(a) summing the products of (i) the Principal Balance of each Collateral Obligation *multiplied by* (ii) the Moody's Rating Factor of such Collateral Obligation (as described below) and

(b) dividing such sum by the outstanding Principal Balance of all such Collateral Obligations.

"Weighted Average Moody's Recovery Rate": As of any date of determination, the number, expressed as a percentage, obtained by (A) summing the product of the Moody's Recovery Rate on such Measurement Date of each Collateral Obligation and the Principal Balance of such Collateral Obligation, dividing such sum by (B) the lesser of (i) the Reinvestment Target Par Balance and (ii) the Aggregate Principal Balance of all such Collateral Obligations and rounding up to the first decimal place; *provided* that if the Aggregate Principal Balance of all such Collateral Obligations is higher than 105% times the Reinvestment Target Par Balance, then the foregoing clause (A) will be multiplied by the percentage equal to the quotient of (i) 105% times the Reinvestment Target Par Balance, *divided by* (ii) the Aggregate Principal Balance of all such Collateral Obligations.

"Workout Obligation": A loan or Bond acquired by the Issuer resulting from, or received in connection with, the workout or restructuring of a Collateral Obligation which does not satisfy the Investment Criteria at the time of acquisition, but which (i) satisfies the definition of "Collateral Obligation" other than clauses (ii), ~~(iv)(A), (viii), (x), and (xvi)~~ thereof, (ii) is senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer (as applicable) and (iii) the Portfolio Manager reasonably expects that the acquisition of such Workout Obligation will result in a better overall recovery on the related Collateral Obligation, or that failing to acquire such Workout Obligation, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Portfolio Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the

Portfolio Manager for its other clients or investment vehicles managed by the Portfolio Manager). For the avoidance of doubt, such obligation shall not constitute an Equity Security.

"Zero-Coupon Obligation": Any obligation that at the time of purchase does not by its terms provide for the payment of cash interest.

1.2 **Assumptions as to Assets.** In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Debt, distributions on the Subordinated Notes or other amounts payable pursuant to this

Indenture. For purposes of the applicable determinations required by Section 10.6(b)(iv), Article 12 and the definition of "Interest Coverage Ratio," the expected interest on the Floating Rate Debt and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.

(h) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(i) For all purposes (including calculation of the Coverage Tests), the Principal Balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(j) For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified to the Collateral Trustee and Collateral Administrator as such by the Portfolio Manager at the time when compliance with the Investment Criteria is required to be calculated (a "**Trading Plan**") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within 15 days following the date of determination of such compliance (such period, the "**Trading Plan Period**"); *provided* that (v~~i~~) no Trading Plan may result in the purchase of Collateral Obligations having an aggregate principal balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (w~~ii~~) no Trading Plan Period may include a Determination Date, (x~~iii~~) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (y~~iv~~) no Trading Plan may result in the purchase of a group of Collateral Obligations constituting such Trading Plan if (A) the Average Life of any Collateral Obligation in such group is less than six months ~~and~~ or (B) the difference between the shortest

Average Life of any Collateral Obligation in such group and the longest Average Life of any Collateral Obligation in such group is greater than ~~three years and~~ 36 months, (zv) so long as the Investment Criteria are satisfied upon the expiry of such Trading Plan Period, the failure of all of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan and (vi) prices of Collateral Obligations purchased pursuant to a Trading Plan may not be averaged for purposes of determining whether a Collateral Obligation has a purchase price not less than the Minimum Purchase Price or determining whether a Collateral Obligation is a Discount Obligation; and *provided, further*, that the Portfolio Manager shall notify the Rating Agencies, the Collateral Trustee and the Collateral Administrator of the commencement or failure of any Trading Plan Period and any Collateral Obligations covered in such Trading Plan. Upon receiving notice of such commencement or failure of a Trading Plan from the Portfolio Manager, the Collateral Trustee shall post such notice on its internet website in accordance with Section 10.6(g) no later than the Business Day following receipt of such notice from the Portfolio Manager. In addition, if any Trading Plan commenced by the Portfolio Manager is not successfully completed, the Portfolio Manager will notify each Rating Agency before a subsequent Trading Plan may be commenced (and, following such notice, any number of additional Trading Plans may be executed subject to the other limitations in this paragraph).

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Portfolio Manager by notice to the Collateral Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(n) For the purposes of calculating compliance with each of the Concentration Limitations, all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(p) If withholding tax is imposed on (x) late payment fees, prepayment fees or ~~other~~-similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or ~~other~~-similar fees, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer or an Issuer Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Collateral Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of the actual number of days elapsed in the related Collection Period prorated for such Collection Period and shall be based on the average on the first and last day of such Collection Period of the sum of (i) the par value of the Collateral Obligations *plus* (ii) without duplication, Principal Proceeds and uninvested Cash proceeds in the Accounts.

(r) To the extent there is, in the reasonable determination of a Responsible Officer of the Collateral Administrator, any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent a Responsible Officer of the Collateral Administrator determines that more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Collateral Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(s) For purposes of calculating compliance with any tests hereunder (including the Target Initial Par Condition, Collateral Quality Test and Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used by the Collateral Administrator to determine whether and when such acquisition or disposition has occurred; *provided* that with respect to any Collateral Obligation received by the Issuer pursuant to an In-Kind Contribution, the date the Issuer accepts such In-Kind Contribution shall be used by the Collateral Administrator to determine whether and when the acquisition of such Collateral Obligation has occurred with respect to calculating compliance with any tests.

(t) The equity interest in any Issuer Subsidiary permitted under Section 7.4(c) and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture other than tax and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(u) For purposes of calculating the Reinvestment Target Par Balance, any proceeds of an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes designated as Interest Proceeds will be excluded.

(v) All calculations related to Maturity Amendments, Discount Obligations, Distressed Exchanges, Bankruptcy Exchanges, the Investment Criteria, Section 12.1 and Exchange Transactions (and definitions related to Maturity Amendments, Discount Obligations, Distressed Exchanges, Bankruptcy Exchanges, the Investment Criteria, Section 12.1 and Exchange Transactions) that would otherwise be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Secured Debt.

(w) For purposes of calculating the EU/UK Retained Interest and determining whether a Retention Deficiency has occurred, subject to clauses (a) through (c) of the definition of "Retention Basis Amount", the Principal Balance of any Asset shall be its Principal Balance in each case without any adjustments for acquisition price or the application of haircuts or other adjustments.

(x) For purposes of calculating compliance with clauses (ii) and (xx) of the Concentration Limitations, the principal balance of any Bond shall be its principal balance without any adjustments for acquisition price or the application of haircuts or other adjustments.

(~~y~~) With respect to any notice period set forth herein, such period may be shortened with the written consent of each party required to receive such notice.

(z) As the Class A Loans will no longer be Outstanding on and after the Refinancing Date, all references in this Indenture to (i) the Debt shall refer to the Notes only and (ii) "Credit Agreement", "Loan Agent", "Loan Register" and "Class A Loans" shall no longer be applicable and shall be disregarded, in each case, on and after the Refinancing Date.

(~~yaa~~) Any reference to "execute", "executed", "sign", "signed", "signature" or any other like term hereunder shall include execution by electronic signature (including, without limitation, any .pdf file, .jpeg file, or any other electronic or image file, or any "electronic signature" as defined under E-SIGN or ESRA, which includes any electronic signature provided using Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Collateral Trustee), except to the extent the Collateral Trustee requests otherwise. Any such electronic signatures shall be valid, effective and legally binding as if such electronic signatures were handwritten signatures and shall be deemed to have been duly and validly delivered for all purposes hereunder.

2. The Notes

2.1 **Forms Generally.** The Notes and the Collateral Trustee's or Authenticating Agent's certificate of authentication thereon (the "**Certificate of Authentication**") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any such Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Note.

2.2 **Forms of Notes.** (a) The forms of the Notes, including the forms of Certificated Notes, Regulation S Global Notes, and Rule 144A Global Notes, shall be as set forth in the applicable part of Exhibit A.

(b) **Regulation S Global Notes, Rule 144A Global Notes and Certificated Notes.**

(i) The Notes of each Class sold to persons who are not U.S. persons in offshore transactions in reliance on Regulation S which are not permitted to include Benefit Plan Investors or Controlling Persons, shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the applicable form attached as Exhibit A (each, a "**Regulation S Global Note**"), and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Collateral Trustee as custodian for, and registered in the name of a nominee of, DTC for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided.

(ii) The Notes of each Class sold to persons that are QIB/QPs shall each be issued initially in the form of one permanent global note per Class in definitive, fully registered form without interest coupons substantially in the applicable form attached as Exhibit A (each, a "**Rule 144A Global Note**") and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Collateral Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided. ERISA Restricted Securities sold to persons that are Benefit Plan Investors or Controlling Persons (other than Notes sold to initial investors on the Closing Date or the Refinancing Date, as applicable), shall be issued in the applicable form of Certificated Notes attached as Exhibit A.

(iii) The Notes sold to persons that are Institutional Accredited Investors who are also Qualified Purchasers (or corporations, partnerships, limited liability companies or other entities (other than trusts) each shareholder, partner, member or other equity owner of which is a Qualified Purchaser), shall, in each case, be issued in the form of Certificated Notes in the name of the beneficial owner or its nominee.

(iv) The aggregate principal amount of the Regulation S Global Notes and the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Collateral Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(c) **Book Entry Provisions.** This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Collateral Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Collateral Trustee, and any agent of the Applicable Issuer or the Collateral Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Collateral Trustee, or any agent of the Applicable Issuer or the Collateral Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

2.3 Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of Debt that may be authenticated and delivered under this Indenture and Class A Loans that may be incurred under the Credit Agreement is limited to U.S.\$505,000,000 aggregate principal amount of Notes (except for (i) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.5 of this Indenture or (ii) additional debt issued in accordance with Sections 2.13 and 3.2).

Such On and after the Refinancing Date, such Debt shall be *divided* into the Classes, having the designations, original principal amounts and other characteristics as follows:

- 1 The initial Benchmark is ~~the Benchmark~~ Term SOFR. Term SOFR for the first Interest Accrual Period commencing on the Refinancing Date will be determined by interpolating linearly between the rate for the next shorter period of time for which rates are available (regardless of whether it is a term rate) and the rate for the next longer period of time for which rates are available, namely between SOFR and the one-month Term SOFR Reference Rate. The Benchmark may be changed (which may include application of a Benchmark Replacement Adjustment) in connection with a Benchmark Transition Event pursuant to Section 2.15.
- 2 The spread over the Benchmark (or, in the case of any Fixed Rate Debt, the Interest Rate) applicable to any Re-Pricing Eligible Class may be reduced in connection with a Re-Pricing of such Class of Debt pursuant to Section 9.5 hereunder.

The Notes will be issued in the applicable Minimum Denominations. Notes shall only be transferred or resold in compliance with the terms of this Indenture.

2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual, facsimile or electronic signatures (as specified in Section 14.13 hereof) of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Collateral Trustee or the Authenticating Agent for authentication and the Collateral Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Collateral Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated and delivered after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal

amount of the Notes so transferred, exchanged or replaced. In the event that any Note is *divided* into more than one Note in accordance with this Article 2, the original principal amount of such Note shall be proportionately *divided* among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Collateral Trustee or by the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "**Note Register**") at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Collateral Trustee is hereby initially appointed "registrar" (the "**Note Registrar**") for the purpose of registering Notes and transfers of such Notes in the Note Register. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor. Ownership of the Class A Loans shall be determined by reference to the Loan Register.

If a Person other than the Collateral Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Collateral Trustee prompt written notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Register, and the Collateral Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Collateral Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Note Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser, [the Refinancing Initial Purchaser](#) or any Holder a current list of Holders as reflected in the Note Register.

Subject to this [Section 2.5](#), upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in [Section 7.2](#), the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount. At any time, the Initial Purchaser [or the Refinancing Initial Purchaser](#) may request a list of Holders from the Collateral Trustee.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes authenticated and delivered upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the

extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("**STAMP**") or such other "signature guarantee program" as may be determined by the Note Registrar in addition to, or in substitution for, **STAMP**, all in accordance with the Exchange Act.

No service charge shall be made for any registration of transfer or exchange of Notes, but the Co-Issuers, the Note Registrar or the Collateral Trustee may require payment of a sum sufficient to cover any ~~transfer tax or other governmental charge~~ **Tax** payable in connection therewith. The Note Registrar or Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) (i) No ERISA Restricted Security issued in the form of a Global Note may be transferred to a Benefit Plan Investor or a Controlling Person (other than Notes sold to initial investors on the Closing Date or the Refinancing Date, as applicable, with the approval of the Issuer), and the Collateral Trustee will not recognize any such transfer. Except as set forth in a subscription agreement accepted by or on behalf of the Issuer, the Initial Purchaser or the Refinancing Initial Purchaser on the Closing Date or the Refinancing Date, as applicable, each initial investor of an ERISA Restricted Security issued in the form of a Global Note or an interest therein will be required to represent and warrant, and each subsequent transferee of an ERISA Restricted Security issued in the form of a Global Note or an interest therein will be deemed to have represented and warranted, that: (A) it is not, and for so long as it holds such Note or interest therein, it will not be, and will not be acting on behalf of, a Benefit Plan Investor and is not a Controlling Person; and (B) if such Person is a governmental, church or other plan (i) it is not, and for so long as it holds such Notes (or interest therein) it will not be, subject to any Similar Law Look-through, and (ii) its acquisition, holding and disposition of its interest in such Note or interest therein will not constitute or result in a violation of any Similar Law.

(ii) No transfer of any ERISA Restricted Security (or any interest therein) will be effective, and the Collateral Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the relevant Class of ERISA Restricted Securities would be held by Persons who have represented that they are Benefit Plan Investors (the "**25% Limitation**"). For purposes of these calculations and all other calculations required by this sub-Section, (A) any Notes of the Issuer held by a

Controlling Person, the Collateral Trustee, the Portfolio Manager or any other Person that has represented that it is a Controlling Person and any of their respective affiliates shall be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person shall include any Person, directly or indirectly, through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. Without limiting the foregoing, no Benefit Plan Investor or Controlling Person may acquire ERISA Restricted Securities in the form of Global Notes (other than Notes sold to initial investors on the Closing Date or the Refinancing Date, as applicable, with the approval of the Issuer).

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Debt and payments of available Interest Proceeds to the Holders of the Subordinated Notes will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferrable Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferrable Notes, shall constitute "**Note Deferred Interest**" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Note Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferrable Notes and (iii) the Stated Maturity (or the earlier date of acceleration) of such Class of Deferrable Notes. Note Deferred Interest on any Class of Deferrable Notes shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (A) which is the Redemption Date with respect to such Class of Deferrable Notes and (B) which is the Stated Maturity (or the earlier date of acceleration) of such Class of Deferrable Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferrable Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferrable Notes) to pay previously accrued Note Deferred Interest, such previously accrued Note Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Note Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Class of Secured Debt, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, (x) interest on Note Deferred Interest with respect to any Class of Deferrable Notes shall accrue at the Interest Rate for such Class until paid as provided herein and (y) interest on any interest that is not paid when due on any Class A Debt

or Class B Note or, if no Class A Debt or Class B Notes are Outstanding, any Class C Note, or, if no Class C Notes are Outstanding, any Class D Note, or, if no Class D Notes are Outstanding, any Class E Note, shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The Subordinated Notes will receive on each Payment Date available Interest Proceeds, if any, pursuant to Section 11.1(a)(i) and the Subordinated Notes will receive on each Payment Date available Principal Proceeds, if any, pursuant to Section 11.1(a)(ii) in accordance with the Priority of Payments; *provided* that to the extent Interest Proceeds or Principal Proceeds are not so available for such purpose on any Payment Date, the payment that would otherwise have been paid on the Subordinated Notes if Interest Proceeds or Principal Proceeds had been available on such date, shall cease to be payable on such date or on any other date.

(c) The principal of any Debt of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Debt may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity (or the earlier date of Maturity) of such Class of Debt or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(d) Principal payments on the Debt will be made in accordance with the Priority of Payments and Section 9.1.

(e) As a condition to the payment of principal of and interest on any Secured Debt or any payment on any Subordinated Note without the imposition of U.S. withholding tax, the Paying Agent shall require the previous delivery of appropriate properly completed and signed U.S. federal income tax certifications (generally, an IRS Form W-9 (or applicable successor form) in the case of a ~~person that is a~~ United States Person or an appropriate IRS Form W-8 (or applicable successor form) (together with appropriate attachments) in the case of a person that is not a United States Person) or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Collateral Trustee, and any Paying Agent to determine their duties and liabilities with respect to any ~~taxes or other charges~~ Taxes that they may be required to deduct or withhold from payments on the Debt under any present or future law of the United States or any present or future law of any political subdivision of the United States or taxing authority in the United States or to comply with any reporting or other requirements under any such law.

The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Debt as a result of deduction or withholding for or on account of any ~~present or future~~ Taxes with respect to the Debt.

(f) Payments in respect of interest on and principal of any Secured Debt and distributions on the Subordinated Notes shall be made by the Collateral Trustee, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; *provided* that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Collateral Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Note Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Collateral Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that in the absence of notice to the Applicable Issuers or the Collateral Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Collateral Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Neither the Co-Issuers, the Collateral Trustee, the Portfolio Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity thereof), the Collateral Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Note Register or the Loan Register, as applicable, a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 original principal amount of Notes and the place where Notes may be presented and surrendered for such payment.

(g) Payments to Holders of the Debt of each Class shall be made ratably among the Holders of the Debt of such Class in the proportion that the Aggregate Outstanding Amount of the Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Debt of such Class on such Record Date. All payments on the Class A Loans shall be made by the Collateral Trustee or the applicable Paying Agent to the Loan Agent for disbursement in accordance with the Credit Agreement.

(h) Interest accrued with respect to any Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to any Fixed Rate Debt will be calculated based on a 360-day year consisting of twelve 30-day months.

(i) All reductions in the principal amount of a Note (or one or more predecessor Note) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note

issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(j) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Debt, this Indenture and the Credit Agreement from time to time and at any time are limited recourse obligations of the Applicable Issuers payable solely from the Assets available at such time and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member or incorporator of the Co-Issuers, the Collateral Trustee, the Portfolio Manager, the [Initial Purchaser, the Refinancing](#) Initial Purchaser or their respective Affiliates, successors or assigns for any amounts payable under the Debt, this Indenture or the Credit Agreement. It is understood that the foregoing provisions of this paragraph (j) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Debt or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (j) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt, this Indenture or the Credit Agreement, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(k) Subject to the foregoing provisions of this [Section 2.7](#), each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Collateral Trustee and any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Note Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuers, the Collateral Trustee or any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall be affected by notice to the contrary.

