MARKETING RULE DISCLAIMER

This communication is being provided by Jefferies, acting as structuring agent on behalf of the collateralized loan obligation issuer (the "Issuer") identified in this communication (such collateralized loan obligation transaction, the "CLO Transaction"). On behalf of the Issuer, Jefferies is acting as initial purchaser of certain securities of the Issuer and as such will be marketing and potentially re-selling the Issuer's securities to third-parties.

Jefferies has conflicts of interests vis a vis third-party investors, and is incentivized to make positive statements about TCW Asset Management Company LLC (the "Collateral Manager"), the Issuer and their respective directors, employees and affiliates. Jefferies has a written agreement with the Collateral Manager (on behalf of the Issuer) for compensation for its services and reimbursement of its out-of-pocket costs and expenses; and pursuant to such agreement cash compensation will be provided in connection with the services to be provided by Jefferies, as initial purchaser. If the contemplated CLO Transaction closes, Jefferies will receive a structuring fee equal to an agreed-upon percentage of the pool of collateral in the CLO transaction. If the amount of third-party investors and investments in the Issuer increases it may, in turn, increase the fee payable to Jefferies. As a result of these arrangements, a conflict of interest exists vis a vis third party investors because Jefferies has an incentive to make positive statements about the Collateral Manager, the Issuer and the CLO Transaction with a view towards closing the transaction so that Jefferies will be repaid and will receive a fee in return for, among other things, promoting the Issuer's interests.

Jefferies has an incentive to maintain goodwill with the Collateral Manager in order to incentivize the Collateral Manager to (1) select Jefferies as initial purchaser or placement agent for future transactions, and (2) grant Jefferies and its clients favorable terms with respect to the Issuer and future transactions, including but not limited to terms related to fees and expenses.

Jefferies, acting as initial purchaser, will offer the Issuer's securities in individually negotiated transactions at varying prices to be determined at the time of sale. If Jefferies purchases any of the Issuer's securities for its own investment, Jefferies may receive pricing discounts.

Additionally, Jefferies is also a current investor with the Collateral Manager in that it has purchased (or caused its affiliate(s) to purchase) certain equity securities in other funds managed by the Collateral Manager. Jefferies and certain third-party investors (collectively, the "Investors") and the Collateral Manager have previously entered into an agreement whereby the Investors agreed to invest (or cause an affiliate to invest) in the most subordinated tranches of securities of a series of CLO transactions managed by the Collateral Manager and has provided first-loss financing in connection with warehousing arrangements for such CLO transactions and, as consideration, the Collateral Manager has, subject to certain terms and conditions, agreed to share with the Investors certain revenues, including from related collateral management fees (including the Collateral Management Fees in this CLO Transaction) payable to the Collateral Manager from some or all CLO transactions that it manages.

provided that, for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "CreditWatch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating

assigned by S&P to an obligor or its obligations is on "CreditWatch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating.

Section 1.3 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and

reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the obligor of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the Coverage Tests or the Interest Diversion Test, as applicable, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (including Current Pay Obligations and DIP Collateral Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Debt or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) For purposes of determining the amount of any payment required to satisfy any Coverage Test under Section 11.1(a) and the Interest Diversion Test, including for purposes of determining which Class of Debt constitutes the Controlling Class under Section 11.1(a), calculations shall be made on a "*pro forma* basis," which means such calculations shall be made

after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(g) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero. For the avoidance of doubt, Collateral Restructured Assets will not be included in the calculation of either the numerator or the denominator of any component of the Concentration Limitations.

(h) If the Issuer (or the Collateral Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of any Collateral Obligation (or any asset held in an Issuer Subsidiary) that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the applicable Collateral Quality Test, the Coverage Tests and the Interest Diversion Test shall be calculated thereafter net of the full amount of such withholding tax unless the related obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instruments with respect thereto.

(i) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test or any related definition for purposes of determining compliance with the Collateral Quality Test.

(j) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(k) Any reference in this Indenture to an amount of the Collateral Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year of actual months and the actual number of days elapsed in the related Interest Accrual Period and shall be based on the face value of the Assets.

(l) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Manager may direct the Collateral Administrator, or the Collateral Administrator may request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and in either case the Collateral Administrator may follow such direction, and together with the Collateral Trustee, may be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of calculating compliance with any calculations, determinations or tests under this Indenture (including the Target Initial Par Condition, the Collateral Quality Tests and the Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(n) The equity interest in any Issuer Subsidiary permitted under this Indenture and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation or Restructured Asset (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes under this Indenture and each reference to Assets, Collateral Obligations, Restructured Assets and Equity Securities herein shall be construed accordingly.

(o) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the principal balance of such Current Pay Obligation as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(p) For reporting purposes and for purposes of calculating the Coverage Tests, the Interest Diversion Test, the Investment Criteria and any other requirements related to the acquisition of additional Collateral Obligations, assets held by any Issuer Subsidiary that constitute Equity Securities, Collateral Obligations or Restructured Assets will be treated as Equity Securities, Collateral Obligations or Restructured Assets, as applicable, as if owned by the Issuer (and the equity interest in such Issuer Subsidiary will not be included in such calculation).

(q) For all purposes, when determining the Concentration Limitations, the Collateral Quality Tests, the Coverage Tests (but excluding for purposes of the calculation of the Aggregate Funded Spread) and the Interest Diversion Test, the outstanding principal balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(r) For purposes of calculating the sale proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(s) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a Trade Ticket from the Collateral Manager on which the Collateral Trustee may rely.

(t) All calculations related to Maturity Amendments, sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively since the Closing Date shall be reset at zero on the date of any Refinancing of all Classes of Secured Debt. For the avoidance of doubt, the Internal Rate of Return will not be reset at zero on the date of any Refinancing.

(u) For purposes of any calculations hereunder that are required to be made as of, or with respect to, a date certain, and such calendar date is not a Business Day, such date shall be deemed to be for all purposes hereunder the next succeeding Business Day.

(v) With respect to the calculation of the Overcollateralization Ratio Tests in connection with the purchase of a Restructured Asset or any Uptier Priming Debt, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation.

(w) For purposes of determining the total potential indebtedness of any Obligor of a Drop Down Asset, such total potential indebtedness of the Obligor thereof shall be deemed to include the total potential indebtedness of the Obligor of the related Subject Asset.

(x) After the Reinvestment Period, in determining any amount required to satisfy any Coverage Test, for purposes of the priorities set forth under Section 11.1(a)(i), the Adjusted Collateral Principal Amount and the Aggregate Outstanding Amount of the Notes shall give effect, *first*, to the application of Principal Proceeds to be used on the applicable Payment Date to repay principal of the Secured Notes and, *second*, to the application of Interest Proceeds on such Payment Date.

Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided. Interests in a Regulation S Global Note may not be held at any time by a "U.S. person" (as defined in Regulation S), and U.S. re-offers or re-sales of Notes offered outside the United States in reliance on Regulation S may be effected only in a transaction exempt from the registration requirements of the Securities Act and not involving directly or indirectly the Issuer, the Co-Issuer or their agents, Affiliates or intermediaries. Upon acceptance of a beneficial interest in a Regulation S Global Note, the beneficial owner thereof will be deemed to represent that the beneficial interests in such Regulation S Global Note are owned by persons who are not U.S. persons.

(ii) Except as set forth in clause (iii) or (iv) below, each Note sold to persons that are QIB/QPs shall each be issued initially in the form of one permanent Global Note per Class in definitive, fully registered form without interest coupons substantially in the form attached as Exhibit A-1 hereto, in the case of the Secured Notes (each, a "Rule 144A Global Secured Note"), or Exhibit A-2 hereto, in the case of the Subordinated Notes (each, a "Rule 144A Global Subordinated Note" and, together with the Rule 144A Global Secured Notes, the "Rule 144A Global Notes"), and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Collateral Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided.

(iii) Each Note sold to persons that elect, at the time of the acquisition, purported acquisition or proposed acquisition to have their Notes issued in the form of definitive, fully registered notes without coupons either as a certificated Secured Note substantially in the form attached as Exhibit A-1 hereto (each a "Certificated Secured Note") or as a certificated Subordinated Note substantially in the form attached as Exhibit A-2 hereto (each, "Certificated Subordinated Note" and, together with the Certificated Secured Notes, the "Certificated Notes"), as applicable, shall be registered in the name of the beneficial owner or a nominee thereof, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided.

(iv) Except with respect to purchases by Benefit Plan Investors or Controlling Persons on the Original Closing Date or the Closing Date, as applicable, that are permitted by the Issuer to hold such Notes in the form of Global Notes, all Issuer Only Notes that are sold to Benefit Plan Investors and Controlling Persons will be evidenced by Certificated Notes.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Collateral Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Collateral Trustee, and any agent of the Applicable Issuer or the Collateral Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Collateral Trustee, or any agent of the Applicable Issuer or the Collateral Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

- (1) As of the Closing Date.
- (2) The initial Benchmark Rate will be the Term SOFR Rate, calculated in accordance with the definition of Term SOFR Rate set forth herein; provided that the Term SOFR Rate for the first Interest Accrual Period shall be calculated as set forth in the definition thereof.
- (3) The spread over the Benchmark Rate (or, in the case of any Fixed Rate Debt, the Interest Rate) applicable to any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Notes pursuant to Section 9.7.
- (4) Issued on the Original Closing Date.
- (5) The Class X Notes, the Class A-L Loans and the Class A-1 Notes shall be considered *pari passu* Classes only to the extent provide for in the Priority of Payments.

Section 2.4 Additional Issuances. (a) At any time, the Co-Issuers or the Issuer, as applicable, may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof issue, sell and/or incur Additional Debt of each Class other than the Class X Notes (on a *pro rata* basis with respect to each Class of Debt, except that (i) a larger proportion of Subordinated Notes may be issued (such amount in excess of the required proportion, the "Excess Additional Subordinated Notes") and (ii) if such additional issuance/incurrence is effected to permit the Collateral Manager to comply with any Retention Requirements, Debt of any Class may be issued/incurred in amounts and in the proportions as determined by the Collateral Manager based on advice of counsel to achieve such compliance), and/or Additional Junior Notes (any such debt, the "Additional Debt") and use the proceeds (net of expenses incurred in connection with such additional issuance/incurrence) to purchase additional Collateral Obligations, to apply the proceeds of such issuance as Principal Proceeds or as otherwise permitted herein; provided that (i) the requirements of Section 2.6, Section 3.2 and Section 8.1 are complied with and (ii) the following conditions are met: (a) the Collateral Manager and (unless such additional issuance/incurrence is effected to permit the Collateral Manager to comply with any Retention Requirements by retaining an "eligible vertical interest") a Majority of the Subordinated Notes consents to each such issuance/incurrence and, in connection with an issuance/incurrence of additional Class A-1 Debt, a Majority of the Controlling Class consents to each such issuance/incurrence; (b) in the case of Additional Debt of any one or more existing Classes (other

than the Subordinated Notes) (unless such additional issuance/incurrence is effected to permit the Collateral Manager to comply with any Retention Requirements), the aggregate principal amount of Debt of such Class issued/incurred in all additional issuances/incurrences shall not exceed 100% of the respective original outstanding principal amount of the Debt of such Class; (c) in the case of Additional Debt of any one or more existing Classes, the terms of the debt issued/incurred must be identical to the respective terms of previously issued/incurred Debt of the applicable Class (except that the interest due on additional Secured Debt will accrue from the issue/incurrence date of such additional Secured Debt and (I) the spread over the Benchmark Rate, in the case of any Class of Floating Rate Debt or (II) the Interest Rate, in the case of any Class of Fixed Rate Debt, is not required to be identical to those of the initial Debt of such Class; provided that (x) the spread over the Benchmark Rate of any such additional Floating Rate Debt will not be greater than the spread over the Benchmark Rate applicable to the initial Debt of such Class, (y) the Interest Rate of any such additional Fixed Rate Debt will not be greater than the Interest Rate applicable to the initial Notes of such Class) and (z) the Interest Rate with respect to additional Debt of a Class of Floating Rate Debt must be a floating rate and the Interest Rate with respect to additional notes of a Class of Fixed Rate Debt must be a fixed rate and such additional issuance/incurrence shall not be considered a Refinancing herein; (d) in the case of Additional Debt of any one or more existing Classes, unless only additional Subordinated Notes are being issued/incurred or such notes are being issued/incurred to permit the Collateral Manager to comply with any Retention Requirements, Additional Debt of all Classes must be issued/incurred and such issuance/incurrence of Additional Debt must be proportional across all Classes; provided that the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes; (e) the Issuer notifies each Rating Agency then rating a Class of Secured Debt of such issuance/incurrence prior to the issuance/incurrence date; (f) the proceeds of any Additional Debt (net of fees and expenses incurred in connection with such issuance/incurrence, which fees and expenses shall be paid solely from the proceeds of such additional issuance/incurrence) shall not be treated as Refinancing Proceeds and (x) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments or (y) solely in the case of the proceeds of Excess Additional Subordinated Notes or Additional Junior Notes, deposited into the Supplemental Reserve Account and applied to a Permitted Use; (g) immediately after giving effect to such issuance/incurrence, each Coverage Test is satisfied and the degree of compliance with each Coverage Test is maintained or improved immediately after giving effect to such issuance/incurrence and the application of the proceeds thereof; (h) unless only additional Subordinated Notes and/or Additional Junior Notes are being issued/incurred, the Issuer shall obtain Tax Advice to the effect that any additional Class A-1 Debt, Class A-J Notes, Class B Notes, Class C Notes, Class D-1 Notes or Class D-J Notes will be treated, and any additional Class E Notes should be treated, as debt for U.S. federal income tax purposes; provided, however, that such advice shall not be required with respect to any Additional Debt that bears a different securities identifier from the Debt of the same Class that is Outstanding at the time of such additional issuance/incurrence; and (i) an Officer's certificate of the Issuer (and Co-Issuer, if applicable) shall be delivered to the Collateral Trustee certifying that all conditions precedent of this Section 2.4(a) have been satisfied. The Collateral Manager will be permitted to acquire or cause an affiliate to acquire a portion of the par amount of any additional debt in order to satisfy any Retention Requirements.

(b) Interest on the Additional Debt that is Secured Debt will be payable commencing on the first Payment Date following the issue/incurrence date of such Additional Debt (if issued/incurred prior to the applicable Record Date). The Additional Debt will rank *pari passu* in all respects with the initial Debt of that Class and the interest rate of any Additional Debt that is Floating Rate Debt will be a spread over the Benchmark Rate.

(c) Unless an additional issuance/incurrence is effected to permit the Collateral Manager to comply with any Retention Requirements, any Additional Debt of each Class issued/incurred pursuant to this Section 2.4 will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of the Debt of such Class. Any Additional Junior Notes will, to the extent reasonably practicable, be offered first to Holders of the Subordinated Notes in such amounts equal to their *pro rata* holdings of the Subordinated Notes.

(d) In addition, the Co-Issuers may issue/incur Additional Debt in connection with a Refinancing of all Classes of Secured Debt without regard to the restrictions set forth in this Section 2.4 or Section 3.2 below.

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic as described in Section 14.13 herein.

Notes bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Collateral Trustee or the Authenticating Agent for authentication and the Collateral Trustee or the Authenticating Agent, upon delivery of such executed Notes, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Collateral Trustee or the Authenticating Agent upon Issuer Order on the Original Closing Date or the Closing Date, as applicable shall be dated as of the Original Closing Date or the Closing Date, as applicable. All other Notes that are authenticated for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be

proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Collateral Trustee or by the Authenticating Agent by the manual (or, in the case of a Global Note or any Certificated Note delivered to the Income Note Issuer on the Original Closing Date, facsimile or other electronic) signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "Register") at the office of the Collateral Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Collateral Trustee is hereby initially appointed registrar (the "Registrar") for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar. Ownership of the Class A-L Loans shall be determined by reference to the Loan Register maintained in accordance with the Credit Agreement.

If a Person other than the Collateral Trustee is appointed by the Issuer as Registrar, the Issuer will give the Collateral Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Collateral Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Collateral Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Collateral Manager or the Initial Purchaser a current list of Holders (and their holdings) as reflected in the Register. In addition and upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager or the Initial Purchaser any information the Registrar actually possesses regarding the nature and identity of any beneficial owner of any Note (and its holdings).

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Collateral Trustee, upon receipt of an Issuer Order (which shall be deemed satisfied by delivery of an executed Note), shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Collateral Trustee upon receipt of an Issuer Order (which

shall be deemed satisfied by delivery of an executed Note), shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Secured Notes (other than the Class E Notes), the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with (if required by the Registrar) signature guarantee by an eligible guarantor institution meeting the requirements of the Registrar (which requirements may include membership or participation in a signature guarantee program acceptable to the Registrar).

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Collateral Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Collateral Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) (i) No transfer of any Issuer Only Note (or any interests therein) will be effective if after giving effect to such transfer 25% or more of the total value of the Issuer Only Notes of such Class, represented by the Aggregate Outstanding Amount thereof, would be held by Persons who have represented that they are Benefit Plan Investors, as calculated under 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA, and this Indenture. For purposes of calculating the 25% Limitation, any Notes of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person shall be disregarded and not treated as Outstanding. The Issuer and the Collateral Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.6 and only Notes that a Trust Officer of the Collateral Trustee actually knows to be so held shall be so disregarded. In addition, no Issuer Only Global Notes (other than Issuer Only Global Notes purchased by Benefit Plan Investors or by Controlling Persons consented to by the Issuer as part of the initial offering on the Original Closing Date or the Closing Date, as applicable) may be held by or transferred to a Benefit Plan Investor or Controlling Person and each beneficial owner of an Issuer Only Global Note acquiring its interest in the Notes in the initial offering (the Original Closing Date or the Closing Date, as applicable) shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto.

(ii) For purposes of determining whether any Subordinated Notes are held by Benefit Plan Investors or Controlling Persons, Subordinated Notes held by the Income Note Issuer will be treated as held by Benefit Plan Investors or Controlling Persons to the extent that Income Notes issued by the Income Note Issuer are held by Benefit Plan Investors or Controlling Persons, respectively.

(iii) Each purchaser and subsequent transferee of Co-Issued Notes, or an interest therein, will be required or deemed to represent, warrant and agree that (1) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (2) if it is a governmental, church, non-U.S. or other plan which is subject to any Other Plan Law, its acquisition, holding and disposition of such Notes (or interests therein) will not constitute or result in a violation of any such Other Plan Law.

(iv) Each purchaser and subsequent transferee of Global Notes representing Issuer Only Notes (or interests therein) will be required or deemed to represent on each day from the date on which it acquires its interests in such Issuer Only Notes through and including the date on which it disposes of its interests in such Issuer Only Notes, that (A) it is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person, in either case, except with respect to purchases by Benefit Plan Investors or Controlling Persons on the Original Closing Date or the Closing Date, as applicable, consented to by the Issuer, (B) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and (C) if it is a governmental, church, non-U.S. or other plan, (1) it is not, and for so long as it holds such Issuer Only Notes or interests therein will not be, subject to Similar Law and (2) its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a violation of any Other Plan Law and (D) it will be required or deemed to represent, warrant and agree to certain transfer restrictions regarding its interests in such Issuer Only Notes.

(v) Each purchaser and subsequent transferee of Certificated Issuer Only Notes at any time, will be required to (A) represent and warrant in writing to the Issuer and the Collateral Trustee (1) whether or not, for so long as it holds such Issuer Only Notes or interests therein, it is, or is acting on behalf of, a Benefit Plan Investor, (2) whether or not, for so long as it holds such Issuer Only Notes or interests therein, it is a Controlling Person and (3) that (I) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Issuer Only Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and (II) if it is a governmental, church or non-U.S. plan, (x) it is not, and for so long as it holds such Issuer Only Notes or interests therein will not be, subject to Similar Law and (y) its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a violation of any Other Plan Law, and (B) agree to the transfer restrictions set forth in this Indenture regarding its interest in such Issuer Only Notes.

(vi) Each purchaser or transferee of a Note or beneficial interest therein that is a Benefit Plan Investor, will be deemed or required to represent, warrant and agree that (A) none of the Issuer, the Collateral Manager, the Collateral Trustee, the Initial Purchaser, the Collateral Administrator or any of their affiliates has provided any investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor, or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary") in connection with its acquisition of Notes, and (B) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(d) Notwithstanding anything contained herein to the contrary, except as provided in Section 2.6(c)(i), the Collateral Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the Investment Company Act, the Cayman AML Regulations or the terms hereof; provided that, if a certificate is specifically required by the terms of this Section 2.6 to be provided to the Collateral Trustee by a purchaser or by a prospective transferor or transferee, the Collateral Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Neither the Collateral Trustee nor the Registrar shall have any obligation to monitor or verify whether any transfer of Issuer Only Notes would result in (i) more than 99 beneficial owners collectively of the Issuer Only Notes or (ii) a single beneficial owner owning 100% of the Subordinated Notes.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Global Notes shall only be made in accordance this Section 2.6(f) and Section 2.13.

(i) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with

such increase, (C) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S and (D) a written certification in the form of Exhibit B-4 attached hereto, given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(ii) Regulation S Global Note to Rule 144A Global Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate in the form of Exhibit B-3 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B-4 attached hereto, given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the

corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iii) Global Note to Certificated Note. Subject to Section 2.11(a), if a holder of a beneficial interest in a Global Note deposited with DTC wishes at any time to transfer its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a corresponding Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, transfer, or cause the transfer of, such interest for a Certificated Note. Upon receipt by the Registrar of (A) a certificate substantially in the form of Exhibit B-4 (and, in the case of Issuer Only Notes, a certificate substantially in the form of Exhibit B-5 hereto) attached hereto executed by the transferee and (B) appropriate instructions from DTC, if required, the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Global Note by the aggregate principal amount of the beneficial interest in the Global Note to be transferred, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers and authentication and delivery by the Collateral Trustee, one or more corresponding Certificated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in such Global Note transferred by the transferor), and in authorized denominations.

(g) Transfers of Certificated Notes shall only be made in accordance with this Section 2.6(g) and Section 2.13.

(i) Certificated Notes to Global Notes. Except as provided in Section 2.6(g)(ii), if a holder of a Certificated Note wishes at any time to exchange its interest in a Certificated Note for an interest in the corresponding Rule 144A Global Note or to a Regulation S Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a corresponding Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a corresponding Global Note. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of Exhibit B-1 or B-3 attached hereto executed by the transferor and certificates substantially in the form of Exhibit B-4 and Exhibit B-5 (as applicable), attached hereto executed by the transferee, (C) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged, and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in

the corresponding Global Note equal to the principal amount of the Certificated Note transferred or exchanged.

Upon provision of such satisfactory evidence, the Collateral Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(iii) With respect to the purchase of Issuer Only Notes represented by Global Notes, (A) for so long as it holds a beneficial interest in such Global Notes, such beneficial owner is not a Benefit Plan Investor or a Controlling Person, unless such beneficial owner purchases such Issuer Only Notes on the Original Closing Date or the Closing Date, as applicable, with the consent of the Issuer and (B) if it is, or is acting on behalf of, a Benefit Plan Investor on the Original Closing Date or the Closing Date, as applicable, with the consent of the Issuer, its acquisition, holding and disposition of such Global Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and if it is a governmental, church, non-U.S. or other plan (1) it is not, and for so long as it holds such Global Notes or interests therein will not be, subject to Similar Law and (2) its acquisition, holding and disposition of such Global Notes (or interests therein) will not constitute or result in a violation of Other Plan Law. (v) Such beneficial owner understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the

Securities Act, and, if in the future such beneficial owner decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture and the legend on such Notes. Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. Such beneficial owner understands that neither of the Co-Issuers has been registered under the Investment Company Act, and that the Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the Investment Company Act.

