PRELIMINARY STATEMENT

The Co-Issuers are duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. Except as otherwise provided herein, all covenants and agreements made by the Co-Issuers herein are for the benefit and security of the Secured Parties. The Co-Issuers are entering into this Indenture and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Co-Issuers in accordance with the agreement's terms have been done.

GRANTING CLAUSE

The Issuer hereby Grants to the Trustee, for the benefit and security of the Holders of the Secured Notes, the Trustee, the Collateral Administrator, the Placement Agent, the Administrator, the Intermediary, the Posting Agent and each Hedge Counterparty (collectively, the "Secured Parties"), all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising, in each case as defined in the UCC, accounts, chattel paper, commercial tort claims, deposit accounts, documents, financial assets, general intangibles, goods, instruments, investment property, letter-of-credit rights, and other property of any type or nature in which the Issuer has an interest, including all proceeds (as defined in the UCC) with respect to the foregoing (subject to the exclusions noted below, the "Assets" or the "Collateral").

Such Grants include, but are not limited to the Issuer's interest in and rights under: (a) the Collateral Obligations, Restructuring Loans and Equity Securities and all payments thereon or with respect thereto, (b) each of the Accounts (subject, in the case of any Hedge Counterparty Collateral Account, to the extent permitted by the applicable Hedge Agreement), including any Eligible Investments purchased with funds on deposit therein, and all income from the investment of funds therein, (c) the Issuer's ownership interest in any Tax Subsidiary, (d) the Portfolio Management Agreement, the Collateral Administration Agreement, the Account Agreement, the Risk Retention Letter, the Administration Agreement, the Registered Office Agreement, the AML Services Agreement and any Hedge Agreement, (e) cash and (f) all proceeds with respect to the foregoing; provided, that such Grants exclude: (i) Margin Stock or the U.S. Dollar amount of any liquidation thereof, whether or not such dollar amount

has been reinvested in another instrument and (ii) (A) the U.S. $250 transaction fee paid to the Issuer in consideration of the issuance of the ~~Secured Notes and the Subordinated~~2023 Notes, (B) the proceeds of the issuance and allotment of the Issuer's ordinary shares, (C) any account in ~~Jersey~~the Cayman Islands maintained in respect of such funds referred to in items (A) and (B) above (any amount credited thereto and any interest thereon), (D) the common stock of the Co-Issuer, (v) any Tax Reserve Account and (vi) the Administration Agreement (the assets referred to in clause (ii), collectively, the "Excepted Property").

The above Grants are made in trust to secure the Secured Notes and the Issuer's obligations to the Secured Parties under this Indenture and each other Transaction Document. Except as set forth in the Priority of Distributions and Article XIII of this Indenture, the Secured Notes are secured equally and ratably without prejudice, priority or distinction between any Secured Note and any other Secured Note by reason of difference in time of issuance or otherwise, except as expressly provided in this Indenture, and to secure, in accordance with the priorities set forth in the Priority of Distributions, (i) the payment of all amounts due on the Secured Notes in accordance with their terms, (ii) the payment of all other sums payable under any Transaction Document and each Hedge Agreement to any Secured Party and (iii) compliance with the provisions of this Indenture and each Hedge Agreement, all as provided in this Indenture and each Hedge Agreement, respectively. The foregoing Grants shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments granted to the Trustee by or on behalf of the Issuer, whether or not such securities or investments satisfy the criteria set forth in the definitions of "Collateral Obligation" or "Eligible Investments," as the case may be.

The Trustee acknowledges such Grants, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform its duties expressly stated herein in accordance with the provisions hereof.

ARTICLE I

DEFINITIONS

Section 1.1 Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A hereto shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision.

Section 1.2 Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to

the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations securing the Secured Notes shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made. The Class X Notes shall not be included in the calculation of any Coverage Test or the Reinvestment Overcollateralization Test.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Distribution Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on Secured Notes and ~~floating rate Collateral~~Floating Rate Obligations shall be calculated using the then current interest rates applicable thereto.

(e) After the Reinvestment Period, in determining any amount required to satisfy any Coverage Test, for purposes of the priorities set forth in Section 11.1(a)(i), the

Aggregate Outstanding Amount of the Secured Notes shall give effect, *first*, to the application of Principal Proceeds to be used pursuant to Section 11.1(a)(ii) on the applicable Distribution Date to repay principal of the Secured Notes and, *second*, to the application of Interest Proceeds on such Distribution Date pursuant to all prior clauses in the priorities set forth in Section 11.1(a)(i).

(f) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Distributions described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(g) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(h) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a Principal Balance equal to zero.

(i) For purposes of ~~calculating compliance with the Investment Criteria, upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment~~any calculation hereunder, Eligible Investments representing Principal Proceeds ~~received upon the maturity, redemption, sale or other disposition of Collateral Obligations~~ shall be deemed to ~~have the characteristics of either Cash or such Collateral Obligations, as specified in such direction of the Portfolio Manager~~be Senior Secured Loans, until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Eligible Investments or Collateral Obligations~~, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.~~.

(j) For purposes of the calculation of the Interest Coverage Test, the Minimum Fitch Floating Spread Test, the Minimum Moody's Floating Spread Test, the Minimum Fitch Weighted Average Coupon Test and the Minimum Moody's Fixed Coupon Test, Collateral Obligations (including, for the avoidance of doubt, any Collateral Obligations constituting Uptier Priming Debt) contributed to a Tax Subsidiary shall be included net of the actual taxes paid or any future taxes reasonably anticipated by the Portfolio Manager to be payable with respect thereto.

(k) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(l) If withholding tax is imposed on (i) any amendment, waiver, consent or extension fees, (ii) commitment fees or ~~other~~ similar fees or (iii) any other Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account

such withholding, unless the obligor is required to make "gross-up" payments to the Issuer or any Tax Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(m) If at any time a Tax Subsidiary distributes less than the total amount of Cash then held by it, and the Cash then held by such Tax Subsidiary represents both proceeds that would have been characterized as Interest Proceeds and proceeds that would have been characterized as Principal Proceeds if received directly by the Issuer, the Portfolio Manager shall allocate such distribution between Interest Proceeds and Principal Proceeds in its reasonable discretion and in accordance with the respective definitions thereof.

(n) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(o) Unless otherwise specified, any reference to the fee payable under Section 11.1 to an amount calculated with respect to a period at *per annum* rate shall be computed on the basis of a 360-day year of twelve 30-day months. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.

(p) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(q) Unless otherwise specifically provided herein, all calculations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(r) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related borrower or issuer).

(s) For purposes of calculating clause (iii) of the definition of "Concentration Limitations," without duplication, amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(t) ~~(s)~~ For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having a Moody's Recovery Rate equal to 50% and a Fitch Recovery Rate equal to 95%.

(u) ~~(t)~~ All calculations related to maturity amendments as described under Section 10.8(d), sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Secured Notes. For the avoidance of doubt, the Incentive Interest Threshold will not be reset at zero on the date of any Refinancing.

(v) (Reserved.)

(w) ~~(u)~~ Any direction or Issuer Order required under this Indenture relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Portfolio Manager or the Issuer (or the Portfolio Manager on behalf of the Issuer) to the Trustee on which the Trustee may rely.

(x) ~~(v)~~ To the fullest extent permitted by applicable law and subject to the standard of care under the Portfolio Management Agreement and the legal, contractual and fiduciary duties owed by the Portfolio Manager, including the duty to act in the best interest of the Issuer, whenever in this Indenture or any other Transaction Document the Portfolio Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Portfolio Manager shall be entitled to consider such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting any other Person. The intent of granting authority to act in its "discretion" to the Portfolio Manager is that no other party's express consent is required to be obtained by the Portfolio Manager when acting pursuant to such grant of authority under this Indenture; provided that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Portfolio Manager. If any questions should arise with respect to the operation of the Issuer that are not specifically provided for in this Indenture, or with respect to the interpretation of this Indenture, the Portfolio Manager is authorized to make a final determination in its sole discretion with respect to any such question, and its determination and interpretation so made shall be final and binding on all parties.

(y) In the sole discretion of the Portfolio Manager, with at least four (4) Business Days' notice to the Trustee, proceeds received after the applicable Determination Date but before the applicable Distribution Date may be included as Interest Proceeds or Principal Proceeds, as applicable, received during the respective Collection Period.

ARTICLE II

(viii) the Additional Notes will be issued in a manner that allows the Issuer to accurately provide the tax information that this Indenture requires the Issuer to provide to Holders and beneficial owners of the Secured Notes, including Holders and beneficial owners of the additional Secured Notes, under Treasury regulations section 1.1275-3(b)(1);

(ix) ~~(viii)~~ the terms and conditions of the Additional Notes of each Class issued pursuant to this Section 2.4 shall be identical to those of the initial Notes of that Class (except that the interest due on the Additional Notes that are Secured Notes shall accrue from the issue date of such Additional Notes and the interest rate and price of such Additional Notes do not have to be identical to those of the initial Notes of that Class; provided, that the spread above the Reference Rate (or, in the case of Fixed Rate Notes, the Interest Rate) on such notes may not exceed the spread above the Reference Rate (or, in the case of Fixed Rate Notes, the Interest Rate) applicable to the initial Secured Notes of that Class);

~~(e) The Co-Issuers or the Issuer may also issue Additional Notes in connection with an Optional Redemption by Refinancing of all Classes of Secured Notes or a Partial Redemption by Refinancing, which issuance will not be subject to Section 2.4(a), Section 2.4(c) or Section 3.2 but will be subject to Section 9.2 and Section 9.3.~~

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, electronic or facsimile.

Notes bearing the manual, electronic or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date or the 2025 Reset Date shall be dated as of ~~the Closing~~

~~Date~~such date. All other Notes that are authenticated after the ~~Closing~~2025 Reset Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual or electronic signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept a register (the "Register") at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "Registrar" for the purpose of maintaining the Register and registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor. This Indenture shall be effectuated so that the Secured Notes are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related regulations (and any successor provisions).

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, the Placement Agent or any Holder a current list of Holders as reflected in the Register.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount. At any time, the Issuer, the Portfolio Manager or the Placement Agent may request a list of Holders from the Trustee and the Trustee shall provide such a list of Holders to the extent such information is available to the Trustee. At the

expense of the Issuer and the written direction of the Issuer, the Placement Agent or the Portfolio Manager, the Trustee shall request a list of participants from the book-entry depositories and provide such list to the Issuer, the Placement Agent or the Portfolio Manager, respectively.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal or face amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in a form reasonably satisfactory to the Registrar duly executed by the Holder thereof or his attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(i) No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (A) to (1) a non-"U.S. person" (as defined under Regulation S) in accordance with the requirements of Regulation S, (2) a QIB/QP or (3) an AI/QP and (B) in accordance with any applicable law.

(ii) No Note may be offered, sold or delivered (i) as part of the distribution by the Placement Agent at any time or (ii) otherwise until 40 days after the ~~Closing~~Applicable Issuance Date within the United States or to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an

exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) (i) No transfer of an ERISA Restricted Note (or any interest therein) to a proposed transferee that is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar, and the Applicable Issuer will not recognize any such transfer, if to their knowledge, based on representations made or deemed to have been made by holders of ERISA Restricted Notes, such transfer would result in Benefit Plan Investors owning 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes as determined in accordance with the Plan Asset Regulation and this Indenture. For purposes of such calculation, (x) the investment by a Benefit Plan Investor shall be treated as plan assets for purposes of calculating the 25% threshold under the significant participation test in accordance with the Plan Asset Regulation only to the extent of the percentage of the equity interests in such entity held by Benefit Plan Investors and (y) any ERISA Restricted Note held by any Controlling Person shall be excluded and treated as not being Outstanding. With respect to an ERISA Restricted Note (or any interest therein) that is purchased by a Controlling Person on the ~~Closing~~Applicable Issuance Date and represented by a Global Note, if such Controlling Person notifies the Trustee that all or a portion of its interest in such Global Note has been transferred under Section 2.6 to a transferee that is not a Controlling Person, such transferred interest will no longer be excluded for the calculation of this clause (c)(i);

(ii) No Benefit Plan Investor or Controlling Person may hold ERISA Restricted Notes in the form of Global Notes other than a Benefit Plan Investor or a Controlling Person purchasing on the ~~Closing~~Applicable Issuance Date ~~from the Issuer~~ and executing an investor representation letter; and

(iii) No transfer of a Note (or any interest therein) will be effective, and the Trustee and the Applicable Issuer will not recognize any such transfer, if the transferee's acquisition, holding or disposition of such Note (or interest therein) would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws), unless an exemption is available and all conditions have been satisfied.

(d) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; except that if a Transfer Certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6 and shall

promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding the foregoing, the Registrar shall not recognize any acquisition or transfer of Issuer Only Notes if it knows, based on representations made or deemed to have been made by Holders of Issuer Only Notes that such transfer would result in 25% or more (or such lesser percentage determined by the Portfolio Manager and notified to the Trustee) of the Aggregate Outstanding Amount of the Class of Issuer Only Notes to be transferred being held by Benefit Plan Investors, as calculated pursuant to the Plan Asset Regulation and this Indenture.

(e) For so long as any of the Notes are Outstanding, neither the Issuer nor the Co-Issuer shall issue or permit the transfer of any of its ordinary shares to United States persons.

(f) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with Section 2.2(b) and this Section 2.6(f).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(f), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Rule 144A Global Note to Regulation S Global Note. If a Holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such Holder may, provided such Holder is not or, in the case of a transfer, the transferee is not, a U.S. person and is acquiring such interest in an offshore transaction, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to such Holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) the applicable Transfer Certificate, then the Trustee or the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(iii) Regulation S Global Note to Rule 144A Global Note. If a Holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the minimum denomination applicable to such Holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and (B) the applicable Transfer Certificate, then the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iv) Transfer and Exchange of Certificated Note to Certificated Note. If a Holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or transfer such Certificated Note to a transferee who wishes to take delivery thereof in the form of a Certificated Note, such Holder may effect such exchange or transfer in accordance with this Section 2.6(f)(iv). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) the applicable Transfer Certificate, then the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in Authorized Denominations.

(v) Transfer of Global Notes to Certificated Notes. If a Holder of a beneficial interest in a Global Note deposited with DTC wishes at any time to transfer its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a Certificated Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated

Note. Upon receipt by the Trustee or the Registrar of (A) the applicable Transfer Certificate and (B) appropriate instructions from Euroclear, Clearstream and/or DTC, as the case may be, if required, the Trustee or the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the applicable Global Note by the aggregate principal amount of the beneficial interest in such Global Note to be transferred, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the applicable Global Note transferred by the transferor), and in Authorized Denominations.

(vi) Transfer and Exchange of Certificated Notes to Global Notes. If a Holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Global Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for beneficial interest in a Global Note (provided that no Accredited Investor may hold an interest in a Rule 144A Global Note). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee; (B) the applicable Transfer Certificate; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC (and, in the case of a Regulation S Global Note, the Euroclear or Clearstream account) to be credited with such increase, the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Global Note equal to the principal amount of the Certificated Note transferred or exchanged.

(vii) Other Exchanges. In the event that a Global Note is exchanged for Notes in definitive registered form without interest coupons pursuant to Section 2.11, such Global Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are made only to Holders who are Qualified Purchasers in transactions exempt from registration under the Securities Act or are to persons who are not U.S. persons who are non-U.S. residents (as determined for purposes of the Investment Company Act), and otherwise comply with Regulation S under the Securities Act, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(viii) Subordinated Notes held by BCC Holders. If a Subordinated Note held by a BCC Holder is sold or transferred to a transferee that is not a BCC Investor, such transferee shall provide evidence to the Trustee and Issuer that it is not a BCC Investor, which evidence may be a certificate executed by such transferee in the form of Exhibit F hereto, and following (x) delivery of such evidence or (y) notice from the transferring BCC Holder to the Trustee of the transfer, such transferee shall receive a Subordinated Note with a CUSIP identifying such holder as a non-BCC Holder. If a Subordinated Note held by a non-BCC Holder is sold or transferred to a transferee that is a BCC Investor, such transferee will receive a Subordinated Note with a CUSIP identifying such holder as a BCC Holder, after such transferee provides evidence to the Trustee and Issuer that it is a BCC Investor, which evidence may be a certificate executed by such transferee in the form of Exhibit F hereto. If at any time a BCC Holder becomes a non-BCC Investor, such Holder shall (x) provide evidence to the Trustee and Issuer that it is no longer a BCC Investor, which evidence may be a certificate executed by such Holder in the form of Exhibit F hereto, and provide the applicable Transfer Certificate, if any, to the Trustee in connection with such request and (y) request that, in exchange for its BCC ~~Holder~~ Subordinated Note, the Trustee and Issuer provide it with a Subordinated Note with a CUSIP identifying such Holder as a non-BCC Holder. Payments of the BCC Holder Distribution Amount shall be paid to the related BCC Holder(s) as of the applicable Record Date for any Distribution Date. For the avoidance of doubt, any Subordinated Note held by a BCC Holder shall be assigned a separate CUSIP number than that which is assigned to non-BCC Holders. If at any time, the Trustee and the Issuer receive (A) the notice described in clause (y) of this clause (viii), (B) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding non-BCC Subordinated Note, but not less than the minimum denomination applicable to such Holder's Notes, in an amount equal to the beneficial interest in the BCC Subordinated Note to be exchanged or transferred, (C) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (D) the applicable Transfer Certificate, if any, then the Trustee or the Registrar shall approve the instructions at DTC to reduce the principal amount of the BCC Subordinated Note and to increase the principal amount of non-BCC Subordinated Note by the aggregate principal amount of the beneficial interest in the BCC Subordinated Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding non-BCC Subordinated Note equal to the reduction in the principal amount of the BCC Subordinated Note.

(B) If the purchaser or transferee of any Note or beneficial interest therein is a Benefit Plan Investor, it will be required or deemed to represent, warrant and agree that (i) none of the Transaction Parties, or any of their affiliates, has provided any investment recommendation or investment advice on which it or the Fiduciary has relied as a primary basis in connection with its decision to invest in Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Fiduciary in connection with the Benefit Plan Investor's acquisition of Notes; and (ii) the Fiduciary is exercising its own independent judgment in evaluating the transaction.

therein) will not cause the assets of either of the Co-Issuers to be subject to any Similar Laws.

(D) It understands that the representations made in this clause (xxiii) will be deemed made on each day from the date of its acquisition of such Note (or any interest therein) through and including the date on which it disposes of such Note (or any interest therein). If any such representation becomes untrue, or if there is a change in its status as a Benefit Plan Investor or a Controlling Person, it will immediately notify the Trustee. It agrees to indemnify and hold harmless the Issuer, the Bank (in each of its capacities in respect of the Transaction Documents), the Placement Agent and the Portfolio Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of any such representation being untrue.

(xxiv) It understands that the foregoing representations and agreements will be relied upon by the Transaction Parties and their respective counsel, and it hereby consents to such reliance.

(i) Each Person who becomes an owner of a Certificated Note shall be required to make the representations and agreements set forth in the applicable Transfer Certificate or, in the case of a purchase on the ~~Closing~~Applicable Issuance Date, an investor representation letter.

(k) To the extent required by the Issuer, as determined by the Issuer or the Portfolio Manager on behalf of the Issuer, the Issuer may, upon written notice to the Trustee, impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, as amended, and other similar laws or regulations, including, without limitation, requiring each transferee of a Note to make or be deemed to make representations to the Issuer in connection with such compliance.

(l) The Trustee and the Issuer shall be entitled to conclusively rely on any transfer certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

(m) Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the

Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which will be deemed to have been given upon delivery to the Trustee of a Note signed by each Applicable Issuer), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable quarterly in arrears on each Distribution Date, in the case of the Secured Notes, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments of Interest Proceeds to the Holders of the Subordinated Notes)

shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid or if such interest is not paid in order to satisfy the Coverage Tests ("Deferred Interest" with respect thereto) in accordance with the Priority of Distributions on any Distribution Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Distribution Date (i) on which such interest is available to be paid in accordance with the Priority of Distributions, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, and (iii) which is the Stated Maturity of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class of Deferred Interest Notes and payable on the first Distribution Date on which funds are available to be used for such purpose in accordance with the Priority of Distributions, but in any event no later than the earlier of the Distribution Date (i) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (ii) which is the Stated Maturity of such Class of Deferred Interest Notes.

Interest shall cease to accrue on Secured Notes of a Class, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Interest Rate for such Class until paid as provided herein and (y) interest on any Class A-1 Note or, if no Class A-1 Notes are Outstanding, any Class A-2 Note or, if no Class A-2 Notes are Outstanding, any Class B Note or, if no Class B Notes are Outstanding, any Class C Note or, if no Class C Notes are Outstanding, any Class D-1 Note or, if no Class D-1 Notes are Outstanding, any Class D-2 Note or, if no Class D-2 Notes are Outstanding, any Class E Note that is not paid when due shall accrue at the Interest Rate for such Class until paid as provided herein.

For the avoidance of doubt, the Subordinated Notes will not bear a stated rate of interest but will be entitled to receive distributions on each Distribution Date to the extent funds are available for such purpose, pursuant to the Priority of Distributions set forth in Article XI of this Indenture.

(b) The principal of each Secured Note of each Class matures and is due and payable on the Distribution Date which is the Stated Maturity for such Class of Secured Notes, unless such unpaid principal becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, (i) the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) after principal and interest on each Class of Notes that constitutes a Priority Class with respect to such Class has been paid in full and is subordinated to the payment on each Distribution Date of the principal and interest due and payable on such Priority Class(es), and other amounts in accordance with the Priority of Distributions, and (ii) any payment of principal of any Class of Secured Notes which is not paid, in accordance with the Priority of Distributions, on any Distribution Date (other than the Distribution Date which is the Stated Maturity of such Class or

any Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(a) until the Distribution Date on which such principal may be paid in accordance with the Priority of Distributions or all of the Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Distributions and Section 9.1.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) ~~(together with all appropriate attachments)~~ in the case of a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) (together with all appropriate attachments) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code), any information requested pursuant to the Holder Reporting Obligations, or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent (including, in each case, as any such other party may instruct) to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of ~~Jersey~~the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be withheld. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any holder of a Note. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder or beneficial owner at the time it is withheld or deducted by the Trustee or Paying Agent. Nothing herein shall be construed to impose upon the Paying Agent a duty to determine the duties, liabilities or responsibilities of any other party described herein under any applicable law or regulation. Neither the Paying Agent nor the Trustee shall incur any liability with respect to any withholding made or action taken under this Section 2.8(d).

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note; provided that, in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, on or before the related Record Date; provided, further, that, if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder

specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee on or prior to such Maturity; provided, that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to any Class of Fixed Rate Notes shall be calculated on the basis of a 360-day year consisting of twelve 30 day months, provided, that if a redemption pursuant to Article IX occurs on a Business Day that would not otherwise be a Distribution Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer and Co-Issuer under the Notes and this Indenture are at all times limited recourse or non-recourse obligations of the Issuer and Co-Issuer, as applicable, payable solely from the proceeds of the Assets (excluding the Excepted Property from time to time and at any time) and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Trustee, the Placement Agent, the Collateral Administrator, either Co-Issuer, the Portfolio Manager or their respective successors or assigns for any amounts payable under the Notes or (except as otherwise provided herein or in the Portfolio Management Agreement) this Indenture. It is understood that the foregoing provisions of this paragraph (i)

shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee and any agent of the Co-Issuers or the Trustee shall treat as the owner of record of any Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Purchase and Surrender of Notes; Cancellation. (a) The Issuer may apply (x) Contributions accepted and received into the Permitted Use Account (at the direction of the Portfolio Manager in its sole discretion), (y) to the extent directed by the Portfolio Manager, any portion of the Base Management Fee or the amounts distributable in respect of the Subordinated Interest and/or the Incentive Interest waived by the Portfolio Manager in accordance with the Portfolio Management Agreement or (z) any Principal Proceeds, in order to acquire Secured Notes (or beneficial interests therein) of the Controlling Class (excluding, for the avoidance of doubt, the Class X Notes) through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to applicable law); provided that the Issuer may not repurchase Secured Notes unless (~~i) no Event of Default has occurred and is continuing, (ii) any offer for such purchase has been extended to all Holders of Secured Notes of such Class, to the extent reasonably practicable, in such amounts as are necessary to preserve their *pro rata* holdings of such Class, (iii~~x) such purchase of Secured Notes occurs in the order of priority set out in the Note Payment Sequence~~,~~ (~~iv) following such acquisition of Secured Notes the Coverage Tests are satisfied~~assuming, for this purpose, that the Class X Notes are not Outstanding) and (~~v~~y) such purchase is for a price less than or equal to par (any such Secured Notes, the "Repurchased Notes"). Any such Repurchased Notes shall be submitted to the Trustee for cancellation. The Issuer shall provide notice of any Repurchased Notes to each Rating Agency then rating a Class of Secured Notes.

The Issuer shall provide notice to each Rating Agency, the Co-Issuer and the Trustee of any Surrendered Notes tendered to it, and the Trustee shall provide notice to the Applicable Issuers of any Surrendered Note tendered to it. Any such Surrendered Notes shall be submitted to the Trustee for cancellation.

(b) All Repurchased Notes, Surrendered Notes and Notes that are surrendered for payment, registration of transfer, exchange or redemption or are deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold; provided that Repurchased Notes and Surrendered Notes shall continue to be treated as Outstanding to the extent provided in clause (v) of the definition of "Outstanding." Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.11 Certificated Notes. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Certificated Note in exchange for such interest if such exchange complies with Section 2.6 and an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Certificated Notes (pursuant to the instructions of DTC) in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall be in registered form and, except as otherwise provided by Section 2.6(g), and Section 2.6(h), bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of clause (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

The Certificated Notes shall be in substantially the form as specified by this Indenture. Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12 Notes Beneficially Owned by Persons Not QIB/QPs or AI/QPs or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any (i) Rule 144A Global Note to a U.S. person that is not a QIB/QP, (ii) Certificated Note to a U.S. person that is not an AI/QP or a QIB/QP, (iii) Subordinated Note to a person that is not (A) a QIB/QP or (B) an AI/QP, (iv) Subordinated Note to a person that is not a United States person or (v) Note to a Non-Permitted ERISA Holder, and, in each case, that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) Promptly after discovery by the Issuer, the Co-Issuer or the Trustee that any holder or beneficial owner of an interest in Notes is a Non-Permitted Holder (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), the Issuer shall send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days (ten (10) days in the case of a Non-Permitted ERISA Holder) of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is a not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager (on its own or acting through an investment bank selected by the Portfolio Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If a Holder is or becomes a Non-Permitted Tax Holder (including by failing to comply with its Holder Reporting Obligations), the Issuer shall have the right, in addition to withholding on passthru payments and compelling such Holder to sell its interest in the Notes or selling such interest on behalf of such Holder in accordance with the procedures

specified in this Indenture, to assign to such Notes a separate CUSIP or CUSIPs and to deposit payments on such Notes into a Tax Reserve Account which amounts shall be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); provided that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all other purposes under this Indenture as if such amounts had been paid in cash directly to the Holder or beneficial owner of such Notes.

Section 2.13 Deduction or Withholding from Payments on Notes; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant taxing authority such amount. Without limiting the generality of the foregoing, the Trustee, the Paying Agent or the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any Holder of a Note. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Notes. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Trustee or Paying Agent and remitted to the appropriate taxing authority.