2.9 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, or surrendered by the Issuer in connection with a repurchase of Secured Debt pursuant to [Section 2.14](#) shall be promptly canceled by the Collateral Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein (including pursuant to [Section 2.14](#) of this Indenture), or for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen. Any such Notes shall, if surrendered to any Person other than the Collateral Trustee, be delivered to the Collateral Trustee. No Notes shall be authenticated or registered in lieu of or in

exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Collateral Trustee shall be destroyed or held by the Collateral Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it.

2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x) (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Collateral Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Collateral Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in sub-Section(a) of this Section 2.10, the Co-Issuers will promptly make available to the Collateral Trustee a reasonable supply of Certificated Notes.

(e) In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by sub-Section (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article 5 of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Collateral Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership.

2.11 Notes Beneficially Owned by Persons Not QIB/QPs or Institutional Accredited Investors and Qualified Purchasers or in Violation of ERISA Representations or Holder AML Obligations. (a) Notwithstanding anything to the contrary elsewhere in this

Indenture, any transfer of a beneficial interest in any Note to a U.S. person that is not a Qualified Institutional Buyer or an Institutional Accredited Investor, in each case who is also a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust) each shareholder, partner, member or other equity owner of which is a Qualified Purchaser), and that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act, in each case shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(b) If any U.S. person that is not both (i) a Qualified Institutional Buyer or, solely in the case of a Certificated Note, an Institutional Accredited Investor and (ii) a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust) each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) or that does not have an exemption available under the Securities Act and the Investment Company Act shall become the Holder or beneficial owner of an interest in any Note (any such person a "**Non-Permitted Holder**"), the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Collateral Trustee (or, upon notice by the Collateral Trustee (if a Trust Officer of the Collateral Trustee obtains actual knowledge), or the Co-Issuer to the Issuer, if any of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest in the Notes to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes or interest therein, the Issuer or the Portfolio Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder and on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; *provided* that the Portfolio Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Portfolio Manager shall be entitled to bid in any such sale. However, the Issuer (or the Portfolio Manager acting for the Issuer) may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any ERISA Restricted Security to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership would otherwise cause the 25% Limitation to be exceeded shall be null and void and any such

purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction representation or a Benefit Plan Investor, Controlling Person, Similar Law Look-through or Similar Law representation required by Section 2.5 that is subsequently shown to be false or misleading or, with respect to the ERISA Restricted Securities, whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such person a "**Non-Permitted ERISA Holder**"), such holding shall be void and the Issuer shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Collateral Trustee (if a Trust Officer of the Collateral Trustee obtains actual knowledge), or the Co-Issuer to the Issuer, if any of them makes the discovery and who, in each case, agree to notify the Issuer of such discovery, send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes held by such Person to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 7 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Non-Permitted ERISA Holder's Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) and on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. However, the Issuer may select the purchaser by any other means it determines in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer, the Paying Agent, the Portfolio Manager and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(e) If any Person is a Holder of a Certificated Note or Note held outside of a clearing system and (i) fails for any reason to comply with the Holder AML Obligations, (ii) such information or documentation provided pursuant to the Holder AML Obligations is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance (any such Person, a "**Non-Permitted AML Holder**"), the Issuer (or any intermediary on the Issuer's behalf) shall have the right to send notice to such Non-Permitted AML Holder demanding that such Non-Permitted AML Holder transfer its interest to a person that is not a Non-Permitted AML Holder within 30 days of the date of such notice. If such Non-Permitted AML Holder fails to so transfer its Notes, the Issuer will have the right, without further notice to the Non-Permitted AML Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted AML Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or

more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; *provided* that the Issuer may select a purchaser by any other method determined by it in its sole discretion. The Holder of each Note, the Non-Permitted AML Holder and each other person in the chain of title from the holder to the Non-Permitted AML Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale will be remitted to the Non-Permitted AML Holder. The terms and conditions of any sale will be determined in the sole discretion of the Issuer, and the Issuer will not be liable to any person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

2.12 Treatment and Tax Certification. Tax Treatment; Tax Certifications.

(a) Each Holder (including for purposes of this [Section 2.12](#) any beneficial owner) of Notes agrees to treat (i) the Issuer as a [non-U.S.](#) corporation, (ii) the [Co-Issuer as a disregarded entity of the Issuer](#), (iii) the Secured Notes as debt [of the Issuer](#) and ~~(iiiiv)~~ (iv) the Subordinated Notes as equity [in the Issuer](#), in each case, for all U.S. federal, state and local income [and franchise](#) tax purposes and to take no action inconsistent with such treatment unless required by law, it being understood that this paragraph shall not prevent a Holder of Class E Notes from making a protective "qualified electing fund" ("QEF") election (as defined in the Code) and filing protective information returns with respect to [the Issuer and its investments in](#) such Notes.

(b) Each Holder will timely furnish the Issuer or its agents any [properly completed and signed](#) tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request [and any other information that is reasonably requested by the Issuer or its agents](#) in order to enable the Issuer or its agents to (A) make payments to such Holder without, or at a reduced rate of, deduction or withholding, (B) qualify for [an exemption from, or](#) a reduced rate of deduction or withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer. ~~Amounts~~ [and that amounts](#) withheld pursuant to applicable tax laws by the Issuer or its agents [that are, in their sole judgment, required to be withheld pursuant to applicable tax laws](#) will be treated as having been paid to such Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer and any non-U.S. Issuer Subsidiary to achieve Tax Account Reporting Rules Compliance [and take any other actions that the Issuer, the Collateral Trustee, or their respective agents or representatives deem necessary to achieve Tax Account Reporting Rules Compliance](#). In the

event such Holder fails to provide or update such information or documentation, or to the extent that its ownership of Notes would otherwise prevent the Issuer or any non-U.S. Issuer Subsidiary from achieving Tax Account Reporting Rules Compliance, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to each Holder as compensation for any tax, fines or penalties imposed under the Tax Account Reporting Rules as a result of such failure or such Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer or any non-U.S. Issuer Subsidiary as a result of such failure or such Holder's ownership, the Issuer will have the right to compel such Holder to sell its Notes and, if such Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the ~~beneficial owner~~ Holder as payment in full for such Notes. ~~The~~ Each Holder agrees that the Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. ~~The beneficial owner agrees and~~ that the Issuer, any non-U.S. Issuer Subsidiary, the Collateral Trustee, and its agents may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that each of the Issuer and any non-U.S. Issuer Subsidiary achieves Tax Account Reporting Rules Compliance.

(d) Each Holder of Class E Notes or Subordinated Notes that is not a United States Person represents that it has not purchased ~~the~~ such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed with respect to payments on the Collateral Obligations if the Collateral Obligations were held directly by ~~such investor~~ the Holder) and either:

(i) It is not a "bank" (within the meaning of Section 881(c)(3)(A) of the Code);

(ii) After giving effect to its purchase of Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations Section 1.881-3);

(iii) It has provided an IRS Form W-8ECI (or successor form) representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business ~~in~~ within the United States for U.S. federal income tax purposes and includible in its gross income; or

(iv) It has provided an IRS Form W-8BEN-E (or successor form) representing that it is eligible for benefits under an income tax treaty with the United States ~~under which withholding taxes on~~ that eliminates U.S. federal income taxation of U.S. source interest payments made by obligors resident not attributable to a permanent establishment in the United States to such beneficial owner are reduced to 0%.

(e) Each Holder of Subordinated Notes will not treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or ~~other~~ similar business for purposes of ~~Section~~Sections 954(h) and (i)(2) of the Code.

(f) If a Holder owns more than 50% of the Subordinated Notes by value or ~~if such Holder~~ is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), such Holder represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and/or any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(g) ~~Such~~Each Holder will provide the Issuer and the Collateral Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Collateral Trustee, as applicable) for the Issuer and the Collateral Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in its Notes and (B) any additional information that the Issuer, the Collateral Trustee or their agents request in connection with any 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. ~~Each~~Each Holder acknowledges that the Issuer or the Collateral Trustee may provide such information and any other information concerning its investment in the Notes to the IRS.

2.13 Additional Issuance. (a) At any time (or, solely with respect to an issuance or incurrence of additional Secured Debt, during the Reinvestment Period only), the Co-Issuers may issue and/or incur and sell Junior Mezzanine Notes and/or additional debt of any one or more existing Classes and (subject, in the case of additional debt of an existing Class of Secured Debt, to Section 2.13(a)(vi)) use the proceeds to purchase additional Collateral Obligations (*provided* that no Retention Deficiency would occur as a result thereof, as determined by the Portfolio Manager), to pay expenses related to such issuance (or, in the case of the Class A Loans, incurrence), for any Permitted Use (solely with respect to an issuance of Junior Mezzanine Notes and/or Subordinated Notes and if designated by the Portfolio Manager in its sole discretion); *provided* that the following conditions are met:

(i) the Portfolio Manager consents to such issuance or incurrence, as applicable, and such issuance or incurrence, as applicable, is consented to by a

Majority of the Subordinated Notes and, if such issuance and/or incurrence is an issuance or incurrence of Class A Debt, a Majority of the Controlling Class; *provided* that the consent of a Majority of the Subordinated Notes and a Majority of the Controlling Class will not be required if the Portfolio Manager has determined, in its sole discretion, that such issuance or incurrence, as applicable, is required for compliance with either (x) the U.S. Risk Retention Rules by the Portfolio Manager and/or the "sponsor" (as such term is defined in the U.S. Risk Retention Rules) or (y) the EU/UK Risk Retention Requirements by the Portfolio Manager or the Retention Holder (any such issuance or incurrence, as applicable, described in the foregoing clauses (x) and (y), a "**Risk Retention Issuance**");

(ii) in the case of additional debt of any one or more existing Classes of Secured Debt, the terms of the debt issued must be identical to the respective terms of previously issued debt of the applicable Class (except that the interest, if any, due on additional debt will accrue from the issue date of such additional debt, and the interest rate and price of such debt does not have to be identical to those of the initial Debt of that Class; *provided* that the spread over the Benchmark (or, in the case of any Fixed Rate Debt, the Interest Rate) with respect to such debt may not exceed the spread over the Benchmark (or, in the case of any Fixed Rate Debt, the Interest Rate) applicable to the initial Debt of that Class);

(iii) if any additional Class A Debt is being issued at a Cash sales price for less than the principal amount thereof, a Majority of the Controlling Class has consented thereto;

(iv) in the case of additional debt of any one or more existing Classes, unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued or such issuance or incurrence, as applicable, is a Risk Retention Issuance, additional debt of all Classes of Debt must be issued and such issuance or incurrence, as applicable, of additional debt must be proportional across all Classes of Debt; *provided* that the principal amount of Subordinated Notes and/or Junior Mezzanine Notes issued in any such issuance or incurrence, as applicable, may exceed the proportion otherwise applicable to the Subordinated Notes and/or Junior Mezzanine Notes;

(v) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, Rating Agency Confirmation has been obtained from Moody's with respect to any Outstanding Secured Debt of any Class not constituting part of such additional issuance or incurrence, as applicable (or deemed inapplicable pursuant to Section 14.17); *provided* that if only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, the Issuer notifies the Rating Agencies of such issuance prior to the issuance date; *provided, further*, that Rating Agency Confirmation will not be required in connection with a Risk Retention Issuance;

(vi) the proceeds of any additional debt (net of fees and expenses incurred in connection with such issuance or incurrence, as applicable) will be (A) with the consent of a Majority of the Subordinated Notes, treated as Principal Proceeds and used to purchase additional Collateral Obligations (*provided* that no Retention Deficiency would occur as a result thereof, as determined by the Portfolio Manager), (B) used to invest in Eligible Investments, (C) with the consent of a Majority of the Subordinated Notes, applied as Principal

Proceeds pursuant to the Priority of Payments, (D) used to pay the expenses incurred in connection with such issuance or incurrence, as applicable, or (E) solely in the case of an issuance of additional Subordinated Notes and/or Junior Mezzanine Notes, in the sole discretion of the Portfolio Manager, used for any Permitted Use; *provided* that in the case of clause (E), any such proceeds treated as Principal Proceeds for purposes of evaluating compliance with the condition in Section 2.13(a)(vii)(x) shall not be subsequently re-designated as other than Principal Proceeds;

(d) unless it continues for a period of 60 days (rather than, and not in addition to, such 45-day period specified above) after delivery of a Default Notice; *provided, further*, that any failure to effect a Refinancing, Optional Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default ~~unless such failure continues for 60 calendar days after such Redemption Date;~~

(e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Collateral Trustee and (iii) the Portfolio Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer of the Collateral Trustee, the Collateral Trustee shall, not later than one Business Day thereafter, notify the Noteholders (as their names appear on the Note Register or the Loan Register, as applicable), each Paying Agent, DTC, the Cayman Islands Stock Exchange (for so long as any Class of Notes is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require) and each of the Rating Agencies of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Collateral Trustee shall upon the written direction of a Majority of the Controlling Class, by notice to the Co-Issuers and each Rating Agency, declare the principal of all Secured Debt to be immediately due and payable (the principal of the Secured Debt becoming immediately due and payable, whether by such a declaration or automatically as described in the following sentence, an "**acceleration**"), and upon any such declaration the principal of the Secured Debt, together with all accrued and unpaid interest thereon (including, in the case of the Deferrable Notes, any Note Deferred Interest), and other amounts payable hereunder, through the date of acceleration, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, such an acceleration will occur, and other amounts payable hereunder shall automatically become due and payable without any declaration or other act on the part of the Collateral Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee as hereinafter provided in this Article 5, a Majority of the Controlling Class by written notice to the Issuer, the Collateral Trustee and the Portfolio Manager, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Collateral Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Note Deferred Interest at the applicable Interest Rate; and

(C) all unpaid Taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Collateral Trustee hereunder or under the Credit Agreement or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Senior Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Senior Management Fees; and

(ii) it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Collateral Trustee, with a copy to the Portfolio Manager, has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Debt will not be subject to acceleration by the Collateral Trustee or the Holders of a

Majority of the Controlling Class solely as a result of the failure to pay any amount due on Debt that is not of the Controlling Class.

5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers will, upon demand of the Collateral Trustee, pay to the Collateral Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Trustee and its agents or representatives and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Collateral Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Trustee shall deem most effectual (if no such direction is received by the Collateral Trustee) or as the Collateral Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Collateral Trustee, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Trustee (including any claim for reasonable compensation to the Collateral Trustee and each predecessor Collateral Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee, except as a result of negligence or bad faith) and of the Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Collateral Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders to make payments to the Collateral Trustee, and, in the event that the Collateral Trustee shall consent to the making of payments directly to the Holders to pay to the Collateral Trustee such amounts as shall be sufficient to cover reasonable compensation to the Collateral Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Collateral Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders, any plan of reorganization, arrangement, adjustment or composition affecting the Debt or any Holder thereof, or to authorize the Collateral Trustee to vote in respect of the claim of any Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Collateral Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Collateral Trustee shall be a party), the Collateral Trustee shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Debt has been declared or have become due and payable (an "**Acceleration Event**") and such Acceleration Event and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Collateral Trustee may, and shall, upon

written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Trustee and the Holders of the Secured Debt hereunder (including exercising all rights of the Collateral Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Collateral Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Debt, which may be the Initial Purchaser or the Refinancing Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Collateral Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall (subject to its rights under this Indenture), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party or Holder may bid for and purchase the

Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Collateral Trustee and the Holders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Collateral Trustee, the Secured Parties or the Holders may (and the Holders of each Class of Debt agree, for the benefit of all Holders of each Class of Debt, that they shall not), prior to the date which is one year (or, if longer, the applicable preference period then in effect) and one day after the payment in full of the Debt and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Collateral Trustee, any Secured Party or any Holder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Trustee, such Secured Party or such Holder, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Issuer Subsidiary, the Issuer, the Co-Issuer or such Issuer Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, will promptly object to the institution of any such Proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment, or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer, the Issuer or any Issuer Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative

Expenses. Any person who acquires a beneficial interest in any Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(e) In the event one or more Holders or beneficial owners of Debt cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary prior to the expiration of the period described in Section 5.4(d), any claim that such Holder(s) or beneficial owner(s) have against the Issuer (including under all Notes of any Class held by such Holder(s) or beneficial owner(s)) or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments set forth in Section 11.1 and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder or beneficial owner of any Debt (and each other Secured Party) that does not seek to cause any such filing, with such subordination being effective until any Debt held by each Holder or beneficial owner of any Debt (and each claim of each other Secured Party) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments described in Section 11.1(a)(iii) (after giving effect to such subordination). The foregoing agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the United States Bankruptcy Code. The Issuer shall direct the Collateral Trustee to segregate payments and take other reasonable steps to effect the foregoing, including obtaining a separate CUSIP for the Notes of each Class held by such Holder(s) or beneficial owner(s).

5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Collateral Trustee shall retain the Assets securing the Secured Debt intact (*provided* that certain types of Collateral Obligations may continue to be sold by the Issuer pursuant to Section 12.1), collect all payments in respect of the Assets and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article 10, Article 12 and Article 13 unless either:

(i) the Collateral Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including accrued and unpaid Note Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including any amounts due and owing, and anticipated to be due and owing, as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid Senior Management Fee) and a Supermajority of the Controlling Class agrees with such determination; or

(ii) (x) if the Class A Debt are outstanding and an Event of Default referred to in clause (a), clause (e) or clause (f) (*provided* that such Event of Default referred to in clause (e) or clause (f) applies in respect of the Issuer) or clause (g) of the definition thereof has occurred and is continuing, a Supermajority of the Class A Debt directs the sale and liquidation of the Assets or (y) if any other Event of Default has occurred and is continuing, a Supermajority of each Class of the Secured Debt (voting separately by Class (other than Pari Passu Classes, which will vote together as a single Class for this purpose)) direct the

sale and liquidation of the Assets. Any Holder of Subordinated Notes shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold in connection with any sale and liquidation.

