ARTICLE I

DEFINITIONS

Section 1.1 Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to

this Indenture as a whole and not to any particular article, section, subsection or other subdivision.

Section 1.2 Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations securing the Secured Debt shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in such tests, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation (including any Defaulted Obligation) received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Debt or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations

required by Section 10.7(b)(iv), Article XII and the definition of Interest Coverage Ratio, the expected interest on Secured Debt and Floating Rate Obligations shall be calculated using the then-current interest rates applicable thereto.

(e) (x) In determining the amount of any principal payments required to satisfy any Coverage Test, the Aggregate Outstanding Amount of Debt for purposes of each clause in the Priority of Payments shall give effect to the application of Interest Proceeds and Principal Proceeds to be used for principal payments pursuant to all prior clauses in the Priority of Payments:

(i) during the Reinvestment Period, the Aggregate Outstanding Amount of Debt for purposes of each clause in (A) the Priority of Interest Payments shall give effect to the application of Interest Proceeds for principal payments pursuant to all prior clauses in the Priority of Interest Payments and then (B) the Priority of Principal Payments shall give effect to the application of first, Interest Proceeds as described in the preceding clause (i)(A) and second any Principal Proceeds for principal payments pursuant to all prior clauses in the Priority of Principal Payments; and

(ii) after the Reinvestment Period, in determining any amount required to satisfy any Coverage Test, for purposes of the priorities set forth under the Priority of Interest Payments, the Aggregate Outstanding Amount of the Debt shall give effect, first, to the application of Principal Proceeds to be used on the applicable Payment Date to repay principal of the Secured Debt and, second, to the application of Interest Proceeds on such Payment Date pursuant to all prior clauses in the priorities set forth under the Priority of Interest Payments.

(y) In addition to the foregoing, on each Payment Date, (a) the aggregate amount of Interest Proceeds to be applied pursuant to the Priority of Interest Payments for principal payments on Secured Debt to satisfy any Coverage Test shall be determined after giving effect to the application of any Interest Proceeds for principal payments pursuant to an earlier clause in the Priority of Interest Payments; and (b) the aggregate amount of Principal Proceeds to be applied pursuant to the Priority of Principal Payments to make principal payments on Secured Debt to satisfy any Coverage Test shall be determined after giving effect to application of (i) Interest Proceeds for principal payments pursuant to the Priority of Interest Payments on such Payment Date and (ii) Principal Proceeds pursuant to an earlier clause in the Priority of Principal Payments.

(f) For the purposes of calculating the Moody's Weighted Average Rating Factor, any Collateral Obligation that is a Defaulted Obligation shall be excluded.

(g) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(h) For purposes of calculating compliance with the Reinvestment Requirements, upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds that were

received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(i) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(j) For purposes of calculating clauses (iv) and (vi) of the Concentration Limitations, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(k) For purposes of the calculation of the Interest Coverage Test, the Minimum Floating Spread Test, the Minimum Fixed Coupon Test and, if S&P is a Rating Agency, the S&P Weighted Average Spread, Collateral Obligations contributed to a Tax Subsidiary shall be included net of the actual taxes paid or payable with respect thereto.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(m) Unless otherwise specified, any reference to the fees payable under Section 11.1 to an amount calculated with respect to a period at per annum rate shall be computed on the basis of a 360 day year of twelve 30 day months. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.

(n) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(o) Unless otherwise specifically provided herein, all calculations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date unless the Issuer or the Portfolio Manager on behalf of the Issuer notifies the Trustee in writing, on or prior to the Determination Date, that such calculations shall be made on the basis of the settlement date.

(p) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related borrower or issuer).

(q) When used with respect to payments on the Subordinated Notes, the terms "principal amount" and "interest" shall mean amounts distributable to Holders of

Subordinated Notes from Principal Proceeds and Interest Proceeds, respectively, in accordance with the Priority of Payments.

(r) [Reserved]

(s) The Class X Notes will not be included in the calculation of any Coverage Test or the Reinvestment Overcollateralization Test.

(t) To the extent there is, in the reasonable determination of the Collateral Administrator or the Trustee, any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent the Collateral Administrator or the Trustee reasonably determines that more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator and/or the Trustee, as the case may be, shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee, as applicable, shall be entitled to follow such direction and conclusively rely thereon without any responsibility or liability therefor.

(u) If S&P is a Rating Agency, for purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(v) If S&P is a Rating Agency, for purposes of S&P's confirmation of its Initial Ratings of the Secured Debt in connection with the Effective Date, any amounts remaining in the Ramp-Up Account that the Portfolio Manager does not irrevocably designate as Principal Proceeds will be treated as Interest Proceeds.

(w) With respect to the Coverage Tests applicable to any Class of Notes, if the Interest Coverage Test or the Overcollateralization Ratio Test is listed as "N/A" in the definition of Required Coverage Ratio then such Coverage Test shall not be applicable with respect to such Class for all purposes herein.

(x) For the avoidance of doubt, for purposes of determining total indebtedness of the obligor of any Drop Down Asset in connection with clause (xx) of the definition of "Collateral Obligation," the total potential indebtedness of the obligor thereof shall be deemed to include the total potential indebtedness of the obligor of the related Subject Asset.

ARTICLE II

At all other times, principal of the Class X Notes will be paid prior to principal of the Class A-RL Loans or the Class A Notes as and to the extent set forth in the Priority of Payments.

*** The Benchmark is calculated as set forth in Section 2.14 of this Indenture. The Benchmark for the Class X Notes, the Class A Debt, the Class A-J Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class D-J Notes, the Class E Notes and the Class F Notes shall not be less than zero.

The Notes shall be issued in minimum denominations of (i) in the case of the Notes other than the Class A-R-2 Notes and the Class B-R-2 Notes, U.S.$250,000 and (ii) in the case of the Class A-R-2 Notes and the Class B-R-2 Notes, U.S.$150,000, and, in each case, integral multiples of U.S.$1.00 in excess thereof (the "Minimum Denominations").

Section 2.4 Additional Debt. (a) At any time within the Reinvestment Period (or, in the case of an issuance of Subordinated Notes, at any time during or after the Reinvestment Period), subject to the written approval of a Majority of the Subordinated Notes

and the Portfolio Manager (and for so long as the Controlling Class is the Class A Debt and additional Class A Debt is being issued, a Majority of the Controlling Class), the Applicable Issuers may, pursuant to a supplemental indenture in accordance with Section 8.1, issue Additional Debt of each Class (on a pro rata basis with respect to each Class of Notes (or Sub-class, if any), except that a higher proportion of Subordinated Notes may be issued, any Class may be a component of new classes of combination securities and no additional Class X Notes may be issued) up to an aggregate maximum amount not to exceed 100% of the original principal amount of each such Class or Classes (or Sub-class or Sub-classes, if any) of Secured Debt and/or Additional Debt of any one or more new classes that are subordinated to the existing Secured Debt (and which have a priority under Section 11.1(a)(i) that is below clause (S) thereof); provided that (i) the Applicable Issuers shall comply with the requirements of Section 2.6, 3.2 and 8.1; (ii) the Issuer shall provide notice of such issuance to each Rating Agency; (iii) the proceeds of any Additional Debt (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds or used to purchase additional Collateral Obligations; provided that the proceeds of any Additional Junior Securities or any additional Subordinated Notes (net of fees and expenses incurred in connection with such issuance) may be deposited into the Supplemental Reserve Account at the direction of the Portfolio Manager and applied for any Permitted Use; (iv) in the case of any additional issuance and/or incurrence, as applicable, of Secured Debt, (A) the Overcollateralization Ratio with respect to the Class E Notes is at least equal to 108.7% before giving effect to such issuance and/or incurrence, and (B) (1) if the Overcollateralization Ratio with respect to the Class E Notes is at least equal to 108.7% before giving effect to such issuance and/or incurrence, the Overcollateralization Ratio with respect to the Class E Notes will be at least equal to 108.7% after giving effect to such issuance and/or incurrence and (2) if the Overcollateralization Ratio with respect to the Class E Notes is less than 108.7% before giving effect to such issuance and/or incurrence, the Overcollateralization Ratio with respect to the Class E Notes will be maintained or improved after giving effect to such issuance and/or incurrence; (v) written advice of McDermott Will & Schulte LLP, the successor firm of Schulte Roth & Zabel LLP, or Paul Hastings LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee to the effect that (A) such additional issuance and/or incurrence will not have a material adverse effect on the U.S. federal tax consequences of the holders of any Class of Debt Outstanding at the time of such additional issuance and/or incurrence, as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations" and (B) any additional Class A Debt, Class A-J Notes, Class B Notes, Class C Notes, Class D Notes or Class D-J Notes will, and any additional Class E Notes should, be debt for United States federal income tax purposes, provided, however, that the opinion described above will not be required with respect to any Additional Debt that bears a different CUSIP number (or equivalent identifier) from the Debt of the same Class that were issued on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable, and are Outstanding at the time of the additional issuance or incurrence; (vi) such issuance is accomplished in a manner that allows the independent accountants of the Issuer to accurately provide the tax information relating to original issue discount required to be provided to the holders of Secured Debt (including the Additional Debt); and (vii) an Officer's certificate of the Issuer shall be delivered to the Trustee stating that the conditions of this Section 2.4 and Section 3.2 have been satisfied.

(b) The terms and conditions of the Additional Debt of each Class issued pursuant to this Section 2.4 shall be identical to those of the initial Debt of that Class (except that the interest due on the Additional Debt that is Secured Debt shall accrue from the issue date of such Additional Debt and the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) and price of such Additional Debt does not have to be identical to those of the initial Debt of that Class); provided that the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) for such Additional Debt may not exceed the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) applicable to the previously issued Debt of such Class. Interest on the Additional Debt that is Secured Debt shall be payable commencing on the first Payment Date following the issue date of such Additional Debt. The Additional Debt shall rank pari passu in all respects with the initial Debt of that Class.

(c) Any Additional Debt of each Class issued pursuant to this Section 2.4 shall, to the extent reasonably practicable, be offered first to Holders of Debt of that Class in such amounts as are necessary to preserve their pro rata holdings of Debt of such Class; provided that such requirement shall not apply in respect of an additional issuance of Subordinated Notes if such additional issuance is required in order to prevent or cure a Retention Deficiency for any reason including but not limited to where such Retention Deficiency will occur due to an additional issuance of any Class of Secured Debt. Any such offer to an existing Holder of Debt which has not been accepted within five Business Days after delivery of such offer by or on behalf of the Issuer shall be deemed a notice by such Holder that it declines to purchase Additional Debt.

(d) If the additional debt is of a Class of Listed Debt, an Officer's certificate of the Issuer to the effect that application will be made to list such additional debt on the Cayman Islands Stock Exchange.

(e) Notwithstanding the foregoing, in connection with a Refinancing pursuant to which all Secured Debt is being refinanced, the Co-Issuers may issue Additional Debt without complying with the requirements of Section 2.4(a), (b) or (c).

(f) Notwithstanding anything herein or in the Class A-RL Credit Agreement to the contrary, in connection with an additional issuance of Class A Debt (for so long as the Controlling Class is the Class A Debt, with the written approval of a Majority of the Controlling Class), to the extent that the Class A-RL Lenders (and any additional lenders, to the extent that a Majority of the Class A-RL Lenders approves an additional borrowing of Class A-RL Loans pursuant to the Class A-RL Credit Agreement but the Class A-RL Lenders do not agree to borrow 100% of the proposed additional Class A-RL Loans) do not agree to lend additional Class A-RL Loans in an amount sufficient to maintain proportionality between the Class A-R-2 Notes and the Class A-RL Loans ~~(together with the Class A-RN Notes, if Funded)~~, the Issuer may issue further additional Class A-R-2 Notes in an aggregate principal amount equal to the amount by which the principal amount of Class A-RL Loans that would have been necessary to maintain such proportionality exceeds the aggregate principal amount of the additional Class A-RL Loans (if any) that the Class A-RL Lenders and any additional lenders agree to lend. In connection with an issuance of additional Debt, additional Class A-RL Loans may be incurred (in loan form only) and will be borrowed pursuant to the terms of the Class

A-RL Credit Agreement. ~~Any additional issuance of Class A-RL Loans shall cause a corresponding increase of Class A-RN Notes that may be issued hereunder.~~

Section 2.5 Execution, Authentication, Delivery and Dating. The Securities shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Securities executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Securities.

Each Security authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. Each Security authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the First Refinancing Date shall be dated as of the First Refinancing Date. All other Securities that are authenticated after the Closing Date or the First Refinancing Date, as applicable, for any other purpose under this Indenture shall be dated the date of their authentication.

Securities issued upon transfer, exchange or replacement of other Securities shall be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Securities so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Securities so transferred, exchanged or replaced. In the event that any Security is divided into more than one Security in accordance with this Article II, the original principal amount of such Security shall be proportionately divided among the Securities delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Securities.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of, and the registration

of transfers of, Securities. The Trustee is hereby initially appointed as "Registrar" for the purpose of maintaining the Register and registering the Securities and transfers of such Securities in the Register as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Securities and the principal amounts and registration numbers of such Securities.

The entries in the Register shall be conclusive absent manifest error, and the Holders, the Issuer, any Paying Agent and the Trustee shall treat each Person whose name is recorded in the Register, pursuant to the terms thereof, as a Holder for all purposes of this Indenture.

Subject to this Section 2.6, upon surrender for registration of transfer of any Security at the office designated by the Trustee, the surrendered Security shall be cancelled and destroyed by the Trustee in accordance with its standard policy and the Issuer (and solely in the case of the Co-Issued Notes, the Co-Issuer) shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any Minimum Denomination and of a like aggregate principal or face amount.

The Issuer, the Co-Issuer or the Portfolio Manager, as applicable, shall notify the Trustee in writing of any Security beneficially owned by or pledged to the Issuer, the Co-Issuer or the Portfolio Manager or any of their respective Affiliates promptly upon its knowledge of the acquisition thereof or the creation of such pledge.

At the option of a Holder, Securities may be exchanged for Securities of like terms, in any Minimum Denominations and of like aggregate principal or face amount, upon surrender of the Securities to be exchanged at such office or agency and, in the case of Certificated Securities, at the office designated by the Trustee. Whenever any Security is surrendered for exchange, the Applicable Issuers shall execute and the Trustee shall authenticate and deliver the Securities that the Holder making the exchange is entitled to receive.

All Securities issued and authenticated upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt) or rights to payment, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Any Security and the rights to payments evidenced thereby may be assigned or otherwise transferred in whole or in part pursuant to the terms of this Section 2.6 only by the registration of such assignment and transfer of such Security on the Register (and each Security shall so expressly provide). Any assignment or transfer of all or part of a Certificated Security

shall be registered on the Register only upon presentment or surrender for registration of transfer or exchange of the Security duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar and the Applicable Issuers, duly executed by the Holder thereof or its attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for the registration of any transfer or exchange of Securities, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) The Issuer, the Co-Issuer or the Trustee, as applicable, shall not be required (i) to issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before any selection of Notes to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Note so selected for redemption.

(c) No Security may be sold or transferred (including by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

No ERISA Securities may be transferred to or acquired by a Benefit Plan Investor. No sale or transfer of an interest in any ERISA Securities to a proposed transferee that has represented that it is a Benefit Plan Investor will be effective, and the Trustee, the Registrar, and the Issuer will not recognize any such sale or transfer.

No transfer of a beneficial interest in a Security will be effective, and the Trustee and the Issuer will not recognize any such transfer, if the transferee's acquisition, holding and disposition of such interest would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in violation of any Other Plan Law), unless an exemption is available, and all conditions have been satisfied.

In the case of the Class E Notes, the Class F Notes and the Subordinated Notes, if the purchaser or transferee is a governmental, church, non-U.S. or other plan, its purchase, holding and disposition of Securities will not (a) constitute or result in it being subject to any Similar Law or (b) cause a non-exempt violation of Other Plan Law.

(d) Upon final payment due on the Maturity of a Certificated Security, the Holder thereof shall present and surrender such Certificated Security at the office designated by the Trustee on or prior to such Maturity; provided, however, that if there is delivered to the Issuer, the Co-Issuer and the Trustee such security or indemnity as may be required by them to

save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuer, the Co-Issuer or the Trustee that the applicable Certificated Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(e) So long as a Global Security remains Outstanding, transfers of a Global Security, in whole or in part, shall only be made in accordance with Section 2.2, Section 2.5 and this Section 2.6(e).

(i) Subject to clauses (ii), (iii) and (iv) of this Section 2.6(e) transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Rule 144A Global Security to Regulation S Global Security. If a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of an interest in a Regulation S Global Security of the same Class, such holder may, subject to the rules and procedures of DTC, transfer, or cause the transfer of, such interest for an equivalent beneficial interest in the Regulation S Global Security. Upon receipt by the Trustee, as Registrar, of:

(A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee, as Registrar, to cause to be credited a beneficial interest in a Regulation S Global Security of the same Class in an amount equal to the beneficial interest in such Rule 144A Global Security, in a Minimum Denomination, to be transferred,

(B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and, in the case of a transfer pursuant to and in accordance with Regulation S, the Euroclear or Clearstream account to be credited with such increase, and

(C) a Transfer Certificate given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Securities including that the holder or the transferee, as applicable, is not a U.S. person, and is obtaining such beneficial interest in a transaction pursuant to and in accordance with Regulation S,

the Trustee, as Registrar, will confirm the instructions at DTC to reduce the principal amount of the applicable Rule 144A Global Security and to increase the principal amount of the Regulation S Global Security of the same Class by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security to be transferred, and confirm the instructions to DTC to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the Regulation S Global Security equal to the reduction in the principal amount of the Rule 144A Global Security.

(iii) Regulation S Global Security to Rule 144A Global Security. If a holder of a beneficial interest in a Regulation S Global Secured Note wishes at any time to exchange or transfer its interest in such Regulation S Global Security for an interest in a Rule 144A Global Security of the same Class, such holder may, subject to the rules and procedures of Euroclear, Clearstream or DTC, as the case may be, exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in the Rule 144A Global Security of the same Class. Upon receipt by the Trustee, as Registrar, of:

(A) instructions from Euroclear, Clearstream or DTC, as the case may be, directing the Trustee, as Registrar, to cause to be credited a beneficial interest in a Rule 144A Global Security of the same Class in an amount equal to the beneficial interest in such Regulation S Global Security, in a Minimum Denomination, to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, and

(B) a Transfer Certificate given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Security reasonably believes that the Person acquiring such interest in a Rule 144A Global Security is a QIB, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, and is also a Qualified Purchaser,

the Trustee, as Registrar, as the case may be, will confirm the instructions at DTC, reduce the applicable Regulation S Global Security and increase the principal amount of the Rule 144A Global Security of the same Class by the aggregate principal amount of the beneficial interest in the Regulation S Global Security to be transferred or exchanged and the Trustee, as Registrar, and confirm the instructions for DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Security equal to the reduction in the principal amount of the Regulation S Global Security.

(iv) Global Security to Certificated Security. If a holder of a beneficial interest in a Global Security wishes at any time to transfer its interest in such Security to a Person that is required to take delivery thereof in the form of a Certificated Security of the same Class, such holder may, or shall be subject to the rules and procedures of Euroclear, Clearstream or DTC, as the case may be, transfer or cause the transfer of such interest for an equivalent beneficial interest in one or more such Certificated Securities of the same Class as described below. Upon receipt by the Trustee, as Registrar, of:

(A) instructions given in accordance with DTC's procedures from an Agent Member, or instructions from Euroclear, Clearstream or DTC, as the case may be, directing the Trustee to deliver one or more such Certificated Securities, designating the registered name or names, address, payment instructions, the Class and the number and principal amounts of the Certificated Securities to be executed and delivered (the Class and the aggregate principal amounts of such Certificated Securities being equal to the

aggregate principal amount of the Global Security to be transferred), in a Minimum Denomination, and

(B) a Transfer Certificate given by the transferee of such beneficial interest,

the Trustee, as Registrar, will confirm the instructions at DTC, reduce the applicable Global Security by the aggregate principal amount of the beneficial interest in such Global Security to be transferred and the Trustee, as Registrar, record the transfer in the Register in accordance with Section 2.6(a) and notify the Applicable Issuer, who shall execute the Certificated Securities and the Trustee shall authenticate and deliver the Certificated Securities of the appropriate Class registered in the names specified in the Transfer Certificate in principal amounts designated by the transferee (the aggregate of such amounts being equal to the beneficial interest in the Global Securities to be transferred) and a Minimum Denomination. Any purported transfer in violation of the foregoing requirements shall be null and void ab initio.

(v) Exchanges. An interest in a Global Security may be exchanged for one or more Certificated Securities in accordance with such procedures as are substantially consistent with the provisions above or in Section 2.6(f)(iii) as applicable, and as may be from time to time adopted by the Applicable Issuer and the Trustee.

(vi) Restrictions on U.S. Transfers. Regulation S Global Securities may not be transferred to U.S. persons.

(f) So long as a Certificated Security remains Outstanding, transfers and exchanges of a Certificated Security, in whole or in part, shall only be made in accordance with Section 2.2, Section 2.5 and this Section 2.6(f).

(i) Certificated Security to Global Security. If a holder of a beneficial interest in one or more Certificated Securities wishes (and is eligible) at any time to exchange its interest in such Certificated Security for an interest in a Global Security of the same Class, or to transfer its interest in such Certificated Security to a Person who wishes (and is eligible) to take delivery thereof in the form of an interest in a Global Security of the same Class, such holder may exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in the Rule 144A Global Security or Regulation S Global Security, as applicable, of the same Class. Upon receipt by the Trustee, as Registrar, of:

(A) such Certificated Security properly endorsed for such transfer and written instructions from such holder directing the Trustee, as Registrar, to cause to be credited a beneficial interest in a Global Security of the same Class in an amount equal to the beneficial interest in the Certificated Security and in a Minimum Denomination, to be exchanged or transferred,

(B) a written order containing information regarding the Euroclear, Clearstream or DTC account to be credited with such increase, and

(C) a Transfer Certificate by the transferor of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with applicable transfer restrictions,

the Trustee, as Registrar, shall cancel such Certificated Security in accordance with Section 2.9, record the transfer in the Register in accordance with Section 2.6(a) and confirm the instructions at DTC to increase the principal amount of the Rule 144A Global Security or Regulation S Global Security of the same Class by the aggregate principal amount of the beneficial interest in the Certificated Security to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in such Global Security equal to the amount specified in the instructions received pursuant to clause (A) above.

(ii) Certificated Securities to Certificated Securities. If a holder of a beneficial interest in a Certificated Security wishes at any time to transfer its interest in such Certificated Security to a Person who wishes to take delivery thereof in the form of one or more Certificated Securities of the same Class, such holder may transfer or cause the transfer of such interest for an equivalent beneficial interest in one or more such Certificated Securities of the same Class as provided below. Upon receipt by the Issuer and the Trustee, as Registrar, of:

(A) such holder's Certificated Security properly endorsed for assignment to the transferee, and

(B) a Transfer Certificate given by the transferee of such beneficial interest,

the Trustee, as Registrar, shall cancel such Certificated Security in accordance with Section 2.9, record the transfer in the Register in accordance with Section 2.6(a) and notify the Applicable Issuer, who shall execute one or more Certificated Securities and the Trustee shall authenticate and deliver Certificated Securities bearing the same designation as the Certificated Security of the appropriate Class endorsed for transfer, registered in the names specified in the Transfer Certificate, in principal amounts designated by the transferee (the Class and the aggregate of such amounts being the same as the beneficial interest in the Certificated Security surrendered by the transferor), and in a Minimum Denomination. Any purported transfer in violation of the foregoing requirements shall be null and void ab initio, and the Trustee shall not register any such purported transfer and shall not authenticate and deliver such Certificated Securities.

(iii) Exchange of Certificated Securities. If a holder of a beneficial interest in one or more Certificated Securities wishes at any time to exchange such Certificated Securities for one or more such Certificated Securities in the same Class, such holder may exchange or cause the exchange of such interest for an equivalent beneficial interest in the Certificated Securities of the same Class bearing the same designation as the Certificated Securities endorsed for exchange as provided below. Upon receipt by the Trustee, as Registrar, of:

(A) such holder's Certificated Securities properly endorsed for such exchange, and

(B) written instructions from such holder designating the number and principal amounts of the applicable Certificated Securities to be issued (the Class and the aggregate principal amounts of such Certificated Securities being the same as the Certificated Securities surrendered for exchange),

the Trustee, as Registrar, shall cancel such Certificated Securities in accordance with Section 2.9, record the exchange in the Register in accordance with Section 2.6(a) and shall notify the Applicable Issuer, who shall execute the Certificated Securities and the Trustee shall authenticate and deliver one or more Certificated Securities of the same Class bearing the same designation as the Certificated Securities endorsed for exchange, registered in the same names as the Certificated Securities surrendered by such holder or such different names as are specified in the endorsement described in clause (A) above, in different principal amounts designated by such holder (the Class and the aggregate principal amounts being the same as the beneficial interest in the Certificated Securities surrendered by such holder), and in a Minimum Denomination.

