"Redemption Date": Any Business Day specified for a redemption of Notes pursuant to Article IX; provided, that other than in the case of a Refinancing, the Redemption Date of one or more Classes of Rated Notes may be delayed to a later redemption date at the election of the Issuer (or the Collateral Manager on its behalf) with written notice to the Trustee no later than the Business Day prior to the original Redemption Date and such later date will be the Redemption Date for each such Class; provided, however that:

(i) such later redemption date will apply to each Pari Passu Class and each more Junior Class (relative to the most senior Class with such later redemption date);

(ii) written notice of such delayed Redemption Date shall be provided to the Trustee (who shall forward such notice to the Holders) at least three (3) Business Days prior to such later Redemption Date;

(iii) any payments as of such delayed Redemption Date will still be made pursuant to the applicable Priority of Payments;

(iv) no such delay of the scheduled Redemption Date may delay such Redemption Date past the earliest Stated Maturity of the Notes;

(v) no such delay of the scheduled Redemption Date will prevent any otherwise applicable Payment Date from occurring in the interim; and

(vi) for the avoidance of doubt, interest on such Class of Notes will accrue to but excluding such new Redemption Date.

"Redemption Price": (a) For any Rated Notes to be redeemed or re-priced (x) 100% of the Aggregate Outstanding Amount of such Notes, *plus* (y) accrued and unpaid interest thereon (including interest on any accrued and unpaid Deferred Interest, in the case of Deferred Interest

Notes) to, but excluding, the Redemption Date or Re-Pricing Date and (b) for the Subordinated Notes, the proceeds of the Assets remaining after giving effect to the redemption or repayment of the Rated Notes and the payment in full of (and/or creation of a reserve for) all expenses (including all Management Fees and Administrative Expenses) of the Co-Issuers; provided that Holders of 100% of the Aggregate Outstanding Amount of any Class of Rated Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Rated Notes and such lesser amount will constitute the Redemption Price with respect to such Class.

Section 1.2. Assumptions. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of

this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the definitions thereof, such calculations will not include scheduled interest and principal payments on Defaulted Obligations (other than any Workout Obligation that is not a Defaulted Workout Obligation), unless such payments have actually been received in cash.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments on the Securities or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of Interest Coverage Ratio, the expected interest on the Rated Notes and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed to be a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of Defaulted Obligation, then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the principal balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.

(i) Any reference to the Benchmark applicable to any Floating Rate Note as of any Measurement Date during the first Interest Accrual Period shall mean the Benchmark for the relevant portion of the first Interest Accrual Period as determined on the preceding Interest Determination Date.

(j) For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion (with notice to the Trustee and the Collateral Administrator), any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within a specified period of no longer than 10 Business Days (which period does not extend over a Determination Date) following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (ii) no Trading Plan Period may include a Payment Date, (iii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iv) if the Investment Criteria are not satisfied with respect to any such Trading Plan, notice will be provided by the Issuer (or the Collateral Manager on its behalf) to each Rating Agency, (v) no Trading Plan may result in the purchase of a Collateral Obligation that matures less than six months after the start of such Trading Plan Period, (vi) the Collateral Manager may modify any Trading Plan during such Trading Plan Period, and such modification will not be deemed a failure of such Trading Plan, (vii) the difference between the earliest maturity date of any Collateral Obligation included in any Trading Plan and the latest maturity date of any Collateral Obligation included in such Trading Plan may not exceed 36 months and (viii) so long as the Investment Criteria are satisfied upon the expiry of such Trading Plan Period, the failure of any term or assumption shall not be deemed a failure of such Trading Plan. For the avoidance of doubt, in determining whether a Collateral Obligation is a Discount Obligation, such determination will be made without regard to whether such Collateral Obligation was purchased as part of a Trading Plan.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, (x) any Workout Obligation Proceeds, Restructured Obligation Proceeds or Specified Equity

Security Proceeds may be treated as the proceeds (including, without limitation, principal payments or Sale Proceeds) of the related Restructured Asset at the election of the Collateral Manager (in its sole discretion, but subject to the applicable terms of this Indenture) and (y) any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating the Concentration Limitations, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(p) If withholding tax is imposed on (x) any amendment, waiver, consent or extension fees, (y) commitment fees or similar fees or (z) payments on any Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer or an Issuer Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year of twelve 30-day months prorated for the related Interest Accrual Period and shall be based on the Fee Basis Amount measured as of the first day of the Collection Period.

(r) (i) To the extent there is, in the reasonable determination of the Collateral Administrator or the Trustee, any ambiguity in the interpretation of any definition or term contained in this Indenture or (ii) to the extent the Collateral Administrator or the Trustee

reasonably determines that more than one methodology can be used to make any of the determinations or calculations set forth herein, (x) in either case the Collateral Manager may direct the Collateral Administrator or the Trustee, as applicable, following notice thereof, or (y) the Collateral Administrator and/or the Trustee, as the case may be, may (or, in the case of clause (ii), shall) request direction from the Collateral Manager, as to the interpretation and/or methodology to be used, in each case, and the Collateral Administrator and the Trustee, as applicable, shall be entitled to follow such direction and conclusively rely thereon without any responsibility or liability therefor.