The Collateral Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Portfolio Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to preserve the Assets securing the Secured Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee shall obtain, with the cooperation of the Portfolio Manager, bid prices with respect to each security or obligation contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market in such securities or obligations and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security or obligation. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Collateral Trustee shall deliver to the Holders, and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Collateral Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Collateral Trustee retains the Assets pursuant to Section 5.5(a)(i).

5.6 Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Collateral Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

5.7 Application of Money Collected. Any Money collected by the Collateral Trustee with respect to the Debt pursuant to this Article 5 and any Money that may then be held or thereafter received by the Collateral Trustee with respect to the Debt hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Collateral Trustee. Upon the final distribution of all proceeds of

any liquidation effected hereunder, the provisions of Section 4.1(a)(ii) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article 4.

5.8 Limitation on Suits. No Holder of any Debt shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder or under the Credit Agreement or under the Debt, unless:

(a) such Holder has previously given to the Collateral Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made a written request to the Collateral Trustee to institute Proceedings in respect of such Event of Default in its own name as Collateral Trustee hereunder and such Holder or Holders have provided the Collateral Trustee indemnity reasonably satisfactory to the Collateral Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Collateral Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Collateral Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Debt shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Debt of the same Class or to enforce any right under this Indenture or the Credit Agreement, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Collateral Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Collateral Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Collateral Trustee, in its sole discretion, may determine what action, if any, shall be taken.

5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.7(j), but notwithstanding any other provision of this Indenture, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Debt

still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

5.10 Restoration of Rights and Remedies. If the Collateral Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Collateral Trustee or to such Holder, then and in every such case the Co-Issuers, the Collateral Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Collateral Trustee and the Holder shall continue as though no such Proceeding had been instituted.

5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Trustee or any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article 5 or by law to the Collateral Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Trustee or by the Holders.

5.13 Control by Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Collateral Trustee may take any other action deemed proper by the Collateral Trustee that is not inconsistent with such direction;

(c) the Collateral Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Collateral Trustee to undertake a Sale of the Assets must also satisfy the requirements of Section 5.5.

5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee, as provided in this Article 5, a Majority of the Controlling Class may on behalf of the Holders of all the Debt waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Debt (which may be waived only with the consent of the Holder of such Secured Debt);

(b) in the payment of interest on the Secured Debt of the Controlling Class (which may be waived only with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of any Outstanding Debt materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18.

In the case of any such waiver, the Co-Issuers, the Collateral Trustee and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Collateral Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager, and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Debt by such Holder's acceptance thereof or its entry into the Credit Agreement, as applicable, shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Collateral Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Collateral Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Collateral Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

5.16 **Waiver of Stay or Extension Laws.** The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Collateral Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

5.17 **Sale of Assets.** (a) The power to effect any sale (a "**Sale**") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Collateral Trustee may upon notice to the Holders (with a copy to the Portfolio Manager), and shall (subject to its rights under this Indenture), upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Collateral Trustee shall be authorized to deduct the reasonable and documented out-of-pocket costs, charges and expenses (including reasonable attorneys' fees and expenses) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Collateral Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Collateral Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("**Unregistered Securities**"), the Collateral Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Collateral Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Collateral Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser

or transferee at such a sale shall be bound to ascertain the Collateral Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

5.18 **Action on the Notes.** The Collateral Trustee's right to seek and recover judgment on the Debt or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Collateral Trustee or the Holders shall be impaired by the recovery of any judgment by the Collateral Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

6. The Collateral Trustee

6.1 **Certain Duties and Responsibilities.** (a) Except during the continuance of an Event of Default:

(i) the Collateral Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Collateral Trustee; and

(ii) in the absence of bad faith on its part, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, advice or opinions furnished to the Collateral Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates, advice or opinions which by any provision hereof are specifically required to be furnished to the Collateral Trustee, the Collateral Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Collateral Trustee within 15 days after such notice from the Collateral Trustee, the Collateral Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Collateral Trustee has occurred and is continuing, the Collateral Trustee shall, prior to the receipt of written directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Collateral Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-Section shall not be construed to limit the effect of sub-Section (a) of this Section 6.1;

(ii) the Collateral Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Collateral Trustee was negligent in ascertaining the pertinent facts;

(iii) the Collateral Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee, or exercising any trust or power conferred upon the Collateral Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability is reasonably expected (as determined by the Collateral Trustee) not to exceed the amount payable to the Collateral Trustee pursuant to Section 11.1(a)(i)(A) on the immediately succeeding Payment Date net of the amounts specified in Section 6.7(a), the Collateral Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article 5, under this Indenture (and it is hereby expressly acknowledged and agreed for the purposes of this sub-clause only, without implied limitation, that the enforcement or exercise of rights and remedies under Article 5 and/or the commencement of or participation in any legal proceeding does not constitute "ordinary services"); and

(v) in no event shall the Collateral Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including lost profits) even if the Collateral Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e), or (f) or any other matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default or other matter, as the case may be, is received by the Collateral Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. For purposes of determining the Collateral Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Collateral Trustee receiving written notice from the Portfolio Manager that an event constituting "Cause" as defined in the Portfolio Management

Agreement has occurred, the Collateral Trustee shall, not later than one Business Day thereafter, notify the Holders (as their names appear in the Note Register or the Loan Register, as applicable). In addition, the Collateral Trustee shall deliver all notices to the Holders forwarded to the Collateral Trustee by the Issuer or the Portfolio Manager for the purpose of delivery to the Holders.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Collateral Trustee shall be subject to the provisions of this Section 6.1 or Section 6.3.

6.2 Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Collateral Trustee or after any declaration of acceleration has been made or delivered to the Collateral Trustee pursuant to Section 5.2, the Collateral Trustee shall transmit by mail to the Portfolio Manager, the Co-Issuers, each Rating Agency, and all Holders, as their names and addresses appear on the Note Register or the Loan Register, as applicable, notice of all Defaults hereunder known to the Collateral Trustee, unless such Default shall have been cured or waived.

6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Collateral Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper, electronic transmission or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Any electronically signed document delivered via electronic mail or other transmission method from a person purporting to be an Authorized Officer shall be considered signed or executed by such Authorized Officer on behalf of the applicable Person. The Collateral Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Collateral Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Collateral Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Collateral Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in obligations or securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Collateral Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon and the Collateral Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of determining and discharging its rights and duties hereunder;

(e) the Collateral Trustee shall be under no obligation to exercise, enforce or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Collateral Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Collateral Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Collateral Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Collateral Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that the Collateral Trustee shall, and shall cause its agents or representatives to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory or governmental authority and (ii) to the extent that the Collateral Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided, further,* that the Collateral Trustee may disclose on a confidential basis any such information to its agents or representatives, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Collateral Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Collateral Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Collateral Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Collateral Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Portfolio Manager (unless and except to the extent otherwise expressly set forth herein) and the Collateral Trustee shall not be liable for actions or omissions of, or any inaccuracies in the records of, the

Co-Issuers, the Portfolio Manager, DTC, Euroclear or Clearstream (other than any actions, omissions or inaccuracies in the records thereof made by the Collateral Trustee);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Collateral Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Collateral Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Collateral Trustee shall not be liable for the actions or omissions of the Portfolio Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Collateral Trustee) and without limiting the foregoing, the Collateral Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement, or to verify or independently determine the accuracy of information received by the Collateral Trustee from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets; and, with respect to each Floating Rate Obligation, neither the Collateral Trustee nor the Collateral Administrator shall have any responsibility or liability to (i) monitor the status of the Benchmark or other applicable Benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitute index, and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Collateral Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Collateral Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank is also acting in the capacity of Collateral Administrator, the Loan Agent, Paying Agent, Note Registrar, Transfer Agent, Custodian, Calculation Agent, Securities Intermediary or the 17g-5 Information Agent, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Article 6 shall also be afforded to the Bank acting in such capacities; *provided* however, that the foregoing shall not be construed to impose upon the Collateral Administrator, Paying Agent, Note Registrar, Transfer Agent, Custodian, Calculation Agent, Securities Intermediary or the 17g-5 Information Agent any of the duties or standards of care (including without limitation any duties of a prudent person) of the Collateral Trustee; *provided, further*, however, that the foregoing shall not be construed to impose upon the Collateral Administrator, the Loan Agent, Paying Agent, Note Registrar, Transfer Agent, Custodian, Calculation Agent, Securities

Intermediary or the 17g-5 Information Agent any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Collateral Trustee;

(n) any permissive right of the Collateral Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Collateral Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Collateral Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Collateral Trustee at the Corporate Trust Office and such notice references the Debt generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Collateral Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Collateral Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Collateral Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control;

(r) to help fight the funding of terrorism and money laundering activities, the Collateral Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Collateral Trustee. The Collateral Trustee will ask for the name, address, tax identification number and other information that will allow the Collateral Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Collateral Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Collateral Trustee that the Collateral Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by electronic mail will be encrypted;

(t) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Collateral Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator;

(u) in making or disposing of any investment permitted by this Indenture, the Collateral Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(v) the Collateral Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Collateral Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) neither the Collateral Trustee nor the Collateral Administrator shall have any obligation or duty to determine or otherwise monitor the Issuer's, the Retention Holder's or the Portfolio Manager's compliance with the U.S. Risk Retention Rules, the EU/UK Risk Retention Requirements, the Transparency and Reporting Requirements, the Securitization Regulations or the Tax Account Reporting Rules or AML Compliance; and

(y) the Collateral Trustee and the Collateral Administrator shall be entitled to conclusively rely on the Portfolio Manager with respect to whether or not a Collateral Obligation meets the criteria specified in the definition thereof and for the characterization, classification, designation or categorization of each Collateral Obligation to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature or based on information not readily available to the Collateral Trustee and Collateral Administrator.

6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Collateral Trustee assumes no responsibility for their correctness. The Collateral Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Collateral Trustee's obligations hereunder), the Assets or the Notes. The Collateral Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

6.5 May Hold Debt. The Collateral Trustee, the Loan Agent, any Paying Agent, Note Registrar, or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, the Loan Agent, Paying Agent, Note Registrar or such other agent.

6.6 Money Held in Trust. Money held by the Collateral Trustee hereunder shall be held in trust to the extent required herein. The Collateral Trustee shall be under no

liability for interest on any Money received by it hereunder except to the extent of income or other gain actually received by the Collateral Trustee on Eligible Investments.

6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Collateral Trustee, [the Custodian, the Securities Intermediary](#) and the Bank in each of its capacities hereunder and under the other Transaction Documents on each Payment Date reasonable compensation, as set forth in a separate fee schedule dated on or about the Closing Date, for all services rendered by it and the Bank hereunder and under the other Transaction Documents (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to pay or reimburse the Collateral Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Collateral Trustee, [the Custodian, the Securities Intermediary](#) and the Bank in any of its other capacities in accordance with any provision of this Indenture and the other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents or representatives and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Trustee pursuant to [Section 5.4](#), [5.5](#), [6.3\(c\)](#) or [10.6](#), except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Collateral Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager;

(iii) to indemnify the Collateral Trustee, the Loan Agent and their respective officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or documented out-of-pocket expense (including reasonable attorney's fees and costs of outside counsel and experts) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture or the enforcement of the provisions hereof, including the Issuer's indemnity obligations, and the transactions contemplated hereby, including costs and expenses (including reasonable and documented fees and costs of attorneys) incurred without negligence, willful misconduct or bad faith on their part in connection with (i) defending themselves against any claim (whether brought by or involving the Issuer or any third party) or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto and (ii) enforcing their rights (including any indemnification rights) hereunder against the Issuer; and

(iv) to pay the Collateral Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees and expenses) for any collection action taken pursuant to [Section 6.13](#).

(b) The Collateral Trustee shall receive amounts pursuant to this [Section 6.7](#) and any other amounts payable to it under this Indenture only as provided in the Priority of Payments and only to the extent that funds are available for the payment thereof.

Subject to Section 6.9, the Collateral Trustee shall continue to serve as Collateral Trustee under this Indenture notwithstanding the fact that the Collateral Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Collateral Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Collateral Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Collateral Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.

(c) The Collateral Trustee hereby agrees not to cause the filing of a petition in bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction, with respect to the Issuer, Co-Issuer or any Issuer Subsidiary until at least one year and one day, or if longer the applicable preference period then in effect *plus* one day, after the payment in full of the Debt (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture or incurred under the Credit Agreement.

(d) The Issuer's obligations to the Collateral Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Collateral Trustee. When the Collateral Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or (f), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having (i) a CR Assessment of at least "Baa3(cr)" by Moody's (or, if such organization or entity has no CR Assessment, a ~~senior unsecured~~ long-term ~~debt issuer~~ rating of at least "Baa3" by Moody's) and (ii) having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Collateral Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6-; *provided that if the Collateral Trustee is downgraded by Moody's below the minimum rating provided in this Section 6.8, the Collateral Trustee may obtain a Rating Agency Confirmation and upon receipt of such Rating Agency Confirmation the Collateral Trustee shall be deemed to be eligible for purposes of this Section 6.8 until any further downgrade of the Collateral Trustee's rating by Moody's.*

6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Collateral Trustee and no appointment of a successor Collateral

Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Collateral Trustee under Section 6.10. If at any time the Bank shall resign or be removed as Loan Agent under the Credit Agreement, such resignation or removal shall not be deemed to be a resignation or removal of the Bank as Collateral Trustee.

(b) The Collateral Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders of the Debt and each Rating Agency. Upon receiving such notice of resignation or if the Collateral Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Collateral Trustee for any reason (other than resignation), the Co-Issuers shall promptly appoint a successor Collateral Trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Collateral Trustee so resigning and one copy to the successor Collateral Trustee or Collateral Trustees, together with a copy to each Holder, and the Portfolio Manager; *provided* that such successor Collateral Trustee shall be appointed only upon the written consent of a Majority of the Debt of each Class or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class. If no successor Collateral Trustee shall have been appointed and an instrument of acceptance by a successor Collateral Trustee shall not have been delivered to the Collateral Trustee within 30 days after the giving of such notice of resignation, removal or incapability or the occurrence of such vacancy, a successor Collateral Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. If no successor Collateral Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, the resigning Trustee or, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee satisfying the requirements of Section 6.8. The successor Collateral Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Collateral Trustee and supersede any successor Collateral Trustee proposed by the Co-Issuers.

(c) The Collateral Trustee may be removed at any time by Act of a Majority of each Class of Secured Debt (voting separately by Class (other than Pari Passu Classes, which will vote together as a single Class for this purpose)) and the consent of the Issuer or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Collateral Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Collateral Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by a Majority of the Controlling Class; or

(ii) the Collateral Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Trustee or of its property shall be appointed or any public officer shall take charge or control of the Collateral Trustee or of its property or affairs for the purpose of rehabilitation, conservation or

liquidation; then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Collateral Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

Each notice shall include the name of the successor Collateral Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within 10 days after acceptance of appointment by the successor Collateral Trustee, the successor Collateral Trustee shall cause such notice to be given at the expense of the Co-Issuers.

6.10 Acceptance of Appointment by Successor. Every successor Collateral Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Collateral Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Debt or the successor Collateral Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Collateral Trustee all property and Money held by such retiring Trustee hereunder. Any organization or entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Trustee, shall be the successor of the Collateral Trustee hereunder; *provided* that such organization or entity shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Collateral Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may

adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Collateral Trustee had itself authenticated such Notes.

6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Collateral Trustee shall have power to appoint one or more Persons meeting the eligibility requirements set forth in Section 6.8 to act as co-trustee (subject to the written notice thereof to each Rating Agency), jointly with the Collateral Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Collateral Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder, shall be exercised, solely by the Collateral Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Collateral Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Collateral Trustee or by the Collateral Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Collateral Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Collateral Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. (d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Collateral Trustee hereunder;

6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Collateral Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Collateral Trustee shall promptly notify the Issuer and the Portfolio Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Collateral Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Collateral Trustee in accordance with Section 10.2(a), the Collateral Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Collateral Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Collateral Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Collateral Trustee shall, and if the Collateral Trustee so chooses the Collateral Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Collateral Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation

or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Collateral Trustee and the Issuer. The Collateral Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Collateral Trustee, upon the written request of the Issuer, shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Collateral Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

6.15 Withholding. If any withholding Tax is imposed on the Issuer's payment under the Debt by law or pursuant to the Issuer's agreement with a governmental authority, such Tax shall reduce the amount otherwise distributable to the relevant Holder. The Collateral Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Collateral Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Debt shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Trustee and remitted to the appropriate taxing authority. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Collateral Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Collateral Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Collateral Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Debt.

6.16 Representative for Holders Only; Agent for each other Secured Party. With respect to the security interest created hereunder, the delivery of any Asset to the Collateral Trustee is to the Collateral Trustee as representative of the Holders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Collateral Trustee of any Asset, the endorsement to or registration in the name of the Collateral Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Collateral Trustee in its capacity as representative

The Co-Issuers hereby appoint the Collateral Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Collateral Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; *provided* that no paying agent shall be appointed in a jurisdiction which subjects payments on the Debt to withholding Tax solely as a result of such Paying Agent's activities (for the avoidance of doubt, this shall not include withholding tax imposed as a result of a failure to provide any tax forms (such as an IRS Form W-9 (or applicable successor form) or an applicable IRS Form W-8 (and/or applicable successor form) (together with appropriate attachments ~~thereto~~)) or any withholding tax imposed pursuant to FATCA). If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Collateral Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Collateral Trustee at its main office.

When the Applicable Issuers shall have a Paying Agent that is not also the Note Registrar, they shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Collateral Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Collateral Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Trustee) the Applicable Issuers shall promptly notify the Collateral Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Collateral Trustee for application in accordance with Article 10.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Collateral Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Trustee or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Collateral Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Collateral Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but has not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

(d) The Co-Issuers and the Collateral Trustee agree, for the benefit of all Holders of each Class of Debt, not to institute against any Issuer Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, a winding-up or liquidation of an Issuer Subsidiary that no longer holds any assets), until the payment in full of the Debt (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

7.5 Protection of Assets. (a) The Issuer (or the Portfolio Manager on behalf of the Issuer) will cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Collateral Trustee in the Assets; *provided* that the Issuer (or the Portfolio Manager on its behalf) shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Sections 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Issuer (or the Portfolio Manager on its behalf) has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and

shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Debt hereunder and to:

- (i) Grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Assets or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Collateral Trustee and the Holders of the Secured Debt in the Assets against the claims of all Persons and parties; or
- (vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Collateral Trustee as its agent or representative and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Collateral Trustee, or release or diminish, the Issuer's and the Portfolio Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Collateral Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than 'Excepted Property'" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Collateral Trustee has a Grant.

