“Weighted Average Life Test”: A test satisfied on any date of determination if the Weighted Average Life of all Collateral Obligations as of such date is less than or equal to the applicable Weighted Average Life Value.

“Weighted Average Life Value”: As of any date of determination, the value in the column entitled “Weighted Average Life Value” in the Weighted Average Life Table corresponding to the immediately preceding Payment Date (or, prior to the first Payment Date following the ~~Closing~~First Refinancing Date, the ~~Closing~~First Refinancing Date).

“Weighted Average Moody’s Recovery Rate”: As of any date of determination, the number, expressed as a percentage, obtained by *summing* the product of the Moody’s Recovery Rate on such Measurement Date of each Collateral Obligation (excluding any Defaulted Obligation) and the Principal Balance of such Collateral Obligation, *dividing* such sum *by* the Aggregate Principal Balance of all such Collateral Obligations and *rounding up* to the first decimal place.

“Workout Loan”: A Restructured Loan that (i) satisfies the definition of “Collateral Obligation” other than clauses (ii), (viii), (xi), (xviii), and (xix) thereof and (ii) is senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer to which the workout or restructuring relates. For the avoidance of doubt, only a loan (and not a Bond or an equity security) may constitute a Workout Loan.

“Workout Obligation”: Workout Loans and Workout Securities, collectively.

(i) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a Principal Balance equal to zero.

~~(j) For purposes of the procedures relating to transfers of Notes set forth in Article II hereof, prior to the applicable Class E Funding Date, the “Aggregate Outstanding Amount” of the Unfunded Class shall be deemed to be the Class E Notional Amount. The Unfunded Class will not be “Outstanding” on the Closing Date, and except for purposes of calculating the applicable Par Value Ratios will have an initial Aggregate Outstanding Amount of zero, until such time as the Class E Funding Date (if any) occurs, at which time its Aggregate Outstanding Amount shall be the Class E Funded Amount; provided that, for purposes of calculating the applicable Par Value Ratios, the Unfunded Class will be treated as having an Aggregate Outstanding Amount equal to the Class E Notional Amount at all times.~~

(j) [Reserved].

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee, the Collateral Agent and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (iii) of the definition of Concentration Limitations, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Collateral Obligation that is a Senior Secured Loan.

(n) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth therein, the Collateral Manager may direct the Collateral Administrator, or the Collateral Administrator may request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and, in either case, the Collateral Administrator shall follow such direction, and together with the Trustee and the Collateral Agent, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(p) Unless otherwise specified, any reference to the fee payable under Section 11.1 to an amount calculated with respect to a period at *per annum* rate shall be computed on the basis of a 360-day year and the actual number of days elapsed. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.

(q) Unless otherwise specified, test calculations that evaluate to a percentage shall be *rounded* to the nearest ten-thousandth and test calculations that evaluate to a number shall be *rounded* to the nearest one-hundredth. However, for purposes of calculating compliance with each of the Concentration Limitations, all calculations will be *rounded* to the nearest 0.1%.

(r) Unless otherwise specifically provided herein, all calculations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(s) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Collateral Agent, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related borrower or issuer).

(t) When calculating the results of any vote, consent or other action by Holders of Debt hereunder, the Trustee shall consider only the registered owner of each Note, except to the extent that (in connection with such vote, consent or other action) any Person has certified to the Trustee in writing substantially in the form of Exhibit D to this Indenture (or has provided such other evidence satisfactory to the Trustee) that it is the owner of a beneficial interest in such Global Note.

(u) For all purposes (including calculation of the Coverage Tests), the Principal Balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(v) If withholding tax is imposed on (x) the fees associated with any letter of credit, late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make “gross-up” payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(w) For purposes of calculating compliance with any tests hereunder (including the ~~Target Initial Par Condition~~, Collateral Quality Test and Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(x) Notwithstanding any other provision of this Indenture to the contrary, if a Restructured Loan, Workout Security or Uptier Priming Obligation satisfies the requirements of the definition of “Collateral Obligation” (as of any date after being acquired by the Issuer), then it will thereafter be treated as a Collateral Obligation for all purposes under this Indenture with effect from the date that such Restructured Loan, Workout Security or Uptier Priming Obligation constitutes a Collateral Obligation.

(y) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Collateral Obligations may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) (any such instruction, a “Trade Ticket”) from the Collateral Manager on which the Collateral Agent and the Trustee may rely.

(z) For purposes of calculating the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and each Interest Coverage Test, any future anticipated tax liability of any Tax Subsidiary related to an Equity Security or Collateral Obligation held by such Tax Subsidiary shall be excluded.

(aa) The Class X Notes will not be included in the calculation of any Coverage Test.

(bb) ~~(aa)~~ So long as the Bank is acting as both Trustee and Collateral Agent, any notice to the Bank in either such capacity shall be deemed to be notice to the Bank in both such capacities. Furthermore, with respect to any instruction to the Trustee or Collateral Agent hereunder relating to the transfer of amounts on deposit in any of the Accounts, a copy of such instruction shall also be required to be given to the Collateral Administrator.

(cc) ~~(bb)~~ All calculations related to Maturity Amendments, sales of Collateral Obligations, Concentration Limitations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively will be reset at zero on the date (any such date, a “Reset Date”) of any Refinancing of all Classes of Secured Debt in whole, including, for the avoidance of doubt, the First Refinancing Date.

(dd) ~~(ee)~~ For purposes of determining whether any Drop Down Asset is a Small Obligor Loan, the total potential indebtedness of the Obligor thereof shall be deemed to include the total potential indebtedness of the Obligor of the related Subject Asset.

¹ The ERISA-Restricted Certificated Secured Notes and the ERISA-Restricted Certificated Subordinated Notes, as well as ERISA-Restricted Notes issued in the form of a Global Note on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer, shall be the only Class E Notes, Class F Notes and Subordinated Notes available to Benefit Plan Investors and Controlling Persons.

² The Debt Interest Rate on any ~~Re-Priceable~~ Class of Re-Priceable Notes is subject to Re-Pricing.

³ The Benchmark Rate for the Floating Rate Debt will initially be Term SOFR. However, the Benchmark Rate may change in accordance with the definition thereof. With respect to the first portion of the first Interest Accrual Period, Term SOFR will be determined by interpolating linearly between the rate for the next shorter period of time for which rates are available and the rate for the next longer period of time for which rates are available and rounding to five decimal places.

⁴ ~~The Secured Notes (except for Class A-1 Notes and~~ Interest on the Class X Notes (including the Class X Note Payment Amount) and the Class A-1 Notes shall be *pari passu*. Upon the occurrence and continuance of an Event of Default and an acceleration (that has not been rescinded and annulled) of the Notes as provided in this Indenture, or to the extent payments are made in accordance with the Sequential Debt Redemption, principal of the Class ~~BX~~ Notes and ~~certain~~ the Class FA-1 Notes sold as Certificated Notes) shall be *pari passu*. At all other times, principal of the Class X Notes equal to the Class X Note Payment Amount shall be paid prior to principal of the Class A-1 Notes in accordance with the Priority of Payments.

⁵ The Secured Notes and the Subordinated Notes (except for certain Subordinated Notes sold as Certificated Notes) shall be issued in minimum denominations of U.S.\$250,000 (“Minimum Denominations”) and integral multiples of U.S.\$1.00 in excess thereof (the “Authorized Integrals”); ~~provided that, Class A-1 Notes and Class B Notes shall be issued in minimum denominations of U.S.\$100,000 and integral multiples of U.S.\$1.00 in excess thereof; provided further that, Class F Notes sold as Certificated Notes and~~ Subordinated Notes sold as Certificated Notes, ~~in each case,~~ to Accredited Investors that are Knowledgeable Employees shall be issued in minimum denominations of U.S.\$10,000 and integral multiples of U.S.\$1.00 in excess thereof.

The Class E Notional Amount represents the maximum principal amount of the Unfunded Class, which amount is undrawn on and as of the Closing Date. On the Class E Funding Date (if any), the principal amount of the Unfunded Class will be set forth in the Unfunded Class Funding Notice in an amount not to exceed the Class E Notional Amount. The Unfunded Class will not be “Outstanding” on the Closing Date, and except for purposes of calculating the applicable Par Value Ratios will have an initial Aggregate Outstanding Amount of zero, until such time as the Class E Funding Date (if any) occurs, at which time its Aggregate Outstanding Amount shall be the Class E Funded Amount; provided that, for purposes of calculating the applicable Par Value Ratios, the Unfunded Class will be treated as having an Aggregate Outstanding Amount equal to the Class E Notional Amount at all times.~~

Section 2.4 [Reserved.]

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized

Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

~~The Unfunded Class shall be issued on the Closing Date with an Aggregate Outstanding Amount of zero Dollars (except as otherwise provided herein) and an initial notional amount as set forth in Section 2.3. Thereafter, any increase or decrease in the Aggregate Outstanding Amount of the Unfunded Class in connection with a Class E Funding shall be evidenced in the Register in accordance with Sections 2.6(a) and 2.6(g).~~

Notes bearing the manual, facsimile or electronic signatures as described in Section 14.1 hereof of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in respect of a transfer of Notes hereunder, have been deemed to have been provided upon the Issuer's delivery of such executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date or the First Refinancing Date shall be dated as of the Closing Date or the First Refinancing Date, as applicable. All other Notes that are authenticated and delivered after the Closing Date or the First Refinancing Date, as applicable, for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the then-current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note ~~(or, in the case of a Note of the Unfunded Class, (x) prior to the applicable Class E Funding Date, the notional amount of such Note and (y) on and after the applicable Class E Funding Date, the Class E Funded Amount of such Note)~~ shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual, facsimile or electronic signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the “Register”) at the Corporate Trust Office that shall be subject to inspection by the Issuer upon demand and in which, subject to such reasonable regulations as it may prescribe, the Issuer shall ~~(x)~~ provide for the registration of Notes and the registration of transfers of Notes and all transfers of Notes shall be required to be reflected in such Register ~~and (y) evidence of any Class E Funding as provided in Section 2.6(q).~~ The Trustee is hereby initially appointed “Registrar” for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon request at any time the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agent, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register and a copy of each certification in the form of Exhibit D that it has received. Section 2.12 Debt Beneficially Owned by Persons Not QIB/QPs or AI/QP-KEs or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in (x) any Secured Debt to a U.S. person that is not a QIB/QP, (y) any Subordinated Note, to a U.S. person that is not a QIB/QP or an AI/QP-KE, or (z) any ~~Class F Note or~~ Subordinated Note in the form of a Certificated Note, to a U.S. person, that is not an Accredited Investor and a Knowledgeable Employee, and, in each case that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer, the Trustee or the Collateral Agent shall have notice may be disregarded by the Issuer, the Co-Issuer, the Trustee or the Collateral Agent for all purposes.