(s) For purposes of calculating compliance with any tests hereunder (including the Designated Excess Par and the Collateral Quality Test and Concentration Limitations), and the determination in respect of any requirements set forth under the definition of "Collateral Obligation," the Trade Date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred; *provided*, that (i) in connection with any acquisition of a Collateral Obligation issued in order to finance the redemption of a Collateral Obligation included in the Assets, all calculations related to such acquisition and upon the election of the Collateral Manager (with written notice (including via e-mail) to the Collateral Administrator and the Trustee), the related sale will be made on the basis of the settlement date and (ii) in connection with any acquisition, exchange, amendment or disposition of a Collateral Obligation when a Trading Plan Period is in effect (as identified by the Collateral Manager to the Collateral Administrator and Trustee), such calculation shall give a "pro forma" effect to such Trading Plan.

(t) The equity interest in any Issuer Subsidiary permitted under Section 7.4(c) and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security, Restructured Obligation or Specified Equity Security if acquired and held by the Issuer, an Equity Security, Restructured Obligation or Specified Equity Security, as the case may be) for all purposes of this Indenture (other than for tax purposes), and each reference to Assets, Collateral Obligations, Equity Securities, Restructured Obligations and Specified Equity Securities herein shall be construed accordingly. Any future anticipated tax liabilities with respect to an asset held by such Issuer Subsidiary shall be excluded from the calculation of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all interest-related component calculations of such calculations and tests, including when such a component calculation is calculated independently).

(u) When used with respect to payments on the Subordinated Notes, the term "principal amount" will mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds, and the term "interest" will mean Excess Interest distributable to Holders of Subordinated Notes in accordance with the Priority of Payments.

(v) All calculations related to Maturity Amendments, sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), Workout Obligations and other tests, restrictions or limitations that would be calculated cumulatively since the Original Closing Date shall be reset at zero on the 2026 Closing Date and any tests, restrictions or limitations that would be calculated cumulatively since

the 2026 Closing Date shall be reset at zero on the date of any Refinancing of all Classes of Rated Notes. For the avoidance of doubt, the Subordinated Notes Internal Rate of Return will not be reset at zero on the date of any Refinancing.

(w) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Collateral Manager on which the Trustee may rely.

(x) Notwithstanding anything to the contrary in this Indenture, debt securities and other non-loan assets including Specified Equity Securities may be acquired by the Issuer without regard to whether they are "received in lieu of debts previously contracted" (or any similar standard).

(y) Any determination with respect to any Daily LL Index or eligible bond index (as described under the definition of "Discount Obligation") (including, without limitation, determining or otherwise calculating or deriving the applicable average price for purposes of "Discount Obligation") made by the Collateral Manager shall be conclusive and binding, and, absent manifest error, may be made in the Collateral Manager's sole determination, in accordance with the standard of care set forth in the Collateral Management Agreement.

(z) With respect to the calculation of the Overcollateralization Ratio Tests prior to the purchase of a Priority Loan, Uptier Priming Debt, Restructured Obligation or a Workout Obligation, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the avoidance of doubt, with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Collateral Manager).

(aa) For purposes of determining the total potential indebtedness of any Obligor of a Drop Down Asset, such total potential indebtedness of the Obligor thereof shall be deemed to include the total potential indebtedness of the Obligor of the related Subject Asset; provided that, this clause (aa) shall not apply to any newly acquired Collateral Obligation on any date of determination in which the Aggregate Principal Balance of all Collateral Obligations held by the Issuer (as of such date) that have been subject to this assumption (as identified by the Collateral Manager to the Trustee) exceeds 5.0% of the Target Initial Par Amount.

(bb) The Class X Notes shall not be included in the calculation of any Coverage Test or the Interest Diversion Test.

Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

[1] The Interest Rate for each Class of Re-Pricing Eligible Notes is subject to change in connection with a Re-Pricing of such Class of Notes, subject to the conditions set forth in Section 9.7.

[2] The initial Benchmark will be the Term SOFR Rate. The Benchmark shall be calculated by reference to the Designated Maturity.

Payments of principal on the Class X Notes and the Class A-1-R Notes will be *pari passu* to the extent set forth in the Priority of Payments set forth in Section 11.1 of the Indenture.

(c) The Securities will be issued in Minimum Denominations. Securities shall only be transferred or resold in compliance with the terms of this Indenture.

Section 2.4. Execution, Authentication, Delivery and Dating. The Securities shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Securities may be manual or electronic as provided in Section 14.14 hereto.

Securities bearing the manual or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Securities executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Securities as provided in this Indenture and not otherwise.