Section 2.14 Holder AML Obligations. If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the ~~Jersey~~Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

(i) all Notes theretofore authenticated and delivered to Holders (other than (x) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 and (y) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3) have been delivered to the Trustee for cancellation, it being understood that the requirements of this clause (i) may be satisfied as set forth in Section 5.7;

(ii) all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable, or (2) shall become due and payable at their Stated Maturity within one year, or (3) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Applicable Issuers pursuant to Section 9.4 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or non-callable direct obligations of the United States of America; provided that the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "Aaa" by Moody's ~~and "AAA" by S&P~~, in an amount sufficient, as recalculated by a firm of Independent certified public accountants which are nationally recognized, to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest (including Deferred Interest) to the date of such deposit (in the case of Notes which have become due and payable), or to their Stated Maturity or Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority or free of any adverse claim, as applicable, and shall have furnished an Opinion of Counsel with respect thereto, provided, further, that this subsection (ii) shall not apply if an election to act in accordance with the provisions of Section 5.5(a) shall have been made and not rescinded; or

(iii) the Issuer has delivered to the Trustee an Officer's certificate stating that (A) there are no Assets that remain subject to the lien of this Indenture, (B) all Hedge Agreements (if any) have been terminated and (C) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture (including, without limitation, the Priority of Distributions) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose;

(b) the Issuer has paid or caused to be paid all other sums then due and payable hereunder (including, without limitation, any amounts then due and payable pursuant to the Collateral Administration Agreement and the Portfolio Management Agreement, in each case, without regard to the Administrative Expense Cap) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer, it being understood that the requirements of this clause (b) may be satisfied as set forth in Section 5.7;

(c) the Co-Issuers have delivered to the Trustee, an Officer's certificate from the Portfolio Manager and an Opinion of Counsel, each stating that all conditions precedent

herein provided for relating to the satisfaction and discharge of this Indenture have been complied with; and

(d) In connection with delivery by each of the Co-Issuers of the Officer's certificates referred to in clause (c), the Trustee will confirm that (i) the Trustee (in any capacity related hereto) does not hold any assets for this transaction hereunder, and (ii) all Accounts have been closed.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Portfolio Manager and, if applicable, the Holders, as the case may be, under Sections 2.8, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.15 shall survive.

In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Distributions and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

ARTICLE V

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class X Note, Class A-1 Note, Class A-2 Note or Class B Note or, if there are no Class X Notes, Class A-1 Notes, Class A-2 Notes or Class B Notes Outstanding, any Notes of the Controlling Class and the continuation of any such default for seven (7) Business Days or (ii) any principal, interest, or Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or any Redemption Date; provided that, in the case of a default in payment resulting solely from an administrative error or omission by the Portfolio Manager, the Trustee, any Paying Agent or the Registrar, such default continues for a period of ten (10) or more Business Days after a Trust Officer of the Trustee receives written notice of such administrative

error or omission; provided, further, that the failure to effectuate (I) any Optional Redemption (including a Refinancing or a Tax Redemption) or (II) a Partial Redemption by Refinancing or Re-Pricing shall, in each case, not constitute an Event of Default; provided, however, that in the case of a default in the payment of principal on any Secured Note on any Redemption Date where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on behalf of the Issuer), (B) the Issuer (or the Portfolio Manager on behalf of the Issuer) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due to circumstances beyond the control of the Issuer or the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on behalf of the Issuer) has used reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for sixty (60) days after such Redemption Date;

(b) the failure on any Distribution Date to disburse amounts in excess of U.S.$100,000 available in the Payment Account with respect to any amount payable in connection with the Secured Notes, in each case, in accordance with the Priority of Distributions and continuation of such failure for a period of ten (10) Business Days (provided, if such failure results solely from an administrative error or omission by the Issuer, the Portfolio Manager, the Trustee, any Paying Agent or the Registrar, such default continues for a period of ten (10) or more Business Days after a Trust Officer of the Trustee receives written notice of such administrative error or omission);

(c) any of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act and such requirement has not been eliminated after a period of forty-five (45) days;

(d) except as otherwise provided in this Section 5.1, a default in any material respect in the performance, or breach in any material respect, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test or any failure to adopt ~~an Alternative Reference~~a Fallback Rate is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all material respects when the same shall have been made, in each case, which failure has had a material adverse effect on a Holder, and the continuation of such default, breach or failure for a period of ~~thirty~~forty-five (~~30~~45) days after notice to the Applicable Issuers and the Portfolio Manager by registered or certified mail or overnight courier, by the Trustee, the Applicable Issuers or the Portfolio Manager, or to the Applicable Issuers, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided that, if the Issuer or the Co-Issuer, as applicable (as notified to the Trustee by the Portfolio Manager in writing), has commenced curing such default, breach or failure during the ~~30~~45-day period specified above, such default, breach or failure shall not constitute an Event of Default under this clause (d) unless it continues for a period of 60 days (rather than, and not in addition to, such ~~30~~45-day period specified above) after such notice (to the extent such default, breach or failure can be cured); provided, further, that for the avoidance of doubt any failure to

effect a Refinancing, Partial Redemption by Refinancing, Optional Redemption (including a Tax Redemption) or Re-Pricing will not be an Event of Default;

(e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking winding up, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days;

(f) the institution by the Issuer or the Co-Issuer of Proceedings to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent by the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the passing of a resolution by the directors of the Issuer or the members of the Co-Issuer to have the Issuer or the Co-Issuer wound up on a voluntary basis or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action; or

(g) on any date of determination, the failure of the ratio of (i) the Aggregate Principal Balance of the Pledged Obligations *plus*, without duplication, amounts on deposit in the Accounts representing Principal Proceeds to (ii) the Aggregate Outstanding Amount of the Class A-1 Notes to equal or exceed 102.5%; provided that, for purposes of calculating the Aggregate Principal Balance of the Pledged Obligations under this clause (g), the Aggregate Principal Balance of each Defaulted Obligation shall be the Market Value thereof.

Upon obtaining knowledge (or a Trust Officer having actual knowledge, for the Trustee) of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other, and the Trustee shall provide the notices of Default required under Section 6.2.

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee, if a Trust Officer of the Trustee has received written notice or has actual knowledge of such Event of Default, may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Issuer and/or Co-Issuer, as applicable, and each Rating Agency, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section

5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due and payable on the Secured Notes (other than as a result of such acceleration);

(B) to the extent that the payment of such interest is lawful, current interest upon any Deferred Interest at the applicable Interest Rates; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(ii) it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such declaration of an acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; provided that the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by the Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any of the Secured Notes, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Notes, the whole amount, if any, then due and payable on such Secured Notes for principal and interest with interest upon the overdue principal, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law or, in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of the Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Secured Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders of the Secured Notes, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders of the Secured Notes in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a ~~Supermajority~~Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Sections 5.5 and 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Placement Agent, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party, any Holder of Subordinated Notes and/or the Portfolio Manager may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A-1 Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A-1 Notes so delivered by such Holder (taking into account the Priority of Distributions and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of any Holder or beneficial owner of the Notes, the Trustee nor any other Secured Party may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, winding up, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under ~~Jersey~~Cayman, U.S. federal or State bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee, any Holder or beneficial owner of the Notes or any Secured Party (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than such party, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(e) In the event one or more Holders or beneficial owners of Notes causes a Bankruptcy Filing against the Issuer, the Co-Issuer or any Tax Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) (each, a "Filing Holder") will be deemed to acknowledge and agree that (i) any claim that such Filing Holder(s) have against the Applicable Issuers or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Distributions, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that is not a Filing Holder, with such subordination being effective until all amounts with respect to each Secured Note held by each Holder or beneficial owner of any Secured Note that is not a Filing Holder are paid in full in accordance with the Priority of Distributions (after giving effect to such subordination), (ii) such Filing Holder(s) will promptly return or cause all amounts received by it (them) following the filing of such petition to be returned to the Issuer and (iii) such Filing Holder(s) will take all necessary action to give effect to the Bankruptcy Subordination Agreement. The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement" and any Class of Secured Notes of any Holder or beneficial owner who caused such subordination will be referred to as the "Bankruptcy Subordinated Class." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(e).

(f) The Issuer or the Co-Issuer, as applicable, shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the

Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, under the Bankruptcy Law or any other applicable law, subject to applicable funds available to pay the related expenses. The reasonable fees, costs, charges and expenses incurred by the Issuer (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

(g) Upon (i) the institution of any Proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer, as the case may be, under the Bankruptcy Law or any other applicable law (in each case, whether voluntary or involuntary), the Trustee shall not withdraw funds from the Payment Account to pay or transfer any amounts set forth in any Distribution Report except in accordance with the instructions of a court of competent jurisdiction.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact (except as otherwise expressly permitted or required by Sections 7.16(e), 10.8 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Distributions and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Portfolio Manager, determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including Deferred Interest), and all Administrative Expenses (without regard to the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable pursuant to the Priority of Distributions prior to any distributions to the Holders of the Subordinated Notes, and a Majority of the Controlling Class agrees with such determination;

(ii) either (x) in the case of an Event of Default under Section 5.1(a) (so long as any such Event of Default (A) was not the result of an administrative error or omission by the Trustee, any Paying Agent or the Registrar of the Notes ~~or~~, (B) did not occur as a result of the failure to pay any amount due on a Redemption Date, (C) was not as a result of the failure to pay interest on ~~any of~~the Class A-2 Notes or the Class B Notes at a point in time when such Class, as applicable, is not the Controlling Class and (D) was not the result of acceleration pursuant to Section 5.2) or Section 5.1(~~e) or (f~~g) above, a Majority of the Controlling Class or (y) a Majority of ~~the Controlling Class and a Supermajority of~~ each ~~other~~ Class of Secured Notes, in each case, voting separately, directs the sale and liquidation of all or any portion of the Assets; or

(iii) if the Secured Notes have been paid in full, a Majority of the Subordinated Notes ~~direct~~directs the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, each Rating Agency and the Portfolio Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time with notice to each Rating Agency when the conditions specified in clause (i), (ii) or (iii) exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder. The Portfolio Manager or any Holder of Notes may submit a bid (on its own behalf or on behalf of one or more designees) to purchase Assets in connection with any liquidation of all or any portion of the Assets; provided that, except as set forth in Section 5.17(d), the Trustee is under no obligation to seek bids from the Portfolio Manager or any Holders of Notes or to sell Assets to the Portfolio Manager or any Holders of Notes submitting a bid.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, at the written direction of a Majority of the Controlling Class, the Trustee shall, with the assistance of the Portfolio Manager in accordance with the Portfolio Management Agreement ~~and at the written direction of a Majority of the Controlling Class~~, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Portfolio Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not be satisfied. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a commercially reasonable fee) and rely on an opinion of an Independent bank of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after such determination is made. If a Majority of the Controlling Class has directed the Trustee to make a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within thirty (30) days after the request of a Majority of the Controlling Class (or such longer period as is reasonably necessary if the requested information

required to make such determination has not yet been received) at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1 shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Notes shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to a Trust Officer of the Trustee written notice of an Event of Default;

(b) the Holders of not less than a Majority of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for thirty (30) days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such thirty (30)-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Distributions.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee shall take the action, if any, as directed by the Portfolio Manager.

Section 5.9 Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Sections 2.8(i), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Distributions and Section 13.1, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by ~~Supermajority~~Majority of Controlling Class. A ~~Supermajority~~Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities anticipated to be incurred in connection with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the Global Rating Agency Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Portfolio Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Portfolio Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7; provided, further, that this Section 5.17 shall be qualified in its entirety by reference to Section 5.17(d) below.

(b) Subject to Section 5.17(d) below, the Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Portfolio Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) Notwithstanding anything to the contrary contained herein, prior to the sale of the Assets in connection with an exercise of remedies described in Section 5.5, the Trustee shall use commercially reasonable efforts to notify the Issuer, the Holders of the Subordinated Notes and each Rating Agency of its intent to sell the Assets in accordance with this Indenture. Prior to the consummation by the Trustee of any such sale of the Assets, but after receipt of Firm Bids, the Trustee shall offer to sell the Assets to the Holders of the Subordinated Notes constituting a Majority of the Subordinated Notes on the same terms and conditions as are offered in the highest Firm Bid to purchase the Assets by any Person that is not an Affiliate of the Portfolio Manager. To the extent a Majority of the Subordinated Notes does not accept such offer within two (2) Business Days after delivery thereof by the Trustee, the Trustee may accept any such bid on the same terms and conditions for a period of ten (10) days. If the Trustee does not accept such bid within such ten (10) day period and intends to subsequently sell the Assets, the Trustee shall comply with the requirements of this paragraph in connection with any such subsequent proposed sale.

(e) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(f) Without limiting any right under Section 5.17(d) above, and notwithstanding any prior notice delivered thereunder, the Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes and the Portfolio Manager shall be permitted to participate in any such public Sale to the extent permitted by applicable law and to the extent such Holders of

Subordinated Notes or the Portfolio Manager, as applicable, meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities of the Trustee. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three (3) Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default (of which a Trust Officer of the Trustee has received written notice) has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority (or Supermajority, as applicable) of the Controlling Class (or such other Class or percentage required or permitted by this Indenture), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing of notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any default or any Event of Default described in Sections 5.1(c), (d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by a Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. The Trustee shall have no obligation to determine whether or not such event has occurred. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1(d).

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

(f) The Trustee is hereby authorized and directed to execute and deliver the Risk Retention Letter.

(g) The Trustee is authorized, at the request of the Portfolio Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Portfolio Manager.

Section 6.2 Notice of Default. As soon as reasonably practicable (and in no event later than three (3) Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Portfolio Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, as their names and addresses appear on the Register, and, for so long as any Listed Notes are listed thereon and the guidelines of the exchange so require, the Cayman Islands Stock Exchange, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, electronic communication, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class, a Majority of the Subordinated Notes or of a Rating Agency shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder so long as the Trustee causes such agents, attorneys and auditors to hold in confidence all such information;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, accountants or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent, non-Affiliated accountants or non-Affiliated attorney appointed with due care by it hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, monitor, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuer, Portfolio Manager or other Person;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to

generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Distribution Date reasonable compensation as set forth in a separate fee schedule dated on or near the Closing Date between the Trustee and the Portfolio Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) in accordance with the terms hereof, to reimburse the Bank (in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank (in each of its capacities) in accordance with any provision of this Indenture or other Transaction Documents (including, without limitation, costs incurred in connection with tax compliance or withholding, the exercise or enforcement of remedies pursuant to Article V, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5, Section 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager in writing;

(iii) to indemnify the Bank (in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, claim, damage, fee, cost, liability or expense incurred without negligence, willful misconduct or bad faith on their part, and arising out of or in connection with the acceptance or administration of the trust or the transactions contemplated hereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs and the attorneys' fees and expenses incurred in connection with any action, suit or proceeding brought by the Trustee to enforce any indemnification by, or other obligations of, the Issuer or the costs of defending or prosecuting any claim) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other Transaction Document related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Distributions but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available to be used for such purpose. The Issuer's obligations under this Section 6.7 shall be secured by the lien of this Indenture and shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or if longer the applicable preference period then in effect) and one day after the payment in full of all Notes issued under this Indenture. Nothing in this Section 6.7(c) shall preclude the Trustee from (i) exercising its rights as a secured or unsecured creditor in any Proceeding involving the Issuer or the Co-Issuer not filed or commenced by the Trustee or (ii) while an Event of Default is continuing, commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, liquidation or similar Proceeding; provided that any recovery of any amount received by the Trustee under the preceding clause (i) or (ii) shall be distributed in accordance with the Priority of Distributions.

(d) To the extent that the entity acting as Trustee is acting as Registrar, Calculation Agent, Paying Agent, Authenticating Agent or Intermediary, the rights, privileges, immunities and indemnities set forth in this Article VI shall also apply to it acting in each such capacity.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder, which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a long-term CR Assessment of at least "Baa3(cr)" by Moody's or a short-term CR Assessment of at least "P-3(cr)" by Moody's or, if such organization or entity has no CR Assessment, a long-term issuer ~~credit~~ or senior unsecured debt rating of at least "Baa3" by Moody's or a short-term issuer ~~credit~~ or senior unsecured debt rating of at least "P-3" by Moody's (or such lower CR Assessment or rating that satisfies the Moody's Rating Condition) and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its

most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall immediately (i) notify the Co-Issuers, the Portfolio Manager and the Holders of the Notes and (ii) resign in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders of the Notes and each Rating Agency not less than sixty (60) days prior to such resignation; provided, that such prior written notice shall not be required if the Trustee resigns, and a successor Trustee is appointed by the Co-Issuers, in conjunction with a Refinancing of all Classes of Secured Notes, so long as a Majority of each Class of Secured Notes has consented to (or is deemed to have consented to) the appointment of the successor Trustee. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; provided that the Issuer shall provide prior written notice to each Rating Agency of any such appointment; provided, further, that the Issuer shall not appoint such successor trustee or trustees without the consent of the Holders of a Majority ~~of the Secured Notes~~ of each Class of Secured Notes (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten (10) days' prior written notice to the Holders of such appointment and (ii) a Majority of each Class of Notes voting separately by Class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the most senior Class of Notes) do not provide written notice to the Issuer objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten (10) days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within sixty (60) days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may, upon not less than thirty (30) days' notice, be removed at any time by the Portfolio Manager or by an Act of a Majority of each Class of Notes voting separately or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee; provided that, in the event that the Trustee is removed by a Majority of the Controlling Class following an Event of Default as set forth in clause (c) above, a Majority of the Controlling Class shall have the right to appoint the successor Trustee by written instrument delivered to the Co-Issuers and the retiring Trustee. If the Co-Issuers (or a Majority of the Controlling Class, as applicable) shall fail to appoint a successor Trustee within sixty (60) days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class (or the Co-Issuers, as applicable) by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event to the Portfolio Manager and to the Holders of the Notes as their names and addresses appear in the Register and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten (10) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture and the other Transaction Documents, including as Collateral Administrator under the Collateral Administration Agreement.

Section 6.10 Acceptance of Appointment by Successor Trustee. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; provided that, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization, banking association or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee that satisfies the eligibility requirement of Section 6.8 (subject to notice to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12 and to perform such other acts as may be determined by the Co-Issuers and the Trustee.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within fifteen (15) days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment. In no event shall any co-trustee be deemed to be an agent or representative of the Trustee.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any

and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent sufficient funds are available to be used for such purpose under the Priority of Distributions, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee or for the appointment of a co-trustee (in accordance with this Section 6.12); and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing (which may be by e-mail) and (b) unless within three (3) Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In

the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payment or distribution under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain (without liability) from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the

Issuer ~~(but such~~ or may be withheld because of a failure by a Holder to comply with the Holder Reporting Obligations and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings~~) or may be withheld because of a failure by a Holder to comply with the Holder Reporting Obligations and to timely remit such amounts to the appropriate taxing authority~~. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and is to be remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out of pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. The Issuer shall provide the Trustee all information necessary to determine if the withholding obligations described in this Section 6.15 apply.

Section 6.16 Representative for Holders of Secured Notes Only; Agent for Each Other Secured Party. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of the Secured Notes and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Secured Notes and agent for each other Secured Party.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of the Trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration (other than any consent, authorization, approval or registration already obtained) with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18 Communication with Rating Agencies. Any written communication, including any confirmation, from the relevant Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press release, posting to the relevant Rating Agency's website or other means then considered industry standard.

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries or permit to be enacted, or engage in, any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws) and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's declaration of trust by ~~Maples Trustees (Jersey)~~MaplesFS Limited, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles, the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

(a) The Issuer, or the Portfolio Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Portfolio Manager if within the Portfolio Manager's control under the Portfolio Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided, that the Portfolio Manager shall be entitled in its discretion to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Portfolio Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Secured Notes hereunder and to:

In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as "Debtor" and the Trustee, on behalf of the Secured Parties, as "Secured Party" and that describes "all assets in which the Issuer now or hereafter has rights" as the collateral in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(ii) any Collateral Obligation would be modified in a manner that could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net basis,

In addition, the Issuer and each Tax Subsidiary shall

Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Tax Subsidiary at any time;

(xii) with respect to any Tax Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Tax Subsidiary Assets are held by the Tax Subsidiary, shall refer directly and solely to the related Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

If, prior to its transfer to a Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Tax Subsidiary shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by a Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Optional Redemption, Tax Redemption, Clean-Up Call Redemption, or other prepayment in full or repayment in full of all Notes Outstanding ~~occurs~~ and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within 5 Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) with respect to each Tax Subsidiary, instruct such Tax Subsidiary to sell each Tax Subsidiary Asset held by such Tax Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer or (y) sell its interest in such Tax Subsidiary;

(xix) the Issuer shall not dispose of an interest in any Tax Subsidiary if such interest is a "United States real property

interest," as defined in Section 897(c) of the Code, and a Tax Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis; and

(xx) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of a Tax Subsidiary.

(i) Each contribution of an asset by the Issuer to a Tax Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Tax Subsidiary if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes, based on Tax Advice.

(j) Notwithstanding anything to the contrary herein, in complying with any of its obligations under this Indenture concerning matters related to a trade or business within the United States for U.S. federal income tax purposes, in making any relevant determination, the Issuer (or the Portfolio Manager on its behalf) will be permitted to conclusively rely upon Tax Advice to the effect that the Issuer's or the Portfolio Manager's action will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, and the Issuer (or the Portfolio Manager on its behalf) will not be deemed to have violated any such obligation if it obtains such Tax Advice.

(k) ~~(j) [~~(Reserved~~].~~)

~~(k) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code unless, based on Tax Advice, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided, that, for the avoidance of doubt, nothing in this Section 7.16(k) shall be construed to permit the Issuer to purchase real estate mortgages.~~

(l) Upon a Re-Pricing or the adoption of ~~an Alternative Reference~~a Fallback Rate, the Issuer will cause its Independent accountants to comply with any requirements under Treasury ~~Regulation~~Regulations section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class, Notes that are subject to the adoption of ~~an Alternative Reference~~a Fallback Rate, or Notes replacing the Re-Priced Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued.

(m) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of a Subordinated Note (or any Class of Secured Notes that is recharacterized as equity in the Issuer for U.S. federal income tax

purposes) requests in writing information about any such transactions in which the Issuer is ~~an investor~~a participant, the Issuer shall provide (to the extent it can reasonably obtain such information), or cause its Independent certified public accountants to provide, such information that is required to be obtained by such Holder under the Code as soon as practicable after such request.

~~Section 7.17 Ramp-Up Period; Purchase of Additional Collateral Obligations. (a) The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the end of the Ramp-Up Period.~~

~~(b) During the Ramp-Up Period (and, to the extent necessary to secure the confirmations referenced in Section 7.17(c), after the Ramp-Up Period), the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation from, first, any Principal Proceeds on deposit in the Collection Account and, second, any amounts on deposit in the Ramp-Up Account and (ii) to pay for accrued interest on any such Collateral Obligation from, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer shall use its commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, as of the end of the Ramp-Up Period, the Collateral Quality Test and the Overcollateralization Ratio Tests.~~

~~(c) Within thirty (30) Business Days after the end of the Ramp-Up Period (but in any event, prior to the Determination Date relating to the first Distribution Date), the Issuer shall (x) provide, or (at the Issuer's expense) cause the Portfolio Manager to provide to the Collateral Administrator (i) an Accountants' Effective Date Comparison AUP Report dated as of the end of the Ramp-Up Period that recalculates and compares the following items in the Effective Date Report (as defined below): the issuer, principal balance, coupon/spread, Stated Maturity, the Fitch Rating, the Fitch Industry Classification, the Moody's Rating, the Moody's Default Probability Rating, the Moody's Industry Classification and country of Domicile with respect to each Collateral Obligation as of the end of the Ramp-Up Period and the information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein, (ii) as of the end of the Ramp-Up Period, an Accountants' Effective Date Recalculation AUP Report recalculating and comparing (1) the Overcollateralization Ratio Tests, (2) the Concentration Limitations, (3) the Collateral Quality Test and (4) the Aggregate Ramp-Up Par Condition (such items (1) through (4), the "Specified Test Items"); and with respect to the items in clauses (i) and (ii) above, specifying the procedures undertaken by them to review data and computations relating to such Accountants' Effective Date AUP Reports and (y) cause the Collateral Administrator to compile and provide to each Rating Agency a report (the "Effective Date Report") determined as of the end of the Ramp-Up Period, containing (A) the information required in a Monthly Report and (B) the Specified Test Items. If the Moody's Effective Date Condition has been satisfied, then a written confirmation from Moody's of its Initial Rating of each Class of Secured Notes shall be deemed to have been provided. If the Moody's Effective Date Condition has not been satisfied, the Issuer shall request such written confirmation from Moody's.~~

~~For the avoidance of doubt, the Effective Date Report shall not include or refer to the Accountants' Effective Date AUP Reports and, the Issuer and the Portfolio Manager shall not disclose to any Person (including a Holder) any information, documents or reports provided to it~~

by such firm of Independent accountants, other than as required by a court of competent jurisdiction or as otherwise required by applicable legal or regulatory process. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E, except for the redaction of any sensitive information, on the 17G-5 website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer or Portfolio Manager will not be provided to any other party including the Rating Agencies.

(d) If, by the Determination Date relating to the first Distribution Date, the Effective Date Ratings Confirmation has not been obtained (an "Effective Date Rating Failure"), then the Portfolio Manager, on behalf of the Issuer, shall instruct the Trustee in writing prior to the related Determination Date to transfer amounts from the Interest Collection Account and/or the Ramp-Up Account to the Principal Collection Account (and with such funds the Issuer shall purchase additional Collateral Obligations or make payments on the Secured Notes) in an amount sufficient to obtain Effective Date Ratings Confirmation (provided that the amount of such transfer would not result in an inability to pay interest with respect to the Class A-1 Notes, the Class A-2 Notes, or the Class B Notes); provided that, in the alternative, the Portfolio Manager on behalf of the Issuer may take such other action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Account or the Ramp-Up Account to the Principal Collection Account as Principal Proceeds (for use in a Special Redemption), sufficient to obtain Effective Date Ratings Confirmation. The Issuer shall provide written notice of such Effective Date Rating Failure to Fitch.

Notwithstanding the foregoing, if an Effective Date Rating Failure occurs and the Portfolio Manager reasonably believes that it shall obtain Effective Date Ratings Confirmation without the use of Interest Proceeds to acquire additional Collateral Obligations or to effect a Special Redemption, the Portfolio Manager may elect to retain some or all of the Interest Proceeds otherwise available for such purposes in the Interest Collection Account for distribution as Interest Proceeds on the first Distribution Date.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.17 shall not constitute an Event of Default unless such failure would otherwise constitute an Event of Default under Section 5.1(d) hereof and the Issuer, or the Portfolio Manager acting on behalf of the Issuer, has acted in bad faith. The net proceeds of the issuance of the Notes will be applied on the Closing Date to (x) pay for the purchase of Collateral Obligations purchased by the Issuer on or before the Closing Date (including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the Closing Date) and (y) make a deposit into the Ramp-Up Account on the Closing Date for the purchase of additional Collateral Obligations. At the written direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations during the Ramp-Up Period as described in clause (b) above. If at the end of the Ramp-Up Period, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

Section 7.17 ~~(f)~~ Asset Quality Matrix. On or prior to the ~~last day of the Ramp-Up Period~~2025 Reset Date, the Portfolio Manager shall determine which Matrix Case of the applicable Asset Quality Matrix shall apply on and after the ~~last day of the Ramp-Up Period~~2025 Reset Date to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test, and ~~if such Matrix Case differs from the Matrix Case chosen to apply as of the Closing Date, the Portfolio Manager~~ shall so notify the Trustee, the Collateral Administrator and Moody's.

Thereafter, at any time upon two Business Days' prior written notice to the Trustee, the Collateral Administrator and ~~Moody's (~~the Rating Agencies (in the case of delivery to Moody's, via email to cdomonitoring@moodys.com and, in the case of delivery to Fitch, via email to cdo.surveillance@fitchratings.com), the Portfolio Manager may elect a different Matrix Case of the applicable Asset Quality Matrix to apply to the Collateral Obligations; provided, that if (i) the Collateral Obligations are currently in compliance with the ~~Moody's~~Moody's Diversity Test, the Maximum ~~Moody's~~Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test, the Collateral Obligations comply with such tests after giving effect to such proposed election, or (ii) the Collateral Obligations are not currently in compliance with the ~~Moody's~~Moody's Diversity Test, the Maximum ~~Moody's~~Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test or would not be in compliance with such tests after the application of any other Matrix Case, the Collateral Obligations need not comply with such tests after the proposed change so long as the degree of compliance of the Collateral Obligations with each of the ~~Moody's~~Moody's Diversity Test, the Maximum ~~Moody's~~Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test not in compliance would be maintained or improved if the Matrix Case to which the Portfolio Manager desires to change is used; provided, that if subsequent to such election of a Matrix Case of the applicable Asset Quality Matrix the Collateral Obligations would comply with the ~~Moody's~~Moody's Diversity Test, the Maximum ~~Moody's~~Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test if a different Matrix Case were selected, the Portfolio Manager shall elect a Matrix Case ~~that corresponds to a Matrix Case~~ in which the Collateral Obligations are in compliance with such tests.