(g) Legends. If Securities are issued upon the transfer, exchange or replacement of Securities bearing the applicable legends, and if a request is made to remove such applicable legend on such Securities, the Securities so issued shall bear such legend, or such legend shall not be removed unless there is delivered to the Trustee and the Applicable Issuer such satisfactory evidence, which may include an opinion of counsel, as may be reasonably required by the Applicable Issuer to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act or the Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Applicable Issuer, shall authenticate and deliver Securities that do not bear such legend.

(h) Purchaser Representations Related to Global Securities. Each purchaser (including transferees and each beneficial owner of an account on whose behalf Securities are being purchased) (each, a "Purchaser") of a beneficial interest in a Global Security will be deemed to have represented and agreed as follows (terms used in this subsection that are defined in Rule 144A or Regulation S are used herein as defined therein):

(i) Sophistication/Investment Decision. The Purchaser is capable of evaluating the merits and risks of an investment in the Securities. The Purchaser is able to bear the economic risks of an investment in the Securities. The Purchaser has had access to such information concerning the Transaction Parties and the Securities as it deems necessary or appropriate to make an informed investment decision, including an opportunity to ask questions and receive information from the Transaction Parties, and it has received all information that it has requested concerning its purchase of the Securities. The Purchaser has, to the extent it deems necessary, consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors (its "Advisors") with respect to its purchase of the Securities.

The Purchaser (A) has made its investment decision based upon its own judgment, any advice received from its Advisors, and its review of the Offering Circular, and not

upon any view, advice or representations (whether written or oral) of any Transaction Party and (B) hereby reconfirms its decision to make an investment in the Securities to the extent such decision was made prior to the receipt of the Offering Circular. None of the Transaction Parties is acting as a fiduciary or financial or investment adviser to the Purchaser. None of the Transaction Parties has given the Purchaser any assurance or guarantee as to the expected or projected performance of the Securities. The Purchaser understands that the Securities will be highly illiquid. The Purchaser is prepared to hold the Securities for an indefinite period of time or until maturity (in the case of the Secured Notes) or liquidation and distribution of the Assets (in the case of Subordinated Notes). None of the representations in this paragraph is made with respect to the Portfolio Manager by any Affiliate of the Portfolio Manager or any account for which the Portfolio Manager or its Affiliates acts as investment adviser.

(ii) Offering/Investor Qualifications. If the Purchaser is purchasing an interest in Regulation S Global Securities, (i) the Purchaser understands that the Securities are offered to and purchased by it in an offshore transaction not involving any public offering in the United States, in reliance on the exemption from registration provided by Regulation S under the Securities Act, and that the Securities will not be registered under the U.S. federal securities laws and (ii) the Purchaser is not a U.S. person or U.S. resident for purposes of the Investment Company Act and understands that interests in a Regulation S Global Security may not be owned at any time by a U.S. person.

If the Purchaser is purchasing an interest in a Rule 144A Global Security, (i) the Purchaser understands that the Securities are offered to and purchased by it in a transaction not involving any public offering in the United States, in reliance on the exemption from registration provided by Rule 144A, and that the Securities will not be registered under the U.S. federal securities laws and (ii) the Purchaser is both a Qualified Institutional Buyer and a Qualified Purchaser, but is:

(A) not a dealer of the type described in paragraph (a)(1)(ii) of Rule 144A unless it, as applicable, owns and invests on a discretionary basis not less than U.S.$25,000,000 in securities of non-affiliated issuers of the dealer; and

(B) not a participant-directed employee plan (such as a 401(k) plan), or any other type of plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A or trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such a plan, unless investment decisions with respect to such plan are made solely by the fiduciary, trustee or sponsor of such plan and not by beneficiaries of the plan.

If the Purchaser is purchasing an interest in a Rule 144A Global Security, the Purchaser is acquiring such interest as principal for its own account or purchasing for its own account or for one or more accounts (each holder of which is a Qualified Institutional Buyer and as to each of which accounts the Purchaser exercises sole investment discretion) for investment and not for sale in connection with any distribution thereof. The Purchaser and each such account was not formed solely for the purpose of investing in the Securities and is not a (i) partnership, (ii) common trust fund or (iii) special trust, pension fund or retirement plan in which the partners, beneficiaries or participants, as applicable, may designate the particular investments to be made. The Purchaser agrees that it shall not hold such Securities for the benefit of any

other person and shall be the sole beneficial owner thereof for all purposes and that, except pursuant to a written agreement with the Applicable Issuer requiring compliance with the provisions of this Indenture applicable to the transfer of an interest in such Securities, it shall not sell participation interests in the Securities or enter into any other arrangement pursuant to which any other person shall be entitled to a beneficial interest in the distributions on the Securities and further that the Securities purchased directly or indirectly by it constitute an investment of no more than 40% of the Purchaser's assets.

(iii) Investment Intent/Subsequent Transfers. The Purchaser is not purchasing the Securities with a view to the resale, distribution or other disposition thereof in violation of the Securities Act. The Purchaser will not, at any time, offer to buy or offer to sell the Securities by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(iv) The Purchaser will provide notice to each person to whom it proposes to transfer any interest in the Securities of the transfer restrictions and representations set forth in this Indenture (including the exhibits referenced therein). The Purchaser understands that any such transfer may be made only pursuant to an exemption from registration under the Securities Act and any applicable state securities laws. The Purchaser understands that transfers of ERISA Securities to Benefit Plan Investors will be prohibited. In addition:

(A) Rule 144A Global Securities may not at any time be held by or on behalf of persons that are not both Qualified Institutional Buyers and Qualified Purchasers. Before any interest in a Rule 144A Global Security may be resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Regulation S Global Security, the transferor will be required to provide the Trustee with a Transfer Certificate.

(B) Regulation S Global Securities may not at any time be held by or on behalf of U.S. persons. Before any interest in a Regulation S Global Security may be resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in the Rule 144A Global Security of the same Class, the transferor will be required to provide the Trustee with a Transfer Certificate.

(C) Before any interest in Securities may be resold, pledged or otherwise transferred to a Person that will hold an interest in a Certificated Security, the transferee will be required to provide the Trustee with a Transfer Certificate.

(D) Class E Notes and Class F Notes will be issued in the form of Rule 144A Global Securities and Regulation S Global Securities.

(E) Subordinated Notes will be issued in the form of Certificated Securities, Rule 144A Global Securities and Regulation S Global Securities.

(v) Benefit Plans.

(A) With respect to any Purchaser purchasing ERISA Securities, for so long as it holds a beneficial interest in Global Securities, the Purchaser (and each account for which it is acquiring such Global Securities) is not a Benefit Plan Investor. If the Purchaser is a governmental, church, non-U.S. or other plan, its purchase, holding and disposition of ERISA Securities will not (a) constitute or result in it being subject to any Similar Law or (b) cause a non-exempt violation of Other Plan Law.

(B) With respect to all Classes of Securities, the Purchaser's purchase, holding and disposition of Securities will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a governmental, non-U.S. or church plan, a non-exempt violation of any substantially similar federal, state, non-U.S. or local law.

The Purchaser understands that the representations made in this clause (v) shall be deemed to be made on each day from the date that the Purchaser acquires an interest in the Securities until the date it has disposed of its interests in such Securities.

In the event that any representation in this clause (v) becomes untrue (or, with respect to ERISA Securities, there is any change in status of the Purchaser as a Benefit Plan Investor), the Purchaser shall immediately notify the Trustee and the Issuer.

(vi) Certain Tax Matters. The Purchaser has read the summary of the U.S. federal income tax considerations in the Offering Circular. The Purchaser will treat the Securities for U.S. tax purposes in a manner consistent with the treatment of such Securities by the Issuer as described therein and will take no action inconsistent with such treatment.

The Purchaser understands and agrees that the Issuer, the Trustee or an authorized agent acting on their behalf (and any applicable intermediary) may require certain information, documentation or certifications acceptable to it, including a United States Internal Revenue Service ("IRS") Form W-9 (or any successor form) or an applicable IRS Form W-8 (or any successor form) together with all appropriate attachments, (x) to permit the Issuer, the Trustee or an applicable intermediary, as applicable, to make payments to it without, or at a reduced rate of, deduction or withholding or (y) to enable the Issuer to qualify for a reduced rate of deduction or withholding in any jurisdiction from or through which the Issuer receives payments on its assets. The Purchaser agrees to promptly provide any such information, documentation or certification that is requested by the Issuer, the Trustee or an authorized agent acting on their behalf (and any applicable intermediary). Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

Each Purchaser of a Security or direct or indirect interest therein, by acceptance of such Security or such an interest in such Security, agrees or is deemed to agree to (i) provide the Issuer, the Trustee or an authorized agent acting on their behalf (and any applicable intermediary) with the Holder FATCA Information and to take any other action reasonably necessary (in the determination of the Issuer, the Portfolio Manager or their respective agents) to enable the Issuer or an intermediary to achieve FATCA Compliance and (ii) permit the Issuer, the Portfolio Manager, any applicable intermediary and the Trustee (on behalf of the Issuer) or their respective agents to (w) share such information with the IRS, the Cayman Islands tax

authorities and other governmental taxing authorities, (x) withhold amounts otherwise distributable to such holder as compensation for any tax, fines or penalties imposed under FATCA if such holder fails to comply with the foregoing requirements, (y) with respect to the Issuer, the Portfolio Manager or an intermediary, compel or effect the sale of Notes held by any such holder that fails to comply with the foregoing requirements or if such holder's ownership would prevent the Issuer from qualifying as, or complying with any obligations or requirements imposed on, a "Participating FFI" or a "deemed-compliant FFI" within the meaning of the Code and U.S. Treasury regulations promulgated thereunder, or otherwise prevents the Issuer from achieving FATCA Compliance or whose action, inaction or status otherwise would result in the imposition of FATCA withholding taxes on payments to the Issuer or fines or penalties on the Issuer and (z) make other amendments to the Indenture to enable the Issuer to achieve FATCA Compliance. For these purposes, the Issuer may sell a beneficial owner's interest in a Note in its entirety notwithstanding that the sale of a portion of the interest would permit the Issuer to achieve FATCA Compliance.

With respect to any period during which any Holder of Class E Notes or Class F Notes that are treated as equity interests in the Issuer for U.S. federal income tax purposes and with respect to any Holder of Subordinated Notes, a beneficial owner or a direct or indirect owner of any of the foregoing, is treated as a member of the Issuer's "expanded affiliated group" (as defined in U.S. Treasury regulations section 1.1471-5(i) or any successor provision), such Holder or owner will be required to covenant or is deemed to represent that it will (i) cause any member of such expanded affiliated group (assuming that the Issuer and any non-U.S. Tax Subsidiary are "participating FFIs" or "deemed-compliant FFIs" within the meaning of U.S. Treasury regulations section 1.1471-4(e) or any successor provision) that is treated as a "foreign financial institution" within the meaning of section 1471(d)(4) of the Code and any U.S. Treasury regulations promulgated thereunder to be a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of U.S. Treasury regulations section 1.1471-4(e) or any successor provision, and (ii) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of section 1471(d)(4) of the Code and any U.S. Treasury regulations promulgated thereunder is not a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of U.S. Treasury regulations section 1.1471-4(e) or any successor provision, in each case except to the extent that the Issuer or its agents have provided such Holder or owner with an express waiver of this provision.

Each Purchaser of a Class E Note, a Class F Note or a Subordinated Note that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) will make, or by acquiring such Security or an interest therein will be deemed to make, a representation to the effect that (A) (i) it is not a bank (or an entity Affiliated with a bank) extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), (ii) after giving effect to its purchase of Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of U.S. Treasury regulations section 1.881-3), (iii) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States and includible in its gross income, or (iv) it has provided

an IRS Form W-8BEN or an IRS Form W-8BEN-E, as applicable, representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States and (B) it is not purchasing the Note in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan.

No Holder of a Class E Note, Class F Note or Subordinated Note shall treat any income with respect to its Class E Note, Class F Note or Subordinated Note as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(vii) Cayman Islands. The Purchaser is not a member of the public in the Cayman Islands.

(viii) The Purchaser represents and warrants that all personal data provided to the Issuer or its delegates (including, without limitation, the Administrator and the AML Services Provider) by or on behalf of such beneficial owner has been and will be provided in accordance with applicable laws and regulations, including, without limitation, those relating to privacy or the use of personal data. The Purchaser shall ensure that any personal data that it provides to the Issuer or its delegates (including, without limitation, the Administrator and the AML Services Provider) is accurate and up to date, and it shall promptly notify the Issuer if it becomes aware that any such data is no longer accurate or up to date. The Purchaser acknowledges that the Issuer and/or its delegates may transfer and/or process personal data provided by it outside of the Cayman Islands and it hereby consents to such transfer and/or processing and further represents that it is duly authorized to provide this consent on behalf of any individual whose personal data is provided by such beneficial owner. The Purchaser acknowledges receipt of the Issuer's privacy notice set forth in the Offering Circular (the "Privacy Notice"). The Purchaser shall promptly provide the Privacy Notice to (i) each individual whose personal data it has provided or will provide to the Issuer or any of its delegates in connection with its investment in the Notes (such as directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents) and (ii) any other individual connected to the beneficial owner as may be requested by the Issuer or any of its delegates. Such beneficial owner shall also promptly provide to any such individual, on request by the Issuer or any of its delegates, any updated versions of the Privacy Notice and the privacy notice (or other data protection disclosures) of any third party to which the Issuer or any of its delegates has directly or indirectly provided that individual's personal data.

(ix) Privacy. The Purchaser acknowledges that the Issuer, the Portfolio Manager, on behalf of the Issuer, and the Arrangers may receive a list of participants holding positions in the Securities from one or more book-entry depositories. If an investor in the Securities certifies as to its ownership of securities to the Trustee, the Trustee shall, upon request, share the identity of such investor with the Portfolio Manager and the Arrangers. Upon the request of the Portfolio Manager or the Arrangers, the Trustee will obtain a list of participants holding positions in the Securities and will provide such list to the Portfolio Manager or the Arrangers, as applicable.

(x) Limited Recourse. The Purchaser agrees that the obligations of the Applicable Issuer under the Securities and this Indenture are limited recourse obligations of the Applicable Issuer payable solely from the Assets in accordance with the Priority of Payments.

(xi) *Non-Petition*. The Purchaser agrees not to, prior to the date which is one year (or, if longer, the applicable preference period) plus one day after the payment in full of all Securities, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under the Cayman Islands or U.S. federal or state bankruptcy or similar laws of other jurisdictions. The Purchaser agrees and acknowledges that the covenant set forth in the preceding sentence is a material inducement for each Holder and beneficial owner of the Securities to acquire such Securities and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into each Transaction Document to which it is a party and is an essential term of this Indenture and the Securities. The Purchaser agrees that it is subject to the Bankruptcy Subordination Agreement.

(xii) Effect of Breaches. The Purchaser agrees that (i) any purported sale, pledge or other transfer of the Securities (or any interest therein) made in violation of the transfer restrictions, or made based upon any false or inaccurate representation made by the Purchaser or a transferee to the Co-Issuers or the Issuer, as applicable, will be null and void ab initio and of no force or effect and (ii) none of the Transaction Parties has any obligation to recognize any purported sale, pledge or other transfer of the Securities (or any interest therein) made in violation of any transfer restriction or made based upon any such false or inaccurate representation.

(xiii) Legends. The Purchaser acknowledges that the certificates representing the Securities will bear a legend in the form set forth in the applicable Exhibit A, unless the Applicable Issuers determine otherwise in compliance with applicable law.

(xiv) Compulsory Sales. The Purchaser understands that the Issuer has the right under this Indenture to compel any Non-Permitted Holder, or any beneficial owner of the Re-Pricing Eligible Secured ~~Notes~~Debt that does not consent to a Re-Pricing with respect to its Secured Notes pursuant to the applicable terms of this Indenture, to sell its interest in the Securities or may sell such interest in the Securities on behalf of such Non-Permitted Holder. The Purchaser understands and agrees that if it fails for any reason to provide to the Issuer and the Trustee information or documentation, or to update or correct such information or documentation, or to take any other action as may be necessary or helpful (in the sole determination of the Issuer, the Portfolio Manager or the Trustee or their agents, as applicable) to achieve FATCA Compliance, or such information or documentation is not accurate or complete, or the Issuer otherwise reasonably determines that such Purchaser's direct or indirect acquisition, holding or transfer of an interest in any Security would cause the Issuer to be unable to achieve FATCA Compliance or would otherwise result in the imposition of FATCA withholding taxes on payments to the Issuer or fines or penalties on the Issuer, the Issuer (or any intermediary on the Issuer's behalf) will have the right to (w) compel it to sell its interest in such Security, (x) sell such interest on its behalf, (y) assign to such Security a separate CUSIP number or numbers

and/or (z) enter into one or more supplemental indentures or amend the Indenture to enable the Issuer to achieve FATCA Compliance.

(xv) Holder AML Obligations. Each Purchaser agrees (A) to comply with the Holder AML Obligations and to obtain and provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary, (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Monetary Authority, the IRS and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to achieve AML Compliance, and (C) that if it fails for any reason to comply with its Holder AML Obligations or otherwise is or becomes a Non-Permitted AML Holder, the Issuer will have the right, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in the Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (3), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to such Purchaser at such time that the Issuer determines that such Purchaser complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such noncompliance; provided that any amounts remaining in an such account will be released to such Purchaser (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of such Purchaser on any Business Day after such Purchaser has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non-Permitted AML Holder will be treated for all purposes under the Indenture as if such amounts had been paid directly to such Purchaser. It agrees to indemnify the Issuer for all damages, costs and expenses that result from its failure to comply with its Holder AML Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(xvi) Each purchaser and subsequent transferee of a Note, by its acceptance of an interest in such notes, agrees to comply with the Holder AML Obligations.

(i) Any purported transfer of a Security not in accordance with this Section 2.6 shall be null and void and shall not be given effect for any purpose hereunder.

(j) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state securities laws, the rules of DTC, ERISA, the Code, the Investment Company Act or the Cayman AML Regulations; provided that if a certificate is specifically required by the express terms of this Section 2.6 to be delivered to the Trustee or the Registrar as a result of a purchase or transfer of a Security, the Trustee or the Registrar, as the case may be, shall be under a duty to receive and examine the same to determine whether the certificate thereby substantially complies on its face with the express terms of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(k) The Trustee and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

~~(l) (i) Notwithstanding anything herein to the contrary, subject to the terms of the Class A-RL Credit Agreement, upon written notice from a Class A-RL Converting Lender to the Trustee, the Loan Agent and the Co-Issuers, such Class A-RL Converting Lender may elect any Business Day (such Business Day, the "Class A-RL Conversion Date") upon which all or a portion of the Aggregate Outstanding Amount of the Class A-RL Loans held by the Class A-RL Converting Lender will be converted into Class A-RN Notes of an equal Aggregate Outstanding Amount in accordance with this Indenture and the Class A-RL Credit Agreement; provided that (x) the Class A-RL Conversion Date will be no earlier than the fifth Business Day following the date such notice is delivered (or such later date as may be reasonably agreed to by the Class A-RL Converting Lender, the Loan Agent and the Trustee) and (y) if the Class A-RL Loans to be so converted have been assigned pursuant to the Class A-RL Credit Agreement on any Business Day subsequent to the immediately prior Payment Date, then the Class A-RL Conversion Date may only occur on a Payment Date; provided further that, upon the exercise of the Class A-RL Conversion Option by a Class A-RL Converting Lender, the Trustee shall send notice of the exercise of such Conversion Option to S&P.~~

~~(ii) On the Class A-RL Conversion Date, (A) the Aggregate Outstanding Amount of the Class A-RN Notes shall be increased by the current Aggregate Outstanding Amount of the Class A-RL Loans so converted and (B) the Class A-RL Loans so converted shall cease to be Outstanding and shall be deemed to have been repaid in full for all purposes hereunder and under the Class A-RL Credit Agreement, other than in respect of any interest payable on the next succeeding Payment Date to the Holder of such Class A-RL Loans for the portion of the related Interest Accrual Period occurring prior to the Class A-RL Conversion Date as more fully described in clause (iii) below.~~

~~(iii) Interest accrued on the Class A-RL Loans so converted since the prior Payment Date (or the date of any Refinancing of the Class A-RL Loans or the First Refinancing Date, if no Payment Date has occurred since the date of such Refinancing or the First Refinancing Date, as applicable) shall, as of the Class A-RL Conversion Date, be deemed to have accrued on the Class A-RN Notes since such prior Payment Date (or the date of any Refinancing of the Class A-RL Loans or the First Refinancing Date, if no Payment Date has occurred since the date of such Refinancing or the First Refinancing Date, as applicable) and interest on the converted Class A-RL Loans shall thereafter accrue at the Interest Rate applicable to the Class A-RN Notes; provided that, to the extent that the Class A-RL Loans converted into Class A-RN Notes had been assigned on any Business Day during the Interest Accrual Period in which such conversion occurred, interest accrued on such Class A-RL Loans prior to the Class A-RL Conversion Date shall be payable to the applicable Holder of such Class A-RL Loans in accordance with the Class A-RL Credit Agreement. No Class A-RN Notes may be converted into Class A-RL Loans.~~

~~(m) (i) The Co-Issuers, the Portfolio Manager and a Class A-RL Converting Lender agree to provide reasonable assistance to the Trustee and the Loan Agent in~~

~~connection with a conversion of the Class A-RL Loans including, but not limited to, providing instructions to DTC, the Trustee and the Registrar.~~

~~(ii) Each Class A-RL Lender may elect, in its sole discretion, to exercise the Class A-RL Conversion Option concurrently with an assignment of all or a portion of its Class A-RL Loan (a "Class A-RL Assignment/Conversion") such that the effective date of the assignment occurs on the Class A-RL Conversion Date and the assignee receives Class A-RN Notes in lieu of the portion of the Class A-RL Loan being assigned. Any assignment made in connection with a Class A-RL Assignment/Conversion shall meet the requirements for an assignment set forth in Section 8.4 of the Class A-RL Credit Agreement. Any Class A-RL Lender electing to make a Class A-RL Assignment/Conversion shall deliver to the Trustee, the Loan Agent and the Co-Issuers at least five Business Days prior to the Class A-RL Conversion Date, (x) an executed Assignment Agreement (as defined in the Class A-RL Credit Agreement), (y) a completed notice substantially in the form of Exhibit B to the Class A-RL Credit Agreement and (z) the assignment fee required under the Class A-RL Credit Agreement.~~

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Security. If (a) any mutilated or defaced Security is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Security, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Security has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Security, a new Security, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest (in the case of a Secured Note) from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Security and bearing a number not contemporaneously outstanding.

If, after delivery of such new Security, a Protected Purchaser of the predecessor Security presents for payment, transfer or exchange such predecessor Security, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Security from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Security has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Security pay such Security without requiring surrender thereof except that any mutilated or defaced Security shall be surrendered.

Upon the issuance of any new Security under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder

thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Applicable Issuers and such new Security shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Securities.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date in the case of the Secured Debt, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date) or, in the case of the Fixed Rate Debt, if such day is not a Business Day, the Business Day following such day. Payment of interest on each Class of Secured Debt (and payments of Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid ("Deferred Interest" with respect thereto) in accordance with the Priority of Payments on any Payment Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which such interest is available to be paid in accordance with the Priority of Payments, (ii) the Payment Date which is a Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the date which is the respective Stated Maturity of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class of Deferred Interest Notes and payable on the first Payment Date on which funds are available in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (ii) which is the respective Stated Maturity of such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Class X Note, Class A Debt, Class A-J Note or Class B Note or, if no Class X Notes, Class A Debt, Class A-J Notes or Class B Notes are Outstanding, any Class C Note, or, if no Class C Notes are Outstanding, any Class D Note, or, if no Class D Notes are Outstanding, any Class D-J Note, or, if no Class D-J Notes are Outstanding, any Class E Note, or, if no Class E Notes are Outstanding, any Class F Note that is not paid when due shall accrue at the Interest Rate for such

Class until paid as provided herein. Interest on the Subordinated Notes that is not available to be paid on a Payment Date in accordance with the Priority of Payments will not be due and payable on such Payment Date or any date and the failure to pay such interest will not be an Event of Default.

(b) The principal of each Secured Debt of each Class matures at par and is due and payable on the Payment Date which is its respective Stated Maturity, unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to the Priority of Interest Payments) after principal and interest on each Class of Debt that constitutes a Priority Class with respect to such Class has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on such Priority Class or Classes, and other amounts in accordance with the Priority of Payments, and any payment of principal of any Class of Secured Debt which is not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is its respective Stated Maturity or any Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Priority Classes with respect to such Class have been paid in full. The Outstanding Subordinated Notes (if any) will mature on their Stated Maturity and the principal of the Subordinated Notes, if any, will be due and payable on that date. Principal payments on the Debt shall be made in accordance with the Priority of Payments and Section 9.1.

(c) As a condition to any payment on any Security without the imposition of withholding or back-up withholding tax, the Trustee and any Paying Agent shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required pursuant to FATCA, to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding.