Each Security authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Original Closing Date or the 2026 Closing Date, as applicable, shall be dated as of the Original Closing Date or the 2026 Closing Date, as applicable. All other Securities that are authenticated and delivered after the 2026 Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Securities issued upon transfer, exchange or replacement of other Securities shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Securities so transferred, exchanged or replaced, but shall represent only the Aggregate Outstanding Amount of the Securities so transferred, exchanged or replaced. In the event that any Security is divided into more than one Security in accordance with this Article II, the original principal amount of such Security shall be proportionately divided among the Securities delivered

in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Securities.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of its Authorized Officers (or, in the case of a Global Security, electronic signature), and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 2.5. Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Securities to be registered and shall cause to be kept a register (the "Register") at the office of the Registrar in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and the registration of transfers of Securities, including, in the case of ERISA Restricted Securities, the maintenance of records as to whether the Holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Trustee is hereby initially appointed "registrar" (the "Registrar") for the purpose of registering Securities and transfers of such Securities in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice (with a copy to the Collateral Manager) of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Securities and the principal or face amounts and numbers of such Securities.

Subject to this Section 2.5, upon surrender for registration of transfer of any Security at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Securities may be exchanged for Securities of like terms, in any authorized Minimum Denomination and of like aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Security is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

All Securities authenticated and delivered upon any registration of transfer or exchange of Securities shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Securities, but the Co-Issuers, the Registrar or the Trustee may require payment of a sum sufficient to cover any Tax payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) (i) No Security may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(ii) No Security may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (i) to (A) a non-"U.S. person" in accordance with the requirements of Regulation S or (B) a Qualified Institutional Buyer that is also a Qualified Purchaser and (ii) in accordance with any applicable law.

(iii) No Security may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Original Closing Date or the 2026 Closing Date, as applicable, within the United States or to, or for the benefit of, "U.S. persons" except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Securities may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" in reliance on Regulation S. No Rule 144A Global Security may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Security may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Securities under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(iv) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer will not require a registrar's consent to be granted pursuant to the Companies (General Provisions) (Jersey) Order 2002 (as amended).

(c) (i) ERISA Restricted Securities may be sold or transferred to a Controlling Person or a Benefit Plan Investor only if such sale or transfer will not result in Benefit

Plan Investors holding 25% or more of the Aggregate Outstanding Amount of the Class of ERISA Restricted Securities being sold or transferred determined in accordance with the Plan Asset Regulation and this Indenture and assuming, for this purpose, that all of the representations made or deemed to be made by Holders of such Securities are true. Each prospective purchaser of ERISA Restricted Securities on the Original Closing Date or the 2026 Closing Date, as applicable, and each purchaser or transferee of ERISA Restricted Securities taking delivery in the form of Certificated Securities will be required to make a written representation as to whether it is a Benefit Plan Investor or Controlling Person. Each purchaser or transferee of ERISA Restricted Securities taking delivery in the form of an interest in Global Securities will be deemed to represent, warrant and covenant that, for so long as it holds a beneficial interest in such Global Securities, it (and each account for which it is acquiring such Global Securities) is not a Benefit Plan Investor or a Controlling Person (other than a Benefit Plan Investor or Controlling Person purchasing on the Original Closing Date or the 2026 Closing Date, as applicable). No sale or transfer of an interest in any ERISA Restricted Security to a proposed purchaser or transferee that has represented that it is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar and the Issuer will not recognize any such sale or transfer, if such sale or transfer would result in Benefit Plan Investors holding 25% or more of the Aggregate Outstanding Amount of the Class of ERISA Restricted Securities being sold or transferred determined in accordance with the Plan Asset Regulation and this Indenture and assuming, for this purpose, that all of the representations made or deemed to be made by Holders of such Securities are true. For purposes of such calculations, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the Plan Asset Regulation only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Securities held by a Controlling Person shall be excluded and treated as not being Outstanding.

(ii) No sale or transfer of a beneficial interest in a Security will be effective, and the Trustee and the Applicable Issuer will not recognize any such sale or transfer, (1) if the purchaser's or transferee's acquisition, holding and disposition of such interest would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws or other applicable law), unless an exemption is available and all conditions have been satisfied and (2) in the case of ERISA Restricted Securities, if the purchaser or transferee is subject to any federal, state, local, non-U.S. or other law or regulation that could subject the Issuer or the Collateral Manager (or other persons responsible for the investment and operation of the Issuer's assets) to Similar Laws.

(d) Notwithstanding anything contained herein to the contrary, the Trustee will not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; provided that if a Transfer Certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms; provided, further, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee has not received written notice of any transfer

requiring such a certificate to be presented by the proposed transferor or transferee. Notwithstanding the foregoing, the Registrar, relying solely on representations made or deemed to have been made by Holders of an interest in ERISA Restricted Securities, shall not permit any transfer of an interest in ERISA Restricted Securities if such transfer would result in 25% or more (or such lesser percentage determined by the Collateral Manager and notified to the Trustee) of the Aggregate Outstanding Amount of any Class of ERISA Restricted Securities being held by Benefit Plan Investors, as calculated pursuant to the Plan Asset Regulation and this Indenture.

(e) For so long as any of the Securities are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Securities represented by an interest in a Global Security shall only be made in accordance with this Section 2.5(f).

