Except as otherwise specified herein or as the context may otherwise require: (i) references to an agreement or other document are to it as amended, supplemented, restated and otherwise modified from time to time and to any successor document (whether or not already so stated); (ii) references to a statute, regulation or other government rule are to it as amended from time to time and, as applicable, are to corresponding provisions of successor governmental rules (whether or not already so stated); (iii) the word "including" and correlative words shall be deemed to be followed by the phrase "without limitation" unless actually followed by such phrase or a phrase of like import; (iv) the word "or" is always used inclusively herein (for example, the phrase "A or B" means "A or B or both," not "either A or B but not both"), unless used in an "either . . . or" construction; (v) references to a Person are references to such Person's successors and assigns (whether or not already so stated); (vi) all references in this Indenture to designated "Articles," "Sections," "subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture; and (vii) the words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision.

The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of its Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5. Registration, Registration of Transfer and Exchange

(a) The Issuer shall cause the Notes to be registered and shall cause to be kept a register (the "Register") at the office of the Registrar in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "registrar"

(the "Registrar") for the purpose of registering Notes and transfers of such Notes in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice (with a copy to the Collateral Manager) of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes.

Subject to this Section 2.5, upon surrender for registration of transfer of any Note at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized Minimum Denomination and of a like aggregate principal or face amount.

All Notes authenticated and delivered upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Registrar or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably

satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) (i) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(ii) No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (A)(1) to a non-U.S. Person in accordance with the requirements of Regulation S, or (2) a Qualified Institutional Buyer and (B) in accordance with any applicable law.

The Notes may be sold or resold, as the case may be, in offshore transactions to non-U.S. Persons in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a Qualified Institutional Buyer, and no Temporary Global Note or Regulation S Global Note may be held at any time by or on behalf of any U.S. Person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) No transfer of a beneficial interest in a Co-Issued Note will be effective, and the Trustee and the Applicable Issuers will not recognize any such transfer, if the transferee's acquisition, holding and disposition of such interest would constitute or result in ~~a~~the case of a Benefit Plan Investor in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code ~~(or in a violation of any Other Plan Law or other applicable law),~~ unless an exemption is available and all conditions have been satisfied~~.~~ (or in the case of a governmental, church or non-U.S. plan, a violation of any Similar Law).

For purposes of such calculations, (x) the investment by a Plan Asset Entity shall be treated as "plan assets" for purposes of calculating the 25% Limitation only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any Issuer Only Notes held by a Controlling Person shall be excluded and treated as not being Outstanding.

Further, each purchaser and transferee of an Issuer Only Note shall be required or deemed to represent and warrant, on each day from the date on which the purchaser or transferee acquires its interest in such Note through and including the date it disposes of such interest, that if it is a governmental, church or non-U.S. plan, its acquisition, holding and disposition of such Issuer Only Note would not constitute or result in a violation of any Similar Law or cause a Similar Law Look-Through to occur.

It agrees and acknowledges that the restrictions set forth in the two preceding sentences are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into each Transaction Document to which it is a party and is an essential term of the Indenture and the Notes. Any Holder or beneficial owner of a Note, the Collateral Manager, the Trustee, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws. It further acknowledges and agrees that if it causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in the preceding sentence, any claim that it has against any Tax Subsidiary or the Co-Issuers (including under all Notes of any Class held by it) or with respect to any Assets or any assets held by any Tax Subsidiary (including, in either case, any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder or beneficial owner of any Note that is not a Filing Holder (and each other secured creditor of the Issuer), with such subordination being effective until each Note held by each Holder or beneficial owner that is not a Filing Holder (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code. The Issuer will direct the Trustee to segregate payments

and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class of Notes held by each Filing Holder.

(vii) It understands and agrees that such Notes are limited recourse obligations of the Issuer (and, in the case of the Co-Issued Notes, the Co-Issuer), payable solely from proceeds of the Assets in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and, in the case of the Co-Issued Notes, the Co-Issuer) thereunder or in connection therewith after such realization will be extinguished and will not thereafter revive.

(viii) It acknowledges and agrees that the Issuer has the right to compel any Non-Permitted Holder to sell its interest in such Notes or to sell such interest on behalf of such owner.

(ix) It understands that (A) the Trustee and the Bank in its other capacities under the Transaction Documents will be required to provide certain information to the Issuer and the Collateral Manager regarding the Holders and beneficial owners of the Notes (including, without limitation, the identity of the Holders as contained in the Register and, unless any such Certifying Person instructs the Trustee otherwise, the identity of each Certifying Person) and (B) neither the Trustee nor the Bank in any of its capacities will have any liability for any such disclosure or, subject to its respective duties and responsibilities set forth in the applicable Transaction Documents, for the accuracy thereof.

(x) It agrees to provide to the Issuer and the Collateral Manager all information reasonably available to it that is reasonably requested by the Issuer or the Collateral Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Issuer or the Collateral Manager from time to time.

(xi) It understands that, subject to certain exceptions set forth in this Indenture, all information delivered to it by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by this Indenture (including, without limitation, the information contained in the reports made available to such holder on the Trustee's Website) is confidential. It agrees that, except as expressly permitted by this Indenture, it will use such information for the sole purpose of administering its investment in such Notes and that, to the extent it discloses any such information in accordance with this Indenture, it will use reasonable efforts to protect the confidentiality of such information.

(xii) It is not a member of the public in the Cayman Islands.

(xiii) It is not a person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the European Union, Switzerland or any other applicable jurisdiction, and its purchase of such Notes will not result in the violation of any such law by any Transaction Party, whether as a result of the identity of it or its beneficial owners, their source of funds or otherwise.

(xiv) It agrees to provide upon request certification acceptable to the Issuer, or in the case of Co-Issued Notes, the Co-Issuers to permit the Issuer or the Co-Issuers, as applicable, to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) comply with applicable law. It has read and understands the summary of the U.S. federal income tax considerations contained in the Offering Memorandum as it relates to such Notes, and it represents that it will treat such Notes for U.S. tax purposes in a manner consistent with the treatment of such Notes by the Issuer described therein and will take no action inconsistent with such treatment.

(xv) It agrees (A) to obtain and provide the Issuer, the Collateral Manager and the Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation or to take any other action, as may be necessary or helpful (in the sole determination of the Issuer, the Collateral Manager or the Trustee or their agents or representatives, as applicable) to (1) achieve Tax Account Reporting Rules Compliance or to comply with similar requirements in other jurisdictions and (2) otherwise avoid the withholding or imposition of tax from or in respect of payments to or for the benefit of the Issuer of fines, penalties or other sanctions imposed on the Issuer (the obligations undertaken pursuant to this clause (A), the "Holder Reporting Obligations"), (B) that the Issuer, the Collateral Manager and/or the Trustee or their agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in Section 2.11(b) and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (3), to deposit payments on such Notes into a Tax Reserve Account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including, Taxes, fines, penalties or other sanctions imposed under the Tax Account Reporting Rules); provided that any amounts remaining in

a Tax Reserve Account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer, the Collateral Manager and the Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. It agrees to indemnify the Issuer, the Collateral Manager, the Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(xvi) It agrees (A) to comply with the Holder AML Obligations and to obtain and provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary, (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Monetary Authority, and (2) take such other steps as they deem necessary or helpful to achieve AML Compliance, and (C) that if it fails for any reason to comply with its Holder AML Obligations or otherwise is or becomes a Non-Permitted AML Holder, the Issuer will have the right, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in the Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (3), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such noncompliance; provided that any amounts remaining in an such account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non-Permitted AML Holder will be treated for all purposes under the Indenture as if such amounts had been paid directly to the Holder of such Notes. It agrees to indemnify the Issuer for all damages, costs and expenses that result from its failure to comply with its Holder AML Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(xvi) ~~(xvii)~~ If it is not a U.S. Tax Person, it is not acquiring such Notes as part of a plan to reduce, avoid or evade U.S. federal income tax.

(xvii) ~~(xviii)~~ In the case of Issuer Only Notes, if it is a bank organized outside the United States, it (A) is acquiring such Notes as a capital markets investment and

will not for any purpose treat such Notes or the assets of the Issuer as loans acquired in its banking business and (B) is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(xviii) ~~(xix)~~ In the case of Issuer Only Notes, it agrees not to treat any income generated by such Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance or other similar business for purposes of Section 954(h)(2) of the Code.

~~(xx) (A) Its acquisition, holding and disposition of such Notes will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Other Plan Law or other applicable law) unless an exemption is available and all conditions have been satisfied.~~

(xviii) In the case of the Co-Issued Notes, its acquisition, holding and disposition of the Co-Issued Notes will not constitute or result, in the case of a Benefit Plan Investor in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a governmental, church or non-U.S. plan, a violation of any Similar Law.

(A) (~~B~~) ~~In~~1) Before the 2026 Amendment Date, in the case of the Issuer Only Notes, it is not a Benefit Plan Investor ~~and is not subject to~~or a Plan Assets General Account and its acquisition, holding and disposition of such Issuer Only Notes will not constitute or result in a violation of any Similar Law and will not cause a Similar Law Look-Through to occur.

(2) On or after the 2026 Amendment Date, in the case of the Issuer Only Notes, for as long as it holds such Notes or an interest therein, either (x) it is not a Benefit Plan Investor or its acquisition, holding or disposition will not constitute or result in a non-exempt Prohibited Transaction or give rise to a violation of the 25% Limitation and must require any purchaser to provide a transfer certificate (in the form of Exhibit B) to the Trustee and the Issuer and it shall not transfer any of its Issuer Only Notes to any transferee or purchaser unless it has caused such transferee to provide representations in a transfer certificate in the form of Exhibit B to the Trustee and the Issuer and such transfer certificate is satisfactory to each of the Trustee and the Issuer or (y) its acquisition, holding and disposition of such Issuer Only Notes will not constitute or result in a violation of any Similar Law or cause a Similar Law Look-Through to occur.

(~~C~~B) It understands that the representations made in this clause (~~xx~~xviii) will be deemed made on each day from the date of its acquisition of an interest in such Notes through and including the date on which it disposes of such interest. If any such representation becomes untrue, or if there is a change in its status as a Benefit Plan Investor, it will promptly notify the Issuer and the Trustee. It agrees to indemnify and hold harmless the Issuer, the

Trustee, the Initial Purchaser and the Collateral Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of any such representation being untrue.

(C) The Issuer and the Trustee shall be required to assume that an interest in an Issuer Only Note in the form of a Global Note purchased by a Benefit Plan Investor or a Controlling Person on the 2026 Amendment Date or following the 2026 Amendment Date (upon providing a satisfactory transfer certificate in the form of Exhibit B and with the prior consent of the Issuer) is being held by a Benefit Plan Investor or Controlling Person, respectively, until the Stated Maturity, or earlier date of redemption, of the Issuer Only Notes; provided that such requirement shall cease to apply with respect to the amount of any such interest subsequently transferred by the purchaser that purchased such interest with the prior written consent of the Issuer if, in connection with such transfer, the transferee delivers a transfer certificate (in the form of Exhibit B) to the Trustee in which it certifies that it is not a Benefit Plan Investor or a Controlling Person, as the case may be.

(~~xxi~~xix) It acknowledges and agrees that (A) the Transaction Documents contain limitations on the rights of the Holders or beneficial owners of the Notes to institute Proceedings against the Transaction Parties and (B) it will comply with the express terms of the applicable Transaction Documents if it seeks to institute any such Proceeding.

(xx) With respect to the purchase of Issuer Only Notes, for so long as it holds such Notes or interests therein, it (and each account for which it is acquiring such Issuer Only Notes) is not a Benefit Plan Investor or a Controlling Person, unless such purchaser acquired the Issuer Only Notes (or interests therein) on the 2026 Amendment Date or following the 2026 Amendment Date, with the consent of the Issuer and in connection therewith represented pursuant to a transfer certificate (in the form of Exhibit B) that it was a Benefit Plan Investor or Controlling Person. It understands that Issuer Only Notes (or interests therein) represented by Global Notes may not at any time be held by or on behalf of a Benefit Plan Investor or a Controlling Person other than Issuer Only Notes (or interests therein) represented by Global Notes acquired on the 2026 Amendment Date or following the 2026 Amendment Date, with the consent of the Issuer by purchasers that have represented pursuant to a transfer certificate (in the form of Exhibit B) that they are a Benefit Plan Investor or a Controlling Person. It understands that, after the 2026 Amendment Date, (i) an interest in any Issuer Only Note may only be transferred to a Benefit Plan Investor or a Controlling Person if such Benefit Plan Investor or a Controlling Person acquires such interest with the consent of the Issuer and (ii) it must require such purchaser to provide a transfer certificate (in the form of Exhibit B) to the Issuer and the Trustee and only to the extent that such sale or transfer will not result in a violation of the 25% Limitation. It further understands that the representations made in this clause (xxi) will be deemed to be made on each day from the date of its acquisition through and including the

date on which it disposes of such Notes (or interests therein). If, with respect to Issuer Only Notes, there is a change in the status of the beneficial owner as a Benefit Plan Investor or Controlling Person, the beneficial owner shall immediately notify the Issuer and the Trustee. The purchaser further understands that no interest in Issuer Only Notes will be sold or transferred to purchasers that have represented that they are Benefit Plan Investors or Controlling Persons to the extent that such sale may result in a violation of the 25% Limitation, determined in accordance with ERISA, any applicable regulations and the Indenture and assuming, for this purpose, that all the representations made by holders of such Issuer Only Notes are true.

(l) ~~(k)~~ Each Person who becomes an owner of a Certificated Note on the Closing Date will be required to provide an investor letter and each Person who becomes an owner of a Certificated Note after the Closing Date will be required to provide an investor letter.

(m) ~~(l)~~ Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose whatsoever.

(n) ~~(m)~~ The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 (or any certificate of ownership delivered pursuant to Section 2.10(d)) and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

(o) ~~(n)~~ Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.6. Mutilated, Defaced, Destroyed, Lost or Stolen Note

If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which shall be deemed to have been given upon delivery to the Trustee of a Note executed by the Issuer for authentication), the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest (in the case of a Secured Note) from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Co-Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved

(a) Each Class of Secured Notes shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferred Interest Notes, shall constitute "Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class

of Deferred Interest Notes and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (A) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (B) which is the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Notes) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment or Stated Maturity unless payment of principal is improperly withheld or unless an Event of Default occurs with respect to such payments of principal. To the extent lawful and enforceable, interest on any interest that is not paid when due on the Class A Notes or, if no Class A Notes are Outstanding, the Notes of the Controlling Class shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The Subordinated Notes will receive as distributions on each Payment Date the excess Interest Proceeds payable on the Subordinated Notes, if any, subject to the Priority of Payments. If no excess Interest Proceeds are available for distribution on the Subordinated Notes on a Payment Date in accordance with the Priority of Payments, no amount with respect thereto will be payable on such Payment Date or any date or considered "due and payable" for purposes of Section 5.1(a) (and the failure to pay such distribution shall not be an Event of Default).

