Section 1.2. Usage of Terms. With respect to all terms in this Indenture, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to "writing" include printing, typing, lithography and other means of reproducing words in a visible form; references to agreements and other contractual instruments include all amendments, modifications and supplements thereto or any changes therein entered into in accordance with their respective terms and not prohibited by this Indenture; references to Persons include their permitted successors and assigns; and the term "including" means "including without limitation."

Section 1.3. Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Notes shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (including Current Pay Obligations and DIP Collateral Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the

Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Collateral Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.7(b)(v), Article XII and the definition of "Interest Coverage Ratio", the expected interest on the Secured Notes and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations and determinations made on a "*pro forma basis*" or to the extent such Class of Notes is the "Controlling Class" shall mean such calculations and determinations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to the Defaulted Obligation Balance.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation", then the Current Pay Obligations with the lowest Market Value (expressed as a percentage of the outstanding principal balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Tests.

(i) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation as of the date of such sale or other disposition until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case

of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(j) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be *rounded* to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be *rounded* to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(k) Except as expressly set forth in this Indenture, the "principal balance" and "outstanding principal balance" of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation shall include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(m) Any reference herein to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of the actual number of days in the applicable Interest Accrual Period *divided* by 360 and shall be based on the aggregate face amount of the Assets.

(n) To the extent of any ambiguity in the interpretation of any definition or term contained herein or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Manager may direct the Collateral Administrator or the Collateral Administrator may, but shall not be obligated to, request direction from the Collateral Manager, as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(o) For purposes of calculating the Collateral Quality Tests, DIP Collateral Obligations will be treated as having a S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(p) For purposes of calculating compliance with any tests under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(q) For all purposes where expressly used in this Indenture, the "principal balance" and "outstanding principal balance" shall exclude capitalized interest, if any.

(r) For purposes of the calculation of the Interest Coverage Tests, the Minimum Floating Spread Test and the Minimum Weighted Average Coupon Test,

Interest Proceeds on any asset contributed to a Permitted Subsidiary shall be included net of the actual or anticipated taxes paid or payable with respect thereto.

(s) For the purposes of the definition of Collateral Obligation, the reference to the "purchase" of an obligation shall include the purchase of an obligation with cash, the receipt of an obligation by the Issuer in connection with a Contribution and the receipt of a new obligation in connection with the redemption and re-issuance of an obligation in a cashless roll where the redemption proceeds with respect to the Collateral Obligation being redeemed are "rolled" into the new obligation.

(t) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(u) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication) from the Collateral Manager on which the Trustee and the Collateral Administrator may rely.

(v) Except as expressly referred to herein to the contrary, the equity interest in any Permitted Subsidiary permitted under this Indenture and each asset of any such Permitted Subsidiary, but without duplication with respect to any required calculations, shall be deemed to constitute an Asset and shall be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture (other than for Tax purposes) and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(w) To the fullest extent permitted by applicable law and notwithstanding anything to the contrary contained in this Indenture, whenever herein the Collateral Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Collateral Manager shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Issuer, Holders or any other Person. The intent of granting authority to act in its "discretion" to the Collateral Manager is that no other express consent of another party is required to be obtained by the Collateral Manager when acting pursuant to such grant of authority under this Indenture; *provided* that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Collateral Manager.

At any time, the Issuer, the Collateral Manager ~~or~~, the Placement Agent or the Initial Purchaser may request a list of Holders as reflected in the Register from the Registrar.

In addition, the Issuer, the Trustee and the Collateral Manager shall be entitled to rely conclusively upon any certificate of ownership provided to the Trustee by a beneficial owner of a Note (including a Beneficial Ownership Certificate) and/or other forms of reasonable evidence of such ownership as to the names and addresses of such beneficial owner and the Classes, principal amounts and CUSIP numbers of Notes beneficially owned thereby. At any time, upon request of the Issuer, the Collateral Manager ~~or~~, the Placement Agent or the Initial Purchaser, the Trustee shall provide such requesting Person a copy of each Beneficial Ownership Certificate that the Trustee has received; provided, however, the Trustee shall have no obligation or duty to verify information with respect to such Beneficial Ownership Certificate and shall only be required to retain copies of such documents presented to it.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in a form reasonably satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause the Issuer to become subject to the requirement that it register as an investment company under the 1940 Act.

(c) No transfer of any ERISA Restricted Note (or any interest therein) will be effective if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of any class of the ERISA Restricted Notes would be held by Persons who have represented that they are Benefit Plan Investors. For purposes of these calculations and all other calculations required by this sub-section, (A) any Notes of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person, the Trustee, the Collateral Manager, the Retention Provider, the Placement Agent, the Initial Purchaser or any of their respective affiliates (other than those interests held by a Benefit Plan Investor) shall be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person shall include any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. The Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.5 and only Notes that a Bank Officer of the Trustee actually knows to be so held shall be so disregarded. In addition, no Global ERISA Restricted Notes (other than Global ERISA Restricted Notes (x) purchased from the Issuer as part of the initial offering on the Closing Date or the First Refinancing Date, as applicable, or (y) transferred to accounts managed by the Collateral Manager or its affiliates (other than any Benefit Plan Investor) following the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer and the Collateral Manager) may be held by or transferred to a Benefit Plan Investor or Controlling Person and each beneficial owner of a Global ERISA Restricted Note acquiring its interest in the ERISA Restricted Notes in the initial offering on the Closing Date or the First Refinancing Date, as applicable, shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto.

(d) Each subsequent transferee of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to have agreed to comply with Section 2.12.

substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same and the Issuer if such certificate does not comply with such terms.

(m) Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose whatsoever.

(n) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Trustee impose additional transfer restrictions on the Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of a Note to make representations to the Issuer in connection with such compliance.

(o) The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on the information set forth on the face of any transferor and transferee certificate delivered pursuant to this Section 2.5 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(p) For the avoidance of doubt, notwithstanding anything in this Indenture to the contrary, the Placement Agent or the Initial Purchaser may hold a position in a Regulation S Global Note prior to the distribution of the applicable Notes represented by such position.

(q) Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

(r) [Reserved].

Section 2.6. Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Issuer shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Issuer in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount (and, with respect to the Class C Notes and the Class D Notes, any Deferred Interest thereon, as applicable, as described below)

thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below; *provided* that, for the avoidance of doubt, with respect to any payment of interest on a Redemption Date, such interest shall be determined in accordance with the calculation above solely for the period from, and including, the first day of such Interest Accrual Period through, but excluding, such Redemption Date; *provided further* that, with respect to any Interest Accrual Period during which a Re-Pricing has occurred, the applicable Interest Rate of any Re-Priced Class shall reflect the applicable Re-Pricing Rate from and including, the applicable Re-Pricing Date. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the Class C Notes or the Class D Notes, any payment of interest due on the Class C Notes or the Class D Notes which is not available to be paid in accordance with the Priority of Payments on any Payment Date ("Deferred Interest") shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date or the Re-Pricing Date, as applicable, with respect to the Class C Notes or the Class D Notes, as applicable, and (iii) the Stated Maturity of the Class C Notes or the Class D Notes, as applicable. Deferred Interest on the Class C Notes or the Class D Notes, as applicable, shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date or Re-Pricing Date, as applicable, with respect to the Class C Notes or the Class D Notes, as applicable, and (ii) which is the Stated Maturity of the Class C Notes or the Class D Notes, as applicable. Regardless of whether any Priority Class is Outstanding with respect to the Class C Notes or the Class D Notes, as applicable, to the extent that funds are not available on any Payment Date (other than the Redemption Date or the Re-Pricing Date with respect to, or Stated Maturity of, the Class C Notes or the Class D Notes, as applicable) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A-1 Notes, or if no Class A-1 Notes are Outstanding, any Class A-2 Notes, or if no Class A-1 Notes or Class A-2 Notes are Outstanding, any Class B Notes, or if no Class A-1 Notes, Class A-2 Notes or Class B Notes are Outstanding, any Class C Notes, or if no Class A-1 Notes, Class A-2 Notes, Class B Notes or Class C Notes are Outstanding, any Class D Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to

Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date or Re-Pricing Date, as applicable), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Article IX.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States Tax Person or the appropriate IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States Tax Person) or other certification acceptable to it to enable the Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation (including, without limitation, any cost basis reporting obligations) and the delivery of any information required to prevent the Issuer from being subject to withholding and to determine if payments by the Issuer are subject to withholding. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes (including any amounts deducted on account of FATCA). Nothing herein shall be construed to obligate the Paying Agent or the Trustee to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of Secured Notes and any payment with respect to any Subordinated Note shall be made by the Trustee or by a Paying Agent in Dollars (i) to DTC or its designee with respect to a Global Secured Note or Global Subordinated Note, to a Dollar account maintained by DTC or its nominee with respect to a Global Secured Note or a Global Subordinated Note and (ii) to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds; provided that in the case of a Certificated Note (1) the Holder thereof shall have provided written wiring instructions to the Trustee and the Paying Agent on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of any Notes, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the

Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that if the Trustee and the Issuer shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. None of the Issuer, the Trustee, the Collateral Manager nor any Paying Agent will have any responsibility or liability for any aspects of the records (or for maintaining, supervising or reviewing such records) maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Secured Note or Global Subordinated Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee in the name and at the expense of the Issuer shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Secured Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or Re-Pricing Date, as applicable, shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer under the Notes and the Transaction Documents are limited recourse obligations of the Issuer, payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer hereunder or in connection herewith after

such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, manager, trustee, beneficial owner, partner, member, employee, shareholder, authorized Person or incorporator of the Issuer, the Collateral Manager, the Retention Provider or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or this Indenture or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

(k) Currency Conversion Provisions. The Issuer hereby directs the Trustee, and pursuant to such direction the Trustee shall, exchange any amounts received in the Euro Interest Collection Subaccount at the Applicable FX Rate into U.S. Dollars on the Business Day following receipt of such amounts. The Issuer (or the Collateral Manager on its behalf) shall direct the Trustee to exchange any amounts received in the Euro Principal Collection Subaccount (other than amounts designated for reinvestment pursuant to the terms of this Indenture) at the Applicable FX Rate into U.S. Dollars. The Trustee shall exchange amounts received in the Euro Principal Collection Subaccount on the Business Day following receipt of direction from the Issuer (or Collateral Manager on its behalf).

Section 2.8. Persons Deemed Owners. The Issuer, the Trustee and any agent of the Issuer or the Trustee shall treat as the owner of each the Notes the Person in whose name such Notes are registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Notes and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Trustee or any agent of the Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9. Cancellation. All Notes surrendered for payment, cancellation pursuant to Section 9.7, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, gift, donation or other cause or event) except for payment as provided herein, for cancellation pursuant to Section 9.7 or for registration of transfer, exchange or redemption in accordance with Article IX hereof (in the case of a Special Redemption or a mandatory redemption, only to the extent that such Special Redemption or mandatory redemption results in payment in full of the applicable Class

of Notes), or for replacement in connection with any Note deemed lost or stolen. Any Notes surrendered for cancellation as permitted by this Section 2.9 shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.10. DTC Ceases to be Depository. (a) A Global Secured Note or Global Subordinated Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x) (i) DTC notifies the Issuer that it is unwilling or unable to continue as depository for such Global Secured Note or Global Subordinated Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Issuer within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Secured Note or Global Subordinated Note.

(b) Any Global Secured Note or Global Subordinated Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Secured Note or Global Subordinated Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Secured Note or Global Subordinated Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Secured Note or Global Subordinated Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (B) of sub-section (a) of this Section 2.10, the Issuer will promptly make available to the Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Secured Notes or Global Subordinated Notes as required by sub-section (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Secured Note or Global Subordinated Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Secured Note or Global Subordinated Note) as if

corresponding Certificated Notes had been issued; *provided* that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership.

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11. Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere herein, (x) any transfer of a beneficial interest in any Secured Note to a U.S. person that is not a QIB/QP (other than a U.S. person that is an Institutional Accredited Investor and is also a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser)) and (y) any transfer of a beneficial interest in any Subordinated Note to a U.S. person that is not (A) a Qualified Institutional Buyer or an Accredited Investor and (B) a Qualified Purchaser, a Knowledgeable Employee with respect to the Issuer, Collateral Manager or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is either a Qualified Purchaser or a Knowledgeable Employee with respect to the Issuer or Collateral Manager shall be null and void and any such purported transfer of which the Issuer or the Trustee shall have notice may be disregarded by the Issuer and the Trustee for all purposes.

(b) If (w) any U.S. person that is not a QIB/QP (other than a U.S. person that is an Institutional Accredited Investor and is also a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser)) shall become the Holder or beneficial owner of an interest in any Secured Note or (x) any U.S. person that is not both (i) a Qualified Institutional Buyer or an Accredited Investor and also (ii) a Qualified Purchaser, a Knowledgeable Employee with respect to the Issuer or the Collateral Manager or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is either a Qualified Purchaser or a Knowledgeable Employee with respect to the Issuer or the Collateral Manager shall become the Holder or beneficial owner of an interest in a Subordinated Note or (y) any non-U.S. person that is not a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) shall become the holder or beneficial owner of an interest in any Note (any such Person a "Non-Permitted Holder"), the acquisition of such Note by such holder shall be null and void *ab initio*. The Issuer shall, promptly after discovery that such Person is a Non-Permitted Holder by the Issuer or the Trustee or upon notice to the Issuer from the Trustee (if a Bank Officer of the Trustee obtains actual knowledge), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in such Notes to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such

Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. (d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes Benefit Plan Investors to hold 25% or more of the value of any class of the ERISA Restricted Notes (any such Person a "Non-Permitted ERISA Holder"), the Issuer shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer or upon notice to the Issuer from the Trustee (if a Bank Officer of the Trustee obtains actual knowledge), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest in such Note to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its interest in such Notes, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Non-Permitted ERISA Holder's interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by the Issuer in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee

The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(b) Each time that the Collateral Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment or other investment, the Collateral Manager (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment or other investment is required to be, but has not already

been, transferred to the relevant Account, cause the Collateral Obligation, Eligible Investment or other investment to be Delivered to the Account Bank to be held in the Custodial Account (or in the case of an Eligible Investment, in the Account in which the funds used to purchase the investment are held in accordance with Article X) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other investment so acquired, including all interests of the Issuer in to any contracts related to and proceeds of such Collateral Obligation, Eligible Investment or other investment.

ARTICLE IV.

Section 4.1. Satisfaction and Discharge of Indenture. This Indenture shall be discharged and shall cease to be of further effect except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Notes, (iii) rights of Holders to receive payments of principal thereof and interest thereon, (iv) the rights and immunities of the Trustee hereunder and the obligations set forth in Section 4.2, (v) the rights, obligations and immunities of the Collateral Manager hereunder and under the Collateral Management Agreement, (vi) the rights and immunities of the Collateral Administrator under the Collateral Administration Agreement and (vii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture) when:

(a) either:

(i) all Notes theretofore authenticated and delivered to Holders (other than (A) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 and (B) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3) have been delivered to the Trustee for cancellation; or

(ii) all Notes not theretofore delivered to the Trustee for cancellation (A) have become due and payable, or (B) will become due and payable at their Stated Maturity within one year, or (C) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Issuer pursuant to Section 9.4 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or non-callable direct obligations of the United States of America; *provided* that the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "Aaa" by Moody's and "AAA" by S&P, in an amount sufficient, as recalculated in an Accountants'

Report by a firm of Independent certified public accountants which are nationally recognized, to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable), or to their Stated Maturity or Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority and free of any adverse claim, as applicable, and shall have furnished an Opinion of Counsel with respect thereto; *provided* that this sub-section (ii) shall not apply if an election to act in accordance with the provisions of Section 5.5(a) shall have been made and not rescinded, it being understood that the requirements of this clause (a) may be satisfied as set forth in Section 5.7;

(b) the Issuer has paid or caused to be paid all other sums then due and payable hereunder (including, without limitation, any amounts then due and payable pursuant to the Collateral Administration Agreement and the Collateral Management Agreement, in each case, without regarding to the Administrative Expense Cap) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer, it being understood that the requirements of this clause (b) may be satisfied as set forth in Section 5.7(b); and

(c) the Issuer has delivered to the Trustee Officers' certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Issuer, the Trustee, the Collateral Manager and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1, 14.10, 14.11, 14.12 and 14.16 shall survive.

Section 4.2. Application of Trust Money. All Cash and obligations deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent, as the Trustee may determine; and such Cash and obligations shall be held in a segregated account identified as being held in trust for the benefit of the Secured Parties.

Section 4.3. Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Issuer, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4. Liquidation of Assets. (a) In the event of the liquidation of the Assets as specified in accordance with Article V and the net proceeds from such liquidation and all

available Cash has been used for the payment of (or establishment of a reserve for) all Administrative Expenses (in the same manner and order of priority in the definition thereof), Aggregate Collateral Management Fees and interest and principal on the Secured Notes so that the Secured Notes have been redeemed and paid in full, the Subordinated Notes will become the Controlling Class and the holders of the Subordinated Notes will have all rights of the holders of the Controlling Class under this Indenture. In addition, the holders of the Subordinated Notes, as the holders of the Controlling Class, would be able to cause the satisfaction and discharge of this Indenture.

(b) To the extent the Assets are liquidated as specified in Article V herein in any way and the net proceeds from such liquidation and all available Cash has been used for the payment of (or establishment of a reserve for) all Administrative Expenses (in the same manner and order of priority in the definition thereof), Aggregate Collateral Management Fees and interest and principal on the Secured Notes so that the Secured Notes have been redeemed and paid in full, any excess amounts shall be paid on the Subordinated Notes pursuant to Section 11.1(a) and if such amounts are insufficient to pay the Subordinated Notes in full or there are no excess amounts to pay on the Subordinated Notes, the Subordinated Notes shall be deemed to be redeemed and paid in full, unless such Subordinated Notes were previously redeemed or repaid prior thereto as otherwise described herein.

ARTICLE V.