(i) Rule 144A Global Security to Regulation S Global Security. If a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to exchange its interest in such Rule 144A Global Security for an interest in the corresponding Regulation S Global Security, or to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Security. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Security, but not less than the Minimum Denomination applicable to such holder's Securities, in an amount equal to the beneficial interest in the Rule 144A Global Security to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) a Transfer Certificate, then the Registrar will implement the Global Security Procedures with respect to the applicable Global Security.

(ii) Regulation S Global Security to Rule 144A Global Security. If a holder of a beneficial interest in a Regulation S Global Security deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Security for an interest in the corresponding Rule 144A Global Security or to transfer its interest in such Regulation S Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Security. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Security in an amount equal to the beneficial interest in such Regulation S Global Security, but not less than the Minimum

Denomination applicable to such holder's Securities to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and (B) a Transfer Certificate, then the Registrar will implement the Global Security Procedures with respect to the applicable Global Security.

(g) Transfer of Certificated Securities. Transfers of Securities represented by Certificated Securities will only be made in accordance with this Section 2.5(g).

(i) Transfer and Exchange of Certificated Securities to Certificated Securities. If a holder of a Certificated Security wishes at any time to exchange its interest in such Certificated Security for a Certificated Security or to transfer such Certificated Security to a Person who wishes to take delivery in the form of a Certificated Security, such holder may exchange or transfer its interest upon delivery of the documents set forth in the following sentence. Upon receipt by the Registrar of (A) a Holder's Certificated Security properly endorsed for assignment to the transferee, and (B) a Transfer Certificate, the Registrar shall cancel such Certificated Security, record the transfer in the Register and upon execution by the Applicable Issuers and authentication and delivery by the Trustee, deliver one or more Certificated Securities bearing the same designation as the Certificated Security endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Security surrendered by the transferor), and in authorized denominations.

(ii) Transfer of Regulation S Global Securities to Certificated Securities. If a holder of a beneficial interest in a Regulation S Global Security wishes at any time to exchange its interest in such Regulation S Global Security for a Certificated Security, or to transfer its interest in such Regulation S Global Security to a Person who wishes to take delivery thereof in the form of a Certificated Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Security. Upon receipt by the Registrar of (A) Transfer Certificates and (B) appropriate instructions from DTC, if required, the Registrar will (1) approve the instructions at DTC to reduce, or cause to be reduced, the applicable Regulation S Global Security by the aggregate principal amount of the beneficial interest in the applicable Regulation S Global Security to be transferred or exchanged, (2) record the transfer in the Register and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Securities, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Security transferred by the transferor), and in an authorized Minimum Denomination.

(iii) Transfer of Certificated Securities to Regulation S Global Securities. If a Holder of a Certificated Security wishes at any time to exchange its interest in such Security for a beneficial interest in a Regulation S Global Security or to transfer such Security to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Regulation S Global Security, such Holder may, subject to the immediately succeeding

sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Security for a beneficial interest in a Regulation S Global Security of the same Class. Upon receipt by the Registrar of (A) in the case of the Holder of a Certificated Security, such Holder's Certificated Security properly endorsed for assignment to the transferee, (B) a Transfer Certificate, (C) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Regulation S Global Securities of the same Class in an amount equal to the Certificated Securities to be transferred or exchanged and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall (1) in the case of a Certificated Security, cancel such Certificated Security, (2) record the transfer in the Register and (3) implement the Global Security Procedures with respect to the applicable Global Security.

(iv) Transfer of Certificated Securities to Rule 144A Global Securities. If a Holder of a Certificated Security wishes at any time to exchange its interest in such Security for a beneficial interest in a Rule 144A Global Security or to transfer such Security to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Security, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Security for a beneficial interest in a Rule 144A Global Security of the same Class. Upon receipt by the Registrar of (A) in the case of the Holder of a Certificated Security, such Holder's Certificated Security properly endorsed for assignment to the transferee, (B) a Transfer Certificate, (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Securities of the same Class in an amount equal to the Certificated Securities to be transferred or exchanged and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC to be credited with such increase, the Registrar shall (1) in the case of a Certificated Security, cancel such Certificated Security, (2) record the transfer in the Register and (3) implement the Global Security Procedures with respect to the applicable Global Security.

(h) If Securities are issued upon the transfer, exchange or replacement of Securities bearing the applicable legends set forth in the applicable Exhibit A hereto, and if a request is made to remove such applicable legend on such Securities, the Securities so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Securities that do not bear such applicable legend.

(i) Each Purchaser of Securities represented by an interest in a Global Security will be deemed to have represented and agreed as follows (or, in the case of the purchase of ERISA Restricted Securities on the Original Closing Date or the 2026 Closing Date, as applicable, will be required to represent and agree in a subscription agreement or investor representation letter):

further that all Securities purchased directly or indirectly by it constitute an investment of no more than 40% of its assets.

