WHEREAS, the Issuer has determined that, effective on the First Refinancing Date, its jurisdiction of domicile will be changed from Jersey to the Cayman Islands;

The Co-Issuers are duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. Except as otherwise provided herein, all covenants and agreements made by the Co-Issuers herein are for the benefit and security of the Secured Parties. The Co-Issuers are entering into this Indenture and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Co-Issuers in accordance with the agreement's terms have been done.

GRANTING CLAUSE

On the Closing Date, the Issuer granted, and the Issuer hereby on the First Refinancing Date Grants again to the Trustee, for the benefit and security of the Holders of the Secured Notes, the Trustee, the Collateral Administrator, the Initial Purchaser, the Administrator, the Intermediary and each Hedge Counterparty (collectively, the "Secured Parties"), all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising, in each case as defined in the UCC, accounts, chattel paper, commercial tort claims, deposit accounts, documents, financial assets, general intangibles, goods, instruments, investment property, letter-of-credit rights, and all other property of any type or nature in which the Issuer has an interest, including all proceeds (as defined in the UCC) with respect to the foregoing (subject to the exclusions noted below, the "Assets" or the "Collateral").

Such Grants include, but are not limited to the Issuer's interest in and rights under: (a) the Collateral Obligations, Restructuring Loans and Equity Securities and all payments thereon or with respect thereto, (b) each of the Accounts (other than the Tax Reserve Account) (subject, in the case of any Hedge Counterparty Collateral Account, to the extent permitted by the applicable Hedge Agreement), including any Eligible Investments purchased with funds on deposit therein, and all income from the investment of funds therein, (c) the Issuer's ownership interest in any Tax Subsidiary, (d) the Portfolio Management Agreement, the Collateral Administration Agreement, the Account Agreement, the Risk Retention Letter, the Administration Agreement, the Registered Office Agreement, the AML Services Agreement and any Hedge Agreement, (e) all cash and (f) all proceeds with respect to the foregoing; *provided*, that such Grants exclude: (i) Margin Stock or the U.S. Dollar amount of any liquidation thereof, whether or not such dollar amount has been reinvested in another instrument and (ii) (A) the U.S.$250 transaction fee paid to the Issuer in consideration of the issuance of the Secured Notes and the Subordinated Notes, (B) the proceeds of the issuance and allotment of the Issuer's ordinary shares, (C) any account in the Cayman Islands maintained in respect of such funds referred to in items (A) and (B) above (any amount credited thereto and any interest thereon), (D) the common stock of the Co-Issuer and (E) any Tax Reserve Account (the assets referred to in clause (ii), collectively, the "Excepted Property").

The above Grants are made in trust to secure the Secured Notes and the Issuer's obligations to the Secured Parties under this Indenture and each other Transaction Document. Except as set forth in the Priority of Distributions and Article XIII of this Indenture, the Secured Notes are secured equally and ratably without prejudice, priority or distinction between any Secured Note and any other Secured Note by reason of difference in time of issuance or otherwise, except as expressly provided in this Indenture, and to secure, in accordance with the priorities set forth in the Priority of Distributions, (i) the payment of all amounts due on the Secured Notes in accordance with their terms, (ii) the payment of all other sums payable under any Transaction Document and each Hedge Agreement to any Secured Party and (iii) compliance with the provisions of this Indenture and each Hedge Agreement, all as provided in this Indenture and each Hedge Agreement, respectively. The foregoing Grants shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments

granted to the Trustee by or on behalf of the Issuer, whether or not such securities or investments satisfy the criteria set forth in the definitions of "Collateral Obligation" or "Eligible Investments," as the case may be.

The Trustee acknowledges such Grants, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform its duties expressly stated herein in accordance with the provisions hereof.

ARTICLE I

DEFINITIONS

Section 1.1. Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A hereto shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision.

Section 1.2. Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations securing the Secured Notes shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made. The Class X-R Notes shall not be included in the calculation of any Coverage Test or the Reinvestment Overcollateralization Test.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as

otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Distribution Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on Secured Notes and Floating Rate Obligations shall be calculated using the then current interest rates applicable thereto.

(e) After the Reinvestment Period, in determining any amount required to satisfy any Coverage Test, for purposes of the priorities set forth in Section 11.1(a)(i), the Aggregate Outstanding Amount of the Secured Notes shall give effect, *first*, to the application of Principal Proceeds to be used pursuant to Section 11.1(a)(ii) on the applicable Distribution Date to repay principal of the Secured Notes and, *second*, to the application of Interest Proceeds on such Distribution Date pursuant to all prior clauses in the priorities set forth in Section 11.1(a)(i).

(f) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Distributions described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(g) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(h) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a Principal Balance equal to zero.

(i) For purposes of any calculation hereunder, Eligible Investments representing Principal Proceeds shall be deemed to be Senior Secured Loans, until reinvested in additional

Collateral Obligations. Such calculations shall be based upon the principal amount of such Eligible Investments or Collateral Obligations.

(j) For purposes of the calculation of the Interest Coverage Test, the Minimum Floating Spread Test and the Minimum Fixed Coupon Test, Collateral Obligations (including, for the avoidance of doubt, any Collateral Obligations constituting Uptier Priming Debt) contributed to a Tax Subsidiary shall be included net of the actual taxes paid or any future taxes reasonably anticipated by the Portfolio Manager to be payable with respect thereto.

(k) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(l) If withholding tax is imposed on (i) any amendment, waiver, consent or extension fees, (ii) commitment fees or other similar fees or (iii) any other Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the obligor is required to make "gross-up" payments to the Issuer or any Tax Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(m) If at any time a Tax Subsidiary distributes less than the total amount of Cash then held by it, and the Cash then held by such Tax Subsidiary represents both proceeds that would have been characterized as Interest Proceeds and proceeds that would have been characterized as Principal Proceeds if received directly by the Issuer, the Portfolio Manager shall allocate such distribution between Interest Proceeds and Principal Proceeds in its reasonable discretion and in accordance with the respective definitions thereof.

(n) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(o) Unless otherwise specified, any reference to the fee payable under Section 11.1 to an amount calculated with respect to a period at per annum rate shall be computed on the basis of a 360-day year of twelve 30-day months. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.

(p) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(q) Unless otherwise specifically provided herein, all calculations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(r) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related borrower or issuer).

(s) For purposes of calculating clause (iii) of the definition of "Concentration Limitations," without duplication, amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(t) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having a Fitch Recovery Rate equal to 95%.

(u) All calculations related to maturity amendments as described under Section 10.8(d), sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Secured Notes. For the avoidance of doubt, the Incentive Interest Threshold will not be reset at zero on the date of any Refinancing.

(v) Any direction or Issuer Order required under this Indenture relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Portfolio Manager or the Issuer (or the Portfolio Manager on behalf of the Issuer) to the Trustee on which the Trustee may rely.

(w) To the fullest extent permitted by applicable law and subject to the standard of care under the Portfolio Management Agreement and the legal, contractual and fiduciary duties owed by the Portfolio Manager, including the duty to act in the best interest of the Issuer, whenever in this Indenture or any other Transaction Document the Portfolio Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Portfolio Manager shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting any other Person. The intent of granting authority to act in its "discretion" to the Portfolio Manager is that no other party's express consent is required to be obtained by the Portfolio Manager when acting pursuant to such grant of authority under this Indenture; *provided,* that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Portfolio Manager. If any questions should arise with respect to the operation of the Issuer that are not specifically provided for in this Indenture, or with respect to the interpretation of this Indenture, the Portfolio Manager is authorized to make a final determination in its sole discretion with respect to any such question, and its determination and interpretation so made shall be final and binding on all parties.

(x) In the sole discretion of the Portfolio Manager, with at least four (4) Business Days' notice to the Trustee, proceeds received after the applicable Determination Date but before the

applicable Distribution Date may be included as Interest Proceeds or Principal Proceeds, as applicable, received during the respective Collection Period.

ARTICLE II

THE NOTES

Section 2.1. Forms Generally. The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article II, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Global Notes and Certificated Notes of the same Class may have the same identifying numbers (e.g., CUSIP). As an administrative convenience or in connection with a Re-Pricing, Tax Account Reporting Rules Compliance or an implementation of the Bankruptcy Subordination Agreement, the Applicable Issuers or the Issuer's agent may obtain a separate CUSIP or separate CUSIPs (or similar identifying numbers) for all or a portion of any Class of Notes.

Section 2.2. Forms of Notes. (a) The forms of the Notes shall be as set forth in the applicable part of Exhibit A hereto.

(b) Regulation S Global Notes and Rule 144A Global Notes.

(i) Except for Notes issued in the form of Certificated Notes, the Notes of each Class sold to non-"U.S. persons" (as defined in Regulation S) in offshore transactions in reliance on Regulation S shall be issued in the form of Regulation S Global Notes with the applicable legend set forth in the applicable Exhibit A added thereto, which shall be deposited with the Trustee as custodian for, and registered in the name of a nominee of, DTC for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(ii) Except for Notes issued in the form of Certificated Notes, the Notes of each Class sold to persons that are QIB/QPs shall be issued in the form of Rule 144A Global Notes, which shall be deposited with the Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(iii) The Aggregate Outstanding Amount of the Regulation S Global Notes and the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(c) Certificated Notes. Notes sold to persons that are IAI/QPs, Notes sold to Purchasers that request a Certificated Note and Issuer Only Notes sold to Benefit Plan Investors or Controlling Persons (other than Benefit Plan Investors or Controlling Persons purchasing on the Closing Date or First Refinancing Date, as the case may be) will be issued as Certificated Notes registered in the name of the beneficial owner or a nominee thereof, duly executed by the Applicable Issuer and authenticated by the Trustee as hereinafter provided.

(d) Book Entry Provisions. This Section 2.2(d) shall apply only to Global Notes deposited with or on behalf of DTC.

Agent Members and owners of beneficial interests in Global Notes shall have no rights under this Indenture with respect to any Global Notes held by the Trustee, as custodian for DTC and DTC may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Section 2.3. Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of the Secured Notes and the Subordinated Notes that may be authenticated and delivered under this Indenture is limited to U.S.$409,000,000 aggregate principal amount of Notes, except for Deferred Interest with respect to the Deferred Interest Notes, Additional Notes issued pursuant to Section 2.4 and Notes issued pursuant to supplemental indentures in accordance with Article VIII.

* The initial Reference Rate for the Floating Rate Notes will be the Term SOFR Rate. For purposes of the first Interest Accrual Period following the First Refinancing Date, the Term SOFR Rate will be interpolated linearly between the rate for 1 month and the rate for 3 months for the period beginning on the First Refinancing Date and ending on the Interest Reset Date; thereafter, the Term SOFR Rate with a tenor of three months will apply. The Reference Rate for calculating interest on the Floating Rate Notes may be replaced with a Fallback Rate as set forth herein.

** The spread over the Reference Rate (or the fixed rate of interest, in the case of Fixed Rate Notes) applicable to any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Re-Pricing Eligible Notes, subject to the conditions set forth in Section 9.8.

*** Interest on the Class X-R Notes will be paid *pari passu* to interest on the Class A-1-R Notes. On the Stated Maturity, on each Post-Acceleration Distribution Date, and on each other Distribution Date to the extent of payments made in accordance with the Note Payment Sequence, principal of the Class X-R Notes will be paid *pari passu* to principal of the Class A-1-R Notes. At all other times, principal of the Class X-R Notes will be paid prior to principal of the Class A-1-R Notes in accordance with the Priority of Payments.

The Secured Notes (except for the Class E-R Notes) shall be issued in minimum denominations of U.S.$250,000 and integral multiples of U.S.$1.00 in excess thereof and the Class E-R Notes and the Subordinated Notes will be issued in minimum denominations of U.S.$150,000 and integral multiples of U.S.$1.00 in excess thereof (the "Authorized Denominations"); *provided,* that the minimum denominations may be lower to allow for compliance with the U.S. Risk Retention Rules and/or the terms of the Risk Retention Letter, as certified by the Portfolio Manager to the Trustee.

Notwithstanding anything to the contrary set forth herein, the Issuer may, by notice to the Trustee, approve the issuance, transfer or exchange of any Note in a minimum denomination of less than the applicable Authorized Denomination.

Subordinated Notes issued to Persons who have identified themselves as BCC Investors in the applicable subscription agreement or investor letter shall be issued Subordinated Notes with CUSIP and ISIN numbers specified in the definition of "BCC Subordinated Notes" herein.

Section 2.4. Additional Notes. (a) At any time during the Reinvestment Period or, in the case of a Risk Retention Issuance or an issuance of Junior Mezzanine Notes and/or Subordinated Notes only, during and after the Reinvestment Period, subject to the written approval of the Portfolio Manager, the Applicable Issuers may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof, issue and sell additional Notes (including a Risk Retention Issuance) of (i) any existing Class or Classes and/or (ii) additional secured or unsecured Notes of one or more new classes that are junior in right of payment to the Secured Notes (such additional notes, "Junior Mezzanine Notes") up to, in the case of an additional issuance of a Class of Secured Notes (other than a Risk Retention Issuance), an aggregate maximum amount of Additional Notes equal to 100% of the original principal amount of each such Class of Secured Notes; *provided,* that:

(i) the Applicable Issuers shall comply with the requirements of Sections 2.6, 3.2 and 8.1;

(ii) solely with respect to an additional issuance of Secured Notes, the Issuer provides notice of such issuance to each Rating Agency then rating a Class of Secured Notes;

(iii) solely with respect to an additional issuance of Secured Notes (other than a Risk Retention Issuance), immediately after giving effect to such issuance and the application of the net proceeds thereof, each Overcollateralization Ratio Test is maintained or improved;

(iv) the issuance of such Notes shall be proportional across all Classes of Secured Notes (including additional Notes of any Class of Secured Notes issued on the First Refinancing Date); *provided*, that a proportional amount or a larger proportion of Junior Mezzanine Notes or Subordinated Notes may be issued;

(v) the proceeds of any Additional Notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds, used to purchase additional Collateral Obligations or, solely with the proceeds of an issuance of additional Junior Mezzanine Notes or Subordinated Notes, applied to a Permitted Use;

(vi) for any issuance other than a Risk Retention Issuance, the Issuer has received Tax Advice to the effect that additional notes of existing Classes of Secured Notes will have the same U.S. federal income tax debt characterization (and at the same comfort level) as Outstanding Notes of the same Class as in effect immediately before the time of issuance of the additional notes; *provided*, *however*, that such Tax Advice will not be required with respect to any Additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(vii) the Additional Notes will be issued in a manner that allows the Issuer to accurately provide the tax information that this Indenture requires the Issuer to provide to Holders and beneficial owners of Notes;

(viii) the terms and conditions of the Additional Notes of each Class issued pursuant to this Section 2.4 shall be identical to those of the initial Notes of that Class (except that the interest due on the Additional Notes that are Secured Notes shall accrue from the issue date of such Additional Notes and the interest rate and price of such Additional Notes do not have to be identical to those of the initial Notes of that Class; *provided*, that the spread above the Reference Rate (or, in the case of Fixed Rate Notes, the Interest Rate) on such notes may not exceed the spread above the Reference Rate (or, in the case of Fixed Rate Notes, the Interest Rate) applicable to the initial Secured Notes of that Class);

(ix) the Retention Holder subscribes for sufficient Subordinated Notes such that, after giving effect to the additional issuance and after the receipt by the Issuer of the proceeds thereof into the principal collection account as Principal Proceeds, the additional issuance will not result in a Retention Deficiency; and

(x) an Officer's certificate of the Issuer shall be delivered to the Trustee stating that the conditions of this Section 2.4(a) have been satisfied.

Interest on the Additional Notes that are Secured Notes shall be payable commencing on the first Distribution Date following the issue date of such Additional Notes (if issued prior to the applicable Record Date). The Additional Notes of any Class shall rank *pari passu* in all respects with the initial Notes of that Class.

(b) The Co-Issuers or the Issuer may also issue Additional Notes in connection with an Optional Redemption by Refinancing of all Classes of Secured Notes, which issuance will not be subject to Section 2.4(a) or Section 3.2 but will be subject only to Section 9.2.

Section 2.5. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or electronic.

Notes bearing the manual or electronic signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date, and each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the First Refinancing Date shall be dated as of the First Refinancing Date. All other Notes that are authenticated for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual or electronic signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6. Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept a register (the "Register") at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "Registrar" for the purpose of maintaining the Register and registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor. This Indenture shall be effectuated so that the Secured Notes are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related regulations (and any successor provisions).

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon reasonable written request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable

Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount. At any time, the Issuer, the Portfolio Manager or the Initial Purchaser may request a list of Holders from the Trustee and the Trustee shall provide such a list of Holders to the extent such information is available to the Trustee. At the expense of the Issuer and the direction of the Issuer, the Initial Purchaser or the Portfolio Manager, the Trustee shall request a list of participants from the book-entry depositories and provide such list to the Issuer, the Initial Purchaser or the Portfolio Manager, respectively.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal or face amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in a form reasonably satisfactory to the Registrar duly executed by the Holder thereof or his attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(i) No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (A) to (1) a non-"U.S. person" (as defined under Regulation S) in accordance with the requirements of Regulation S, (2) a QIB/QP or (3) an IAI/QP and (B) in accordance with any applicable law.

(ii) No Note may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date or First Refinancing Date, as the case may be, within the United States or to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) (i) No transfer of an ERISA Restricted Note (or any interest therein) to a proposed transferee that is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar, and the Applicable Issuer will not recognize any such transfer, if to their knowledge, based on representations made or deemed to have been made by holders of ERISA Restricted Notes, such transfer would result in Benefit Plan Investors owning 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes as determined in accordance with the Plan Asset Regulation;

(ii) No Benefit Plan Investor or Controlling Person may hold ERISA Restricted Notes in the form of Global Notes other than a Benefit Plan Investor or a Controlling Person purchasing on the Closing Date or First Refinancing Date, as the case may be, and executing an investor representation letter; and

(iii) No transfer of a Note (or any interest therein) will be effective, and the Trustee and the Applicable Issuer will not recognize any such transfer, if the transferee's acquisition, holding or disposition of such Note (or any interest therein) would constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, church or non-U.S. plan, a violation of any Similar Laws).

(d) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; except that if a Transfer Certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6 and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding the foregoing, the Registrar shall not recognize any acquisition or transfer of Issuer Only Notes if it knows, based on representations made or deemed to have been made by Holders of Issuer Only Notes that such transfer would result in 25% or more (or such lesser percentage determined by the Portfolio Manager and notified to the Trustee) of the Aggregate Outstanding Amount of the Class

of Issuer Only Notes to be transferred being held by Benefit Plan Investors, as calculated pursuant to the Plan Asset Regulation and this Indenture.

(e) For so long as any of the Notes are Outstanding, neither the Issuer nor the Co-Issuer shall issue or permit the transfer of any of its ordinary shares to United States persons.

(f) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with Section 2.2(b) and this Section 2.6(f).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(f), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Rule 144A Global Note to Regulation S Global Note. If a Holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such Holder may, provided such Holder is not or, in the case of a transfer, the transferee is not, a U.S. person and is acquiring such interest in an offshore transaction, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to such Holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C)the applicable Transfer Certificate, then the Trustee or the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(iii) Regulation S Global Note to Rule 144A Global Note. If a Holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such Holder may, subject to the immediately

succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. (m) Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.7. Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable

Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which will be deemed to have been given upon delivery to the Trustee of the Note signed by each Applicable Issuer), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable quarterly in arrears on each Distribution Date, in the case of the Secured Notes, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments

of Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid or if such interest is not paid in order to satisfy the Coverage Tests ("Deferred Interest" with respect thereto) in accordance with the Priority of Distributions on any Distribution Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Distribution Date (i) on which such interest is available to be paid in accordance with the Priority of Distributions, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, and (iii) which is the Stated Maturity of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class of Deferred Interest Notes and payable on the first Distribution Date on which funds are available to be used for such purpose in accordance with the Priority of Distributions, but in any event no later than the earlier of the Distribution Date (i) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (ii) which is the Stated Maturity of such Class of Deferred Interest Notes.

Interest shall cease to accrue on Secured Notes of a Class, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Interest Rate for such Class until paid as provided herein and (y) interest on any Class X-R Note and any Class A-1 Note or, if no Class X-R Notes or Class A-1 Notes are Outstanding, any Class A-2 Note or, if no Class A-2 Notes are Outstanding, any Class B Note or, if no Class B Notes are Outstanding, any Class C Note or, if no Class C Notes are Outstanding, any Class D-1 Note or, if no Class D-1 Notes are Outstanding, any Class D-2-R Note or, if no Class D-2-R Notes are Outstanding, any Class D-3-R Note or, if no Class D-3-R Notes are Outstanding, any Class E Note that is not paid when due shall accrue at the Interest Rate for such Class until paid as provided herein.

For the avoidance of doubt, the Subordinated Notes will not bear a stated rate of interest but will be entitled to receive distributions on each Distribution Date to the extent funds are available for such purpose, pursuant to the Priority of Distributions set forth in Article XI of this Indenture.

(b) The principal of each Secured Note of each Class matures and is due and payable on the Distribution Date which is the Stated Maturity for such Class of Secured Notes, unless such unpaid principal becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, (i) the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) after principal and interest on each Class of Notes that constitutes a Priority Class with respect to such Class has been paid in full and is subordinated to the payment on each Distribution Date of the principal and interest due and payable on such Priority Class(es), and other amounts in accordance with the Priority of Distributions, and (ii) any payment of principal of any Class of Secured Notes which is not paid,

in accordance with the Priority of Distributions, on any Distribution Date (other than the Distribution Date which is the Stated Maturity of such Class or any Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(a) until the Distribution Date on which such principal may be paid in accordance with the Priority of Distributions or all of the Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Distributions and Section 9.1.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) (together with appropriate attachments) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code), any information requested pursuant to the Holder Reporting Obligations, or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent (including, in each case, as any such other party may instruct) to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be withheld. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any holder of a Note. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder or beneficial owner at the time it is withheld or deducted by the Trustee or Paying Agent. Nothing herein shall be construed to impose upon the Paying Agent a duty to determine the duties, liabilities or responsibilities of any other party described herein under any applicable law or regulation. Neither the Paying Agent nor the Trustee shall incur any liability with respect to any withholding made or action taken under this Section 2.8(d).

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note; *provided,* that in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, on or before the related Record Date; *provided*, *further*, that if appropriate instructions for any such wire

transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee on or prior to such Maturity; *provided,* that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to any Class of Fixed Rate Notes shall be calculated on the basis of a 360-day year consisting of twelve 30 day months, *provided*, that if a redemption pursuant to Article IX occurs on a Business Day that would not otherwise be a Distribution Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer and Co-Issuer under the Notes and this Indenture are at all times limited recourse or non-recourse obligations of the Issuer and Co-Issuer, as applicable, payable solely from the proceeds of the Assets (excluding the Excepted Property from time to time and at any time) and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Trustee, the Initial Purchaser, the Collateral Administrator, either Co-Issuer, the Portfolio Manager or their respective successors or assigns for any amounts payable under the

Notes or (except as otherwise provided herein or in the Portfolio Management Agreement) this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9. Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee and any agent of the Co-Issuers or the Trustee shall treat as the owner of record of any Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10. Purchase and Surrender of Notes; Cancellation. (a) The Issuer may apply (x) Contributions accepted and received into the Permitted Use Account (at the direction of the related Contributor or, if no direction is given by the Contributor, by the Portfolio Manager in its sole discretion), (y) to the extent directed by the Portfolio Manager, any portion of the Base Management Fee or the amounts distributable in respect of the Subordinated Interest and/or the Incentive Interest waived by the Portfolio Manager in accordance with the Portfolio Management Agreement or (z) any Principal Proceeds, in order to acquire Secured Notes (or beneficial interests therein) of the Controlling Class through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to applicable law); *provided,* that the Issuer may not repurchase Secured Notes unless (x) such purchase of Secured Notes occurs in the order of priority set out in the Note Payment Sequence and (y) such purchase is for a price less than or equal to par (any such Secured Notes, the "Repurchased Notes"). Any such Repurchased Notes shall be submitted to the Trustee for cancellation. The Issuer shall provide notice of any Repurchased Notes to each Rating Agency then rating a Class of Secured Notes.

The Issuer shall provide notice to the Rating Agencies, the Co-Issuer and the Trustee of any Surrendered Notes tendered to it, and the Trustee shall provide notice to the Applicable Issuers of any Surrendered Note tendered to it. Any such Surrendered Notes shall be submitted to the Trustee for cancellation.

(b) All Repurchased Notes, Surrendered Notes and Notes that are surrendered for payment, registration of transfer, exchange or redemption or are deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold; *provided,* that Repurchased Notes and Surrendered Notes shall continue to be treated as Outstanding to the extent provided in clause (v) of the definition of "Outstanding." Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.11. Certificated Notes. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Certificated Note in exchange for such interest if such exchange complies with Section 2.6 and an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Certificated Notes (pursuant to the instructions of DTC) in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall be in registered form and, except as otherwise provided by Section 2.6(g), and Section 2.6(h), bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of clause (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

The Certificated Notes shall be in substantially the same form as the corresponding Global Notes with such changes therein as the Issuer and Trustee shall agree. Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of

the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12. Notes Beneficially Owned by Persons Not QIB/QPs or IAI/QPs or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any (i) Rule 144A Global Note to a U.S. person that is not a QIB/QP, (ii) Certificated Note to a U.S. person that is not an IAI/QP or a QIB/QP, (iii) Subordinated Note to a person that is not (A) a QIB/QP or (B) an IAI/QP, (iv) Subordinated Note to a person that is not a United States person or (v) Note to a Non-Permitted ERISA Holder, and, in each case, that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) (i) Any U.S. person (as defined for purposes of Regulation S) that is a beneficial owner of an interest in a Regulation S Global Note, (ii) any U.S. person (as defined for purposes of Regulation S) that is not (A) a Qualified Institutional Buyer and a Qualified Purchaser or (B) in the case of Certificated Notes only, an Institutional Accredited Investor who is a Qualified Purchaser, (iii) any Non-Permitted ERISA Holder, (iv) any Non-Permitted AML Holder or (v) any holder or beneficial owner of Notes that is a Non-Permitted Tax Holder shall be a "Non-Permitted Holder." Promptly after discovery by the Issuer, the Co-Issuer or the Trustee that any holder or beneficial owner of Notes (or any interest therein) is a Non-Permitted Holder (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), the Issuer shall send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer the Notes (or any interest therein) held by such person to a Person that is not a Non-Permitted Holder within 30 days (ten (10) days in the case of a Non-Permitted ERISA Holder) of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is a not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager (on its own or acting through an investment bank selected by the Portfolio Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made an ERISA-

related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If a Holder is or becomes a Non-Permitted Tax Holder (including by failing to comply with its Holder Reporting Obligations), the Issuer shall have the right, in addition to withholding on passthru payments and compelling such Holder to sell its interest in the Notes or selling such interest on behalf of such Holder in accordance with the procedures specified in this Indenture, to assign to such Notes a separate CUSIP or CUSIPs and to deposit payments on such Notes into a Tax Reserve Account which amounts shall be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); *provided,* that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all other purposes under this Indenture as if such amounts had been paid in cash directly to the Holder or beneficial owner of such Notes.

Section 2.13. Deduction or Withholding from Payments on Notes; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant taxing authority such amount. Without limiting the generality of the foregoing, the Trustee, the Paying Agent or the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any Holder of a Note. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Notes. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Trustee or Paying Agent and remitted to the appropriate taxing authority.

Section 2.14. Holder AML Obligations. If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

(i) all Notes theretofore authenticated and delivered to Holders (other than (x) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 and (y) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3) have been delivered to the Trustee for cancellation, it being understood that the requirements of this clause (i) may be satisfied as set forth in Section 5.7;

(ii) all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable, or (2) shall become due and payable at their Stated Maturity within one year, or (3) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Applicable Issuers pursuant to Section 9.4 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such

(b) the Issuer has paid or caused to be paid all other sums then due and payable hereunder (including, without limitation, any amounts then due and payable pursuant to the Collateral Administration Agreement and the Portfolio Management Agreement, in each case, without regard to the Administrative Expense Cap) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer, it being understood that the requirements of this clause (b) may be satisfied as set forth in Section 5.7;

(c) the Co-Issuers have delivered to the Trustee, an Officer's certificate from the Portfolio Manager and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with; and

(d) In connection with delivery by each of the Co-Issuers of the Officer's certificates referred to in clause (c), the Trustee will provide such information as is in its possession and that the Co-Issuers may reasonably require in order for the Co-Issuers to determine that (i) the Trustee (in any capacity related hereto) does not hold any assets for this transaction hereunder, and (ii) all Accounts have been closed.

(e) Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Portfolio Manager and, if applicable, the Holders, as the case may be, under Sections 2.8, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.15 shall survive.

Section 4.3. Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Distributions and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

ARTICLE V

REMEDIES

Section 5.1. Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class X-R Note, Class A-1 Note, Class A-2 Note or Class B Note or, if there are no Class X-R Notes, Class A-1 Notes, Class A-2 Notes or Class B Notes Outstanding, any Notes of the Controlling Class and the continuation of any such default for seven (7) Business Days or (ii) any principal, interest, or Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or any Redemption Date; *provided,* that in the case of a default in payment resulting solely from an administrative error or omission by the Portfolio Manager, the Trustee, any Paying Agent or the Registrar, such default continues for a period of ten (10) or more Business Days after a Trust Officer of the Trustee receives written notice of such administrative error or omission; *provided, further,* that the failure to effectuate (I) any Optional Redemption (including a Refinancing or a Tax Redemption) or (II) a Partial Redemption by Refinancing or Re-Pricing shall, in each case, not constitute an Event of Default; *provided*, *however*, that in the case of a default in the payment of principal on any Secured Note on any Redemption Date where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on behalf of the Issuer), (B) the Issuer (or the Portfolio Manager on behalf of the Issuer) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due to circumstances beyond the control of the Issuer or the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on behalf of the Issuer) has used reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for sixty (60) days after such Redemption Date;

(b) the failure on any Distribution Date to disburse amounts in excess of U.S.$250,000 available in the Payment Account with respect to any amount payable in connection with the Secured Notes, in each case, in accordance with the Priority of Distributions and continuation of

such failure for a period of ten (10) Business Days (provided that, if such failure results solely from an administrative error or omission by the Issuer, the Portfolio Manager, the Trustee, any Paying Agent or the Registrar, such default continues for a period of ten (10) or more Business Days after a Trust Officer of the Trustee receives written notice of such administrative error or omission);

(c) any of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act and such requirement has not been eliminated after a period of forty-five (45) days;

(d) except as otherwise provided in this Section 5.1, a default in any material respect in the performance, or breach in any material respect, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test or any failure to adopt a Fallback Rate is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all material respects when the same shall have been made, in each case, which failure has had a material adverse effect on a Holder, and the continuation of such default, breach or failure for a period of forty-five (45) days after notice to the Applicable Issuers and the Portfolio Manager by registered or certified mail or overnight courier, by the Trustee, the Applicable Issuers or the Portfolio Manager, or to the Applicable Issuers, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; *provided,* that if the Issuer or the Co-Issuer, as applicable (as notified to the Trustee by the Portfolio Manager in writing), has commenced curing such default, breach or failure during the 45-day period specified above, such default, breach or failure shall not constitute an Event of Default under this clause (c) unless it continues for a period of 60 days (rather than, and not in addition to, such 45-day period specified above) after such notice (to the extent such default, breach or failure can be cured); *provided*, *further*, that for the avoidance of doubt any failure to effect a Refinancing, Partial Redemption by Refinancing, Optional Redemption (including a Tax Redemption) or Re-Pricing will not be an Event of Default;

(e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking winding up, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days;

(f) the institution by the shareholders of the Issuer or the members of the Co-Issuer of Proceedings to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent by the shareholders of the Issuer or the members of the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, or the filing

by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the passing of a resolution by the shareholders of the Issuer or the members of the Co-Issuer to have the Issuer or the Co-Issuer wound up on a voluntary basis or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action; or

(g) on any date of determination, the failure of the ratio of (i) the Aggregate Principal Balance of the Pledged Obligations plus, without duplication, amounts on deposit in the Accounts representing Principal Proceeds to (ii) the Aggregate Outstanding Amount of the Class A-1 Notes to equal or exceed 102.5%; *provided,* that for purposes of calculating the Aggregate Principal Balance of the Pledged Obligations under this clause (f), the Aggregate Principal Balance of each Defaulted Obligation shall be the Market Value thereof.

Upon obtaining knowledge (or a Trust Officer having actual knowledge, for the Trustee) of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other, and the Trustee shall provide the notices of Default required under Section 6.2.

Section 5.2. Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee, if a Trust Officer of the Trustee has received written notice or has actual knowledge of such Event of Default, may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Issuer and/or Co-Issuer, as applicable, each of the Rating Agencies, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due and payable on the Secured Notes (other than as a result of such acceleration);

(B) to the extent that the payment of such interest is lawful, current interest upon any Deferred Interest at the applicable Interest Rates;

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(ii) it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such declaration of an acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; *provided,* that the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by the Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any of the Secured Notes, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Notes, the whole amount, if any, then due and payable on such Secured Notes for principal and interest with interest upon the overdue principal, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable

bankruptcy, insolvency or other similar law or, in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of the Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Secured Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders of the Secured Notes, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders of the Secured Notes in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Sections 5.5 and 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, *however*, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the

breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party, any Holder of Subordinated Notes and/or the Portfolio Manager may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A-1 Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A-1 Notes so delivered by such Holder (taking into account the Priority of Distributions and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of any Holder or beneficial owner of the Notes, the Trustee nor any other Secured Party may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, winding up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or State bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Bank (in any of its capacities in respect of the Transaction Documents) (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Bank, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(e) In the event one or more Holders or beneficial owners of Notes causes a Bankruptcy Filing against the Issuer, the Co-Issuer or any Tax Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) (each, a "Filing Holder") will be deemed to acknowledge and agree that (i) any claim that such Filing Holder(s) have against the Applicable Issuers or with respect to any Assets (including any proceeds thereof) shall, notwithstanding

anything to the contrary in the Priority of Distributions, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that is not a Filing Holder, with such subordination being effective until all amounts with respect to each Secured Note held by each Holder or beneficial owner of any Secured Note that is not a Filing Holder are paid in full in accordance with the Priority of Distributions (after giving effect to such subordination), (ii) such Filing Holder(s) will promptly return or cause all amounts received by it (them) following the filing of such petition to be returned to the Issuer and (iii) such Filing Holder(s) will take all necessary action to give effect to the Bankruptcy Subordination Agreement. The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement" and any Class of Secured Notes of any Holder or beneficial owner who caused such subordination will be referred to as the "Bankruptcy Subordinated Class." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(e).

(f) The Issuer or the Co-Issuer, as applicable, shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, under the Bankruptcy Law or any other applicable law, subject to applicable funds available to pay the related expenses. The reasonable fees, costs, charges and expenses incurred by the Issuer (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

(g) Upon (i) the institution of any Proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer, as the case may be, under the Bankruptcy Law or any other applicable law (in each case, whether voluntary or involuntary), the Trustee shall not withdraw funds from the Payment Account to pay or transfer any amounts set forth in any Distribution Report except in accordance with the instructions of a court of competent jurisdiction.