(d) Payments in respect of Securities shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Security and to the Holder or its nominee with respect to a Certificated Security, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Security, and to the Holder or its designee with respect to a Certificated Security or to the Loan Agent, for distribution to the Class A-RL Lenders, in the case of the Class A-RL Loans; provided that in the case of a Certificated Security or a Class A-RL Loan, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent and (in the case of the Class A-RL Loans) the Loan Agent, on or before the related Record Date; provided, further, that if appropriate instructions for any such wire transfer are not received by the related Record Date,

then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register or, in the case of the Class A-RL Loans, the register created pursuant to the Class A-RL Credit Agreement. Upon final payment due on the Maturity of a Certificated Security, the Holder thereof shall present and surrender such Security at the Corporate Trust Office of the Trustee on or prior to such Maturity; provided, however, that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager, the Loan Agent nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests. In the case where any final payment is to be made on any Security (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, notify the Persons entitled thereto, which notice shall specify the date on which such payment shall be made, the amount of such payment per U.S.$100,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where any Certificated Securities may be presented and surrendered for such payment.

(e) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Debt of such Class (or Sub-class, if any) registered in the name of each such Holder at the close of business on the applicable Record Date bears to the Aggregate Outstanding Amount of all Debt of such Class (or Sub-class, if any, as the case may be) at the close of business on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes at the close of business on such Record Date.

(f) Interest accrued with respect to the Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to the Fixed Rate Debt shall be calculated on the basis of a 360 day year consisting of twelve 30 day months; provided, that if a redemption occurs on a Business Day that would not otherwise be a Payment Date, interest on such Fixed Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(g) All reductions in the principal amount of a Security (or one or more predecessor Securities) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Security and of any Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Security.

(h) Notwithstanding any other provision of this Indenture, the obligations of the Issuer and Co-Issuer under the Debt and this Indenture and the Class A-RL Credit Agreement are limited recourse obligations of the Issuer and Co-Issuer, as applicable, payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture and the Class A-RL Credit Agreement, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, manager, shareholder or incorporator of either the Co-Issuers, the Portfolio Manager or their respective successors or assigns for any amounts payable under the Securities or this Indenture and the Class A-RL Credit Agreement. It is understood that the foregoing provisions of this paragraph (h) shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by this Indenture until such Assets have been realized and proceeds distributed in accordance with the Priority of Payments, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this paragraph (h) subject to the terms of Section 13.2, shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Securities or this Indenture and the Class A-RL Credit Agreement, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(i) Subject to the foregoing provisions of this Section 2.8, each Security delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Security.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee will treat as the owner of such Security the Person in whose name any Security is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Security and on any other date for all other purposes whatsoever (whether or not such Security is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Purchase and Surrender of Securities; Cancellation. (a) The Issuer may (x) apply Contributions accepted and received into the Contribution Account (at the direction of the related Contributor, or, if no direction is given by the Contributor, at the Portfolio Manager's reasonable discretion) or (y) apply any amount on deposit in the Supplemental Reserve Account, as set forth in Section 10.3(h), in order to acquire Secured Notes (or beneficial interests therein) of the Class designated by the Portfolio Manager or the Contributor, as applicable, through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to applicable law) (any such Secured Notes, the "Repurchased Notes"). Any such Repurchased Notes shall be submitted to the Trustee for cancellation and in the case of a Repurchased Note submitted to the Trustee between a Record Date and a Payment Date, will be cancelled after the next succeeding Payment Date. Either the Issuer or the Portfolio

Manager on behalf of the Issuer shall provide notice to each Rating Agency of any such Repurchased Notes.

Securities or beneficial interests in Securities may also be tendered without payment by a Holder to the Issuer or Trustee (any such Securities, "Surrendered Securities"). The Issuer shall provide notice to the Co-Issuer, each Rating Agency and to the Trustee of any Surrendered Securities tendered to it, and the Trustee shall provide notice to the Applicable Issuers of any Surrendered Security tendered to it. Any such Surrendered Securities shall be submitted to the Trustee for cancellation.

(b) All Repurchased Notes, Surrendered Securities and Securities that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly cancelled by the Trustee on behalf of the Issuer and may not be reissued or resold; provided that Repurchased Notes and Surrendered Securities shall continue to be treated as Outstanding to the extent provided in clause (v) of the definition of Outstanding. Any such Securities shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to the Issuer.

Section 2.11 Certificated Securities. (a) A Global Security deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Security to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Security or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Security shall be entitled to receive a Certificated Security in exchange for such interest if an Event of Default has occurred and is continuing.

(b) Any Global Security that is transferable in the form of a Certificated Security to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall, upon Issuer Order, authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Certificated Securities (pursuant to the instructions of DTC) in Minimum Denominations. Any Certificated Security delivered in exchange for an interest in a Global Security shall, except as otherwise provided by Section 2.6(h), (i) and (j), bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Security may grant proxies and otherwise authorize any Person, including

Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(d) In the event of the occurrence of either of the events specified in subclauses (i) and (ii) of subsection (a) of this Section 2.11, the

(e) Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Securities.

The Certificated Securities shall be in substantially the same form as the corresponding Global Securities with such changes therein as the Applicable Issuers shall deem necessary. In the event that Certificated Securities are not so issued by the Issuer to such beneficial owners of interests in Global Securities as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Security would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Security) as if Certificated Securities had been issued.

Section 2.12 Securities Beneficially Owned by Non-Permitted Holders; FATCA Compliance. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Secured Note to a person that (i) in the case of a Regulation S Global Security, is a U.S. person, (ii) in the case of a Rule 144A Global Security, is not a QIB/QP or (iii) in the case of a Certificated Security, is not an IAI/QP or a QIB/QP, and, in each case, that is not made pursuant to an exemption under the Securities Act and the Investment Company Act, (y) any transfer of a beneficial interest in any Subordinated Note to a person that (i) in the case of a Regulation S Global Subordinated Note, is a U.S. person, (ii) in the case of a Rule 144A Global Subordinated Note, is not a QIB/QP and (iii) in the case of a Certificated Subordinated Note, is not a QIB/QP, an IAI/QP or an AI/KE, and, in each case, that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act and (z) any transfer of a beneficial interest in any ERISA Security to a person that is a Non-Permitted ERISA Holder (any such person, together with a Non-Permitted AML Holder, a "Non-Permitted Holder") shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder shall become the beneficial owner of an interest in any Security, the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Securities held by such person to a Person that is not a Non-Permitted Holder within 30 days (10 days in the case of Non-Permitted ERISA Holders) of the date of such notice. If such Non-Permitted Holder fails to so transfer such Securities, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Securities or interest in such Securities to a purchaser selected by the Issuer that is a not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager (on its own or acting through an investment bank selected by the Portfolio Manager at

the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Securities, and selling such Securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Security, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Securities, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Securities sold as a result of any such sale or the exercise of such discretion.

(c) If a Holder fails for any reason to provide the Issuer, the Trustee or an authorized agent acting on their behalf (and any applicable intermediary) with the Holder FATCA Information or take any other action, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their respective agents or representatives, as applicable) to enable the Issuer or an intermediary to achieve FATCA Compliance or whose action, inaction or status otherwise would result in the imposition of FATCA withholding taxes on payments to the Issuer, or if such holder's ownership would prevent the Issuer from qualifying as, or complying with any obligations or requirements imposed on, a "Participating FFI" or "deemed-compliant FFI" within the meaning of the Code and U.S. Treasury regulations promulgated thereunder, or otherwise prevents the Issuer from complying with FATCA or whose action, inaction or status otherwise would result in the imposition of FATCA withholding taxes on payments to the Issuer or fines or penalties on the Issuer, the Issuer shall have the right to, in accordance with the procedures set forth in clause (b) above, (x) compel such Holder to sell its interests in such Security, (y) if such Holder does not sell such interest within 10 days after notice from the Issuer (or its agents) sell such interest on such Holder's behalf, or (z) enter into one or more supplemental indentures or amend the Indenture to enable the Issuer to comply with FATCA. None of the Issuer, the Co-Issuer, the Portfolio Manager or the Arrangers shall be required to purchase any such Securities required to be so sold. Any such sale shall be conducted in accordance with the procedures set forth in clause (b) above, assuming for this purpose that such Holder is a Non-Permitted Holder.

(d) Each Holder agrees (A) to comply with the Holder AML Obligations and to obtain and provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary, (B) that the Issuer or its agents or representatives may provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Monetary Authority, the IRS and any other relevant tax authority, and take such other steps as they deem necessary or helpful to achieve AML Compliance, and (C) that if it fails for any reason to comply with its Holder AML Obligations or otherwise is or becomes a Non-Permitted AML Holder, the Issuer will have the right, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in the Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (3), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to the Holder of

such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such noncompliance; provided that any amounts remaining in an such account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non-Permitted AML Holder will be treated for all purposes under the Indenture as if such amounts had been paid directly to the Holder of such Notes. It agrees to indemnify the Issuer for all damages, costs and expenses that result from its failure to comply with its Holder AML Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(e) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13 Deduction or Withholding from Payments on Securities; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Securities for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant authority such amount. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any holder of a Security. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Securities as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Securities. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Trustee or Paying Agent and remitted to the appropriate taxing authority.

Section 2.14 Determination of Benchmark.

(a) The initial Benchmark shall be Term SOFR. If the Portfolio Manager determines that Term SOFR is unavailable or no longer reported prior to the Reference Time in respect of any determination of the Benchmark on any date, the Fallback Rate will replace the then-current Benchmark for all purposes relating to each Class of Secured Debt in respect of such determination on such date and all determinations on all subsequent dates. A supplemental indenture shall not be required in order to adopt a Fallback Rate.

(b) In connection with the implementation of a Fallback Rate, the Portfolio Manager will have the right to make Benchmark Replacement Conforming Changes from time to time. A supplemental indenture shall not be required in order to adopt Benchmark Replacement Conforming Changes.

(c) Any determination, decision or election that may be made by the Portfolio Manager pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Portfolio Manager's sole discretion, and, notwithstanding anything to the contrary in any Transaction Document, shall become effective without consent from any other party.

(d) The following terms have the respective meanings set forth below:

"ARRC": The Alternative Reference Rates Committee convened by the Federal Reserve, together with any successor organization.

"Benchmark": Initially, Term SOFR; provided that if Term SOFR or the then-current Benchmark is unavailable or no longer reported, then "Benchmark" means the applicable Fallback Rate as determined by the Portfolio Manager and notified by the Portfolio Manager to the Trustee, the Loan Agent and the Calculation Agent; further provided that the Benchmark for the Class X Notes, the Class A Debt, the Class A-J Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class D-J Notes, the Class E Notes and the Class F Notes will be no less than zero.

"Benchmark Replacement Conforming Changes": With respect to any Fallback Rate, any technical, administrative or operational changes (including changes to the definition of "Interest Accrual Period," timing and frequency of determining rates and making payments of interest, and other administrative matters) that the Portfolio Manager decides may be appropriate to reflect the adoption of such Fallback Rate in a manner substantially consistent with market practice (or, if the Portfolio Manager decides that adoption of any portion of such market practice is not administratively feasible or if the Portfolio Manager determines that no market practice for use of the Fallback Rate exists, in such other manner as the Portfolio Manager determines is reasonably necessary).

"Fallback Rate": The greater of (A) zero percent and (B) the sum of (I) the applicable Benchmark Modifier and (II) as determined by the Portfolio Manager in its commercially reasonable discretion, either (x) the quarterly pay reference rate recognized or acknowledged as being the industry standard replacement rate for leveraged loans (which recognition may be in the form of a press release, a member announcement, member advice, letter, protocol, publication of standard terms or otherwise) by the Loan Syndications and Trading Association® or the Federal Reserve or (y) (i) the quarterly pay reference rate, other than the then-current Benchmark, that is used in calculating the interest rate for the highest percentage of the Collateral Obligations (by par amount) or (ii) at least 50% of the floating rate notes closed in new issue collateralized loan obligation transactions within the prior three months, in each case,

as determined by the Portfolio Manager as of the first day of the Interest Accrual Period during which such determination is made; provided that, if the Portfolio Manager is unable to determine a Fallback Rate pursuant to clause (x) or (y) above, the Fallback Rate shall be the alternate rate of interest that has been selected by the Portfolio Manager (with the prior written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes) as the replacement for the then-current Benchmark giving due consideration to any industry-accepted rate of interest as a replacement for such Benchmark for U.S. Dollar-denominated securitizations at such time.

(b) unless the discharge is being effected in reliance on clause (a)(iii) above, the Issuer has paid or caused to be paid all other sums then due and payable hereunder and under the Class A-RL Credit Agreement (including any amounts then due and payable pursuant to the Hedge Agreements, the Collateral Administration Agreement and the Portfolio Management Agreement) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer and the Trustee has closed all Accounts; and

The requirements of clauses (a) and (b) above will be deemed satisfied upon the final distribution of all proceeds of any liquidation to the extent provided in Section 5.7. Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Portfolio Manager and, if applicable, the Holders, as the case may be, under Section 2.8, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.15 shall survive.

ARTICLE V

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of any interest on any Class X Note, or Class A-RL Loan, or Class A Note, or Class A-J Note or Class B Note, or, if there are no Class X Notes, Class A-RL Loan, Class A Notes, Class A-J Notes or Class B Notes Outstanding, any Secured Debt comprising the Controlling Class, and the continuation of any such default for five Business Days; provided that, in the case of a default in payment resulting solely from an administrative error or omission by the Trustee, the Loan Agent, any Paying Agent or the Registrar, such default continues for a period of ten (10) or more Business Days after the Trustee receives written notice or an officer of the Trustee has actual knowledge of such administrative error or omission;

(b) a default in the payment, when due and payable, of any principal, interest or Deferred Interest on, or any Redemption Price in respect of, any Secured Debt at its respective Stated Maturity or any Redemption Date (unless any such redemption is rescinded); provided that, in the case of a default in payment resulting solely from an administrative error or omission by the Trustee, the Loan Agent, any Paying Agent or the Registrar, such default continues for a period of seven or more Business Days after the Trustee receives written notice or a Trust Officer of the Trustee has actual knowledge of such administrative error or omission; provided, further, that, in the case of any default on any Redemption Date, only to the extent that such default continues for a period of ten or more Business Days;

(c) unless legally required or permitted to withhold such amounts, the failure on any Payment Date to disburse amounts available in the Payment Account in accordance with the Priority of Payments (other than as provided in clauses (a) and (b) above), which failure (x) is not remedied within 5 Business Days following a Trust Officer of the Trustee receiving written notice or obtaining actual knowledge of such failure and (y) is the result of the

failure to disburse at least $15,000 in the aggregate on such Payment Date to the Holders of one or more Classes of the Secured Debt;

(d) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act;

(e) except as otherwise provided in this Section 5.1, a default in the performance, or breach, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture or the Class A-RL Credit Agreement in any material respect (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or the Class A-RL Credit Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all material respects when the same shall have been made, and the continuation of such default, breach or failure for a period of 30 days after notice to the Issuer and the Portfolio Manager by the Trustee, the Issuer, the Portfolio Manager or the Loan Agent, or to the Issuer, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(f) the occurrence of a Bankruptcy Event; or

(g) on any date of determination, the failure of the ratio of (i) (I) the Aggregate Principal Balance of the Pledged Obligations, excluding Defaulted Obligations plus (II) the aggregate Market Value of all Defaulted Obligations on such date plus (III) without duplication, the amounts on deposit in the Ramp-Up Account and all Principal Proceeds in the Collection Account, in each case, on such date of determination, to (ii) the Aggregate Outstanding Amount of the Class A Debt to equal or exceed 102.5%.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee, (iii) the Loan Agent and (iv) the Portfolio Manager shall notify each other. Upon the occurrence of an Event of Default actually known to a Trust Officer of the Trustee, the Trustee shall promptly notify each Hedge Counterparty, the Holders (as their names appear on the Register), the Loan Agent, each Paying Agent, DTC, each of the Rating Agencies and the Cayman Islands Stock Exchange (for so long as any Class of Securities is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require) of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than a Bankruptcy Event), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Applicable Issuers, the Portfolio Manager and each of the Rating Agencies, declare the principal of all the Secured Debt to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall

terminate. If a Bankruptcy Event occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder of Debt. For the avoidance of doubt, the Class X Notes will not constitute the Controlling Class.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee and each of the Rating Agencies, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due and payable on the Secured Debt (other than as a result of such acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rates; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or the Loan Agent under the Class A-RL Credit Agreement and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(ii) if it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such declaration of an acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Debt shall not be subject to acceleration by the Trustee or a Majority of the Controlling Class solely as a result of the failure to pay (i) at any time when the Class A Debt is the Controlling Class, any amount due on any Notes other than the Class X Notes, the Class A Debt, the Class A-J Notes or the Class B Notes or (ii) at any other time, any amount due on Debt that is not of the Controlling Class.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured

Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Secured Debt allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Secured Debt upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of Debt and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Debt to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of Secured Debt to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders of Secured Debt, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders of Secured Debt in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Debt has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.5 and 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Debt hereunder (including, without limitation, exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent bank of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be an Arranger, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(e) shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class X Notes or the Class A Debt in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class X Notes or the Class A Debt, as applicable, so delivered by such Holder (taking into account the Priority of Payments and Article XIII). Said Debt, in case the amounts payable on each such Class of Debt shall be less than the amount due on each such Class of Debt, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or

their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Debt, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, beneficial owners or Holders of the Debt, the Trustee and any other Secured Party may not, prior to the date which is one year (or, if longer, the applicable preference period) plus one day after the payment in full of all Debt, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(e) The Issuer, the Co-Issuer or any Tax Subsidiary, as applicable, shall, subject to the availability of funds therefor, timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, under the Bankruptcy Law or any other applicable law. The Petition Expenses incurred by the Issuer, the Co-Issuer and any Tax Subsidiary, as applicable, in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Debt intact (except as otherwise expressly permitted or required by Section 7.16(l), 10.8 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including Deferred Interest), and all amounts payable prior to payment of

principal on such Secured Debt (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination; or

(ii) (x) if the Event of Default occurred pursuant to clause (a) or clause (g) of Section 5.1, a Majority of the Controlling Class directs the sale and liquidation of all or any portion of the Assets; or (y) in all other cases, a Supermajority of each Class of Secured Debt (for which purpose if a Class of Debt has a Sub-class, the Sub-classes shall be deemed to be a single Class), other than the Class X Notes, voting separately directs the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Portfolio Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable under the Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holders of Debt. In such an event, the Trustee shall provide notice of liquidation to S&P (if S&P is a Rating Agency).

Prior to the sale of any Collateral Obligation in connection with Section 5.5(a) and in accordance with this Article V, the Trustee shall notify the Portfolio Manager of its intent to sell any Collateral Obligation in accordance with this Article V. Prior to the Trustee accepting any bid in respect of such a sale of a Collateral Obligation, the Portfolio Manager shall have the right, by giving notice to the Trustee within three hours after the Trustee has notified the Portfolio Manager of the bid proposed to be accepted by the Trustee, to submit (on its behalf or on behalf of funds or accounts managed by the Portfolio Manager) and the Trustee shall accept, a Firm Bid to purchase such Collateral Obligation on the same terms and conditions applicable to the potential purchaser.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, if requested by a Majority of the Controlling Class, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Portfolio Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not exist. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set

forth in Section 6.3(c). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Issuer's expense and for a commercially reasonable fee) and rely on an opinion of an Independent bank of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders, the Loan Agent and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) only at the direction of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Secured Deb. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Debt pursuant to this Article V following an acceleration of maturity of the Secured Debt pursuant to Section 5.2, and any Money that may then be held or thereafter received by the Trustee with respect to the Debt hereunder, shall be applied on each Post-Acceleration Payment Date in accordance with the Special Priority of Payments. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Debt shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, the Class A-RL Credit Agreement or the Debt, or for the appointment of a receiver or trustee, or for any other remedy hereunder or under the Class A-RL Credit Agreement, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Debt of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30 day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Debt of the same Class or to enforce any right under this Indenture or the Class A-RL Credit Agreement, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee receives conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Holders of Secured Debt to Receive Principal and Interest. Subject to Section 2.8(h), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture or the Class A-RL Credit Agreement, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt as such principal and interest becomes due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Section 5.4(d) and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Secured Debt still Outstanding shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy

hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Debt.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Debt secured thereby representing the requisite percentage of the Aggregate Outstanding Amount of Debt specified in Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Debt waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Debt (which may be waived with the consent of each Holder of such Secured Debt);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Debt materially and adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the Global Rating Agency Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Loan Agent, the Portfolio Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Debt by his acceptance thereof or its entry into the Class A-RL Credit Agreement shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Portfolio Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of redemption or prepayment, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshaling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Section 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provide as soon as reasonably practicable to the Holders, and

shall, upon direction of the Holders of Debt representing the requisite percentage of the Aggregate Outstanding Amount of Debt having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Portfolio Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Debt needs not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Portfolio Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Subordinated Notes and the Portfolio Manager, and the Holders of the Subordinated Notes shall be permitted to participate in any such public Sale to the extent permitted by applicable law and such Holders or the Portfolio Manager, as the case may be, meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Debt. The Trustee's right to seek and recover judgment on the Debt or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under

such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within five Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) Upon request, the Trustee will share with the Portfolio Manager and the Arrangers the identity of any Holder or beneficial owner in the Debt (unless any such Holder or beneficial owner in the Debt has instructed the Trustee otherwise).

(d) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(e) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Section 5.1(d), (e), (f), or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of such event is received by the Trustee at the Corporate Trust Office, and such notice references the Debt generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) The Trustee shall, upon reasonable (but no less than five Business Days') prior written notice to the Trustee, permit any representative of a Holder, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege, the Accountants' Effective Date Recalculation AUP Report or any other documents or correspondence delivered by the accountants appointed pursuant to Section 10.9) relating to the Debt, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Debt, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Debt.

(h) The Trustee is hereby authorized and directed to acknowledge the Retention Undertaking Letter. The Trustee shall have no obligation to monitor or verify whether a Retention Deficiency or ~~EU/UK~~ Retention Event has occurred or whether any of the ~~EU/UK~~ Retention Requirements have been satisfied or complied with.

Section 6.2 Notice of Default. As soon as reasonably practicable (and in no event later than two Business Days) after the occurrence of any Default or after any acceleration pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Portfolio Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent, all Holders and the Cayman Islands Stock Exchange (for so long as any Class of Securities is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require), of all Defaults, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Debt and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, monitor, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Portfolio Manager;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or the firm of Independent certified public accountants appointed pursuant to Section 10.9(a) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Debt generally, the Issuer, the Co-Issuer or this Indenture;

(m) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(n) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (including acts of God, strikes, lockouts, riots, acts of war or (to the extent beyond the Trustee's control) loss or malfunctions of utilities, computer (hardware or software) or communications services);

(o) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(q) to help fight the funding of terrorism and money laundering activities and/or achieve FATCA Compliance, the Trustee shall obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee shall ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(r) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Portfolio Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee) or any Authenticating Agent (other than the Trustee), any Clearing Corporation or any depository institution and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or the Portfolio Management Agreement, or to verify or independently determine the accuracy of information received by it from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral;

(s) neither the Trustee nor the Collateral Administrator shall have any obligation to determine: (a) if a Collateral Obligation meets the criteria specified in the definition thereof, (b) if the conditions specified in the definition of Deliver have been complied with or (c) if a Collateral Obligation is a Current Pay Obligation, Defaulted Obligation, Discount Obligation, Credit Improved Obligation or Credit Risk Obligation;

(t) in the event the Bank is also acting in the capacity of Registrar, Paying Agent, Authenticating Agent, Transfer Agent, Calculation Agent, the Loan Agent, Intermediary or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; provided, that such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in the Class A-RL Credit Agreement, the Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party;

(u) following the filing of an involuntary bankruptcy petition of the Issuer and until such time as the relevant bankruptcy court enters an order for relief permitting the bankruptcy case to proceed, the Trustee may withdraw funds from the Payment Account and pay or transfer such amounts as set forth in a Distribution Report, and will have no (i) liability for doing so notwithstanding its inability or failure to give effect to the intention of the Bankruptcy Subordination Agreement or (ii) obligation to recoup any amounts paid to any Holder or beneficial owner of a Bankruptcy Subordinated Class of Debt who receives any payment in contravention of the Bankruptcy Subordination Agreement;

(v) the Trustee shall have no duty to monitor or verify compliance with the U.S. Risk Retention Regulations or ~~EU/UK~~ Retention Requirements;

Without limiting the foregoing, any such Deposit Account Agreement shall include an acknowledgement that:

(i) such Deposit Account Agreement is being executed and delivered by the Bank, not individually or personally, but solely as Trustee under the Indenture and in the exercise of the powers and authority conferred and vested in it by the Indenture;

(ii) nothing in such Deposit Account Agreement shall be construed as creating any liability on the Bank, individually or personally, to perform any covenant either expressed or implied contained in such Deposit Account Agreement;

(iii) under no circumstances shall the Bank be personally liable for the payment of any indebtedness or expenses created by such Deposit Account Agreement or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by it pursuant to such Deposit Account Agreement; and

Section 6.4 Not Responsible for Recitals or Issuance of Securities. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Debt. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Debt or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not a Loan Agent Trustee, Paying Agent, Registrar or such other agent.

The Trustee shall be under no liability for interest on any Money received by it hereunder, except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation as set forth in a separate fee schedule dated on or near the Closing Date between the Trustee and the Portfolio Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager in writing;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any claim, loss, liability or expense

incurred without negligence, willful misconduct or bad faith on their part, and arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated thereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Payments but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination of the Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary until at least one year (or, if longer, the applicable preference period) plus one day after the payment in full of all Debt issued under this Indenture or incurred under the Class A-RL Credit Agreement.