If the Portfolio Manager does not notify the Trustee and the Collateral Administrator that it will alter the Matrix Case of the applicable Asset Quality Matrix chosen on or prior to the ~~last day of the Ramp-Up Period~~2025 Reset Date in the manner set forth above, the Matrix Case of the applicable Asset Quality Matrix chosen on or prior to the ~~last day of the Ramp-Up Period~~2025 Reset Date shall continue to apply until such time as the Portfolio Manager provides notice in accordance with the foregoing procedures that it intends to alter the Matrix Case of the applicable Asset Quality Matrix. Notwithstanding the foregoing, the Portfolio Manager may elect at any time on or after the 2025 Reset Date, in lieu of selecting a Matrix Case of the applicable Asset Quality Matrix (but otherwise in compliance with the requirements of this Section 7.17) to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight line basis and round the results to two decimal points.

Section 7.18 Representations Relating to Security Interests in the Assets. The Issuer hereby represents and warrants that, as of the Closing Date and the 2025 Reset Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets:

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer; provided that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(c).

(v) The Issuer has caused or shall have caused, within ten (10) days of the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received any consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) (A) The Issuer has delivered to the Trustee a fully executed Account Agreement pursuant to which the Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its

records the Trustee as the person having a Security Entitlement against the Intermediary in each of the Accounts.

(ix) The Accounts are not in the name of any person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary to comply with the Entitlement Order of any person other than the Trustee.

(x) The Issuer agrees to promptly provide notice to the Rating Agencies if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.18 and shall not waive any of the representations and warranties in this Section 7.18.

Section 7.19 Acknowledgement of Portfolio Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Portfolio Manager to take certain actions on their behalf in order to comply with such covenants, the Portfolio Manager shall only be required to perform such actions in accordance with the standard of care set forth in Section 1 of the Portfolio Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of Bain Capital Credit U.S. CLO Manager II, LP no longer being the Portfolio Manager). Section 8.3 Execution of Supplemental Indentures. (a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(b) Not later than fifteen (15) Business Days (or five (5) Business Days ~~if~~ in connection with an additional issuance, Refinancing, Partial Redemption by Refinancing or Re-Pricing) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or 8.2, the Trustee, at the expense of the Co-Issuers shall provide to the Holders of the Notes, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are outstanding and are rated by such Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Notes to be given no later than ~~fifteen (15) Business Days (or~~ five (5) Business Days ~~if in connection with an additional issuance, Refinancing, Partial Redemption by Refinancing or Re-Pricing)~~ after notice of such proposed supplemental indenture. Any consent given to a proposed supplemental indenture by the Holder of any Notes will be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture ~~within fifteen (15) Business Days (or~~no later than five (5) Business Days ~~if in connection with any additional issuance, Refinancing, Partial Redemption by Refinancing or Re-Pricing)~~after notice of such proposed supplemental indenture, on the first Business Day following such ~~fifteen (15) or~~ five (5) Business Day period~~, as applicable~~, the Trustee shall provide consents received to the Issuer and the Portfolio Manager so that they may determine which Holders of Notes have consented to the proposed supplemental indenture and which Holders of Notes (and, to the extent such information is available to the Trustee, which Certifying Persons, unless such Certifying Person instructs the Trustee otherwise) have not consented to the proposed supplemental indenture.

(c) Unless the Trustee and the Issuer are notified by a Majority of any Class from whom consent is not being requested, within five (5) Business Days after notice by the Trustee to the Holders of a proposed supplemental indenture, that the holders of such Class giving such notice believe that they will be materially and adversely affected by the proposed supplemental indenture, the interests of such Class will be deemed for all purposes to not be materially and adversely affected by such proposed supplemental indenture.

(d) ~~(c)~~ Following delivery to the Holders of the Notes of a copy of the proposed supplemental indenture by the Trustee, if any material changes are made to such supplemental indenture (excluding, for the avoidance of doubt, changes of a technical nature or to correct typographical errors or to adjust formatting, to address rating agency comments or

criteria or to implement changes that were described in a previously delivered version of the related supplemental indenture), as determined by the Issuer or the Portfolio Manager, then at the cost of the Co-Issuers, for so long as any Notes remain outstanding, not later than ~~three~~two (~~3~~2) Business Days prior to the execution of such proposed supplemental indenture (provided, that the execution of such supplemental indenture shall not in any case occur earlier than fifteen (15) Business Days or five (5) Business Days, as applicable, after the initial distribution of such proposed supplemental indenture), the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, each Hedge Counterparty, the Rating Agencies (if then rating a Class of Secured Notes) and the Holders of Notes a copy of such supplemental indenture as revised, indicating the changes that were made. If prior to delivery by the Trustee of such supplemental indenture, as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder shall be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one (1) Business Day prior to the execution of the supplemental indenture.

~~(d) Without limitation of the foregoing, if not later than fifteen (15) Business Days after notification from the Trustee in accordance with Section 8.3(b) of any proposed supplemental indenture for the purposes described in (i) Section 8.1(x)(b), a Majority of the Subordinated Notes has objected in writing thereto, the Trustee and the Issuer will not enter into such supplemental indenture unless a Majority of the Subordinated Notes consents in writing thereto and (ii) Section 8.1(x), a Majority of the Controlling Class has objected in writing thereto, the Trustee and the Issuer will not enter into such supplemental indenture unless a Majority of the Controlling Class consents in writing thereto.~~

(e) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to Section 8.1 or 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager and each Rating Agency then rating a Class of Notes a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange, the Issuer (or the Trustee on its behalf) will notify the Cayman Islands Stock Exchange of any material modification to this Indenture.

(f) With respect to any supplemental indenture that explicitly requires the consent of any Holders materially and adversely affected thereby or the consent of any Holders reasonably expected to be materially and adversely affected thereby, the Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or an Officer's certificate of the Portfolio Manager as to whether the interests of any Holder of Notes would be, or reasonably be expected to be, as applicable, materially and adversely affected by the modifications set forth in such supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel. Such determination shall be conclusive and binding on all present and future Holders. The Trustee

shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in this Section 8.3.

(g) Without limitation of any provision described in Section 8.1, an amendment, modification, supplement or restatement of this Indenture may be entered into in connection with a redemption, Refinancing, Partial Redemption by Refinancing or Re-Pricing in accordance with the provisions described in Article IX, in which case the requirements of such provisions will apply and not the consent provisions described in Section 8.1. The provisions of this paragraph are in addition to, and do not limit or condition in any way, the provisions for entering into a supplemental indenture by the Co-Issuers and the Trustee as set forth in Sections 9.4(h) (which may be effected in compliance solely with the provisions set forth therein).

(h) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(i) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(j) Any Class of Notes being redeemed shall be deemed not to be materially and adversely affected by any terms of any supplemental indenture (whether entered into under Section 8.1 or 8.2) related to and to become effective on or immediately after such redemption. Any Non-Consenting Holders of a Re-Priced Class shall be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with and to become effective on or immediately after the Re-Pricing Date with respect to such Class.

(k) ~~(j)~~ In addition, no amendment or supplement to this Indenture that would modify the Investment Criteria, the Concentration Limitations or the Collateral Quality Test, in each case, that would affect the Retention Holder's ability to comply with the EU/UK Risk Retention Requirements or its obligations under the Risk Retention Letter (other than those made to ensure compliance with the EU/UK Risk Retention Requirements) will be effective unless the Retention Holder provides its prior written consent. For the avoidance of doubt, if a Retention Event has occurred and is continuing, the Retention Holder will have no consent rights in accordance with this paragraph; however, the Retention Holder will be permitted to exercise its rights as a holder of Notes.

~~(k) Any Class of Notes being redeemed shall be deemed not to be materially and adversely affected by any terms of any supplemental indenture (whether entered into under Section 8.1 or 8.2) related to and to become effective on or immediately after such redemption. Any Non-Consenting Holders of a Re-Priced Class shall be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with and to become effective on or immediately after the Re-Pricing Date with respect to such Class.~~

(l) To the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture for purposes of conforming this Indenture to the Offering Circular or correcting an ambiguity therein pursuant to Section 8.1(x) and one or more other amendment provisions set forth in Article VIII also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment to conform this Indenture to the Offering Circular or correct an ambiguity pursuant to Section 8.1(x) only regardless of the applicability of any other provision regarding supplemental indentures set forth in this Indenture.

~~(m) If Holders of a Majority of any Class of Notes provide written notice to the Co-Issuers (with a copy to the Portfolio Manager and the Trustee) at least one Business Day prior to the proposed execution date of any supplemental indenture pursuant to Section 8.2 above, that such Class would be materially and adversely affected thereby, the Co-Issuers will not enter into such supplemental indenture unless consent is obtained from a Majority of such Class.~~

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Re-Pricing Amendment. For the avoidance of doubt, the Co-Issuers and the Trustee may, without regard to the ~~consent~~ provisions of this Article VIII, enter into a supplemental indenture pursuant to Section 9.8(d) solely to modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Priced Class, and, to the extent applicable, to extend the Non-Call Period applicable to such Re-Priced Class or make changes to the definition of "Redemption Price."

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Distribution Date to make payments as required pursuant to the Priority of Distributions to achieve compliance with such Coverage Test.

Section 9.2 Optional Redemption or Tax Redemption. (a) The Secured Notes shall be redeemed by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any Business Day (x) at the direction of a Majority of the Subordinated Notes, on or after the occurrence of a Tax Event (a "Tax Redemption") from the proceeds of the liquidation of the Assets or (y) on or after the end of the Non-Call Period, at the written direction of (i) a Majority of the Subordinated Notes, with the consent of the Portfolio Manager or (ii) the Portfolio Manager (so long as notice has been provided to the Holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within ~~ten~~seven (~~10~~7) Business Days of delivery of such notice or has otherwise consented) in any case from the proceeds of the liquidation of the Assets or from Refinancing Proceeds. A written direction described in clause (y) above shall be delivered to the Issuer, the Trustee and the Portfolio Manager no less than ~~15~~10 Business Days prior to the proposed Redemption Date (unless the Trustee and the Portfolio Manager agree to a shorter notice period). In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Price.

In connection with any Optional Redemption of all of the Secured Notes, the Portfolio Manager shall (unless the Redemption Price on all of the Secured Notes shall be paid with Refinancing Proceeds) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient such that the Sale Proceeds from such sale in accordance with the procedures set forth in Section 9.2(d) and all other funds available for such purpose in the Collection Account and the Payment Account (including any Refinancing Proceeds, if applicable) shall be at least sufficient to pay the Redemption Price on all of the Secured Notes and to pay all Administrative Expenses (without regard to the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Distributions prior to any distributions to the Holders of the Subordinated Notes (including, without limitation, any amounts due to the Hedge Counterparties or the Portfolio Manager and the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses)) (the "Required Redemption Amount"). If such Sale Proceeds and Refinancing Proceeds, as applicable, and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem the Secured Notes subject to redemption and to pay such fees and expenses, the Secured Notes may not be redeemed, except in the case of a Tax Redemption with the consent of a Supermajority of each Class of Secured Notes, in which case, such proceeds and other available funds shall be applied in accordance with the Priority of Distributions without regard to the Administrative Expense Cap with respect to amounts payable (including indemnities) to the Trustee, the Bank in each of its other capacities under the Transaction Documents and the Collateral Administrator. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Subordinated Notes may be redeemed, in whole or in part, on any Business Day on or after the Optional Redemption or repayment of the Secured Notes in full designated by (i) a Majority of the Subordinated Notes, with notice to the Issuer, the Trustee and the Portfolio Manager no less than 10 Business Days prior to the proposed Redemption Date or (ii) the Portfolio Manager (so long as notice has been provided to the Holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within ~~ten~~seven Business

Days of delivery of such notice or has otherwise consented) with notice to the Issuer and the Trustee no less than ~~ten~~seven Business Days prior to the proposed Redemption Date. If the Subordinated Notes are to be redeemed in part, the Portfolio Manager shall provide instruction to the Trustee of the manner in which the Subordinated Notes are to be redeemed.

(b) In connection with any Optional Redemption of all of the Secured Notes on or after the end of the Non-Call Period, at the written direction of a Majority of the Subordinated Notes or the Portfolio Manager, as applicable, to the Co-Issuers (with a copy to the Trustee), the Applicable Issuers may, in addition to (or in lieu of) a sale of Collateral Obligations in the manner provided in Section 9.2(a), (i) enter into a loan or loans, (ii) enter into a commitment with a CLO transaction or similar transaction to purchase the Collateral Obligations in an amount at least equal to (together with all other available funds) the Required Redemption Amount or (~~ii) enter into a loan or loans or~~iii) effect an issuance of replacement securities to redeem the Secured Notes in whole from Refinancing Proceeds, the terms of which in each case shall be negotiated by the Portfolio Manager on behalf of the Issuer, or the Co-Issuers, as applicable (and consented to by a Majority of the Subordinated Notes) (a refinancing provided pursuant to such loan or issuance, a "Refinancing") and the Refinancing Proceeds will be applied, to the extent necessary, to pay the Redemption Price of the Secured Notes on the Redemption Date in accordance with the Priority of Distributions; provided that (i) the agreements related to the Refinancing must contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d), (ii) the terms of such Refinancing or any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and the Portfolio Manager and (iii) such Refinancing otherwise satisfies the conditions described in Section 9.2(c).

Any failure to effect a Refinancing, Partial Redemption by Refinancing or Optional Redemption will not be an Event of Default.

The Holders of the Secured Notes and the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing.

(c) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Obligations or obtain a Refinancing in connection with an Optional Redemption of the Secured Notes in whole but not in part unless (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth in Section 9.2(d), Available Interest Proceeds and all other available funds in the Accounts shall be at least equal the Required Redemption Amount in connection with such Refinancing and (ii) the Sale Proceeds, Refinancing Proceeds, Available Interest Proceeds and other available funds are used to the extent necessary to make such redemption. Refinancing Proceeds received in connection with an Optional Redemption of the Secured Notes in whole but not in part will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Redemption Date pursuant to Section 11.1(a)(iv) of this Indenture.

(d) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to an Optional Redemption unless (i) in the case of any

Optional Redemption which is funded, in whole or in part, from Sale Proceeds from the sale of the Collateral Obligations and other Assets, at least two (2) Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in form satisfactory to the Trustee, that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions or a collateralized loan obligation transaction or similar transaction or other special purpose vehicle to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Collateral Obligations and/or the Hedge Agreements at a purchase price (together with Eligible Investments maturing, redeemable (or putable to the issuer thereof at par) on or prior to the scheduled Redemption Date, and any payments received in respect of Hedge Agreements, any Refinancing Proceeds and all other funds available for such purpose on deposit in the Accounts) at least equal to the Required Redemption Amount, or (ii) prior to entering into any Refinancing or selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale of Eligible Investments, (B) any Refinancing Proceeds, (C) the amount, if any, of Interest Proceeds on deposit in the Interest Collection Account in excess of the aggregate amount of Interest Proceeds which would be paid by application of the Priority of Distributions on the related Redemption Date prior to distributions with respect to the Subordinated Notes and other amounts available to the Issuer (including, without limitation, Contributions) (or, in the case of a Refinancing, any Available Interest Proceeds) and (D) for each Collateral Obligation, the product of its Principal Balance and its Market Value, shall equal or exceed the Required Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.2(d) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.2(d).

(e) In addition, and notwithstanding anything to the contrary herein, if the condition set forth in clause (ii) (but not clause (i)) of the first sentence of Section 9.2(d) is not satisfied (and available funds do not equal or exceed the Required Redemption Amount) on the Business Day before the scheduled Redemption Date solely as a result of the fact that one or more of the trades has not been settled on or prior to that date (such shortfall being the amount equal to the Required Redemption Amount less the proceeds of any such dispositions the Issuer has received as of such date (such proceeds, the "Received Proceeds"), as calculated by the Collateral Administrator in consultation with the Portfolio Manager (the "Unsettled Trade Amount")), the Issuer shall give written notice of such to the Trustee (who shall forward such notice to the Holders) and the Collateral Administrator whereupon the Portfolio Manager or the holders of a Majority of the Subordinated Notes shall, with respect to any Class of Notes that would not be redeemed in full by the application of the Received Proceeds pursuant to this Section 9.2 and in accordance with the Note Payment Sequence and the applicable Priority of Distributions on such specified Redemption Date (the "Original Redemption Date"), elect to direct the Issuer to redeem such Classes of Notes that would not be paid in full by the application of the Received Proceeds on the Original Redemption Date pursuant to this Section 9.2 in accordance with the Note Payment Sequence on a specified later redemption date (for these purposes, the "Delayed Redemption Date" and each such Class of Notes, a "Delayed Redemption

Class") (and the failure to make payment on such Class(es) of Notes on the Original Redemption Date shall not constitute an Event of Default); provided, that (i) the Delayed Redemption Date shall fall no later than the Stated Maturity of the Notes, (ii) if the Unsettled Trade Amount is received by the Issuer more than ten (10) Business Days prior to the Delayed Redemption Date, the Delayed Redemption Date shall instead be brought forward to the tenth (10th) Business Day following such receipt (as notified by the Issuer to the Portfolio Manager in writing) (a "Delayed Redemption Date Adjustment"); (iii) any payments as of the Delayed Redemption Date will still be made in accordance with the Note Payment Sequence and pursuant to the applicable Priority of Distributions; (iv) no such delay in the redemption of any Delayed Redemption Class will affect the occurrence of any otherwise applicable Distribution Date between the Original Redemption Date and the Delayed Redemption Date; and (v) interest on each such Delayed Redemption Class will accrue to but excluding the Delayed Redemption Date; provided, further, that if no Delayed Redemption Date is specified in accordance with this paragraph prior to the Original Redemption Date, the Issuer shall cancel the redemption of the Delayed Redemption Class(es) and shall give notice of such cancellation to the Trustee (who shall forward such notice to the Holders) and the Portfolio Manager. For the avoidance of doubt, all Classes of Secured Notes subject to Optional Redemption in accordance with this Section 9.2 other than the Delayed Redemption Class(es) shall be redeemed by the Issuer on the Original Redemption Date in accordance with the Note Payment Sequence. The Issuer shall give notice of (x) any Delayed Redemption Date direction (specifying each Delayed Redemption Class and including a statement confirming that interest on each Delayed Redemption Class will accrue to but excluding the Delayed Redemption Date) and (y) any Delayed Redemption Date Adjustment (specifying the revised Delayed Redemption Date) to the Trustee (who shall forward such notice to the Holders) and the Collateral Administrator, in each case no later than ten (10) Business Days prior to the Delayed Redemption Date. In addition, if, at least one Business Day before the Delayed Redemption Date, the Issuer has not received proceeds at least equal to the Unsettled Trade Amount, the Issuer shall cancel the redemption of any Delayed Redemption Class and shall give notice of such cancellation to the Trustee (who shall forward such notice to the Holders), the Collateral Administrator and the Portfolio Manager. For the avoidance of doubt, such cancellation shall not constitute an Event of Default.

Section 9.3 Partial Redemption by Refinancing. Upon written direction of (i) a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or (ii) the Portfolio Manager (so long as notice has been provided to the holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within ~~ten~~seven (~~10~~7) Business Days of delivery of such notice or has otherwise consented) delivered to the Issuer, the Trustee ~~and~~, the Holders of the Subordinated Notes and the Portfolio Manager (as applicable) not less than ~~15~~10 Business Days prior to the proposed Redemption Date (unless a shorter time period is acceptable to the Issuer, the Trustee and the Portfolio Manager), the Co-Issuers shall redeem one or more Classes of Secured Notes (but not all Classes of Secured Notes) following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and other amounts permitted (any such redemption, a "Partial Redemption by Refinancing"); provided, that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and to the Portfolio Manager and such Refinancing otherwise satisfies the conditions described below.

The Issuer shall obtain a Partial Redemption by Refinancing only if:

(i) (A) the weighted average interest rate (weighted based on principal amount) of the refinancing obligations does not exceed the weighted average interest rate of the corresponding Class of the Secured Notes being refinanced and (B) the aggregate principal amount of all refinancing obligations is equal to the Aggregate Outstanding Amount of all Classes of Secured Notes being refinanced; provided that, the aggregate outstanding amount of a refinancing obligation relating to a particular Class or subclass of Secured Notes may be greater than or less than the corresponding Class or subclass of Secured Notes being refinanced and any Class may be refinanced by more than one subclass so long as the Overcollateralization Ratio of any Class of Secured Notes which is not subject to such Partial Redemption by Refinancing will not ~~be lower than the Overcollateralization Ratio of such Class of Secured Notes immediately prior~~decrease after giving effect to such Partial Redemption by Refinancing;

(ii) on such Redemption Date, the sum of (A) the Refinancing Proceeds and (B) (x) the Available Interest Proceeds and (y) with respect to the payment of Administrative Expenses only (without regard to the Administrative Expense Cap), amounts paid or provided for in another manner (including, without limitation, with Contributions) or amounts reasonably expected by the Portfolio Manager to be available on ~~the next two Distribution Dates~~such Redemption Date to pay such amounts ~~(the "Expected Proceeds")~~, shall be in an amount not less than the Required Redemption Amount~~;~~ (less any Administrative Expenses relating to such Partial Redemption by Refinancing, which may be payable on one or more succeeding Distribution Dates in accordance with the Priority of Distributions, as determined by the Portfolio Manager in its sole discretion);

(iii) the Refinancing Proceeds, the Available Interest Proceeds and, solely with respect to any Administrative Expenses (without regard to the Administrative Expense Cap), any other amounts described in clause (ii)(B)(y) above are used to make such redemption and pay such expenses ~~(except to the extent the Portfolio Manager elects to pay such expenses from Expected Proceeds)~~;

(iv) the agreements relating to the Partial Redemption by Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d);

(v) the Issuer provides notice to each Rating Agency with respect to such Partial Redemption by Refinancing;

(vi) any new notes created pursuant to the Partial Redemption by Refinancing must have the same or longer maturity as the Notes Outstanding prior to such Partial Redemption by Refinancing having the earliest Stated Maturity;

(vii) such Partial Redemption by Refinancing is done only through the issuance of new notes and not the sale of any Assets;

(viii) each new class of notes providing the Partial Redemption by Refinancing is subject to the Priority of Distributions and does not rank higher in priority pursuant to the Priority of Distributions than the applicable Class of Secured Notes being refinanced; provided that, two or more Classes of Secured Notes with the same initial ratings but different priorities pursuant to the Priority of Distributions may be refinanced with a single class of Refinancing obligations;

(ix) such Partial Redemption by Refinancing shall not cause the ~~Retention Holder~~Portfolio Manager to violate the Risk Retention Letter; and

(x) such Partial Redemption by Refinancing otherwise satisfies the conditions described in Section 9.4;

provided that, for the avoidance of doubt, the agreements relating to the Partial Redemption by Refinancing may (a) establish a non-call period for the refinancing obligations, (b) prohibit a future Refinancing or Re-Pricing of such refinancing obligations and/or (c) establish additional voting, rights, consent rights and redemption rights with respect to such new class of notes;

provided further, that (A) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the obligations comprising the refinancing obligations is less than the applicable Reference Rate *plus* the relevant spread with respect to such Class of Floating Rate Notes on the date of such Partial Redemption by Refinancing, (B) any Class of Fixed Rate Notes may be refinanced with floating rate obligations as long as the spread (x) is equal to or lower than the initial spread applicable to any *Pari Passu* Class of Floating Rate Notes and (y) together with the Reference Rate on the date of such Partial Redemption by Refinancing, is equal to or lower than the initial fixed rate of interest of the Class of Fixed Rate Notes being refinanced and (C) *Pari Passu* Classes may be refinanced by a single Class of fixed rate or floating rate obligations.

It is understood that the foregoing will not prevent a Refinancing of (i) any Floating Rate Notes with any floating rate obligations or fixed rate obligations or (ii) any Fixed Rate Notes with any floating rate obligations or fixed rate obligations, in each case, so long as the criteria in the immediately preceding paragraph is satisfied.

Refinancing Proceeds received in connection with a Partial Redemption by Refinancing will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Redemption Date pursuant to Section 11.1(a)(iv) of this Indenture.

For the avoidance of doubt: (i) the conditions set forth in Section 2.4 and Section 3.2 shall not apply to the issuance of replacement notes the proceeds of which will be used exclusively to consummate a Refinancing or Partial Redemption by Refinancing of the existing Secured Notes; and (ii) if an additional issuance of Notes pursuant to Section 2.4 and Section 3.2 occurs on the same date as any such issuance of replacement notes as described in clause (i) above, such additional issuance shall be deemed to occur after the issuance of such replacement

notes and compliance with the terms of Section 2.4 and Section 3.2 shall be determined after giving effect to the issuance of such replacement notes.

Section 9.4 Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, the written direction of the Majority of the Subordinated Notes or the Portfolio Manager, as applicable, required as set forth herein shall be provided to the Issuer, the Trustee and, if applicable, the Portfolio Manager not later than ~~fifteen (15) Business Days (or in the case of redemptions of Subordinated Notes only,~~ ten (10) Business Days~~)~~ prior to the Business Day (or such shorter time period agreed to by the Issuer, the Trustee and the Portfolio Manager) on which such redemption is to be made (which date shall be designated in such notice) and a notice of redemption shall be given by the Trustee not later than ~~ten~~seven (~~10~~7) Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed, at such Holder's address in the Register and to each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Optional Redemption or Partial Redemption to the holders of such Notes shall also be given by publication on the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption by Refinancing, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

~~(c) Any notice of redemption may be withdrawn (thereby canceling the redemption) by (x) the Portfolio Manager or (y) a Majority of the Subordinated Notes, with the consent of the Portfolio Manager, in each case, for any reason by delivery of a written notice to the Trustee and the Co-Issuers no later than one (1) Business Day before the proposed Redemption Date. Once withdrawn, a subsequent notice of redemption may be given in~~

~~accordance with this Section 9.4. At the cost of the Co-Issuers, the Trustee shall provide a copy of such written notice to each Rating Agency.~~

(c) The Co-Issuers acting at the direction of the Portfolio Manager, may withdraw (or, in consultation with the part(ies) directing such Redemption Date pursuant to Section 9.2 hereof, postpone) any such notice of redemption on any day up to and including the Business Day prior to the proposed Redemption Date. Any postponement or withdrawal of such notice of redemption shall be made by written notice to the Trustee (who shall forward such notice to the Holders of the Notes), each Rating Agency and the Portfolio Manager. Any failure to effect any redemption pursuant to Section 9.2 or Section 9.3 which is withdrawn by the Co-Issuers or with respect to which a redemption is rescheduled or deferred pursuant to Section 9.2(e) or Section 9.4(i) shall not constitute an Event of Default.

(d) If any notice of redemption is so withdrawn or if the Co-Issuers (or the Portfolio Manager, on behalf of the Co-Issuers) are otherwise unable to complete any redemption of the Secured Notes, the Sale Proceeds (if any) received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during or after the Reinvestment Period at the Portfolio Manager's sole discretion, be reinvested in accordance with the Investment Criteria.

(e) Notice of redemption (including, without limitation, in respect of a rescheduled Redemption Date) shall be given by the Co-Issuers (or the Portfolio Manager on their behalf) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

(f) [Reserved].

(g) In connection with a Refinancing of all the Secured Notes, the Portfolio Manager may designate Principal Proceeds (including, for the avoidance of doubt, any Principal Proceeds deposited to the Collection Account pursuant to Section 11.1(a)(iv)(C)) in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par"), and direct the Trustee to apply such Designated Excess Par on the applicable Redemption Date as Interest Proceeds in accordance with the Priority of Distributions.

(h) If a Refinancing or Partial Redemption by Refinancing is obtained meeting the requirements specified in Section 9.2 (in the case of an Optional Redemption) and Section 9.3 (in the case of a Partial Redemption by Refinancing) as certified in writing by the Portfolio Manager to the ~~Co-Issuers and the~~ Trustee (on which the Trustee may conclusively rely), the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture (which amendment shall be prepared by or on behalf of the Issuer) to the extent necessary to reflect the terms of the Refinancing or Partial Redemption by Refinancing, as applicable, including to adopt a Reset Amendment, and no further consent for or notices of such amendments shall be required from or to the Holders of Notes other than a Majority of the Subordinated Notes. Notwithstanding any other requirement or obligation relating to any supplement or amendment to this Indenture pursuant to Article VIII, the Co-Issuers and the Trustee may, from time to time,

enter into an amendment or indenture supplemental hereto (A) in connection with a Partial Redemption by Refinancing, so long as the only modifications to this Indenture are (i) to reduce the interest rate on such Class(es) of Secured Notes being refinanced and (ii) to reflect the terms of such Refinancing, including any necessary changes to the definition of "Non-Call Period" or "Redemption Price", to limit or prohibit future Re-Pricings or Refinancings or to reflect any agreed upon make-whole payments, in each case, of the Class(es) of Secured Notes subject to such Partial Redemption by Refinancing and (B) in connection with an Optional Redemption of the Secured Notes in whole, and, in the case of a supplemental indenture entered into pursuant to (A) or (B) of this sentence, no consent from, any Holder or beneficial owner of Notes or either Rating Agency, will be required for the entry into such supplemental or amended indenture other than a Majority of the Subordinated Notes (unless such supplemental indenture would require consent of each Holder of Subordinated Notes under Article VIII, in which case each Holder of Subordinated Notes must consent to such supplemental indenture). The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel ~~and~~or an Officer's certificate as specified in Section 8.3.