(b) If (w) any U.S. person that is not a QIB/QP shall become the beneficial owner of an interest in any Secured Debt, (x) any U.S. person that is not an AI/QP-KE or a QIB/QP or that does not have an exemption available under the Securities Act and the Investment Company Act shall become the Holder or beneficial owner of a Subordinated Note, (y) any U.S. person that is not an Accredited Investor and a Knowledgeable Employee shall become the Holder or beneficial owner of a ~~Class F Note and~~ Subordinated Note in the form of a Certificated Note or (z) any Holder of Debt is determined to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Other Plan Law, or Similar Law representation that is subsequently shown to be false or misleading or whose holding otherwise causes Benefit Plan Investor participation in any Class of Debt that are treated as equity to equal or exceed 25% for purposes of U.S. Department of Labor Regulation 29 C.F.R. § 2510.3-101, as modified by Section 3(42) of ERISA (each, a “Non-Permitted ERISA Holder”) (together, with persons described in clauses (x) and (y) above and any Non-Permitted AML Holder, any such person a “Non-Permitted Holder”), the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer, the Collateral Agent or the Trustee (and notice to the Issuer by the Trustee or the Collateral Agent (if a Trust Officer of the Trustee or Collateral Agent obtains actual knowledge) or the Co-Issuer if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Debt held by such person to a Person that is not a Non-Permitted Holder within 30 days (10 days in the case of a Non-Permitted ERISA Holder) of the date of such notice. If such Non-Permitted Holder fails to so transfer such Debt, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Debt or interest in such Debt to a purchaser selected by the Issuer that is a not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager (on its own or acting through an investment bank selected by the Collateral Manager at the Issuer’s expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Debt, and selling such Debt to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Debt, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Debt, agrees to cooperate with the Issuer, the Collateral Manager, the Collateral Agent and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and

taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Debt sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Debt to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer, the Collateral Agent or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer, the Collateral agent and the Trustee for all purposes.

Section 2.13 Deduction or Withholding from Payments on Notes; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Debt for any Tax (including amounts withheld under FATCA), then the Collateral Agent or Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant authority such amount. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any Holder of Debt. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of any Debt as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of any Debt. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Collateral Agent or Paying Agent and remitted to the appropriate taxing authority.

Section 2.14 Additional Issuance. (a) During the Reinvestment Period, with at least five (5) Business Days' prior written notice to the Trustee, the Co-Issuers (at the direction of the Collateral Manager) may issue and sell (i) Additional Mezzanine Notes, (ii) Additional Subordinated Notes and/or (iii) Additional Notes of the Secured Notes (other than the Class X Notes) and the Subordinated Notes subject to satisfaction of the following conditions:

(i) the Collateral Manager, a Majority of the Controlling Class and a Majority of the Subordinated Notes consents to such issuance; provided that, the consent of the Majority of the Controlling Class and the Majority of the Subordinated Notes shall not be required if the Additional Notes are being issued, as determined by the Collateral Manager with the advice of nationally recognized counsel, to permit its compliance with the U.S. Risk Retention Rules (such issuance, a "Risk Retention Issuance");

(ii) other than in the case of a Risk Retention Issuance, if such issuance includes an issuance of additional Class A-1 Notes, such issuance is consented to by a Majority of the Class A-1 Notes;

(iii) other than in the case of a Risk Retention Issuance, in the case of Additional Notes of existing Classes, the Aggregate Outstanding Amount of such Class issued in all additional issuances will not exceed 100% of the respective original Aggregate Outstanding Amount of such Class;

(iv) in the case of Additional Notes of existing Classes, the terms of the Notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on any Additional Notes will accrue from the issue date of such Additional Notes and the price of such notes do not have to be identical to those of the initial Notes of that Class); provided, that Additional Notes may be issued that are *pari passu* with Notes of an existing Class as long as the interest rate of any such Additional Notes are not greater than the interest rate of the Notes of such existing Class;

(v) unless only Additional Subordinated Notes and/or Additional Mezzanine Notes are being issued, Additional Notes of all existing Classes must be issued and such issuance of Additional Notes must be proportional across all existing Classes; provided, that the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes;

(vi) the Stated Maturity of any Additional Notes must be identical to the earliest Stated Maturity of the then-existing Notes.

(vii) the Issuer notifies each Rating Agency of such issuance prior to the issuance date;

(viii) the proceeds of the Additional Notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments; provided, that the proceeds of the issuance of any Additional Junior Notes only (net of fees and expenses incurred in connection with such issuance) or the proceeds of any issuance in excess of the proportionality required under clause (v) may be applied toward any Permitted Use, as determined by the Collateral Manager;

(ix) the degree of compliance with each Par Value Ratio Test is maintained or improved immediately after giving effect to such issuance and the application of the proceeds thereof;

(x) Tax Advice shall be delivered to the Issuer to the effect that any additional Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C Notes and Class D Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes; provided, ~~however~~, that the Tax Advice described in this clause (x) will not be required with respect to any Additional Notes that bear a different securities identifier from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(xi) in the case of an issuance of Additional Subordinated Notes, each such issuance shall be in an amount equal to at least \$500,000;

Treasury Regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to such Holder, or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer and any non-U.S. Tax Subsidiary to comply with FATCA, the Cayman FATCA Legislation, and the CRS and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer or any non-U.S. Tax Subsidiary. In the event such Holder fails to provide such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer or any non-U.S. Tax Subsidiary to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. Each Holder agrees that the Issuer, the Trustee ~~and its~~ or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA, the Cayman FATCA Legislation, and the CRS.

(d) Each Holder of Class E Notes, Class F Notes or Subordinated Notes, if not a "United States person" (as defined in Section 7701(a)(30) of the Code), represents that

(i) either:

(A) it is not a bank (within the meaning of Section 881(c)(3)(A) of the Code);

(B) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury Regulations section 1.881-3);

(C) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected

with the conduct of a trade or business in the United States and includible in its gross income; or

(D) it is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; and

(ii) it has not purchased the Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(e) Each Holder of Subordinated Notes, if it owns more than 50% of the Subordinated Notes by value or if such Holder is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any Tax Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) No Holder of Subordinated Notes will treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Sections 954(h) or (i)(2) of the Code.

~~Section 2.16 Funding of the Unfunded Class.~~

~~(a) At any time while any Priority Class with respect to the Class E Notes is Outstanding, the Issuer, acting at the direction of a Majority of the Subordinated Notes (with the written consent of the Collateral Manager), shall be permitted to request a Class E Funding; provided that the Class E Funding may occur only once.~~

~~(b) A Class E Funding shall be effected by the Issuer providing written notice (at the direction of the Collateral Manager) substantially in the form of Exhibit F hereto (an "Unfunded Class Funding Notice") to the Trustee (who shall forward a copy of such notice to the Holders), the Collateral Administrator the Calculation Agent and the Rating Agencies at least five Business Days prior to the proposed Class E Funding Date. The terms of the Unfunded~~

~~Class Funding Notice shall have been approved by a Majority of the Subordinated Notes and consented to by the Collateral Manager. The Unfunded Class Funding Notice shall specify (i) the principal amount of the Unfunded Class to be funded (which shall be an amount equal to or less than the notional amount specified in the table in Section 2.3 for the Unfunded Class), (ii) the spread over the Benchmark Rate of the Unfunded Class (which shall be a spread equal to or less than the spread specified in the table in Section 2.3 for the Unfunded Class), (iii) the proposed Class E Funding Date, (iv) the amount of proceeds of the applicable Class E Funded Amount that shall constitute Interest Proceeds (if any) or the Class E Funding Date Payment (if any) and (v) whether the obligation of the Holders of the Unfunded Class will be subject to an Offset Funding. Any Unfunded Class Funding shall be credited to the Principal Collection Subaccount (unless otherwise specified in the applicable Unfunded Class Funding Notice). If a Class E Funding Date Payment is directed to be made and an Offset Funding does not otherwise apply, the Trustee shall disburse such funds pro rata to the Holders of the Subordinated Notes as soon as reasonably practicable, and in no event later than five Business Days after the applicable Class E Funding Date. A Class E Funding shall be effective on the date specified in the applicable Funding Notice. With respect to any Class E Funding requested hereunder and provided that an Offset Funding does not otherwise apply, all Holder(s) of the Class E Notes (or their nominee(s)) shall fund their pro rata portion of the Class E Funded Amount, by wire transfer of immediately available funds on the applicable Class E Funding Date as specified in the Unfunded Class Funding Notice. Any Holder that does not fund their pro rata portion of the Class E Funded Amount shall have no rights to any of the principal or interest on any Class E Notes that are funded. Any Holder that does not fund its pro rata portion of the Class E Funded Amount agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to surrender or transfer the unfunded portion of such Note, including, in the case of a Global Note, submission of appropriate DWAC instructions at DTC or, in the case of a Certificated Note, surrender of its Note to the Trustee. The failure of any such Holder(s) or their nominee(s) on the Class E Funding Date to fund their respective pro rata portion of the applicable Class E Funded Amount shall not constitute an Event of Default. On the Class E Funding Date, the Aggregate Outstanding Amount of the Class E Notes shall equal the amount of the applicable fundings by the Holders of Class E Notes received by the Trustee.~~

~~(c) Notwithstanding anything in this Section 2.16 to the contrary, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager) delivered to the Issuer (with a copy to the Trustee and the Collateral Administrator at least five Business Days prior to the Class E Funding Date), in lieu of the Holders of the Subordinated Notes receiving a Class E Funding Date Payment in respect of the funding of the Class E Notes, the obligation of the Holder(s) of the Unfunded Class to fund their pro rata portion of the applicable Class E Funded Amount as contemplated by this Section 2.16 shall be offset by application of any monies to be received by the Holders of the Subordinated Notes on the applicable Class E Funding Date as a Class E Funding Date Payment without the exchange of funds (an "Offset Funding"). In the event an Offset Funding occurs, any obligation of the Holder(s) of the Unfunded Class to contribute to the Class E Funded Amount and any obligation of the Issuer to make a Class E Funding Date Payment shall be deemed satisfied and a Class E Funding with respect to the Unfunded Class shall be deemed to have occurred.~~

If no successor Collateral Agent shall have been appointed and an instrument of acceptance by a successor Collateral Agent shall not have been delivered to the Collateral Agent within 30 days after the giving of such notice of resignation, the resigning Collateral Agent or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent satisfying the requirements of Section 6.25.

