicable Collateral Obligation by more than 24 months and (y) the Aggregate Principal Amount of all Collateral Obligations whose stated maturity has been extended pursuant to this clause (iv) since the Second Refinancing Date may not exceed [10.0]% of the Target Initial Par Amount.

Provided, that the Issuer (or the Collateral Manager on the Issuer's behalf) may vote in favor of any Maturity Amendment without regard to clause (B) above, so long as the Collateral Manager intends to sell such Collateral Obligation within 30 days after the effective date of the Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30-day period, and after giving effect to such Maturity Amendment, the Aggregate Principal Amount of all Collateral Obligations to which this proviso applies at such time would not exceed [7.5]% of the Target Initial Par Amount.

(d) As provided in Section 10.2(a), the Collateral Trustee shall deposit any proceeds received by it from the disposition of any Collateral Obligation or Eligible Investment in the applicable subaccount of the Collection Account, unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII. In addition as directed by the Collateral Manager, any amounts received by the Issuer from any Hedge Counterparty pursuant to the related Hedge Agreement, to the extent that such amounts constitute (i) Interest Proceeds, will be deposited into the Interest Collection Subaccount and (ii) Principal Proceeds, will be deposited into the Principal Collection Subaccount, except in each case to the extent that the

Amounts deferred in connection with any Specified Fee Deferral will not accrue interest and the aggregate amount of all Specified Fee Deferrals (the "Specified Fee Deferral Amount") will not be paid until the occurrence of a Redemption Date with respect to all Classes of Secured Debt (other than in connection with a Refinancing). The Issuer will be required to promptly forward any such notice relating to a Specified Fee Deferral to each Rating Agency.

(f) Unrestricted Sales. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation (i) prior to the Effective Date or (ii) following an Optional Redemption notice (other than in connection with a Refinancing).

(g) Discretionary Sales. The Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation (other than a Credit Risk Obligation, Credit Improved Obligation or Defaulted Obligation) (each such sale, a "Discretionary Sale") if (x) after giving effect to such sale, the Aggregate Principal Amount of all Discretionary Sales effected during the preceding 12 calendar months (or, for the first 12 calendar months after the Second Refinancing Date, during the period commencing on the Second Refinancing Date) is not greater than [25]% of the sum of (A) the Aggregate Principal Amount of the Collateral Obligations *plus* (B) amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account, in each case, as of the first day of such 12 calendar month period (or as of the Second Refinancing Date, as the case may be); provided, that, for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold will be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* with or senior to such sold Collateral Obligations) occurring within [20] Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* with or senior to such sold Collateral Obligation); and (y) either:

(i) at any time (x) the Sale Proceeds from such Discretionary Sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (y) after giving effect to such sale, the Aggregate Principal Amount of all Collateral Obligations *plus*, without duplication, amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account will be greater than or equal to either (1) the Reinvestment Target Par Balance or (2) the sum of such amounts immediately prior to such sale; or

(ii) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Reinvestment Period Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Amount at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation within [30] Business Days after such sale;

(h) [Reserved].

(i) Clean-Up Call Redemption. After the Collateral Manager has notified the Issuer and the Collateral Trustee of a Clean-Up Call Redemption in accordance with Section 9.7 hereof, the Collateral Manager may at any time effect the sale of any Collateral Obligation