REMEDIES

Section 5.1. Events of Default. "Event of Default", wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class A Note, Class B Note or, if there are no Class A Notes Outstanding or Class B Notes Outstanding, any interest on any Secured Note in the Class then comprising the Controlling Class, and in each case, the continuation of any such default for five Business Days after a Bank Officer of the Trustee has actual knowledge or receives written notice from any holder of Notes of such payment default or (ii) any principal of, or interest or Deferred Interest on, or any Redemption Price (including without limitation any Class A-1 Optional Redemption Make-Whole Amount) in respect of, any Secured Note at its Stated Maturity or any Redemption Date; *provided* that the failure to effect any Optional Redemption which is withdrawn by the Issuer in accordance with this Indenture or with respect to which any Refinancing fails to occur shall not constitute an Event of Default and *provided further* that, solely with respect to clause (i) above, in the case of a failure to disburse funds due to an administrative error or omission by the Collateral Manager, Trustee, Collateral Administrator or any Paying Agent, such failure continues for seven Business Days after a Bank Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission; *provided further*, that, in the case of

a default in the payment of any interest on any Notes on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement of sale for such asset prior to the applicable Redemption Date and (C) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date, then, upon certification to the Trustee from the Issuer (or the Collateral Manager on its behalf) of the occurrence of such event, such default will not be an Event of Default unless such failure continues for 30 calendar days after such Redemption Date;

(b) the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.$100,000 in accordance with the Priority of Payments and continuation of such failure for a period of ten Business Days or, in the case of a failure to disburse due to an administrative error or omission by the Trustee, the Collateral Administrator or any Paying Agent, such failure continues for five Business Days after a Bank Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission;

(c) any of the Issuer or the Assets becomes an investment company required to be registered under the 1940 Act and such requirement has not been eliminated after a period of 45 days;

(d) except as otherwise provided in this Section 5.1, a material breach of any other covenant of the Issuer herein (other than any failure to satisfy any of the Concentration Limitations, Collateral Quality Tests or Coverage Tests, or other covenants or agreements for which a specific remedy has been provided hereunder), or the failure of any material representation or warranty of the Issuer made herein or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in each case in all material respects when the same shall have been made which breach or failure has a material adverse effect on the Holders of the Notes, and the continuation of such breach or failure for a period of 45 days after notice to the Issuer and the Collateral Manager by the Trustee (at the direction of a Supermajority of the Controlling Class) or to the Issuer, the Collateral Manager and the Trustee by the Holders of at least a Supermajority of the Controlling Class in each case, by registered or certified mail or overnight delivery service, specifying such breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; *provided* that the delivery of a certificate or other report which corrects any inaccuracy contained in a previous report or certification shall be deemed to cure such inaccuracy as of the date of delivery of such updated report or certificate and any and all inaccuracies arising from continuation of such initial inaccurate report or certificate and the sale or other disposition of any asset that did not at the time of its acquisition satisfy clause (a) of the Investment Criteria shall cure any breach or failure arising therefrom as of the date of such failure;

(e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer as bankrupt or insolvent, or approving as properly filed a petition

seeking reorganization, arrangement, adjustment or composition of the Issuer under the Bankruptcy Code or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;

(f) the institution by the Issuer of Proceedings to have the Issuer adjudicated as bankrupt or insolvent, or the consent of the Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or the filing by the Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Code or any other similar applicable law, or the consent by the Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or of any substantial part of its property, respectively, or the making by the Issuer of an assignment for the benefit of creditors, or the admission by the Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer in furtherance of any such action; or

(g) on any Measurement Date as of which the Class A-1 Notes are Outstanding, failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to (1) the Collateral Principal Amount *plus* (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1 Notes, to equal or exceed 102.5%.

Upon a Responsible Officer's (or a Bank Officer's, in the case of the Trustee) obtaining knowledge of the occurrence of an Event of Default, each of (i) the Issuer, (ii) the Trustee and (iii) the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Bank Officer of the Trustee, the Trustee shall promptly (and in no event later than three Business Days thereafter) notify the Holders (as their names appear on the Register), each Paying Agent and the Rating Agency (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2. Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee may, and shall, upon the written direction of a Supermajority of the Controlling Class, by notice to the Issuer and the Rating Agency, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling

Class by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) The Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Issuer and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Aggregate Collateral Management Fees then due and owing and any other amounts then payable by the Issuer hereunder prior to such Administrative Expenses and such Aggregate Collateral Management Fees.

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have:

(A) been cured; and

(I) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A Notes or the Class B Notes or in the case of an Event of Default specified in Section 5.1(g), the Holders of at least a Majority of the Class A Notes, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld); *provided* that no Class of Secured Notes (other than the Class A Notes) shall have any rights pursuant to this subclause (I), regardless of whether any such Class subsequently becomes the Controlling Class; or

(II) in the case of any other Event of Default, the Holders of at least a Majority of each Class of Secured Notes (voting separately by Class), in each case, by written notice to the Trustee, has agreed with such determination (which agreement shall not be unreasonably withheld); or

(B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. The Trustee shall promptly give written notice of any such rescission to the Rating Agency.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Notes will not be subject to acceleration by the Trustee solely as a result of the failure to pay any amount due on the Secured Notes that are not of the Controlling Class other than any failure to pay interest due on the Class B Notes.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Issuer will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of the Supermajority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement herein or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or any other obligor upon the Secured Notes under the Bankruptcy Code or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand

pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Secured Holders allowed in any Proceedings relative to the Issuer or to the creditors or property of the Issuer;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Holders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of Notes and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Notes to make payments to the Trustee, and, if the Trustee shall consent to the making of payments directly to the Holders of Secured Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Holders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Holders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuer agrees that the Trustee may, and shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Supermajority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof; provided that the Trustee shall promptly give written notice of any such sale of Assets to the Rating Agency;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Notes, which may be the Placement Agent or the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation

or warranty, the breach of which gave rise to the Event of Default under Section 5.1(d), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Issuer, the Trustee and the Holders of the Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Issuer, any Permitted Subsidiary, the Trustee, the Secured Parties or the Holders may, prior to the date which is one year and one day (or if longer, any applicable preference period and one day) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer or any Permitted Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or any Permitted Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee or (ii) from commencing against the Issuer or any Permitted Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5. Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein (but subject to the right of the Collateral Manager to direct the Trustee to sell Collateral Obligations or Equity Securities in strict compliance with Section 12.1), if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the

reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and due and unpaid Aggregate Collateral Management Fees) and a Supermajority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A Notes, the Holders of at least a Supermajority of the Class A Notes (so long as the Class A Notes are Outstanding) direct the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default); *provided* that no Class of Secured Notes (other than the Class A Notes) shall have any rights to direct the sale and liquidation of the Assets pursuant to this clause (ii), regardless of whether any such Class subsequently becomes the Controlling Class;

(iii) in the case of an Event of Default specified in Section 5.1(e), (f) or (g) of the definition of such term, the Holders of at least a Supermajority of the Class A Notes direct the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default); provided that no Class of Secured Notes (other than the Class A Notes) will have any rights to direct the sale and liquidation of the Assets pursuant to the provisions of this Indenture as described in this clause (iii), regardless of whether any such Class becomes the Controlling Class; or

(iv) in the case of each other Event of Default, the Holders of at least a Supermajority of each Class of Secured Notes (in each case, voting separately by Class) direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist. In the event that a liquidation of the Assets is effected pursuant to clause (i), (ii), (iii) or (iv) above, the Trustee shall use reasonable efforts to notify the Rating Agency.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Asset from two nationally recognized dealers (as

specified by the Collateral Manager in writing) at the time making a market in such Assets and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Asset. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to each Asset from one nationally recognized dealer at the time making a market in such Assets, the Trustee shall compute the anticipated proceeds of the sale or liquidation on the basis of such one bid price for each such Asset. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and conclusively rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

(d) The Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Supermajority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

(e) Prior to the sale of any Assets in connection with Section 5.5(a), the Trustee shall offer the Collateral Manager or an Affiliate thereof the right to purchase the Asset being sold by the Trustee at a price equal to the highest bid price received by the Trustee in accordance with Section 5.5(c) (or if only one bid price is received, such bid price). The Collateral Manager or an Affiliate thereof shall have the right to bid on any Assets sold in any sale pursuant to this Section 5.5.

Section 5.6. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7. Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV. Furthermore, upon such liquidation and final distribution, the Subordinated Notes shall be deemed to be redeemed and paid in full, even if amounts paid pursuant to Section 11.1(a) are insufficient to pay the Subordinated Notes in full as set forth in Section 4.4(b).

Section 5.8. Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity to the Trustee, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Secured Holders to Receive Principal and Interest. Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Classes of Notes still Outstanding shall have no right to institute Proceedings or, except as otherwise expressly set forth in Section 5.8(b), to request the Trustee to institute proceedings for the enforcement of any such payment

until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Issuer, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13. Control by Supermajority of Controlling Class. A Supermajority of the Controlling Class shall have the right following the occurrence, and during the continuance, of an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with an indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes representing the requisite percentage

of the Aggregate Outstanding Amount of Notes specified in Section 5.4 and/or Section 5.5.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in the payment of interest on any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of any such Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.19 (which may be waived only by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Rating Agency, the Collateral Manager and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner

whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants set forth in, the performance of, or any remedies under this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired (subject to Section 5.5(e) in the case of sales pursuant to Section 5.5) until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Holders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be

bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18. Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer.

ARTICLE VI.

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities of the Trustee. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth herein, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage or Class as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-section shall not be construed to limit the effect of sub-section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Bank Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary incidental services, including mailing of notices under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), (f) or (g) unless a Bank Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made herein to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, forward such notice to the Holders (as their names appear in the Register).

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) The Trustee is hereby directed to accept and acknowledge the Risk Retention Letter and the First Refinancing Risk Retention Letter. The Trustee shall have no responsibility to monitor any obligation under the Risk Retention Letter or the First Refinancing Risk Retention Letter.

Section 6.2. Notice of Event of Default by Trustee. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Bank Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Collateral Manager, the Rating Agency, and all Holders, as their names and addresses appear on the Register, notice of all Event of Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, electronic communication, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties, any electronically signed document delivered via electronic mail or other transmission method from a person purporting to be a Responsible Officer shall be considered signed or executed by such Responsible Officer on behalf of the applicable Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto, any electronically signed document delivered via electronic mail or other transmission method from a person purporting to be a Responsible Officer shall be considered signed or executed by such Responsible Officer on behalf of the applicable Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section

10.9), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in Assets of the type being valued, securities quotation services, loan pricing services and loan valuation agents;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise, enforce or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of the Rating Agency shall (subject to the right hereunder to be indemnified to its reasonable satisfaction for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Issuer and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Issuer's or the Collateral Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through Affiliates, agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent appointed or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, electronic communication, certificate or information received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants identified in the Accountants' Report (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream, or any other clearing agency or depository and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Account Bank or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Account Bank, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, protections, benefits, immunities and indemnities provided in the Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated herein shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Bank Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer or this Indenture. Whenever reference is made herein to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph. Notwithstanding anything to the contrary contained herein, (i) until so notified or until a Bank Officer of the Trustee obtains actual knowledge that a Collateral Obligation has become a Defaulted Obligation, the Trustee shall not be deemed to have any notice or knowledge that a Collateral Obligation has become a Defaulted Obligation and (ii) the Trustee shall not be responsible for determining or overseeing compliance with the definition of "Eligible Investments";

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, epidemics or pandemics, government mandated closures, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) to the extent not inconsistent herewith, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Bank in each of its capacities under the Transaction Documents and also to the Collateral Administrator; *provided* that, with respect to the Collateral Administrator, such protections, rights, immunities and indemnities shall be in addition to any protections, rights, immunities and indemnities provided in the Collateral Administration Agreement;

(t) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third party or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(u) none of the Collateral Administrator, the Calculation Agent or the Trustee shall have any liability or responsibility for (i) the monitoring or determination of the

unavailability or the cessation of the Benchmark, (ii) the determination (other than, in the case of the Calculation Agent, the calculation of such rate once such applicable rate has been selected and adopted pursuant to the provisions of this Indenture), selection or verification of an Alternative Rate, a Fallback Rate, or an alternative base rate (including, without limitation, whether any such rate is an Alternative Rate or a Fallback Rate or whether a Benchmark Replacement Date or a Benchmark Transition Event has occurred, or any other conditions to the designation of such rate have been satisfied), (iii) the determination or selection of any Base Rate Modifier or any other modifier thereto, or (iv) the determination or selection of any methodology or conventions for the calculation of an Alternative Rate (which, for example, may include operational, administrative or technical parameters for compounding such Alternative Rate). None of the Collateral Administrator, the Trustee or the Calculation Agent shall have any liability for any failure or delay in performing its duties under this Indenture or the other Transaction Documents as a result of the unavailability of a "Term SOFR" rate as described in the definition thereof, or as a result of the Collateral Manager's failure or delay in selecting or designating a non-Term SOFR reference rate or timely proposing an Alternative Rate, Fallback Rate or other alternative base rate;

(v) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) Unless the Trustee receives written notice of an error or omission related to financial information or disbursement provided to holders within 90 days of holders' receipt of the same, the Trustee shall have no liability in connection with such and, absent direction by the requisite percentage of holders entitled to direct the Trustee, no further obligations in connection thereof. In no event shall the Bank be obligated to take any action at any time at the request or direction of any Person unless such Person shall have offered the Bank indemnity reasonably satisfactory to it;

(y) neither the Trustee nor the Collateral Administrator will be under any obligation to (i) confirm or verify whether the conditions to the Delivery of the Assets have been satisfied or to determine whether or not a Collateral Obligation is eligible for purchase hereunder or meets the criteria in the definition thereof or whether the conditions for an exchange transaction in Section 12.2(g) have been satisfied or (ii) evaluate the sufficiency of the documents or instruments delivered to the Trustee by or on behalf of the Issuer in connection with the Grant by the Issuer to the Trustee of any item

constituting the Assets or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with the applicable requirements of and restrictions on transfer of a Collateral Obligation;

(z) the Trustee shall have no obligation to determine the E.U./U.K. Retained Interest or verify or monitor whether an E.U./U.K. Retention Deficiency has occurred or whether the E.U. Securitization Laws, the U.K. Securitization Laws or the U.S. Risk Retention Rules have been or will be complied with; and

(aa) in order to comply with the laws, rules, regulations, and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering including Section 326 of the USA PATRIOT Act of the United States ("Applicable Law"), the Trustee is required to obtain, verify, record, and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

Section 6.4. Trustee Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Issuer; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Issuer of the Notes or the proceeds thereof or any Money paid to the Issuer pursuant to the provisions hereof.

Section 6.5. Trustee May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement of the Trustee . (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, any costs related to FATCA compliance, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorneys' fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Trustee is a party only as provided in Sections 11.1(a)(i), (ii) and (iii) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If, on any date when a fee or an expense shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing against the Issuer or any of its subsidiaries, of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or, if longer, the

applicable preference period then in effect and one day, after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or Section 5.1(f), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a long term issuer rating of at least "BBB-" by S&P and having an office within the United States; *provided* that, if the Trustee, or its successor's rating at any time is below the minimum rating or capitalization requirement as set forth in this sentence, the Trustee (x) shall promptly notify the Issuer and the Collateral Manager and (y) may retain its eligibility if it obtains or has obtained (i) a confirmation from the Rating Agency that the Rating Agency's then-current rating of the Class A Notes will not be downgraded or withdrawn by reason of the Trustee's rating or capitalization or (ii) a written waiver or other written acknowledgement (which may be evidenced by an exchange of electronic messages or facsimiles) from the Rating Agency that it will not review the Rating Agency's then current rating of the Notes in such circumstances. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Trustee Resignation and Removal; Appointment of Successor Trustee. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) Subject to Section 6.9(a), the Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Issuer, the Collateral Manager, the Holders of the Notes and the Rating Agency. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by a Responsible Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; *provided* that such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Notes of each Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been

appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days written notice by Act of a Majority of each Class of Notes or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuer. In addition, the Issuer may remove the Trustee at any time without advance notice and without the consent of any Holders or any other person if (i) a termination notice is provided with respect to any agreement between the Bank and the Clearing Bank, (ii) any agreement between the Bank and the Clearing Bank is amended without the consent of the Issuer or (iii) the Clearing Bank defaults in its obligations under any agreement between the Bank and the Clearing Bank.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Issuer, by Issuer Order, shall promptly appoint a successor Trustee. If the Issuer shall fail to appoint a successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Trustee or any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by providing written notice of such event to the Collateral Manager, to the Rating Agency and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuer fails to provide such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuer. If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Account Bank, Paying Agent, Calculation Agent, Collateral Administrator, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10. Acceptance of Appointment by Successor Trustee. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Issuer and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuer or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees. At any time or times, the Issuer and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to written notice to the Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer does not

join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Issuer be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer. The Issuer agrees to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of the Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify the Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee receives notice from the Collateral Manager or the Collateral Administrator that a payment has not been received with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice such payment shall have been received by the

Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Collateral Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement or under this Indenture, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any Person into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any Person succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor Person.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services,

and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Trustee as Representative for Secured Holders Only; Trustee as Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset are all undertaken by the Trustee in its capacity as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17. Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent, Account Bank, Calculation Agent, Collateral Administrator and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to

enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank.

ARTICLE VII.