(c) The Collateral Agent may be removed at any time by Act of a Majority of each Class of Secured Debt (other than the Class X Notes) voting separately or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class, delivered to the Collateral Agent, the Trustee and to the Co-Issuers.

In addition, for so long as any Secured Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement Calculation Agent shall be sent by the Trustee to the Cayman Islands Stock Exchange.

(b) The Calculation Agent shall be required to agree (and the Trustee as Calculation Agent does hereby agree) that, as soon as practicable on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on such Interest Determination Date, the Calculation Agent shall calculate the Debt Interest Rate for each Class of Secured Debt for the next Interest Accrual Period and the Debt Interest Amount for each Class of Floating Rate Debt (in each case, *rounded* to the nearest cent, with half a cent being *rounded* upward) for the next Interest Accrual Period, on the related Payment Date. (c) Any determination, decision or election that may be made by the Collateral Manager in connection with the implementation of a Fallback Rate, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Collateral ~~Manager's~~Manager's sole discretion, and, notwithstanding anything to the contrary in the documentation relating to the securities, shall become effective without consent from any other party, and the Calculation Agent and the Trustee may conclusively rely on such determination, decisions or election that may be made by the Collateral Manager.

(d) None of the Trustee, Collateral Agent, Paying Agent or Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of Term SOFR (or other applicable Benchmark Rate), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence thereof, (ii) to select, determine or designate any Fallback Rate or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, or determine or verify whether any such rate is a Fallback Rate, or (iii) to select, determine or designate any credit spread adjustments, Benchmark Replacement Rate Adjustment, or other modifier to any

The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR as determined on the previous Interest Determination Date or a preceding U.S. Government Securities Business Day if so required under the definition of Term SOFR. The Calculation Agent shall be entitled to rely upon the direction provided by the Issuer or the Collateral Manager facilitating or specifying the administrative procedures with respect to the calculation of Term SOFR, Benchmark Replacement Rate or Fallback Rate. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. (h) Each contribution of an asset by the Issuer to a Tax Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Tax Subsidiary if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes, based on Tax Advice.

(xix) (A) the Issuer shall not dispose of an interest in such Tax Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and (B) such Tax Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis.

~~purchase price thereof and (4) the balance of each Account; (ii) to the Trustee, the Collateral Agent, the Collateral Manager and each Rating Agency, (x) a report (which the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) stating the following information (the “Ramp Up Period Report”): (1) the Obligor, Principal Balance, coupon/spread, stated maturity, Moody’s Default Probability Rating, Moody’s Industry Classification, Fitch Rating, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the end of the Ramp Up Period and substantially similar information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein (the items described in this clause (1) the “Ramp Up Period Compared Items”), and (2) calculating, as of the end of the Ramp Up Period, the level of compliance with, and satisfaction or non-satisfaction of, (A) the Target Initial Par Condition, (B) each Par Value Ratio Test, (C) the Concentration Limitations and (D) the Collateral Quality Test (the items reflected in the foregoing clauses (A) through (D) above, the “Ramp Up Period Tested Items”); and (y) a certificate of the Issuer (such certificate, the “Ramp Up Period Issuer Certificate”) certifying that the Issuer has received an Accountants’ Report that recalculates and compares the information set forth in the Ramp Up Period Report (such Accountants’ Report, the “Ramp Up Period Accountants’ Report”); and (iii) to the Collateral Agent, the Ramp Up Period Accountants’ Report. Any statement or report delivered to the Collateral Agent from the firm of independent certified public accountants may be requested by any Holder of Debt directly from such accountants as described in this Indenture. The Collateral Agent shall not deliver under any circumstances (other than as compelled by legal or regulatory process or as otherwise provided in any access letter between the Collateral Agent and such accountants), and without regard to any other provision of this Indenture, to any Holder of Debt, any Rating Agency or other party any such statement or report received from such accountants, and shall have no liability or responsibility for taking or omitting to take any such action.~~

~~(e) If (1) the Effective Date Moody’s Condition is not satisfied and (2) Moody’s does not provide written confirmation of its Initial Rating of the Secured Debt within 20 Business Days after its receipt of the Ramp Up Period Report (but in no event later than the Determination Date relating to the first Payment Date following the Closing Date), which confirmation may take the form of a press release or other written communication (such event, a “Moody’s Rating Confirmation Failure”), then the Issuer (or the Collateral Manager on the Issuer’s behalf) will instruct the Collateral Agent to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date following the Closing Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations until such time as such Moody’s Rating Confirmation Failure is remedied; provided that, in lieu of purchasing additional Collateral Obligations as described above, the Issuer (or the Collateral Manager on the Issuer’s behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer’s behalf) to satisfy the Effective Date Rating Condition; it being understood that, if the events specified in both of clauses (x) and (y) above occur, the Issuer (or the Collateral Manager on the Issuer’s behalf) will be required to satisfy the requirements of both clause (x) and clause (y) above; provided further that, in the case of each of the foregoing clauses (x) and (y) above, amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to~~

~~such transfer, (I) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would, as reasonably determined by the Collateral Manager, be insufficient to pay in full the amount of the accrued and unpaid interest on any Class of Secured Debt on such next succeeding Payment Date, or (II) such transfer would result in a deferral of interest with respect to the Class C Notes, the Class D Notes, the Class E Notes or the Class F Notes on the next succeeding Payment Date~~

~~(f) The failure of the Issuer to satisfy the requirements of this Section 7.17 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. The proceeds of the issuance of the Debt which are not applied (i) to pay for the purchase of Collateral Obligations acquired by the Issuer on or before the Closing Date and (ii) to pay or reserve for applicable fees and expenses, shall remain on deposit in the Ramp Up Account on the Closing Date. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Collateral Agent shall apply amounts held in the Ramp Up Account to purchase additional Collateral Obligations from the Closing Date to and including the end of the Ramp Up Period as described in clause (b) above. If at the end of the Ramp Up Period, any amounts on deposit in the Ramp Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(e).~~

Section 7.18 ~~(g)~~ Asset Quality Matrix. On or prior to the ~~end of the Ramp Up Period~~First Refinancing Date, the Collateral Manager shall elect (with notice to the Collateral Administrator) the Matrix Combination that will apply on and ~~after the end of the Ramp Up Period~~thereafter for purposes of determining compliance with the Minimum Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, ~~and if such Matrix Combination differs from the Matrix Combination chosen to apply as of the Closing Date, the Collateral Manager will so notify the Trustee, the Collateral Agent, the Collateral Administrator and each Rating Agency.~~ Thereafter, at any time on written notice of one Business Day to the Trustee, the Collateral Agent, Collateral Administrator and each Rating Agency, the Collateral Manager may elect a different Matrix Combination; *provided* that (i) if the Collateral Obligations are currently in compliance with the Matrix Combination then applicable, the Collateral Obligations comply with the Matrix Combination to which the Collateral Manager desires to change or (ii) if the Collateral Obligations are not currently in compliance with the Matrix Combination then applicable, the Collateral Obligations need not comply with the Matrix Combination to which the Collateral Manager desires to change, so long as the level of compliance is maintained or improved with respect to the Matrix Combination in effect immediately prior to such change; *provided however* further that if subsequent to such election the Collateral Obligations comply with any Matrix Combination, the Collateral Manager shall elect a Matrix Combination as to which the Collateral Obligations are in compliance. ~~If the Collateral Manager does not notify the Trustee, the Collateral Agent and the Collateral Administrator that it will alter the Matrix Combination chosen on the end of the Ramp Up Period in the manner set forth above, the Matrix Combination chosen on or prior to the end of the Ramp Up Period shall continue to apply.~~ On any date of determination, the Matrix Combination that then applies for purposes of determining compliance with the Minimum Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test shall also apply for purposes of determining the "Recovery Rate Modifier" in the applicable

Recovery Rate Modifier Matrix for purposes of the Moody's Weighted Average Recovery Adjustment.

(iv) All Accounts constitute "securities accounts" under Section 8-501(a) of the UCC, or "deposit accounts" under Section 9-102(a)(29) of the UCC.

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Collateral Agent, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(c) The Issuer shall, or shall cause its agent to, cause the Bloomberg screen or screens containing information about the Notes to include the following language: (i) the "Note Box" on the bottom of "Security Display" page describing the Notes shall state: "Iss'd Under 144A/3(c)(7)," (ii) the "Security Display" page shall have the flashing red indicator "See Other Available Information," and (iii) the indicator shall link to the "Additional Security Information" page, which shall state that the securities "are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act") to Persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act of 1940)." (v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Secured Debt or Subordinated Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holders of Secured Debt or Subordinated Notes Outstanding and affected thereby;

(vi) modify the definitions of the terms “Outstanding,” “Controlling Class,” “Majority” or “Supermajority;”

~~indenture pursuant to clause (h) above may not, by its terms, have a direct material adverse effect on a portion of the Subordinated Notes Outstanding prior to the execution of such supplemental indenture in a manner that is materially different from the effect on any other portion of the Subordinated Notes Outstanding prior to the execution of such supplemental indenture, as determined in good faith by the Collateral Manager.~~ For the avoidance of doubt, Reset Amendments are not subject to any Holder consent requirements that would otherwise apply to supplemental indentures described in this Indenture (other than the consent of the Majority of the Subordinated Notes). The Co-Issuers shall deliver a copy of any such supplemental indenture to the Holders of Subordinated Notes prior to the execution of any such supplemental indenture.

(c) [Reserved].

(d) [Reserved].

(e) The Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2 if any Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and notifies the Issuer, the Collateral Agent and the Trustee thereof without the prior written consent of such Hedge Counterparty.