(d) The foregoing shall not preclude, or be deemed to estop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa1(cr)" by Moody's (or, if Moody's has not assigned a counterparty risk assessment, a long-term senior unsecured debt rating of at least "Baa1") if Moody's is a Rating Agency, a long-term senior unsecured issuer credit rating of at least "BBB+" by S&P if S&P is a Rating Agency and a long-term rating of at least "A" and a short-term rating of at least "F1" by Fitch if Fitch is a Rating Agency, and having an office within the United

States (each, an "Eligible Institution"). If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be an Eligible Institution, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders and each Rating Agency not less than 60 days prior to such resignation.

(c) The Trustee may be removed at any time upon 30 days' prior written notice by Act of a Majority of each Class of Secured Debt voting separately or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be an Eligible Institution and shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(c)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) Upon the occurrence of any event specified in Section 6.9(b), (c) or (d), the Co-Issuers shall promptly appoint a successor trustee or trustees that is/are an Eligible Institution(s) by written instrument provided that (i) the Issuer has given ten days' prior written notice to the Holders of such appointment and (ii) a Majority of the Debt (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class) have not provided written notice to the Issuer objecting to such appointment. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation or removal,

the resigning or removed Trustee or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Portfolio Manager, the Holders of the Debt and each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to give such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture and as Collateral Administrator under the Collateral Administration Agreement.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall be an Eligible Institution and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Debt or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Securities has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.12 Co-Collateral Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Eligible Institutions to act as co-collateral trustee (with notice to the Rating Agencies), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such

other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-collateral trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-collateral trustee so appointed, more fully confirming to such co-collateral trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Issuer agrees to pay (but only from and to the extent of the Assets), to the extent funds are available therefor under the Priority of Payments, any reasonable fees and expenses in connection with such appointment.

Every co-collateral trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Securities shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-collateral trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-collateral trustee jointly as shall be provided in the instrument appointing such co-collateral trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-collateral trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-collateral trustee without the concurrence of the Co-Issuers. A successor to any co-collateral trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-collateral trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-collateral trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-collateral trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, subject to the provisions of clause (iv) of Section 6.1(d), take such action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Securities in connection with issuance, transfers and exchanges under Section 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Securities. For all purposes of this Indenture, the authentication of Securities by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Securities by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative

Expense under Section 11.1. The provisions of Section 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Debt to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee or any Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or any Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or any Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or any Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall, except as required by law, impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Debt.

Section 6.16 Representative for Holders of Secured Debt Only; Agent for each Hedge Counterparty and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as "representative" (as defined in Article 1 of the UCC) for the Holders of Secured Debt and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative for the Holders of Secured Debt and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a limited purpose national banking association with trust powers under the laws of the United States of America and has the power to conduct its business and affairs as a collateral trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of collateral trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the

legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is an Eligible Institution.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture or the Class A-RL Credit Agreement, nor the consummation of the transactions contemplated by this Indenture and the Class A-RL Credit Agreement, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18 Communication with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press release, posting to the applicable Rating Agency's website, or other means then considered industry standard. Evidence of satisfaction of the Moody's Rating Condition and the S&P Rating Condition with respect to its ratings of the Secured Debt may be in the form of an acknowledgment from Moody's and S&P, as applicable, that the ratings for each applicable Class of Secured Debt assigned by it that are displayed on its website have not changed from the rating of such Class displayed on its website prior to such event or circumstance that requires satisfaction of the Moody's Rating Condition or the S&P Rating Condition, as applicable.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Debt, in accordance with the terms of such Debt, this Indenture and the Class A-RL Credit Agreement pursuant to the Priority of Payments. The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Debt or this Indenture or the Class A-RL Credit Agreement. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Debt or this Indenture or the Class A-RL Credit Agreement.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Debt and as Transfer Agent for transfers of the Securities. Securities may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers have appointed Corporation Service Company, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Debt and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Debt may be presented and surrendered for payment; provided, further, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Debt to withholding tax in excess of any withholding tax that was imposed on such payments immediately before the appointment (other than any withholding tax imposed as a result of a failure to provide any tax forms and attachments thereto, and any withholding tax imposed pursuant to FATCA). The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Securities may be presented and surrendered for payment at the office designated by the Trustee, and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Money for Debt Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Debt that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent (and, in the case of the Class A-RL Loans, the Loan Agent) with respect to payments on the Debt.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Securities held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee in writing of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Debt with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee. So long as the Debt of any Class is rated by a Rating Agency, with respect to any Paying Agent, either (i) such Paying Agent has a long-term debt rating of "A" or higher by Fitch if Fitch is a Rating Agency, a long-term issuer credit rating of "A" or higher by S&P if S&P is a Rating Agency and a counterparty risk assessment of "A1(cr)" or higher by Moody's, or a short-term senior unsecured debt rating of "P-1" by Moody's if Moody's is a Rating Agency,"A-1" or higher by S&P if S&P is a Rating Agency and "F1" or higher by Fitch if Fitch is a Rating Agency or (ii) the Global Rating Agency Condition is satisfied. In the event that any Paying Agent ceases to have any such rating or counterparty risk assessment, as applicable, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Debt for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Debt in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Debt if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Securities) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Class A-RL Credit Agreement, the Debt or any of the Assets; provided, however, that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders and (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Portfolio Manager, and each Rating Agency.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, to the extent required by applicable law, holding regular meetings of the board of directors, members or other similar meetings) are

followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Declaration of Trust, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles of Association, the Administration Agreement, the AML Services Agreement or the Registered Office Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles of Association.

(c) Each of the Issuer and the Co-Issuer shall (i) maintain its books and records, its accounts and any financial statements separate those of any other entity, (ii) use separate stationery, invoices, and checks, (iii) maintain an arm's-length relationship with its Affiliates; (iv) pay its own liabilities out of its own funds, (v) maintain adequate capital in light of its contemplated business operations and (vi) hold itself out as a separate entity and correct any known misunderstanding concerning its separate existence.

Section 7.5 Protection of Assets. (a) The Issuer, or the Portfolio Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Portfolio Manager if within the Portfolio Manager's control under the Portfolio Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Secured Debt hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain or preserve the lien (and the priorities thereof) of this Indenture or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including any and all actions necessary or desirable as a result of changes in law or regulation);

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the respective rights therein of the Trustee and the Holders of the Secured Debt in such Assets and of the Trustee against the claims of all other Persons; or

(vi) pay any and all taxes levied or assessed upon all or any part of the Assets.

In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that lists as collateral therein "all assets" of the Issuer other than Excepted Property, or words of similar effect (regardless of whether any particular asset described in such financing statements falls within the granting clauses of this Indenture).

the continued effectiveness and perfection of such lien over the next five (5) year period (which opinion shall be subject to customary assumptions).

Section 7.7 Performance of Obligations. (a) The Co-Issuers shall not take any action, and, where applicable, will not consent to any action proposed to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and as otherwise required hereby.

(b) The Co-Issuers may contract with other Persons, including the Portfolio Manager, for the performance by such Persons of the Co-Issuers' obligations hereunder and under the Portfolio Management Agreement. Notwithstanding any such arrangement, the Co-Issuers shall remain primarily liable with respect thereto. therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or default under the Class A-RL Credit Agreement or, if such Default or default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture and the Class A-RL Credit Agreement or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person contemplated under this Indenture or transfer or convey all or substantially all of its assets (other than in a liquidation of the Assets) to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Debt issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received notice of such consolidation or merger and shall have distributed copies of such notice to each Rating Agency as soon as reasonably practicable and in any case no less than five days prior to such merger or consolidation, and the Trustee shall have received written confirmation from Moody's that the then-current ratings with respect to the Secured Debt then rated by Moody's shall not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee, and each Rating Agency, an Officer's

certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Debt, and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Debt; and in each case as to such other matters as the Trustee or any Holder may reasonably require; provided, that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to each Rating Agency, and the Merging Entity shall have delivered to the Trustee, the Loan Agent and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions in this Article VII relating to such transaction have been complied with and that such transaction will not (1) result in the Merging Entity or Successor Entity becoming subject to U.S. federal income taxation with respect to their net income, (2) result in the Merging Entity or Successor Entity being treated as being engaged in a trade or business within the United States for U.S. federal income tax purposes or (3) have a material adverse effect on the U.S. federal income tax treatment of the Issuer or the U.S. federal income tax consequences to the holders of any Class of Debt Outstanding at the time of issuance, as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations," unless the Holders agree by unanimous consent that no adverse U.S. federal income tax consequences will result therefrom to the Merging Entity, Successor Entity or holders of the Debt (as compared to the tax consequences of not effecting the transaction);

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock (other than the Subordinated Notes) of the Merging Entity (or, if applicable, the Successor Entity) will

not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Debt and from its obligations under this Indenture.

Section 7.12 No Other Business. From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Securities pursuant to this Indenture or loans incurred pursuant to the Class A-RL Credit Agreement and acquiring, owning, holding, selling, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith and entering into the Transaction Documents and other agreements specifically contemplated by this Indenture and shall not engage in any activity that would cause the Issuer to be subject to U.S. federal or state income tax on a net basis, and the Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Debt to be issued by it pursuant to this Indenture or incurred pursuant to the Class A-RL Credit Agreement and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer (x) shall not amend, or permit the amendment of, the Memorandum and Articles of Association of the Issuer and the certificate of formation and the limited liability company agreement of the Co-Issuer, respectively without (a) satisfaction of the Moody's Rating Condition and (b) providing a copy of the proposed amendment to S&P (for so long as S&P is a Rating Agency) and (y) shall provide copies of any executed amendment to each Rating Agency. The Issuer shall not engage in any securities lending.

Section 7.13 Annual Rating Review. (a) So long as any of the Secured Debt of any Class remains Outstanding, on or before March 31st in each year, commencing in 2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Debt from Moody's (if Moody's is a Rating Agency); provided that the timeframe for the annual ratings review by Moody's may be determined by Moody's (as notified to the Portfolio Manager and the Trustee). The Applicable Issuers shall promptly notify the Trustee, the Loan Agent and the Portfolio Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time they have knowledge that the rating of any such Class of Secured Debt has been or will be changed or withdrawn.

(b) So long as any of the Secured Debt is rated by Moody's and any Collateral Obligation has a Moody's Rating or a Moody's Default Probability Rating based on a

credit estimate the Issuer will obtain (and pay for) from Moody's written confirmation of, or an update to, the credit estimate with respect to such Collateral Obligation (x) annually or (y) if sooner, following any material deterioration in the creditworthiness of the related obligor or a material amendment to the related Underlying Instruments of a Collateral Obligation that has an estimated rating, as determined by the Portfolio Manager in its reasonable business judgment.

(c) So long as any of the Secured Debt is rated by S&P and any Collateral Obligation has a S&P Rating based on a credit estimate, the Issuer will (i) obtain (and pay for) from S&P written confirmation of, or an update to, the credit estimate with respect to such Collateral Obligation (x) annually or (y) if sooner, following any material deterioration in the creditworthiness of the related obligor or a material amendment to the related Underlying Instruments of a Collateral Obligation that has an estimated rating, as determined by the Portfolio Manager in its reasonable business judgment; (ii) promptly notify S&P of any material events affecting any such Collateral Obligation if the Portfolio Manager reasonably determines that such notice is required in accordance with S&P's published criteria for credit estimates titled "Credit FAQ: Anatomy of a Credit Estimate: What It Means And How We Do It" dated January 14, 2021 (as the same may be amended or updated from time to time); and (iii) with respect to Collateral Obligations whose S&P Rating is deemed to be "CCC-" under clause (c) (ii) of Schedule 6 hereto, the Issuer will, at the direction of the Portfolio Manager, notify S&P of any amortization, modifications, extensions of maturity, reductions of the principal amount owed, nonpayment of interest or principal due and payable, or any modification, variance, or event that would, in the reasonable business judgment of the Portfolio Manager, have a material adverse impact on the value of such Collateral Obligation.

(d) So long as any Debt is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, upon receipt of such notice, the Trustee, in the name of and at the expense of the Co-Issuers, shall notify the Cayman Islands Stock Exchange of any reduction or withdrawal in the rating of the Debt, if any such listed Debt is affected thereby.

Section 7.14 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3 2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of Debt, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Debt designated by such Holder or beneficial owner, or to the Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Debt with Rule 144A under the Securities Act in connection with the resale of such Debt by such Holder or beneficial owner of such Debt, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Debt remains Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the then-current Benchmark in accordance

with the definition thereof or, if the Benchmark is changed from the then-current Benchmark to a Fallback Rate, to calculate the Fallback Rate (in accordance with the definition thereof and any Benchmark Replacement Conforming Changes) (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed. In addition, for so long as any Debt is listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement Calculation Agent shall be sent to the Cayman Islands Stock Exchange.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, for so long as the Interest Rate for any Class of Secured Debt uses an index that is the same as the then-current Benchmark, as soon as possible after 5:00 p.m. Chicago time on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Interest Rate for each Class of Floating Rate Debt for the next Interest Accrual Period (or portion thereof) and the Debt Interest Amount for each Class of Secured Debt (in each case, rounded to the nearest cent, with half a cent being rounded upward) for the next such period, on the related Payment Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, Euroclear and Clearstream and, so long as any of the Floating Rate Debt is listed thereon, the Cayman Islands Stock Exchange. In the latter case, the Calculation Agent shall cause such information to be provided in accordance with the guidelines of the Cayman Islands Stock Exchange as soon as possible after its determination. In any event the Calculation Agent shall notify the Co-Issuers before 5:00 p.m. New York time on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Debt Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or portion thereof) shall (in the absence of manifest error) be final and binding upon all parties.

(c) The Calculation Agent shall have no (i) responsibility or liability for the selection or determination of a Fallback Rate as a successor or replacement base rate to the then-current Benchmark and shall be entitled to rely upon any designation of such a rate by the Portfolio Manager and (ii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of the then-current Benchmark.

Section 7.16 Tax Matters. (a) The Issuer agrees, and each Holder or beneficial owner of Debt, by acceptance of such Debt or an interest in such Debt, shall be deemed to have agreed, to treat, and will treat the Secured Debt as debt and the Subordinated Notes as equity for U.S. federal income tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority; it being understood that the Issuer (or its agents) may provide the information described in Section 7.16(b) to a Holder of a Class E Note or a Class F

Note and such Holder or beneficial owner may make a protective QEF election with respect to such Notes.

(b) Upon the written request (but in no event earlier than March 31 of each calendar year) of a Holder of Class E Notes, Class F Notes or Subordinated Notes (or a Person certifying that it is an owner of a beneficial interest in the Class E Notes, Class F Notes or Subordinated Notes), the Issuer will (or will cause its Independent accountants to), to the extent it can reasonably gather such information, provide to such Holder or beneficial owner (at the expense of such Holder except with respect to information provided to a Holder of Subordinated Notes) (i) all information that a U.S. shareholder making a "qualified electing fund" ("QEF") election (as defined in the Code) (or a protective QEF election) is required to obtain for U.S. federal income tax purposes or all information required to comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at the Holder's expense, in the discretion of the Issuer or the Issuer's accountants), and (ii) a "PFIC Annual Information Statement" as described in U.S. Treasury regulations section 1.1295-1 (or any successor U.S. Treasury regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of (other than providing identifying information of other Holders or beneficial owners), the owner of a beneficial interest in such Notes. Upon request by the Independent accountants, the Registrar shall provide to the Independent accountants information contained in the Register and requested by the Independent accountants to comply with this Section 7.16(b).

(c) The Issuer has not and will not elect to be treated other than as a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local tax purposes.

(d) The Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof except with respect to a Tax Subsidiary unless it shall have obtained an Opinion of Counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return; provided, that the execution of an agreement with the IRS and the filing of any information or other return in connection with FATCA Compliance shall not be a violation of this Section 7.16(d).

(e) The Issuer will (or will cause its Independent accountants to), to the extent it can reasonably gather such information, provide, upon written request of a Holder or beneficial owner of Subordinated Notes (or any other Class of Notes that is required to be treated as equity for U.S. federal income tax purposes), any information (other than identifying information of other Holders or beneficial owners) that such Holder or beneficial owner reasonably requests to assist such Holder or beneficial owner with regard to any filing requirements the Holder or beneficial owner may have as a result of the controlled foreign corporation rules under the Code. By accepting such information, such Holder or beneficial owner will be deemed to have agreed that such information will be used for no other purpose,

other than as required by law, including to satisfy any other reporting or filing requirements required by such Holder or beneficial owner.

(f) Upon the Trustee's receipt of a written request of a Holder of a Note or a Person certifying that it is an owner of a beneficial interest in a Note for the information described in U.S. Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Note, the Trustee shall notify the Issuer of such request and the Issuer will cause its Independent accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such Note all of such information.

(g) The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for FATCA Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer to enable FATCA Compliance, and any other action that the Issuer would be permitted to take under this Indenture necessary for FATCA Compliance. The Issuer shall provide any certification or documentation (including the applicable IRS Form W-8 or any successor form) to any payor (as defined in FATCA) from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax or to ensure FATCA Compliance.

(h) If the Issuer is aware that it has purchased an interest in, or otherwise participated in, a "reportable transaction" within the meaning of Section 6011 of the Code, then the Issuer shall use reasonable efforts to provide, or cause its Independent accountants to provide, to each U.S. Holder of a Subordinated Note (or any other Class of Notes that is required to be treated as equity for U.S. federal income tax purposes) such information the Issuer has reasonably available that is required to be obtained by each such Holder under the Code.

(i) Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Portfolio Manager or any agent thereof any information specified by such parties regarding the Holders of the Debt and payments on the Debt that is reasonably available to the Trustee or the Registrar, as the case may be, and may reasonably be necessary for the Issuer (as determined by the Issuer or the Portfolio Manager) and any non-U.S. Tax Subsidiary to achieve FATCA Compliance, subject to confidentiality provisions. Neither the Trustee nor the Registrar will have any liability for any disclosure under this Section 7.16(i) or the accuracy of any information provided.

(j) The Issuer shall not (i) become the owner of any asset (A) that is treated as an equity interest in an entity that is treated as a partnership or other fiscally transparent entity for U.S. federal income tax purposes if such entity is, or will be, engaged in a trade or business within the United States for U.S. federal income tax purposes or owns, or will own, any "United States real property interests" within the meaning of Section 897(c)(1) of the Code ("USRPIs"), (B) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under Section 897 or Section 1445, respectively, of the Code or (C) if the acquisition, ownership or disposition of such asset would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) engage in any activity that would cause the Issuer to be subject to net income tax in any jurisdiction outside

of the Issuer's jurisdiction of incorporation. Notwithstanding the foregoing, the Issuer may acquire equity interests in a Tax Subsidiary that are USRPIs if the Issuer does not dispose of stock in the Tax Subsidiary, and the Tax Subsidiary does not make any distributions to the Issuer that give rise to capital gain, in each case while equity interests in the Tax Subsidiary remain USRPIs. In furtherance and not in limitation of the foregoing, the Issuer shall comply with the Operating Guidelines.

(k) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Tax Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Tax Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, and 1472, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Tax Subsidiary may withhold any amount that it or any adviser retained or by the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Tax Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax. Upon written request, the Trustee, the paying agent and the Registrar shall provide to the Issuer, the Portfolio Manager, or any agent thereof any information specified by such parties regarding the Holders of the Debt and payments on the Debt that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, and may be necessary for the Issuer and any non-U.S. Tax Subsidiary to comply with FATCA. The Issuer will take such commercially reasonable actions, consistent with law and its obligations under this Indenture, as are necessary to achieve compliance with ~~U.S.~~ FATCA, it being understood that the Issuer would be considered to have taken such commercially reasonable actions in respect of ~~U.S.~~ FATCA if the Issuer would have achieved compliance with ~~U.S.~~ FATCA but for it being a member of an "expanded affiliated group" and one or more members of such group (other than the Issuer and any non-U.S. Tax Subsidiary or any other member of such group that is managed by the Portfolio Manager) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any U.S. Treasury regulations promulgated thereunder not being either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of U.S. Treasury regulations section 1.1471-4(e) or any successor provision.

(l) The Issuer may, prior to the receipt of a Tax Subsidiary Asset, (w) subject to Section 7.8 and 12.1, sell or otherwise dispose of all or a portion of the Collateral Obligation with respect to which such Tax Subsidiary Asset will be received in accordance with the provisions of this Indenture, (x) set up one or more wholly-owned special purpose vehicles (including tiered wholly-owned special purpose vehicles) (with notice to each Rating Agency) of the Issuer that is treated as a corporation for U.S. federal income tax purposes (each, a "Tax Subsidiary") to receive and hold any such Collateral Obligation or (y) cause an existing Tax Subsidiary to receive and hold such Collateral Obligation. Each Tax Subsidiary must at all times (i) have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Tax Subsidiary's organizational documents and (ii) comply with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Tax Subsidiary to be restricted solely to the acquisition, receipt, holding and disposition of the

Tax Subsidiary Assets, and the Issuer shall cause the Tax Subsidiary to distribute, or cause to be distributed, the proceeds of Tax Subsidiary Assets, net of any tax liabilities, to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager. Tax Subsidiaries may not have any subsidiaries or employees. No supplemental indenture pursuant to Section 8.1 or 8.2 shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up a Tax Subsidiary. In connection with the formation of any Tax Subsidiary:

(i) the Issuer shall ensure that such Tax Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Tax Subsidiary Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(ii) the Tax Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. federal income tax purposes;

(iii) the Issuer shall ensure that such Tax Subsidiary shall not incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons or acquire or hold any title to or controlling interest in real property; provided that notwithstanding the foregoing, the Issuer may transfer a Collateral Obligation to a Tax Subsidiary before the Tax Subsidiary undertakes to work out such Collateral Obligation or forecloses on the assets securing such Collateral Obligation;

(iv) the Issuer shall ensure that such Tax Subsidiary shall not conduct business under any name other than its own;

(v) the constitutive documents of such Tax Subsidiary shall provide that recourse with respect to costs, expenses or other liabilities of such Tax Subsidiary shall be solely to the assets of such Tax Subsidiary and no creditor of such Tax Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law;

(vi) the Issuer shall ensure that such Tax Subsidiary shall file all tax returns and reports required to be filed by it and to pay all material taxes required to be paid by it;

(vii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Tax Subsidiary;

(viii) the Issuer shall ensure that such Tax Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Tax Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted to contribute to a Tax Subsidiary from time to time any Collateral Obligation that is expected to be converted into, or

to distribute, a Tax Subsidiary Asset, and to take any actions and enter into any agreements, including any transfer with respect to the Collateral Obligation, to effect the transfer of such Tax Subsidiary Asset to a Tax Subsidiary;

(x) the Issuer shall keep in full effect the existence, rights and franchises of each Tax Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Tax Subsidiary Assets held from time to time by the related Tax Subsidiary. In addition, the Issuer and each Tax Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Tax Subsidiary upon the sale of the final Tax Subsidiary Asset and all other assets held therein or upon the advice of counsel;

(xi) with respect to any Tax Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Tax Subsidiary Assets and related assets are held by the Tax Subsidiary, shall refer directly and solely to the related Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

(xii) the Issuer, the Co-Issuer, the Portfolio Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year (or, if longer, the applicable preference period) plus one day after the payment in full of all the Securities issued under this Indenture; provided, that the foregoing shall not preclude, or be deemed to estop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding;

(xiii) in connection with the organization of any Tax Subsidiary and the contribution of any Tax Subsidiary Assets to such Tax Subsidiary pursuant to Section 7.16(l), such Tax Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, that is an Eligible Account to hold the Tax Subsidiary Assets and any proceeds thereof pursuant to a custody agreement; provided, however, that (i) a Tax Subsidiary Asset or any other asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Tax Subsidiary Asset or any other asset and (ii) the Issuer may pledge a Tax Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xiv) the Issuer shall cause the Tax Subsidiary to distribute, or cause to be distributed, the proceeds of Tax Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to

the Issuer shall be deposited into the Collection Account); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full;

(xv) notwithstanding the complete and absolute transfer of a Tax Subsidiary Asset to a Tax Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test and Coverage Tests, the ownership interests of the Issuer in a Tax Subsidiary or any property distributed to the Issuer by a Tax Subsidiary (other than Cash) shall be treated as ownership of the Tax Subsidiary Asset that was transferred to such Tax Subsidiary (and shall be treated as having the same characteristics as such Tax Subsidiary Asset). If, prior to its transfer to a Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Tax Subsidiary shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by such Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer; and

(xvii) if (A) any Event of Default occurs, the Secured Debt has been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any mandatory redemption, Optional Redemption or other prepayment in full or repayment in full of all Debt Outstanding occurs and such notice is not capable of being rescinded, (C) notice is given that final payment in connection with the Stated Maturity will occur within 30 days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Collateral, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall instruct each Tax Subsidiary to sell each Tax Subsidiary Asset held by such Tax Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer.

(m) If required to prevent the withholding or imposition of U.S. income tax, the Issuer shall deliver or cause to be delivered IRS Form W-8BEN-E (or any successor form) to each issuer or obligor of an Asset at the time such Asset is purchased by the Issuer, anytime thereafter when reasonably requested by such issuer or obligor and prior to the obsolescence or expiration of such form.