(vi) Such beneficial owner is aware that, except as otherwise provided in this Indenture, any Notes being sold to it in reliance on Regulation S will be represented by one or more Regulation S Global Notes and that beneficial interests therein may be held only through DTC for the respective accounts of Euroclear or Clearstream.

(vii) Such beneficial owner will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in this Section 2.6 and Section 2.13, including the exhibits referenced herein.

(viii) Such beneficial owner agrees that it will not cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary prior to the day which is one year (or, if longer, the applicable preference period then in effect) plus one day after payment in full of all Debt.

(ix) Such beneficial owner agrees to be subject to the Bankruptcy Subordination Agreement.

(x) Such beneficial owner understands and agrees that the Notes are limited recourse obligations of the Issuer (and the Co-Issuer, as applicable) payable solely from the proceeds of the Assets and following realization of the Assets, and all application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and the Co-Issuer, as applicable) thereunder or in connection therewith shall be extinguished and shall not thereafter revive.

(xi) Such beneficial owner is not a member of the public in the Cayman Islands.

(xii) Such beneficial owner, by acceptance of a Note or an interest in a Note, shall be deemed to have represented and agreed to comply at all times with the Holder AML Obligations.

(xiii) Such beneficial owner will not, at any time, offer to buy or offer to sell the Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(xiv) Such beneficial owner understands that the Issuer has the right under this Indenture to compel any Non-Permitted Holder or any beneficial owner who does not consent to a Re-Pricing in respect of its Re-Pricing Eligible Notes to sell its interest in the

Notes or may sell such interest in the Notes on behalf of it and may in the case of a Re-Pricing redeem such Notes. Further, under certain circumstances, Holders may have their Notes sold in connection with a Non-Consenting Holder Liquidity Offering Event.

(xv) Such beneficial owner understands, represents and agrees as provided in Section 2.13 of this Indenture.

(m) Each initial investor in an Issuer Only Note on the Original Closing Date or the Closing Date, as applicable, will be required to provide a subscription agreement and/or purchaser representation letter to the Issuer and the Initial Purchaser, containing representations substantially similar to those set forth in Exhibit B-4 and in Exhibit B-5 hereto, and in which it will be required to certify, among other matters, as to its status under the Securities Act, the Investment Company Act and ERISA, as well as make other agreements and indemnities.

(n) Each initial investor in any Class of Debt in the form of Certificated Note will be required to provide a subscription agreement, purchaser representation letter and/or transferee certificate to the Issuer and/or the Initial Purchaser (as applicable), containing representations substantially similar to those set forth in Exhibit B-4 and in Exhibit B-5 hereto, and in which it will be required to certify, among other matters, as to its status under the Securities Act, the Investment Company Act and ERISA, as well as make other agreements and indemnities.

(o) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void and shall not be given effect for any purpose whatsoever.

(p) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Collateral Trustee, impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of a Note to make representations to the Issuer in connection with such compliance.

(q) The Registrar, the Collateral Trustee and the Issuer shall be entitled to conclusively rely on the information set forth on the face of any transferor and transferee certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Collateral Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.6 if the Collateral Trustee is not notified in writing or if a Trust Officer of the Collateral Trustee does not have actual knowledge of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(r) For the avoidance of doubt, notwithstanding anything in this Indenture to the contrary, the Initial Purchaser may hold a position in a Regulation S Global Note prior to the distribution of the applicable Notes represented by such position.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Collateral Trustee and the relevant Transfer Agent evidence to their

reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Collateral Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Collateral Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which shall be deemed satisfied by delivery of such executed Notes), the Collateral Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Collateral Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Collateral Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Collateral Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Debt (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to

the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the applicable Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date to pay the full amount of interest due on such Class of Deferred Interest Notes ("Deferred Interest") in accordance with the Priority of Payments on any Payment Date or if such interest is not paid in order to satisfy the Coverage Tests, such interest, in each case, shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) on such Payment Date, but will be deferred and, thereafter, will bear interest at the Interest Rate for the applicable Class of Deferred Interest Notes, until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Debt and (iii) the Stated Maturity of such Class of Debt. Deferred Interest on the applicable Class(es) of Deferred Interest Notes shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments. Regardless of whether any Priority Class is Outstanding with respect to the applicable Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Debt) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on the Secured Debt, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Senior Debt or, if no Senior Debt is Outstanding, any Secured Debt of the Controlling Class shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of the Secured Debt of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption, prepayment or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Debt or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Debt will be made in accordance with the Priority of Payments and Article IX.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a "United States person" (as defined in Section 7701(a)(30) of the Code) or the applicable IRS Form W-8 (or applicable successor form) (together with all appropriate attachments) in the case of a Person that is not a "United States

person" (as defined in Section 7701(a)(30) of the Code)) or other certification (including with respect to FATCA, waivers of foreign law confidentiality) acceptable to it and the Issuer to enable the Issuer, the Co-Issuer, the Collateral Trustee, the Loan Agent and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Debt or the Holder or beneficial owner of such Debt under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under FATCA, the Cayman FATCA Legislation and the CRS to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Debt as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Debt. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Debt and any payment with respect to any Subordinated Note shall be made by the Collateral Trustee in Dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided that in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Collateral Trustee on or before the related Record Date. Notwithstanding the above, all payments on the Class A-L Loans shall be made by the Collateral Trustee or the applicable Paying Agent to the Loan Agent for disbursement in accordance with the Credit Agreement; provided that, so long as Citibank, N.A. is acting as both Collateral Trustee and Loan Agent, all payments to the Holders of the Class A-L Loans shall be deemed to be made first by the Collateral Trustee to the Loan Agent and then to such Holders. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Collateral Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that, if the Collateral Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Collateral Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Collateral Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Debt (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Collateral Trustee, in the name and at the expense of the Applicable Issuers shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be

made, the amount of such payment per U.S.\$1,000 original principal amount of Secured Debt, original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Debt of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest on any Fixed Rate Debt will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Debt and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, manager, member, employee, shareholder, authorized person, organizer or incorporator of the Co-Issuers, the Income Note Issuer, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable in accordance with the Debt, or under the Credit Agreement or this Indenture. It is understood that the foregoing provisions of this paragraph (h) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Debt or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (h) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt, the Credit Agreement or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(i) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Collateral Trustee, and any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and

on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Collateral Trustee or any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall be affected by notice to the contrary.

Section 2.10 Cancellation. All Debt surrendered for payment, cancellation pursuant to Section 9.8, registration of transfer, exchange, redemption, or prepayment, or mutilated, defaced or deemed lost or stolen, shall be promptly canceled by the Collateral Trustee and may not be reissued or resold. No Debt may be surrendered (including in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein for cancellation pursuant to Section 9.8, for registration of transfer or exchange or redemption or prepayment, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen. The Issuer may not acquire any of the Debt (including any Debt surrendered or abandoned) except as provided in Section 9.8. The preceding sentence shall not limit any redemption or prepayment of any Debt in accordance with Article IX hereof. For purposes of calculation of any Overcollateralization Ratio, the Interest Diversion Test, the Reinvestment Target Par Balance and the calculation set forth in clause (g) in the definition of Event of Default, any Debt acquired by the Issuer or any Debt surrendered by a Holder thereof without receiving any payment will be deemed to remain Outstanding until all Debt of the same Class and all Debt of each Class that is senior to such Debt has been retired, redeemed or otherwise repaid, and until such time will be deemed to have an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of surrender, reduced proportionally with, and to the extent of, any payments of principal on Notes of the same Class thereafter. Any Notes surrendered for cancellation as permitted by this Section 2.10 shall, if surrendered to any Person other than the Collateral Trustee, be delivered to the Collateral Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Collateral Trustee shall be destroyed or held by the Collateral Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. Except in accordance with Article IX, the Issuer may not acquire any of the Debt (including any Debt voluntarily surrendered without payment or abandoned).

Section 2.11 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.6 of this Indenture and (B) any of (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as Depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90-days after such event, or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Collateral Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC)

in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (a) of this Section 2.11, the Co-Issuers will promptly make available to the Collateral Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.11, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided that the Collateral Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership. In addition, the beneficial owners of interest in Global Notes may provide (and the Collateral Trustee may receive and rely on) consents to the Collateral Trustee that the holders of a Global Note would be entitled to provide in accordance with this Indenture (but only to the extent of such beneficial owner's interest in the Global Note, as applicable).

Neither the Collateral Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

Section 2.12 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Non-Permitted Holder shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted ERISA Holder or a Non-Permitted AML Holder shall be null and void ab initio.

(b) If any Non-Permitted Holder shall become the Holder or beneficial owner of an interest in a Note, the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer

or the Collateral Trustee (or upon notice to the Issuer from the Collateral Trustee if a Trust Officer of the Collateral Trustee obtains actual knowledge or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; provided that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law or Other Plan Law representation required by Section 2.6 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such person a "Non-Permitted ERISA Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery by the Issuer that such person is a Non-Permitted ERISA Holder (or upon notice to the Issuer from the Collateral Trustee if a Trust Officer of the Collateral Trustee obtains actual knowledge or to the Issuer from the Co-Issuer if it makes the discovery) send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest in such Notes to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one

or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by other means determined by it in its sole discretion. The holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(e) If any Non-Permitted AML Holder shall become the Holder or beneficial owner of a Note, the Issuer (or its agent on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted AML Holder by the Issuer (or its agent on behalf of the Issuer), send notice to such Non-Permitted AML Holder demanding that such Non-Permitted AML Holder transfer its interest to a Person that is not a Non-Permitted AML Holder within 30 days after the date of such notice. If such Non-Permitted AML Holder fails to so transfer its Notes, the Issuer (or any intermediary on the Issuer's behalf) shall have the right, without further notice to the Non-Permitted AML Holder, to (1) sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted AML Holder on such terms as the Issuer may choose and/or (2) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this sub-clause (2), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such noncompliance; provided that any amounts remaining in an such account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non-Permitted AML Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. The Issuer (or any intermediary on the Issuer's behalf) may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; provided that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer (or any intermediary on the Issuer's behalf) may select a purchaser by any other means determined by it in its sole discretion. The Holder and beneficial owner of each Note, as applicable, the Non-Permitted AML Holder and each other Person in the chain of title from the holder to the Non-Permitted AML Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted AML Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee, the Collateral Administrator, the Custodian or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion. The Issuer shall not compel sales for failure to

provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's or beneficial owner's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 Tax Treatment and Tax Certifications. (a) Each Holder (including for purposes of this Section 2.13, any beneficial owner of a Note) will treat the Issuer, the Co-Issuer and the Notes as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Memorandum for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer or its agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) permit the Issuer and its agents to make payments to the Holder without, or at a reduced rate of withholding, (B) enable the Issuer and its agents to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer or its agents receive payments, or (C) enable the Issuer and its agents to satisfy reporting and other obligations under the Code and Treasury regulations or under any other applicable law, and shall update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer, the Income Note Issuer or their respective agents will be treated as having been paid to a Holder by the Issuer.

(c) Each Holder will provide the Issuer and its agents with any correct, complete and accurate information or documentation that may be required for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA, the Cayman FATCA Legislation and the CRS and to avoid the imposition of tax under FATCA on any payment to or for the benefit of the Issuer or any non-U.S. Issuer Subsidiary. In the event such Holder fails to provide such information or documentation or in the event that its ownership of any Notes would otherwise cause the Issuer or any non-U.S. Issuer Subsidiary to be subject to withholding tax under FATCA, (A) the Issuer is authorized to withhold amounts otherwise distributable to the Holder as compensation for tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. Each Holder, by its acceptance of a Note, agrees that the Issuer and/or its agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the IRS, and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to cause the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA, the Cayman FATCA Legislation and the CRS.

(d) Each Holder of Class E Notes or Subordinated Notes represents, acknowledges and agrees that:

(A) if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it:

(1) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); and

(2) is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Issuer of the Notes (as determined for U.S. federal income tax purposes), or a controlled foreign corporation (within the meaning of Section 957(a) of the Code) that is related to the Issuer (within the meaning of Section 881(c)(3)(C) of the Code); and

(3) is not purchasing the Note in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan; and

(4) will not (i) treat its income in respect of such Notes as effectively connected with the conduct of a trade or business in the United States for U.S. federal income tax purposes, or (ii) provide to the Issuer or its agents an IRS Form W-8ECI (or successor form) or an IRS Form W-8IMY (or successor form) to which an IRS Form W-8ECI (or successor form) is attached;

(B) it will provide the Issuer with certifications necessary to establish (i) its entitlement to a complete exemption from U.S. federal withholding tax with respect to U.S.-source interest received by the Issuer and (2) that it is not subject to U.S. federal withholding tax under FATCA with respect to such Notes;

(C) it will not (A) acquire or directly or indirectly sell, encumber, assign, participate, pledge, hypothecate, rehypothecate, exchange, or otherwise dispose of, suffer the creation of a lien on, or transfer or convey in any manner (each, a "Transfer") such Notes (or any interest therein that is described in Treasury regulations section 1.7704-1(a)(2)(i)(B)) on or through (x) a United States national, regional or local securities exchange, (y) a foreign securities exchange or (z) an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers ((x), (y) and (z), collectively, an "Exchange") or (B) cause any of such Notes or any interest therein to be marketed on or through an Exchange;

(D) unless it is the Income Note Issuer, it will not enter into any financial instrument payments on which are, or the value of which is, determined in whole or in part by reference to such Notes or the Issuer (including the amount of Issuer distributions on such Notes, the value of the Issuer's assets, or the result of the Issuer's operations), or any contract that otherwise is described in Treasury regulations section 1.7704-1(a)(2)(i)(B);

(E) if it is, for U.S. federal income tax purposes, a partnership, grantor trust or S corporation, then less than 50% of the value of any person's interest in it will be attributable to such Notes; and

(F) it will not Transfer all or any portion of its Notes unless: (A) the Person to which it Transfers such Notes agrees to be bound by the restrictions, conditions, representations, warrants, and covenants set forth in this paragraph (d), and (B) such Transfer does not violate this paragraph (d).

Any Transfer made in violation of this paragraph (d) will be void and of no force or effect, and will not bind or be recognized by the Issuer or any other Person, and no Person to which such Notes are transferred shall become a Holder unless such Person agrees to be bound by this paragraph (d). However, notwithstanding the immediately preceding sentence, a Transfer in violation of provisions (C), (D), (E), or (F) shall be permitted if consented to in writing by the initial Holder of the Majority of the Subordinated Notes or if the Issuer receives Tax Advice to the effect that the Transfer will not cause the Issuer to be treated as a "publicly traded partnership" taxable as a corporation for U.S. federal income tax purposes.

(e) Each Holder of Class E Notes or Subordinated Notes agrees to take any and all actions, and to furnish any and all information, requested by the Issuer in order to permit the Issuer to minimize any tax liability that would otherwise be imposed on the Issuer under Section 6225 of the Code, or any successor provision, including (if requested by the Issuer) by (i) filing amended tax returns to take into account any adjustment to the amount of any item of income, gain, loss, deduction, or credit of the Holder, or of any Person's distributive share thereof, and (ii) providing the Issuer with any information necessary for the Issuer to (x) establish the amount of any tax liability resulting from any such adjustment and (y) elect (in accordance with Section 6226 of the Code, or any successor provision) for each Holder to take any such adjustment into account directly. To the fullest extent permitted by law, each Holder of Class E Notes or Subordinated Notes agrees to indemnify the Issuer for the Holder's allocable share of any applicable tax liability of any type whatsoever (including any liability for penalties, additions to tax or interest) attributable to such Holder's share of the income of the Issuer or attributable to distributions to such Holder. This paragraph (e) shall survive the termination of any Holder's interest in its Class E Notes or Subordinated Notes.

(f) Each Holder of Subordinated Notes agrees that it will not Transfer a Subordinated Note to any Person if such Transfer would cause the Issuer to be treated as a disregarded entity for U.S. federal income tax purposes. Any Transfer made in violation of this paragraph (f) shall be void and of no force or effect, and shall not bind or be recognized by the Issuer or any other Person, and no Person to which Subordinated Notes are transferred shall become a Holder unless such Person agrees to be bound by this paragraph (f).

(g) Each Holder of Subordinated Notes that owns more than 50% of the Subordinated Notes or Income Notes by value or is otherwise treated as a member of the "expanded affiliated group" of the Issuer or the Income Note Issuer, as applicable (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that the Issuer, any non-U.S. Issuer

Subsidiary and the Income Note Issuer is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer or the Income Note Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(h) Each Holder of Secured Notes for U.S. federal income tax purposes represents that it is not a member of an "expanded group" (as defined in Treasury Regulations section 1.385-1(c)(4)) with respect to which a beneficial owner of Subordinated Notes is a "covered member" (as defined in Treasury Regulations section 1.385-1(c)(2)), except to the extent that the Issuer or its agents have provided such beneficial owner with an express waiver of this representation.

to any Refinancing that fails to occur shall not constitute an Event of Default and provided, further, that, solely with respect to clause (i) above, in the case of a failure to disburse funds due to an administrative error or omission by the Collateral Manager, Collateral Trustee, Loan Agent, Collateral Administrator or any Paying Agent, such failure continues for seven Business Days after a Trust Officer of the Collateral Trustee receives written notice or has actual knowledge thereof;

(b) the failure on any Payment Date to disburse amounts available in the Payment Account in accordance with the Priority of Payments in an aggregate amount in excess of U.S.\$100,000 and continuation of such failure for a period of five Business Days or, in the case of a failure to disburse such amounts due to an administrative error or omission by the Collateral Trustee, the Loan Agent or any Paying Agent, such failure continues for five Business Days after a Trust Officer of the Collateral Trustee receives written notice or has actual knowledge thereof;

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Collateral Trustee and (iii) a Responsible Officer of the Collateral Manager shall notify each other. Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Collateral Trustee shall, upon the written direction of a Majority of the Controlling Class, by notice to the Co-Issuer, the Issuer (subject to Section 14.3(c), which notice the Issuer shall provide to each Rating Agency then rating a Class of Secured Debt) and a Responsible Officer of the Collateral Manager, declare the principal of all the Secured Debt to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Collateral Trustee or any Debtholder (and

notice thereof shall be provided to each Rating Agency then rating a Class of Secured Debt as soon as practicable upon the Issuer or the Collateral Trustee becoming aware of the occurrence of such an event).

(b) At any time after such a declaration of acceleration of Maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer and the Collateral Trustee (who shall forward such notice to any Rating Agency), may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Collateral Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Collateral Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Collateral Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Collateral Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Collateral Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Collateral Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers will, upon demand of the Collateral Trustee, pay to the Collateral Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Collateral Trustee, in its own name and as trustee of an express trust, shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Trustee shall deem most effectual (if no such direction is received by the Collateral Trustee) or as the Collateral Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Collateral Trustee, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Trustee (including any claim for reasonable compensation to the Collateral Trustee and each predecessor Collateral Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee, except as a result of negligence or bad faith) and of the Secured Debtholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Debtholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Debtholders and of the Collateral Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Debtholders to make payments to the Collateral Trustee, and, if the Collateral Trustee shall consent to the making of payments directly to the Secured Debtholders to pay to the Collateral Trustee such amounts as shall be sufficient to cover reasonable compensation to the Collateral Trustee, each predecessor Collateral Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Collateral Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Debtholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Collateral Trustee to vote in respect of the claim of any Secured Debtholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Collateral Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Collateral Trustee shall be a party), the Collateral Trustee shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Debt has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Collateral Trustee shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Majority of the Controlling Class and notice to each Rating Agency then rating a Class of Secured Debt, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Trustee and the Holders of the Secured Debt hereunder (including exercising all rights of the Collateral Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Collateral Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Debt, which may be the Initial Purchaser or other appropriate advisor, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Collateral Trustee may, and at the direction of the Holders or beneficial owners of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party or Holder of Subordinated Notes may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability. Any Holder bidding at such sale may, in payment of the purchase price, deliver to the Collateral Trustee for surrender and cancellation any of the Notes owned by such Holder in lieu of cash equal to the amount which would, upon distribution of the net proceeds of such sale, be payable on the Notes so delivered by such Holder (taking into account the Class of such Notes, the Priority of Payments and Article XIII).

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Collateral Trustee and the Holders of the Secured Debt,

shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Collateral Trustee, the Secured Parties or the Holders or beneficial owners of the Debt may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Debt, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary, the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, will promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer, the Issuer, the Income Note Issuer or any Issuer Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in any Debt shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Secured Debt institutes, or joins in the institution of, a proceeding described in clause (i) above against the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary, or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Debt that does not seek to cause any such filing, with such subordination being effective until all Secured Debt held by each Holder or beneficial owners of any Secured Debt that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Collateral Trustee shall be

entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Collateral Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Trustee, or (ii) from commencing against the Issuer, the Co-Issuer, the Income Note Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The restrictions described in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Debt to acquire such Debt and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents (including the Credit Agreement) and are an essential term of this Indenture. Any Holder or beneficial owner of Debt, any Issuer Subsidiary, the Income Note Issuer or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Collateral Trustee shall retain the Assets securing the Secured Debt intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Collateral Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Secured Debt (including amounts due and owing as Administrative Expenses (without giving effect to the Administrative Expense Cap), any due and unpaid Collateral Management Fees and amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of such Hedge Agreement as a result of Priority Termination Event), and a Majority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A-1 Debt or Section 5.1(g), a Majority of the Class A-1 Debt (and no other Class of Secured Debt, regardless of whether any such other Class subsequently becomes the Controlling Class) direct the sale and liquidation of the Assets

(without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default);

(iii) a Majority of all Classes of Secured Debt (voting separately by Class) direct the sale and liquidation of the Assets; or

(iv) if only Subordinated Notes are then Outstanding, a Majority of the Subordinated Notes direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

The Collateral Trustee, the Collateral Manager (and/or any of its affiliates) and any holder of Debt may bid for and acquire any portion of the Assets in connection with a public sale thereof, and the Collateral Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt or other amounts secured by the Assets, all or part of the net proceeds of such sale after deducting the reasonable costs, charges and expenses incurred (including the reasonable costs and expenses of counsel) by the Collateral Trustee in connection with such sale.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to preserve the Assets securing the Secured Debt if prohibited by applicable law. The Collateral Trustee shall notify each Rating Agency in the event of a sale and liquidation of the Assets.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Loan or bond contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market therein and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Loan or bond. In the event that the Collateral Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a Loan or bond contained in the Assets from one nationally recognized dealer at the time making a market therein, the Collateral Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee may retain and rely on an opinion of an Independent investment banking firm, or other appropriate advisor, of national reputation (the cost of which shall be payable as an Administrative Expense).