(c) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes may only occur (other than amounts constituting Deferred Interest thereon which will be payable from Interest Proceeds) pursuant to the Priority of Payments. Except as otherwise provided in Article XI and the Priority of Payments, the payment of principal on any Secured Note (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal due and payable on each Priority Class and other amounts in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity (or the earlier date of Maturity) of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full. Principal payments on the Secured Notes will be made in accordance with the Priority of Payments and Section 9.1. The Subordinated Notes will mature on the Stated Maturity, unless such

principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by call for redemption or otherwise and the final payments of principal, if any, will occur on that date; *provided* that, the payment of principal of the Subordinated Notes (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Payments; and any payment of principal of the Subordinated Notes that is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" for purposes of Section 5.1(a).

(d) The Trustee and any Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Tax Person or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a U.S. Tax Person), any information requested pursuant to the Holder Reporting Obligations, or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent (including, in each case, as any such other party may instruct) to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes (including any amounts withheld in connection with FATCA). Nothing herein shall be construed to impose upon the Paying Agent a duty to determine the duties, liabilities or responsibilities of any other party described herein under any applicable law or regulation.

(e) Payments in respect of any Note will be made by the Trustee, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; *provided* that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. In the case of a Certificated Note, the Holder thereof shall present and surrender such Note at the office designated by the Trustee upon final payment; *provided* that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter

to surrender such certificate. None of the Co-Issuers, the Trustee, the Collateral Manager or any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall provide to the applicable Holders a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where Certificated Notes may be presented and surrendered for such payment.

(f) Payments to Holders of each Class on each Payment Date shall be made ratably among the Holders of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Interest accrued with respect to any Floating Rate Note shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to any Fixed Rate Note shall be calculated on the basis of a 360-day year consisting of twelve 30 day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuer under the Co-Issued Notes and this Indenture are limited recourse obligations of the Co-Issuer and the obligations of the Issuer under the Notes and this Indenture are limited recourse obligations of the Issuer, payable solely from proceeds of the Assets available at such time in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, manager, member, shareholder or incorporator of the Co-Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that, except as expressly provided in this Indenture, the foregoing provisions of this paragraph shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the

right of any Person to name the Issuer (or, in the case of the Co-Issued Notes, the Co-Issuers) as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note of the same Class shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8. Persons Deemed Owners

The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuers, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9. Purchase and Surrender of Notes; Cancellation

(a) The Issuer may apply Contributions (at the direction of the related Contributor or, if no such direction is given, at the sole discretion of the Collateral Manager), in order to acquire Secured Notes (or beneficial interests therein) of the Class designated by the Collateral Manager or the Contributor, as applicable, through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to applicable law) (any such Notes, the "Repurchased Notes"); *provided* that no purchases of Secured Notes may occur using Principal Proceeds unless: (i) such purchases of Secured Notes will be effected first, with respect to the Class A-1 Notes, second, with respect to the Class A-2 Notes (*pro rata* allocated in proportion to the respective Aggregate Outstanding Amount), and third, with respect to the Class B Notes, (ii) each such purchase will be effected only at prices discounted from par, (iii) each Coverage Test is satisfied immediately prior to each such purchase and will be satisfied after giving effect to such purchase and (iv) no Event of Default has occurred and is continuing. In the event that the aggregate purchase price required for the Issuer to purchase Notes from all subscribing beneficial owners of Notes would exceed Contributions specified for such purpose, the Issuer shall allocate its purchases among the beneficial owners on a *pro rata* basis based on the principal balance of Notes such owners agreed to sell. Any such Repurchased Notes will be submitted to the Trustee for cancellation and each Rating Agency will be notified of such purchase.

(b) All Repurchased Notes, Surrendered Notes and Notes that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold; *provided* that other than Repurchased Notes and Surrendered Notes of the Controlling Class, Repurchased Notes and Surrendered Notes shall continue to be treated as Outstanding for purposes of

calculation of the Overcollateralization Ratio until all Notes of the applicable Class and each Priority Class have been retired or redeemed, having an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of repurchase or surrender, reduced proportionately with, and to the extent of, any payments of principal on Notes of the same Class thereafter. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.10. DTC Ceases to be Depository

(a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof (as instructed by DTC) only if (A) such transfer complies with Section 2.5 and (B) either (x) (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default or Enforcement Event has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be

entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Trustee shall be entitled to receive and rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership as it may require.

Section 2.11. Non-Permitted Holders

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Non-Permitted Holder will be null and void *ab initio* and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) The Issuer shall (or with respect to a Non-Permitted Tax Holder, may), promptly after discovery that a Holder or beneficial owner is a Non-Permitted Holder, send notice (with a copy to the Collateral Manager) to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days (or 10 days in the case of a Non-Permitted ERISA Holder) after the date of such notice. If such Non-Permitted Holder fails to so transfer its Note (or the required portion of the Note), the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Non-Permitted Holder's interest in such Note to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or its agent, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. However, the Issuer, or its agent, may select a purchaser by other means determined by it in its sole discretion. The holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer or its agent and none of the Issuer, the Co-Issuer, the Trustee, or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If the Trustee obtains actual knowledge of a Non-Permitted Holder, it shall promptly provide notice to the Issuer with a copy to the Collateral Manager.

(d) The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder.

Section 2.12. Tax Certification

(a) Each Holder and beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuer, the Trustee or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Tax Person or the applicable IRS Form W-8 (or applicable successor form) (together with all applicable attachments) in the case of a Person that is not a U.S. Tax Person) or the failure to meet its Holder Reporting Obligations may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

(b) If a Holder is or becomes a Non-Permitted Tax Holder (including by failing to comply with its Holder Reporting Obligations), the Issuer shall have the right, in addition to withholding on passthru payments and compelling such Holder to sell its interest in the Notes or selling such interest on behalf of such Holder in accordance with the procedures specified in Section 2.11(b), to assign to such Notes a separate CUSIP or CUSIPs and to deposit payments on such Notes into a Tax Reserve Account, which amounts shall be released from such Tax Reserve Account as provided in Section 10.4. Subject to Section 10.4, any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Moreover, each such Holder shall agree or shall be deemed to agree that it will indemnify the Issuer, the Collateral Manager, the Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification shall continue even after such Holder ceases to have an ownership interest in the Notes.

Section 4.4. Disposition of Illiquid Assets

(a) Notwithstanding Article XII (or any other term to the contrary contained herein), if at any time the Assets consists exclusively of Illiquid Assets and/or Eligible Investments (including Cash), the Collateral Manager may request bids with respect to each such Illiquid Asset as described below after providing notice to the Holders and requesting that any Holder that wishes to bid on any such Illiquid Asset notify the Trustee (with a copy to the Collateral Manager) of such intention within 15 Business Days after the date of such notice. The Trustee shall, after the end of such 15 Business Day period, offer the Illiquid Assets for sale as determined and directed by the Collateral Manager (in a manner and according to terms determined by the Collateral Manager (including from Persons identified to the Trustee by the Collateral Manager) and pursuant to sale documentation provided by the Collateral Manager) and, if any Holder so notifies the Trustee that it wishes to bid, such Holder shall be included in the distribution of sale offering or bid solicitation material in connection therewith and thereby given an opportunity to participate with other bidders, if any. The Trustee shall request bids for the sale of each such Illiquid Asset, in accordance with the procedures established by the Collateral Manager, from (i) at least three Persons identified to the Trustee by the Collateral Manager that make a market in or specialize in obligations of the nature of such Illiquid Asset, (ii) the Collateral Manager, (iii) each Holder that so notified the Trustee that it wishes to bid and (iv) in the case of a public sale, any other participating bidders, and the Trustee shall have no responsibility for the sufficiency or acceptability of such procedures for any purpose or for any results obtained. The Trustee shall notify the Collateral Manager promptly of the results of such bids. Subject to the requirements of applicable law, (x) if the aggregate amount of the highest bids received (if any) is greater than or equal to U.S.$100,000, the Issuer shall sell each Illiquid Asset to the highest bidder (which may include the Collateral Manager and its Affiliates) and (y) if the aggregate amount of the highest bids received is less than U.S.$100,000 or no bids are received, the Trustee shall dispose of the Illiquid Assets as directed by the Collateral Manager in its reasonable business judgment, which may include (with respect to each Illiquid Asset) (I) selling it to the highest bidder (which may include the Collateral Manager and its Affiliates) if a bid was received; (II) donating it to a charitable organization designated by the Collateral Manager or (III) returning it to its issuer or obligor for cancellation; *provided* that, in all cases, the Collateral Manager, any Transferor or their respective Affiliates may purchase the Illiquid Assets, or any portion thereof, at a purchase price equal to the highest bid received therefor (as certified to the Trustee by the Collateral Manager).

(b) Notwithstanding the foregoing, the Trustee shall not be under any obligation to dispose of or offer for sale any Illiquid Assets pursuant to clause (a) above if the Trustee is not reasonably satisfied that payment of all expenses, costs and liabilities to be incurred by the Trustee in connection with such disposition or offer, as the case may be, are indemnified or provided for in a manner acceptable to the Trustee. In any event, the Trustee shall have no liability for the results of any such sale or disposition of Illiquid Assets, including if the proceeds received, if any, are insufficient to pay all outstanding Administrative Expenses in full.

Section 4.5. Limitation on Obligation to Incur Administrative Expenses

If at any time the sum of (i) Eligible Investments (including Cash) and (ii) amounts reasonably expected to be received by the Issuer in Cash during the current Collection Period (as certified by the Collateral Manager in its reasonable judgment) is less than the Dissolution Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture to any Person other than the Trustee, the Collateral Administrator (or any other capacity in which the Bank is acting pursuant to the Transaction Documents), the Administrator and their Affiliates, including for Opinions of Counsel in connection with supplemental indentures pursuant to Article VIII, annual opinions under Section 7.6, services of accountants under Section 10.8 and fees of each Rating Agency under Section 7.14, failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a Default hereunder, and the Trustee shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee under this Indenture to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V
REMEDIES

Section 5.1. Events of Default

"Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on the Class A Notes or, if there are no Class A Outstanding, any Secured Notes of the Controlling Class and, in each case, the continuation of any such default for five Business Days, or (ii) any principal of, or interest or Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or on any Redemption Date; *provided* that, the failure to effect an Optional Redemption which is withdrawn by the Issuer in accordance with this Indenture or with respect to which any Refinancing fails to occur shall not constitute an Event of Default; *provided*, further that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for 10 Business Days after a Trust Officer receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined);

(b) unless such amounts are legally required or permitted to be withheld, the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.$10,000 in accordance with the Priority of Payments and the continuation of such

failure for 15 Business Days after a Trust Officer receives written notice or has actual knowledge of such administrative error or omission;

(c) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);

(d) except as otherwise provided in this Section 5.1, a default in the performance, or breach, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (other than any failure to satisfy any Coverage Test or to effect an Optional Redemption or Tax Redemption or an Auction Call Redemption or other covenant or agreement for which a specific remedy has been provided under this Indenture), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate delivered pursuant hereto or in connection herewith to be correct when the same shall have been made, which default or failure has a material adverse effect on any Class, and the continuation of such default, breach or failure for a period of 30 Business Days (or, if longer and such default, breach or failure can be cured only on a Payment Date, for a period through and including the next Payment Date) after notice by the Trustee at the direction of a Majority of the Controlling Class to the Issuer or the Co-Issuer, as applicable, and the Collateral Manager specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(e) the occurrence of a Bankruptcy Event; or

(f) on any Measurement Date on which any Class A Notes are Outstanding, failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to the sum of (x) the Aggregate Principal Balance of the Collateral Obligations, (y) without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds and (z) without duplication, any Principal Financed Accrued Interest and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A Notes, to equal or exceed 102.5%.

For purposes of calculating the Aggregate Principal Balance of the Collateral Obligations under clause (f) above, each Defaulted Obligation will be included at 10% of its Principal Balance and each Deferring Obligation will be included at 25% of its Principal Balance *provided* that any Defaulted Obligation or Deferring Obligation that has not been disposed of within three years after becoming a Defaulted Obligation or Deferring Obligation (for the avoidance of doubt, without regard to it subsequently becoming a Defaulted Obligation), as applicable, will be included at zero.

Promptly upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer, the Trustee shall, not later than three Business Days thereafter, notify the Holders, the Collateral Manager, each Paying Agent, DTC

and each Rating Agency of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2. Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default occurs and is continuing (other than a Bankruptcy Event), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Co-Issuers, each Rating Agency and the Collateral Manager, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon (including, in the case of the Deferred Interest Notes, any Deferred Interest) through the date of acceleration and other amounts payable hereunder, shall become immediately due and payable. If a Bankruptcy Event occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee, the Collateral Manager and each Rating Agency, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than the non-payment of amounts that have become due solely due to acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee, with a copy to the Collateral Manager, has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee

The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default or Enforcement Event occurs and is continuing, the Trustee may in its discretion, and shall (subject to its rights hereunder, including pursuant to Section 6.3(e)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or

advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Secured Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies

(a) If the Maturity of the Secured Notes has been accelerated as provided in Section 5.2(a) and such acceleration and its consequences have not been rescinded and annulled as provided in Section 5.2(b) or if the Secured Notes have become due and payable at Stated Maturity or on any Redemption Date and shall remain unpaid (either such event, an

"Enforcement Event"), the Co-Issuers agree that the Trustee may, and shall, upon written direction (with a copy to the Collateral Manager) of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(e)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion or advice of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Notes, which may be the Initial Purchaser, or other appropriate advisors, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion or advice shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) has occurred and is continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class in accordance with Section 5.8(b) shall (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part

thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the beneficial owners or Holders of any Notes may (and the beneficial owners and Holders of each Class of Notes agree, for the benefit of all beneficial owners and Holders of each Class of Notes, that they shall not), prior to the date which is one year (or if longer, any applicable preference period then in effect) *plus* one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Tax Subsidiary, the Issuer, the Co-Issuer or such Tax Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, will promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer or the Issuer (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Notes institutes, or joins in the institution of, a proceeding described in clause (i) above against the Issuer,

the Co-Issuer or any Tax Subsidiary in violation of the prohibition described above (each a "Filing Holder"), such Filing Holders will be deemed to acknowledge and agree that any claim that such Filing Holders have against any Tax Subsidiary or the Co-Issuers (including under all Notes of any Class held by it) or with respect to any Assets or any asset of any Tax Subsidiary (including, in either case, any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Filing Holder of any Note that does not seek to cause any such filing (and each other secured creditor of the Issuer), with such subordination being effective until each Note held by each Holder of any Note that is not a Filing Holder (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, including amounts which are subordinated pursuant to this Section 5.4(d)(ii). The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Filing Holders.

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

In addition, nothing in this Section 5.4 shall preclude, or be deemed to stop, any Holder or beneficial owner of Notes (1) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) and one day period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in the institution or commencement of (or in, either case, which such Holder or beneficial owner did not cause or direct any other Person to institute or commence such Proceeding), or (2) from filing proofs of claim in any Proceeding voluntarily filed or commenced by either of the Co-Issuers or any Tax Subsidiary or any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in

the institution or commencement of (or in, either case, which such Holder or beneficial owner did not cause or direct any other Person to institute or commence such Proceeding).