~~(i) In the event that (A) the settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf) is delayed or failed such that the Sale Proceeds are not sufficient to pay the Required Redemption Amount, (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date, then the Issuer (at the direction of the Portfolio Manager) may delay such Redemption Date to any Business Day on or prior to the next Distribution Date following such failed Redemption Date with notice to the Trustee (who shall forward such notice to the Holders) and such delay or failure shall not constitute an Event of Default unless such failure continues for sixty (60) days after such Redemption Date.~~

(i) Solely in the case of an Optional Redemption by Sale Proceeds, the Portfolio Manager, in its sole discretion, may elect to reschedule the Redemption Date with respect to any Class of Secured Notes to occur on the first Business Day after the latest Redemption Date (specified by the notice delivered pursuant to Section 9.4(a)) on which proceeds are available to pay the Redemption Price on such Class in whole, in which case, such rescheduled redemption date will be the Redemption Date for such applicable Class; provided, that (i) such rescheduled Redemption Date shall also apply to each *Pari Passu* Class and Junior Class of Secured Notes related to such Class of Secured Notes, (ii) the Portfolio Manager gives written notice to the Trustee at least four Business Days prior to the occurrence of such rescheduled Redemption Date with respect to such applicable Class, which rescheduled Redemption Date shall not occur between a Determination Date and a Distribution Date if such rescheduled Redemption Date would not result in the redemption of all of the Classes of Secured Notes, (iii) the related Class or Classes of Secured Notes shall be paid in full on such rescheduled Redemption Date, and (iv) the Portfolio Manager certifies to the Co-Issuers and the Trustee no later than the earliest Redemption Date that sufficient proceeds are expected to be received or otherwise available to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Portfolio

Manager Interest payable in accordance with the Priority of Distributions and the Redemption Price of each Class of Secured Notes to be redeemed in connection with such Optional Redemption by Sale Proceeds no later than the latest Redemption Date so specified; provided further that, for the avoidance of doubt, any payments as of such Redemption Date will still be made pursuant to the applicable Priority of Distributions (without regard to the Administrative Expense Cap). Upon receipt of notice from the Portfolio Manager of the designation of any rescheduled Redemption Date for a Class of Secured Notes as described above, the Trustee shall provide an updated notice to the Holders of such Class or Classes which shall identify the rescheduled Redemption Date and Redemption Price for each Class of Secured Notes subject to the rescheduled Redemption Date. No Distribution Report shall be required to be prepared in connection with a rescheduled Redemption Date. With respect to any such rescheduling of a Redemption Date for any Class of Secured Notes, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any failure or delay on the part of DTC in effecting any adjustments to the Redemption Dates or the Redemption Prices of the Secured Notes as described above or the timely payment thereof. Notwithstanding the foregoing, in connection with an Optional Redemption by Sale Proceeds, in the event that the Portfolio Manager has directed a rescheduled Redemption Date with respect to one or more Classes of Secured Notes in accordance with this Section 9.4(i), any such certification described in this paragraph in respect of the expected proceeds or sufficient proceeds to be available on the related Redemption Date may address only the Classes of Secured Notes then being redeemed (and any other amounts payable prior thereto in accordance with the Priority of Distributions); provided that the Portfolio Manager certifies that sufficient proceeds are expected to be received or otherwise available to pay the applicable Redemption Price and all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and Portfolio Manager Interest payable in accordance with the Priority of Distributions, in each case no later than the latest Redemption Date scheduled for a Class of Secured Notes.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.2(d) in the case of an Optional Redemption and the right of the Co-Issuers and the Holders of the Subordinated Notes to withdraw any notice of redemption pursuant to Section 9.4(c) and (d), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such redeemed Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, each Holder shall present and surrender its Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Notes so to be redeemed whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Notes called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Clean-Up Call Redemption. (a) The Notes are redeemable at the option of the Applicable Issuer(s) acting at the direction of the Portfolio Manager (which direction shall (x) be given so as to be received by the Issuer and the Trustee not later than fifteen (15) Business Days prior to the proposed Clean-Up Call Redemption Date and (y) include the Clean-Up Call Redemption Date), in whole but not in part (a "Clean-Up Call Redemption"), at the applicable Redemption Price, on any Business Day after the Non-Call Period selected by the Portfolio Manager (such Business Day, the "Clean-Up Call Redemption Date") which occurs on or after the Business Day on which the Collateral Principal Amount is less than or equal to 20.0% of the Aggregate Ramp-Up Par Amount. In such event a notice of redemption shall be given not later than five (5) Business Days prior to the applicable Clean-Up Call Redemption Date, to the Trustee and each Holder of Notes, at such Holder's address in the Register and to each Rating Agency. Any such Clean-Up Call Redemption may be effected only from (a) the disposition proceeds of the Assets (and any assets held by a Tax Subsidiary and distributed to the Issuer) and (b) all other funds in the Accounts on the Business Day relating to such redemption. A Clean-Up Call Redemption may not occur unless the proceeds from the liquidation of the Assets (and any assets held by a Tax Subsidiary and distributed to the Issuer) and all other funds in the Accounts on the Business Day relating to such redemption results in an amount at least equal to the Clean-Up Call Redemption Price.

(b) All notices of redemption delivered pursuant to Section 9.6(a) shall state:

(i) the Clean-Up Call Redemption Date;

(ii) the Clean-Up Call Redemption Price of each Class of Notes to be redeemed; and

(iii) that all of the Notes are to be redeemed in full and that interest on the Secured Notes shall cease to accrue on the Clean-Up Call Redemption Date.

Notice of redemption shall be given by the Co-Issuers (or the Portfolio Manager on their behalf) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder shall not impair or affect the validity of the redemption of any other Notes.

(c) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets by any Person(s) from the Issuer, on or prior to the second Business Day immediately preceding the Clean-Up Call Redemption Date, for a purchase price in Cash at least equal to the Clean-Up Call Redemption Price (less the amount of funds in the Accounts that are available to pay the Clean-Up Call Redemption Price) and (ii) the receipt by the Trustee from the Portfolio Manager, prior to such purchase, of a certification from the Portfolio Manager that the sum so received satisfies the requirements of clause (i). Upon receipt by the Trustee of the certification referred

to in the preceding sentence, the Trustee (pursuant to written direction from the Portfolio Manager on behalf of the Issuer) and the Portfolio Manager, acting on behalf of the Issuer, shall take all commercially reasonable actions necessary to sell, assign and transfer the Assets to such Person(s) (which may be the Portfolio Manager or any of its Affiliates) upon payment in immediately available funds of the purchase price for such Assets, which shall be no less than the Clean-Up Call Redemption Price (less the amount of funds in the Accounts available to be applied to pay the Clean-Up Call Redemption Price). The Issuer shall deposit, or cause to be deposited, the funds required for a Clean-Up Call Redemption in the Payment Account on or prior to the Clean-Up Call Redemption Date. The Trustee shall deposit such payment into the Collection Account.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer (or the Portfolio Manager on its behalf) up to the Business Day prior to the scheduled Clean-Up Call Redemption Date by written notice to the Trustee, each Rating Agency and (if applicable) the Portfolio Manager only if amounts equal to the Clean-Up Call Redemption Price (including funds in the Accounts available to pay the Clean-Up Call Redemption Price) are not received in full in immediately available funds by the second Business Day immediately preceding the proposed Clean-Up Call Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes not later than the Business Day prior to the scheduled Clean-Up Call Redemption Date.

(e) On the Clean-Up Call Redemption Date, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Distributions.

(f) Notice of redemption pursuant to this Section 9.6 having been given as aforesaid, the Notes to be redeemed shall, on the Clean-Up Call Redemption Date, subject to Section 9.6(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.6(d), become due and payable at the Clean-Up Call Redemption Price therein specified, and from and after the Clean-Up Call Redemption Date (unless the Issuer shall default in the payment of the Clean-Up Call Redemption Price and accrued interest) all the Secured Notes shall cease to bear interest on the Clean-Up Call Redemption Date. Upon final payment on Notes to be so redeemed, the Holder shall present and surrender any note evidencing such Notes at the place specified in the notice of redemption on or prior to such Clean-Up Call Redemption Date; provided that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Secured Notes called for redemption pursuant to this Section 9.6 shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Clean-Up Call Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Notes remain Outstanding; provided that the reason for such non-payment is not the fault of the Holder of such Secured Notes.

Section 9.7 Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Distributions on any Business Day (A) during the Reinvestment Period, if the Portfolio Manager at its sole discretion notifies the Trustee (who shall forward such notice to the Holders of the Subordinated Notes) that it has been unable, for a period of at least twenty (20) consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations~~,~~ or (B~~) after the Ramp-Up Period, if the Portfolio Manager notifies the Trustee that a redemption is required pursuant to Section 7.17 in order to obtain Effective Date Ratings Confirmation or (C~~) if a Retention Deficiency exists, to the extent necessary to reduce such Retention Deficiency to zero (in each case, a "Special Redemption"). On the first Distribution Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing (1) Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations~~,~~ or (2) ~~Interest Proceeds and Principal Proceeds which must be applied to redeem the Secured Notes in order to obtain Effective Date Ratings Confirmation or (3) Principal~~Principal Proceeds necessary to reduce any outstanding Retention Deficiency to zero (such amount, the "Special Redemption Amount"), as the case may be, shall be applied in accordance with the Priority of Distributions under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.7 shall be given by the Trustee as soon as reasonably practicable, and in any case not less than three (3) Business Days prior to the applicable Special Redemption Date ~~(provided, that such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of the definition of such term if the Special Redemption Amount is not known on or prior to such date)~~ to each Holder of Secured Notes affected thereby at such Holder's address in the Register and to each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the holders of such Notes shall also be given by publication on the Cayman Islands Stock Exchange.

Section 9.8 Re-Pricing of Notes. (a) At the direction of (i) a Majority of the Subordinated Notes or (ii) the Portfolio Manager (so long as notice has been provided to the Holders of the Subordinated Notes and a Majority of the Subordinated Notes has not objected thereto within seven (7) Business Days of delivery of such notice or has otherwise consented), the Issuer shall reduce the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable with respect to any Class of Re-Pricing Eligible Notes (any such reduction with respect to any such Class of Re-Pricing Eligible Notes, a "Re-Pricing" and any Class of Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "Re-Priced Class") on any Business Day after the Non-Call Period; provided that, (x) to the extent any Risk Retention Regulations apply to this transaction or with respect to any Re-Pricing, the Portfolio Manager consents to such Re-Pricing and (y) a Majority of the Subordinated Notes consents to the terms of such Re-Pricing; provided, further, that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.8 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Re-Pricing Eligible Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing; provided that in connection with any Re-Pricing, (x) the Non-Call Period with respect to such Re-Priced Class may, with the

consent of a Majority of the Subordinated Notes, be extended and/or (y) the definition of "Redemption Price" may be revised, with the written consent of a Majority of the Subordinated Notes, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least fourteen (14) days prior to the Business Day fixed for any proposed Re-Pricing (the "Re-Pricing Date") (unless the Trustee and the Portfolio Manager agree to a shorter period), the Issuer or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Portfolio Manager, the Trustee ~~and~~, each Rating Agency and the Cayman Islands Stock Exchange (so long as any Notes are listed thereon and so long as the guidelines of such exchange so require)) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) to be applied with respect to such Class (such spread or Interest Rate, as applicable, the "Re-Pricing Rate"), (ii) request that each Holder of the Re-Priced Class approve the proposed Re-Pricing or provide a proposed Re-Pricing Rate at which it would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a "Holder Proposed Re-Pricing Rate"), (iii) request that each consenting Holder of the Re-Priced Class deliver a response in writing to the Issuer, or to the Re-Pricing Intermediary on behalf of the Issuer, which response (the "Holder Purchase Request") shall indicate the aggregate principal amount of the Re-Priced Class that such Holder is willing to purchase (or retain) at such Re-Pricing Rate (including within any range provided) specified in such notice, and (iv) state that the Issuer (or in the case of the following clause (a), the Re-Pricing Intermediary on behalf of the Issuer) will have the right to (a) cause all such Holders that did not deliver an Accepted Purchase Request (each, a "Non-Consenting Holder") to sell their Notes of the Re-Priced Class on the Re-Pricing Date to one or more transferees at a sale price equal to the applicable Redemption Price or (b) redeem such Notes at the applicable Redemption Price with the proceeds of an issuance of Re-Pricing Replacement Notes; provided that the Issuer, at the direction of the Portfolio Manager, may delay the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two (2) Business Days prior to the Re-Pricing Date (upon notice to each Holder of the proposed Re-Priced Class, with a copy to the Portfolio Manager, the Trustee and each Rating Agency). Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

Any notice of Re-Pricing may be withdrawn (thereby canceling the Re-Pricing) by (x) the Portfolio Manager or (y) a Majority of the Subordinated Notes, with the consent of the Portfolio Manager, in each case, for any reason by delivery of a written notice to the Trustee and the Co-Issuers no later than one (1) Business Day before the proposed Re-Pricing Date. Once withdrawn, a subsequent notice of Re-Pricing may be given in accordance with this Section 9.8. At the cost of the Co-Issuers, the Trustee shall provide a copy of such written notice to each Rating Agency. Any failure to effect a Re-Pricing will not be an Event of Default.

(c) In the event that any Holder of the Re-Priced Class does not deliver a written consent to the proposed Re-Pricing on or before the date that is at least five (5) Business Days (such date as determined by the Issuer in its sole discretion) after the date of such notice, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to any Consenting Holder of the Re-Priced Class who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Portfolio Manager (such request, an "Accepted Purchase Request" and any Holder providing such Accepted Purchase Request, a "Consenting Holder") specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class that such Consenting Holder has offered to purchase at the Re-Pricing Rate and the Aggregate Outstanding Amount of the Notes that will be sold to such Consenting Holder. Notwithstanding the above, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of Notes of any Non-Consenting Holders, without further notice to such Non-Consenting Holders, on the Re-Pricing Date to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this clause (c) will be made at the Redemption Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with this Section 9.8. The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Re-Pricing Eligible Notes, agrees to sell and transfer its Notes in accordance with this Section 9.8 and agrees to cooperate with the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) and the Trustee to effect such sales and transfers. In the event that the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) receives Accepted Purchase Requests with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests, with respect thereto, *pro rata* (subject to the applicable minimum denominations) based on the Aggregate Outstanding Amount of the Notes such Consenting Holders indicated an interest in purchasing pursuant to their Holder Purchase Requests. In the event that the Issuer receives Accepted Purchase Requests with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes of the Re-Priced Class or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, and any excess Notes of the Re-Priced Class held by Non-Consenting Holders shall be sold to one or more purchasers designated by the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or redeemed with proceeds from the sale of Re-Pricing Replacement Notes. All sales of Non-Consenting Holders' Notes or Re-Pricing Replacement Notes to be effectuated pursuant to this clause (c) shall be made at the applicable Redemption Price, and shall be effectuated only if the related Re-Pricing is effectuated in accordance with the provisions hereof.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date, which can be executed and delivered without regard to the ~~consent~~ provisions of Article VIII hereof, solely to modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Priced Class and to the extent applicable, (with the consent of a Majority of the Subordinated Notes) to extend the Non-Call Period applicable to such Re-Priced Class or make changes to the definition of "Redemption Price";

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been sold and transferred pursuant to clause (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing;

(iv) the Re-Pricing shall not cause the Portfolio Manager to violate the Risk Retention Letter; and

(v) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i) on the subsequent Distribution Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or shall be adequately provided for (including without limitation, with Contributions) by an entity other than the Issuer.

(e) The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing and the Trustee shall have the authority to take such actions as may be directed by the Issuer or the Portfolio Manager on behalf of the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or Portfolio Manager shall deem necessary or desirable to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by consenting Holders or Non-Consenting Holders.

(f) A second notice of a Re-Pricing shall be given by the Trustee not less than seven (7) Business Days prior to the proposed Re-Pricing Date, to each Holder of Notes of the Re-Priced Class at the address in the Register (with a copy to the Portfolio Manager), specifying the applicable Re-Pricing Date and the specific Re-Pricing Rate. Notice of Re-Pricing shall be given by the Trustee at the expense of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class will not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(g) The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Secured Notes, agrees (i) to sell and transfer its Secured Notes in accordance with the provisions hereof and to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effectuate such sales and transfers and (ii) in the event that such Holder (x) does not consent to a proposed Re-Pricing or to a sale of its interest and (y) does not otherwise

cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee, in each case to effectuate such sales and transfers within the time period described herein, then such Holder shall be deemed to consent to such Re-Pricing.

The Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee shall receive and shall rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.8.

By the Determination Date relating to the second Distribution Date following the Effective2025 Reset Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) shall be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Portfolio Manager in its sole discretion). Once designated as Principal Proceeds, such funds may not be subsequently designated as Interest Proceeds.

(e) Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a segregated non-interest bearing trust account which shall be designated as the "Reserve Account." The Issuer hereby directs the Trustee to deposit the

amount specified in the Closing Date Certificate in the Reserve Account on the Closing Date. On any Business Day after the Closing Date, the Trustee shall transfer funds from the Reserve Account, as directed by the Portfolio Manager, to the Interest Collection Account as Interest Proceeds or the Principal Collection Account as Principal Proceeds (in the Portfolio Manager's discretion) (provided that any such direction will not direct application of Principal Proceeds so as to cause a Retention Deficiency). Amounts in the Reserve Account may be invested at the direction of the Portfolio Manager in Eligible Investments and any income earned on amounts deposited in the Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds as it is paid. In addition, on any day on which an amount is standing to the credit of the Reserve Account, the Portfolio Manager may direct the Trustee to withdraw any or all of such amount from the Reserve Account to (A) pay for expenses of a Re-Pricing or Refinancing, to repurchase Secured Notes or to purchase additional Collateral Obligations, (B) to acquire a Permitted Equity Security or (C) to acquire a Restructuring Loan. By the Determination Date relating to the second Distribution Date following the Effective Date, all funds remaining in the Reserve Account shall be deposited in the Collection Account as Interest Proceeds.

(f) Permitted Use Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account which shall be designated as the "Permitted Use Account." At any time during ~~or after~~ the Reinvestment Period, the Portfolio Manager or any Holder of Subordinated Notes (other than a Benefit Plan Investor) may by providing a Contribution Notice to the Issuer, the Portfolio Manager and the Trustee no later than four (4) Business Days prior to the applicable Determination Date, (i) make a contribution of Cash or (ii) solely in the case of Subordinated Notes represented by Certificated Notes, return to the Trustee any portion of Interest Proceeds or Principal Proceeds that was distributed on such Subordinated Notes in accordance with the Priority of Distributions to the Issuer (each, a "Contribution" and, each such Holder, a "Contributor"); provided that (1) ~~the aggregate Contributions received by the Issuer on any one day may not be less than $750,000~~any Cure Contribution shall be in an amount at least equal to $750,000 (counting all Cure Contributions received on the same day as a single Cure Contribution for such purpose) and (2) for each Contribution after the first three Contributions following the ~~Closing~~2025 Reset Date (with all Contributions received on the same day treated as a single Contribution for this purpose), the consent of a Majority of the Controlling Class has been obtained. The Portfolio Manager, on behalf of the Issuer, may reject any Contribution in its sole discretion and shall notify the Trustee of any such rejection. Unless rejected, each Contribution shall be received into the Permitted Use Account, and the Portfolio Manager, on behalf of the Issuer, shall apply such Contribution to a Permitted Use at the direction of the Portfolio Manager in its sole discretion. No Contribution or portion thereof shall be returned to the Contributor at any time (other than as a Contribution Repayment Amount by operation of the Priority of Distributions). The amount of the Contribution (the "Contribution Repayment Amount") shall be repaid to the applicable Contributor (in accordance with the payment instructions provided in the Contribution Notice by each Contributor) on subsequent Distribution Dates on which funds are available to be used for such purpose pursuant to the Priority of Distributions until paid in full. In connection with any transfer of any Subordinated Notes held by a Contributor, such Contributor shall be required to transfer, and will be deemed to have transferred, its interest in any unpaid Contribution Repayment Amount in an amount that is proportional to the amount of Subordinated Notes held by such Contributor that are subject to such transfer. From and after the date of such transfer, the transferee shall be deemed to be a

Contributor with respect to the applicable portion of the related Contribution. Each transferor of Subordinated Notes that is a Contributor and is owed a Contribution Repayment Amount shall be required to execute and deliver to the Issuer and the Trustee a certificate substantially in the form of Exhibit C in which it shall be required to represent and warrant as to the percentage of the aggregate Subordinated Notes and the amount of such Contribution Repayment Amount held by such Person that are in each case subject to such transfer. Notwithstanding the foregoing, the Trustee shall be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount has occurred until such certificate is received by the Trustee. Contribution Repayment Amounts shall not be permitted to be transferred without a corresponding transfer of a proportional amount of a Holder's Subordinated Notes and any such purported transfer not meeting the foregoing requirement shall be void. For the avoidance of doubt, Holders of the Subordinated Notes shall not have any voting rights with respect to any Contribution Repayment Amount owed, and Contributions shall not increase the voting rights of the Subordinated Notes held by any Holder.

Any income earned on amounts deposited in the Permitted Use Account shall be deposited in the Interest Collection Account as Interest Proceeds.

To the extent any Restructuring Loans or Permitted Equity Securities were acquired with amounts on deposit in the Permitted Use Account, any proceeds received therefrom will be deposited in the Permitted Use Account, subject to the provisions set forth in the proviso to the definition of "Interest Proceeds".

The Trustee shall apply funds from the Ongoing Expense Smoothing Account, in the amounts and as directed by the Portfolio Manager no later than the related Determination Date, or if in between Distribution Dates, one Business Day prior to such payment, to pay Administrative Expenses in the order of priority contained in the definition thereof on or between Distribution Dates (without regard to the Administrative Expense Cap). From time to time, the Portfolio Manager may direct the Trustee to withdraw amounts on deposit in the Ongoing Expense Smoothing Account and to deposit such amounts in the Interest Collection Account as Interest Proceeds or in the Principal Collection Account as Principal Proceeds, as applicable, based on whether such amount was initially deposited into the Ongoing Expense Smoothing Account from Interest Proceeds or Principal Proceeds, respectively. Any income earned on amounts on deposit in the Ongoing Expense Smoothing Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(h) Tax Reserve Account. The Trustee may, at the direction of the Issuer, establish a Tax Reserve Account to deposit payments on a Non-Permitted Tax Holder's Notes. Each Tax Reserve Account shall be an eligible account established in the name of the Issuer. The Issuer may direct the Trustee (or other Paying Agent) to deposit payments on a Non-Permitted Tax Holder's Notes into a Tax Reserve Account established in respect of such Non-Permitted Tax Holder. Amounts deposited into the Tax Reserve Account shall, upon Issuer Order, be either

(x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder, or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA). Any amounts remaining in a Tax Reserve Account will be released upon Issuer Order to the applicable Holder (i) on date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (ii) at the request of applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Amounts deposited in a Tax Reserve Account shall remain uninvested and shall not be released except as provided in this Section 10.3(h). For the avoidance of doubt, any amounts released to a Holder as described in clause (x) above shall be released to the Holder as of the Record Date for the Distribution Date in which the related amounts were deposited into the Tax Reserve Account. In connection with the establishment of a Tax Reserve Account in respect of a Non-Permitted Tax Holder, the Issuer shall assign, or cause to be assigned, to such Note a separate CUSIP or CUSIPs. Each Non-Permitted Tax Holder shall reasonably cooperate with the Issuer to effect the foregoing and, by acceptance of Notes, agrees to the requirements of this Section 10.3(h).

Upon initial purchase, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Portfolio Manager and earnings from all such investments shall be deposited in the Interest Collection Account as Interest Proceeds.

Upon the notification from the Portfolio Manager of the purchase of any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, the Trustee shall deposit funds in the Revolver Funding Account as directed by the Portfolio Manager such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. In addition, the Trustee shall deposit funds in the Revolver Funding Account upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Portfolio Manager on behalf of the Issuer.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations. Upon (a) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (b) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation (the occurrence of which the Portfolio

Manager shall notify the Trustee) any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded amounts of all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations included in the Assets shall be transferred by the Trustee (at the direction of the Portfolio Manager) as Principal Proceeds to the Principal Collection Account.

The Trustee (as directed by the Portfolio Manager on behalf of the Issuer) shall deposit into each Hedge Counterparty Collateral Account all collateral required to be posted by a Hedge Counterparty and all other funds and property required by the terms of any Hedge Agreement to be deposited into the Hedge Counterparty Collateral Account, in accordance with the terms of the related Hedge Agreement. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Account, any gain realized from such investments shall be credited to the Principal Collection Account upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Account. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; provided that the foregoing shall not relieve the Bank of its obligations under any security or obligation issued by the Bank or any Affiliate thereof.

(b) The Trustee agrees to promptly give the Issuer notice if a Trust Officer receives written notice or obtains actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. In the event that any discrepancy exists, the Collateral Administrator and the Issuer, or the Portfolio Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Collateral Administrator shall notify the Portfolio Manager who shall, on behalf of the Issuer, review such Monthly Report and the Trustee's records to determine the cause of such discrepancy. If such review reveals an error in the Monthly Report or the Trustee's records, the Monthly Report or the Trustee's records shall be revised accordingly and, as so revised, shall be utilized in making all calculations pursuant to this Indenture and notice of any error in the Monthly Report shall be sent as soon as practicable by the Issuer to all recipients of such report, which may be accomplished by making a notation of such error in the subsequent Monthly Report or Distribution Report, whichever is earlier.

Any Holder, or a group of Holders, holding in the aggregate 10% or more in Aggregate Outstanding Amount of the Notes may appoint an Independent certified public accountant to carry out an audit of the latest annual accounts of the Issuer, and all costs incurred or to be incurred by such Holders in relation to such appointment (including, without limitation, both the costs of the Holders and the Independent certified public accountant) shall be paid in full by any such Holder, or group of Holders.

(C) the Balance remaining in the Collection Account immediately after all payments and deposits to be made on such Distribution Date; and

Each Distribution Report prepared by or on behalf of the Issuer following the filing of a petition in bankruptcy against the Issuer will distinguish between payments to Holders or beneficial owners whose payments are and are not subordinated pursuant to the Bankruptcy Subordination Agreement.

(c) Notice of Aggregated Reinvestment. The Issuer (or the Portfolio Manager on behalf of the Issuer) shall notify the Trustee of the commencement of each Aggregated Reinvestment and, upon receipt thereof, the Trustee shall make a copy of such notice available to Holders and each Rating Agency.

(e) Failure to Provide Accounting. If the Trustee shall not have received any accounting provided for in this Section 10.7 on the first Business Day after the date on which such accounting is due to the Trustee, the Issuer shall use all reasonable efforts to cause such accounting to be made by the applicable Distribution Date. To the extent the Issuer is required to provide any information or reports pursuant to this Section 10.7 as a result of the failure to provide such information or reports, the Issuer (with the assistance of the Portfolio Manager) shall be entitled to retain an Independent certified public accountant in connection therewith.

Beneficial ownership interests in the Rule 144A Global Notes may be transferred only to a Person that is both a Qualified Institutional Buyer and a Qualified Purchaser and that can make the representations referred to in clause (b) of the preceding sentence. The Issuer has the right to compel any beneficial owner of an interest in Rule 144A Global Notes that does not meet the qualifications set forth in such clauses to sell its interest in such Notes, or may sell such interest on behalf of such owner, pursuant to Section 2.12.

Each Holder or beneficial owner of a Note receiving this report agrees to keep all non-public information herein confidential and not to use such information for any purpose other than its evaluation of its investment in the Note; provided, that any such Holder or beneficial owner may provide such information on a confidential basis to any prospective purchaser of such Holder's or beneficial owner's Notes that is permitted by the terms of the Indenture to acquire such Holder's or beneficial owner's Notes and that agrees to keep such information confidential in accordance with the terms of the Indenture.