The Collateral Trustee shall deliver to the Debtholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Collateral Trustee shall make the determinations

required by Section 5.5(a)(i) within 30 days following the written request of a Majority of the Controlling Class at any time during which the Collateral Trustee retains the Assets pursuant to Section 5.5(a)(i); provided that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6 Collateral Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture, the Credit Agreement or under any of the Secured Debt may be prosecuted and enforced by the Collateral Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Collateral Trustee with respect to the Debt pursuant to this Article V and any Money that may then be held or thereafter received by the Collateral Trustee with respect to the Debt hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Collateral Trustee. Upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, Equity Securities and the Eligible Investments effected hereunder, the provisions of Section 4.1(a) and 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder or beneficial owner of any Debt shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Credit Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder or beneficial owner has previously given to the Collateral Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than 25% of the then Aggregate Outstanding Amount of the Debt of the Controlling Class shall have made written request to the Collateral Trustee to institute Proceedings in respect of such Event of Default in its own name as Collateral Trustee hereunder and such Holder or Holders or beneficial owners have provided the Collateral Trustee indemnity reasonably satisfactory to the Collateral Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Collateral Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Collateral Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders or beneficial owners of Debt shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or beneficial owners of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders or

beneficial owners of the Debt of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders or beneficial owners of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Collateral Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders or beneficial owners of the Controlling Class, each representing less than a Majority of the Controlling Class, the Collateral Trustee shall act in accordance with the request specified by the group of Holders or beneficial owners with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Collateral Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Debtholders to Receive Principal and Interest. Subject to Section 2.8, but notwithstanding any other provision of this Indenture, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Debt still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.8 and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Collateral Trustee or any Debtholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Collateral Trustee or to such Debtholder, then and in every such case the Co-Issuers, the Collateral Trustee and the Debtholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Collateral Trustee and the Debtholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Trustee or to the Debtholder is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Trustee or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and

remedy given by this Article V or by law to the Collateral Trustee or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Trustee or by the Holders of the Secured Debt.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee or exercising any trust or power conferred upon the Collateral Trustee under this Indenture; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Collateral Trustee may take any other action deemed proper by the Collateral Trustee that is not inconsistent with such direction; provided that, subject to Section 6.1, the Collateral Trustee need not take any action that it determines might involve it in liability or expense (unless the Collateral Trustee has received the indemnity as set forth in (c) below);

(c) the Collateral Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Collateral Trustee to undertake a Sale of the Assets shall be by the Holders or beneficial owners of Debt representing the requisite percentage of the Aggregate Outstanding Amount of Debt and Class(es) thereof, as applicable, specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders and beneficial owners of the Debt waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Debt (which may be waived only with the consent of the Holder or beneficial owner of such Secured Debt);

(b) in the payment of interest on any Secured Debt (which may be waived only with the consent of the Holder or beneficial owner of such Secured Debt);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder or beneficial owner of all Outstanding Debt materially and adversely affected thereby (which may be waived only with the consent of each such Holder or beneficial owner); or

(d) so long as any Class of Debt Outstanding is rated by either S&P or Fitch, in respect of a representation contained in Section 7.19 (which may be waived only by a Majority of the Controlling Class if the S&P Rating Condition and the Fitch Rating Condition, as applicable, are satisfied).

In the case of any such waiver, the Co-Issuers, the Collateral Trustee and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Collateral Trustee shall promptly give written notice of any such waiver to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Debt) and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder and beneficial owner of any Debt by such Holder's or beneficial owner's acceptance thereof or its entry into the Credit Agreement shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Collateral Trustee for any action taken, or omitted by it as Collateral Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Collateral Trustee, to any suit instituted by any Debtholder, or group of Debtholder, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Debtholder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of any redemption or prepayment whose failure to pay would constitute an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Collateral Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Collateral Trustee may upon notice to the Debtholders and a Responsible Officer of the Collateral Manager, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Collateral Trustee shall be authorized to deduct the reasonable costs, charges and expenses (including the reasonable costs and expenses of counsel) incurred by it in

connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(a) The Collateral Trustee and the Collateral Manager (and/or any of its affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and the Collateral Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred (including the reasonable costs and expenses of counsel) by the Collateral Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Collateral Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(b) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Collateral Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(c) The Collateral Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Collateral Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Collateral Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18 Action on the Debt. The Collateral Trustee's right to seek and recover judgment on the Debt or under this Indenture or the Credit Agreement shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Collateral Trustee or the Debtholders shall be impaired by the recovery of any judgment by the Collateral Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE COLLATERAL TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default actually known to a Trust Officer of the Collateral Trustee:

(i) the Collateral Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Collateral Trustee; and

(ii) in the absence of bad faith on its part, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Trustee and conforming to the requirements of this Indenture; provided that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Collateral Trustee, the Collateral Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within five Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Collateral Trustee within 15 days after such notice from the Collateral Trustee, the Collateral Trustee shall so notify the Debtholders.

(b) In case an Event of Default actually known to a Trust Officer of the Collateral Trustee has occurred and is continuing, the Collateral Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Collateral Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Collateral Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Collateral Trustee was negligent in ascertaining the pertinent facts;

(iii) the Collateral Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee, or exercising any trust or power conferred upon the Collateral Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated

hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it; and

(v) in no event shall the Collateral Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Collateral Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Collateral Trustee at the Corporate Trust Office, and such notice references the Debt generally, the Issuer, the Co-Issuer, the Assets, the Credit Agreement or this Indenture. For purposes of determining the Collateral Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Trustee is deemed to have notice as described in this Section 6.1.

(e) Not later than three Business Days after the Collateral Trustee receives notice of assignment or termination under the Collateral Management Agreement, or notice of a "cause" event under the Collateral Management Agreement, the Collateral Trustee shall forward a copy of such notice to the Debtholders (as their names appear in the Register).

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Collateral Trustee shall be subject to the provisions of this Section 6.1.

(g) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Tax Event unless it receives written notice of the occurrence of a Tax Event from the Collateral Manager.

(h) The Collateral Trustee shall not have any obligation to confirm compliance with the Retention Requirements, the risk retention regulations of any other jurisdiction or Cayman AML Regulations.

(i) The Collateral Trustee shall have no responsibility or liability for the designation or determination of the Term SOFR Reference Rate or Fallback Rate as a successor or replacement base rate to the Term SOFR Reference Rate, including without limitation whether the condition for such designation have been satisfied or whether any such rate constitutes a Fallback Rate.

(j) The Collateral Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(k) The Collateral Trustee shall have no obligation to determine or verify (i) whether any Restructured Asset constitutes a Collateral Restructured Asset or the application

of amounts in accordance with the Restructured Asset Proceeds Allocation Sequence (and shall be entitled in each case to rely upon notice thereof from the Collateral Manager) or (ii) whether the conditions to an Exchange Transaction have been satisfied.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Collateral Trustee or after any declaration of acceleration has been made or delivered to the Collateral Trustee pursuant to Section 5.2, the Collateral Trustee shall transmit by mail or email to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Debt), and all Holders, as their names and addresses appear on the Register, notice of all Events of Defaults hereunder known to the Collateral Trustee, unless such Event of Default shall have been cured or waived. In addition, prior to the commencement of liquidation of the Assets pursuant to Section 5.5, the Issuer shall provide notice of such liquidation to each Rating Agency then providing a rating on any Class of Secured Debt.

Section 6.3 Certain Rights of Collateral Trustee. Except as otherwise provided in Section 6.1:

(a) the Collateral Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties; it being understood that an electronically signed document delivered via email by an individual purporting to be an Authorized Officer will be considered signed and executed by such Authorized Officer on behalf of the applicable Person. The Collateral Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Collateral Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Collateral Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Collateral Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Collateral Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or

omitted by it hereunder in good faith and in reliance thereon and the Collateral Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purposes of determining and discharging its right and duties hereunder;

(e) the Collateral Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Collateral Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in complying with such request or direction (including any actions in respect thereof);

(f) the Collateral Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report (including any Accountants' Report), notice, request, direction, consent, order, note, electronic communication or other paper or document, but the Collateral Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall (subject to the right hereunder to be reasonably satisfactorily indemnified for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Collateral Trustee shall be entitled, on reasonable prior written notice to the Co-Issuers and a Responsible Officer of the Collateral Manager, to examine the books and records relating to the Debt and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided that the Collateral Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority, (ii) as otherwise required pursuant to this Indenture and (iii) to the extent that the Collateral Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Collateral Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Collateral Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Collateral Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent appointed, or non-Affiliated attorney appointed, with due care by it hereunder;

(h) the Collateral Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Collateral Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Collateral Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Collateral Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or from a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Collateral Trustee shall, upon reasonable (but no less than three Business Days') prior written notice, permit any representative of a Holder of a Debt, during the Collateral Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Collateral Trustee (other than items protected by attorney-client privilege or other confidentiality requirements) relating to the Debt, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Collateral Trustee by such Holder) and to discuss the Collateral Trustee's actions, as such actions relate to the Collateral Trustee's duties with respect to the Debt, with the Collateral Trustee's Officers and employees responsible for carrying out the Collateral Trustee's duties with respect to the Debt;

(l) the Collateral Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Collateral Trustee), DTC, Euroclear, Clearstream, or any other Clearing Agency or depository and without limiting the foregoing, the Collateral Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Collateral Trustee from the Collateral Manager (or from any Selling Institution, agent bank, trustee or similar source) with respect to the Assets;

(m) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Collateral Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Collateral Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(n) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent, financial reporting agent, Income Note Paying Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Securities Account Control Agreement, the Income Note Paying Agency Agreement or any other documents to which the Bank in such capacity is a party; provided, further, however, that the

foregoing shall not be construed to impose upon the Paying Agent, Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary any of the duties or standard of care (including, without limitation, any duties of a prudent person) of the Collateral Trustee;

(o) any permissive right of the Collateral Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(p) the Collateral Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(q) the Collateral Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Collateral Trustee at the Corporate Trust Office and such notice references the Debt generally, the Issuer, the Co-Issuer, the Credit Agreement or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Collateral Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Collateral Trustee is deemed to have knowledge in accordance with this paragraph;

(r) the Collateral Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services); provided that, it being understood that the Collateral Trustee shall use reasonable efforts, which are consistent with accepted practices in the banking industry, to maintain performance and, if necessary, resume performance as soon as practicable under the circumstances;

(s) to help fight the funding of terrorism and money laundering activities, the Bank may obtain, verify and record information that identifies individuals or entities that establish a relationship or open an account with the Bank. The Collateral Trustee may ask for formation documents such as articles of incorporation, an offering memorandum or other identifying documents or information to be provided. In accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other Citibank, N.A. facilities in the United States or process "restricted transactions" as such term is defined in U.S. 31 C.F.R. Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use them to process or facilitate payments for prohibited internet gambling transactions;

(t) to the extent not inconsistent herewith, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator; provided that, with respect to the Collateral Administrator, such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement; provided, further, however, that the foregoing shall not be construed to impose upon the Collateral Administrator any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Collateral Trustee;

(u) in making or disposing of any investment permitted by this Indenture, the Collateral Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(v) the Collateral Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Collateral Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) the Collateral Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager;

(y) neither the Collateral Trustee nor the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation, Collateral Restructured Asset or Restructured Asset meets the criteria or eligibility restrictions imposed by this Indenture or (ii) whether the conditions specified in the definition of "Delivered" have been complied with;

(z) unless the Collateral Trustee receives written notice of an error or omission related to the Monthly Report or Distribution Report (including any payment date instructions) provided to Holders (or beneficial owners of any of the Debt) within 90 days such Holders' (or beneficial owners') receipt of same, the Collateral Trustee shall have no liability (absent negligence, willful misconduct or bad faith on its part) in connection with such error or omission and, absent direction by the requisite percentage of Holders entitled to direct the Collateral Trustee, no further obligations in connection therewith;

(aa) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Collateral Trustee that the Collateral Trustee in its sole discretion deems to contain confidential, propriety, and /or sensitive information and sent by electronic mail may, at the Collateral Trustee's option be encrypted. The recipient of the email communication may be required to complete a one-time registration process;

(bb) the Collateral Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Collateral Trustee), any Authenticating Agent (other than the Collateral

Trustee), any non-Affiliated custodian, clearing agency, common depository, Euroclear or Clearstream Luxembourg and without limiting the foregoing, the Collateral Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or the Collateral Management Agreement, or to verify or independently determine (i) whether the Collateral Manager has the authority to provide an instruction hereunder or under another Transaction Document or (ii) the accuracy of information received by it from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(cc) with respect to any Permitted Non-Loan Corporate Actions (as defined in the Collateral Administration Agreement), the Collateral Trustee may require the Collateral Manager to register with the Collateral Trustee's corporate action notification system to receive any such Permitted Non-Loan Corporate Actions and thereafter the Collateral Trustee shall have no obligation or liability with respect to such Permitted Non-Loan Corporate Actions; and

(dd) the Collateral Trustee may conclusively rely upon a certificate of the Collateral Manager delivered pursuant hereto listing its Responsible Officers until a subsequent certificate updating such list of Responsible Officers is delivered to the Collateral Trustee.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Collateral Trustee assumes no responsibility for their correctness. The Collateral Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Collateral Trustee's obligations hereunder), the Assets or the Notes. The Collateral Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Collateral Trustee, any Paying Agent, the Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Collateral Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Collateral Trustee hereunder shall be held in trust to the extent required herein. The Collateral Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Collateral Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Collateral Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to reimburse the Collateral Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Collateral Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Collateral Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Collateral Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with acting or serving as Collateral Trustee under this Indenture, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the administration, exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Collateral Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Collateral Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Collateral Trustee is a party only as provided in Sections 11.1(a)(i), (ii) and (iii) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Collateral Trustee shall continue to serve as Collateral Trustee under this Indenture notwithstanding the fact that the Collateral Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Collateral Trustee's rights under Section 6.9. No direction by the Debtholders shall affect the right of the Collateral Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or an expense shall be payable to the Collateral Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Collateral Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Collateral Trustee of any amounts provided by this Section 6.7 until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Debt.

(d) The Issuer's payment obligations to the Collateral Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority

of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Collateral Trustee. When the Bank incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or (f), the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Collateral Trustee Required; Eligibility. There shall at all times be a Collateral Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having an office within the United States. Each Collateral Trustee hereunder shall have a long-term senior unsecured debt rating of at least "BBB+" from S&P and satisfy the Fitch Eligible Counterparty Rating. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Collateral Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. No resignation or removal of the Collateral Trustee and no appointment of a successor Collateral Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Collateral Trustee under Section 6.10.

(a) The Collateral Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers (and, subject to Section 14.3(c), the Issuer shall provide notice to each Rating Agency then rating a Class of Secured Debt), the Collateral Manager and the Holders of the Debt. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor collateral trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Collateral Trustee so resigning and one copy to the successor Collateral Trustee or Collateral Trustees, together with a copy to each Holder and the Collateral Manager; provided that such successor Collateral Trustee shall be appointed only upon the written consent of a Majority of the Secured Debt of each Class (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Collateral Trustee has been appointed pursuant to Section 6.9(d), by an Act of a Majority of the Controlling Class. If no successor Collateral Trustee shall have been appointed and an instrument of acceptance by a successor Collateral Trustee shall not have been delivered to the Collateral Trustee within 30 days after the giving of such notice of resignation, the resigning Collateral Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee satisfying the requirements of Section 6.8.

(b) The Collateral Trustee may be removed at any time by Act of a Majority of each Class of Debt (voting separately by Class) or, at any time when an Event of Default shall

have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Collateral Trustee and to the Co-Issuers.

(c) If at any time:

(i) the Collateral Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by a Majority of the Controlling Class; or

(ii) the Collateral Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Trustee or of its property shall be appointed or any public officer shall take charge or control of the Collateral Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Collateral Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

(d) If the Collateral Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Collateral Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Collateral Trustee. If the Co-Issuers shall fail to appoint a successor Collateral Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Collateral Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Collateral Trustee. The successor Collateral Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Collateral Trustee and supersede any successor Collateral Trustee proposed by the Co-Issuers. If no successor Collateral Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee.

(e) The Co-Issuers shall give prompt notice of each resignation and each removal of the Collateral Trustee and each appointment of a successor Collateral Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, subject to Section 14.3(c) each Rating Agency then rating a Class of Secured Debt and to the Holders of the Debt as their names and addresses appear in the Register (or the Loan Register, as applicable). Each notice shall include the name of the successor Collateral Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Collateral Trustee, the successor Collateral Trustee shall cause, subject to Section 14.3(c), such notice to be given at the expense of the Co-Issuers.

Section 6.10 Acceptance of Appointment by Successor. Every successor Collateral Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Collateral Trustee an

instrument accepting such appointment and making representations and warranties set forth in Section 6.17. Upon delivery of the required instruments, the resignation or removal of the retiring Collateral Trustee shall become effective and such successor Collateral Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Collateral Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Debt or the successor Collateral Trustee, such retiring Collateral Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Trustee all the rights, powers and trusts of the retiring Collateral Trustee, and shall duly assign, transfer and deliver to such successor Collateral Trustee all property and Money held by such retiring Collateral Trustee hereunder. Upon request of any such successor Collateral Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Collateral Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Collateral Trustee. Any organization or entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Trustee, shall be the successor of the Collateral Trustee hereunder; provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Collateral Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Collateral Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Collateral Trustee had itself authenticated such Notes.

Section 6.12 Co-Collateral Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Collateral Trustee shall have power to appoint one or more Persons to act as co-collateral trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to each Rating Agency), jointly with the Collateral Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Collateral Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-collateral trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Collateral Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-collateral trustee so appointed, more fully confirming to such co-collateral trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-collateral trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder, shall be exercised solely by the Collateral Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Collateral Trustee in respect of any property covered by the appointment of a co-collateral trustee shall be conferred or imposed upon and exercised or performed by the Collateral Trustee or by the Collateral Trustee and such co-collateral trustee jointly as shall be provided in the instrument appointing such co-collateral trustee;

(c) the Collateral Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-collateral trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Collateral Trustee shall have the power to accept the resignation of, or remove, any such co-collateral trustee without the concurrence of the Co-Issuers. A successor to any co-collateral trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-collateral trustee hereunder shall be personally liable by reason of any act or omission of the Collateral Trustee hereunder;

(e) the Collateral Trustee shall not be liable by reason of any act or omission of a co-collateral trustee; and

(f) any Act of Holders delivered to the Collateral Trustee shall be deemed to have been delivered to each co-collateral trustee.

Subject to Section 14.3(c), the Issuer shall notify each Rating Agency then rating a Class of Secured Debt of the appointment of a co-collateral trustee hereunder.

Section 6.13 Certain Duties of Collateral Trustee Related to Delayed Payment of Proceeds. If the Collateral Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Collateral Trustee shall promptly notify the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Collateral Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Collateral Trustee in accordance with Section 10.2(a), the Collateral Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Collateral Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Collateral Manager shall direct. Any such action shall be

without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Collateral Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Collateral Trustee shall, and if the Collateral Trustee so chooses the Collateral Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Collateral Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Collateral Trustee and the Issuer. The Collateral Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Collateral Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Collateral Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by applicable law on the Issuer's payment (or allocations of income) under the Debt, such tax shall reduce the amount otherwise distributable to the relevant Holder. For the avoidance of doubt, any withholding tax required to be withheld under FATCA and the Cayman FATCA Legislation shall be treated as imposed by applicable law. The Collateral Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer, including due to the failure by a

Holder to comply with FATCA and the Cayman FATCA Legislation. Such authorization, however, shall not prevent the Collateral Trustee from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings. The amount of any withholding tax imposed with respect to any Debt shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Trustee. If there is a possibility that withholding is required by applicable law with respect to a distribution, the Paying Agent or the Collateral Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Collateral Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Collateral Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Debt.

Section 6.16 Representative for Secured Debtholders Only; Agent for Each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Collateral Trustee is to the Collateral Trustee as representative of the Secured Debtholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Collateral Trustee of any Asset, the endorsement to or registration in the name of the Collateral Trustee of any Asset are all undertaken by the Collateral Trustee in its capacity as representative of the Secured Debtholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Collateral Trustee, Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a Proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Collateral Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

Section 6.18 Communication with Rating Agencies. Any written communication, including any confirmation, from any Rating Agency provided for or required to be obtained by the Collateral Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Collateral Trustee, including by electronic message, press release, posting to the Rating Agency's website, or other means then considered industry standard. For the avoidance of doubt, no written communication given by S&P under this Section 6.18 shall be deemed to satisfy the S&P Rating Condition unless such communication is provided by S&P specifically in satisfaction of the S&P Rating Condition.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Debt, in accordance with the terms of such Secured Debt, the Credit Agreement and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Debt, the Credit Agreement or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Debt, the Credit Agreement or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under the Debt shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

The Issuer hereby provides notice to each Holder that the failure of such Holder to provide the Collateral Trustee with appropriate tax certifications may result in amounts being withheld from payments to such Holder under this Indenture (provided that amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Co-Issuers or, in the case of the Class E Notes and the Subordinated Notes, the Issuer).

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Collateral Trustee as a Paying Agent for payments on the Debt and the Co-Issuers hereby appoint the Collateral Trustee as Transfer Agent at its applicable Corporate Trust Office, as the

Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers has appointed Corporation Service Company, as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided that (x) the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Debt, the Credit Agreement and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Debt to withholding tax solely as a result of such Paying Agent's activities. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Collateral Trustee, each Rating Agency then rating a Class of Secured Debt and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Collateral Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers at their addresses set forth in Section 14.3, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office.

Section 7.3 Money for Debt Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Debt that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Collateral Trustee or a Paying Agent with respect to payments on the Debt.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Debt held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Collateral Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Collateral Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Trustee) the Applicable Issuers shall promptly notify the Collateral Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Debt with respect to which such deposit was made

shall be paid over by such Paying Agent to the Collateral Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Collateral Trustee; provided that, so long as the Debt of any Class is rated by a Rating Agency, with respect to the initial Paying Agent or any additional or successor Paying Agent, such Paying Agent shall (x) satisfy the Fitch Eligible Counterparty Rating (unless the Fitch Rating Condition is satisfied) and (y) have either a long-term debt rating of "A+" or higher from S&P or a short term debt rating of "A-1" from S&P (unless the S&P Rating Condition is satisfied). If such Paying Agent ceases to satisfy the requirements set forth in clause (i) above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent that satisfies the foregoing requirements. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state banking authorities. The Co-Issuers shall cause each Paying Agent other than the Collateral Trustee to execute and deliver to the Collateral Trustee an instrument in which such Paying Agent shall agree with the Collateral Trustee and if the Collateral Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Debt for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Debt in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Collateral Trustee, immediately resign as a Paying Agent and forthwith pay to the Collateral Trustee all sums held by it in trust for the payment of Debt if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Collateral Trustee, immediately give the Collateral Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Debt) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Collateral Trustee, during the continuance of any such default, upon the written request of the Collateral Trustee, forthwith pay to the Collateral Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Collateral Trustee upon the same trusts as those upon which

such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Trustee or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Collateral Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Collateral Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but has not been surrendered for redemption or prepayment or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Credit Agreement, the Debt, or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Collateral Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Collateral Trustee and, subject to Section 14.3(c), each Rating Agency then rating a Class of Secured Debt by the Issuer, which notice shall be promptly forwarded by the Collateral Trustee to the Holders and the Collateral Manager, (iii) so long as Fitch is rating the Secured Debt, the Fitch Rating Condition is satisfied, (iv) so long as S&P is rating the Secured Debt, the S&P Rating Condition is satisfied and (v) on or prior to the 15th Business Day following receipt of such notice the Collateral Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(a) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any subsidiary that (x) meets the then-current general criteria of each Rating Agency for bankruptcy remote entities, (y) is formed for the sole purpose of holding (A) equity interests in "partnerships" (within the meaning of Section 7701(a)(2) of the Code), "grantor trusts" (within the

meaning of the Code) or entities that are disregarded as separate from their owners for U.S. federal income tax purposes that are or may be engaged or deemed to be engaged in a trade or business within the United States or (B) any other asset the ownership of which by the Issuer may cause the Issuer to be treated as engaged, or deemed to be engaged, in a trade or business within the United States, in each case acquired or received in a workout, bankruptcy, restructuring or similar transaction of a Defaulted Obligation or otherwise acquired or received in connection with a workout, bankruptcy, restructuring or similar transaction of a Collateral Obligation (excluding, for the avoidance of doubt, in the case of both clause (A) and clause (B) above, any interest that is treated as a United States real property interest for purposes of Section 897(c) of the Code or causes the Issuer's subsidiary to have or be deemed to have an ownership interest or a controlling interest in real property or an ownership interest in an entity that has a controlling interest in real property) (each, an "Issuer Subsidiary") and (z) includes customary "non-petition" and "limited recourse" provisions in any agreement to which it is a party; (ii) the Co-Issuer shall not have any subsidiaries; and (iii) except to the extent contemplated in the Administration Agreement or the amended and restated declaration of trust dated March 8, 2023, by MaplesFS Limited (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers to the extent they are employees), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles, the Registered Office Agreement or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's-length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Collateral Manager.