(n) Upon a Re-Pricing or a change in the Benchmark, the Issuer will cause its Independent accountants to comply with any requirements under U.S. Treasury regulation section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether the Debt of the Re-Priced Class or Debt replacing the Re-Priced Class (or any Debt subject to a change in the Benchmark, as applicable) are traded on an established market and (ii) if so traded, to determine the fair market value of such Debt and to make available such fair market value determination to holders in a commercially reasonable fashion, including by

electronic publication, within 90 days of the date that the Re-Priced Class (or Debt subject to a change in the Benchmark) is issued.

Section 7.17 Ramp-Up Period; Purchase of Additional Collateral Obligations. (a) The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the Effective Date.

(b) During the Ramp-Up Period, the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation from, first, any Principal Proceeds on deposit in the Collection Account, and second, any amounts on deposit in the Ramp-Up Account and (ii) to pay for accrued interest on any such Collateral Obligation from, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer shall use its commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, as of the Effective Date, the Effective Date Tested Items.

(c) Within 15 Business Days after the Effective Date (but in any event, not later than 10 days prior to the Determination Date relating to the second Payment Date after the Closing Date), (i) the Issuer shall provide, or (at the Issuer's expense) cause the Portfolio Manager or the Collateral Administrator to provide, to each Rating Agency a report identifying the Collateral Obligations; (ii) the Issuer shall cause the Collateral Administrator to compile and make available to each Rating Agency a report (the "Effective Date Report"), determined as of the Effective Date, containing the following items: (A) the information specified in Section 10.7(a) and (B) a calculation showing whether the Aggregate Ramp-Up Par Condition is satisfied and (iii) the Issuer shall cause its accountants appointed pursuant to Section 10.9 to provide to the Trustee a report that applies agreed-upon procedures and specifies the procedures applied recalculating and comparing the following items in the Effective Date Report: (1) with respect to each Collateral Obligation, by reference to such sources as shall be specified therein, the issuer name, coupon/spread, maturity date, principal balance, Moody's Default Probability Rating and Moody's Rating (if Moody's is a Rating Agency), the Fitch Rating (if Fitch is a Rating Agency) and the S&P Rating (if S&P is a Rating Agency) (the "Accountants' Effective Date Comparison AUP Report"), (2) as of the Effective Date, each of the Effective Date Tested Items and (3) whether the Aggregate Ramp-Up Par Condition is satisfied (items (2) and (3) of this clause together, the "Accountants' Effective Date Recalculation AUP Report") and (iv) if S&P is a Rating Agency, the Issuer shall provide, or cause the Portfolio Manager to provide, to S&P the S&P Excel Default Model Input File. Copies of such accountants' report will not be provided to the Rating Agencies, except that in accordance with SEC Release No. 34 72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E on the 17g-5 Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including the Rating Agencies.

(d) If Moody's is a Rating Agency and the Effective Date Moody's Condition is not satisfied, the Issuer (or the Portfolio Manager on its behalf) shall request that Moody's confirm the Initial Rating of each Class of the Secured Debt that it rated. If S&P is a

Rating Agency and the Effective Date S&P Rating Condition is not satisfied, the Issuer (or the Portfolio Manager on its behalf) shall request that S&P confirm the Initial Rating of each Class of the Secured Debt that it rated.

If, by the second Payment Date after the Closing Date, either (i) if Moody's is a Rating Agency (A) the Effective Date Moody's Condition has not been satisfied and (B) Moody's has not provided confirmation of its Initial Ratings (a "Moody's Ramp-Up Failure") or (ii) if S&P is a Rating Agency (A) the Effective Date S&P Rating Condition has not been satisfied and (2) S&P has not provided confirmation of its Initial Ratings (an "S&P Rating Confirmation Failure"), an Effective Date Ratings Confirmation Failure will have occurred. In that case, the Portfolio Manager, on behalf of the Issuer, shall designate and instruct the Trustee in writing to designate amounts in the Collection Account as Principal Proceeds and/or transfer amounts in the Ramp-Up Account as Principal Proceeds to the Collection Account (and with such funds the Issuer shall purchase additional Collateral Obligations or make payments on the Secured Debt) in an amount sufficient to obtain Effective Date Ratings Confirmation from the relevant Rating Agency. In the alternative, the Portfolio Manager on behalf of the Issuer may take such other action, including but not limited to, a Special Redemption and/or designating amounts in the Collection Account or the Ramp-Up Account as Principal Proceeds (for use in a Special Redemption), sufficient to obtain Effective Date Ratings Confirmation from the relevant Rating Agency. If an Effective Date Ratings Confirmation Failure occurs, the Issuer shall provide, or (at the Issuer's expense) cause the Portfolio Manager or the Collateral Administrator to provide, subject to Section 14.16, notice thereof to the other Rating Agencies.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.17 shall not constitute an Event of Default unless such failure would otherwise constitute an Event of Default under Section 5.1(e). The proceeds of the issuance of the Debt which is not applied to pay for the purchase of Collateral Obligations purchased by the Issuer on or before the Closing Date (including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the Closing Date) or to pay or reserve for applicable fees and expenses will be deposited in the Ramp-Up Account on the Closing Date. At the written direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations during the Ramp-Up Period as described in clause (b) above. If as of the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(f) Asset Quality Matrix. On or prior to the First Refinancing Date, the Portfolio Manager shall determine which "row/column combination" of the Asset Quality Matrix shall apply on and after the First Refinancing Date to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Moody's Maximum Rating Factor Test and the Minimum Floating Spread Test. Thereafter, at any time on written notice to the Trustee and the Collateral Administrator, the Portfolio Manager may elect a different "row/column combination" of the Asset Quality Matrix; provided, that if: (i) the Collateral Obligations are currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change; or (ii) the Collateral Obligations are not currently in compliance with the Asset Quality Matrix case then applicable to

the Collateral Obligations or would not be in compliance with any other Asset Quality Matrix case, the Collateral Obligations need not comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change so long as none of the Moody's Diversity Test, the Moody's Maximum Rating Factor Test and the Minimum Floating Spread Test is further out of compliance with the different "row/column combination" than it was prior to the change. If the Portfolio Manager does not notify the Trustee and the Collateral Administrator that it will alter the "row/column combination" of the Asset Quality Matrix chosen on the First Refinancing Date in the manner set forth above, the "row/column combination" of the Asset Quality Matrix chosen on the First Refinancing Date shall continue to apply. Notwithstanding the foregoing, the Portfolio Manager may elect at any time after the First Refinancing Date, in lieu of selecting a "row/column combination" of the Asset Quality Matrix (but otherwise in compliance with the requirements of the third sentence of this Section 7.17(f)) to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points. This Section 7.17(f) shall only be applicable if Moody's is a Rating Agency.

(g) S&P Weighted Average Recovery Rate. If S&P is a Rating Agency, on or prior to the First Refinancing Date if the Portfolio Manager has designated a S&P CDO Model Election Date, the Portfolio Manager shall elect the S&P Weighted Average Spread and the S&P Weighted Average Recovery Rate case that shall on and after the First Refinancing Date apply to the Collateral Obligations for purposes of determining compliance with the S&P CDO Monitor Test and the S&P Minimum Weighted Average Recovery Rate Test, and if such S&P Weighted Average Spread and/or S&P Weighted Average Recovery Rate differs from the S&P Weighted Average Spread and/or the S&P Weighted Average Recovery Rate chosen to apply as of the First Refinancing Date (if the Portfolio Manager has designated a S&P CDO Model Election Date), the Portfolio Manager will so notify the Trustee and the Collateral Administrator. Thereafter, at any time during any S&P CDO Model Election Period on written notice to the Trustee, the Collateral Administrator and S&P (in the case of delivery to S&P, via e-mail to CDO Monitor@spglobal.com), the Portfolio Manager may elect a different S&P Weighted Average Spread and/or S&P Weighted Average Recovery Rate to apply to the Collateral Obligations; provided that if: (i) the Collateral Obligations are currently in compliance with the S&P Weighted Average Recovery Rate case then applicable to the Collateral Obligations, the Collateral Obligations comply with the S&P Weighted Average Recovery Rate case and/or S&P Weighted Average Spread to which the Portfolio Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the S&P Weighted Average Recovery Rate case and/or S&P Weighted Average Spread then applicable to the Collateral Obligations and would not be in compliance with any other S&P Weighted Average Recovery Rate case and/or S&P Weighted Average Spread, as applicable, the Portfolio Manager may select a different S&P Weighted Average Recovery Rate and/or S&P Weighted Average Spread, as applicable, under Section 2 of Schedule 7 as long as the S&P Weighted Average Recovery Rate and/or S&P Weighted Average Spread chosen is not further out of compliance with the S&P CDO Monitor Test. If the Portfolio Manager does not notify the Trustee and the Collateral Administrator that it will alter the S&P Weighted Average Recovery Rate chosen on or prior to the First Refinancing Date in the manner set forth above, the S&P Weighted Average Recovery Rate chosen on or prior to the First Refinancing Date shall continue to apply. For the avoidance of doubt, the provisions of this Section 7.17(g) shall only be applicable if S&P is a Rating

Agency. For the avoidance of doubt, the Effective Date S&P Rating Condition is not applicable on or after the First Refinancing Date.

Section 7.18 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets:

(i) This Indenture creates valid and continuing security interests (as defined in the applicable Uniform Commercial Code) in the Assets in favor of the Trustee for the benefit of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances and is enforceable as such as against creditors of and purchasers from the Issuer, except as otherwise permitted under this Indenture.

(ii) The Issuer owns the Assets free and clear of any lien, claim or encumbrance of any Person, other than the security interests created or permitted under this Indenture.

(iii) The Issuer has received all consents and approvals required by the terms of any item of Assets to the transfer to the Trustee of its interest and rights in the Assets hereunder.

(iv) All Assets other than the Accounts has been credited to one or more Accounts (other than any "general intangibles" within the meaning of the applicable Uniform Commercial Code, any instruments evidencing debt underlying a participation held by a collateral agent).

(v) The Securities Intermediary for each Account has agreed to treat all assets credited to each Account as "financial assets" within the meaning of the applicable Uniform Commercial Code.

(vi) The Issuer has taken all steps necessary to cause the Securities Intermediary to identify in its records the Trustee as the Entitlement Holder of each of the Accounts. The Accounts are not in the name of any person other than the Trustee. The Issuer has not consented for the Securities Intermediary of any Account to comply with the Entitlement Order of any Person other than the Trustee.

(vii) None of the promissory notes that constitute or evidence the Assets have any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than to the Trustee.

(viii) The Issuer has caused or will have caused, within ten days of the Closing Date, the filing of all appropriate Financing Statements in the proper filing offices in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Trustee hereunder.

(ix) Other than as expressly permitted under this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any

of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer other than any Financing Statement relating to the security interest granted to the Trustee under this Indenture (or any such Financing Statement has been terminated on or before the Closing Date). The Issuer is not aware of any judgment, tax lien filing or Pension Benefit Guaranty Corporation lien filing against the Issuer.

(b) The Issuer agrees to promptly provide notice to the Rating Agencies, with a copy to the Portfolio Manager, if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.18 and shall not waive any of the representations and warranties in this Section 7.18 or any breach thereof.

Section 7.19 Acknowledgement of Portfolio Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Portfolio Manager to take certain actions on their behalf in order to comply with such covenants, the Portfolio Manager shall only be required to perform such actions in accordance with the standard of care set forth in the Portfolio Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of GLM II, LP, acting by the General Partner, no longer being the Portfolio Manager). The Co-Issuers further acknowledge and agree that the Portfolio Manager shall have no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Portfolio Manager has actual knowledge of such breach.

Section 7.20 Maintenance of Listing. So long as any Listed Securities remain Outstanding, the Co-Issuers shall use all reasonable efforts to maintain the listing of such Securities on the Cayman Islands Stock Exchange.

Section 7.21 Section 3(c)(7) Procedures. In addition to the notices required to be given under Section 10.6, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (provided that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) The Issuer shall, or shall cause its agent to request of DTC, and cooperate with DTC to ensure, that (i) DTC's security description and delivery order include a "3(c)(7) marker" and that DTC's reference directory contains an accurate description of the restrictions on the holding and transfer of the Securities due to the Issuer's reliance on the exception to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) DTC send to its participants in connection with the initial offering of the Securities, a notice that the Issuer is relying on Section 3(c)(7) and (iii) DTC's reference directory include each Class of Securities (and the applicable CUSIP numbers for the Securities) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Securities.

(b) The Issuer shall, or shall cause its agent to, (i) ensure that all CUSIP numbers identifying the Securities shall have a "fixed field" attached thereto that contains

"3c7" and "144A" indicators and (ii) take steps to cause the Arrangers to require that all "confirms" of trades of the Securities contain CUSIP numbers with such "fixed field" identifiers.

(c) The Issuer shall, or shall cause its agent to, cause the Bloomberg screen or screens containing information about the Securities to include the following language: (i) the "Note Box" on the bottom of "Security Display" page describing the Securities shall state: "Iss'd Under 144A/3(c)(7)," (ii) the "Security Display" page shall have the flashing red indicator "See Other Available Information," and (iii) the indicator shall link to the "Additional Security Information" page, which shall state that the securities "are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act") to Persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) under the Investment Company Act of 1940)." The Issuer shall use commercially reasonable efforts to cause any other third-party vendor screens containing information about the Securities to include substantially similar language to clauses (i) through (iii) above.

Section 7.22 OFAC.

(b) Each of the Portfolio Manager and the Issuer covenants and represents that neither they nor any of their affiliates, subsidiaries, directors or officers will use any payments made pursuant to this Indenture or any other Transaction Document, (i) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (iii) in any other manner that will result in a violation of Sanctions by any person.

(xii) to enter into any additional agreements not expressly prohibited by this Indenture as well as any agreement, amendment, modification or waiver thereof if the Issuer determines that such agreement, amendment, modification or waiver would not, upon or after becoming effective, materially and adversely affect the rights or interest of any Class of Debt;

(xxii) to accommodate the settlement of the Securities in book-entry form through the facilities of DTC or otherwise;

(xxiii) to modify and amend the terms and provisions of the Indenture if any statute, rule or regulation is enacted or promulgated or the IRS issues any notice or announcement that affects the U.S. federal income tax treatment of the income or gain related to the Senior Management Fee, the Subordinated Management Fee or the Incentive Management Fee ("Change in Tax Treatment"), so that the Portfolio Manager (and its members) are in the same after-tax position as each would have been had such Change in Tax Treatment not been enacted, promulgated or issued so long as such modification or amendment does not materially and adversely affect the rights or interest of any Class of Debt;

(xxiv) to authorize the appointment of any listing agent, transfer agent, paying agent or additional registrar for any Class of Securities required or advisable in connection with the listing of any Class of Securities on any stock exchange, and otherwise to amend the Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, transfer agent, paying agent or additional registrar for any Class of Debt in connection herewith;

(xxvi) to take any action necessary or advisable to implement the Bankruptcy Subordination Agreement; or (A) issue new certificates or divide a Bankruptcy Subordinated Class into one or more sub-classes of Debt, in each case with new identifiers (including CUSIPs, ISINs and Common Codes, as applicable); provided that any certificate or sub-class of Debt of a Bankruptcy Subordinated Class issued pursuant to this clause will be issued on identical terms (other than with respect to payment rights being modified pursuant to the Bankruptcy Subordination Agreement) with the existing Debt of such Bankruptcy Subordinated Class and (B) provide for procedures under which beneficial owners of Debt of such Bankruptcy Subordinated Class that are subject to the Bankruptcy Subordination Agreement will receive an interest in such new certificate or sub-class;

(xxvii) to amend, modify or otherwise accommodate changes to the Indenture to (A) allow the Issuer to comply with any law, rule or regulation enacted by the U.S. federal government or any other state or foreign government or regulatory agency thereof that are applicable to the Debt or the transactions contemplated by the Indenture (including, without limitation, the Dodd-Frank Act, as amended (including with respect to commodity pool rules)); provided that the written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes has been obtained for any such supplemental indenture or (B) (1) cause the Issuer not to be a "covered fund" under the Volcker Rule, (2) cause the Debt (or any of them) not to be "ownership interests" in a covered fund for purposes of the Volcker Rule or (3) cause the ownership of the Secured Debt to be otherwise exempt from the Volcker Rule;

At the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than 15 Business Days (or five (5) Business Days, if in connection or conjunction with an issuance of additional Debt, a Refinancing, a Re-Pricing or a change in the Benchmark) prior

to the execution of any proposed supplemental indenture pursuant to this Section 8.1, the Trustee shall provide to each Rating Agency and, in the case of any proposed supplemental indenture pursuant to clause (ix), (x), (xii), (xvi), (xvii), (xviii), (xxi), (xxv), or (xxvii) of this Section 8.1, the Holders a copy of such proposed supplemental indenture.

In connection with a Re-Pricing effected in accordance with Section 9.7, the Trustee and the Co-Issuers may enter into one or more supplemental indentures to reflect the Re-Pricing Rate applicable to each Re-Priced Class and to reflect any necessary changes to the definitions of Non-Call Period or Redemption Price to be made pursuant to Section 9.7, in each case, without further notice to or consent of the Holder of any Debt other than a Majority of the Subordinated Notes pursuant to Section 9.7(g) and without further notice to any Rating Agency.

In connection with a Partial Redemption by Refinancing effected in accordance with the Indenture, the Trustee and the Co-Issuers may enter into one or more supplemental indentures to reflect any necessary changes to the definition of "Non-Call Period" or "Redemption Price" to be made pursuant to Section 9.3(b)(I) or (II), in each case, without further notice to or consent of the Holder of any Debt other than a Majority of the Subordinated Notes pursuant to Section 9.3(b) and without further notice to any Rating Agency.

A supplemental indenture entered into for any purpose other than the purposes provided for in this Section 8.1 shall require the consent of the Holders of Debt as required in Section 8.2.

Section 8.2 Supplemental Indentures with Consent of Holders. (a) Other than in a Reset Amendment, with the consent of a Majority of each Class of Debt materially and adversely affected thereby (voting separately), the Trustee and the Co-Issuers may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Debt of such Class under this Indenture; provided, however, that, no such supplemental indenture pursuant to this Section 8.2(a) shall, without the consent of each Holder of each Outstanding Debt of each Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Debt, reduce the principal amount thereof or the rate of interest thereon (except as provided in Section 9.7 or to change the Benchmark) or the Redemption Price with respect to any Debt (except as provided in Section 9.3, 9.7 or to change the Benchmark), or change the earliest date on which Debt of any Class may be redeemed or, in the case of the Class A-RL Loans, prepaid, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Debt, application of proceeds of any distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Subordinated Notes or Secured Debt or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption or, in the case of the Class A-RL Loans, prepayment, on or after the applicable Redemption Date);

(ii) change the percentage of the Aggregate Outstanding Amount of Holders of Debt of each Class whose consent is required under this Indenture,

including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) impair or adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Debt of the security afforded by the lien of this Indenture; provided that this clause shall not apply to any supplemental indenture amending the restrictions on the sales of Collateral Obligations set forth in this Indenture which is otherwise permitted pursuant to Section 8.1 or Section 8.2;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Debt the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder of Debt of a Class materially and adversely affected thereby;

(vi) modify the definitions of the terms Outstanding, Class, Controlling Class, Majority or Supermajority;

(vii) modify the Priority of Payments;

(viii) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers or any Tax Subsidiary;

(ix) modify the restrictions on and procedures for resales and other transfers of Debt (except as set forth in Section 8.1(vi) and Section 8.1(xxvii));

(x) modify any of the provisions of this Indenture in such a manner as to impose any liability on a Holder to any third-party (other than any liabilities set forth in the Indenture on the Closing Date); or

(xi) modify any provision of the Indenture in any way which would (i) cause the Issuer or the Co-Issuer to become subject to withholding or other taxes, fees or assessments, (ii) cause the Issuer or the Co-Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal, state or local income tax on a net basis, (iii) have a material adverse effect on the tax treatment of the Issuer or the Co-Issuer or the tax consequences to the holders of any Class of Notes outstanding at the time of issuance, as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations," or (iv) prevent the Issuer from achieving FATCA Compliance.

(b) Not later than 10 Business Days (or five Business Days with respect to any supplemental indenture relating to, or entered into in connection or conjunction with, a Refinancing pursuant to which all Classes of Secured Debt are being refinanced) prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall provide to the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency a copy of such proposed supplemental indenture and shall request that any required consent from Holders of Securities be received within 10 Business Days (or five Business Days with respect to any supplemental indenture relating to, or entered into in connection or conjunction with, a Refinancing pursuant to which all Classes of Secured Debt are being refinanced) of the mailing. Any consent given to a proposed supplemental indenture by any holder of Debt shall be irrevocable and binding on all future holders or beneficial owners of that Debt, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Debt consent to a proposed supplemental indenture within 10 Business Days (or five Business Days with respect to any supplemental indenture relating to, or entered into in connection or conjunction with, a Refinancing pursuant to which all Classes of Secured Debt are being refinanced), on the first Business Day following such period, the Trustee shall provide consents received to the Issuer and the Portfolio Manager so that they may determine which Holders of Debt have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture.

(c) It shall not be necessary for any Act of Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(d) The Issuer shall not enter into any supplemental indenture pursuant to Section 8.2 if any Hedge Counterparty (in its reasonable judgment) determines that it would be materially and adversely affected by such supplemental indenture and notifies the Issuer and the Trustee thereof within 10 Business Days of notice of such supplemental indenture without the prior written consent of such Hedge Counterparty.

(e) Notwithstanding any consent or notice requirement set forth elsewhere in this Indenture and without regard to whether any Class (including the Subordinated Notes) would be materially and adversely affected thereby, in connection with a redemption in full of all Secured Debt, the Co-Issuers and the Trustee may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, the Indenture (a "Reset Amendment") if (i) such supplemental indenture is effective on or after the date of such redemption and (ii) the Portfolio Manager and a Majority of the Subordinated Notes have consented to the execution of such supplemental indenture; provided that such supplemental indenture may not, by its terms, affect any portion of the Subordinated Notes in a manner that is materially different from the effect of such supplemental indenture on any other portion of the Subordinated Notes.

Section 8.3 Execution of Supplemental Indentures. (a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article

VIII or the modifications thereby of the trusts created by this Indenture, the Trustee and the Loan Agent shall be entitled to receive, and (subject to Section 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and the Class A-RL Credit Agreement and that all conditions precedent thereto have been satisfied. The Trustee and the Loan Agent may conclusively rely on such Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or an Officer's certificate of the Portfolio Manager as to whether the interests of any Holder of Debt would be materially and adversely affected by the modifications set forth in any supplemental indenture, it being expressly understood and agreed that the Trustee and the Loan Agent shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or Officer's certificate; provided, however, that for so long as any of the Class A Debt, the Class A-J Notes, the Class B Notes or the Class C Notes are the Controlling Class, if the Holders of at least a Majority of the Controlling Class have provided notice to the Trustee (with a copy to the Portfolio Manager), at least one Business Day prior to the proposed execution date of any supplemental indenture entered into pursuant to Section 8.2 or a clause of Section 8.1 the terms of which require a determination as to the effect of such supplemental indenture on the Holders of any Class with respect to which the Trustee shall have received such Opinion of Counsel or Officer's certificate of the Portfolio Manager, that based on the determination of such Holders made in good faith and in a commercially reasonable manner such Class would be materially and adversely affected thereby, the Trustee and the Co-Issuers shall not enter into such supplemental indenture unless consent is obtained from a Majority of the Controlling Class (for so long as any of the Class A Debt, the Class A-J Notes, the Class B Notes or the Class C Notes are the Controlling Class). The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Loan Agent's and the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) The Portfolio Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements of Section 8.1 and Section 8.2. Notwithstanding anything in this Indenture to the contrary, the Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Portfolio Manager), or adversely change the economic consequences to, the Portfolio Manager, (ii) directly or indirectly modify the restrictions on the purchases or sales of Collateral Obligations under Article XII or the Reinvestment Requirements, or constitute an amendment under Section 8.2(a)(xi), (iii) expand or restrict the Portfolio Manager's discretion or (iv) adversely affect the Portfolio Manager, unless the Portfolio Manager shall have consented in advance thereto in writing, such consent to not be unreasonably withheld or delayed; provided that the Portfolio Manager may withhold its consent in its sole discretion if such amendment or

supplement affects the amount, timing or priority of payment of the Portfolio Manager's fees or increases or adds to the obligations of the Portfolio Manager, and the Issuer shall not enter into any such amendment or supplement unless the Portfolio Manager shall have given its prior written consent.

(c) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Article VIII, the Trustee, at the expense of the Co-Issuers, shall provide to the then-current Holders after the execution of such supplemental indenture, the Portfolio Manager and each Rating Agency a copy thereof. Any failure of the Trustee to provide a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture. For so long as any Debt is listed on the Cayman Islands Stock Exchange, the Issuer shall notify the Cayman Islands Stock Exchange of any material modification to this Indenture.

(d) It will not be necessary for any Act of Holders under this Article VIII to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(e) Any Class of Debt being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, or otherwise effective on or after the date of, such refinancing. Any Non-Electing Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. Notwithstanding anything to the contrary in this Indenture, Reset Amendments are not subject to any consent requirements that would otherwise apply to supplemental indentures described in this Article VIII, other than as set forth in Section 8.2(e).