Section 5.5. Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact (except as otherwise expressly permitted or required by Sections 7.16(l), 10.8 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Distributions and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Portfolio Manager, determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation)

would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including Deferred Interest), and all Administrative Expenses (without regard to the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable pursuant to the Priority of Distributions prior to any distributions to the Holders of the Subordinated Notes, and a Majority of the Controlling Class agrees with such determination;

(ii) either (x) in the case of an Event of Default under Section 5.1(a) (so long as any such Event of Default (A) was not the result of an administrative error or omission by the Trustee, any Paying Agent or the Registrar of the Notes, (B) did not occur as a result of the failure to pay any amount due on a Redemption Date, (C) was not as a result of the failure to pay interest on the Class A-2 Notes or the Class B Notes at a point in time when such Class, as applicable, is not the Controlling Class or (D) was not the result of acceleration pursuant to Section 5.2) or Section 5.1(g) above, a Majority of the Controlling Class or (y) a Majority of each Class of Secured Notes (other than the Class X-R Notes), in each case, voting separately, directs the sale and liquidation of all or any portion of the Assets; or

(iii) if the Secured Notes have been paid in full, a Majority of the Subordinated Notes directs the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Rating Agencies and the Portfolio Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time with notice to the Rating Agencies when the conditions specified in clause (i), (ii) or (iii) exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder. The Portfolio Manager or any Holder of Notes may submit a bid (on its own behalf or on behalf of one or more designees) to purchase Assets in connection with any liquidation of all or any portion of the Assets; *provided,* that the Trustee is under no obligation to seek bids from the Portfolio Manager or any Holders of Notes or to sell Assets to the Portfolio Manager or any Holders of Notes submitting a bid.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, at the written direction of a Majority of the Controlling Class, the Trustee shall, with the assistance of the Portfolio Manager in accordance with the Portfolio Management Agreement, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Portfolio Manager, to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower

of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not be satisfied. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a commercially reasonable fee) and rely on an opinion of an Independent bank of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after such determination is made. If a Majority of the Controlling Class has directed the Trustee to make a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within thirty (30) days after the request of a Majority of the Controlling Class (or such longer period as is reasonably necessary if the requested information required to make such determination has not yet been received) at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6. Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1 shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8. Limitation on Suits. No Holder of any Notes shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to a Trust Officer of the Trustee written notice of an Event of Default;

(b) the Holders of not less than a Majority of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for thirty (30) days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such thirty (30)-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Distributions.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee shall take the action, if any, as directed by the Portfolio Manager.

Section 5.9. Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Sections 2.8(i), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Distributions and Section 13.1, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13. Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; *provided,* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided*, that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities anticipated to be incurred in connection with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the Fitch Rating Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Rating Agencies then rating any Class of Secured Notes, the Portfolio Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Portfolio Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided,* that the Trustee and the Portfolio Manager shall be authorized to deduct the

reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Portfolio Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18. Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities of the Trustee. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided*, *however*, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three (3) Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default (of which a Trust Officer of the Trustee has received written notice) has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority (or Supermajority, as applicable) of the Controlling Class (or such other Class or percentage required or permitted by this Indenture), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority or a Supermajority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any default or any Event of Default described in Sections 5.1(b), (c), (d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by a Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. Until such time, the Trustee shall have no obligation to determine, inquire into, or investigate as to, whether or not such event has occurred. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1(d).

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) The Trustee shall, upon reasonable (but no less than three (3) Business Days') prior written notice to the Trustee, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder).

(g) The Trustee is hereby authorized and directed to execute and deliver the Risk Retention Letter. The Trustee shall not be responsible for monitoring or verifying whether (i) the Retention Holder is complying with the U.S. Risk Retention Rules and the EU/UK Risk Retention Requirements, (ii) a Retention Event or Retention Deficiency has occurred or for determining the Retention Basis Amount or (iii) the Issuer, the Retention Holder or any other Person is complying with the EU Transparency Requirements.

(h) If within 80 days after delivery of financial information or disbursements (which delivery may be via posting to the Trustee's website) the Trustee receives written notice of an error or omission related thereto (a copy of which written notice the Trustee shall promptly provide to the Portfolio Manager and the Issuer), and within five Business Days after their receipt of a copy of such written notice the Portfolio Manager, on behalf of the Issuer, confirms such error or omission, then the Trustee agrees to use reasonable efforts to correct such error or omission. Beyond such period the Trustee shall not be required to take any action and shall have no responsibility for the same.

(i) The Trustee’s services hereunder shall be conducted through its Corporate Trust Services division (including, as applicable, any agents or Affiliates utilized thereby).

Section 6.2. Notice of Default. As soon as reasonably practicable (and in no event later than three (3) Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Portfolio Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, as their names and addresses appear on the Register and, for so long as any Listed Notes are listed thereon and the guidelines of the exchange so require, the Cayman Islands Stock Exchange, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, judgment, electronic communication or other paper or document believed by it to be genuine and to have been signed or sent or presented by the proper party or parties;

(b) any direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder (including, without limitation, with respect to any ambiguity in the interpretation of any definition, provision or term contained in this Indenture or any other Transaction Document), the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officer's certificate or Issuer Order, (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services or (iii) reasonably determine that more than one methodology can be used to make any of the determinations or calculations set forth in the Transaction Documents, then the Trustee may request direction from the Portfolio Manager as to the methodology to be used, and the Trustee shall be entitled to follow and conclusively rely on such direction without any liability therefor provided the Trustee has complied with such direction in good faith and without willful misfeasance and gross negligence;

(d) as a condition to the taking or omitting of any action by it hereunder or to the extent the Trustee, in good faith reasonably believes that any such action or inaction would be contrary to applicable law, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity

reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, judgment, electronic communication or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class, a Majority of the Subordinated Notes or of a Rating Agency shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided,* that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; *provided*, *further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder so long as the Trustee causes such agents, attorneys and auditors to hold in confidence all such information;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, accountants or attorneys; *provided,* that the Trustee shall not be responsible for any acts or omissions on the part of any non-Affiliated agent, non-Affiliated accountants or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, monitor, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Portfolio Manager or any other Person;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) to the extent not prohibited by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the

Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Delivery of any reports, information or documents by or to the Trustee shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from such information;

(m) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(n) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, terrorism, natural disaster, civil unrest, labor dispute, disease, epidemic, pandemic, quarantine, national emergency, loss or malfunctions of utilities, computer hardware or software failure, malware or ransomware attack, or communications system failure, unavailability of the Federal Reserve Bank wire or telex system or other applicable wire or funds transfer system or unavailability of any securities clearing system); provided that, the Trustee shall use commercially reasonable efforts to maintain performance and, if necessary, resume performance as soon as practicable under the circumstances;

(o) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(q) in order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act of the United States, as amended from time to time ("Applicable Law"), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties hereto agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law;

(r) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Portfolio Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), any Authenticating Agent (other than the Trustee), any Clearing Corporation or any depository institution and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or the Portfolio Management Agreement, or to verify or independently determine the

accuracy of information received by it from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(s) neither the Trustee nor the Collateral Administrator shall have any obligation to determine: (a) if a Collateral Obligation meets the criteria specified in the definition thereof, (b) if the conditions specified in the definition of "Deliver" have been complied with, or (c) if a Collateral Obligation is a Current Pay Obligation, Defaulted Obligation, or Discount Obligation;

(t) the Collateral Administrator shall have the same rights, privileges, immunities and indemnities afforded to the Trustee in this Article VI; *provided*, that such rights, privileges, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(u) in the event the Bank (in its individual capacity or as Trustee) is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Calculation Agent or Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided,* that such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in the Account Agreement or any other documents to which the Bank in such capacity is a party;

(v) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a Securities Intermediary) to the contrary, neither the Trustee nor the Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(w) the Trustee shall not have any duty or responsibility for (i) any recording, filing, or depositing of this Indenture, any other Transaction Document or any other agreement or instrument, monitoring or filing any Financing Statement or continuation statement evidencing a security interest, the maintenance of any such recording, filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, or otherwise monitoring the perfection, continuation of perfection or the sufficiency or validity of any security interest in or related to the Assets, (ii) the acquisition or maintenance of any insurance, (iii) the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Assets, (iv) the performance or observance by any other Person of any of the covenants, agreements or other terms or conditions set forth in the Transaction Documents or in any related document, (v) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of any Transaction Document, any related document or any other agreement, instrument or document, or (vi) the satisfaction of any condition to be satisfied by another party set forth in any Transaction Document or any related document, in each case, except as may be attributable to its negligence, willful misconduct or bad faith;

(x) the Trustee shall not be required to take any action under any Transaction Document or any related document if taking such action (A) would subject the Trustee to a tax in any jurisdiction where it is not then subject to a tax, or (B) would require the Trustee to qualify to do business in any jurisdiction where it is not then so qualified;

(y) nothing herein shall require the Trustee to act in any manner that is contrary to applicable law;

(z) the Trustee shall have no obligation to monitor or enforce compliance with the U.S. Risk Retention Rules, the EU Securitization Regulation or the UK Securitization Framework;

(aa) the Trustee is not responsible for the accuracy of the books and records of, or for any acts or omissions of, DTC or successor depositary, any Transfer Agent, the Intermediary, the Collateral Administrator, Clearstream, Euroclear, the Calculation Agent or any Paying Agent (in each case, other than the Bank acting in that capacity); and

(bb) the responsibility of the Trustee related to corporate actions for any securities it holds shall be limited to forwarding any notices it timely receives to a designated party.

Section 6.4. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. Trustee May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Distribution Date reasonable compensation as set forth in a separate fee schedule dated on or near the Closing Date between the Trustee and the Portfolio Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) in accordance with the terms hereof, to reimburse the Bank (in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank (in each of its capacities) in accordance with any provision of this Indenture or any other Transaction Document (including, without limitation, costs incurred in connection with tax compliance or withholding, the exercise or enforcement of remedies pursuant to Article V, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5 or Section 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager in writing;

(iii) to indemnify the Bank (in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, claim, damage, fee, cost, liability or expense incurred without negligence, willful misconduct or bad faith on their part, and arising out of or in connection with the acceptance or administration of the trust or the transactions contemplated hereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs and the attorney's fees and expenses of external counsel incurred in connection with any action, suit or proceeding brought by the Trustee to enforce any indemnification by, or other obligations of, the Issuer or the costs of defending or prosecuting any claim) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other Transaction Document related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Distributions but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided,* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available to be used for such purpose. The Issuer's obligations under this Section 6.7 shall be secured by the lien of this Indenture and shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or if longer the applicable preference period then in effect) and one day after the payment in full of all Notes issued under this Indenture. Nothing in this Section 6.7(c) shall preclude the Trustee from (i) exercising its rights as a secured or unsecured creditor in any Proceeding involving the Issuer or the Co-Issuer not filed or commenced by the Trustee or (ii) while an Event of Default is continuing, commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or similar Proceeding; *provided,* that any recovery of any amount received by the Trustee under the preceding clause (i) or (ii) shall be distributed in accordance with the Priority of Distributions.

(d) To the extent that the entity acting as Trustee is acting as Registrar, Calculation Agent, Paying Agent, Authenticating Agent or Intermediary, the rights, privileges, immunities and indemnities set forth in this Article VI shall also apply to it acting in each such capacity.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a long-term issuer credit rating of at least "BBB" by Fitch and long-term CR Assessment of at least "Baa3(cr)" by Moody's or a short-term CR Assessment of at least "P-3(cr)" by Moody's or, if such institution does not have a CR Assessment, has a long-term issuer credit rating or senior unsecured debt rating of at least "Baa3" by Moody's or a short-term issuer credit rating or senior unsecured debt rating of at least "P-3" by Moody's and having an office within the United States; *provided*, that if the Trustee is downgraded by the applicable Rating Agency below such Rating Agency's minimum rating or counterparty risk assessment as set forth in this sentence, the Trustee (x) shall promptly notify the Co-Issuers and the Portfolio Manager of such downgrade in writing and (y) may retain its eligibility if it obtains or has obtained (at its own expense) or, to the extent the Issuer or the Portfolio Manager requests that the Trustee retain its eligibility (at the Issuer's expense), prior to appointment of a successor trustee, (i) a confirmation from the applicable Rating Agency that downgraded the Trustee or counterparty risk assessment that such Rating Agency's then-current rating of the Notes will not be downgraded or withdrawn by reason of such downgrade of the Trustee's rating or (ii) a written waiver or other written acknowledgement (which may be evidenced by an exchange of electronic messages or facsimiles) from such Rating Agency that it will not review such Rating Agency's then-current rating of the Notes in such circumstances; *provided*, that if (a) Fitch makes a public announcement or informs the Issuer or the Portfolio Manager that (x) it believes that such confirmation, waiver or other written acknowledgement is not required with respect to such action or (y) its practice or policy is to not give such confirmations or (b) Fitch no longer constitutes a Rating Agency under this Indenture, the foregoing requirement to receive a confirmation, waiver or other written acknowledgement from Fitch shall be deemed to have been satisfied. The Trustee shall inform the Issuers and the Portfolio Manager upon satisfaction of the foregoing requirements. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of

such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible and fails to obtain the necessary confirmation, wavier or acknowledgement, as applicable, in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders of the Notes and each Rating Agency not less than sixty (60) days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; *provided,* that the Issuer shall provide prior written notice to the Rating Agencies of any such appointment; *provided*, *further*, that the Issuer shall not appoint such successor trustee or trustees without the consent of the Holders of a Majority of each Class of Secured Notes (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten (10) days' prior written notice to the Holders of such appointment and (ii) a Majority of each Class of Notes voting separately by Class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the most senior Class of Notes) do not provide written notice to the Issuer objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten (10) days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within sixty (60) days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may, upon not less than thirty (30) days' notice, be removed at any time by the Portfolio Manager or by an Act of a Majority of each Class of Notes voting separately or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and (A) shall fail to give written notice to the Co-Issuers and the Portfolio Manager or (B) shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee; *provided,* that in the event that the Trustee is removed by a Majority of the Controlling Class following an Event of Default as set forth in clause (c) above, a Majority of the Controlling Class shall have the right to appoint the successor Trustee by written instrument delivered to the Co-Issuers and the retiring Trustee. If the Co-Issuers (or a Majority of the Controlling Class, as applicable) shall fail to appoint a successor Trustee within sixty (60) days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class (or the Co-Issuers, as applicable) by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event to the Portfolio Manager and to the Holders of the Notes as their names and addresses appear in the Register and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten (10) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture and the other Transaction Documents, including as Collateral Administrator under the Collateral Administration Agreement.

Section 6.10. Acceptance of Appointment by Successor Trustee. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee;

provided, that on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization, banking association or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees. At any time or times, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee that satisfies the eligibility requirement of Section 6.8 (subject to notice to the Rating Agencies), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12 and to perform such other acts as may be determined by the Co-Issuers and the Trustee.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within fifteen (15) days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment. In no event shall any co-trustee be deemed to be an agent or representative of the Trustee.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent sufficient funds are available to be used for such purpose under the Priority of Distributions, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held

by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee or for the appointment of a co-trustee (in accordance with this Section 6.12); and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing (which may be by e-mail) and (b) unless within three (3) Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due

Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding tax is imposed on the Issuer's payment or distribution under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain (without liability) from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer or that may be withheld because of a failure by a Holder to comply with the Holder Reporting Obligations and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and is to be remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has

not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. The Issuer shall provide the Trustee all information necessary to determine if the withholding obligations described in this Section 6.15 apply.

Section 6.16. Representative for Holders of Secured Notes Only; Agent for Each Other Secured Party. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of the Secured Notes and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Secured Notes and agent for each other Secured Party.

Section 6.17. Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States of America and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of the trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration (other than any consent, authorization, approval or registration already obtained) with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18. Communication with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, press release, posting to the applicable Rating Agency's website or other means then considered industry standard.

Section 6.19. Removal of Assets from Accounts. The Trustee shall not, except in accordance with Article V and Sections 10.6 and 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

ARTICLE VII

COVENANTS

Section 7.1. Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Distributions. The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Distributions, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Distributions, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Trustee as Transfer Agent for transfers of the Notes. Notes may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company, 19 West 44th Street, Suite 200, New York, New York 10036, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided*, that the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; *provided*, *further*, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax in excess of any withholding tax that was imposed on such payments immediately before the appointment (other than any withholding tax imposed as a result of a failure to provide any tax forms and attachments thereto, and any withholding tax imposed under or in relation to FATCA). The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office, and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3. Money for Note Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth (5th) calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Distribution Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Distribution Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents (other than a successor Trustee who shall automatically become the Paying Agent hereunder pursuant to Section 7.2) shall be appointed by Issuer Order with written notice thereof to the Trustee (with a copy to each Rating Agency); *provided*, however, that so long as any Outstanding Notes are rated by Fitch, such successor Paying Agent shall have a long-term deposit rating of at least "BBB" by Fitch or a short-term deposit rating of at least "F2" by Fitch or, if such entity does not have a deposit rating by Fitch, a short-term issuer default rating of at least "F2" by Fitch or a long-term issuer default rating of at least "BBB" by Fitch. If such successor Paying Agent ceases to satisfy each of clauses (i) and (ii) above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Distribution Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee (with a copy to the Portfolio Manager and each Rating Agency) notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Notes and remaining unclaimed for two (2) years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Notes shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, providing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4. Existence of Co-Issuers. (a) The Issuer and the Co-Issuer each shall, to the maximum extent permitted by applicable law (1) maintain in full force and effect its existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively; (2) obtain and preserve its qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; (3) maintain its books and records, accounts and financial statements separate from any other Person; (4) maintain an arm's-length relationship with its Affiliates; (5) use separate stationary, invoices and checks; (6) pay its own liabilities out of its own funds; (7) maintain adequate capital in light of its contemplated business operations; (8) hold itself out as a separate entity (*provided*, that the foregoing shall not bind the Issuer or the Co-Issuer's position for U.S. federal income tax purposes); and (9) correct any known misunderstanding concerning its separate existence; *provided*, *however*, that subject to Section 7.10, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long (i) the Issuer has received an Opinion of Counsel (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Portfolio Manager, and each Rating Agency and (iii) on or prior to the fifteenth (15th) Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiary) (ii) the Co-Issuer shall not have any subsidiaries or permit to be enacted, or engage in, any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws) and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's

declaration of trust by the Share Trustee, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles and the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

Section 7.5. Protection of Assets. (a) The Issuer, or the Portfolio Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Portfolio Manager if within the Portfolio Manager's control under the Portfolio Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; *provided,* that the Portfolio Manager shall be entitled in its discretion to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Portfolio Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Secured Notes hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to file any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments furnished to the Trustee for such purpose pursuant to this Section 7.5; *provided,* that such designation shall not impose upon the Trustee any of the Issuer's or the Portfolio Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion

of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as "Debtor" and the Trustee, on behalf of the Secured Parties, as "Secured Party" and that describes "all assets of Debtor, whether now owned or hereafter acquired" as the collateral in which the Trustee has a Grant.

(b) [Reserved].

(c) The Trustee shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(d) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6. Opinions as to Assets. For so long as any Secured Notes are Outstanding, on or before the first day of the calendar month that precedes the fifth (5th) anniversary of the Closing Date (and every five (5) years thereafter so long as any Secured Notes are Outstanding), the Issuer shall furnish to the Trustee and the Rating Agencies an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.7. Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Secured Notes (except in the case of the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required except to the extent expressly required therein), contract with other Persons, including the Portfolio Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency within ten (10) Business Days after receipt of notice, or otherwise obtaining actual knowledge, of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8. Negative Covenants. (a) The Issuer shall not and, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer shall not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable tax or similar laws of the Cayman Islands or other applicable jurisdiction) or assert any claim against any present or future Holder of Notes, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than as described in Section 7.16;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities (except as provided in Section 2.4) or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Distributions;

(viii) permit the formation of any subsidiaries (other than the Co-Issuer and any Tax Subsidiary);

(ix) conduct business under any name other than its own or commingle its Assets with those of any other Person;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by this Indenture or the Portfolio Management Agreement;

(xii) elect to be taxable for U.S. federal income tax purposes as other than a foreign corporation without the unanimous consent of all Holders;

(xiii) establish a branch, agency, office or place of business in the United States;

(xiv) solicit, advertise or publish the Issuer's ability to enter into credit derivatives;

(xv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xvi) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax,

securities law or other filing or submission made to any governmental authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements;

(xvii) hold itself out to the public as a bank, insurance company or finance company; and

(xviii) engage in securities lending.

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(d) The Co-Issuer shall not fail to maintain an independent director under its Certificate of Formation and By-Laws.

Section 7.9. Statement as to Compliance. On or before June 1 in each calendar year, commencing in 2026, or immediately if there has been a Default under this Indenture, the Issuer shall deliver to the Trustee, the Portfolio Manager and the Administrator (to be forwarded, at the cost of the Issuer, by the Trustee to each Holder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five (5) days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10. Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person (other than in a liquidation of the Assets contemplated hereunder), unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling

Class; *provided*, that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received, as soon as reasonably practicable and in any case no less than five (5) days prior to such merger or consolidation, notice of such consolidation or merger and shall have distributed copies of such notice to each Rating Agency of such merger or consolidation, and the Fitch Rating Condition shall be satisfied;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee and each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Notes, and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Holder may reasonably require; *provided*, that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to each Rating Agency, and the Merging Entity shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions in this Article VII

relating to such transaction have been complied with and that such transaction will not result in the Merging Entity or Successor Entity being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise becoming subject to United States federal income taxation with respect to their net income; and

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act.

Section 7.11. Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12. No Other Business. From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing, selling, paying and redeeming the Notes and any additional notes issued pursuant to this Indenture and acquiring, owning, holding, selling, lending, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith, establishing Tax Subsidiaries for the management of Tax Subsidiary Assets and entering into Hedge Agreements, the Collateral Administration Agreement, the Account Agreement, the Portfolio Management Agreement and other agreements specifically contemplated by this Indenture, and the Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and By-laws of the Co-Issuer, respectively only upon satisfaction of the Fitch Rating Condition.

Section 7.13. Annual Rating Review. (a) So long as any of the Secured Notes of any Class remain Outstanding, on or before May 1st in each year, commencing in 2026, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Notes from each Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Trustee and the Portfolio Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice upon request) if at any time the rating of any such Class of Secured Notes has been, or is known shall be, changed or withdrawn. So long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, upon receipt of

such notice, the Trustee, in the name of and at the expense of the Co-Issuers, shall notify the Cayman Islands Stock Exchange of any reduction or withdrawal in the rating of the Notes, if any such listed Notes are affected thereby.

(b) With respect to any Collateral Obligation receiving a LT IDCO from Fitch, the Issuer shall (i) annually and (ii) following the consummation of a material amendment to any Collateral Obligation obtain (and pay for) from Fitch written confirmation of, or an update to, the LT IDCO with respect to such Collateral Obligation; *provided*, that if (a) Fitch makes a public announcement or informs the Issuer, the Portfolio Manager, the Trustee or the Collateral Administrator that (x) it believes that such confirmation is not required with respect to such action or (y) its practice or policy is to not give such confirmations or (b) Fitch no longer constitutes a Rating Agency under this Indenture, the foregoing requirement to receive confirmation or an update from Fitch shall be deemed to have been satisfied.

Section 7.14. Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15. Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Note remains Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Reference Rate in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement Calculation Agent shall be sent to the Cayman Islands Stock Exchange.

(b) As soon as practicable after 6:00 a.m. New York time on each Interest Determination Date and in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Interest Rate for each Class of Floating Rate Notes for the next Interest

Accrual Period or, with respect to each Interest Determination Date during the first Interest Accrual Period, the related portion of such period) and the Note Interest Amount for each Class of Floating Rate Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) for the next Interest Accrual Period or, with respect to the first Interest Accrual Period, the related portion of such period), on the related Distribution Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, Euroclear, Clearstream and the Cayman Islands Stock Exchange (so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require). The Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period shall (in the absence of manifest error) be final and binding upon all parties.

(c) The Calculation Agent and the Trustee shall have no (i) responsibility or liability for the selection or determination of an alternate or replacement reference rate (including any Fallback Rate or modifier thereto) as a successor or replacement benchmark to the Term SOFR Rate (or whether the conditions precedent to the selection of such rate have been satisfied) and shall be entitled to rely upon any designation of such a rate pursuant to the terms hereof, (ii) liability for any failure or delay in performing its duties hereunder or under any other Transaction Document as a result of the unavailability of a "Term SOFR Rate" rate as described in the definition thereof, (iii) obligation to calculate any alternate or replacement reference rate to the extent it is not operationally capable and (iv) obligation to determine or select any methodology or conventions for calculation of a Fallback Rate.

Section 7.16. Certain Tax Matters. (a) The Issuer has not elected and will not elect to be treated as other than a foreign corporation for U.S. federal income tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal income tax purposes.

(b) The Co-Issuer has not elected and will not elect to be treated as other than a disregarded entity for U.S. federal income tax purposes.

(c) The Co-Issuers shall treat the Co-Issued Notes as debt, the Issuer shall treat the Class E Notes as debt and the Issuer shall treat the Subordinated Notes as equity for U.S. federal income tax purposes, except as otherwise required by applicable law, it being understood that this paragraph shall not prevent a Holder of Class E Notes from making a protective "qualified electing fund" election or filing protective information returns with respect to such Class E Notes.

(d) The Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof on the basis that the Issuer is engaged in a trade or business within the United States for U.S. federal income tax purposes unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) No later than April 30 (or such later date as is reasonably practicable) of each calendar year, the Issuer shall (or shall cause its Independent accountants to) use commercially

reasonable efforts to provide, upon reasonable written request, to each Holder (which term, for purposes of this Section 7.16 shall include any beneficial owner of Notes) of Subordinated Notes (or any Secured Notes recharacterized as equity in the Issuer for U.S. federal income tax purposes) and, any Holder of Class E Notes, at the requesting Holder's expense, (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes to make or maintain such election, (ii) a "PFIC Annual Information Statement" as described in Treasury regulations section 1.1295-1 (or any successor Treasury regulation), including all representations and statements required by such statement, and will take any other commercially reasonable steps necessary to facilitate such election by, and any reporting requirements of, the owner of a beneficial interest in such Notes, including commercially reasonable efforts to provide information regarding the Issuer's interest in any entity treated as a passive foreign investment company for U.S. federal income tax purposes and (iii) any information that such Holder reasonably requests to assist such Holder with regard to any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code. Upon request by the Independent accountants, the Registrar shall provide to the Independent accountants information contained in the Register and requested by the Independent accountants to comply with this Section 7.16(e).

(f) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of an Issuer Only Note (or any Secured Note recharacterized as equity in the Issuer for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is a participant, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

(g) Upon the Issuer's receipt of a request of a Holder of a Note that has been issued with more than de minimis "original issue discount" (as defined in Section 1273 of the Code) or written request of a Person certifying that it is an owner of a beneficial interest in a Note that has been issued with more than de minimis "original issue discount" for the information described in Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause its Independent accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information.

(h) Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any agent thereof information regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Registrar, as the case may be by reason of it acting in such capacity, and may be necessary for the Issuer and any non-U.S. Tax Subsidiary to achieve Tax Account Reporting Rules Compliance, subject in all cases to applicable confidentiality laws. Neither the Trustee nor the Registrar shall have any liability to Holders for making such disclosure or, subject to its duties herein, the accuracy thereof.

(i) Upon a Re-Pricing or the adoption of a Fallback Rate, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulations section 1.1273-2(f)(9) (or any successor provision) including (as applicable) (i) determining whether the affected Notes or Notes replacing the affected Notes are traded on an established market, and (ii)

if so traded, determining the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued.

(j) The Issuer shall not engage in any activity that would cause the Issuer to be subject to U.S. federal income tax on a net basis; *provided*, *however*, that the Issuer shall be deemed to have satisfied the foregoing obligations if it has complied with (i) the Investment Restrictions or (ii) Tax Advice to the effect that the contemplated activities of the Issuer will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis, except to the extent that there has been a change in U.S. federal income tax law or the interpretation thereof that is relevant to such action since the date hereof or the date of such Tax Advice, as applicable, that the Issuer actually knows would, notwithstanding compliance with the Investment Restrictions or such Tax Advice, cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, or otherwise to be subject to U.S. federal income tax on a net basis. In furtherance of the foregoing, the Issuer shall at all times comply with the Investment Restrictions, unless it has received Tax Advice referred to in the preceding sentence.

(k) The Issuer and each non-U.S. Tax Subsidiary will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for the Issuer and any non-U.S. Tax Subsidiary to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer or such Tax Subsidiary pursuant to Tax Account Reporting Rules and any other action that the Issuer or such Tax Subsidiary would be permitted to take under this Indenture necessary for Tax Account Reporting Rules Compliance. The Issuer and each Tax Subsidiary shall provide any certification or documentation (including, in the case of the Issuer and any non-U.S. Tax Subsidiary, an IRS Form W-8BEN-E and, in the case of any U.S. Tax Subsidiary, an IRS Form W-9 (or any applicable successor forms)) to any payor from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax or to ensure the Issuer and each non-U.S. Tax Subsidiary achieves Tax Account Reporting Rules Compliance.

(l) If the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation or any Collateral Obligation would be modified in such a manner, in either case, that would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis (such Collateral Obligation or related asset, a "Tax Subsidiary Asset"), the Issuer will (i) sell or otherwise dispose of all or a portion of such Tax Subsidiary Asset (or the right to receive such Tax Subsidiary Asset) in accordance with the provisions of this Indenture, (ii) set up in accordance with the requirements of this Indenture one or more wholly-owned special purpose vehicles of the Issuer that is treated as a corporation for U.S. federal income tax purposes (a "Tax Subsidiary") to receive and hold any such Tax Subsidiary Asset (or the right to receive such Tax Subsidiary Asset), (iii) cause an existing Tax Subsidiary to receive and hold such Tax Subsidiary Asset (or the right to receive such Tax Subsidiary Asset), or (iv) take any other action in respect of the Tax Subsidiary Asset to the extent not prohibited under this Indenture, in either case (i), (ii), (iii) or (iv), in a manner so that such acquisition, receipt or modification would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S.

federal income tax purposes. The Issuer shall notify each Rating Agency of the formation of any Tax Subsidiary and the scheduled delivery to a Tax Subsidiary of any asset in accordance with this Section 7.16(l) or Section 7.16(p).

(m) Each Tax Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Tax Subsidiary's organizational documents complying with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Tax Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Tax Subsidiary Assets (and the proceeds therefrom) and shall require the Tax Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer, subject to Section 7.16(n)(xix), on or before the Stated Maturity of the Secured Notes or at such earlier time designated at the sole discretion of the Portfolio Manager. At the request of the Portfolio Manager, the Issuer will cause any Tax Subsidiary to enter into a separate management agreement with the Portfolio Manager which agreement shall be substantially in the form of the Portfolio Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to each of the Rating Agencies. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up a Tax Subsidiary.

(n) With respect to any Tax Subsidiary:

(i) the Issuer shall not allow such Tax Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Tax Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Tax Subsidiary Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(iii) the Tax Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. federal income tax purposes;

(iv) the Issuer shall ensure that such Tax Subsidiary shall not (A) have any employees (other than their respective directors, to the extent such directors are deemed to be employees), (B) have any subsidiaries (other than any subsidiary of such Tax Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.16(o) applicable to a Tax Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(v) the Issuer shall ensure that such Tax Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Tax Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Tax Subsidiary shall be

solely to its Tax Subsidiary Assets and no creditor of such Tax Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) it will be subject to the limitations on powers set forth in the organization documents of the Issuer;

(vii) the Issuer shall ensure that such Tax Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Tax Subsidiary;

(ix) the Issuer shall ensure that such Tax Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Tax Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted to take any actions and enter into any agreements to affect the transactions contemplated by Section 7.16(l);

(xi) the Issuer shall keep in full effect the existence, rights and franchises of each Tax Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Tax Subsidiary Assets held from time to time by the related Tax Subsidiary. In addition, the Issuer and each Tax Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Tax Subsidiary at any time;

(xii) with respect to any Tax Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Tax Subsidiary Assets are held by the Tax Subsidiary, and shall refer directly and solely to the related Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Portfolio Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day (or any longer applicable preference period then in effect) plus one day, after the payment in full of all the Notes issued under this Indenture, *provided,* that nothing in this clause (xii) shall preclude the Trustee from (A) exercising its rights as a secured or unsecured creditor in any Proceeding involving the Tax Subsidiary (other than any Proceeding filed or commenced by the Trustee) or (B) while an Event of Default is continuing, commencing against the Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding; *provided*,

further, that any recovery of any amount received by the Trustee under the preceding clause (A) or (B) shall be distributed in accordance with the Priority of Distributions;

(xiv) in connection with the organization of any Tax Subsidiary and the contribution of any Tax Subsidiary Assets to such Tax Subsidiary pursuant to Section 7.16(l), such Tax Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, to hold the Tax Subsidiary Assets pursuant to an account control agreement; *provided, however*, that (A) a Tax Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Tax Subsidiary Asset or any other asset and (B) the Issuer may pledge a Tax Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy proceeding;

(xv) subject to Section 7.16(n)(xix), the Issuer shall cause the Tax Subsidiary to distribute, or cause to be distributed, the proceeds of Tax Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Account or the Interest Collection Account, as applicable, as determined in accordance with subclause (xvii)); *provided,* that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of a Tax Subsidiary Asset to a Tax Subsidiary, subject to Section 1.2(q), for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests or for the purpose of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in such Tax Subsidiary or any property distributed to the Issuer by the Tax Subsidiary (other than cash) shall be treated as ownership of the Tax Subsidiary Asset(s) owned by such Tax Subsidiary (and shall be treated as having the same characteristics as such Tax Subsidiary Asset(s) or of any asset received in consideration of such Tax Subsidiary Asset(s)). If, prior to its transfer to the Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Tax Subsidiary shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of cash by such Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Secured Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Optional Redemption, Tax Redemption, Clean-Up Call Redemption or other

prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within 5 Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) with respect to each Tax Subsidiary, instruct such Tax Subsidiary to sell each Tax Subsidiary Asset held by such Tax Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer or (y) sell its interest in such Tax Subsidiary;

(xix) (A) the Issuer shall not dispose of an interest in such Tax Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and (B) such Tax Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United States for federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net basis;

(xx) the Issuer shall ensure that such Tax Subsidiary enters into a security agreement between such Tax Subsidiary and the Issuer and any ancillary agreements (including any control agreements) pursuant to which such Tax Subsidiary Grants a perfected, first-priority continuing security interest in all of its property to the Issuer; and

(xxi) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of a Tax Subsidiary.

(o) Each contribution of an asset by the Issuer to a Tax Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Tax Subsidiary, if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes based on Tax Advice.

(p) Notwithstanding anything to the contrary herein, in complying with any of its obligations under this Indenture concerning matters related to a trade or business within the United States for U.S. federal income tax purposes, in making any relevant determination, the Issuer (or the Portfolio Manager on its behalf) will be permitted to conclusively rely upon Tax Advice to the effect that the Issuer's or the Portfolio Manager's action will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, and the Issuer (or the Portfolio Manager on its behalf) will not be deemed to have violated any such obligation if it obtains such Tax Advice.

Section 7.17. Maintenance of Listing. So long as any Class of Notes that is listed on the Cayman Islands Stock Exchange remains Outstanding, the Co-Issuers shall use all reasonable efforts to maintain such listing

Section 7.18. Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties

shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets:

(i) The Issuer owns such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest Granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer; *provided,* that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(d).

(v) The Issuer has caused or shall have caused, within ten (10) days of the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received any consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) (A) The Issuer has delivered to the Trustee a fully executed Account Agreement pursuant to which the Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the person having a Security Entitlement against the Intermediary in each of the Accounts.

(ix) The Accounts are not in the name of any person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary to comply with the Entitlement Order of any person other than the Trustee.

(x) The Issuer agrees to promptly provide notice to the Rating Agencies if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.18 and shall not waive any of the representations and warranties in this Section 7.18.

Section 7.19. Acknowledgement of Portfolio Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Portfolio Manager to take certain actions on their behalf in order to comply with such covenants, the Portfolio Manager shall only be required to perform such actions in accordance with the standard of care set forth in Section 1 of the Portfolio Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of Bain Capital Credit U.S. CLO Manager II, LP no longer being the Portfolio Manager). The Co-Issuers further acknowledge and agree that the Portfolio Manager shall have no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Portfolio Manager has actual knowledge of such breach.