COVENANTS

Section 7.1. Payment of Principal and Interest. The Issuer will duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under any Notes shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Issuer hereby appoints the Trustee as a Paying Agent for payments on the Notes, and appoints the Trustee as Transfer Agent at its applicable Corporate Trust Office as the Issuer's agent where Notes may be surrendered for registration of transfer or exchange. The Issuer hereby appoints CT Corporation System, 28 Liberty Street, New York, NY 10005, as its agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided* that (x) the Issuer will maintain in the Borough of Manhattan, the City of New York, an office or agency where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities. The Issuer shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Issuer shall give prompt written notice to the

Trustee, the Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at, notices and demands may be served on the Issuer, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office, and the Issuer hereby appoints the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3. Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Issuer shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Issuer shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article XI.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided* that so long as the Notes of any Class are rated by the Rating Agency, with respect to any additional or successor Paying Agent, either (i) such Paying Agent meets the minimum rating provided in Section 6.8 or (ii) the S&P Rating Condition is satisfied. If such successor Paying Agent ceases to meet the minimum rating provided in Section 6.8, the Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee

and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4. Existence of the Issuer. (a) The Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as a statutory trust formed under the laws of the State of Delaware, and shall obtain and preserve its qualification to do business as a foreign entity in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided* that the Issuer shall be entitled to change its jurisdiction of formation from the State of Delaware to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee by the Issuer, which notice shall be promptly forwarded by the Trustee to the Holders, the Collateral Manager and to the Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer (i) shall ensure that all organizational or other formalities regarding its existence (including, if required, holding regular meetings of the board of directors, trustees, beneficial owners, managers, shareholders and partners, as applicable, or other similar meetings) are followed and (ii) shall not have any employees (other than its directors, managers, trustees and partners to the extent they are employees). The Issuer shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (A) the Issuer shall not have any subsidiaries (other than any subsidiary that (x) meets the then-current general criteria of the Rating Agency for bankruptcy remote entities; (y) is formed for the sole purpose of holding (I) assets that, if held directly by the Issuer, would cause the Issuer to be engaged, or deemed to be engaged, in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis (any such subsidiary, an "ETB Subsidiary") or (II) Collateral Obligations issued by obligors resident in the United Kingdom or Ireland that, if acquired directly by the Issuer, would result in the imposition of withholding tax by the United Kingdom or Ireland (a "Non-U.S. Obligation Subsidiary" and, together with any ETB Subsidiary, a "Permitted Subsidiary"), which Non-U.S. Obligation Subsidiary is organized under the laws of Luxembourg; and (z) includes customary "non-petition" and "limited recourse" provisions in any agreement to which it is a party); and (B) (x) the Issuer shall not (1) except as contemplated by the Collateral Management Agreement or the Trust Agreement, engage in any transaction with any shareholder or holder of trust interests that would constitute a conflict of interest or (2) pay dividends or distributions other than in accordance with the terms of this Indenture and the Trust Agreement and (y) the Issuer shall (1) maintain books and records separate from any other Person, (2) maintain its accounts separate from those of any other Person, (3) not commingle its assets with those of any other Person, (4) conduct its own business in its own name, (5) maintain separate financial statements, (6) pay its own liabilities out of its own funds, (7) maintain an arm's length relationship with its Affiliates, (8) use separate stationery, invoices and checks, (9) hold itself out as a separate Person, (10) correct any known misunderstanding regarding its separate identity

and (11) have at least one Independent Manager that is Independent of the Collateral Manager.

~~Section 7.13.~~ So long as the Listed Notes remain Outstanding, the Issuer shall use all reasonable efforts to maintain listing on the Cayman Islands Stock Exchange (and/or any other listing obtained in respect of the Listed Notes).

Upon the cancellation of Listed Notes in accordance with the provisions of Section 2.9, the Trustee shall arrange for notice of such cancellation to be delivered to the Cayman Islands Stock Exchange, so long as any Listed Notes are listed thereon and the guidelines of such exchange so required.

Section 7.14. Annual Rating Review. (a) So long as any of the Secured Notes of any Class remain Outstanding, on or before December 31 in each year commencing in 2024, the Issuer shall obtain and pay for an annual review of the rating of each such Class of Secured Notes from the Rating Agency. Section 7.16. Calculation Agent. (a) The Issuer hereby agrees that for so long as any Secured Notes remain Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or portion thereof) in accordance with the terms hereof (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, in respect of any Interest Accrual Period, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. At such time, the Calculation Agent will communicate such rates and amounts to the Issuer, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent shall notify the Issuer before 5:00 p.m. (New

York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or portion thereof) will (in the absence of manifest error) be final and binding upon all parties. Neither the Trustee nor the Calculation Agent shall have any liability or responsibility for the determination (other than the calculation of such rate once such applicable rate has been selected), selection or verification of an alternative base rate (including, without limitation, whether any such rate is an Alternative Rate or whether the conditions for the designation of such rate have been satisfied). The Trustee, the Collateral Administrator and the Calculation Agent shall be entitled to rely upon the Collateral Manager's designation of any such rate and shall have no liability for any failure or delay in performing its duties under the Indenture as a result of the unavailability of a reference rate as described herein or therein, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager and the Term SOFR Administrator, in providing any direction, instruction, notice or information required or contemplated by the terms of the Indenture and reasonably required for the performance of such duties.

Each Holder or beneficial owner of Subordinated Notes or any Class of Secured Notes that is characterized as equity in the Issuer for U.S. federal income tax purposes (each such Note, a "Partnership Interest" and each such Holder or beneficial owner, a "Partner") agrees to treat the Issuer as a partnership and this Indenture as part of the Issuer's partnership agreement for purposes of Subchapter K and any related provisions of the Code and Treasury Regulations.

(b) The Issuer shall treat (i) the Secured Notes as indebtedness of the Issuer for U.S. federal, state and local income and franchise tax purposes, except as otherwise required by law and (ii) the Subordinated Notes as equity in the Issuer for U.S. federal, state and local income and franchise tax purposes.

(c) The Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority; *provided*, *however*, that the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof, except with respect to any ETB Subsidiary, taking the position that it is engaged in a trade or business within the United States for U.S. federal income tax purposes unless it shall have obtained an Opinion of Counsel prior to such filing that, under the laws of such jurisdiction, the Issuer should file such tax return.

(d) If the Issuer has purchased an interest and the Issuer is aware that such interest is a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of a Subordinated Note (or any Class of Secured Notes that is characterized as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is

required to be obtained by such Holder under the Code as soon as practicable after such request.

(e) Notwithstanding anything herein to the contrary, the Collateral Manager, the Issuer, the Trustee, the Collateral Administrator, the Placement Agent, the Initial Purchaser, the Retention Provider, the Holders and beneficial owners of the Notes and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Issuer, the Trustee, the Collateral Administrator, the Placement Agent, the Initial Purchaser, the Retention Provider or any other party to the transactions contemplated by this Indenture, the Offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

(f) Upon the Issuer's receipt of a request of (i) the Trustee or Paying Agent, (ii) a Holder of a Secured Note or (iii) written request of a Person certifying that it is an owner of a beneficial interest in a Secured Note (including, in each case, Holders and beneficial owners of any Additional Notes issued hereunder) for the information described in Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause its Independent certified public accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information. Any additional issuance of Notes shall be accomplished in a manner that will allow the Independent certified public accountants of the Issuer to accurately calculate original issue discount income to holders of the Additional Notes. Upon request by the Independent accountants, the Trustee shall provide to the Independent accountants information reasonably available to it as reasonably requested by the Independent accountants to comply with this Section 7.17, including information contained in the Register.

(g) If required to prevent the withholding and imposition of United States income tax on payments made to the Issuer, the Issuer shall deliver or cause to be delivered an IRS Form W-8IMY or applicable successor form certifying as to the non-United States Tax Person status of the Issuer, together with any other tax certifications or agreements, to each issuer or Obligor of or counterparty with respect to an Asset at the time such Asset is purchased or entered into by the Issuer and thereafter prior to the obsolescence or expiration of such form.

(h) In the event that the Issuer becomes a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes, the Issuer will provide, or cause its Independent accountants to provide, a Holder of the Subordinated Notes (or any Class of Secured Notes that is characterized as equity for U.S. federal income tax purposes) upon written request and, upon written request therefor in the form of Exhibit C certifying that it is a holder of a beneficial interest in a Subordinated Note (or any Class of Secured Notes that is characterized as equity for U.S. federal income tax purposes), to such

beneficial owner (or its designee)~~, (i)~~ any ~~information that such Holder or beneficial owner reasonably requests to assist such Holder or beneficial owner with regard to filing requirements that such Holder or beneficial owner is required to satisfy as a result of the passive foreign investment company rules under the Code, including (if applicable and reasonably available to the Issuer) a "PFIC Annual Information Statement" as described in Treasury Regulations Section 1.1295-1, and (ii) all other~~ information reasonably requested by such Holder or beneficial owner, and reasonably available to the Issuer, to satisfy such Holder's or beneficial owner's U.S. tax information and reporting obligations.

(i) If so requested by a Majority of the Subordinated Notes, and if such Holders agree to reimburse the Issuer for all costs associated with such election, the Issuer is authorized to make (or hire accountants to make) an election under Section 754 of the Code.

(j) (i) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Partner in accordance with Section 704(b) of the Code and Treasury Regulations Section 1.704-1(b)(2)(iv).

(ii) For capital account purposes, all items of income, gain, loss and deduction shall be allocated among the Partners in a manner such that, if the Issuer were dissolved, its affairs wound up, its assets sold for their respective "book values" (within the meaning of Treasury Regulations Section 1.704-1(b)(2)(iv)) and its liabilities satisfied in full (except that nonrecourse liabilities with respect to an asset shall be satisfied only to the extent that such nonrecourse liabilities do not exceed the book value of such asset) and its assets distributed to the Partners in accordance with their respective capital account balances immediately after making such allocation, such distributions would, as nearly as possible, be equal to the distributions that would be made pursuant to the provisions of this Indenture. Any special allocations provided for in Section 7.17(j)(iv)-(vii) shall be taken into account for capital account purposes. For U.S. federal, state and local income tax purposes, items of income, gain, loss, deduction and credit shall be allocated to the Partners in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17(j), except that items with respect to which there is a difference between tax and book basis will be allocated in accordance with Section 704(c) of the Code and Treasury Regulations Section 1.704-1(b)(4)(i).

(iii) The provisions of this Section 7.17(j) relating to the maintenance of capital accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such regulations. The Partnership Representative shall be authorized to make appropriate amendments to the allocations of items pursuant to this Section 7.17(j) if necessary in order to comply with Section 704 of the Code or the appropriate provisions of Treasury Regulations.

(iv) Notwithstanding any other provision set forth in this Section 7.17(j), no item of deduction or loss shall be allocated to a Partner to the extent the allocation would cause a negative balance in the Partner's capital account (after taking into account the adjustments, allocations and distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6)) that exceeds the amount that such Partner would be required to reimburse the Issuer pursuant to this Indenture or under applicable law. In the event some but not all of the Partners would have such excess capital account deficits as a consequence of such an allocation of loss or deduction, the limitation set forth in this Section 7.17(j)(iv) shall be applied on a Partner by Partner basis so as to allocate the maximum permissible deduction or loss to each such Partner under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). In the event any loss or deduction is specially allocated to a Partner pursuant to either of the two preceding sentences, an equal amount of income of the Issuer shall be specially allocated to such Partner prior to any allocation pursuant to Section 7.17(j)(ii).

(v) In the event any Partner unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6), items of Issuer income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate as quickly as possible any deficit balance in its capital account in excess of that permitted under Section 7.17(j)(iv) created by such adjustments, allocations or distributions. Any special allocations of items of income or gain pursuant to this Section 7.17(j)(v) shall be taken into account in computing subsequent allocations pursuant to this Section 7.17(j)(v) so that the net amount of any items so allocated and all other items allocated to each Partner pursuant to this Section 7.17(j)(v) shall, to the extent possible, be equal to the net amount that would have been allocated to each such Partner pursuant to the provisions of this Section 7.17(j) if such unexpected adjustments, allocations or distributions had not occurred.

(vi) In the event the Issuer incurs any nonrecourse liabilities, income and gain shall be allocated in accordance with the "minimum gain chargeback" provisions of Treasury Regulations Sections 1.704-1(b)(4)(iv) and 1.704-2.

(vii) The capital accounts of the Partners shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) to reflect the fair market value of Issuer property whenever a Partnership Interest is relinquished to the Issuer, whenever an additional Person becomes a Partner as permitted under this Indenture, upon any termination of the Issuer within the meaning of Section 708 of the Code, and when the Issuer is liquidated as permitted under this Indenture, and shall be adjusted in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(e) in the case of a distribution of any property (other than cash).

(k) The Initial Majority Subordinated Noteholder shall be the "partnership representative" for purposes of Section 6223 of the Code, as amended by the Bipartisan

Budget Act of 2015 (the "Partnership Representative") (or, if not eligible to be the Partnership Representative, as agent-in-fact of the Partnership Representative). and may designate the Partnership Representative from time to time from among any willing Holder of Subordinated Notes (including itself and any of its Affiliates) with respect to any taxable year of the Issuer during which the Initial Majority Subordinated Noteholder or any of its Affiliates holds or has held any Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative); provided, that during any other period or if the Initial Majority Subordinated Noteholder declines to so designate a Partnership Representative, the Issuer (after consultation with the Collateral Manager) shall designate the Partnership Representative from among any Holder of Subordinated Notes (excluding the Initial Majority Subordinated Noteholder and its Affiliates) (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative). The Partnership Representative (or, if applicable, its agent and attorney-in- fact) shall sign the Issuer's tax returns and is authorized to make tax elections on behalf of the Issuer in its reasonable discretion, to determine the amount and characterization of any allocations or tax items described in this Section 7.17 in its reasonable discretion, and to take all actions and do such things as required or as it shall deem appropriate under the Code, at the Issuer's sole expense, including representing the Issuer before taxing authorities and courts in tax matters affecting the Issuer and the Partners. Any action taken by the Partnership Representative in connection with audits of the Issuer under the Code will, to the extent permitted by law, be binding upon the Partners. Each such Partner agrees that it will treat any Issuer item on such Partner's income tax returns consistently with the treatment of the item on the Issuer's tax return and that such Partner will not independently act with respect to tax audits or tax litigation affecting the Issuer, unless previously authorized to do so in writing by the Partnership Representative (or, if applicable, its agent and attorney-in-fact), which authorization may be withheld in the complete discretion of the Partnership Representative (or, if applicable, its agent and attorney-in fact). The Issuer will, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative and any agent and attorney-in-fact of such Partnership Representative in connection with any expenses reasonably incurred in connection with its performance of its duties as or on behalf of the Partnership Representative. For the avoidance of doubt, any indemnity or reimbursement provided pursuant to the immediately foregoing sentence shall be treated as an Administrative Expense pursuant to the definition thereof.

(l) If the IRS, in connection with an audit governed by the tax audit rules that apply to partnerships that are contemplated by the Bipartisan Budget Act of 2015 (the "Partnership Tax Audit Rules"), proposes an adjustment greater than $25,000 in the amount of any item of income, gain, loss, deduction or credit of the Issuer, or any Partner's distributive share thereof, and such adjustment results in an "imputed underpayment" as described in Section 6225(b) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions (a "Covered Audit Adjustment"), the Partnership Representative will use commercially reasonable efforts (taking into account whether the Partnership Representative has received any needed information on a timely basis from the Partners), to apply the alternative method provided by Section 6226 of the Code, as amended by the

Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions (the "Alternative Method"). In the event the proposed adjustment is equal to or less than $25,000, the Partnership Representative may in its sole discretion elect to have the Issuer pay such adjustment. To the extent that the Partnership Representative does not (or is unable to) elect the Alternative Method with respect to a Covered Audit Adjustment and such Covered Audit Adjustment is material as to the Issuer (determined in the Partnership Representative's sole discretion), the Partnership Representative shall use commercially reasonable efforts to (i) to the extent not economically or administratively burdensome or onerous, make reasonable modifications available under Sections 6225(c)(3), (4) and (5) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions, to the extent that such modifications are available (taking into account whether the Partnership Representative has received any needed information on a timely basis from the Partners) and would reduce any taxes payable by the Issuer with respect to the Covered Audit Adjustment, and (ii) if reasonably requested by a Partner, provide to such Partner available information allowing such Partner to file an amended U.S. federal income tax return, as described in Section 6225(c)(2) of the Code, as amended by the Bipartisan Budget Act of 2015, together with any guidance issued thereunder or successor provisions, to the extent that such amended return and payment of any related U.S. federal income taxes would reduce any taxes payable by the Issuer with respect to the Covered Audit Adjustment (after taking into account any modifications described in clause (i)). Similar procedures shall be followed in connection with any state or local income tax audit governed by the Partnership Tax Audit Rules. Any U.S. federal income taxes (and any related interest and penalties) paid by the Issuer (or any diminution in distributable proceeds resulting from an adjustment under Partnership Tax Audit Rules) may be allocated in the reasonable discretion of the Issuer to those Partners to whom such amounts are specifically attributable (whether as a result of their status, actions, inactions or otherwise), as determined in the reasonable discretion of the Issuer. The Issuer shall not elect or cause any election to be made to apply the Partnership Tax Audit Rules to the Issuer prior to the generally applicable effective date of such legislation, unless the Issuer, in good faith, reasonably determines that such an election would be in the best interests of the Issuer and all Holders of the Notes.

Section 7.18. Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase, on or before the Effective Date, Collateral Obligations (i) such that the Target Initial Par Condition is satisfied and (ii) that satisfy, as of the Effective Date, the Concentration Limitations, the Collateral Quality Tests and the Coverage Tests.

(b) During the period from the Closing Date to and including the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, *first*, any amounts on deposit in the Ramp-Up Account, and *second*, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation, *first*, any amounts on deposit in the Ramp-Up Account and *second*, any Principal Proceeds on deposit in the Collection Account. In addition, the

Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy, on the Effective Date, the Concentration Limitations, the Collateral Quality Tests and each Overcollateralization Ratio Test.

