EXHIBIT A

PROPOSED SECOND SUPPLEMENTAL INDENTURE

SECOND SUPPLEMENTAL INDENTURE

This **SECOND SUPPLEMENTAL INDENTURE** (this “**Supplemental Indenture**”) is dated as of June [30], 2025, by and between:

- (1) **INVESCO CLO 2021-2, LTD.** (the “**Issuer**”);
- (2) **INVESCO CLO 2021-2, LLC** (the “**Co-Issuer**”, and together with the Issuer, the “**Co-Issuers**”); and
- (3) **The Bank of New York Mellon Trust Company, National Association**, as Trustee (the “**Trustee**”).

Reference is hereby made to the indenture dated as of June 17, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the “**Indenture**”), among the Co-Issuers and the Trustee.

WHEREAS, pursuant to Section 8.1(a)(xx) of the Indenture, the Co-Issuers, when authorized by Resolutions, and the Trustee may enter into one or more supplemental indentures, subject to the consent of a Majority of the Controlling Class, to conform to ratings criteria, methodology and other guidelines in general published or otherwise communicated by the Rating Agency (including, without limitation, to amend Schedule A of the Indenture);

WHEREAS, pursuant to Section 8.1(a)(xx) of the Indenture at least a Majority of the Controlling Class has consented to this Supplemental Indenture to conform to ratings criteria, methodology and other guidelines in general published or otherwise communicated by the Rating Agency;

WHEREAS, pursuant to Section 8.3(b) of the Indenture, at the cost of the Issuer, notice of this Supplemental Indenture was provided to each Holder of each Class of the Notes, the Collateral Manager and each Rating Agency, at least 20 Business Days prior to the execution of this Supplemental Indenture;

WHEREAS, the conditions set forth in the Indenture for entry into this Supplemental Indenture pursuant to Sections 8.1(a)(xx), 8.3(b) and 8.3(d) have been satisfied.

NOW, THEREFORE, in consideration of the foregoing premises, the terms and conditions stated herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties hereto, the parties hereby agree as follows:

1. Amendments to the Indenture. Effective as of the date hereof, the Indenture is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the bold and double-underlined text (indicated textually in the same manner as the following example: **bold and double-underlined text**) as set forth below.

The definition of “S&P Rating” is amended and restated as follows:

"S&P Rating": With respect to any Collateral Asset, as of any date of determination, the rating determined in accordance with the following methodology:

(a) with respect to any Collateral Asset (other than a Current Pay Asset):

(i) (A) if there is an issuer credit rating of the issuer of such Collateral Asset by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Asset pursuant to a form of guaranty meeting S&P's then current criteria, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Assets of such issuer held by the Issuer, provided that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if the related obligor has consented to the disclosure thereof and a copy of such consent has been provided to S&P) or (B) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Asset shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Asset shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Asset shall be one sub-category above such rating;

(ii) with respect to any Collateral Asset that is a DIP Collateral Asset, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P, or if such DIP Collateral Asset was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating; provided that (x) such rating was assigned thereto within the immediately preceding 12-month period and (y) the Collateral Manager (on behalf of the Issuer) will notify S&P if the Collateral Manager has actual knowledge of the occurrence of any material amendment or event with respect to such Collateral Asset that would, in the reasonable business judgment of the Collateral Manager, have a material adverse impact on the credit quality of such Collateral Asset, including any amortization modifications, extensions of maturity, reductions of principal amount owed, or non-payment of timely interest or principal due; provided further that if any such DIP Collateral Asset is newly issued and the Collateral Manager expects an S&P credit rating within 90 days, until such DIP Collateral Asset is assigned an S&P credit rating the S&P Rating of such Collateral Asset will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such DIP Collateral Asset and (2) "CCC-" following such 90 day period; or

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a)(iii)(A) through (a)(iii)(C) below:

(A) if an obligation of the issuer is not a DIP Collateral Asset and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating except that the S&P Rating of

such obligation will be ~~(1) one sub-category below~~ the S&P equivalent of the Moody's Rating ~~if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower~~; provided that the Aggregate Principal Balance of the Collateral Assets that may have an S&P Rating derived from a Moody's Rating as set forth in this clause (A) may not exceed 10.0% of the Collateral Principal Balance;

(B) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Asset shall, prior to or within 30 days after the acquisition of such Collateral Asset, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; provided that (1) if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Asset shall have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; (2) if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Asset shall have (I) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Asset and (II) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided further, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Asset shall be "CCC-"; (3) if the Collateral Asset has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Asset, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; (4) the S&P Rating may not be determined pursuant to this clause (a)(iii)(B) if the Collateral Asset is a DIP Collateral Asset; (5) such credit estimate shall expire 12 months after the receipt thereof, following which such Collateral Asset shall have an S&P Rating of "CCC-" unless, during such 12-month period following the receipt of such credit estimate, the Issuer applies for renewal thereof in accordance with the Indenture, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Asset until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Asset; (6) such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the receipt thereof and (when renewed annually in accordance with the Indenture) on each 12-month anniversary thereafter; and (7) except to the extent doing so is restricted or prohibited by confidentiality obligations, the Issuer will, following receipt of notification from the Collateral Manager,

promptly notify S&P of any material event with respect to any such Collateral Asset if the Collateral Manager determines that such event is a material event as described in S&P's published criteria for credit estimates titled "~~What Are Credit Estimates And How Do They Differ From Ratings?~~" dated April 2011 "Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It" dated January 14, 2021 (as the same may be amended or updated from time to time); and

(C) with respect to a Collateral Asset that is not a Defaulted Asset, the S&P Rating of such Collateral Asset will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-"; provided that (1) in connection with such an election by the Issuer, the Collateral Manager on behalf of the Issuer shall, prior to or within 30 days after the acquisition of such Collateral Asset, submit all available Information in respect of such Collateral Asset to S&P, (2) neither the issuer of such Collateral Asset nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings, (3) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Asset are current and the Collateral Manager reasonably expects them to remain current and (4) except to the extent doing so is restricted or prohibited by confidentiality obligations, the Issuer will, following receipt of notification from the Collateral Manager, promptly notify S&P of any material event with respect to any such Collateral Asset if the Collateral Manager determines that such event is a material event as described in S&P's published criteria for credit estimates titled "~~What Are Credit Estimates And How Do They Differ From Ratings?~~" dated April 2011 "Credit FAQ: Anatomy Of A Credit Estimate: What It Means And How We Do It" dated January 14, 2021 (as the same may be amended or updated from time to time); or

(iv) with respect to a DIP Collateral Asset, if the S&P Rating of such DIP Collateral Asset cannot be determined pursuant to clause (a)(ii) above, the S&P Rating of such DIP Collateral Asset will be "CCC-"; and

(b) with respect to a Current Pay Asset, the higher of (a) such obligation's issue rating and (b) "CCC";

provided that, for purposes of the determination of the S&P Rating (or Moody's, in the case of an S&P Rating pursuant to clause (iii)(A) above), (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P (or Moody's, in the case of an S&P Rating pursuant to clause (iii)(A) above) to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating; provided further that, for purposes of the determination of the S&P Rating, if (x) the issuer or obligor of any Collateral Asset was a debtor under Chapter 11, during which time such issuer, obligor or

Selling Institution, as applicable, or any of its obligations (including any Collateral Asset) either had an S&P rating of "SD" or "CC" or lower from S&P or had an S&P rating that was withdrawn by S&P and (y) such issuer, obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Asset) continues to have an S&P rating of "SD" or "CC" or lower from S&P (or, in the case of any withdrawal, continues to have no S&P rating), the S&P Rating for any such obligation (including any Collateral Asset), issuer, obligor or Selling Institution, as applicable, shall be deemed to be "CCC-", so long as S&P has not taken any rating action with respect thereto since the date on which the issuer, obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11.