Section 7.20. Section 3(c)(7) Procedures.

In addition to the notices required to be given under Section 10.6, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (*provided*, that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) The Issuer shall, or shall cause its agent to request of DTC, and cooperate with DTC to ensure, that (i) DTC's security description and delivery order include a "3(c)(7) marker" and that DTC's reference directory contains an accurate description of the restrictions on the holding and transfer of the Notes due to the Issuer's reliance on the exemption to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) DTC send to its participants in connection with the initial offering of the Notes, a notice that the Issuer is relying on Section 3(c)(7) and (iii) DTC's reference directory include each class of Notes (and the applicable CUSIP numbers for the Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Notes.

(b) The Issuer shall, or shall cause its agent to, (i) ensure that all CUSIP numbers identifying the Notes shall have a "fixed field" attached thereto that contains "3c7" and "144A" indicators and (ii) take steps to cause the Initial Purchaser to require that all "confirms" of trades of the Notes contain CUSIP numbers with such "fixed field" identifiers.

(c) The Issuer shall, or shall cause its agent to, cause the Bloomberg screen or screens containing information about the Notes to include the following language: (i) the "Note Box" on the bottom of "Security Display" page describing the Notes shall state: "Iss'd Under

144A/3(c)(7)," (ii) the "Security Display" page shall have the flashing red indicator "See Other Available Information," and (iii) the indicator shall link to the "Additional Security Information" page, which shall state that the securities "are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act") to Persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act of 1940)." The Issuer shall use commercially reasonable efforts to cause any other third party vendor screens containing information about the Notes to include substantially similar language to clauses (i) through (iii) above.

Section 7.21. Sanctions.

(a) The Issuer covenants and represents that neither it nor any of its subsidiaries or, to the knowledge of the Issuer, any of its affiliates, directors or officers are the target or subject of any sanctions enforced by the United States Government, (including, the Office of Foreign Assets Control of the US Department of the Treasury), the United Nations Security Council, the European Union, HM Treasury, or other relevant sanctions authority (collectively "Sanctions").

(b) The Issuer covenants and represents that neither it nor any of its subsidiaries or, to the knowledge of the Issuer, any of its affiliates, directors or officers will use any payments made pursuant to this Indenture, (i) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (iii) in any other manner that will result in a violation of Sanctions by any person.

Section 7.22. EU Transparency Requirements. The Issuer hereby agrees that it shall be designated pursuant to Article 7(2) of the EU Securitization Regulation as the designated entity in respect of the EU Transparency Requirements (the "Reporting Entity"). As the Reporting Entity, the Issuer hereby agrees and further covenants that it will make available to the Holders, any potential investors in the Notes (upon request thereby) and the competent authorities (as determined under the EU Securitization Regulation) (together, the "Relevant Recipients") the Loan Reports, the Investor Reports, any reports in respect of Significant Events necessary to fulfill any applicable reporting obligations under the EU Transparency Requirements (such reports, the "Significant Event Reports" and, together with the Loan Reports and the Investor Reports, the "Transparency Reports") and the documentation and information referred to in paragraphs (1)(b) and (c) of Article 7 of the EU Securitization Regulation (the "Post-Closing Documentation"). Notwithstanding anything to the contrary herein, in connection with a Refinancing of all Classes of Secured Notes in full, with the approval of a Majority of the Subordinated Notes and the Portfolio Manager, the agreements relating to such Refinancing may, without limitation, (i) effect an extension of the end of the Reinvestment Period, (ii) establish a non-call period for the replacement notes or loans or other financial arrangements issued or entered into in connection with such Refinancing, (iii) modify the Weighted Average Life Test, (iv) provide for a stated maturity of the replacement notes or loans or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity of the Secured Notes, (v) establish a later date for the Stated Maturity of the Subordinated Notes or (vi) make any other amendments that would otherwise be subject to the consent rights of the Notes pursuant to Article VIII (any such amendment, a "Reset Amendment").

A supplemental indenture entered into for any purpose other than the purposes provided for in this Section 8.1 shall require the consent of the Holders of Notes as required in Section 8.2.

Section 8.2. Supplemental Indentures with Consent of Holders of Notes. (a) With the written consent of the Portfolio Manager and of a Majority of each Class of Notes reasonably expected to be materially and adversely affected thereby, the Trustee and the Co-Issuers may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of such Class under this Indenture; *provided,* that no such supplemental indenture pursuant to this

Section 8.2(a) shall, without the consent of each Holder of each Outstanding Note of each Class reasonably expected to be materially and adversely affected thereby:

(i) except as provided in Sections 9.2, 9.3 and 9.8, change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof or the rate of interest thereon or the Redemption Price with respect to any Note, or change the earliest date on which Notes of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Notes, application of proceeds of any distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Subordinated Notes or Secured Notes or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); *provided,* that this Indenture may be amended without regard to the consent requirements of this Section 8.2 to facilitate the adoption of a Fallback Rate;

(ii) decrease the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) materially impair or materially adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture; *provided,* that this clause shall not apply to any supplemental indenture amending the restrictions on the sales of Collateral Obligations set forth in this Indenture which is otherwise permitted pursuant to Section 8.1 or this Section 8.2;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Secured Notes or Subordinated Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Secured Note or Subordinated Note Outstanding and affected thereby;

(vi) modify the definitions of the terms "Outstanding," "Class" (except changes that relate to a Re-Pricing or Optional Redemption), "Controlling Class," "Majority" or "Supermajority";

(vii) modify the definitions of the terms "Priority of Distributions" or "Note Payment Sequence";

(viii) modify any of the provisions of this Indenture in such a manner as to directly affect the manner or procedure for the calculation of the amount of any payment of interest or principal on any Secured Note, or for determining any amount available for distribution to the Subordinated Notes or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein; *provided,* that this Indenture may be amended without regard to the consent requirements of this Section 8.2 to facilitate the adoption of a Fallback Rate;

(ix) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, insolvency, receivership, winding up or reorganization of the Co-Issuers;

(x) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in Section 8.1(vi), (xiii) or (xxiii));

(xi) modify any of the provisions of this Indenture in such a manner as to impose any liability on a Holder of then Outstanding Notes to any third party (other than any liabilities set forth in this Indenture on the First Refinancing Date); or

(xii) (A) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (B) result in the Issuer being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or (C) cause the U.S. federal income tax treatment of the Issuer or the U.S. federal income tax consequences to the Holders of any Class of Notes Outstanding at the time of such supplemental indenture to be materially different (in a way that is adverse to the Issuer or such Holders) from such treatment or consequences as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations" to the extent such Holders are addressed in the disclosure under such heading.

(b) The Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2 if (in the reasonable judgment of the Issuer) any Hedge Counterparty would reasonably be expected to be materially and adversely affected by such supplemental indenture without the prior written consent of such Hedge Counterparty.

Section 8.3. Execution of Supplemental Indentures.

(a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel or an Officer's certificate stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture or consent to any such modification which materially adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(b) Not later than ten (10) Business Days (or five (5) Business Days in connection with an additional issuance, Refinancing, Partial Redemption by Refinancing or Re-Pricing) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or 8.2, the Trustee, at the expense of the Co-Issuers shall provide to the Holders of the Notes, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding and are rated by such Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Notes to be given no later than five (5) Business Days after notice of such proposed supplemental indenture. Any consent given to a proposed supplemental indenture by the Holder of any Notes will be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture no later than five (5) Business Days after notice of such proposed supplemental indenture, on the first Business Day following such five (5) Business Day period, the Trustee shall provide consents received to the Issuer and the Portfolio Manager so that they may determine which Holders of Notes have consented to the proposed supplemental indenture and which Holders of Notes (and, to the extent such information is available to the Trustee, which Certifying Persons, unless such Certifying Person instructs the Trustee otherwise) have not consented to the proposed supplemental indenture.

(c) Unless the Trustee and the Issuer are notified by a Majority of any Class from whom consent is not being requested, within five (5) Business Days after notice by the Trustee to the Holders of a proposed supplemental indenture, that the holders of such Class giving such notice believe that they will be materially and adversely affected by the proposed supplemental indenture, the interests of such Class will be deemed for all purposes to not be materially and adversely affected by such proposed supplemental indenture.

(d) Following delivery to the holders of the Notes of a copy of the proposed supplemental indenture by the Trustee, if any material changes are made to such supplemental indenture (excluding, for the avoidance of doubt, changes of a technical nature or to correct typographical errors or to adjust formatting, to address rating agency comments or criteria or to implement changes that were described in a previously delivered version of the related supplemental indenture), as determined by the Issuer or the Portfolio Manager, then at the cost of the Co-Issuers, for so long as any Notes remain outstanding, not later than two (2) Business Days prior to the execution of such proposed supplemental indenture (*provided*, that the execution of such supplemental indenture shall not in any case occur earlier than ten (10) Business Days or five (5) Business Days, as applicable, after the initial distribution of such proposed supplemental indenture), the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, each Hedge Counterparty, the Rating Agencies (if then rating a Class of Secured Notes) and the Holders of Notes a copy of such supplemental indenture as revised, indicating the changes that were made. If prior to delivery by the Trustee of such supplemental indenture, as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder shall be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one (1) Business Day prior to the execution of the supplemental indenture.

(e) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to Section 8.1 or 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager and each Rating Agency then rating a Class of Notes a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange, the Issuer (or the Trustee on its behalf) will notify the Cayman Islands Stock Exchange of any material modification to this Indenture.

(f) With respect to any supplemental indenture that explicitly requires the consent of any Holders materially and adversely affected thereby, the Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or an Officer's certificate of the Portfolio Manager as to whether the interests of any Holder of Notes would be, or reasonably be expected to be, as applicable, materially and adversely affected by the modifications set forth in such supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in this Section 8.3.

(g) Without limitation of any provision described in Section 8.1, an amendment, modification, supplement or restatement of this Indenture may be entered into in connection with a redemption, Refinancing, Partial Redemption by Refinancing or Re-Pricing in accordance with the provisions described in Article IX, in which case the requirements of such provisions will apply and not the consent provisions described in Section 8.1. The provisions of this paragraph are in addition to, and do not limit or condition in any way, the provisions for entering into a supplemental indenture by the Co-Issuers and the Trustee as set forth in Sections 9.4(h) (which may be effected in compliance solely with the provisions set forth therein).

(h) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(i) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(j) Any Class of Notes being redeemed shall be deemed not to be materially and adversely affected by any terms of any supplemental indenture (whether entered into under Section 8.1 or 8.2) related to and to become effective on or immediately after such redemption. Any Non-

Consenting Holders of a Re-Priced Class shall be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with and to become effective on or immediately after the Re-Pricing Date with respect to such Class.

(k) In addition, no amendment or supplement to this Indenture that would modify the Investment Criteria, the Concentration Limitations or the Collateral Quality Test, in each case, that would affect the Retention Holder's ability to comply with its obligations under the Risk Retention Letter (other than those made to ensure compliance with the Risk Retention Letter) will be effective unless the Retention Holder provides its prior written consent. For the avoidance of doubt, if a Retention Event has occurred and is continuing, the Retention Holder will have no consent rights in accordance with this paragraph; however, the Retention Holder will be permitted to exercise its rights as a holder of Notes.

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6. Re-Pricing Amendment. For the avoidance of doubt, the Co-Issuers and the Trustee may, without regard for the provisions of this Article VIII, enter into a supplemental indenture pursuant to Section 9.8(d) solely to modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Priced Class, and, to the extent applicable, to extend the Non-Call Period applicable to such Re-Priced Class or make changes to the definition of "Redemption Price."

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Distribution Date to make payments as required pursuant to the Priority of Distributions to achieve compliance with such Coverage Test.

Section 9.2. Optional Redemption or Tax Redemption. (a) The Secured Notes shall be redeemed by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any Business Day (x) at the direction of a Majority of the Subordinated Notes, on or after the occurrence of a Tax Event (a "Tax Redemption") from the proceeds of the liquidation of the Assets

or (y) on or after the end of the Non-Call Period, at the written direction of (i) a Majority of the Subordinated Notes, with the consent of the Portfolio Manager or (ii) the Portfolio Manager (so long as notice has been provided to the holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within seven (7) Business Days of delivery of such notice or has otherwise consented) in any case from the proceeds of the liquidation of the Assets or from Refinancing Proceeds. A written direction described in clause (y) above shall be delivered to the Issuer, the Trustee and the Portfolio Manager no less than 10 Business Days prior to the proposed Redemption Date (unless the Trustee and the Portfolio Manager agree to a shorter notice period). In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Price.

In connection with any Optional Redemption of all of the Secured Notes, the Portfolio Manager shall (unless the Redemption Price on all of the Secured Notes shall be paid with Refinancing Proceeds) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient such that the Sale Proceeds from such sale in accordance with the procedures set forth in Section 9.2(d) and all other funds available for such purpose in the Collection Account and the Payment Account (including any Refinancing Proceeds, if applicable) shall be at least sufficient to pay the Redemption Price on such Secured Notes being redeemed and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Distributions prior to any distributions to the Holders of the Subordinated Notes (including, without limitation, any amounts due to the Hedge Counterparties or the Portfolio Manager and the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses)) (the "Required Redemption Amount"). If such Sale Proceeds and Refinancing Proceeds, as applicable, and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem the Secured Notes subject to redemption and to pay such fees and expenses, the Secured Notes may not be redeemed, except in the case of a Tax Redemption with the consent of a Supermajority of each Class of Secured Notes, in which case, such proceeds and other available funds shall be applied in accordance with the Priority of Distributions without regard to the Administrative Expense Cap with respect to amounts payable (including indemnities) to the Trustee, the Bank in each of its other capacities under the Transaction Documents and the Collateral Administrator. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Subordinated Notes may be redeemed, in whole or in part, on any Business Day on or after the Optional Redemption or repayment of the Secured Notes in full designated by (i) a Majority of the Subordinated Notes, with notice to the Issuer, the Trustee and the Portfolio Manager no less than 10 Business Days prior to the proposed Redemption Date or (ii) the Portfolio Manager (so long as notice has been provided to the Holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within seven Business Days of delivery of such notice or has otherwise consented) with notice to the Issuer and the Trustee no less than seven Business Days prior to the proposed Redemption Date. If the Subordinated Notes are to be redeemed in part, the Portfolio Manager shall provide instruction to the Trustee of the manner in which the Subordinated Notes are to be redeemed.

(b) In connection with any Optional Redemption of all of the Secured Notes on or after the end of the Non-Call Period, at the written direction of a Majority of the Subordinated Notes or the Portfolio Manager, as applicable, to the Co-Issuers (with a copy to the Trustee), the Applicable Issuers may, in addition to (or in lieu of) a sale of Collateral Obligations in the manner provided in Section 9.2(a), (i) enter into a loan or loans, (ii) enter into a commitment with a CLO transaction or similar transaction to purchase the Collateral Obligations in an amount at least equal to (together with all other available funds) the Required Redemption Amount or (iii) effect an issuance of replacement securities to redeem the Secured Notes in whole from Refinancing Proceeds, the terms of which in each case shall be negotiated by the Portfolio Manager on behalf of the Issuer, or the Co-Issuers, as applicable (and consented to by a Majority of the Subordinated Notes) (a refinancing provided pursuant to such loan or issuance, a "Refinancing") and the Refinancing Proceeds will be applied, to the extent necessary, to pay the Redemption Price of the Secured Notes on the Redemption Date in accordance with the Priority of Distributions; *provided,* that (i) the agreements related to the Refinancing must contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d), (ii) the terms of such Refinancing or any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and the Portfolio Manager and (iii) such Refinancing otherwise satisfies the conditions described in Section 9.2(c).

Any failure to effect a Refinancing, Partial Redemption by Refinancing or Optional Redemption will not be an Event of Default.

The Holders of the Secured Notes and the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing.

(c) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Obligations or obtain a Refinancing in connection with an Optional Redemption of the Secured Notes in whole but not in part unless (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth in Section 9.2(d), Available Interest Proceeds and all other available funds in the Accounts shall be at least equal the Required Redemption Amount in connection with such Refinancing and (ii) the Sale Proceeds, Refinancing Proceeds, Available Interest Proceeds and other available funds are used to the extent necessary to make such redemption. Refinancing Proceeds received in connection with an Optional Redemption of the Secured Notes in whole but not in part will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Redemption Date pursuant to Section 11.1(a)(iv) of this Indenture.

(d) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to an Optional Redemption unless (i) in the case of any Optional Redemption which is funded, in whole or in part, from Sale Proceeds from the sale of the Collateral Obligations and other Assets, at least two (2) Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in form satisfactory to the Trustee, that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions or a collateralized loan obligation transaction or similar transaction or other special purpose vehicle to purchase (directly or by

participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Collateral Obligations and/or the Hedge Agreements at a purchase price (together with Eligible Investments maturing, redeemable (or putable to the issuer thereof at par) on or prior to the scheduled Redemption Date, and any payments received in respect of Hedge Agreements, any Refinancing Proceeds and all other funds available for such purpose on deposit in the Accounts) at least equal to the Required Redemption Amount, or (ii) prior to entering into any Refinancing or selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale of Eligible Investments, (B) any Refinancing Proceeds, (C) the amount, if any, of Interest Proceeds on deposit in the Interest Collection Account in excess of the aggregate amount of Interest Proceeds which would be paid by application of the Priority of Distributions on the related Redemption Date prior to distributions with respect to the Subordinated Notes and other amounts available to the Issuer (including, without limitation, Contributions) (or, in the case of a Refinancing, any Available Interest Proceeds) and (D) for each Collateral Obligation, the product of its Principal Balance and its Market Value, shall equal or exceed the Required Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.2(d) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.2(d).

(e) In addition, and notwithstanding anything to the contrary herein, if any condition set forth in the first sentence of Section 9.2(d) is not satisfied on the Business Day before the scheduled Redemption Date solely as a result of the fact that one or more of the trades has not been settled on or prior to that date (such shortfall (being the amount equal to the Required Redemption Amount less the proceeds of any such dispositions the Issuer has received as of such date (such proceeds, the "Received Proceeds"), as determined by the Collateral Administrator in consultation with the Portfolio Manager (the "Unsettled Trade Amount"), the Issuer shall give written notice of such to the Trustee (who shall forward such notice to the Noteholders) and the Collateral Administrator whereupon the Portfolio Manager or a Majority of the Subordinated Noteholders shall, with respect to any Class of Notes that would not be redeemed in full by the application of the Received Proceeds pursuant to this Section 9.2 and in accordance with the Note Payment Sequence and the applicable Priority of Distributions on such specified Redemption Date (the "Original Redemption Date"), elect to direct the Issuer to redeem such Classes of Notes that would not be paid in full by the application of the Received Proceeds on the Original Redemption Date pursuant to this Section 9.2 in accordance with the Note Payment Sequence on a specified later redemption date within sixty (60) calendar days of the Original Redemption Date (for these purposes, the "Delayed Redemption Date" and each such Class of Notes, a "Delayed Redemption Class") (and the failure to make payment on such Class(es) of Notes on the Original Redemption Date shall not constitute an Event of Default); *provided*, that (i) the Delayed Redemption Date shall fall no later than the Stated Maturity of the Notes, (ii) if the Unsettled Trade Amount is received by the Issuer more than ten (10) Business Days prior to the Delayed Redemption Date, the Delayed Redemption Date shall instead be brought forward to the tenth (10th) Business Day following such receipt (as notified by the Issuer to the Portfolio Manager in writing) (a "Delayed Redemption Date Adjustment"); (iii) any payments as of the Delayed Redemption Date will still

be made in accordance with the Note Payment Sequence and pursuant to the applicable Priority of Distributions; (iv) no such delay in the redemption of any Delayed Redemption Class will affect the occurrence of any otherwise applicable Distribution Date between the Original Redemption Date and the Delayed Redemption Date; and (v) interest on each such Delayed Redemption Class will accrue to but excluding the Delayed Redemption Date; *provided*, *further*, that if no Delayed Redemption Date is specified in accordance with this paragraph prior to the Original Redemption Date, the Issuer shall cancel the redemption of the Delayed Redemption Class(es) and shall give notice of such cancellation to the Trustee (who shall forward such notice to the Noteholders) and the Portfolio Manager. For the avoidance of doubt, all Classes of Secured Notes subject to Optional Redemption in accordance with this Section 9.2 other than the Delayed Redemption Class(es) shall be redeemed by the Issuer on the Original Redemption Date in accordance with the Note Payment Sequence.

The Issuer shall give notice of (x) any Delayed Redemption Date direction (specifying each Delayed Redemption Class) and (y) any Delayed Redemption Date Adjustment (specifying the revised Delayed Redemption Date) to the Trustee (who shall forward such notice to the Noteholders), the Collateral Administrator and each Rating Agency, in each case no later than ten (10) Business Days prior to the Delayed Redemption Date. In addition, if, at least one Business Day before the Delayed Redemption Date, the Issuer has not received proceeds at least equal to the Unsettled Trade Amount, the Issuer shall cancel the redemption of any Delayed Redemption Class and shall give notice of such cancellation to the Trustee (who shall forward such notice to the Noteholders), the Collateral Administrator, each Rating Agency and the Portfolio Manager. For the avoidance of doubt, such cancellation shall not constitute an Event of Default.

Section 9.3. Partial Redemption by Refinancing.

Upon written direction of (i) a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or (ii) the Portfolio Manager (so long as notice has been provided to the holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within seven (7) Business Days of delivery of such notice or has otherwise consented) delivered to the Issuer, the Trustee, the Holders of the Subordinated Notes and the Portfolio Manager (as applicable) not less than 10 Business Days prior to the proposed Redemption Date (unless a shorter time period is acceptable to the Trustee and the Issuer/Portfolio Manager), the Co-Issuers shall redeem one or more Classes of Secured Notes (but not all Classes of Secured Notes) following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and other amounts permitted (any such redemption, a "Partial Redemption by Refinancing"); *provided*, that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and to the Portfolio Manager and such Refinancing otherwise satisfies the conditions described below.

The Issuer shall obtain a Partial Redemption by Refinancing only if:

(i) (A) the weighted average interest rate (weighted based on principal amount) of the refinancing obligations does not exceed the weighted average interest rate of the

corresponding Class of the Secured Notes being refinanced and (B) the aggregate principal amount of all refinancing obligations is equal to the Aggregate Outstanding Amount of all Classes of Secured Notes being refinanced; *provided*, that the aggregate outstanding amount of a refinancing obligation relating to a particular Class or subclass of Secured Notes may be greater than or less than the corresponding Class or subclass of Secured Notes being refinanced and any Class may be refinanced by more than one subclass so long as the Overcollateralization Ratio of any Class of Secured Notes which is not subject to such Partial Redemption by Refinancing will not decrease after giving effect to such Partial Redemption by Refinancing;

(ii) on such Redemption Date, the sum of (A) the Refinancing Proceeds and (B) (x) the Available Interest Proceeds and (y) with respect to the payment of Administrative Expenses only (without regard to any cap), amounts paid or provided for in another manner (including, without limitation, with Contributions) or amounts reasonably expected by the Portfolio Manager to be available on such Redemption Date to pay such amounts, shall be in an amount not less than the Required Redemption Amount (less any Administrative Expenses relating to such Partial Redemption by Refinancing, which may be payable on one or more succeeding Distribution Dates in accordance with the Priority of Distributions, as determined by the Portfolio Manager in its sole discretion);

(iii) the Refinancing Proceeds, the Available Interest Proceeds and, solely with respect to any Administrative Expenses (without regard to any cap), any other amounts described in clause (ii)(B)(y) above are used to make such redemption and pay such expenses;

(iv) the agreements relating to the Partial Redemption by Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d);

(v) the Issuer provides notice to each Rating Agency with respect to such Partial Redemption by Refinancing;

(vi) any new notes created pursuant to the Partial Redemption by Refinancing must have the same or longer maturity as the Notes Outstanding prior to such Partial Redemption by Refinancing having the earliest Stated Maturity;

(vii) such Partial Redemption by Refinancing is done only through the issuance of new notes and not the sale of any Assets;

(viii) each new class of notes providing the Partial Redemption by Refinancing is subject to the Priority of Distributions and does not rank higher in priority pursuant to the Priority of Distributions than the applicable Class of Secured Notes being refinanced; *provided,* that two or more Classes of Secured Notes with the same Initial Ratings but different priorities pursuant to the Priority of Distributions may be refinanced with a single class of Refinancing obligations;

(ix) such Partial Redemption by Refinancing shall not cause the Portfolio Manager, in its capacity as Retention Holder, to violate the Risk Retention Letter; and

(x) such Partial Redemption by Refinancing otherwise satisfies the conditions described in Section 9.4;

provided, that for the avoidance of doubt, the agreements relating to the Partial Redemption by Refinancing may (a) establish a non-call period for the refinancing obligations, (b) prohibit a future Refinancing or Re-Pricing of such refinancing obligations and/or (c) establish additional voting, rights, consent rights and redemption rights with respect to such new class of notes; *provided, further,* that (A) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the obligations comprising the refinancing obligations is less than the applicable Reference Rate plus the relevant spread with respect to such Class of Floating Rate Notes on the date of such Partial Redemption by Refinancing, (B) any Class of Fixed Rate Notes may be refinanced with floating rate obligations as long as the spread (x) is equal to or lower than the initial spread applicable to any Pari Passu Class of Floating Rate Notes and (y) together with the Reference Rate on the date of such Partial Redemption by Refinancing, is equal to or lower than the initial fixed rate of interest of the Class of Fixed Rate Notes being refinanced and (C) Pari Passu Classes may be refinanced by a single Class of fixed rate or floating rate obligations.

It is understood that the foregoing will not prevent a Refinancing of (i) any Floating Rate Notes with any floating rate obligations or fixed rate obligations or (ii) any Fixed Rate Notes with any floating rate obligations or fixed rate obligations, in each case, so long as the criteria in the immediately preceding paragraph is satisfied.

Refinancing Proceeds received in connection with a Partial Redemption by Refinancing will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Redemption Date pursuant to Section 11.1(a)(iv) of this Indenture.

Section 9.4. Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, the written direction of the Majority of the Subordinated Notes or the Portfolio Manager, as applicable, required as set forth herein shall be provided to the Issuer, the Trustee and, if applicable, the Portfolio Manager not later than ten (10) Business Days prior to the Business Day (or such shorter time period agreed to by the Issuer, the Trustee and the Portfolio Manager) on which such redemption is to be made (which date shall be designated in such notice) and a notice of redemption shall be given by the Trustee not later than seven (7) Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed, at such Holder's address in the Register and to each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Optional Redemption or Partial Redemption to the holders of such Notes shall also be given by publication on the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption by Refinancing, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

(c) The Co-Issuers acting at the direction of the Portfolio Manager, may withdraw (or, in consultation with the part(ies) directing such Redemption Date pursuant to Section 9.2 hereof, postpone) any such notice of redemption on any day up to and including the Business Day prior to the proposed Redemption Date. Any postponement or withdrawal of such notice of redemption shall be made by written notice to the Trustee, each Rating Agency and the Portfolio Manager. Any failure to effect any redemption pursuant to Section 9.2 or Section 9.3 which is withdrawn by the Co-Issuers or with respect to which a redemption is rescheduled or deferred pursuant to Section 9.2(e) or Section 9.4(j) shall not constitute an Event of Default.

(d) If any notice of redemption is so withdrawn or if the Co-Issuers (or the Portfolio Manager, on behalf of the Co-Issuers) are otherwise unable to complete any redemption of the Secured Notes, the Sale Proceeds (if any) received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during or after the Reinvestment Period at the Portfolio Manager's sole discretion, be reinvested in accordance with the Investment Criteria.

(e) Notice of redemption (including, without limitation, in respect of a rescheduled Redemption Date) shall be given by the Co-Issuers (or the Portfolio Manager on their behalf) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

(f) [Reserved].

(g) In connection with a Refinancing of all the Secured Notes, the Portfolio Manager may designate Principal Proceeds (including, for the avoidance of doubt, any Principal Proceeds deposited to the Collection Account pursuant to Section 11.1(a)(iv)(C)) in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par"),

and direct the Trustee to apply such Designated Excess Par on the applicable Redemption Date as Interest Proceeds in accordance with the Priority of Distributions.

(h) If a Refinancing or Partial Redemption by Refinancing is obtained meeting the requirements specified in Section 9.2 (in the case of an Optional Redemption) and Section 9.3 (in the case of a Partial Redemption by Refinancing) as certified in writing by the Portfolio Manager to the Trustee (on which the Trustee may conclusively rely), the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture (which amendment shall be prepared by or on behalf of the Issuer) to the extent necessary to reflect the terms of the Refinancing or Partial Redemption by Refinancing, as applicable, including to adopt a Reset Amendment, and no further consent for or notices of such amendments shall be required from or to the Holders of Notes other than a Majority of the Subordinated Notes. Notwithstanding any other requirement or obligation relating to any supplement or amendment to this Indenture pursuant to Article VIII, the Co-Issuers and the Trustee may, from time to time, enter into an amendment or indenture supplemental hereto (A) in connection with a Partial Redemption by Refinancing, so long as the only modifications to this Indenture are (i) to reduce the interest rate on such Class(es) of Secured Notes being refinanced and (ii) to reflect the terms of such Refinancing, including any necessary changes to the definition of "Non-Call Period" or "Redemption Price", to limit or prohibit future Re-Pricings or Refinancings or to reflect any agreed upon make-whole payments, in each case, of the Class(es) of Secured Notes subject to such Partial Redemption by Refinancing and (B) in connection with an Optional Redemption of the Secured Notes in whole, and, in the case of a supplemental indenture entered into pursuant to (A) or (B) of this sentence, no notice to, or consent from, any Holder or beneficial owner of Notes or any Rating Agency, will be required for the entry into such supplemental or amended indenture other than a Majority of the Subordinated Notes. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment is authorized and permitted under this Indenture and that all conditions precedent hereto have been satisfied (except that such counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds or the application thereof).

(i) [Reserved].

(j) Solely in the case of an Optional Redemption by Sale Proceeds, the Portfolio Manager, in its sole discretion, may elect to reschedule the Redemption Date with respect to any Class of Secured Notes to occur on the first Business Day after the latest Redemption Date (specified by the notice delivered pursuant to Section 9.4(a)) on which proceeds are available to pay the Redemption Price on such Class in whole, in which case, such rescheduled redemption date will be the Redemption Date for such applicable Class; *provided*, that (i) such rescheduled Redemption Date shall also apply to each Pari Passu Class and Junior Class of Secured Notes related to such Class of Secured Notes, (ii) the Portfolio Manager gives written notice to the Trustee at least four Business Days prior to the occurrence of such rescheduled Redemption Date with respect to such applicable Class, which rescheduled Redemption Date shall not occur between

a Determination Date and a Distribution Date if such rescheduled Redemption Date would not result in the redemption of all of the Classes of Secured Notes, (iii) the related Class or Classes of Secured Notes shall be paid in full on such rescheduled Redemption Date, and (iv) the Portfolio Manager certifies to the Co-Issuers and the Trustee no later than the earliest Redemption Date that sufficient proceeds are expected to be received or otherwise available to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Portfolio Manager Interest payable in accordance with the Priority of Distributions and the Redemption Price of each Class of Secured Notes to be redeemed in connection with such Optional Redemption by Sale Proceeds no later than the latest Redemption Date so specified; *provided further* that, for the avoidance of doubt, any payments as of such Redemption Date will still be made pursuant to the applicable Priority of Distributions (without regard to the Administrative Expense Cap). Upon receipt of notice from the Portfolio Manager of the designation of any rescheduled Redemption Date for a Class of Secured Notes as described above, the Trustee shall provide an updated notice to the Holders of such Class or Classes which shall identify the rescheduled Redemption Date and Redemption Price for each Class of Secured Notes subject to the rescheduled Redemption Date. No Distribution Report shall be required to be prepared in connection with a rescheduled Redemption Date. With respect to any such rescheduling of a Redemption Date for any Class of Secured Notes, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any failure or delay on the part of DTC in effecting any adjustments to the Redemption Dates or the Redemption Prices of the Secured Notes as described above or the timely payment thereof. Notwithstanding the foregoing, in connection with an Optional Redemption by Sale Proceeds, in the event that the Portfolio Manager has directed a rescheduled Redemption Date with respect to one or more Classes of Secured Notes in accordance with this Section 9.4(j), any such certification described in this paragraph in respect of the expected proceeds or sufficient proceeds to be available on the related Redemption Date may address only the Classes of Secured Notes then being redeemed (and any other amounts payable prior thereto in accordance with the Priority of Distributions); *provided* that the Portfolio Manager certifies that sufficient proceeds are expected to be received or otherwise available to pay the applicable Redemption Price and all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Portfolio Manager Interest payable in accordance with the Priority of Distributions, in each case no later than the latest Redemption Date scheduled for a Class of Secured Notes.

Section 9.5. Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.2(d) in the case of an Optional Redemption and the right of the Co-Issuers and the Holders of the Subordinated Notes to withdraw any notice of redemption pursuant to Section 9.4(c) and (d), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such redeemed Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, each Holder shall present and surrender its Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided,* that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or

the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Notes so to be redeemed whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Notes called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; *provided,* that the reason for such non-payment is not the fault of such Holder.

Section 9.6. Clean-Up Call Redemption.

(a) The Notes are redeemable at the option of the Applicable Issuer(s) acting at the direction of the Portfolio Manager (which direction shall (x) be given so as to be received by the Issuer and the Trustee not later than fifteen (15) Business Days prior to the proposed Clean-Up Call Redemption Date and (y) include the Clean-Up Call Redemption Date), in whole but not in part (a "Clean-Up Call Redemption"), at the applicable Redemption Price, on any Business Day after the Non-Call Period selected by the Portfolio Manager (such Business Day, the "Clean-Up Call Redemption Date") which occurs on or after the Business Day on which the Collateral Principal Amount is less than or equal to 20.0% of the Aggregate Ramp-Up Par Amount. In such event a notice of redemption shall be given not later than five (5) Business Days prior to the applicable Clean-Up Call Redemption Date, to the Trustee and each Holder of Notes, at such Holder's address in the Register and to each Rating Agency. Any such Clean-Up Call Redemption may be effected only from (a) the disposition proceeds of the Assets (and any assets held by a Tax Subsidiary and distributed to the Issuer) and (b) all other funds in the Accounts on the Business Day relating to such redemption. A Clean-Up Call Redemption may not occur unless the proceeds from the liquidation of the Assets (and any assets held by a Tax Subsidiary and distributed to the Issuer) and all other funds in the Accounts on the Business Day relating to such redemption results in an amount at least equal to the Clean-Up Call Redemption Price.

(b) All notices of redemption delivered pursuant to Section 9.6(a) shall state:

(i) the Clean-Up Call Redemption Date;

(ii) the Clean-Up Call Redemption Price of each Class of Notes to be redeemed; and

(iii) that all of the Notes are to be redeemed in full and that interest on the Secured Notes shall cease to accrue on the Clean-Up Call Redemption Date.

Notice of redemption shall be given by the Co-Issuers (or the Portfolio Manager on their behalf) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder shall not impair or affect the validity of the redemption of any other Notes.