(g) In no event shall the Trustee have any obligation to correct any liability with respect to errors or omissions related to the Monthly Report or Distribution Report delivered under Sections 10.7(a) or (b) unless a Trust Officer of the Trustee has received written notice of any such error or omission from the Issuer or a Holder within 90 days of the delivery of such report. After such 90-day period, the Trustee's sole responsibility shall be to act at the direction and expense of the Issuer or Holders representing at least a Majority of the Class of Notes affected by such error or omission (or, if more than one Class of Notes is affected, a Majority of the Controlling Class).

(h) Availability of Reports. The Trustee shall make the Monthly Report and the Distribution Report and any notices required to be provided to the Holders pursuant to the terms of this Indenture (including the notice required pursuant to Section 10.7(c)) available to the Holders via its internet website. The Trustee's internet website shall initially be located at https://tss.sfs.db.com/investpublic/. In connection with providing access to the Trustee's internet website, the Trustee may require registration and the acceptance of a disclaimer. Parties that are unable to use the above distribution option will be entitled to have a paper copy mailed to them via first class mail by calling the Trustee's investor relations desk at (800) 735-7777 and indicating such. The Trustee shall have the right to change the way such statements are

distributed, including changing or eliminating its website or the way its website is accessed, in order to make such distribution more convenient and/or more accessible to the above parties. The Trustee shall not be liable for the information it is directed or required to disseminate in accordance with this Indenture. The Trustee shall be entitled to rely on but shall not be responsible for the content or accuracy of any information provided in the information set forth in the Monthly Report and the Distribution Report and may affix thereto any disclaimer it deems appropriate in its reasonable discretion. Upon written request of any Holder, the Trustee shall also provide to such Holder copies of reports produced by the Portfolio Manager in connection with this Indenture and the Portfolio Management Agreement.

The Issuer hereby acknowledges and agrees that the Trustee shall be fully protected in relying upon such direction.

(j) Securities Transactions. In the event the Trustee receives instructions from the Issuer to effect a securities transaction as contemplated in 12 CFR 12.1, the Issuer acknowledges that upon written request and at no additional cost, it has the rights to receive the notification from the Trustee after the completion of such transaction as contemplated in 12 CFR 12.4(a) or (b). The Issuer agrees that, absent specific request, such notifications shall not be provided by the Trustee hereunder, and in lieu of such notifications, the Trustee shall make available the Monthly Report in the manner required by this Indenture.

(k) Notice to Cayman Islands Stock Exchange of Reduction or Withdrawal of Ratings. So long as any Class of Notes is listed on the Cayman Islands Stock Exchange, the Issuer shall inform the Cayman Islands Stock Exchange if the ratings assigned to such Notes are reduced or withdrawn.

Section 10.8 Release of Securities. (a) The Issuer may, by Issuer Order executed by an Authorized Officer of the Portfolio Manager, delivered to the Trustee no later than the settlement date for any sale of a security certifying that the sale of such security is being made in accordance with Section 12.1 and such sale complies with all applicable requirements of

Section 12.1 (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation), direct the Trustee to release or cause to be released such security from the lien of this Indenture and, upon receipt of such Issuer Order, the Trustee shall deliver any such security, if in physical form, duly endorsed to the broker or purchaser designated in such Issuer Order or, if such security is a Clearing Corporation Security, cause an appropriate transfer thereof to be made, in each case against receipt of the sales price therefor as specified by the Portfolio Manager in such Issuer Order; provided, however, that the Trustee may deliver any such security in physical form for examination in accordance with street delivery custom; provided, further that, notwithstanding the foregoing, the Issuer shall not direct the Trustee to release any security pursuant to this Section 10.8(a) following the occurrence and during the continuance of an Event of Default unless (x) such release is in connection with a sale in accordance with Sections 12.1(a), (c), (d), (~~g~~e), (h) or (~~i~~j), or (y) the liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Supermajority of the Controlling Class.

(b) If no Event of Default has occurred and is continuing and subject to Article XII hereof, the Trustee shall upon an Issuer Order (i) deliver any Pledged Obligation, and release or cause to be released such security from the lien of this Indenture, which is set for any mandatory call or redemption or payment in full to the appropriate paying agent on or before the date set for such call, redemption or payment, in each case against receipt of the call or redemption price or payment in full thereof and (ii) provide notice thereof to the Portfolio Manager.

(c) Upon a Trust Officer's receiving written notice of any Offer (as defined below) or any request for a waiver, consent, amendment or other modification with respect to any Collateral Obligation, the Trustee on behalf of the Issuer shall promptly notify the Portfolio Manager of any Collateral Obligation that is subject to a tender offer, voluntary redemption, exchange offer, conversion or other similar action (an "Offer") or such request. Unless the Notes have been accelerated following an Event of Default, the Portfolio Manager shall have the exclusive right to direct in writing (upon which the Trustee may conclusively rely) (x) the Trustee to accept or participate in or decline or refuse to participate in such Offer and, in the case of acceptance or participation, to release from the lien of this Indenture such Collateral Obligation in accordance with the terms of the Offer against receipt of payment therefor, or (y) the Issuer or the Trustee to agree to or otherwise act with respect to such consent, waiver, amendment or modification. If the Notes have been accelerated following an Event of Default, the Majority of the Controlling Class shall have the exclusive right to direct in writing (upon which the Trustee may conclusively rely) (x) the Trustee to accept or participate in or decline or refuse to participate in such Offer and, in the case of acceptance or participation, to release from the lien of this Indenture such Collateral Obligation in accordance with the terms of the Offer against receipt of payment therefor, or (y) the Issuer or the Trustee to agree to or otherwise act with respect to such consent, waiver, amendment or modification; provided, that in the absence of any such direction, the Trustee shall not accept or respond or react to such Offer or request; provided, further, that the acceptance of, or participation in, any Offer, and the consent to any such waiver, amendment or modification shall be deemed not to be an acquisition of a new Collateral Obligation.

(d) During and after the Reinvestment Period, the Issuer (or the Portfolio Manager on the ~~Issuer's~~Issuer's behalf) may vote in favor of a Maturity Amendment; provided, that~~,~~ (i) the Issuer (or the Portfolio Manager on the ~~Issuer's~~Issuer's behalf) may not vote affirmatively in favor of a Maturity Amendment that would extend the Underlying Asset Maturity of the affected Collateral Obligation beyond the earliest Stated Maturity of the Secured Notes and (ii) the Issuer (or the Portfolio Manager on the ~~Issuer's~~Issuer's behalf) may only vote in favor of a Maturity Amendment if either (a) as determined by the Portfolio Manager after giving effect to such Maturity Amendment and any Aggregated Reinvestment, the Weighted Average Life Test will be satisfied or, if not satisfied, maintained or improved or (b) such Maturity Amendment is a Credit Amendment, if immediately after giving effect to such Maturity Amendment, (x) the aggregate principal balance of Collateral Obligations for which the Portfolio Manager has voted in favor of a Maturity Amendment pursuant to this clause (b) will not exceed 10.0% of the ~~Collateral Principal~~Aggregate Ramp-Up Par Amount measured cumulatively since the ~~Closing~~2025 Reset Date and (y) not more than 5.0% of the Collateral Principal Amount will consist of Collateral Obligations then owned by the Issuer for which the Portfolio Manager has voted in favor of a Maturity Amendment pursuant to this clause (b). Notwithstanding the foregoing, the Issuer (or the Portfolio Manager on behalf of the Issuer) may vote in favor of any Maturity Amendment without regard to clauses (i) or (ii) above, so long as the Portfolio Manager intends to use reasonable efforts to sell the applicable Collateral Obligation within thirty (30) Business Days after the effective date of such Maturity Amendment and reasonably believes that the trade date with respect to any such sale will occur prior to the end of such thirty (30) Business Day period; provided, that any Collateral Obligation in respect of which the Issuer (or the Portfolio Manager on behalf of the Issuer) voted in favor of the Maturity Amendment in reliance on this sentence that is not sold within such thirty (30) Business Day period will be treated hereunder as a Defaulted Obligation. As provided in Section 10.2(a), the Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the applicable account under the Collection Account unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII. The Issuer (or the Portfolio Manager on behalf of the Issuer) will use commercially reasonable efforts to affirmatively object to a proposed Maturity Amendment of which the Portfolio Manager has actual knowledge, if (i) such affirmative objection (A) is necessary, in the Portfolio Manager's sole discretion, to prevent a lack of response from being deemed consent to such proposed Maturity Amendment and (B) would be sufficient to block such Maturity Amendment from being effected and (ii) such Maturity Amendment (A) would extend the maturity of the Collateral Obligation in violation of the express terms above and (B) would not otherwise be permitted pursuant to this paragraph. If the Issuer or the Collateral Manager has not voted in favor of a Maturity Amendment which would contravene the requirements of this paragraph, but (other than in respect of any Maturity Amendment effected by way of a scheme of arrangement or similar process) the Underlying Asset Maturity has been extended, the Issuer or the Collateral Manager acting on its behalf shall use reasonable efforts to sell such Collateral Obligation within 60 days of the date of such Maturity Amendment effective date and in any event shall sell such Collateral Obligation prior to the earliest Stated Maturity of the Notes; provided, that any such Collateral Obligation that the Issuer (or the Portfolio Manager on its behalf) has not sold within such 60-day period will be treated hereunder as a Defaulted Obligation.

(e) As provided in Section 10.2(a), the Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the applicable account under the Collection Account unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII.

(f) The Trustee shall, upon receipt of an Issuer Order at such time as there are no Secured Notes Outstanding and all obligations of the Co-Issuers hereunder have been satisfied, release any remaining Assets from the lien of this Indenture.

(g) Upon receipt by the Trustee of an Issuer Order from an Authorized Officer of the Issuer or an Authorized Officer of the Portfolio Manager certifying that the transfer of any Tax Subsidiary Asset (or the right to receive any Tax Subsidiary Asset) is being made in accordance with Section 7.16(e) and that all applicable requirements of Section 7.16(e) have been or shall be satisfied (which certification shall be deemed to be provided upon delivery of an Issuer Order), the Trustee shall release such Tax Subsidiary Asset (or the right to receive such Tax Subsidiary Assets) and shall deliver such Tax Subsidiary Asset (or the right to receive such Tax Subsidiary Assets) as specified in such Issuer Order.

(h) Any security, Collateral Obligation or amounts that are released pursuant to Section 10.8(a), (b), (c) or (g) shall be released from the lien of this Indenture.

Section 10.9 Reports by Independent Accountants. (a) Prior to the delivery of any reports of accountants required to be prepared pursuant to the terms hereof, the Issuer shall appoint one or more firms of Independent certified public accountants of recognized international reputation for purposes of preparing and delivering any Accountants' Reports required by this Indenture, which may be the firm of Independent certified public accountants that performs accounting services for the Issuer or the Portfolio Manager. The Issuer may remove any firm of Independent certified public accountants at any time without the consent of any Holder of Notes. The fees of such Independent certified public accountants and its successor shall be payable by the Issuer as an Administrative Expense. In the event such firm requires the Trustee to agree to the procedures performed by such firm, the Issuer hereby directs the Trustee to so agree; it being understood and agreed that the Trustee shall deliver such letter of agreement in conclusive reliance on the foregoing direction of the Issuer, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the validity or correctness of such procedures.

(b) Upon the written request of the Trustee, or any Holder of a ~~Subordinated~~ Note, the Issuer shall cause the firm of Independent certified public accountants appointed pursuant to Section 10.9(a) to provide any Holder of Notes with all of the information required to be provided by the Issuer or pursuant to Section 7.16 or assist the Issuer in the preparation thereof. With respect to any accountants appointed under this Indenture, the Trustee and the Collateral Administrator shall not be liable for any claims, liabilities or expenses relating to such accountants' engagement or any report issued in connection with such engagement and dissemination of any such report is subject to the consent of the accountants. Neither the Trustee nor the Collateral Administrator shall have any responsibility to make any inquiry or

investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Portfolio Manager on behalf of the Issuer) or the terms of any agreed upon procedures in respect of such engagement; provided, however, that the Trustee and the Collateral Administrator are authorized and directed to execute any acknowledgement or other agreement with the Independent accountants required for the Trustee and the Collateral Administrator to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders, it being understood that the Trustee and the Collateral Administrator shall deliver such acknowledgement or agreement in conclusive reliance on the Issuer Order); provided, further, that notwithstanding the foregoing, in no event shall the Trustee or the Collateral Administrator be required to execute any agreement in respect of the Independent accountants that the Trustee or the Collateral Administrator determines adversely affects it.

(c) The Trustee shall not be liable for any claims, liabilities or expenses relating to the engagement of Independent certified public accountants pursuant to Section 10.9(a) or any report of such Independent certified public accountants issued in connection with such engagement, and the dissemination of any such report is subject to the consent of the Independent certified public accountants.

Section 10.10 Reports to each Rating Agency. In addition to the information and reports specifically required to be provided to each Rating Agency then rating a Class of Secured Notes pursuant to the terms of this Indenture, the Issuer shall provide to the relevant Rating Agency all information or reports delivered to the Trustee hereunder (~~including the Accountants' Effective Date Comparison AUP Report but~~ excluding any ~~other~~ Accountants' Report), and such additional information as each Rating Agency may from time to time reasonably request (including, with respect to credit estimates or, in the case of Fitch, LT IDCOs, notification to Fitch and Moody's, as applicable, of any material modification that would result in substantial changes to the terms of any loan document relating to a Collateral Obligation or any release of collateral thereunder not permitted by such loan documentation) in accordance with Section 14.3(b) hereof. The Issuer shall notify each Rating Agency of any termination, modification or amendment to the Portfolio Management Agreement, the Collateral Administration Agreement, the Account Agreement or any other agreement to which it is party in connection with any such agreement or this Indenture and shall notify each Rating Agency of any material breach by any party to any such agreement of which it has actual knowledge.

Section 10.11 Procedures Relating to the Establishment of Accounts Controlled by the Trustee. Notwithstanding anything else contained herein, with respect to each of the Accounts, the Trustee is hereby directed, and hereby agrees, to cause the Intermediary establishing such Accounts to enter into the Account Agreement and, if the Intermediary is the Bank, to cause the Bank to comply with the provisions of such Account Agreement. The Trustee may open such subaccounts of any such Account as it deems necessary or appropriate for convenience of administration.

Any amounts in respect of the Subordinated Interest that are not distributed on a Distribution Date when due by reason of the operation of the Priority of Distributions (but not, for the avoidance of doubt, amounts deferred at the election of the Portfolio Manager pursuant to Section 11.1(h) (such amounts, the "Deferred Subordinated Interest")) shall accrue interest at the *per annum* rate then applicable to the Class E Notes.

(h) The Portfolio Manager may, in its sole discretion, by written notice to the Trustee delivered not later than the related Determination Date, elect to defer payment or distribution in respect of any or all of the Base Management Fee, the Subordinated Interest and/or the Incentive Interest (other than any portion of any such fee or interest that the Portfolio Manager has previously designated as a Waived Interest) payable or distributable in accordance with the Priority of Distributions on any Distribution Date. An amount equal to the Current Deferred Interest for any Distribution Date will be distributed as Interest Proceeds in accordance with the Priority of Distributions or, at the election of the Portfolio Manager, deposited into the Principal Collection Account as Principal Proceeds for investment in Collateral Obligations and/or Eligible Investments. The Cumulative Deferred Interest shall be payable or distributable on any subsequent Distribution Date at the election of the Portfolio Manager to the extent of funds available for such purpose in accordance with the Priority of Distributions, provided that written notice has been delivered to the Trustee no later than the related Determination Date. Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and provided that no Event of Default has occurred and is continuing (except for sales pursuant to Sections 12.1(a), (c), (d), (~~g~~e), (h) or (~~i~~j), which may continue unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Supermajority of the Controlling Class), the Portfolio Manager on behalf of the Issuer may in writing direct the Trustee to sell and the Trustee (on behalf of the Issuer) shall sell in the manner directed by the Portfolio Manager any Collateral Obligation or Equity Security (which, for these purposes, shall include equity interests in any Tax Subsidiary or any assets held by a Tax Subsidiary) if, as certified by the Portfolio Manager (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale and upon which certification the Trustee may rely in accordance with Section 6.1), to the best of its knowledge, such sale satisfies any one of paragraphs (a) through (~~k~~l) of this Section 12.1. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(d) Pre-Emptive Uptier Priming Debt. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation constituting Pre-Emptive Uptier Priming Debt at any time during or after the Reinvestment Period without restriction.

(e) ~~(d)~~ Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security at any time during or after the Reinvestment Period without restriction, and the Portfolio Manager will use commercially reasonable efforts to sell each Equity Security that is not a Subordinated Note Collateral Obligation or a Permitted Equity Security within three years of the date on which the Issuer acquires such Equity Security, in each case unless such sale or other disposition is prohibited by applicable law or contractual restriction, in which case the Portfolio Manager will sell such Equity Security as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction.

(f) ~~(e)~~ Stated Maturity; Optional Redemption or Tax Redemption; Clean-Up Call Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Secured Notes in whole (unless such Optional Redemption is funded solely with Refinancing Proceeds), a Tax Redemption or an Optional Redemption of the Subordinated Notes in accordance with Section 9.2, a Clean-Up Call Redemption in accordance with Section 9.6 or otherwise in connection with the Stated Maturity, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.2(d)) are satisfied. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

(g) ~~(f)~~ Discretionary Sales. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation (other than one being sold pursuant to clauses (a) through (~~e~~f) above) (each such sale, a "Discretionary Sale") at any time if (i) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to Discretionary Sales during the same calendar year is not greater than ~~25.0~~30.0% of the Collateral Principal Amount as of the beginning of such calendar year (or, in the case of the year ~~2023~~2025, the Aggregate Ramp-Up Par Amount); (ii) a Restricted Trading Period is not then in effect; and (iii) either:

(A) at any time (1) the Sale Proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Adjusted Collateral Principal Amount (as measured before such sale), or (2) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) (x) is maintained or increased or (y) shall be equal to or greater than the Reinvestment Target Par Balance; or

(B) during the Reinvestment Period, the Portfolio Manager reasonably believes it will be able to reinvest such Sale Proceeds in compliance with the Investment Criteria.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) ~~and~~if either (x) any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* or senior to such sold Collateral Obligation) or (y) such subsequent purchase occurs within 30 days of such sale.

(h) ~~(g)~~ Mandatory Sales.

(i) The Portfolio Manager shall use commercially reasonable efforts to sell each Pledged Obligation that constitutes Margin Stock (in each case, unless such Margin

Stock is a Subordinated Note Collateral Obligation held in the Subordinated Note Collateral Account or is a Permitted Equity Security) not later than forty-five (45) days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Pledged Obligation became Margin Stock, in each case, unless such sale or other disposition is prohibited by applicable law or contractual restriction, in which case, the Portfolio Manager will sell such Margin Stock as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction.

(ii) At any time that the Issuer holds Margin Stock with an aggregate Market Value in excess of 10.0% of the Collateral Principal Amount, the Portfolio Manager shall use commercially reasonable efforts to sell Margin Stock with an aggregate Market Value at least equal to such excess.

(iii) The Portfolio Manager, on behalf of the Issuer, (A) may, on the ~~Closing~~2025 Reset Date or at the time of purchase (or, in the case of a Permitted Equity Security, at the time of acquisition), designate (with written notice to the Trustee and the Collateral Administrator) certain Collateral Obligations, Restructuring Loans (including, for the avoidance of doubt, any Uptier Priming Debt constituting Restructuring Loans) and/or Permitted Equity Securities as Subordinated Note Collateral Obligations, provided, that the amount of Collateral Obligations so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Subordinated Note Reinvestment Ceiling and (B) shall not, after the ~~Closing~~2025 Reset Date, purchase any Subordinated Note Collateral Obligations with any funds other than funds in the Subordinated Note ~~Ramp-Up Account or the Subordinated Note~~ Principal Collection Account or amounts in respect of Contributions designated for such use. ~~Only~~Except in the case of Permitted Equity Securities designated by the Portfolio Manager as Subordinated Note Collateral Obligations, only proceeds from the Subordinated Notes issued on the Closing Date, the proceeds of the payment or repayment of Subordinated Note Collateral Obligations received by the Issuer and any Contributions designated for such use, in each case, shall be used, before or after the ~~Closing~~2025 Reset Date, by the Issuer to purchase Subordinated Note Collateral Obligations. If a Collateral Obligation that has not been designated as a Subordinated Note Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Subordinated Note Collateral Obligation (each, "Transferable Margin Stock"), the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to (x) transfer one or more non-Margin Stock Subordinated Note Collateral Obligations having a value equal to or greater than such Transferable Margin Stock to the Secured Note Collateral Account, and simultaneously (y) transfer such Transferable Margin Stock to the Subordinated Note Collateral Account and such Transferable Margin Stock shall thereafter be designated a Subordinated Note Collateral Obligation. The value of each transferred Collateral Obligation shall be its Market Value.

(i) ~~(h)~~ [Reserved].

(j) ~~(i)~~ Unsalable Assets. After the Reinvestment Period:

(i) At the direction and discretion of the Portfolio Manager, the Trustee, at the expense of the Issuer, may either (A) conduct an auction of Unsalable Assets in accordance with the procedures described in clause (ii) below or (B) receive or deliver such Unsalable Assets to the Portfolio Manager or one or more related entities thereof, at the respective Market Value of such Unsalable Assets, if the Portfolio Manager determines in its sole discretion (not to be called into question as a result of subsequent events) that an auction of such Unsalable Assets pursuant to clause (A) above would increase costs to the Issuer on a net basis after taking into account expected proceeds from such auction.

(ii) Promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders (and each Rating Agency then rating any Notes) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder of Notes may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least fifteen (15) Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than twenty (20) Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Portfolio Manager shall identify and the Trustee shall distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders of Notes shall not operate to reduce the principal amount of the related Class of Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(k) ~~(j)~~ End of Life Sales. Notwithstanding any other restriction in this Section 12.1, if the Aggregate Principal Balance of the Collateral Obligations is less than $~~10,000,000~~25,000,000, the Portfolio Manager may direct the Trustee, at the expense of the Issuer, to sell (and the Trustee shall sell in the manner specified) any of such Collateral Obligations without regard to such restrictions. Notwithstanding anything herein to the contrary, following any such sale of all remaining Collateral Obligations, the Issuer (upon direction of the Portfolio Manager) may, upon reasonable notification to the holders and the Trustee, distribute the proceeds of such sales on any Business Day designated by the Issuer (or the Portfolio Manager on its behalf) in such notification in accordance with the priorities set forth under Section 11.1(a)(iii).

(l) ~~(k)~~ Tax Subsidiary Assets. Notwithstanding anything contained herein to the contrary, pursuant to Section 7.16(e) hereof, the Issuer may cause any Tax Subsidiary Asset or the Issuer's interest therein (including the right to receive any Tax Subsidiary Asset) to be transferred to a Tax Subsidiary in exchange for an interest in such Tax Subsidiary.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period (x) subject to certain limitations described herein with respect to commitments to purchase Collateral Obligations prior to the expiration of the Reinvestment Period, (y) purchases made pursuant to Section 12.2(d) and (z) purchases made with Principal Proceeds received pursuant to Section 11.1(a)(i)(P) on the last Distribution Date of the Reinvestment Period), ~~*provided* that no Event of Default has occurred and is continuing,~~ the Portfolio Manager, on behalf of the Issuer, may, but shall not be required to, direct the Trustee to invest Principal Proceeds received by the Issuer prior to (or, subject to Section 12.2(d), after) the end of the Reinvestment Period (together with accrued interest received with respect to any Collateral Obligations to the extent used to pay for accrued interest on additional Collateral Obligations) and any amounts available for a Permitted Use in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Portfolio Manager, to the best of its knowledge (which certification shall be deemed to be provided upon delivery of an Issuer Order, direction to purchase or trade confirmation in respect therewith and which certification the trustee may rely in accordance with Section 6.1), each of the conditions specified in this Section 12.2 and Section 12.3 are met.

Notwithstanding anything in this Indenture to the contrary, as a condition to any purchase of an additional Collateral Obligation (as determined by the Portfolio Manager), if the balance in the Principal Collection Account after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds, is a negative amount, the absolute value of such amount may not be greater than 5.0% of the Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase.

(a) Investment Criteria. No Collateral Obligation may be purchased during the Reinvestment Period unless the Portfolio Manager reasonably believes each of the following conditions are satisfied as of the date it commits on behalf of the Issuer to make such purchase or on the date of such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to~~; provided that the conditions set forth in clauses (iii) through (v) below need only be satisfied with respect to purchases of Collateral Obligations occurring after the end of the Ramp-Up Period~~:

(i) such obligation is a Collateral Obligation;

(ii) in connection with any purchase made on or after the Effective Date (or, with respect to the Interest Coverage Test, the Interest Coverage Test Effective Date), each Coverage Test ~~will~~shall be satisfied or, if not satisfied, such Coverage Test ~~will~~shall be maintained or improved;~~ provided that, with respect to the reinvestment of Sale Proceeds from the sale of a Defaulted Obligation, each Coverage Test shall be satisfied;~~

(iii) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Improved Obligation or a Discretionary Sale, after giving effect to such purchases and sales either (A) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation being purchased but excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of the sale), will be maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds immediately prior to such sale or payment) or following such purchase will be greater than or equal to the Reinvestment Target Par Balance or (B) the Adjusted Collateral Principal Amount, as measured both before such sale or receipt of such proceeds, as applicable, and after giving effect to the reinvestment, will be maintained or increased;

(iv) other than in connection with a Bankruptcy Exchange or Distressed Exchange, in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation or Defaulted Obligation sold at the discretion of the Portfolio Manager, after giving effect to such purchases either (A) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the related Sale Proceeds, or (B) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) (x) is maintained or increased (by comparison to the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds immediately prior to such sale or payment) or (y) will be greater than or equal to the Reinvestment Target Par Balance;

(v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such

requirement or test shall be maintained or improved after giving effect to the reinvestment; and

(vi) such reinvestment would not cause a Retention Deficiency;

provided that clauses (ii) through (vi) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in accordance with an Aggregated Reinvestment~~; provided, further, that clause (ii) and the Collateral Quality Test in clause (v) above~~. For the avoidance of doubt, the Investment Criteria need not be satisfied with respect to any Restructuring Loan, Permitted Equity Security, Uptier Priming Debt, Defaulted Obligation or Credit Risk Obligation acquired in connection with a Bankruptcy Exchange or Distressed Exchange.

(b) Exercise of Warrants; Acquisition of Restructuring Loans and Permitted Equity Securities. At any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer may direct the application of Interest Proceeds from the Collection Account to exercise a warrant or similar right to acquire securities held in the Assets, subject to Section 10.2(d) and the applicable requirements set forth below. At any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer may direct the application of Interest Proceeds or Principal Proceeds from the Collection Account and/or amounts on deposit in the Permitted Use Account or the Reserve Account, or, in the case of any security designated as a Subordinated Note Collateral Obligation by the Portfolio Manager in its sole discretion pursuant to Section 12.1(h), amounts on deposit in the Subordinated Note Principal Collection Account, on any Business Day during any Interest Accrual Period in any amount required to acquire a Permitted Equity Security or a Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan); provided, that (x) Interest Proceeds may only be used to exercise a warrant or similar right to acquire securities held in the Assets or to acquire a Permitted Equity Security or Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan) to the extent that, ~~(x)~~ in the determination of the Portfolio Manager (not to be called into question as a result of subsequent events), the remaining Interest Proceeds available after giving effect to such acquisition will not be insufficient to pay accrued and unpaid interest on each Class of Secured Notes on the following Distribution Date, (y) ~~each Coverage Test is satisfied and (z) the Reinvestment Overcollateralization Test is satisfied~~if Principal Proceeds are used to acquire a Restructuring Loan (including any Uptier Priming Debt constituting a Restructuring Loan), the Restructuring Loan Payment Condition is satisfied in connection therewith, and (z) Principal Proceeds may not be used to acquire a Permitted Equity Security. Any such transaction or exchange described above shall not constitute a sale under this Indenture or be subject to the Investment Criteria.

(c) Bankruptcy Exchanges; Permitted Uses. At any time during or after the Reinvestment Period, the Portfolio Manager may direct the Trustee to enter into a Bankruptcy Exchange or apply amounts on deposit in the Permitted Use Account (as directed by the Portfolio Manager in its sole discretion) to one or more Permitted Uses.