(c) Within 30 Business Days after the Effective Date (but in any event, prior to the Determination Date relating to the *first* Payment Date after the Closing Date), the Issuer shall provide, or (at the Issuer's expense) cause the Collateral Manager to provide, the following documents:

(i) to the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com), a report identifying Collateral Obligations and a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Collateral Manager shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: LoanX identification number, CUSIP number (if any), name of Obligor, coupon, spread (if applicable), Floating Rate Obligation Floor (if any), legal final maturity date, average life, outstanding principal balance, Principal Balance, identification as a Cov-Lite Loan or otherwise, identification as a First-Lien Last-Out Loan or otherwise, settlement date, the purchase price with respect to any Collateral Obligation the purchase of which has not settled, S&P Industry Classification and S&P Recovery Rate, and requesting that S&P reaffirm its Initial Ratings of the Secured Notes rated by it;

(ii) to the Trustee and the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com) a report, prepared by the Collateral Administrator (the "Effective Date Report"), (A) setting forth the issuer, principal balance, coupon/spread, Stated Maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and (B) calculating as of the Effective Date the level of compliance with, or satisfaction or non-satisfaction of (1) each Overcollateralization Ratio Test, (2) the Collateral Quality Tests (excluding the S&P CDO Monitor Test), (3) the Concentration Limitations and (4) the Target Initial Par Condition;

(iii) to the Trustee and the Collateral Manager, (A) an Accountants' Report comparing, as of the Effective Date, the issuer, Principal Balance, coupon/spread, stated maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation by reference to such sources as shall be specified therein (such report, the "Accountants' Effective Date Comparison AUP Report") and (B) an Accountants' Report performing agreed upon procedures as of the Effective Date including recalculating and comparing the following items in the Effective Date Report: (1) each Overcollateralization Ratio Test, the Collateral Quality Tests (excluding the S&P CDO Monitor Test) and the Concentration Limitations, and (2) whether the Target Initial Par Condition is satisfied (such report, the "Accountants' Effective Date Recalculation AUP Report" and together with the Accountants' Effective Date Comparison AUP Report, the "Accountants' Effective Date AUP Reports"), with both Accountants' Effective Date AUP

Reports containing a statement specifying the procedures undertaken by them to review data and computations relating to such Accountants' Effective Date AUP Reports; and

(iv) to the Trustee and the Rating Agency (via email to CDOEffectiveDatePortfolios@spglobal.com) an Officer's certificate of the Issuer (the "Effective Date Certificate") certifying as to the level of compliance with, or satisfaction or non-satisfaction of, (1) each Overcollateralization Ratio Test, (2) the Collateral Quality Tests (excluding the S&P CDO Monitor Test), (3) the Concentration Limitations, and (4) the Target Initial Par Condition, in each case, as of the Effective Date.

If (w) the Issuer or the Collateral Manager, as the case may be, provides the foregoing Accountants' Effective Date AUP Reports to the Trustee with the results of the items set forth in subclause (ii)(B) above, and such results do not indicate any failure of any such tested item, (x) the Issuer delivers the Effective Date Certificate to the Trustee and the Rating Agency and causes the Collateral Administrator to make available to the Rating Agency (i) a report identifying the Collateral Obligations, (ii) the Effective Date Report, and such Effective Date Certificate and Effective Date Report indicates satisfaction of the S&P CDO Monitor Test as of the Effective Date, (y) the Collateral Manager certifies to S&P (which may be in the form of an e-mail) that as of the Effective Date the S&P CDO Monitor Test is satisfied (testing as though a S&P CDO Formula Election Period were in effect and taking into account the S&P CDO Monitor Non-Model Adjustments) and (z) the Collateral Manager provides to S&P an electronic copy of the Current Portfolio used to generate the passing test result, a written confirmation from S&P of its Initial Ratings of the Secured Notes rated by it shall be deemed to have been provided (the "Effective Date Condition"). For the avoidance of doubt, the Effective Date Certificate and the Effective Date Report shall not include or refer to the Accountants' Effective Date AUP Reports. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer and Information Agent who will forward for posting such Form 15-E on the Issuer's Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including the Rating Agency or posted on the Issuer's Website (other than as provided in any access letter between such Person and the accountants).

(d) If, by the Determination Date relating to the first Payment Date after the Closing Date (unless the Effective Date Condition is satisfied) S&P has not provided written confirmation of its Initial Ratings of the Secured Notes rated by it, then the Collateral Manager, on behalf of the Issuer, shall instruct the Trustee in writing to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount (and with such funds the Issuer shall purchase additional Collateral Obligations) in an amount sufficient to obtain from S&P a confirmation of its Initial Ratings of the Secured Notes rated by it (*provided* that the amount of such transfer would not result in default in the payment of interest with respect to the Class A-1 Notes, Class A-2 Notes or the Class B Notes); *provided* that, in the alternative, the Collateral Manager on behalf of the Issuer may take such other action, including but not limited to, a Special

Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to obtain from S&P a confirmation of its Initial Ratings of the Secured Notes rated by it.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.18 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance of the Notes which are not applied to pay for the purchase of Collateral Obligations acquired by the Issuer on the Closing Date an amount equal to U.S.$16,331,233.53 will be deposited in the Ramp-Up Account on the Closing Date. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(f) Weighted Average S&P Recovery Rate. The Collateral Manager may, at any time after the Closing Date upon at least five Business Days' prior written notice to S&P, the Trustee and the Collateral Administrator, elect to utilize the S&P CDO Monitor in determining compliance with the S&P CDO Monitor Test (the effective date specified by the Collateral Manager for such election, the "S&P CDO Monitor Election Date"). On or prior to the later of (x) the S&P CDO Monitor Election Date and (y) the Effective Date, the Collateral Manager shall elect the Weighted Average S&P Recovery Rate that shall apply on and after such date to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and the Collateral Manager will so notify the Trustee and the Collateral Administrator. Thereafter, at any time during any S&P CDO Monitor Election Period on written notice to the Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; *provided*, that if (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change, then such changed case shall not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 4. If the Collateral Manager does not notify the Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth above, the Weighted Average S&P Recovery Rate chosen as of the S&P CDO Monitor Election Date or the Effective Date, as applicable, shall continue to apply.

Section 7.19. Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer owns each Asset free and clear of any lien, claim or encumbrance of any Person, other than such as are created under, or permitted by, this Indenture and any other Permitted Liens.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Assets constitute Cash, accounts (as defined in Section 9-102(a)(2) of the UCC), Instruments, general intangibles (as defined in Section 9-102(a)(42) of the UCC), uncertificated securities (as defined in Section 8-102(a)(18) of the UCC), Certificated Securities or security entitlements to financial assets resulting from the crediting of financial assets to a "securities account" (as defined in Section 8-501(a) of the UCC).

(iv) All Accounts constitute "securities accounts" under Section 8-501(a) of the UCC.

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1 - 201(37) of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise herein), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Trustee or the Issuer has received written

acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they are pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(c) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and will have been credited to one of the Accounts which are securities accounts within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all assets credited to such Accounts as "financial assets" within the meaning of Section 8-102(a)(9) the UCC.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(iii) (x) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Trustee, for the benefit and security of the Secured Parties, hereunder and (y) (A) the Issuer has delivered to the Trustee a fully executed Securities Account Control Agreement pursuant to which the Account Bank has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Account Bank to identify in its records the Trustee as the Person having a security entitlement against the Account Bank in each of the Accounts.

(iv) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Account Bank to comply with the entitlement order (as defined in Section 8-102(a)(8) of the UCC) of any Person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be

deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(e) The Issuer agrees to notify the Collateral Manager and the Rating Agency promptly if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.19 and shall not, without satisfaction of the S&P Rating Condition, waive any of the representations and warranties in this Section 7.19 or any breach thereof.

Section 7.20. ESG Criteria. Each Collateral Obligation acquired by the Issuer on and after the Closing Date shall satisfy the ESG Criteria as of the date of such acquisition.

ARTICLE VIII.

SUPPLEMENTAL INDENTURES

Section 8.1. Supplemental Indentures Without Consent of Holders of Notes. (a) Without the consent of the Holders of any Notes (except any consent explicitly required below) but with the written consent of the Collateral Manager, at any time and from time to time subject to Section 8.3 and without an Opinion of Counsel being provided to the Issuer and the Trustee as to whether any Class of Notes would be materially and adversely affected thereby (except as may be explicitly required below), the Issuer, the Trustee may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

(i) to evidence the succession of another Person to the Issuer and the assumption by any such successor Person of the covenants of the Issuer herein and in the Notes;

(ii) to add to the covenants of the Issuer or the Trustee for the benefit of the Secured Parties, or to surrender any right or power herein conferred upon the Issuer;

(v) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Trustee any property subject or required to be subjected to the lien of this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations, whether pursuant to Section 7.5 or otherwise) or to subject to the lien of this Indenture any additional property;

(vi) to modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in ERISA or other applicable law or regulation (or the interpretation thereof) or to enable the Issuer to rely upon any exemption from registration under the Securities Act or the 1940 Act or otherwise comply with any applicable securities law;

(vii) to remove restrictions on resale and transfer of Notes to the extent not required under clause (vi) above;

(viii) to make any modification or amendment determined by the Issuer or the Collateral Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable to enable the Issuer to rely upon the exemption from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof), in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Notes;

(ix) to correct or supplement any inconsistent or defective provisions herein, to cure any ambiguity, omission or errors herein; *provided* that, notwithstanding anything herein to the contrary and without regard to any other consent requirement specified herein, any supplemental indenture to be entered into pursuant to this clause (ix) may also provide for any corrective measures or ancillary amendments to this Indenture to give effect to such supplemental indenture as if it had been effective as of the Closing Date;

(x) to conform the provisions of this Indenture to the Offering Circular; *provided* that, notwithstanding anything herein to the contrary and without regard to any other consent requirement specified herein, any supplemental indenture to be entered into pursuant to this clause (x) may also provide for any corrective measures or ancillary amendments to this Indenture to

give effect to such supplemental indenture as if it had been effective as of the Closing Date;

(xi) to take any action necessary, advisable, or helpful to prevent the Issuer, any Permitted Subsidiary, the Trustee or the Holders of any Notes from being subject to (or to otherwise reduce) withholding or other taxes, fees or assessments, or to reduce the risk that the Issuer will be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to tax, or to reduce the risk that the Issuer will be treated as other than a partnership for U.S. federal income tax purposes;

(xii) (A) with the consent or at the direction of a Supermajority of the Subordinated Notes (and, in the case of an additional issuance of Secured Notes, other than in connection with a Risk Retention Issuance or the issuance of Junior Mezzanine Notes, a Majority of the Controlling Class), to permit the Issuer to issue Additional Notes of any one or more existing Classes of Notes and/or Junior Mezzanine Notes; or (B) with the consent or at the direction of a Majority of the Subordinated Notes to permit the Issuer (1) to issue a replacement loan or securities or other indebtedness in connection with a Refinancing, including any modification necessary to (I) reflect the Refinancing of fixed rate Notes with floating rate Notes or vice versa, (II) establish a non-call period and, if applicable, prohibit future Refinancing and Re-Pricing of any class of refinancing obligations, (III) amend the base rate component and any adjustment thereto used to determine the interest rate on the refinancing obligations or (IV) in the case of a Refinancing of all Classes of Secured Notes (a) modify the Weighted Average Life Test or (b) extend the Reinvestment Period, and to make such other changes as shall be necessary to facilitate a Refinancing or (2) to make such changes as shall be necessary to facilitate the Issuer to effect a Re-Pricing;

(xiii) to modify the procedures herein relating to compliance with Rule 17g-5 of the Exchange Act;

(xiv) to accommodate the issuance of the Notes in book-entry form through the facilities of the depository or otherwise;

(xv) to take any action necessary or advisable to prevent the Issuer or the pool of Assets from being required to register under the 1940 Act, or to avoid any requirement that the Collateral Manager or any Affiliate consolidate the Issuer on its financial statements for financial reporting purposes (provided that no Holders are materially adversely affected thereby);

(xvi) to reduce the permitted minimum denomination of the Secured Notes;

(xvii) to change the date on which reports are required to be delivered under this Indenture;

(xviii) to modify Section 3.3 or Section 7.19 to conform with applicable law;

(xix) to evidence any waiver or elimination by the Rating Agency of any requirement or condition of the Rating Agency set forth herein; *provided* that consent to such supplemental indenture has been obtained from a Majority of the Controlling Class and so long as the Collateral Manager certifies that no Class of Secured Notes would be materially and adversely affected thereby;

(xx) to conform to ratings criteria and other guidelines (including, without limitation, any alternative methodology published by the Rating Agency) relating to collateral debt obligations in general published by the Rating Agency; *provided* that consent to such supplemental indenture has been obtained from a Majority of the Controlling Class;

(xxi) to modify any defined term in Section 1.1 of this Indenture or any Schedule to this Indenture that begins with or includes the word "S&P" (other than the defined term "S&P Rating Condition") so long as the S&P Rating Condition is satisfied; *provided* that consent to such supplemental indenture has been obtained from a Majority of the Controlling Class;

(xxii) to change the name of the Issuer in connection with the change in name or identity of the Collateral Manager or as otherwise required pursuant to a contractual obligation or to avoid the use of a trade name or trademark in respect of which the Issuer does not have a license;

(xxiii) to amend, modify or otherwise accommodate changes to this Indenture to comply with any rule or regulation enacted by regulatory agencies of the United States federal government, Relevant Member State of the European Economic Area, stock exchange authority, listing agent, transfer agent or additional registrar after the Closing Date that are applicable to the Notes; *provided* that, other than in connection with an amendment solely to comply with the U.S. Risk Retention Rules to permit a Refinancing, if a Majority of any Class of Notes notifies the Trustee in accordance with this Indenture that such supplemental indenture materially and adversely affects such Holders, the Trustee shall not execute any such supplemental indenture without the consent of a Majority of such Class of Notes;

(xxiv) to amend, modify or otherwise change the provisions of this Indenture so that (A) the Issuer is not a "covered fund" under the Volcker Rule, (B) the Secured Notes are not considered to constitute "ownership interests" under the Volcker Rule or (C) ownership of the Secured Notes will otherwise be exempt from the Volcker Rule;

(xxv) with the consent of a Majority of the Controlling Class, to modify the definition of "Credit Improved Obligation" or "Credit Risk Obligation" in a manner not materially adverse to any holders of any Class of Notes as evidenced

by an Officer's certificate of the Collateral Manager to the effect that such modification would not be materially adverse to the holder of any Class of Notes;

(xxvi) to permit the Issuer to enter into any additional agreements not expressly prohibited by this Indenture as well as any amendment, modification or waiver thereof if the Issuer determines that such additional agreement, amendment, modification or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interests of holders of any Class of Notes; *provided* that (A) any such additional agreement shall include customary limited recourse and non-petition provisions; (B) the consent to such supplemental indenture has been obtained from a Majority of the Controlling Class and (C) the Trustee receives an opinion of counsel with respect to whether the interests of holders of any Class of Notes would be materially and adversely affected (which opinion may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion);

(xxvii) with the consent of a Majority of the Controlling Class, to modify (A) the Collateral Quality Tests or the definitions related thereto, (B) any of the Investment Criteria, (C) the requirements regarding the Issuer (or the Collateral Manager on the Issuer's behalf) voting in favor of a Maturity Amendment or (D) the Coverage Tests or the definitions related thereto or the calculation thereof, so long as the Collateral Manager certifies that no Class of Secured Notes would be materially and adversely affected thereby;

(xxviii) to modify any provision to facilitate an exchange of one obligation for another obligation of the same Obligor that has substantially identical terms except transfer restrictions, including to effect any serial designation relating to the exchange; *provided* that no such supplemental indenture shall be required to facilitate any exchanges of one obligation for another obligation in accordance with Article XII hereof;

(xxix) to modify or amend any component of the Concentration Limitations and the definitions related thereto which affect the calculation thereof so long as (1) the Collateral Manager certifies that no Class of Secured Notes would be materially and adversely affected thereby, (2) a Majority of the Controlling Class consents to such modification and (3) the S&P Rating Condition is satisfied;

(xxx) to make any necessary or advisable changes to this Indenture in connection with the adoption of an Alternative Rate or Fallback Rate or to make Benchmark Conforming Changes;

(xxxi) to make any modification determined by the Collateral Manager necessary or advisable to comply with U.S. Risk Retention Rules, the E.U. Securitization Laws or the U.K. Securitization Laws, including (without limitation) in connection with a Refinancing, Optional Redemption, Re-Pricing,

additional issuance of Notes or material amendment to any of the Transaction Documents;

(xxxii) with the consent of a Majority of the Controlling Class if such Class would be materially and adversely affected thereby, as determined by the Collateral Manager, to make such changes as are necessary, helpful or appropriate to permit the Issuer to acquire, receive or retain, as applicable, Permitted Non-Loan Assets; *provided* that, notwithstanding the foregoing, the Collateral Manager shall not be permitted to make any changes to clause (xvii) of the definition of "Concentration Limitations"; or

(xxxiii) to make such changes (including the removal and appointment of any listing agent) as shall be necessary or advisable in order for the Listed Notes to be or remain listed on an exchange, including the Cayman Islands Stock Exchange.

Section 8.2. Supplemental Indentures With Consent of Holders of Notes. Subject to the provisions of Section 8.1 and Section 8.3 and the provisions in this Section 8.2, with the consent of a Majority of the Secured Notes of each Class materially and adversely affected thereby, if any, and if the Subordinated Notes are materially and adversely affected thereby, a Majority of the Subordinated Notes, the Trustee and the Issuer may, with the written consent of the Collateral Manager, execute one or more supplemental indentures to add provisions to, or change in any manner or eliminate any provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of any Class under this Indenture; *provided* that without the consent of each Holder of each Outstanding Note of each Class materially and adversely affected thereby, no such supplemental indenture described above may:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof or the rate of interest thereon, other than in connection with a Re-Pricing or in connection with the adoption of an Alternative Rate or Fallback Rate, or, except as otherwise expressly permitted by this Indenture, the Redemption Price with respect to any Note, or change the earliest date on which Notes of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Notes or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Notes or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for herein;

(iii) impair or adversely affect the Assets except as otherwise permitted herein;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture;

(v) reduce the percentage of the Aggregate Outstanding Amount of Holders of any Class of Secured Notes whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;

(vi) modify any of the provisions of (x) this Section 8.2, except to increase the percentage of Outstanding Class A-1 Notes, Class A-2 Notes Class B Notes, Class C Notes, Class D Notes or Subordinated Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Class A-1 Note Outstanding, Class A-2 Note Outstanding, Class B Note Outstanding, Class C Note Outstanding, Class D Note Outstanding or Subordinated Note Outstanding and affected thereby or (y) Section 8.1 or Section 8.3;

(vii) modify the definition of the term "Outstanding", "Majority" or "Supermajority" or the Priority of Payments set forth in Section 11.1(a); or

(viii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest or principal on any Secured Note or any amount available for distribution to the Subordinated Notes, or to affect the rights of the Holders of any Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein.

Notwithstanding any other provision relating to supplemental indentures herein, at any time after the expiration of the Non-Call Period for the applicable Class of Notes, if any Class of Notes has been or contemporaneously with the effectiveness of any supplemental indenture will be paid in full in accordance with this Indenture as so supplemented or amended, the written consent of any Holder of any Note of such Class will not be required with respect to such supplemental indenture.