(f) Notwithstanding anything in Section 8.1 or Section 8.2 to the contrary, so long as no ~~EU/UK~~ Retention Event has occurred and is continuing, no supplemental indenture which would modify the Investment Criteria, the Concentration Limitations, the definition of "Collateral Obligation" or the Collateral Quality Test, in each case, that would affect the Retention Holder's ability to comply with the ~~EU/UK~~ Retention Requirements (other than those made to ensure compliance with the ~~EU/UK~~ Retention Requirements) will be effective unless the Retention Holder provides its prior written consent thereto. For the avoidance of doubt, if an ~~EU/UK~~ Retention Event has occurred and is continuing, the Retention Holder shall have no consent rights in accordance with this paragraph; provided that the Retention Holder shall be permitted to exercise its rights as a holder of Debt.

(g) To the extent the Co-Issuers and the Trustee execute a supplemental indenture or other modification or amendment of this Indenture pursuant to any individual clause in Section 8.1 and one or more other amendment provisions in another clause of Section 8.1 or Section 8.2 also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment to be executed pursuant to only the applicable clause in Section 8.1 that has been selected by the Issuer (or the Portfolio Manager on behalf of the Issuer) and reflected in such

supplemental indenture, modification or amendment and not any other clause in Section 8.1 or Section 8.2, regardless of the applicability of any other provision regarding supplemental indentures set forth herein.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt theretofore and thereafter authenticated and delivered hereunder and every Class A-RL Lender (including a subsequent assignee of a Class A-RL Lender) shall be bound thereby.

Section 8.5 Reference in Securities to Supplemental Indentures. Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Securities, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Debt.

Section 8.6 Re-Pricing Amendment. For the avoidance of doubt, the Co-Issuers and the Trustee may, without regard for the provisions of this Article VIII, enter into a supplemental indenture pursuant to Section 9.7(d) solely to modify the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) with respect to the Re-Priced Class.

Section 8.7 Benchmark Replacement Amendment. In addition to any supplemental indentures authorized by the preceding paragraphs, the Co-Issuers and the Trustee may, but shall not be required to, enter into supplemental indentures or amend any of the Class A-RL Credit Agreement, with consent of the Portfolio Manager but without obtaining the consent of the Holders, in order to change the base rate in respect of the Secured Debt from the Benchmark to a Fallback Rate pursuant to Section 2.14, including to replace references to "Term SOFR" with the Fallback Rate when used with respect to a Floating Rate Obligation and otherwise make Benchmark Replacement Conforming Changes (any such amendment pursuant to this paragraph, a "Benchmark Replacement Amendment").

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Payment Date to make payments as required pursuant to the Priority of Payments to achieve compliance with such Coverage Test.

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemed (or in the case of the Class A-RL Loans, prepaid) by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any Business Day (i) on or after the occurrence of a Tax Event

from the proceeds of the liquidation of the Assets or (ii) on or after the end of the Non-Call Period for all Classes from the proceeds of the liquidation of the Assets and/or from Refinancing Proceeds, in each case, at the written direction of a Majority of the Subordinated Notes (in the case of a Refinancing, with the consent of the Portfolio Manager) or, in the case of a Refinancing, the Portfolio Manager delivered to the Issuer, the Loan Agent, the Trustee and the Portfolio Manager (if applicable) at least 30 days prior to the proposed Redemption Date (unless the Issuer, the Trustee and the Portfolio Manager agree to a shorter notice period). In connection with any such Optional Redemption, the Secured Debt shall be redeemed (or in the case of the Class A-RL Loans, prepaid) at the applicable Redemption Price.

In connection with any Optional Redemption of the Secured Debt, the Portfolio Manager shall (unless the Redemption Price on all of the Secured Debt shall be paid with Refinancing Proceeds) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient such that the Disposition Proceeds and all other funds (including any Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account (including any Refinancing Proceeds, if applicable) shall be at least sufficient to pay (x) the Redemption Price on all of the Secured Debt and (y) all Administrative Expenses (without regard to Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Payments, including, without limitation, any amounts due to the Hedge Counterparties or the Portfolio Manager (collectively, the "Redemption Amount"). If such Disposition Proceeds, Refinancing Proceeds, if applicable, and all other funds (including any Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account would not at least equal the Redemption Amount, the Secured Debt may not be redeemed or prepaid, as applicable. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of the Secured Debt in full, at the direction of a Majority of the Subordinated Notes or the Portfolio Manager.

(b) In connection with any Optional Redemption, at the written direction of a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager to the Co-Issuers (with a copy to the Trustee), the Applicable Issuers may enter into a loan or loans or effect an issuance of replacement securities, the terms of which loan(s) or issuance shall be negotiated by the Portfolio Manager on behalf of the Issuer, from one or more financial institutions or purchasers (a refinancing provided pursuant to such loan or issuance, a "Refinancing"); provided that (i) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 5.4(d), (ii) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes (if the Majority of the Subordinated Notes gave the direction) or the Portfolio Manager (if the Portfolio Manager gave the direction), (iii) such Refinancing otherwise satisfies the conditions set forth in Section 9.2(c) and (iv) such Refinancing will not cause the Portfolio Manager to violate the U.S. Risk Retention Regulations. The Portfolio Manager, in connection with a Refinancing pursuant to which all Secured Debt is being Refinanced, may designate Principal

Proceeds as of the related Determination Date as Interest Proceeds for payment on the Redemption Date, subject to and following the consummation of the Refinancing and the payment of the related Redemption Prices. Notice of any such designation shall be provided to the Trustee (with copies to the Rating Agencies) on or before the related Determination Date.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Indenture will be amended pursuant to Article VIII to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders, other than the Majority of the Subordinated Notes directing the redemption (if the Majority of the Subordinated Notes gave the direction).

(c) Notwithstanding anything to the contrary set forth herein, no Debt will be redeemed (or in connection with the Class A-RL Loans, prepaid) in connection with an Optional Redemption unless (i) the Refinancing Proceeds, all Disposition Proceeds from the sale of Assets and all other funds (including Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account shall be at least equal to the Redemption Amount and (ii) the Disposition Proceeds, Refinancing Proceeds and all other funds (including Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account are used to the extent necessary to make such redemption.

(d) Notwithstanding anything to the contrary set forth herein, the Secured Debt shall not be redeemed or prepaid, as applicable, pursuant to an Optional Redemption unless (i) in the case of any Optional Redemption which is funded, in whole or in part, from Disposition Proceeds from the sale of Collateral Obligations and other Assets, at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in form satisfactory to the Trustee, that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions or special purpose entities meeting all then-current Rating Agency bankruptcy remoteness criteria to purchase (directly or by participation or other arrangement), not later than the scheduled Redemption Date in immediately available funds, all or a portion of the Collateral Obligations and/or the Hedge Agreements at a purchase price at least equal to, together with all other funds (including Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account, the Redemption Amount, or (ii) prior to entering into any Refinancing or selling any Collateral Obligations and/or Eligible Investments in connection with the Optional Redemption, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale of Eligible Investments, (B) any Refinancing Proceeds and all other funds (including Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account and (C) the expected proceeds from the sale of Collateral Obligations, shall be no less than the Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.2(d)(ii) shall include (1) the prices of, and expected proceeds from, the

sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.2(d)(ii).

Section 9.3 Partial Redemption by Refinancing. (a) Upon written direction of a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager delivered to the Issuer, the Trustee and the Portfolio Manager (if applicable) not later than 30 days prior to the proposed Redemption Date (unless a shorter time period is acceptable to the Issuer, the Trustee and the Portfolio Manager), the Issuer shall redeem or prepay, as applicable, one or more Classes of Secured Debt following the end of the Non-Call Period for such Class, in whole but not in part with respect to each such Class to be redeemed or prepaid, as applicable, on any Business Day, from Refinancing Proceeds (any such redemption, a "Partial Redemption by Refinancing"); provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes (if the Majority of the Subordinated Notes gave the direction) or the Portfolio Manager (if the Portfolio Manager gave the direction) and such Refinancing otherwise satisfies the conditions described below. For the avoidance of doubt, the Issuer may effect a Partial Redemption by Refinancing by entering into a loan or loans or issuing replacement securities (which replacement securities may consist of Floating Rate Debt and/or Fixed Rate Debt, in whole or in part), so long as the conditions set forth in Section 9.3(b) have been satisfied, and where the Refinanced Obligation consists solely of Floating Rate Debt or Fixed Rate Debt (as applicable), and the related Refinancing Obligation consists of both Floating Rate Debt and Fixed Rate Debt, the Refinancing Obligations shall be issued as Sub-classes (and designated accordingly) based on whether each such Refinancing Obligation is a Fixed Rate Debt or a Floating Rate Debt.

(b) The Issuer shall obtain a Refinancing in connection with a Partial Redemption by Refinancing only if (i) the Refinancing Rate Condition is satisfied with respect to each Class of Secured Debt (or loans entered into by the Issuer pursuant to this Article IX, as applicable) and the corresponding Refinancing Obligation, in each case that is the subject of such Partial Redemption by Refinancing; (ii) on the date of such Refinancing, the sum of (A) the Refinancing Proceeds, (B) the Partial Redemption Interest Proceeds and (C) all other amounts available for such purpose under this Indenture (including, without limitation, Contributions) shall be in an amount equal to the amount required to pay the Redemption Price with respect to the Class(es) of Secured Debt to be redeemed and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, except for Administrative Expenses owed to Persons that the Portfolio Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments (unless such Administrative Expenses shall be paid or provided for in another manner, including without limitation, with Contributions), (iii) the Refinancing Proceeds and the Partial Redemption Interest Proceeds are used to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 5.4(d), (v) the Issuer provides notice to each Rating Agency with respect to such Partial Redemption by Refinancing, (vi) any obligations created pursuant to the Partial Redemption by Refinancing have the same or longer Maturity as the ~~corresponding~~ Class(es) of Secured Debt being refinanced, and the Maturity of each Class of Secured Debt (including, without limitation, any obligation created pursuant to the Partial Redemption by Refinancing) is not earlier than the Maturity of any Priority Class with

respect thereto, (vii) the Aggregate Outstanding Amount of any obligations created pursuant to the Partial Redemption by Refinancing equals the Aggregate Outstanding Amount of the ~~corresponding~~Class(es) of Debt being refinanced; provided that (1) Classes of Debt may be refinanced with a single Class of Debt with an aggregate principal amount equal to the Aggregate Outstanding Amount of the combined Classes of Debt being refinanced, (2) a single Class of Debt may be refinanced with Classes of Debt with a combined aggregate principal amount equal to the Aggregate Outstanding Amount of such Class of Debt being refinanced and (3) the Aggregate Outstanding Amount of any obligations providing the Refinancing that are senior in priority to any Junior Class not subject to such Refinancing may not be greater than the corresponding Aggregate Outstanding Amount of the Class(es) of Debt senior in priority to such Junior Class that are being redeemed with the proceeds of such obligations, (viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class(es) of Secured Debt being refinanced, (ix) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the ~~corresponding~~ Class(es) of Secured Debt being refinanced, (x) such Refinancing is done only through (1) a loan as described in clause (a) or (2) the issuance of new debt, but not the sale of any Assets and (xi) such Refinancing will not cause the Portfolio Manager to violate the U.S. Risk Retention Regulations. In connection with a Partial Redemption by Refinancing, (I) the Non-Call Period for the Class(es) of Debt subject to the Refinancing may be extended at the direction of the Portfolio Manager with the consent of a Majority of the Subordinated Notes (without the consent of any Holder of any other Class of Debt) and/or (II) the definition of "Redemption Price" may be revised to reflect any agreed-upon make-whole payments for the applicable refinanced Class(es), in each case pursuant to a supplemental indenture entered into pursuant to Section 8.1(xv).

(c) Refinancing Proceeds will be applied on the related Redemption Date pursuant to the Priority of Partial Redemption Proceeds to redeem the Secured Debt being refinanced.

Section 9.4 Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, (i) the written direction of the Holders of the Subordinated Notes or the Portfolio Manager required as set forth herein shall be provided to the Issuer, the Trustee and the Portfolio Manager (if applicable) not later than 30 days prior to the Redemption Date (or such shorter time period agreed to by the Issuer, the Trustee and the Portfolio Manager) on which such redemption is to be made (which date shall be designated in such notice) and (ii) a notice of redemption shall be given by the Trustee not later than 10 Business Days prior to the applicable Redemption Date, to the Loan Agent (if the Class A-RL Loans are being prepaid) and each Holder of Debt to be redeemed or prepaid, as applicable, at such Holder's address in the Register and each Rating Agency. In addition, for so long as any Debt is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Optional Redemption to the Holders of such Securities shall also be sent to the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a)(ii) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Debt to be redeemed or prepaid, as applicable;

(iii) in the case of an Optional Redemption, that all of the Secured Debt are to be redeemed in full and that interest on such Secured Debt shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption by Refinancing, the Classes of Secured Debt to be redeemed in full and that interest on such Secured Debt shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Securities are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

In the event that (A) the settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf) is delayed or failed such that the Disposition Proceeds are not sufficient to pay the required Redemption Amount, (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date, then the Issuer (at the direction of the Portfolio Manager) may delay the Redemption Date of all classes being redeemed to any Business Day selected by the Portfolio Manager (for the avoidance of doubt, no later than the Stated Maturity) with notice to the Trustee (who shall forward such notice to the Holders and DTC) at least by 10:00 a.m. (New York time) two Business Days prior to the Redemption Date (the "Redemption Date Delay Notice"); provided that if the initial Redemption Date is in the period from a Determination Date to a related Payment Date and the revised Redemption Date shall fall after the Payment Date, then the Portfolio Manager shall deliver the Redemption Date Delay Notice no later than five Business Days prior to the initial Redemption Date to the Trustee (who shall forward such notice to the Holders and DTC); provided, further, that (w) the 10 Business Day notice requirement set forth in Section 9.4(a)(ii) shall not be applicable to such revised Redemption Date, (x) such delay or failure shall not constitute an Event of Default, (y) interest on the Debt will accrue to but exclude the revised Redemption Date and (z) any revised notice of redemption delivered by the Trustee pursuant to Section 9.4(a)(ii) in connection with the revised Redemption Date shall state that the Redemption Price with respect to any Class of Secured Debt will be an amount equal to 100% of the Aggregate Outstanding Amount thereof plus accrued and unpaid interest thereon to the revised Redemption Date (provided, that by unanimous consent,

the holders of any Class of Debt may agree to decrease the redemption price for that Class of Debt, in which case, such reduced price will be the "Redemption Price" for that Class of Debt); provided, further, that (1) the delay of the scheduled Redemption Date shall not affect any scheduled Payment Date and (2) prior to the revised Redemption Date, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale of Eligible Investments, (B) any Refinancing Proceeds and all other funds (including Interest Proceeds) available in the Collection Account, the Supplemental Reserve Account and the Payment Account and (C) any expected proceeds from the sale of Collateral Obligations, shall be no less than the Redemption Amount on the revised Redemption Date. For the avoidance of doubt, the amount of the Redemption Price with respect to any Class of Secured Debt is not required to be set forth in the revised notice of redemption referred to in clause (z) above. With respect to such delay, the Trustee shall be entitled to rely upon instructions or calculations received or confirmed from the Issuer or the Portfolio Manager and shall have no liability for any delay or failure on the part of the Issuer, the Portfolio Manager or DTC in taking actions necessary in connection therewith or for any delay in the redemption of any Class of Secured Debt.

The Applicable Issuers shall have the option to withdraw any such notice of redemption relating to a proposed Optional Redemption or Partial Redemption by Refinancing up to and including the day that is one Business Day prior to the proposed Redemption Date. In addition, a Majority of the Subordinated Notes (or, in connection with a Partial Redemption by Refinancing, the Portfolio Manager, if applicable) shall have the option to withdraw any such notice of Optional Redemption or Partial Redemption by Refinancing up to and including the day that is six Business Days prior to such Redemption Date. Any withdrawal of any such notice of redemption shall be made by written notice to the Trustee and the Portfolio Manager. Upon receipt of any such notice of withdrawal, the Trustee shall send such notice to the Holders of Debt and each Rating Agency. If the Co-Issuers so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Debt, the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during the Reinvestment Period at the Portfolio Manager's sole discretion, be reinvested in accordance with the Reinvestment Requirements.

Notice of redemption shall be given by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption shall not impair or affect the validity of the redemption of any other Debt.

The Co-Issuers will enter into a supplemental indenture for the purpose of effecting an Optional Redemption or Partial Redemption by Refinancing without the consent of any holder (including for the purpose of issuing or entering into Refinancing Obligations) provided that if such Optional Redemption or Partial Redemption by Refinancing was directed by a Majority of the Subordinated Notes, a Majority of the Subordinated Notes shall have consented to such supplemental indenture.

Section 9.5 Debt Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Debt to be redeemed or prepaid, as

applicable, shall, on the Redemption Date, subject to Section 9.2(d) in the case of an Optional Redemption and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on a Certificated Security to be so redeemed, the Holder shall present and surrender such Certificated Security at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Security, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Debt so to be redeemed or prepaid, as applicable, whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Debt, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Debt called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Debt remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments on the Secured Debt may be made in part in accordance with the Priority of Payments on any Payment Date (A) during the Reinvestment Period at the direction of the Portfolio Manager, if the Portfolio Manager at its sole discretion notifies the Trustee and the Loan Agent that it has been unable, for a period of at least 30 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations or (B) after the Ramp-Up Period, if the Portfolio Manager notifies the Trustee and the Loan Agent that a redemption is required pursuant to Section 7.17(d) in order to obtain from Moody's (if a Moody's Ramp-Up Failure has occurred) and/or S&P (if an S&P Rating Confirmation Failure has occurred) a confirmation of the Initial Rating of each Class of the Secured Debt assigned by such Rating Agency (in each case, a "Special Redemption"). On the first Payment Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing (1) Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations or (2) Interest Proceeds and Principal Proceeds that must be applied to redeem the Secured Debt in order to obtain from Moody's (if a Moody's Ramp-Up Failure has occurred) and/or S&P (if an S&P Rating Confirmation Failure has occurred) confirmation of the Initial Rating of each Class of the Secured Debt assigned by such Rating Agency (such amount, a "Special Redemption Amount"), as the case may be, shall be applied in accordance with the Priority of Principal Payments. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee not less than three Business Days prior to the applicable Special Redemption Date (provided that such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of

the definition of such term if the Special Redemption Amount is not known on or prior to such date) to the Loan Agent and each Holder of Secured Debt affected thereby and to each Rating Agency. In addition, for so long as any Debt is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the Loan Agent and the Holders of such Debt shall also be sent to the Cayman Islands Stock Exchange.

Section 9.7 Re-Pricing of Debt. (a) On any Business Day after the Non-Call Period for such Class of Re-Pricing Eligible Secured ~~Notes (or, solely with respect to the Class F Notes,~~Debt (or, on any Business Day during and after the Non-Call Period upon which the ~~Class F~~Secured Debt Investor Condition is satisfied), at the direction of a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager, upon notice to the Trustee no later than 10:00 a.m. New York time on the second Business Day prior to the Re-Pricing Date; provided that no such notice shall be delivered within two Business Days prior to the applicable Determination Date (unless the Trustee agrees to a shorter notice period), the Issuer shall reduce (or, with respect to any applicable Class(es) of Secured Debt upon which the Secured Debt Investor Condition is satisfied, reduce or increase (but not exceeding the applicable Maximum Secured Debt Investor Condition Spread)) the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) with respect to any Class of Re-Pricing Eligible Secured ~~Notes (such reduction~~Debt or any Class of Secured Debt upon which the Secured Debt Investor Condition is satisfied (such change with respect to any such Class~~ of Re-Pricing Eligible Secured Notes~~, a "Re-Pricing" and any Class of Secured Debt to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Issuer shall not effect any Re-Pricing (other than a Re-Pricing of the applicable Class~~ F Notes~~(es) of Secured Debt upon which the ~~Class F~~Secured Debt Investor Condition is satisfied) unless each condition specified in this Section 9.7 is satisfied with respect thereto; provided, further, that the amount of interest due to the Holders of the Re-Priced Class on the first Payment Date after the Re-Pricing Date shall be the sum of (x) the interest amount due based on the original Interest Rate from the last Payment Date before the Re-Pricing Date to but excluding the Re-Pricing Date and (y) the interest amount due based on the new Interest Rate from the Re-Pricing Date to but excluding the first Payment Date after the Re-Pricing Date. For the avoidance of doubt, no terms of any Re-Pricing Eligible Secured ~~Notes~~Debt other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") to assist the Issuer in effecting the Re-Pricing. Notwithstanding anything herein to the contrary and so long as the ~~Class F~~Secured Debt Investor Condition is satisfied, a Re-Pricing of the applicable Class~~ F Notes~~(es) of Secured Debt at the direction of a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager, as applicable, shall occur on any date as directed by the Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager, as applicable, without reference to any notice provision set forth in this Article IX and without regard to any of the following provisions in this Section 9.7; provided that the Portfolio Manager shall ~~notify~~provide a notice substantially in the form of Exhibit E to the Issuer and the Trustee (who shall notify each Holder of Debt and each Rating Agency) of the occurrence of the Re-Pricing of the applicable Class ~~F Notes~~of Secured Debt and the new Interest Rate on the applicable Class ~~F Notes~~of Secured Debt. No supplemental indenture shall be required in order to effectuate such re-pricing of the applicable Class ~~F Notes~~of Secured Debt and this Indenture

shall be deemed to be amended upon receipt of such notice to reflect the ~~reduction~~change of the Interest Rate of the applicable Class ~~F Notes~~of Secured Debt and the Interest Rate on the applicable Class ~~F Notes~~of Secured Debt shall be so ~~reduced~~modified as provided in such notice. For the avoidance of doubt, no terms of the applicable Class of Secured Debt upon which the Secured Debt Investor Condition is satisfied other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. The Portfolio Manager shall cooperate with the Trustee for purposes of this Section 9.7.

(b) Except with respect to Securities of a Re-Priced Class for which an Election to Retain has been exercised in accordance with Section 9.7(b), the Debt of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in a Re-Pricing Redemption, in each case at the respective Redemption Price, in accordance with the provisions of this Section 9.7. Each Holder, by its acceptance of an interest of the Re-Pricing Eligible Secured ~~Notes~~Debt, agrees that (i) it will tender and transfer its Securities in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such tender and transfer and (ii) its Securities may be redeemed in a Re-Pricing Redemption.

At the direction of the Issuer, the Trustee shall also arrange for the Re-Pricing, Mandatory Tender and Election to Retain Announcement and notice of any withdrawal of a notice of Re-Pricing to be provided to any stock exchange so long as any Listed Securities are listed thereon and so long as the guidelines of such exchange so require.

At least 25 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager for any proposed Re-Pricing (subject to the next paragraph of this Section 9.7(b), the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Portfolio Manager, the Trustee and each Rating Agency) through the facilities of DTC (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the applicable Benchmark or revised interest rate, as applicable, to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class communicate through the facilities of DTC whether such Holder (x) approves the proposed Re-Pricing and (y) elects to retain the Securities of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (July 2021)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements"), (iii) specify the applicable Redemption Price that will be received by any Holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain, (iv) state that Non-Electing Holders of the Re-Priced Class will either be (x) subject to mandatory tender and transfer in accordance with the Operational Arrangements (a "Mandatory Tender") or (y) redeemed in a Re-Pricing Redemption with the proceeds of the issuance of replacement obligations and/or amounts deposited in the Supplemental Reserve Account and (v) state the period for which the Holders of the Securities of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to

Retain Announcement; provided that the Issuer, at the direction of the Portfolio Manager may modify the proposed Re-Pricing (and request each Holder of the Re-Priced Class that has previously approved such Re-Pricing to approve the proposed Re-Pricing as so modified) by delivery of a revised notice of proposed Re-Pricing at any time up to 15 Business Days prior to the Re-Pricing Date and shall deliver to the Holders of the proposed Re-Priced Class (with a copy to the Portfolio Manager, the Trustee and each Rating Agency) a notice reflecting such modification of the proposed Re-Pricing.

Prior to the Trustee (at the direction of the Issuer) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the Holders of the Securities of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other email addresses provided by DTC as necessary), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain will be a "Non-Electing Holder" and any Holder of the Re-Priced Class that does approve the Re-Pricing and exercises an Election to Retain will be a "Electing Holder." Upon the expiration of the period for which Holders of Securities of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt by the Trustee of information from DTC) shall provide to the Issuer, the Portfolio Manager and the Re-Pricing Intermediary, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Securities held by Electing Holders and Non-Electing Holders.