(c) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets by any Person(s) from the Issuer, on or prior to the second Business Day immediately preceding the Clean-Up Call Redemption Date, for a purchase price in Cash at least equal to the Clean-Up Call Redemption Price (less the amount of funds in the Accounts that are available to pay the Clean-Up Call Redemption Price) and (ii) the receipt by the Trustee from the Portfolio Manager, prior to such purchase, of a certification from the Portfolio Manager that the sum so received satisfies the requirements of clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Portfolio Manager on behalf of the Issuer) and the Portfolio Manager, acting on behalf of the Issuer, shall take all commercially reasonable actions necessary to sell, assign and transfer the Assets to such Person(s) (which may be the Portfolio Manager or any of its Affiliates) upon payment in immediately available funds of the purchase price for such Assets, which shall be no less than the Clean-Up Call Redemption Price (less the amount of funds in the Accounts available to be applied to pay the Clean-Up Call Redemption Price). The Issuer shall deposit, or cause to be deposited, the funds required for a Clean-Up Call Redemption in the Payment Account on or prior to the Clean-Up Call Redemption Date. The Trustee shall deposit such payment into the Collection Account.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer (or the Portfolio Manager on its behalf) up to the Business Day prior to the scheduled Clean-Up Call Redemption Date by written notice to the Trustee, the Rating Agencies and (if applicable) the Portfolio Manager only if amounts equal to the Clean-Up Call Redemption Price (including funds in the Accounts available to pay the Clean-Up Call Redemption Price) are not received in full in immediately available funds by the second Business Day immediately preceding the proposed Clean-Up Call Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes not later than the Business Day prior to the scheduled Clean-Up Call Redemption Date.

(e) On the Clean-Up Call Redemption Date, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Distributions.

(f) Notice of redemption pursuant to this Section 9.6 having been given as aforesaid, the Notes to be redeemed shall, on the Clean-Up Call Redemption Date, subject to Section 9.6(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.6(d), become due and payable at the Clean-Up Call Redemption Price therein specified, and from and after the Clean-Up Call Redemption Date (unless the Issuer shall default in the payment of the Clean-Up Call Redemption Price and accrued interest) all the Secured Notes shall cease to bear interest on the Clean-Up Call Redemption Date. Upon final payment on Notes to be so redeemed, the Holder shall present and surrender any note evidencing such Notes at the place specified in the notice of redemption on or prior to such Clean-Up Call Redemption Date; *provided,* that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Secured Notes called for redemption pursuant to this Section 9.6 shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the

Clean-Up Call Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Notes remain Outstanding; *provided,* that the reason for such non-payment is not the fault of the Holder of such Secured Notes.

Section 9.7. Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Distributions on any Business Day (A) during the Reinvestment Period, if the Portfolio Manager at its sole discretion notifies the Trustee (who shall forward such notice to the Holders of the Subordinated Notes) that it has been unable, for a period of at least twenty (20) consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations or (B) if a Retention Deficiency exists, to the extent necessary to reduce such Retention Deficiency to zero (in each case, a "Special Redemption"). On the first Distribution Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing (1) Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations or (2) Principal Proceeds necessary to reduce any outstanding Retention Deficiency to zero (such amount, the "Special Redemption Amount"), as the case may be, shall be applied in accordance with the Priority of Distributions under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.7 shall be given by the Trustee as soon as reasonably practicable, and in any case not less than three (3) Business Days prior to the applicable Special Redemption Date (*provided*, that such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of the definition of such term if the Special Redemption Amount is not known on or prior to such date) to each Holder of Secured Notes affected thereby at such Holder's address in the Register and to the Rating Agencies. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the holders of such Notes shall also be given by publication on the Cayman Islands Stock Exchange.

Section 9.8. Re-Pricing of Notes. (a) At the direction of (i) a Majority of the Subordinated Notes or (ii) the Portfolio Manager (so long as notice has been provided to the Holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within seven (7) Business Days of delivery of such notice or has otherwise consented), the Issuer shall reduce the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable with respect to any Class of Re-Pricing Eligible Notes (any such reduction with respect to any such Class of Re-Pricing Eligible Notes, a "Re-Pricing" and any Class of Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "Re-Priced Class") on any Business Day after the Non-Call Period; *provided,* that (x) to the extent any Risk Retention Regulations apply to this transaction or with respect to any Re-Pricing, the Portfolio Manager consents to such Re-Pricing and (y) a Majority of the Subordinated Notes consents to the terms of such Re-Pricing; *provided*, *further*, that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.8 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Re-Pricing Eligible Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing; *provided,* that in connection with any Re-Pricing, (x) the Non-Call Period with respect to such Re-Priced Class may, with the consent of a Majority of the Subordinated Notes, be extended and/or (y) the definition of "Redemption Price" may be

revised, with the written consent of a Majority of the Subordinated Notes, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least fourteen (14) days prior to the Business Day fixed for any proposed Re-Pricing (the "Re-Pricing Date") (unless the Trustee and the Portfolio Manager agree to a shorter period), the Issuer or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Portfolio Manager, the Trustee, each Rating Agency and the Cayman Islands Stock Exchange (so long as any Notes are listed thereon and so long as the guidelines of such exchange so require)) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) to be applied with respect to such Class (such spread or Interest Rate, as applicable, the "Re-Pricing Rate"), (ii) request that each Holder of the Re-Priced Class approve the proposed Re-Pricing or provide a proposed Re-Pricing Rate at which it would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a "Holder Proposed Re-Pricing Rate"), (iii) request that each consenting Holder of the Re-Priced Class deliver a response in writing to the Issuer, or to the Re-Pricing Intermediary on behalf of the Issuer, which response (the "Holder Purchase Request") shall indicate the aggregate principal amount of the Re-Priced Class that such Holder is willing to purchase (or retain) at such Re-Pricing Rate (including within any range provided) specified in such notice, and (iv) state that the Issuer (or in the case of the following clause (a), the Re-Pricing Intermediary on behalf of the Issuer) will have the right to (a) cause all such Holders that did not deliver an Accepted Purchase Request (each, a "Non-Consenting Holder") to sell their Notes of the Re-Priced Class on the Re-Pricing Date to one or more transferees at a sale price equal to the applicable Redemption Price or (b) redeem such Notes at the applicable Redemption Price with the proceeds of an issuance of Re-Pricing Replacement Notes; *provided,* that the Issuer, at the direction of the Portfolio Manager, may delay the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two (2) Business Days prior to the Re-Pricing Date (upon notice to each Holder of the proposed Re-Priced Class, with a copy to the Portfolio Manager, the Trustee and each Rating Agency). Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

Any notice of Re-Pricing may be withdrawn (thereby canceling the Re-Pricing) by (x) the Portfolio Manager or (y) a Majority of the Subordinated Notes, with the consent of the Portfolio Manager, in each case, for any reason by delivery of a written notice to the Trustee and the Co-Issuers no later than one (1) Business Day before the proposed Re-Pricing Date. Once withdrawn, a subsequent notice of Re-Pricing may be given in accordance with this Section 9.8. At the cost of the Co-Issuers, the Trustee shall provide a copy of such written notice to the Rating Agencies. Any failure to effect a Re-Pricing will not be an Event of Default.

(c) In the event that any Holder of the Re-Priced Class does not deliver a written consent to the proposed Re-Pricing on or before the date that is at least five (5) Business Days

(such date as determined by the Issuer in its sole discretion) after the date of such notice, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to any Consenting Holder of the Re-Priced Class who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Portfolio Manager (such request, an "Accepted Purchase Request" and any Holder providing such Accepted Purchase Request, a "Consenting Holder") specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class that such Consenting Holder has offered to purchase at the Re-Pricing Rate and the Aggregate Outstanding Amount of the Notes that will be sold to such Consenting Holder. Notwithstanding the above, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of Notes of any Non-Consenting Holders, without further notice to such Non-Consenting Holders, on the Re-Pricing Date to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this clause (c) will be made at the Redemption Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with this Section 9.8. The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Re-Pricing Eligible Notes, agrees to sell and transfer its Notes in accordance with this Section 9.8 and agrees to cooperate with the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) and the Trustee to effect such sales and transfers. In the event that the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) receives Accepted Purchase Requests with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests, with respect thereto, *pro rata* (subject to the applicable minimum denominations) based on the Aggregate Outstanding Amount of the Notes such Consenting Holders indicated an interest in purchasing pursuant to their Holder Purchase Requests. In the event that the Issuer receives Accepted Purchase Requests with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes of the Re-Priced Class or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, and any excess Notes of the Re-Priced Class held by Non-Consenting Holders shall be sold to one or more purchasers designated by the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or redeemed with proceeds from the sale of Re-Pricing Replacement Notes. All sales of Non-Consenting Holders' Notes or Re-Pricing Replacement Notes to be effectuated pursuant to this clause (c) shall be made at the applicable Redemption Price, and shall be effectuated only if the related Re-Pricing is effectuated in accordance with the provisions hereof.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date, which can be executed and delivered without regard to the provisions of Article VIII hereof, solely to modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Priced Class and to the extent applicable, (with the consent of a Majority of the Subordinated Notes) to extend the Non-Call Period applicable to such Re-Priced Class or make changes to the definition of "Redemption Price";

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been sold and transferred pursuant to clause (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing;

(iv) the Re-Pricing shall not cause the Portfolio Manager, in its capacity as Retention Holder, to violate the Risk Retention Letter; and

(v) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i) on the subsequent Distribution Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or shall be adequately provided for (including without limitation, with Contributions) by an entity other than the Issuer.

(e) The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing and the Trustee shall have the authority to take such actions as may be directed by the Issuer or the Portfolio Manager on behalf of the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or Portfolio Manager shall deem necessary or desirable to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by consenting Holders or Non-Consenting Holders.

(f) A second notice of a Re-Pricing shall be given by the Trustee not less than seven (7) Business Days prior to the proposed Re-Pricing Date, to each Holder of Notes of the Re-Priced Class at the address in the Register (with a copy to the Portfolio Manager), specifying the applicable Re-Pricing Date and the specific Re-Pricing Rate. Notice of Re-Pricing shall be given by the Trustee at the expense of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class will not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(g) The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Secured Notes, agrees (i) to sell and transfer its Secured Notes in accordance with the provisions hereof and to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effectuate such sales and transfers and (ii) in the event that such Holder (x) does not consent to a proposed Re-Pricing or to a sale of its interest and (y) does not otherwise cooperate with the Issuer,

the Re-Pricing Intermediary (if any) and the Trustee, in each case to effectuate such sales and transfers within the time period described herein, then such Holder shall be deemed to consent to such Re-Pricing.

The Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee shall receive and shall rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.8.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms and conditions of such Pledged Obligations. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be established with the Intermediary in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties and shall be maintained with the Intermediary in accordance with the Account Agreement.

Section 10.2. Collection Accounts. (a) The Trustee, on or prior to the Closing Date, established at the Intermediary two segregated non-interest bearing trust accounts, each held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, one of which is designated the "Interest Collection Account" and the other of which is designated the "Secured Note Principal Collection Account," each of which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.6(a), upon receipt thereof (i) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Interest Proceeds pursuant to Section 10.3(e) and (ii) all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII) received by the Trustee. The Trustee shall deposit upon receipt thereof all other amounts remitted to the Collection Account into the Principal Collection Account, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Principal Proceeds pursuant to Section 10.3(e), (ii) all Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) received by the Trustee, and (iii) all other funds received by the Trustee; *provided,* that (x) all Principal Proceeds from the disposition or prepayment of Subordinated Note Collateral Obligations (which are not simultaneously reinvested) shall be deposited in a sub-account of the Principal Collection Account designated as the Subordinated Note Principal Collection Account, and (y) all Principal Proceeds not deposited in the Subordinated Note Principal Collection Account shall be deposited in a the

Secured Note Principal Collection Account. In addition, the Issuer may, but under no circumstances shall be required to, deposit from time to time such Monies in the Collection Account as it deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(c), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a). Amounts on deposit in the Principal Collection Account may, on any Business Day occurring on or prior to the Determination Date related to the second Distribution Date following the First Refinancing Date, at the direction of the Portfolio Manager, be distributed by the Trustee to the Holders of the Subordinated Notes without regard for the Priority of Distributions and/or be deposited into the Interest Collection Account as Interest Proceeds; *provided*, that (x) Designated Amounts, in the aggregate, shall not exceed 1.00% of the Aggregate Ramp-Up Par Amount, (y) the Aggregate Ramp-Up Par Condition is satisfied immediately after giving effect to each such distribution or deposit and (z) after giving effect to any such distribution or deposit, each of the limitations specified in the definition of Concentration Limitations, each Collateral Quality Test and each Coverage Test must be satisfied (such condition, the "Designated Amounts Condition").

(b) The Trustee, within one Business Day after a Trust Officer's actual knowledge of the Trustee's receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify or cause the Issuer to be notified and the Issuer shall use its commercially reasonable efforts to, within five (5) Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Portfolio Manager or an Affiliate of the Issuer or the Portfolio Manager and deposit the proceeds thereof in the Collection Account; *provided*, *however*, that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it shall sell such distribution within such two (2)-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw Principal Proceeds on deposit in the Principal Collection Account designated in such Issuer Order (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII and such Issuer Order. At any time, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw Principal Proceeds on deposit in the Principal Collection Account designated in such Issuer Order and use such funds to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) Subject to the conditions described set forth in Section 12.2 (if applicable), the Portfolio Manager on behalf of the Issuer may direct the Trustee to withdraw (i) Interest Proceeds

from the Collection Account on any Business Day during any Interest Accrual Period in any amount required to exercise a warrant or similar right to acquire securities held in the Assets, (ii) Interest Proceeds or Principal Proceeds from the Collection Account on any Business Day during any Interest Accrual Period in any amount required to acquire a Permitted Equity Security or a Restructuring Loan or (iii) from Interest Proceeds only, amounts required to pay any Administrative Expenses (paid in the order of priority set forth in the definition thereof); *provided* that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d)(iii) during any Collection Period shall not exceed the Administrative Expense Cap for the related Distribution Date.

(e) The Trustee shall transfer to the Payment Account from the Collection Account, for application pursuant to Section 11.1(a) of this Indenture, on or not later than the Business Day preceding each Distribution Date, the amount set forth to be so transferred in the Distribution Report for such Distribution Date.

(f) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer from amounts on deposit in the Interest Collection Account on any Business Day during any Interest Accrual Period to the Principal Collection Account, amounts necessary for application pursuant to Section 7.17(d).

Section 10.3. Payment Account; Custodial Account; Ramp-Up Account; Expense Reserve Account; Reserve Account; Permitted Use Account; Ongoing Expense Smoothing Account.

(a) Payment Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Payment Account", which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable or distributable on the Notes in accordance with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Distributions. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Distributions. The Issuer shall direct, and hereby directs, that all amounts in the Payment Account shall remain uninvested.

(b) Custodial Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Custodial Account", which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. The Trustee shall immediately upon receipt deposit (i) all Subordinated Note Collateral Obligations into a sub-account of the Custodial Account designated as the "Subordinated Note Collateral Account" and (ii) all Collateral Obligations (other than Subordinated Note Collateral Obligations) into a sub-account of the Custodial Account designated as the "Secured Note Collateral Account". The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Co-Issuers shall not have

any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Distributions. The Issuer shall direct, and hereby directs, that all amounts in the Custodial Account shall remain uninvested.

(c) Ramp-Up Account. The Trustee, on or prior to the Closing Date, established at the Intermediary two (2) segregated non-interest bearing trust accounts held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, and each such account is designated as the "Ramp-Up Account", which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to, and the Trustee shall upon receipt on the Closing Date, deposit (i) the amount specified in the Closing Date Certificate in an account designated as the "Subordinated Note Ramp-Up Account" and (ii) the amount specified in the Closing Date Certificate in an account designated as the "Secured Note Ramp-Up Account." In connection with any purchase of an additional Collateral Obligation, the Trustee shall apply amounts held in the Ramp-Up Account as provided by Section 7.17(b). Upon the occurrence of an Event of Default (and excluding any proceeds that shall be used to settle binding commitments entered into prior to that date), the Trustee shall deposit any remaining amounts in the Ramp-Up Account into the Collection Account as Principal Proceeds.

Any income earned on amounts deposited in the Ramp-Up Account shall be deposited in the Collection Account as Interest Proceeds.

(d) Expense Reserve Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Expense Reserve Account", which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate in the Expense Reserve Account on the Closing Date. The Trustee shall apply funds from the Expense Reserve Account, in the amounts and as directed by the Portfolio Manager, to pay (x) amounts due in respect of actions taken on or before the Closing Date and (y) subject to the Administrative Expense Cap, Administrative Expenses in the order of priority contained in the definition thereof. Any income earned on amounts on deposit in the Expense Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(e) Reserve Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Reserve Account," which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate in the Reserve Account on the Closing Date. On any Business Day after the Closing Date, the Trustee shall transfer funds from the Reserve Account, as directed by the Portfolio Manager, to the Interest Collection Account as Interest Proceeds or the Principal Collection Account as Principal Proceeds (in the Portfolio Manager's discretion) (*provided*, that any such direction will not direct application of Principal Proceeds so as to cause a Retention Deficiency). Amounts in the Reserve Account may be invested at the direction of the Portfolio

Manager in Eligible Investments and any income earned on amounts deposited in the Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(f) Permitted Use Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a single, segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Permitted Use Account," which shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement. At any time during or after the Reinvestment Period, the Portfolio Manager or any Holder of Subordinated Notes may by providing a Contribution Notice to the Portfolio Manager and the Trustee no later than four (4) Business Days prior to the applicable Determination Date, (i) make a contribution of Cash or (ii) solely in the case of Subordinated Notes represented by Certificated Notes, return to the Trustee any portion of Interest Proceeds or Principal Proceeds that was distributed on such Subordinated Notes in accordance with the Priority of Distributions, to the Issuer (each, a "Contribution" and, each such Holder, a "Contributor"); *provided*, that each Cure Contribution shall be in an aggregate amount equal to at least $500,000 (counting all Contributions made on the same day as one Contribution for this purpose). The Portfolio Manager, on behalf of the Issuer, may reject any Contribution in its sole discretion and shall notify the Trustee and the Collateral Administrator of any such rejection. Unless rejected, each Contribution shall be received into the Permitted Use Account, and the Portfolio Manager, on behalf of the Issuer, shall apply such Contribution to a Permitted Use as directed by the Contributor at the time such Contribution is made (or, if no such direction is given by the Contributor, at the direction of the Portfolio Manager in its sole discretion). No Contribution or portion thereof shall be returned to the Contributor at any time (other than by operation of the Priority of Distributions). The amount of the Contribution (the "Contribution Repayment Amount") shall be repaid to the applicable Contributor (in accordance with the payment instructions provided in the Contribution Notice by each Contributor) on subsequent Distribution Dates on which funds are available to be used for such purpose pursuant to the Priority of Distributions until paid in full. In connection with any transfer of any Subordinated Notes held by a Contributor, such Contributor shall be required to transfer, and will be deemed to have transferred, its interest in any unpaid Contribution Repayment Amount in an amount that is proportional to the amount of Subordinated Notes held by such Contributor that are subject to such transfer. From and after the date of such transfer, the transferee shall be deemed to be a Contributor with respect to the applicable portion of the related Contribution. Each transferor of Subordinated Notes that is a Contributor and is owed a Contribution Repayment Amount shall be required to execute and deliver to the Issuer and the Trustee a certificate substantially in the form of Exhibit D in which it shall be required to represent and warrant as to the percentage of the aggregate Subordinated Notes and the amount of such Contribution Repayment Amount held by such Person that are in each case subject to such transfer. Notwithstanding the foregoing, the Trustee shall be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount has occurred until such certificate is received by the Trustee. For the avoidance of doubt, Holders of the Subordinated Notes shall not have any voting rights with respect to any Contribution Repayment Amount owed, and Contributions shall not increase the voting rights of the Subordinated Notes held by any Holder.

Any income earned on amounts deposited in the Permitted Use Account shall be deposited in the Interest Collection Account as Interest Proceeds.

To the extent any Restructuring Loans or Permitted Equity Securities were acquired with amounts on deposit in the Permitted Use Account, any proceeds received therefrom will be deposited in the Permitted Use Account, subject to the provisions set forth in the proviso of the definition of "Interest Proceeds".

(g) Ongoing Expense Smoothing Account. The Trustee, on or prior to the Closing Date, established at the Intermediary a single, segregated non-interest bearing trust account which shall be held in the name of the Issuer subject to the lien of the Trustee for the benefit of the Secured Parties, designated as the "Ongoing Expense Smoothing Account." The Trustee shall transfer funds to the Ongoing Expense Smoothing Account, in the amounts and as directed by the Portfolio Manager no later than the related Determination Date, on each Distribution Date as described under Section 11.1(a)(i). The Trustee shall apply funds from the Ongoing Expense Smoothing Account, in the amounts and as directed by the Portfolio Manager no later than the related Determination Date, or if in between Distribution Dates, one Business Day prior to such withdrawal, to pay Administrative Expenses in the order of priority contained in the definition thereof on or between Distribution Dates (without regard to the Administrative Expense Cap). From time to time, the Portfolio Manager may direct the Trustee to withdraw amounts on deposit in the Ongoing Expense Smoothing Account and to deposit such amounts in the Interest Collection Account as Interest Proceeds or in the Principal Collection Account as Principal Proceeds, as applicable, based on whether such amount was initially deposited into the Ongoing Expense Smoothing Account from Interest Proceeds or Principal Proceeds, respectively. Any income earned on amounts on deposit in the Ongoing Expense Smoothing Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(h) Tax Reserve Account. The Issuer may establish a Tax Reserve Account to deposit payments on a Non-Permitted Tax Holder's Notes. Each Tax Reserve Account shall be an eligible Account established in the name of the Issuer. The Issuer may direct the Trustee (or other Paying Agent) to deposit payments on a Non-Permitted Tax Holder's Notes into a Tax Reserve Account established in respect of such Non-Permitted Tax Holder; *provided*, that any such direction shall be provided to the Trustee on or before the related Determination Date. Amounts deposited into the Tax Reserve Account shall, upon Issuer Order, be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder, or (y) released to pay costs related to such noncompliance (including Taxes, fines and penalties imposed under the Tax Account Reporting Rules). Any amounts remaining in a Tax Reserve Account will be released upon Issuer Order to the applicable Holder (i) on date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (ii) at the request of applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. The Issuer shall direct, and hereby directs, that all amounts deposited in a Tax Reserve Account shall remain uninvested and shall not be released except as provided in this Section 10.3(h). For the avoidance of doubt, any amounts released to a Holder as described in clause (x) above shall be released to the Holder as of the Record Date for the Distribution Date in which the related amounts were deposited into the Tax Reserve Account. In connection with the establishment of a Tax Reserve Account in respect of a Non-Permitted Tax Holder, the Issuer shall assign, or cause to be assigned, to such Note a separate CUSIP or CUSIPs. Each Non-Permitted

Tax Holder shall reasonably cooperate with the Issuer to effect the foregoing and, by acceptance of Notes, agrees to the requirements of this Section 10.3(h).

(i) Lender Account. The Trustee, on or prior to the Closing Date, established at the Custodian an account designated as the "Lender Account". The Trustee is hereby instructed by the Co-Issuers to close such account.

Section 10.4. The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in the amounts described below shall be withdrawn from the Ramp-Up Account or from the Collection Account (as directed by the Portfolio Manager) and deposited by the Trustee in a single, segregated non-interest bearing trust account held in the name of the Trustee for the benefit of the Secured Parties (the "Revolver Funding Account"), which shall be maintained by the Issuer with the Intermediary in accordance with the terms of the Account Agreement. Upon initial purchase, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Portfolio Manager and earnings from all such investments shall be deposited in the Interest Collection Account as Interest Proceeds.

Upon the notification from the Portfolio Manager of the purchase of any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, the Trustee shall deposit funds in the Revolver Funding Account as directed by the Portfolio Manager such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. In addition, the Trustee shall deposit funds in the Revolver Funding Account upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Portfolio Manager on behalf of the Issuer.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations. The Issuer hereby acknowledges and agrees that the Trustee shall be fully protected in relying upon such direction.

(j) Securities Transactions. In the event the Trustee receives instructions from the Issuer to effect a securities transaction as contemplated in 12 CFR 12.1, the Issuer acknowledges that upon written request and at no additional cost, it has the rights to receive the notification from the Trustee after the completion of such transaction as contemplated in 12 CFR 12.4(a) or (b). The Issuer agrees that, absent specific request, such notifications shall not be provided by the Trustee hereunder, and in lieu of such notifications, the Trustee shall make available the Monthly Report in the manner required by this Indenture.

for examination in accordance with street delivery custom; *provided, further,* that notwithstanding the foregoing, the Issuer shall not direct the Trustee to release any security pursuant to this Section 10.8(a) following the occurrence and during the continuance of an Event of Default unless (x) such release is in connection with a sale in accordance with Sections 12.1(a), (c), (d), (e), (h) or (j), or (y) the liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Majority of the Controlling Class.

(b) If no Event of Default has occurred and is continuing and subject to Article XII hereof, the Trustee shall upon an Issuer Order (i) deliver any Pledged Obligation, and release or cause to be released such security from the lien of this Indenture, which is set for any mandatory call or redemption or payment in full to the appropriate paying agent on or before the date set for such call, redemption or payment, in each case against receipt of the call or redemption price or payment in full thereof and (ii) provide notice thereof to the Portfolio Manager.

Notwithstanding the foregoing, the Issuer (or the Portfolio Manager on behalf of the Issuer) may vote in favor of any Maturity Amendment without regard to clauses (i) or (ii) above, so long as the Portfolio Manager intends to use reasonable efforts to sell the applicable Collateral Obligation within thirty (30) Business Days after the effective date of such Maturity Amendment and reasonably believes that the trade date with respect to any such sale will occur prior to the end of such thirty (30) Business Day period; *provided,* that (a) any Collateral Obligation in respect of which the Issuer (or the Portfolio Manager on behalf of the Issuer) voted in favor of the Maturity Amendment in reliance on this sentence that is not sold within such thirty (30) Business Day period will be treated hereunder as a Defaulted Obligation (b) after the Reinvestment Period, for purposes of determining satisfaction of the Investment Criteria, the Underlying Asset Maturity of the sold Collateral Obligation will be deemed to be the Underlying Asset Maturity of the Collateral Obligation prior to the effectiveness of such Maturity Amendment. As provided in Section 10.2(a), the Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the applicable account under the Collection Account unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII.

(c) The Trustee shall not be liable for any claims, liabilities or expenses relating to the engagement of Independent certified public accountants pursuant to Section 10.9(a) or any report of such Independent certified public accountants issued in connection with such engagement, and the dissemination of any such report is subject to the consent of the Independent certified public accountants.

(iv) On any date of a Refinancing (subject to the second proviso of the definition of "Distribution Date"), a Partial Redemption by Refinancing or on any Re-Pricing Date, Refinancing Proceeds, Available Interest Proceeds and/or the proceeds of Notes issued pursuant to a Re-Pricing, as the case may be, will be distributed in the following order of priority:

(A) to pay the Redemption Price of the Secured Notes being refinanced or redeemed, without duplication of any payments received by any such Secured Notes pursuant to Section 11.1(a)(i) or Section 11.1(a)(iii);

(B) to pay any expenses associated with such Refinancing, Partial Redemption by Refinancing or Re-Pricing as well as, at the discretion of the Portfolio Manager, applicable fees of the Trustee and Portfolio Manager otherwise due and payable on such date; and

(C) subject to Section 9.4(g), any remaining amounts to the Collection Account as Principal Proceeds or Interest Proceeds, at the direction of the Portfolio Manager (including, in each case, for purposes of the transfer of such amounts from the Principal Collection Account or the Interest Collection Account to the Permitted Use Account for purposes of any Permitted Use or for distribution to the holders of the Subordinated Notes).

(b) On the Stated Maturity of the Notes, the Trustee shall pay the amounts provided in Section 11.1(a)(iii)(T) and (U) to the Holders of the Subordinated Notes in final payment of such Subordinated Notes.

(c) If on any Distribution Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above to the extent funds are available to be used for such purpose.

(d) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Sections 11.1(a)(i), (ii) and (iii),

the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions) delivered to the Trustee no later than the Business Day prior to each Distribution Date.

(e) In the event that the Hedge Counterparty defaults in the payment of its obligations to the Issuer under any Hedge Agreement on the date on which any payment is due thereunder, the Trustee shall make a demand on such Hedge Counterparty, or any guarantor, if applicable, demanding payment by 12:30 p.m., New York time, on such date. The Trustee shall give notice as soon as reasonably practicable to the Holders of Notes, the Portfolio Manager and each Rating Agency if such Hedge Counterparty continues to fail to perform its obligations for two (2) Business Days following a demand made by the Trustee on such Hedge Counterparty, and shall take such action with respect to such continuing failure as may be directed to be taken pursuant to Section 5.13.

(f) To the extent the Base Management Fee is not paid or amounts in respect of the Subordinated Interest are not distributed on any Distribution Date when due, such amounts shall be deferred and shall be payable or distributable on subsequent Distribution Dates in accordance with the Priority of Distributions. Accrued and unpaid Base Management Fees shall be deferred without interest, regardless of whether such amounts were unpaid due to the operation of the Priority of Distributions or otherwise. For the avoidance of doubt, deferred Base Management Fees will be paid pursuant to Section 11.1(a)(i)(B) only to the extent such payment shall not result in the failure of the Interest Coverage Test applicable to any Class of Secured Notes. Any amounts in respect of the Subordinated Interest that are not distributed on a Distribution Date when due by reason of the operation of the Priority of Distributions (but not, for the avoidance of doubt, amounts deferred at the election of the Portfolio Manager pursuant to Section 11.1(h) (such amounts, the "Deferred Subordinated Interest")) shall accrue interest at the per annum rate then applicable to the Class E Notes.

(g) The Portfolio Manager may, in its sole discretion, by written notice to the Trustee delivered not later than the related Determination Date, elect to waive payment of or distribution in respect of any or all of the Base Management Fee, any Subordinated Interest and/or the Incentive Interest payable or distributable in accordance with the Priority of Distributions on any Distribution Date (including deferred Base Management Fees or deferred amounts in respect of the Subordinated Interest and/or the Incentive Interest from prior periods, and/or any interest payable thereon, as applicable) for the benefit of Holders of Subordinated Notes designated by the Portfolio Manager or for any Permitted Use designated by the Portfolio Manager in its sole discretion (the "Waived Interest"). Unless such Waived Interest is applied to a Permitted Use as directed by the Portfolio Manager in its sole discretion (as set forth below), an amount equal to the Waived Interest for any Distribution Date for distribution to Holders of Subordinated Notes shall be distributed to such designated Holders of Subordinated Notes, as an additional return on their investment at the same priority as the applicable waived fee or interest and subject to the availability of funds therefor at such priority level in accordance with the Priority of Distributions, and no other Holder of Subordinated Notes shall realize any benefit from such waiver.

(h) The Portfolio Manager may, in its sole discretion, by written notice to the Trustee delivered not later than the related Determination Date, defer payment of or distribution in respect

of , as applicable, all or any portion of the Base Management Fee, the Subordinated Interest, the Incentive Interest and/or any interest payable thereon (other than any portion of any such fee or interest that the Portfolio Manager has previously designated as a Waived Interest) payable or distributable in accordance with the Priority of Distributions on any Distribution Date. An amount equal to the Current Deferred Interest for any Distribution Date will be distributed as Interest Proceeds in accordance with the Priority of Distributions or, at the election of the Portfolio Manager deposited into the Principal Collection Account as Principal Proceeds for investment in Collateral Obligations and/or Eligible Investments. The Cumulative Deferred Interest shall be payable or distributable on any subsequent Distribution Date at the election of the Portfolio Manager to the extent of funds available for such purpose in accordance with the Priority of Distributions, provided, that written notice has been delivered to the Trustee no later than the related Determination Date. For the avoidance of doubt, any Base Management Fees, the Subordinated Interest and/or the Incentive Interest deferred pursuant to this clause (h) shall be deferred without interest.

(i) The Portfolio Manager may in its sole discretion (but shall not be obligated to), upon written notice to the Issuer and the Trustee, waive payment of or distribution in respect of, as applicable, all or any portion of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest otherwise payable or distributable and available to be paid or distributed to it on a Distribution Date (including deferred Base Management Fee or deferred amounts in respect of the Subordinated Interest and/or the Incentive Interest from prior periods, as applicable), and direct such amounts to be applied to a Permitted Use (as determined by the Portfolio Manager in its sole discretion).

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and *provided,* that no Event of Default has occurred and is continuing (except for sales pursuant to Sections 12.1(a), (c), (d), (e), (h) or (j), which may continue unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Majority of the Controlling Class), the Portfolio Manager on behalf of the Issuer may in writing direct the Trustee to sell and the Trustee (on behalf of the Issuer) shall sell in the manner directed by the Portfolio Manager any Collateral Obligation or Equity Security (which, for these purposes, shall include equity interests in any Tax Subsidiary or any assets held by a Tax Subsidiary) if, as certified by the Portfolio Manager (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale and upon which certification the Trustee and the Collateral Administrator may rely in accordance with Section 6.1), to the best of its knowledge, such sale satisfies any one of paragraphs (a) through (l) of this Section 12.1. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation at any time during or after the Reinvestment Period without restriction.

(d) Pre-Emptive Uptier Priming Debt. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation constituting Pre-Emptive Uptier Priming Debt at any time during or after the Reinvestment Period without restriction.

(e) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security at any time during or after the Reinvestment Period without restriction, and the Portfolio Manager will use commercially reasonable efforts to sell each Equity Security that is not a Subordinated Note Collateral Obligation or a Permitted Equity Security within three years of the date on which the Issuer acquires such Equity Security, in each case unless such sale or other disposition is prohibited by applicable law or contractual restriction, in which case the Portfolio Manager will sell such Equity Security as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction.

(f) Stated Maturity; Optional Redemption or Tax Redemption; Clean-Up Call Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Secured Notes in whole (unless such Optional Redemption is funded solely with Refinancing Proceeds), a Tax Redemption or an Optional Redemption of the Subordinated Notes in accordance with Section 9.2, a Clean-Up Call Redemption in accordance with Section 9.6 or otherwise in connection with the Stated Maturity, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.2(d)) are satisfied. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

(g) Discretionary Sales. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation (other than one being sold pursuant to clauses (a) through (f) above) (each such sale, a "Discretionary Sale") at any time if (i) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to Discretionary Sales during the same calendar year (beginning after the First Refinancing Date) is not greater than 30.0% of the Collateral Principal Amount as of the beginning of such calendar year (or in the case of the year 2025, as of the First Refinancing Date); and (ii) either:

(A) at any time (1) the Sale Proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Adjusted Collateral Principal Amount (as measured before such sale), or (2) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal

Proceeds (including, without duplication, the anticipated net proceeds of such sale) (x) is maintained or increased or (y) shall be equal to or greater than the Reinvestment Target Par Balance; or

(B) during the Reinvestment Period, the Portfolio Manager reasonably believes it will be able to reinvest such Sale Proceeds in compliance with the Investment Criteria.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) and either (x) any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* or senior to such sold Collateral Obligation) or (y) such subsequent purchase occurs within 30 days of such sale.

(h) Mandatory Sales.

(i) The Portfolio Manager shall use commercially reasonable efforts to sell each Pledged Obligation that constitutes Margin Stock (in each case, unless such Margin Stock is a Subordinated Note Collateral Obligation held in the Subordinated Note Collateral Account or is a Permitted Equity Security) not later than forty-five (45) days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Pledged Obligation became Margin Stock, in each case, unless such sale or other disposition is prohibited by applicable law or contractual restriction, in which case, the Portfolio Manager will sell such Margin Stock as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction.

(ii) At any time that the Issuer holds Margin Stock with an aggregate Market Value in excess of 10.0% of the Collateral Principal Amount, the Portfolio Manager shall use commercially reasonable efforts to sell Margin Stock with an aggregate Market Value at least equal to such excess.