(b) The Collateral Trustee shall not, except in accordance with Section 5.5 or Sections 10.7(a), (b) and (c), as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Collateral Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Collateral Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

7.6 **Opinions as to Assets.** Within six months prior to the fifth anniversary of the Closing Date, commencing in 2026, and every five years thereafter, the Issuer shall furnish to the Collateral Trustee and each Rating Agency an Opinion of Counsel relating to the security interest granted by the Issuer to the Collateral Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five-year period.

7.7 **Performance of Obligations.** (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(a) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Debt (except in the case of the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Portfolio Manager, the Collateral Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Portfolio Manager, the Collateral Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(b) The Issuer shall notify each Rating Agency within 10 Business Days after receipt of notice, or otherwise obtaining actual knowledge, of any material breach of any Transaction Document, following any applicable cure period for such breach.

7.8 **Negative Covenants.** (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer will not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Debt (other than amounts withheld or deducted in accordance with the Code, and the

Treasury regulations promulgated thereunder or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Debt, this Indenture, the Credit Agreement and the transactions contemplated hereby, or (B)(1) issue any additional class of securities or incur any additional class of loans, in each case, except in accordance with (x) Sections 2.13 and 3.2 or (y) Section 9.2 or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Debt except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to the terms thereof and Section 15.1(f)(iv) of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the formation of the Co-Issuer and any Issuer Subsidiaries);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Portfolio Management Agreement; or

(xii) enter into any Hedge Agreements except as permitted hereunder.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Portfolio Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity, or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

(d) In furtherance and not in limitation of Section 7.8(c), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines or, in the alternative, with respect to a particular transaction, the Issuer and the Portfolio Manager shall have received Tax Advice to the effect that the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The Issuer shall not be considered to have violated its obligations under Section 7.8(c) if it has complied with its obligations under this Section 7.8(d), except to the extent that there has been a change in U.S. federal income tax law or the interpretation thereof that is relevant to such action since the Original Closing Date or the date hereof of such Tax Advice (as applicable) that the Issuer (or the Portfolio Manager) actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, or otherwise to be subject to U.S. federal income tax on a net basis notwithstanding compliance with the Tax Guidelines or such Tax Advice, it being understood that the Portfolio Manager shall not be required to investigate the tax impact of an action independently in order to satisfy the "actual knowledge" element of this section 7.8(d). For the avoidance of doubt, ~~in the event that Tax Advice as described above has been obtained in accordance with the terms hereof,~~ no consent of any Holder or receipt of Rating Agency Confirmation shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment or supplement of any provision of the Tax Guidelines contemplated by such Tax Advice.

(e) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(f) The Issuer shall not enter into any agreement amending, modifying or terminating its Memorandum and Articles without obtaining Rating Agency Confirmation from each Rating Agency then rating any Outstanding Notes of any Class. The Co-Issuer shall not enter into any agreement amending, modifying or terminating its limited liability agreement without obtaining Rating Agency Confirmation from each Rating Agency then rating any Outstanding Notes of any Class.

(g) The Issuer may not acquire any of the Debt (including any Notes surrendered or abandoned) except pursuant to Section 2.14. This Section 7.8(g) shall not be deemed to limit an optional or mandatory redemption pursuant to the terms of this Indenture.

(h) The Issuer shall not fail to maintain an independent manager of the Co-Issuer under the Co-Issuer's organizational documents.

(i) The Issuer shall not transfer its membership interest in the Co-Issuer so long as any Debt is Outstanding and the Co-Issuer shall not permit the transfer of its membership interest so long as any Debt is Outstanding.

7.9 Statement as to Compliance. On or before December 31 in each calendar year commencing in 2022, or immediately if there has been a Default under this Indenture and prior to the issuance or incurrence of any additional debt pursuant to Section 2.13, the Issuer shall deliver to the Collateral Trustee and the Administrator (to be forwarded by the Collateral Trustee or the Administrator, as applicable, to the Portfolio Manager, each Holder making a written request therefor to and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "**Merging Entity**") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "**Successor Entity**") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class (*provided* that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Collateral Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Debt and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency shall have been notified in writing of such consolidation or merger and the Collateral Trustee shall have received written confirmation from

Moody's that its ratings issued with respect to the Secured Debt then rated by such Rating Agency will not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Collateral Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Collateral Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in sub-Section (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets, (ii) the Collateral Trustee continues to have a valid perfected first priority security interest in the Assets and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise be subject to U.S. federal income tax on a net basis; and in each case as to such other matters as the Collateral Trustee or any Holder may reasonably require;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(g) the Merging Entity shall have delivered to the Collateral Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers

(or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

7.11 **Successor Substituted.** Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Debt and from its obligations under this Indenture.

"Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

7.15 **Calculation Agent.** (a) The Issuer hereby agrees that for so long as any Debt remains Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period in accordance with the terms hereof (the "**Calculation Agent**"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. (e) The Issuer (or an agent acting on its behalf) will take such commercially reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for the Issuer and any non-U.S. Issuer Subsidiary to qualify as, and comply with any obligations or requirements imposed on, a "Reporting Model 1 FFI" within the meaning of the Code or any Treasury regulations promulgated thereunder and to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer and any non-U.S. Issuer Subsidiary pursuant to the Tax Account Reporting Rules, ~~and any other action that the Issuer would be permitted to take under this Indenture necessary for the Issuer and any non-U.S. Issuer Subsidiary to achieve Tax Account Reporting Rules Compliance.~~

(f) Upon the Collateral Trustee's receipt of a request of a Holder of Secured Notes, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Collateral Trustee and such requesting Holder all of such information.

(g) (i) Prior to the time that (x) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that, or (y) any Collateral Obligation is modified in a manner that, in the case of either (x) or (y), could cause the Issuer to be treated as engaged in a trade or business ~~in~~within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis ~~if the Issuer were to directly hold or continue to directly hold such asset~~ and (ii) upon discovery that the acquisition or holding of any asset would violate the Tax Guidelines, the Issuer will either ~~(A)~~ (A) organize an Issuer Subsidiary and contribute to the Issuer Subsidiary the right to receive such asset, such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, ~~(B)~~ (B) contribute to an existing Issuer Subsidiary the right to receive such asset, such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or ~~(C)~~ (C) sell the right to receive such asset, such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, in each case unless the Issuer receives Tax Advice to the effect that the acquisition, ownership and disposition of such asset, or that the workout, restructuring, or modification of such Collateral Obligation (as the case may be), will not cause the Issuer to be treated as engaged in a trade or business ~~in~~within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

(h) Notwithstanding Section 7.16(g), the Issuer shall not acquire any Collateral Obligation if a restructuring or workout of such Collateral Obligation is in process unless such acquisition complies with the Tax Guidelines or the Issuer has received Tax Advice to the effect that such acquisition will not result in the Issuer being treated as engaged in a trade or business ~~in~~within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

(i) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if the Issuer has received Tax Advice to the effect that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes.

(j) Upon a Re-Pricing or the adoption of an Alternative Reference Rate that results in a deemed exchange of Debt for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Secured Notes of the Re-Priced Class, Secured Debt that is subject to the adoption of an Alternative Reference Rate, or Secured Notes replacing the Re-Priced Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Secured Debt and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or the adoption of an Alternative Reference Rate, as applicable.

(k) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and any Holder of ~~or owner of a beneficial interest in~~ a Subordinated Note (or any Secured Debt that is recharacterized as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder ~~or beneficial owner~~ under the Code as soon as practicable after such request.

(l) The Issuer has not elected and shall not elect to be ~~treated~~classified as other than a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as other than a corporation for U.S. federal, state or local income or franchise tax purposes.

(m) So long as any Debt is outstanding, the Co-Issuer shall not elect to be ~~treated~~classified for U.S. federal income tax purposes as other than a disregarded entity.

7.17 Effective Date; Purchase of Additional Collateral Obligations.

(a) On or before the Effective Date, the Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase) Collateral Obligations such that the Target Initial Par Condition is satisfied.

(b) During the period from the Closing Date to and including the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy

or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests.

(c) Any actions required of the Issuer under this Section 7.17 may be performed by the Portfolio Manager or, subject to and in accordance with the Collateral Administration Agreement, by the Collateral Administrator on the Issuer's behalf.

(d) Prior to the Determination Date relating to the first Payment Date after the Closing Date, (i) the Issuer shall provide, or cause the Portfolio Manager or the Collateral Administrator (solely with respect to clause (A)) to provide, the following documents: (A) to each Rating Agency, a report identifying the Collateral Obligations; and (B) to the Portfolio Manager and the Collateral Trustee, an Accountants' Report (1) comparing and agreeing the issuer name, country of domicile, coupon/spread, maturity date, principal balance, Moody's Industry Classification, Moody's Default Probability Rating, Moody's Rating and S&P Rating with respect to each Collateral Obligation by reference to such sources as shall be specified therein specifying the procedures undertaken by them to compare such data at the request of the Issuer (the "**Accountants' Effective Date Comparison AUP Report**") and (2) recalculating and comparing as of the Effective Date the level of compliance with, or satisfaction or non-satisfaction of, the Overcollateralization Ratio Tests, the Collateral Quality Test, and the Concentration Limitations, the Aggregate Principal Balance that indicates whether the Aggregate Principal Balance equals or exceeds the Target Initial Par Amount in satisfaction of the Target Initial Par Condition and specifying the procedures performed at the request of the Issuer (the "**Accountants' Effective Date Recalculation AUP Report**"), and (ii) the Issuer shall cause the Collateral Administrator to compile and deliver to each Rating Agency a report (the "**Effective Date Report**"), determined as of the Effective Date, containing (A) the information required in a monthly report prepared under this Indenture and (B) a calculation of the Aggregate Principal Balance that indicates whether the Aggregate Principal Balance equals or exceeds the Target Initial Par Amount in satisfaction of the Target Initial Par Condition. For the avoidance of doubt, the Effective Date Report shall not include or refer to the Accountants' Report and no Accountants' Report shall be provided to or otherwise shared with the Rating Agencies (other than the posting of the Accountants' Effective Date Comparison AUP Report on the 17g-5 Information Website as an attachment to Form 15-E in accordance with the immediately succeeding paragraph).

In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E, except for the redaction of any sensitive information, on the 17g-5 Information Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including the Rating Agencies or posted on the 17g-5 Information Website (other than as specified in any access letter with such accountants).

Upon receipt of the Effective Date Report, the Collateral Trustee shall compare the information contained in such Effective Date Report to the information contained in its records with respect to the Assets and shall, within three Business Days after receipt of such Effective Date Report, notify the Issuer, the Collateral Administrator, the Rating Agencies and the

Portfolio Manager if the information contained in the Effective Date Report does not conform to the information maintained by the Collateral Trustee with respect to the Assets. In the event that any discrepancy exists, the Collateral Trustee and the Issuer, or the Portfolio Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be resolved within five Business Days after the delivery of such a notice of discrepancy, the Portfolio Manager shall, on behalf of the Issuer, request that the Independent certified public accountants selected by the Issuer pursuant to Section 10.8 perform agreed-upon procedures on the Effective Date Report and the Collateral Trustee's records to determine the cause of such discrepancy. If such procedures reveal an error in the Effective Date Report or the Collateral Trustee's records, the Effective Date Report or the Collateral Trustee's records shall be revised accordingly and notice of any error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report.

(e) If (i) the Issuer causes the Collateral Administrator to deliver to Moody's the Effective Date Report and such Effective Date Report contains calculations showing that each of the Overcollateralization Ratio Tests, the Collateral Quality Test, the Concentration Limitations and the Target Initial Par Condition is satisfied and (ii) the Issuer provides an Accountants' Report to the Portfolio Manager and the Collateral Trustee which contains the accountants' recalculations prescribed by clauses (i)(B)(1) and (2) of the first paragraph of Section 7.17(d), then the "**Effective Date Moody's Condition**" shall have been satisfied.

(f) [Reserved].

(g) The "**Effective Date Rating Condition**" is a condition that will be satisfied if either the Effective Date Moody's Condition has been satisfied or the Issuer has obtained written confirmation from Moody's (which may take the form of a press release or other written communication) of its initial ratings of the Secured Debt rated by Moody's on the Closing Date.

(h) If, by the Determination Date relating to the first Payment Date after the Closing Date, the Effective Date Rating Condition has not been satisfied, then the Issuer may take such action, including but not limited to, a Special Redemption and/or designating Interest Proceeds as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer to satisfy the Effective Date Rating Condition. Notwithstanding the foregoing, Interest Proceeds may not be applied to purchase additional Collateral Obligations and may not be applied in connection with a Special Redemption pursuant to this Section 7.17 if, in the Portfolio Manager's reasonable judgment, after giving effect to such application, the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay the full amount of the accrued and unpaid interest on each Class of Secured Debt on such next succeeding Payment Date and all amounts payable senior in right of payment to such interest.

(i) The proceeds of the issuance or incurrence, as applicable, of the Debt which are not applied to pay for the purchase of Collateral Obligations by the Issuer on or before the Closing Date or to pay other applicable fees and expenses shall be used on the Closing Date to make deposits into the Interest Reserve Account, the Expense Reserve Account, the

Ramp-Up Account and (solely to the extent of any unfunded commitments with respect to any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation included in the Assets) the Revolver Funding Account. At the direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Collateral Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(j) **Asset Quality Matrix.** On or prior to the EffectiveRefinancing Date, the Portfolio Manager shall elect the Matrix Combination that shall on and after the EffectiveRefinancing Date apply to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, and if such Matrix Combination differs from the Matrix Combination chosen to apply as of the ClosingRefinancing Date, the Portfolio Manager will so notify the Collateral Trustee and the Collateral Administrator. Thereafter, at any time on written notice of one Business Day to the Collateral Trustee and the Rating Agencies, the Portfolio Manager may elect a different Matrix Combination to apply to the Collateral Obligations; *provided* that if: (i) the Collateral Obligations are currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change, or (ii) the Collateral Obligations are not currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations or would not be in compliance with any other Asset Quality Matrix case, the Collateral Obligations need not comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change, so long as the level of compliance with such Asset Quality Matrix case maintains or improves the level of compliance with the Asset Quality Matrix case in effect immediately prior to such change; *provided* that, if subsequent to such election the Collateral Obligations comply with any Asset Quality Matrix case, the Portfolio Manager shall elect a Matrix Combination that corresponds to an Asset Quality Matrix case in which the Collateral Obligations are in compliance. If the Portfolio Manager does not notify the Collateral Trustee and the Collateral Administrator that it will alter the Matrix Combination of the Asset Quality Matrix chosen on the EffectiveRefinancing Date in the manner set forth above, the Matrix Combination of the Asset Quality Matrix chosen on or prior to the EffectiveRefinancing Date shall continue to apply. Notwithstanding the foregoing, the Portfolio Manager may elect at any time after the EffectiveRefinancing Date, in lieu of selecting a "row/column combination" of the Asset Quality Matrix, to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points.

Notwithstanding any other provision relating to supplemental indentures in this Article 8, after the expiration of the applicable Non-Call Period, no consent to a supplemental indenture will be required from any Holder of any Class of Secured Debt that, upon giving effect to such supplemental indenture, will be fully redeemed (or, in the case of the Class A Loans, prepaid); *provided* that such supplemental indenture will not result in a reduction of the Redemption Price required to effect such redemption, as set forth in this Indenture prior to such supplement or amendment.

8.3 Execution of Supplemental Indentures. (a) The Collateral Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Collateral Trustee shall not be obligated to enter into any amendment or supplement (including, without limitation, in connection with the adoption of any Benchmark Replacement Conforming Changes) which, as reasonably determined by the Collateral Trustee, adversely affects the Collateral Trustee's own rights, duties, obligations, liabilities or protections under this Indenture or otherwise.

(b) With respect to any supplemental indenture the consent to which is expressly required from all or a Majority of each, or any specified, Class of Debt materially and adversely affected thereby, the Collateral Trustee shall be entitled to conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or, solely with respect to any supplemental indenture the consent to which is expressly required from all or a Majority of each Class of Notes materially and adversely affected thereby, an Officer's certificate of the Portfolio Manager, as to whether or not the Holders of any Class of Notes would be materially and adversely affected by any supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders of the Notes. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Collateral Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon,

an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Collateral Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel or an Officer's certificate of the Portfolio Manager delivered to the Collateral Trustee as specified in this clause (b).

(c) Notwithstanding any provision of Section 8.1 or 8.2 to the contrary, if any supplemental indenture permits the Issuer to enter into any Hedge Agreement, the consent of a Majority of the Controlling Class and the consent of a Majority of the Subordinated Notes to such supplemental indenture must be obtained and such supplemental indenture shall require that, before entering into any such Hedge Agreement, the following additional conditions must be satisfied: (A) the Issuer obtains a certification from the Portfolio Manager that (i) the written terms of such Hedge Agreement directly relate to the Collateral Obligations and the Debt and (ii) such Hedge Agreement reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Debt, (B) the Issuer obtains an Opinion of Counsel of counsel experienced in such matters to the effect that such Hedge Agreement will not cause any person to be required to register as a "commodity pool operator" or a "commodity trading advisor" (each within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer, (C) the Issuer receives an Opinion of Counsel of counsel experienced in such matters to the effect that the Issuer's entry into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended, and (D) Rating Agency Confirmation is obtained (or deemed inapplicable pursuant to Section 14.17).

~~From and after the effectiveness of any supplemental indenture to implement Benchmark Replacement Conforming Changes pursuant to Section 8.1(xxiii), the obligations of the Calculation Agent shall be as set forth in this Indenture as amended by such supplemental indenture; *provided* that the Calculation Agent shall not be bound to follow any amendment or supplement to this Indenture (including, without limitation, in connection with the adoption of any Benchmark Replacement Conforming Changes) that would (i) increase the duties, obligations or liabilities of or reduce or eliminate any right or privilege of the Calculation Agent, (ii) expand the Calculation Agent's discretion under this Indenture or any other Transaction Documents (including, but not limited to, with respect to monitoring the cessation of LIBOR or the conditions to the replacement thereof, or determining or designating an Alternative Reference Rate, Benchmark, Benchmark Replacement, Fallback Rate, or any other alternative or replacement reference rate or any modifier or adjustment thereto) or (iii) adversely affect the Calculation Agent, in each case without the prior written consent of the Calculation Agent.~~

(d) After the expiration of the applicable Non-Call Period, no consent to a supplemental indenture will be required from any Holder of any Class of Secured Debt that, upon giving effect to such supplemental indenture, will be fully redeemed (or, in the case of the Class A Loans, prepaid); *provided* that such supplemental indenture will not result in a reduction of the Redemption Price required to effect such redemption, as set forth herein prior to such supplement or amendment.