Without the prior written consent of the Delaware Trustee, no amendment to this Indenture shall be made that adversely affects the rights of the Delaware Trustee; provided, however that the rights of the Delaware Trustee shall be deemed to not be adversely affected if the Delaware Trustee executes the amendment to this Indenture on behalf of the Issuer.

Section 8.3. Execution of Supplemental Indentures. (a) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has consented thereto in accordance with this Article VIII. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator (including in its capacity as Calculation Agent), including, without limitation, any amendment or supplement to this Indenture that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(b) [Reserved].

(c) No supplemental indenture will be required to be entered into in connection with any Exception.

(d) Except as set forth in Section 8.3(e), the Trustee and the Issuer may conclusively rely upon an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering the opinion) that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied (and the Trustee may conclusively rely on such opinion as evidence that any such Class would not be materially and adversely affected by such supplemental indenture) or a Responsible Officer's certificate of the Collateral Manager as to whether any Class of Notes would be materially and adversely affected by any supplemental indenture or other modification or amendment of this Indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any investigation or determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or such Responsible Officer's certificate, and shall have no liability for any determination made in good faith and in reliance upon an Opinion of Counsel or such a Responsible Officer's certificate delivered to the Trustee as described herein. In the case of a proposed supplemental indenture where a determination as to whether a Class is materially and adversely affected thereby is required and a determination is made that such Class is not materially and adversely affected, unless the Trustee and the Issuer are notified (within 6 days after notice by the Issuer to the Holders of a proposed supplemental indenture) by a Majority of any Class from whom consent is not being requested by the Issuer (or the Collateral Manager) that the Holders of such Class giving such notice believe that they will be materially and adversely affected by the proposed supplemental indenture, the interests of such Class will be deemed for all purposes hereunder to not be materially and adversely affected by such proposed supplemental indenture. The determination made pursuant to this paragraph shall be conclusive and binding on all present and future holders.

(e) In connection with the execution of a supplemental indenture requiring consent of the Class A-1 Notes if such Class is materially and adversely affected thereby, unless notified by a Majority of the Class A-1 Notes that such Class would be materially and adversely affected by such supplemental indenture, the Trustee and the Issuer may conclusively rely on an opinion of counsel delivered to the Trustee (which may be

supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied (and the Trustee may conclusively rely on such opinion as evidence that such Class would not be materially and adversely affected by such supplemental indenture) or a certificate of an Officer of the Collateral Manager as to whether the interests of such Class would be materially and adversely affected by such supplemental indenture.

(f) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(g) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel. Such determination shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners.

(h) At the cost of the Issuer, for so long as any Notes shall remain Outstanding, not later than 10 days prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 and not later than 7 days prior to the execution of any proposed supplemental indenture pursuant to Section 8.2, the Trustee shall deliver to the Collateral Manager, the Collateral Administrator and the Holders a copy of such proposed supplemental indenture; provided that, for any party entitled to receive notice, this provision will be deemed satisfied (1) upon the written waiver of such party to receipt of such notice or (2) in the case of the holders, the simultaneous payment in full of the Notes held by such holders pursuant to the proposed supplemental indenture. At the cost of the Issuer, for so long as any Class of Secured Notes shall remain Outstanding and such Class is rated by the Rating Agency, the Trustee shall provide to the Rating Agency a copy of any proposed supplemental indenture at least 7 days prior to the execution thereof by the Trustee (unless such period is waived by the Rating Agency). Following such deliveries by the Trustee, if any changes are made to such proposed supplemental indenture other than to correct typographical errors or to adjust formatting, then at the cost of the Issuer, for so long as any Notes shall remain Outstanding, not later than 3 days prior to the execution of such proposed supplemental indenture (*provided* that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 10 days or 7 days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(g)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, the Holders and the Rating Agency a copy of such supplemental indenture as revised, indicating the

changes that were made. Any failure of the Trustee to publish or deliver such notices, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(xii)(B), the foregoing notice periods shall not apply and a copy of the proposed supplemental indenture shall be included in the notice of Optional Redemption given to each holder of Secured Notes under Section 9.2; and, upon execution of the supplemental indenture, at the cost of the Issuer, a copy thereof shall be delivered to the Rating Agency and each Holder of Notes.

(i) Without limiting the rights of any Class to consent to any supplemental indenture as set forth herein, it shall not be necessary for any Act of the Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(j) At any time during or after the Reinvestment Period, at the written direction of any Holder or Holders of Subordinated Notes, substantially in the form of Exhibit E (solely for Contributions of Cash or Eligible Investments), but without any amendment to this Indenture, satisfaction of the S&P Rating Condition or the consent of any other holder of Notes (i) such Holder may make a Contribution of Cash, Eligible Investments or Collateral Obligations or (ii) solely with respect to Holders of Certificated Subordinated Notes, such Holder may designate (prior to the Determination Date) all or a specified portion of amounts that would otherwise be distributed on such Payment Date to such Holder or Holders of Subordinated Notes be retained by the Trustee in the Supplemental Reserve Account as a Contribution and be available for reinvestment in additional Collateral Obligations and other Permitted Uses as directed by the applicable Contributor, so long as the Collateral Manager consents to such Permitted Use(s) (or, if no direction is given by the Contributor, at the Collateral Manager's reasonable discretion).

(k) In the case of a proposed supplemental indenture where a determination as to whether a Class is materially and adversely affected thereby is required and a determination is made that such Class is not materially and adversely affected, unless the Trustee and the Issuer are notified within 6 days after notice by the Trustee to the holders of a proposed supplemental indenture by a Majority of any Class from whom consent is not being requested that the holders of such Class giving such notice believe that they will be materially and adversely affected by the proposed supplemental indenture, the interests of such Class will be deemed for all purposes to not be materially and adversely affected by such proposed supplemental indenture.

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice as to any matter provided for in such supplemental indenture. If the Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6. Hedge Agreements. The Issuer and the Trustee shall not enter into any supplemental indenture that permits the Issuer to enter into a hedge agreement unless the S&P Rating Condition is satisfied with respect thereto and the Issuer obtains (a) written advice of counsel that such hedge agreement will not cause any Person to be required to register as a "commodity pool operator" (within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer and (b) the consent of a Majority of the Controlling Class.

ARTICLE IX.

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Notes pursuant to the Priority of Payments.

Section 9.2. Optional Redemption. (a) The Secured Notes shall be redeemable by the Issuer at the written direction of a Majority of the Subordinated Notes (and in the case of a Refinancing, with the consent of the Collateral Manager and the Retention Provider) as follows: (i) the Secured Notes shall be redeemed in whole in order of seniority (with respect to all Classes of Secured Notes) but not in part on any Business Day after the end of the Non-Call Period for such Secured Notes from Sale Proceeds, Contributions of Cash and/or Refinancing Proceeds and all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that are otherwise payable pursuant to Section 11.1(a)(i)(N) or (ii) the Secured Notes shall be redeemed in part by Class from Refinancing Proceeds, Contributions of Cash and/or Partial Refinancing Interest Proceeds and all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that are otherwise payable pursuant to Section 11.1(a)(i)(N) on any Business Day after the end of the Non-Call Period for such Secured Notes as long as the Class of Secured Notes to be redeemed represents not less than the entire Class of such Secured Notes. In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Prices and a Majority of the Subordinated Notes must provide the above described written direction (and the Collateral Manager and the Retention Provider must provide the above described consent in the case of a Refinancing) to the Issuer and the Trustee not later than 10 days (or such shorter period of time as the Trustee and the Collateral Manager find

reasonably acceptable) prior to the Business Day on which such redemption is to be made; *provided* that all Secured Notes to be redeemed must be redeemed simultaneously.

(b) Upon receipt of a notice of any redemption of Secured Notes in whole pursuant to Section 9.2(a)(i), the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Notes to be redeemed and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and Aggregate Collateral Management Fees due and payable under the Priority of Payments. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Notes and to pay such fees and expenses, the Secured Notes may not be redeemed. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation, merger or other arrangement.

(c) The Subordinated Notes may be redeemed, in whole but not in part, for the relevant Redemption Price, on any Business Day on or after the redemption (including in connection with a Refinancing of all Classes of Secured Notes) or repayment of all of the Secured Notes, at the written direction of a Majority of the Subordinated Notes delivered to the Trustee and the Collateral Manager on behalf of the Issuer at least five Business Days prior to the designated Business Day on which the Subordinated Notes are to be redeemed (which direction may be given in connection with a direction to redeem the Secured Notes or at any time after the Secured Notes have been redeemed or repaid in full).

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), the Secured Notes may be redeemed on any Business Day after the expiration of the Non-Call Period for such Secured Notes in whole from Refinancing Proceeds, Contributions of Cash and/or Sale Proceeds or in part by Class from Refinancing Proceeds, Contributions of Cash and/or Partial Refinancing Interest Proceeds as provided in Section 9.2(a)(ii) by a Refinancing; *provided* that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager, the Retention Provider and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(a)(i), such Refinancing will be effective only if (i) the Refinancing Proceeds, any amounts in the Supplemental Reserve Account, all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that are otherwise payable pursuant to Section 11.1(a)(i)(N), all Sale Proceeds, if any, from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein,

Contributions of Cash and all other available funds will be at least sufficient to redeem simultaneously the Secured Notes then required to be redeemed, in whole but not in part (subject to any election to receive less than 100% of Redemption Price as noted below), and to pay all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including, without limitation, the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) the Refinancing Proceeds, any amounts in the Supplemental Reserve Account, all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that is otherwise payable pursuant to Section 11.1(a)(i)(N), all Sale Proceeds, if any, Contributions of Cash and other available funds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(b) and Section 2.7(i) and (iv) the Collateral Manager and the Retention Provider each consents to such Refinancing.

In connection with a Refinancing pursuant to which all Classes of Secured Notes are being refinanced, the Collateral Manager may, without the consent of any Person, including any Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. Notice of any such designation will be provided to the Trustee (with copies to the Collateral Administrator and the Rating Agency) on or before the related Determination Date.

(f) In the case of a Refinancing upon a redemption of the Secured Notes in part by Class pursuant to Section 9.2(a)(ii), such Refinancing will be effective only if: (i) the Issuer has provided notice thereof to the Rating Agency, (ii) the Refinancing Proceeds, the Partial Refinancing Interest Proceeds, Contributions of Cash, any amounts in the Supplemental Reserve Account and all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that are otherwise payable pursuant to Section 11.1(a)(i)(N) will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing, (iii) the Refinancing Proceeds, the Partial Refinancing Interest Proceeds, Contributions of Cash, any amounts in the Supplemental Reserve Account and all or a specified (as directed by Holders of Certificated Subordinated Notes entitled to receive such Interest Proceeds and as determined by the Issuer, or the Collateral Manager on behalf of the Issuer) portion of Interest Proceeds that is otherwise payable pursuant to Section 11.1(a)(i)(N) are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(b) and Section 2.7(i), (v) the aggregate principal amount of any obligations providing the Refinancing is equal to the aggregate principal amount of the Secured Notes being redeemed with the proceeds of such obligations plus an amount equal to the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing, (vi) the stated maturity of each class of

obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Secured Notes being refinanced; *provided* that, the stated maturity of a class of obligations providing the Refinancing may be later (but in no case earlier) than the corresponding Stated Maturity of a Class of Notes being refinanced if the S&P Rating Condition is satisfied with respect to each Class of Secured Notes not subject to the Refinancing, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds, the Partial Refinancing Interest Proceeds, Contributions of Cash, any amounts in the Supplemental Reserve Account and all or a specified (as directed by Holders of Certificated Subordinated Noted entitled to receive such Interest Proceeds that are otherwise payable pursuant to Section 11.1(a)(i)(N)) (except for expenses owed to Persons that the Collateral Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with this Indenture; *provided* that any such fees and expenses due to the Trustee and determined by the Collateral Manager to be paid in accordance with the Priority of Payments shall not be subject to the Administrative Expense Cap), (viii) the Refinancing Rate Condition is satisfied, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced, (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes being refinanced (except that, at the Issuer's election, the earliest date, if any, on which the obligations providing the Refinancing may be redeemed at the option of the Issuer may be different than the earliest date on which the Secured Notes redeemed in connection with such Refinancing were subject to redemption at the option of the Issuer), (xi) each of the Collateral Manager and the Retention Provider consents to such Refinancing, (xii) the Issuer has received written advice from Dechert LLP or Chapman and Cutler LLP or Mayer Brown LLP, or an opinion of counsel of nationally recognized standing to the effect that (A) the obligations providing the Refinancing will be characterized as indebtedness for U.S. federal income tax purposes and (B) the Refinancing will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes; provided, however, the advice or opinion described in clause (A) will not be required if such obligations will be subject to the Withholding Tax Transfer Restriction and (xiii) the Issuer (or the Collateral Manager on behalf of the Issuer) has provided an Officer's certificate to the Trustee certifying that the conditions to such Refinancing have been satisfied.

(g) The Holders of the Subordinated Notes will not have any cause of action against any of the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Issuer and the Trustee (at the direction of the Issuer) shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than a Majority of the Subordinated Notes. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Opinion of Counsel as to matters of

law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds, or the sufficiency of the Accountants' Report).

(h) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 10 days (in the case of an Optional Redemption of the Secured Notes) (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) or 5 Business Days (in the case of an Optional Redemption of the Subordinated Notes) (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the Redemption Date, notify the Trustee in writing of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Price (which Redemption Price shall be the Redemption Price to be paid in the event no Redemption Distribution Date occurs and may be decreased as a result of payments on Redemption Distribution Dates to the extent that such payment reduces the amount of interest that accrues on one or more Classes of Notes); provided that failure to effect any Optional Redemption which is withdrawn by the Issuer in accordance with this Indenture or with respect to which a Refinancing fails to occur shall not constitute an Event of Default.

(i) In connection with any Optional Redemption of the Secured Notes in whole, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(j) In connection with an Optional Redemption of all Classes of Secured Notes, a Majority of the Subordinated Notes may direct the Issuer (who shall give written notice to the Trustee no less than 4 Business Days prior to such date) to distribute amounts on deposit in the Collection Account to pay a portion of the Redemption Price pursuant to the Priority of Payments on one or more Business Days prior to the Redemption Date (any such date a "Redemption Distribution Date"). The Collateral Manager may elect to distribute Interest Proceeds, Principal Proceeds or both on such Redemption Distribution Date pursuant to the applicable Priority of Payments. To the extent the Collateral Manager does not elect to distribute amounts pursuant to Section 11.1(a)(i), holders of Notes shall not be entitled to receive any amounts on account of accrued and unpaid interest on such date.

Section 9.3. Tax Redemption. (a) The Notes shall be redeemed in whole but not in part on any Business Day (any such redemption, a "Tax Redemption") at their applicable Redemption Prices at the written direction (delivered to the Trustee) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case following the occurrence and continuation of a Tax Event.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders and the Rating Agency thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes and the Rating Agency thereof.

Section 9.4. Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2, the written direction of a Majority of the Holders of the Subordinated Notes (and in the case of a Refinancing, the consent of the Collateral Manager and the Retention Provider) required thereby shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 10 days (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made (which date shall be designated in such notice). In the event of any redemption pursuant to Section 9.2 or 9.3, a notice of redemption shall be given by the Trustee by overnight delivery service (or through the applicable procedures of DTC), postage prepaid, mailed not later than 4 Business Days prior to the applicable Redemption Date, to each Holder of Notes, at such Holder's address in the Register.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) all of the Secured Notes that are to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Business Day specified in the notice;

(iv) the place or places where Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Issuer to be maintained as provided in Section 7.2; and

(v) if all Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Issuer to be maintained as provided in Section 7.2.

(c) The Issuer may withdraw any such notice of redemption delivered pursuant to Section 9.2 up to the Business Day prior to the proposed Redemption Date by written notice to the Trustee.

(d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Issuer or, upon an Issuer Order, by the Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

(e) Unless Refinancing Proceeds are being used to redeem the Secured Notes in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee (which may be in the form of a certificate of a Responsible Officer of the Collateral Manager), that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (directly or by participation, merger or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and Aggregate Collateral Management Fees payable in connection with such Optional Redemption or Tax Redemption, in each case, as applicable and in accordance with the Priority of Payments, and redeem the applicable Class of Secured Notes on the scheduled Redemption Date (and after giving effect to payment on any applicable Redemption Distribution Dates) at the applicable Redemption Prices (or, such other amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, (B) the Market Value of each Collateral Obligation, (C) any Contributions in Cash and (D) other amounts available for redemption is expected to exceed the sum of (x) the aggregate Redemption Prices (or in the case of any Class of Secured Notes, such other amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) of the applicable Class of Secured Notes and (y) all Administrative Expenses (regardless of the Administrative Expense Cap) and Aggregate Collateral Management Fees payable in connection with such Optional Redemption or Tax Redemption, in each case, as applicable and in accordance with the Priority of Payments (after giving effect to payments on any Redemption Distribution Date). Any certification delivered by the Collateral Manager pursuant to this Section 9.4(e) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation, merger or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all

calculations required by this Section 9.4(e). Any Holder of Notes, the Collateral Manager or any of their Affiliates or accounts managed thereby or by any of their respective Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(f) If a Class or Classes of Secured Notes is redeemed in connection with a Refinancing in part by Class, Refinancing Proceeds, together with Partial Refinancing Interest Proceeds, and/or Contributions of Cash, shall be used to pay the Redemption Price(s) of such Class or Classes of Secured Notes without regard to the Priority of Payments. In addition, in connection with a Refinancing pursuant to which all Classes of Secured Notes are being refinanced, the Collateral Manager may, without the consent of any Person, including any Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment to the Holders of the Subordinated Notes on the Redemption Date. Notice of any such designation will be provided to the Trustee (with copies to the Collateral Administrator and the Rating Agency) on or before the related Determination Date.

Section 9.5. Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(e) and the Issuer's right to withdraw any notice of redemption pursuant to Section 9.4(c), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that if there is delivered to the Issuer and the Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Holder.