(iii) The Portfolio Manager, on behalf of the Issuer, (A) may, on the Closing Date or at the time of purchase (or, in the case of a Permitted Equity Security, at the time of acquisition), designate (with written notice to the Trustee and the Collateral Administrator) certain Collateral Obligations, Restructuring Loans (including, for the avoidance of doubt, any Uptier Priming Debt constituting Restructuring Loans) and/or Permitted Equity Securities as Subordinated Note Collateral Obligations, *provided,* that the amount of Collateral Obligations so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Subordinated Note Reinvestment Ceiling and (B) shall not, after the Closing Date, purchase any Subordinated Note Collateral Obligations with any funds other than funds in the Subordinated Note Ramp-Up Account or the Subordinated Note Principal Collection Account or amounts in respect of Contributions designated for such use. Except in the case of Permitted Equity Securities designated by the Portfolio Manager as Subordinated Note Collateral Obligations, only proceeds from the Subordinated Notes issued on the Closing Date, the proceeds of the

payment or repayment of Subordinated Note Collateral Obligations received by the Issuer and any Contributions designated for such use, in each case, shall be used, before or after the Closing Date, by the Issuer to purchase Subordinated Note Collateral Obligations. If a Collateral Obligation that has not been designated as a Subordinated Note Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Subordinated Note Collateral Obligation (each, "Transferable Margin Stock"), the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to (x) transfer one or more non-Margin Stock Subordinated Note Collateral Obligations having a value equal to or greater than such Transferable Margin Stock to the Secured Note Collateral Account, and simultaneously (y) transfer such Transferable Margin Stock to the Subordinated Note Collateral Account and such Transferable Margin Stock shall thereafter be designated a Subordinated Note Collateral Obligation. The value of each transferred Collateral Obligation shall be its Market Value.

(i) [Reserved].

(j) Unsalable Assets. After the Reinvestment Period:

(i) At the direction and discretion of the Portfolio Manager, the Trustee, at the expense of the Issuer, may either (A) conduct an auction of Unsalable Assets in accordance with the procedures described in clause (ii) below or (B) receive or deliver such Unsalable Assets to the Portfolio Manager or one or more related entities thereof, at the respective Market Value of such Unsalable Assets, if the Portfolio Manager determines in its sole discretion (not to be called into question as a result of subsequent events) that an auction of such Unsalable Assets pursuant to clause (A) above would increase costs to the Issuer on a net basis after taking into account expected proceeds from such auction.

(ii) Promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders (and each Rating Agency then rating any Notes) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder of Notes may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least fifteen (15) Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than twenty (20) Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Portfolio Manager shall identify and the

Trustee shall distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders of Notes shall not operate to reduce the principal amount of the related Class of Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(k) End of Life Sales. Notwithstanding any other restriction in this Section 12.1, if the Aggregate Principal Balance of the Collateral Obligations is less than $25,000,000, the Portfolio Manager may direct the Trustee, at the expense of the Issuer, to sell (and the Trustee shall sell in the manner specified and shall have no liability of any nature whatsoever in connection therewith) any of such Collateral Obligations without regard to such restrictions. Notwithstanding anything herein to the contrary, following any such sale of all remaining Collateral Obligations, the Issuer (upon direction of the Portfolio Manager) may, upon reasonable notification to the holders and the Trustee, distribute the proceeds of such sales on any Business Day designated by the Issuer (or the Portfolio Manager on its behalf) in such notification in accordance with the priorities set forth under Section 11.1(a)(iii).

(l) Notwithstanding anything contained herein to the contrary, pursuant to Section 7.16(l) hereof, the Issuer may cause any Tax Subsidiary Asset, any right to receive a Tax Subsidiary Asset, or the Issuer's interest therein to be transferred to a Tax Subsidiary in exchange for an interest in such Tax Subsidiary.

Section 12.2. Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period (x) subject to certain limitations described herein with respect to commitments to purchase Collateral Obligations prior to the expiration of the Reinvestment Period, (y) purchases made pursuant to Section 12.2(d) and (z) purchases made with Principal Proceeds received pursuant to Section 11.1(a)(i)(S) on the last Distribution Date of the Reinvestment Period), the Portfolio Manager, on behalf of the Issuer, may, but shall not be required to (subject to Section 12.2(d)), direct the Trustee to invest Principal Proceeds received by the Issuer prior to the end of the Reinvestment Period (together with accrued interest received with respect to any Collateral Obligations to the extent used to pay for accrued interest on additional Collateral Obligations) and any amounts available for a Permitted Use in additional Collateral Obligations, and the Trustee shall invest such proceeds solely as directed by the Portfolio Manager in writing, if, as certified (which certification shall be deemed to be provided upon delivery of an Issuer Order, direction to purchase or trade confirmation in respect therewith and which certification the trustee may rely in accordance with Section 6.1) by the Portfolio Manager, to the best of its knowledge, each of the conditions specified in this Section 12.2 and Section 12.3 are met.

(a) Investment Criteria. No Collateral Obligation may be purchased during the Reinvestment Period unless the Portfolio Manager reasonably believes each of the following conditions are satisfied as of the date it commits on behalf of the Issuer to make such purchase or on the date of such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to:

(i) such obligation is a Collateral Obligation;

(ii) each Coverage Test (except, with respect to the Interest Coverage Test, on any Determination Date prior to the Interest Coverage Test Effective Date) shall be satisfied or, if not satisfied, such Coverage Test shall be maintained or improved;

(iii) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Improved Obligation or a Discretionary Sale, after giving effect to such purchases and sales either (A) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation being purchased but excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of the sale), will be maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds immediately prior to such sale or payment) or following such purchase will be greater than or equal to the Reinvestment Target Par Balance or (B) the Adjusted Collateral Principal Amount, as measured both before such sale or receipt of such proceeds, as applicable, and after giving effect to the reinvestment, will be maintained or increased;

(iv) other than in connection with a Bankruptcy Exchange or Distressed Exchange, in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation or Defaulted Obligation sold at the discretion of the Portfolio Manager, after giving effect to such purchases either (A) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the related Sale Proceeds, or (B) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) (x) is maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds immediately prior to such sale or payment) or (y) will be greater than or equal to the Reinvestment Target Par Balance;

(v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved after giving effect to the reinvestment; and

(vi) such reinvestment would not cause a Retention Deficiency;

provided, that clauses (ii) through (vi) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in accordance with an Aggregated Reinvestment. For the avoidance of doubt, the Investment Criteria need not be satisfied with respect to any Restructuring Loan, Permitted Equity Security, Uptier Priming Debt, Defaulted Obligation or Credit Risk Obligation acquired in connection with a Bankruptcy Exchange or Distressed Exchange.

(b) Exercise of Warrants; Acquisition of Restructuring Loans and Permitted Equity Securities. At any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer shall direct the application of Interest Proceeds from the Collection Account to exercise a warrant or similar right to acquire securities held in the Assets, subject to Section 10.2(d) and the applicable requirements set forth below. At any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer shall direct the application of Interest Proceeds or Principal Proceeds from the Collection Account and/or amounts on deposit in the Permitted Use Account or, in the case of any security designated as a Subordinated Note Collateral Obligation by the Portfolio Manager in its sole discretion pursuant to Section 12.1(h), amounts on deposit in the Subordinated Note Ramp-Up Account or the Subordinated Note Principal Collection Account on any Business Day during any Interest Accrual Period in any amount required to acquire a Permitted Equity Security or a Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan); *provided*, that (x) Interest Proceeds may only be used to exercise a warrant or similar right to acquire securities held in the Assets or to acquire a Permitted Equity Security or Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan) to the extent that, in the determination of the Portfolio Manager (not to be called into question as a result of subsequent events), the remaining Interest Proceeds available after giving effect to such acquisition will not be insufficient to pay accrued and unpaid interest each Class of Secured Notes on the following Distribution Date and (y) if Principal Proceeds are used to acquire a Permitted Equity Security or Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan), the Restructuring Loan Payment Condition is satisfied in connection therewith. Any such transaction or exchange described above shall not constitute a sale under this Indenture or be subject to the Investment Criteria.

(c) Bankruptcy Exchanges; Permitted Uses. At any time during or after the Reinvestment Period, the Portfolio Manager may direct the Trustee to enter into a Bankruptcy Exchange or apply amounts on deposit in the Permitted Use Account (as directed by the related Contributor or, if no such direction is given by the Contributor, as directed by the Portfolio Manager in its sole discretion) to one or more Permitted Uses.

(d) Investment after the Reinvestment Period. Except as otherwise provided in this Section 12.2(d), after the Reinvestment Period, only (A) Principal Proceeds received prior to the end of the Reinvestment Period may be used to settle pending purchases for which the trade date occurred prior to the end of the Reinvestment Period and (B) Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments may be reinvested in Collateral Obligations in accordance with the requirements set forth in this Section 12.2(d); *provided,* that such Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments must be reinvested prior to the later of (i) thirty (30) days after

the receipt thereof and (ii) the end of the Collection Period during which such Principal Proceeds were received.

After the Reinvestment Period, provided that no Event of Default has occurred and is continuing, the Portfolio Manager may, but shall not be required to, invest Principal Proceeds that were received with respect to Credit Risk Obligations and Unscheduled Principal Payments; *provided,* that the Portfolio Manager may not reinvest such Principal Proceeds unless such reinvestment is in one or more Collateral Obligations and the Portfolio Manager reasonably believes, in accordance with its obligations under the Portfolio Management Agreement, that after giving effect to any such reinvestment:

(i) each Coverage Test shall be satisfied after giving effect to such reinvestment;

(ii) the Restricted Trading Period is not then in effect;

(iii) each additional Collateral Obligation purchased shall have the same or earlier maturity;

(iv) each additional Collateral Obligation purchased shall have the same or higher Moody's Rating;

(v) (A) in the case of the reinvestment of Principal Proceeds from the sale of Credit Risk Obligations, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations shall at least equal the related Sale Proceeds or (2) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation(s) being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) is maintained or increased; and (B) in the case of the reinvestment of Unscheduled Principal Payments, the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation sold or prepaid) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale or prepayment) is maintained or increased;

(vi) each requirement of the Concentration Limitations will be satisfied or, if any such requirement was not satisfied immediately prior to such investment, the level of compliance with such requirement will be maintained or improved;

(vii) such reinvestment would not cause a Retention Deficiency; and

(viii) each Collateral Quality Test shall be satisfied or, if not satisfied, such Collateral Quality Test shall be maintained or improved;

provided, that the foregoing clauses (i) through (viii) need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in accordance with an Aggregated Reinvestment.

Notwithstanding the foregoing, Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 in contemplation of a proposed redemption that was subsequently withdrawn by the Co-Issuers or by a Majority of the Subordinated Notes pursuant to Sections 9.4(c) and (d) may be reinvested (x) during the Reinvestment Period in accordance with Section 12.2(a) and (y) after the Reinvestment Period in accordance with the immediately preceding paragraph, in each case without regard to the source of such Sale Proceeds (i.e., regardless of whether such Sale Proceeds were received with respect to Credit Risk Obligations or otherwise).

(e) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(f) Notwithstanding anything herein to the contrary, the acquisition of Restructuring Loans will not be required to satisfy the Investment Criteria (except, in the case of each Restructuring Loan, to the extent provided in the definition thereof).

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager, shall be effected in accordance with the requirements of Section 9 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, *provided*, that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties. The Trustee shall receive, not later than the settlement date, an Officer's certificate of the Issuer certifying compliance with the provisions of this Article XII; *provided,* that such requirement shall be satisfied and such statements deemed to have been made by the Issuer by the delivery to the Trustee of a trade ticket in respect thereof.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee.

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (*provided* in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Portfolio Management Agreement) (x) that has been consented to by Holders evidencing at least a Supermajority of the Aggregate Outstanding Amount of each Class of Notes and (y) of which the Trustee and each Rating Agency has been notified.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1. Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding (except subject in all cases to Section 5.4(e)), the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post-Acceleration Distribution Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class A-1 Notes and a Majority of each other Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in Section 11.1(a)(iii).

(b) On or after a Post-Acceleration Distribution Date or on the Stated Maturity, in the event that notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of each Class of Secured Notes consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; *provided,* that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided*, *however*, that after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary until the payment in full of the Notes and not before one year (or if longer, the applicable preference period then in effect) and one day has elapsed since such payment.

(e) Notwithstanding anything in this Indenture to the contrary, this Section 13.1 shall be subject in all respects to Section 5.4(e).

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. AML Compliance. Each purchaser and subsequent transferee of a Note, by its acceptance of an interest in such notes, agrees to comply with the Holder AML Obligations.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to the Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person, by an agent duly appointed in writing or by email (or by a similar electronic method); and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" or "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(b) The parties hereto agree that all 17g-5 Information provided to any of the Rating Agencies, or any of their respective officers, directors or employees, be given or provided to such Rating Agencies pursuant to, in connection with or related, directly or indirectly, to this Indenture, the Portfolio Management Agreement, the Collateral Administration Agreement, any transaction document relating hereto, the Assets or the Notes, shall be in each case furnished directly to the

Rating Agencies at the address set forth in the following paragraph with a prior electronic copy to the Issuer or the Information Agent, as provided in Section 23 of the Collateral Administration Agreement (for forwarding to the 17g-5 Website in accordance with the Collateral Administration Agreement). The Co-Issuers also shall furnish such other information regarding the Co-Issuers or the Assets as may be reasonably requested by the Rating Agencies to the extent such party has or can obtain such information without unreasonable effort or expense. Notwithstanding the foregoing, the failure to deliver such notices or copies shall not constitute an Event of Default under this Indenture. Any confirmation of the rating by the Rating Agencies required hereunder shall be in writing.

Any request, demand, authorization, direction, order, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture, including the 17g-5 Information, to be made upon, given or furnished to, or filed with the Rating Agencies shall be given in accordance with, and subject to, the provisions of Section 14.16 hereof and Section 23 of the Collateral Administration Agreement and shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing to each Rating Agency addressed to it at, in the case of Fitch, 300 West 57th Street, New York, New York 10019, Attention: CDO Surveillance or by email to cdo.surveillance@fitchratings.com.

(c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

(e) Bank, in each of its capacities, shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture or any other Transaction Document and delivered using Electronic Means; provided, however, that the Issuer or the Portfolio Manager, as applicable, shall provide to the Bank an incumbency certificate listing Authorized Officers and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer or the Portfolio Manager, as applicable, whenever a person is to be added or deleted from the listing. If the Issuer or the Portfolio Manager, as applicable, elects to give the Bank Instructions using Electronic Means and the Bank in its discretion elects to act upon such Instructions, the Bank's good faith understanding of such Instructions shall be deemed controlling. The Issuer and the Portfolio Manager each understand and agree that the Bank cannot determine the identity of the actual sender of such Instructions and that the Bank shall conclusively presume in good faith that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Bank have been sent by such Authorized Officer. The Issuer and the Portfolio Manager shall each be responsible for ensuring that only Authorized Officers transmit such Instructions to the Bank and that the Issuer or the Portfolio Manager, as applicable, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes,

passwords and/or authentication keys upon receipt by the Issuer or the Portfolio Manager, as applicable. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's good faith reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Portfolio Manager each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Bank, including without limitation the risk of the Bank acting in good faith on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Bank and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer or the Portfolio Manager, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Bank immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means," for purposes of this paragraph only, shall mean the following communications methods: e-mail, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Bank, or another method or system specified by the Bank as available for use in connection with its services hereunder.

Section 14.4. Notices to Holders; Waiver; Audit. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC, as soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) for so long as any Notes are listed on the Cayman Islands Stock Exchange and the listing rules of the Cayman Islands Stock Exchange so require, notices to the Holders of such Notes shall also be sent to the Cayman Islands Stock Exchange; and

(c) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing or emailing.

In lieu of the foregoing, any documents (including reports, notices or supplemental indentures) required to be provided by the Trustee to Holders may be delivered by providing notice of, and access to, the Trustee's website containing such documents.

The Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar

activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5. Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6. Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7. Separability. Except to the extent prohibited by applicable law, in case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8. Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Holders of the Notes, the Collateral Administrator and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture. The Co-Issuers and the Trustee agree that the Portfolio Manager and, solely with respect to Sections 7.22 and 8.3(k), the Retention Holder shall each be a third party beneficiary to this Indenture, and shall each be entitled to rely upon and enforce such provisions of this Indenture to the same extent as if it were a party hereto, it being understood that the foregoing shall not be construed to impose upon the Trustee any fiduciary duties with respect to any Holder of Subordinated Notes.

Section 14.9. Legal Holidays. In the event that the date of any Distribution Date or Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Distribution Date, Redemption Date or Stated Maturity date, as the case may be, and except as provided in the definition of "Interest Accrual Period" no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.10. Governing Law. THIS INDENTURE AND EACH NOTE AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE, THE RELATIONSHIP OF THE PARTIES, AND/OR THE INTERPRETATION AND ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED IN ALL RESPECTS (WHETHER

IN CONTRACT OR IN TORT) BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS.

Section 14.11. Submission to Jurisdiction. The Co-Issuers hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Notes or this Indenture, and the Co-Issuers hereby irrevocably agree that all claims in respect of such action or Proceeding may be heard and determined in such New York State or federal court. The Co-Issuers hereby irrevocably waive, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or Proceeding. The Co-Issuers irrevocably consent to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Co-Issuers' agent set forth in Section 7.2. The Co-Issuers agree that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.12. Counterparts; Electronic Signatures. This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.13. Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

Section 14.14. Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder of Notes shall maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuers) or such Holder in good faith to protect Confidential Information of third parties delivered to such Person; *provided,* that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, auditors, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section

14.14 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) with the consent of the Co-Issuers and the Portfolio Manager, such Person's financial advisors and other professional advisors (including auditors and attorneys) who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.14 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Notes in accordance with the requirements of Section 2.6 hereof to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.14); (v) with the consent of the Co-Issuers and the Portfolio Manager, any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.14); (vi) any Federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.14; (viii) Fitch; (ix) any other Person with the written consent of the Co-Issuers and the Portfolio Manager; (x) any other disclosure that is permitted or required under this Indenture or the Collateral Administration Agreement; or (xi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture; and *provided*, *further*, *however*, that delivery to Holders by the Trustee or the Collateral Administrator of any report or information required by the terms of this Indenture to be provided to Holders shall not be a violation of this Section 14.14. Each Holder of a Note agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.14. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder of a Note, by its acceptance of a Note shall be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.14. There is no prior authorization necessary hereunder to make any such reports or disclosures and there is no notification requirement that any such reports or disclosures have been made.

Section 14.15. Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers or any Tax Subsidiary shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers or any Tax Subsidiary shall be entitled to take any action to enforce, or bring any action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers or any Tax Subsidiary. In particular, none of the Co-Issuers or any Tax Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Tax Subsidiary or shall have any claim in respect to any assets of the other of the Co-Issuers or any Tax Subsidiary.

(a) The Co-Issuers shall comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), by their or their agent's posting on the 17g-5 Website, no later than the time such information (which shall not include any reports from the Issuer's Independent accountants appointed pursuant to Section 10.9) is provided to the Rating Agencies, all information that the Co-Issuers or other parties on their behalf, including the Trustee and the Portfolio Manager, provide to the Rating Agencies for the purposes of determining the initial credit rating of the Secured Notes or undertaking credit rating surveillance of the Secured Notes (the "17g-5 Information"). At all times while any Secured Notes are rated by any Rating Agency or any other NRSRO, the Co-Issuers shall engage a third party to forward 17g-5 Information to the Posting Email Account (as defined in the Collateral Administration Agreement) for forwarding to the 17g-5 Website. On the Closing Date, the Issuer shall engage the Collateral Administrator (in such capacity, the "Information Agent"), to forward 17g-5 Information it receives from the Issuer, the Trustee or the Portfolio Manager to the 17g-5 Website in accordance with Section 23 of the Collateral Administration Agreement.

(c) Notwithstanding the requirements herein, neither the Trustee nor the Collateral Administrator shall have any obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, with any Rating Agency or any of their respective officers, directors or employees.

(d) Neither the Trustee nor the Collateral Administrator shall be responsible for maintaining the 17g-5 Website, posting any 17g-5 Information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture, Rule 17g-5, or any other law or regulation. In no event shall the Trustee nor the Collateral Administrator be deemed to make any representation in respect of the content of the 17g-5 Website or compliance of the 17g-5 Website with this Indenture, Rule 17g-5, or any other law or regulation.

(e) Neither the Trustee nor the Collateral Administrator shall be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Co-Issuers, the Rating Agencies, the NRSROs, any of their agents or any other party. Neither the Trustee nor the Collateral Administrator shall be liable for the use of any information posted on the 17g-5 Website, whether by the Co-Issuers, the Rating Agencies, the NRSROs or any other third party that may gain access to the 17g-5 Website or the information posted thereon.

(f) Notwithstanding anything herein to the contrary, the maintenance by the Trustee of the website described in Section 10.7(h) shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(g) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.16 shall not constitute a Default or Event of Default.

(h) For the avoidance of doubt, no reports of the Issuer's Independent accountants appointed pursuant to Section 10.9 shall be posted to the 17g-5 Website.

Section 14.17. [Reserved].

THE TRUSTEE, HOLDERS (BY THEIR ACCEPTANCE OF NOTES) AND EACH OF THE CO-ISSUERS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE, THE NOTES OR ANY OTHER RELATED DOCUMENTS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF THE TRUSTEE, HOLDERS OR EITHER OF THE CO-ISSUERS. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE TRUSTEE AND THE CO-ISSUERS TO ENTER INTO THIS INDENTURE.

Any unclaimed funds held by the Trustee pursuant to this Section 14.19 shall be held uninvested and without any liability for interest.

From and after the occurrence and continuance of an Event of Default, the Portfolio Manager shall continue to perform and be bound by the provisions of the Portfolio Management Agreement and this Indenture. The Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Portfolio Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, or increase, impair or alter the rights and obligations of the Portfolio Manager under the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Distributions and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(f) The Issuer hereby agrees that the Issuer shall not enter into any agreement amending, modifying or terminating the Portfolio Management Agreement except in accordance with the terms of the Portfolio Management Agreement.

(g) The Trustee shall have no obligations under the Portfolio Management Agreement.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1. Hedge Agreements. (a) The Issuer may enter into Hedge Agreements from time to time on and after the Closing Date solely for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer shall promptly provide notice of entry into any Hedge Agreement to the Trustee. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall not enter into any Hedge Agreement unless (i) either (1) the Portfolio Manager is registered as a commodity pool operator with the CFTC or (2) the Portfolio Manager is exempt from registration with the CFTC as a commodity pool operator, (ii) the Fitch Rating Condition has been satisfied with respect thereto, (iii) the consent of a Majority of the Subordinated Notes and a Majority of the Controlling Class is obtained and (iv) such Hedge Agreement is an interest rate or foreign exchange derivative and the terms of such derivative relate to the loans and reduce the interest rate or foreign exchange risks related to the loans. The Issuer shall provide a copy of each Hedge Agreement to the Trustee and each Rating Agency.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(i) and Section 5.4(d). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the Fitch Rating Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI of this Indenture.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Portfolio Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Portfolio Manager under the terminated Hedge Agreement.

(c) The Issuer (or the Portfolio Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(d) Each Hedge Agreement shall, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if such Hedge Counterparty fails to do any of the following as and when applicable.

(e) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(f) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, the Portfolio Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Portfolio Manager, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(g) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

S&P RATING DEFINITIONS

"Information" means S&P's "Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It" dated January 14, 2021 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

"S&P Rating" means, with respect to any Collateral Obligation, as of any date of determination, the issue-level rating of such Collateral Obligation assigned by S&P or, if no such issue-level rating has been assigned by S&P, the rating determined in accordance with the following methodology:

(i) (a) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that satisfies S&P's guaranty criteria for use in connection with this transaction, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer, *provided,* that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if such private ratings are not point-in-time ratings and the obligor has consented to the use of such ratings) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category above such rating;

(ii) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P; *provided,* that if such credit rating is subsequently withdrawn by S&P, such rating will remain the S&P Rating of such Collateral Obligation until the earlier of (x) the date that is 12 months from the date such credit rating was initially assigned by S&P and (y) the date on which the Portfolio Manager becomes aware that a Specified DIP Amendment has occurred with respect to such DIP Collateral Obligation;

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a) through (c) below:

(a) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by (A) Moody's but not Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be the S&P equivalent of the Moody's Rating or (B) both Moody's and Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above

except that the S&P Rating of such obligation will be the S&P equivalent of the higher of the Moody's Rating and the Fitch Rating;

(b) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; *provided,* that if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation shall have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; *provided*, *further*, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation shall have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided, further*, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation shall be "CCC-"; *provided*, *further*, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; *provided*, *further*, that such credit estimate shall expire 12 months after the acquisition of such Collateral Obligation, following which such Collateral Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with this Indenture, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Obligation; *provided*, *further*, that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the acquisition of such Collateral Obligation and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; *provided*, *further*, that if, at any time, with respect to any Collateral Obligation for which S&P has provided a credit estimate or any Collateral Obligation for which a credit estimate is being sought pursuant to this clause (b), there is a material change in the creditworthiness of the issuer of such Collateral Obligation (as determined by the Portfolio Manager in its sole discretion), the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation will provide updated Required S&P Credit Estimate Information to S&P; or

(c) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the

direction of the Portfolio Manager) be "CCC-"; *provided,* that (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings and (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Obligation are current and the Portfolio Manager reasonably expects them to remain current; *provided*, *further*, that the Portfolio Manager shall provide to S&P all Information available to the Portfolio Manager in respect of any Collateral Obligation with an S&P Rating determined pursuant to this clause (c);

(iv) with respect to a DIP Collateral Obligation that has no issue rating by S&P or a Current Pay Obligation that is rated "D" or "SD" by S&P, the S&P Rating of such DIP Collateral Obligation or Current Pay Obligation, as applicable, will be, at the election of the Issuer (at the direction of the Portfolio Manager), "CCC-" or the S&P Rating determined pursuant to clause (iii)(b) above.

"Specified DIP Amendment" means, with respect to a DIP Collateral Obligation, amortization modifications, extensions of maturity, reductions of the principal amount owed, nonpayment of interest or principal due and payable, or any modification, variance, or event that would, in the reasonable business judgment of the Portfolio Manager, have a material adverse impact on the value of such DIP Collateral Obligation.

SCHEDULE 4

FITCH RATING DEFINITIONS AND FITCH TEST MATRIX

"Fitch Rating" means, as of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

(a) if Fitch has issued a long-term issuer default rating ("**LT IDR**") or a long-term issuer default credit opinion ("**LT IDCO**") with respect to the issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer);

(b) if Fitch has not issued a LT IDR or LT IDCO with respect to the issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating ("**IFSR**") with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issuer ratings, then the Fitch Rating will be calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

(i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(iii) Moody's has not issued a publicly available corporate family rating or a publicly available long-term issuer rating for the issuer of such Collateral Obligation but Moody's has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;

(iv) Moody's has not issued a publicly available corporate family rating, a publicly available long-term issuer rating or an outstanding public insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below;

(v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;

(vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;

(vii) S&P has not issued a publicly available issuer credit rating or an outstanding public insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below; and

(viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); otherwise the sole public Fitch Rating issued by Moody's or S&P will be applied; and

(e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Portfolio Manager, (i) the Portfolio Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that (i) after the First Refinancing Date, if any rating described above is on rating watch negative or negative credit watch, the rating will be adjusted down by one sub-category, with a floor of "CCC-"; *provided*, *further*, that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com.

For any given case:

(a) the applicable value for determining satisfaction of the Maximum Fitch Rating Factor Test will be the value set forth in the column header (or linear interpolation between two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager;

(b) the applicable value for determining satisfaction of the Minimum Floating Spread Test will be the percentage set forth in the row header (or linear interpolation between two adjacent rows as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager; and

(c) the applicable value for determining satisfaction of the Minimum Weighted Average Fitch Recovery Rate Test will be the value in the intersection cell (or linear interpolation between two adjacent rows and/or two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager in relation to (a) and (b) above.

On the First Refinancing Date, the Portfolio Manager will be required to elect which case shall apply initially by written notice to the Issuer, the Trustee, the Collateral Administrator and Fitch. Thereafter, on two Business Days' notice to the Issuer, the Trustee, the Collateral Administrator and Fitch, the Portfolio Manager may elect to have a different case apply; *provided* that (x) the Maximum Fitch Rating Factor Test, the Minimum Weighted Average Fitch Recovery Rate Test and the Minimum Floating Spread Test applicable to the case to which the Portfolio Manager desires to change are satisfied after giving effect to such change or, in the case of any tests that are not satisfied, the Issuer's level of compliance with such tests is improved after giving effect to the application of the different case, (y) the Portfolio Manager may at any time elect to change whether the applicable matrix in clause (a), the applicable matrix in clause (b) or the applicable matrix in clause (c) is then in effect, with no limit on the number of such changes that may be effected, provided that any matrix may only be in effect on or after the first date of determination after the First Refinancing Date on which the applicable conditions therein are satisfied and (z) if the matrix in clause (a)(ii), (b)(i)(y), (b)(ii)(y), (b)(iii)(y), (b)(iv)(y), (c)(i)(y), (c)(ii)(y), (c)(iii)(y), (c)(iv)(y), (c)(v)(y) or (c)(vi)(y)is in effect, the Issuer shall not purchase any Collateral Obligation unless the obligor concentration limitations applicable to such matrix are satisfied after giving effect to such

SCHEDULE 5

MOODY'S RATING DEFINITIONS

For purposes of this Schedule 5 and this Indenture, the terms "Assigned Moody's Rating" and "CFR" mean:

"Assigned Moody's Rating": The monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; *provided*, that with respect to a DIP Collateral Obligation, the Assigned Moody's Rating may be a point-in-time rating that was withdrawn; *provided*, *further*, such withdrawn rating was assigned not more than 18 months prior to the date of determination.

"CFR": Means, with respect to an Obligor of a Collateral Obligation, if such Obligor has a corporate family rating (including pursuant to a Moody's credit estimate) by Moody's, then such corporate family rating; *provided*, if such Obligor does not have a corporate family rating by Moody's but any entity in the Obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

For purposes of this Indenture, the terms Moody's Default Probability Rating, Moody's Rating and Moody's Derived Rating, have the meanings under the respective headings below.

MOODY'S DEFAULT PROBABILITY RATING

(a) With respect to a Collateral Obligation, if the Obligor of such Collateral Obligation has a CFR, then such CFR;

(b) With respect to a Collateral Obligation if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(c) With respect to a Collateral Obligation if not determined pursuant to clauses (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Portfolio Manager in its sole discretion;

(d) With respect to a Collateral Obligation if not determined pursuant to clauses (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; *provided*, that if such rating

estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) With respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(f) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(g) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S RATING

(a) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(C) other than with respect to a DIP Collateral Obligation, if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

For purposes of calculating a Moody's Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(a) By using one of the methods provided below:

(A) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Portfolio Manager, in accordance with the methodology set forth in the following table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (a)(A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (a)(B)):

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

or

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided, that the Aggregate Principal Balance of the Collateral Obligations that may have a Moody's Rating or a Moody's Default Probability Rating derived from an S&P rating as set forth in sub-clauses (A) or (B) of this clause (a) may not exceed 10% of the Collateral Principal Amount.

(b) If not determined pursuant to clause (a) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the Obligor of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Portfolio Manager or the Obligor of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (b)(i) and clause (a) above does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa3."

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

SCHEDULE 6

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided*, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum identified as the "principal amount" of this Note (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity, in each case as set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Distributions, interest on the Aggregate Outstanding Amount of this Note on each Distribution Date and each other date, pursuant to the Indenture, that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note as set forth in the Note Details (or, if the Note Details indicate that this Note is a Re-Pricing Eligible Note, the Re-Pricing Rate if this Note has been subject to a Re-Pricing) in arrears.

Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture.

If the Note Details indicate that this Note is a Deferred Interest Note, for so long as any Priority Classes are Outstanding with respect to the Class to which this Note belongs, any interest on this Note which is not available to be paid, or if such interest is not paid in order to satisfy the Coverage Tests in accordance with the Priority of Distributions on any Distribution Date, will be deferred. Any interest so deferred will be added to the principal balance of this Note, and thereafter, interest will accrue on the aggregate outstanding principal amount of such Notes, as so increased. Such Deferred Interest shall be payable on the first Distribution Date on which funds are available to be used for such purpose in accordance with the Priority of Distributions, but in any event no later than the earlier of the Distribution Date (i) which is the Redemption Date with respect to the Class to which this Note belongs and (ii) the Stated Maturity as set forth in the Note Details.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless redeemed, accelerated or repaid as described in the Indenture, and prior to the Stated Maturity, principal shall be paid as provided in the Priority of Distributions except as otherwise provided in the Indenture.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment except as provided in the Indenture.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Record Date.

This Note is duly authorized and issued under the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Co-Issuers, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and the depository or its nominee. So long as the depository for a Note or its nominee is the registered owner of this Note, such depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer (and if applicable, the Co-Issuer) under this Note and the Indenture are limited recourse obligations of the Issuer (and if applicable, the Co-Issuer) payable solely from the proceeds of the Assets and following realization of the Assets and application of the proceeds thereof in accordance with the Indenture, all obligations of the Issuer (and if applicable, the Co-Issuer) and any claims of Holders against the Issuer (and if applicable, the Co-Issuer) under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Co-Issuers, the Trustee, the Initial Purchaser, the Collateral Administrator, the Portfolio Manager or their respective successors or assigns for any amounts payable under this Note or (except as otherwise provided in the Indenture or the Portfolio Management Agreement) the Indenture. It is understood that the foregoing shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Indenture until such Assets have been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Co-Issuers as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default shall occur and be continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. The Indenture provides that if an Event of Default shall have occurred and be continuing, the Trustee shall, upon the written direction of a Majority of the Controlling Class (or automatically under certain circumstances), declare the principal of this Note to be immediately due and payable.

A Majority of the Controlling Class, by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul a declaration of acceleration of the maturity of the Notes at any time prior to the date on which a judgment or decree for payment of the amounts due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such

supplemental indenture shall form a part of the Indenture for all purposes, and every Holder theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

This Note shall be issued in the minimum denominations set forth in the Note Details; provided that minimum denominations may be lower to allow for compliance with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements, as certified by the Portfolio Manager to the Trustee.

The Holder and any beneficial owner of this Note agree they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

The terms "Issuer" and "Co-Issuers" as used in this Note includes any successor to the Issuer and/or Co-Issuers, as applicable, under the Indenture.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual or, in the case of a Global Note, electronic signature of one of their authorized signatories, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered hereunder.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

The Issuer, for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture. References to the "principal amount" of this Note shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds in accordance with the Priority of Distributions and references to "interest" on this Note shall mean that portion of Interest Proceeds distributable to Holders of Subordinated Notes pursuant to the Priority of Distributions.

The Issuer promises to pay Interest Proceeds, if any, available for such purpose in accordance with the Priority of Distributions on each Distribution Date. Payment of Interest Proceeds, if any, on this Note is subordinated to the payment on each Distribution Date of the interest due and payable on each Priority Class in accordance with the Priority of Distributions.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by call for redemption or otherwise and the final payments of principal, if any, will occur on that date; *provided* that, except as otherwise provided in the Priority of Distributions, the payment of principal of this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Distributions; and any payment of principal on this Note that is not paid, in accordance with the Priority of Distributions, on any Distribution Date, shall not be considered "due and payable" for purposes of the Indenture until the Distribution Date on which such principal may be paid in accordance with the Priority of Distributions.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Record Date.