(d) Investment after the Reinvestment Period. Except as otherwise provided in this Section 12.2(d), after the Reinvestment Period, only (A) Principal Proceeds received prior to the end of the Reinvestment Period may be used to settle pending purchases for which the

trade date occurred prior to the end of the Reinvestment Period and (B) Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments may be reinvested in accordance with the requirements set forth in this Section 12.2(d); provided that such Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments must be reinvested prior to the later of (x) ~~thirty~~forty-five (~~30~~45) days after receipt thereof and (y) the last day of the Collection Period in which such Principal Proceeds or Unscheduled Principal Payments were received.

After the Reinvestment Period, provided that no Event of Default has occurred and is continuing, the Portfolio Manager may, but shall not be required to, invest Principal Proceeds that were received with respect to Credit Risk Obligations and Unscheduled Principal Payments; provided that the Portfolio Manager may not reinvest such Principal Proceeds unless such reinvestment is in one or more Collateral Obligations and the Portfolio Manager reasonably believes, in accordance with its obligations under the Portfolio Management Agreement, that after giving effect to any such reinvestment:

~~(i) the Coverage Tests shall each be satisfied before and after giving effect to such reinvestment;~~

(i) (A) each Interest Coverage Test shall be satisfied after giving effect to such reinvestment and (B) each Overcollateralization Ratio Test shall be satisfied before and after giving effect to such reinvestment;

(ii) the Restricted Trading Period is not then in effect;

(iii) each additional Collateral Obligation purchased shall have the same or earlier maturity;

(iv) each additional Collateral Obligation purchased shall have the same or higher ~~S&P Rating and the same or higher~~ Moody's Rating;

(v) (A) in the case of the reinvestment of Principal Proceeds from the sale of Credit Risk Obligations, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations shall at least equal the related Sale Proceeds or (2) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation(s) being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) is maintained or increased; and (B) in the case of the reinvestment of Unscheduled Principal Payments, the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased but excluding the Collateral Obligation sold or prepaid) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale or prepayment) is maintained or increased;

(vi) each requirement of the Concentration Limitations ~~(i)~~ will be satisfied or ~~(ii) for any requirement of the Concentration Limitations other than the requirement in clause (xi) of the definition thereof (which must be satisfied)~~, if any such requirement

was not satisfied immediately prior to such investment, the level of compliance with such requirement will be maintained or improved;

(vii) such reinvestment would not cause a Retention Deficiency; and

~~(viii) the Moody's Default Probability Rating of the Collateral Obligation being purchased is equal to or better than the Moody's Default Probability Rating of the Collateral Obligations being sold; and~~

(viii) ~~(ix)~~ (A) each Collateral Quality Test (other than the Maximum Moody's Rating Factor Test) shall be satisfied or, if not satisfied, such Collateral Quality Test shall be maintained or improved and (B) the Maximum Moody's Rating Factor Test shall be satisfied;

provided, that the foregoing clauses (i) through (~~ix~~viii) need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in accordance with an Aggregated Reinvestment.

Notwithstanding the foregoing, Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 in contemplation of a proposed redemption that was subsequently withdrawn by the Co-Issuers or by a Majority of the Subordinated Notes pursuant to Sections 9.4(c) and (d) may be reinvested (x) during the Reinvestment Period in accordance with Section 12.2(a) and (y) after the Reinvestment Period in accordance with the immediately preceding paragraph, in each case without regard to the source of such Sale Proceeds (*i.e.*, regardless of whether such Sale Proceeds were received with respect to Credit Risk Obligations or otherwise).

(e) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(f) Restructuring Loans. Notwithstanding anything herein to the contrary, the acquisition of Restructuring Loans will not be required to satisfy the Investment Criteria (except, in the case of each Restructuring Loan, to the extent provided in the definition thereof).

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII ~~or in connection with the acquisition of additional Collateral Obligations during the Ramp-Up Period~~ shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager, shall be effected in accordance with the requirements of Section 9 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided, that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties. The Trustee shall receive, not later than the settlement date, an Officer's certificate of the Issuer certifying compliance with the provisions of this Article XII; provided that such requirement shall be satisfied and such statements deemed to have been made by the Issuer by the delivery to the Trustee of an Issuer Order or trade ticket in respect thereof.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee.

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (provided in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Portfolio Management Agreement) (x) that has been consented to by Holders evidencing at least a Supermajority of the Aggregate Outstanding Amount of each Class of Notes and (y) of which the Trustee and each Rating Agency has been notified.

ARTICLE XIII

~~NOTE~~HOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding (except subject in all cases to Section 5.4(e)), the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post Acceleration Distribution Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class A-1 Notes and a Majority of each other Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in Section 11.1(a)(iii).

(b) On or after a Post Acceleration Distribution Date or on the Stated Maturity, in the event that notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of each Class of Secured Notes consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, however, that after all

accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary until the payment in full of the Notes and not before one year (or if longer, the applicable preference period then in effect) and one day has elapsed since such payment.

(e) Notwithstanding anything in this Indenture to the contrary, this Section 13.1 shall be subject in all respects to Section 5.4(e).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3 AML Compliance. Each purchaser and subsequent transferee of a Note, by its acceptance of an interest in such notes, agrees to comply with the Holder AML Obligations.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to the Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio

Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" or "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any notice, report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

(e) The Bank, in each of its capacities, shall have the right to accept and act upon instructions or directions pursuant to this Indenture or any other Transaction Document sent by unsecured email, facsimile transmission or other similar unsecured electronic methods. If a Person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

The Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE 3

S&P RATING DEFINITIONS

~~"~~"Information~~"~~" means S&~~P's "~~P's "Credit FAQ: Anatomy Of A Credit Estimate ~~Information Requirements" dated April 2011~~: What It Means And How We Do It" dated January 14, 2021 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

~~"~~"S&P Rating~~"~~" means, with respect to any Collateral Obligation, as of any date of determination, the issue-level rating of such Collateral Obligation assigned by S&P or, if no such issue-level rating has been assigned by S&P, the rating determined in accordance with the following methodology:

(i) (a) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that satisfies S&~~P's~~P's guaranty criteria for use in connection with this transaction, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer, *provided*, that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if such private ratings are not point-in-time ratings and the obligor has consented to the use of such ratings) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category above such rating;

(ii) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P; *provided*, that~~,~~ if such credit rating is subsequently withdrawn by S&P, such rating will remain the S&P Rating of such Collateral Obligation until the earlier of (x) the date that is 12 months from the date such credit rating was initially assigned by S&P and (y) the date on which the Portfolio Manager becomes aware that a Specified DIP Amendment has occurred with respect to such DIP Collateral Obligation;

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a) through (c) below:

(a) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by ~~Moody's~~(A) Moody's but not Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the ~~Moody's~~Moody's Rating set forth above except that the S&P Rating of such obligation will be ~~(1) one sub-category below~~ the S&P equivalent of the ~~Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below~~ Moody's Rating or (B) both Moody's and Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the

Moody's Rating set forth above except that the S&P Rating of such obligation will be the S&P equivalent of the ~~Moody's~~higher of the Moody's Rating ~~if such Moody's~~and the Fitch Rating ~~is "Ba1" or lower~~;

(b) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; *provided*, that~~,~~ if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation shall have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; *provided*, *further*, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation shall have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided, further*, that if such 90-day period (or other extended period) elapses pending S&~~P's~~P's decision with respect to such application, the S&P Rating of such Collateral Obligation shall be "CCC-"; *provided*, *further*, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; *provided*, *further*, that such credit estimate shall expire 12 months after the acquisition of such Collateral Obligation, following which such Collateral Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with this Indenture, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Obligation; *provided*, *further*, that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the acquisition of such Collateral Obligation and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; *provided*, *further*, that if, at any time, with respect to any Collateral Obligation for which S&P has provided a credit estimate or any Collateral Obligation for which a credit estimate is being sought pursuant to this clause (b), there is a material change in the creditworthiness of the issuer of such Collateral Obligation (as determined by the Portfolio Manager in its sole discretion), the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation will provide updated ~~Required~~required S&P ~~Credit Estimate~~credit estimate Information to S&P; or

(c) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Portfolio Manager) be "CCC-"; *provided*, that (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings and (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Obligation are current and the Portfolio Manager reasonably expects them to remain current; *provided*, *further*, that the Portfolio Manager shall provide to S&P all Information available to the Portfolio Manager in respect of any Collateral Obligation with an S&P Rating determined pursuant to this clause (c);

(iv) with respect to a DIP Collateral Obligation that has no issue rating by S&P or a Current Pay Obligation that is rated "D" or "SD" by S&P, the S&P Rating of such DIP Collateral Obligation or Current Pay Obligation, as applicable, will be, at the election of the Issuer (at the direction of the Portfolio Manager), "CCC-" ~~or, for a period of up to 90 days (or such earlier date if an S&P Rating is assigned prior to the expiration of such 90-day period), such higher rating as reasonably determined by the Portfolio Manager (not to be called into question as a result of subsequent events) so long as the Portfolio Manager reasonably expects that such DIP Collateral Obligation will be assigned an S&P Rating equal to or higher than such S&P Rating determined by the Portfolio Manager no later than 90 days after such determination; provided, that (A) if such DIP Collateral Obligation has no issue rating by S&P at the expiration of such 90-day period, the S&P Rating will be, at the election of the Issuer "CCC-" or such lower rating as applicable in accordance with this definition of "S&P Rating" and (B) the Portfolio Manager will provide Information with respect to such DIP Collateral Obligation to S&P, if available; or~~" or the S&P Rating determined pursuant to clause (iii)(b) above.

~~(v) with respect to a Current Pay Obligation, the S&P Rating of such Current Pay Obligation will be the higher of such obligation's issue rating and "CCC";~~

~~provided that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating.~~

"Specified DIP Amendment" means, with respect to a DIP Collateral Obligation, amortization modifications, extensions of maturity, reductions of the principal amount owed, nonpayment of interest or principal due and payable, or any modification, variance, or event that would, in the reasonable business judgment of the Portfolio Manager, have a material adverse impact on the value of such DIP Collateral Obligation.

Notwithstanding the foregoing, for purposes of determining the S&P Recovery Rate of a Collateral Obligation that is (i) a Senior Secured Loan or a Senior Secured Bond that is secured solely or primarily by common stock or other equity interests shall be deemed to be a senior unsecured loan and (ii) a Senior Secured Loan that is also a First-Lien Last-Out Loan shall be deemed to be a First-Lien Last-Out Loan.

Notwithstanding the foregoing, Second Lien Loans and First-Lien Last-Out Loans collectively with an aggregate principal balance in excess of 15% of the Collateral Principal Amount shall use the "Subordinated loans" Priority Category for the purpose of determining their S&P Recovery Rate.

[1] For purposes of determining the S&P Recovery Rate of any loan the value of which is primarily derived from equity of the issuer thereof, such loan shall have either (i) the S&P Recovery Rate special for senior Unsecured Loans or (ii) the S&P Recovery Rate determined by S&P on a case by case basis.

~~For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.~~

SCHEDULE 4

MOODY'S RATING DEFINITIONS

"CFR": With respect to an obligor of a Collateral Obligation, if such Obligor has a corporate family rating (including pursuant to a Moody's credit estimate) by Moody's, then such corporate family rating; *provided* that, if such Obligor does not have a corporate family rating by Moody's but any entity in the Obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

The terms Moody's Default Probability Rating, Moody's Rating and Moody's Derived Rating, have the meanings under the respective headings below.

"Moody's Default Probability Rating":

(a) With respect to a Collateral Obligation, if the Obligor of such Collateral Obligation has a CFR, then such CFR

(b) With respect to a Collateral Obligation if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(c) With respect to a Collateral Obligation if not determined pursuant to clauses (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Portfolio Manager in its sole discretion;

(d) With respect to a Collateral Obligation if not determined pursuant to clauses (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) With respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(f) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(g) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3." For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

"Moody's Derived Rating": With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined in the manner set forth below.

(a) By using one of the methods provided below:

(A) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Portfolio Manager, in accordance with the methodology set forth in the following table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a "**parallel security**"), then the rating of such parallel security will at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (a)(A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (a)(B)):

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1

~~Senior secured obligation~~	~~less than B2~~	~~-2~~
~~Subordinated obligation~~	~~greater than or equal to B3~~	~~+1~~
~~Subordinated obligation~~	~~less than B3~~	~~0~~

orSCHEDULE 4

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided that the aggregate principal balance of the Collateral Obligations that may have a Moody's Rating or a Moody's Default Probability Rating derived from an S&P rating as set forth in sub-clauses (A) or (B) of this clause (a) may not exceed 10% of the Collateral Principal Amount.

(b) If not determined pursuant to clause (a) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the Obligor of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Portfolio Manager or the Obligor of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate shall be at least "B3" and if the aggregate principal balance of Collateral Obligations determined pursuant to this clause (b)(i) and clause (a) above does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa3."

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

"Moody's Rating":

(a) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(C) other than with respect to a DIP Collateral Obligation, if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3."

For purposes of calculating a Moody's Rating (except in connection with determining whether a Collateral Obligation constitutes a Caa Collateral Obligation), each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

~~SCHEDULE 5~~

FITCH RATING DEFINITIONS AND FITCH TEST MATRIX

~~"~~"Fitch Rating~~": As~~" means, as of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

~~(a)~~ (a) if Fitch has issued a long-term issuer default rating ("**LT IDR**") or ~~assigned~~ a long-term issuer default credit opinion ("**LT IDCO**") with respect to the ~~Obligor of~~issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such ~~issuer default rating~~ LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations ~~or~~of such ~~Obligor~~issuer held by the Issuer) ~~or assigned credit opinion~~;

~~(b)~~ (b) if Fitch has not issued a ~~long-term issuer default rating or a long-term issuer default credit opinion~~LT IDR or LT IDCO with respect to the ~~Obligor~~issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating ("**IFSR**") with respect to such ~~Obligor~~issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

~~(c)~~ (c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issuer ratings, then the Fitch Rating will be calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below

~~(i) Fitch has issued a senior unsecured rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will equal such rating; or~~

~~(ii) Fitch has not issued a senior unsecured rating on any obligation or security of the Obligor of such Collateral Obligation but Fitch has issued a senior secured rating or a subordinated secured rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will (x) equal such rating if such rating is "BBB-" or higher and (y) be one sub-category below such rating if such rating is "BB+" or lower; or~~

~~(iii) Fitch has not issued a senior unsecured rating or a senior secured rating or a subordinated secured rating on any obligation or security of the Obligor of such Collateral Obligation but Fitch has issued a junior subordinated or senior subordinated rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will be (x) one sub-category above such rating if such rating is "B+" or higher and (y) two sub-categories above such rating if such rating is "B" or lower;~~

~~(d)~~ (d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

(i) ~~Moody's~~Moody's has issued a publicly available corporate family rating for the ~~Obligor~~issuer of such Collateral Obligation, then, subject to subclause

(viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such ~~Moody's~~Moody's rating;

(ii) ~~Moody's~~Moody's has not issued a publicly available corporate family rating for the ~~Obligor~~issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such ~~Obligor~~issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such ~~Moody's~~Moody's rating;

(iii) ~~Moody's~~Moody's has not issued a publicly available corporate family rating ~~for the Obligor~~or a publicly available long-term issuer rating for the issuer of such Collateral Obligation~~,~~ but ~~Moody's~~Moody's has issued ~~a publicly available~~an outstanding public insurance financial strength rating for such ~~Obligor~~issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such ~~Moody's~~Moody's rating;

(iv) ~~Moody's~~Moody's has not issued a publicly available corporate family rating, a publicly available long-term issuer rating or an outstanding public insurance financial strength rating for the ~~Obligor~~issuer of such Collateral Obligation but has issued ~~publicly available~~ outstanding public corporate issue ratings for such ~~Obligor~~issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be ~~(x) if such corporate issue rating relates to senior unsecured obligations of such Obligor, the Fitch equivalent of the Moody's rating for such issue, or if there is no such corporate issue ratings relating to senior unsecured obligations of the Obligor then (y) if such corporate issue rating relates to senior secured or subordinated secured obligations of the Obligor, (1) one sub-category below the Fitch equivalent of such Moody's rating if such obligations are rated "Ba1" or above or "Ca" by Moody's or (2) two sub-categories below the Fitch equivalent of such Moody's rating if such obligations are rated "Ba2" or below but above "Ca" by Moody's, or if there is no such publicly available corporate issue ratings relating to senior unsecured, senior secured or subordinated secured obligations of the Obligor then (z) if such corporate issue rating relates to junior subordinated or senior subordinated obligations of such Obligor, (1) one sub-category above the Fitch equivalent of such Moody's rating if such obligations are rated "B1" or above by Moody's or (2) two sub-categories above the Fitch equivalent of such Moody's rating if such obligations are rated "B2" or below by Moody's;~~calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below;

(v) S&P has issued a publicly available issuer credit rating for the ~~Obligor~~issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;

(vii) S&P has not issued a publicly available issuer credit rating or an outstanding public insurance financial strength rating for the ~~Obligor~~issuer of such Collateral Obligation but has issued ~~publicly available~~ outstanding public corporate issue ratings for such ~~Obligor~~issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be ~~(x) if such corporate issue rating relates to senior unsecured obligations of such Obligor, the Fitch equivalent of the S&P rating for such issue, or if there is no such corporate issue ratings relating to senior unsecured obligations of the Obligor then (y) if such corporate issue rating relates to senior secured or subordinated secured obligations of such Obligor, (1) the Fitch equivalent of such S&P rating if such obligations are rated "BBB-" or above by S&P or (2) one sub-category below the Fitch equivalent of such S&P rating if such obligations are rated "BB+" or below by S&P, or if there is no such publicly available corporate issue rating relating to senior unsecured, senior secured or subordinated secured obligations of the Obligor then (z) if such corporate issue rating relates to junior subordinated or senior subordinated obligations of such Obligor, (1) one sub-category above the Fitch equivalent of such S&P rating if such obligations are rated "B+" or above by S&P or (2) two sub-categories above the Fitch equivalent of such S&P rating if such obligations are rated "B" or below by S&P; and~~calculated using the Fitch Issuer Default Rating (IDR) Equivalency Map from Corporate Ratings table below; and

(viii) both ~~Moody's~~Moody's and S&P provide a public rating of the ~~Obligor~~issuer of such Collateral Obligation or a public corporate issue rating of such ~~Obligor~~issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); otherwise the sole public Fitch Rating issued by Moody's or S&P will be applied; and

~~(e)~~ (~~x~~e) if a rating cannot be determined pursuant to clauses (a) through (~~e) and (y)(1) if a rating cannot be determined pursuant to clause (d) or (2) the Portfolio Manager makes a commercially reasonable determination that the rating determined pursuant to clause (d) does not reflect the appropriate rating applicable to such Collateral Obligation,~~d) then, ~~(i)~~ at the discretion of the Portfolio Manager, ~~the Fitch Rating may be based on a credit opinion provided by Fitch and in connection therewith, the Issuer,~~(i) the Portfolio Manager on behalf of the Issuer ~~or the Obligor of such Collateral Obligation will, prior to or within thirty (30) days after the acquisition of such Collateral Obligation,~~may apply to Fitch for a Fitch credit opinion, ~~which shall~~ and the issuer default rating provided in connection with such rating will then be the Fitch Rating ~~of~~

such Collateral Obligation; provided that, until the receipt from Fitch of such credit opinion, such Collateral Obligation will have a Fitch Rating of (x) "B-" if the Portfolio Manager certifies to the Trustee that it believes that the credit opinion will be at least equal to such rating, or (y) otherwise, the rating specified as applicable thereto by Fitch pending receipt of such credit opinion; provided further that such credit opinion shall expire 12 months after the acquisition of such credit opinion, following which such Collateral Obligation shall have a Fitch Rating of "CCC" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with Section 7.13(b), in which case such credit opinion will continue to be the Fitch Rating of such Collateral Obligation until Fitch has confirmed or revised such credit opinion, upon which such confirmed or revised credit opinion will be the Fitch Rating of such Collateral Obligation;, or (ii) the Issuer may assign a Fitch Rating of ""CCC"" or lower to such Collateral Obligation, which is not in default;

provided, that, after the 2025 Reset Date, if any rating described above is (i) on rating watch negative or negative credit watch, the rating will be the Fitch Rating as determined above adjusted down by one sub-category, unless the Fitch Rating is "CCC-" or below, in which case the rating will not be adjusted, or (ii) on outlook negative, the rating will not be adjustedwith a floor of "CCC-"; *provided*, *further*, that, the Fitch Rating may be updated by Fitch from time to time as indicated in the ""CLOs and Corporate CDOs Rating Criteria"" report issued by Fitch and available at www.fitchratings.com. For the avoidance of doubt, the Fitch Rating takes into account adjustment for assets that are on rating watch negative or negative credit watch prior to determining the rating or in the determination of the lower of the Moody's and S&P public ratings.

~~**The following steps are used to calculate the Fitch IDR equivalent ratings:**~~

~~(1) Public Fitch Long Term Issuer Default Rating (LT IDR) or Long Term Issuer Default Credit Opinion (LT IDCO).~~

~~(2) If Fitch has not issued a LT IDR or LT IDCO, but has an outstanding Insurer Financial Strength Rating (IFSR), the Fitch IDR Equivalency Rating is one rating notch lower.~~

~~(3) If Fitch has not issued a LT IDR, LT IDCO or IFSR, but has outstanding corporate issue ratings, then the Fitch IDR equivalency Rating is calculated using the Fitch IDR Equivalency Table.~~

~~(4) If Fitch does not rate the issuer (LT IDR, LT IDCO, IFSR) or any associated issuance, then it determines a Moody's and S&P equivalent to Fitch's LT IDR pursuant to steps 5 and 6.~~

~~(5) (a) A public Moody's-issued Corporate Family Rating (CFR) is equivalent in terms of definition to the Fitch LT IDR. If Moody's has not issued a CFR, but has a public LT issuer rating, then this is equivalent to the Fitch LT IDR.~~

~~(b) If Moody's has not issued a CFR or LT issuer rating, but has a public insurance financial strength rating, then the Fitch IDR Equivalency Rating is one rating notch lower.~~

~~(c) If Moody's has not issued a CFR, LT issuer rating or insurance financial strength rating, but has public corporate issue ratings, the Fitch IDR Equivalency Rating is calculated using the Fitch IDR Equivalency Table.~~

~~(6) (a) A public S&P-issued Issuer Credit Rating (ICR) is equivalent in terms of definition to the Fitch LT IDR.~~

~~(b) If S&P has not issued an ICR, but has an outstanding insurance financial strength rating, the Fitch IDR Equivalency Rating is one rating notch lower.~~

~~(c) If S&P has not issued an ICR or insurance financial strength rating, but has public corporate issue ratings, the Fitch IDR Equivalency Rating is calculated using the Fitch IDR Equivalency Table.~~

~~(7) If both Moody's and S&P provide a public rating on the issuer or an issue, the lower of the two Fitch IDR Equivalency Ratings will be used: otherwise the sole public Fitch IDR Equivalency Rating calculated from Moody's or S&P will be applied.~~

~~(8) If a Fitch IDR Equivalency Rating cannot be determined pursuant to steps (1) through (7) above then, at the discretion of the manager, (i) the manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the Fitch IDR Equivalency Rating shall be the issuer default rating provided in connection with such credit opinion, or (ii) the Issuer may assign a Fitch IDR Equivalency Rating of "CCC" or lower to such Collateral Obligation which is not in default;~~

~~provided that if any rating described above is on negative rating watch, the rating will be adjusted down by one rating notch before the Fitch IDR Equivalency Rating is determined, unless such rating is "CCC-" or below, in which case the rating will not be adjusted.~~

For any given case:

(a) the applicable value for determining satisfaction of the Maximum Fitch Rating Factor Test will be the value set forth in the column header (or linear interpolation between two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager;

(b) the applicable value for determining satisfaction of the Minimum Fitch Floating Spread Test will be the percentage set forth in the row header (or linear interpolation between two adjacent rows as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager; and

(c) the applicable value for determining satisfaction of the Minimum Weighted Average Fitch Recovery Rate Test will be the value in the intersection cell (or linear interpolation between two adjacent rows and/or two adjacent columns, as applicable) of the row-column combination in the Fitch Test Matrix selected by the Portfolio Manager in relation to ~~clauses~~ (a) and (b) above.

SCHEDULE 5

MOODY'S RATING DEFINITIONS

For purposes of this Schedule 5 and this Indenture, the terms "Assigned Moody's Rating" and "CFR" mean:

"Assigned Moody's Rating": The monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; *provided*, that with respect to a DIP Collateral Obligation, the Assigned Moody's Rating may be a point-in-time rating that was withdrawn; *provided*, *further*, such withdrawn rating was assigned not more than 18 months prior to the date of determination.

"CFR": Means, with respect to an Obligor of a Collateral Obligation, if such Obligor has a corporate family rating (including pursuant to a Moody's credit estimate) by Moody's, then such corporate family rating; *provided*, if such Obligor does not have a corporate family rating by Moody's but any entity in the Obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

For purposes of this Indenture, the terms Moody's Default Probability Rating, Moody's Rating and Moody's Derived Rating, have the meanings under the respective headings below.

MOODY'S DEFAULT PROBABILITY RATING

(a) With respect to a Collateral Obligation, if the Obligor of such Collateral Obligation has a CFR, then such CFR;

(b) With respect to a Collateral Obligation if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(c) With respect to a Collateral Obligation if not determined pursuant to clauses (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Portfolio Manager in its sole discretion;

(d) With respect to a Collateral Obligation if not determined pursuant to clauses (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; *provided*, that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating

will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) With respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(f) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(g) With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S RATING

(a) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(C) other than with respect to a DIP Collateral Obligation, if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

For purposes of calculating a Moody's Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(a) By using one of the methods provided below:

(A) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Portfolio Manager, in accordance with the methodology set forth in the following table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (a)(A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (a)(B)):

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided, that the Aggregate Principal Balance of the Collateral Obligations that may have a Moody's Rating or a Moody's Default Probability Rating derived from an S&P rating as set forth in sub-clauses (A) or (B) of this clause (a) may not exceed 10% of the Collateral Principal Amount.

(b) If not determined pursuant to clause (a) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the Obligor of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Portfolio Manager or the Obligor of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (b)(i) and clause (a) above does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa3."

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

SCHEDULE 6

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

An "Industry Diversity Score" is then established for each Moody's industry classification group by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided*, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

Class E-R	05685D AH5	US05685DAH52

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum identified as the "principal amount" of this Note (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity, in each case as set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Distributions, interest on the Aggregate Outstanding Amount of this Note on each Distribution Date and each other date, pursuant to the Indenture, that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note as set forth in the Note Details (or, if the Note Details indicate that this Note is a Re-Pricing Eligible Note, the Re-Pricing Rate if this Note has been subject to a Re-Pricing) in arrears.

Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture.

If the Note Details indicate that this Note is a Deferred Interest Note, for so long as any Priority Classes are Outstanding with respect to the Class to which this Note belongs, any interest on this Note which is not available to be paid, or if such interest is not paid in order to satisfy the Coverage Tests in accordance with the Priority of Distributions on any Distribution Date, will be deferred. Any interest so deferred will be added to the principal balance of this Note, and thereafter, interest will accrue on the aggregate outstanding principal amount of such Notes, as so increased. Such Deferred Interest shall be payable on the first Distribution Date on which funds are available to be used for such purpose in accordance with the Priority of Distributions, but in any event no later than the earlier of the Distribution Date (i) which is the Redemption Date with respect to the Class to which this Note belongs and (ii) the Stated Maturity as set forth in the Note Details.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless redeemed, accelerated or repaid as described in the Indenture, and prior to the Stated Maturity, principal shall be paid as provided in the Priority of Distributions except as otherwise provided in the Indenture.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment except as provided in the Indenture.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Record Date.

This Note is duly authorized and issued under the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Co-Issuers, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and the depository or its nominee. So long as the depository for a Note or its nominee is the registered owner of this Note, such depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer (and if applicable, the Co-Issuer) under this Note and the Indenture are limited recourse obligations of the Issuer (and if applicable, the Co-Issuer) payable solely from the proceeds of the Assets and following realization of the Assets and application of the proceeds thereof in accordance with the Indenture, all obligations of the Issuer (and if applicable, the Co-Issuer) and any claims of Holders against the Issuer (and if applicable, the Co-Issuer) under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Co-Issuers, the Trustee, the Placement Agent, the Collateral Administrator, the Portfolio Manager or their respective successors or assigns for any amounts payable under this Note or (except as otherwise provided in the Indenture or the Portfolio Management Agreement) the Indenture. It is understood that the foregoing shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Indenture until such Assets have been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Co-Issuers as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default shall occur and be continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. The Indenture provides that if an Event of Default shall have occurred and be continuing, the Trustee shall, upon the written direction of a Majority of the Controlling Class (or automatically under certain circumstances), declare the principal of this Note to be immediately due and payable.