(iii) In connection with its purchase of such Securities: (A) none of the Transaction Parties or any of their respective Affiliates is acting as a fiduciary or financial or investment advisor for it; (B) it is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Transaction Parties or any of their respective Affiliates; (C) it has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to this Indenture) based upon its own judgment and upon any advice from such advisors as it has deemed necessary and not upon any view expressed by the Transaction Parties or any of their respective Affiliates; (D) it has read and understands the Offering Memorandum for such Securities; (E) it will hold at least the Minimum Denomination of such Securities; (F) it is a sophisticated investor and is purchasing such Securities with a full understanding of all of the terms, conditions and risks thereof, and is capable of and willing to assume those risks; (G) it understands that such Securities are illiquid and it is prepared to hold such Securities until their maturity; and (H) it is not purchasing such Securities with a view to the resale, distribution or other disposition thereof in violation of the Securities Act; provided that none of the representations in clauses (A) through (C) is made with respect to the Collateral Manager by any Affiliate of the Collateral Manager or any account for which the Collateral Manager or any of its Affiliates acts as investment adviser.

(iv) It understands that such Securities are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Securities have not been and will not be registered under the Securities Act, and, if in the future it decides to offer, resell, pledge or otherwise transfer such Securities, such Securities may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture and the legend on such Securities. It acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Securities. It understands that neither of the Co-Issuers has been registered under the Investment Company Act in reliance on an exemption from registration thereunder.

(v) It will not, at any time, offer to buy or offer to sell such Securities by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(vi) It will provide notice to each person to whom it proposes to transfer any interest in such Securities of the transfer restrictions and representations set forth in Section 2.5 of this Indenture, including the Exhibits referenced therein.

(vii) It agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all

Securities, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation proceedings, or other similar proceedings under Jersey, U.S. federal or state bankruptcy or similar laws of any jurisdiction. It agrees and acknowledges that the covenant set forth in the preceding sentence is a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into each Transaction Document to which it is a party and is an essential term of this Indenture and the Notes. It further acknowledges and agrees that if it causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary prior to the expiration of the period specified in the preceding sentence, any claim that it has against the Co-Issuers or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder or beneficial owner of any Security that is not a Filing Holder (and each other secured creditor of the Issuer), with such subordination being effective until each Security held by each Holder or beneficial owner that is not a Filing Holder (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code. The Issuer will direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Securities of each Class of Securities held by each Filing Holder.

(viii) It understands and agrees that such Securities are limited recourse obligations of the Issuer (and, in the case of Co-Issued Notes, the Co-Issuer) payable solely from proceeds of the Assets in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Issuer (and, in the case of Co-Issued Notes, the Co-Issuer) thereunder or in connection therewith after such realization will be extinguished and will not thereafter revive.

(ix) It acknowledges and agrees that (A) the Issuer has the right to compel any Non-Permitted Holder to sell its interest in such Securities or to sell such interest on behalf of such Non-Permitted Holder and (B) in the case of Re-Pricing Eligible Notes, the Issuer has the right to compel any Non-Consenting Holder to sell its interest in such Securities, to sell such interest on behalf of such Non-Consenting Holder or to redeem such Securities.

(x) It acknowledges and agrees that (A) the Trustee, the Collateral Administrator and the Bank in its other capacities under the Transaction Documents will be required to provide certain information to the Issuer and the Collateral Manager regarding the Holders and beneficial owners of the Securities (including, without limitation, the identity of the Holders as contained in the Register and, unless any such Certifying Person instructs the Trustee otherwise, the identity of each Certifying Person), (B) the Trustee shall obtain and provide to the Issuer and the Collateral Manager upon request a list of participants in DTC holding positions in the Securities and (C) none of the

Trustee, the Collateral Administrator or the Bank in any of its other capacities will have any liability for any such disclosure or, subject to its respective duties and responsibilities set forth in the applicable Transaction Documents, for the accuracy thereof.

(xi) It agrees to provide to the Issuer and the Collateral Manager all information reasonably available to it that is reasonably requested by the Issuer or the Collateral Manager in connection with regulatory matters, including, without limitation, the Jersey AML Regulations and any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Issuer or the Collateral Manager from time to time.

(xii) It understands that, subject to certain exceptions set forth in this Indenture, all information delivered to it by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by this Indenture (including, without limitation, the information contained in the reports made available to such holder on the Trustee's Website) is confidential. It agrees that, except as expressly permitted by this Indenture, it will use such information for the sole purpose of administering its investment in such Securities and that, to the extent it discloses any such information in accordance with this Indenture, it will use reasonable efforts to protect the confidentiality of such information.

(xiii) [Reserved].

(xiv) It is not a person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the United Kingdom, the European Union, Switzerland or any other applicable jurisdiction (other than those issued by the Russian Federation or the Republic of Belarus), and its purchase of such Securities will not result in the violation of any such law by any Transaction Party, whether as a result of the identity of it or its beneficial owners, their source of funds or otherwise.

(xv) It agrees to provide upon request certification acceptable to the Applicable Issuer (and any other information reasonably requested by the Applicable Issuer), or their respective agents, to enable the Applicable Issuer to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) comply with applicable law.

(xvi) It agrees to provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the obligations undertaken pursuant to this paragraph (xvi), the "Holder AML Obligations").

(xvii) It understands, represents and agrees as provided in Section 2.12 of this Indenture.

(xviii) (A) Its acquisition, holding and disposition of such Securities will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975

of the Code (or in a violation of any Similar Laws or other applicable law) unless an exemption is available and all conditions have been satisfied.