(b) The Issuer shall ensure that any Issuer Subsidiary (i) is wholly owned by the Issuer, (ii) is treated as a corporation for U.S. federal income tax purposes, (iii) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents, (iv) will not have any subsidiaries (other than another Issuer Subsidiary that satisfies the requirements imposed hereunder), (v) will comply with the restrictions set forth in Section 7.8(a)(ix) and (x) of this Indenture, (vi) will not incur or guarantee any indebtedness except indebtedness with respect to which the Issuer is the sole creditor and will not hold itself out as being liable of the debts of any other Person, (vii) will include in its constituent documents a limitation on its business such that it may only engage in the acquisition of assets permitted under this Indenture and the disposition of such assets and the proceeds thereof to the Issuer (and activities ancillary thereto), (viii) will have at least one director that is Independent from the Collateral Manager, (ix) will distribute (including by way of interest payment) 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer and (x) shall not take any action, or conduct its affairs in a manner, that is likely to result in such Issuer Subsidiary's separate existence being ignored or its assets and

liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding.

(c) Each contribution by the Issuer to an Issuer Subsidiary as provided in this Section 7.4 may be effected by means of granting a participation interest in the relevant asset to the Issuer Subsidiary; provided that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on Tax Advice.

(d) The Issuer shall provide each Rating Agency with prior written notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Collateral Trustee in the Assets; provided that the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Debt hereunder and to:

- (i) Grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

The Issuer has designated and hereby designates again the Collateral Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing

Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Collateral Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Collateral Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than Excepted Property" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Collateral Trustee has a Grant.

(b) The Collateral Trustee shall not, except in accordance with Section 5.5, Section 10.8(a), (b) and (c) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Collateral Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(iii)) unless the Collateral Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. Within six months of the fifth anniversary of the Original Closing Date (and every five years thereafter so long as any Secured Debt is Outstanding), the Issuer shall furnish to the Collateral Trustee and each Rating Agency an Opinion of Counsel relating to the security interest Granted by the Issuer to the Collateral Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and is perfected and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness and perfection of such lien over the next year.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer shall notify any Rating Agency within 10 Business Days after it has received notice from any Debtholder or the Issuer of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix), (x) and (xii) the Co-Issuer will not, in each case from and after the Original Closing Date:

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Debt except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement; or

(xii) fail to maintain an independent manager under the Co-Issuer's limited liability company agreement.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(d) The Issuer may not acquire any of the Debt (including any Debt surrendered or abandoned) except pursuant to Section 9.8. This Section 7.8(d) shall not be deemed to limit an optional or mandatory redemption and/or prepayment or a Re-Pricing pursuant to the terms of this Indenture.

Section 7.9 Statement as to Compliance. On or before June 29th of each calendar year, commencing in 2026, or immediately if there has been a Default under this Indenture and prior to the issuance/incurrence of any Additional Debt pursuant to Section 2.4, the Issuer, subject to Section 14.3(c), shall deliver to each Rating Agency then rating a Class of Secured Debt, the Collateral Trustee, the Collateral Manager and the Administrator (to be forwarded by the Collateral Trustee or the Administrator, as applicable, to each Debtholder making a written request therefor) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, Etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or, except as otherwise permitted under this Indenture, convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4,

and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Collateral Trustee and each Holder, the due and punctual payment of the principal of and interest on all Debt and the performance and observance of every covenant of this Indenture and the Credit Agreement on its part to be performed or observed, all as provided herein;

(b) each of the S&P Rating Condition and the Fitch Rating Condition shall have been satisfied with respect to such consolidation or merger;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Collateral Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Collateral Trustee, the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have delivered to each Rating Agency then rating a Class of Secured Debt) an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture and any other Permitted Lien, to the Assets securing all of the Debt and (ii) the Collateral Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Debt; and in each case as to such other matters as the Collateral Trustee or any Debtholder may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Collateral Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have notified each Rating Agency then rating a Class of Secured Debt) of such consolidation, merger, transfer or conveyance and shall have delivered to the Collateral Trustee and each Debtholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such

supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with;

(g) the Merging Entity shall have delivered to the Collateral Trustee an Opinion of Counsel stating that (i) after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act;

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person; and

(i) the fees, costs and expenses of the Collateral Trustee (including any reasonable legal fees and expenses) associated with the matters addressed in this Section 7.10 shall have been paid by the Merging Entity (or, if applicable, the Successor Entity) or otherwise provided for to the satisfaction of the Collateral Trustee.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on the Debt and from its obligations under this Indenture and the Credit Agreement.

Section 7.12 No Other Business. The Issuer shall not acquire a Collateral Obligation if the primary purpose of the acquisition of such Collateral Obligation is to accommodate a request from a securities lending counterparty to borrow such Collateral Obligation under a securities lending agreement. The Co-Issuer shall not engage in any business or activity other than co-issuing and selling or incurring (as applicable) the Co-Issued Debt and any additional rated debt co-issued pursuant to this Indenture and other incidental activities. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or certificate of formation and limited liability company agreement, respectively, only if each of the S&P Rating Condition and the Fitch Rating Condition is satisfied in connection with such amendment.

Section 7.13 [Reserved].

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Debt of any Class remain Outstanding, on or before June 29th in each year commencing in 2026, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Debt from each Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Collateral Trustee and the Collateral Manager in writing (and the Collateral Trustee shall promptly provide the Holders with a copy of such notice) if at any time the then-current rating of any such Class of Secured Debt has been, or is known will be, changed or withdrawn.

(b) The Issuer shall obtain and pay for an annual review of any Collateral Obligation which has a S&P Rating derived as set forth in clause (iii)(b) of the part of the definition of the term "S&P Rating."

Section 7.15 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Collateral Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Debt remains Outstanding there will at all times be an agent appointed (which shall not control, be controlled by or under common control with, the Issuer, the Collateral Manager or their respective Affiliates) to calculate the Benchmark Rate in respect of each Interest Accrual Period (or portion thereof) in accordance with the definition of such term (the "Calculation Agent"). The Issuer hereby appoints the Collateral Trustee as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Trustee as Calculation Agent does hereby agree) that, as soon as possible after 5:00 p.m. Chicago time on each Interest Determination Date (or, in the case of the first Interest Accrual Period, each Notional Determination Date), but in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date (or, in the case of the first Interest Accrual Period, each Notional Determination Date), the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Debt during the related Interest Accrual Period (or portion thereof) and the Debt Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in

respect of the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Collateral Trustee, the Loan Agent, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent will also specify to the Co-Issuers the quotations upon which the Interest Rate for each Class of Floating Rate Debt is based, and in any event the Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date (or, in the case of the first Interest Accrual Period, each Notional Determination Date) if it has not determined and is not in the process of determining any such Interest Rate or Debt Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or portion thereof) will (in the absence of manifest error) be final and binding upon all parties.

(c) The Calculation Agent, the Paying Agent, the Loan Agent, the Collateral Administrator and the Collateral Trustee shall have no (i) responsibility or liability for the selection or determination of the Term SOFR Reference Rate or Fallback Rate as a successor or replacement base rate to the Term SOFR Rate and shall be entitled to rely upon any designation of such a rate by the Collateral Manager, (ii) responsibility or liability for the determination of whether the requirements requiring that a Fallback Rate be selected have been met, (iii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a "Term SOFR Rate" as described in the definition thereof or the failure of the Collateral Manager to provide necessary instructions or underlying components needed to calculate any Term SOFR Reference Rate or (iv) to determine whether or what Benchmark Replacement Rate Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing. The Calculation Agent shall have no liability for any application of the Term SOFR Reference Rate as determined on a previous U.S. Government Securities Business Day or Interest Determination Date if so required under the terms of this Indenture.

Section 7.17 Certain Tax Matters. (a) The Co-Issuers will treat the Co-Issuers and the Debt as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Memorandum for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and the Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders of Subordinated Notes) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary the U.S. federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder of a Subordinated Note (and any Class of Secured Debt recharacterized as equity in the Issuer for U.S. federal income tax purposes) any information that such Holder reasonably requests in order for such Holder to comply with its U.S. federal, state, or local tax return filing and information reporting obligations, or to make and maintain an election or a "protective" election to treat any non-U.S. Issuer Subsidiary as a "qualified electing fund" for U.S. federal income tax purposes.

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1446, 1471 and 1472, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, (i) each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by the Issuer or its agents on its behalf determines is required to be withheld from any amounts otherwise distributable to any Holder, (ii) if reasonably able to do so, the Issuer shall deliver or cause to be delivered an applicable IRS Form W-8 or successor applicable form and other properly completed and executed documentation, as it determines is necessary to permit the Issuer to receive payments without withholding or deduction, or at a reduced rate of withholding or deduction, and (iii) the Issuer shall take commercially reasonable efforts to timely obtain a Global Intermediary Identification Number from the IRS and comply with any requirements necessary to establish and maintain its status as a "reporting Model 1 FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(114). Upon written request, the Collateral Trustee, the Loan Agent, the Paying Agent and the Registrar shall provide to the Issuer, the Collateral Manager, or any agent thereof any information specified by such parties regarding the Holders of the Debt and payments on the Debt that is reasonably available to the Collateral Trustee, the Loan Agent, the Paying Agent or the Registrar, as the case may be, by reason of it acting in such capacity and may be necessary for compliance with FATCA, the Cayman FATCA Legislation and the CRS. None of the Collateral Trustee, the Paying Agent or the Registrar shall have any liability for such disclosure or, subject to its duties herein, the accuracy thereof.

(d) Upon the Collateral Trustee's receipt of a request of a Holder, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Collateral Trustee and such requesting Holder all of such information. Any issuance/incurrence of additional Debt or replacement Debt shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate and report original issue discount income to Holders of Debt (including the additional Debt or replacement Debt, as applicable).

(e) The Collateral Manager will be the initial "partnership representative" (the "Partnership Representative") (or, if not eligible under the Code to be the Partnership Representative, the agent and attorney-in-fact of the Partnership Representative) and may designate the Partnership Representative from time to time with respect to any taxable year of the Issuer during which the holder constituting a Majority of the Subordinated Notes on the Closing Date holds or has held any Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative); provided, that during any other period or if the holder constituting a Majority of the Subordinated Notes on the Closing Date declines to so designate a Partnership Representative, the Issuer (after consultation with the Collateral Manager) shall designate the Partnership Representative from among any beneficial owners of Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative). The Partnership Representative (or, if applicable, its agent and attorney in fact), shall sign the Issuer's tax returns and is authorized to make tax elections on behalf of the Issuer in its reasonable discretion, to determine the amount and characterization

of any allocations or tax items described in this Indenture in its reasonable discretion, and to take all actions and do such things as required or as it shall deem appropriate under the Code, at the Issuer's sole expense, including representing the Issuer before taxing authorities and courts in tax matters affecting the Issuer and the beneficial owners of Subordinated Notes (as determined for U.S. federal income tax purposes) in their capacity as partners in the Issuer. Any action taken by the Partnership Representative in connection with audits of the Issuer under the Code will, to the extent permitted by law, be binding upon the "equity owners" (for U.S. federal income tax purposes) of the Issuer. Each such beneficial owner agrees that it will treat any Issuer item on such beneficial owner's income tax returns consistently with the treatment of the item on the Issuer's tax return and that such beneficial owner will not independently act with respect to tax audits or tax litigation affecting the Issuer, unless previously authorized to do so in writing by the Partnership Representative (or, if applicable, its agent and attorney-in-fact), which authorization may be withheld in the complete discretion of the Partnership Representative (or, if applicable, its agent and attorney in fact). The Issuer will, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative and any agent and attorney-in-fact of such Partnership Representative in connection with any expenses reasonably incurred in connection with its performance of its duties as or on behalf of the Partnership Representative. For the avoidance of doubt, any indemnity or reimbursement provided pursuant to the immediately foregoing sentence shall be treated as an Administrative Expense pursuant to the definition thereof.

(f) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Holder of Subordinated Notes (including, for purposes of this Section 7.17(f) and Section 7.17(g) through (j), any Holder of Subordinated Notes (as determined for U.S. federal income tax purposes)), in accordance with Section 704(b) of the Code and Treasury Regulations section 1.704-1(b)(2)(iv).

(g) After giving effect to Section 7.17(g) and Section 7.17(h), all Issuer items of income, gain, loss and deduction shall be allocated among the Holders of Subordinated Notes in a manner such that, after the allocation, each such Holder's capital account is equal (as nearly as possible) to the amount that such Holder would receive from the Issuer if the Issuer (i) sold all of its assets for their Book Values, (ii) applied the proceeds to discharge Issuer liabilities at face amount, and (iii) distributed the remaining proceeds in accordance with the provisions of this Indenture (other than this Section 7.17), minus the sum of such Holder's share of "partnership minimum gain" (within the meaning of Treasury Regulations section 1.704-2(b)(2)) and "partner nonrecourse debt minimum gain" (within the meaning of Treasury Regulations section 1.704-2(i)(3)).

(h) (i) This Section 7.17(h)(i) incorporates by reference, as if fully set forth herein, the "minimum gain chargeback" requirement contained in Treasury Regulations section 1.704-2(f), the "partner minimum gain chargeback" requirement contained in Treasury Regulations section 1.704-2(i), and the "qualified income offset" requirement contained in Treasury Regulations section 1.704-1(b)(2)(ii)(d).

(ii) In the event that any Holder of Subordinated Notes has a deficit capital account at the end of any Issuer taxable year that is in excess of the amount such Holder is deemed to be obligated to restore pursuant to the penultimate sentences of Treasury

Regulations sections 1.704-2(g)(1) and 1.704-2(i)(5), such Holder will be allocated items of Issuer income and gain in the amount of such excess as quickly as possible. Notwithstanding the foregoing, an allocation pursuant to this Section 7.17(h)(ii) will be made only if and to the extent that such Holder would have a deficit capital account in excess of such amount after all other allocations provided for in this Section 7.17 have been tentatively made as if this Section 7.17 did not include this Section 7.17(h)(ii) or the "qualified income offset" requirement of Section 7.17(h)(i).

(iii) Nonrecourse deductions (within the meaning of Treasury Regulations section 1.704-2(b)(1)) will be specially allocated to the Holders of Subordinated Notes in the same manner as if they were not nonrecourse deductions.

(iv) No Holder of Subordinated Notes will be allocated items of loss or deduction under Section 7.17(g) or Section 7.17(i) if such allocation would cause or increase a deficit balance in such Holder's capital account as of the end of the Issuer taxable year to which such allocation relates, within the meaning of Treasury Regulations section 1.704-1(b)(2)(ii)(d).

(i) It is the intent of the Issuer that, to the extent possible, all special allocations made pursuant to Section 7.17(g) be offset either with other special allocations made pursuant to Section 7.17(h) or with special allocations made pursuant to this Section 7.17(i). Therefore, notwithstanding any other provision of this Section 7.17 (other than Section 7.17(h)), offsetting special allocations of Issuer items of income, gain, loss and deduction will be made so that, after such offsetting allocations are made, the capital account balance of each Holder of Subordinated Notes is, to the extent possible, equal to the capital account balance such Holder would have had if the special allocations made pursuant to Section 7.17(h) were not part of this Section 7.17 and all Issuer items of income, gain, loss and deduction were allocated pursuant to Section 7.17(g).

(j) For U.S. federal, state and local income tax purposes, items of Issuer income, gain, loss, and deduction will be allocated among the Holders of Subordinated Notes in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17(j), except that items with respect to which there is a difference between adjusted tax basis and Book Value will be allocated in accordance with Section 704(c) of the Code using a method chosen by the Partnership Representative as described in Treasury Regulations section 1.704-3.

(k) The Partnership Representative is authorized to amend the allocations described in this Section 7.17 as necessary to ensure that all allocations made pursuant to this Section 7.17 are treated as having "substantial economic effect" within the meaning of Section 704 of the Code.

(l) The Partnership Representative may, in its sole discretion, cause the Issuer to make an election under Section 754 of the Code or elect to be a "withholding foreign partnership" for U.S. federal income tax purposes.

(m) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in such

asset to the Issuer Subsidiary, if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on Tax Advice.

(n) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of section 7701(i) of the Code unless, based on Tax Advice, the ownership or such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

(o) Upon a Re-Pricing or a change in the Benchmark Rate, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulations section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Pricing Eligible Notes or Notes replacing the Re-Pricing Eligible Notes, or, in the case of a change in the Benchmark Rate, the Debt that is subject to the new Benchmark Rate is traded on an established market, and (ii) if so traded, to determine the fair market value of such Debt and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Debt is issued/incurred.

(p) The Issuer has not elected and will not elect to be treated as an association taxable as a corporation for U.S. federal income tax purposes.

(q) The Co-Issuer has not and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local tax purposes.

Section 7.18 Purchase of Additional Collateral Obligations. (a) The conditions set forth in Section 7.18 of the Existing Indenture were satisfied by the Issuer prior to the date hereof.

(f) [Reserved].

(g) [Reserved].

(h) [Reserved].

(k) Weighted Average S&P Recovery Rate. On or prior to the Closing Date, the Collateral Manager shall elect the Weighted Average S&P Recovery Rate that shall on and

after the Closing Date apply to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and if such Weighted Average S&P Recovery Rate differs from the Weighted Average S&P Recovery Rate chosen to apply as of the Closing Date, the Collateral Manager will so notify the Collateral Trustee and the Collateral Administrator by providing written notice in the form of Exhibit F. Thereafter, at any time on written notice of one Business Day to the Collateral Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided that, if: (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Schedule 7. If the Collateral Manager does not notify the Collateral Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate chosen on or prior to the Closing Date in the manner set forth above, the Weighted Average S&P Recovery Rate chosen on or prior to the Closing Date shall continue to apply.

(l) S&P CDO Model Inputs. No later than the S&P CDO Model Election Date (if any), the Collateral Manager shall designate the S&P CDO Model Inputs that will apply during the related S&P CDO Model Election Period and shall provide notice thereof to the Collateral Administrator. At any time after such initial determination, with notice to the Collateral Administrator and S&P, the Collateral Manager may designate a different set of S&P CDO Model Inputs. The Collateral Manager may not designate S&P CDO Model Inputs with (i) an S&P CDO Model Weighted Average Spread that is higher than the actual S&P Weighted Average Floating Spread at the time of selection or on any Measurement Date or (ii) an S&P CDO Model Recovery Rate that is higher than the actual Weighted Average S&P Recovery Rate at the time of selection or on any Measurement Date. At any time during an S&P CDO Model Election Period that the S&P CDO Monitor Test is not satisfied and would not be in compliance based on any other set of S&P CDO Model Inputs, the Collateral Manager shall select S&P CDO Model Inputs as follows: (A) if the actual S&P Weighted Average Floating Spread is lower than the lowest S&P CDO Model Weighted Average Spread, the lowest S&P CDO Model Weighted Average Spread and (B) if the actual Weighted Average S&P Recovery Rate is lower than the lowest S&P CDO Model Recovery Rate, the lowest S&P CDO Model Recovery Rate.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Original Closing Date and the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder):

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Collateral Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Original Closing Date and the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused, within ten days after the Original Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments Granted to the Collateral Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Collateral Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Collateral Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Collateral Trustee, for the benefit of the Secured Parties.

(c) The Issuer hereby represents and warrants that, as of the Original Closing Date and the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and will have been credited to one of the Accounts which are securities accounts within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all assets credited to such Accounts as "financial assets" within the meaning of Section 8-102(a)(9) the UCC.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

(iii) The Issuer has caused, within ten days after the Original Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest Granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder and (y) (A) the Issuer has delivered to the Collateral Trustee a fully executed Securities Account Control Agreement pursuant to which the Issuer has taken all steps necessary to cause the Custodian to identify in its records the Collateral Trustee as the person having a Security Entitlement against the Custodian in each of the Accounts.

(iv) The Accounts are not in the name of any person other than the Issuer or the Collateral Trustee. (d) The Issuer hereby represents and warrants that, as of the Original Closing Date and the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused, within ten days after the Original Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

The Co-Issuers agree to notify the Collateral Manager and each Rating Agency then rating a Class of Secured Debt promptly if they become aware of the breach of any of the representations and warranties contained in this Section 7.19 and shall not, without satisfaction of each of the S&P Rating Condition and the Fitch Rating Condition, waive any of the representations and warranties in this Section 7.19 or any breach thereof.

Section 7.20 Rule 17g-5 Compliance. In the event that any information is delivered or posted in error, the Information Agent may remove it from the Rule 17g-5 Website. (f) The Collateral Trustee shall have no obligation to engage in or respond to any oral communications with respect to the transactions contemplated hereby, any transaction documents relating hereto or in any way relating to the Debt or for the purposes of determining the initial credit rating of the Secured Debt or undertaking credit rating surveillance of the Secured Debt with any Rating Agency or any of its respective officers, directors or employees.