This Note is duly authorized and issued under the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and the depository or its nominee. So long as the depository for a Note or its nominee is the registered owner of this Note, such depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding

upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer under this Note and the Indenture are limited recourse obligations of the Issuer payable solely from the proceeds of the Assets and following realization of the Assets and application of the proceeds thereof in accordance with the Indenture, all obligations of the Issuer and any claims of Holders against the Issuer under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Issuer, the Trustee, the Initial Purchaser, the Collateral Administrator, the Portfolio Manager or their respective successors or assigns for any amounts payable under this Note or (except as otherwise provided in the Indenture or the Portfolio Management Agreement) the Indenture. It is understood that the foregoing shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Indenture until such Assets have been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default shall occur and be continuing, the Secured Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture. The Indenture provides that if an Event of Default shall have occurred and be continuing, the Trustee shall, upon the written direction of a Majority of the Controlling Class (or automatically under certain circumstances), declare the principal of all the Secured Notes to be immediately due and payable.

A Majority of the Controlling Class, by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul a declaration of acceleration of the maturity of the Secured Notes at any time prior to the date on which a judgment or decree for payment of the amounts due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

This Note shall be issued in the minimum denominations set forth in the Note Details; provided that minimum denominations may be lower to allow for compliance with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements, as certified by the Portfolio Manager to the Trustee.

The Holder and any beneficial owner of this Note agree they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or

liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

The term ”Issuer” as used in this Note includes any successor to the Issuer under the Indenture.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

   Examples: (i) an insurance company separate account, (ii) a bank collective trust fund and (iii) a hedge fund or other private investment vehicle where 25% or more of the total value of any class of its equity is held by Benefit Plan Investors.

If you check Box 2, please indicate the maximum percentage of the entity or fund that will constitute "plan assets" for purposes of Title I of ERISA or Section 4975 of the Code: _____%.

AN ENTITY OR FUND THAT CANNOT PROVIDE THE FOREGOING PERCENTAGE HEREBY ACKNOWLEDGES THAT FOR PURPOSES OF DETERMINING WHETHER BENEFIT PLAN INVESTORS OWN LESS THAN 25% OF THE TOTAL VALUE OF ANY CLASS OF THE ERISA RESTRICTED NOTES ISSUED BY THE ISSUER, 100% OF THE ASSETS OF THE ENTITY OR FUND WILL BE TREATED AS "PLAN ASSETS."

ERISA and the regulations promulgated thereunder are technical. Accordingly, if you have any question regarding whether you may be an entity described in this Section 2, you should consult with your counsel.

3. ☐ **Insurance Company General Account**. We, or the entity on whose behalf we are acting, are an insurance company purchasing the ERISA Restricted Notes (or any interest therein) with funds from our or their general account (*i.e.*, the insurance company's corporate investment portfolio), whose assets, in whole or in part, constitute "plan assets" for purposes of the Plan Asset Regulations.

   If you check Box 3, please indicate the maximum percentage of the insurance company general account that will constitute "plan assets" for purposes of conducting the 25% test under the Plan Asset Regulations: ____%. IF YOU CHECKED BOX 3 BUT DO NOT INCLUDE ANY PERCENTAGE IN THE BLANK SPACE, YOU WILL BE COUNTED AS IF YOU FILLED IN 100% IN THE BLANK SPACE.

4. ☐ **None of Sections (1) Through (3) Above Apply**. We, or the entity on whose behalf we are acting, are a person that does not fall into any of the categories described in Sections (1) through (3) above.

5. **No Prohibited Transaction**. If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, unless an exemption is available and all conditions have been satisfied.

6. **Not Subject to Law that Could Subject the Issuer to Similar Law and No Violation of Similar Law**. If we are a governmental, church, or non-U.S. plan, we represent, warrant and agree that (a) we are not, and for so long as we hold the ERISA Restricted Notes or any interest therein we will not be, subject to any federal, state, local or non U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any federal, state, local or non-U.S. laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code, and (b) our acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not constitute or result in a violation of any federal, state, local or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.

7. ☐ **Controlling Person**. We are, or we are acting on behalf of: (i) any person that has discretionary authority or control with respect to the assets of the Issuer, (ii) any person who provides investment advice for a fee (direct or indirect) with respect to such assets or (iii) any "affiliate" of any of the above persons. "Affiliate" shall have the meaning set forth in the Plan Asset Regulations. Any of the persons described in the first sentence of this Section 7 (other than a Benefit Plan Investor) is referred to in this Certificate as a "Controlling Person."

   Note: We understand that, for purposes of determining whether Benefit Plan Investors hold less than 25% of the total value of each Class of the ERISA Restricted Notes represented by the Aggregate Outstanding Amount thereof, the value of any ERISA Restricted Notes held by Controlling Persons are required to be disregarded.

8. **Compelled Disposition**. We acknowledge and agree that:

   (i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% limitation (in any such case we become

a Non-Permitted ERISA Holder), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after such discovery (or upon notice from the Trustee (if a Trust Officer obtains actual knowledge) or the Co-Issuer if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to us demanding that we transfer our ERISA Restricted Notes (or our interest therein) to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice;

(ii) if we fail to transfer our ERISA Restricted Notes (or our interest therein), the Issuer shall have the right, without further notice to us, to sell our ERISA Restricted Notes or our interest in the ERISA Restricted Notes, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;

(iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

(iv) by our acceptance of the ERISA Restricted Notes (or any interest therein), we agree to cooperate with the Issuer and the Trustee to effect such transfers;

(v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and

(vi) the terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Portfolio Manager shall be liable to us as a result of any such sale or the exercise of such discretion.

Required Notification. We hereby agree that we will inform the Issuer and the Trustee of any proposed transfer by us of all or a specified portion of the ERISA Restricted Notes (or any interest therein).

9. **Continuing Representation; Reliance**. We acknowledge and agree that the representations, warranties, acknowledgements and agreements contained in this Certificate shall be deemed made on each day from the date we make such representations, warranties, acknowledgements and agreements through and including the date on which we dispose of our ERISA Restricted Notes (or our interests therein). We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Trustee to determine that Benefit Plan Investors own or hold less than 25% of the total value of any Class of the ERISA Restricted Notes upon any subsequent transfer of the ERISA Restricted Notes in accordance with the Indenture.

10. **Further Acknowledgement and Agreement**. We acknowledge and agree that (i) all of the representations, warranties and assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Initial Purchaser and the Portfolio Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Trustee, the Placement Agent, the Initial Purchaser, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of the ERISA Restricted Notes (or any interest therein) by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.

11. **Future Transfer Requirements.**

Transferee Letter and its Delivery. We acknowledge and agree that we may not transfer any ERISA Restricted Notes (or any interest therein) in the form of Certificated Notes to any person unless the Issuer and the Trustee have received a certificate substantially in the form of this Certificate. Any attempt to transfer in violation of this section will be null and void from the beginning, and of no legal effect.

EXECUTED AMENDED AND RESTATED PORTFOLIO MANAGEMENT AGREEMENT

Amended and Restated Portfolio Management Agreement

This Amended and Restated Portfolio Management Agreement, dated as of June 2, 2025 (as amended, supplemented or modified from time to time, this "Agreement"), is entered into between BAIN CAPITAL CREDIT CLO 2023-1, LIMITED, an exempted company incorporated with limited liability in the Cayman Islands, with its registered office located at c/o MaplesFS Limited, P.O. Box 1093, Queensgate House, Grand Cayman, KY1-1102, Cayman Islands (together with successors and assigns permitted hereunder, the "Issuer") and BAIN CAPITAL CREDIT U.S. CLO MANAGER II, LP, a Delaware limited partnership, with its principal offices located at 200 Clarendon Street, Boston, Massachusetts 02116, as portfolio manager (together with successors and assigns permitted hereunder, in such capacity, the "Portfolio Manager").

WHEREAS, the parties hereto previously entered into the Portfolio Management Agreement dated as of March 16, 2023 (such agreement, as amended, modified or waived prior to the date hereof, the "Existing Agreement");

WHEREAS, the parties hereto wish to amend and restate the Existing Agreement in its entirety in order to make certain additional changes agreed to by the parties hereto;

WHEREAS, the Issuer wishes to enter into this Amended and Restated Portfolio Management Agreement, pursuant to which the Portfolio Manager agrees to perform, on behalf of the Issuer, certain duties with respect to the Assets in the manner and on the terms set forth herein; and

WHEREAS, capitalized terms used herein that are not otherwise defined herein shall have the respective meanings ascribed thereto in the amended and restated indenture, dated as of June 2, 2025 (the "Indenture"), among the Issuer, Bain Capital Credit CLO 2023-1, LLC, as co-issuer (the "Co-Issuer" and, together with the Issuer, the "Co-Issuers") and Computershare Trust Company, N.A., as trustee (together with any successor trustee permitted under the Indenture, the "Trustee").

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein, the parties hereby agree to amend and restate the Existing Agreement as follows:

1. General Duties of the Portfolio Manager.

The Portfolio Manager will provide the Issuer with services (in accordance with the applicable requirements of the Indenture and the Investment Restrictions (or the Tax Advice described therein permitting deviations therefrom)), including the following:

(a) (i) Determining specific Collateral Obligations and Eligible Investments to be purchased or sold by the Issuer, in each case taking into consideration the payment and distribution obligations of the Issuer under the Indenture on each Distribution Date in so doing, such that expected distributions on such Collateral Obligations and Eligible Investments permit a timely performance of the payment and distribution obligations by the Issuer; provided, however, that the Portfolio Manager does not hereby guarantee the timely performance of such payment or distribution obligations;

(ii) Supervising and directing the investing and reinvesting of the Assets and facilitating the acquisition and settlement of Collateral Obligations, Eligible Investments, Restructuring Loans, Permitted Equity Securities, Equity Securities and Uptier Priming Debt acquired by the Issuer and the execution of any Hedge Agreements;

(iii) Advising the Issuer with respect to interest rate risk and cash flow timing, including selecting and negotiating Hedge Agreements, monitoring any Hedge Agreements and determining whether and when the Issuer should exercise any rights available under Hedge Agreements;

(iv) Negotiating with the applicable issuers of Collateral Obligations, Restructuring Loans or Eligible Investments (the "Debt Issuers") as to proposed modifications of the Underlying Instruments governing such Collateral Obligations or Eligible Investments;

(v) To the extent permitted by the Indenture, making determinations with respect to the Issuer's exercise of any rights (including but not limited to voting rights, rights to grant waivers and consents and rights arising in connection with the bankruptcy or insolvency of a Debt Issuer or the consensual or non-judicial restructuring of the debt or equity of any such Debt Issuer) or remedies in connection with the Collateral Obligations, Restructuring Loans and Eligible Investments and participating in the committees (official or otherwise) or other groups formed by creditors of any such Debt Issuer;

(vi) Subject to Section 25 of this Agreement, consulting with any Rating Agency rating any Class of Notes at such times as may be reasonably requested by such Rating Agency and providing such Rating Agency with any information reasonably requested in connection with such Rating Agency's monitoring of the acquisition and disposition of Collateral Obligations or Eligible Investments;

(vii) Selecting the independent pricing services or dealers, as applicable, for the purpose of determining the Market Values of Collateral Obligations, or if permitted pursuant to the definition thereof, determining such Market Values;

(viii) Determining whether a specific Collateral Obligation is an Equity Security, Restructuring Loan, Uptier Priming Debt, Permitted Equity Security, Defaulted Obligation, Current Pay Obligation, Discount Obligation, Credit Risk Obligation, Credit Improved Obligation or Unsalable Asset;

(ix) (A) Monitoring the Assets on an ongoing basis and (B) providing to the Issuer all reports, schedules and other data (1) which the Issuer is required to prepare and deliver pursuant to Section 10.7 of the Indenture (other than any reports, schedules or other data which the Collateral Administrator has agreed to prepare pursuant to the Collateral Administration Agreement) or (2) which otherwise relate to the Assets or the Notes and which the Issuer is required to prepare and deliver under the Indenture, in each case, in the form and containing all information required thereby and in sufficient time for the Issuer to review such required reports, schedules and data and to deliver them to the parties entitled thereto under the Indenture;

(x) Notifying the Trustee and the Issuer with respect to any Collateral Obligation that is a Defaulted Obligation or any Restructuring Loan, and instructing the Trustee whether to retain or dispose of such Collateral Obligation;

(xi) Managing the Issuer's obligations within the parameters set forth in the Indenture, including without limitation, each of the Collateral Quality Tests, the Coverage Tests, and each of the Concentration Limitations;

(xii) As soon as reasonably practicable after the occurrence of any Default actually known to the Portfolio Manager, notifying the Trustee and the Issuer in writing thereof;

(xiii) Determining whether to accept or reject any Contribution made in accordance with the Indenture;

(xiv) Directing the Trustee to enter into a Bankruptcy Exchange;

(xv) Directing the Trustee to apply amounts on deposit in the Permitted Use Account (as directed by the related Contributor or, if no such direction is given, by the Portfolio Manager in its sole discretion) to one or more Permitted Uses in accordance with the Indenture;

(xvi) Taking appropriate action with respect to any Equity Security and any other Asset that does not constitute a Collateral Obligation or an Eligible Investment in accordance with the applicable provisions of the Indenture; and

(xvii) Complying with such other duties and responsibilities as may be required of the Portfolio Manager by the Indenture, this Agreement, the Collateral Administration Agreement and applicable law (including, without limitation, the Investment Advisers Act).

The Portfolio Manager shall comply with all of the terms and conditions of the Indenture and the Certain Tax Restrictions set forth on Schedule A hereto (the "Investment Restrictions") (or the Tax Advice described therein permitting deviations therefrom) affecting the duties and functions that have been delegated to it thereunder and hereunder, and (without in any way limiting Section 14 of this Agreement) shall perform its obligations under the Indenture, the Collateral Administration Agreement and this Agreement with reasonable care and in good faith in rendering its services and performing its obligations as Portfolio Manager, using a degree of skill and attention no less than that which the Portfolio Manager exercises with respect to comparable assets that it manages for itself and others in accordance with its existing practices and procedures relating to clients such as the Issuer (including, but not limited to, other CLOs) and to assets of the nature and character of the Assets (the "Standard of Care"); provided that, in no event shall the Portfolio Manager be (i) liable or responsible for the performance of the Collateral Obligations contained in the Assets, (ii) obligated to perform any other duties other than as specified herein or pursuant to the terms of the Indenture expressly applicable to the Portfolio Manager or (iii) obligated to pursue any particular investment strategy or opportunity with respect to the Collateral Obligations. To the extent not inconsistent with the foregoing, the Portfolio Manager shall follow its customary standards, policies and procedures in performing its duties under the Indenture and this Agreement (including those duties of the Issuer under the Indenture which the Portfolio

Manager has agreed hereunder to perform on the Issuer's behalf). The Portfolio Manager shall not be bound to follow any amendment to the Indenture unless the Portfolio Manager shall have consented thereto in writing.

(b) The Portfolio Manager shall cause any purchase or sale of any Collateral Obligation, Eligible Investment or Equity Security to be conducted on an arm's length basis or on terms that would be obtained in an arm's length transaction in compliance with Section 9, if applicable.

(c) [Reserved.]

(d) The Issuer hereby makes, constitutes and appoints the Portfolio Manager, with full power of substitution, as its true and lawful agent and attorney-in-fact, with full power and authority in its name, place and stead, to sign, execute, certify, swear to, acknowledge, deliver, file, receive and record any and all documents which the Portfolio Manager reasonably deems appropriate or necessary in connection with its duties under this Agreement. The foregoing power shall survive and not be affected by the subsequent dissolution, bankruptcy or termination of the Issuer; provided, however, that the foregoing power of attorney will expire, and the Portfolio Manager will cease to have any power to act as the Issuer's attorney-in-fact, upon termination of this Agreement (upon the effectiveness of any resignation or removal of the Portfolio Manager or otherwise) in accordance with the terms hereof. Notwithstanding the foregoing, it is understood that the power of attorney granted herein is in all cases and for all purposes qualified and limited by the Indenture and other Transaction Documents and, as such, the power of attorney granted hereby is limited rather than general. The Issuer shall execute and deliver to the Portfolio Manager or cause to be executed and delivered to the Portfolio Manager all such other powers of attorney, proxies and other orders, and all such instruments, without recourse to the Issuer, as the Portfolio Manager may reasonably request for the purpose of enabling the Portfolio Manager to exercise the rights and powers which it is entitled to exercise pursuant to this Section 1.

(e) Notwithstanding anything to the contrary in this Section 1, none of the services performed by the Portfolio Manager shall result in or be construed as resulting in an obligation to perform any of the following: (i) the Portfolio Manager acting repeatedly or continuously as an intermediary in securities or loans for the Issuer; (ii) the Portfolio Manager providing investment banking services to the Issuer; (iii) the Portfolio Manager having direct contact with, or actively soliciting or finding, outside investors to invest in the Issuer or (iv) the Portfolio Manager authorizing or causing the disbursement of money or other assets of the Issuer, except in accordance with this Agreement, the Indenture, or any other Transaction Documents or in connection with the acquisition, sale or disposal of the Issuer's Assets, it being understood that it is the intention of the parties that the Portfolio Manager not take any action through the power of attorney granted hereby that would cause the Portfolio Manager to have custody of the Issuer's funds or securities within the meaning of Rule 206(4)-2 under the Investment Advisers Act. Without limitation to the foregoing, in no event shall the Portfolio Manager have authority to cause a disbursement (except in connection with the acquisition, sale or disposal of the Issuer's Assets) by the Issuer except upon the approval of the Issuer's board of directors.

(f) Notwithstanding anything herein or any other Transaction Document to the contrary, the Portfolio Manager shall have no authority to hold (directly or indirectly), or otherwise

obtain possession of, any funds or securities of the Issuer (including Collateral Obligations or Eligible Investments). The Portfolio Manager agrees that any requests regarding the disbursement of any funds in any Account must be made in accordance with the Indenture or other Transaction Documents and must be sent to the Trustee and such request shall be made by the Portfolio Manager in connection with any acquisition, sale or disposition of the Assets or otherwise upon the approval of the Issuer. Without limiting the foregoing, the Portfolio Manager shall have no authority to (i) sign checks on the Issuer's behalf, (ii) deduct fees from any Account, (iii) withdraw funds or securities from any Account, or (iv) dispose of funds in any Account for any purpose other than pursuant to transactions authorized by the Indenture. Nothing in this Section 1(f) shall prohibit the Portfolio Manager from issuing instructions to the Trustee or Intermediary to effect or to settle any bills of sale, assignments, agreements and other instruments in connection with any acquisition, sale or other disposition of any Asset of the Issuer as permitted by the Indenture.

(g) To the fullest extent permitted by applicable law and subject to the standard of care set forth herein and the legal, contractual and fiduciary duties owed by the Portfolio Manager, including the duty to act in the best interest of the Issuer, whenever in this Agreement, the Indenture or any other Transaction Document the Portfolio Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Portfolio Manager shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting any other Person. The intent of granting authority to act in its "discretion" to the Portfolio Manager is that no other party's express consent is required to be obtained by the Portfolio Manager when acting pursuant to such grant of authority under this Agreement or the Indenture; provided that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Portfolio Manager. If any questions should arise with respect to the operation of the Issuer that are not specifically provided for in this Agreement or the Indenture, or with respect to the interpretation of this Agreement or the Indenture, the Portfolio Manager is authorized to make a final determination in its sole discretion with respect to any such question, and its determination and interpretation so made shall be final and binding on all parties.

2. Brokerage.

(a) The Portfolio Manager shall use reasonable efforts to obtain the best execution (but shall have no obligation to obtain the lowest price available) for all orders placed with respect to the Collateral Obligations and Eligible Investments, considering all factors it deems relevant in its sole discretion. Subject to the objective of obtaining best execution, the Portfolio Manager may take into consideration research and other brokerage services furnished to the Portfolio Manager or its Affiliates by brokers and dealers; provided that the price of any Collateral Obligations and Eligible Investments acquired from or sold to the Portfolio Manager or any Affiliate of the Portfolio Manager shall be determined in accordance with the procedures set forth in Section 9 hereof. Such services may be used by the Portfolio Manager or its Affiliates in connection with its other activities or investment operations. In a manner that the Portfolio Manager believes in good faith to be consistent with Section 28(e) of the Securities Exchange Act of 1934, the Portfolio Manager may, in its discretion, agree to pay a broker or dealer that furnishes research and other brokerage services a higher commission than that which might have been charged by another broker-dealer for effecting the same transaction. In selecting brokers and

dealers in connection with the allocation of business, the Portfolio Manager may also consider any factors it deems relevant in its sole discretion, including but not limited to the size of the transaction, difficulty of execution, the operation facilities and reliability of the firm involved, the firm's promptness of execution, adequacy of the firm's trading infrastructure, technology and capital, quality of service rendered to the Portfolio Manager in other transactions, confidentiality considerations, the firm's financial stability and reputation, special execution capability, access to underwritten offerings, secondary markets and other investment opportunities, and the firm's ability to accommodate any special execution or order handling requirements that may surround a particular transaction. The Portfolio Manager need not solicit competitive bids. To the extent consistent with the Portfolio Manager's objective of obtaining the best execution for all orders placed with respect to the Collateral Obligations and Eligible Investments, the Portfolio Manager may aggregate sales and purchase orders of obligations placed with respect to the Collateral Obligations and Eligible Investments with similar orders being made simultaneously for other accounts managed by the Portfolio Manager or its Advisor or Affiliates or with similar orders being made simultaneously for accounts of its Advisor or Affiliates, if, in the Portfolio Manager's reasonable judgment, such aggregation results in an overall economic benefit to the Issuer over time, taking into consideration all factors considered relevant by the Portfolio Manager in its sole discretion. The Issuer acknowledges that the determination of any such economic benefit by the Portfolio Manager is subjective, and represents the Portfolio Manager's evaluation at the time of determination (not to be called into question as a result of subsequent events) that the Issuer will be benefited by relatively better purchase or sale prices, lower commission expenses and beneficial timing of transactions or a combination of these and other factors. When any aggregate sales or purchase orders occur, the objective of the Portfolio Manager (and any of its Affiliates involved in such transactions) shall be to allocate the executions among the accounts in an equitable manner over time.

(b) All purchases and sales of Collateral Obligations, Eligible Investments and Equity Securities by the Portfolio Manager on behalf of the Issuer shall be in accordance with reasonable and customary business practices and in compliance with applicable laws.

3. Representations and Warranties of the Issuer.

The Issuer hereby represents and warrants to the Portfolio Manager as follows:

(a) The Issuer has been duly incorporated and is validly existing as an exempted company with limited liability under the laws of the Cayman Islands, has the full corporate power and authority to own its assets and the obligations proposed to be owned by it and included in the Assets and to transact the business in which it is presently engaged and is duly qualified under the laws of each jurisdiction where its ownership or lease of property or the conduct of its business requires, or the performance of its obligations under this Agreement, the Indenture, the Administration Agreement, the AML Services Agreement, the Account Agreement, any Hedge Agreement, the Collateral Administration Agreement, the Conditional Sale Agreement and the Notes (collectively, the "Issuer Documents") would require, such qualification, except for failures to be so qualified, authorized or licensed that would not in the aggregate have a material adverse effect on the business, operations, assets or financial condition of the Issuer.

(b) The Issuer has the necessary corporate power and authority to execute and deliver each of the Issuer Documents, and to perform all of its obligations required thereunder, and has taken all necessary action to authorize each of the Issuer Documents on the terms and conditions hereof and thereof and the execution, delivery and performance of each of the Issuer Documents and the performance of all obligations imposed upon it hereunder and thereunder.

(c) This Agreement has been executed and delivered by a duly authorized officer of the Issuer, and this Agreement constitutes the legally valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms, subject, as to enforcement, to (i) the effect of bankruptcy, insolvency, reorganization, moratorium, winding up or similar laws affecting generally the enforcement of creditors' rights, as such laws would apply in the event of any bankruptcy, receivership, insolvency, winding up or similar event applicable to the Issuer and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

(d) No consent of any other Person, and no license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or declaration with, any governmental authority, other than those that may be required under state securities or "blue sky" laws and those that have been or shall be obtained in connection with the Indenture and the issuance of the Notes, is required by the Issuer in connection with the Issuer Documents or the execution, delivery, performance, validity or enforceability of the Issuer Documents or the obligations imposed upon the Issuer hereunder or thereunder.

(e) The Issuer is not in violation of any federal or state securities law or regulation promulgated thereunder, and there is no charge, investigation, action, suit or proceeding before or by any court pending or, to the best knowledge of the Issuer, threatened in writing that, if determined adversely to the Issuer, would have a material adverse effect upon the performance by the Issuer of its duties hereunder, or on the validity or enforceability of, this Agreement.

(f) The execution, delivery and performance of the Issuer Documents, and the documents and instruments required thereunder do not violate any provision of any existing law or regulation binding on the Issuer, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on the Issuer, or the Governing Instruments of, or any securities issued by, the Issuer or of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which the Issuer is a party or by which the Issuer or any of its assets may be bound, the violation of which would have a material adverse effect on the business, operations, assets or financial condition of the Issuer or the performance by the Issuer of its duties under this Agreement, and do not result in or require the creation or imposition of any lien on any of its property, assets or revenues pursuant to the provisions of any such mortgage, indenture, lease, contract or other agreement, instrument or undertaking (other than the lien of the Indenture).

(g) The Issuer is not in violation of its Governing Instruments, or in breach or violation of, or in default under, the Indenture or any contract or agreement to which it is a party or by which it or any of its assets may be bound, or any applicable statute or any rule, regulation or order of any court, government agency or body having jurisdiction over the Issuer or its properties, except for any breach, violation or default that would not have a material adverse effect on the validity or enforceability of this Agreement, the Collateral Administration Agreement or

the Indenture, or the performance by the Issuer of its duties under this Agreement, the Collateral Administration Agreement and the Indenture.

(h) The Issuer is not required to be registered as an "investment company" under the Investment Company Act.

(i) There is no charge, investigation, action, suit or proceeding before or by any court pending or, to the best knowledge of the Issuer, threatened that, if determined adversely to the Issuer, would have a material adverse effect upon the performance by the Issuer of its duties under, or on the validity or enforceability of, this Agreement, the Collateral Administration Agreement or the provisions of the Indenture applicable to the Issuer thereunder.

(j) The information contained in the final offering circular pertaining to the Notes dated as of May 29, 2025 (the "Offering Circular") is true and correct in all material respects and does not omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Issuer makes no representation or warranty with respect to the Bain Credit Information.

4. Representations and Warranties of the Portfolio Manager.

The Portfolio Manager hereby represents and warrants to the Issuer as follows:

(a) The Portfolio Manager is a limited partnership duly organized and validly existing and in good standing under the laws of the State of Delaware, and has full limited partnership power and authority to own its assets and to transact the business in which it is currently engaged and is duly qualified and in good standing under the laws of each jurisdiction where its ownership or lease of property or the conduct of its business requires, or the performance of this Agreement, the Collateral Administration Agreement or the Conditional Sale Agreement (together, the "Manager Documents") would require such qualification, except for those jurisdictions in which the failure to be so qualified, authorized or licensed would not in the aggregate have a material adverse effect on the business, operations, assets or financial condition of the Portfolio Manager, or on the ability of the Portfolio Manager to perform its obligations under, or on the validity or enforceability of, the Manager Documents and the provisions of the Indenture applicable to the Portfolio Manager.

(b) The Portfolio Manager has full power and authority to execute and deliver each of the Manager Documents and to perform all of its obligations required thereunder and under the provisions of the Indenture applicable to the Portfolio Manager, and has taken all necessary action to authorize each of the Manager Documents on the terms and conditions hereof and thereof and the execution, delivery and performance of each of the Manager Documents and all obligations required thereunder and under the terms of the Indenture applicable to the Portfolio Manager.

(c) Each of the Manager Documents has been executed and delivered by a duly authorized officer of the Portfolio Manager, and each of the Manager Documents constitutes the valid and legally binding obligations of the Portfolio Manager enforceable against the Portfolio Manager in accordance with its terms, subject to (i) bankruptcy, insolvency, winding-up, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors'

rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law).

(d) No consent of any other Person and no license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or declaration with, any governmental authority is required by the Portfolio Manager in connection with the Manager Documents or the execution, delivery, performance, validity and enforceability of the Manager Documents or the obligations required thereunder and under the terms of the Indenture applicable to the Portfolio Manager.

(e) The Portfolio Manager is not in violation of any federal or state securities law or regulation promulgated thereunder and there is no charge, investigation, action, suit or proceeding before or by any court pending or, to the best knowledge of the Portfolio Manager, threatened in writing that, if determined adversely to the Portfolio Manager, would have a material adverse effect upon the performance by the Portfolio Manager of its duties under, or on the validity or enforceability of, the Manager Documents and the provisions of the Indenture applicable to the Portfolio Manager hereunder.

(f) The execution, delivery and performance of the Manager Documents and the terms of the Indenture applicable to the Portfolio Manager and the documents and instruments required thereunder or under the terms of the Indenture will not violate any provision of any existing law or regulation binding on the Portfolio Manager, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on the Portfolio Manager, or the Governing Instruments of, or any securities issued by the Portfolio Manager or of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which the Portfolio Manager is a party or by which the Portfolio Manager or any of its assets may be bound, the violation of which would have a material adverse effect on the business, operations, assets or financial condition of the Portfolio Manager or its ability to perform its obligations under the Manager Documents and the terms of the Indenture applicable to the Portfolio Manager, and will not result in or require the creation or imposition of any lien on any of the Portfolio Manager's property, assets or revenues pursuant to the provisions of any such mortgage, indenture, lease, contract or other agreement, instrument or undertaking.

(g) The Portfolio Manager is not in violation of its Governing Instruments, or in breach or violation of or in default under any contract or agreement to which it is a party or by which it or any of its property may be bound, or any applicable statute or any rule, regulation or order of any court, government agency or body having jurisdiction over the Portfolio Manager or its properties, the breach or violation of which or default under which would have a material adverse effect on the validity or enforceability of the Manager Documents or the provisions of the Indenture applicable to the Portfolio Manager, or the performance by the Portfolio Manager of its duties thereunder.

(h) The Portfolio Manager is registered as an "investment adviser" under the Investment Advisers Act.

(i) The information included in the Offering Circular in the sections entitled "*Risk Factors—Relating to the Portfolio Manager*," "*Risk Factors—Relating to the Issuer and its*

Service Providers—The Issuer Will Be Subject to Various Conflicts of Interest Involving the Portfolio Manager and its Affiliates," "*The Retention Holder and EU/UK Risk Retention Requirements—Description of the Retention Holder*," "*The Retention Holder and EU/UK Risk Retention Requirements—Origination of Collateral Obligations*" and "*The Portfolio Manager*" and, in each case, the subheadings thereunder (collectively, the "Bain Credit Information") is, as of the date of the Offering Circular and as of the First Refinancing Date, true in all material respects, and does not omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Such information is the only information supplied by the Portfolio Manager for inclusion in the Offering Circular.

(j) Some or all of the professionals associated with the Portfolio Manager are investors in other funds managed by the Portfolio Manager, are actively involved in managing the investment decisions of these funds and other clients and will not devote all of their time to the Issuer's business and affairs.

5. Expenses.

The Portfolio Manager will be responsible for payment of (without reimbursement by the Issuer) its overhead expenses, including, without limitation, (a) all costs and expenses on account of salaries, wages, bonuses and other employee benefits of the Portfolio Manager and (b) all office expenses, including, without limitation, rent, taxes and utilities, of the Portfolio Manager; provided, however, that the Portfolio Manager shall not be liable for and the Issuer shall be responsible for the payment of (or reimbursement of the Portfolio Manager for) (x) the reasonable expenses and costs of legal advisers, accountants, consultants and other third party professionals retained by the Issuer or by the Portfolio Manager on behalf of the Issuer in connection with the services provided by the Portfolio Manager pursuant to Section 1 hereof and (y) the reasonable third-party expenses incurred by the Portfolio Manager (and/or its Affiliates) in connection with the acquisition or disposition, or proposed acquisition or disposition of any Collateral Obligations or Eligible Investments, or the default or restructuring thereof, or any Restructuring Loans, Uptier Priming Debt, Permitted Equity Securities or Equity Securities, including news and quotation subscription expenses, brokerage commissions, research expenses, accountant fees, insurance premiums, rating agency fees, computer software and services costs and travel costs (airfare, meals, lodging and other transportation), provided, that, to the extent such expenses are (x) related to a specific investment and are incurred for the benefit of the Issuer and other entities affiliated with or advised by the Portfolio Manager or its affiliates who participate in such investment simultaneously or (y) unrelated to a specific investment, the Issuer shall be responsible for only a pro rata portion of such expenses of the Portfolio Manager, based on a good faith allocation by the Portfolio Manager of such expenses among all such entities eligible to bear such expenses and the Issuer. Expenses and costs payable to the Portfolio Manager under this Section 5 shall constitute Administrative Expenses and shall be paid to the extent of available funds under the Indenture on each applicable Distribution Date in accordance with the Priority of Distributions. Other than as stated in this paragraph, the Issuer will bear, and will pay directly in accordance with the Indenture, all other costs and expenses incurred by it in connection with its organization, operation or liquidation.

6. Delivery of Collateral.

Each time that the Portfolio Manager, on behalf of the Issuer, shall direct or cause the acquisition of any Collateral Obligation or Eligible Investment, the Portfolio Manager (on behalf of the Issuer) shall cause such Collateral Obligation or Eligible Investment to be delivered, as provided in the Indenture; provided, however, that the Portfolio Manager need not confirm that the Trustee and the Intermediary have taken the actions that the Indenture and the Account Agreement require them to take in order to effect such delivery.

7. Management Fees.

(a) On each Distribution Date, the Issuer shall, for services rendered under this Agreement, (i) pay to the Portfolio Manager a base management fee (the "Base Management Fee"), which shall accrue quarterly on each Distribution Date in arrears, in an amount (as certified by the Portfolio Manager to the Trustee) equal to 0.15% per annum (calculated on the basis of a 360-day year and the actual number of days elapsed during the applicable Collection Period) of the Basis Amount (measured at the beginning of the Collection Period with respect to the applicable Distribution Date, together with any unpaid Base Management Fees from prior Distribution Dates, and (ii) distribute to the Portfolio Manager amounts in respect of a subordinate interest (the "Subordinated Interest"), which shall accrue quarterly on each Distribution Date in arrears, in an amount (as certified by the Portfolio Manager to the Trustee) equal to 0.25% per annum (calculated on the basis of a 360-day year and the actual number of days elapsed during the applicable Collection Period) of the Basis Amount (measured at the beginning of the Collection Period with respect to the applicable Distribution Date) together with any amounts in respect of the Subordinated Interest due but not distributed on prior Distribution Dates. The Base Management Fee will be payable and amounts in respect of the Subordinated Interest will be distributable in accordance with the Priority of Distributions on each Distribution Date. To the extent the Base Management Fee is not paid or amounts in respect of the Subordinated Interest are not distributed on any Distribution Date when due, such amounts will be deferred and will be payable or distributable on subsequent Distribution Dates in accordance with the Priority of Distributions. Accrued and unpaid Base Management Fees will be deferred without interest, regardless of whether such amounts were unpaid due to the operation of the Priority of Distributions or otherwise. Any amounts in respect of the Subordinated Interest that are not distributed on a Distribution Date when due by reason of the operation of the Priority of Distributions (but not, for the avoidance of doubt, amounts deferred at the election of the Portfolio Manager pursuant to Section 7(e) below (such amounts, the "Deferred Subordinated Interest")) shall accrue interest at the per annum rate then applicable to the Class E Notes.

(b) In addition, on any Distribution Date on and after the date on which the Incentive Interest Threshold has been satisfied, the Issuer shall distribute to the Portfolio Manager, for services rendered under this Agreement, amounts (as certified by the Portfolio Manager to the Trustee) in respect of an incentive interest (the "Incentive Interest" and, together with the Base Management Fee, the Subordinated Interest and, without duplication, any Cumulative Deferred Interest in each case to the extent payable to the Portfolio Manager pursuant to the Priority of Distributions, the "Portfolio Manager Interest") equal to (A) 20% of (i) the Interest Proceeds and (ii) following the Reinvestment Period or the repayment of the Secured Notes in full and payment of (and/or creation of a reserve for) all expenses of the Co-Issuers, Principal Proceeds, in each case

remaining after payment or distribution of all amounts otherwise payable or distributable in accordance with the Priority of Distributions, less (B) the BCC Holder Distribution Amount due and payable on such Distribution Date.