(f) Promptly after the execution by the Co-Issuers, the Collateral Agent and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Collateral Manager, the Collateral Agent, and each Rating Agency (so long as any Secured Debt is Outstanding and is rated by such Rating Agency) and, for so long as any Notes are listed on the Cayman Islands Stock Exchange, the Cayman Islands Stock Exchange a copy thereof. Such determination shall be conclusive and binding on all present and future Holders. The Trustee and Collateral Agent shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee and Collateral Agent as described in Section 8.3 hereof. For the avoidance of doubt, the failure to satisfy the Moody's Rating Condition (except in the case of

clause (xx)(A) of Section 8.1 above) shall not prevent the execution or effectiveness of any supplemental indenture.

Section 8.3 Execution of Supplemental Indentures. (a) At the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, in the case of any supplemental indenture that is entered into pursuant to Section 8.2(a) or that is subject to the consent of Holders of one or more specified Classes or with respect to which the Holders of one or more Classes have an objection right, not later than ~~15~~12 Business Days (or (i) five Business Days if in connection with an additional issuance, Refinancing or Re-Pricing or (ii) such shorter period as designated by the Collateral Manager but in no event less than five Business Days) prior to the execution of any such proposed supplemental indenture, the Trustee shall deliver to the Collateral Agent, the Collateral Manager, the Collateral Administrator, the Holders, any Hedge Counterparty and each Rating Agency (so long as any Secured Debt is Outstanding and is rated by such Rating Agency) a copy of such proposed supplemental indenture; provided that if a Class of Secured Debt is being refinanced concurrent with the proposed supplemental indenture, the Trustee shall not be required to deliver a copy of such proposed supplemental indenture to such Class. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Notes remain Outstanding, not later than five Business Days prior to the execution of such proposed supplemental indenture, the Trustee shall deliver to the Collateral Agent, the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, and each Rating Agency (if such Rating Agency is then rating a Class of Secured Debt) and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed (such Holder, a “Consenting Holder”), then, such Consenting Holder shall be deemed to have consented in writing to the supplemental indenture as revised unless such Consenting Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture.

(b) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Collateral Agent and the Trustee shall be entitled to receive, and (subject to Section 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such supplement and the Collateral Manager shall have consented thereto in writing. The Trustee and the Collateral Agent may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee’s or the Collateral Agent’s own rights, duties or immunities under this Indenture or otherwise. The Collateral Administrator shall not be bound to follow any amendment or supplement to this Indenture unless each has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer, the Trustee or the Collateral Agent prior to the execution thereof in accordance with the notice requirements of Section 8.1 and Section 8.2. Notwithstanding anything in this Indenture to the contrary, the Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or

eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Collateral Administrator), or adversely change the economic consequences to, the Collateral Administrator or (ii) adversely affect the Collateral Administrator unless the Collateral Administrator shall have consented in advance thereto in writing, such consent to not be unreasonably withheld or delayed; provided that, the Collateral Administrator may withhold its consent in its sole discretion if such amendment or supplement affects the amount, timing or priority of payment of its fees or increases or adds to its obligations, and the Issuer shall not enter into any such amendment or supplement unless the Collateral Administrator shall have given its prior written consent.

(c) Any consent given to a proposed supplemental indenture by the Holders will be irrevocable and binding on all future Holders or beneficial owners of that Debt, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Debt consent to a proposed supplemental indenture within ~~15~~12 Business Days of notice thereof (or (i) five Business Days if in connection with an additional issuance, Refinancing or Re-Pricing or (ii) such shorter period as designated by the Collateral Manager but in no event less than five Business Days), on the first Business Day following such period, the Trustee will provide consents received to the Issuer and the Collateral Manager so that they may determine which Holders have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture.

(d) It shall not be necessary for any Act of Holders under Section 8.1 or Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture and any changes to such language included in any proposed supplemental indenture sent to Holders is of a purely minor nature or to fix typographic mistakes.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee, the Collateral Agent and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF DEBT

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Payment Date to make payments as required pursuant to the Priority of Payments to achieve compliance with such Coverage Test (a “Mandatory Redemption”).

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemed by the Co-Issuers or, with respect to the Class E Notes or the Class F Notes, the Issuer, as the case may be, on any Business Day after the end of the Non-Call Period pursuant to a Redemption by Liquidation or a Redemption by Refinancing (each, an “Optional Redemption”) (i) in the case of a Redemption by Liquidation, at the written direction of Holders of a Majority of the Subordinated Notes and (ii) in the case of a Redemption by Refinancing, at the written direction of Holders of a Majority of the Subordinated Notes, in each case with such written direction delivered to the Issuer, the Trustee, the Collateral Agent and the Collateral Manager not later than 1512 Business Days ~~(or such shorter time as the Issuer, the Trustee, the Collateral Agent and the Collateral Manager find reasonably acceptable)~~ prior to the proposed Redemption Date. Following the direction of Holders of a Majority of the Subordinated Notes to effect an Optional Redemption the Collateral Manager shall either (i) liquidate a sufficient amount of the Assets (a “Redemption by Liquidation”) to fully redeem all Classes of Secured Debt and pay all other Administrative Expenses, or (ii) negotiate and obtain on behalf of the Issuer (x) one or more loans or other financing arrangements to be made to the Issuer, and/or (y) the issuance of replacement debt (“Replacement Debt”) by the Issuer (each, a “Refinancing”), the proceeds of which shall be used to fully redeem all Classes of Secured Debt, which, in each case, may include the sale of Assets (a “Redemption by Refinancing”).

(b) Upon receipt of a notice of Redemption by Liquidation, the Collateral Manager shall, in its sole discretion, direct the sale (and the manner thereof) of all or part of the Assets in accordance with the procedures set forth in Section 9.2(c). The Sale Proceeds and all other funds available for such redemption in the Collection Account and the Payment Account shall be at least sufficient to pay the Redemption Price on all of the Secured Debt and to pay all Administrative Expenses (without limitation thereof by the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments (including, without limitation, the Management Fees, any Management Fee Interest and any amounts due to the Hedge Counterparties); provided that, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt may elect, by written notice to the Issuer, the Trustee, the Collateral Agent, the Paying Agent and the Collateral Manager, to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes in connection with a Redemption by Liquidation of all Classes of Secured Debt and the Collateral Manager may, in its sole discretion, elect, by written notice to the Issuer, the Trustee, the Paying Agent, the Collateral Administrator and the Collateral Agent, to waive all or any portion of the Management Fees and any Management Fee Interest then owing to the Collateral

Secured Debt may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Paying Agent, the Collateral Agent and the Collateral Manager, to receive in full payment for the redemption of its Secured Debt an amount less than the Redemption Price of such Secured Debt in connection with a Refinancing of all Classes of Secured Debt and the Collateral Manager may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Paying Agent and the Collateral Agent to waive all or any portion of the Management Fees and Management Fee Interest owing to the Collateral Manager) and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) the Refinancing Proceeds, any Sale Proceeds and other available funds are used to make such redemption, and (iii) the agreements relating to such Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d).

(e) The Subordinated Notes shall be redeemed by the Issuer, in whole but not in part, on any Business Day on or after the date on which all of the Secured Debt has been redeemed or repaid, from the proceeds of the Assets remaining after giving effect to redemption of all of the Secured Debt and payment in full of all expenses of the Co-Issuers, at the direction of either of (x) the Holders of a Majority of the Subordinated Notes (which direction may be given in connection with a direction to redeem the Secured Debt or at any time after the Secured Debt has been redeemed or repaid in full) or (y) the Collateral Manager so long as BH Credit Management LLC or any Affiliate thereof is the Collateral Manager. The Redemption Price payable to each Holder of the Subordinated Notes will be its proportionate share of the proceeds of the Assets remaining after the payment in full of the Secured Debt and all applicable payments required under this Article IX.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Agent or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers, Collateral Agent and the Trustee (as directed by the Issuer) shall amend this Indenture pursuant to Article VIII to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Debt.

On any Redemption Date after the Closing Date on which all Secured Debt is refinanced in full, a Majority of the Subordinated Notes, together with the Collateral Manager, may agree to designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such amount, the "Designated Excess Par"), and direct the Trustee to apply such Designated Excess Par on such Redemption Date as Interest Proceeds in accordance with the Priority of Payments.

Section 9.3 Partial Redemption by Refinancing. Upon written direction of Holders of a Majority of the Subordinated Notes delivered to the Issuer, the Trustee, the Collateral Agent and the Collateral Manager not later than 15¹² Business Days (~~or such shorter period of time as the Issuer, the Trustee, the Collateral Agent and the Collateral Manager find reasonably acceptable~~) prior to the proposed Redemption Date, the Issuer shall redeem one or more Classes of Secured Debt on any Business Day after the end of the Non-Call Period, in whole but not in

Class delivered to the Issuer, the Trustee, the Collateral Agent and the Collateral Manager not later than 15 Business Days (or such shorter period of time as the Issuer, the Trustee, the Collateral Agent and the Collateral Manager find reasonably acceptable) prior to the proposed Redemption Date. Either (i) Holders of a Majority of the Subordinated Notes or (ii) Holders of a Majority of any Affected Class may direct the Collateral Manager to effect a Redemption by Liquidation to fully redeem all Classes of Secured Debt in accordance with the procedures set forth in Section 9.5. The funds available for such a redemption of the Debt shall include all Principal Proceeds, Interest Proceeds, Sale Proceeds and all other available funds in the Collection Account and the Payment Account. Each Class of Secured Debt shall be redeemed at the applicable Redemption Price for such Class in accordance with the Priority of Payments.

Section 9.5 Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, the written direction of Holders of a Majority of the Subordinated Notes required as set forth herein shall be provided to the Issuer, the Trustee, the Collateral Agent and the Collateral Manager not later than ~~15~~12 Business Days ~~(or such shorter period of time as the Issuer, the Trustee, the Collateral Agent and the Collateral Manager find reasonably acceptable)~~ prior to the applicable Redemption Date on which such redemption is to be made (which date shall be designated in such notice) and a notice of redemption shall be given by the Collateral Agent not later than ~~10~~12 Business Days prior to the applicable Redemption Date, to each Holder of Debt to be redeemed and each Rating Agency (if such Rating Agency is then rating a Class of Secured Debt). In the event of any Optional Redemption or Partial Redemption by Refinancing, the Issuer shall, at least ~~10~~12 Business Days prior to the Redemption Date (or such shorter period as agreed to by the Trustee and the Collateral Agent in its sole discretion), notify the Trustee and the Collateral Agent in writing of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Optional Redemption to the Holders of such Notes shall also be sent to the Cayman Islands Stock Exchange.