(B) In the case of ERISA Restricted Securities, (1) unless otherwise specified in a subscription agreement or investor representation letter in connection with the Original Closing Date or the 2026 Closing Date, as applicable, for so long as it holds a beneficial interest in such Securities, it is not a Benefit Plan Investor or a Controlling Person and (2) it is not, and for so long as it holds such Securities or interest therein will not be, subject to any federal, state, local, non-U.S. or other law or regulation that could subject the Issuer or the Collateral Manager (or other persons responsible for the investment and operation of the Issuer's assets) to Similar Laws.

(C) If it is a Benefit Plan Investor, it represents, warrants and agrees that (i) none of the Transaction Parties, nor any of their respective affiliates has provided or will provide any investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor or to any fiduciary or other person investing its assets (a "Plan Fiduciary"), in connection with its acquisition, holding or disposition of the Securities (unless a statutory or administrative exemption applies (all of the applicable conditions of which are satisfied) or the transaction is not otherwise prohibited), and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Securities.

(D) It understands that the representations made in this clause (xviii) will be deemed made on each day from the date of its acquisition of an interest in such Securities through and including the date on which it disposes of such interest. If any such representation becomes untrue, or if there is a change in its status as a Benefit Plan Investor or a Controlling Person, it will promptly notify the Issuer and the Trustee. It and any fiduciary causing it to invest in such Securities agree, to the fullest extent permitted by applicable law, to indemnify and hold harmless the Issuer, the Trustee, the Initial Purchaser and the Collateral Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of any such representation being untrue.

(xix) Either (x) it's principal place of business is not located within any Federal Reserve District or (y) it has satisfied and will satisfy any applicable regulations or other requirements of the FRB including, without limitation, Regulation U of the FRB, in connection with its acquisition of Notes.

(xx) It understands that the foregoing representations and agreements will be relied upon by the Transaction Parties and their respective counsel, and it hereby consents to such reliance.

(j) Each Person who becomes an owner of a Certificated Security will be required to provide a Transfer Certificate.

(k) Any purported transfer of a Security not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose whatsoever.

(l) The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 (or any certificate of ownership delivered pursuant to Section 2.10(d)) and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

(m) Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Securities shall be registered or as to delivery instructions for such Certificated Securities.

Section 2.6. Mutilated, Defaced, Destroyed, Lost or Stolen Security. If (a) any mutilated or defaced Security is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Security, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Security has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Security, a new Security, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest (in the case of a Rated Note) from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Security and bearing a number not contemporaneously outstanding.

If, after delivery of such new Security, a Protected Purchaser of the predecessor Security presents for payment, transfer or exchange such predecessor Security, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Security from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Security has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Security pay such Security without requiring surrender thereof except that any mutilated or defaced Security shall be surrendered.

Upon the issuance of any new Security under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any Tax that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Applicable Issuers and such new Security shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Securities.

Section 2.7. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) Each Class of Rated Notes shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Rated Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class; provided that, notwithstanding the foregoing, the Aggregate Outstanding Amount of any Class of Notes paid on an Interim Payment Date pursuant to Section 10.2(h) shall be redetermined after giving effect to such payment for purposes of the Notes of such Class accruing interest pursuant to this Section 2.7(a) for the period following such Interim Payment Date (but, for the avoidance of doubt, not for the period preceding such Interim Payment Date). Any payment of interest due on a Class of Deferred Interest Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferred Interest Notes, shall constitute "Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the Stated Maturity (or the earlier date of maturity) of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the principal balance of such Class of Deferred Interest Notes and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (A) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (B) which is the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Notes) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Rated Note, or in the case of a partial repayment, on such repaid part, from the date of repayment or Stated Maturity unless payment of principal is improperly withheld or unless an Event of Default occurs with respect to such payments of principal. To the extent lawful and enforceable, interest on any interest that is not paid when due on the Class X Notes, the Class A-1

Notes, the Class A-2 Notes or the Class B Notes or, if no Class X Notes, Class A-1 Notes, Class A-2 Notes or Class B Notes are Outstanding, the Notes of the Controlling Class shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The Subordinated Notes will receive as distributions on each Payment Date the Excess Interest payable on the Subordinated Notes, if any, subject to the Priority of Payments. If no Excess Interest is available for distribution on the Subordinated Notes on a Payment Date in accordance with the Priority of Payments, no amount with respect thereto will be payable on such Payment Date or any other date or considered "due and payable" for purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default).