(c) The Portfolio Manager may in its sole discretion (but shall not be obligated to), by written notice to the Trustee delivered not later than the related Determination Date, waive payment of or distribution in respect of all or any portion of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest otherwise payable or distributable and available to be paid or distributed to it on any Distribution Date (including any deferred Base Management Fee or deferred amounts in respect of the Subordinated Interest and/or the Incentive Interest from prior periods, as applicable) for the benefit of Holders of Subordinated Notes designated by the Portfolio Manager or for any Permitted Use designated by the Portfolio Manager in its sole discretion (the "Waived Interest"). Unless such Waived Interest is applied to a Permitted Use as directed by the Portfolio Manager in its sole discretion (as set forth below), an amount equal to the Waived Interest with respect to any Distribution Date for distribution to Holders of Subordinated Notes will be distributed to such designated Holders of Subordinated Notes as an additional return on their investment on such Distribution Date pursuant to the Indenture at the same priority as the applicable waived fee or interest and to the extent such waived fee or interest otherwise would have been paid or distributed to the Portfolio Manager pursuant to the Priority of Distributions, and no other Holder of Subordinated Notes will realize any benefit from such waiver.

(d) The Portfolio Manager may, in its sole discretion (but shall not be obligated to), upon written notice to the Issuer and the Trustee, waive payment of or distribution in respect of, as applicable, all or any portion of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest otherwise payable or distributable and available to be paid or distributed to it on a Distribution Date (including deferred Base Management Fee or deferred amounts in respect of the Subordinated Interest and/or the Incentive Interest from prior periods, as applicable), and direct that such amounts be applied to a Permitted Use (as determined by the Portfolio Manager in its sole discretion).

(e) The Portfolio Manager may, in its sole discretion (but shall not be obligated to) by written notice to the Trustee delivered not later than the related Determination Date, defer payment of or distribution in respect of, as applicable, all or any portion of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest (other than any portion of any such fee or interest that the Portfolio Manager has previously designated as a Waived Interest) otherwise payable or distributable and available to be paid or distributed to it in accordance with the Priority of Distributions on any Distribution Date, as applicable (the "Current Deferred Interest"). An amount equal to the Current Deferred Interest for any Distribution Date will be distributed as Interest Proceeds in accordance with the Priority of Distributions or, at the election of the Portfolio Manager, deposited into the Principal Collection Account as Principal Proceeds for investment in Collateral Obligations and/or Eligible Investments. After such Distribution Date, the Current Deferred Interest shall be added to the cumulative amount of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest that the Portfolio Manager has elected to defer on prior Distribution Dates and has not yet been paid or distributed (the "Cumulative Deferred Interest"). The Cumulative Deferred Interest will be payable or distributable on any subsequent Distribution Date at the election of the Portfolio Manager to the extent of funds available for such purpose in accordance with the Priority of Distributions; provided that written notice has been

delivered to the Trustee no later than the related Determination Date. For the avoidance of doubt, any Base Management Fee, Subordinated Interest and/or Incentive Interest deferred pursuant to this clause (e) shall be deferred without interest.

(f) If this Agreement is terminated pursuant to Sections 11 or 12 or otherwise, the Portfolio Manager Interest calculated as provided herein shall be prorated for any partial periods between Distribution Dates during which this Agreement was in effect and, together with any interest on any Deferred Subordinated Interest and any Cumulative Deferred Interest, shall be due and payable or distributable to the outgoing Portfolio Manager on the first Distribution Date following the effective date of such termination (or on subsequent Distribution Dates in the case of the Incentive Interest), together with all expenses payable to the Portfolio Manager, in accordance with the Priority of Distributions.

(g) Notwithstanding the foregoing Section 7(f), on each Distribution Date following the effective date of the termination of this Agreement or the removal or resignation of the Portfolio Manager hereunder (other than for "cause"), the Portfolio Manager will be distributed its Pro Rata Share of the Incentive Interest, if any, due and distributable in accordance with the Priority of Distributions on such Distribution Date. The Portfolio Manager's "Pro Rata Share" of the Incentive Interest, if any, due and distributable in accordance with the Priority of Distributions on any Distribution Date following the termination of this Agreement or the resignation or removal of the Portfolio Manager will be the amount (expressed as a percentage) equal to (i) the number of days from and including the First Refinancing Date to and including the effective date of the resignation or removal of the Portfolio Manager over (ii) the number of days from and including the First Refinancing Date to and including the last day of the Collection Period immediately preceding such Distribution Date. The payment or distribution of such accrued and unpaid Portfolio Manager Interests and expenses to the Portfolio Manager will rank *pari passu* with the payment of the same amounts due to the successor portfolio manager in accordance with the Priority of Distributions on any Distribution Date thereafter.

(h) If the Portfolio Manager is removed or resigns pursuant to Sections 11 or 12 hereof, the compensation payable to the successor portfolio manager from the Assets (as well as the amounts distributable in respect of the Interest Proceeds) may not be greater than that paid to the resigning or removed Portfolio Manager without (i) the prior written consent of (A) a Majority of the Subordinated Notes and (B) in the case of any increase to the Base Management Fee payable prior to interest payments on any Class of Secured Notes in the Priority of Distributions, the prior written consent of a Majority of each of such Classes voting separately (excluding from such vote any Notes owned by the incoming successor portfolio manager) and (ii) prior written notice to Fitch.

(i) Notwithstanding anything contained in this Agreement to the contrary, in the event that the Portfolio Manager's services terminate other than by reason of an involuntary termination not for cause, then the terminating Portfolio Manager shall not be entitled to any deferred amounts following the date of such termination.

8. Non-Exclusivity.

The services of the Portfolio Manager to the Issuer are not to be deemed exclusive, and the Portfolio Manager shall be free to render portfolio management and management services to others (including Affiliates, other investment companies and clients having similar objectives to the Issuer). It is understood and agreed that the officers and directors of the Portfolio Manager may engage in any other business activity or render services to any other Person or serve as partners, officers or directors of any other firm or corporation. Subject to Sections 2 and 10 hereof, it is understood and agreed that information or advice received by the Portfolio Manager and officers and directors of the Portfolio Manager hereunder shall be used by such organization or such Persons to the extent permitted by applicable law.

9. Conflicts of Interest.

(a) The Portfolio Manager may not direct the Trustee to purchase any Collateral Obligation or Eligible Investment for inclusion in the Assets from the Portfolio Manager as principal, any Affiliate of the Portfolio Manager or any account or fund for which the Portfolio Manager or any of its Affiliates serves as investment advisor, or direct the Trustee to sell directly any Collateral Obligation or Eligible Investment to the Portfolio Manager as principal, any Affiliate of the Portfolio Manager or any account or fund for which the Portfolio Manager or any of its Affiliates serves as investment advisor, unless such transaction (i) is in compliance with the written policies and procedures of the Portfolio Manager then in effect regarding cross trades and principal transactions, (ii) is exempt from the prohibited transaction rules of Title I of ERISA and Section 4975 of the Code, (iii) is in compliance with the requirements of the Investment Advisers Act and is not prohibited by the Investment Company Act (including without limitation the disclosure of all relevant information to the Issuer and the receipt of all necessary consents in connection with such transaction) and (iv) is conducted on terms and conditions not less favorable to the Issuer than the terms it would obtain in a comparable arm's length transaction with a non-Affiliated party.

(b) Various potential and actual conflicts of interest may arise from the overall investment of the Portfolio Manager its Affiliates and any account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment advisor, including those discussed in the Offering Circular and disclosed in Part 2A of the Portfolio Manager's Form ADV ("Form ADV") filed with the SEC. The Issuer hereby acknowledges that the Portfolio Manager sent, and the Issuer has received from the Portfolio Manager, the Form ADV on or prior to the date of this Agreement. The Portfolio Manager its Affiliates and any account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment advisor may invest directly or indirectly in high-yield debt securities or loans that would be appropriate for the Issuer to invest in. Such investments may be different from those made on behalf of the Issuer. The Portfolio Manager, its Affiliates and any account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment advisor may have ongoing relationships with companies whose high-yield debt securities or loans are included in the Assets. Such relationships may include funds advised by Affiliates of the Portfolio Manager owning all or part of the equity of such companies and employees of Affiliates of the Portfolio Manager serving as officers or directors of such companies. Affiliates and clients of the Portfolio Manager may invest in high-yield debt securities and loans that are senior to, or have interests different from or adverse to, the high-yield debt

securities and loans included in the Assets. The Portfolio Manager and its Affiliates may serve as portfolio manager for, invest in or be affiliated with other entities organized to issue collateralized bond obligations secured by high-yield debt securities or loans. The Portfolio Manager and its Affiliates may at certain times be simultaneously seeking to purchase or sell investments for the Issuer and to buy or sell such obligations for any entity for which any of them serves as portfolio manager or for their clients and Affiliates.

(c) It is expected that the Portfolio Manager, in its capacity as Retention Holder, will continue to hold Subordinated Notes with an aggregate principal amount equal to not less than 5% of the Retention Basis Amount as of the First Refinancing Date (or such lower amount permitted by the EU/UK Risk Retention Requirements from time to time) (the "EU/UK Retained Interest"). In certain circumstances, the interests of the Issuer or the Holders of Notes with respect to matters as to which the Portfolio Manager is advising the Issuer may conflict with the interests of the Portfolio Manager in its capacity as Retention Holder.

(d) The Issuer hereby (i) acknowledges that it has reviewed the Offering Circular, the Form ADV and such other information requested from the Portfolio Manager to its satisfaction, (ii) acknowledges the existence of such conflicts of interest described in subsections (b) and (c) above and in the Offering Circular and the Form ADV and their potential implications, (iii) agrees that the Portfolio Manager may resolve any potential or actual conflicts of interest in the manner described in the Offering Circular, the Form ADV and such other materials requested by the Issuer from the Portfolio Manager from time to time and (iv) to the extent permitted by applicable law, waives any claim with respect to any liability of the Portfolio Manager or any Bain Capital Credit Group arising therefrom.

(e) The Portfolio Manager may, when in its reasonable discretion deemed appropriate, retain unaffiliated third parties (including investment banks and independent legal counsel) to help resolve conflicts of interest between the Issuer, on the one hand, and the Portfolio Manager and/or any of its Affiliates, on the other hand. In addition, the Portfolio Manager may conclusively rely on the willingness of an independent third party to make investment decisions on the same (or less favorable) terms as the Issuer to demonstrate the fairness of the transaction to the Issuer for purposes of this Agreement.

(f) In circumstances where funds or accounts managed by the Portfolio Manager or one of its Affiliates have interests that are adverse to those of the Issuer, the Portfolio Manager may exercise its judgment (in accordance with the applicable requirements of the Investment Advisers Act) considering the interests of the Issuer and such funds and accounts taken as a whole.

10. Records; Confidentiality.

(a) The Portfolio Manager shall maintain appropriate books of account and records relating to services performed hereunder, and such books of account and records shall be accessible for inspection by representatives of the Issuer, the Trustee and the independent accountants appointed by the Issuer pursuant to the Indenture at any mutually agreed reasonable time during normal business hours and upon not less than five (5) Business Days' prior notice. The Portfolio Manager shall keep confidential any and all information that is either (x) of a type

that would ordinarily be considered proprietary or confidential or (y) designated as confidential (collectively, "Confidential Information") and obtained in connection with the services rendered hereunder, and shall not disclose any such Confidential Information to non-affiliated third parties (which shall in no event be deemed to include Holders of Notes) except (i) with the prior written consent of the Issuer, (ii) such information as any Rating Agency shall reasonably request in connection with its rating of any Class of Notes, (iii) as required by law, regulation, court order or the rules or regulations of any stock exchange or self-regulating organization, body or official having jurisdiction over the Issuer or the Portfolio Manager, (iv) to its professional advisers, (v) such information as shall have been publicly available or disclosed other than in violation of this Agreement or the Indenture, (vi) such information that was or is obtained by the Portfolio Manager on a non-confidential basis, (vii) such information that was or is obtained by the Portfolio Manager from a non-affiliated third party, provided, however, that such non-affiliated third party is not known by the Portfolio Manager to be bound by this Agreement or another confidentiality agreement with the Issuer or (viii) such information that is related to the investment performance of the Portfolio Manager.

(b) Notwithstanding the provisions of Section 10(a), the Portfolio Manager and each of its respective employees, representatives or other agents may disclose to any and all Persons, without limitation of any kind, the U.S. federal income tax treatment and U.S. federal income tax structure of the transactions contemplated by the Issuer Documents, and all materials of any kind (including opinions and other tax analyses) that are provided to them relating to such U.S. federal income tax treatment and U.S. income tax structure.

(c) For the avoidance of doubt, any Person may disclose Confidential Information to report possible violations of federal law or regulation to any governmental agency or entity, including but not limited to the Department of Justice, the Securities and Exchange Commission, the United States Congress, and any agency inspector general, or making other disclosures that are protected under the whistle-blower provisions of federal law or regulation. There is no prior authorization necessary hereunder to make any such reports or disclosures and there is no notification requirement that any such re-ports or disclosures have been made.

11. Term; Termination.

(a) This Agreement shall commence as of the date first set forth above and shall continue in force and effect until the first of the following occurs: (i) the payment in full of the Notes and the termination of the Indenture in accordance with its terms; (ii) the liquidation of the Assets and the final distribution of the proceeds of such liquidation to the Holders of Notes; or (iii) the termination of this Agreement in accordance with subsections (b) or (c) of this Section 11 or Section 12 of this Agreement.

(b) Notwithstanding any other provision hereof to the contrary (but subject to subsection (e) below), the Portfolio Manager has the right to resign and terminate its rights and obligations under this Agreement without cause upon at least 90 days' written notice to the Issuer (or such shorter notice as is acceptable to the Issuer). The Portfolio Manager may also immediately resign and terminate its rights and obligations under this Agreement at any time upon the effectiveness of any material change in applicable law or regulations which renders the

performance by the Portfolio Manager of its duties under this Agreement or the Indenture to be a violation of such law or regulation.

(c) This Agreement shall be automatically terminated in the event the Portfolio Manager or the Issuer takes any action which would require a registration of the Issuer, the Co-Issuer or of the pool of Assets under the provisions of the Investment Company Act, and the Issuer notifies the Portfolio Manager thereof.

(d) If this Agreement is terminated pursuant to this Section 11, none of the parties shall have any further liability or obligation to the other parties, except as provided in Sections 7(f), 10 (other than the first sentence of subsection (a) thereof), 13, 14 and 20(b) and (c) of this Agreement.

(e) Any removal or resignation of the Portfolio Manager while any Notes are Outstanding will not be effective until (i) the appointment by the Issuer, at the direction of a Majority of the Subordinated Notes of a successor portfolio manager that is an established institution with experience managing assets similar to the Assets that (1) has demonstrated an ability to professionally and competently perform duties reasonably comparable to those imposed upon the Portfolio Manager under this Agreement and the Indenture, (2) is legally qualified and has the capacity to act as a successor to the Portfolio Manager under this Agreement, (3) prior written notice is delivered to Fitch, (4) shall not cause the Issuer, the Co-Issuer or the pool of Assets to become required to register as an investment company under the provisions of the Investment Company Act and (5) shall not, by its appointment, result in the imposition of any U.S. federal, state or local net income tax or withholding tax on the Issuer in excess of that already payable by the Issuer or the payments to the Holders and (ii) written acceptance of appointment and assumption of all of the duties and obligations of the Portfolio Manager under this Agreement and under the terms of the Indenture applicable to the Portfolio Manager by such successor portfolio manager. The Issuer, the Trustee and the successor portfolio manager shall take such action (or cause the outgoing Portfolio Manager to take such action) consistent with this Agreement and the terms of the Indenture applicable to the Portfolio Manager, as shall be necessary to effectuate any such succession. If the Portfolio Manager shall resign or be removed but a successor portfolio manager shall not have assumed all of the Portfolio Manager's duties and obligations under this Agreement within ninety (90) days after the date of the resignation or removal, then the Portfolio Manager, a Majority of the Subordinated Notes or a Majority of the Controlling Class may petition any court of competent jurisdiction for the appointment of a successor portfolio manager. No vote of the Holders of the Subordinated Notes or the Controlling Class and no satisfaction of any applicable rating condition will be required in connection with such appointment by a court of competent jurisdiction. The Issuer will provide each Rating Agency with written notice of any removal or resignation of the Portfolio Manager. Notwithstanding anything to the contrary set forth above, if the Portfolio Manager has been removed for "cause," any Portfolio Manager Securities shall be excluded from the numerator and denominator of any vote to appoint a successor portfolio manager that is an Affiliate of the Portfolio Manager.

(f) Notwithstanding the foregoing, as a condition precedent to assuming the obligations of the Portfolio Manager hereunder, any successor portfolio manager shall agree that, in the event the Portfolio Manager determines at any time that it is necessary or advisable under the EU/UK Risk Retention Requirements in effect at such time to transfer (or cause the transfer

of) any Notes comprising the EU/UK Retained Interest necessary to maintain compliance with such EU/UK Risk Retention Requirements, the successor portfolio manager shall acquire from the Portfolio Manager the minimum aggregate principal amount of such Notes necessary to maintain compliance with such EU/UK Risk Retention Requirements, at a price equal to the fair value thereof.

(g) In the event of removal of the Portfolio Manager by the Issuer pursuant to this Agreement, the Issuer shall have all of the rights and remedies available with respect thereto at law or equity and, without limiting the foregoing, the Issuer or the Trustee, to the extent so provided in the Indenture, may by written notice to the Portfolio Manager as provided under this Agreement terminate all the rights and obligations of the Portfolio Manager under this Agreement (except those that survive termination pursuant to subsection 11(d) above or as otherwise provided in this Agreement). Upon expiration of the applicable notice period with respect to termination specified in this Section 11 or Section 12, as applicable, and upon acceptance by a successor portfolio manager of appointment, all authority and power of the Portfolio Manager under this Agreement or the Indenture, whether with respect to the Assets or otherwise, shall automatically and without further action by any Person pass to and be vested in the successor portfolio manager.

12. Termination by the Issuer for "Cause".

This Agreement shall be terminated, and the Portfolio Manager shall be removed for cause (as defined below) by the Issuer, at any time upon the direction of (x) a Majority of the Controlling Class or (y) a Supermajority of the Subordinated Notes; provided, however, that, (I) in each case, Portfolio Manager Securities shall be excluded from the numerator and denominator in calculating such Majority or Supermajority and (II) if directed by a Supermajority of the Subordinated Notes, such direction may be withdrawn by a Supermajority of the Subordinated Notes.

No such termination or removal shall be effective until such time as a successor portfolio manager shall have assumed all of the Portfolio Manager's duties and obligations pursuant to Section 11(e) hereof and each Rating Agency is notified of such occurrence and of the identity of the successor portfolio manager. For purposes of determining "cause" with respect to any such termination of this Agreement, such term shall mean only any one of the following events:

(a) the Portfolio Manager knowingly and intentionally breaches any material provision of this Agreement or any material provisions of the Indenture applicable to it (not including a willful and intentional breach that results from a good faith dispute regarding reasonable alternative courses of action or interpretation of instructions), and fails to cure such breach within thirty (30) days of receiving notice of such breach, or, if such breach is not capable of cure within thirty (30) days but is capable of being cured within ninety (90) days, the Portfolio Manager fails to cure such breach within the period in which a reasonably prudent person could cure such breach (but in no event more than ninety (90) days); provided, however, that no such opportunity to cure shall exist if such breach results from bad faith on the part of the Portfolio Manager;

(b) the Portfolio Manager breaches in any respect any provision of this Agreement or any provision of the Indenture expressly applicable to it (other than as covered by subsection 12(a) above and it being understood that failure to satisfy any Concentration Limitation,

Collateral Quality Test or Coverage Test shall not be considered a breach for purposes of this subsection 12(b)), if any such breach has had, or could reasonably be expected to have, a material adverse effect on the Holders of the Notes and fails to cure such breach within thirty (30) days of receiving notice of such breach or, if such breach is not capable of cure within thirty (30) days but is capable of being cured within ninety (90) days, the Portfolio Manager fails to cure such breach within the period in which a reasonably prudent person could cure such breach (but in no event more than ninety (90) days);

(c) the Portfolio Manager is wound up or dissolved, or there is appointed over it or a substantial portion of its assets a receiver, administrator, administrative receiver, trustee or similar officer; or the Portfolio Manager (i) ceases to be able to, or admits in writing its inability to, pay its debts as they become due and payable, or makes a general assignment for the benefit of, or enters into any composition or arrangement with, its creditors generally; (ii) applies for or consents (by admission of material allegations of a petition or otherwise) to the appointment of a receiver, trustee, assignee, custodian, liquidator or sequestrator (or other similar official) of the Portfolio Manager, or of any substantial part of its properties or assets, or authorizes such an application or consent, or proceedings seeking such appointment are commenced without such authorization, consent or application against the Portfolio Manager and continue un-dismissed for sixty (60) days; (iii) authorizes or files a voluntary petition in bankruptcy, or applies for or consents (by admission of material allegations of a petition or otherwise) to the application of any bankruptcy, reorganization, arrangement, readjustment of debt, insolvency or dissolution, or authorizes such application or consent, or proceedings to such end are instituted against the Portfolio Manager without such authorization, application or consent and are approved as properly instituted and remain un-dismissed for sixty (60) days, or result in adjudication of bankruptcy or insolvency; or (iv) permits or suffers all or any substantial part of its properties or assets to be sequestered or attached by court order and the order remains un-dismissed for sixty (60) days;

(d) the occurrence and continuance of an "Event of Default" under the Indenture that (A) consists of a default in the payment of principal or interest on the Notes when due and payable and (B) results primarily from any breach by the Portfolio Manager of its duties hereunder or under the Indenture; or

(e) (A) the occurrence of an act by the Portfolio Manager that constitutes fraud or criminal activity in the performance of its obligations under this Agreement as determined pursuant to a final adjudication by a court of competent jurisdiction, (B) the Portfolio Manager being convicted (after all appeals and the expiration of time to appeal) of a criminal offense that materially relates to the business of providing asset management services or (C) any officer or director of the Portfolio Manager having responsibility for the performance by the Portfolio Manager of its obligations under this Agreement being convicted (after all appeals and the expiration of time to appeal) for a criminal offense materially related to the primary business of the Portfolio Manager and such officer or director continues to have responsibility for the performance by the Portfolio Manager for a period of thirty (30) days after any final appeal (or the expiration of time to appeal).

Notwithstanding the foregoing subsections 12(a), 12(b) and 12(d), it shall not constitute "cause" if the Portfolio Manager acquires or disposes of Collateral Obligations or Eligible Investments on behalf of the Issuer if the Portfolio Manager believes in good faith that such

purchase or disposition is in compliance with the requirements hereunder and under the Indenture, but it is subsequently determined that such transaction is not so in compliance.

The Holders of more than 33 1/3% of the aggregate outstanding amount of each Class of Notes (voting separately by Class) or, in the case of a direction for removal by a Supermajority of the Subordinated Notes, the Holders of a Supermajority of the Subordinated Notes may together waive any event described in subsections 12(a), 12(b), 12(d) and 12(e) above as a basis for termination of this Agreement and removal of the Portfolio Manager; provided, however, that in each case, the Portfolio Manager Securities shall be excluded from the numerator and denominator in calculating such vote.

If any of the events specified in this Section 12 shall occur, the Portfolio Manager shall give prompt written notice thereof to the Issuer, the Trustee, each Rating Agency and the Holders of all Outstanding Notes upon the Portfolio Manager's becoming aware of the occurrence of such event.

13. Action Upon Termination.

(a) From and after the effective date of the termination of the Portfolio Manager's duties and obligations pursuant to this Agreement or the resignation or removal of the Portfolio Manager hereunder, the Portfolio Manager shall only be entitled to reimbursements to the extent so provided in Section 5 hereof and accrued through the date of termination and compensation to the extent so provided in Section 7 hereof, and shall be entitled to receive any amounts owing under Section 14 hereof. Upon such termination, resignation or removal, the Portfolio Manager shall as soon as practicable:

(i) deliver to the Issuer all property and documents of the Trustee or the Issuer, or otherwise relating to the Assets, then in the custody of the Portfolio Manager; and

(ii) deliver to the Trustee an accounting with respect to the books and records delivered to the Issuer or the successor portfolio manager appointed pursuant to subsection 11(e) hereof.

Notwithstanding such termination, resignation or removal, the Portfolio Manager shall remain liable to the extent set forth herein (but subject to Section 14 hereof) for its acts or omissions hereunder arising prior to termination.

14. Liability; Delegation.

(a) The Portfolio Manager assumes no responsibility under this Agreement other than to render in good faith the services called for hereunder and under the terms of the Indenture applicable to it, in each case, in accordance with the Standard of Care and shall not be responsible for any action of the Issuer or the Trustee in following or declining to follow any advice, recommendation or direction of the Portfolio Manager. Notwithstanding any provision to the contrary in any Manager Document or the Indenture, neither the Portfolio Manager nor any of its directors, managers, officers, stockholders, members, partners, agents, employees or Affiliates will be liable to the Co-Issuers, the Trustee, the Calculation Agent, the Paying Agent, the Collateral Administrator, the Holders or any other Person for any losses, claims, damages, judgments,

assessments, costs or other liabilities (collectively, "Liabilities") incurred by any such Person that arise out of or in connection with the actions taken or recommended, or for any omissions, by the Portfolio Manager, its directors, managers, officers, stockholders, members, partners, agents, employees or Affiliates under any Manager Document or the Indenture or for any decrease in the value of, the Collateral Obligations or Eligible Investments, except, in the case of the Portfolio Manager only (i) by reason of acts or omissions constituting bad faith, willful misconduct or gross negligence in the performance, or reckless disregard, of the obligations of the Portfolio Manager under any Manager Document or under the terms of the Indenture expressly applicable to it, in each case, as determined pursuant to a final adjudication by a court of competent jurisdiction or (ii) with respect to the Bain Credit Information that contains any untrue statement of material fact, or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading as of the date of the Offering Circular. The Portfolio Manager may delegate to an agent selected with reasonable care any or all of the duties assigned to the Portfolio Manager under this Agreement; provided, however, that (w) the Portfolio Manager will not be relieved of any of its duties under this Agreement as a result of such delegation to or employment of such agent and will be liable for acts and omissions of such agent to the same extent (including the same standard of care) as if such acts and omissions were acts or omissions of the Portfolio Manager, (x) the Portfolio Manager will be solely responsible for the fees and expenses payable to any such agent except to the extent such expenses are payable by the Issuer under this Agreement, (y) the Portfolio Manager may not delegate its obligation to manage investments or reinvestments on behalf of the Issuer to any third party and (z) no such delegation by the Portfolio Manager shall be permitted if it would cause the Issuer to be subject to U.S. federal, state or local income tax on a net income basis. For the avoidance of doubt, any restrictions on the ability of the Portfolio Manager to assign the duties assigned to it under this Agreement shall apply equally to any delegate of the Portfolio Manager. Notwithstanding anything to the contrary in this Agreement, the Portfolio Manager shall not be liable for any consequential, special, indirect or punitive damages hereunder.

(b) The Issuer shall indemnify and hold harmless the Portfolio Manager, its directors, managers, officers, stockholders, members, partners, agents and employees and its Affiliates and their directors, managers, officers, stockholders, members, partners, agents and employees (collectively, the "Portfolio Manager Indemnitees") from and against any and all Liabilities, and will promptly reimburse each such Person for all reasonable fees and expenses (including reasonable and documented fees and expenses of counsel) as such fees and expenses (collectively, the "Expenses") are incurred in investigating, preparing, pursuing or defending any claim, action, proceeding or investigation with respect to any pending or threatened litigation (collectively, the "Actions"), caused by, or arising out of or in connection with, the Assets or business of the Issuer, or otherwise relating to the Indenture or the Manager Documents, and/or any action taken by, or any failure to act by, such Portfolio Manager Indemnitee in connection therewith; provided, however, that such Portfolio Manager Indemnitee shall not be indemnified for any Liabilities or reimbursed for any Expenses (i) it incurs as a result of any acts or omissions by any such Person constituting bad faith, willful misconduct or gross negligence in the performance, or reckless disregard, of the obligations of the Portfolio Manager under any Manager Document or the terms of the Indenture expressly applicable to it or (ii) it incurs with respect to the Bain Credit Information that contains any untrue statement of material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading as of the date of the Offering Circular.

Notwithstanding anything to the contrary, the indemnification obligations of the Issuer shall be payable only out of funds to the extent available for such purpose in accordance with the Priority of Distributions.

(c) The Portfolio Manager, its directors, managers, officers, stockholders, members, partners, agents and employees may consult with counsel and accountants with respect to the affairs of the Issuer, and shall be fully protected and justified, to the extent allowed by law, in acting, or failing to act, if such action or failure to act is taken or made in good faith and is in accordance with the advice or opinion of such counsel or accountants.

(d) Notwithstanding anything contained herein to the contrary, the obligations of the Issuer under this Section 14 shall be subject to Section 20(c).

(e) With respect to any claim made or threatened against a party entitled to indemnification under this Section 14 (an "Indemnified Party"), or compulsory process or request or other notice of any loss, claim, damage or liability served upon an Indemnified Party, for which such Indemnified Party is or may be entitled to indemnification under this Section 14, such Indemnified Party shall (or with respect to Indemnified Parties that are directors, managers, officers, stockholders, members, partners, agents, employees or Affiliates of the Portfolio Manager, the Portfolio Manager shall cause such Indemnified Party to):

(i) give written notice to the party required to indemnify the Indemnified Party under this Section 14 (the "Indemnifying Party") of such claim within twenty (20) days after such claim is made or threatened, which notice shall specify in reasonable detail the nature of the claim and the amount (or an estimate of the amount) of the claim; provided, however, that the failure of any Indemnified Party to provide such notice to the Indemnifying Party shall not relieve the Indemnifying Party of its obligations under this Section 14 except to the extent the Indemnifying Party is materially prejudiced or otherwise forfeits rights or defenses by reason of such failure;

(ii) provide the Indemnifying Party such information and cooperation with respect to such claim as the Indemnifying Party may reasonably require, including, but not limited to, making appropriate personnel available to the Indemnifying Party at such reasonable times as the Indemnifying Party may request;

(iii) cooperate and take all such steps as the Indemnifying Party may reasonably request to preserve and protect any defense to such claim;

(iv) in the event suit is brought with respect to such claim, upon reasonable prior notice, afford to the Indemnifying Party the right, which the Indemnifying Party may exercise in its sole discretion and at its expense, to participate in the investigation, defense and settlement of such claim; and

(v) upon reasonable prior notice, afford to the Indemnifying Party the right, in its sole discretion and at its sole expense, to assume the defense of such claim, including, but not limited to, the right to designate counsel (which such counsel shall be reasonably satisfactory to the Indemnified Party) and to control all negotiations, litigation, arbitration, settlements, compromises and appeals of such claim; provided, however, that if the Indemnifying

Party assumes the defense and appeals of such claim, the Indemnified Party shall have the right, in its sole discretion, to consent in writing to the entry of any settlement, compromise, or entry of judgment in respect thereof; provided, further, that if the Indemnifying Party assumes the defense of such claim, for so long as it actively and diligently defends such claim, it shall not be liable for any fees and expenses of counsel for any Indemnified Party incurred thereafter in connection with such claim except that if such Indemnified Party reasonably determines that counsel designated by the Indemnifying Party has a conflict of interest due to the conflicting interests of the Indemnifying Party and the Indemnified Party, such Indemnifying Party shall pay the reasonable fees and disbursements of one counsel (in addition to any local counsel) separate from its own counsel for all Indemnified Parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances; and provided, further, that prior to entering into any final settlement or compromise, such Indemnifying Party shall use commercially reasonable efforts to defend such claim.

(vi) In the event that any Indemnified Party waives its right to indemnification hereunder, the Indemnifying Party shall not be entitled to appoint counsel to represent such Indemnified Party nor shall the Indemnifying Party reimburse such Indemnified Party for any costs of counsel to such Indemnified Party.

(f) The Portfolio Manager does not warrant, nor accept responsibility, nor shall the Portfolio Manager have any liability with respect to, the administration, submission or any other matter related to the rates in the definition of "Term SOFR Rate," "Reference Rate" or "Fallback Rate" or with respect to any rate that is an alternative or replacement for or successor to any of such rate or the effect of any of the foregoing, or of any other changes to the Reference Rate.

(g) The Portfolio Manager does not warrant, nor accept responsibility for, nor shall the Portfolio Manager have any liability solely as a result of a Collateral Obligation becoming an ESG Prohibited Collateral Obligation.

(h) It is understood that certain provisions of this Agreement may serve to limit the potential liability of the Portfolio Manager. The Issuer acknowledges that it has had the opportunity to consult with the Portfolio Manager as well as, if desired, its professional advisors and legal counsel as to the effect of these provisions. It is further understood that certain applicable laws, including applicable federal or state securities laws, may impose liability or allow for legal remedies even where the Portfolio Manager has acted in good faith and that the rights under those laws may be non-waivable. Nothing herein shall, in any way, constitute a waiver or limitation of any rights which may not be so limited or waived in accordance with applicable law, including with respect to the breach of any fiduciary duty owed under Section 206 of the Investment Advisers Act.

(h) The Portfolio Manager shall not be responsible or liable for any failure or delay in the performance of its duties and obligations under this Agreement and/or the Indenture arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, epidemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

(i) The determination as to whether any action of the Portfolio Manager complies with the terms of this Agreement shall be determined on the date of action only, based upon the prices and characteristics of the Assets on the date of such action. The provisions of this Agreement shall not be deemed breached as a result of changes in value or status of any Asset following purchase. Without limiting the other provisions of this Agreement, the Portfolio Manager shall be permitted to sell any Asset that the Portfolio Manager deems appropriate in its sole discretion for purposes of curing any violation (to the extent capable of cure) of any prohibitions, limits or any other guidelines (numerical, percentage-based, ratings-based or otherwise) applicable to the Issuer and/or the Assets.

15. Obligations of Portfolio Manager.

Unless otherwise specifically required by any provision of the Indenture or this Agreement or by applicable law, the Portfolio Manager shall not knowingly or intentionally take any action which it knows or should know would (a) materially adversely affect the Issuer or the Co-Issuer for purposes of Cayman Islands law, United States federal or state law or any other law known to the Portfolio Manager to be applicable to the Co-Issuers, (b) with respect to the Issuer and the Co-Issuer, not be permitted under the Issuer's or the Co-Issuer's Governing Instruments, (c) violate any law, rule or regulation of any governmental body or agency having jurisdiction over the Issuer or the Co-Issuer, including, without limitation, any Cayman Islands or United States federal, state or other applicable securities law the violation of which would have an adverse effect on the business, operations, assets or financial condition of the Issuer or the Co-Issuer, or on the ability of the Portfolio Manager to perform its obligations hereunder or under the provisions of the Indenture applicable to it, (d) require registration of the Issuer or the Co-Issuer or the pool of Assets as an "investment company" under the Investment Company Act, (e) cause the Issuer or the Co-Issuer to violate the terms of the Indenture, (f) adversely affect the interests of the Holders in any material respect (other than as permitted or required hereunder or under the Indenture, it being understood that, in connection with the foregoing, the Portfolio Manager will not be required to make any independent investigation of any facts or laws not otherwise actually known to it in connection with its obligations under this Agreement or the Indenture, or the conduct of its business generally) or (g) cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis; provided, however, that the Portfolio Manager shall be deemed to have complied with clause (g) if it has complied with the Investment Restrictions or the Tax Advice described therein permitting deviations therefrom, except to the extent that there has been a change in law or the interpretation thereof that is relevant to an action after the date hereof (or the date of such Tax Advice) that the Portfolio Manager actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) that taking such action would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis notwithstanding compliance with the Investment Restrictions or such Tax Advice, it being understood that the Portfolio Manager shall not be required to make any independent investigation of any U.S. federal income tax laws, any regulations or guidance promulgated thereunder, or the interpretation thereof in order to satisfy the "actual knowledge" element of this provision. The Portfolio Manager covenants that it shall comply in all material respects with all laws and regulations applicable to it in connection with the performance of its duties under this Agreement or the Indenture. Notwithstanding anything in this Agreement, the Portfolio Manager shall not take

any discretionary action that could reasonably be expected to cause an Event of Default under the Indenture.