- (b) All notices of redemption delivered pursuant to Section 9.5(a) shall state:
- (i) the applicable Redemption Date;
 - (ii) the Redemption Price of the Notes to be redeemed;
 - (iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Business Day specified in the notice;
 - (iv) in the case of a Partial Redemption by Refinancing, the Classes of Secured Debt to be redeemed in full and that interest on such Secured Debt shall cease to accrue on the Business Day specified in the notice;
 - (v) the place or places where the Debt is to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

The Applicable Issuers shall have the option to withdraw any such notice of redemption in connection with any Optional Redemption, Partial Redemption by Refinancing or Redemption by Liquidation following a Tax Event on any day up to and including the Business Day immediately preceding the scheduled Redemption Date; provided that, neither the Issuer nor the Collateral Manager on the Issuer's behalf has entered into a binding agreement in connection with the sale of any portion of the Assets or taken any other action in connection with the liquidation of any portion of the Assets pursuant to such notice of redemption. If a notice of withdrawal is given to the Holders of the Debt and each Rating Agency (if such Rating Agency is then rating a Class of Secured Debt) not later than the Business Day prior to the scheduled Redemption Date (or, if such notice of withdrawal is received by the Trustee on such day, as promptly as possible thereafter), the failure to effect an Optional Redemption, Partial Redemption by Refinancing or Redemption by Liquidation following a Tax Event will not constitute an Event of Default.

If the Co-Issuer or the Issuer, as the case may be, so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Debt, the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during the Reinvestment Period at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria. The Issuer shall not permit any Hedge Agreements to be terminated until such periods for withdrawal have expired.

Notice of redemption shall be given by the Co-Issuer or the Issuer, as the case may be, (so long as the Co-Issuer or Issuer, as applicable, have received notice thereof) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuer or the Issuer, as the case may be. Failure to give notice of redemption, or any defect therein, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Debt.

Any Holder, the Collateral Manager or any of the Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a redemption pursuant to Section 9.4.

Section 9.6 Debt Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.5 having been given as aforesaid, the Debt to be redeemed or prepaid shall, on the Redemption Date, subject to Section 9.2(c) in the case of an Optional Redemption and the right to withdraw any notice of redemption pursuant to Section 9.5(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on a Debt to be so redeemed, the Holder shall present and surrender such Debt at the place specified in the notice of redemption on or prior to such Redemption Date; provided that, if there is delivered to the

Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Debt, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Debt has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Debt to be so redeemed whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Debt, registered as such at the Close of Business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Debt called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Debt Interest Rate for each successive Interest Accrual Period during which such Debt remains Outstanding; provided that, the reason for such non-payment is not the fault of such Holder.

(c) Notwithstanding anything to the contrary set forth herein, the proceeds from a Refinancing shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem the Class(es) of Secured Debt subject to such Redemption by Refinancing without regard to the Priority of Payments (except that Refinancing Proceeds in respect of a Partial Redemption by Refinancing shall be applied pursuant to the Priority of Partial Redemption Proceeds); provided that, to the extent such Refinancing Proceeds are not applied to redeem such Class(es) of Secured Debt or to pay expenses in connection with such Refinancing, such Refinancing Proceeds shall be treated as Principal Proceeds.

Section 9.7 Special Redemption. Principal payments on the Secured Debt shall be made in part in accordance with the Priority of Payments on any Payment Date (A) during the Reinvestment Period, if the Collateral Manager at its sole discretion notifies Fitch, the Trustee and the Collateral Agent that it has been unable, for a period of at least 30 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a ~~“Reinvestment Period Special Redemption”~~ or (B) ~~with respect to any Payment Date following the end of the Ramp Up Period, if the Collateral Manager notifies Fitch, the Trustee and the Collateral Agent that a redemption is required pursuant to Section 7.17(e) to satisfy the Effective Date Rating Condition (a “Ramp Up Period Special Redemption” and, together with a Reinvestment Period Special Redemption, each a “Special Redemption”~~). On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which a notice is given pursuant to ~~clause (A) or clause (B) above~~the immediately preceding sentence (each such Payment Date, a “Special Redemption Date”), ~~(1) in the case of a Reinvestment Period Special Redemption,~~ the amount in the Principal Collection Subaccount representing Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations ~~or~~ ~~(2) in the case of a Ramp Up Period Special Redemption, the amounts in the Interest Collection Subaccount and Principal Collection Subaccount, as applicable, representing Interest Proceeds and Principal Proceeds, as applicable, that the Issuer (or the Collateral Manager on the Issuer’s behalf) has determined are required in connection with a Ramp Up Period Special Redemption~~ (each such amount, a “Special Redemption Amount”) shall be applied in accordance with the

Priority of Principal Proceeds. Notice of payments pursuant to this Section 9.7 shall be given by the Trustee not less than three Business Days prior to the applicable Special Redemption Date ~~(provided that such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of the definition of such term if the Special Redemption Amount is not known on or prior to such date)~~ to each Holder of Secured Debt affected thereby and to each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the Holders of such Notes shall also be sent by the Trustee to the Cayman Islands Stock Exchange.

Section 9.8 Clean-up Call Redemption. (a) If a Monthly Report distributed by the Issuer to the Trustee, the Collateral Agent and the Collateral Manager no later than 30 days prior to a Payment Date provides that the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments has been reduced to 20% or less of the Target Initial Par Amount, the Issuer shall, at the direction of the Collateral Manager and with notice to the Holders of Subordinated Notes, redeem the Debt, in whole but not in part (a “Clean-up Call Redemption”), on the next Payment Date (such Payment Date, the “Clean-up Call Redemption Date”); provided that such Clean-up Call Redemption shall not occur if Holders of a Majority of the Subordinated Notes provide written notice to the Issuer no later than 15 days prior to such Payment Date objecting to such Clean-up Call Redemption. If no such objection is provided to the Issuer, the Issuer (or the Collateral Manager on behalf of the Issuer) shall notify the Trustee, Collateral Agent, the Collateral Administrator and the Collateral Manager and a notice of redemption shall be given not later than two Business Days prior to the applicable Clean-up Call Redemption Date to each Holder of Debt at such Holder’s address in the Register and to each Rating Agency. Any such Clean-up Call Redemption may only be effectuated on a Payment Date and only from (i) Sale Proceeds and (ii) all other funds in the Accounts on the Payment Date relating to such redemption. A Clean-up Call Redemption may not occur unless the Sale Proceeds and all other funds in the Accounts on the Payment Date relating to such redemption results in an amount at least equal to the Clean-up Call Redemption Price.

- (b) All notices of redemption delivered pursuant to Section 9.8(a) shall state:
 - (i) the Clean-up Call Redemption Date;
 - (ii) the Clean-up Call Redemption Price of each Class of Debt to be redeemed; and
 - (iii) that all of the Debt to be redeemed in full and that interest on the Secured Debt shall cease to accrue on the Clean-up Call Redemption Date specified in the notice.

Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder shall not impair or affect the validity of the redemption of any other Debt. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of a Clean-up Call Redemption shall also be given by the Trustee to the Cayman Islands Stock Exchange.

the absence of notice to the Co-Issuers or the Trustee that the applicable Debt has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Secured Debt called for redemption pursuant to this Section 9.8 shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Clean-up Call Redemption Date at the applicable Debt Interest Rate for each successive Interest Accrual Period the Secured Debt remains Outstanding; provided that, the reason for such non-payment is not the fault of the Holder of such Secured Debt.

Section 9.9 Re-Pricing.

(a) On any Business Day after the end of the Non-Call Period, at the written direction of the Collateral Manager or of Holders of a Majority of the Subordinated Notes (with the consent of the Collateral Manager, in its sole discretion), the Issuer shall reduce the spread over the Benchmark Rate applicable with respect to any Class of Re-Priceable Notes (such reduction with respect to any Class of Re-Priceable Notes, a “Re-Pricing” and any Class of Re-Priceable Notes to be subject to a Re-Pricing, a “Re-Priced Class”); provided that the Issuer shall not effectuate any Re-Pricing unless each condition specified in this Section 9.9 is satisfied; provided further that, after any Re-Pricing is effected, the Trustee shall notify each Rating Agency in writing of such Re-Pricing. In connection with any Re-Pricing, the Issuer shall engage a broker-dealer (the “Re-Pricing Intermediary”) upon the recommendation of the Collateral Manager and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least ~~15~~12 Business Days (or such shorter period of time as the Collateral Manager finds reasonably acceptable) prior to the Business Day fixed by the Collateral Manager or a Majority of the Subordinated Notes (with the consent of the Collateral Manager, in its sole discretion) for any proposed Re-Pricing (the “Re-Pricing Date”) the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised Debt Interest Rate, expressed as a spread over the Benchmark Rate in the case of Floating Rate Debt or a per annum stated interest rate in the case of Fixed Rate Debt (such Debt Interest Rate, the “Re-Pricing Rate”) to be applied with respect to such Class, and (ii) request each Holder of the Re-Priced Class to approve the proposed Re-Pricing; provided that, the Issuer, at the direction of the Collateral Manager, or in the case of a Re-Pricing directed by a Majority of the Subordinated Notes, the Holders of Subordinated Notes (with the Collateral Manager’s consent), may modify the proposed Re-Pricing by delivery of a revised notice of proposed Re-Pricing at any time up to two Business Days prior to the Re-Pricing Date and shall deliver to the Holders of the proposed Re-Priced Class (with a copy to the Collateral Manager, the Trustee and each Rating Agency) a notice reflecting such modification of the proposed Re-Pricing. Any notice of a Re-Pricing may be withdrawn by the Collateral Manager or a Majority of the Subordinated Notes, as the case may be, that directed such Re-Pricing on or prior to the second Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, the Collateral Agent and the Collateral Manager (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and each Rating Agency.

on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with such Re-Pricing, unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuer; and (v) the Trustee shall have received an officer's certificate from the Issuer (or the Collateral Manager on its behalf) certifying that all conditions precedent to such Re-Pricing have been satisfied. For the avoidance of doubt, expenses associated with effecting such Re-Pricing shall be payable as Administrative Expenses pursuant to the Priority of Payments immediately prior to distributions to Holders of the Subordinated Notes. If the Trustee receives written notice from the Issuer that a proposed Re-Pricing is not effected by the proposed Re-Pricing Date, the Trustee shall notify each Rating Agency that such proposed Re-Pricing was not effected. Notwithstanding anything contained herein to the contrary, failure to effect a Re-Pricing, whether or not notice of Re-Pricing has been withdrawn, will not constitute an Event of Default and the Holders of the Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator, the Trustee or the Collateral Agent for any failure to complete a Re-Pricing.