(c) The principal of each Rated Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Rated Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Rated Notes may only occur (other than amounts constituting Deferred Interest thereon which will be payable from Interest Proceeds) pursuant to the Priority of Payments. Except as otherwise provided in Article IX and the Priority of Payments, the payment of principal on any Rated Note (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal due and payable on each Priority Class and other amounts in accordance with the Priority of Payments. On each Interim Payment Date, the principal of the Rated Notes will be payable (to the extent of funds available therefor) in accordance with the Priority of Payments. Payments of principal on any Class of Rated Notes which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity (or the earlier date of Maturity) of such Class or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full. The Subordinated Notes will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date; provided that, the payment of principal of the Subordinated Notes (x) may only occur after the Rated Notes are no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Rated Notes and other amounts in accordance with the Priority of Payments; and any payment of principal of the Subordinated Notes that is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" for purposes of Section 5.1(a). Principal payments on the Notes will be made in accordance with the Priority of Payments and Section 9.1.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a "United States person" (as defined in Section 7701(a)(30) of the Code) or the applicable IRS Form W-8 (or applicable successor form) (together with all appropriate attachments) in the case of a Person that is not a "United States person" (as defined in Section 7701(a)(30) of the Code)), any information necessary or helpful to enable the Issuer and/or any non-U.S. Issuer Subsidiary (including their agents and

representatives) to comply with FATCA, the Jersey AEOI Regulations and the CRS (compliance with all of these constituting "FATCA Compliance"), or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent (including, in each case, as any such other party may instruct) to determine their duties and liabilities with respect to any Taxes that they may be required to pay, deduct or withhold from payments in respect of such Security under any present or future law or regulation of Jersey, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Securities as a result of deduction or withholding for or on account of any Taxes with respect to the Securities (including any amounts withheld in connection with FATCA). Nothing herein shall be construed to obligate the Paying Agent to determine the duties, liabilities or responsibilities of any other party hereto under any such law or regulation.

(e) Payments in respect of any Security will be made by the Trustee, in Dollars to DTC or its nominee with respect to a Global Security and to the Holder or its nominee with respect to a Certificated Security, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Security, and to the Holder or its nominee with respect to a Certificated Security; provided that (1) in the case of a Certificated Security, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. In the case of a Certificated Security, the Holder thereof shall present and surrender such Security at the office designated by the Trustee upon final payment; provided that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. None of the Co-Issuers, the Trustee, the Collateral Manager or any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Security. In the case where any final payment of principal and interest is to be made on any Rated Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall provide to the applicable Holders a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Rated Notes, original principal amount of Subordinated Notes and the place where Certificated Securities may be presented and surrendered for such payment.

(f) Payments to Holders of each Class on each Payment Date shall be made ratably among the Holders of such Class in the proportion that the Aggregate Outstanding Amount of the Securities of such Class registered in the name of each such Holder at close of business on the applicable Record Date bears to the Aggregate Outstanding Amount of all Securities of such Class at close of business on such Record Date.

(g) Interest on Floating Rate Notes will be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or, in the case of the first Interest Accrual Period, the related portion thereof) *divided by* 360. Interest on Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months; provided, that if a redemption, refinancing or re-pricing pursuant to Article IX occurs on a Business Day that would not otherwise be a Payment Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Security (or one or more predecessor Securities) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Security and of any Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Security.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuer under the Co-Issued Notes and this Indenture are limited recourse obligations of the Co-Issuer and the obligations of the Issuer under the Securities are limited recourse obligations of the Issuer, payable solely from proceeds of the Assets in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers (or, in the case of the Issuer Only Notes, the Issuer) hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, manager, member, shareholder or incorporator of the Co-Issuers (or, in the case of the Issuer Only Notes, the Issuer), the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Securities or this Indenture. It is understood that, except as expressly provided in this Indenture, the foregoing provisions of this paragraph shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer (or, in the case of the Co-Issued Notes, the Co-Issuers) as a party defendant in any Proceeding or in the exercise of any other remedy under the Securities or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(j) Subject to the foregoing provisions of this Section 2.7, each Security delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Security.

Section 2.8. Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Security the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Security and on any other date for all other purposes whatsoever (whether or not such Security is overdue), and none of the Issuer, the Co-Issuers, the

Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9. Purchase and Surrender of Securities; Cancellation. (a) The Issuer may apply (i) all or a portion of amounts on deposit in the Supplemental Reserve Account, (ii) Contributions (at the direction of the related Contributor or, if no such direction is given, at the sole discretion of the Collateral Manager), (iii) Additional Junior Notes Proceeds, (iv) Deferred Subordinated Fees and (v) during the Reinvestment Period only, Principal Proceeds in order to acquire Rated Notes (or beneficial interests therein) of the Class designated by the Collateral Manager or the Contributor, as applicable, through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to applicable law) (any such Rated Notes, the "Repurchased Notes"); provided that no purchases of Rated Notes may occur unless such purchases will be in the order of priority set out in the Note Payment Sequence and no purchases of Rated Notes may occur using Principal Proceeds unless: (A) each such purchase will be made only at prices discounted from par, (B) each Coverage Test is satisfied immediately prior to each such purchase and will be satisfied after giving effect to such purchase, (C) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied or, if any such requirement or test was not satisfied immediately prior to such purchases, such requirement or test will be maintained or improved after giving effect to such purchases and (D) no Event of Default has occurred and is continuing. Any such Repurchased Notes will be submitted to the Trustee for cancellation and each Rating Agency will be notified of such purchase.