Section 9.6. Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager in its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy

the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations or (ii) after the Effective Date unless the Effective Date Condition is satisfied, if the Collateral Manager notifies the Trustee that a redemption is required in order to obtain from S&P written confirmation of its Initial Ratings of the Secured Notes (in each case, a "Special Redemption"). On the first Payment Date (and all subsequent Payment Dates) identified by the Collateral Manager for the Special Redemption (in the case of a Special Redemption described in clause (i) above) or Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (any such initial date a "Special Redemption Date"), the amount in the Collection Account representing as applicable either (1) Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations or (2) Interest Proceeds and Principal Proceeds available therefor in accordance with the Priority of Payments on each Payment Date until the Issuer obtains confirmation from S&P of its Initial Ratings of the Secured Notes rated by it (such amount, a "Special Redemption Amount") will be available to be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee not less than (x) in the case of a Special Redemption described in clause (i) above, three Business Days prior to the applicable Special Redemption Date and (y) in the case of a Special Redemption described in clause (ii) above, one Business Day prior to the initial applicable Special Redemption Date, in each case by facsimile, email transmission or first class mail, postage prepaid, to each Holder of Secured Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Register and to the Rating Agency.

Section 9.7. Issuer Purchases and Repayments of Secured Notes. Notwithstanding anything to the contrary in this Indenture, the Issuer may conduct purchases of the Secured Notes, in whole or in part, in accordance with, and subject to, the terms and conditions of this Section 9.7. Notwithstanding the provisions of Section 10.2 (or any other terms hereof to the contrary), amounts in the Principal Collection Subaccount and/or the Supplemental Reserve Account may be disbursed for purchases of Secured Notes in accordance with the provisions described in this Section 9.7. Upon written instruction by the Issuer, the Trustee shall cancel any such purchased Secured Notes surrendered to it for cancellation or, in the case of any Global Secured Note, the Trustee shall decrease the aggregate outstanding principal amount of such Global Secured Note in its records by the full par amount of the purchased Secured Notes, and instruct DTC or its nominee, as the case may be, to conform its records. In connection with any such cancellation of an interest in a Global Secured Note, the Issuer (or other beneficial owner of such interest) shall reasonably cooperate with the Trustee in connection with such cancellation, including without limitation, surrendering such interest and providing any necessary instructions to DTC. The cancellation (and/or decrease, as applicable) of any such surrendered Notes shall be taken into account for purposes of all relevant calculations thereafter made pursuant to the terms of this Indenture.

No purchases (for the avoidance of doubt, not including an Optional Redemption) of the Secured Notes by the Issuer may occur unless each of the following conditions is satisfied:

(i) such purchases of Secured Notes shall occur in the following sequential order of priority: *first*, the Class A-1 Notes, until the Class A-1 Notes are retired in full; *second*, the Class A-2 Notes, until the Class A-2 Notes are

retired in full; *third*, the Class B Notes, until the Class B are retired in full; *fourth*, the Class C Notes, until the Class C Notes are retired in full; and *fifth*, the Class D Notes, until the Class D Notes are retired in full;

(ii) (A) each such purchase of Secured Notes of any Class shall be made pursuant to an offer made to all Holders and beneficial owners of the Secured Notes of such Class, by notice to such Holders and beneficial owners, which notice shall specify the purchase price (as a percentage of par) at which such purchase will be effected, the maximum amount of Principal Proceeds that will be used to effect such purchase and the length of the period during which such offer will be open for acceptance, (B) each such Holder or beneficial owner of Secured Notes shall have the right, but not the obligation, to accept such offer in accordance with its terms and (C) if the aggregate outstanding principal amount of Notes of the relevant Class held by the Holders or beneficial owners who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Notes of each accepting Holder and beneficial owner shall be purchased (subject to the minimum denominations and the applicable procedures of DTC) *pro rata* based on the respective principal amount held by each such Holder or beneficial owner;

(iii) each such purchase shall be effected only at prices discounted from par;

(iv) each such purchase of Secured Notes shall occur during the Reinvestment Period and shall be effected with Principal Proceeds;

(v) each Coverage Test is satisfied immediately prior to each such purchase and will be satisfied, maintained or improved after giving effect to such purchase;

(vi) to the extent that Sale Proceeds are used to consummate any such purchase or prepayment, either (I) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except the S&P CDO Monitor Test) will be satisfied after giving effect to such purchase or (II) if any such requirement or test was not satisfied immediately prior to such purchase, such requirement or test will be maintained or improved after giving effect to such purchase;

(vii) no Event of Default shall have occurred and be continuing;

(viii) each such purchase will otherwise be conducted in accordance with applicable law;

(ix) the Trustee shall have received an Officer's certificate of the Collateral Manager to the effect that the conditions in the foregoing clauses (i) through (viii) have been satisfied; and

(x) notice of each such purchase shall be provided to the Rating Agency.

Any Secured Notes to be purchased shall be surrendered to the Trustee for cancellation in accordance with Section 2.9. Upon receipt of the Officer's certificate described in preceding sub-clause (ix), the Trustee shall disburse any available amount in the Principal Collection Subaccount on any Business Day pursuant to Issuer instruction (or the Collateral Manager acting on behalf of the Issuer), which instruction shall identify that such disbursement is for the purchase of Secured Notes pursuant to and in accordance with this Section 9.7. The Issuer reserves the right to cancel any offer to purchase Secured Notes prior to finalizing such offer.

Section 9.8. Optional Re-Pricing. On any Business Day after the Non-Call Period for the applicable Class of Notes, at the direction of a Majority of the Subordinated Notes and with the consent of the Collateral Manager and the Retention Provider, the Issuer shall reduce the spread over the Benchmark or the fixed interest rate applicable with respect to any Class of Re-Pricing Eligible Notes (such reduction with respect to any such Class of Notes, a "Re-Pricing" and any Class of Secured Notes to be subject to a Re-Pricing, a "Re-Priced Class"); *provided* that the Issuer shall not effect any Re-Pricing unless each condition specified below is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

At least 20 days (or such shorter period reasonably acceptable to the Trustee and the Collateral Manager) prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee and the Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall:

(a) specify the proposed Re-Pricing Date and the revised spread over the Benchmark or the fixed interest rate to be applied with respect to such Class (the "Re-Pricing Rate");

(b) request each Holder of the Re-Priced Class to approve the proposed Re-Pricing; and

(c) specify the price at which Notes of any Holder of the Re-Priced Class which does not approve the Re-Pricing may be sold and transferred pursuant to the following paragraph, which, for purposes of such Re-Pricing, shall be the Redemption Price after giving effect on a pro forma basis to all payments to be made pursuant to the Priority of Payments on the Re-Pricing Date.

In the event any Holders of the Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date that is not more than 5 Business Days after such

notice, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the aggregate principal amount of the Notes of the Re-Priced Class held by such non-consenting Holders, and shall request each such consenting Holder provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-consenting Holders (each such notice, an "Exercise Notice") within five Business Days after receipt of such notice (subject to the minimum denomination and applicable procedures of DTC). In the event the Issuer shall receive Exercise Notices with respect to more than the aggregate principal amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof (for settlement on the Re-Pricing Date) to the Holders delivering Exercise Notices with respect thereto, pro rata based on the aggregate principal amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (subject to the minimum denomination and applicable procedures of DTC). In the event the Issuer shall receive Exercise Notices with respect to less than the aggregate principal amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer (subject to the minimum denomination and applicable procedures of DTC), shall cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, for settlement on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders shall be sold (for settlement on the Re-Pricing Date) to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this paragraph shall be made at a price equal to the aggregate principal amount of such Notes together with any accrued and unpaid interest thereon, including any Deferred Interest and any accrued and unpaid interest on such Deferred Interest, in each case after giving effect on a pro forma basis to all payments to be made pursuant to the Priority of Payments on the Re-Pricing Date, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions of this Indenture described in this Section 9.8. The Holder of any Secured Note, by its acceptance of an interest in the Secured Note, agrees to sell and transfer its Secured Note in accordance with the provisions of this Indenture described in this Section 9.8 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary, and the Trustee to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders. For the avoidance of doubt, such Re-Pricing will apply to all the Notes of the Re-Priced Class, including the Notes of the Re-Priced Class held by non-consenting Holders.

The Issuer shall not effect any proposed Re-Pricing unless: (i) with the consent of the Majority of the Subordinated Notes, the Collateral Manager and the Retention Provider, the Issuer and the Trustee shall have entered into a supplemental indenture, dated as of the Re-Pricing Date solely to decrease the spread over the Benchmark or the fixed interest rate applicable to the Re-Priced Class; (ii) the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) confirms in writing that all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to clause (c) above; (iii) the Rating Agency shall have been notified of such Re-Pricing; (iv) all expenses of the Issuer and the Trustee (including the

fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing shall not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to the Priority of Payments on the subsequent Payment Date prior to distributions to the Holders of the Subordinated Notes, unless such expenses shall have been paid (including from proceeds of any additional issuance of Subordinated Notes) or shall be adequately provided for by an entity other than the Issuer; and (v) the Issuer has received written advice from Dechert LLP or Chapman and Cutler LLP or Mayer Brown LLP, or an opinion of counsel of nationally recognized standing to the effect that (A) the tax treatment of the Re-Priced Class of Notes as expressed in Section 7.17 will not be altered solely as a result of the Re-Pricing and (B) the Re-Pricing will not cause the Issuer to be treated as a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes; *provided*, however, that the advice or opinion described in clause (A) will not be required in respect of any Re-Priced Class that will be subject to the Withholding Tax Transfer Restriction.

Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and the Rating Agency.

The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing and the Trustee shall have the authority to take such actions as may be directed by the Issuer or the Collateral Manager as the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or Collateral Manager shall deem necessary or desirable to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such consenting or non-consenting Holder(s). The Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that the Re-Pricing is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing.

Section 9.9. Clean-Up Call Redemption.

(a) At the written direction of either a Majority of the Subordinated Notes or the Collateral Manager in its sole discretion (which direction shall be given so as to be received by the Issuer, the Trustee, the Rating Agency and, in the case of such direction delivered by a Majority of the Subordinated Notes, the Collateral Manager not later than 30 days prior to the proposed Redemption Date specified in such direction), the Secured Notes will be subject to redemption by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Business Day after the last expiring Non-Call Period if the Collateral Principal Amount is less than 20.0% of the Target Initial Par Amount.

(b) Upon receipt of notice directing the Issuer to effect a Clean-Up Call Redemption and subject to any transfer restriction, the Issuer (or, at the written direction and expense of the Issuer, the Trustee on behalf of the Issuer) will offer to the Collateral Manager, the holders of the Subordinated Notes and any other Person identified by the Issuer or the Collateral Manager the right to bid to purchase the Collateral Obligations at a price not less than the Clean-Up Call Purchase Price. Any Clean-Up Call Redemption is subject to (i) the sale of the Collateral Obligations by the Issuer to the highest bidder therefor (it being understood that any such sale of Collateral Obligations may consist of multiple transactions in which Collateral Obligations are sold in groups or on an individual basis, or any combination of the two, or as an entire pool, as determined by the Collateral Manager) on or prior to the third Business Day immediately preceding the related Redemption Date, for a purchase price in cash (the "Clean-Up Call Purchase Price") payable prior to or on the Redemption Date at least equal to the greater of (1) the sum of (a) the sum of the Redemption Prices of the Secured Notes, *plus* (b) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes, *minus* (c) all other Assets available for application in accordance with the Priority of Payments on the Redemption Date and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum expected to be received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from, and at the expense of, the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the applicable holder of Subordinated Notes, the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Purchase Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Collateral Manager.

(c) Upon receipt from a Majority of the Subordinated Notes or the Collateral Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date (as specified in the direction delivered pursuant to clause (a) above) and the Record Date for any redemption pursuant to this Section 9.9 and give written notice thereof to the Trustee (which shall forward such notice to the Holders), the Collateral Administrator, the Collateral Manager and the Rating Agency not later than 15 Business Days prior to the proposed Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to two Business Days prior to the related scheduled Redemption Date by written notice to the Trustee, the Rating Agency and the Collateral Manager only if amounts equal to the Clean-Up Call Purchase Price are not received in full in immediately available funds by the third Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder's address in the Register, by overnight courier guaranteeing next day delivery not later than the second Business Day prior to the related scheduled Redemption Date.

(e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Purchase Price shall be distributed pursuant to the Priority of Payments.

ARTICLE X.

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1. Collection of Money. (a) Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided herein. Each Account shall be established and maintained (I) with a federal or state-chartered depository institution which has a long-term issuer rating of at least "A" and a short-term issuer rating of at least "A-1" by S&P (or a long-term issuer rating of at least "A+" by S&P if such institution has no short-term rating) or (II) in segregated trust accounts with the corporate trust department of a federal or state-chartered depository institution rated at least "BBB" by S&P and is subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b); provided that Computershare Trust Company, N.A. in its capacity as Account Bank shall not be required to satisfy such rating requirement so long as the Assets credited to each Account are deposited with and held by an institution that does meet such ratings. Such institution shall have a combined capital and surplus of at least U.S.$200,000,000. Each of the Accounts shall be "securities accounts" under Section 8-501(A) of the UCC and all Cash deposited in the Accounts shall be capable of being invested at the direction of the Issuer, or the Collateral Manager on its behalf, provided that all Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture.

(b) If any institution described in Section 10.1(a) above falls below the requirements specified in Section 10.1(a)(I) or (II), the assets held in such Account shall be moved by the Issuer within 60 calendar days to another institution that has ratings that satisfy such requirements.

Section 10.2. Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Issuer shall, prior to the Closing Date, cause the Trustee to establish at the Account Bank four segregated trust subaccounts, one of which will be designated as the "USD Interest Collection Subaccount", one of which will be designated as the "Euro Interest Collection Subaccount", one of which will be designated as the "USD Principal Collection Subaccount" and one of which will be designated as the "Euro Principal Collection Subaccount" (and which together will comprise the Collection Account), each held in the name of the Issuer subject to the lien of the Trustee, for the benefit of the Secured Parties and each of which shall be maintained by the Account Bank in accordance with the Securities Account Control Agreement. The USD Interest Collection Subaccount and the Euro Interest Collection Subaccount together collectively known as the "Interest Collection Subaccount" and USD Principal Collection Subaccount and the Euro Principal Collection Subaccount together collectively known as the "Principal Collection Subaccount". The Trustee shall from time to time

deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof or upon transfer from the Payment Account, all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties or the Issuer (other than Contributions and payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; *provided* that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations, Equity Securities or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with any Principal Financed Accrued Interest) and reinvest such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII and such Issuer Order and the purchase price for such Collateral Obligations (including accrued interest and other accrued amounts for such additional Collateral Obligations) may be paid on or following the settlement thereof as directed in an Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds

in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(G) to the payment of (1) *first*, accrued and unpaid interest on the Class C Notes (excluding Deferred Interest but including interest thereon), and (2) *second*, any Deferred Interest on the Class C Notes;

(H) if either of the Class C Coverage Tests is not satisfied on the related Determination Date, to make payments in accordance with the

Note Payment Sequence to the extent necessary to cause all Class C Coverage Tests that are applicable on such Payment Date to be satisfied on a pro forma basis after giving effect to all payments pursuant to this clause (H);

(I) to the payment of (1) *first*, accrued and unpaid interest on the Class D Notes (excluding Deferred Interest but including interest thereon), and (2) *second*, any Deferred Interest on the Class D Notes;

(J) if either of the Class D Coverage Tests is not satisfied on the related Determination Date, to make payments in accordance with the Note Payment Sequence to the extent necessary to cause all Class D Coverage Tests that are applicable on such Payment Date to be satisfied on a pro forma basis after giving effect to all payments pursuant to this clause (J);

(K) if, with respect to any Payment Date following the Effective Date, S&P has not yet confirmed its Initial Ratings of the Secured Notes rated by it and the Effective Date Condition is not satisfied, amounts available for distribution pursuant to this clause (K) shall be used for application in accordance with the Note Payment Sequence on such Payment Date in an amount sufficient to obtain from S&P confirmation of its Initial Ratings of the Secured Notes rated by it;

(L) to the payment of (1) first, any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein (in the same manner and order of priority stated therein) and (2) second, any Cumulative Deferred Management Fee not paid pursuant to clause (B)(ii) above due to the limitations contained therein (in the same manner and order of priority stated therein);

(M) during the Reinvestment Period, at the direction of the Collateral Manager, to the Supplemental Reserve Account; and

(N) any remaining Interest Proceeds to be paid to the Holders of the Subordinated Notes.