At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Securities of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com or such other email address provided by DTC as necessary). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Securities are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. Subject to Section 6.1, the Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Portfolio Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing

Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

(c) In the event any Holder of the Re-Priced Class does not deliver to the Issuer written consent to the proposed Re-Pricing on or before the date which is five Business Days after the date of such notice, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the Electing Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Debt held by Electing Holders), specifying the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by such Non-Electing Holders, and shall request each such Electing Holder to provide written notice to the Issuer, the Trustee, the Portfolio Manager and the Re-Pricing Intermediary (if any) (which notice may be either through the facilities of DTC or directly to the Trustee, the Portfolio Manager, on behalf of the Issuer, and the Re-Pricing Intermediary, if any) if such Holder would like to purchase all or any portion of the Debt of the Re-Priced Class held by the Non-Electing Holders (each such notice, an "Exercise Notice") within five Business Days after receipt of such notice. In the event that the Issuer receives Exercise Notices as of the third Business Day prior to the Re-Pricing Date with respect to an amount equal to or more than the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by Non-Electing Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Debt, without further notice to the Non-Electing Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, pro rata (subject to the applicable minimum denomination requirements and the applicable procedures of DTC) based on the Aggregate Outstanding Amount of the Debt such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event that the Issuer receives Exercise Notices as of the third Business Day prior to the Re-Pricing Date with respect to less than the Aggregate Outstanding Amount of the Debt of the Re-Priced Class held by Non-Electing Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Debt, without further notice to the Non-Electing Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, and any excess Debt of the Re-Priced Class held by Non-Electing Holders shall be sold to one or more transferees designated by the Re-Pricing Intermediary on behalf of the Issuer. The Debt of the Electing Holders will be re-priced at the Re-Pricing Rate on the Re-Pricing Date. All Mandatory Tenders of Debt to be effected pursuant to this clause (c) shall be made at the Redemption Price with respect to such Debt, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Debt, by its acceptance of an interest in the Debt, (I) agrees to sell and transfer its Debt or, if applicable, to a Re-Pricing of its Debt, in each case in accordance with this Section 9.7, (II) agrees to cooperate with the Issuer, the Re-Pricing Intermediary and the Trustee to effect such sales and transfers or Re-Pricing, as applicable, and (III) in the event that such holder (x) does not consent to a proposed Re-Pricing or to a sale of its interest and (y) does not otherwise cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee, in each case, agrees to effectuate such sales and transfers within the time period described herein. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Debt of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Debt of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect

to: (i) the Debt that is held by Electing Holders for which an Election to Retain has been exercised and (ii) the Debt held by Non-Electing Holders that is subject to Mandatory Tender and transfer and which is sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary (if any) on behalf of the Issuer in connection with such Mandatory Tender. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than one Business Day prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Debt of the Re-Priced Class held by Non-Electing Holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date, which can be executed and delivered without regard to the provisions of Article VIII hereof (other than the right of the Trustee to receive an Opinion of Counsel or an Officer's certificate of the Portfolio Manager described in Section 8.3), solely to modify the spread over the Benchmark (or the Interest Rate, in the case of Fixed Rate Debt) with respect to the Re-Priced Class and to reflect any necessary changes to the definitions of Non-Call Period or Redemption Price to be made pursuant to Section 9.7(g);

(ii) all Debt of the Re-Priced Class held by Non-Electing Holders has been sold and transferred pursuant to clause (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing shall not exceed the sum of (x) the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to the Priority of Interest Payments on the subsequent Payment Date prior to distributions to the Holders of the Subordinated Notes and (y) any amounts on deposit in, or to be deposited into, the Supplemental Reserve Account that are designated to pay expenses incurred in connection with such Re-Pricing (except for expenses owed to Persons that the Portfolio Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments), unless such expenses shall have been paid or adequately provided (including, without limitation, with Contributions) for by an entity other than the Issuer; and

(v) such Re-Pricing will not cause the Portfolio Manager to violate the U.S. Risk Retention Regulations.

(e) The Trustee shall be entitled to receive, and (subject to Section 6.1 and 6.3(a) hereof) shall be fully protected in relying upon a certificate of the Portfolio Manager stating that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.7.

(f) Notice of Re-Pricing shall be given by the Trustee at the expense of the Issuer not less than 10 Business Days prior to the proposed Re-Pricing Date to each Holder of Debt of the Re-Priced Class (with a copy to the Portfolio Manager) specifying the applicable Re-Pricing Date and Re-Pricing Rate. From time to time, the Issuer, at the direction of the Portfolio Manager, may direct that all or any portion of Retention Deficiency Reserve Amount in the Retention Reserve Account be deposited in the Collection Account as Interest Proceeds, as long as, after giving effect to such payment to the Collection Account as Interest Proceeds, (1) the Collateral Principal Amount (for which purposes, the Principal Balance of each Defaulted Obligation shall be equal to the S&P Collateral Value thereof) is greater than or equal to the Reinvestment Target Par Balance, (2) the Overcollateralization Ratio for the Class E Notes is at least equal to the Overcollateralization Ratio for the Class E Notes on the First Refinancing Date and (3) if Moody's is a Rating Agency, the Moody's Maximum Rating Factor Test is satisfied. Any

If the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Portfolio Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Portfolio Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in an investment vehicle (which shall be an Eligible Investment) designated as such by the Portfolio Manager to the Trustee in writing on or before the Closing Date, (such investment, until and as it may be changed from time to time as hereinafter provided, the "Standby Directed Investment"), until investment instruction as provided in the preceding sentence is received by the Trustee; or, if the Trustee from time to time receives a standing written instruction from the Portfolio Manager expressly stating that it is changing the "Standby Directed Investment" under this paragraph, the Standby Designated Investment may thereby be changed to an Eligible Investment of the type described in clause (ii) of the definition of Eligible Investments maturing no later than the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein) as designated in such instruction. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Collection Account as Interest Proceeds, any gain realized from such investments shall be credited as Principal Proceeds to the Collection Account upon receipt, and any loss resulting from such investments shall be charged against the Principal Proceeds in the Collection Account. (b) The Trustee agrees to give the Issuer immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. Each Account established under this Indenture shall be an Eligible Account. If any such Account ceases to be an Eligible Account, the assets held in such Account must be moved within 30 calendar days to another institution that satisfies such ratings.

(b) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with the Priority of Payments, the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions) delivered to the Trustee no later than the Business Day prior to each Payment Date.

The Portfolio Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall notify the Trustee of any such acceptance or rejection; provided that in the case of designations described in clause (ii), such notice of acceptance or rejection must be provided no later than two Business Days (or such shorter period as may be agreed by the Trustee and the Portfolio Manager) prior to the applicable Payment Date. If a Contribution is accepted, the Portfolio Manager, on behalf of the Issuer, shall apply such Contribution to a Permitted Use as directed by the Contributor in a designation substantially in the form of Exhibit D at the time such Contribution is made (or, if no direction is given by the Contributor, at the Portfolio Manager's reasonable discretion). Contributions shall be repaid to the Contributor on a specified Payment Date together with a specified rate of return, in each case as agreed to between the Contributor and the Portfolio Manager (on behalf of the Issuer) and with notice to the Trustee and the Loan Agent (such amount, the "Contribution Repayment Amount"). No Contribution or portion thereof shall be returned to the Contributor at any time (other than by operation of the Priority of Payments). For the avoidance of doubt, any amounts deposited into the Contribution Account as described in clause (ii) above shall be deemed for all purposes as having been paid to the Contributor pursuant to the Priority of Payments.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and provided that no Event of Default has occurred and is continuing (except for sales pursuant to Sections 12.1(a), (c), (d), (g) and (h), unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Majority of the Controlling Class), the Portfolio Manager on behalf of the Issuer may in writing direct the Trustee to sell and the Trustee (on behalf of the

Issuer) shall sell in the manner directed by the Portfolio Manager any Collateral Obligation, Restructured Loan, Specified Equity Security or Equity Security if, as certified by the Portfolio Manager, to the best of its knowledge, such sale meets the requirements of any one of paragraphs (a) through (h) of this Section 12.1. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities; Specified Equity Securities; Restructured Loans. The Portfolio Manager may direct the Trustee to sell any Equity Security, Specified Equity Security or Restructured Loan at any time during or after the Reinvestment Period without restriction.

(e) Optional Redemption; Stated Maturity.

(i) After the Issuer has notified the Trustee of an Optional Redemption (unless such Optional Redemption is funded solely with Refinancing Proceeds), the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.2(d)(ii), if applicable) are satisfied.

(ii) In connection with the Stated Maturity, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations.

(iii) If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

(f) Discretionary Sales. So long as a Restricted Trading Period is not then continuing, the Portfolio Manager may direct the Trustee to sell any Collateral Obligation (other than one being sold pursuant to clauses (a) through (e) above) at any time if, after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to this Section 12.1(f) during the same calendar year is not greater than 25% of the Collateral Principal Amount as of the beginning of such calendar year or, in the case of the year 2024, the Aggregate Ramp-Up Par Amount (such sales, "Discretionary Sales"); provided that for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount

of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are pari passu or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be pari passu or senior to such sold Collateral Obligation).

(g) Mandatory Sales. The Portfolio Manager shall use commercially reasonable efforts to sell each Equity Security, Specified Equity Security, Collateral Obligation and any other security held by the Issuer, in each case only to the extent such securities constitute Margin Stock, not later than 45 days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Equity Security, Specified Equity Security, Collateral Obligation or other security held by the Issuer became Margin Stock.

(h) Unsalable Assets. After the Reinvestment Period:

(i) At the direction and discretion of the Portfolio Manager, the Trustee, at the expense of the Issuer and with the cooperation of the Portfolio Manager, may conduct an auction of Unsalable Assets in accordance with the procedures described in clause (ii) below.

(ii) Promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder of Debt may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice and such Unsalable Asset will be sold to the Holder submitting the highest bid;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a pro rata portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice. To the extent that minimum denominations of the asset do not permit a pro rata distribution, the Portfolio Manager shall identify and the Trustee shall distribute the Unsalable Assets on a pro rata basis to the extent possible and the Portfolio Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders shall not operate to reduce the principal amount of the related Class of Debt held by such Holders;

(D) if more than one Holder submits an equal bid with respect to an Unsalable Asset at the same price, then such Unsalable Asset will be sold pro rata to such Holders based on the Aggregate Outstanding Amount of the Debt of such Holder; and

(E) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(iii) Prior to the receipt of any asset the ownership or disposition of which is prohibited under the Operating Guidelines, the Issuer shall effect either (A) the transfer to a Tax Subsidiary or (B) the disposal, in each case of any Collateral Obligation with respect to which such asset will be received. Further, in the event the Portfolio Manager discovers that the Issuer owns (whether or not in connection with an offer or exchange) any security, obligation or other asset that in each case would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purpose or otherwise subject to U.S. tax on a net basis, the Portfolio Manager shall as promptly as commercially practicable effect either (A) the transfer to a Tax Subsidiary or (B) the disposal, of any such security, obligation or other asset.

(iv) Notwithstanding anything contained herein to the contrary, pursuant to Section 7.16(l), the Issuer may cause any Tax Subsidiary Asset or the Issuer's interest therein to be transferred to a Tax Subsidiary in exchange for an interest in such Tax Subsidiary.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period with respect to purchases made pursuant to Section 12.2(d)), the Portfolio Manager, on behalf of the Issuer, may, but shall not be required to (subject to Section 12.2(d)), direct the Trustee to invest Principal Proceeds (and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations) in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Portfolio Manager, to the best of its knowledge, each of the conditions specified in this Section 12.2 and Section 12.3 are met.

(a) Reinvestment Requirements. No Collateral Obligation may be purchased during the Reinvestment Period unless the Portfolio Manager reasonably believes each of the following conditions (collectively, the "Investment Criteria") are satisfied as of the date it commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to:

(i) such obligation is a Collateral Obligation;

(ii) each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved; provided that, in the case of additional

Collateral Obligations purchased with the proceeds from the sale of a Defaulted Obligation, each Coverage Test will be satisfied prior to giving effect to such reinvestment;

(iii) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Improved Obligation or with Principal Proceeds received with respect to Unscheduled Principal Payments or Scheduled Distributions or any Discretionary Sales, the Reinvestment Balance Criteria are satisfied;

(iv) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, (x) the Aggregate Principal Balance of the additional Collateral Obligations so purchased will at least equal the Sale Proceeds from such sale or (y) the Reinvestment Balance Criteria are satisfied;

(v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied (except if S&P is a Rating Agency, the S&P CDO Monitor Test, in the case of an additional Collateral Obligation purchased with the Sale Proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation or an Equity Security) or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test will be maintained or improved after giving effect to the reinvestment;

(vi) the purchase of such Collateral Obligation would not cause a Retention Deficiency; and

(vii) no Event of Default has occurred and is continuing;

provided that, notwithstanding the foregoing provisions, with respect to any Collateral Obligations that are committed to be acquired or disposed of pursuant to a Trading Plan, compliance with the Investment Criteria will be measured by determining the aggregate effect of such trades on the Issuer's level of compliance with such criteria, rather than considering the effect of each acquisition and disposition of such Collateral Obligations individually.

(b) Exercise of Warrants; Restructured Loans; Uptier Priming Transactions. At any time during or after the Reinvestment Period, the Issuer may direct the payment from funds available for a Permitted Use, Principal Proceeds or Interest Proceeds, any amount required to exercise a warrant or a right to acquire securities (including Specified Equity Securities) held in the Assets or to acquire a Restructured Loan (including any Uptier Priming Debt constituting a Restructured Loan), at the direction of the Portfolio Manager and so long as the Portfolio Manager reasonably expects that doing so will result in a better overall recovery, to the extent (A) with respect to the payment from Interest Proceeds, (1) the Reinvestment Overcollateralization Test is satisfied and (2) such payment would not result in insufficient Interest Proceeds being available for the payment in full of interest on the Secured Debt on the next following Payment Date, and (B) with respect to the payment from Principal Proceeds, (1) the Reinvestment Overcollateralization Test is satisfied, (2) the Collateral Principal Amount is greater than the Reinvestment Target Par Balance (on a pro forma basis after giving effect to all proposed purchases of securities as of such date); provided that (i) if S&P is a Rating Agency,

Defaulted Obligations are held at their S&P Collateral Value and (ii) if S&P is not a Rating Agency and Fitch or Moody's is a Rating Agency, Defaulted Obligations are held at their Moody's Collateral Value, (3) such use of Principal Proceeds (other than to acquire Uptier Priming Debt), on a cumulative basis since the First Refinancing Date, does not exceed 10.0% of the Aggregate Ramp-up Par Amount, (4) the Aggregate Principal Balance of Restructured Loans and Specified Equity Securities (other than Uptier Priming Debt) then owned by the Issuer after giving effect to such purchase shall not exceed 5.0% of the Collateral Principal Amount and (5) all Coverage Tests are satisfied.

(c) Bankruptcy Exchanges; Permitted Uses. At any time during or after the Reinvestment Period, the Portfolio Manager may direct the Trustee to enter into a Bankruptcy Exchange, or apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, by the Portfolio Manager at its reasonable discretion) to one or more Permitted Uses.

(d) Investment after the Reinvestment Period. After the Reinvestment Period, Sale Proceeds of Credit Risk Obligations and Unscheduled Principal Payments may be reinvested within the longer of (x) 60 days of the Issuer's receipt thereof and (y) the last day of the related Collection Period (in which case, amounts permitted to be reinvested will not be deposited into the Payment Account following the end of the related Collection Period) in accordance with the requirements set forth in this Section 12.2(d), so long as the Portfolio Manager reasonably believes each of the following conditions (the "Post-Reinvestment Criteria") are satisfied as of the date it commits on behalf of the Issuer to acquire such Collateral Obligations (after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to):

(i) the maturity of the Debt has not been accelerated (unless such acceleration has been rescinded);

(ii) such obligation is a Collateral Obligation;

(iii) each of the Concentration Limitations will be satisfied or, if not satisfied, will be maintained or improved;

(iv) (I) (a) the Moody's Maximum Rating Factor Test, (b) the Moody's Diversity Test, and (c) if Moody's is a Rating Agency, the Moody's Minimum Weighted Average Recovery Rate Test will be satisfied or, if not satisfied, will be maintained or improved, and (II) if S&P is a Rating Agency, the S&P Minimum Weighted Average Recovery Rate Test will be satisfied or, if not satisfied, will be maintained or improved;

(v) the Minimum Fixed Coupon Test, the Minimum Floating Spread Test and the Weighted Average Life Test will be satisfied or, if not satisfied, will be maintained or improved;

(vi) each of the Coverage Tests will be satisfied;

(vii) if S&P is a Rating Agency, the additional Collateral Obligations purchased will have S&P Ratings that are the same or higher than the Collateral Obligation that was the source of the Sale Proceeds or Unscheduled Principal Payments;

(viii) the additional Collateral Obligations purchased will have the same or earlier maturity (expressed as a date) than the Collateral Obligation that was the source of the Sale Proceeds or Unscheduled Principal Payments (or, solely in the case of an acquisition of Uptier Priming Debt, the Weighted Average Life Test is satisfied, or if not satisfied, the degree of compliance therewith is maintained or improved after giving effect to such reinvestment);

(ix) in the case of Unscheduled Principal Payments, (A) the Restricted Trading Period is not then in effect and (B) the Reinvestment Balance Criteria are satisfied;

(x) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation, (A) a Restricted Trading Period is not then in effect and (B) either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale or (2) the Reinvestment Balance Criteria are satisfied;

(xi) the purchase of such Collateral Obligation would not cause a Retention Deficiency; and

(xii) no Event of Default has occurred and is continuing;

provided that, notwithstanding the foregoing provisions, with respect to any Collateral Obligations that are committed to be acquired or disposed of pursuant to a Trading Plan, compliance with each of the Post-Reinvestment Criteria (other than clause (vii) above) will be measured by determining the aggregate effect of such trades on the Issuer's level of compliance with such criteria, rather than considering the effect of each acquisition and disposition of such Collateral Obligations individually.

(e) Purchase Following Sale of Credit Improved Obligations and Discretionary Sales. Following the sale of any Credit Improved Obligation pursuant to Section 12.1(b) or any Discretionary Sale pursuant to Section 12.1(f) during the Reinvestment Period, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations pursuant to this Section 12.2 within 60 Business Days after such sale.

(f) Investment in Eligible Investments. Cash on deposit in any Account may be invested at any time in Eligible Investments in accordance with Article X.

(g) Maturity Amendment. The Portfolio Manager may not vote in favor of a Maturity Amendment if, as determined by the Portfolio Manager, (i) the maturity of the new Collateral Obligation is later than the earliest Stated Maturity with respect to any Note or (ii) the Weighted Average Life Test is not satisfied after giving effect to such Maturity Amendment or, if not satisfied immediately prior to giving effect to such Maturity Amendment, will not be maintained or improved after giving effect to such Maturity Amendment; provided

that neither clause (i) nor clause (ii) is required to be satisfied if (x) such Maturity Amendment is a Credit Amendment as long as, after giving effect to such Credit Amendment, the Aggregate Principal Balance of Collateral Obligations which have been the subject of Credit Amendments since the Closing Date for which either clause (i) or clause (ii) was not satisfied, shall not exceed 10.0% of the Aggregate Ramp-Up Par Amount, (y) the Portfolio Manager did not affirmatively consent to such amendment or (z) the Portfolio Manager intends to sell such Collateral Obligation within 30 days after the effective date of the Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30-day period; provided that if such Collateral Obligation is not sold within 30 days after the effective date of the Maturity Amendment, such Collateral Obligation shall be treated as an Long-Dated Obligation until it is sold for purposes of the Coverage Tests; provided further that the Aggregate Principal Balance of all Collateral Obligations then held by the Issuer for which clause (i) is not satisfied would not exceed 2.0% of the Collateral Principal Amount. Notwithstanding the foregoing, the Portfolio Manager may consent to a Maturity Amendment with respect to a Collateral Obligation (A) that it has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer (provided, that if such trade fails to settle, the Issuer will only retain such Collateral Obligation after the effective date of the amendment if the requirements set forth above are satisfied) or (B) if the Portfolio Manager or the Issuer receives notice from the trustee or agent for such Collateral Obligation that lenders or debtholders, as the case may be, that constitute the required lenders or debtholders, as the case may be, for approval of such Maturity Amendment have already consented (or are expected to consent) thereto, and a fee, additional interest or other consideration will be paid by the obligor only to the consenting lenders.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations during the Ramp-Up Period shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager, shall be effected in accordance with the requirements of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided, that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties. The Trustee shall also receive, not later than the settlement date of the related Collateral Obligation, an Officer's certificate of the Portfolio Manager (on behalf of the Issuer) certifying compliance with the provisions of this Article XII; provided, that such requirement shall be satisfied and such statement deemed to have been made by the Portfolio Manager (on behalf of the Issuer) by the delivery to the Trustee of a trade ticket in respect thereof.

(b) Upon any acquisition of a Collateral Obligation, a Restructured Loan or a Specified Equity Security pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee.

(c) The Portfolio Manager may engage in certain trading activities incidental to the acquisition of Collateral Obligations, such as entering into netting transactions where a portion of an initial commitment is sold prior to settlement. Such sales or netting of commitments prior to settlement will not constitute acquisitions or dispositions of Collateral Obligations under the Indenture.

(d) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (provided in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Portfolio Management Agreement, including but not limited to the Operating Guidelines and the tax requirements set forth therein) (x) that has been consented to by a Supermajority of each Class of Debt and (y) of which the Trustee and each Rating Agency has been notified.

(e) For purposes of Section 12.2 and satisfaction of the Investment Criteria, the date the Portfolio Manager commits to purchase a Collateral Obligation, with respect to new issues, shall be the date the Portfolio Manager receives an allocation of such Collateral Obligation.

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture, the Class A-RL Credit Agreement or the Debt to the contrary notwithstanding, the Holders of Debt of each Junior Class agree for the benefit of the Holders of the Debt of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post-Acceleration Payment Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid in accordance with the Special Priority of Payments in full in Cash or, to the extent 100% of Holders of each Priority Class (for which purpose if a Class of Debt has a Sub-class, the Sub-classes shall be deemed to be a single Class) consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in the Special Priority of Payments.

(b) On or after a Post-Acceleration Payment Date or on the Stated Maturity, in the event that notwithstanding the provisions of this Indenture, any Holder of Debt of any Junior Class shall have received any payment or distribution in respect of such Debt contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent 100% of Holders of each Priority Class (for which purpose if a Class of Debt has a Sub-class, the Sub-classes shall be deemed to be a single Class) consent, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; provided, however, that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this

Indenture including, without limitation, this Section 13.1; provided, however, that after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Debt.

Section 13.2 Non-Petition. (a) The Holders of each Class of Debt agree, for the benefit of all Holders, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the date which is one year (or, if longer, the applicable preference period) plus one day after the payment in full of all Debt. Notwithstanding any provision in this Indenture relating to enforcement of rights or remedies, the Issuer, the Co-Issuer or any Tax Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, are required hereby to promptly object to the institution of any such proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Tax Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action, referred to as ("Petition Expenses"). The Petition Expenses incurred by the Issuer, the Co-Issuer or any Tax Subsidiary in connection with taking any such action will be paid as Administrative Expenses, subject to the Administrative Expense Cap. In addition, any Petition Expenses not paid as Administrative Expenses due to such expense cap will be payable, in an aggregate amount, up to the Petition Expense Amount prior to any payments on the Debt.

The foregoing restrictions are a material inducement for each Holder and beneficial owner of the Debt to acquire the Debt and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Debt, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

(b) In the event one or more Holders or beneficial owners of Debt cause the filing of a petition in bankruptcy against the Issuer in violation of the agreement in clause (a), such Holder or beneficial owner will be deemed to acknowledge and agree that (i) any claim that such Holder or beneficial owner has against the Issuer or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Debt that does not cause such filing, with such subordination being effective until each Secured Debt held by each Holder or beneficial owner of any Secured Debt that does not cause such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination), (ii) it will promptly return or cause all amounts received by

it following the filing of such petition to be returned to the Issuer and (iii) it will take all necessary action to give effect to the Bankruptcy Subordination Agreement. The agreement set forth in the immediately preceding sentence constitutes the "Bankruptcy Subordination Agreement" and any Class of Secured Debt of any Holder or beneficial owner who caused such subordination will be referred to herein as the "Bankruptcy Subordinated Class." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). Each Distribution Report prepared by or on behalf of the Issuer following any such filing will distinguish between payments on Bankruptcy Subordinated Classes to Holders or beneficial owners whose payments are and are not subordinated pursuant to the Bankruptcy Subordination Agreement.

(c) Any Holder or beneficial owner of Debt, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of the Bankruptcy Subordination Agreement (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 13.3 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.4 Information Regarding Holders. The Trustee shall provide to the Issuer (or its agents) and the Portfolio Manager upon reasonable request all reasonably available information in the possession of the Trustee in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Portfolio Manager (or its parent or Affiliates) to comply with regulatory requirements, including the Cayman AML Regulations. The Trustee shall provide to the Issuer and the Portfolio Manager upon request a list of Holders (and, with respect to each beneficial owner, unless such beneficial owner instructs the Trustee otherwise, the Trustee will upon request of the Issuer or the Portfolio Manager share with the Issuer and the Portfolio Manager the identity of such beneficial owner, as identified to the Trustee by written certification from such beneficial owner). Upon the request of the Portfolio Manager or an Arranger, the Trustee will obtain a list of participants holding positions in the Debt and will provide such list to the Portfolio Manager or the Arranger, as applicable.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing

any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Debt held by any Person, and the date of his holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt shall bind the Holder (and any transferee thereof) of such Debt and of every Debt issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Debt.