(iv) to evidence and provide for the acceptance of appointment hereunder by a successor Collateral Trustee and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one Collateral Trustee, pursuant to the requirements of Sections 6.9, 6.10 and 6.12 hereof;

(v) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Collateral Trustee any property subject or required to be subjected to the lien of this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations, whether pursuant to Section 7.5 or otherwise) or to subject to the lien of this Indenture any additional property;

(vi) to modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in ERISA or other applicable law or regulation (or the interpretation thereof) or to enable the Co-Issuers to rely upon any exemption from registration under the Securities Act or the Investment Company Act or to remove restrictions on resale and transfer to the extent not required thereunder;

(vii) to make such changes as shall be necessary or advisable in order for the Notes to be or remain listed on an exchange;

(viii) to correct or supplement any inconsistent or defective provisions in this Indenture or to cure any ambiguity, omission or errors in this Indenture; provided that, if a Majority of the Controlling Class has objected to the execution of such supplemental indenture in writing at least five Business Days prior to the proposed execution date of such supplemental indenture, the prior written consent of a Majority of the Controlling Class shall be required;

(ix) to conform the provisions of this Indenture to the final Offering Memorandum;

(x) with the written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes (which consent shall not be unreasonably withheld or delayed), to amend, modify, enter into or accommodate the execution of any Hedge Agreement, permit central clearing of swap transactions or otherwise facilitate hedging by the Issuer, upon terms satisfactory to the Collateral Manager, in all cases subject to the provisions set forth in Section 16.1;

(xi) to take any action necessary or advisable for any Bankruptcy Subordination Agreement; and to (A) issue a new Note or Notes in respect of, or issue one or more new sub-classes of, any Class of Debt, in each case with new identifiers (including CUSIPs, ISINs and Common Codes, as applicable), in connection with any Bankruptcy Subordination Agreement; provided that any sub-class of a Class of Debt issued pursuant to this clause shall be issued on identical terms as, and rank *pari passu* in all respects with, the existing Debt of such Class and (B) provide for procedures under which beneficial owners of such Class that are not subject to a Bankruptcy Subordination Agreement may take an interest in such new Note(s) or sub-class(es) of Debt;

(xii) to amend the name of the Issuer or the Co-Issuer; provided that a financing statement amendment is filed in the appropriate jurisdiction in connection with such proposed amendment;

(xiii) with the written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes (such consent to not be unreasonably withheld or delayed) to modify or amend (1) any Investment Criteria applicable either during or after the Reinvestment Period or any definition related thereto as it pertains to the calculation or determination thereof, (2) any Collateral Quality Test (including, without limitation, the Weighted Average Life Test) or any definition related thereto as it pertains to the calculation or determination thereof, (3) any Concentration Limitation or any definition related thereto as it pertains to the calculation or determination thereof, (4) the definition of "Collateral Obligation," "Credit Risk Obligation," "Credit Improved Obligation" or "Defaulted Obligation" or (5) the requirements relating to the Issuer's (or the Collateral Manager's on the Issuer's behalf) ability to vote in favor of a Maturity Amendment; provided that, if such amendment is undertaken in connection with an Optional Redemption in part by Class, such amendment shall require the written consent of a

Majority of the most senior Class of Secured Debt not subject to such Optional Redemption (unless, for the avoidance of doubt, such Class is also the Controlling Class);

(xiv) to evidence any waiver or modification by any Rating Agency as to any requirement or condition, as applicable, of such Rating Agency set forth in this Indenture or to amend, modify or otherwise accommodate changes relating to the administrative procedures for reaffirmation of ratings on the Secured Debt; provided that each of the S&P Rating Condition and the Fitch Rating Condition is satisfied with respect to such amendment or modification; provided further that, if a Majority of the Controlling Class has objected to the execution of such supplemental indenture in writing within ten (10) Business Days after the date of the notice of proposed supplemental indenture, such supplemental indenture may only be entered into if consent is obtained from a Majority of the Controlling Class subsequent to such objection (provided that, in the case of a supplemental indenture in connection with any Refinancing, such ten Business Day period may be waived with the consent of a Majority of the Controlling Class);

(xv) to modify the terms hereof in order that it may be consistent with the requirements of any rating agency whose criteria is used in this Indenture, including to address any change in the rating methodology employed by any rating agency (including, for the avoidance of doubt, any modification of the definitions of the terms "Credit Improved Obligation," "Credit Risk Obligation," "Defaulted Obligation" or "Equity Security" to conform to changes to rating agency methodology); provided that (x) the Fitch Rating Condition is satisfied with respect to such amendment or modification related to Fitch ratings criteria and (y) the S&P Rating Condition is satisfied with respect to such amendment or modification related to S&P ratings criteria; provided further that, if a Majority of the Controlling Class has objected to the execution of such supplemental indenture in writing within ten (10) Business Days after the date of the notice of proposed supplemental indenture, such supplemental indenture may only be entered into if consent is obtained from a Majority of the Controlling Class subsequent to such objection (provided that, in the case of a supplemental indenture in connection with any Refinancing, such ten Business Day period may be waived with the consent of a Majority of the Controlling Class);

(xvi) to facilitate any necessary filings, exemptions or registrations with the CFTC;

(xvii) with the written consent of a Majority of the Subordinated Notes (which consent shall not be unreasonably withheld or delayed) to make such other changes as the Co-Issuers deem appropriate and that do not materially and adversely affect the interests of any holder of the Debt;

(xviii) to take any action advisable, necessary or helpful to (a) prevent the Issuer, any Issuer Subsidiary, the Income Note Issuer and the Holders of any Class of Debt from becoming subject to (or to otherwise minimize) withholding or other taxes, fees or assessments, including by complying with FATCA, the Cayman FATCA Legislation and the CRS, (b) to reduce the risk that the Issuer may be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject

to U.S. federal, state or local tax on a net income basis or (c) with the consent of a Majority of the Subordinated Notes, to reduce the risk that the Issuer may be treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes or subject to tax liability under Section 1446 of the Code;

(xix) to modify the procedures in this Indenture relating to compliance with Rule 17g-5 or to permit compliance with the Dodd-Frank Act, as amended from time to time, the rules and regulations of the CFTC, or other laws, rules and regulations, as applicable to the Co-Issuers, the Collateral Manager or the Debt, or any rules or regulations thereunder or to reduce costs to the Issuer as a result thereof;

(xx) to make such changes as shall be necessary to permit the Co-Issuers to issue/incur Additional Debt of any one or more existing Classes or one or more Classes of Additional Junior Notes; provided that any such additional issuance/incurrence of debt shall be issued/incurred in accordance with Section 2.4;

(xxi) to accommodate the settlement of the Notes in book entry form through the facilities of DTC or otherwise;

(xxii) with the written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes (which consent shall not be unreasonably withheld or delayed) to make any modification or amendment determined by the Issuer or the Collateral Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable for any Class of Secured Debt to not be considered an "ownership interest" as defined for purposes of the Volcker Rule, so long as any such modification or amendment would not have a material adverse effect on any Class of Debt, as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering the opinion);

(xxiii) to amend, modify or otherwise accommodate changes to this Indenture (in consultation with legal counsel of national reputation experienced in such matters) to comply with any rule or regulation enacted by regulatory agencies of the United States federal government after the Closing Date that are applicable to the Debt or the transactions contemplated by this Indenture;

(xxiv) to effectuate a Refinancing or a Re-Pricing to the extent described in and in accordance with Section 9.2 or Section 9.7, respectively, including, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager) or the Collateral Manager (with the consent of a Majority of the Subordinated Notes), to (x) in the case of a Re-Pricing, extend the end date of the Non-Call Period for any Class of Notes subject to a Re-Pricing or provide that a Class of Notes may not be subject to a further Re-Pricing and (y) (1) include such other changes in the Collateral Manager's commercially reasonable judgment as shall be necessary to facilitate such Refinancing, (2) establish a non-call period for (or prohibit the refinancing of) any loan entered into or replacement securities issued in connection with the Refinancing and (3) in connection with a Refinancing of all Classes of Secured Debt, add any provisions to, or change in any

manner or eliminate any of the provisions of, this Indenture (including, without limitation, (i) modifications to effect an extension of the Stated Maturity of the Subordinated Notes and/or an extension of the Reinvestment Period, (ii) modifications of the definition of the Weighted Average Life Test or (iii) modifications that would otherwise require the consent of the Holders of the Debt pursuant to this Article VIII if such modifications were not being effected in connection with a Refinancing of all Classes of Secured Debt); and

(xxv) to make any Benchmark Replacement Rate Conforming Changes following the effective date of a Fallback Rate.

(b) For the avoidance of doubt, to the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture pursuant to any clause of subsection (a) above and one or more other amendment provisions described in this Article VIII also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment pursuant to the applicable clause of subsection (a) above only regardless of the applicability of any other provision set forth herein.

Section 8.2 Supplemental Indentures with Consent of Holders of Debt. With the written consent of the Collateral Manager and (1) a Majority of each Class of Secured Debt (voting separately by Class) materially and adversely affected thereby, if any, (2) a Majority of the Subordinated Notes if the Subordinated Notes are materially and adversely affected thereby and (3) any Hedge Counterparty that is materially and adversely affected by such supplemental indenture (in its reasonable judgment) and notifies the Issuer and the Collateral Trustee thereof in writing no later than the Business Day prior to the proposed date of execution thereof, the Collateral Trustee and the Co-Issuers may, subject to Section 8.3, execute one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Debt of any Class under this Indenture; provided that, notwithstanding the foregoing, no such supplemental indenture shall, without the consent of each Holder of each Outstanding Debt of each Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Debt, reduce the principal amount thereof, the rate of interest thereon (other than in connection with a Re-Pricing of a Re-Pricing Eligible Note) or the Redemption Price with respect to any Debt, or shorten the earliest date on which Debt of any Class may be redeemed and/or prepaid (as applicable), change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Debt or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Debt or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption or prepayment, on or after the applicable Redemption Date); provided that, for the avoidance of doubt, amendments effected in accordance with Section 8.1(a)(xxv) above shall not be subject to this clause (i) or any other provision of this Section 8.2;

(ii) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of Debt of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;

(iii) materially impair or materially and adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Debt of the security afforded by the lien of this Indenture;

(v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders or beneficial owner of any Class of Secured Debt whose consent is required to request the Collateral Trustee to preserve the Assets or rescind the Collateral Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;

(vi) modify any of the provisions of (x) this Section 8.2, except to increase the percentage of any Class of Debt Outstanding the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holders of each Class of Debt Outstanding and affected thereby or (y) Section 8.1 or Section 8.3; or

(vii) modify the definition of the terms "Outstanding," "Controlling Class," "Majority" or "Debt Payment Sequence," or the Priority of Payments set forth in Section 11.1(a).

Section 8.3 Execution of Supplemental Indentures. (a) The Collateral Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Collateral Trustee shall not be obligated to enter into any such supplemental indenture which affects the Collateral Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(b) With respect to any supplemental indenture under Section 8.1 or Section 8.2 the consent to which is required from all or a Majority of each, or any specified, Class of Debt materially and adversely affected thereby, the Collateral Trustee shall be entitled to receive, and may conclusively rely upon, an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the person delivering such certificate Opinion of Counsel, as applicable) as to whether or not (i) any Class of Debt would be materially and adversely affected by any such supplemental indenture (subject to the right of the Controlling Class set forth in the immediately succeeding sentence) or (ii) in the case of Classes that are *pari passu* as described in the definition of "Class," whether any such supplemental indenture affects one such Class in a manner that is materially different from the effect of such supplemental indenture on the

other such Class. If the Collateral Trustee receives a written notice from a Majority of the Controlling Class stating that the Controlling Class will be materially and adversely affected by any supplemental indenture under Section 8.2 prior to the proposed date of execution of such supplemental indenture, it shall not enter into such supplemental indenture without the consent of a Majority of the Controlling Class (or all of the Controlling Class, as applicable). If the Collateral Trustee receives a written notice from a Majority of the Subordinated Notes stating that the Subordinated Notes will be materially and adversely affected by any supplemental indenture under Section 8.2 prior to the proposed date of execution of such supplemental indenture, it shall not enter into such supplemental indenture without the consent of a Majority of the Subordinated Notes (or all of the Subordinated Notes, as applicable). In addition, subject to the other requirements of this clause (b), in executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Collateral Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Collateral Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel. Such determination (subject to the right of a Majority of the Controlling Class set forth in the second sentence of this paragraph) shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners of Debt.

(c) At the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than 15 Business Days (or any supplemental indenture entered into in connection with any Refinancing, 5 Business Days) prior to the execution of any proposed supplemental indenture, the Collateral Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, each Rating Agency and the Holders a copy of such supplemental indenture; provided that no such notice of a supplemental indenture that effects a Refinancing shall be required to be provided to any Holder of any Class of Secured Debt being refinanced in connection with such supplemental indenture. At the cost of the Co-Issuers, the Collateral Trustee shall provide to the Holders (in the manner described in Section 14.4) and each Rating Agency a copy of the executed supplemental indenture after its execution. Any failure of the Collateral Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(xxiv) with respect to a Re-Pricing, the foregoing notice periods shall not apply and a copy of the proposed supplemental indenture shall be included in, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each holder of the Re-Priced Class (with a copy to the Collateral Manager) described in Section 9.7 and, upon execution of the supplemental indenture, a copy thereof shall be delivered to each Rating Agency and each holder of Debt. The Collateral Trustee shall have no responsibility or liability for any failure or delay on the part of a Holder to provide written objection in response to any such notice, including without limitation in respect of any reliance on such failure to object for purposes of any supplemental indenture. Any notice or other document delivered to the Holders under this Section 8.3(c), shall be delivered via posting on the Collateral Trustee's Website in addition to any other methods required or permitted pursuant to this Indenture.

(d) [Reserved].

(e) For the avoidance of doubt, no consent with respect to any supplemental indenture shall be required from any Class being refinanced from Sale Proceeds or Refinancing Proceeds or any Class subject to a Re-Pricing.

(f) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(g) The Collateral Manager shall not be bound by any supplemental indenture until it has received a copy of such supplemental indenture and, unless the Collateral Manager has been given prior written notice of such supplemental indenture and has consented thereto in writing. The Issuer agrees that it will not, without the written consent of the Collateral Manager, permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Collateral Manager), or adversely change the economic consequences to, the Collateral Manager, (ii) directly or indirectly modify the restrictions on the purchases or sales of Collateral Obligations under this Indenture or the Investment Criteria described in Section 12.2(a), (iii) expand or restrict the Collateral Manager's discretion or (iv) adversely affect the Collateral Manager or any TCW Affiliate; provided that, in each case, the Collateral Manager may withhold its consent in its sole discretion if such amendment or supplement affects the amount, timing or priority of payment of the Collateral Manager's fees or increases or adds to the obligations of the Collateral Manager, and the Issuer will not enter into any such amendment or supplement unless the Collateral Manager has given its prior written consent.

(h) The Collateral Trustee shall not be obligated to enter into any supplemental indenture which affects the Collateral Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(i) In connection with any amendment under Section 8.1 or Section 8.2, the consent to which is required from all or a portion of each, or any specified, Class of Debt, unless a relevant Holder of Debt (other than any Excluded Holders) delivers to the Collateral Trustee a validly executed non-consent form substantially in the form of Exhibit I hereto (a "Non-Consent to Supplemental Indenture Form") by the last day of the Investor Consent Period, such Holder shall be deemed to have provided consent to such amendment, including (1) without prejudice to any rights to cancel a redemption in accordance with Section 9.4(b), any supplemental indenture in connection with a Refinancing (in whole or in part) that provides for the amendment of the Interest Rate of the Secured Debt from a floating rate to a fixed rate or a fixed rate to a floating rate, as applicable and/or the extension of the non-call period for the obligations issued in such Refinancing and (2) any supplemental indenture under Section 8.1 or Section 8.2 to make any other modification or amendment under this Indenture. In connection with any such supplemental indenture, following the Investor Consent Period, the Issuer (or the Collateral Manager on its behalf (in its sole discretion)) may declare a Non-Consenting Holder Liquidity Offering Event with respect to any Debt registered to such Holders that are Non-Consenting Holders (or a portion thereof) and cause such Non-Consenting Holders (other than any Excluded Holders) to sell their Debt at a price equal to the Redemption Price of such Debt, calculated as of the date on which such

sale is to be effected (the "Liquidity Offering Event Redemption Amount"), and each Holder, by acquisition of its Debt, agrees to effect such sale within 10 Business Days of such Non-Consenting Holder Liquidity Offering Event. Any purchaser of Debt from a Non-Consenting Holder in connection with such Non-Consenting Holder Liquidity Offering Event shall be deemed by its acquisition to consent to the terms of the proposed supplemental indenture. Following confirmation by any Non-Consenting Holder that a sale required hereunder has been effected (which confirmation of sale shall include delivery of the relevant documents required by Article II as well any other information reasonably requested by the Issuer (or the Collateral Manager on its behalf), including (but not limited to) verification of holdings of the transferee), the applicable supplemental indenture can be executed if the conditions thereto are satisfied taking into account such deemed consents. To the extent that a supplemental indenture can only be implemented on the basis of deemed consents of certain holders pursuant to this Section 8.3(i), the supplemental indenture may not be effected without each of the S&P Rating Condition and the Fitch Rating Condition also being satisfied. The Collateral Trustee shall have no responsibility or liability for any failure or delay on the part of a Holder to provide a Non-Consent to Supplemental Indenture Form, including without limitation in respect of any reliance on such failure to object for purposes of any supplemental indenture. The Issuer shall provide the above required evidence of sale to the Collateral Trustee and the Collateral Trustee shall be fully protected in relying in good faith upon such evidence to confirm that such Non-Consenting Holders are no longer Holders of such Debt at the time of execution of the applicable supplemental indenture, and the transferees will be deemed to have provided consent to the applicable supplemental indenture. Following the applicable Investor Consent Period, the Collateral Trustee (in consultation with the Collateral Manager) shall calculate, as soon as practicable, the percentage of Non-Consenting Holders based upon the Non-Consent to Supplemental Indenture Form received by the Collateral Trustee prior to the Issuer (or the Collateral Manager on its behalf) declaring a Non-Consenting Holder Liquidity Offering Event with respect to certain Non-Consenting Holders. For avoidance of doubt, the Collateral Trustee shall have no obligations or duties with respect to the sale or offer of Debt related to a Non-Consenting Holder Liquidity Offering Event; provided that, the Collateral Trustee agrees to use commercially reasonable efforts to provide the Issuer and/or the Collateral Manager with any information in its possession related to such Non-Consenting Holder Liquidity Offering Event, including but not limited to, any executed Non-Consent to Supplemental Indenture Form received in accordance with this paragraph and any documentation delivered pursuant to Article II hereof in connection related offer and sale of the Debt. For the avoidance of doubt, nothing in this paragraph is intended to require any consents to a Refinancing or any other supplemental indenture not otherwise required by this Indenture.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder or beneficial owner of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Collateral Trustee as to any matter provided for in such supplemental indenture. If the Applicable

Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Collateral Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF DEBT

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Debt pursuant to the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemable by the Applicable Issuers (x)(i) in whole (with respect to all Classes of Secured Debt) but not in part, on any Business Day after the end of the Non-Call Period from Sale Proceeds and/or Refinancing Proceeds if directed in writing by a Majority of the Subordinated Notes with the consent of the Collateral Manager or by the Collateral Manager with the consent of a Majority of the Subordinated Notes or (ii) in part by Class on any Business Day after the end of the Non-Call Period from Refinancing Proceeds if directed in writing by a Majority of the Subordinated Notes with the consent of the Collateral Manager or by the Collateral Manager with the consent of a Majority of the Subordinated Notes, as long as the Class of Secured Debt to be redeemed and/or prepaid represents not less than the entire Class of such Secured Debt, or (y) in whole (with respect to all Classes of Secured Debt) but not in part from Sale Proceeds on any Business Day following the end of the Non-Call Period if the Collateral Principal Amount is less than 20% of the Target Initial Par Amount and if directed in writing by the Collateral Manager (each such redemption and/or prepayment, an "Optional Redemption"). In connection with any such redemption, the Secured Debt to be redeemed shall be redeemed at the applicable Redemption Prices and the Person or Persons entitled to give the above described written direction must provide the above described written direction to the Issuer and the Collateral Trustee not later than in connection with an Optional Redemption from (a) Sale Proceeds only, 15 Business Days and (b) Refinancing Proceeds (or Refinancing Proceeds and Sale Proceeds), eight Business Days (or, in each case, such shorter period of time as the Collateral Trustee and the Collateral Manager find reasonably acceptable) prior to the date on which such redemption and/or prepayment is to be made; provided that all Secured Debt to be redeemed or prepaid must be redeemed or prepaid simultaneously.

(b) The Subordinated Notes may be redeemed at their Redemption Price, in whole but not in part on any Business Day on or after the Optional Redemption or repayment of the Secured Debt in full, at the direction of a Majority of the Subordinated Notes (which direction may be given in connection with a direction to redeem the Secured Debt or at any time after the Secured Debt has been redeemed or repaid in full).

(c) After the Non-Call Period, the Secured Debt may be redeemed (i) in whole from Refinancing Proceeds and/or Sale Proceeds on any Business Day as provided in Section 9.2(a)(x)(i) or Section 9.2(a)(y) or (ii) in part from Refinancing Proceeds as provided in Section 9.2(a)(x)(ii) by a Refinancing; provided that (i) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the

Collateral Manager and a Majority of the Subordinated Notes and (ii) such Refinancing otherwise satisfies the conditions described below. Prior to effecting any Refinancing, the Issuer shall, in relation to such Refinancing, provide notice to each Rating Agency.

(d) In the case of a Refinancing upon a redemption and/or prepayment of the Secured Debt in whole but not in part pursuant to Section 9.2(a), such Refinancing will be effective only if (i) the Refinancing Proceeds, all Sale Proceeds, if any, from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem simultaneously the Secured Debt then required to be redeemed, in whole but not in part at the applicable Redemption Prices thereof, and to pay all accrued and unpaid fees, costs, charges and expenses incurred in connection with such Refinancing (regardless of the Administrative Expense Cap), including, without limitation, the reasonable fees, costs, charges and expenses incurred by the Transaction Parties (including reasonable attorneys' fees and expenses) in connection with such Refinancing (the "Subordinated Refinancing Expenses") and all Collateral Management Fees, but excluding any of such fees, costs, charges and expenses which the Collateral Manager elects to treat as Administrative Expenses payable pursuant to clause (S) of Section 11.1(a)(i) subsequent to the Redemption Date, (ii) the Refinancing Proceeds, the Sale Proceeds, if any, and other available funds are used (to the extent necessary) to make such redemption and/or prepayment and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.8(h).

(e) In the case of a Refinancing upon a redemption and/or prepayment of the Secured Debt in part by Class pursuant to Section 9.2(a), such Refinancing will be effective only if: (i) notice is provided to each Rating Agency, (ii) the Refinancing Proceeds (together with the Interest Proceeds available in accordance with the Priority of Payments, or if such Redemption Date is not a Payment Date, any Interest Proceeds that in the reasonable determination of the Collateral Manager will not be required to pay amounts due and payable under clauses (A) through (P) of Section 11.1(a)(i) on the immediately succeeding Payment Date as set forth in an Officer's certificate of the Collateral Manager), the proceeds of any Contributions applied for such purpose and any other available funds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption and/or prepayment, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.8(h), (v) with respect to any Class of Secured Debt not subject to such Refinancing, the Aggregate Outstanding Amount of the Debt that is, in each case, senior in priority to such non-refinanced Class after giving effect to such Refinancing does not exceed the Aggregate Outstanding Amount of Debt that was senior in priority to such non-refinanced Class immediately prior to giving effect to such Refinancing, (vi) the stated maturity of each class of obligations providing the Refinancing is the same as the corresponding Stated Maturity of each Class of Secured Debt being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing (regardless of the Administrative Expense Cap) shall be paid on the Redemption Date, except for any reasonable fees, costs, charges and expenses incurred in connection with such Refinancing designated by the Collateral Manager as Subordinated Refinancing Expenses in which case such Subordinated Refinancing Expenses shall be paid pursuant to clause (S) of Section 11.1(a)(i) on future Payment Dates, (viii) either (A) the weighted average spread over the Benchmark Rate (or

in the case of any Fixed Rate Debt, the Interest Rate) of the obligations providing the Refinancing will not be greater than the weighted average spread over the Benchmark Rate (or in the case of any Fixed Rate Debt, the Interest Rate) of the Secured Debt subject to such Refinancing; provided that (x) any Class of Fixed Rate Debt may be refinanced with obligations that bear interest at a floating rate and (y) any Class of Floating Rate Debt may be refinanced with obligations that bear interest at a fixed rate, so long as, in each case under clauses (x) and (y), (1) in the Collateral Manager's reasonable business judgment, the interest payable on the replacement obligations providing the Refinancing is anticipated to be lower than the interest that would have been payable in respect of the Class or Classes being redeemed (determined on a weighted average basis over the expected life of such Class or Classes) if such Refinancing had not occurred or (2) each of the S&P Rating Condition and the Fitch Rating Condition is satisfied with respect to the Secured Debt not subject to such Refinancing or (B) (x) with respect to each Class not being redeemed (each a "Specified Class"), if any obligations providing the Refinancing will rank senior to such Specified Class then the weighted average interest rate of all obligations providing the Refinancing which will rank senior to such Specified Class will not be greater than the weighted average Interest Rate of the Secured Debt senior to such Specified Class that are being refinanced by the proceeds of such obligations providing the Refinancing (in each case, at the time of the Refinancing) and (y) each of the S&P Rating Condition and the Fitch Rating Condition is satisfied and (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Debt being refinanced.

(f) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Collateral Trustee for any failure to obtain a Refinancing. The Holders of the Debt will not have any cause of action against the Collateral Manager for consenting to (or for any failure to consent to) or for directing (or for any failure to direct) any Refinancing or any Optional Redemption. If a Refinancing is obtained meeting the requirements specified above as certified by the Issuer, the Issuer and, at the direction of the Collateral Manager, the Collateral Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Debt other than Holders of a Majority of the Subordinated Notes. The Collateral Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Collateral Trustee shall be entitled to conclusively rely upon an Officer's certificate of the Issuer or the Collateral Manager or Opinion of Counsel as to matters of law (in either case, which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the person delivering such officer's certificate or Opinion of Counsel, as applicable) to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds, or the sufficiency of the Accountants' Reports pursuant to Section 7.18).