(iv) The restrictions described in clauses (i) through (iii) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, the Collateral Manager, the Trustee, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5. Optional Preservation of Assets

(a) If an Enforcement Event has occurred and is continuing, the Trustee shall retain the Assets securing the Secured Notes intact (except as otherwise provided in Section 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII, unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing, and amounts anticipated to be due and owing, as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid Management Fees) and a Majority of the Controlling Class agrees with such determination; or

(ii) solely for so long as any Class A Notes are Outstanding, in the case of an Event of Default described in clause (a), (e) or (f) of the definition thereof (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default, unless such Event of Default occurred solely as a result of acceleration), a Majority of the Class A Notes directs the sale and liquidation of the Assets;

(iii) a Majority of each Class of the Secured Notes (voting separately by Class) directs the sale and liquidation of the Assets; or

(iv) if no Secured Notes are Outstanding, a Majority of the Subordinated Notes directs the sale and liquidation of the Assets.

Directions by Holders under clauses (ii) and (iii) above will be effective when delivered to the Issuer, the Trustee and the Collateral Manager. The Trustee will provide notice of any liquidation of the Assets pursuant to Article V of this Indenture to the Collateral Manager and the Holders at least 10 days prior to such liquidation, and the Collateral Manager, any Holder and any of their respective affiliates may bid for and acquire any portion of the Assets in connection with a liquidation thereof to the extent permitted by applicable law and provided that such Holder meets any applicable eligibility requirements with respect to such acquisition.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation and assistance of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such assets and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion or advice of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Majority of the Controlling Class at any time during which the first sentence of Section 5.5(a) applies; *provided* that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6. Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected

Following the commencement of liquidation of the Assets by the Trustee pursuant to Section 5.4, any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8. Limitation on Suits

No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee (with a copy to the Collateral Manager) written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Holders to Receive Principal and Interest

(a) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.4 and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Class to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

(b) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Subordinated Notes shall have the right, which is absolute and unconditional, to receive payment of distributions payable on such Subordinated Notes as such distributions become due and payable in accordance with the Priority of Payments. Holders of the Subordinated Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8 to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.10. Restoration of Rights and Remedies

If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver

No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default or Enforcement Event shall impair any such right or

remedy or constitute a waiver of any such Event of Default or Enforcement Event or an acquiescence therein or of a subsequent Event of Default or Enforcement Event. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13. Control by Majority of Controlling Class

Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default or Enforcement Event to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5 and shall not be limited by this Section 5.13.

Section 5.14. Waiver of Past Defaults

Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of each Holder of Notes of such Class materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.18.

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall

extend to any subsequent or other Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws

The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets

(a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Holders (with a copy to the Collateral Manager), and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale;

provided that the Trustee and the Collateral Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide written notice to the Transferors and the Collateral Manager of any proposed public or private sale pursuant to this Article V at least 15 days prior to soliciting any purchasers in such sale. Any of the Transferors, the Collateral Manager or their respective affiliates shall, individually or collectively, have the right to purchase in their discretion all or a portion of the Assets or rights or interests therein before other purchasers are solicited provided that (i) they provide written notice to the Trustee of their intention to purchase such Assets or rights or interests therein and their proposed purchase price within 15 days of the receipt of notice of the proposed public or private sale, and (ii) such proposed purchase price would be sufficient taking into account proceeds received from the remainder of the portfolio to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Notes (including amounts due and owing, and amounts anticipated to be due and owing, as Administrative Expenses (without regard to the Administrative Expense Cap) and any due and unpaid Management Fees); *provided* that, in all cases, the Collateral Manager, any Transferor or their respective Affiliates may

purchase such Assets, or any portion thereof, at a purchase price equal to the highest offer received therefor.

Section 5.18. Action on the Notes

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI
THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities

(a) Except during the occurrence and continuation of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders (with a copy to the Collateral Manager).

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Sections 5.1(c) or (d) or a Bankruptcy Event unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) The Trustee will deliver all notices to the Holders forwarded to the Trustee by the Issuer or the Collateral Manager for such purpose. Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the

Collateral Management Agreement has occurred, the Trustee will, not later than three Business Days thereafter, notify the Holders.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) The Trustee shall, upon reasonable (but no less than three Business Days') prior written notice to the Trustee, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out of pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes; *provided* that no reports prepared by the Issuer's Independent certified public accountants will be available for examination in violation of any confidentiality provisions contained therein or in any agreed upon procedures letters executed pursuant to Section 10.8.

(h) If within 80 calendar days of delivery of financial information or disbursements (which delivery may be via posting to the Bank's website) the Bank receives written notice of an error or omission related thereto and within five calendar days of the Bank's receipt of such notice the Collateral Manager or the Issuer confirms such error or omission, the Bank agrees to use reasonable efforts to correct such error or omission and such use of reasonable efforts shall be the only obligation of the Bank in connection therewith. In no event shall the Bank be obligated to take any action at any time at the request or direction of any Person unless such Person shall have offered to the Bank indemnity reasonably satisfactory to it.

(i) The Issuer and the Collateral Manager will have the right to obtain a complete list of Holders (and, subject to confidentiality requirements, beneficial owners) at any time upon five Business Days' prior written notice to the Trustee. At the direction of the Issuer or the Collateral Manager (and at the expense of the Issuer), the Trustee will request a list of participants holding interests in the Notes from one or more book-entry depositories and provide such list to the Issuer or Collateral Manager, respectively. Upon the request of any Holder or beneficial owner, the Trustee shall provide an electronic copy of this Indenture, the Collateral Management Agreement, the Collateral Administration Agreement and any agreements referenced as a supplement to this Indenture that is in the possession of, or reasonably available to, the Trustee.

(j) The Trustee shall have no obligation to determine or verify if the U.S. Risk Retention Rules have been satisfied.

Section 6.2. Notice of Default

Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall notify the Collateral Manager, each Rating Agency and all Holders of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee

Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class

shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; *provided* that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided*, *further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed, or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the Independent accountants (which may be the Independent accountants appointed by the Issuer pursuant to Section 10.8) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, DTC, Euroclear, Clearstream or any other clearing agency or depository or any Paying Agent (other than the Trustee), and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a Securities Intermediary) to the contrary, neither the

Trustee nor the Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets to determine whether the conditions specified in the definition of "Deliver" have been complied with or whether the Assets are Eligible Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank or an Affiliate thereof is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Calculation Agent. Collateral Administrator or Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank or such Affiliate acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Account Agreement or any other documents to which the Bank or such Affiliate in such capacity is a party;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(r) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator; *provided* that such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(s) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(t) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(u) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(v) neither the Trustee nor the Collateral Administrator shall have any responsibility to the Issuer or the Secured Parties to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Collateral Manager on behalf of the Issuer); *provided* that the Trustee is hereby authorized to execute (and shall upon receipt from the Issuer or the Collateral Manager on behalf of the Issuer execute) any acknowledgement or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgements with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants by the Issuer, (ii) releases of claims (on behalf of itself and the Holders) and other acknowledgements of limitations of liability in favor of the Independent accountants or (iii) restrictions or prohibitions on the disclosure of the information or documents provided to it by such firm of Independent accountants (including to the Holders). It is understood and agreed that the Trustee will deliver such acknowledgment or other agreement in conclusive reliance on the foregoing Issuer Order, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accounts that the Trustee determines adversely affects it in its individual capacity;

(w) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided; and

(x) the Trustee shall have no responsibility or liability for determining (i) whether the conditions to the designation of an Designated Alternate Rate by the Collateral Manager have been satisfied and (ii) compliance with the Cayman AML Regulations.

Section 6.4. Not Responsible for Recitals or Issuance of Notes

The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Notes

The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust

Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c), 6.3(j) or 10.9 except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, claim, liability or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of duties hereunder, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in Sections 11.1(a)(i), (ii) and (iii) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy with respect to the Issuer, the Co-Issuer or any Tax Subsidiary until at least one year (or if longer the applicable preference period then in effect) *plus* one day, after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default related to a Bankruptcy Event or a Bankruptcy Event, the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8. Corporate Trustee Required; Eligibility

There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa1(cr)" by Moody's (or, if Moody's has not assigned a counterparty risk assessment, a long-term senior unsecured rating of at least "Baa1") and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the

aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Collateral Manager, the Holders and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers, by Issuer Order at the direction of the Collateral Manager, shall promptly appoint a successor Trustee satisfying the requirements of Section 6.8 and provide notice of such successor to the resigning Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such resignation, a successor Trustee satisfying the requirements of Section 6.8 may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer, the Collateral Manager and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days' notice by an Act of a Majority of each Class of Secured Notes (voting separately by Class) or, at any time when an Event of Default or Enforcement Event has occurred and is continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of

itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, at the direction of the Collateral Manager, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer, the Collateral Manager and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by providing notice of such event to the Collateral Manager, to each Rating Agency and to the Holders of the Notes. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to provide such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Paying Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10. Acceptance of Appointment by Successor

Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee

Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons satisfying the requirements of Section 6.8 to act as co-trustee, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default or Enforcement Event has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Collateral Manager of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds

In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article XII, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents

Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to

its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer (with a copy to the Collateral Manager). The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers (with a copy to the Collateral Manager). Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers (with a copy to the Collateral Manager).

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding

If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes by law or pursuant to the Issuer's agreement with a governmental authority (including in connection with FATCA), such tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed by law (including, in connection with FATCA) with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee or Paying Agent. If there is a possibility that withholding tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an

obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Representative for Noteholders Only; Agent for each other Secured Party

With respect to the security interest created hereunder, the delivery of any Collateral to the Trustee is to the Trustee as representative (as defined in Article I of the UCC) of the Holders of the Notes and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Collateral, the endorsement to or registration in the name of the Trustee of any Collateral (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Notes and agent for each other Secured Party.

ARTICLE VII
COVENANTS

Section 7.1. Payment of Principal and Interest

The Applicable Issuer will duly and punctually pay the principal of and interest on the Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the terms of this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under any Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency

The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Secured Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional Paying Agents; *provided* that no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities or its location. If at any time the Co-Issuers shall fail to maintain the appointment of a Paying Agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers have appointed Corporation Service Company as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby (the "Process Agent"). The Co-Issuers may at any time and from time to time vary or terminate the appointment of such Process Agent or appoint an additional Process Agent; *provided* that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the

Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

Section 7.3. Money for Payments to be Held in Trust

All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee, with a copy to the Collateral Manager, of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee, with a copy to the Collateral Manager; provided that so long as the Notes of any Class are rated by Moody's, each Paying Agent must have (i) any Paying Agent must have a credit risk assessment of at least "A1(cr)" or "P-1(cr)" by Moody's (or, if Moody's has not assigned a counterparty risk assessment, a long-term senior unsecrued debt rating of at least "A1" and a short-term senior unsecrued debt rating of at least "P-1") or (ii) Rating Agency Confirmation must be obtained with respect to such Paying Agent. If any Paying Agent ceases to have such ratings, the Co-Issuers shall notify each Rating Agency of such change and either obtain Rating Agency Confirmation or promptly remove such Paying Agent and appoint a successor Paying Agent with such ratings. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Quarterly Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee, with a copy to the Collateral Manager, notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment.

Section 7.4. Existence of Co-Issuers

(a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; *provided* that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman

Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change will not have a material adverse effect on any Class of Notes, (ii) written notice of such change shall have been given to the Trustee by the Issuer, which notice shall be forwarded by the Trustee to the Holders, the Collateral Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; and (y) the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives Tax Advice to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal, state or local income taxes on a net income basis or any material other taxes to which the Issuer would not otherwise be subject.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any subsidiary that (x) meets the then-current general criteria of each Rating Agency for bankruptcy remote entities and (y) is formed for the sole purpose of holding a Tax Sensitive Obligation (a "Tax Subsidiary"), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's declaration of trust relating to the ordinary share capital of the Issuer, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, members or managers, as applicable), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles, the Administration Agreement or the AML Services Agreement, engage in any transaction with any shareholder or member that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person and (J) correct any known misunderstanding regarding its separate identity.

(c) The Issuer shall ensure that any Tax Subsidiary:

(i) is wholly owned by the Issuer;

(ii) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents;

(iii) will not have any subsidiaries (unless such subsidiary satisfies the requirements herein with respect to Tax Subsidiaries);

(iv) will have constitutive documents that shall provide that (A) recourse with respect to the costs, expenses or other liabilities of such Tax Subsidiary shall be solely to the assets of such Tax Subsidiary and no creditor of such Tax Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) such Tax Subsidiary will not acquire or hold title to any real property or a controlling interest in any entity that owns real property;

(v) will have constitutive documents that shall provide that such Tax Subsidiary will (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds; *provided* that the Issuer may pay expenses of such Tax Subsidiary to the extent that collections on the assets held by such Tax Subsidiary are insufficient for such purpose, (G) observe all corporate formalities and other formalities in its by-laws and its certificate of incorporation, (H) maintain an arm's length relationship with its Affiliates, (I) not have any employees, (J) not guarantee or become obligated for the debts of any other person or hold out its credit as being available to satisfy the obligations of others, (K) not acquire obligations or securities of the Issuer, (L) allocate fairly and reasonably any overhead for shared office space, (M) use separate stationery, invoices and checks, (N) not pledge its assets for the benefit of any other Person or make any loans or advance to any Person, (O) hold itself out as a separate Person, (P) correct any known misunderstanding regarding its separate identity and (Q) maintain adequate capital in light of its contemplated business operations;

(vi) will not incur or guarantee any indebtedness except indebtedness with respect to which the Issuer is the sole creditor and will not hold itself out as being liable of the debts of any other Person;

(vii) will include in its constituent documents a limitation on its business such that it may only engage in the acquisition of assets permitted under this Indenture and the disposition of such assets and the proceeds thereof to the Issuer (and activities ancillary thereto);

(viii) will have at least one director (or manager) that is Independent from the Collateral Manager;

(ix) will distribute (including by way of interest payment) 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer; *provided* that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expense have been paid in full or have been properly reserved for in accordance with GAAP;

(x) will be treated as a corporation for U.S. federal income tax purposes and if such Tax Subsidiary is a foreign corporation for U.S. federal income tax purposes, such Tax Subsidiary shall file any U.S. federal income tax returns required to be filed by it under applicable law, arising as a result of owning the permitted assets of such Tax Subsidiary; and

(xi) each of the Issuer, the Co-Issuer, the Collateral Manager and the Trustee agrees that it shall not cause the filing of a petition in bankruptcy against a Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year (or, if longer, the applicable preference period then in effect) and one day after the payment in full of the Notes.

(d) The Issuer shall provide prior notice to each Rating Agency of the formation of any Tax Subsidiary and of the transfer of any asset to a Tax Subsidiary.

Section 7.5. Protection of Assets

(a) The Issuer (or the Collateral Manager on its behalf and at the expense of the Issuer) shall cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; *provided* that the Issuer (or the Collateral Manager on its behalf) shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Issuer (or the Collateral Manager on its behalf) has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets (or assets held by any Tax Subsidiary);

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer will make an entry of the security interests Granted under this Indenture in its register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

The Issuer authorizes its U.S. counsel to file a Financing Statement in the appropriate jurisdiction in connection with the Grant pursuant to this Indenture that names the Issuer as "Debtor" and the Trustee on behalf of the Secured Parties as "Secured Party" and that identifies "all assets in which the Issuer now or hereafter has rights" as the collateral Granted to the Trustee. The Issuer further appoints the Trustee as its agent and attorney-in-fact for the purpose of preparing and filing any other Financing Statement, continuation statement or other instrument as may be required pursuant to this Section 7.5(a); provided that such appointment shall not impose upon the Trustee, or release or diminish, any of the Issuer's obligations under this Section 7.5(a).