~~(e) In the case of any supplemental indenture that requires the consent of Holders of a specified Class or permits Holders of a specified Class to object, at At the cost of~~

the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than 15 Business Days (or five Business Days if in connection with any Refinancing, Re-Pricing, the adoption of any Benchmark Replacement Conforming Changes or additional issuance of notes under Section 2.14) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or 8.2, the Collateral Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, the Rating Agencies and the Holders a notice attaching a copy of such supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Collateral Trustee, if any changes are made to such supplemental indenture other than to correct typographical errors, to complete or change dates, to address rating agency comments or to adjust formatting, in each case as determined by the Portfolio Manager, then at the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than four Business Days prior to the execution of such proposed supplemental indenture (*provided* that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days (or five Business Days if in connection with any Refinancing, Re-Pricing, the adoption of any Benchmark Replacement Conforming Changes or additional issuance or incurrence of debt under Section 2.14) after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(f)), the Collateral Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, the Rating Agencies and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Collateral Trustee of such supplemental indenture as revised, any Holder or beneficial owner has provided its written consent to the supplemental indenture as initially distributed, such Holder or beneficial owner will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder or beneficial owner has provided written notice of its withdrawal of such consent to the Collateral Trustee not later than one Business Day prior to the execution of such supplemental indenture. If the required consent to any such proposed supplemental indenture is received from the applicable Holders prior to the end of the relevant notice period and such supplemental indenture is not subject to an objection right by any other Holders, the supplemental indenture may be executed prior to the end of such period. At the cost of the Co-Issuers, the Collateral Trustee shall provide to the Holders and Rating Agencies a copy of the executed supplemental indenture after its execution. Any failure of the Collateral Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(f) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(g) The Portfolio Manager shall not be bound to comply with any amendment or supplement to this Indenture until it has received written notice of such amendment or supplement and a copy of any such amendment or supplement from the Issuer or the Collateral Trustee. The Issuer agrees that it will not execute, deliver or permit to become effective any supplement or amendment to this Indenture unless the Portfolio Manager shall have consented in advance thereto in writing. ~~The Collateral Trustee will not be obligated to enter into any amendment or supplement (including, without limitation, in connection with the adoption of any Benchmark Replacement Conforming Changes) that, as determined by the Collateral Trustee, adversely affects its duties, obligations, liabilities or protections under this Indenture.~~

No amendment to this Indenture (including, without limitation, in connection with the adoption of any Benchmark Replacement Conforming Changes) will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing. ~~Unless it consents thereto, the Calculation Agent shall not be bound to follow any amendment or supplement to this Indenture (including, without limitation, or a supplemental indenture to adopt Benchmark Replacement Rate Conforming Changes) that would (i) increase the duties, obligations or liabilities of or reduce or eliminate any right or privilege of or otherwise adversely affect the Calculation Agent or (ii) require the Calculation Agent to exercise any discretion under this Indenture or the other Transaction Documents with respect to the cessation or replacement of LIBOR (or any other Benchmark) as the Benchmark (including, but not limited to, with respect to monitoring the cessation or conditions to the replacement thereof, determining or designating any Alternative Reference Rate, Benchmark, Benchmark Replacement, Fallback Rate, Benchmark Replacement Adjustment, Reference Rate Modifier, or any other reference rate component or modifier thereto).~~

(h) Holders of Pari Passu Classes will vote together as a single Class in connection with any supplemental indenture, except that Holders of Pari Passu Classes will vote separately by Class with respect to any amendment or modification hereof solely to the extent that such amendment or modification would by its terms directly and materially affect the Holders of any such Class of Secured Debt exclusively and differently from any Holders of any other such Class of Secured Debt.

(i) No supplemental indenture or other modification or amendment of this Indenture which would modify the Investment Criteria, the definition of "Collateral Obligation," the Concentration Limitations, the Coverage Tests, the Collateral Quality Tests or the conditions relating to the issuance of Junior Mezzanine Notes or additional debt of one or more existing Classes (other than those made to ensure compliance with the EU/UK Risk Retention Requirements) will be effective unless the Retention Holder provides its prior written consent.

8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article 2 of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Issuer shall, bear a notice in form approved by the Collateral Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Collateral Trustee and the Co-Issuers to any such supplemental indenture, may be prepared

and executed by the Applicable Issuers and authenticated and delivered by the Collateral Trustee in exchange for Outstanding Notes.

9. Redemption Of Debt

9.1 **Mandatory Redemption.** If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Debt to the extent necessary to achieve compliance with such Coverage Tests in accordance with the Priority of Payments.

9.2 **Optional Redemption.** (a) The Secured Debt shall be redeemable (or, in the case of the Class A Loans, prepayable) by the Applicable Issuers, on any Business Day after the [applicable](#) Non-Call Period, at the written direction of the Portfolio Manager or a Majority of the Subordinated Notes (with the consent of the Portfolio Manager), as follows: based upon such written direction, (i) the Secured Debt shall be redeemed (or, in the case of the Class A Loans, prepaid) in whole (with respect to all Classes of Secured Debt) but not in part from Sale Proceeds, Available Refinancing Proceeds and/or Refinancing Proceeds and other Available Funds; or (ii) the Secured Debt shall be redeemed (or, in the case of the Class A Loans, prepaid) in part by Class from Refinancing Proceeds and Available Refinancing Proceeds; *provided* that any Class of Secured Debt to be redeemed (or, in the case of the Class A Loans, prepaid) represents not less than the entire Class of such Secured Debt. In connection with any redemption described in clause (i) or (ii) of the preceding sentence, the Secured Debt shall be redeemed (or, in the case of the Class A Loans, prepaid) at the applicable Redemption Prices. To effect an Optional Redemption pursuant to this [Section 9.2\(a\)](#), such written direction must be provided to the Issuer and the Collateral Trustee not later than 14 Business Days (or such shorter period as agreed to between the Collateral Trustee and the Portfolio Manager) prior to the Redemption Date on which such redemption is to be made; *provided* that all Secured Debt to be redeemed or prepaid, as applicable, must be redeemed or repaid, as applicable, simultaneously. Any supplemental indenture required in connection with such a redemption using Refinancing Proceeds shall require the consent of the Portfolio Manager in accordance with [Article VIII](#).

(b) Upon receipt of a notice of redemption of the Secured Debt in whole but not in part pursuant to [Section 9.2\(a\)\(i\)](#) (subject to [Sections 9.2\(d\)](#) and [9.2\(e\)](#) with respect to a redemption from proceeds that include Refinancing Proceeds), the Portfolio Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Debt to be redeemed (or, in the case of the Class A Loans, prepaid) and to pay all Management Fees and Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such redemption. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem (or, in the case of the Class A Loans, prepay) all Secured Debt and to pay such fees and expenses, the Secured Debt may not be redeemed (or, in the case of the Class A Loans, prepaid). The Portfolio

Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement. In connection with any Optional Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(c) The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Debt, at the direction of the Portfolio Manager or a Majority of the Subordinated Notes, which such direction may be given in connection with a direction to redeem (or, in the case of the Class A Loans, prepay) the Secured Debt.

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), the Secured Debt may, on any Business Day after the applicable Non-Call Period, be redeemed (or, in the case of the Class A Loans, prepaid) in whole from Refinancing Proceeds, Available Refinancing Proceeds and Sale Proceeds or in part by Class from Refinancing Proceeds and Available Refinancing Proceeds as provided in Section 9.2(a)(ii) by a Refinancing; *provided* that the terms of such Refinancing must be acceptable to the Portfolio Manager and such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Secured Debt in whole but not in part pursuant to Section 9.2(d), such Refinancing will only be effective if (i) the Refinancing Proceeds, Available Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem (or, in the case of the Class A Loans, prepay) simultaneously the Secured Debt, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Management Fees and Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Collateral Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) the Sale Proceeds, Refinancing Proceeds, Available Refinancing Proceeds and other Available Funds are used (to the extent necessary) to make such redemption, and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d) and Section 2.7(j).

(f) In the case of a Refinancing upon a redemption of the Secured Debt in part by Class pursuant to Section 9.2(d), such Refinancing will only be effective if: (i) the Rating Agencies have been notified with respect to any remaining Secured Debt that was not the subject of such Refinancing, (ii) the Refinancing Proceeds and Available Refinancing Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to Refinancing (in the case of a Refinancing occurring on a Payment Date, after the application of Interest Proceeds and Principal Proceeds in the order of priority set forth in Sections 11.1(a)(i) and 11.1(a)(ii)), (iii) the Refinancing Proceeds and the Available Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv)

the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in the Section 5.4(d) and Section 2.7(j), (v) the aggregate principal amount of any obligations providing the Refinancing of any Class is the same as the Aggregate Outstanding Amount of the Secured Debt being redeemed (or, in the case of the Class A Loans, prepaid) with the proceeds of such obligations; *provided* that (1) Pari Passu Classes may be refinanced with a single class of obligations with an aggregate principal amount equal to the Aggregate Outstanding Amount of the combined Pari Passu Classes and (2) a single Class of Secured Debt may be refinanced with pari passu classes of obligations with a combined aggregate principal amount equal to the Aggregate Outstanding Amount of such Class of Secured Debt being refinanced, (vi) the stated maturity of each class of obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Secured Debt being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds and Available Refinancing Proceeds (except for expenses owed to persons that the Portfolio Manager informs the Collateral Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments no later than the second Payment Date following such Redemption Date), ~~(viii)~~ (viii) either (1)(x) the spread over the Benchmark (or the interest rate in the case of a Refinancing of a Class of Fixed Rate Debt) of any obligations providing the Refinancing will not be greater than the spread over the Benchmark (or the interest rate in the case of a Refinancing of a Class of Fixed Rate Debt) of the Secured Debt subject to such Refinancing; *provided* that if more than one Class of Secured Debt (but less than all of the Secured Debt) is subject to a Refinancing, the spread over the Benchmark or fixed interest rate, as applicable, of the obligations providing the Refinancing for a Class of Secured Debt may be greater than the spread over the Benchmark or fixed interest rate, as applicable, for such Class of Secured Debt subject to Refinancing so long as the weighted average (based on the Aggregate Outstanding Amount of each Class of Secured Debt subject to Refinancing) of the spread over the Benchmark and the fixed interest rate of the obligations comprising the Refinancing shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark and the fixed interest rate with respect to all Classes of Secured Debt subject to such Refinancing; *provided, further*, that if the Benchmark with respect to the obligations providing the Refinancing is different than the Benchmark with respect to such Class of Secured Debt subject to Refinancing, then (A) the spread over the Benchmark of the obligations providing the Refinancing may be greater than the spread over the Benchmark of the Secured Debt subject to Refinancing so long as the Interest Rate of the obligations providing the Refinancing will be less than the Interest Rate of such Class of Secured Debt (determined on the pricing date of the obligations providing the Refinancing) or (y) if a Class of Fixed Rate Debt is being refinanced as a Class of Floating Rate Debt, the Adjusted Swap Rate of such Class of Floating Rate Debt will not exceed the coupon of the relevant Class of Fixed Rate Debt being refinanced and, if a Class of Floating Rate Debt is being refinanced as a Class of Fixed Rate Debt, the coupon of such Class of Fixed Rate Debt will not exceed the Adjusted Swap Rate of such Class of Floating Rate Debt being refinanced or (2) Rating Agency Confirmation from Moody's has been obtained, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Debt being refinanced, (x) the voting rights and consent rights of the obligations providing the Refinancing are the same as (or more protective than) the rights of the

corresponding Class of Secured Debt being refinanced and (xi) such Refinancing shall not cause the Retention Holder to violate the Risk Retention Letter.

(g) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator, the Loan Agent or the Collateral Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Issuer and the Collateral Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing (subject to the terms of Section 8.3(a) that limit the Collateral Trustee's obligation to enter into certain amendments) and no further consent for such amendments shall be required from the Holders of any Class of Debt.

(h) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 10 Business Days prior to the Redemption Date, notify the Collateral Trustee in writing of such Redemption Date, the applicable Record Date, the principal amount of Debt to be redeemed (or in the case of the Class A Loans, prepaid) on such Redemption Date and the applicable Redemption Prices.

(i) In connection with a Refinancing pursuant to which all Classes of Secured Debt are being refinanced, the Portfolio Manager may designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. Notice of any such designation will be provided to the Collateral Trustee (with copies to the Rating Agencies) on or before the related Determination Date.

(j) With the consent of the Portfolio Manager and a Majority of the Subordinated Notes, the Issuer may, in connection with a Refinancing of all Secured Debt, enter into a Reset Amendment.

(k) In connection with any Optional Redemption in whole, the Portfolio Manager may purchase any Assets sold in connection therewith at the Market Value thereof (determined by the Portfolio Manager by reading each reference to a "bid price" in the definition of Market Value as a reference to a "midpoint price"). The Portfolio Manager shall not be obligated to consider any holders of Debt in making its bid and the price at which the Assets are purchased by the Portfolio Manager may be at a price that is less than what would have been received from other bidders in a formal sale process and any such shortfall will be borne by the Holders of the Subordinated Notes.

(l) In connection with a Refinancing in part by Class, Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied (together with the Available Refinancing Proceeds), pursuant to the Priority of Redemption Payments, on the Refinancing Redemption Date to redeem (or, in the case of the Class A Loans, prepay) the Secured Debt that is being refinanced and (to the extent funds are available therefor) pay expenses and fees relating to such Refinancing without regard to the Priority of Payments (other than the Priority of Redemption Payments); *provided* that, to the extent that any Refinancing Proceeds remain after payment of the respective Redemption Prices of each redeemed (or, in the case of the Class A Loans, prepaid) Class of Secured Debt and related expenses, such Refinancing Proceeds will be treated as Interest Proceeds or Principal Proceeds, as determined

by the Portfolio Manager. In connection with a Refinancing of the Secured Debt in whole, Refinancing Proceeds, together with Available Refinancing Proceeds, shall be used to pay the Redemption Price(s) of such Class or Classes without regard to the Priority of Payments.

9.3 **Tax Redemption.** (a) The Debt shall be redeemed (or, in the case of the Class A Loans, prepaid) in whole but not in part (any such redemption or prepayment, a "**Tax Redemption**") at the written direction (delivered to the Collateral Trustee at least 30 days prior to the proposed Redemption Date (unless the Collateral Trustee and the Portfolio Manager agree to a shorter notice period)) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, following the occurrence and continuation of a Tax Event.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Trustee shall promptly notify the Portfolio Manager, the Holders and each Rating Agency thereof.

(d) Upon receipt of a notice of a Tax Redemption of the Debt, the Portfolio Manager (in its sole discretion) will direct the sale (and the manner thereof), acting in accordance with the provisions of the Portfolio Management Agreement of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be sufficient to pay the Redemption Prices of the Debt to be redeemed (or with respect to any Class of Debt the Holders of which have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class, such lesser amount that the Holders of such Class have elected to receive) and all Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments. If the proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem (or in the case of the Class A Loans, prepay) all Debt and to pay such fees and expenses, the Debt may not be redeemed (or in the case of the Class A Loans, prepaid). The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(e) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer, the Collateral Administrator and the Collateral Trustee thereof, and upon receipt of such notice the Collateral Trustee shall promptly notify the Holders of the Debt and each Rating Agency thereof.

9.4 **Redemption Procedures.** (a) In the event of any redemption pursuant to Section 9.2, the direction required thereby shall be provided to the Issuer, the Collateral Trustee and the Portfolio Manager not later than 14 Business Days prior to the Redemption Date on which such redemption (or, in the case of the Class A Loans, prepayment) is to be made (which date shall be designated in such direction). In the event of any Tax Redemption pursuant to

Section 9.3, the written direction of the relevant Affected Class(es) or Majority of the Subordinated Notes shall be provided to the Issuer, the Collateral Trustee and the Portfolio Manager not later than 30 days prior to the Redemption Date on which such redemption (or, in the case of the Class A Loans, prepayment) is to be made (which date shall be designated in such direction). In the event of any redemption pursuant to Section 9.2, 9.3 or 9.8, a notice of redemption shall be given not later than nine Business Days prior to the applicable Redemption Date, to each Holder of Debt, at such Holder's address in the Note Register or the Loan Register, as applicable, and each Rating Agency. In addition, for so long as any Debt is listed on the Cayman Islands Stock Exchange and so long as the guidelines of the Cayman Islands Stock Exchange so require, notice of Optional Redemption shall also be given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

- (i) the applicable Redemption Date;
- (ii) the Redemption Prices of the Debt to be redeemed (or, in the case of the Class A Loans, prepaid);
- (iii) that all of the Debt to be redeemed (or, in the case of the Class A Loans, prepaid) is to be redeemed (or, in the case of the Class A Loans, prepaid) in full and that interest on such Debt shall cease to accrue on the Redemption Date specified in the notice;
- (iv) the place or places where Debt is to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and
- (v) if all Secured Debt is being redeemed (or, in the case of the Class A Loans, prepaid), whether the Subordinated Notes are to be redeemed in full on such Redemption Date.

The Co-Issuers (as directed by the Portfolio Manager) may withdraw any notice of redemption and/or prepayment delivered pursuant to Section 9.2 up to and including the Business Day immediately prior to the scheduled Redemption Date. If the Co-Issuers are otherwise unable to complete any redemption and/or prepayment of the Debt in accordance with this Indenture (on the in the case of the Class A Loans, the Credit Agreement), the redemption and/or prepayment will be cancelled without further action. In addition, so long as any Debt is listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of such withdrawal will be given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange. If the Co-Issuers so withdraw any notice of an Optional Redemption or Tax Redemption or are otherwise unable to complete a redemption and/or prepayment of the Debt pursuant to Section 9.2 or 9.3, the redemption and/or prepayment is cancelled without further action and the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such

redemption (or, in the case of the Class A Loans, prepayment) may, during the Reinvestment Period, be reinvested in accordance with the Investment Criteria at the Portfolio Manager's sole discretion. The Issuer shall notify each Rating Agency of any withdrawal pursuant to this paragraph.