A Majority of the Controlling Class, by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul a declaration of acceleration of the maturity of the Notes at any time prior to the date on which a judgment or decree for payment of the amounts due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such

supplemental indenture shall form a part of the Indenture for all purposes, and every Holder theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Secured Notes will be issued in minimum denominations of U.S.$250,000 and integral multiples of U.S.$1.00 in excess thereof; *provided* that the minimum denominations may be lower to allow for compliance with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements, as certified by the Portfolio Manager to the Trustee.

The Holder and any beneficial owner of this Note agree they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

The terms "Issuer" and "Co-Issuers" as used in this Note includes any successor to the Issuer and/or Co-Issuers, as applicable, under the Indenture.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual or, in the case of a Global Note, electronic signature of one of its Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS NOTE (WHETHER IN CONTRACT, TORT OR OTHERWISE), SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

The Issuer, for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture. References to the "principal amount" of this Note shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds in accordance with the Priority of Distributions and references to "interest" on this Note shall mean that portion of Interest Proceeds distributable to Holders of Subordinated Notes pursuant to the Priority of Distributions.

The Issuer promises to pay Interest Proceeds, if any, available for such purpose in accordance with the Priority of Distributions on each Distribution Date. Payment of Interest Proceeds, if any, on this Note is subordinated to the payment on each Distribution Date of the interest due and payable on each Priority Class in accordance with the Priority of Distributions.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by call for redemption or otherwise and the final payments of principal, if any, will occur on that date; *provided* that, except as otherwise provided in the Priority of Distributions, the payment of principal of this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Distributions; and any payment of principal on this Note that is not paid, in accordance with the Priority of Distributions, on any Distribution Date, shall not be considered "due and payable" for purposes of the Indenture until the Distribution Date on which such principal may be paid in accordance with the Priority of Distributions.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Record Date.

This Note is duly authorized and issued under the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and the depository or its nominee. So long as the depository for a Note or its nominee is the registered owner of this Note, such depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution Date or Redemption Date shall be binding

upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer under this Note and the Indenture are limited recourse obligations of the Issuer payable solely from the proceeds of the Assets and following realization of the Assets and application of the proceeds thereof in accordance with the Indenture, all obligations of the Issuer and any claims of Holders against the Issuer under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Issuer, the Trustee, the Placement Agent, the Collateral Administrator, the Portfolio Manager or their respective successors or assigns for any amounts payable under this Note or (except as otherwise provided in the Indenture or the Portfolio Management Agreement) the Indenture. It is understood that the foregoing shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Indenture until such Assets have been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default shall occur and be continuing, the Secured Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture. The Indenture provides that if an Event of Default shall have occurred and be continuing, the Trustee shall, upon the written direction of a Majority of the Controlling Class (or automatically under certain circumstances), declare the principal of all the Secured Notes to be immediately due and payable.

A Majority of the Controlling Class, by written notice to the Issuer, the Trustee and each Rating Agency, may rescind and annul a declaration of acceleration of the maturity of the Secured Notes at any time prior to the date on which a judgment or decree for payment of the amounts due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Subordinated Notes will be issued in minimum denominations of U.S.$150,000 and integral multiples of U.S.$1.00 in excess thereof; *provided* that the minimum denominations may be lower to allow for compliance with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements, as certified by the Portfolio Manager to the Trustee.

The Holder and any beneficial owner of this Note agree they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any

Tax Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual or, in the case of a Global Note, electronic signature of one of its Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS NOTE (WHETHER IN CONTRACT, TORT OR OTHERWISE), SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK

(2) it has provided an IRS Form W-8BEN or W-8BEN-E representing that it is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; or

(3) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it on the Notes or any interest therein are effectively connected with the conduct of a trade or business within the United States and includible in its gross income; and

(B) it is not purchasing this Note or any interest therein with the purpose of avoiding U.S. federal income tax liability within the meaning of Treasury Regulations section 1.881-3.

16. If the Purchaser owns more than 50% of the Subordinated Notes (or more than 50% of the Class E Notes and the Subordinated Notes in the aggregate if the Class E Notes were to be treated as equity for U.S. federal income tax purposes) or if such Purchaser is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations section 1.1471-5(i) (or any successor provision)), the Purchaser represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any non-U.S. Tax Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the Purchaser with an express waiver of this requirement.

17. The Purchaser will not treat any income with respect to the Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h) or (i) of the Code.

18. It is not a person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the European Union, Switzerland, or any other applicable jurisdiction ("AML and Sanctions Laws"), and its purchase of the Notes will not result in the violation of any AML and Sanctions Law by any Transaction Party, whether as a result of the identity of it or its beneficial owners, their source of funds, or otherwise.

19. It will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve compliance with the Cayman AML Regulations and shall update or replace such information or documentation, as may be necessary (the "Holder AML Obligations").

20. If it fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Purchaser's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve compliance with the Cayman AML Regulations, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel such Purchaser to sell its interest in such Note or (y) sell such interest on such Purchaser's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Purchaser's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

21. The Purchaser represents and warrants that all personal data provided to the Issuer or its delegates (including, without limitation, the Administrator) by or on behalf of the Purchaser has been and will be provided in accordance with applicable laws and regulations, including, without limitation, those relating to privacy or the use of personal data. The Purchaser shall ensure that any personal data that it provides to the Issuer or its delegates (including, without limitation, the Administrator) is accurate and up to date, and it shall promptly notify the Issuer if it becomes aware that any such data is no longer accurate or up to date. The Purchaser acknowledges that the Issuer and/or its delegates may transfer and/or process personal data provided by the Purchaser outside of the Issuer's jurisdiction of incorporation and it hereby consents to such transfer and/or processing and further represents that it is duly authorized to provide this consent on behalf of any individual whose personal data is provided by the Purchaser. The Purchaser acknowledges receipt of the Issuer's privacy notice set forth in the Offering Circular (the "Privacy Notice"). The Purchaser shall promptly provide the Privacy Notice to (i) each individual whose personal data it has provided or will provide to the Issuer or any of its delegates in connection with its investment in the Notes (such as directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents) and (ii) any other individual connected to the Purchaser as may be requested by the Issuer or any of its delegates. The Purchaser shall also promptly provide to any such individual, on request by the Issuer or any of its delegates, any updated versions of the Privacy Notice and the privacy notice (or other data protection disclosures) of any third party to which the Issuer or any of its delegates has directly or indirectly provided that individual's personal data.

22.

(A) It will complete the ERISA Certificate attached hereto as Annex A and provide a completed copy thereof to the Trustee.

(B) Its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws) unless an exemption is available and all conditions have been satisfied.

(C) If it is a Benefit Plan Investor, it represents, warrants and agrees that (i) none of the Transaction Parties, or any of their affiliates, has provided any investment recommendation or investment advice on which it or the Fiduciary has relied as a primary basis in connection with its decision to invest in Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Fiduciary in connection with the Benefit Plan Investor's acquisition of Notes; and (ii) the Fiduciary is exercising its own independent judgment in evaluating the transaction.

(D) In the case of Issuer Only Notes, unless otherwise specified in Annex A attached hereto, for so long as it holds such Notes (or any interest therein), it is not a Benefit Plan Investor or a Controlling Person and, if it is a governmental, church or non-U.S. plan subject to Similar Laws, its acquisition, holding and disposition of such Notes (or any interest therein) will not cause the assets of either of the Co-Issuers to be subject to any Similar Laws.

(E) It understands that the representations made in this clause (22) and in Annex A will be deemed made on each day from the date of its acquisition of such Note (or any interest therein) through and including the date on which it disposes of such Note (or any interest therein). If any such representation becomes untrue, or if there is a change in its status as a Benefit Plan Investor or a Controlling Person, it will immediately notify the Trustee. It agrees to indemnify and hold harmless the Issuer, the Bank (in each of its capacities in respect of the Transaction Documents), the Placement Agent and the Portfolio Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of any such representation being untrue.

23. It understands that the foregoing representations and agreements will be relied upon by the Transaction Parties and their respective counsel, and it hereby consents to such reliance.

The purpose of this Benefit Plan Investor Certificate (this "Certificate") is, among other things, to (i) endeavor to ensure that less than 25% of the total value of each of the Class E Notes and the Subordinated Notes (collectively, the "ERISA Restricted Notes") issued by Bain Capital Credit CLO 2023-2, Limited (the "Issuer") is held by "Benefit Plan Investors" as contemplated and defined under Section 3(42) of the U.S. Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the U.S. Department of Labor's regulations set forth at 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA (the "Plan Asset Regulations") so that the Issuer will not be subject to the prohibited transaction provisions contained in Section 406 of ERISA or Section 4975 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), (ii) obtain from you certain representations and agreements and (iii) provide you with certain related information with respect to your acquisition, holding or disposition of the ERISA Restricted Notes. **By delivering this Certificate, you agree to be bound by its terms.**

Please be aware that the information contained in this Certificate is not intended to constitute advice and the examples given below are not intended to be, and are not, comprehensive. You should contact your own counsel if you have any questions in completing this Certificate. Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the final Offering Circular of the Issuer or the Indenture, as applicable.

Please review the information in this Certificate and check the box(es) that are applicable to you, although you must check at least one box.

By checking a box, you are representing and warranting as to your status for so long as you hold a Note or an interest therein. If a box is not checked, you are representing and agreeing that the applicable Section does not, and will not, apply to you.

PROSPECTIVE PURCHASERS SHOULD NOTE THAT, EXCEPT FOR PURCHASES FROM THE ISSUER OR THE PLACEMENT AGENT ON THE APPLICABLE ISSUANCE DATE, THE ERISA RESTRICTED NOTES IN THE FORM OF GLOBAL NOTES MAY NOT BE ACQUIRED BY A BENEFIT PLAN INVESTOR OR A CONTROLLING PERSON.

1. ☐ **Employee Benefit Plans Subject to ERISA or Section 4975 of the Code**. We, or the entity on whose behalf we are acting, are or may be at any time in which we hold any ERISA Restricted Note, an "employee benefit plan" within the meaning of Section 3(3) of ERISA that is subject to the fiduciary responsibility provisions of Title I of ERISA or a "plan" within the meaning of Section 4975(e)(1) of the Code that is subject to Section 4975 of the Code.

   Examples: (i) tax qualified retirement plans such as pension, profit sharing and section 401(k) plans, (ii) welfare benefit plans such as accident, life and medical plans, (iii) individual retirement accounts or "IRAs" and "Keogh" plans and (iv) certain tax-qualified educational and savings trusts.

2. ☐ **Entity Holding Plan Assets by Reason of Plan Asset Regulations**. We, or the entity on whose behalf we are acting, are or may be at any time in which we hold any ERISA Restricted Note, an entity or fund whose underlying assets include "plan assets" by reason of a Benefit Plan Investor's investment in such entity.

   Examples: (i) an insurance company separate account, (ii) a bank collective trust fund and (iii) a hedge fund or other private investment vehicle where 25% or more of the total value of any class of its equity is held by Benefit Plan Investors.

If you check Box 2, please indicate the maximum percentage of the entity or fund that will constitute "plan assets" for purposes of Title I of ERISA or Section 4975 of the Code: _____%.

AN ENTITY OR FUND THAT CANNOT PROVIDE THE FOREGOING PERCENTAGE HEREBY ACKNOWLEDGES THAT FOR PURPOSES OF DETERMINING WHETHER BENEFIT PLAN INVESTORS OWN LESS THAN 25% OF THE TOTAL VALUE OF ANY CLASS OF THE ERISA RESTRICTED NOTES ISSUED BY THE ISSUER, 100% OF THE ASSETS OF THE ENTITY OR FUND WILL BE TREATED AS "PLAN ASSETS."

ERISA and the regulations promulgated thereunder are technical. Accordingly, if you have any question regarding whether you may be an entity described in this Section 2, you should consult with your counsel.

3. ☐ **Insurance Company General Account**. We, or the entity on whose behalf we are acting, are an insurance company purchasing the ERISA Restricted Notes with funds from our or their general account (*i.e.*, the insurance company's corporate investment portfolio), whose assets, in whole or in part, now are or may be at any time in which we hold any ERISA Restricted Note "plan assets" for purposes of the Plan Asset Regulations.

   If you check Box 3, please indicate the maximum percentage of the insurance company general account that will constitute "plan assets" for purposes of conducting the 25% test under the Plan Asset Regulations: ____%. IF YOU DO NOT INCLUDE ANY PERCENTAGE IN THE BLANK SPACE, YOU WILL BE COUNTED AS IF YOU FILLED IN 100% IN THE BLANK SPACE.

4. ☐ **None of Sections (1) Through (3) Above Apply**. We, or the entity on whose behalf we are acting, are a person that does not fall into any of the categories described in Sections (1) through (3) above.

5. **No Prohibited Transaction**. If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code unless an exemption is available and all conditions have been satisfied.

6. **Not Subject to Similar Law and No Violation of Similar Law**. If we are a governmental, church, or non-U.S. plan, we represent, warrant and agree that our acquisition, holding and disposition of the ERISA Restricted Notes (or any interest therein) will not cause the assets of either of the Co-Issuers to be subject to, and will not constitute or result in a violation of, any federal, state, local or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.

7. ☐ **Controlling Person**. We are, or we are acting on behalf of: (i) any person that has discretionary authority or control with respect to the assets of the Issuer, (ii) any person who provides investment advice for a fee (direct or indirect) with respect to such assets or (iii) any "affiliate" of any of the above persons. "Affiliate" shall have the meaning set forth in the Plan Asset Regulations. Any of the persons described in the first sentence of this Section 7 (other than a Benefit Plan Investor) is referred to in this Certificate as a "Controlling Person."

   Note: We understand that, for purposes of determining whether Benefit Plan Investors hold less than 25% of the total value of each Class of the ERISA Restricted Notes represented by the Aggregate Outstanding Amount thereof, the value of any ERISA Restricted Notes held by Controlling Persons are required to be disregarded.

8. **Compelled Disposition**. We acknowledge and agree that:

   (i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% limitation (in any such case we become a Non-Permitted ERISA Holder), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after such discovery (or upon notice from the Trustee (if a Trust Officer obtains actual knowledge) or the Co-Issuer if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to us demanding that we transfer our ERISA

Restricted Notes (or our interest therein) to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice;

(ii) if we fail to transfer our ERISA Restricted Notes (or our interest therein), the Issuer shall have the right, without further notice to us, to sell our ERISA Restricted Notes or our interest in the ERISA Restricted Notes, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;

(iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

(iv) by our acceptance of the ERISA Restricted Notes (or any interest therein), we agree to cooperate with the Issuer and the Trustee to effect such transfers;

(v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and

(vi) the terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Portfolio Manager shall be liable to us as a result of any such sale or the exercise of such discretion.

Required Notification. We hereby agree that we will inform the Issuer and the Trustee of any proposed transfer by us of all or a specified portion of the ERISA Restricted Notes (or any interest therein).

9. **Continuing Representation; Reliance**. We acknowledge and agree that the representations, warranties, acknowledgements and agreements contained in this Certificate shall be deemed made on each day from the date we make such representations, warranties, acknowledgements and agreements through and including the date on which we dispose of our ERISA Restricted Notes (or our interests therein). We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Trustee to determine that Benefit Plan Investors own or hold less than 25% of the total value of any Class of the ERISA Restricted Notes upon any subsequent transfer of the ERISA Restricted Notes in accordance with the Indenture.

10. **Further Acknowledgement and Agreement**. We acknowledge and agree that (i) all of the representations, warranties and assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Placement Agent and the Portfolio Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Trustee, the Placement Agent, the Portfolio Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of the ERISA Restricted Notes (or any interest therein) by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.

11. **Future Transfer Requirements.**

Transferee Letter and its Delivery. We acknowledge and agree that we may not transfer any ERISA Restricted Notes (or any interest therein) in the form of Certificated Notes to any person unless the Issuer and the Trustee have received a certificate substantially in the form of this Certificate. Any attempt to transfer in violation of this section will be null and void from the beginning, and of no legal effect.

The Collateral Administrator's duties and authority hereunder are limited to the duties and authority specifically set forth in this Agreement and no implied or inferred obligations of any kind shall be read into this Agreement against or on the part of the Collateral Administrator. By entering into, or performing its duties under this Agreement, the Collateral Administrator shall not be deemed to assume any obligations or liabilities of the Issuer under the Indenture, or of the Portfolio Manager under the Portfolio Management Agreement, and nothing herein contained shall be deemed to release, terminate, discharge, limit, reduce, diminish, modify, amend or otherwise alter in any respect the duties, obligations or liabilities of the Issuer under or pursuant to the Indenture or of the Portfolio Manager under or pursuant to the Portfolio Management Agreement. The Collateral Administrator shall perform those duties and functions assigned to it in the Indenture, comply with all obligations applicable to it under the Indenture and perform its duties hereunder in accordance with the terms of this Agreement and the terms of the Indenture applicable to it.

(b) The Issuer and the Portfolio Manager shall reasonably cooperate with the Collateral Administrator in connection with the Services to be performed by it, including calculations relating to the Monthly Report and the Distribution Report or as otherwise reasonably requested hereunder. Without limiting the generality of the foregoing, the Portfolio Manager shall use its commercially reasonable efforts to supply in a timely fashion any information maintained by it that the Collateral Administrator may from time to time reasonably request with respect to the Assets and reasonably needs to complete the reports required to be prepared by the Collateral Administrator hereunder or reasonably required to permit the Collateral Administrator to perform its obligations hereunder; provided that except with respect to information maintained by the Portfolio Manager, nothing herein shall oblige the Portfolio Manager to provide information that the Collateral Administrator maintains in the Collateral Database, or is otherwise readily accessible to the Collateral Administrator without unreasonable burden or expense.

(c) The Portfolio Manager shall review and, to its knowledge, verify the contents of reports, instructions and statements and shall send such reports, instructions and statements to the Issuer for execution, as necessary. To the extent any of the information in such reports, instructions or statements conflicts with data or calculations in the records of the Portfolio Manager, the Portfolio Manager shall notify the Collateral Administrator of such discrepancy and the Portfolio Manager and the Collateral Administrator shall each use reasonable commercial efforts in reconciling such discrepancy. The Collateral Administrator shall reasonably cooperate with the Portfolio Manager in connection with the Portfolio Manager's review of the contents of the aforesaid reports, instructions and statements and shall provide such items within its possession to the Portfolio Manager within a reasonably sufficient time (as agreed between the Portfolio Manager and the Collateral Administrator) prior to any applicable due date to enable such review. Upon reasonable request by the Collateral Administrator, the Portfolio Manager further agrees to provide the Collateral Administrator from time to time during the term of this Agreement, on a timely basis, any information in its possession relating to the Assets and any proposed purchases, sales or other dispositions thereof as to enable the Collateral Administrator to perform its duties hereunder; provided that, nothing in this Agreement shall be construed to require the Portfolio Manager to disclose non-public information in violation of applicable laws or any obligations of confidentiality undertaken by the Portfolio Manager for itself or on behalf of the Issuer.

(d) If, in performing its duties under this Agreement, the Collateral Administrator is required to decide between alternative courses of action (each of which is consistent with the provisions of this Agreement), the Collateral Administrator may request written instructions (or verbally, followed by written confirmation) from the Issuer or the Portfolio Manager as to the course of action desired by it; provided that, in the event of conflicting instructions, the instructions of the Portfolio Manager will prevail; provided further that except to the extent required by the Indenture or the Portfolio Management Agreement, the Portfolio Manager shall be under no obligation to provide such instructions. If the Collateral Administrator does not receive such instructions within two (2) Business Days after it has requested them, the Collateral Administrator may, but shall be under no duty to, take or refrain from taking any such courses of action; provided that the Collateral Administrator as promptly as possible notifies the Portfolio Manager and the Issuer which course of action, if any (or refrainment from taking any course of action), it has decided to take. The Collateral Administrator shall act in accordance with instructions received after such two (2) Business Days except (so long as it has provided the notice set forth in the prior sentence) to the extent it has already taken, or committed itself to take, action inconsistent with such instructions.

(e) The Collateral Administrator understands that the Issuer will grant, pursuant to the Indenture, all of its right, title and interest in, to and under this Agreement to the Trustee for the benefit and on behalf of the Secured Parties under the Indenture. The Collateral Administrator consents to such pledge and agrees that such pledge shall not release or limit its liabilities, obligations and duties hereunder and it shall perform any provisions of the Indenture applicable to it. The Collateral Administrator agrees that the Trustee shall be entitled to all of the Issuer's rights and benefits hereunder but shall not by reason of such pledge have any obligation to perform the Issuer's obligations hereunder, although it shall have the right to do so.

(f) The Issuer hereby appoints the Collateral Administrator (in such capacity the "Information Agent") to post certain information, and the Information Agent shall post such information provided to it in accordance with this Section 2(f), to the 17g-5 Website that it receives from any of the Transaction Parties on the same Business Day received, provided such information is received by Noon (New York time) or, if received after Noon (New York time), on the next Business Day. All such information to be posted must be provided to the Information Agent at bain_db_trustee@list.db.com and SEC.17g-5@db.com in an electronic format readable and uploadable (e.g., that is not locked or corrupted) and specify "Bain Capital Credit CLO 2023-2, Limited – 17g5". In the event that the Information Agent is unable to post such information to the 17g-5 Website because such transmission is not readable and/or uploadable, the Information Agent will notify the applicable party of such inability, and the Information Agent shall have no further obligations therefor. The Information Agent shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered to it by others for posting on the 17g-5 Website is accurate, complete or conforms to the Indenture or Rule 17g-5, and shall not be responsible or have any liability for any delay or failure to post information that is not in electronic format, readable and uploadable (e.g., that is not locked or corrupted). The Information Agent's responsibility with respect to the 17g-5 Website shall be limited to the specific obligations contained herein and to provide access to such information to each Rating Agency as provided in Section 14.16 of the Indenture in its capacity as Information Agent. The Information Agent shall not be responsible for maintaining the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of the Indenture, Rule 17g-5 or any other law or regulation. In no event

shall the Information Agent be deemed to make any representation with respect to the content of the 17g-5 Website or compliance of the 17g-5 Website with the Indenture, Rule 17g-5 or any other law or regulation.

(E) The Collateral Administrator shall populate fields in each Transparency Report where marked as "Collateral Administrator responsibility" in the list of data fields relating to the Transparency Reports set out in Exhibit A hereto. Any references herein to the Collateral Administrator's responsibility for populating information in the Transparency

Reports designated as a "Collateral Administrator responsibility" shall be deemed to be a reference to the Collateral Administrator providing information provided to, or otherwise in the possession of, the Collateral Administrator pursuant to this Agreement, including without limitation information maintained by the Collateral Administrator in the Collateral Database or otherwise provided to the Collateral Administrator by the Portfolio Manager, the Issuer, any Third Party Reporting Entity or, in respect of any Collateral, the related obligor (or agent, trustee or other similar party on behalf of on obligor) and/or others with respect to the Collateral. The Collateral Administrator shall populate each other field in each Transparency Report to the extent that it receives the required data from (or on behalf of) the relevant person, being (1) in the case of each field marked as "Portfolio Manager responsibility" in the list of data fields relating to the Transparency Reports set out in Exhibit A hereto, the Portfolio Manager, and (2) in the case of each field marked as "Findox responsibility" in the list of data fields relating to the Transparency Reports set out in Exhibit A hereto, the Issuer or any Third Party Reporting Entity.

(F) The Issuer shall provide the Collateral Administrator with (or procure the provision to it of) all of the inputs required to populate the fields marked as "Findox responsibility" in the list of data fields relating to the Transparency Reports set out in Exhibit A hereto.

(G) The parties hereto agree that Exhibit A hereto may be amended by agreement in writing between the Portfolio Manager, the Collateral Administrator and the Issuer and the prior written consent thereto of the Holders of the Notes will not be required. In addition, in the event the Transparency Requirements are revised to require less information to be reported in the Transparency Reports than originally contemplated by this Agreement, as determined by the Issuer and notified to the Collateral Administrator and the Portfolio Manager in writing, which notice shall specify the information that is no longer required to be included in the Transparency Reports, the form of the Transparency Reports may be modified to exclude such information that the Issuer determines is no longer required pursuant to the Transparency Requirements. In the event the Issuer determines, and notifies the Collateral Administrator and the Portfolio Manager in writing, that one or more Transparency Reports are no longer required pursuant to the Transparency Requirements, the obligation to compile and make available such relevant Transparency Reports shall terminate.

(H) The Issuer shall be entitled to appoint one or more Third Party Reporting Entities to provide services to the Issuer (where applicable, in conjunction with the Portfolio Manager and the Collateral Administrator) in connection with the Issuer's performance of its obligations with regard to the Transparency Requirements, provided that prior written notice of each such appointment is given to the Collateral Administrator. As of the date hereof, the Issuer hereby gives notice to the Collateral Administrator that it has appointed Findox for such purpose, including to populate fields and provide relevant data in each Transparency Report where marked as "Findox responsibility" in the list of data fields relating to the Transparency Reports set out in Exhibit A hereto. Any data to be provided to the Collateral Administrator by the Portfolio Manager, the Issuer or any Third Party Reporting Entity shall be (i) in the format agreed with the Collateral Administrator and such party and (ii) provided no later than the relevant Cut-off Date (in the case of the Issuer and the Portfolio Manager) and eight (8) Business Days following the relevant Cut-off Date (in the case of any Third Party Reporting Entity). The Collateral Administrator may rely without liability on any such data received from the Portfolio Manager,

the Issuer or any Third Party Reporting Entity (including Findox) and shall have no liability to verify the accuracy or completeness of such data.

(I) The Collateral Administrator shall be entitled to treat any such data received from any Third Party Reporting Entity (including Findox) as if such data was received from the Issuer or the Portfolio Manager, as applicable. The Collateral Administrator shall have no duty to verify, audit, re-compute, reconcile, recalculate or otherwise independently investigate the veracity, accuracy, genuineness or completeness of any such information, document or data, or its sufficiency for any purpose (including without limitation for purposes of, or for compliance with, the Transparency Requirements). The Collateral Administrator shall not be liable, and have no responsibility, for any failure to complete the Transparency Reports, the non-publication or late publication of the Transparency Reports or any errors in the Transparency Reports to the extent such failure, delay or error results from incomplete or incorrect data or any delay in data being provided to the Collateral Administrator from the Issuer, the Portfolio Manager, or any Third Party Reporting Entity (including Findox) or data not being provided in the format agreed with the Collateral Administrator.

(J) If the Collateral Administrator is uncertain as to how any data field in a Transparency Report should be populated, it may seek instructions from the Portfolio Manager or the Issuer and may rely without liability on any instructions received. If the Collateral Administrator does not receive such instructions within two Business Days after it has requested them, the Collateral Administrator may, but shall be under no duty to, take or refrain from taking any course of action. The Collateral Administrator shall act in accordance with instructions received after such two Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions.

(K) Once each Transparency Report has been prepared by the Collateral Administrator, the Collateral Administrator shall, following the relevant Quarterly Reporting Date, forward a draft of such Transparency Report to the Issuer, any relevant Third Party Reporting Entity and the Portfolio Manager for the Portfolio Manager's approval (without responsibility or liability to any third party, including any Holder of the Notes (or beneficial owner) or potential Holder of the Notes (or beneficial owner)) prior to uploading it to the Reporting Website or otherwise distributing it. To the extent received by the Portfolio Manager, the Portfolio Manager shall review the relevant Transparency Report and if it is satisfied with such Transparency Report, approve it, and upon receipt of such approval the Collateral Administrator shall make the relevant Transparency Report available in accordance with this Agreement. To the extent it is satisfied with the relevant Transparency Report, the Portfolio Manager will give written approval in sufficient time prior to the date on which the Issuer requires the Transparency Reports to be made available on the Reporting Website, in any event at least one Business Day prior to such date, and the Collateral Administrator shall not make each Transparency Report available until such approval has been received.