(b) The Trustee shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.2 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly provide notice to the Trustee in writing containing a sufficient description

thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it must obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6. Opinions as to Assets

So long as the Secured Notes are Outstanding, on or before March 31st on every fifth year, commencing in 2023, the Issuer shall furnish to the Trustee and each Rating Agency, an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.7. Performance of Obligations

(a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Notes (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify any Rating Agency (with a copy to the Collateral Manager) within 10 Business Days after obtaining actual knowledge of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8. Negative Covenants

(a) The Issuer will not and, with respect to clauses (ii), (iii), (iv) and (vi) through (xi) and (xiii) the Co-Issuer will not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the Co-Issuer and any Tax Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors, members or managers, as applicable, to the extent they are employees);

(xi) fail to maintain an independent manager under the Co-Issuer's limited liability company operating agreement;

(xii) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement; and

(xiii) (i) in the case of the Issuer, transfer its membership interest in the Co-Issuer so long as any Co-Issued Notes are Outstanding or (ii) in the case of the Co-Issuer, permit the transfer of any of its membership interests so long as any Co-Issued Notes are Outstanding.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) None of the Issuer, the Co-Issuer or any Tax Subsidiary will be party to any agreements under which it has a future payment obligation without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(d) The Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying any Rating Agency (with a copy to the Collateral Manager).

(e) The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned) except as permitted under Section 2.9. This Section 7.8(e) shall not be deemed to limit an optional, special or mandatory redemption pursuant to the terms of this Indenture.

(f) Notwithstanding anything set forth herein, any acquisition or disposition of any Collateral Obligation shall satisfy the Portfolio Acquisition and Disposition Requirements.

Section 7.9. Statement as to Compliance

On or before March 31 in each calendar year commencing in 2019, or immediately if there has been a Default under this Indenture, the Issuer shall deliver to the Trustee and the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to the Collateral Manager, each Holder making a written request therefor and any Rating Agency) an Officer's certificate of

the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10. Co-Issuers May Consolidate, etc., Only on Certain Terms

Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class (*provided* that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency shall have been notified in writing of such consolidation and Rating Agency Confirmation shall have been obtained;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee and each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such

obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United Stated for U.S. federal income tax purposes or otherwise be subject to U.S. net income tax; and in each case as to such other matters as the Trustee or any Holder may reasonably require; *provided* that nothing in this clause (d) shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default, Event of Default or Enforcement Event has and is continuing;

(f) the Merging Entity shall have notified the Collateral Manager of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis and will not cause any Class of Secured Notes to be deemed retired and reissued;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11. Successor Substituted

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be

dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12. No Other Business

The Issuer shall not have any employees and shall not engage in any business or activity other than issuing, paying and redeeming the Notes, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and Eligible Investments and other activities incidental thereto, including entering into the Purchase Agreement and the Transaction Documents to which it is a party and establishing and maintaining any Tax Subsidiary. The Issuer shall not take any action or engage in any activity that would cause the Issuer to be treated as engaged in a trade or business within the United Stated for U.S. federal income tax purposes or otherwise be subject to U.S. federal, state or local income tax on a net income basis. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Notes and other activities incidental thereto, including entering into the Purchase Agreement and the Transaction Documents to which it is a party. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and Limited Liability Company Agreement of the Co-Issuer, respectively only with Rating Agency Confirmation.

Section 7.13. Maintenance of Listing.

So long as any Listed Notes remain Outstanding, the Co-Issuers shall use reasonable efforts to maintain the listing of such Notes on the Cayman Stock Exchange.

Section 7.14. Ratings

The Applicable Issuers shall promptly notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Secured Noteholders with a copy of such notice) if at any time the rating of any such Class of Secured Notes has been, or is known will be, changed or withdrawn.

Section 7.15. Reporting

At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the written request of any Holder or Certifying Person, the Applicable Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or Certifying Person, to a prospective purchaser of such Note designated by such Holder or Certifying Person, or to the Trustee for delivery upon an Issuer Order to such Holder or Certifying Person or a prospective purchaser designated by such Holder or Certifying Person, as the case may be, in order to permit compliance by such Holder or Certifying Person with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16. Calculation Agent

(a) The Issuer hereby agrees that for so long as any Notes remain Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Reference Rate in respect of each Interest Accrual Period (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as the Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible after 5:00 P.M. Chicago time on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Notes during the related Interest Accrual Period and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class and the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent will also specify to the Co-Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Co-Issuers (with a copy to the Collateral Manager) before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

Section 7.17. Certain Tax Matters

For purposes of this Section 7.17, "Holder" shall refer to Holders and beneficial owners of a Note or interest therein.

(a) The Issuer has not and shall not elect to be treated as other than a foreign corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local income or franchise tax purposes.

(b) The Issuer and the Co-Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority; *provided that* the Issuer

shall not file, or cause to be filed, any income or franchise tax return in any state of the United States unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(c) The Issuer shall treat the Secured Notes as debt and shall treat the Subordinated Notes as equity for U.S. federal income tax purposes, except as otherwise required by applicable law. Each Holder, by accepting a Note, agrees to report all income (or loss) in accordance with such treatment and to take no action inconsistent with such treatment unless otherwise required by a relevant taxing authority.

(d) No later than March 31 (or such later date as is reasonably practicable) of each calendar year, the Issuer shall (or shall cause its Independent accountants to) provide to each Holder of Subordinated Notes, at the requesting Holder's expense, (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in Treasury regulation section 1.1295-1 (or any successor Treasury regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of, the owner of a beneficial interest in such Notes, including reasonable efforts to provide information regarding the Issuer's interest in any entity treated as a passive foreign investment company for U.S. federal income tax purposes. Upon request by the Independent accountants, the Registrar shall provide to the Independent accountants information contained in the Register and requested by the Independent accountants to comply with this Section 7.17(d).

(e) If the Issuer is aware that it has purchased an interest in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of Subordinated Notes requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

(f) Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Collateral Manager or any of their respective agents any information or documentation regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Registrar, as the case may be, and may be necessary to achieve Tax Account Reporting Rules Compliance.

(g) Notwithstanding anything herein to the contrary, the Co-Issuers, the Trustee, the Collateral Manager, the Initial Purchaser, the Holders and each employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Co-Issuers, the Trustee, the Collateral Manager, the Initial Purchaser or any other party to the transactions contemplated by this Indenture, the Offering or the pricing (except to the

extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

(h) In the case of any Notes issued with original issue discount for U.S. federal income tax purposes, upon the Issuer's receipt of a written request therefor by a Holder or by a Person certifying that it is an owner of a beneficial interest in a Note for the information described in U.S. Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Notes, the Issuer shall cause its Independent accountants to provide promptly to such requesting Holder or owner of a beneficial interest in such a Note all of such information.

(i) The Issuer shall take such reasonable actions consistent with law and its obligations under this Indenture, as are necessary to achieve Tax Account Reporting Rules Compliance, including hiring agents, advisors or representatives to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA, and any other action that the Issuer would be permitted to take under this Indenture in furtherance of Tax Account Reporting Rules Compliance. The Issuer shall provide any certification or documentation (including the applicable IRS Form W-8, IRS Form W-9 or any successor form) to any payor (as defined in FATCA) from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax.

(j) The Co-Issuer has not and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local tax purposes.

(k) The Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof except with respect to any Tax Subsidiary or a return required by a tax imposed under Section 881 of the Code unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(l) The Issuer shall not (i) become the owner of any asset (A) that is treated as an equity interest in an entity that is treated as a partnership or other fiscally transparent entity for U.S. federal income tax purposes if such entity is at any time engaged in a trade or business within the United States for U.S. federal income tax purposes or owns, or will own, any "United States real property interests" within the meaning of Section 897(c) of the Code or (B) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under Section 897 or Section 1445, respectively, of the Code or (C) if the ownership or disposition of such asset would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) engage in any activity that would cause the Issuer to be subject to U.S. federal income, state or local tax on a net income basis. Notwithstanding the foregoing, the Issuer may directly acquire, receive and hold any such aforementioned asset if the Issuer has received written advice of Schulte Roth & Zabel LLP or an opinion of other counsel of nationally recognized standing in the United States experienced in such matters to the effect that the acquisition, receipt, ownership or disposition of such asset, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States

for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net income basis.

Section 7.18. Representations Relating to Security Interests in the Assets

(a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer owns such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer; *provided* that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(c).

(v) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received any consents or approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) All Assets with respect to which a security entitlement may be created by the Intermediary have been credited to one or more Accounts.

(ix) (A) The Issuer has delivered to the Trustee a fully executed Account Agreement pursuant to which the Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the person having a security entitlement against the Intermediary in each of the Accounts.

(x) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary to comply with the Entitlement Order of any Person other than the Trustee.

(b) The Issuer agrees to notify each Rating Agency, with a copy to the Collateral Manager, promptly if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.18 and shall not waive any of the representations and warranties in this Section 7.18 or any breach thereof.

ARTICLE VIII

(vi) to modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in ERISA or other applicable law or regulation (or the interpretation thereof) or to enable the Co-Issuers to rely upon any exemption from registration under the Securities Act or the Investment Company Act or to remove restrictions on resale and transfer to the extent not required hereunder;

(vii) to make such changes as shall be necessary or advisable in order for the Notes to be or remain listed on an exchange;

(viii) otherwise to correct any inconsistency or cure any ambiguity, omission or manifest errors in this Indenture or to conform the provisions of this Indenture to the Offering Memorandum;

(xx) to enable the Issuer to continue to rely upon the exemption from registration as an investment company provided by Rule 3a-7 under the Investment Company Act;

(xxi) to provide administrative procedures and any related modifications of the Indenture to facilitate the determination of a Reference Rate not requiring a Reference Rate Amendment; or

(xxii) to adopt a reference rate that is either (A) the reference rate on which at least fifty percent of the Collateral Obligations that pay interest on a quarterly basis is based, or (B) a Designated ~~Alternative~~Alternate Rate or (C) the reference rate used in place of Term SOFR in ten (10) new issue transactions in the CDO or CLO market within the preceding six months, which (in any case of (A), (B) or (C) may include a Spread Adjustment, as determined by the Collateral Manager in its commercially reasonable judgment as of the first day of the Interest Accrual Period in which the related notice of supplemental indenture is provided), or (D) such other rate determined by the Collateral Manager and consented to by a Majority of the Controlling Class and a Majority of the Subordinated Notes (any such amendment, a "Reference Rate Amendment").

(b) In addition, with the consent of a Majority of the Controlling Class, the Co-Issuers and the Trustee may enter into supplemental indentures to conform to ratings criteria and

(viii) modify any of the provisions of this Indenture in such a manner as to affect the rights of the Holders of any Notes to the benefit of any provisions for the redemption of such Notes contained herein; or

(ix) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers.

(b) Notwithstanding the requirements of clause (a) above, with the consent of the Collateral Manager, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the requirements for sales of Collateral Obligations set forth in Section 12.1 or any of the definitions related thereto, in each case other than any modifications to the Portfolio Acquisition and Disposition Requirements; *provided* that, except for modifications otherwise permitted pursuant to Section 8.1(a)(viii), a Majority of the Controlling Class and a Majority of the Subordinated Notes have consented to such modification; *provided further* that the Issuer shall have delivered to the Trustee an Officer's certificate of the Issuer or the Collateral Manager certifying that such modification would not permit the Issuer to take any action inconsistent with its reliance on Rule 3a-7 under the Investment Company Act.

(c) Notwithstanding the requirements of clause (a) above, with the consent of the Collateral Manager, a Majority of the Controlling Class and a Majority of the Subordinated Notes, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the Management Fee.

Section 8.3. Execution of Supplemental Indentures

(a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee will be entitled to receive, and (subject to Sections 6.1 and 6.3) will be fully protected in relying in good faith upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with.

Prior to the execution of a supplemental indenture requiring consent of any Class if such Class is materially and adversely affected thereby, unless the Trustee has received notice in accordance with Section 8.3(d) from a Majority of any Class of Notes that such Class of Notes would be materially and adversely affected by such supplemental indenture, the Trustee and the Issuer may conclusively rely on an opinion of counsel or officer's certificate of the Issuer or the Collateral Manager (which opinion or certificate may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion or officer delivering such certificate, respectively) as to whether the interests of such Class would be materially and adversely affected by such supplemental indenture.

(c) At the cost of the Co-Issuers, for so long as any Notes remain Outstanding, not later than 15 days prior to the execution of any proposed supplemental indenture, the Trustee will provide to the Collateral Manager, the Collateral Administrator, each Rating Agency and the Holders a notice attaching a copy of such supplemental indenture and request any required consent from the applicable Holders to be given not less than one Business Day prior to the proposed execution date of such supplemental indenture. Any consent given to a proposed supplemental indenture by the Holder of any Notes will be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture.

(d) If a Majority of the Controlling Class has provided notice to the Trustee (with a copy to the Collateral Manager) no later than 10 days after the date of the Trustee's notice of proposed date of any supplemental indenture pursuant to Section 8.2(a) or 8.1(a)(xvi) that such Class would be materially and adversely affected thereby (which notice must specify the nature of such material adverse effect), the Trustee and the Co-Issuers may not enter into such supplemental indenture without the consent of a Majority of the Controlling Class. In addition, if a Majority of the Subordinated Notes has provided notice to the Trustee (with a copy to the Collateral Manager) of any supplemental indenture pursuant to Section 8.1(a)(xvi) or 8.2(a) above that the Subordinated Notes would be materially and adversely affected thereby (which notice must specify the nature of such material adverse effect), the Trustee and the Co-Issuers may not enter into such supplemental indenture without the consent of a Majority of the Subordinated Notes.

(e) Any Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the effective date of such refinancing.

(f) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(g) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such supplement and a copy of such supplement from the Issuer or the Trustee and has consented thereto in accordance with this Article VIII. The Issuer agrees that it shall not permit to become effective any supplement or modification to this Indenture which would, as reasonably determined by the Collateral Manager, (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Manager), or have an adverse effect on, the Collateral Manager, (ii) modify the restrictions on the Sales of Collateral Obligations or (iii) materially expand or restrict the Collateral Manager's discretion, and the Collateral Manager shall not be bound thereby unless the Collateral Manager shall have consented in advance thereto in writing. The Trustee will not be obligated to enter into any amendment or supplement that, as determined by the Trustee, adversely affects its duties, obligations, liabilities or protections under this Indenture. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(h) At the cost of the Co-Issuers, the Trustee shall provide to the Collateral Manager, the Collateral Administrator, each Rating Agency and the Holders a copy of any executed supplemental indenture after its execution. Any failure of the Trustee to supply such copy will not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.4. Effect of Supplemental Indentures

Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures

Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Applicable Issuers to any such supplemental indenture, may be prepared and

executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX
REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption

If a Coverage Test is not satisfied on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments in accordance with the Note Payment Sequence to the extent necessary to achieve compliance with such Coverage Tests.