Notice of redemption pursuant to Section 9.2, 9.3 or 9.4 shall be given by the Co-Issuers (or the Portfolio Manager on behalf of the Issuer) or, upon an Issuer Order, by the Collateral Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption and/or prepayment shall not impair or affect the validity of the redemption or prepayment of any other Debt.

(c) Unless Refinancing Proceeds and Available Refinancing Proceeds are being used to redeem (or, in the case of the Class A Loans, prepay) the Secured Debt in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Debt may be optionally redeemed (or, in the case of the Class A Loans, prepaid) unless (i) at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Collateral Trustee evidence, in a form reasonably satisfactory to the Collateral Trustee, that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with (x) a financial or other institution or institutions or (y) a special purpose entity meeting all then-current Rating Agency bankruptcy-remoteness criteria to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or puttable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and any accrued and unpaid Senior Management Fees, in each case, payable in accordance with the Priority of Payments and redeem (or, in the case of the Class A Loans, prepay) all of the Secured Debt on the scheduled Redemption Date at the applicable Redemption Prices (or, in the case of any Class of Secured Debt, such lesser amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Collateral Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, (B) for each Collateral Obligation, the product of its Principal Balance and its Market Value (expressed as a percentage of par) and (C) all funds available in the Collection Account, shall exceed the sum of (x) the aggregate Redemption Prices (or, in the case of any Class of Secured Debt, such other amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) of the Outstanding Secured Debt and (y) all Administrative Expenses (regardless of the Administrative Expense Cap) and any accrued and unpaid Senior Management Fees, in each case, payable under the Priority of Payments or (iii) the Portfolio Manager notifies the Co-Issuers and the Collateral Trustee on or prior to the Business Day prior to the applicable Redemption Date that sufficient proceeds are expected to be received or otherwise available to redeem (or, in the case of the Class A Loans, prepay) the Secured Debt in full and to pay all applicable amounts payable or distributable (including all Administrative Expenses (regardless of the Administrative Expense Cap)) under the Priority of Payments prior to any distributions with respect to the Subordinated

Notes. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this Section 9.4(c). Any Holder of Debt or their designees, the Portfolio Manager or any of the Portfolio Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(d) In the event that a scheduled redemption (or, in the case of the Class A Loans, prepayment) of the Secured Debt fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption and/or prepayment date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption and/or prepayment date (a "**Redemption Settlement Delay**"), then, upon notice from the Issuer to the Collateral Trustee confirming the satisfaction of the conditions in (A) through (D) above and certifying that sufficient funds are now available to complete such redemption (or, in the case of the Class A Loans, prepayment) and directing the Collateral Trustee to proceed with such redemption (or, in the case of the Class A Loans, prepayment), such Secured Debt may be redeemed (or, in the case of the Class A Loans, prepaid) using such funds on any Business Day selected by the Issuer upon at least two Business Days' notice to the Collateral Trustee provided such redemption and/or prepayment date occurs prior to the first Payment Date after the original scheduled redemption and/or prepayment date and not less than two Business Days after the original scheduled redemption and/or prepayment date. Interest on the Debt will accrue to but excluding such new Redemption Date. If such redemption (or, in the case of the Class A Loans, prepayment) does not occur prior to the first Payment Date after the original scheduled redemption and/or prepayment date, such redemption (or, in the case of the Class A Loans, prepayment) will be cancelled without further action.

A Redemption Settlement Delay or the failure to effect a redemption (including a Refinancing) on a scheduled redemption and/or prepayment date for any reason will not be an Event of Default.

9.5 **Optional Re-Pricing.**

(a) On any Business Day after the applicable Non-Call Period, at the direction of the Portfolio Manager or a Majority of the Subordinated Notes (with the consent of the Portfolio Manager), the Issuer (or the Portfolio Manager on its behalf) shall be required to reduce the spread over the Benchmark (or, in the case of any Fixed Rate Debt, the Interest Rate) applicable to any Re-Pricing Eligible Class (such reduction, a "**Re-Pricing**"; and any such Re-Pricing Eligible Class to be subject to a Re-Pricing, a "**Re-Priced Class**"); *provided* that the Issuer shall not effect any Re-Pricing unless (i) each condition specified below is satisfied and (ii) each Outstanding Note of a Re-Priced Class shall be subject to the related Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") upon the recommendation and subject to the approval of the Portfolio Manager

to assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with the provisions of this Section 9.5.

At least 15 Business Days (or such shorter period of time as the Collateral Trustee and the Portfolio Manager find reasonably acceptable) prior to the Business Day fixed by the Portfolio Manager or a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) for any proposed Re-Pricing (the date on which such Re-Pricing occurs, the "**Re-Pricing Date**"), the Issuer shall deliver (or shall, by Issuer Order, which Issuer Order shall set forth the information required in clauses (i) through (v) below, direct the Collateral Trustee to deliver on its behalf) a notice (with a copy to the Portfolio Manager, the Collateral Trustee and each Rating Agency) through the facilities of DTC and, if applicable, in accordance with the immediately succeeding sentence (such notice, the "**Re-Pricing, Mandatory Tender and Election to Retain Announcement**") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark or interest rate, with respect to any Fixed Rate Debt, or range of spreads over the Benchmark (the Benchmark plus such spread or such fixed interest rate, as applicable, the "**Re-Pricing Rate**"); (ii) request each Holder of the Re-Priced Class to (a) communicate through the facilities of DTC whether such holder (x) approves the proposed Re-Pricing and (y) elects to retain the Notes of the Re-Priced Class held by such Holder (an "**Election to Retain**"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "**Operational Arrangements**") (any such Holder, a "**Consenting Holder**"), or (b) provide a proposed Re-Pricing Rate at which they would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a "**Holder Proposed Re-Pricing Rate**"); (iii) request each Consenting Holder of the Re-Priced Class to provide the Aggregate Outstanding Amount of the Re-Priced Class that such Holder is willing to purchase at such Re-Pricing Rate (including within any range provided) specified in such notice (the "**Holder Purchase Request**"); (iv) state that any Notes of the Re-Priced Class of a Holder that does not approve the Re-Pricing and does not exercise an Election to Retain (each, a "**Non-Consenting Holder**") will either be (a) subject to mandatory tender and transfer in accordance with the Operational Arrangements for a price equal to their Redemption Price (a "**Mandatory Tender**") or (b) redeemed with the proceeds of an issuance of Re-Pricing Replacement Notes at their Redemption Price (any such redemption, a "**Re-Pricing Redemption**"); and (v) state the period for which the Holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; *provided* that the Issuer at the direction of the Portfolio Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) may extend the Re-Pricing Date or determine the Re-Pricing Rate based on the Holder Proposed Re-Pricing Rates at any time up to the Business Day prior to the Re-Pricing Date. To the extent any Certificated Notes of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the Holders of Global Notes through the facilities of DTC, the Collateral Trustee (at the direction of the Issuer) shall make available such Re-Pricing,

Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Portfolio Manager on behalf of the Issuer) to the Holders of such Certificated Notes on the Collateral Trustee's Website. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

Any notice of a Re-Pricing may be withdrawn by the Portfolio Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer and the Collateral Trustee for any reason. Upon receipt of such notice of withdrawal, the Collateral Trustee shall, in the name and at the expense of the Issuer, post notice to the Collateral Trustee's Website and send such notice to the Holders of Notes and each Rating Agency.

Prior to the Issuer (or Trustee, upon Issuer Order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the Holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which Holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Collateral Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Portfolio Manager and the Re-Pricing Intermediary, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Collateral Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. Subject to the standard of care set forth in this Indenture, the Collateral Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Portfolio Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

(b) If the Issuer, the Portfolio Manager and the Re-Pricing Intermediary, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Portfolio Manager or the Re-Pricing Intermediary on behalf of the Issuer, if any, shall deliver written notice thereof at least five Business Days prior to the Re-Pricing Date to any Holder of the Re-Priced Class who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Portfolio Manager (such request, an "**Accepted Purchase Request**") (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class that the Holder has agreed to purchase with a Re-Pricing Rate equal to or greater than such Holder's Holder Proposed Re-Pricing Rate.

In the event that the Issuer receives Accepted Purchase Requests with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, if any, shall cause the Mandatory Tender and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the Redemption Price of the Re-Priced Class and, if applicable, conduct a redemption of Non-Consenting Holders' Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Accepted Purchase Requests with respect thereto, *pro rata* (subject to the applicable Minimum Denominations) based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Holder Purchase Requests. In the event that the Issuer receives Accepted Purchase Requests with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the Redemption Price and, if applicable, conduct a redemption of Non-Consenting Holders' Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Accepted Purchase Requests with respect thereto, and any excess Notes of the Re-Priced Class held by Non-Consenting Holders shall be transferred to or redeemed with proceeds from the sale of Re-Pricing Replacement Notes to one or more purchasers designated by the Re-Pricing Intermediary on behalf of the Issuer. All Mandatory Tenders of Non-Consenting Holders' Notes to be effected pursuant to this clause (c) shall be (x) made at the applicable Redemption Price and (y) effected only if the related Re-Pricing is effected in accordance with the provisions hereof and in accordance with the Operational Arrangements. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer in connection with such Mandatory Tender. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Collateral Trustee and the Portfolio Manager not later than one Business Day prior

to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by Non-Consenting Holders.

(c) The Issuer shall not effect any proposed Re-Pricing unless the Issuer (or the Portfolio Manager on its behalf) certifies that:

(i) the Co-Issuers and the Collateral Trustee, with the prior written consent of a Majority of the Subordinated Notes, shall have entered into a supplemental indenture dated as of the Re-Pricing Date, solely to modify the spread over the Benchmark (or, in the case of any Fixed Rate Debt, the fixed rate of interest) applicable to the Re-Priced Class (and to make changes necessary to give effect to such reduction);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been sold and transferred pursuant to clause (c) above; each Rating Agency shall have been notified of such Re-Pricing;

(iii) all expenses of the Issuer and the Collateral Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the Available Refinancing Proceeds, unless such expenses have been paid or shall be adequately provided for by an entity other than the Issuer;

Obligation, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Subaccount, and deposited by the Collateral Trustee in a single, segregated non-interest bearing account designated as the "**Revolver Funding Account**" established with the corporate trust department of the Custodian; *provided* that, if such Delayed Funding Workout Obligation, Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "**Selling Institution Collateral**"), the Issuer shall deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral shall satisfy the following requirement: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests shall not have an Aggregate Principal Balance in excess of 5.0% of the Collateral Principal Amount; or (2) such Selling Institution Collateral shall be deposited with an Eligible Custodian.

To the extent a beneficial owner or Holder of any Debt requests the yield to maturity in respect of the relevant Note in order to determine any "original issue discount" in respect thereof, the Collateral Trustee shall request that the firm of Independent certified public accountants appointed by the Issuer recalculate such yield to maturity. The Collateral Trustee shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants' calculation. In the event that the firm of Independent certified public accountants fails to calculate such yield to maturity, the Collateral Trustee shall have no responsibility to provide such information to the beneficial owner or Holder of any Debt.

(c) On or before December 31 of each year commencing in 2022, the Issuer shall make available to each Rating Agency a statement for each Distribution Report received since the last such statement listing the information described in clause (ii) of the first sentence of Section 10.8(b).

(d) Neither the Collateral Trustee nor the Collateral Administrator shall have any responsibility to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent certified public accountants by the Issuer (or the Portfolio Manager on behalf of the Issuer) or the terms of any agreed upon procedures in respect of such engagement; *provided* that the Collateral Trustee shall be authorized, upon receipt of an Issuer Order directing the same, to execute any acknowledgment or other agreement with the Independent certified public accountants required for the Collateral Trustee to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgement that the Issuer has agreed that the procedures to be performed by the Independent certified public accountants are sufficient for the Issuer's purposes, (ii) releases by the Collateral Trustee (on behalf of itself and the Holders) of claims against the Independent certified public accountants and acknowledgement of other limitations of liability in favor of the Independent accountants, and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent certified public accountants (including to the Holders). Notwithstanding the foregoing, in no event shall the Collateral Trustee or the Collateral Administrator be required to execute any agreement in respect of the Independent certified public accountants that the Collateral Trustee reasonably determines adversely affects it.

10.9 Reports to Rating Agencies and Additional Recipients. In addition to the information and reports specifically required to be provided to each Rating Agency pursuant to the terms of this Indenture, the Issuer shall provide each Rating Agency with all information or reports delivered to the Collateral Trustee hereunder (with the exception of any Accountants' Report), and such additional information as any Rating Agency may from time to time reasonably request (including notification to the Rating Agencies of any modification of any loan or bond document relating to a DIP Collateral Obligation or any release of collateral thereunder not permitted by such loan or bond documentation and notification to Moody's of any Specified Amendment, which notice shall include a copy of such Specified Amendment and a brief summary of its purpose). The Issuer shall notify Moody's of any termination, modification or amendment to the Portfolio Management Agreement, the Collateral Administration Agreement, the Securities Account Control Agreement or any other agreement to which it is party in connection with any such agreement or this Indenture and shall notify Moody's of any material breach by any party to any such agreement of which it has actual knowledge. Within 30 Business Days after the Effective Date, together with each Monthly Report.

Notwithstanding anything else contained herein, the Collateral Trustee agrees that with respect to each of the Accounts, it will cause each Securities Intermediary establishing such accounts to enter into a securities account control agreement and, if the Securities Intermediary is the Bank, it shall comply with the provisions of such securities account control agreement. The Collateral Trustee shall have the right to open such subaccounts of any such account as it deems necessary or appropriate for convenience of administration.

(R) to pay each Contributor of a Reinvestment Contribution the amount of its Reinvestment Contributions, until the Reinvestment Contributions have been paid in full, *pro rata* based on the respective aggregate Reinvestment Contributions made by each Contributor;

(iv) On each Refinancing Redemption Date and each Re-Pricing Date, Available Refinancing Proceeds and Refinancing Proceeds or Re-Pricing Proceeds, as applicable, shall be distributed in the following order of priority (the "**Priority of Redemption Payments**"):

(A) to pay the Redemption Price, in order of priority, of each Class being redeemed ~~(or in the case of the Class A Loans, prepaid)~~, without duplication of any payments received by any such Class pursuant to other clauses of the Priority of Payments;

(B) to pay Administrative Expenses related to the Refinancing or Re-Pricing; and

(C) any remaining amounts to the Collection Account as Interest Proceeds or Principal Proceeds, as determined by the Portfolio Manager.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Collateral Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Collateral Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Collateral Trustee no later than the Business Day prior to each Payment Date.

(d) (i) The Portfolio Manager may, in its sole discretion, elect to (A) irrevocably waive payment of any or all of any portion of the Management Fee otherwise due on any Payment Date, such amounts to be retained in the Collection Account until the next Payment Date for distribution as either Interest Proceeds or Principal Proceeds (as determined by the Portfolio Manager) pursuant to the Priority of Payments or (B) defer all or a portion of the Subordinated Management Fee, in each case, by notice to the Issuer and the Collateral Trustee no later than the Determination Date immediately prior to such Payment Date. Any funds that would have been used to pay the Management Fee absent any such waiver or (in the case of the Subordinated Management Fee) deferral will be distributed in accordance with the terms of the Priority of Payments on the Payment Date on which such fees were waived or (in the case of the Subordinated Management Fee) deferred. Any Subordinated Management Fee that is deferred will be payable on the next succeeding Payment Date, to the extent funds are available therefor, in accordance with the Priority of Payments, unless the Portfolio Manager in its sole discretion elects to waive such fees or again elects to defer such fees. Any such Management Fee, once waived, shall not thereafter become due and payable and any claim of the Portfolio Manager therein shall be extinguished.

(ii) To the extent they are not paid when due on any Payment Date due to the operation of the Priority of Payments (and not as the result of a waiver or (in the case of the Subordinated Management Fee) deferral by the Portfolio Manager), the Senior Management Fee and the Subordinated Management Fee will be deferred, and will be payable on subsequent Payment Dates on which any funds are available therefor in accordance with the

Priority of Payments, and will bear interest at a rate per annum equal to the Benchmark *plus* 3.00% for the period from (and including) the date on which such Senior Management Fee or Subordinated Management Fee is due and payable to (but excluding) the date of payment thereof. Any interest due on the amount so deferred will thereupon constitute Senior Management Fee or accrued Subordinated Management Fee, as the case may be.

(iii) If the Portfolio Manager in its sole discretion has instructed the Collateral Trustee with respect to any Payment Date that it wishes to defer payment of the Subordinated Management Fee that would otherwise be due and payable on such Payment Date until a subsequent Payment Date then a portion of the Subordinated Management Fee specified by the Portfolio Manager will be deferred and such deferred amounts will accrue interest at a rate of the Benchmark for the applicable period *plus* 3.00%, and such fees and such interest will be payable on subsequent Payment Dates on which funds are available therefor in accordance with the Priority of Payments. Any interest due on the amounts so deferred will thereupon constitute the accrued Subordinated Management Fee.