(g) In the event of any redemption and/or prepayment pursuant to this Section 9.2, the Issuer shall, at least seven Business Days prior to the Redemption Date (or, in each case, such shorter period of time as the Collateral Trustee and the Collateral Manager find reasonably acceptable), notify the Collateral Trustee and the Collateral Manager in writing of such Redemption Date, the applicable Record Date, the principal amount of Secured Debt to be

redeemed on such Redemption Date and the applicable Redemption Prices; provided that failure to effect any Optional Redemption which is withdrawn by the Co-Issuers in accordance with this Indenture or with respect to which a Refinancing fails to occur shall not constitute an Event of Default.

(h) In connection with a Refinancing upon a redemption and/or prepayment of the Secured Debt in whole, the Collateral Manager may designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par"), and direct the Collateral Trustee to apply such Designated Excess Par as Interest Proceeds in accordance with the Priority of Payments on the applicable Redemption Date.

Section 9.3 Tax Redemption. (a) The Notes shall be redeemed and/or prepaid in whole but not in part on any Payment Date (any such redemption/prepayment, a "Tax Redemption") at their applicable Redemption Prices at the written direction (delivered to the Issuer, the Collateral Trustee and the Collateral Manager) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case following the occurrence and during the continuation of a Tax Event.

(b) In connection with any Tax Redemption or Optional Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Trustee shall promptly notify the Collateral Manager, the Holders and the Issuer (which shall notify each Rating Agency then rating a Class of Secured Debt) thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer (which shall notify each Rating Agency then rating a Class of Secured Debt), the Collateral Administrator, the Collateral Trustee thereof, and upon receipt of such notice the Collateral Trustee shall promptly notify the Holders of the Debt.

Section 9.4 Redemption Procedures. (a) In the event of any redemption and/or prepayment pursuant to Section 9.2 or 9.3, the written direction required thereby shall be provided to the Issuer, the Collateral Trustee and the Collateral Manager not later than, in connection with an Optional Redemption from (x) Sale Proceeds only, 12 Business Days and (b) Refinancing Proceeds (or Refinancing Proceeds and Sale Proceeds), eight Business Days (or, in each case, such shorter period of time as the Issuer, the Collateral Trustee and the Collateral Manager find reasonably acceptable) prior to the date on which such redemption or prepayment is to be made (which date shall be designated in such notice). In the event of any redemption and/or prepayment pursuant to Section 9.2 or 9.3, a notice of redemption or prepayment shall be given by first class mail, postage prepaid, mailed not later than five Business Days prior to the applicable Redemption Date, to each Holder of Debt, at such Holder's address in the Register (or the Loan Register, as applicable), and each Rating Agency then rating a Class of Secured Debt.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

- (i) the applicable Redemption Date;
 - (ii) the Redemption Prices of the Secured Debt to be redeemed and/or prepaid and, if applicable, the estimated Redemption Price of the Subordinated Notes;
 - (iii) all of the Secured Debt that is to be redeemed and/or prepaid is to be repaid in full and that interest on such Secured Debt shall cease to accrue on the Payment Date specified in the notice;
 - (iv) the place or places where the Secured Debt is to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and
 - (v) if all Secured Debt is being redeemed and/or repaid, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.
- (c) The Person or Persons so directing an Optional Redemption or a Tax Redemption may withdraw any such notice of redemption delivered pursuant to Section 9.2 or Section 9.3 on any day up to and including the Business Day prior to the applicable Redemption Date by written notice to the Collateral Trustee (who shall forward such notice to the Holders) and (if applicable) the Collateral Manager. Failure to effect any Optional Redemption or Tax Redemption which is so withdrawn in accordance with this Indenture (or the failure of any Refinancing to occur) shall not constitute an Event of Default.
- (d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Collateral Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption and/or prepayment shall not impair or affect the validity of the redemption and/or prepayment of any other Debt.
- (e) Upon receipt of a notice of (or the Collateral Manager's direction of) an Optional Redemption of the Secured Debt pursuant to Section 9.2 (unless any such Optional Redemption is being effected solely through a Refinancing) or Section 9.3, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Debt to be redeemed and/or prepaid and to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and all Collateral Management Fees due and payable under the Priority of Payments, as more particularly set forth in Section 9.4(f) below. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem and/or prepay all Secured Debt then required to be redeemed and/or repaid and to pay such fees and expenses, the Secured Debt may not be repaid and notice of such Optional Redemption or Tax Redemption shall be deemed to be automatically withdrawn.

The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Unless Refinancing Proceeds are being used to redeem and/or prepay the Secured Debt in whole or in part, in the event of any redemption and/or prepayment pursuant to Section 9.2 or 9.3, no Secured Debt may be optionally redeemed and/or prepaid unless (i) at least one Business Day before the scheduled Redemption Date the Collateral Manager shall have certified to the Collateral Trustee that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements (including, without limitation, a participation agreement or similar agreement) with a financial or other institution active in the market for assets of the nature of the Collateral Obligations (or a special purpose entity meeting then-current bankruptcy remoteness criteria of each Rating Agency), not later than the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or the Hedge Agreements at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date and any payments to be received in respect of any Hedge Agreements, to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and all Collateral Management Fees payable in accordance with the Priority of Payments and redeem and/or prepay all of the Secured Debt on the scheduled Redemption Date at the applicable Redemption Prices (or, in the case of any Class of Secured Debt, such other amount that the Holders of such Class have elected to receive, in the case of a Tax Redemption where the Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Collateral Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and expected proceeds from the sale of Eligible Investments, and (B) for each Collateral Obligation, the product of its outstanding principal balance and its Market Value (expressed as a percentage of the par amount of such Collateral Obligation), shall exceed the sum of (x) the aggregate Redemption Prices (or, in the case of any Class of Secured Debt, such other amount that the holders of such Class have elected to receive, in the case of a Tax Redemption where holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class) of the Outstanding Secured Debt and (y) all accrued and unpaid Administrative Expenses (without regard to the Administrative Expense Cap) any amounts due to Hedge Counterparties and accrued and unpaid Collateral Management Fees payable under the Priority of Payments. Any Holder or beneficial owner of Debt, the Collateral Manager or any of the Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

Section 9.5 Debt Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Debt to be redeemed and/or prepaid shall, on the Redemption Date, subject to Section 9.4(f) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) or the failure of any Refinancing to occur, become due and payable at the Redemption Prices with respect thereto, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices) all Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on any Note to be so

redeemed, the Holder shall present and surrender any Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided that, if there is delivered to the Co-Issuers and the Collateral Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Collateral Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest and principal on Secured Debt so to be redeemed and/or prepaid which are payable on any Payment Date on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Secured Debt, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Debt called for redemption and/or prepayment shall not be paid upon surrender thereof for redemption and/or prepayment, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Debt remains Outstanding; provided that the reason for such non-payment is not the fault of such Debtholder.

(c) Notwithstanding anything to the contrary set forth herein, the Refinancing Proceeds related to an Optional Redemption pursuant to Section 9.2(a)(x)(ii) shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem and/or prepay the Classes of Secured Debt subject to such Optional Redemption by Refinancing at the applicable Redemption Prices for such Classes of Secured Debt and to pay any fees, costs, charges and expenses incurred in connection with such Refinancing that are being paid from such proceeds; provided that, to the extent such Refinancing Proceeds are not applied to redeem and/or prepay such Classes of Secured Debt or to pay such other amounts, such Refinancing Proceeds shall be treated as Principal Proceeds. In addition, on each Redemption Date related to an Optional Redemption pursuant to Section 9.2(a)(x)(ii), unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds and Interest Proceeds shall be applied in accordance with the Priority of Payments to redeem and/or prepay the Secured Debt being refinanced and to pay any Administrative Expenses in connection therewith (without regard to the Administrative Expense Cap).

Section 9.6 Special Redemption. Principal payments on the Secured Debt shall be made in part in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager notifies the Collateral Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Special Redemption"). Any such notice shall be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as described above. On the Special Redemption Date, the amount in the Collection Account representing Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, the "Special Redemption Amount"), will be applied in accordance with the Debt Payment Sequence. Notice of payments pursuant to this Section 9.6 shall be given by the Co-

Issuers or, upon an Issuer Order, the Collateral Trustee in the name and at the expense of the Co-Issuers, not less than three Business Days prior to the applicable Special Redemption Date by email transmission or first class mail, postage prepaid, to each Holder of Secured Debt affected thereby at such Holder's email address or mailing address in the Register (or Loan Register) and, subject to Section 14.3(c), to each Rating Agency then rating a Class of Secured Debt.

Section 9.7 Re-Pricing of Notes. (a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes with the consent of the Collateral Manager or the Collateral Manager with the consent of a Majority of the Subordinated Notes, the Co-Issuers or the Issuer, as applicable, will reduce the spread over the Benchmark Rate (or, in the case of any Fixed Rate Debt, the Interest Rate) with respect to any Class of Re-Pricing Eligible Notes (a "Re-Pricing" and any such Class to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Co-Issuers or the Issuer, as applicable, will not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Re-Pricing Eligible Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker dealer (the "Re-Pricing Intermediary") upon the recommendation of the Collateral Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes (with the consent of the Collateral Manager) and such Re-Pricing Intermediary will assist the Issuer in effecting the Re-Pricing.

(b) At least 10 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes or the Collateral Manager for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver a notice in writing (with a copy to the Collateral Manager, the Collateral Trustee and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice will (i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark Rate (or, in the case of any Fixed Rate Debt, the revised Interest Rate) to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class approve the proposed Re-Pricing, and (iii) specify the Redemption Price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may be sold and transferred pursuant to clause (c) below.

(c) In the event any Holder of the Re-Priced Class does not deliver to the Issuer written consent to the proposed Re-Pricing on or before the date which is eight Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and will request each such consenting Holder to provide written notice to the Issuer, the Collateral Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-consenting Holders at the Redemption Price with respect thereto (each such notice, an "Exercise Notice") within two Business Days of receipt of such notice. In the event that the Issuer receives Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering

Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary on behalf of the Issuer, to comply with minimum denomination requirements and the applicable procedures of DTC). In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of such Notes at the Redemption Price with respect thereto for settlement on the Re-Pricing Date, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary on behalf of the Issuer, to comply with minimum denomination requirements and the applicable procedures of DTC), and any excess Notes of the Re-Priced Class held by non-consenting Holders will be sold at the Redemption Price with respect thereto for settlement on the Re-Pricing Date to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this clause (c) will be made at the Redemption Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Note, by its acceptance of an interest in the Notes, agrees (i) to sell and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Collateral Trustee to effect such sales and transfers and (ii) that the Collateral Manager will have no responsibility or liability to any Debtholder for approving (or not approving) any proposed Re-Pricing. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver written notice to the Collateral Trustee and the Collateral Manager not later than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders.

(d) The Issuer will not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Collateral Trustee have entered into a supplemental indenture (prepared by or on behalf of the Issuer) dated as of the Re-Pricing Date, solely to modify the spread over the Benchmark Rate (or, in the case of any Fixed Rate Debt, the Interest Rate) applicable to the Re-Priced Class (and to make changes necessary to give effect to such reduction or conversion, including, if necessary, assignment of a different CUSIP number);

(ii) a Majority of the Subordinated Notes have consented to the supplemental indenture described in the preceding paragraph (i);

(iii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to clause (c) above;

(iv) each Rating Agency has been notified of such Re-Pricing; and

(v) all expenses of the Issuer and the Collateral Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing (including in connection with the supplemental indenture described in the

preceding paragraph (i)) do not exceed the amount of Interest Proceeds available to be applied to the payment thereof under Section 11.1(a)(i) on the subsequent Payment Date, after taking into account all amounts required to be paid pursuant to the Priority of Payments on the subsequent Payment Date prior to distributions to the holders of the Subordinated Notes, unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuer. Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing.

Notice of a Re-Pricing will be given by the Collateral Trustee, at the direction and expense of the Issuer, by first class mail, postage prepaid, mailed not less than two Business Days prior to the proposed Re-Pricing Date, to each holder of Notes of the Re-Priced Class at the address in the Note register (with a copy to the Collateral Manager), specifying the applicable Re-Pricing Date, Re-Pricing Rate and Redemption Price (each, as identified to the Collateral Trustee by the Issuer or the Collateral Manager on its behalf). Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager (with the consent of a Majority of the Subordinated Notes) on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Collateral Trustee, and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Collateral Trustee will send such notice to the Holders of the Re-Priced Class and each Rating Agency.

The Collateral Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Collateral Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Collateral Trustee in order to effect a Re-Pricing in accordance with this Section 9.7.

Notwithstanding anything contained herein to the contrary, the failure to effect a Re-Pricing, whether or not notice of Re-Pricing has been withdrawn, will not constitute an Event of Default.

Section 9.8 Issuer Purchases of Secured Debt. Notwithstanding anything to the contrary in this Indenture, the Issuer (with the consent of a Majority of the Subordinated Notes) may conduct purchases of the Secured Debt, in whole or in part, in accordance with, and subject to, the terms and conditions of this Section 9.8. Notwithstanding the provisions of Section 10.2 (or any other terms hereof to the contrary), amounts in the Principal Collection Subaccount may be disbursed for purchases of Secured Debt in accordance with the provisions described in this Section 9.8. Upon instruction by the Issuer, the Collateral Trustee shall cancel (or, in the case of Debt incurred under the Credit Agreement, otherwise discharge) any such purchased Secured Debt surrendered to it for cancellation in accordance with the provisions of Section 2.10, discharged in accordance with the terms of the Credit Agreement or, in the case of any Global Notes, the Collateral Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Secured Debt, and instruct DTC or its nominee, as the case may be, to conform its records. The cancellation, discharge and/or decrease, as applicable of any such surrendered Secured Debt shall be taken into account for purposes of all relevant calculations thereafter made pursuant to the terms of this Indenture.

No purchases of the Secured Debt by the Issuer may occur unless each of the following conditions is satisfied:

(i) such purchases of Secured Debt shall occur in the order of priority set out in the Debt Payment Sequence;

(ii) (A) each such purchase of Secured Debt of any Class shall be made pursuant to an offer made to all Holders and beneficial owners of the Secured Debt of such Class, by notice to such Holders and beneficial owners, which notice shall specify the purchase price (as a percentage of par) at which such purchase will be effected, the maximum amount of Principal Proceeds that will be used to effect such purchase and the length of the period during which such offer will be open for acceptance, (B) each such Holder or beneficial owner of Secured Debt shall have the right, but not the obligation, to accept such offer in accordance with its terms, and (C) if the Aggregate Outstanding Amount of Debt of the relevant Class held by the Holders or beneficial owners who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Debt of each accepting Holder and beneficial owner shall be purchased *pro rata* based on the respective principal amount held by each such Holder or beneficial owner;

(iii) each such purchase shall be effected only at prices discounted from par;

(iv) each such purchase of Secured Debt shall occur during the Reinvestment Period and each such purchase of Secured Debt shall be effected with Principal Proceeds (including Contributions designated as Principal Proceeds), the proceeds of Contributions or the proceeds of Excess Additional Subordinated Notes or Additional Junior Notes deposited into the Supplemental Reserve Account and transferred to the Collection Account at the written direction of the Collateral Manager to the Collateral Trustee for a Permitted Use as designated by the Collateral Manager;

(v) with respect to each such purchase, each Coverage Test is satisfied immediately prior to and after giving effect to such purchase;

(vi) to the extent that Sale Proceeds are used to consummate any such purchase, either (1) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except the S&P CDO Monitor Test) will be satisfied after giving effect to such purchase or (2) if any such requirement or test was not satisfied immediately prior to the sale of the Collateral Obligations giving rise to such Sale Proceeds, such requirement or test will be maintained or improved after giving effect to such sale of Collateral Obligations and purchase of Secured Debt;

(vii) no Event of Default shall have occurred and be continuing;

(viii) any Secured Debt to be purchased shall be surrendered to the Collateral Trustee for cancellation in accordance with the Section 2.10;

(ix) each such purchase will otherwise be conducted in accordance with applicable law;

(x) the Issuer shall provide to each Rating Agency notice of each such purchase;
and

(xi) the Collateral Trustee shall have received an Officer's certificate of the Issuer or the Collateral Manager to the effect that the conditions in the foregoing clauses (i) through (x) have been satisfied.

Upon receipt of the Officer's certificate described in preceding sub-clause (xi), the Collateral Trustee shall disburse any available amount in the Principal Collection Subaccount on any Business Day pursuant to Issuer instruction (or the Collateral Manager acting on its behalf), which instruction shall identify that such disbursement is for the purchase of Debt pursuant to and in accordance with this Section 9.8.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Collateral Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Collateral Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Collateral Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Debt and shall apply it as provided in this Indenture. Each Account shall be established and maintained with (a) with a federal or state-chartered depository institution or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered depository institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b), that, in either case (1) satisfies the Fitch Eligible Counterparty Rating and (2) has (i) in the case of a segregated trust account subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b), a long-term issuer credit rating of at least "BBB" by S&P and (ii) in the case of any other account, with a long-term issuer credit rating of at least "A" by S&P and a short-term rating of at least "A-1" by S&P (or a long-term issuer credit rating of at least "A+" by S&P). If such institution fails to satisfy the minimum rating requirements specified above, the assets held in such Account will be moved within 30 calendar days to another institution that satisfies such requirements. Such institution shall have a combined capital and surplus of at least U.S.\$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Assets as directed in writing by the Collateral Manager in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Collateral Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national banking association holding segregated trust assets in a custodial capacity. The Collateral Trustee may establish one or more subaccounts or component accounts (as applicable) of each Account. Whenever the Collateral Trustee is instructed to invest funds in any of the Accounts, including by the identification of the Standby Directed Investment herein, the Collateral Trustee shall so invest such funds as soon as reasonably practicable after receipt of such instructions.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Collateral Trustee has established at the Custodian one segregated trust account which has been designated the "Collection Account," with two subaccounts, one of which has been designated the "Interest Collection Subaccount" and one of which has been designated the "Principal Collection Subaccount," each held in the name of "TCW CLO 2023-1, Ltd., subject to the lien of Citibank, N.A., as Collateral Trustee." The Collateral Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Payment Account, all Interest Proceeds (unless reinvested or designated for reinvestment in additional Collateral Obligations in accordance with Article XII). The Collateral Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless reinvested or designated for reinvestment in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Collateral Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Collateral Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Collateral Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's-length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Collateral Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments, Defaulted Obligations or Equity Securities or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Collateral Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Collateral Trustee (with a copy to the Collateral Administrator) to, and upon receipt of such Issuer Order the Collateral Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation or to purchase a Restructured Asset) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations or Restructured Assets in accordance with the requirements of Article XII and such a direction. At any time, the Collateral Manager on behalf of the Issuer may direct the Collateral Trustee by Issuer Order to, and upon receipt of such Issuer Order the Collateral Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds (x) in the Revolver Funding Account to meet funding requirements on

Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations and (y) on any date on or after the second Payment Date following the Closing Date, at the direction of the Collateral Manager, funds in the Principal Collection Subaccount may be designated as Interest Proceeds by the Collateral Manager by Issuer Order to the Collateral Trustee (such Principal Proceeds, "Designated Principal Proceeds") and shall be transferred from the Principal Collection Subaccount to the Interest Collection Subaccount; provided that the Collateral Manager shall not provide such instruction unless (i) after giving effect to any such transfer of Designated Principal Proceeds to the Interest Collection Subaccount, the Target Initial Par Condition is satisfied, (ii) each Coverage Test, each Collateral Quality Test and the Concentration Limitations are satisfied and (iii) the Designated Principal Proceeds may not constitute in the aggregate more than 0.5% of the Target Initial Par Amount.

The Issuer may remove any firm of Independent certified public accountants at any time without the consent of any Holder or beneficial owner of Debt. Upon any resignation by such firm or removal of such firm by the Issuer, the Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly appoint by Issuer Order delivered to the Collateral Trustee and each Rating Agency then rating a Class of Secured Debt a successor thereto that shall also be a firm of Independent certified public accountants of recognized international reputation, which may be a firm of Independent certified public accountants that performs accounting services for the Issuer or the Collateral Manager. If the Issuer shall fail to appoint a successor to a firm of Independent certified public accountants which has resigned within 30 days after such resignation, the Issuer shall promptly notify the Collateral Trustee of such failure in writing. If the Issuer shall not have appointed a successor within 10 days thereafter, the Collateral Trustee shall promptly notify the Collateral Manager, who shall appoint a successor firm of Independent certified public accountants of recognized international reputation. of the Issuer, and the Collateral Trustee and the Collateral Administrator shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. Notwithstanding the foregoing, in no event shall the Collateral Trustee or the Collateral Administrator be required to execute any agreement in respect of the Independent accountants that such party reasonably determines adversely affects it.

(b) On or before June 29th of each year commencing 2026, the Issuer shall cause to be delivered to the Collateral Trustee and the Collateral Manager a statement from a firm of Independent certified public accountants for each Distribution Report received since the last statement (i) indicating that the calculations within those Distribution Reports (excluding the S&P CDO Monitor Test) have been performed in accordance with the applicable provisions of this Indenture and (ii) listing the Aggregate Principal Balance of the Assets and the Aggregate Principal Balance of the Collateral Obligations securing the Secured Debt as of the immediately preceding Determination Dates; provided that in the event of a conflict between such firm of Independent certified public accountants and the Issuer with respect to any matter in this Section 10.9, the determination by such firm of Independent certified public accountants shall be conclusive. To the extent a beneficial owner or Holder of Debt requests the yield to Maturity in respect of the relevant Debt in order to determine any "original issue discount" in respect thereof, the Collateral Trustee shall request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to Maturity. The Collateral Trustee shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants' calculation. If the firm of Independent certified public accountants fails to calculate such yield to Maturity, the Collateral Trustee shall have no responsibility to provide such information to the beneficial owner or Holder of Debt.

(c) Upon the written request of the Collateral Trustee or any Holder of a Subordinated Note, the Issuer will cause the firm of Independent certified public accountants appointed pursuant to Section 10.9(a) to provide any Holder of Subordinated Notes with all of the information required to be provided by the Issuer pursuant to Section 7.17 or assist the Issuer in the preparation thereof.

Section 10.10 Reports to Rating Agencies and Additional Recipients. In addition to the information and reports specifically required to be provided to each Rating Agency then rating a Class of Secured Debt pursuant to the terms of this Indenture, the Issuer shall provide the Collateral Manager and each Rating Agency then rating any Class of Secured Debt with all information or reports (other than any Accountants' Report) delivered to the Collateral Trustee hereunder and the Collateral Trustee shall provide all such information to the Initial Purchaser upon the Initial Purchaser's written request, and, subject to Section 14.3(c), such additional information as any Rating Agency then rating any Class of Secured Debt may from time to time reasonably request (including notification to each Rating Agency of any modification of any loan document relating to a DIP Collateral Obligation or any release of collateral thereunder not permitted by such loan documentation). The Issuer shall notify S&P of any Specified Event of which the Issuer has knowledge, which notice shall include a copy of any such amendment related to a Specified Event and a brief summary of its purpose, as applicable. So long as S&P is rating any Class of Secured Debt at the request of the Issuer and an S&P CDO Model Election Period is in effect, on the Determination Date of each Monthly Report and on each Payment Date, the Issuer shall provide to S&P, via email in accordance with Section 14.3(a), a Microsoft Excel file of the

Excel Default Model Input File and, with respect to each Collateral Obligation, (i) the name of each obligor thereon and (ii) the CUSIP number thereof (if applicable), the LoanX ID, Bloomberg Loan ID, FIGI, ISIN (in each case, when and if available) and/or other applicable identification number associated with such Collateral Obligation.

The Collateral Trustee shall have the right to open such subaccounts or component accounts (as applicable) of any such account as it deems necessary or appropriate for convenience of administration.