Section 9.2. Optional Redemption

(a) The Issuer shall, on any Business Day occurring after the Non-Call Period, upon receipt of the Required Redemption Direction and, with respect to any Refinancing, subject to the Refinancing Conditions, redeem (i) all of the Secured Notes (in whole but not in part) from Sale Proceeds and/or Refinancing Proceeds or (ii) one or more (but fewer than all) Classes of Secured Notes (in whole but not in part) from Refinancing Proceeds and Partial Redemption Interest Proceeds. In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Prices. Direction of an Optional Redemption must be provided in accordance with Section 9.4.

(b) Upon receipt of a direction of an Optional Redemption of all of the Secured Notes (in whole but not in part) pursuant to Section 9.2(a)(i), the Collateral Manager shall direct the sale (and the manner thereof), acting in a commercially reasonable manner to maximize the proceeds of such sale, of all or part of the Collateral Obligations and other Assets and any assets held by any Tax Subsidiary in an amount sufficient that the proceeds from such sale and all other funds available for such purpose (including Refinancing Proceeds) will be at least sufficient to pay the Required Redemption Amount. If such proceeds of such sale and all other funds available for such purpose would not be at least equal to the Required Redemption Amount, the Secured Notes may not be redeemed. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets and any assets held by any Tax Subsidiary through the direct sale of such Collateral Obligations or other Assets and any assets held by any Tax Subsidiary or by participation or other arrangement. In the event that the Optional Redemption is cancelled, the Issuer will complete any sales of Collateral Obligations to which it has committed to complete prior to such cancellation.

(c) The Subordinated Notes may be redeemed (in whole but not in part) on any Business Day occurring on or after the redemption or repayment in full of the Secured Notes, at the direction of a Majority of the Subordinated Notes or the Collateral Manager.

(d) In addition to (or in lieu of) a sale of Collateral Obligations, Eligible Investments and/or other Assets and any assets held by any Tax Subsidiary in the manner provided in Section 9.2(b), on any Business Day occurring after the Non-Call Period, upon receipt of the Required Redemption Direction, the Issuer shall, subject to the Refinancing

Conditions, redeem (i) all of the Secured Notes (in whole but not in part) from Refinancing Proceeds and/or Sale Proceeds or (ii) one or more (but fewer than all) Classes of Secured Notes (in whole but not in part) from Refinancing Proceeds and Partial Redemption Interest Proceeds, in each case by obtaining a loan from one or more financial or other institutions or by issuing replacement notes, whose terms in each case will be negotiated by the Collateral Manager on behalf of the Issuer (any such redemption and refinancing, a "Refinancing"); *provided* that the terms of such Refinancing must be acceptable to the Collateral Manager and a Majority of the Subordinated Notes and such Refinancing must otherwise satisfy the Refinancing Conditions. The Trustee shall have the authority to take such actions as may be directed by the Issuer or the Collateral Manager to effect a Refinancing.

(e) A Refinancing will be effective only if the following conditions (the "Full Refinancing Conditions") are satisfied: (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least equal to the Required Redemption Amount; (ii) the Sale Proceeds, Refinancing Proceeds and other available funds are used (to the extent necessary) to make such redemption; (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those contained in Section 2.7(i) and Section 5.4(d); and (iv) unless it consents to do so, none of the Collateral Manager or any Affiliate of the Collateral Manager will be required to purchase any obligations of the Issuer in connection with such Refinancing.

(f) In the case of a Refinancing of one or more (but fewer than all) Classes of Secured Notes pursuant to Section 9.2(a)(ii), such Partial Redemption will be effective only if the following conditions (the "Partial Redemption Conditions") are satisfied: (i) the Issuer provides notice to each Rating Agency, (ii) the Refinancing Proceeds together with the Partial Redemption Interest Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those contained in Section 2.7(i) and Section 5.4(d), (v) the aggregate principal amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Secured Notes being redeemed with the proceeds of such obligations, (vi) the stated maturity of each class of obligations providing the Refinancing is the same as the corresponding Stated Maturity of each Class of Secured Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for (which may include agreement by Persons to be paid such fees and expenses for payment to occur no later than the second succeeding Payment Date), (viii) (A) with respect to Floating Rate Notes being refinanced with floating rate obligations, the weighted average spread over the Reference Rate (weighted based on principal amount) of such floating rate obligations providing the Refinancing will not be greater than the weighted average spread over the Reference Rate of the Floating Rate Notes subject to such Refinancing and (B) with respect to Fixed Rate Notes being refinanced with fixed rate obligations, the weighted average interest rate (weighted based

on principal amount) of such fixed rate obligations providing the Refinancing will not be greater than the weighted average Interest Rate of the Fixed Rate Notes subject to such Refinancing, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced, (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Notes being refinanced, (xi) unless it consents to do so, none of the Collateral Manager or any Affiliate of the Collateral Manager will be required to purchase any obligations of the Issuer in connection with such Refinancing and (xii) Tax Advice shall be delivered to the Trustee to the effect that any obligations providing the refinancing of the Co-Issued Notes will be treated as debt for U.S. federal income tax purposes. Fees, costs, charges and expenses incurred in connection with such Refinancing will be Administrative Expenses and may be paid under the Priority of Payments.

(g) To implement a Refinancing, the Issuer and, at the direction of the Collateral Manager, the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than the Holders of the Subordinated Notes directing the redemption, if applicable. The Trustee shall not be obligated to enter into any amendment that, as determined by the Trustee, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate and, as to matters of law, an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds).

(h) The Trustee shall have the authority to take such actions as may be directed by the Issuer or the Collateral Manager, as the Issuer or Collateral Manager shall deem necessary or desirable to effect a Refinancing. The Trustee shall be entitled to receive, and shall be fully protected in relying upon a certificate of the Issuer stating that the Refinancing is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with.

(i) In connection with a Refinancing, upon a redemption of Notes, any Refinancing Proceeds that remain after paying the applicable Redemption Prices and related Administrative Expenses shall be transferred to the Collection Account as Principal Proceeds.

Section 9.3. Tax Redemption

(a) The Notes shall be redeemed in whole but not in part on any Business Day (any such redemption, a "Tax Redemption") at the written direction (delivered to the Trustee, with a copy to the Collateral Manager) of (x) a Majority of any Affected Class or (y) a

Majority of the Subordinated Notes, in either case following the occurrence and continuation of a Tax Event.

(b) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Holders and each Rating Agency thereof.

(c) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders and each Rating Agency thereof.

Section 9.4. Redemption Procedures

(a) In the event of any redemption pursuant to Section 9.2, the Required Redemption Direction shall be provided to the Issuer, the Trustee and if applicable, the Collateral Manager, not later than 15 Business Days prior to the Business Day on which such redemption is to be made, or such shorter period as the Collateral Manager may agree (which date shall be designated in such notice). The Issuer (or, upon an Issuer Order, the Trustee in the name and at the expense of the Issuer) shall notify the Holders and each Rating Agency (with a copy to the Collateral Manager) at least 10 Business Days prior to the Redemption Date of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices. In the event of any redemption pursuant to Section 9.3, a notice of redemption shall be provided not later than five Business Days prior to the applicable Redemption Date to each Holder of Notes and each Rating Agency.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) that all of the Secured Notes to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice; and

(iv) the place or places where Certificated Notes are to be surrendered for payment of the Redemption Prices.

The Issuer (or the Collateral Manager on its behalf) may withdraw any such notice of redemption delivered pursuant to Section 9.2 or any notice of a Tax Redemption, on any day up to and including the Business Day prior to the proposed Redemption Date by written notice to the Trustee. A Majority of the Subordinated Notes will have the option to direct the withdrawal of any such notice of redemption delivered pursuant to Section 9.2 or any Tax Redemption on or prior to the sixth Business Day prior to the proposed Redemption Date by written notice to the Issuer, the Trustee and the Collateral Manager, *provided* that neither the Issuer nor the Collateral Manager has entered into a binding agreement in connection with the sale of any portion of the Assets. The Trustee will

provide notice, in the name and at the expense of the Issuer, to the Holders, the Collateral Manager and each Rating Agency of the withdrawal of any notice of redemption. It will not be an Event of Default if the Issuer is unable to effect an Optional Redemption or a Tax Redemption.

Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Issuer or, upon an Issuer Order, by the Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder selected for redemption shall not impair or affect the validity of the redemption.

(c) Unless Refinancing Proceeds are being used to redeem the Secured Notes, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (directly or by participation or other arrangement) from the Issuer, not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price (together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date and all other available funds) at least equal to the Required Redemption Amount, (ii) at least one Business Day before the scheduled Redemption Date, the Issuer shall have received proceeds of disposition of all or part of the Assets at least equal to the Required Redemption Amount, or (iii) prior to selling any Collateral Obligations, Eligible Investments and/or any other Assets and any assets held by any Tax Subsidiary, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale or payment of such assets shall be at least equal to the Required Redemption Amount. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) or payment of any assets and (2) all calculations required by this Section 9.4(c).

Any Transferor, the Collateral Manager, any of their respective Affiliates or any Holder shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption, a Tax Redemption or a Clean-Up Call Redemption. In all cases, the Collateral Manager, any Transferor or their respective Affiliates may purchase Assets being sold to finance such Optional Redemption, Tax Redemption or Clean-Up Call Redemption, or any portion thereof, at a purchase price equal to the highest offer received therefor from a prospective purchaser not Affiliated with the Collateral Manager. The Trustee will deposit such payment into the Collection Account in accordance with the instructions of the Collateral Manager.

Section 9.5. Notes Payable on Redemption Date

(a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and the Issuer's

right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Secured Notes shall cease to bear interest on the Redemption Date. Holders of Certificated Notes, upon final payment on such Note to be so redeemed, shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Issuer shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Secured Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Holder.

Section 9.6. Clean-Up Call Redemption

(a) The Collateral Manager shall give written notice to the Holders of the Subordinated Notes that it intends to direct a Clean-Up Call Redemption at least 20 days prior to the Redemption Date. At the written direction of the Collateral Manager to the Issuer and the Trustee, so long as a Majority of the Subordinated Notes has not objected within five Business Days of notice of the proposed redemption, each Class of Outstanding Secured Notes will be redeemed by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at its Redemption Price, on any Payment Date after the Non-Call Period on which the Collateral Principal Amount is less than 15.0% of the Initial Par Amount.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than Eligible Investments) by the Collateral Manager or any other Person from the Issuer, for settlement not later than the Business Day immediately preceding the related Redemption Date, for a purchase price in Cash (the "Clean-Up Call Redemption Price") at least equal to the greater of (1) the Required Redemption Amount and (2) the par amount of such Assets being purchased, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum expected to be received will satisfy clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer will take all actions necessary to sell, assign and transfer the Assets to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price; provided that, in all cases, the Collateral Manager, any Transferor or their respective Affiliates may purchase the Assets, or any portion thereof, at a purchase price equal to the highest offer received therefor. The

Trustee will deposit such payment into the Collection Account in accordance with the instructions of the Collateral Manager.

(c) Upon receipt from the Collateral Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer will provide written notice of the proposed Redemption Date to the Trustee, the Collateral Administrator, the Collateral Manager and each Rating Agency not later than five Business Days prior to the Redemption Date (and the Trustee in turn shall, in the name and at the expense of the Issuer, notify the Holders as soon as practicable thereafter and in any case not later than two Business Days prior to the Redemption Date). Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer on any day up to and including the Business Day prior to the proposed Redemption Date by written notice to the Trustee and the Collateral Manager only if amounts equal to the Clean-Up Call Redemption Price have not been received in full in immediately available funds or if the Collateral Manager does not provide the certification required by 9.6(b)(ii), the Trustee will give notice of any such withdrawal of a Clean-Up Call Redemption, at the expense of the Issuer, to each Holder of Notes and each Rating Agency. In addition, for so long as any Listed Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of a Clean-Up Call Redemption to the holders of such Listed Notes shall also be given by publication on the Cayman Islands Stock Exchange.

(d) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price will be distributed pursuant to the Priority of Payments.

Section 9.7. Auction Call Redemption

(a) If the Notes have not been paid in full on or prior to the Payment Date occurring in October 2026 the Collateral Manager, shall, by notice to the Trustee, nominate three Qualified Broker/Dealers, in its reasonable discretion, that are willing to accept an appointment as agent (the "Auction Call Agent") to assist with an Auction of the Collateral Obligations, Equity Securities and any assets held by any Tax Subsidiary (collectively, the "Auction Assets"). The Trustee shall within two Business Days of receipt of such nomination forward such notice to the Holders of the Controlling Class along with a request that the Holders respond to indicate their preference within five Business Days. On the sixth Business Day following the Trustee's notice to the Controlling Class, the Issuer (at the direction of the Collateral Manager) shall appoint the nominee preferred by the greatest percentage of the Controlling Class (measured by principal balance) as the Auction Call Agent. If the appointed Auction Call Agent does not accept its appointment within five Business Days thereof, the Issuer (at the direction of the Collateral Manager) shall appoint the nominee preferred by the second greatest percentage of the Controlling Class. If the appointed Auction Call Agent does not accept its appointment within five Business Days thereof, the Issuer (at the direction of the Collateral Manager) shall appoint the nominee preferred by the third greatest percentage of the Controlling Class. Notwithstanding the foregoing, if none of the Controlling Class indicated its preference within five Business Days of the Trustee forwarding notice to the Holders of the Controlling Class of the Collateral Manager's nominees for Auction Call Agent, then the Issuer (at the direction of the Collateral Manager) shall appoint the

nominee preferred by the Collateral Manager. If none of the nominees accept such appointment, then the Issuer (at the direction of the Collateral Manager) may appoint a different Qualified Broker/Dealer as Auction Call Agent. An Auction of the Auction Assets will be conducted not later than the date that is 30 days prior to the next following Payment Date, provided that an Auction Call Agent has accepted its appointment prior to such date. Such Auction shall be conducted in accordance with the procedures (the "Auction Call Procedures") described in Sections 9.7(b) through (d).

(b) The Auction Assets may be sold at the Auction as a single pool of all the Auction Assets or in subpools of Auction Assets (each, a "Subpool") designated by the Auction Call Agent. The Auction Call Agent will determine the composition of each Subpool. If the bids received at an Auction are not sufficient to permit the Trustee to sell all of the Auction Assets in accordance with the requirements of Section 9.7(d), then none of the Auction Assets will be sold in such Auction and the Auction Call Agent will conduct Auction(s) annually, each at least 30 days prior to the one year anniversary of the Payment Date occurring immediately following the one year anniversary of such unsuccessful Auction, until a successful Auction is completed at which all of the Auction Assets are sold (each date on which an Auction is conducted, an "Auction Date").

(c) Any of the Trustee, the Initial Purchaser, the Collateral Manager, any Transferor, their respective Affiliates or any Holder of Subordinated Notes may, but will not be required to, bid at an Auction (in the case of the Collateral Manager, in a manner consistent with the Collateral Manager's internal policies and procedures). Unless the Auction Call Agent is the Initial Purchaser or an Affiliate thereof, an Auction Call Agent will not be permitted to bid for, or purchase, Auction Assets sold at an Auction.