Collateral Agent to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if (i) the requirements of Article IX (including any applicable certification requirements of Section 9.2(c)) are satisfied and (ii) in the case of an Optional Redemption the Independent certified public accountants appointed by the Issuer pursuant to Section 10.8 have recalculated and agreed to the calculations contained in the certificate furnished by the Collateral Manager pursuant to Section 9.2(c). If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale. If any Debt is outstanding three months prior to the earliest Stated Maturity of the Secured Debt, the Collateral Manager shall direct the Collateral Agent to sell (which sale may be through participation or other arrangement) the Collateral Obligations such that the sale of all of the Collateral Obligations will have been effected prior to such earliest Stated Maturity of the Secured Debt; provided that, without prejudice to the sale of a Collateral Obligation pursuant to any provision of this Section 12.1 other than this sentence, no Collateral Obligation may be sold pursuant to this sentence earlier than three months prior to such earliest Stated Maturity of the Secured Debt.

(f) Discretionary Sales. The Collateral Manager may direct the Collateral Agent to sell any Collateral Obligation at any time other than a Restricted Trading Period if (i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to this Section 12.1(f) during the preceding period of twelve (12) calendar months (~~or, for the first twelve (12) calendar months after the Closing Date, during the period~~ commencing on the ~~end of the Ramp-Up Period~~First Refinancing Date) is not greater than 25% of the Collateral Principal Amount as of the beginning of such twelve (12) calendar month period and (ii) either:

(A) (I) at any time if either (1) after giving effect to such sale, the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments) representing Principal Proceeds shall be greater than the Reinvestment Target Par Balance or (2) the Sale Proceeds from such sale are at least equal to the Investment Criteria ~~Adjustment~~Adjusted Balance of such Collateral Obligation; or

(B) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within the earlier of (I) twenty (20) Business Days of such sale or (II) the end of the Reinvestment Period.

(g) Notwithstanding anything contained herein to the contrary, pursuant to Section 7.16(i) hereof, the Issuer may cause any Tax Subsidiary Asset or the Issuer's interest therein to be transferred to a Tax Subsidiary in exchange for an interest in such Tax Subsidiary.

(h) The Collateral Manager, on behalf of the Issuer, (i) may, on the Closing Date or at the time of purchase (or receipt), designate certain Collateral Obligations as Subordinated Note

Collateral Obligations provided that the amount of Collateral Obligations so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Subordinated Note Reinvestment Ceiling and (ii) shall not, after the Closing Date, purchase any Subordinated Note Collateral Obligations with any funds other than funds in the Subordinated Note Principal Collection Subaccount. The Collateral Agent shall segregate on its books and records all Subordinated Note Collateral Obligations identified to it by the Collateral Manager. If a Collateral Obligation that has not been designated as a Subordinated Note Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Subordinated Note Collateral Obligation (each, "Transferable Margin Stock"), the Collateral Manager, on behalf of the Issuer, may direct the Collateral Agent to (i) transfer one or more non-Margin Stock Subordinated Note Collateral Obligations having a value (as determined by the Collateral Manager) equal to or greater than such Transferable Margin Stock to the Secured Debt Custodial Account, and simultaneously (ii) transfer such Transferable Margin Stock to the Subordinated Note Custodial Account, and such Transferable Margin Stock shall thereafter be designated a Subordinated Note Collateral Obligation; provided that to the extent that any Transferable Margin Stock is not transferred to the Subordinated Note Custodial Account, such Transferable Margin Stock must be sold within 45 days of receipt.

Section 12.2 Purchase of Additional Collateral Obligations.

(a) Investment Criteria - Investment during the Reinvestment Period. On any date during the Reinvestment Period the Collateral Manager, on behalf of the Issuer, may, but shall not be required to, direct the Collateral Agent to invest Principal Proceeds (including accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations) in additional Collateral Obligations, if, as certified by the Collateral Manager (which certification shall be deemed to be provided upon delivery of such investment direction or a ~~trade ticket~~ Trade Ticket in respect thereof), each of the conditions specified in this Section 12.2 including Section 12.2(f), if applicable, are met and, upon receipt of such direction, the Collateral Agent shall invest such proceeds. No Collateral Obligation may be purchased unless each of the following conditions are satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to but which have not settled; ~~provided that the conditions set forth in clauses (ii), (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring after the end of the Ramp-Up Period:~~

(i) such obligation is a Collateral Obligation;

(ii) ~~if the commitment to make such purchase occurs on or after the last day of the Ramp-Up Period (or in the case of the Interest Coverage Tests, on or after the Determination Date occurring immediately prior to the second Payment Date),~~ (A) each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved, and (B) if each Coverage Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted

Obligation pursuant to Section 12.1(c) will not be reinvested in additional Collateral Obligations;

(iii) (A) other than in a Distressed Exchange or an Exchange Transaction, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of an Asset pursuant to Section 12.1(a) or Section 12.1(c), either:

(1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the Sale Proceeds from such sale;

(2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale); or

(3) the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, Ramp-Up Account and Contribution Account (including Eligible Investments in any of the foregoing accounts) representing Principal Proceeds shall be greater than the Reinvestment Target Par Balance; and

(B) in the case of any other purchase of additional Collateral Obligations, either (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (2) the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, Ramp-Up Account and Contribution Account (including Eligible Investments in any of the foregoing accounts) representing Principal Proceeds shall be greater than the Reinvestment Target Par Balance;

(iv) other than in the case of a Distressed Exchange or an Exchange Transaction, either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved after giving effect to the reinvestment;

(v) the date on which the Collateral Manager commits on behalf of the Issuer to make such purchase occurs during the Reinvestment Period; [and](#)

(vi) if the balance in the Principal Collection Subaccount after giving effect to all expected debits and credits in connection with such purchase and all other sales and purchases (if applicable) previously or simultaneously committed to or proposed to be entered into in connection with a Trading Plan but which have not yet settled would be a negative amount, the absolute value of such negative amount must not be greater than 3.0% of the ~~Reinvestment Target Par Balance as of the Measurement Date for such purchase;~~ Target Initial Par Amount. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance (on a settlement date basis) or overdraft the Principal Collection Subaccount and the Trustee will incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

~~(vii) if any Coverage Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation pursuant to Section 12.1(e) will not be reinvested in additional Collateral Obligations; and~~

~~(viii) the Issuer has not received a notice to remove the Collateral Manager for “cause” in connection with the occurrence of a Key Person Event pursuant to Section 11 of the Collateral Management Agreement unless (1) such notice has been revoked or otherwise cancelled or (2) a successor Collateral Manager has been appointed pursuant to the Collateral Management Agreement.~~

(b) Investment Criteria – Investment after the Reinvestment Period. After the Reinvestment Period, so long as no Event of Default has occurred and is continuing, the Collateral Manager may, but shall not be required to, invest Principal Proceeds received with respect to (x) Unscheduled Principal Payments and (y) sales of Credit Risk Obligations at any time prior to the later of (i) 45 calendar days after the receipt of such Principal Proceeds and (ii) the last Business Day of the Collection Period in which such Principal Proceeds were received; provided that, the Collateral Manager may not reinvest such Principal Proceeds unless the Collateral Manager reasonably believes that after giving effect to any such reinvestment, the following criteria (the “Post-Reinvestment Period Investment Criteria”) are satisfied: (A) the Aggregate Principal Balance of all additional Collateral Obligations purchased with (x) Unscheduled Principal Payments or (y) the proceeds from the sale of such Credit Risk Obligations shall at least equal or exceed the related Unscheduled Principal Payments or Sale Proceeds, as applicable, (B) the additional Collateral Obligation purchased with such (x) Unscheduled Principal Payments or (y) the proceeds from the sale of such Credit Risk Obligations shall have (1) a stated maturity at least equal to or earlier than the maturity of the Collateral Obligation with respect to which such Unscheduled Principal Payments were received or of such Credit Risk Obligation and (2) the same or higher Moody’s Rating as such Collateral Obligation with respect to which such Unscheduled Principal Payments were received or such Credit Risk Obligation, as applicable, (C) after giving effect to such reinvestment, the Concentration Limitations shall be satisfied or, if not satisfied, maintained or improved, (D) ~~after giving effect to such reinvestment,~~ the Coverage Tests with respect to each Class of Secured Debt shall be satisfied immediately before and after giving effect to such reinvestment, (E) after giving effect to such reinvestment, the Weighted Average Life Test, the Minimum Fixed Coupon Test, the Minimum Floating Spread Test, the Minimum Weighted Average Moody’s Recovery Rate Test and the Maximum Moody’s Rating Factor Test ~~will~~shall be satisfied, or if not satisfied, ~~will~~shall be maintained or improved, (F) a Restricted Trading Period is not then in

effect, ~~and (G) an Optional Redemption of the Secured Notes in full has occurred since the Closing Date and (H)~~ if the balance in the Principal Collection Subaccount after giving effect to all expected debits and credits in connection with such purchase and all other sales and purchases (if applicable) previously or simultaneously committed to or proposed to be entered into in connection with a Trading Plan but which have not yet settled would be a negative amount, the absolute value of such negative amount must not be greater than 3.0% of the Reinvestment Target Par Balance as of the Measurement Date for such purchase.

(c) Investment in Eligible Investments. Cash on deposit in any Account may be invested at any time in Eligible Investments in accordance with Article X.