Section 14.3 Notices, etc., to Certain Parties. (a) Except as otherwise expressly provided herein, any request, demand, authorization, direction, order, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by facsimile or email in legible form at the following address (or at any other address provided in writing by the relevant party):

(e) The Bank shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture or any other Transaction Document and delivered using Electronic Means; provided, however, that the Issuer and/or the Portfolio Manager, as applicable, shall provide to the Bank an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and/or the Portfolio Manager, as applicable, whenever a person is to be added or deleted from the listing. Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC (in the case of the Class A-RL Lenders, for so long as any Class A-RL Loan is Outstanding, delivered to the Loan Agent, which will forward such notices to the Class A-RL Lenders) as

soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; provided that in lieu of the foregoing, any documents (including, without limitation, reports, notices or supplemental indentures) required to be provided by the Trustee to Holders may be provided by providing notice of, and access to, the Trustee's Website containing such document;

(b) for so long as any Debt is listed on the Cayman Islands Stock Exchange and the guidelines of the Cayman Islands Stock Exchange so require, notices to the Holders of Listed Securities shall also be sent to the Cayman Islands Stock Exchange; and

(c) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing.

The Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Debt (by Aggregate Outstanding Amount), at the expense of the Issuer.

Subject to Section 2.6 and 14.4, the Trustee shall deliver to any Holder or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit C to this Indenture that it is the owner of a beneficial interest in a Global Security, any information or notice requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee and all related costs will be borne by the requesting Holder or Person. The Trustee shall provide copies of any notice delivered under this Section 14.4 to the Portfolio Manager.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Nothing in this Indenture or in the Debt, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Holders, any Tax Subsidiary, the Collateral Administrator and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Legal Holidays. In the event that the date of any Payment Date or Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Debt or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date, as the case may be, and except as provided in the definition of Interest Accrual Period no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.12 Counterparts. This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Electronic delivery of an executed counterpart will be effective as delivery of a manually executed counterpart of this Indenture. Each party agrees that this Indenture and any other documents to be delivered in connection herewith may be electronically signed, except for Certificated Securities which shall be manually signed. Any electronic signature on any of the Transaction Documents, including on any Global Securities, shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar federal or state law, rule or regulation, as the same

may be in effect from time to time, and the parties hereby waive any objection to the contrary. Any document accepted, executed or agreed to in conformity with such laws will be binding on all parties hereto to the same extent as if it were physically executed and each party hereby consents to the use of any third party electronic signature capture service providers as may be reasonably chosen by a signatory hereto.

Section 14.13 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

Each Holder agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Debt or administering its investment in the Debt; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.14. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. (b) Notwithstanding the terms of the Portfolio Management Agreement, any Hedge Agreement or other provisions of this Indenture, if any action under the Portfolio Management Agreement, any Hedge Agreement or this Indenture requires satisfaction of the Moody's Rating Condition as a condition precedent to such action, if the party (the "Requesting Party") required to obtain satisfaction of the Moody's Rating Condition has made a request to Moody's for satisfaction of such Moody's Rating Condition and, within 10 Business Days of the request for satisfaction of such Moody's Rating Condition being posted to the 17g-5 Website, Moody's has not replied to such request or has responded in a manner that indicates that it is neither reviewing such request nor waiving the requirement for satisfaction of such Moody's Rating Condition, then such Requesting Party shall be required to confirm that Moody's has

Section 15.1 Assignment of Portfolio Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that except as otherwise expressly set forth in this Indenture, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, or increase, impair or alter the rights and obligations of the Portfolio Manager under the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Debt, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably specify.

(f) The Issuer hereby agrees that the Issuer shall not enter into any agreement amending, modifying or terminating the Portfolio Management Agreement except in accordance with the terms of the Portfolio Management Agreement.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) The Issuer may enter into Hedge Agreements from time to time on and after the Closing Date solely for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on, the Debt. The Issuer shall promptly provide written notice of entry into any Hedge Agreement to the Trustee. The Issuer shall not enter into any Hedge Agreement unless (x) the Global Rating Agency Condition has been satisfied with respect thereto, (y)(1) it receives written advice (which may be via email) of counsel that the Issuer entering into such Hedge Agreement would fall within the scope of the exclusion from commodity pool regulation set forth in CFTC Letter No. 12-45 (Interpretation and No-Action) dated December 7, 2012 issued by the Division of Swap Dealer and Intermediary Oversight of the Commodity Futures Trading Commission, or that the Issuer entering into such Hedge Agreement would otherwise not cause the Issuer to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended, or (2) if the Issuer would be a commodity pool not eligible for the exclusion provided by CFTC Letter No. 12-45, that (A) the Portfolio Manager and no other party would be the commodity pool operator and commodity trading advisor thereof, and (B) with respect to the Issuer as a commodity pool, the Portfolio Manager is eligible for an exemption from registration

as a commodity pool operator and commodity trading advisor and all conditions precedent to obtaining such an exemption, if any, have been satisfied and (z) the Portfolio Manager agrees in writing that for so long as the Issuer is a commodity pool, the Portfolio Manager shall take (or cause to be taken) all actions necessary to ensure ongoing compliance with the applicable exemption from the obligations of a registered commodity pool operator and commodity trading advisor with respect to the Issuer, and shall take (or cause to be taken) any other actions required as a commodity pool operator and commodity trading advisor with respect to the Issuer. In addition, the Issuer shall not enter into any Hedge Agreement unless such Hedge Agreement (x) is an interest rate derivative and the written terms of such Hedge Agreement directly relate to the Collateral Obligations or the Debt, and (y) reduces the interest rate risk related to the Collateral Obligations or the Debt. The Issuer shall provide a copy of each Hedge Agreement to each Rating Agency.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 2.8(i) and Section 5.4(d). SCHEDULE 3
Diversity Score Calculation

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

For purposes of calculating the Diversity Score, affiliated issuers in the same industry are deemed to be a single issuer except as otherwise agreed to by Moody's and collateralized loan obligations shall not be included.

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating (or, if the obligor itself does not have a corporate family rating by Moody's, the corporate family rating of any entity in the obligor's corporate family);

(ii) if not determined pursuant to clause (i) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation, as selected by the Portfolio Manager in its sole discretion;

(iii) if not determined pursuant to clause (i) or (ii) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory below the Assigned Moody's Rating on any such obligation, as selected by the Portfolio Manager in its sole discretion;

(iv) if not determined pursuant to clause (i), (ii) or (iii) above, but a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(v) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(vi) if not determined pursuant to any of clauses (i) through (v) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(vii) if not determined pursuant to any of clauses (i) through (vi) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

For purpose of calculating the Moody's Default Probability Rating for purposes of the Moody's Adjusted Weighted Average Rating Factor, each applicable rating, at the time of calculation, on credit watch by Moody's with positive or negative implication will be adjusted as provided in the definition of Moody's Adjusted Weighted Average Rating Factor.

MOODY'S RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) With respect to a Collateral Obligation that is a Senior Secured Loan or Participation Interest in a Senior Secured Loan:

(a) if such Collateral Obligation (A) has an Assigned Moody's Rating, such Assigned Moody's Rating, or (B) does not have an Assigned Moody's Rating but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer, the Portfolio Manager or an affiliate of the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Rating will be deemed to be "Caa3";

(b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;

(c) if neither clause (a) or clause (b) above apply, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;

(d) if none of clauses (a) through (c) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(e) if none of clauses (a) through (d) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(ii) with respect to a Collateral Obligation that is not a Senior Secured Loan or a Participation Interest in a Senior Secured Loan:

(a) if such Collateral Obligation (A) has an Assigned Moody's Rating, such Assigned Moody's Rating, or (B) does not have an Assigned Moody's Rating but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer, the Portfolio Manager or an affiliate of the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15

month period preceding the date on which the Moody's Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Rating will be deemed to be "Caa3";

(b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;

(c) if neither clause (a) or clause (b) above apply, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating;

(d) if none of clauses (a) through (c) above apply, if the obligor of such Collateral Obligation has one or more subordinated obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(e) if none of clauses (a) through (d) above apply, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(f) if none of clauses (a) through (e) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot otherwise be determined pursuant to the definitions thereof, such Moody's Rating or Moody's Default Probability Rating as determined in the manner set forth below:

(A) (1) if such Collateral Obligation is publicly rated by S&P or Fitch:

Type of Collateral Obligation	S&P Rating or Fitch Rating (Public and Monitored)	Collateral Obligation Rated by S&P or Fitch	Number of Subcategories Relative to Moody's Equivalent of S&P Rating or Fitch Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a loan or Participation Interest in loan	-1

Not Structured Finance Obligation	≤ "BB+"	Not a loan or Participation Interest in loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in loan	-2

(2) if such Collateral Obligation is not rated by S&P or Fitch but another security or obligation of the obligor is publicly rated by S&P or Fitch (a "parallel security"), then the rating of such parallel security shall at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (A)(1) above, and the Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation shall be determined by further adjusting the rating of such parallel security (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (A)(2)) by the number of rating sub-categories according to the table below:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

(3) if such Collateral Obligation is not rated by S&P or Fitch but there is a public issuer credit rating of the issuer of such Collateral Obligation by S&P or Fitch as published by S&P or Fitch, as applicable, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then such issuer credit rating will at the election of the Portfolio Manager be determined in accordance with subclause (A)(2) (for such purposes, treating such public issuer credit rating as if it were a rating of a parallel security); or

(4) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Rating or Moody's Default Probability Rating may be determined based on a rating by S&P, Fitch or any other rating agency;

(B) If not determined pursuant to clause (A) above and if such Collateral Obligation is not rated by Moody's, S&P or Fitch and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, S&P or Fitch, and if Moody's has been requested by the Issuer, the Portfolio Manager or an affiliate of the Portfolio Manager to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, (1) "B3" if the Portfolio Manager certifies to the Trustee (with a copy to the Collateral Administrator) that the Portfolio Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Balance of Collateral

Obligations determined pursuant to this clause (B) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1".

For purposes of calculating a Moody's Derived Rating solely in connection with calculating the Moody's Weighted Average Rating Factor, each applicable rating calculated pursuant to clause (A)(1), (2) or (3) above using an S&P rating or a Fitch Rating that is on credit watch by S&P or Fitch, as applicable, with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case maybe.

"Fitch Rating": As of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

(a) if Fitch has issued a long-term issuer default rating ("LT IDR") or a long-term issuer default credit opinion ("LT IDCO") with respect to the issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer);

(b) if Fitch has not issued a LT IDR or LT IDCO with respect to the issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating ("IFSR") with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issuer ratings, then the Fitch Rating will be calculated using the Fitch IDR Equivalency Table below;

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

(i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(iii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but Moody's has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;

(iv) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below;

(v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the

Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;

(vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;

(vii) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below; and

(viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); otherwise the sole public Fitch Rating issued by Moody's or S&P will be applied.

(e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Portfolio Manager, (i) the Portfolio Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that after the Closing Date, if any rating described above is on rating watch negative or negative credit watch, the rating will be adjusted down by one sub-category with a floor of "CCC-"; provided, further, that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com.

SCHEDULE 6
S&P Rating Definitions

"S&P Rating": The S&P Rating of any Collateral Obligation will be determined as follows:

(a) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (i) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that meets then-current S&P criteria, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer) or (ii) if there is no issuer credit rating of the issuer by S&P but (A) if there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; (B) if there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory below such rating; and (C) if there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory above such rating;

(b) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P (the "Point-in Time S&P Rating") and such credit rating shall continue in effect until the date that is 12 months from such initial assignment whether or not such rating was issued only as of a certain date or issued and then withdrawn; provided that, the Portfolio Manager (on behalf of the Issuer) shall provide notification to S&P of any Material Change (of which the Portfolio Manager has actual knowledge) relating to a Collateral Obligation that is a DIP Collateral Obligation and S&P may further limit the use of such Point-in-Time S&P Rating following the occurrence of a Material Change;

(c) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (i) through (v) below:

(i) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's or Fitch, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating or Fitch Rating, as applicable, set forth above ~~except that the S&P Rating of such obligation will be (1) one subcategory below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two subcategories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower~~; provided that the Aggregate Principal Balance of the Collateral Obligations that may have an S&P Rating derived from a Moody's Rating or Fitch Rating as set forth in this clause (c)(i) may not exceed 10.0% of the Collateral Principal Amount; provided, that, to the extent that Moody's or Fitch is no longer acting as a Rating Agency hereunder and an applicable successor is not in place, the S&P Rating Condition will have been satisfied prior to any determination in accordance with this clause (c)(i);

(ii) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within thirty (30) days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Required S&P Credit Estimate Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; provided that, until the receipt from S&P of such estimate, such Collateral Obligation shall have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; provided, further, that if such Required S&P Credit Estimate Information is not submitted within such thirty (30) day period, then, pending receipt from S&P of such estimate, the Collateral Obligation shall have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to ninety (90) days after acquisition (and submission of all Required S&P Credit Estimate Information in respect of such application) and (2) an S&P Rating of "CCC-" following such ninety day period; unless, during such ninety day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided, further, that with respect to any Collateral Obligation for which S&P has provided a credit estimate, the Portfolio Manager (on behalf of the Issuer) will request that S&P confirm or update such estimate annually (and pending receipt of such confirmation or new estimate, the Collateral Obligation will have the prior estimate); provided, further, that if there is a Material Change with respect to such Collateral Obligation, the Issuer, or the Portfolio Manager on behalf of the Issuer, shall, promptly following notice or knowledge thereof, use commercially reasonable efforts to notify S&P and provide available information with respect thereto (provided that, for the avoidance of doubt, such notification shall not, unless so requested by the Issuer, be considered a request for a new or refreshed credit estimate by the Issuer or be considered in determining whether or not the Issuer has complied with the annual credit estimate requirements set forth in this Indenture) and, in the event S&P provides an unsolicited update of the credit estimate of such Collateral Obligation following receipt of such information, such credit estimate shall be used by the Issuer until such later date that it is updated by S&P;

(iii) with respect to a DIP Collateral Obligation, if the S&P Rating cannot otherwise be determined pursuant to this definition, the S&P Rating of such Collateral Obligation shall be "CCC-";

(iv) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Portfolio Manager) be "CCC-"; provided that (A) the Portfolio Manager expects the Obligor and any of its affiliates in respect of such Collateral Obligation to continue to meet their payment obligations under such Collateral Obligation, (B) such Obligor and any of its affiliates are not

currently in reorganization or bankruptcy and (C) such Obligor and any of its affiliates have not defaulted on any of its debts during the immediately preceding two year period; provided, further, that on an annual basis, the Issuer, or the Portfolio Manager on behalf of the Issuer, shall submit all available Required S&P Credit Estimate Information to S&P; provided, further, that if there is a Material Change with respect to such Collateral Obligations, the Issuer, or the Portfolio Manager on behalf of the Issuer, shall, promptly following notice or knowledge thereof, use commercially reasonable efforts to notify S&P and provide available information with respect thereto; and

(v) with respect to a Collateral Obligation that is a Current Pay Obligation, the higher of (1) the S&P issue rating thereof and (2) "CCC".

provided that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one subcategory above such assigned rating, (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one subcategory below such assigned rating and (z) any reference to the S&P rating in this definition shall mean the public S&P rating and shall not include any private or confidential S&P rating unless (a) the obligor and any other relevant party has provided written consent to S&P for the use of such rating; and (b) such rating is subject to continuous monitoring by S&P.

S&P RECOVERY RATES

(ii) If a Collateral Obligation has only an S&P Recovery Rating and does not have an S&P Recovery Range, then the S&P Recovery Rate for such Collateral Obligation shall be

determined by the lower S&P Recovery Range corresponding to such S&P Recovery Rating in the above table.

(iii) [Reserved]

(iv) If (x) a Collateral Obligation does not have an S&P Recovery Rating and such Collateral Obligation is a senior unsecured loan or second lien loan and (y) the obligor of such Collateral Obligation has issued another debt instrument that is outstanding and senior to such Collateral Obligation that has an S&P Recovery Rating, the S&P Recovery Rate for such Collateral Obligation shall be determined as follows:

[4] Solely for the purposes of determining the S&P Recovery Rate for such loan, the aggregate principal balance of all Second Lien Loans that are in excess of 15% of the Collateral Principal Amount will be treated as subordinated loans.

[5] For purposes of this Exhibit, a First-Lien Last-Out Loan is a Senior Secured Loan that, prior to a default with respect to such loan, is entitled to receive payments pari passu with other Senior Secured Loans of the same obligor, but following a default becomes fully subordinated to other Senior Secured Loans of the same obligor until such other Senior Secured Loans are paid in full.

"Class Break-even Default Rate": With respect to the Highest Ranking Class, the maximum percentage of defaults, at any time, that the Current Portfolio or the Proposed Portfolio, as applicable, can sustain, determined through application of the applicable S&P CDO Monitor chosen by the Portfolio Manager in accordance with the definition of "S&P CDO Monitor" that is applicable to the portfolio of Collateral Obligations, which, after giving effect to S&P's assumptions on recoveries, defaults and timing and to the Priority of Payments, will result in sufficient funds remaining for the payment of such Class or Classes of Notes in full. After the First Refinancing Date, S&P will provide the Portfolio Manager with the Class Break-even Default Rates for each S&P CDO Monitor based upon the S&P Weighted Average Spread and the S&P Weighted Average Recovery Rate to be associated with such S&P CDO Monitor as selected by the Portfolio Manager (with a copy to the Collateral Administrator) from Section 2 of Schedule 7 or any other S&P Weighted Average Spread and S&P Weighted Average Recovery Rate selected by the Portfolio Manager from time to time.

"Class Default Differential": With respect to the Highest Ranking Class, the rate calculated by subtracting the Class Scenario Default Rate at such time for such Class of Notes from the Class Break-even Default Rate for such Class of Notes at such time.

"Class Scenario Default Rate": With respect to the Highest Ranking Class, an estimate of the cumulative default rate for the Current Portfolio or the Proposed Portfolio, as applicable, consistent with S&P's Initial Rating of such Class of Notes, determined by application by the Portfolio Manager of the S&P CDO Monitor at such time.

"S&P CDO Adjusted BDR": The value calculated based on the following formula (or such other published formula by S&P that the Portfolio Manager provides to the Collateral Administrator):

*BDR * (A/B) + (B-A) / (B * (1-WARR))*, where

Term	Meaning
BDR	S&P CDO BDR
A	Aggregate Ramp-Up Par Amount
B	Collateral Principal Amount (excluding the Aggregate Principal Balance of the Collateral Obligations other than S&P CLO Specified Assets) *plus* the S&P Collateral Value of the Collateral Obligations other than S&P CLO Specified Assets
WARR	S&P Weighted Average Recovery Rate for the Highest Ranking Class

"S&P CDO BDR": The value calculated based on the following formula (or such other published formula by S&P that the Portfolio Manager provides to the Collateral Administrator):

C1	3.828874525, or such other value as determined by S&P that the Portfolio Manager provides to the Collateral Administrator
C2	0.901915524, or such other value as determined by S&P that the Portfolio Manager provides to the Collateral Administrator
WAS	S&P Weighted Average Spread
WARR	S&P Weighted Average Recovery Rate for the Highest Ranking Class

"S&P CDO Formula Election Date": The date designated by the Portfolio Manager upon prior written notice to S&P, the Trustee and the Collateral Administrator as the date on which the Issuer will begin to utilize the S&P CDO Adjusted BDR; provided that an S&P CDO Formula Election Date may only occur once without the prior consent of S&P.

"S&P CDO Formula Election Period": (i) The period from the First Refinancing Date until the occurrence of an S&P CDO Model Election Date and (ii) thereafter, any date on and after an S&P CDO Formula Election Date so long as no S&P CDO Model Election Date has occurred since such S&P CDO Formula Election Date.

"S&P CDO Model Election Date": The date designated by the Portfolio Manager upon at least five Business Days' prior written notice to S&P, the Trustee and the Collateral Administrator as the date on which the Issuer will begin to utilize the S&P CDO Monitor.

"S&P CDO Model Election Period": Any date on and after a S&P CDO Model Election Date so long as no S&P CDO Formula Election Date has occurred since such S&P CDO Model Election Date.

"S&P CDO Monitor": The model that is currently available at platform.ratings360.spglobal.com. The inputs to the S&P CDO Monitor shall be chosen by the Portfolio Manager and include either (x) an S&P Weighted Average Recovery Rate and a S&P Weighted Average Spread from Section 2 of Schedule 7 or (y) an S&P Weighted Average

Recovery Rate and a S&P Weighted Average Spread confirmed in writing by S&P; provided that as of the date such inputs to the S&P CDO Monitor are selected, the S&P Weighted Average Recovery Rate for the Highest Ranking Class equals or exceeds the S&P Weighted Average Recovery Rate for such Class chosen by the Portfolio Manager and the S&P Weighted Average Spread equals or exceeds the S&P Weighted Average Spread chosen by the Portfolio Manager.

"S&P CDO SDR": The value calculated based on the following formula (or such other published formula by S&P that the Portfolio Manager provides to the Collateral Administrator):

If S&P is a Rating Agency and the Highest Ranking Class at the time of its initial issuance is the Class A Notes, 0.247621 + (SPWARF/9162.65) – (DRD/16757.2) – (ODM/7677.8) – (IDM/2177.56) – (RDM/34.0948) + (WAL/27.3896)

If S&P is a Rating Agency and the Highest Ranking Class at the time of its initial issuance is the Class B Notes: 0.137223 + (SPWARF / 8829.01) – (DRD / 20413.6) – (ODM / 9556.72) – (IDM / 2256.55) – (RDM / 40.2751) + (WAL / 26.7396) in each case, where:

Term	Meaning
SPWARF	S&P Global Ratings Weighted Average Rating Factor
DRD	S&P Default Rate Dispersion
ODM	S&P Obligor Diversity Measure
IDM	S&P Industry Diversity Measure
RDM	S&P Regional Diversity Measure
WAL	S&P Weighted Average Life

For purposes of this calculation, the following definitions will apply:

"S&P CLO Specified Assets": Collateral Obligations with an S&P Rating equal to or higher than "CCC-".

"S&P Default Rate": For each S&P CLO Specified Asset, the assumed default rate contained within S&P's default rate table (see "CDO Evaluator 7.2 Parameters Required To Calculate S&P Portfolio Benchmarks," published March 27, 2017, or such other published table by S&P that the Portfolio Manager provides to the Collateral Administrator) using the S&P CLO

Specified Asset's S&P Rating and the number of years to maturity. If the number of years to maturity is not an integer, the default rate is determined using linear interpolation.

"S&P Default Rate Dispersion": The value calculated by the Portfolio Manager by multiplying the Principal Balance for each S&P CLO Specified Asset by the absolute value of the difference between the Rating Factor of such S&P CLO Specified Asset and the S&P Global Ratings Weighted Average Rating Factor, then summing the total for the portfolio, then dividing this result by the Aggregate Principal Balance of the S&P CLO Specified Assets.

"S&P Effective Date Adjustments": In connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if an S&P CDO Formula Election Date has occurred, the following adjustment will apply: in calculating the S&P CDO Adjusted BDR, the Collateral Principal Amount will exclude the amount of Principal Proceeds that is permitted to be designated as Interest Proceeds in accordance with Section 10.3.

"S&P Industry Diversity Measure": The value calculated by the Portfolio Manager by determining the Aggregate Principal Balance of the S&P CLO Specified Assets within each S&P Industry Classification, then dividing each of these amounts by the Aggregate Principal Balance of the S&P CLO Specified Assets from all the industries, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure": The value calculated by the Portfolio Manager by determining the Aggregate Principal Balance of the S&P CLO Specified Assets from each obligor and its affiliates, then dividing each of these amounts by the Aggregate Principal Balance of S&P CLO Specified Assets from all the obligors in the portfolio, squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets within each S&P region categorization (see "CDO Evaluator 7.2 Parameters Required To Calculate S&P Portfolio Benchmarks," published March 27, 2017, or such other published table by S&P that the Portfolio Manager provides to the Collateral Administrator), then dividing each of these amounts by the Aggregate Principal Balance of the S&P CLO Specified Assets from all regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life": The value calculated by determining the number of years between the current date and the maturity date of each S&P CLO Specified Asset, then multiplying each S&P CLO Specified Asset's Principal Balance by its number of years, summing the results of all S&P CLO Specified Assets, and dividing this amount by the Aggregate Principal Balance of all S&P CLO Specified Assets.

"S&P Weighted Average Recovery Rate": As of any date of determination, the number, expressed as a percentage and determined separately for each Class of Secured Debt (for which purpose, Pari Passu Classes shall constitute a single Class), obtained by summing the products obtained by multiplying the outstanding Principal Balance of each Collateral Obligation

by its corresponding recovery rate as determined in accordance with Section 1 of Schedule 7 hereto, dividing such sum by the Aggregate Principal Balance of all Collateral Obligations, and rounding to the nearest tenth of a percent.

"S&P Global Ratings Weighted Average Rating Factor": The number (rounded up to the nearest whole number) determined by:

(a) summing the products of (i) the principal balance of each S&P CLO Specified Asset multiplied by (ii) the Rating Factor of such S&P CLO Specified Asset (as described below) and

(b) dividing such sum by the principal balance of all such S&P CLO Specified Assets.

The "Rating Factor" for each S&P CLO Specified Asset is the number set forth in the table below opposite the S&P Rating of such S&P CLO Specified Asset.