(d) The Trustee will transfer the Auction Assets or each Subpool thereof, as the case may be, to the highest bidder therefor at an Auction, provided that the following conditions are satisfied:

(i) the Auction has been conducted in accordance with the Auction Call Procedures and the Issuer (or Collateral Manager, on behalf of the Issuer) or the Auction Call Agent has so certified to the Trustee;

(ii) the Auction Call Agent has received bids for all the Auctions Assets (or each Subpool) from at least one prospective purchaser (a "Qualified Purchaser") satisfactory to the Auction Call Agent in its reasonable discretion;

(iii) the Auction Call Agent determines that the highest bid(s) for each Subpool or the entire pool of Auction Assets, as the case may be, would result in the sale of all of the Auction Assets for a purchase price (paid in cash) which together with the balance of all Eligible Investments, will be sufficient to pay the sum of the (A) Required Redemption Amount and (B) the Auction Call Hurdle (such aggregate amount of (A) and (B), the "Auction Call Redemption Required Amount"); and

(iv) the highest bidder(s) which the Auction Call Agent determines satisfies the requirements of clause (ii) above enter(s) into a written agreement with the Issuer

at least 15 Business Days prior to the related scheduled Redemption Date that obligates such highest bidder to purchase all of the Auction Assets or the related Subpool, as the case may be, and provides for payment in full (in cash) of the purchase price to the Trustee on or prior to the second Business Day (the "Auction Remittance Date") following the relevant Auction Date.

If all of the conditions set forth in clauses (i) through (iv) of this Section 9.7(d) have been satisfied, the Issuer (or the Collateral Manager on its behalf) or the Auction Call Agent will direct the Trustee to sell and transfer, and the Trustee shall sell and transfer, all of the Auction Assets or the related Subpool, as the case may be, without representation, warranty or recourse, to such highest bidder(s); provided that, the Collateral Manager, any Transferor or their respective Affiliates may purchase the Auction Assets, or any portion thereof, at a purchase price equal to the Highest Auction Price received therefor (as certified to the Trustee by the Auction Call Agent) if the Auction Call Agent has received bids for the Auction Assets (or each Subpool) from at least two Qualified Purchasers; and provided, further, that, with respect to a sale of the Auction Assets (or any Subpool) to the Collateral Manager, any Transferor or their respective Affiliates, in accordance with the Auction Procedures, if the Auction Call Agent receives fewer than two bids to purchase all of the Auction Assets or to purchase each Subpool, the Auction Call Agent may, if the Holders of a Majority of the Subordinated Notes consents thereto in writing, accept such bid as the winning bid. Upon receipt, the Trustee shall deposit the purchase price for the Auction Assets in the Collection Account and the Notes shall be redeemed in full on the Payment Date immediately following the relevant Auction Remittance Date (such redemption, the "Auction Call Redemption") in accordance with the Priority of Payments.

If the Auction Call Agent determines that any of the foregoing conditions is not met with respect to any Auction or if any of the highest bidder(s) fail to pay the purchase price for the Auction Assets being purchased by such highest bidder(s) on or prior to the Auction Remittance Date, (A) no Auction Call Redemption will occur on the Payment Date following the relevant Auction Date, and (B) the Auction Call Agent shall direct the Trustee to decline to consummate any sale of the Auction Assets and shall not solicit any further bids or otherwise negotiate any further sale of the Auction Assets in relation to such Auction.

In the event of a successful Auction, the Issuer (or, upon an Issuer Order, the Trustee in the name and at the expense of the Issuer) shall notify the Holders and each Rating Agency (with a copy to the Collateral Manager) of the Auction Call Redemption at least 10 Business Days prior to the Redemption Date, such notice containing the information required for notices of redemption under Section 9.4. Failure to give notice of Auction Call Redemption, or any defect therein, to any Holder of any Note shall not impair or affect the validity of the redemption of any other Notes.

Any such notice of an Auction Call Redemption will be withdrawn by the Issuer by written notice to each Holder of Notes and to each Rating Agency only if any of the highest bidder(s) is unable to deliver the sale agreement(s) referred to in clause (iv) of Section 9.7(d) or fails to remit the required purchase price on the Auction Remittance

Date. Notice of any such withdrawal shall be given by the Trustee to each Holder of Notes, sent not later than the Business Day prior to the scheduled Redemption Date.

ARTICLE X
ACCOUNTS, ACCOUNTING AND RELEASES

Section 10.1. Collection of Money

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be an Eligible Account. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Intermediary to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity; *provided* that the foregoing shall not be construed to prevent the Trustee or Intermediary from investing the Assets of the Issuer in Eligible Investments described in clause (ii) of the definition thereof that are obligations of the Bank.

Section 10.2. Collection Account

(a) In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single segregated ~~trust~~securities account, which may include separate sub-accounts for collections of principal (such sub-account, the "Principal Collection Account") and interest (such sub-account, the "Interest Collection Account"), held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Collection Account" and shall be maintained with the Intermediary in accordance with the Account Agreement. The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.5(a), immediately upon receipt thereof or upon transfer from the Interest Reserve Account or the Expense Reserve Account (in each case to the extent designated by the Collateral Manager as Interest Proceeds), all Interest Proceeds. The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Interest Reserve Account or the Expense Reserve Account (in each case to the extent designated by the Collateral Manager as Principal Proceeds) all other amounts remitted to the Collection Account into the Principal Collection Account, including in addition to the deposits required pursuant to Section 10.5(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in Eligible Investments). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments

or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. For the purpose of determining the Balance of the Collection Account as of any date of determination, any amount transferred to the Principal Collection Account or the Interest Collection Account from the Contribution Account shall be on deposit in the Collection Account as of the date of such transfer.

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer (with a copy to the Collateral Manager), and the Issuer (or the Collateral Manager on its behalf) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; *provided* that, subject to the requirements of Section 12.1, the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) The Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such direction the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided* that the aggregate Administrative Expenses paid pursuant to this Section 10.2(c) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date. The Trustee shall not be obligated to make such payment if, in the reasonable determination of the Trustee, such payment would leave insufficient funds, taking into account the Administrative Expense Cap, for payments anticipated to be or become due or payable on the next Payment Date that are given a higher priority in the definition of Administrative Expenses.

(d) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date and the Class A-1 Special Payment Date, the amount set forth to be so transferred in the Quarterly Report for such Payment Date or, in the case of the Class A-1 Special Payment Date, as directed pursuant to an Issuer Order.

Section 10.3. Transaction Accounts

(a) Payment Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing ~~trust~~securities account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Payment Account," which shall be maintained with the Intermediary in accordance with the Account Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable under the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Amounts in the Payment Account shall remain uninvested.

(b) Custodial Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing ~~trust~~securities account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Custodial Account," which shall be maintained with the Intermediary in accordance with the Account Agreement. All Collateral Obligations and Equity Securities shall be credited to the Custodial Account as provided herein. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers, with a copy to the Collateral Manager, immediate notice if (to the actual knowledge of a Trust Officer) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments. Amounts in the Custodial Account shall remain uninvested.

(c) Expense Reserve Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing ~~trust~~securities account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Expense Reserve Account," which shall be maintained with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit to the Expense Reserve Account the amount specified in the Closing Date Certificate. On any Business Day from the Closing Date to and including the Determination Date related to the first Payment Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Notes. By the Determination Date related to the first Payment Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion).

(d) Interest Reserve Account. The Trustee will, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing ~~trust~~securities account held in the name of the Trustee for the benefit of the Secured Parties which will be designated as the "Interest Reserve Account" and shall be maintained with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit to the Interest Reserve Account the Interest Reserve Amount (if any). Any income earned on amounts deposited in the Interest Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds. On or before the Determination Date related to the first Payment Date, at the direction of the Collateral Manager, the Issuer may direct that any portion of the funds then remaining in the Interest Reserve Account be transferred to the Collection Account as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager). On the second Determination Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds (or Principal Proceeds if directed by the Collateral Manager) in accordance with the Priority of Payments, and the Trustee will close the Interest Reserve Account.

(e) Contribution Account. The Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing ~~trust~~securities account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Contribution Account" and shall be maintained with the Intermediary in accordance with the Account Agreement. Any Holder may make a contribution of Cash to the Issuer (each, a "Contribution" and each such Holder, a "Contributor"). The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall notify the Trustee of any such acceptance. Each accepted Contribution shall be received into the Contribution Account. If a Contribution is accepted, the Collateral Manager, on behalf of the Issuer, shall apply such Contribution to a Permitted Use as directed by the Contributor at the time such Contribution is made or, if no such direction is given, at the sole discretion of the Collateral Manager. Amounts on deposit in the Contribution Account shall be applied by the Trustee only at the written direction of the Collateral Manager. No Contribution or portion thereof shall be returned to the Contributor at any time (other than by operation of the Priority of Payments), unless directed by the Collateral Manager in its sole discretion.

(f) Interest Smoothing Account. The Trustee shall, prior to the Closing Date, establish at the Intermediary a single segregated ~~trust~~securities account, held in the name of the Trustee, for the benefit of the Secured Parties which shall be designated as the "Interest Smoothing Account," which shall be maintained with the Intermediary in accordance with the Account Agreement.

(i) Commencing with the Collection Period immediately following the first Payment Date and with respect to any Collateral Obligation that pays interest semi-annually (as identified to the Trustee by the Collateral Manager), the Trustee shall, immediately following the deposit into the Interest Collection Account of any scheduled distribution of interest, transfer 50% of such distribution to the Interest Smoothing Account.

(ii) On the first Business Day following the Payment Date immediately following the deposit of such amount in the Interest Smoothing Account, the Trustee shall transfer such amount to the Interest Collection Account.

(iii) If no Notes are Outstanding, the Trustee shall, at the direction of the Collateral Manager, transfer any amounts in the Interest Smoothing Account to the Interest Collection Account.

Section 10.4. Tax Reserve Account

The Issuer may establish a Tax Reserve Account to deposit payments on a Non-Permitted Tax Holder's Notes. Each Tax Reserve Account shall be an Eligible Account established in the name of the Issuer. The Issuer may direct the Trustee (or other Paying Agent) to deposit payments on a Non-Permitted Tax Holder's Notes into the Tax Reserve Account established in respect of such Non-Permitted Tax Holder. Amounts deposited into the Tax Reserve Account shall, upon Issuer Order, be either (i) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (ii) released to pay costs related to such noncompliance (including Taxes, fines, penalties or other sanctions imposed under the Tax Account Reporting Rules); *provided* that any amounts remaining in a Tax Reserve Account shall, upon Issuer Order, be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Amounts deposited in a Tax Reserve Account shall remain uninvested and shall not be released except as provided in this Section 10.4. For the avoidance of doubt, any amounts released to a Holder as described in clause (i) above shall be released to such Holder as of the Record Date for the Payment Date in which the related amounts were deposited into the Tax Reserve Account. In connection with the establishment of a Tax Reserve Account in respect of a Non-Permitted Tax Holder, the Issuer shall assign, or cause to be assigned, to such Note a separate CUSIP or CUSIPs. Each Non-Permitted Tax Holder shall reasonably cooperate with the Issuer to effect the foregoing and, by acceptance of an interest in Notes, agrees to the requirements of this Section 10.4.

Section 10.5. Reinvestment of Funds in Accounts; Reports by Trustee

(a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in each Account (other than the Payment Account and the Custodial Account) as so directed in Eligible Investments having stated maturities no later than the earlier of the date that is 60 days after its Delivery and the Business Day preceding the next Payment Date (unless such Eligible Investments are issued by the Trustee in its capacity as a banking institution, in which event such Eligible Investments may mature on such Payment Date) (or such shorter maturities expressly provided herein). If at a time when no Event of Default has occurred and is continuing (without regard to any acceleration of the maturity of the Notes), the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after

transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, the Trustee, the Trustee shall invest and reinvest such funds as fully as practicable in U.S. Bank Money Market Deposit Account (MMDA) maturing not later than the earlier of (i) 30 days after the date of such investment (unless putable at par to the issuer thereof) or (ii) the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein). After an Event of Default, the Trustee shall invest and reinvest such funds as fully as practicable in U.S. Bank Money Market Deposit Account (MMDA). Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Account, any gain realized from such investments shall be credited to the Principal Collection Account upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Account. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; *provided* that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof. Except as expressly provided herein, the Trustee shall not otherwise be under any duty to invest (or pay interest on) amounts held hereunder from time to time.

(b) The Trustee agrees to give the Issuer, with a copy to the Collateral Manager, immediate notice if any Trust Officer has actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, each Rating Agency and the Collateral Manager any information regularly maintained by the Trustee that the Co-Issuers, any Rating Agency or the Collateral Manager may from time to time reasonably request with respect to the Assets, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.6 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement or the Issuer's obligations hereunder that have been delegated to the Collateral Manager. The Trustee shall promptly forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in Article X, any credit, withdrawal, transfer or other application of

funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

(e) Any account established under this Indenture may include any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts.

Collateral Manager may direct the Trustee to deliver, or instruct the Intermediary to deliver, a Collateral Obligation for exchange in any Offer that is an exchange offer only if the Collateral Obligation to be exchanged is a Defaulted Obligation, Deferring Obligation, Equity Security, Credit Risk Obligation or Downgraded Obligation.

(d) The Trustee shall deposit any proceeds received by it from the disposition of a Collateral Obligation or Eligible Investment in the Collection Account, unless such proceeds are simultaneously applied to the purchase of Collateral Obligations or Eligible Investments.

(e) The Trustee shall, (i) upon receipt of an Issuer Order, release any Illiquid Assets sold, distributed or disposed of pursuant to Article IV, and (ii) upon receipt of an Issuer Order at such time as there are no Notes Outstanding and all obligations of the Co-Issuers hereunder have been satisfied, release the Assets.

(g) The Trustee shall, upon receipt of an Issuer Order, release from the lien of this Indenture any Equity Security or Collateral Obligation being transferred to a Tax Subsidiary pursuant to the terms hereof and deliver it to such Tax Subsidiary.

Section 10.8. Appointment of Independent Accountants

Prior to the delivery of any reports of accountants required to be prepared pursuant to the terms hereof, the Issuer shall appoint one or more firms of Independent certified public accountants of recognized international reputation for purposes of reviewing and delivering the reports or certificates of such accountants required by this Indenture, which may be the firm of Independent certified public accountants that performs accounting services for the Issuer or the Collateral Manager. The Issuer may remove any firm of Independent certified public accountants at any time without the consent of any Holder. Upon any resignation by such firm or removal of such firm by the Issuer, the Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly appoint by Issuer Order delivered to the Trustee a successor thereto that shall also be a firm of Independent certified public accountants of recognized international reputation, which may be a firm of Independent certified public accountants that performs accounting services for the Issuer or the Collateral Manager. If the Issuer shall fail to appoint a successor to a firm of Independent certified public accountants which has resigned within 30 days after such resignation, the Issuer shall promptly notify the Trustee, with a copy to the Collateral Manager, of such failure in writing. If the Issuer shall not have appointed a successor within ten days thereafter, the Trustee shall promptly notify the Collateral Manager, who shall appoint a successor firm of Independent certified public accountants of recognized international reputation. The fees of such Independent certified public accountants and its successor shall be payable by the Issuer. In the event such firm requires the Bank, in any of its capacities including but not limited to Trustee, to agree to the procedures performed by such firm or to execute any agreement in order to access its report or letter, which may contain confidentiality provisions, the Issuer hereby directs the Bank to so agree or execute any such agreement; it being understood and agreed that the Bank will deliver such letter of agreement in conclusive reliance on the foregoing direction of the Issuer, and the

Bank will make no inquiry or investigation as to, and will have no obligation in respect of, the sufficiency, validity or correctness of such procedures. Such letter of agreement may include, among other things, (i) acknowledgement that the Issuer has agreed that the procedures to be performed by the Independent accountants are sufficient for relevant purposes, (ii) releases by the Trustee (on behalf of itself and/or the Holders) of any claims, liabilities, and expenses arising out of or relating to such Independent accountant's engagement, agreed-upon procedures or any report issued by such Independent accountants under any such engagement and acknowledgement of other limitations of liability in favor of the Independent accountants, and (iii) restrictions or prohibitions on the disclosure of any such certificates, reports or other information or documents provided to it by such firm of Independent accountants (including to the Holders). Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee reasonably determines may subject it to risk of expenses or liability for which it is not adequately indemnified or otherwise adversely affects it. No report, letter or certificate prepared by the accounting firm will be provided to each Rating Agency.