Section 10.12 Investment Company Act Procedures. For so long as any Debt is Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the holders will include a notice to the following effect:

"The Investment Company Act of 1940, as amended (the "1940 Act"), requires that all holders of the outstanding securities of the Co-Issuers that are U.S. persons (as defined in Regulation S) be "Qualified Purchasers" ("Qualified Purchasers") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, each Co-Issuer must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Consequently, all sales and resales of the Notes in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Each purchaser of a Note in the United States who is a "U.S. person" (as defined in Regulation S) (such Note, a "Restricted Security") will be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or an entity owned exclusively by Qualified Purchasers who is also a qualified institutional buyer as defined in Rule 144A under the Securities Act ("QIB"); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB; (iii) the purchaser is not formed for the purpose of investing in either Co-Issuer; (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the minimum denominations of the Notes specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Securities may only be transferred to transferee who is a both (I) a (x) Qualified Purchaser or (y) entity owned exclusively by Qualified Purchasers and (II) a QIB, and all subsequent transferees are deemed to have made representations (i) through (vi) above. Class A-L Loans may only be assigned in accordance with the terms of the Credit Agreement.

The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books

of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.

Notwithstanding the restrictions on transfer contained herein, the Co-Issuers determine that any "U.S. person" (as defined in Regulation S) who is a Holder or beneficial owner of an interest in a Restricted Security is determined not to have been a Qualified Purchaser at the time of acquisition of such Restricted Security or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Security (or any interest therein) to a Person that is either (A) not a "U.S. person" (as defined in Regulation S) or (B) both (x) a (I) Qualified Purchaser or (II) entity owned exclusively by Qualified Purchasers and (y) a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, (i) the Issuer (or the Collateral Manager acting on behalf of the Issuer), without further notice to such Holder or beneficial owner, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Security or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Collateral Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Collateral Trustee, the Co-Issuers and the Collateral Manager, in connection with such transfer, that such Person meets the qualifications set forth in clauses (A) or (B) above and pending such transfer, no further payments will be made in respect of such Restricted Security or beneficial interest therein held by such Holder or beneficial owner.

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer will direct DTC to include the marker "3c7" in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a "3c7" indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7) of the Investment Company Act.

(iii) On or prior to the Closing Date, the Issuer will instruct DTC to send a Section 3(c)(7) notice to all DTC participants in connection with the offering of the Global Notes.

(iv) In addition to the obligations of the Registrar set forth in Section 2.5, the Issuer will from time to time (upon the request of the Collateral Trustee) make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Global Notes.

(v) The Issuer will cause each CUSIP number obtained for a Global Note to have a fixed field containing "3c7" and "144A" indicators, as applicable, attached to such CUSIP number.

(c) Bloomberg Screens, Etc. The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) of the Investment Company Act restrictions on the Global Notes. Without limiting the foregoing, the Initial Purchaser will request that each third-party vendor include the following legends on each screen containing information about the Notes:

(i) Bloomberg.

(A) "Iss'd Under 144A/3c7," to be stated in the "Note Box" on the bottom of the "Security Display" page describing the Rule 144A Global Notes;

(B) a flashing red indicator stating "See Other Available Information" located on the "Security Display" page;

(C) a link to an "Additional Security Information" page on such indicator stating that the Global Notes are being offered in reliance on the exception from registration under Rule 144A of the Securities Act of 1933 to persons that are both (i) "Qualified Institutional Buyers" as defined in Rule 144A under the Securities Act and (ii) "Qualified Purchasers" as defined under Section 2(a)(51) of the Investment Company Act of 1940, as amended; and

(D) a statement on the "Disclaimer" page for the Global Notes that the Global Notes will not be and have not been registered under the Securities Act of 1933, as amended, that the Issuer has not been registered under the Investment Company Act of 1940, as amended, and that the Global Notes may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act of 1940, as amended.

(ii) Reuters.

(A) a "144A – 3c7" notation included in the security name field at the top of the Reuters Instrument Code screen;

(B) a <144A3c7Disclaimer> indicator appearing on the right side of the Reuters Instrument Code screen; and

(C) a link from such <144A3c7Disclaimer> indicator to a disclaimer screen containing the following language: "These Notes may be sold or transferred only to Persons who are both (i) Qualified Institutional Buyers, as defined in Rule 144A under the Securities Act, and (ii) 'Qualified Purchasers,' as defined under Section 3(c)(7) under the U.S. Investment Company Act of 1940."

(L) [reserved];

(M) (i) to make payments in the amount of the Special Redemption Amount, if any, at the election of the Collateral Manager, in accordance with the Debt Payment Sequence and (ii) in connection with a repayment pursuant to Section 9.2(a)(x)(ii), to make payments on the applicable Class or Classes of Debt in accordance with the Debt Payment Sequence;

(N) (1) during the Reinvestment Period, at the discretion of the Collateral Manager, to the Collection Account as Principal Proceeds to invest in Eligible Investments (pending the purchase of additional Collateral Obligations) and/or to the purchase of additional Collateral Obligations and (2) after the Reinvestment Period, at the direction of the Collateral Manager, the Post-Reinvestment Principal Proceeds received with respect to any Post-Reinvestment Collateral Obligation, to the Collection Account as Principal Proceeds (which amounts shall still be characterized as Post-Reinvestment Principal Proceeds for purposes of any reinvestment under Section 12.2) to invest in Eligible Investments (pending the purchase of additional Collateral Obligations) and/or to the purchase of additional Collateral Obligations;

If any declaration of acceleration has been rescinded in accordance with the provisions herein, proceeds with respect to the Assets will be applied in accordance with Section 11.1(a)(i) or (ii), as applicable.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the

Collateral Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Collateral Trustee shall remit such funds, to the extent available (and subject to the order of priority set forth in the definition of "Administrative Expenses"), as directed and designated in an Issuer Order (which may be in the form of standing instructions, and standing instructions are hereby provided to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Collateral Trustee no later than the Business Day prior to each Payment Date.

(d) The Collateral Manager may, in its sole discretion, elect to defer or irrevocably waive payment of any or all of any Collateral Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Collateral Trustee no later than the Determination Date immediately prior to such Payment Date in accordance with the terms of Section 2(d) of the Collateral Management Agreement. Any such Collateral Management Fee so deferred with respect to which the Collateral Manager later rescinds such deferral in accordance with the terms of Section 2(d) of the Collateral Management Agreement shall be payable on subsequent Payment Dates (unless otherwise agreed to by the Collateral Manager) in accordance with the Priority of Payments. Any such Collateral Management Fee, once waived, shall not thereafter become due and payable and any claim of the Collateral Manager therein shall be extinguished.

(e) At any time, any Holder or beneficial owner of Subordinated Notes may, by delivery of written notice substantially in the form of Exhibit G hereto (a "Contribution Notice"), no later than two Business Days prior to the proposed date of contribution, notify the Issuer, the Collateral Trustee, the Collateral Administrator and the Collateral Manager that it proposes to (i) make a cash contribution to the Issuer or (ii) solely with respect to a Holder of Certificated Subordinated Notes, designate as a contribution to the Issuer all or a specified portion of Interest Proceeds that would otherwise be distributed on a Payment Date to such Holder pursuant to the Priority of Payments (each such contribution described in clause (ii), a "Payment Date Contribution" and, together with contributions described in clause (i), a "Contribution"); provided that, (x) each Cure Contribution will be an amount of no less than U.S.\$500,000 (counting each Contribution received on the same day as a single Contribution for this purpose) and (y) following the third Cure Contribution (counting each Contribution received on the same day as a single Contribution for this purpose) accepted by the Issuer, each subsequent Cure Contribution must be consented to by a Majority of the Controlling Class. In connection with providing such notice, such Holder or beneficial owner shall provide to the Collateral Trustee wire instructions, applicable tax forms, contact information and any other information requested by the Collateral Trustee in order to effect a repayment of such Contribution. The Collateral Manager, in consultation with the applicable Holders (but in the Collateral Manager's sole discretion), will (i) determine whether to accept any proposed Contribution and (ii) designate the Permitted Use to which such proposed Contribution would be applied. The Collateral Manager shall provide written notice, substantially in the form of Exhibit H hereto, of such designation to the applicable

Contributor(s) thereof with a copy to the Issuer, the Collateral Trustee and the Collateral Administrator. If such Contribution is accepted by the Collateral Manager, in its sole discretion, it will be deposited at the direction of the Collateral Manager by the Collateral Trustee in the Supplemental Reserve Account and applied to a Permitted Use designated by the Collateral Manager in its sole discretion. Except for Cure Contributions and Restructured Asset Contributions, Contributions shall not earn interest and shall not increase the principal balance of the related Subordinated Notes. The rate of return applicable to Cure Contributions and Restructured Asset Contributions shall be discussed and mutually agreed to in writing by the Contributor and the Collateral Manager (with a copy to the Collateral Trustee and the Collateral Administrator); provided that such rate shall not exceed the greater of (x) 12.0% *per annum* and (y) the Benchmark Rate plus 9.0% without the written consent of a Majority of the Subordinated Notes and the Collateral Manager. To the extent that a Contributor makes a Contribution, the related Contribution Repayment Amounts will be remitted to the Contributor subject to and in accordance with the Priority of Payments. Contributions will be paid to any applicable Contributor on the first subsequent Payment Date upon which funds are available therefor as provided in Section 11.1(a)(i), Section 11.1(a)(ii) or Section 11.1(a)(iii), as applicable. The repayment of any Contribution shall not be deemed to be, or required to be reported as, a payment of principal, interest or other amount on the Debt or otherwise.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 (regardless of any provision in this Article XII that purports to be without restriction), the Collateral Manager, on behalf of the Issuer, may (except as otherwise specified in this Section 12.1) direct the Collateral Trustee to sell, and the Collateral Trustee shall sell on behalf of the Issuer in the manner so directed by the Collateral Manager, any Collateral Obligation or Equity Security if, as certified by the Collateral Manager (on which certificate the Collateral Trustee may rely), which certification shall be deemed to have been provided upon such direction to sell, to the best of the Collateral Manager's knowledge, such sale meets the requirements of any one of paragraphs (a) through (j) of this Section 12.1 (provided that, if an Event of Default has occurred and is continuing, the Collateral Manager may not direct the Collateral Trustee to sell any Collateral Obligation or Equity Security pursuant to Section 12.1(e) or Section 12.1(g)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Risk Obligation, any Equity Security or any asset held by an Issuer Subsidiary at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Collateral Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations and Collateral Restructured Assets. The Collateral Manager may direct the Collateral Trustee to sell any Defaulted Obligation or Collateral Restructured Asset at any time without restriction. With respect to each Defaulted Obligation that has not been sold or terminated within three years after the earlier of (x) the date on which such obligation becomes a Defaulted Obligation or (y) the date on which the obligation that was exchanged by the Issuer for such Defaulted Obligation in an Exchange Transaction originally became a Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.

(d) Equity Securities. The Collateral Manager will use commercially reasonable efforts to sell (x) each Equity Security that does not constitute Margin Stock no later than 36 months after the date of the Issuer's acquisition thereof and (y) each Collateral Obligation that constitutes Margin Stock no later than 45 days after the later of the date of the Issuer's acquisition thereof and the date that such Collateral Obligation became Margin Stock.

(e) Optional Redemption. After the Issuer has notified the Collateral Trustee of an Optional Redemption of the Secured Debt in accordance with Section 9.2, the Collateral Manager shall direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Issuer and the Collateral Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. In addition to the foregoing clauses (a) through (f), the Collateral Manager may direct the Collateral Trustee to sell any Collateral Obligation at any time (other than (i) during a Restricted Trading Period or (ii) if an Event of Default has occurred and is continuing) (each, a "Discretionary Sale") if:

(i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater than 30% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be); and

(ii) either: (A) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter one or more binding commitments to reinvest all or a portion of the proceeds of such sale in one or more

additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 30 Business Days after the settlement of such sale in accordance with the Investment Criteria; or (B) at any time, either (1) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (2) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance.

(h) Stated Maturity. In connection with the latest Stated Maturity of the Secured Debt, the Collateral Manager will cause any Issuer Subsidiary to sell all of its assets and dissolve no later than two Business Days prior to the latest Stated Maturity of the Secured Debt. On or prior to the date that is one Business Day prior to the latest Stated Maturity of the Secured Debt, the Collateral Manager shall sell all Collateral Obligations to the extent necessary such that no Collateral Obligations shall be held by the Issuer on or after such date. The settlement date for any such sales of Collateral Obligations shall be no later than one Business Day prior to the latest Stated Maturity of the Secured Debt.

(i) Unsaleable Assets. Notwithstanding the other requirements set forth in this Indenture, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this Section 12.1(i). Promptly after receipt of written notice from the Collateral Manager of such auction, the Collateral Trustee will provide notice (in such form as is prepared by the Collateral Manager) to the Holders (and, for so long as the Secured Debt is Outstanding, each Rating Agency) of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Debt may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Debt submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Collateral Trustee, the Collateral Trustee will provide notice thereof to each Holder and offer to deliver (at such Holder's expense) a *pro rata* portion (as determined by the Collateral Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Collateral Trustee on or before the date specified in such notice, subject to minimum denominations; provided that, to the extent that minimum denominations do not permit a *pro rata* distribution, the Collateral Trustee will distribute the Unsaleable Assets on a *pro rata* basis (as determined by the Collateral Manager) to the extent possible and the Collateral Manager will select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Collateral Trustee; provided, further, that the Issuer and the Collateral Trustee (at the direction of the Collateral Manager) will use commercially reasonable efforts to effect delivery of such interests (at no cost to the Collateral Trustee); and (iv) if no such Holder or beneficial owner provides delivery

instructions to the Collateral Trustee, the Collateral Trustee will promptly notify the Collateral Manager and offer to deliver (at the cost of the Collateral Manager) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Collateral Trustee will take such action (at no cost to the Collateral Trustee) as directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means. The Collateral Trustee has no duty, obligation or responsibility with respect to the sale of any Unsaleable Asset other than to act upon the instruction of the Collateral Manager and in accordance with the provisions of this Indenture.

(j) Notwithstanding anything to the contrary contained in this Indenture, unless an Event of Default has occurred and is continuing, the Collateral Manager may direct the Collateral Trustee in writing to sell, purchase and/or exchange any Collateral Obligation in connection with an Exchange Transaction at any time.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period, subject to certain limitations specified in this Section 12.2 with respect to Post-Reinvestment Principal Proceeds), the Collateral Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Collateral Trustee to invest Principal Proceeds (including Contributions designated as Principal Proceeds) and Principal Financed Accrued Interest, and the Collateral Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction; provided that, for the avoidance of doubt, with respect to any Collateral Obligations for which the trade date has occurred during the Reinvestment Period but which settle after the last day of the Reinvestment Period, the purchase of such Collateral Obligations shall be treated as a purchase made during the Reinvestment Period.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions (the "Investment Criteria") is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Collateral Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to:

(i) If such commitment to purchase occurs during the Reinvestment Period:

(A) such obligation is a Collateral Obligation;

(B) (I) each Coverage Test (other than, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Defaulted Obligation, the Overcollateralization Ratio Test with respect to the Class D-J Notes) will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved and (II) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Defaulted Obligation, the Overcollateralization Ratio Test with respect to the Class D-J Notes will be satisfied;

(C) (I) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds

from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of all Collateral Obligations immediately prior to such sale) or (3) after giving effect to such reinvestment, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, the Collateral Obligations purchased with the proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance, or if not greater than (or equal to) the Reinvestment Target Par Balance, will be maintained or increased and (II) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Collateral Obligation (other than a Credit Risk Obligation or a Defaulted Obligation), either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will be maintained or increased (when compared to the Aggregate Principal Balance of all Collateral Obligations immediately prior to such sale), or (2) the Aggregate Principal Balance of all Collateral Obligations (excluding Collateral Obligations being sold but including, without duplication the Collateral Obligations being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligations) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance, or if not greater than (or equal to) the Reinvestment Target Par Balance, will be maintained or increased; and

(D) either (I) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except the S&P CDO Monitor Test in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation, an Equity Security) will be satisfied or (II) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment.

The Issuer shall be prohibited from purchasing a Collateral Obligation during the Reinvestment Period if such purchase would settle after the end of the Reinvestment Period (any such Collateral Obligation, a "Post-Reinvestment Period Settlement Obligation"); provided that, notwithstanding the foregoing, the Issuer may, prior to the end of the Reinvestment Period, commit to purchase such Post-Reinvestment Period Settlement Obligations and, after the end of the Reinvestment Period, settle the purchase of such Post-Reinvestment Period Settlement Obligations, if (a) in the reasonable determination of the Collateral Manager, the purchase of each Post-Reinvestment Period Settlement Obligation is expected to settle no later than 45 Business Days after the date that the Issuer commits to purchase it, and (b) the sum of (i) the amount of funds in the Principal Collection Subaccount as of the date that the Issuer commits to the purchase of each Post-Reinvestment Period Settlement Obligation plus (ii) the expected aggregate sale proceeds from all Collateral Obligations with respect to which the Issuer has previously entered into written Trade Tickets or other written binding commitments to sell, which sales are also not expected to settle prior to the end of the Reinvestment Period but, in the reasonable determination

of the Collateral Manager, are expected to settle no later than 45 Business Days after the date that the Issuer commits to such purchases, is equal to or greater than the principal amount of all Post-Reinvestment Period Settlement Obligations intended to be so purchased (the "Reinvestment Period Settlement Condition"). If the Issuer has entered into a written Trade Ticket or other binding commitment to purchase a Post-Reinvestment Period Settlement Obligation and the Reinvestment Period Settlement Condition is satisfied, such Post-Reinvestment Period Settlement Obligation shall be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria, and Principal Proceeds received after the end of the Reinvestment Period may be applied to the payment of the purchase price of such Post-Reinvestment Period Settlement Obligation.

(ii) If such commitment to purchase occurs after the Reinvestment Period, the Post-Reinvestment Principal Proceeds may, in the sole discretion of the Collateral Manager (with notice to the Collateral Trustee and the Collateral Administrator), be reinvested in additional Collateral Obligations ("Substitute Obligations") by the later to occur of (x) the date occurring 45 days after the Issuer's receipt thereof and (y) the last day of the related Collection Period, subject to the satisfaction of the following conditions:

(A) such obligation is a Collateral Obligation;

(B) each Coverage Test will be satisfied immediately after giving effect to such reinvestment;

(C) the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the amount of Post-Reinvestment Principal Proceeds;

(D) the stated maturity of each Substitute Obligation is the same as or earlier than the stated maturity of the Collateral Obligation that produced the Post-Reinvestment Principal Proceeds;

(E) other than in connection with the acquisition of Uptier Priming Debt, a Restricted Trading Period is not then in effect;

(F) each requirement or test, as the case may be, of each Concentration Limitation and Collateral Quality Test (except the S&P CDO Monitor Test) will be satisfied after giving effect to such reinvestment or, if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to such reinvestment as compared to the requirement or test level on the Business Day immediately prior to the Business Day on which the related Post-Reinvestment Principal Proceeds were received;

(G) the S&P Rating of each Substitute Obligation is equal to or better than the S&P Rating of the Collateral Obligation that gave rise to the Post-Reinvestment Principal Proceeds; and

(H) no Event of Default shall have occurred and be continuing.

Notwithstanding anything in this Section 12.2(a) to the contrary, the Collateral Manager shall not purchase any additional Collateral Obligation if the balance in the Principal Collection Subaccount (after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds (including, without limitation, any prepayment of a Collateral Obligation (x) for which there has been a publicly announced transaction which would lead to a prepayment (as determined by the Collateral Manager) or (y) for which the prepayment date has been established and of which lenders have been notified by the obligor or the administrative agent or paying agent in respect of such Collateral Obligation)) is a negative amount and the absolute value of such amount is 3.0% or greater of the Target Initial Par Amount as of the Measurement Date immediately preceding the trade date for such purchase. In no event will the Collateral Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Subaccount, and the Collateral Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

(b) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the 10 Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (ii) no Trading Plan Period may include a Determination Date related to a Payment Date, (iii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iv) no Collateral Obligation that is included in a Trading Plan may have a remaining average life (as determined by the Collateral Manager) that is less than six months from the date on which such Trading Plan is entered into, (v) the difference between the average life of the Collateral Obligation included in a Trading Plan with the shortest average life (as determined by the Collateral Manager) and the average life of the Collateral Obligation included in a Trading Plan with the longest average life (as determined by the Collateral Manager) does not exceed three years, (vi) no Trading Plan may result in the averaging of the purchase price of Collateral Obligations for purposes of satisfying clause (xxv) of the definition of "Collateral Obligation" or the definition of "Discount Obligation" and (vii) if the Investment Criteria are not satisfied upon the expiry of the related Trading Plan Period, the Collateral Manager shall provide written notice to any Rating Agency and the Collateral Trustee (and the Collateral Trustee will provide such notice to the Holders via its website) of such failure.

(c) Maturity Amendments. The Issuer (or the Collateral Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment to a Collateral Obligation that the Issuer will retain after the effectiveness of such Maturity Amendment unless, as determined by the Collateral Manager, after giving effect to such Maturity Amendment, (a) either (i) the Weighted Average Life Test will be satisfied or (ii) if the Weighted Average Life Test was not satisfied immediately prior to the effectiveness of such Maturity Amendment, then the Weighted Average

Life Test will be maintained or improved after giving effect to such Maturity Amendment (after giving effect to any Trading Plan or any purchase or sale of any other Collateral Obligation) except that the Weighted Average Life Test shall not be required to be so satisfied or maintained or improved after giving effect to such Maturity Amendment if (x) the Maturity Amendment is a Credit Amendment; provided that the Aggregate Principal Balance of all Collateral Obligations that have been subject to a Credit Amendment with the affirmative vote of the Collateral Manager, (1) then held by the Issuer may not exceed 2.5% of the Collateral Principal Amount and (2) measured cumulatively from the Closing Date, may not exceed an amount equal to 5.0% of the Target Initial Par Amount or (y) such amendment or modification is in connection with an insolvency, bankruptcy, reorganization, debt restructuring or workout of the issuer or obligor of such Collateral Obligation; provided that the Aggregate Principal Balance of all Collateral Obligations that have been subject to a modification pursuant to clause (x) above or this clause (y) with the affirmative vote of the Collateral Manager, measured cumulatively from the Closing Date, may not exceed 10.0% of the Target Initial Par Amount (any such Collateral Obligation subject to the preceding clause (x) or (y), a "Specified Maturity Collateral Obligation") and (b) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Outstanding Secured Debt; provided that this clause (b) shall not apply as long as the Collateral Manager intends to sell such Collateral Obligation within thirty Business Days after the effective date of the maturity extension, so long as such sale is made prior to the end of such time period (provided that if such Collateral Obligation is not sold within such time period (any such Collateral Obligation, an "Excepted Long-Dated Obligation"), the Collateral Manager shall sell such Collateral Obligation promptly after such period). Notwithstanding anything to the contrary herein, the Collateral Manager may consent to a Maturity Amendment with respect to an investment it has already sold (either in whole or in part) that has not yet settled, at the direction of the buyer; provided that in the case of a sale in part, the Collateral Manager will only vote at the direction of the buyer on the portion of the Collateral Obligation sold to such buyer to the extent commercially practicable. In addition to the above set forth limitations, at no time may the Aggregate Principal Balance of (x) all Specified Maturity Collateral Obligations then held by the Issuer exceed 5.0% of the Collateral Principal Amount or (y) all Excepted Long-Dated Obligations then held by the Issuer exceed 2.0% of the Collateral Principal Amount.

Notwithstanding anything to the contrary above, the Issuer (or the Collateral Manager on its behalf) will use commercially reasonable efforts to affirmatively object to a Maturity Amendment if: (1) a Responsible Officer of the Collateral Manager has actual knowledge of such Maturity Amendment, (2) such affirmative objection, in the Collateral Manager's sole discretion, is necessary to avoid a lack of response from being deemed a consent to such Maturity Amendment and (3) the Issuer (or the Collateral Manager on the Issuer's behalf) is not permitted to consent to such Maturity Amendment in accordance with the foregoing provisions of this Section 12.2(c) and such Maturity Amendment would cause the Weighted Average Life Test to fail.