(d) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a “Trading Plan”)) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within 10 Business Days following the date of determination of such compliance (such period, the “Trading Plan Period”); provided that,

(i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period,

(ii) no Trading Plan may result in the purchase of Collateral Obligations with an Average Life of less than six months,

(iii) no Trading Plan may result in the purchase of a group of Collateral Obligations if the difference between the shortest Average Life of any Collateral Obligation in such group and the longest Average Life of any Collateral Obligation in such group is greater than three years,

(iv) no Trading Plan Period may include a Determination Date,

(v) no more than one Trading Plan may be in effect at any time during a Trading Plan Period,

(vi) if the Investment Criteria are not satisfied upon the expiry of the related Trading Plan Period, the Collateral Manager may not elect any Trading Plan at any time thereafter unless the Moody’s Rating Condition is satisfied; provided that, if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period (except in cases where such non-compliance results from changes in the Collateral Obligations owned by the Issuer that are not part of such Trading Plan), notice shall be provided to the Rating Agencies; and

(vii) the average purchase price of a single Collateral Obligation or a group of Collateral Obligations, in each case purchased pursuant to a Trading Plan, shall not be used for purposes of determining compliance with the Investment Criteria;

provided, further, that the Collateral Manager shall notify each Rating Agency, the Trustee, the Collateral Agent and the Collateral Administrator of the commencement of any Trading Plan Period and any Collateral Obligations covered in such Trading Plan; provided, further, for the avoidance of doubt, each individual obligation acquired as part of a Trading Plan must satisfy the definition of “Collateral Obligation”. The Trustee or the Collateral Agent, as the case may be, shall forward such notice to the Holders of Notes no later than the Business Day following receipt thereof from the Collateral Manager. The Collateral Agent as soon as reasonably practicable following receipt of notice from the Collateral Manager, will post notice of a Trading Plan having been executed on the website where Monthly Reports are made available to Holders.

(e) Amendments to Collateral Obligations. The Issuer will only consent and will only allow the Collateral Manager to consent to any amendment, waiver or other modification to any Collateral Obligation that would extend the maturity thereof (a “Maturity Amendment”) if: (A) as determined by the Collateral Manager, after giving effect to such amendment, waiver or other modification and any relevant Trading Plan, ~~(i) (a) prior to the end of the Reinvestment Period, the Weighted Average Life Test will be satisfied, or if not satisfied, maintained or improved or (b) after the Reinvestment Period, the Weighted Average Life Test will be either (x) maintained or improved if the Weighted Average Life Test was satisfied as of the last day of the Reinvestment Period or (y) satisfied after giving effect to such Maturity Amendment,~~ (ii) the Issuer will be in compliance with the Concentration Limitations; and (iii) the maturity of such Collateral Obligation is not extended beyond the earliest Stated Maturity of the Secured Debt unless the Issuer or the Collateral Manager on behalf of the Issuer has received the express consent of each of the Collateral Manager and a Majority of the Controlling Class, and, in each case, after giving effect to the Maturity Amendment, the Aggregate Principal Balance of Collateral Obligations subject to Maturity Amendments consented to by the Issuer (or the Collateral Manager on the Issuer’s behalf) based on this clause (A) (measured cumulatively from the Closing First Refinancing Date to the effective date of such amendment) does not exceed 10.0% of the Target Initial Par Amount; or (B)(1) the Maturity Amendment is (i) necessary, in the commercially reasonable judgment of the Collateral Manager, to prevent a Collateral Obligation from becoming a Defaulted Obligation or (ii) consummated in connection with an insolvency, bankruptcy, winding up, reorganization in connection with a bankruptcy or in-court workout of the related obligor and, in either case, extends the term of such Collateral Obligation for 24 months or less and, in either case, after giving effect to the Maturity Amendment, the Aggregate Principal Balance of Collateral Obligations subject to Maturity Amendments consented to by the Issuer (or the Collateral Manager on the Issuer’s behalf) based on this clause (B) (measured cumulatively from the Closing First Refinancing Date to the effective date of such amendment) does not exceed 10.0% of the Target Initial Par Amount; provided that clauses (A) and (B) above shall not apply to any Maturity Amendment if the Collateral Manager uses commercially reasonable efforts to sell the extended Collateral Obligation within 30 Business Days of the Maturity Amendment becoming effective (any such asset that is not sold within such time period, an “Unsold Extended Asset”). ~~The Issuer shall not be in violation of the restrictions of this Section 12.2(e) if any Collateral Obligation is amended in violation of the requirements of the immediately preceding sentence so long as the Issuer (or the Collateral Manager on behalf of~~

~~the Issuer) has refused to consent to such amendment.~~ A waiver, modification, amendment or variance that would extend the stated maturity date of the credit facility of which any applicable Collateral Obligation is a part, but which would not extend the stated maturity date of such Collateral Obligation held by the Issuer, will not constitute a Maturity Amendment.

(f) Post-Reinvestment Period Settlement. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager on behalf of the Issuer shall deliver to the Collateral Agent a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Collateral Agent (which certification will be deemed to be provided upon the delivery of such schedule) that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effectuate the settlement of such Collateral Obligations.

(g) Exchange Transactions. Notwithstanding anything to the contrary contained herein, the Collateral Manager may direct the Collateral Agent in writing to sell, purchase and/or exchange any Collateral Obligation in connection with an Exchange Transaction at any time, subject to the terms in such Exchange Transaction.

(h) Restructured Loans, Workout Securities and Uptier Priming Obligations. At any time during or after the Reinvestment Period, the Issuer (or the Collateral Manager on its behalf) may direct that Interest Proceeds, Principal Proceeds and/or other amounts available for a Permitted Use be applied to the purchase or acquisition of Restructured Loans, Workout Securities and Uptier Priming Obligations if, solely if Interest Proceeds and/or Principal Proceeds are used, the Collateral Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or that failing to do so, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Collateral Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Collateral Manager for its other clients or investment vehicles managed by the Collateral Manager); provided that Principal Proceeds may not be used to acquire a Workout Security that is an Equity Security in any case; provided further that the Collateral Manager shall not provide such direction unless the following conditions are satisfied:

(i) the aggregate amount of proceeds applied to the acquisition of Restructured Loans and Workout Securities included in the Assets as of such date of determination does not exceed 15.0% of the Collateral Principal Amount;

(ii) if Interest Proceeds are applied to the acquisition of a Restructured Loan, Workout Security or Uptier Priming Obligation such payment would, as reasonably determined by the Collateral Manager, not result in an interest default or deferral on any Class of Secured Debt on the next following Payment Date; and

(iii) if Principal Proceeds are applied to the acquisition of a Restructured Loan, Workout Security (that is not an Equity Security) or Uptier Priming Obligation, after giving effect thereto:

(A) each Coverage Test is will be satisfied (or, if such acquisition is for an Uptier Priming Obligation not acquired in connection with the workout or restructuring of a Collateral Obligation, will be maintained or improved);

(B) the aggregate amount of Principal Proceeds applied to the acquisition of Restructured Loans and Workout Securities during each calendar year does not exceed ~~3.04.0%~~ of the ~~Collateral Principal Amount (determined as of the first Business Day of such calendar year)~~ Target Initial Par Amount; and

(C) the Aggregate Principal Balance of all Collateral Obligations *plus* Eligible Investments constituting Principal Proceeds is at least equal to the Reinvestment Target Par Balance (for purposes of which determination, any Defaulted Obligation shall be deemed to have a Principal Balance equal to its Moody's Collateral Value).

Notwithstanding anything to the contrary herein, the acquisition of Restructured Loan and Uptier Priming Obligations will not be required to satisfy any of the Investment Criteria.

Section 12.3 Disposition of Illiquid Assets. (a) Notwithstanding the other provisions of this Article XII or any other provision herein to the contrary, if at any time the Assets consist exclusively of (1) Eligible Investments (including Cash), and/or (2) one or more of the following: (i) a Defaulted Obligation, an Equity Security, an obligation received in connection with an offer or other exchange or any other security or debt obligation that is part of the Assets, in respect of which (x) the Issuer has not received a payment in Cash during the preceding 12 calendar months and (y) the Collateral Manager certifies that it is not aware, after reasonable inquiry, that the issuer or Obligor of such Asset has publicly announced or informed the holders of such Asset that it intends to make a payment in Cash in respect of such Asset within the next 12 calendar months or (ii) any asset, claim or other property identified in a certificate of an officer of the Collateral Manager as having a Market Value of less than U.S.\$1,000 (the items described in clause (a)(2)(i) and (ii) each being an "Illiquid Asset"), then the Collateral Manager may request bids with respect to each such Illiquid Asset pursuant to Section 12.3(b) after providing written notice to the Holders of Debt and requesting that any Holder of Debt that wishes to bid on any such Illiquid Asset notify the Collateral Agent (with a copy to the Collateral Manager) of such intention within 15 Business Days after the date of such notice. The Issuer, or the Collateral Manager on its behalf, shall, after the end of such 15 Business Day period, offer the Illiquid Assets for public or private sale as determined and directed by the Collateral Manager (in a manner and according to terms determined by the Collateral Manager (including, in the case of a private sale, from Persons identified by the Collateral Manager) and pursuant to sale documentation provided by the Collateral Manager) and, if any Holder of Debt so notifies the Collateral Agent that it wishes to bid, such Holder of

Debt shall be included in the distribution of sale offering or bid solicitation material in connection therewith and thereby given an opportunity to participate with other bidders, if any.

(b) The Issuer, or the Collateral Manager on its behalf, shall request bids for the sale of each such Illiquid Asset, in accordance with the procedures established by the Collateral Manager, from (i) at least three Persons identified by the Collateral Manager that make a market in or specialize in obligations of the nature of such Illiquid Asset, (ii) the Collateral Manager, (iii) each Holder of Debt that so notified the Collateral Agent that it wishes to bid and (iv) in the case of a public sale, any other participating bidders, and the Collateral Agent will have no responsibility for the sufficiency or acceptability of such procedures for any purpose or for any results obtained. Subject to the requirements of Applicable Law, (x) if the aggregate amount of the highest bids received (if any) is greater than or equal to U.S.\$100,000, the Issuer shall sell each Illiquid Asset to the highest bidder (which may include the Collateral Manager and its Affiliates) and (y) if the aggregate amount of the highest bids received is less than U.S.\$100,000 or no bids are received, the Issuer shall dispose of the Illiquid Assets as directed by the Collateral Manager in its reasonable business judgment, which may include (with respect to each Illiquid Asset) (I) selling it to the highest bidder (which may include the Collateral Manager and its Affiliates) if a bid was received; (II) donating it to a charitable organization designated by the Collateral Manager or (III) returning it to its issuer or Obligor for cancellation. The proceeds of the sale of Illiquid Assets (after payment of fees and expenses of the Issuer, the Collateral Agent and the Collateral Manager incurred in connection with dispositions under the provisions described in this section), if any, shall be applied in accordance with the Priority of Payments.