(ii) On each Payment Date other than any Stated Maturity, unless an Enforcement Event has occurred and is continuing and, if elected by the Collateral Manager, on each Redemption Distribution Date, Principal Proceeds on deposit in the Collection Account that are received on or before the related Determination Date (or if such Determination Date is not a Business Day, the next succeeding Business Day) and that are transferred to the Payment Account (which will not include (i) amounts required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are deposited in the Revolver Funding Account or (ii) during the Reinvestment Period, Principal Proceeds that have previously been reinvested in

Collateral Obligations or Principal Proceeds which the Issuer has entered into any commitment to reinvest in Collateral Obligations) shall be applied in the following order of priority:

(A) to pay the amounts referred to in clauses (A) through (E) of Section 11.1(a)(i) (and in the same manner and order of priority stated therein), but only to the extent not paid in full thereunder; provided that Principal Proceeds shall only be used to make payments with respect to the Cumulative Deferred Management Fee pursuant to Section 11.1(a)(i)(B) to the extent such Principal Proceeds are not needed to pay amounts referred to in clause (B) below;

(B) to pay the amounts referred to in clause (F) of Section 11.1(a)(i), but only to the extent not paid in full thereunder and to the extent necessary to cause the Coverage Tests that are applicable on such Payment Date with respect to the Class A Notes and the Class B Notes to be met as of the related Determination Date on a pro forma basis after giving effect to any payments made through this clause (B);

(C) to pay the amounts referred to in clause (G) of Section 11.1(a)(i) (and in the same manner and order of priority stated therein) to the extent not paid in full thereunder, only to the extent that the Class C Notes are the Controlling Class;

(D) to pay the amounts referred to in clause (H) of Section 11.1(a)(i), but only to the extent not paid in full thereunder and to the extent necessary to cause the Coverage Tests that are applicable on such Payment Date with respect to the Class C Notes to be met as of the related Determination Date;

(E) to pay the amounts referred to in clause (I) of Section 11.1(a)(i) (and in the same manner and order of priority stated therein) to the extent not paid in full thereunder, only to the extent that the Class D Notes are the Controlling Class;

(F) to pay the amounts referred to in clause (J) of Section 11.1(a)(i), but only to the extent not paid in full thereunder and to the extent necessary to cause the Coverage Tests that are applicable on such Payment Date with respect to the Class D Notes to be met as of the related Determination Date;

(G) if, with respect to any Payment Date following the Effective Date S&P has not yet confirmed its Initial Ratings of the Secured Notes rated by it and the Effective Date Condition is not satisfied, amounts available for distribution pursuant to this clause (G) shall be used for application in accordance with the Note Payment Sequence on such

Payment Date in an amount sufficient to obtain from S&P confirmation of its Initial Ratings of the Secured Notes rated by it;

(H) if such Payment Date is a Redemption Date (other than a Special Redemption Date) or a Redemption Distribution Date, (1) *first*, to make payments in accordance with the Note Payment Sequence and (2) *second*, to pay any Class A-1 Optional Redemption Make-Whole Amount due and payable in connection therewith;

(I) if such Payment Date is a Special Redemption Date occurring in connection with a Special Redemption described in clause (i) of the first sentence of Section 9.6, to make payments in the amount of the Special Redemption Amount at the election of the Collateral Manager, in accordance with the Note Payment Sequence;

(J) during the Reinvestment Period, at the discretion of the Collateral Manager either (x) to the Collection Account as Principal Proceeds to invest in Eligible Investments (pending the purchase of additional Collateral Obligations) and/or to purchase additional Collateral Obligations or (y) if the reinvestment of such Principal Proceeds would, in the sole determination of the Collateral Manager, cause (or would be likely to cause) an E.U./U.K. Retention Deficiency, to make payments in accordance with the Note Payment Sequence in an amount determined by the Collateral Manager in its sole discretion (and for the avoidance of doubt such payment shall not result in a termination of the Reinvestment Period);

(K) after the Reinvestment Period, to make payments in accordance with the Note Payment Sequence;

(L) after the Reinvestment Period, to pay the amounts referred to in clause (L) of Section 11.1(a)(i) only to the extent not already paid (in the same manner and order of priority stated therein); and

(M) any remaining proceeds to be paid to the Holders of the Subordinated Notes.

On any Stated Maturity, the Trustee shall pay the net proceeds from the liquidation of the Assets and all available Cash, but only after the payment of (or establishment of a reserve for) all Administrative Expenses (in the same manner and order of priority stated in the definition thereof), Aggregate Collateral Management Fees, and interest and principal on the Secured Notes, to the Holders of the Subordinated Notes in final payment of such Subordinated Notes (such payments to be made in accordance with the priority set forth in Section 11.1(a)(iii)).

For the avoidance of doubt, to the extent that on any Redemption Distribution Date the Collateral Manager does not direct any payments to be made pursuant to Section 11.1(a)(i), no payments will be required to be made pursuant to Section 11.1(a)(ii)(A)-(H).

(iii) Notwithstanding the provisions of the foregoing Sections 11.1(a)(i) and 11.1(a)(ii) (other than the last paragraph thereof), on (x) any Stated Maturity, (y) on a Redemption Date occurring with respect to a Failed Optional Redemption, or (z) if the maturity of the Secured Notes has been accelerated following an Event of Default and has not been rescinded in accordance with the terms herein (clause (z), an "Enforcement Event"), pursuant to Section 5.7, proceeds in respect of the Assets will be applied at the date or dates fixed by the Trustee in the following order of priority:

(A) to the payment of (1) *first*, taxes, registered office fees and governmental fees owing by the Issuer, if any, and (2) *second*, the accrued and unpaid Administrative Expenses, in the priority stated in the definition thereof, up to the Administrative Expense Cap (*provided* that if a liquidation of the Assets has commenced, the Administrative Expense Cap shall not apply);

(B) to the payment of the Aggregate Collateral Management Fee due and payable (including any accrued and unpaid interest thereon) to the Collateral Manager until such amount has been paid in full, other than any Cumulative Deferred Management Fee, to the extent not already paid;

(C) to the payment of (1) *first*, accrued and unpaid interest (including defaulted interest and interest thereon) on the Class A-1 Notes and (2) *second*, any Class A-1 Optional Redemption Make-Whole Amount due and payable on the Class A-1 Notes;

(D) to the payment of principal of the Class A-1 Notes, until the Class A-1 Notes have been paid in full;

(E) to the payment of accrued and unpaid interest (including defaulted interest and interest thereon) on the Class A-2 Notes;

(F) to the payment of principal of the Class A-2 Notes, until the Class A-2 Notes have been paid in full;

(G) to the payment of accrued and unpaid interest (including defaulted interest and interest thereon) on the Class B Notes;

(H) to the payment of principal of the Class B Notes, until such amounts have been paid in full;

(I) to the payment of accrued and unpaid interest (excluding Deferred Interest but including interest on Deferred Interest) on the Class C Notes;

(J) to the payment of any Deferred Interest on the Class C Notes;

(K) to the payment of principal of the Class C Notes, until the Class C Notes have been paid in full;

(L) to the payment of accrued and unpaid interest (excluding Deferred Interest but including interest on Deferred Interest) on the Class D Notes;

(M) to the payment of any Deferred Interest on the Class D Notes;

(N) to the payment of principal of the Class D Notes, until the Class D Notes have been paid in full;

(O) to the payment of (in the same manner and order of priority stated therein) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein;

(P) any Cumulative Deferred Management Fee to the extent not already paid; and

(Q) to pay the balance to the Holders of the Subordinated Notes.

If any declaration of acceleration has been rescinded in accordance with the provisions herein, proceeds in respect of the Assets will be applied in accordance with Section 11.1(a)(i) or (ii), as applicable.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available (and subject to the order of priority set forth in the definition of "Administrative Expenses"), as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date.

(d) The Collateral Manager may, in its sole discretion, elect to irrevocably waive payment of any or all of any Collateral Management Fee otherwise due on any

Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date in accordance with the terms of Section 8(c) of the Collateral Management Agreement. Any such Collateral Management Fee, once waived, shall not thereafter become due and payable and any claim of the Collateral Manager therein shall be extinguished.

(e) At any time during or after the Reinvestment Period, any Holder of Subordinated Notes may (i) make a Contribution of Cash, Eligible Investments or Collateral Obligations or (ii) solely in the case of Certificated Subordinated Notes, in accordance with Section 8.3(j), designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with Section 11.1(a)(i)(N) or Section 11.1(a)(ii)(N), to be a contribution to the Issuer (a "Contribution" and each such Person, a "Contributor"); *provided* that a Notice of Contribution in the form of Exhibit E (solely for Contributions of Cash or Eligible Investments) is provided; *provided*, *further* that no individual Contribution (treating all Contributions made on the same Business Day as a single Contribution) may be in an amount less than $1,000,000 (except in the case of Contributions designated for use in accordance with clause (iii) of the definition of "Permitted Use"). The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall notify the Trustee and the Collateral Administrator of any such acceptance. Each accepted Contribution of Cash or Eligible Investments shall be deposited into the Supplemental Reserve Account and may be withdrawn at the written direction of the Collateral Manager. Contributions of Cash or Eligible Investments may only be used for a Permitted Use or Permitted Uses as directed by the applicable Contributor at the time such Contribution is made, so long as the Collateral Manager consents to such Permitted Use(s) (or, if no direction is given by the Contributor, at the Collateral Manager's reasonable discretion). No Contribution of Cash or Eligible Investments or portion thereof will be returned to any applicable holder of Subordinated Notes at any time. From time to time after the Closing Date, the Initial Subordinated Noteholders may make Contributions or transfers of cash, Eligible Investments or Collateral Obligations, or any combination thereof, either directly or through one or more intermediate Related Entities or Affiliates, to the Issuer. For administrative convenience, any Contributions or transfers of Cash, Eligible Investments or Collateral Obligations made through one or more intermediate related entities or Affiliates of the Initial Subordinated Noteholders may instead be made directly into the Issuer, and by bypassing such intermediate related entity or Affiliate. The value received by the Issuer in Cash, Eligible Investments and/or in the form of Collateral Obligations will not be affected by the elimination of such intermediate steps. In the case of any such payment made to the Issuer in the form of a combination of Cash and Collateral Obligations, the Cash portion of such payment shall be an amount equal to the total payment required to be made to the Issuer reduced by an amount equal to the fair market value as determined by the Collateral Manager as of the date of Contribution of the Collateral Obligations and Eligible Investments Contributed or transferred to the Issuer in respect of such payment.

(f) Notwithstanding any other provision of this Indenture to the contrary, from and after the date on which no Secured Notes are deemed or considered to be Outstanding, (i) by 12:00 PM New York time, upon three Business Days prior notice to

the Trustee the Collateral Manager may designate any Business Day as a "Payment Date" for purposes of this Section 11.1 and distribute any Interest Proceeds or Principal Proceeds in accordance with the Priority of Payments and (ii) no further Monthly Reports or Distribution Reports shall be required to be prepared.

ARTICLE XII.

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3, the Collateral Manager on behalf of the Issuer may (except as otherwise specified in this Section 12.1) direct the Trustee to sell and the Trustee shall sell on behalf of the Issuer in the manner directed by the Collateral Manager any Collateral Obligation or Equity Security if, as certified by the Collateral Manager (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale), such sale meets the requirements of any one of paragraphs (a) through (l) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(h) and *provided* that if an Enforcement Event has occurred and is continuing, the Collateral Manager may not direct the Trustee to sell any Collateral Obligation or Equity Security pursuant to Section 12.1(e), Section 12.1(f) or Section 12.1(g)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations. The Collateral Manager may direct the Trustee to sell any Defaulted Obligation at any time without restriction.

(d) Equity Securities. The Collateral Manager may direct the Trustee to sell any Equity Security or any asset held by any ETB Subsidiary at any time without restriction, shall use its commercially reasonable efforts to effect the sale of any asset held by any Permitted Subsidiary prior to the earliest Stated Maturity of the Secured Notes and shall use its commercially reasonable efforts to effect the sale of any Equity Security, regardless of price within 45 days after receipt, if such Equity Security constitutes Margin Stock, unless such sale is prohibited by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law.

(e) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Section 9.2, if necessary to effect such Optional Redemption, the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of

Section 9.4(e)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Collateral Manager shall, if necessary to effect such Tax Redemption, direct the Trustee to sell (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(e)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. During the Reinvestment Period, the Collateral Manager may direct the Trustee to sell any Collateral Obligation at any time other than during a Restricted Trading Period if, commencing with the first calendar year after the Closing Date, total sales pursuant to this Section 12.1(g) (measured by the par amount of all Collateral Obligations disposed of) during the preceding 12-month period do not exceed (i) during the first calendar year following the Closing Date, 40% of the Collateral Principal Amount and (ii) thereafter, 30% of the Collateral Principal Amount (in each case, measured as of the first day of such 12-month period); *provided* that for purposes of determining the percentage of Collateral Obligations sold pursuant to this Section 12.1(g) during any such period, the amount of Collateral Obligations so sold shall be reduced to the extent of any purchases of (or irrevocable commitments to purchase) Collateral Obligations of the same Obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale, so long as any such sale pursuant to this Section 12.1(g) of a Collateral Obligation was entered into with the intention of purchasing such Collateral Obligations of the same Obligor.

(h) Mandatory Sales. The Collateral Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale of any Collateral Obligation that (i) no longer meets the criteria described in clause (ix) of the definition of "Collateral Obligation", within 18 months after the failure of such Collateral Obligation to meet any such criteria and (ii) no longer meets the criteria described in clause (viii) of the definition of "Collateral Obligation" within 45 days after the failure of such Collateral Obligation to meet either such criteria.

(i) Unsaleable Assets. After the Reinvestment Period:

(i) Notwithstanding any other restriction in this Section 12.1, at the direction of the Collateral Manager, the Trustee, at the expense of the Issuer, shall conduct an auction of Unsaleable Assets in accordance with the procedures described in clause (ii). The Trustee may retain an agent to perform the obligations set forth in this Section 12.1(i).

(ii) Promptly after receipt of written notice from the Collateral Manager of an auction of Unsaleable Assets, the Trustee will forward a notice in the Issuer's name (prepared by the Collateral Manager) to the Holders and the Rating Agency, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures:

(A) Any Holder may submit a written bid to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice).

(B) Each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice.

(C) If no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable and subject to any transfer restrictions (including minimum denominations), the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Trustee or Holder) a *pro rata* portion of each unsold Unsaleable Asset to the Holders of the Class with the highest priority that provide delivery instructions to the Trustee on or before the date specified in such notice. To the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee shall distribute the Unsaleable Assets on a *pro rata* basis to the extent possible and the Issuer or the Collateral Manager shall select by lottery the Holder to whom the remaining amount will be delivered. The Issuer and the Trustee (at the direction of the Issuer or the Collateral Manager on behalf of the Issuer) shall use commercially reasonable efforts to effect delivery of such interests.

(D) If no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Collateral Manager and offer to deliver (at no cost to the Trustee) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Collateral Manager (on behalf of the Issuer) shall direct action to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means, and the Trustee (at no expense to the Trustee) shall take such action as so directed.

(E) The Trustee shall have no duty, obligation or responsibility with respect to the sale of any Unsaleable Asset other than upon the instruction of the Collateral Manager.

(j) The Collateral Manager may direct the Trustee at any time without restriction to sell any Collateral Obligation that (i) has a Material Covenant Default, (ii) becomes subject to a Maturity Amendment or a proposed Maturity Amendment or (iii)

that becomes subject to any other proposed amendment that the Issuer is not permitted to vote in favor of pursuant to the Investment Guidelines.

(k) After the Collateral Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.9, the Collateral Obligations may be sold in accordance with the provisions of Section 9.9 without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; *provided* that the Sale Proceeds therefrom are used for the purposes specified in Section 9.9 (and applied pursuant to the Priority of Payments).

Section 12.2. Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period, the Collateral Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Trustee to invest Principal Proceeds, proceeds of Additional Notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Ramp-Up Account and the Supplemental Reserve Account and Principal Financed Accrued Interest, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction. After the Reinvestment Period, the Collateral Manager shall not direct the Trustee to invest any amounts on behalf of the Issuer; *provided* that cash on deposit in any Account (other than the Payment Account and the Custodial Account) may be invested in Eligible Investments following the Reinvestment Period.

(a) Investment during the Reinvestment Period. During the Reinvestment Period, no obligation may be purchased by the Issuer unless each of the following criteria is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Collateral Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to (such criteria collectively, the "Investment Criteria"); *provided* that the criteria set forth in clauses (ii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) such obligation is a Collateral Obligation;

(ii) each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved;

(iii) (I) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale or (2) the Reinvestment Balance Criteria will be satisfied, (II) in the case of the use of Sale Proceeds of Credit Improved Obligations, either (1) the Investment Criteria Adjusted Balance of all Collateral Obligations purchased with such Sale Proceeds will be greater than or equal to the Investment Criteria Adjusted Balance of the disposed Collateral Obligations, (2) after giving effect to such purchase, the Adjusted Collateral Principal Amount will be maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (3) after giving effect to such

reinvestment of such Sale Proceeds, the Adjusted Collateral Principal Amount will be greater than (or equal to) the Reinvestment Target Par Balance and (III) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of any other Collateral Obligation, the Collateral Manager shall use commercially reasonable efforts to ensure that after giving effect to such purchase, the Reinvestment Balance Criteria will be satisfied;

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation or an Equity Security, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(v) the date on which the Issuer (or the Collateral Manager on behalf of the Issuer) commits to purchase such Collateral Obligation occurs during the Reinvestment Period.

If the Issuer has entered into a written trade ticket or other written binding commitment to purchase a Collateral Obligation during the Reinvestment Period which purchase is not scheduled to settle prior to the end of the Reinvestment Period (such Collateral Obligation, a "Post-Reinvestment Period Settlement Obligation"), such Post-Reinvestment Period Settlement Obligation shall be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria, and Principal Proceeds received after the end of the Reinvestment Period may be applied to the payment of the purchase price of such Post-Reinvestment Period Settlement Obligation. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee (which certification will be deemed to be made upon delivery of such schedule) that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

(b) Trading Plan Period. During the Reinvestment Period and for purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to any expected prepayments on Collateral Obligations included in such Trading Plan and all sales and reinvestments proposed to be entered into, in each case, within the ten Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that (i) no Trading Plan may result in the purchase of Collateral

Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (ii) no Trading Plan Period may include a Determination Date, (iii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iv) the Collateral Manager may modify any Trading Plan during a Trading Plan Period if it determines that, but for the occurrence of an Intervening Event, the Investment Criteria would have been satisfied by the original Trading Plan (*provided* that the Investment Criteria are satisfied by the modified Trading Plan), (v) with respect to the Collateral Obligations to be acquired under such Trading Plan, there may not be a differential of more than three years between the earliest stated maturity and the latest stated maturity of such Collateral Obligations, (vi) none of the Collateral Obligations to be acquired under such Trading Plan may have a stated maturity of less than six months from such date of determination and (vii) if, on two occasions, the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria shall not at any time thereafter be evaluated by giving effect to a Trading Plan unless notice is provided to S&P; *provided*, that this clause (vii) shall be disregarded if the Collateral Manager obtains the consent of the Controlling Class. The Collateral Manager shall provide prior written notice to the Rating Agency of any Trading Plan, which notice shall specify the proposed investments identified by the Collateral Manager for acquisition as part of such Trading Plan, and shall notify the Trustee, the Collateral Administrator and the Rating Agency of any Trading Plan failure.

(c) Certification by Collateral Manager. Not later than the Cut-Off Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Collateral Manager shall deliver by e-mail or other electronic transmission to the Trustee and the Collateral Administrator an Officer's certificate of the Collateral Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such purchase).

(d) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account and the Custodial Account) may be invested at any time (including following the Reinvestment Period) in Eligible Investments in accordance with Article X.