11.2 **Contributions.** (a) At any time, and from time to time, with the prior written consent of the Portfolio Manager, any Holder of Subordinated Notes may (i) make a voluntary contribution of cash (each, a "**Cash Contribution**"), (ii) with notice to the Collateral Trustee delivered at least three Business Days prior to the related Payment Date in the form of Exhibit D hereto, designate as a contribution to the Issuer any portion of Interest Proceeds (a "**Reinvestment Interest Contribution**") or Principal Proceeds (a "**Reinvestment Principal Contribution**") that would otherwise be distributed to such Holder in accordance with the Priority of Payments (each, a "**Reinvestment Contribution**") and (iii) make a voluntary in-kind contribution of Collateral Obligations (each, an "**In-Kind Contribution**" and, together with Cash Contributions and Reinvestment Contributions, "**Contributions**"); *provided* that each Contribution (other than an In-Kind Contribution) must be in an aggregate amount of at least \$1,000,000 (~~or \$500,000, in the case of a Contribution to be applied to the purchase of Workout Obligations, Restructured Obligations or Specified Equity Securities or to a Permitted Use specified in clause (vi) of the definition of Permitted Use and after giving effect to any Contribution no more than five Contributions have been made~~except that up to five Contributions may be in a minimum aggregate amount of at least \$500,000), in each case counting all Contributions made on the same day as a single Contribution for this purpose; *provided further* that any In-Kind Contribution described in clause (iii) shall comply with the Tax Guidelines or, in the alternative, Tax Advice to the effect that such ~~action~~Contribution will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. All payments or distributions of Cash received on any In-Kind Contribution shall be treated as Interest Proceeds or Principal Proceeds (as applicable), as designated by the Portfolio Manager. Any In-Kind Contribution shall be part of the Assets from and after the date of the trade ticket for the trade of such In-Kind Contribution from the Contributor to the Issuer. The Portfolio Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion; *provided* that the Issuer (or the Portfolio Manager) will reject any proposed Contribution if so directed by the Retention Holder on the basis that the proposed Contribution would cause a Retention Deficiency. No Contribution or portion thereof will be returned to the Contributor at any time other than by operation of the Priority of Payments. ~~No Contribution or~~

~~portion thereof will be returned to the Contributor at any time other than by operation of the Priority of Payments.~~

(b) Each Contribution (other than an In-Kind Contribution) shall be deposited into the Contribution Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use (including for use to repurchase Notes in accordance with Section 2.14 or for the purchase or acquisition of additional Collateral Obligations, Restructured Obligations, Workout Obligations or Specified Equity Securities during or after the Reinvestment Period for the account of the Issuer). The Collateral Trustee shall keep a record of the Contributions made by each Holder of Subordinated Notes and the proceeds and collections therefrom. For the avoidance of doubt, (i) any amounts deposited into the Contribution Account pursuant to a Reinvestment Contribution will be deemed for all purposes as having been paid to the contributing Holder of the Subordinated Notes pursuant to the Priority of Payments and (ii) any amounts deposited into the Contribution Account pursuant to a Cash Contribution after a Determination Date may not be applied on the related Payment Date. The proceeds of any Reinvestment Contribution may be separately tracked to allow for distribution of proceeds as set forth in the Priority of Payments; however, they will constitute Assets for all purposes.

12. Sale of Collateral Obligations; Purchase of Additional Collateral Obligations

12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and unless an Event of Default has occurred and is continuing (except for sales pursuant to Sections 12.1(a), (b), (c), (d), (h), (i), (k) and (m)), the Portfolio Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Collateral Trustee to sell and the Collateral Trustee shall sell on behalf of the Issuer in the manner directed by the Portfolio Manager any Collateral Obligation, Equity Security (which shall include the direct sale or liquidation of the equity interests of any Issuer Subsidiary or assets held by an Issuer Subsidiary) or Unsalable Asset, if, as certified by the Portfolio Manager, such sale meets the requirements of any one of paragraphs (a) through (j), (l) and (n) of this Section 12.1 (subject in each case to any applicable requirements of disposition under Section 12.1(i), (j) or (k)) which certification will be deemed to be made upon delivery to the Collateral Trustee and the Collateral Administrator of an Issuer Order or trade ticket, confirmation of trade, instruction to post or to commit to the trade, or similar electronic communication, confirmation of trade, instruction to post or to commit to the trade, or similar electronic communication, with respect to such sale. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) **Credit Risk Obligations.** The Portfolio Manager may direct the Collateral Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) **Credit Improved Obligations.** The Portfolio Manager may direct the Collateral Trustee to sell any Credit Improved Obligation at any time without restriction.

terminated within three years after becoming a Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.

(d) **Workout Obligations and Restructured Obligations.** The Portfolio Manager may direct the Collateral Trustee to sell any Workout Obligation or Restructured Obligation at any time without restriction.

(e) **Equity Securities.** The Portfolio Manager may direct the Collateral Trustee to sell any Equity Security at any time without restriction, and shall (unless such Equity Security is held by an Issuer Subsidiary as set forth in Section 12.1(k)) use its commercially reasonable efforts to effect the sale of any Equity Security (other than an interest in an Issuer Subsidiary), regardless of price:

(i) within 45 days after receipt if such Equity Security constitutes Margin Stock unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law; and

(ii) within three years after receipt or after such security becoming an Equity Security, if clause (i) above does not apply, unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law;

(f) **Optional Redemption.** After the Issuer has notified the Collateral Trustee of an Optional Redemption of the Debt in accordance with Section 9.2, the Portfolio Manager shall direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article 9 (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) **Tax Redemption.** After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Collateral Trustee) a Tax Redemption, the Issuer (or the Portfolio Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article 9 (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(h) **Discretionary Sales.** During the Reinvestment Period, the Portfolio Manager may direct the Collateral Trustee to sell any Collateral Obligation at any time if (i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(h) (other than Defaulted Obligations, Credit Risk Obligations, Workout Obligations, Restructured Obligations and Credit Improved Obligations) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater

than 30% of the Collateral Principal Amount *plus* amounts on deposit in the Collection Account, the Contribution Account and the Ramp-Up Account (including Eligible Investments therein), in each case, as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be) and (ii) either:

(A) the Portfolio Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Investment Criteria Adjusted Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 45 Business Days after such sale; or

(B) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, the Contribution Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance;

provided that, for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of Collateral Obligations so sold shall be reduced to the extent of any purchases of (or irrevocable commitments to purchase) Collateral Obligations of the same Obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 Business Days after such sale, so long as any such sale of a Collateral Obligation was entered into with the intention of purchasing such Collateral Obligations of the same Obligor.

(i) **Mandatory Sales.** The Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale (regardless of price) of any Collateral Obligation that (i) no longer meets the criteria described in clause (vii) or (xix) of the definition of "Collateral Obligation," within 18 months after the failure of such Collateral Obligation to meet either such criteria and (ii) no longer meets the criteria described in clause (vi) of the definition of "Collateral Obligation" within 45 days after the failure of such Collateral Obligation to meet such criteria; *provided* that (x) if any sale or other disposition of Margin Stock required under this clause (ii) is prohibited by applicable law or an applicable contractual restriction, such Margin Stock will be sold as soon such sale or other disposition is permitted by applicable law or not prohibited by such contractual restriction and (y) if any sale or other disposition required under this clause (ii) is of Margin Stock and such Margin Stock is a Specified Equity Security, this paragraph will not apply (without prejudice to Section 12.1(e) or the second paragraph of Section 10.3(b)).

~~(j) Prior to the Issuer's receipt thereof (or within five Business Days after such later date as such security or obligation may first be disposed of in accordance with its terms), the Issuer shall (unless such security or obligation has been transferred to an Issuer Subsidiary as set forth in clause (k) below) dispose of any Equity Security, Defaulted Obligation or security, obligation or other consideration that is received in an Offer that, in each case, would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S.~~

~~federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.~~ [\[Reserved\]](#).

(k) The Portfolio Manager may effect the transfer to an Issuer Subsidiary of any asset in accordance with Section 7.16(g) (and any assets, income and proceeds received in respect thereof) (collectively, "**Issuer Subsidiary Assets**"); *provided* that prior to the incorporation of any Issuer Subsidiary, the Portfolio Manager will, on behalf of the Issuer, provide written notice thereof to the Rating Agencies. The Issuer shall not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) an Issuer Subsidiary Asset if it has received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, receipt, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business ~~in~~ within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. For financial accounting reporting purposes (including each Monthly Report and Distribution Report) and the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Issuer Subsidiary Asset held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary; *provided* that any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset shall be reflected in such financial accounting reporting (including each Monthly Report and Distribution Report) and the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test; *provided, further*, that to the extent any an Issuer Subsidiary Asset generates interest, such interest will be included net of any associated tax liability for purposes of the calculation of the Minimum Floating Spread Test, the Minimum Weighted Average Coupon Test and the Interest Coverage Test.

(l) After the Reinvestment Period (without regard to whether an Event of Default has occurred and is continuing):

(i) notwithstanding the above restrictions, at the direction of the Portfolio Manager, the Collateral Trustee, at the expense of the Issuer, will conduct an auction of Unsalable Assets in accordance with the procedures described in clause (ii) unless a Majority of the Subordinated Notes has objected to such auction within three Business Days of receipt of the notice delivered pursuant to clause (ii) below; and

(ii) promptly after receipt of such direction, the Collateral Trustee will provide notice (in such form as is prepared by the Portfolio Manager) to the Holders of Debt (and, for so long as any Debt rated by Moody's is outstanding, Moody's) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder of Debt may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder of Debt submits such a bid, unless delivery in kind is not legally or commercially practicable, the Collateral Trustee will provide notice thereof to each Holder and offer to deliver (at no cost to such Holder) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Collateral Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Collateral Trustee will distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Collateral Trustee will select by lottery the Holder to whom the remaining amount will be delivered. The Collateral Trustee shall use commercially reasonable efforts to effect delivery of such interests; and

(D) if no such Holder provides delivery instructions to the Collateral Trustee, the Collateral Trustee will promptly notify the Portfolio Manager and offer to deliver (at no cost) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Collateral Trustee will take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(m) After the Portfolio Manager has notified the Issuer and the Collateral Trustee of a Clean-Up Call Redemption in accordance with Section 9.8 hereof, the Portfolio Manager may at any time effect the sale (which sale may be through participation or other arrangement) of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Collateral Trustee to effect such sale; *provided* that the Sale Proceeds therefrom are used for the purposes specified in Section 9.8 hereof (and applied pursuant to the Priority of Payments). If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(n) The Portfolio Manager may direct the Collateral Trustee at any time without restriction to consummate a Bankruptcy Exchange or sell any asset that is an exchanged obligation or received obligation acquired in connection with a Bankruptcy Exchange.

12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period with respect to purchases made pursuant to Section 12.2(e)), the Portfolio Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Collateral Trustee to invest Principal Proceeds or proceeds of additional debt issued pursuant to Sections 2.13 and 3.2, Contributions, amounts on deposit in the Ramp-Up Account and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Collateral Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) **Investment Criteria.** No obligation may be purchased by the Issuer unless each of the following conditions (the "**Investment Criteria**") is satisfied as of the date the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; *provided* that the conditions set forth in clauses (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

During the Reinvestment Period (and after the Reinvestment Period with respect to purchases described under Section 12.2(f) below):

(i) such obligation is a Collateral Obligation and, unless such obligation is being received or acquired in a Bankruptcy Exchange, is not as of such date a Defaulted Obligation (other than a Received Obligation) or a Credit Risk Obligation;

(ii) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Interest Coverage Test Date), each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved; *provided that if each Overcollateralization Ratio Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation shall not be reinvested in additional Collateral Obligations until the date upon which each Overcollateralization Ratio Test is then satisfied after which any such proceeds shall be permitted to be reinvested in additional Collateral Obligations;*

(iii) (A) in the case of a substitute Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale), (3) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (4) the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account, the Contribution Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance; ~~*provided that if the Overcollateralization Ratio Test with respect to the Class D Notes is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation shall not be reinvested in additional Collateral Obligations*~~ and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, either (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale), (2) the Adjusted Collateral Principal Amount is maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale), (3) the

Aggregate Principal Balance of the Collateral Obligations purchased with such Sale Proceeds will be greater than or equal to the Investment Criteria Adjusted Balance of the disposed Collateral Obligations or (4) the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account, the Contribution Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance;

(iv) after the Effective Date, either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(v) no Retention Deficiency would occur as a result of, and immediately after giving effect to, any such acquisition.

provided that the Interest Coverage Tests specified in Section 12.2(a)(ii) need not be satisfied, maintained or improved with respect to any acquisition of a Defaulted Obligation pursuant to a Bankruptcy Exchange and the Collateral Quality Test specified in Section 12.2(a)(iv) needs not be satisfied, maintained or improved with respect to any acquisition of a Defaulted Obligation pursuant to a Bankruptcy Exchange or the acquisition of a Received Obligation pursuant to an Exchange Transaction.

During the Reinvestment Period, following the sale of any Credit Improved Obligation or any discretionary sale of a Collateral Obligation, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations within 45 Business Days after such sale; *provided* that any such purchase must comply with the requirements of this Section 12.2.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Collateral Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Collateral Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or from the maturity or a prepayment of a Collateral Obligation that has been anticipated but has not yet occurred) to effect the settlement of such Collateral Obligations.

Subject to Section 12.2(e), after the Reinvestment Period, all Principal Proceeds received by the Issuer will be distributed in accordance with the Priority of Payments.

(b) **Certification by Portfolio Manager.** Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this

Section 12.2, the Portfolio Manager shall deliver to the Collateral Trustee and the Collateral Administrator a certification of the Portfolio Manager certifying that such purchase complies with this Section 12.2 and Section 12.3, subject to Section 1.2(j).

(c) **Investment in Eligible Investments.** Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article 10.

(d) **Maturity Amendment.** The Issuer (or the Portfolio Manager on its behalf) may not consent to a Maturity Amendment of a Collateral Obligation unless (i) the maturity of the new Collateral Obligation is not later than the Stated Maturity of any Class of Secured Debt and (ii) after giving effect to any relevant Trading Plan, (as of the date of such consent) either (1) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (2) if the Weighted Average Life Test was not satisfied prior to giving effect to such amendment, (x) the level of compliance with the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Amendment and (y) the aggregate principal balance of the new Collateral Obligations exchanged or deemed acquired through Maturity Amendments consented to on a date on which the Weighted Average Life Test was not satisfied as of the date of such consent (on a point-in-time basis) does not exceed 7.5% of the Reinvestment Target Par Balance and does not exceed (on a cumulative basis since the Closing Date based on the principal balances of such Collateral Obligations on their applicable consent date) 10.0% of the Reinvestment Target Par Balance; *provided* that, clause (ii) is not required to be satisfied (x) if the Issuer (or the Portfolio Manager on its behalf) did not consent to such amendment or (y) with respect to any amendment that is a Credit Amendment up to an amount not to exceed (on a cumulative basis since the Closing Date) 10.0% of the Reinvestment Target Par Balance. In addition, for the avoidance of doubt, the Issuer or the Portfolio Manager may vote for an extension with respect to an investment it has already sold (either in whole or in part) that has not settled, at the direction of the buyer; *provided* that if such trade fails to settle, the Issuer will only retain such investment after the effective date of the amendment if the requirements set forth above are satisfied.

(e) **Investment After the Reinvestment Period.** After the Reinvestment Period; provided that no Event of Default has occurred and is continuing, the Portfolio Manager may, but will not be required to, reinvest Principal Proceeds that were received, regardless of whether the Principal Proceeds received as of such date (for the avoidance of doubt, including any future redemption or prepayment in respect of a Collateral Obligation of which the Portfolio Manager is aware) is a negative amount, with respect to (x) the sale of Credit Risk Obligations and (y) Unscheduled Principal Payments (each such Credit Risk Obligation or Collateral Obligation with respect to which Unscheduled Principal Payments were received, a "**Reinvestable Obligation**"), and Contributions designated for such use by the Portfolio Manager, in additional Collateral Obligations ("**Substitute Obligations**") by the later of (A) the date occurring 45 days after the Issuer's receipt thereof and (B) the last day of the related Collection Period; *provided* that the requirements of Section 12.2(a) are satisfied and (i) the Reinvestment Balance Criteria are satisfied ~~(except that the Maximum Moody's Rating Factor Test shall be satisfied after giving effect to the reinvestment)~~, (ii) after giving effect to the reinvestment, each Coverage Test with respect to each Class of Secured Debt is satisfied, (iii) other than in connection with an Uptier Priming Transaction, a Restricted Trading Period is not

then in effect; provided that after giving effect to any such purchase in reliance on the foregoing exception for Uptier Priming Transactions, the Issuer does not hold, at such time, Collateral Obligations purchased in Uptier Priming Transactions in reliance on the foregoing exception that constitute, in the aggregate, more than 5% of the Collateral Principal Amount, (iv) each Substitute Obligation purchased will have the same or higher Moody's Default Probability Rating as the Reinvestable Obligation which produced such Principal Proceeds, (v) each Substitute Obligation purchased will have the same or earlier stated maturity as the Reinvestable Obligation which produced such Principal Proceeds on a weighted average basis and (vi) no Retention Deficiency would occur as a result of, and immediately after giving effect to, any such acquisition.

(f) At any time during (or, with respect to a Bankruptcy Exchange or the application of amounts pursuant to a Permitted Use, after) the Reinvestment Period, the Portfolio Manager on behalf of the Issuer may enter into and direct the Collateral Trustee to take such actions as may be reasonably necessary to effect a Bankruptcy Exchange or an Exchange Transaction or apply amounts specified in the definition of Permitted Use to one or more Permitted Uses. The purchase of a Restructured Obligation or Specified Equity Security pursuant to a Permitted Use, or the acquisition of a Restructured Obligation or Specified Equity Security without the payment of additional funds, shall not be required to satisfy the Investment Criteria.

12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article 12 or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; *provided* that the Collateral Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article 12, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Collateral Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Collateral Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(ix); *provided* that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Collateral Trustee of an Issuer Order or trade ticket, confirmation of trade, instruction to post or to commit to the trade, or similar electronic communication in respect thereof.

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall have the right to effect the sale of any Asset or purchase of any Collateral Obligation (*provided* that such transaction complies with Section 7.8(c) and (d) and the other applicable tax requirements set forth in this Indenture) (x) that has been consented to by Noteholders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of

each Class of Debt (voting separately by Class (other than Pari Passu Classes, which will vote together as a single Class for this purpose)) and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Debt (voting separately by Class (other than Pari Passu Classes, which will vote together as a single Class for this purpose)) and (y) of which each Rating Agency and the Collateral Trustee has been notified.

~~(d) As of any Measurement Date the sum of the Aggregate Principal Balance of all (i) Received Obligations and (ii) Collateral Obligations received by the Issuer in connection with a Bankruptcy Exchange, measured cumulatively since the Closing Date, may not exceed 12.5% of the Target Initial Par Amount.~~

(ed) Notwithstanding any other requirement set forth in this Indenture (other than Section 7.8(d) and the other applicable tax requirements set forth in this Indenture including compliance with the Tax Guidelines (or, in the alternative, Tax Advice described in Section 7.8(d)) permitting deviations therefrom), Principal Proceeds may be invested in Workout Obligations, Restructured Obligations and Specified Equity Securities; *provided* that (i) after giving effect to such investment, the Coverage Tests will be satisfied, (ii) after giving effect to such investment, the Collateral Principal Amount is at least equal to the Reinvestment Target Par Balance and (iii) for each calendar year, no more than 1.0% of the Collateral Principal Amount (determined as of the first Business Day of such calendar year) is applied in accordance with this paragraph. Notwithstanding anything to the contrary herein, (x) if a Workout Obligation does not meet the definition of "Collateral Obligation" due to any of the clauses of such definition specified in clause (i) of the definition of "Workout Obligation," it will be treated as a Defaulted Obligation until it subsequently meets the definition of "Collateral Obligation" and (y) from and after the time a Workout Obligation subsequently meets the definition of "Collateral Obligation," such Workout Obligation shall constitute a Collateral Obligation (and not a Workout Obligation) for all purposes hereunder.