16. No Partnership or Joint Venture.

The Issuer and the Portfolio Manager are not partners or joint venturers with each other and nothing herein shall be construed to make them such partners or joint venturers or to impose any liability as such on either of them. The Portfolio Manager's relation to the Issuer shall be deemed to be that of an independent contractor, and not an agent.

17. Notices.

Unless expressly provided otherwise herein, all notices, requests, demands and other communications required or permitted under this Agreement shall be in writing (including by facsimile), and shall be deemed to have been duly given, made and received when delivered against receipt or upon actual receipt of registered or certified mail, postage prepaid, return receipt requested, or, in the case of facsimile notice, when receipt is confirmed, addressed as set forth below:

18. Succession and Assignment.

(a) This Agreement shall inure to the benefit of and be binding upon the successors to the parties hereto. No assignment of this Agreement shall be made without the consent of the other party, except as set forth below; provided, however, that the Issuer may collaterally assign its interest in this Agreement to the Trustee under the Indenture.

(b) Other than in connection with an assignment to an Affiliate of the Portfolio Manager, any assignment (including, without limitation, within the meaning of Section 205(a)(2) of the Investment Advisers Act) of this Agreement to any Person, in whole or in part, by the Portfolio Manager shall be deemed null and void unless such assignment is consented to in writing by the Issuer and a Majority of the Subordinated Notes and each Rating Agency is notified of such assignment. Notwithstanding the foregoing, however, the Portfolio Manager may (x) with prior notice to the Trustee (who shall forward such notice to the Holders) and each Rating Agency, but without the consent of the Issuer, any Holder of Notes or each Rating Agency, assign all of its rights and obligations under this Agreement to any member of the Bain Capital Credit Group that has comparable personnel, expertise and capitalization to the Portfolio Manager and (y) appoint any member of the Bain Capital Credit Group (other than an individual) that provides portfolio management services as a sub-investment manager under this Agreement; provided, that in the case of clauses (x) and (y) above such member thereof must have personnel with comparable expertise and experience as that of the Portfolio Manager and be capable of performing the obligations of the Portfolio Manager hereunder. Any assignment made pursuant to this Agreement shall bind the assignee hereunder in the same manner as the Portfolio Manager is bound. In addition, the assignee shall execute and deliver to the Issuer and the Trustee a counterpart of this Agreement naming such assignee as Portfolio Manager. Upon the execution and delivery of such a counterpart by the assignee, the Portfolio Manager shall be released from further obligations pursuant to this Agreement, except with respect to its obligations arising under Section 14 of this Agreement prior to such assignment, and except with respect to its obligations under Section 13 and Section 20(b) hereof. No assignment of this Agreement shall be effective unless such assignment does not cause the Issuer to be subject to U.S. federal, state or local income tax on a net income basis.

(c) The Portfolio Manager agrees that its obligations hereunder in accordance with the terms of this Agreement and the terms of the Indenture applicable to it shall be enforceable by the Issuer on behalf of the Issuer, by the Trustee on behalf of the Holders and by the requisite percentage of Holders, on behalf of themselves, as and to the extent provided in the Indenture.

19. Miscellaneous.

(a) **THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.**

(b) The captions in this Agreement are included for convenience only, and in no way define or limit any of the provisions hereof, or otherwise affect their construction or effect.

(c) In the event that any provision of this Agreement shall be held invalid or unenforceable, by any court of competent jurisdiction, such holding shall not, to the fullest extent permitted by law, invalidate or render unenforceable any other provision hereof.

(d) This Agreement may be amended or modified from time to time, by an instrument in writing signed by the Portfolio Manager and the Issuer with the consent of a Majority of the Subordinated Notes. Each Rating Agency shall be notified of any such modification or amendment. Notwithstanding the foregoing, the parties hereto, without the consent of any Holder, may amend any provision of this Agreement to reflect a change that is (i) of an inconsequential nature, (ii) clarifying any ambiguity, defect or inconsistency in this Agreement in a manner that is not adverse to the Issuer or the Holders or that solely conforms the provisions of this Agreement to the description thereof in the Offering Circular or (iii) to comply with any applicable regulatory requirements. Notwithstanding anything herein to the contrary, the provisions set forth in the Investment Restrictions may be amended, eliminated or supplemented (without execution of an amendment to this Agreement) in accordance with the terms thereof.

(e) This Agreement constitutes the entire understanding and agreement between the parties and supersedes all other prior understandings and agreements, whether written or oral, between the parties concerning this subject matter.

(f) The Portfolio Manager (i) consents to, and agrees to perform, the provisions of the Indenture applicable to the Portfolio Manager and (ii) acknowledges that the Issuer is assigning all of its estate, right, title and interest in, to and under this Agreement to the Trustee for the benefit of the Holders and other secured parties to the extent provided in the Indenture.

(g) This Agreement may be executed in any number of counterparts, each of which so executed shall be deemed an original, but all such counterparts shall together constitute but one and the same instrument. Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed. Any electronic signature shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar federal or state law, rule or regulation as the same may be in effect from time to time, and

the parties hereby waive any objection to the contrary. Any document accepted, executed or agreed to in conformity with such laws will be binding on all parties hereto to the same extent as if it were physically executed and each party hereby consents to the use of any third-party electronic signature capture service providers are may be reasonably chosen by a signatory hereto.

(h) The Portfolio Manager shall notify the Issuer of any material change in the ownership of the Portfolio Manager within a reasonable period of time after such change.

(i) The Portfolio Manager agrees that the payment of all amounts to which it is entitled pursuant to this Agreement shall be subordinated to the extent set forth in, and the Portfolio Manager agrees to be bound by the provisions of, Section 11.1 of the Indenture as if the Portfolio Manager were a party to the Indenture, and each of the Portfolio Manager and Issuer hereby consents to the assignment of this Agreement as provided in Section 15.1 of the Indenture.

(j) Neither the failure nor any delay on the part of any party hereto to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same, or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

20. Non-Petition; Non-Recourse.

(a) The Portfolio Manager shall continue to serve as Portfolio Manager under this Agreement notwithstanding that the Portfolio Manager shall not have received money due it under this Agreement because sufficient funds were not then available hereunder to pay or distribute such amounts in accordance with the Priority of Distributions.

(b) The Portfolio Manager agrees not to institute against or join any other person in instituting against the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation proceedings, or other proceedings under U.S. federal or state bankruptcy or similar laws, or the similar laws of the Cayman Islands or other applicable jurisdiction, until the payment in full of all Notes issued under the Indenture and the expiration of a period equal to (a) one year, or (b) if longer, the applicable preference period, and in either case of (a) or (b) plus one day, following such payment. Nothing in this Section 20(b) shall preclude the Portfolio Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Portfolio Manager, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation proceeding.

(c) Notwithstanding any other provision of this Agreement, all obligations of the Issuer under this Agreement are solely the obligations of the Issuer and shall at all times constitute limited recourse obligations of the Issuer payable from the Assets at such time and

amounts derived therefrom or referable thereto in accordance with the Priority of Distributions at any time. No recourse shall be had for the payment or distribution of any amount owing in respect of this Agreement against any other asset of the Issuer or against any officer, director, employee, shareholder or incorporator of the Issuer. The Issuer's obligations shall extinguish, and shall not thereafter revive, at such time as the Assets of the Issuer are reduced to zero, and no further claim shall be made against the Issuer in respect of any shortfall after the extinction of such obligations.

(d) The provisions of subsections (b) and (c) of this Section 20 shall survive termination of this Agreement for any reason whatsoever.

21. Firm Name.

The Issuer shall have the right to use the firm name, "Bain Capital Credit CLO 2023-1, Limited" so long as the Portfolio Manager or any member of the Bain Capital Credit Group serves as Portfolio Manager hereunder, it being understood that the use of such name by the Issuer shall not in any way modify, limit, or otherwise be construed as a waiver with respect to any rights of the Portfolio Manager, its Affiliates and/or any members of the Bain Capital Credit Group in connection with such name. Schedule A

CERTAIN TAX RESTRICTIONS[1]

For purposes of this Schedule A, the term "***Collateral Debt Obligation***" shall mean all of the Client's right, title and interest in each Asset.

The purpose of these tax guidelines is to help ensure that Bain Capital Credit CLO 2023-1, Limited, (the "Client")[2] (i) is treated as an "investor" for U.S. federal income tax purposes or qualifies for the safe harbor contained in section 864(b)(2) of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), (ii) is not treated as a dealer in stocks, securities or derivatives, as originating loans, as providing guarantees, or as providing insurance or reinsurance, (iii) does not invest in assets that could cause it to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis and (iv) does not hold assets that are subject to withholding tax. These guidelines should be read consistently with that purpose.

(1) Investment Restrictions relating to loan origination.

(A) The Client shall not make loans, shall not sign a loan agreement as an original lender, shall not purchase a loan until such loan has been closed for at least 48 hours and shall not, in the case of any loan the origination of which has not yet closed (other than a Broadly Syndicated Collateral Debt Obligation (as defined below)), commit[3] the Client to acquire a loan earlier than 48 hours after the Person from whom the Client will purchase such loan is legally committed to acquire, participate in or make the loan (and such legal commitment by the seller of the loan to the borrower or obligor is independent from and is not conditioned in any way on the Client's purchase of (or commitment to purchase) the loan from the seller). Notwithstanding this requirement, the Client is permitted to purchase a Publicly Issued Debt Security as part of the original issuance of the Publicly Issued Debt Security.

(B) The Client shall not, directly or indirectly, purchase (and will not enter into a commitment to purchase, whether or not in writing (or otherwise agree to acquire an economic, beneficial or derivative interest in)) a loan if the Portfolio Manager or one of its Affiliates[4] is lead or joint syndication agent in the loan syndicate, the

[1] Subject to review by Dechert tax.

[2] References in these Investment Restrictions to the "Client" shall include any agent of the Client (including, but not limited to, the Portfolio Manager) when acting on behalf of the Client.

[3] Except as otherwise provided, "commit" or "commitment", when used in relation to the Client's acquisition of a Collateral Debt Obligation, shall refer to any understanding, arrangement, forward sale agreement or commitment with any person to acquire any Collateral Debt Obligation.

[4] "Affiliates" shall mean, with respect to a Person, (a) any other Person who, directly or indirectly, is in control of, or controlled by, or is under common control with, such Person or (b) any other Person who is a director, officer or employee (i) of such Person, (ii) of any subsidiary or parent company of such Person or (iii) of any Person described in clause (a) above.

originator, underwriter, placement agent or similar promoter of the loan unless (i) it has been 90 days since the loan was outstanding, issued and originated, (ii) the holder of the loan did not identify the loan as intended for sale to the Client until at least 60 days after the loan was issued; (iii) the price paid by the Client for such a loan is its fair market value on the date of the purchase, (iv) the employees or agents of the Portfolio Manager responsible for selecting the loan for the Client were not involved in the origination of the loan and do not have access to any files, records, or other information that is not available to independent unrelated secondary market acquirers concerning the origination or underwriting of any such Collateral Debt Obligation, (v) at all times after the acquisition, the Client owns less than 50% of the aggregate principal amount of the borrowing that includes such Collateral Debt Obligation and owns no more than the principal amount of such Collateral Debt Obligation held following such purchase by the Portfolio Manager and its Affiliates (excluding the Client), (vi) the Portfolio Manager or its Affiliate, as the case may be, originated the Collateral Debt Obligation in the ordinary course of its business and not in contemplation of its acquisition by the Client and does not regularly sell Collateral Debt Obligations to the Client, and (vii) the Affiliate of the Portfolio Manager could have held the Collateral Debt Obligation for its own account for an indefinite period without being subject to any requirement to hedge its position in such Collateral Debt Obligation or reasonably could have expected to sell any portion of such Collateral Debt Obligation it was unable to retain to persons or entities other than the Client; provided, however, restriction (i) and (ii) of this paragraph (I) (B) shall not apply with respect to a loan issued by an Affiliate of the Portfolio Manager to the extent that none of the Client, the Portfolio Manager and any Affiliate of the Portfolio Manager acted as lead or joint syndication agent in the loan syndicate, the original lender, underwriter, placement agent or similar promoter (other than a promoter acting solely on behalf of the borrower and its equity holders (which equity holders shall not include the Portfolio Manager) and thus not acting on behalf of the lead or joint syndication agent in the loan syndicate, the original lender, underwriter, placement agent or Client) of the loan.

(C) Except as set forth in subparagraph (I) or (II) of this paragraph (1)(C), the Client shall not (i) negotiate the terms of any loan, (ii) have any discussions with any obligor on a loan or the issuer of other Collateral Debt Obligations, except for due diligence or informational purposes after all the material terms and conditions of the related Collateral Debt Obligation are fixed and binding or (iii) structure or influence the terms of any Collateral Debt Obligation; *provided* that the Client may (x) consent to or withhold consent to any proposed amendments, supplements or other modifications of the terms of any Collateral Debt Obligation that do not require or provide for any advance of additional funds to the obligor after such Collateral Debt Obligation is acquired by the Client if (i) the amendment, supplement or other modification does not give rise to a significant modification (as described below) or (ii) the amendment, supplement or other modification is proposed by the obligor, the Collateral Debt Obligation is not described in paragraph (1)(B) above, neither the Client nor the Portfolio Manager, nor any affiliate of either, has participated directly or indirectly in the negotiation of the amendment, modification or supplement, and the Client is not the largest holder of

the Collateral Debt Obligation, (y) negotiate with respect to the terms of purchase of any loan by the Client and communicate its standard terms and conditions for such purchase to the agent bank or its affiliates and (z) provide comments as to mistakes or inconsistencies in loan documents (including with respect to any provisions that are inconsistent with the terms and conditions of purchase of the loan by the Client). The Client will not acquire a loan with the expectation of restructuring or "working-out" the loan. For purposes of this paragraph (1)(C), the Client will be treated as acquiring a new loan by reason of a modification to an existing loan that is treated as a significant modification for purposes of Treasury regulations section 1.1001-3, and the Client will not be treated as acquiring a new loan by reason of a modification to an existing loan that is not treated as a significant modification for purposes of Treasury regulations section 1.1001-3. Notwithstanding anything to the contrary,

(I) if, at the time of acquisition, a loan was performing and there was no reasonable expectation that the loan would likely default, and the loan subsequently defaults or the Portfolio Manager reasonably expects the loan to default, the Client may renegotiate the terms of the loan with the debtor or other creditors and, may participate on a creditor's committee with respect to the loan, in each case, to protect its investment, but the Client may not advance any additional funds (other than in compliance with the other provisions in these guidelines); and

(II) the Portfolio Manager, any affiliate thereof, and an ETB Subsidiary of the Client also may, with respect to a loan held by the ETB Subsidiary (and, in the case of the Portfolio Manager, a loan issued by the debtor as part of the same issuance as the loan held by the ETB Subsidiary), negotiate with a debtor or other creditors or participate on a creditors' committee if such loan held by the ETB Subsidiary is held by such ETB Subsidiary and not by the Client during any period of time the workout is being negotiated.

In all other cases, except as described herein, neither the Client nor any affiliate thereof will negotiate with a debtor or other creditors or participate on a creditors' committee without the Client having received Tax Advice to the effect that such activity will not cause the Client to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject the Client to U.S. federal income tax on a net basis.

(D) No Collateral Debt Obligation shall be purchased by the Client on terms such that the Client receives the benefit of a fee for underwriting, syndication or placement services, or other services connected with structuring the terms, marketing or placement of the Collateral Debt Obligation (which shall not include, and which the Client shall be permitted to recognize, any discount or fee for the use of or time value of money or commitment fees, any prepayment fees, and consent fees or any discount or fee based on market conditions at the time the Client purchases or commits to purchase the Collateral Debt Obligation).

(E) Except with respect to a Publicly Issued Debt Security, if the Client makes a commitment to purchase a loan that is not outstanding at the time that the Client makes the commitment, (i) unless the Collateral Debt Obligation is a Broadly Syndicated Collateral Debt Obligation, such commitment will be subject to a satisfactory review of the terms and conditions contained in the loan documentation such that, if the loan documentation or the documentation pursuant to which the Client will purchase the loan from the agent bank or syndicate member is not acceptable to the Client, the Client will not be obligated to purchase the loan, (ii) the actual purchase by the Client will not occur earlier than 48 hours after the closing and full funding of the loan, (iii) such commitment is not with the Portfolio Manager unless the Portfolio Manager acquired or committed to the Collateral Debt Obligation in compliance with these Operating Guidelines, (iv) the Client does not enter into a commitment that upon settlement thereof would cause the Client to own more than 25% of the aggregate principal amount of all loan and advances issued (or if not yet fully drawn, to be issued) under the related credit agreement, determined as of the date of acquisition; (v) the Client has no contractual relationship with the obligor of the loan until the Client actually closes the assignment; (vi) the documents relating to the loan do not list the Client as "Lender" or otherwise as a party to the loan on the original closing date; and (vii) the Client's commitment is documented in an industry standard commitment form for secondary market purchases and is substantially similar to that given by all other person who will acquire an interest in the loan from the original lender (including the lack of a material adverse change condition).

(F) The Client will not acquire an interest in a Collateral Debt Obligation that consists of, or includes, a revolving or delayed draw credit facility unless (i) the underlying loan documents were negotiated, finalized and executed prior to the Client's commitment to purchase such interest, (ii) all the terms of any advance required to be made by the Client thereunder will be fixed as of the date of the Client's purchase (or determinable under a formula that is fixed as of such date), (iii) such revolving or delayed draw credit facility is a "fully committed loan" (*i.e.*, under its terms, the Client has no discretion as to whether to make advances thereunder provided all the conditions thereto have been satisfied), (iv) (a) such revolving or delayed draw credit facility is acquired in connection with a term loan that the Client intends to hold at least as long as the revolving or delayed draw credit facility or (b)(i) an advance of more than a *de minimis* amount has been made by a Person that is not an Affiliate of the Client, (ii) is not acquired prior to 60 days after the issuance thereof and (iii) all such interests described in this clause (b) combined shall not exceed 10% of the aggregate principal amount of all assets held by the Client, and (v) the Client acquires less than 25% of the commitment amount of the revolver or delayed draw loan and, taken together with the aggregate principal amount of other such interests held by the Client, does not exceed 15% of the aggregate principal amount of all Collateral Debt Obligations held by the Client.

(G) If a Collateral Debt Obligation requires the Client to participate in a letter of credit issued or to be issued to a borrower (directly or through a synthetic letter of credit structure), such Collateral Debt Obligation only will be acquired and held

(x) in connection with an interest in a related fully funded term loan (which the Client intends to hold) where the amount of such interest is at least as large as the Client's potential exposure under the letter of credit and the Client holds the same proportionate interest in such letter of credit facility as the proportionate interest it holds in the term loan associated with such letter of credit facility, (y) the letter of credit is part of a credit facility that includes other tranches that are not letter of credit facilities and the maximum amount (including for this purpose both the committed and funded amount) of the letter of credit facility does not exceed 50% of the aggregate amount (including for this purpose both the committed and funded amount) of the overall facility and (z) all letters of credit and revolving credit facilities purchased by the Portfolio Manager on behalf of the Client together do not exceed 15% of the aggregate principal amount of all Collateral Debt Obligations held by the Client. All of the terms of any letter of credit in which the Client acquires an interest must have been fully negotiated no later than the original legal document closing of such credit facility and at least 48 hours before the Client committed to acquire such letter of credit, such letter of credit facility has been fully funded by the original lender, and such lender has completed all of its obligations with respect to that letter of credit facility such that the letter of credit facility does not constitute to any extent a delayed drawdown letter of credit facility.

(H) Any agent bank or syndicate members will not act on behalf of the Client as its agent when negotiating the economic terms of a loan with the obligor. Such agent bank or syndicate member may, however, seek, and the Client may respond to, requests for indications of interest.

(I) The Client will not hold itself out (or otherwise be held out) as originating loans.

(2) Investment Restrictions relating to activities (other than loan origination).

(A) The Client will not perform, or hold itself out as willing to perform, any services (*e.g.*, loan servicing).

(B) The Client will invest in Collateral Debt Obligations only with the intent of receiving interest and principal payment with respect to such obligations, or of selling the obligations for capital appreciation, and will not invest in Collateral Debt Obligations with an expectation or intention of restructuring or entering into a workout of such obligation or with the goal of seeking a liquidation of the obligor of the security in order to obtain an interest in assets of the issuer that are located within the United States.

(C) The Client will not act (or hold itself out) as a dealer in stocks or securities or perform any services for others with respect to its investments. For this purpose, "dealer" means a merchant of stocks or securities who is regularly engaged as a merchant in purchasing stocks and securities and selling them to customers with a view to the gains and profits that may be derived therefrom.

(D) The Client shall not hold itself out (or otherwise be held out) or take any actions (including making any filing with governmental agencies) that cause it to be treated as (i) making a market in loans or derivatives, (ii) engaged in the business of insurance or guarantying debt obligations, (iii) a dealer in financial derivatives, (iv) a bank or broker-dealer or (v) ready to enter into either side of a derivatives transaction with members of the public in the ordinary course of its business.

(E) Absent either (i) a change in law that causes the Client to be engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) a final determination by a court that the Client is engaged in a trade or business within the United States for U.S. federal income tax purposes, the Client will not make a claim for exemption from U.S. withholding tax to the U.S. Internal Revenue Service (the "IRS") on the basis that income of the Client is effectively connected with the conduct of a trade or business in the United States, and in particular, shall not file an IRS Form W-8ECI (or any successor form) with any withholding agent with respect to any loan.

(3) Investment Restrictions relating to the nature of certain investments.

(A) The Client shall not (i) acquire or enter into any Synthetic Security with respect to any Reference Obligation the direct acquisition of which would violate any provision of this Schedule A (or that provides for physical settlement by delivery of a deliverable obligation the direct acquisition of which would violate any provision of this Schedule) or (ii) use Synthetic Securities as a means of making advances to the Synthetic Security Counterparty following the date on which the Synthetic Security is acquired or entered into (for the avoidance of doubt, the establishment of Synthetic Security collateral accounts and the payment of Synthetic Security Counterparties from the amounts on deposit therein, in each case in accordance with the Agreement, shall not constitute the making of advances).

(B) No Synthetic Security acquired by the Client shall, through an agreement, arrangement or understanding (i) legally require or cause the Synthetic Security Counterparty to be commercially compelled to own or hold the Reference Obligation while the Synthetic Security remains in effect or (ii) require by its terms the delivery of reports or other information relating to the Reference Obligation if the effect of such requirement is that the purchaser of credit protection thereunder would be required to own the applicable Reference Obligation.

(C) With respect to each Synthetic Security: (i) the criteria used to determine whether to enter into any particular synthetic security is similar to the criteria used by the Client in making investment decisions in debt securities; (ii) the Synthetic Security is acquired by or entered into by the Client for its own account and for investment purposes with the expectation of realizing a profit from income earned on the securities and/or any rise in their value during the interval of time between their purchase and sale and not with an intention to trade or to sell for a short-term profit; (iii) the Client enters into the Synthetic Security with a counterparty that is a broker-dealer or a derivatives dealer; (iv) the Client does not solicit, advertise or

publish to customers the Client's ability to enter into Synthetic Securities; (v) any net payment owed by the Client to the Synthetic Security Counterparty is not determined by reference, in whole or in part, to any actual loss incurred by the Synthetic Security Counterparty or any other designated person; (vi) the Synthetic Security (except such Synthetic Securities that are credit-linked notes or similar securities documented by an indenture and offered pursuant to an offering memorandum or similar offering document, in which case the other provisions of this Schedule A apply) is documented by a "Confirmation" as referred to in the form of ISDA Master Agreement published by the International Swaps and Derivatives Association, Inc.; (vii) the Client will not treat the Synthetic Security as insurance, reinsurance, indemnity bonds, guarantees, guarantee bonds or suretyship contracts for any purposes; (viii) the Synthetic Security Counterparty, to the Client's knowledge, is not regulated or licensed to do business as an insurance company or a reinsurance company in any jurisdiction; and (ix) the Client does not contemporaneously enter into offsetting long and short positions with respect to the same or a substantially similar Reference Obligation to earn a substantially fixed spread, but this is not intended to prevent the Client from entering into an offsetting position to hedge certain risk or to synthetically terminate its exposure to a position in a Reference Obligation in light of subsequent events that in the reasonable judgment of the Portfolio Manager have altered the investment considerations that originally motivated it to enter into the original position.

(D) The Client shall not purchase, acquire or enter into (whether directly, as a part of a "unit" with a Collateral Debt Obligation, in exchange for or upon conversion of a Collateral Debt Obligation or otherwise) any asset or any derivative interest (including, without limitation, any option, warrant or Synthetic Security) with respect to any asset, if such asset or, in the case of such derivative interest the asset which is the subject of such derivative interest (including a Reference Obligation), is treated as (A) an equity interest in an entity or vehicle that is classified for U.S. federal income tax purposes as a partnership or grantor trust (or otherwise as a pass-through entity or disregarded entity), unless (i) all of the assets of such entity could have been purchased by the Client in accordance with the restrictions contained in this Schedule A and are (x) treated as debt for U.S. federal income tax purposes or (y) ownership interests in entities treated as corporations for U.S. federal income tax purposes that are not ineligible to be acquired by the Client under subparagraph (D) below) and (ii) such entity is not treated as engaged in a trade or business within the United States for U.S. federal income tax purposes and does not otherwise have income that is subject to U.S. federal income tax on a net basis, (B) a residual interest in a "REMIC" (as such term is defined in the Code), (C) an ownership interest in a "FASIT" (as such term is defined in the Code), (D) a "United States real property interest" ("USRPI") (as such term is defined in the Code), including certain interests in a "United States real property holding corporation" ("USRPHC") (as such term is defined in the Code) (except that the Client may acquire or hold an interest in a USRPHC under circumstances where the USRPHC may not be liquidated, and stock of the USRPHC may not be sold, unless prior to such liquidation or sale of all USRPI held by the USRPHC have been sold and all U.S. federal income taxes payable by the USRPHC have been

paid, and the Client reasonably believes, at the time of the acquisition of the interest in the USRPHC, that the USRPHC will be liquidated or the stock of the USRPHC will be sold (in each case, in accordance with the restrictions set forth in this subparagraph (D)) prior to the liquidation of the Client) or (E) an asset (located in the United States) that is neither debt nor equity for US federal income tax purposes.

(4) Protection Loans.

Notwithstanding anything to the contrary herein, these tax guidelines shall not prohibit the Client from making a loan or acquiring a loan (the "Protection Loan") directly from the borrower or obligor, or negotiating or otherwise participating in the structuring of the terms of the loan, if: (i) the Portfolio Manager reasonably believes that the successful placement of the Protection Loan is necessary or desirable to protect the Client's investment in an existing loan (the "Pre-Existing Loan"); (ii) the Pre-Existing Loan was not distressed or non-performing at the time of its acquisition and the Client did not acquire the Pre-Existing Loan with a reasonable expectation of, or a view towards, having the opportunity to make or acquire the Protection Loan; (iii) the Pre-Existing Loan is in default as to its payment obligations (or is reasonably expected to default within one year absent the issuance of the Protection Loan); (iv) the Client's primary motive in making or acquiring the Protection Loan is to protect the Client's investment in the Pre-Existing Loan; (v) the right to subscribe to the Protection Loan is offered or allocated among the existing lenders (or a subset thereof) in proportion to their respective positions in the Pre-Existing Loan; and (vi) the principal amount of the Protection Loan acquired by the Client is less than 50% of the principal amount of the Pre-Existing Loan; provided, (a) in the event that the Protection Loan is offered to persons other than the existing lenders, the foregoing prong (v) shall not be deemed violated if the Portfolio Manager reasonably believes that the Client's failure to participate in the Protection Loan would reasonably be expected to jeopardize the successful placement of the Protection Loan and (b) any right to subscribe to the Protection Loan granted under a "back-stop" commitment shall not cause a violation of the foregoing prong (v) or (vi), as applicable, if the opportunity to make such a commitment was made available to the existing lenders (or a subset thereof) in proportion to the size of their respective positions in the Pre-Existing Loan.

(5) Definitions and exceptions to Investment Restrictions.

(A) For purposes of this schedule, (i) the term "Portfolio Manager" shall mean the investment manager of the Client when it is acting, on behalf of the Client, through any agent (which, for the avoidance of doubt, shall include any entity or natural person who directly or indirectly performs any activities on behalf of the Portfolio Manager), employee, office, fixed place of business or permanent establishment, (ii) the term "Collateral Debt Obligation" shall mean any loan, debt security, or other investment, as the case may be, (iii) the term "loan" shall mean any loan (without regard to this definition), debt security or other investment that

is treated as debt for US federal income tax purposes, (iv) the term "Reference Obligation" shall mean a debt security or other obligation based upon which a party's payments under a Synthetic Security are determined, (v) the term "Synthetic Security" shall mean any swap transaction or security, other than a participation interest in a loan, that has payments associated with either payments of interest and/or principal on a Reference Obligation or the credit performance of a Reference Obligation, (vi) the term "Synthetic Security Counterparty" shall mean an entity (other than the Client) required to make payments on a Synthetic Security (including any guarantor); and (vii) "Publicly Issued Debt Security" shall mean either (a) any Collateral Debt Obligation that was issued pursuant to an effective registration statement under the Securities Act of 1933, as amended, (the "Securities Act") in a firm-commitment or best-efforts underwriting for which no Client Affiliate served as underwriter or (b) a privately placed obligation, or a security eligible for resale under Rule 144A or Regulation S (or any successor to Rule 144A or Regulation S), in each case pursuant to a firm-commitment or a best-efforts underwriting under the Securities Act, purchased by the Client from a person other than the obligor of the note and with no contractual agreements with the obligor and (I) the obligation or security was originally issued pursuant to an offering memorandum, private placement memorandum or similar offering document; and (II) the Client, the Portfolio Manager (and Affiliates and accounts and funds managed or controlled by the Portfolio Manager or any Affiliate) did not negotiate or structure the terms of the security and either (1) did not at original issuance acquire 50% or more of the aggregate principal amount of such securities or 50% or more of the aggregate principal amount of any other class of securities offered by the issuer of the obligation or security in the offering and any related offering or (2) did not at original issuance acquire 33% or more of the aggregate principal amount of all classes of securities offered by the issuer of the obligation or security in the offering and any related offering.

(B) For purposes of these guidelines, a "Broadly Syndicated Collateral Debt Obligation" shall mean a Collateral Debt Obligation that: (i) is marketed and sold pursuant to a "customary underwriting"; is acquired in a "permissible fund acquisition"; and (ii) constitutes a "syndicated loan," each as defined below.

(i) Customary Underwriting. A Collateral Debt Obligation is marketed and sold pursuant to a "customary underwriting" if the Portfolio Manager reasonably believes that the underwriting of the Collateral Debt Obligation includes the following features:

(a) A bank or a syndicate of banks (the "lead bank") negotiates the terms of the Collateral Debt Obligation with the issuer or the borrower;

(b) The lead bank assists the issuer or borrower to compile a "confidential information memorandum," a "bank book" or a similar written document to be used in connection with soliciting loan sales, that describes the material terms of the

Collateral Debt Obligation and of the issuer or the borrower (a "Bank Book"). For the avoidance of doubt, a Bank Book, once initially provided and disseminated, may be updated to reflect changes to the material terms through supplements or through data postings on Bloomberg, Intralinks or Syndtrak;

(c) The lead bank markets or seeks buyers for the Collateral Debt Obligation from a wide (although potentially targeted) group;

(d) The lead bank effectuates its underwriting process through soliciting indications of interest or orders, making loan allocations or similar procedures;

(e) The lead bank is paid or compensated by the issuer or the borrower in respect of its underwriting, arranging, placement or for other similar services; and

(f) The lead bank is free to sell or allocate such Collateral Debt Obligation to the highest bidder (or to allocate the Collateral Debt Obligation based on other criteria determined in its sole discretion), even after (I) a "soft circling" process has occurred, (II) indications of interest have been provided and (III) preliminary allocations have been communicated to the Client.

(ii) Permissible Fund Acquisition. A Collateral Debt Obligation is acquired in a "permissible fund acquisition" if the following criteria are satisfied.

(a) Neither the Portfolio Manager, the Client nor any Affiliates thereof provided any underwriting, placement, arranging, structuring or other similar services on behalf of any lending entity or any intermediary in connection with the issuance or origination of such Collateral Debt Obligation.

(b) The commitment is entered into (x) after receipt of the Bank Book (including any supplements thereto) and (y) at a time when the material terms of such Collateral Debt Obligation (other than interest rate and pricing) have been fully negotiated, it being understood that the interest rate and pricing of the Collateral Debt Obligation might not be finalized until just prior to execution and funding.

(c) The Portfolio Manager has no reason to believe that the Collateral Debt Obligation would not be executed on the same terms regardless of whether the commitment was made or the Client obtained an allocation.

(d) The commitment is provided pursuant to typical allocation procedures and the lead bank for such commitment has acknowledged that the lead bank is not acting as the agent of the Client for this purpose.

(e) The commitment relates to a purchase of less than 5% of the face amount of the respective tranche of which the Collateral Debt Obligation forms a part.

(f) The Client, together with any related or commonly managed or advised parties, purchases less than 15% of the face amount of the respective tranche of which the Collateral Debt Obligation forms a part.

(g) Each commitment is independently agreed upon (and there is no ongoing understanding or arrangement by which the Client has agreed to provide funds to the lead bank or issuers or borrowers) although the Client may purchase different tranche of loans offered contemporaneously.

(h) To the best of its knowledge, the Client provides its commitment at the same time as commitments are provided by the majority of the lending syndicate.

(iii) Syndicated Loan. A Collateral Debt Obligation constitutes a "syndicated loan" if the following criteria are satisfied.

(a) The aggregate size of the Collateral Debt Obligation facility (including undrawn commitments) is at least $100 million.

(b) The Client and the Portfolio Manager reasonably believe that the lead bank is acting in the ordinary course of its trade or business of originating and syndicating loans.

(c) The Collateral Debt Obligation is considered by the market to be a broadly syndicated loan offered to typical institutional non-bank investors.

(C) In furtherance and not in limitation of the Portfolio Management Agreement and this schedule, the Client shall comply with all of the provisions set forth in this schedule, unless with respect to a particular transaction, the Client shall have received written advice of Dechert LLP or Sidley Austin LLP, or an opinion of other counsel of nationally recognized standing in the United States experienced in such matters ("Tax Advice"), to the effect that, under the relevant facts and circumstances with respect to such transaction, the Client's failure to comply with one or more of such provisions will not cause the Client to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net

basis. The provisions set forth in this schedule may be amended, eliminated or supplemented by the Client if the Client shall have received Tax Advice to the effect that the Client's compliance with such amended provisions or supplemental provisions or the failure to comply with such provisions proposed to be eliminated, as the case may be, will not cause the Client to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.