(e) Maturity Amendments. The Issuer (or the Collateral Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment unless, as determined by the Collateral Manager:

(i) (A) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (B) if the Weighted Average Life Test was not satisfied immediately prior to giving effect to such Maturity Amendment, the level of compliance with the Weighted Average Life Test will be improved or maintained after giving effect to such Maturity Amendment, in each case after giving effect to any Trading Plan in effect during the applicable Trading Plan Period; and

(ii) the following conditions are met: (A) the extended maturity date of such Collateral Obligation would not be later than two years beyond the earliest Stated Maturity of the Secured Notes and (B) after giving effect to such Maturity Amendment not more than 5.0% of the Collateral Principal Amount may consist of Collateral Obligations that have been subject to a Maturity Amendment and are Long-Dated Obligations solely due to such Maturity Amendment;

provided, that, the Issuer may vote in favor of any Maturity Amendment that does not meet the requirement of clause (i) above if, as determined by the Collateral Manager, after giving effect to such Maturity Amendment, (I) not more than 5.0% of the Collateral Principal Amount will consist of Collateral Obligations subject to a Maturity Amendment that does not meet the requirement of clause (i) above and (II) the Collateral Principal Amount of Collateral Obligations subject to a Maturity Amendment that does not meet the requirement of clause (i) above, measured cumulatively from the Closing Date, is not more than 10.0% of the Target Initial Par Amount.

Notwithstanding the foregoing, the Issuer may vote in favor of any Maturity Amendment that does not meet the requirements of clause (i) or (ii) above if (x) in the Collateral Manager's reasonable judgment, not voting in favor of such Maturity Amendment would have a material adverse effect on the Issuer, the Secured Notes or the Holders and (y) the Collateral Manager intends to sell the Collateral Obligation that is subject to such Maturity Amendment within 30 days after the effective date of such Maturity Amendment and the Collateral Manager reasonably believes that such sale will be completed prior to the end of such 30-day period. For the avoidance of doubt, if such sale is not completed prior to the end of such 30-day period, then such Collateral Obligation will be included in the Adjusted Collateral Principal Amount at the Long-Dated Obligation Amount for such Collateral Obligation.

(f) The Investment Criteria will not be required to be satisfied in connection with any commitment to purchase a Collateral Obligation which purchase is scheduled to settle following the Redemption Date in connection with a Refinancing of the Secured Notes in whole with respect to which notice of redemption has been given as set forth in Section 9.4 (and will instead be required to comply with the terms of this Indenture as amended in connection with such Refinancing).

(g) Notwithstanding anything in this Indenture to the contrary, but, for the avoidance of doubt, without limitation on any right of the Collateral Manager or the Issuer to participate in an Offer in accordance with this Indenture, the Collateral Manager may instruct the Trustee to exchange (i) a Credit Risk Obligation for any other Credit Risk Obligations and any related Permitted Collateral Obligations or related Equity Securities (if any); *provided* that (v) any Credit Risk Obligation to be received by the Issuer in such exchange (1) shall be treated as a Collateral Obligation so long as it is a Permitted Collateral Obligation and does not have a stated maturity later than the stated maturity of the Credit Risk Obligation to be exchanged and (2) shall not have a lower S&P Rating than the S&P Rating of the Credit Risk Obligation to be exchanged, (w) after giving effect to such exchange, the Collateral Principal Amount of assets acquired in exchanges pursuant to this clause (i), measured cumulatively from the Closing Date onward, is not more than 10.0% of the Target Initial Par Amount, (x) after giving effect

to such exchange, each Overcollateralization Ratio Test shall be satisfied, (y) such exchange may only occur if, in the Collateral Manager's reasonable business judgment, at the time of such exchange, any Credit Risk Obligation to be received by the Issuer has a better likelihood of recovery than the Credit Risk Obligation to be exchanged, and (z) a Credit Risk Obligation may only be exchanged for related Equity Securities in connection with an insolvency, bankruptcy, reorganization, debt restructuring or workout), (ii) a Defaulted Obligation at any time for any other Defaulted Obligations, any Credit Risk Obligations, any Permitted Collateral Obligation and/or any Equity Securities (*provided* that, such exchange may only occur if, in the Collateral Manager's reasonable business judgment, at the time of such exchange, any Defaulted Obligation, Credit Risk Obligation, any Permitted Collateral Obligation and/or Equity Security to be received by the Issuer has a better likelihood of recovery than the Defaulted Obligation to be exchanged) or (iii) an Equity Security for any other Equity Securities, any Credit Risk Obligations, any Permitted Collateral Obligation and/or any Defaulted Obligations, in each case, regardless of whether such debt obligation satisfies the definition of "Collateral Obligation" (which debt obligation shall be treated as a Collateral Obligation subject to treatment as a Defaulted Obligation as described in paragraph (j) of this section below so long as it is a Permitted Collateral Obligation); *provided* that in the case of any exchange pursuant to clauses (ii) or (iii) above, after giving effect to such exchange, each Overcollateralization Ratio Test must be satisfied, or if not satisfied, maintained or improved.

(h) At any time, at the direction of the Collateral Manager, the Issuer may direct the payment from amounts on deposit in the Principal Collection Subaccount or the Interest Collection Subaccount to acquire any debt obligation or security in accordance with the requirements of Section 10.2(d).

(i) If an Equity Security meets the definition of "Permitted Collateral Obligation", it shall be treated as a Permitted Collateral Obligation and shall no longer be treated as an Equity Security for all purposes of this Indenture.

(j) A Permitted Collateral Obligation (other than a Permitted Collateral Obligation that satisfies all of the definition of "Collateral Obligation" apart from the introductory clause, clause (i) (only with respect to whether such debt obligation is a Bond that is not a Permitted Non-Loan Asset) or clause (xxvi) thereof) shall be treated as a Defaulted Obligation for all purposes of this Indenture, unless and until such Permitted Collateral Obligation meets the definition of "Collateral Obligation" (as tested on such date and without giving effect to the proviso to the definition of "Collateral Obligation"), after which it shall no longer be treated as a Defaulted Obligation.

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition, disposition or substitution of any Asset shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Schedule I of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated;

provided that in the case of any Collateral Obligation sold or otherwise transferred to a Person so Affiliated, the value thereof shall be the mid-point between the "bid" and "ask" prices to the extent such prices are obtained from a nationally recognized independent pricing service or, if unavailable or determined by the Collateral Manager to be unreliable, the fair market value of such Collateral Obligation as reasonably determined by the Collateral Manager (so long as the Collateral Manager is a Registered Investment Adviser) consistent with the Collateral Manager Standard, and such Affiliate shall acquire such Collateral Obligation for a price equal to the value so determined; *provided further* that an aggregate amount of Collateral Obligations not exceeding 15% of the Net Purchased Loan Balance may be sold or otherwise transferred to the Retention Provider or its Affiliates pursuant to this Indenture at a price greater than the value determined pursuant to the immediately preceding proviso, but no greater than the Transfer Deposit Amount of any such Collateral Obligation (and to the extent such price exceeds the fair market value of any such Collateral Obligation, such excess shall be deemed to be a capital contribution from the Retention Provider to the Issuer); *provided further* that, the Trustee shall have no responsibility to oversee compliance with this paragraph by the other parties. Notwithstanding anything contained in this Article XII to the contrary, after the Closing Date, the Issuer shall not acquire any Collateral Obligation from an Affiliate of the Collateral Manager unless (i) such transfer is from GCFF, GCFF III, GCFF IV or any Affiliate of the Collateral Manager pursuant to a Loan Sale Agreement or a transfer agreement on substantially the same terms as a Loan Sale Agreement, (ii) such transfer is from an Affiliate of the Collateral Manager that is a bankruptcy-remote special purpose vehicle or (iii) such transfer is made in accordance with the first proviso of this paragraph and other terms that the Collateral Manager determines, based upon advice of counsel, would not adversely impact the conclusions set forth in the Opinion of Counsel relating to bankruptcy matters delivered by Dechert LLP on the Closing Date.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Account Bank, and, if applicable, the Account Bank shall receive such Asset or Assets. The Trustee shall also receive, not later than the Cut-Off Date, an Officer's certificate of the Issuer containing the statements set forth in a Delivery Certificate; *provided* that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket pursuant to Section 1.3(t).

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary, the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation (1) with the consent of Holders evidencing at least (i) with respect to purchases or optional repurchases or substitutions during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Notes and (ii) with respect to purchases or optional repurchases or substitutions after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and (2) of the Rating Agency and the Trustee have been notified.

(d) Notwithstanding anything contained in this Article XII or Article V to the contrary, as a condition to any purchase of an additional Collateral Obligation during the Reinvestment Period, if the balance in the Principal Collection Account after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds resulting from announced prepayments, scheduled payments and maturities of the Collateral Obligations then held by the Issuer, is a negative amount, the absolute value of such amount may not be greater than 3.0% of the Adjusted Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase.

(e) Notwithstanding anything contained in this Article XII or Article V to the contrary, upon the occurrence and during the continuance of an Enforcement Event, the Issuer shall not have the right to effect any sale of any Asset or purchase of any Collateral Obligation without the consent of a Majority of the Controlling Class.

ARTICLE XIII.

HOLDERS' RELATIONS

Section 13.1. Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitutes a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner expressly set forth in the Priority of Payments. In the event one or more Holder(s) cause(s) the filing of a petition in bankruptcy against the Issuer prior to the expiration of the period set forth in clause (b) of this Section 13.1, any claim(s) that such Holder(s) have against the Issuer (including under all Notes of any Class held by such Holder(s)) or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until all Notes (and each claim of each other secured creditor) held by each Holder of any Notes that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments set forth herein (after giving effect to such subordination). The foregoing sentence shall constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code.

(b) The Holders of each Class of Notes and beneficial owners of each Class of Notes agree, for the benefit of all Holders of each Class of Notes and beneficial owners of each Class of Notes, not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States or any other jurisdiction against the Issuer or any Permitted Subsidiary until the payment in full of all Notes and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full. In addition, (i) the Issuer agrees not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the

United States or any other jurisdiction against any Permitted Subsidiary and (ii) each Permitted Subsidiary agrees not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States or any other jurisdiction against the Issuer until the payment in full of all Notes and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full.

(c) The Issuer or any Permitted Subsidiary, as applicable, shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding in bankruptcy, insolvency or other similar proceeding in the United States or any other jurisdiction to have the Issuer or any Permitted Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Permitted Subsidiary, as the case may be, under the Bankruptcy Code or other applicable law. The reasonable fees, costs, charges and expenses incurred by the Issuer or any Permitted Subsidiary (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be payable as "Administrative Expenses."

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV.

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia which law firm may, except as otherwise expressly provided herein, be counsel for the Issuer), unless such Officer knows, or should know, that the certificate or opinion or representations with respect to the matters upon

which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Collateral Manager or any other Person (on which the Trustee shall be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager or the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Bank (in any capacity under the Transaction Documents) agrees to accept and act upon instructions or directions pursuant to the Transaction Documents sent by unsecured email or facsimile transmission or other similar unsecured electronic methods; *provided* that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing authorized persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any Person providing such instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions accompanied by an incumbency certificate, and the risk of interception and misuse by third parties. Any Person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by such Person and agrees that the security procedures (if any) to be followed in connection with such Person's transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee reasonably deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register or shall be provided by certification by such Holder.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee's website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in the form of Exhibit C hereto (a "Beneficial Ownership Certificate") to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, (ii) the amount and Class of Notes so owned, and (iii) that such Person will notify the Trustee when it sells all or a portion of its beneficial interest in such Class of Notes. A separate Beneficial Ownership Certificate must be delivered each time any such vote, consent or direction is given; provided that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; *provided further* that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each Beneficial Ownership Certificate and shall not be required to obtain any further information in this regard.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

Section 14.4. Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, or by overnight delivery service (or, in the case of Holders of Global Secured Notes, e-mailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register, not earlier than the earliest date and not later than the latest date prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. Notices for Holders may also be posted to the Trustee's internet website.

Subject to the requirements of Section 14.15, the Trustee will deliver to the Holders any information or notice relating to this Indenture in the possession of the Trustee and requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer; *provided* that the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder or (iii) applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Holder status.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5. Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6. Successors and Assigns. All covenants and agreements herein by the Issuer shall bind its respective successors and assigns, whether so expressed or not.

Section 14.7. Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8. Benefits of Indenture. Except as otherwise expressly set forth in this Indenture, nothing herein or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Delaware Trustee, the Holders of the Notes and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9. Legal Holidays. Section 14.10. Governing Law. This Indenture shall be construed in accordance with, and this Indenture and any matters arising out of or relating in any way whatsoever to this Indenture (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11. Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing herein precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12. Waiver of Jury Trial. EACH OF THE ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13. Counterparts. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.14. Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to the Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.17, unless otherwise agreed to in writing by the Collateral Manager.

Section 14.15. Confidential Information. (i) Notwithstanding anything to the contrary in this Indenture (including, without limitation, Section 5.1), any failure by the Issuer or any other Person to comply with the provisions of this Section 14.18 shall not constitute an Event of Default or breach of this Indenture, the Collateral Management Agreement or any other agreement, and the Holders and the holders of any beneficial interests in the Notes shall have no rights with respect thereto or under this Section 14.18. This Section 14.18 may be

ARTICLE XV.

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1. Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture applicable thereto.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee at any time, including following the resignation or removal of the Collateral Manager.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that, as of the date hereof, the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the Collateral Manager Standard) of the Collateral Management Agreement.

(iv) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable by the Issuer to the Collateral Manager under the Collateral Management Agreement until the payment in full of all Notes issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period and one day, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(v) Except with respect to transactions contemplated by Section 5 of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Note and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken

with respect to any Asset, then the Collateral Manager will give written notice briefly describing such conflict and the action it proposes to take to the Trustee, who shall promptly forward such notice to the relevant Holder. The provisions of this clause (v) shall not apply to any transaction permitted by the terms of the Collateral Management Agreement.

(vi) On each Measurement Date on which the S&P CDO Monitor Test is used, the Collateral Manager on behalf of the Issuer will measure compliance under such test.

(g) The Issuer and the Trustee agree that the Collateral Manager shall be a third party beneficiary of this Indenture, and shall be entitled to rely upon and enforce such provisions of this Indenture to the same extent as if it were a party hereto.

CFR

With respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; *provided* that if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

For purposes of this Indenture, the terms Moody's Rating and Moody's Derived Rating, have the meanings under the respective headings below.

MOODY'S RATING

(i) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(ii) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency.

For purposes of the definitions of "Moody's Derived Rating" and "Moody's Rating", any credit estimate assigned by Moody's shall expire one year from the date such estimate was issued; provided that, for purposes of any calculation under this Indenture, if Moody's fails to renew for any reason a credit estimate for a previously acquired Collateral Obligation thereunder on or before such one-year anniversary (which may be extended at Moody's option to the extent the annual audited financial statements for the Obligor have not yet been received), after the Issuer or the Collateral Manager on the Issuer's behalf has submitted to Moody's all information that the Issuer or the Collateral Manager believed in good faith was required to provide such

renewal, (1) the Issuer for a period of 60 days will continue using the previous credit estimate assigned by Moody's with respect to such Collateral Obligation until such time as Moody's renews the credit estimate for such Collateral Obligation and (2) after 60 days but before Moody's renews the credit estimate for such Collateral Obligation, the Collateral Obligation will be deemed to have a Moody's rating of "Caa3."

Group B: *Brazil, Czech Republic, Mexico, Poland and South Africa*

Group C: *Greece, India, Indonesia, Kazakhstan, Russia, Turkey, Ukraine, United Arab Emirates, Vietnam and any other country not included in Group A or Group B.*

Notwithstanding the foregoing, for purposes of determining the S&P Recovery Rate of a Collateral Obligation that is a Senior Secured Loan (including any Cov-Lite Loan), a Senior Secured Bond or a Senior Secured Note secured solely or primarily by common stock or other equity interest, such Collateral Obligation shall be deemed to be an Unsecured Loan.

* For purposes of determining the S&P Recovery Rate, a Senior Secured Note shall be deemed to be a Senior Secured Loan if such Senior Secured Note, if it were a loan, would satisfy the definition of Senior Secured Loan.

** Solely for the purpose of determining S&P Recovery Rate: (a) "senior unsecured Bond" shall mean an unsecured debt security (that is not a loan) that (i) is issued by a corporation, limited liability company, partnership, trust or similar business entity and (ii) if it is subordinated by its terms, is subordinated only with respect to liquidation, trade claims, capitalized leases or similar obligations and (b) "subordinated bond" shall mean a debt security (that is not a loan) that (i) is issued by a corporation, limited liability company, partnership, trust or similar business entity and (ii) is subordinated by its terms other than with respect to liquidation, trade claims, capitalized leases or similar obligations.

*** The S&P Recovery Rate for Senior Syndicated Secured Loans shall apply only to Senior Syndicated Secured Loans for which the Syndicated Tranche exceeds 20% of the sum of (x) the outstanding principal balance of the loan, plus (y) the outstanding principal balance and unfunded commitments of such revolving facility, plus (z) the outstanding principal balance of any other debt for borrowed money incurred by such Obligor that is *pari passu* with such loan.

**** Solely for the purpose of determining the S&P Recovery Rate for such loan, the aggregate principal balance of all First-Lien Last-Out Loans, Unsecured Loans, Second Lien Loans and senior unsecured Bonds that, in the aggregate, represent up to 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for First-Lien Last-Out Loans, Unsecured Loans, Second Lien Loans and senior unsecured Bonds in the table above and the aggregate outstanding principal balance of all First-Lien Last-Out Loans, Unsecured Loans, Second Lien Loans and senior unsecured Bonds in excess of 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for subordinated loans in the table above.

2. S&P CDO Monitor

Liability Rating of S&P Highest Ranking Class	**Weighted Average S&P Recovery Rate (in increments of 0.01%):**	
	Not Less Than (%)	**Not Greater Than (%)**
"AAA"	2.00	75.00
"AA"	4.00	85.00
"A"	6.00	88.00
"BBB-"	8.00	90.00

For purposes of calculating the Collateral Quality Tests, DIP Collateral Obligations will be treated as having a S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loan.

The applicable weighted average spread will be the spread between 2.00% and 8.00% (in increments of .01%) without exceeding the Weighted Average Floating Spread (determined for purposes of this definition as if all Discount Obligations instead constituted Collateral Obligations that are not Discount Obligations) as of such Measurement Date.