13. Noteholders' Relations

13.1 **Subordination.** (a) Anything in this Indenture, the Credit Agreement or the Debt to the contrary notwithstanding, the Holders of each Class of Debt that constitute a Junior Class agree for the benefit of the Holders of the Debt of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class (other than the distribution of any Unsalable Asset pursuant to Section 12.1(l)) to the extent and in the manner set forth in this Indenture. If any Event of Default has occurred and not been cured or waived and acceleration occurs and is not waived in accordance with Article 5, including as a result of an Event of Default specified in Section 5.1(e) or (f), each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class (other than the distribution of any Unsalable Asset pursuant to Section 12.1(l)) with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Debt of any Junior Class shall have received any payment or distribution in respect of such Debt contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such

Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Collateral Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; *provided* that if any such payment or distribution is made other than in Cash, it shall be held by the Collateral Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class to receive payments or distributions until all amounts due and payable on the Debt shall be paid in full. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Debt.

(d) The Holders of each Class of Debt agree, for the benefit of all Holders of each Class of ~~Debt~~Debt, not to cause the filing of a petition in bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction against the Issuer or the Co-Issuer until the payment in full of the Debt (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

13.3 Information Sharing. (a) The Collateral Trustee shall provide to the Issuer and the Portfolio Manager upon reasonable request all reasonably available information in the possession of the Collateral Trustee and specifically requested by the Issuer or the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Portfolio Manager (or its parent or Affiliates) to comply with regulatory requirements, including, for the avoidance of doubt, the Tax Account Reporting Rules. The Collateral Trustee shall provide to the Issuer and the Portfolio Manager upon request a list of Holders (including beneficial owners who have provided the Collateral Trustee with a beneficial holder certificate for any purpose). At the Issuer's expense, the Collateral Trustee shall

obtain and provide to the Issuer and the Portfolio Manager a list of Agent Members holding positions in the Notes.

(b) Each purchaser of Notes, by its acceptance of an interest in Notes, and each Lender agrees to provide to the Issuer (or agents acting on its behalf) and the Portfolio Manager all information reasonably available to it that is reasonably requested by the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Portfolio Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Portfolio Manager from time to time.

14. Miscellaneous

14.1 **Form of Documents Delivered to Trustee.** In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate or opinion of an Officer of the Issuer, Co-Issuer or the Portfolio Manager may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person and confirming such factual matters, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Portfolio Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Portfolio Manager, the Issuer or the Co-Issuer and confirming such factual matters, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Collateral Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Collateral Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Collateral Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. (c) With respect to any notice period set forth in this Indenture, such period may be shortened with the consent of each party required to receive such notice.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Collateral Trustee (except information required to be provided in any Accountants' Report) may be provided by providing access to a website containing such information.

(e) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; *provided* that the Bank shall have received an incumbency certificate from the sending party listing the person delivering such instructions or directions as a person designated to provide such instructions or directions, which incumbency certificate may be amended whenever a person is added or deleted from the listing. 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Note Register or the Loan Register, as applicable (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each Holder affected by such event) not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing or transmission.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Islands Stock Exchange so require, documents delivered to Holders of such Listed Notes will be provided to the Listing Representative, on behalf of the Cayman Islands Stock Exchange.

Notwithstanding clause (a) above, a Holder may give the Collateral Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Collateral Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

Subject to Section 14.15, the Collateral Trustee will deliver to the Holders any written information (other than an Accountants' Report) reasonably available to the Collateral Trustee without undue burden or expense or written notice received by the Collateral Trustee relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer; provided that nothing herein shall be construed to obligate the Collateral Trustee to distribute any information or notice that the Collateral Trustee reasonably determines to be contrary to (i) the terms of this Indenture, (ii) its duties or obligations hereunder, (iii) applicable law or (iv) the terms of any confidentiality or non-disclosure agreement to which the Collateral Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgement governing any report, statement or certificate prepared by the Issuer's accountants). The Collateral Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Holder status and all related costs will be borne by the requesting Holder or Person. The Collateral Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to provide any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Collateral Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Collateral Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without

material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Holders of the Debt and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

14.9 Legal Holidays. In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Debt, this Indenture or the Credit Agreement, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity, as the case may be, and except as provided in the definition of "Interest Accrual Period," no interest shall accrue on such payment for the period from and after any such nominal date.

14.10 Governing Law. This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes and any matters arising out of or relating in any way whatsoever to this Indenture or the Notes (whether in contract, tort or otherwise) shall be governed by, the law of the State of New York.

14.11 Submission to Jurisdiction. With respect to any Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER AND THE COLLATERAL TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HEREBY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE OTHER WOULD NOT, IN THE EVENT OF A PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT HAS BEEN

INDUCED TO ENTER INTO THIS INDENTURE BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS PARAGRAPH.

14.13 Counterparts. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile or electronic transmission or other transmission method (including, without limitation any .pdf file, .jpeg file, or any other electronic or image file, or any "electronic signature" as defined under E-SIGN or ESRA, which includes any electronic signature provided using Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Collateral Trustee)), each of which will be deemed an original and shall be deemed to have been duly and validly delivered for all purposes hereunder, and all of which together constitute one and the same instrument. Delivery of an executed counterpart of this Indenture by e-mail (PDF) or facsimile shall be effective as delivery of a manually executed counterpart of this Indenture.

14.14 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

14.15 Confidential Information. (a) The Collateral Trustee, the Collateral Administrator and each Holder of Debt will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) or such Holder in good faith to protect Confidential Information of third parties delivered to such Person; *provided* that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (ii) such Person's financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (iii) any other Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Debt in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Debt or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) the Rating Agencies; (ix) the CLO Information Service in accordance with Article 10 hereof; (x) any other Person with the consent of the Co-Issuers and the Portfolio

Manager; or (xi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Debt or this Indenture or (E) in the Collateral Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; and *provided* that delivery to Holders by the Collateral Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders shall not be a violation of this Section 14.15. Each Holder of Debt agrees, except as set forth in clauses (vi), (vii) and (xi) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Debt or administering its investment in the Debt; and that the Collateral Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder of Debt, by its acceptance of any Debt, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15).

(b) For the purposes of this Section 14.15, "**Confidential Information**" means information delivered to the Collateral Trustee, the Collateral Administrator or any Holder of Debt by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Collateral Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Collateral Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Collateral Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Collateral Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Collateral Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Collateral Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Collateral Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents or representatives, attorneys and auditors in connection with the performance of its responsibilities hereunder.

14.16 **Liability of Co-Issuers.** Notwithstanding any other terms of this Indenture, the Debt, the Credit Agreement or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Debt, the Credit Agreement, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Debt, the Credit Agreement, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

14.17 **Rating Agency Confirmation Deemed Inapplicable.** With respect to any event or circumstance that requires Rating Agency Confirmation, the requirement of obtaining Rating Agency Confirmation shall not apply with respect to such event or circumstance if the applicable Rating Agency (a) makes a public announcement or informs the Issuer, the Portfolio Manager or the Collateral Trustee that (x) it will not review such action for the purposes of determining whether the then current ratings of the applicable Class of Secured Debt will be reduced or withdrawn or (y) its practice is to not give such confirmations with respect to the proposed action, (b) no longer constitutes a Rating Agency under this Indenture or (c) in the case of Moody's, in connection with amendments requiring unanimous consent of all Holders of Debt, such Holders have been advised prior to consenting that the current ratings of the Secured Debt may be reduced or withdrawn as a result of such amendment. Rating Agency Confirmation will not apply to any supplemental indenture except as otherwise expressly provided under Article 9 or in connection with an additional issuance of Notes or incurrence of Class A Loans except as otherwise expressly provided under Section 2.13.

15. Assignment Of Certain Agreements

15.1 **Assignment of Portfolio Management Agreement.** (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that notwithstanding anything herein to the contrary, the Collateral Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall, unless the Collateral Trustee has previously commenced exercising remedies pursuant to Section 5.4, terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, nor shall any of the

obligations contained in the Portfolio Management Agreement be imposed on the Collateral Trustee.

(c) Upon the retirement of the Notes and the prepayment of the Class A Loans, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Collateral Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Collateral Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Portfolio Manager in the Portfolio Management Agreement, to the following:

(i) The Portfolio Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Portfolio Manager subject to the terms (including the standard of care set forth in the Portfolio Management Agreement) of the Portfolio Management Agreement.

(ii) The Portfolio Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Portfolio Management Agreement to the Collateral Trustee as representative of the Noteholders and the Portfolio Manager shall agree that all of the representations, covenants and agreements made by the Portfolio Manager in the Portfolio Management Agreement are also for the benefit of the Collateral Trustee.

(iii) The Portfolio Manager shall deliver to the Collateral Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Portfolio Manager to the Issuer pursuant to the Portfolio Management Agreement.

(iv) The Issuer and the Portfolio Manager may amend the Portfolio Management Agreement without the consent of Holders and without obtaining Rating Agency Confirmation (or deemed inapplicability thereof pursuant to Section 14.17) to (w) correct inconsistencies, typographical or other errors, defects or ambiguities; *provided* that such correction does not have a material adverse effect on the Holders of any Class of Debt, (x) conform the Portfolio Management Agreement to the final Offering Circular with respect to the Debt or to this Indenture (as it may be amended from time to time pursuant to Article 8), (y) conform the Portfolio Management Agreement to any supplemental indenture entered into in

accordance with Section 8.3(c) or (z) permanently or temporarily remove any Management Fee payable to the Portfolio Manager. Any other amendment to the Portfolio Management Agreement shall be permitted (i) upon obtaining Rating Agency Confirmation (or deemed inapplicable pursuant to Section 14.17), (ii) with the consent of a Majority of the Subordinated Notes if such amendment would have a material and adverse effect on such Holders and (iii) with the consent of a Majority of the Controlling Class if such amendment would have a material adverse effect on such Holders. Notwithstanding anything contained herein or in the Portfolio Management Agreement to the contrary, the ~~provisions set forth in the~~ Tax Guidelines may be amended or supplemented by the Portfolio Manager (without the execution of an amendment to the Portfolio Management Agreement or the consent of any Person) if the Issuer and the Portfolio Manager shall have received Tax Advice to the effect that, assuming the Issuer complies with the Tax Guidelines as modified by such amended ~~provisions~~ or supplemental provisions, the Issuer will not be treated as engaged in ~~the conduct of~~ a trade or business in within the United States for U.S. federal income tax purposes or otherwise be subject to U.S. federal income tax on a net basis.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Portfolio Management Agreement), the Portfolio Manager shall continue to serve as Portfolio Manager under the Portfolio Management Agreement notwithstanding that the Portfolio Manager shall not have received amounts due to it under the Portfolio Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Portfolio Manager agrees not to cause the filing of a petition in bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Portfolio Manager under the Portfolio Management Agreement until the payment in full of the Debt (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period then in effect *plus* one day, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to estop, the Portfolio Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Portfolio Manager, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Portfolio Management Agreement, if the Portfolio Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Debt and any other account or portfolio for which the Portfolio Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Portfolio Manager will give written notice to the Collateral Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to

take. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Portfolio Management Agreement.

SCHEDULE 3

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

- (a) An "**Issuer Par Amount**" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.
- (b) An "**Average Par Amount**" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.
- (c) An "**Equivalent Unit Score**" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer *divided by* the Average Par Amount.
- (d) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each of the Moody's Industry Classification and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.
- (e) An "**Industry Diversity Score**" is then established for each Moody's Industry Classification by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

| Aggregate Industry Equivalent Unit Score | Industry Diversity Score | Aggregate Industry Equivalent Unit Score | Industry Diversity Score | Aggregate Industry Equivalent Unit Score | Industry Diversity Score | Aggregate Industry Equivalent Unit Score | Industry Diversity Score |

SCHEDULE 4

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

"Moody's Default Probability Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

- (a) if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating; and (solely for purposes of determining the Adjusted Weighted Average Moody's Rating Factor) with respect to a Collateral Obligation that is a Current Pay Obligation, one subcategory below the facility rating (whether public or private) of such Current Pay Obligation (or the facility rating of such Current Pay Obligation immediately before such rating was withdrawn) rated by Moody's;
- (b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations (including such Collateral Obligation, if applicable) publicly rated by Moody's then the Moody's public rating of any such obligation as selected by the Portfolio Manager in its sole discretion;
- (c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations (including such Collateral Obligation, if applicable) publicly rated by Moody's, then the rating one rating subcategory below the Moody's public rating of any such obligation as selected by the Portfolio Manager in its sole discretion;
- (d) if not determined pursuant to clause (a), (b) or (c) above, (A) if a credit estimate has been assigned to such Collateral Obligation by Moody's within the last 15 months (but not within the last 13 months) upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, the rating one rating subcategory below the Moody's Default Probability Rating included in such credit estimate, or if a credit estimate has been assigned to such Collateral Obligation by Moody's within the last 13 months, such credit estimate or (B) if such Collateral Obligation is a DIP Collateral Obligation and has a facility rating (whether public or private) by Moody's, one subcategory below such facility rating;
- (e) if not determined pursuant to clause (a), (b), (c) or (d) above, the Moody's Derived Rating; and
- (f) if not determined pursuant to clause (a), (b), (c), (d) or (e) above, "Caa3."

For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S RATING

"Moody's Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to any Collateral Obligation that is publicly rated by Moody's, such public rating.

(b) With respect to a Collateral Obligation that is a Senior Secured Loan or Participation Interest in a Senior Secured Loan (if not determined pursuant to clause (a) above), (A) the Moody's Rating that is determined by adjusting the Moody's Default Probability Rating assigned to such Collateral Obligation as part of a credit estimate by the number of ratings subcategories difference indicated in the row of the table under clause (ii) of the definition of "Moody's Recovery Rate" corresponding to the Moody's Recovery Rate assigned to such Collateral Obligation as part of such credit estimate; *provided* that, for purposes of determining Moody's Rating under this subclause (A), the numbers in the first row and last row of the table under clause (ii) of the definition of "Moody's Recovery Rate" shall be deemed to be "+2" and "-3," respectively, and (B) otherwise, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the rating one subcategory above such corporate family rating.

(c) With respect to any Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations (including such Collateral Obligation, if applicable) publicly rated by Moody's, then the Moody's public rating of any such obligation (or, if such Collateral Obligation is a Senior Secured Loan or Participation Interest in a Senior Secured Loan, the Moody's Rating that is two subcategories higher than the Moody's public rating of any such senior unsecured obligation) as selected by the Portfolio Manager in its sole discretion; provided that with respect to any Collateral Obligation that is a Pending Rating DIP Collateral Obligation, the Moody's Rating shall be the credit rating determined by the Portfolio Manager in accordance with the definition of Pending Rating DIP Collateral Obligation.

(d) With respect to any Collateral Obligation, if not determined pursuant to clause (a), (b) or (c) above, (A) the Moody's Rating that is determined by adjusting the Moody's Default Probability Rating assigned to such Collateral Obligation as part of a credit estimate by the number of ratings subcategories difference indicated in the row of the table under clause (ii) of the definition of "Moody's Recovery Rate" corresponding to the Moody's Recovery Rate assigned to such Collateral Obligation as part of such credit estimate; *provided* that, for purposes of determining Moody's Rating under this subclause (A), the numbers in the first row and last row of the table under clause (ii) of the definition of "Moody's Recovery Rate" shall be deemed to be "+2" and "-3," respectively, and (B) otherwise, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the rating one subcategory below such corporate family rating.

(e) With respect to any Collateral Obligation other than a Senior Secured Loan or Participation Interest in a Senior Secured Loan, if not determined pursuant to clause (a), (b),

(c) or (d) above, if the obligor of such Collateral Obligation has one or more subordinated obligations (including such Collateral Obligation, if applicable) publicly rated by Moody's, then the rating one subcategory above such Moody's public rating of any such obligation as selected by the Portfolio Manager in its sole discretion.

(f) With respect to any Collateral Obligation, if not determined pursuant to clause (a), (b), (c), (d) or (e) above, the Moody's Derived Rating.

(g) With respect to any Collateral Obligation, if not determined pursuant to clause (a), (b), (c), (d), (e) or (f) above, "Caa3."

MOODY'S DERIVED RATING

"Moody's Derived Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) if such Collateral Obligation is rated by S&P, the rating determined pursuant to the table below:

| Type of Collateral Obligation | S&P Rating (Public and Monitored) | Collateral Obligation Rated by S&P | Number of Subcategories Relative to Moody's Equivalent of S&P Rating |
|--------------------------------------|--|---|---|
| Not Structured Finance Obligation | ≥ "BBB-" | Not a Loan or Participation Interest in Loan | -1 |
| Not Structured Finance Obligation | ≤ "BB+" | Not a Loan or Participation Interest in Loan | -2 |
| Not Structured Finance Obligation | | Loan or Participation Interest in Loan | -2 |

(b) if such Collateral Obligation is not rated by S&P, but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Portfolio Manager (with notice to the Collateral Trustee and the Collateral Administrator) be determined in accordance with the table set forth in clause (a) above, and the Moody's Derived Rating of such Collateral Obligation will be determined by adjusting the rating of such parallel security by the number of rating subcategories according to the table below, for such purposes treating the parallel security as if it were rated by Moody's at the rating determined in accordance with the table set forth in clause (a) above:

| Obligation Category of Rated Obligation | Rating of Rated Obligation | Number of Subcategories Relative to Rated Obligation Rating |
|--|-----------------------------------|--|
| Senior secured obligation | greater than or equal to | -1 |

| | | |
|---------------------------|--------------------------|----|
| | B2 | |
| Senior secured obligation | less than B2 | -2 |
| Subordinated obligation | greater than or equal to | +1 |
| | B3 | |
| Subordinated obligation | less than B3 | 0 |

provided that, if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency.