(a) To the extent any Holder of a Note or Certifying Person requests the yield to maturity in respect of its Notes in order to determine any "original issue discount" in respect thereof, the Trustee shall request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to maturity and, subject to the foregoing, shall provide (or cause to be provided) such information to such Holder or Certifying Person. The Trustee shall have no responsibility to calculate the yield to maturity or to verify the accuracy of such Independent certified public accountants' calculation. In the event that the firm of Independent certified public accountants fails to calculate such yield to maturity, the Trustee shall have no responsibility to provide such information to such Holder or Certifying Person.

(b) Upon the written request of the Trustee, or any Holder of a Subordinated Note, the Issuer will cause the firm of Independent certified public accountants appointed pursuant to this Section 10.8 to provide any Holder of Subordinated Notes with all of the information required to be provided by the Issuer pursuant to Section 7.17 or assist the Issuer in the preparation thereof.

Section 10.9. Reports to each Rating Agency and Additional Recipients

In addition to the information and reports specifically required to be provided to each Rating Agency pursuant to the terms of this Indenture, the Issuer shall provide (or cause to be provided) each Rating Agency with all information or reports delivered to the Trustee hereunder, and such additional information as each Rating Agency may from time to time reasonably request. Notwithstanding the foregoing, certificates, letters or reports prepared by the accountants pursuant to this Indenture will not be provided to each Rating Agency.

Section 10.10. Procedures Relating to the Establishment of Accounts Controlled by the Trustee

Notwithstanding anything else contained herein, the Trustee agrees that with respect to each of the Accounts, it will cause the Intermediary establishing such accounts to enter into an Account Agreement and, if the Intermediary is the Bank, shall cause the Bank to comply with the

provisions of such Account Agreement. The Trustee may open such subaccounts of any such Account as it deems necessary or appropriate for convenience of administration.

ARTICLE XI

Section 11.1. Disbursements of Monies from Payment Account

(a) Notwithstanding any other provision in this Indenture, but subject to the other subsections of this Section 11.1 and to Section 13.1, on each Payment Date, the Trustee shall disburse amounts transferred to the Payment Account pursuant to Article X in accordance with the following priorities (subject to the preceding clauses of this sentence).

(i) On each Payment Date, unless an Enforcement Event has occurred and is continuing, Interest Proceeds, in each case transferred to the Payment Account, shall be applied in the following order of priority (the "Priority of Interest Proceeds"):

(C) to the payment of accrued and unpaid interest on the Class A-1 Notes;

(D) to the payment of accrued and unpaid interest on the Class A-2L Notes and the Class A-2F Notes, *pro rata*, allocated in proportion to the amount of accrued and unpaid interest thereon;

(E) if either of the Class A Coverage Tests is not satisfied on the related Determination Date, to make payments in accordance with the Note Payment Sequence to the extent necessary to cause all Class A Coverage

Tests that are applicable on such Payment Date to be satisfied on a *pro forma* basis after giving effect to all payments pursuant to this clause (E);

(F) to the payment of accrued and unpaid interest (excluding Deferred Interest, but including interest on Deferred Interest) on the Class B Notes;

(G) if either of the Class B Coverage Tests is not satisfied on the related Determination Date, to make payments in accordance with the Note Payment Sequence to the extent necessary to cause all Class B Coverage Tests that are applicable on such Payment Date to be satisfied on a pro forma basis after giving effect to all payments pursuant to this clause (G);

(H) to the payment of any Deferred Interest on the Class B Notes;

(I) (x) *first*, to the payment to the Collateral Manager of the Subordinated Management Fee in respect of the immediately preceding Collection Period and, (y) *second*, to the payment to the Collateral Manager of any accrued and unpaid Subordinated Management Fee that has been deferred (i) by operation of the Priority of Payments with respect to prior Payment Dates, together with any accrued interest thereon, or (ii) voluntarily (in each case, less any portion thereof waived or deferred at the election of the Collateral Manager as described in Section 11.1(d)(i) or (ii));

(J) to the payment (in the same manner and order of priority stated in the definition thereof) of any Administrative Expenses not paid pursuant to clause (A)(2) above due to the Administrative Expense Cap;

(K) on and after the Payment Date occurring in October 2026, to apply an amount equal to the Turbo Payment Percentage of all Interest Proceeds remaining after giving effect to the payments made under (A) through (J) above, (x) *first*, to the payment of principal of the Class A-1 Notes until such amount has been paid in full and (y) *second*, to the payment of principal of the Class A-2L Notes and the Class A-2F Notes, *pro rata*, allocated in proportion to the respective Aggregate Outstanding Amount, until such amounts have been paid in full;

(L) to the Holders of the Subordinated Notes in an amount necessary (taking into account all payments made to the Holders of the Subordinated Notes on prior Payment Dates) to cause the Incentive Management Fee Threshold to be satisfied;

(M) an amount equal to 20% of any remaining Interest Proceeds (after giving effect to the payments under clauses (A) through (L) above) shall be paid to the Collateral Manager as part of the Incentive Management Fee (less any portion thereof waived or deferred at the election of the Collateral Manager as described in Section 11.1(d)(ii)); provided that, if the Collateral Manager has been replaced for "cause" under the Collateral

Management Agreement, then no replacement collateral manager shall be entitled to any Incentive Management Fee; and

(N) any remaining Interest Proceeds shall be paid to the Holders of the Subordinated Notes.

(ii) On each Payment Date, unless an Enforcement Event has occurred and is continuing, Principal Proceeds that are transferred to the Payment Account shall be applied in the following order of priority (the "Priority of Principal Proceeds"):

(A) to pay the amounts referred to in clauses (A) through (D) of the Priority of Interest Proceeds (in the same manner and order of priority stated therein), but only to the extent not paid in full thereunder;

(B) to pay the amounts referred to in clause (E) of the Priority of Interest Proceeds, but only to the extent not paid in full thereunder and to the extent necessary to cause the Class A Coverage Tests that are applicable on such Payment Date to be met as of the related Determination Date on a *pro forma* basis after giving effect to any payments made through this clause (B);

(C) to pay the amounts referred to in clause (F) of the Priority of Interest Proceeds, but only to the extent not paid in full thereunder and to the extent that the Class B Notes are the Controlling Class;

(D) to pay the amounts referred to in clause (G) of the Priority of Interest Proceeds, but only to the extent not paid in full thereunder and to the extent necessary to cause the Class B Coverage Tests that are applicable on such Payment Date to be met as of the related Determination Date on a pro forma basis after giving effect to any payments made through this clause (D);

(E) to pay the amounts referred to in clause (H) of the Priority of Interest Proceeds, but only to the extent not paid in full thereunder and to the extent that the Class B Notes are the Controlling Class;

(F) to make payments in accordance with the Note Payment Sequence;

(G) to the payment of the accrued and unpaid Subordinated Management Fee payable to the Collateral Manager pursuant to clause (I) of the Priority of Interest Proceeds (including any accrued but unpaid Subordinated Management Fee from any prior Payment Date and any accrued but unpaid interest thereon), but only to the extent that any such amount was not previously paid in full pursuant to such clause (I); *provided*, however, for the avoidance of doubt, the Subordinated Management Fee for the first Payment Date after the 2026 Amendment Date shall include Subordinated Management Fees which began accruing from the 2026 Amendment Date;

(H) to pay the amounts referred to in clause (J) of the Priority of Interest Proceeds only to the extent not already paid (in the same manner and order of priority stated therein);

(I) for payment to the Holders of the Subordinated Notes in an amount necessary (taking into account all payments made to the Holders of the Subordinated Notes on prior Payment Dates and all payments made under clause (L) of the Priority of Interest Proceeds on such Payment Date) to cause the Incentive Management Fee Threshold to be met;

(J) 20% of any remaining Principal Proceeds (after giving effect to the payments under clauses (A) through (I) above on such Payment Date) for payment to the Collateral Manager as part of the Incentive Management Fee on such Payment Date (together with the payment of the Incentive Management Fee pursuant to clause (M) of the Priority of Interest Proceeds); provided that, if the Collateral Manager has been replaced for "cause" under the Collateral Management Agreement, then no replacement collateral manager shall be entitled to any Incentive Management Fee; and

(K) to the Holders of the Subordinated Notes.

(iii) Notwithstanding the provisions of the foregoing Sections 11.1(a)(i) and 11.1(a)(ii), in the case of any Enforcement Event that has occurred and is continuing, on each date or dates fixed by the Trustee pursuant to Section 5.7, proceeds in respect of the Assets will be applied in the following order of priority (the "Special Priority of Payments"):

(A) (1) first, to the payment of taxes, governmental fees and registered office fees owing by the Issuer or the Co-Issuer, if any, and (2) second, to the payment of the accrued and unpaid Administrative Expenses, in the priority stated in the definition thereof, up to the Administrative Expense Cap (provided that following the commencement of liquidation of the Assets, the Administrative Expense Cap shall be disregarded);

(B) to the payment of the accrued and unpaid Senior Management Fee to the Collateral Manager (less any portion thereof waived or deferred at the election of the Collateral Manager as described in Section 11.1(d)(i) or (ii));

(F) to the payment of principal of the Class A-2L Notes and the Class A-2F Notes, *pro rata*, allocated in proportion to the respective Aggregate Outstanding Amount;

(G) to the payment of accrued and unpaid interest (excluding Deferred Interest, but including interest on Deferred Interest) on the Class B Notes;

(H) to the payment of any Deferred Interest on the Class B Notes;

(I) to the payment of principal of the Class B Notes;

(J) to the payment of (in the same manner and order of priority stated in the definition thereof) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the Administrative Expense Cap;

(K) to the payment of the accrued and unpaid Subordinated Management Fee to the Collateral Manager (less any portion thereof waived or deferred at the election of the Collateral Manager as described in Section 11.1(d)(i) or (ii));

(L) to the Holders of the Subordinated Notes in an amount necessary (taking into account all payments made to the holders of the Subordinated Notes on prior Payment Dates) to cause the Incentive Management Fee Threshold to be met;

(M) 20% of any remaining Interest Proceeds and Principal Proceeds (after giving effect to the payments under clauses (A) through (L) above) shall be paid to the Collateral Manager as part of the Incentive Management Fee on such Payment Date (less any amount waived or deferred by the Collateral Manager as described in Section 11.1(d)(ii)); provided that, if the Collateral Manager has been replaced for "cause" under the Collateral Management Agreement, then no replacement collateral manager shall be entitled to any Incentive Management Fee; and

(N) to the Holders of the Subordinated Notes.

(iv) On any Partial Redemption Date, Refinancing Proceeds and Partial Redemption Interest Proceeds will be distributed in the following order of priority (the "Priority of Partial Redemption Proceeds"):

(A) to pay the Redemption Price (without duplication of any payments received by the Holders of the Notes being redeemed pursuant to the Priority of Interest Proceeds, the Priority of Principal Proceeds or the Special Priority of Payments) of the Notes being redeemed in accordance with the Note Payment Sequence;

(B) to pay Administrative Expenses related to the Refinancing; and

(C) any remaining proceeds will be deposited in the Interest Collection Account as Interest Proceeds.

(v) On the Class A-1 Special Payment Date, unless an Enforcement Event has occurred and is continuing, Interest Proceeds and Principal Proceeds, in each case transferred to the Payment Account, shall be applied in the following order of priority:

(A) Interest Proceeds will be applied to the payment of accrued and unpaid interest on the Class A-1 Notes, and any remaining proceeds will be deposited in the Interest Collection Account as Interest Proceeds.

(B) Principal Proceeds will be applied to the payment of principal of the Class A-1 Notes, until such principal is reduced to zero, and any remaining proceeds will be deposited in the Principal Collection Account as Principal Proceeds.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Quarterly Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available, as designated in the Quarterly Report in respect of such Payment Date.

(d) (i) The Collateral Manager may, in its sole discretion, elect to waive or defer payment of all or a portion of the Senior Management Fee or Subordinated Management Fee on any Payment Date by providing notice (which may be in the form of a standing instruction that shall apply for all Payment Dates until revoked by the Collateral Manager) to the Trustee, the Collateral Administrator and the Issuer of such election on or before the Determination Date preceding such Payment Date; provided, that any such deferred Senior Management Fee or Subordinated Management Fee will not accrue interest during such period of deferral and will be deemed to constitute part of the Senior Management Fee or Subordinated Management Fee, as applicable, for such future date. Accrued and unpaid Senior Management Fees and Subordinated Management Fees that are deferred by operation of the Priority of Payments shall bear interest at Term SOFR (calculated in the same manner as Term SOFR in respect of the Secured Notes); provided, that any accrued and unpaid portion of the Subordinated Management Fee deferred on the first Payment Date will not accrue interest.

(ii) The Collateral Manager may in its sole discretion: (x) waive all or any portion of the Senior Management Fee, the Subordinated Management Fee and/or the Incentive Management Fee and cause such waived fees to be paid to certain owners of Subordinated Notes designated by the Collateral Manager, such fees to be distributed to

such designated owners as additional return on their investment; or (y) waive or defer all or any portion of the Senior Management Fee, the Subordinated Management Fee and/or the Incentive Management Fee and cause such waived or deferred fees to be applied as a Permitted Use (as determined by the Collateral Manager), in each case by providing written notice to the Trustee (and any other information reasonably requested by the Trustee) of such election at least five Business Days prior to such Payment Date (provided that waiver or deferral may also be in the form of a standing instruction that shall apply for all Payment Dates until revoked by the Collateral Manager). Any amounts distributed pursuant to the foregoing clause (x) to such designated owners of Subordinated Notes shall be payable or distributable at the same priority as the applicable waived fee and subject to the availability of funds therefor at such priority level in accordance with the Priority of Payments, and no other owners of Subordinated Notes will realize any benefit from such waiver.

(e) If the Collateral Management Agreement is terminated or the Collateral Manager is removed or resigns, then the applicable Management Fee calculated as provided in the Collateral Management Agreement shall be prorated for any partial Interest Accrual Period during which the Collateral Management Agreement was in effect or during which the Collateral Manager was acting as collateral manager thereunder and shall be due and payable to such Collateral Manager on the first Payment Date following the date of such termination, removal or resignation subject to and in accordance with the Priority of Payments.