(d) Restructured Assets. At any time during or after the Reinvestment Period, the Issuer (or the Collateral Manager on its behalf) may direct that Interest Proceeds, Principal Proceeds, Restructured Asset Contributions and/or other amounts available for a Permitted Use be applied to the purchase or acquisition of Restructured Assets if the Collateral Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or

that failing to do so, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Collateral Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Collateral Manager for its other clients or investment vehicles managed by the Collateral Manager); provided that (i) Interest Proceeds may be applied to the acquisition of a Restructured Asset only if such payment would, as reasonably determined by the Collateral Manager, not result in an interest default or deferral on any Class of Secured Debt on the next following Payment Date and (ii) Principal Proceeds may be applied to the acquisition of a Restructured Asset (other than an acquisition of Uptier Priming Debt which may be acquired without regard to the requirements of this clause (ii) (other than clause (ii)(x))) only if, after giving effect thereto, (x) the Aggregate Principal Balance of all Collateral Obligations *plus* Eligible Investments constituting Principal Proceeds from the Principal Collection Subaccount and the Revolver Funding Account, without duplication, is at least equal to the Reinvestment Target Par Balance (for purposes of which determination, any Defaulted Obligation shall be deemed to have a Principal Balance equal to the lower of its Fitch Collateral Value and its S&P Collateral Value); provided that, the Reinvestment Target Par Balance shall be reduced by 1% for the purpose of the calculation pursuant to this clause (ii)(x), (y) each Overcollateralization Ratio Test will be satisfied and (z) (1) the aggregate amount of Principal Proceeds (excluding any proceeds that have subsequently been recouped as Principal Proceeds under the terms of this Indenture) that have been applied to the purchase of Restructured Assets (other than Uptier Priming Debt) will not exceed 5.0% of the Target Initial Par Amount, (2) the aggregate amount of Principal Proceeds (measured cumulatively since the Closing Date) that have been applied to the purchase of Restructured Assets (other than Uptier Priming Debt) will not exceed 7.5% of the Target Initial Par Amount and (3) the aggregate amount of Principal Proceeds applied to purchase Restructured Assets resulting from the exercise of a warrant, right or other option to purchase (measured cumulatively since the Closing Date) will not exceed an amount equal to 3.0% of the Collateral Principal Amount. Notwithstanding anything to the contrary herein, the acquisition of Restructured Assets will not be required to satisfy any of the Investment Criteria.

(e) Certifications by Collateral Manager. (i) Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Collateral Manager shall deliver by email or other electronic transmission to the Collateral Trustee and the Collateral Administrator an Officer's certificate of the Collateral Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (on which the Collateral Trustee and the Collateral Administrator may rely (provided that such certification shall be deemed to have been made upon the delivery by the Collateral Manager of a direction or Trade Ticket in respect of such purchase)) and (ii) immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Collateral Trustee and the Collateral Administrator a schedule of Collateral Obligations committed to be purchased by the Issuer with respect to which the trade date has occurred but the settlement date has not yet occurred and shall certify (which certification will be deemed to be provided upon the delivery of such schedule) to the Collateral Trustee that sufficient Principal Proceeds are expected to be available (including for this purpose, cash on deposit in the Principal Collection Subaccount and any Principal Proceeds that are expected to be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions.

(a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's-length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 3 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that, for the avoidance of doubt, it is hereby acknowledged the Collateral Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Collateral Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Collateral Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(viii) as of such Subsequent Delivery Date; provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Collateral Trustee of a written direction or a Trade Ticket in respect thereof from an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary (except for any liquidation of Assets due to an Event of Default and the acceleration of the Maturity of the Secured Debt, which liquidation shall be subject to Article V), the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation not otherwise then permitted to be sold or acquired by the Collateral Manager under this Indenture (x) that has been consented to by holders of Debt evidencing at least (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Debt and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Debt and (y) of which each Rating Agency then rating a Class of Secured Debt and the Collateral Trustee has been notified.

ARTICLE XIII

DEBTHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture, the Credit Agreement or the Debt to the contrary notwithstanding, the Holders of each Class of Debt that constitutes a Junior Class agree for the benefit of the Holders of the Debt of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class to the extent and in the manner set forth in this Indenture.

(b) If any Holder of Debt of any Junior Class shall have received any payment or distribution in respect of such Debt contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture,

such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Collateral Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that, if any such payment or distribution is made other than in Cash, it shall be held by the Collateral Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that, after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Debt.

(d) The Holders of each Class of Debt and beneficial owners of each Class of Debt agree, for the benefit of all Holders of each Class of Debt and beneficial owners of each Class of Debt, to the provisions of Section 5.4(d). In addition, the Co-Issuers and the Collateral Trustee agree not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States, the Cayman Islands or any other jurisdiction against any Issuer Subsidiary until the payment in full of all Debt and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture or the Credit Agreement, each Holder and each beneficial owner of Secured Debt or Subordinated Notes (a) does not owe any duty of care to any Person and is not obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Collateral Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager); (b) shall only consider the interests of itself and/or its Affiliates; and (c) will not be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Collateral Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager), nor shall any such restrictions apply to any Affiliates of any Holder or beneficial owner.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Collateral Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons

as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Collateral Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, the Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that, the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Collateral Trustee at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Collateral Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Bank shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to the Transaction Documents and delivered using Electronic Means; provided, however, that the instructing party shall provide to the Bank an incumbency certificate listing Authorized Officers and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by such party whenever a person is to be added or deleted from the listing. If such party elects to give the Bank Instructions using Electronic Means and the Bank in its discretion elects to act upon such Instructions, the Bank's understanding of such Instructions shall be deemed controlling. Each party understands and agrees that the Bank cannot determine the identity of the actual sender of such Instructions and that the Bank shall conclusively presume that directions that purport to have been sent by an

Authorized Officer listed on the incumbency certificate provided to the Bank have been sent by such Authorized Officer. Each instructing party shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Bank and that such party and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by such party. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from its reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Each instructing party agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Bank, including without limitation the risk of the Bank acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Bank and that there may be more secure methods of transmitting Instructions than the method(s) selected by such party; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Bank immediately upon learning of any compromise or unauthorized use of the security procedures. For purposes of the foregoing, "Electronic Means" shall mean the following communications methods: email, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Bank, or another method or system specified by the Bank as available for use in connection with its services hereunder.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders or beneficial owners of Debt may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders or such beneficial owners in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Collateral Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Collateral Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Collateral Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register. Ownership of the Class A-L Loans shall be determined by reference to the Loan Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt shall bind the Holder (and any transferee thereof) of such Debt and of all Debt issued upon the registration thereof or in exchange therefor or in lieu thereof,

in respect of anything done, omitted or suffered to be done by the Collateral Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Collateral Trustee's Website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Debt are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in the form of Exhibit D to the Collateral Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Debt so owned; provided, that nothing shall prevent the Collateral Trustee from requesting additional information and documentation with respect to any such beneficial owner; provided, further, that the Collateral Trustee shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

Section 14.3 Notices, Etc., to Collateral Trustee, the Co-Issuers, the Collateral Manager, the Initial Purchaser, the Collateral Administrator, the Paying Agent, the Administrator, Each Hedge Counterparty and each Rating Agency. (xi) if to any Hedge Counterparty, in accordance with the notice provisions of the related Hedge Agreement.

(b) If any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Collateral Trustee and any other Person or entity, the Collateral Trustee's receipt of such notice or document shall entitle the Collateral Trustee to assume that such notice or document was delivered to such other Person or entity unless otherwise expressly specified herein. If any provision in this Indenture calls for any notice or document to be delivered to the Collateral Trustee, such provision shall be deemed to also call for delivery of such notice or document to the Income Note Paying Agent.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any request, demand, authorization, direction, instruction,

order, notice, consent, waiver or Act of Debtholders or other documents provided or permitted by this Indenture to be sent to any Rating Agency shall be sent by the Collateral Manager on behalf of the Issuer and, if pursuant to the terms of this Indenture, the Collateral Trustee is to send such request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Debtholders or other documents provided or permitted by this Indenture to any Rating Agency, it shall instead be sent to the Collateral Manager first for dissemination to any Rating Agency; provided that nothing in this Section 14.3(c) shall prohibit the Collateral Trustee from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Debt or this Indenture.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Collateral Trustee may be provided by providing access to a password-protected website containing such information.

Section 14.4 Notices to Holders; Waiver.

(i) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(A) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid (or, in the case of Holders of Global Notes, emailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register (or Loan Register) not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(B) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

The Collateral Trustee will deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Debt (by Aggregate Outstanding Amount), at the expense of the Issuer; provided that the Collateral Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Collateral Trustee may have hereunder or (iii) applicable law. The Collateral Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Debtholder status. The Collateral Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Collateral Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Collateral Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Collateral Trustee to Persons identified in this Section 14.4 may be provided by providing notice of and access to the Collateral Trustee's Website containing such information or document.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Debt, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture, the Credit Agreement or the Debt, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture, the Credit Agreement or the Debt, as the case may be, so long as this Indenture, the Credit Agreement or the Debt, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture, the Credit Agreement or the Debt, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture, the Credit Agreement or in the Debt, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Debt and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Debt, the Credit Agreement or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date.

Section 14.10 Governing Law. This Indenture shall be construed in accordance with, and this Indenture and any matters arising out of or relating in any way whatsoever to this Indenture (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any suit, action or Proceedings brought in any such court, waives any claim that such suit, action or Proceedings has been brought in an inconvenient forum and further waives the right to object, with respect to such suit, action or Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing suit, action or Proceedings in any other jurisdiction, nor will the bringing of suit, action or Proceedings in any one or more jurisdictions preclude the bringing of suit, action or Proceedings in any other jurisdiction.

Section 14.12 WAIVER OF JURY TRIAL. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE COLLATERAL TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Notes may be executed and delivered in counterparts (including by facsimile transmission or electronic transmission (including .pdf file, .jpeg file or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Collateral Trustee)), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. The Collateral Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.17, unless otherwise agreed to in writing by the Collateral Manager.

Section 14.15 Confidential Information. (a) The Collateral Trustee, the Collateral Administrator and each Holder and beneficial owner of Debt will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Collateral Trustee, the Collateral Administrator or such Holder or beneficial owner, as applicable, in good faith to protect Confidential Information of third parties delivered to such Person; provided that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and Affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (ii) such Person's legal advisors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (iii) any other Holder, or any of the other parties to this Indenture, the Collateral Management Agreement or the Collateral Administration Agreement; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Debt in accordance with the requirements of Section 2.6 hereof to which such Person sells or assigns or offers to sell or assign any such Debt or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this; (viii) any Rating Agency (subject to Section 14.17); (ix) any other Person with the consent of the Co-Issuers and the Collateral Manager; or (x) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Debt, the Credit Agreement or this Indenture or (E) in the Collateral Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; provided, further, that delivery to Holders or beneficial owners by the Collateral Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders or beneficial owners shall not be a violation of this Section 14.15. Each Holder and beneficial owner of Debt agrees, except as set

forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Debt or administering its investment in the Debt; and that the Collateral Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders or beneficial owners of Debt any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and each beneficial owner of Debt, by its acceptance of its interest in such Debt, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner of Debt by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided that such term does not include information that: (i) was publicly known or otherwise known to the Collateral Trustee, the Collateral Administrator or such Holder or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Collateral Trustee, the Collateral Administrator, any Holder or beneficial owner or any person acting on behalf of the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner; (iii) otherwise is known or becomes known to the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Collateral Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; (iv) is independently developed by the Collateral Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, on its behalf, without recourse to the Confidential Information; or (v) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Collateral Trustee and the Collateral Administrator may disclose Confidential Information to the extent it may reasonably deem necessary for the performance of its duties hereunder and under the Collateral Administration Agreement or to the extent disclosure thereof may be required by law or by any regulatory or governmental authority, and the Collateral Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder or under the Collateral Administration Agreement.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Credit Agreement, the Debt or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Credit Agreement, the Debt, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any suit, action or Proceeding, in respect of this Indenture, the Credit Agreement, the Debt, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

Section 14.17 Communications with Rating Agencies. If the Issuer shall receive any written or oral communication from any Rating Agency (or any of their respective officers, directors or employees) with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Collateral Manager of such communication. The Issuer agrees that in no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager. The Collateral Trustee agrees that in no event shall a Trust Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency without the prior written consent (which may be in the form of email correspondence) or participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager; provided that nothing in this Section 14.17 shall prohibit the Collateral Trustee from providing notices required under this Indenture or making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Debt or this Indenture.

ARTICLE XV

ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided that, notwithstanding anything herein to the contrary, the Collateral Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Collateral Trustee.

(c) Upon the retirement of the Debt, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Collateral Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the

Collateral Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) Upon a Trust Officer of the Collateral Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Collateral Trustee shall, not later than one Business Day thereafter, notify the Debtholders (as their names appear in the Register).

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) The Issuer (or the Collateral Manager on behalf of the Issuer) may enter into Hedge Agreements from time to time on and after the Closing Date. The Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Collateral Trustee and the Collateral Administrator. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Collateral Manager on behalf of the Issuer) shall not enter into a Hedge Agreement unless (i) it obtains prior written consent of a Majority of the Controlling Class, (ii) it obtains written advice of counsel that such Hedge Agreement will not cause any person to be required to register as a commodity pool operator with the CFTC in connection with the Issuer, (iii) each of the S&P Rating Condition and the Fitch Rating Condition is satisfied (or deemed inapplicable pursuant to the respective definitions thereof), and (iv) any Hedge Agreement must directly relate to the Debt or the Assets and be entered into for the purpose of reducing interest rate risk or foreign exchange risk related to the Debt or Assets.

(b) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and Section 2.8(h). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless each of the S&P Rating Condition and the Fitch Rating Condition (as applicable) is satisfied or Hedge Counterparty Credit Support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Collateral Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement.

(f) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, promptly after becoming aware thereof the Collateral Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Collateral Trustee and the Collateral Administrator, demanding payment thereunder.

(h) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

SCHEDULE 4

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classification groups, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's Industry Classification group, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

SCHEDULE 5

MOODY'S RATING DEFINITIONS

ASSIGNED MOODY'S RATING

The publicly available rating, unpublished monitored rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; provided that, so long as the Issuer (or the Collateral Manager on its behalf) applies for a new estimated rating, or renewal of an estimated rating, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have a Moody's Rating of "B3" (or, "B2," in the case of a DIP Collateral Obligation) for purposes of this definition if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that the Collateral Manager believes that such estimated rating will be at least "B3" (or, "B2," in the case of a DIP Collateral Obligation) and (ii) thereafter, such debt obligation will have a Moody's Rating of "Caa3" or (B) in the case of a request for a renewal of an estimated rating following a material deterioration in the creditworthiness of the Obligor or a specified amendment, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation and (y) the criteria specified in clause (A) in connection with an annual request for a renewal of an estimated rating becomes applicable in respect of such debt obligation.

CFR

With respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; provided that, if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

MOODY'S DEFAULT PROBABILITY RATING

- (i) With respect to a Collateral Obligation (other than a DIP Collateral Obligation), if the obligor of such Collateral Obligation has a CFR, then such CFR;
- (ii) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (i) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;
- (iii) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clauses (i) or (ii) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower

than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;

(iv) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clauses (i), (ii) or (iii) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that, if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(v) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof;

(vi) With respect to a Collateral Obligation if not determined pursuant to any of clauses (i) through (v) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(C) if neither clause (a) nor (b) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(ii) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(a) With respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's;

(b) if not determined pursuant to clause (a) above, then by using any one of the methods provided below:

(A) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Collateral Manager, in accordance with the methodology set forth in the following table below:

| Type of Collateral Obligation | S&P Rating (Public and Monitored) | Collateral Obligation Rated by S&P | Number of Subcategories Relative to Moody's Equivalent of S&P Rating |

(c) If not determined pursuant to clauses (a) or (b) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be "B3" if the Collateral Manager certifies to the Collateral Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B3" and if the Aggregate of Collateral Obligations determined pursuant to this clause (c) and clause (a) above does not exceed 5% of the Collateral Principal Amount.

Group A: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Israel, Italy, Japan, Luxembourg, Netherlands, New Zealand, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, the United Kingdom and the United States

Group B: Brazil, Czech Republic, Mexico, Poland and South Africa

Group C: Greece, India, Indonesia, Kazakhstan, Romania, Russia, Turkey, Ukraine, the United Arab Emirates, Vietnam and others not included in Group A or Group B

* Solely for the purpose of determining the S&P Recovery Rate for such debt obligation, the Aggregate Principal Balance of all First Lien Last Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans that, in the aggregate, represent up to 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for First Lien Last Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans in the table above and the Aggregate Principal Balance of all First Lien Last Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans in excess of 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for subordinated loans and subordinated bonds in the table above.

** Solely for the purpose of determining the S&P Recovery Rate for such debt obligation, no debt obligation will constitute a "Senior Secured Loan," "Cov-Lite Loan," "Senior Secured Bond" or "Senior Secured Note" unless such debt obligation (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such debt obligation's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal amount of all debt obligations senior or *pari passu* to such obligations and (ii) the outstanding principal balance of such obligation, which value may be derived from, among other things, the enterprise value of the issuer of such obligation, excluding any obligation secured primarily by equity or goodwill and (c) is not secured solely or primarily by common stock or other equity interests provided that (i) this clause (c) shall not apply to any obligation that has been made to a parent entity that is secured solely or primarily by the common stock or other equity interests of one or more of its direct or indirect subsidiaries if, in the Collateral Manager's reasonable judgment, the granting by any such subsidiary of a security interest in its own property would violate any law or regulation applicable to such subsidiary or would otherwise be prohibited by contract and (ii) for any obligation to which this clause (c) would not apply as a result

of the operation of clause (i) of this proviso, the S&P Recovery Rate will be determined by S&P on a case by case basis if there is no assigned S&P Recovery Rate for such obligation (provided that the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer and the Collateral Manager with notice to the Collateral Trustee and the Collateral Administrator (without the consent of any Holder of any Debt), subject to the satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such obligations).

Notwithstanding the foregoing, solely for the purposes of determining the S&P Recovery Rate of a Collateral Obligation or Collateral Restructured Asset, as applicable, that is a Senior Secured Loan under clause (d) of the definition of the term "Senior Secured Loan," such Collateral Obligation or Collateral Restructured Asset, as applicable, shall be deemed to be an Unsecured Loan.

SCHEDULE 7

S&P FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test during an S&P CDO Formula Election Period, the following terms shall have the meanings set forth below:

"S&P CDO Adjusted BDR": The value calculated based on the following formula (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator) (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator):

$BDR * (A/B) + (B-A) / (B * (1-WARR))$ where

| Term | Meaning |
|------|---|
| BDR | S&P CDO BDR |
| A | Target Initial Par Amount |
| B | Aggregate Principal Balance of the S&P CLO Specified Assets plus the S&P Collateral Value of the Collateral Obligations that are not S&P CLO Specified Assets <i>plus</i> the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds |
| WARR | Weighted Average S&P Recovery Rate |

"S&P CDO BDR": The value calculated based on the following formula (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator):

$C0 + (C1 * WAS) + (C2 * WARR)$, where

| Term | Meaning |
|------|--------------------------------------|
| C0** | [•] |
| C1** | [•] |
| C2** | [•] |
| WAS | S&P Weighted Average Floating Spread |
| WARR | Weighted Average S&P Recovery Rate |

** The stated coefficient or such other coefficient provided by S&P to the Collateral Manager and the Collateral Administrator in writing.

"S&P CDO SDR": The value calculated based on the following formula: $0.247621 + (SPWARF/9162.65) - (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) - (RDM/34.0948) + (WAL/27.3896)$, where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

For purposes of this calculation, the following definitions will apply:

"S&P Default Rate Dispersion": With respect to all S&P CLO Specified Assets, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Rating Factor minus (y) the S&P Weighted Average Rating Factor divided by (B) the Aggregate Principal Balance for all such Collateral Obligations.

"S&P Industry Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets within each S&P Industry Classification, then dividing each of these amounts by the Aggregate Principal Balance of the S&P CLO Specified Assets from all the industries, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets from each Obligor and its Affiliates, then dividing each of these amounts by the Aggregate Principal Balance of S&P CLO Specified Assets from all the Obligors in the portfolio, squaring the result for each Obligor, then taking the reciprocal of the sum of these squares.

"S&P Rating Factor": For each S&P CLO Specified Asset, a number set forth to the right of the applicable S&P Rating below, which table may be adjusted from time to time by S&P:

| S&P Rating | S&P Rating Factor | S&P Rating | S&P Rating Factor |
|-----------------------|------------------------------|-----------------------|------------------------------|
| AAA | 13.51 | BB+ | 784.92 |
| AA+ | 26.75 | BB | 1233.63 |
| AA | 46.36 | BB- | 1565.44 |
| AA- | 63.90 | B+ | 1982.00 |
| A+ | 99.50 | B | 2859.50 |
| A | 146.35 | B- | 3610.11 |
| A- | 199.83 | CCC+ | 4641.40 |
| BBB+ | 271.01 | CCC | 5293.00 |
| BBB | 361.17 | CCC- | 5751.10 |
| BBB- | 540.42 | CC, D or SD | 10,000.00 |

"S&P Regional Diversity Measure": The value calculated by determining the Aggregate Principal Balance of S&P CLO Specified Assets within each S&P region set forth in Table 1 below, then dividing each of these amounts by the aggregate principal balance of the S&P CLO Specified Assets from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life": The value calculated by determining the number of years between the current date and the maturity date of each S&P CLO Specified Asset, then multiplying each S&P CLO Specified Asset's Principal Balance by its number of years, summing the results of all S&P CLO Specified Assets, and dividing this amount by the Aggregate Principal Balance of all S&P CLO Specified Assets.

"S&P Weighted Average Rating Factor": The value calculated by summing the products obtained by multiplying the Principal Balance for each S&P CLO Specified Asset by its

S&P Rating Factor, dividing such sum by the Aggregate Principal Balance of all S&P CLO Specified Assets and rounding the result up to the nearest whole number.

"S&P CLO Specified Assets": Collateral Obligations with an S&P Rating equal to or higher than "CCC-."

SCHEDULE 8

FITCH RATING DEFINITIONS AND FITCH TEST MATRIX

"Fitch Rating" means the Fitch Rating of any Collateral Obligation, which will be determined as follows:

- (a) if Fitch has issued a public long-term issuer default rating ("LT IDR") or a long-term issuer default credit opinion ("LT IDCO") with respect to the issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer);
- (b) if Fitch has not issued a LT IDR or LT IDCO with respect to the issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating ("IFS Rating") with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;
- (c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issue ratings, then the Fitch Rating will be calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings below;
- (d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and
 - (i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;
 - (ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;
 - (iii) Moody's has not issued a publicly available corporate family rating or long-term issuer rating for the issuer of such Collateral Obligation but Moody's has issued a publicly available outstanding insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;
 - (iv) Moody's has not issued a publicly available corporate family rating, long-term issuer rating or insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue

ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below;

- (v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;
 - (vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;
 - (vii) S&P has not issued a publicly available issuer credit rating or publicly available outstanding insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below; and
 - (viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d).
- (e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Collateral Manager, (i) the Collateral Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that (i) after the Closing Date, if any rating described above is on rating watch negative, the rating will be adjusted down by one sub-category, but not lower than "CCC-"; provided further that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com. For the avoidance of doubt, the Fitch Rating takes into account adjustments for assets that are on rating watch negative prior to determining the issue rating and/or in the determination of the lower of the Moody's and S&P public ratings.