(e) Workout or Restructuring. Equity Securities or other securities may be received by the Issuer at any time in exchange for a Collateral Obligation or a portion thereof in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation. In addition, at any time, the Collateral Manager may, subject to certain conditions, direct the Collateral Trustee to apply Interest Proceeds, Principal Proceeds or amounts designated for a Permitted Use to make any payments required to acquire Loans (including DIP Collateral Obligations) or securities in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or exercise an option, warrant, right of conversion or similar right in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation, it being understood that (x) any Received Obligation that is a Loan or Permitted Non-Loan Asset that is not subordinate to the related Exchanged Obligation, and satisfies the definition of "Collateral Obligation" (other than clauses (ii) and (xiv)) will constitute a Defaulted Obligation and (y) any other Received Obligation will constitute an "Equity Security" for all purposes under this Indenture; provided, that (i) the Received Obligation, in the Collateral Manager's reasonable judgment, is necessary or advisable to collect an increased recovery value of the related Collateral Obligation, (ii) the aggregate Principal Balance of the Received Obligations purchased using Principal Proceeds under the terms of this paragraph (in the aggregate) since the Second Refinancing Date does not exceed [7.5]% of the Collateral Principal Amount, (iii) the aggregate Principal Balance of Received Obligations (excluding Uptier Priming Debt acquired pursuant to this proviso) purchased using Principal Proceeds under the terms of this paragraph and held by the Issuer at such time does not exceed [3.0]% of the Collateral Principal Amount, (iv) Principal Proceeds may not be used to acquire a Received Obligation unless (1) each Coverage Test is satisfied after giving effect to such acquisition and (2) immediately following such application of Principal Proceeds, the sum of (A) the Collateral Principal Amount (excluding Defaulted Obligations) and (B) the lesser of the S&P Collateral Value and the Moody's Collateral Value of any Defaulted Obligations is greater than or equal to the Reinvestment Target Par Balance, (v) Interest Proceeds may not be used to acquire a Received Obligation if such use would likely result, in the Collateral Manager's reasonable discretion, in a failure to pay interest on any Class of Secured Debt on the next succeeding Payment Date and (vi) Principal Proceeds may not be used to exercise warrants held in the Assets unless the Overcollateralization Ratio with respect to the Class E Notes as of the date such warrant is exercised is at least [●]108.70% (on a *pro forma* basis after giving effect to the exercise of such warrant). Any transaction or exchange pursuant to this Section 12.2(e) shall not constitute a sale under this Indenture or be subject to the Investment Criteria, and furthermore, any transaction or exchange that meets the Investment Criteria shall not be subject to the limitations herein and the assets received will not be treated as Received Obligations.

(f) Bankruptcy Exchanges. At any time during or after the Reinvestment Period, the Collateral Manager may direct the Collateral Trustee to enter into a Bankruptcy Exchange subject to the limitations contained in the definition of "Bankruptcy Exchange", but not subject to the Investment Criteria.

(g) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X. Funds on deposit in or otherwise to the credit of the Hedge Counterparty

otherwise qualify as a Collateral Obligation and (C) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Collateral Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(ii) the Collateral Manager has certified in writing to the Collateral Trustee (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale) that:

(A) at the time of the purchase, (i) the Purchased Defaulted Obligation is no less senior in right of payment *vis-à-vis* its related Obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation and (ii) the S&P Rating and the Moody's Rating of the Purchased Defaulted Obligation is the same or better than the respective S&P Rating and Moody's Rating of the Exchanged Defaulted Obligation;

(B) after giving effect to the purchase, each Overcollateralization Ratio Test is satisfied, maintained or improved;

(C) after giving effect to such purchase, the Concentration Limitations will be satisfied, maintained or improved;

(D) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Purchased Defaulted Obligation; and

(E) the Exchanged Defaulted Obligation was not previously a Purchased Defaulted Obligation acquired in a transaction pursuant to this Section 12.5; and

(iii) such purchase of the Purchased Defaulted Obligation will not, (A) when taken together with all other Purchased Defaulted Obligations then held by the Issuer, cause the aggregate Principal Balance of all of the Purchased Defaulted Obligations then held by the Issuer to exceed [1.0]% of the Target Initial Par Amount and (B) will not cause the aggregate Principal Balance of all Purchased Defaulted Obligations purchased pursuant to a Swapped Defaulted Obligation Transaction, measured cumulatively since the Second Refinancing Date, to exceed [5.0]% of the Target Initial Par Amount.

For the avoidance of doubt, Swapped Defaulted Obligation Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation, it shall no longer be considered a Purchased Defaulted Obligation.