ARTICLE XII
SALE OF COLLATERAL OBLIGATIONS; MATURITY AMENDMENTS

Section 12.1. Sales of Collateral Obligations

Subject to the satisfaction of the conditions specified in Section 12.2, the Collateral Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), sell or otherwise dispose of any Collateral Obligation or Equity Security (which, for these purposes, will include any equity interests in any Tax Subsidiary or assets held by any Tax Subsidiary) if, as certified by the Collateral Manager (which certification shall be deemed to have been provided upon delivery to the Trustee of a trade ticket signed by the Collateral Manager, a confirmation of trade instruction to post or commit to a trade or similar language), such sale or other disposition meets the requirements of any one of clauses (a) through (f) of this Section 12.1 (subject in each case to any other applicable requirements of this Article XII). In the case of clauses (a) and (b) and clause (e) of this Section 12.1, the Collateral Manager shall not direct the Trustee to effect such sale or disposition if the Maturity of the Notes has been accelerated following an Event of Default and the Trustee has provided notice to the Collateral Manager that liquidation of the Assets will commence. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale or other disposition.

(a) Defaulted Obligations and Credit Risk Obligations. Subject to the restrictions set forth in Section 12.2(a), the Collateral Manager may direct the Trustee to sell or otherwise

dispose of any Defaulted Obligation or Deferring Obligation, or with the consent of a Majority of the Class A Notes, any Credit Risk Obligation.

(b) Equity Securities. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Equity Security or any asset held by any Tax Subsidiary at any time without restriction, and shall use its commercially reasonable efforts to effect the sale or other disposition of any Equity Security (including any Equity Security held by a Tax Subsidiary):

(i) within 45 days after receipt if such Equity Security constitutes Margin Stock, unless such sale or other disposition is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold or otherwise disposed of as soon as such sale or other disposition is permitted by applicable law and not prohibited by such contractual restriction; and

(ii) within three years after receipt in the case of any Equity Securities not included in clause (i) above.

(c) Redemption. After the Issuer has notified the Trustee of an Optional Redemption, a Tax Redemption or a Clean-Up Call Redemption, the Collateral Manager shall direct the Trustee to sell or otherwise dispose of (which disposition may be through participation or other arrangement) all or a portion of the Collateral Obligations, Equity Securities and any assets held in any Tax Subsidiary if the requirements of Article IX are satisfied. If any such disposition is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the disposition.

(d) Unrestricted Sales. If the Aggregate Principal Balance of all remaining Collateral Obligations is less than 10% of the Aggregate Principal Balance of the Collateral Obligations or Equity Securities as of the Closing Date, the Collateral Manager may direct the Trustee to sell all remaining Collateral Obligations and any assets held in any Tax Subsidiary without regard to the foregoing limitations.

(e) Stated Maturity. Notwithstanding the restrictions of Section 12.1(a) through (d), the Collateral Manager will, no later than the Determination Date for the Stated Maturity, on behalf of the Issuer, direct the Trustee to sell (and the Trustee shall sell in the manner specified) for settlement in immediately available funds any Collateral Obligations, any Equity Securities and any assets held by any Tax Subsidiary scheduled to mature after the Stated Maturity of the Notes.

(f) The Issuer may acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation, subject to clause (g) below.

(g) Prior to the time that the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation that, in either case, could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis (or is otherwise a Tax Sensitive Obligation), and prior to the time that any

Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis (or is otherwise a Tax Sensitive Obligation), the Collateral Manager on behalf of the Issuer will either (i) sell the right to receive the asset or the Collateral Obligation that is the subject of the workout, restructuring or modification or (ii) contribute the right to receive the asset or the Collateral Obligation that is the subject of the workout, restructuring or modification to a Tax Subsidiary. The Issuer will not be required to continue to hold such asset in a Tax Subsidiary (and may instead hold directly) if the Collateral Manager determines, based on written advice of Schulte Roth & Zabel LLP or an opinion of other counsel of nationally recognized standing in the United States experienced in such matters, that the Issuer can transfer such security or obligation from the Tax Subsidiary to the Issuer and hold it directly without causing the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes.

Section 12.2. Conditions Applicable to All Sale and Purchase Transactions

(a) Any transaction effected under this Article XII or Section 10.5 will be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchases, sales or other dispositions, the Issuer shall have the right to effect any sale or other disposition of any Asset or purchase of any Collateral Obligation that has been consented to by Holders of 100% of the Aggregate Outstanding Amount of each Class of Notes and of which each Rating Agency and the Trustee (with a copy to the Collateral Manager) has been notified.

(c) Notwithstanding anything set forth herein, any acquisition or disposition of any Collateral Obligation shall satisfy the Portfolio Acquisition and Disposition Requirements, and the provision of a trade confirmation or direction in respect of such acquisition or disposition to the Trustee by the Collateral Manager shall constitute the certification of the Collateral Manager that the Portfolio Acquisition and Disposition Requirements have been satisfied.

Section 12.3. Maturity Amendments

The Issuer (or the Collateral Manager on the Issuer's behalf) may not vote in favor of any Maturity Amendment that would extend the stated maturity date of the affected Collateral Obligation beyond the Stated Maturity.

ARTICLE XIII
HOLDERS' RELATIONS

Section 13.1. Subordination

(a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Junior Class agree for the benefit of the Holders of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to such Priority Class to the extent and in the manner set forth in this Indenture. If an Enforcement Event has occurred and is continuing in accordance with Article V, including as a result of a Bankruptcy Event, each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of any Junior Class shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; *provided* that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holders of the Junior Classes shall not demand, accept, or receive any payment or distribution in respect of such Class in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class to receive payments or distributions until all amounts due and payable on the Class shall be paid in full. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class.

Section 13.2. Standard of Conduct

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to

any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. Information Regarding Holders

(a) The Trustee shall provide to the Issuer (or its agents) and the Collateral Manager upon reasonable request all reasonably available information in the possession of the Trustee in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements. The Trustee shall provide to the Issuer and the Collateral Manager upon request a list of Holders (and, with respect to each Certifying Person, unless such Certifying Person instructs the Trustee otherwise, the Trustee will upon request of the Issuer or the Collateral Manager share with the Issuer and the Collateral Manager the identity of such Certifying Person, as identified to the Trustee by written certification from such Certifying Person). The Trustee shall obtain and provide to the Issuer and the Collateral Manager upon request a list of Agent Members holding positions in the Notes.

(b) Each purchaser of Notes, by its acceptance of an interest in Notes, agrees to provide to the Issuer (or its agents) and the Collateral Manager all information reasonably available to it that is reasonably requested by the Collateral Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Collateral Manager from time to time.

ARTICLE XIV
MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law

firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee shall also be entitled to rely), unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default, Event of Default or Enforcement Event is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default, Event of Default or Enforcement Event as provided in Section 6.1(d).

Section 14.2. Acts of Holders

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) With respect to any vote, each Holder or proxy will be entitled to one vote for each U.S.$1.00 principal amount of the interest in a Note as to which it is the Holder or proxy; *provided* that no vote will be counted in respect of any Note challenged as not Outstanding and ruled by the Registrar to be not Outstanding.

(f) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; provided, however, that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing authorized persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions properly given in accordance with Section 14.3(a)(i): (x) based on the Bank's reasonable understanding of the content of such instructions, or (y) notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Subject to Section 6.1(c), any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.3. Notices, etc., to Certain Parties

(a) Except as otherwise expressly provided herein, any request, demand, authorization, direction, notice, consent or waiver or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by facsimile or email in legible form at the following address (or at any other address provided in writing by the relevant party):

(b) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any other Transaction Document sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; *provided*, *however*, that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing Authorized Officers designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of

(c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to each Rating Agency) may be provided by providing access to the Trustee's Website containing such information.

Section 14.4. Notices to each Rating Agency; Rule 17g-5 Procedures

(a) Any notice or other document required or permitted by this Indenture to be made upon, given or furnished to, or filed with, any Rating Agency, and any other communication with any Rating Agency will be sufficient for every purpose hereunder if such notice or other document relating to this Indenture, the Notes or the transactions contemplated hereby:

(i) is in writing; and

(ii) has been sent (by 12:00 p.m. (New York time) on or before the date such notice or other document is due) to HTS.2018.1.17G5@usbank.com, or such other email address as is provided by the Information Agent for Posting to the Issuer's Website in accordance with the Collateral Administration Agreement, and to cdomonitoring@moodys.com.

(b) The Co-Issuers will comply with their obligations under Rule 17g-5 by their or their agent's posting on the Issuer's Website, no later than the time such information is provided to the applicable Rating Agency, all information that the Co-Issuers or other parties on their behalf, including the Trustee and the Collateral Manager, provide to any Rating Agency for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes (the "Rule 17g-5 Information"). At all times while any Notes are rated by any Rating Agency or any other NRSRO, the Co-Issuers will engage a third-party to post Rule 17g-5 Information to the Issuer's Website. On the Closing Date, the Issuer will engage the Collateral Administrator (in such capacity, the "Information Agent") for Posting Rule 17g-5 Information it receives from the Issuer, the Trustee or the Collateral Manager in accordance with the Collateral Administration Agreement. To the extent any of the Co-Issuers, the Trustee or the Collateral Manager are engaged in oral communications with any Rating Agency, for the

purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, the party communicating with such Rating Agency will cause such oral communication to either be (x) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for Posting or (y) summarized in writing and the summary to be promptly delivered to the Information Agent for Posting. The procedures set forth in clause (a) and this clause (b) constitute the "Rule 17g-5 Procedures."

(c) Notwithstanding the requirements herein, the Trustee will have no obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, with any Rating Agency or any of their respective officers, directors or employees.

(d) The Trustee will not be responsible for creating or maintaining the Issuer's Website, posting any Rule 17g-5 Information to the Issuer's Website or assuring that the Issuer's Website complies with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event will the Trustee be deemed to make any representation in respect of the content of the Issuer's Website or compliance of the Issuer's Website with this Indenture, Rule 17g-5 or any other law or regulation.

(e) The Trustee will not be responsible or liable for the dissemination of any identification numbers or passwords for the Issuer's Website, including by the Co-Issuers, any Rating Agency, the NRSROs, any of their agents or any other party. The Trustee will not be liable for the use of any information posted on the Issuer's Website, whether by the Co-Issuers, any Rating Agency, the NRSROs or any other third party that may gain access to the Issuer's Website or the information posted thereon.

(f) The maintenance by the Trustee of the Trustee's Website will not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(g) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.4 will not constitute a Default or an Event of Default.

Section 14.5. Notices to Holders; Waiver

(a) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(i) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each Holder affected by such event and posted to the Trustee's Website), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(ii) such notice shall be in the English language.

(b) Such notices will be deemed to have been given on the date of such mailing.

(c) Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by email or by facsimile transmissions and stating the email address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by email or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

(d) Subject to the Trustee's rights under Section 6.3(e), the Trustee will deliver to any Holder or Certifying Person any information or notice relating to this Indenture requested to be so delivered by such Holder or Certifying Person, at the expense of the Issuer; *provided* that nothing herein shall be construed to obligate the Trustee to distribute any notice that the Trustee reasonably determines to be contrary to the terms of this Indenture or its duties and obligations hereunder or applicable law. The Trustee may require the requesting Holder or Certifying Person to comply with its standard verification policies in order to confirm Holder or Certifying Person status.

(e) Neither the failure to provide any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

(f) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(g) Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation, reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified in this Section 14.5 may be provided by providing notice of and access to the Trustee's Website containing such information or document. Access to the Trustee's Website containing such information or document will also be provided to Certifying Persons requesting such access.

(h) Documents delivered to Holders shall be provided, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Stock Exchange so require, to the Cayman Stock Exchange.

Section 14.6. Effect of Headings and Table of Contents

The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.7. Successors and Assigns

All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.8. Severability

If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.9. Benefits of Indenture

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders and (to the extent provided herein) the Administrator (solely in its capacity as such) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.10. Legal Holidays

In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date, as the case may be, and except as provided in the definition of Interest Accrual Period, no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.11. Governing Law

This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes shall be governed by, the law of the State of New York.

Section 14.12. Submission to Jurisdiction

With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), to the fullest extent permitted by applicable law, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.13. WAIVER OF JURY TRIAL

EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.14. Counterparts

This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart of this Indenture by email or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.15. Acts of Issuer

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.16. Confidential Information

(a) The Trustee, the Collateral Administrator and each Holder (which for all purposes of this Section 14.16 shall include beneficial owners of any Note) will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer, the Trustee and the Collateral Administrator) or such Holder (as the case may be) in good faith to protect Confidential Information of third parties delivered to such Person; *provided* that such Person may deliver or disclose Confidential Information: (i) with the prior written consent of the Collateral Manager, (ii) as required by law, regulation, court order or the rules, regulations or request or order of any governmental, judiciary, regulatory or self-regulating organization, body or official having jurisdiction over such Person, (iii) to its Affiliates, members, partners, officers, directors and employees and to its attorneys, accountants and other professional advisers in conjunction with the transactions described herein, or (iv) in connection with the exercise or enforcement of such Person's rights hereunder or in any dispute or proceeding related hereto, including defense by the Trustee or Collateral Administrator of any claim of liability that may be brought or charged against it. Notwithstanding the foregoing, delivery to any Person (including Holders) by the Trustee or the Collateral Administrator of any report, notice, document or other information required or expressly permitted by the terms of this Indenture or any of the other Transaction Documents to be provided to such Person or Persons, and delivery to Holders of copies of this Indenture or any of the other Transaction Documents, shall not be a violation of this Section 14.16. Each Holder agrees, except as set forth in clause (ii) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.16. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.16.

(b) For the purposes of this Section 14.16, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Collateral Manager.

(c) Notwithstanding the foregoing, (i) each of the Trustee and the Collateral Administrator may disclose Confidential Information (x) to any Rating Agency and (y) as and to the extent it may reasonably deem necessary for the performance of its duties hereunder (including the exercise of remedies pursuant to Article V), including on a confidential basis to its agents, attorneys and auditors in connection with the performance of its duties hereunder, (ii) the Trustee will provide, upon request, copies of this Indenture, the Collateral Management Agreement, the Collateral Administration Agreement and Quarterly Reports to any Holder or Certifying Person, and (iii) any Holder or beneficial owner of an interest in Notes may provide copies of this Indenture, the Collateral Management Agreement, the Collateral Administration Agreement and any Quarterly Report to any prospective purchaser of Notes that agrees to keep such information confidential in accordance with the terms of this Indenture.

Section 14.17. Liability of Co-Issuers

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers nor any Tax Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Tax Subsidiary or shall have any claim in respect of any assets of the other of the Co-Issuers or any Tax Subsidiary.

ARTICLE XV
ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1. Assignment of Collateral Management Agreement

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Obligations and the performance and observance of the provisions hereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties, all of the Issuer's right, title and interest in, to and under the Collateral Management Agreement, including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided*, *however*, that the Issuer may exercise any of its rights under the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), so long as no Event of Default has occurred and is continuing and, notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the

Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Collateral Manager will continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture. The Trustee will be entitled to rely and be protected in relying upon all actions and omissions to act of the Collateral Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereof shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee. Upon the retirement of the Notes and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee shall cease and terminate and all of the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

Section 15.2. Standard of Care Applicable to the Collateral Manager

For the avoidance of doubt, the standard of care set forth in the Collateral Management Agreement shall apply to the Collateral Manager with respect to those provisions of this Indenture applicable to the Collateral Manager.