(L) Notwithstanding anything to the contrary herein or in any other Transaction Document, the Collateral Administrator shall be entitled to delegate any and all of its duties in relation to the preparation and publication of the Transparency Reports to any of its affiliates or any third party service providers (including third party software providers) and, in connection therewith, shall be entitled to disclose all data received from the Issuer, the Portfolio

Manager or any Third Party Reporting Entity (including Findox) to such affiliates and third parties. The Collateral Administrator shall not be liable for any such delegate provided it has exercised due care in its appointment.

(ii) Availability of Documentation.

(A) The Collateral Administrator, at the cost of the Issuer will make available (I) via the Reporting Website to any Person who provides a Website Certification to the Collateral Administrator that it is a Relevant Recipient or (II) to the Relevant Recipients, in such other manner as may be required or permitted by the Securitization Regulations (as instructed by the Issuer (or the Portfolio Manager on its behalf) and as agreed with the Collateral Administrator):

(1) without delay, upon the written instruction of the Issuer (or the Portfolio Manager on its behalf), each Inside Information Report and Significant Events Report delivered to the Collateral Administrator by the Issuer (or the Portfolio Manager on its behalf); and

(2) on the First Refinancing Date, copies of the relevant Transaction Documents as the same are required to be disclosed pursuant to each Securitization Regulation and the offering circular in final form as of the First Refinancing Date as compiled by the Issuer (or the Portfolio Manager on its behalf).

(B) The Issuer (or the Portfolio Manager on behalf of the Issuer) shall provide the Collateral Administrator with (or procure the provision of) any documentation to be posted on the Reporting Website pursuant to Section 2(g)(i) or this Section 2(g)(ii) (by email and in pdf format) and the relevant instructions in sufficient time prior to the date on which the Issuer requires such documentation to be made available on the Reporting Website, and in any event shall provide the Collateral Administrator with such documentation at least one (1) Business Day prior to such date. The Collateral Administrator shall have no responsibility for preparing any information to be included in, and no obligation to compile, any Inside Information Report or Significant Events Report, it being understood and agreed that the Collateral Administrator's sole obligation with respect to any Inside Information Report or Significant Events Report shall be to make such reports available via the Reporting Website upon delivery of such reports by the Issuer or the Portfolio Manager to the Collateral Administrator along with written instructions from the Issuer or the Portfolio Manager on behalf of the Issuer to make such reports available via the Reporting Website. The Issuer confirms that it will be solely responsible (in consultation with the Portfolio Manager) for handling and responding to any queries raised by Holders of the Notes or competent authorities having access to the documentation on the Reporting Website and agrees that the Collateral Administrator shall have no responsibility for dealing with any such queries, provided that, the Collateral Administrator shall notify the Issuer (or the Portfolio Manager on its behalf) of such queries.

(C) The Collateral Administrator shall not assume or have any responsibility or liability for monitoring or ascertaining whether any Person to whom it makes the information and/or reports and/or documentation available on the Reporting Website or by such other method of dissemination as is required or permitted by the Securitization Regulations (as instructed by the Issuer (or the Portfolio Manager on its behalf) and as agreed with the Collateral

Administrator) falls within the category of Persons permitted or required to receive such information, reports or documentation under the Transparency Requirements.

(D) The Collateral Administrator will not assume any responsibility for the Issuer's or any other Person's obligations as the entity responsible to fulfill the reporting or other obligations under the Transparency Requirements. In making reports available on the Reporting Website, the Collateral Administrator assumes no responsibility or liability to any third party, including the Holders of the Notes and any prospective Holders of the Notes, for their use or onward disclosure of any information, report or documentation on the Reporting Website, and the Collateral Administrator shall have the benefit of the powers, protections, indemnities and immunities granted to it under the Transaction Documents.

(E) The Collateral Administrator shall be entitled to rely conclusively on any Website Certification provided by a Relevant Person pursuant to Section 2(g)(i) or this Section 2(g)(ii) which it reasonably believes to be genuine and to have been signed or sent by the proper Person (which may be made electronically) and shall be entitled to assume that such Persons are the Persons to whom the information, reports and documentation should be made available on the Reporting Website and shall not be liable to anyone whatsoever for so relying, assuming or doing.

(F) Each of the Issuer and the Portfolio Manager acknowledge and agree that information, reports and documents posted on the Reporting Website shall be downloadable by any Person with access to the Reporting Website, including any potential investor in the Notes. Any reports, information or documentation uploaded to the Reporting Website may include disclaimers excluding the liability of the Collateral Administrator for the information provided therein.

(G) The Issuer (or the Portfolio Manager on its behalf) shall provide any necessary instructions to the Collateral Administrator in respect of the preparation and/or provision of the Transparency Reports. The Collateral Administrator shall be entitled to rely conclusively upon any instructions given or any determinations made by (and any determination by) the Issuer (or the Portfolio Manager on its behalf) regarding the same (and shall have no liability for actions taken (or forbearance from action undertaken) pursuant to and in accordance with such instructions or determinations), and shall have no obligation, responsibility or liability whatsoever for the provision of documentation, reports and information on the Reporting Website or by such method of dissemination as is required by the Securitization Regulations (as instructed by the Issuer (or the Portfolio Manager on its behalf) and as agreed with the Collateral Administrator), except to the extent that it fails to comply with any obligation imposed upon it hereunder. The Collateral Administrator shall not be responsible for monitoring or advising the Issuer or any other Person on their compliance with the Transparency Requirements.

(H) Neither the Collateral Administrator nor the Portfolio Manager (i) undertakes, or assumes any responsibility, directly to perform the Issuer's obligations with regard to the Transparency Requirements, (ii) except as expressly provided otherwise in any Transaction Document, shall have any duty to verify, investigate or audit any information or data, or to determine or monitor on an independent basis the veracity, accuracy or completeness of any documentation, in each case provided to it by any other person in connection with its performance

of its obligations hereunder, or (iii) assumes any responsibility or liability to the Holders of the Notes, any potential investor in the Notes or any other person in respect of the performance, or any non-performance, by the Issuer of its obligations with regard to the Transparency Requirements. In connection with its performance of its obligations hereunder, each of the Collateral Administrator and the Portfolio Manager shall have the benefit of the powers, protections and indemnities granted to it under the Transaction Documents. Any reports or other documentation made available in connection with the Transparency Requirements may include disclaimers excluding liability of the Collateral Administrator and the Portfolio Manager for the information provided therein.

(iii) Collateral Administrator Resignation and Replacement – Transparency Requirements.

(A) Notwithstanding anything to the contrary in this Agreement, the Collateral Administrator shall be entitled to resign from its obligations to prepare the Transparency Reports and perform its other duties set forth in this Section 2(g) relating to the Transparency Requirements (the "Reporting Agent Duties"); provided that any such resignation or termination of appointment of the Collateral Administrator shall be only in respect of the Collateral Administrator's obligations to perform the Reporting Agent Duties under this Agreement and shall be without prejudice to the Collateral Administrator's other obligations under the Transaction Documents which shall not be affected by any such resignation or termination. No termination of the appointment of the Collateral Administrator to perform the Reporting Agent Duties shall be effective until the date on which a successor Reporting Agent reasonably acceptable to the Issuer and the Portfolio Manager (such acceptance not to be unreasonably withheld or delayed) has agreed in writing to assume all of the Collateral Administrator's Reporting Agent Duties; provided that such termination shall be effective without such successor Reporting Agent if such Reporting Agent Duties are not required under the Securitisation Regulations. If a Reporting Agent does not take office within 90 days of notice of resignation of the Collateral Administrator to perform such Reporting Agent Duties, the Collateral Administrator, the Issuer, or the Portfolio Manager may petition a court of competent jurisdiction for the appointment of a successor Reporting Agent. For the purposes of this Section 2(g)(iii), "Reporting Agent" shall mean any agent appointed by or on behalf of the Issuer to deliver and/or make available the documents, reports and other information to the Relevant Recipients in fulfillment of the Issuer's obligations in respect of the Transparency Requirements and to perform the other Reporting Agent Duties.

(B) In addition, the Issuer may (with the consent and assistance of the Portfolio Manager) by notice in writing to the Collateral Administrator at any time: (i) if the Issuer has reasonable grounds to believe (following consultation with the Collateral Administrator) that the Collateral Administrator will fail or be unable to perform the Reporting Agent Duties (and any notice given in respect of this sub-paragraph (i) shall include a description of the Issuer's grounds for such belief) or (ii) following the occurrence of a default, failure or inability of the Collateral Administrator to perform the Reporting Agent Duties which has not been cured within five days of the occurrence of such default, failure or inability to perform, assume itself or appoint another third party to assume the obligations of the Collateral Administrator to perform the Reporting Agent Duties.

Section 3. Compensation and Expenses.

The Collateral Administrator will perform the Services as described herein for such compensation as set forth in a separate fee letter. The Collateral Administrator shall be entitled to receive, on each Distribution Date, the amounts as set forth in such separate fee letter and reimbursement for all reasonable out of pocket expenses incurred by it in the course of performing its obligations hereunder in the order specified in the Priority of Distributions as set forth in Section 11.1 of the Indenture. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Collateral Administrator's agents, counsel, accountants and experts. The payment obligations to the Collateral Administrator pursuant to this Section 3 shall survive the termination of this Agreement.

Section 4. Limitation of Responsibility of the Collateral Administrator; Indemnification.

(a) The Collateral Administrator will have no responsibility under this Agreement other than to render the services expressly called for hereunder without bad faith, willful misconduct or gross negligence in the performance of its duties hereunder.

(b) The Collateral Administrator shall incur no liability to anyone in acting upon any signature, instrument, statement, notice, resolution, request, direction, consent, order, certificate (including Website Certifications), report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties.

(c) Subject to the provisions of Section 14, the Collateral Administrator may exercise any of its powers hereunder or perform any duties hereunder either directly or by or through agents, accountants or attorneys; provided that the Collateral Administrator shall not be responsible for any misconduct or gross negligence on the part of any non-affiliated agent, non-affiliated accountants or non-affiliated attorney appointed with due care by it hereunder;

(d) Neither the Collateral Administrator nor any of its Affiliates, directors, officers, shareholders, agents or employees will be liable to the Portfolio Manager, the Co-Issuers, the Secured Parties, the Holders of the Notes or any other Person, except by reason of acts or omissions by the Collateral Administrator constituting bad faith, willful misconduct or gross negligence in the performance of the Collateral Administrator's duties hereunder.

(e) The Collateral Administrator shall in no event have any liability for the actions or omissions of the Co-Issuers, the Portfolio Manager, the Trustee (if not the same Person as the Collateral Administrator) or any other Person, and shall have no liability for any inaccuracy or error in any duty performed by it that results from or is caused by inaccurate, untimely or incomplete information or data received by it from the Co-Issuers, the Portfolio Manager, the Trustee (if not the same Person as the Collateral Administrator) or another Person, except to the extent that such inaccuracies or errors are caused by the Collateral Administrator's own bad faith, willful misconduct or gross negligence in the performance of its duties hereunder. The Collateral Administrator shall not be liable for failing to perform or delay in performing its specified duties hereunder which results from or is caused by a failure or delay on the part of the Co-Issuers, the Portfolio Manager, the Trustee (if not the same Person as the Collateral Administrator) or another Person in furnishing necessary, timely and accurate information to the Collateral Administrator

except to the extent that any failure or delay is caused by the Collateral Administrator's own bad faith, willful misconduct or gross negligence in the performance of its duties hereunder.

(f) The duties and obligations of the Collateral Administrator and its agents shall be determined solely by the express provisions of this Agreement and they shall not be under any obligation or duty except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants shall be read into this Agreement against them. The Collateral Administrator may consult with and shall be entitled to rely on the advice of legal counsel and independent accountants in performing its duties hereunder and shall be protected and deemed to have acted in good faith if it acts in accordance with such advice.

(g) The Collateral Administrator may rely conclusively on any notice, certificate (including Website Certifications) or other document (including, without limitation, telecopier or electronically transmitted instructions, documents or information) furnished to it hereunder and reasonably believed by it in good faith to be genuine and to be signed or provided by the proper party or parties. The Collateral Administrator shall not be liable for any action taken by it in good faith and reasonably believed by it to be within the discretion or powers conferred upon it, or taken by it pursuant to any direction or instruction by which it is governed hereunder, or omitted to be taken by it by reason of the lack of direction or instruction required hereby for such action.

(h) The Collateral Administrator shall not be bound to make any investigation into the facts or matters stated in any certificate (including Website Certifications), report or other document; provided that if the form thereof is prescribed by this Agreement, the Collateral Administrator shall examine the same to determine whether it conforms on its face to the requirements hereof.

(i) The Collateral Administrator shall not be deemed to have knowledge or notice of any matter unless a Trust Officer has actual knowledge of such matter or received written notice in accordance with this Agreement or the Indenture.

(j) Anything in this Agreement to the contrary notwithstanding, in no event shall the Collateral Administrator or the Portfolio Manager be liable for indirect, punitive, special or consequential damages of any kind whatsoever (including, but not limited to, lost profits) under or pursuant to this Agreement, or arising out of or relating to the subject matter hereof, even if the Collateral Administrator or the Portfolio Manager, as the case may be, has been advised of the likelihood of such loss or damage and regardless of the form of action. It is expressly acknowledged by the Issuer and the Portfolio Manager that application and performance by the Collateral Administrator of its various duties hereunder (including recalculations to be performed in respect of the matters contemplated hereby) shall, in part, be based upon, and in reliance upon, data and information provided to it by the Issuer or the Portfolio Manager on behalf of the Issuer, or the Trustee with respect to the Collateral.

(k) Notwithstanding anything herein and without limiting the generality of any terms of this Section 4, the Collateral Administrator shall have no liability to the extent of (i) any actions or omissions, any failure, delay, inability or unwillingness on the part of the Issuer or the Portfolio Manager, or the Trustee (but only if not the same Person as the Collateral Administrator), or other such Persons to provide accurate and complete information on a timely basis to the Collateral

Administrator, or otherwise on the part of any such party to comply with the terms of this Agreement, the Indenture, the Portfolio Management Agreement, or any related agreement as specifically required of such party therein, (ii) any failure, delay, inaccuracy or error in the performance or observance of the Collateral Administrator's part of any of its duties hereunder that is caused by or results from any such inaccurate, incomplete or untimely information or data received by it or any failure or delay on the part of the Issuer, the Portfolio Manager, the Trustee (but only if not the same Person as the Collateral Administrator), or other such Persons to perform as specifically required of such party in the Transaction Documents, or (iii) any expense, loss, damage, demand, charge or claim resulting from or caused by events or circumstances beyond the reasonable control of the Collateral Administrator including, without limitation, the interruption, suspension or restriction of trading on or the closure of any securities markets, power or other mechanical or technological failures or interruptions, computer viruses, communications disruptions, work stoppages, natural disasters, fire, war, pandemics, epidemics, terrorism, riots, rebellions, or other similar acts.

(l) The Collateral Administrator shall not be bound to follow any amendment, modification, supplement or waiver to the Indenture or any other Transaction Documents to which the Collateral Administrator is a party until it has received written notice of such amendment, modification, supplement or waiver and a copy thereof from the Issuer or the Portfolio Manager; provided that the Collateral Administrator shall not be bound by any amendment, modification, supplement or waiver to the Indenture that adversely affects the Services, liabilities or other obligations of the Collateral Administrator or adversely affects the compensation of the Collateral Administrator unless the Collateral Administrator shall have consented thereto. The Issuer agrees that it shall not permit any amendment, modification, supplement or waiver to the Indenture that materially adversely affects the obligations of the Collateral Administrator or adversely affects or otherwise modifies the compensation of the Collateral Administrator to become effective unless the Collateral Administrator has been given prior written notice of such amendment, modification, supplement or waiver and has consented thereto.

(m) The Issuer shall, and hereby agrees to, indemnify, defend and hold harmless the Collateral Administrator and its Affiliates, directors, officers, shareholders, agents and employees from any and all losses, damages, liabilities, demands, charges, costs, expenses (including the reasonable fees and expenses of counsel and other experts) and claims of any nature in respect of, or arising from any acts or omissions performed or omitted by the Collateral Administrator, its Affiliates, directors, officers, shareholders, agents or employees pursuant to or in connection with the terms of this Agreement, or in the performance or observance of its duties or obligations under this Agreement; provided that such acts or omissions are without bad faith, willful misconduct or gross negligence in the performance of the Collateral Administrator's duties hereunder. For the avoidance of doubt, all indemnities payable under this subsection shall be payable only in accordance with the order specified in the Priority of Distributions as set forth in Section 11.1 of the Indenture.

(n) [Reserved].

(o) The Collateral Administrator shall, and hereby agrees to, indemnify, defend and hold harmless the Issuer and its directors, officers, shareholders and employees with respect to all losses, damages, liabilities, demands, charges, costs, expenses (including the reasonable fees and

expenses of counsel) and claims of any nature in respect of, or arising out of any acts or omissions performed or omitted by the Collateral Administrator constituting bad faith, willful misconduct or gross negligence in the performance of the Collateral Administrator's duties hereunder.

(p) Nothing herein shall obligate the Collateral Administrator to independently determine whether any Asset complies with the Indenture including, without limitation, whether it is eligible to constitute an Asset or to determine the type thereof (including any Defaulted Obligation), any such determination being based exclusively upon notification it receives from the Issuer or the Portfolio Manager. Further, nothing herein shall impose or imply any duty or obligation on the part of the Collateral Administrator to verify, investigate or audit any such information or data, or to determine or monitor on an independent basis whether any issuer of the securities included in the Assets is in default or in compliance with underlying instruments governing or securing such Assets, the role of the Collateral Administrator hereunder being solely to perform only those functions as particularly described herein and in Schedule A hereof.

(q) None of the provisions of this Agreement shall require the Collateral Administrator to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of the Services, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services under this Agreement; provided, however, that no indemnity will be required for any such expense, disbursement or advance as may be attributable to the Collateral Administrator's gross negligence, willful misfeasance or bad faith.

(r) Notwithstanding anything to the contrary set forth herein or in the Indenture, in no event shall the Collateral Administrator, its Affiliates, directors, officers, shareholders, agents and employees be liable to the Co-Issuers, the Portfolio Manager, the Trustee, the Holders of the Notes or any other Person in connection with any information made available on or through the 17g-5 Website by any Person including, without limitation, information, if any, provided by the Collateral Administrator in its capacity as Information Agent, other than information provided by it solely for posting on the 17g-5 Website which is determined in a court of law, by a final judicial decision not subject to appeal, to be willfully and intentionally misleading. The Issuer acknowledges and agrees that in the event that the Collateral Administrator becomes subject to liability under this Section 4(r), any such liability will be determined subject to Section 4(j) above and the Collateral Administrator will be entitled to indemnification by the Issuer in accordance with this Section 4.

(s) This Section 4 shall survive the termination or assignment of this Agreement and the resignation or removal of the Collateral Administrator.

Section 5. Independence of the Collateral Administrator.

For all purposes of this Agreement, the Collateral Administrator shall be an independent contractor and shall not be subject to the supervision of the Issuer or the Portfolio Manager with respect to the manner in which it accomplishes the performance of its obligations hereunder. Unless expressly authorized by the Issuer or the Portfolio Manager, the Collateral Administrator

shall have no authority to act for or represent the Issuer or the Portfolio Manager in any way and shall not otherwise be deemed an agent of the Issuer or the Portfolio Manager.

Section 6. No Joint Venture.

Nothing contained in this Agreement (i) shall constitute the Collateral Administrator, the Portfolio Manager or the Issuer, respectively, as members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (ii) shall be construed to impose any liability as such on any of them or (iii) shall be deemed to confer on any of them any express, implied or apparent authority to incur any obligation or liability on behalf of the others.

Section 7. Other Activities of Collateral Administrator and Portfolio Manager.

(a) Nothing herein shall prevent the Collateral Administrator, the Portfolio Manager or their respective Affiliates from engaging in other businesses or, in its sole discretion, from acting in a similar capacity as a collateral administrator or collateral manager, respectively, for any other person or entity even though such person or entity may engage in business activities similar to or competitive with those of the Issuer.

(b) In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act of the United States, as amended from time to time ("Applicable Law"), the Collateral Administrator is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Collateral Administrator. Accordingly, each of the parties to this Agreement agrees to provide to the Collateral Administrator upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Collateral Administrator to comply with Applicable Law.

Section 8. Term of Agreement.

This Agreement shall continue in force until the termination of the Indenture in accordance with its terms, upon which event this Agreement shall automatically terminate, provided that the Portfolio Manager and the Collateral Administrator shall be released from the performance of their respective future obligations hereunder upon such party's ceasing to act as Portfolio Manager or Collateral Administrator, as applicable, in accordance with this Agreement or the Portfolio Management Agreement, as applicable.

Section 9. Resignation and Removal of Collateral Administrator.

(a) Subject to Section 9(e), the Collateral Administrator may resign its duties hereunder by providing the Issuer and the Portfolio Manager with at least ninety (90) days' prior written notice.

(b) Subject to Section 9(e), the Issuer or the Portfolio Manager may remove the Collateral Administrator without cause by providing the Collateral Administrator with at least ninety (90) days' prior written notice.

(c) Subject to Section 9(e), the Issuer or the Portfolio Manager may remove the Collateral Administrator immediately upon written notice of termination from the Issuer or the Portfolio Manager to the Collateral Administrator if any of the following events shall occur:

(i) the Collateral Administrator shall default in the performance of any of its duties under this Agreement and, after notice of such default, shall not cure such default within ten (10) days (or, if such default cannot be cured in such time, shall not give within ten (10) days such assurance of cure as shall be reasonably satisfactory to the Issuer or the Portfolio Manager);

(ii) the Collateral Administrator is dissolved (other than pursuant to a consolidation, amalgamation or merger in which the Collateral Administrator is the surviving entity or, if the Collateral Administrator is not the surviving entity, the surviving entity agrees in writing to assume the duties and obligations of the Collateral Administrator hereunder) or has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger in which the Collateral Administrator is the surviving entity or, if the Collateral Administrator is not the surviving entity, the surviving entity agrees in writing to assume the duties and obligations of the Collateral Administrator hereunder);

(iii) a court having jurisdiction in the premises shall enter a decree or order for relief, and such decree or order shall not have been vacated within sixty (60) days, in respect of the Collateral Administrator in any involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for the Collateral Administrator or any substantial part of its property or order the winding up or liquidation of its affairs; or

(iv) the Collateral Administrator shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, shall consent to the entry of an order for relief in an involuntary case under any such law, shall consent to the appointment of a receiver, liquidator, assignee, trustee, custodian, sequestrator or similar official for the Collateral Administrator or any substantial part of its property, shall consent to the taking of possession by any such official of any substantial part of its property, shall make any general assignment for the benefit of creditors or shall fail generally to pay its debts as they become due.

The Collateral Administrator agrees that if any of the events specified in clauses (ii), (iii) or (iv) of this Section 9(c) shall occur, it shall give written notice thereof to the Issuer and the Portfolio Manager within three (3) Business Days after the happening of such event.

(d) The parties hereto agree that upon any resignation or removal of Deutsche Bank National Trust Company as Trustee under the Indenture, the effectiveness thereof shall likewise immediately and automatically be deemed to constitute a resignation or removal, as the case may be, of Deutsche Bank National Trust Company as Collateral Administrator under this Agreement and the Issuer (or the Portfolio Manager on its behalf) may replace the Collateral Administrator.

(e) No resignation or removal of the Collateral Administrator pursuant to this Section 9 shall be effective until (i) a successor collateral administrator shall have been appointed by the Issuer (or the Portfolio Manager on its behalf) and (ii) such successor collateral administrator shall have agreed in writing to be bound by the terms of this Agreement in the same manner as the Collateral Administrator is bound hereunder. If a successor collateral administrator does not take office within sixty (60) days after the retiring Collateral Administrator resigns or is removed, the retiring Collateral Administrator, the Issuer, the Portfolio Manager or the Holders of a Majority of the Controlling Class may petition a court of competent jurisdiction for the appointment of a successor collateral administrator; provided, however, if a successor trustee has been appointed and the Issuer (or the Portfolio Manager on its behalf) has not found a successor collateral administrator, the successor trustee shall automatically become the successor collateral administrator under this Agreement. Any such successor trustee shall be required to agree to assume the duties of the Collateral Administrator under the terms and conditions of this Agreement in its acceptance of appointment as successor trustee.

(f) Any successor to the Portfolio Manager shall be bound automatically by the terms and provisions of this Agreement upon becoming the successor collateral manager.

Section 10. Action upon Termination, Resignation or Removal of the Collateral Administrator.

Promptly upon the effective date of termination of this Agreement pursuant to Section 8 or the resignation or removal of the Collateral Administrator pursuant to Sections 9(a), (b) or (c), respectively, the Collateral Administrator shall be entitled to be paid all expenses accruing to it to the date of such termination, resignation or removal in accordance with the Priority of Distributions set forth in Section 11.1 of the Indenture. The Collateral Administrator shall forthwith deliver to, or as directed by, the Issuer upon such termination pursuant to Section 8 or such resignation or removal of the Collateral Administrator pursuant to Sections 9(a), (b) or (c), all property and documents of or relating to the Assets then in the custody of the Collateral Administrator, and the Collateral Administrator shall cooperate with the Issuer, the Portfolio Manager and any successor collateral administrator, and take all reasonable steps requested to assist the Issuer in making an orderly transfer of the duties of the Collateral Administrator.

The Collateral Administrator shall perform the following functions from time to time:

(i) Create, within thirty (30) days of the First Refinancing Date, a collateral database of certain characteristics of the Assets (to the extent required to calculate the Concentration Limitations, Collateral Quality Tests and Coverage Tests and other computations as mandated under the Indenture and otherwise as reasonably agreed by the Collateral Administrator and the Portfolio Manager, acting in good faith) composed of, among other things, the Collateral Obligations, Restructuring Loans, Equity Securities and Eligible Investments credited from time to time to the Accounts (the "Collateral Database").

(ii) Update, in a timely fashion, the Collateral Database to reflect changes to the characteristics of the Assets identified by the Portfolio Manager (or otherwise of which a Trust Officer of the Collateral Administrator has actual knowledge) as well as any purchases, sales or other dispositions of Collateral Obligations or Eligible Investments, in each case such information regarding purchases, sales or other dispositions being based upon information furnished to the Collateral Administrator by the Issuer or the Portfolio Manager pursuant to the Indenture or Portfolio Management Agreement, or as may be reasonably required by the Collateral Administrator from time to time.

(iii) Provide the Issuer and/or the Portfolio Manager with any information contained in the Collateral Database in electronic format or such other information within the possession of the Collateral Administrator, at such times and in such format and with such scope of information as are reasonably agreed upon by the Issuer or the Portfolio Manager and the Collateral Administrator.

(iv) Track the receipt and daily allocation to the Accounts of Interest Proceeds and Principal Proceeds and any withdrawals therefrom and, on each Business Day, provide to the Portfolio Manager daily reports reflecting balances of the Accounts as of the close of business on the preceding Business Day.

(v) Prepare and make available to the parties required under the Indenture each Monthly Report required to be prepared pursuant to Section 10.7(a) of the Indenture and each Distribution Report required to be prepared pursuant to Section 10.7(b) of the Indenture, in each case by the time specified in the Indenture and in accordance with the procedures set forth therein and on the basis of the information contained in the Collateral Database or provided to the Collateral Administrator by the Portfolio Manager, the Issuer or the Trustee. The Collateral Administrator shall provide the Portfolio Manager with drafts of each Monthly Report and each Distribution Report within a reasonably sufficient time (as agreed between the Portfolio Manager and the Collateral Administrator) prior to any applicable due date to enable review thereof.

(vi) Compile (on the basis of the information contained in the Collateral Database or provided to the Collateral Administrator by the Portfolio Manager, the Issuer or the Trustee) and make available to the parties required under the Indenture the Effective Date Report.

(vii) Prepare and provide on the 17g-5 Website available to each Rating Agency a collateral file on the Assets within the portfolio as of the date of the most recent Monthly Report as required by the Indenture.

(viii) Reasonably cooperate with the Issuer or the Portfolio Manager in providing each Rating Agency with such additional information in the possession of the Collateral Administrator (or that is readily accessible to the Collateral Administrator) as may be reasonably requested by each Rating Agency under Section 10.10 of the Indenture.

(ix) Reasonably cooperate with the Independent accountants appointed by the Issuer by providing information in the possession of the Collateral Administrator necessary for the preparation by such accountants of the information, reports or certificates required under Section 10.9 of the Indenture.