(c) The Issuer will not dispose of Illiquid Assets in accordance with the immediately preceding paragraph if directed not to do so, at any time following notice of such disposal and prior to release, or acceptance of an offer for sale, of such Illiquid Asset, by a Majority of the Controlling Class or a Majority of the Subordinated Notes. The Collateral Agent will have no liability for the results of any such sale or disposition of Illiquid Assets, including, without limitation, if the proceeds received, if any, are insufficient to pay all outstanding Administrative Expenses in full.

(d) Any remaining Assets held by the Issuer will be liquidated immediately prior to the earliest Stated Maturity of the Secured Debt so that the net proceeds of such liquidation will be available on such earliest Stated Maturity of the Secured Debt.

Section 12.4 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII ~~or in connection with the acquisition of additional Collateral Obligations during the Ramp-Up Period~~ shall be conducted on an arm's length basis and in compliance with the Tax Guidelines to the extent applicable and, if effected with a Person Affiliated with the Collateral Manager, shall be effected in accordance with the requirements of Section 5 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that, the Collateral Agent shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be

email, facsimile transmission or other similar unsecured electronic methods; ~~provided, however,~~ that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing Authorized Officers designated to provide such instructions or directions (including email addresses of such Persons), which incumbency certificate shall be amended whenever a Person is added or deleted from the listing. If such Person elects to give the Bank email (of .pdf or similar files) or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction and shall not be liable for any Person's use of electronic methods to submit instructions and directions to the Bank.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, the Collateral Agent and, where it is hereby expressly required, to the Issuer. Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided that, if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

Except as specifically stated in Section 10.8, the Trustee shall deliver to the Holders any information or notice relating to this Indenture that is in the possession of the Trustee by reason of it acting in such capacity and is requested to be so delivered by at least 25% of the Holders of

any Class of Debt (by Aggregate Outstanding Amount), at the expense of the Issuer. The Trustee shall have no liability for such disclosure or, subject to its duties hereunder, the accuracy thereof.

The Trustee shall deliver to any Holder of Debt or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit D to this Indenture that it is the owner of a beneficial interest in a Global Note, any information or notice requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee and all related costs will be borne by the requesting Holder or Person.

Neither the failure to transmit any notice, nor any defect in any notice so transmitted, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer, the Collateral Agent or the Trustee (except information required to be provided to the Cayman Islands Stock Exchange) may be provided by providing access to a website containing such information (with the exception of the Accountants' Report ~~or the Ramp-Up Period Recalculation Accountants' Report~~).

Section 14.7 Severability. Except to the extent prohibited by Applicable Law, in case any provision in this Indenture or in the Debt shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

DIVERSITY SCORE CALCULATIONS

The Diversity Score is calculated as follows:

(a) An “Issuer Par Amount” is calculated for each obligor on a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that obligor and all affiliates.

(b) An “Average Par Amount” is calculated by summing the Issuer Par Amounts for all obligors, and dividing by the number of obligors.

(c) An “Equivalent Unit Score” is calculated for each obligor, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such obligor *divided by* the Average Par Amount.

(d) An “Aggregate Industry Equivalent Unit Score” is then calculated for each of Moody’s industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each obligor in such industry classification group.

(e) An “Industry Diversity Score” is then established for each Moody’s industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

(f) Diversity Score is then calculated by summing each of the Industry Diversity Scores for each Moody's industry classification group shown on Schedule 1.

(g) For purposes of calculating the Diversity Score, affiliated obligors in the same Moody's industry classification group are deemed to be a single obligor except as otherwise agreed to by Moody's.

SCHEDULE 4

MOODY'S RATING DEFINITIONS

For purposes of this Schedule 4 and the Indenture, the terms "Assigned Moody's Rating" and "CFR" mean:

"Assigned Moody's Rating": The publicly available rating, the estimated rating or unpublished rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; provided, that so long as the Issuer (or the Collateral Manager on its behalf) applies for a new estimated rating, or renewal of an estimated rating, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have an Assigned Moody's Rating of "B3" for purposes of this definition if the Collateral Manager certifies to the Collateral Administrator that the Collateral Manager believes that such estimated rating will be at least "B3" and (ii) thereafter, such debt obligation will have an Assigned Moody's Rating of "Caa3", (B) in the case of an annual request for a renewal of an estimated rating, (i) if a period of 12 months but less than or equal to 15 months has elapsed since the initial assignment or the most recent renewal of such estimated rating, such prior estimated rating assigned by Moody's will be adjusted down one subcategory until such time as Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation and (ii) thereafter, but before Moody's renews such estimated rating or assigns a new estimated rating, such debt obligation will be deemed to have a Moody's rating of "Caa3" and (C) in the case of a request for a renewal of an estimated rating following a material deterioration in the creditworthiness of the Obligor or a Specified Amendment, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation or (y) the criteria specified in clause (A) in connection with an annual request for a renewal of an estimated rating becomes applicable in respect of such debt obligation.

"CFR": Means, with respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; provided, that if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

For purposes of this Indenture, the terms Moody's Default Probability Rating, Moody's Derived Rating and Moody's Rating, have the meanings under the respective headings below.

"Moody's Default Probability Rating": With respect to any Collateral Obligation, as of any Measurement Date, the rating determined in accordance with the following methodology:

(i) With respect to a Collateral Obligation, if the obligor of such Collateral Obligation has a CFR, then such CFR;

(ii) With respect to a Collateral Obligation if not determined pursuant to clause (i) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating (based on a monitored publicly available rating from Moody's), then such Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(iii) With respect to a Collateral Obligation if not determined pursuant to clauses (i) or (ii) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;

(iv) With respect to a Collateral Obligation if not determined pursuant to clauses (i), (ii) or (iii) above, if a credit estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such credit estimate (subject to any applicable credit estimate adjustment as described under sub-clause (B) of the definition of "Assigned Moody's Rating") as long as such credit estimate or a renewal for such credit estimate has been issued or provided by Moody's, in each case, within the 15-month period preceding the date on which the Moody's Default Probability Rating is being determined;

(v) With respect to any DIP Collateral Obligation, the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; provided that, if such DIP Collateral Obligation was assigned a point-in-time rating by Moody's that was withdrawn, the Moody's Default Probability Rating shall be such withdrawn rating until 12 months have elapsed following the assignment of such rating;

(vi) With respect to a Collateral Obligation if not determined pursuant to any of clauses (i) through (v) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(vii) With respect to a Collateral Obligation if not determined pursuant to any of clauses (i) through (vi) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

"Moody's Derived Rating": With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(a) i. If such Collateral Obligation is rated by S&P, then by adjusting the S&P Rating by the number of rating subcategories pursuant to the table below:

<u>Type of Collateral Obligation</u>	<u>S&P Rating (Public and Monitored)</u>	<u>Collateral Obligation Rated by S&P</u>	<u>Number of Subcategories Relative to Moody's Equivalent of S&P Rating</u>
<u>Not Structured Finance Obligation</u>	<u>>BBB-</u>	<u>Not a Loan or Participation in Loan</u>	<u>-1</u>
<u>Not Structured Finance Obligation</u>	<u><BB+</u>	<u>Not a Loan or Participation in Loan</u>	<u>-2</u>
<u>Not Structured Finance Obligation</u>		<u>Loan or Participation in Loan</u>	<u>-2</u>

(ii) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a parallel security), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (a)(i) above, and the Moody's Derived Rating for purposes of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (a)(ii));

<u>Obligation Category of Rated Obligation</u>	<u>Rating of Rated Obligation</u>	<u>Number of Subcategories Relative to Rated Obligation Rating</u>
<u>Senior secured obligation</u>	<u>greater than or equal to B2</u>	<u>-1</u>
<u>Senior secured obligation</u>	<u>less than B2</u>	<u>-2</u>
<u>Subordinated obligation</u>	<u>greater than or equal to B3</u>	<u>+1</u>
<u>Subordinated obligation</u>	<u>less than B3</u>	<u>0</u>

or

(iii) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency; provided, that the Aggregate Principal Balance of the Collateral Obligations that may have a Moody's Rating derived from an S&P Rating as set forth in subclauses (i) or (ii) of this clause (a) may not exceed 10% of the Collateral Principal Amount; or

(b) if not determined pursuant to clause (a) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the obligor on such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by

the Issuer, the Collateral Manager or the obligor on such Collateral Obligation to assign a rating or credit estimate with respect to such Collateral Obligation but such rating or credit estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (x) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (b) and clause (a) above does not exceed 5% of the Collateral Principal Amount or (y) otherwise, "Caa3."

"Moody's Industry Classification": The industry classifications set forth in Schedule 1 hereto, as such industry classifications shall be updated at the option of the Collateral Manager if Moody's publishes revised industry classifications.

"Moody's Rating": With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(ii) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned

Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

SCHEDULE 5

FITCH RATING DEFINITION

“Fitch Rating” means the Fitch Rating of any Collateral Obligation, which will be determined as follows:

(a) if Fitch has issued a public long-term issuer default rating (“LT IDR”) or a long-term issuer default credit opinion (“LT IDCO”) with respect to the issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer);

(b) if Fitch has not issued a LT IDR or LT IDCO with respect to the issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating (“IFS Rating”) with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issuer ratings, then the Fitch Rating will be calculated using the Fitch IDR Equivalency Table below

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and:

(i) Moody’s has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody’s rating;

(ii) Moody’s has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody’s rating;

(iii) Moody’s has not issued a publicly available corporate family rating or long-term issuer rating for the issuer of such Collateral Obligation but Moody’s has issued a publicly available outstanding insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody’s rating;

- (iv) Moody's has not issued a publicly available corporate family rating, long-term issuer rating or insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below;
- (v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;
- (vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;
- (vii) S&P has not issued a publicly available issuer credit rating or publicly available outstanding insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below; and
- (viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); and

(e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Collateral Manager, (i) the Collateral Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that (i) after the Closing Date, if any rating described above is on rating watch negative, the rating will be adjusted down by one sub-category (not to be lower than "CCC-"); provided further that, the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com. For the avoidance of doubt, the Fitch Rating takes into account adjustments for assets that are on rating watch negative prior to determining the issue rating

and/or in the determination of the lower of the Moody's and S&P public ratings.