(b) All Repurchased Notes, Surrendered Securities and Securities that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold; provided that other than Repurchased Notes and Surrendered Securities of the Controlling Class, Repurchased Notes and Surrendered Securities shall continue to be treated as Outstanding for purposes of calculation of any Overcollateralization Ratio (including, for the avoidance of doubt, for purposes of the Interest Diversion Test) until all Notes of the applicable Class and each Priority Class have been retired or redeemed, having an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of repurchase or surrender, reduced proportionately with, and to the extent of, any payments of principal on Notes of the same Class thereafter. Any such Securities shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.10. DTC Ceases to be Depository. (a) A Global Security deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Security to the beneficial owners thereof (as instructed by DTC) only if (A) such transfer complies with Section 2.5 and (B) either (x) (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Security or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default or an Enforcement Event

has occurred and is continuing and such transfer is requested by the Holder of such Global Security.

(b) Any Global Security that is transferable in the form of a corresponding Certificated Security to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in an authorized Minimum Denomination. Any Certificated Security delivered in exchange for an interest in a Global Security shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Securities.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Securities.

In the event that Certificated Securities are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Securities as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Security would be entitled to pursue in accordance with Article V (but only to the extent of such beneficial owner's interest in the Global Security) as if corresponding Certificated Securities had been issued; provided that the Trustee shall be entitled to receive and rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership as it may require.

Section 2.11. Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Security to a Non-Permitted Holder will be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) The Issuer will promptly after discovery by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer, if either the Co-Issuer or Trustee makes the discovery) that a Holder or beneficial owner is a Non-Permitted Holder, send notice (with a copy to the Collateral Manager) to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Securities or interest in the Securities to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Person fails to transfer its Securities (or the required portion of its Securities), the Issuer will have the right to sell such Securities to a purchaser selected by the Issuer. The Issuer (or its agents) will request such Person to provide (within 10 days after such

request) the names of prospective purchasers, and the Issuer (or its agents) will solicit bids from any such identified prospective purchasers and may also solicit bids from one or more brokers or other market professionals that regularly deal in securities similar to the Securities. The Issuer agrees that it will accept the highest of such bids, subject to the bidder satisfying the transfer restrictions set forth in this Indenture. If the procedure above does not result in any bids from qualified investors, the Issuer may select a purchaser by any other means determined by it in its sole discretion.

(c) The Trustee shall promptly notify the Issuer and the Collateral Manager if a Trust Officer obtains actual knowledge that any Holder or beneficial owner of an interest in a Security is a Non-Permitted Holder.

(d) The proceeds of such sale, net of any commissions, expenses and Taxes due in connection with such sale shall be remitted to the Non-Permitted Holder.

(e) The terms and conditions of any sale under this Section 2.11 shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Collateral Manager or the Trustee shall be liable to any Person having an interest in the Securities sold as a result of any such sale or the exercise of such discretion.

(f) If for any reason (i) a Holder fails to comply with the Holder AML Obligations, (ii) the information or documentation provided by such Holder pursuant to the Holder AML Obligations is not accurate or complete or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel such Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would have a materially adverse effect on the Issuer.

Section 2.12. Tax Treatment; Tax Certifications. (a) Each Holder (including, for purposes of this Section 2.12, any beneficial owner of Notes) agrees to treat (i) the Issuer as a non-U.S. corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Rated Notes as debt and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law, provided that the foregoing shall not prevent a Holder of Class E Notes or Class F Notes from making a protective "qualified electing fund" ("QEF") election (as defined in the Code) and filing protective information returns with respect to the Issuer and its investment in such Notes.

(b) Each Holder will timely furnish the Issuer or its agents any properly completed and signed tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), an IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to enable the Issuer or its agents to (A) make payments to such Holder without, or at a reduced rate of, withholding, (B) qualify for an exemption from, or a reduced rate of, withholding in any jurisdiction from or through which the Issuer or its

agents receive payments, or (C) satisfy reporting and other obligations under the Code, U.S. Treasury Regulations (including any cost basis reporting obligations), or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer and that amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be necessary or helpful to enable the Issuer and/or any non-U.S. Issuer Subsidiary to achieve FATCA Compliance and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer and/or any non-U.S. Issuer Subsidiary or fines and penalties under the CRS on the Issuer, any non-U.S. Issuer Subsidiary and/or their directors, and will update or correct such information or documentation as necessary. In the event the Holder fails to provide or update such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer and/or any non-U.S. Issuer Subsidiary to be subject to any Tax under FATCA or fine or penalty under the CRS, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any Tax imposed under FATCA or fine or penalty under the CRS as a result of such failure or such ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer and/or any non-U.S. Issuer Subsidiary as a result of such failure or such ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any Taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. Each Holder agrees that the Issuer and its agents may (1) provide any information and documentation concerning its investment in its Notes to the Comptroller of Revenue in Jersey, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and/or any non-U.S. Issuer Subsidiary achieves FATCA Compliance.

(d) Each Holder of Issuer Only Notes that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) represents that: (A) either (1) it is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (2) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of U.S. Treasury Regulations section 1.881-3); (3) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business within the United States for U.S. federal income tax purposes and includible in its gross income; or (4) it has provided an IRS Form W-8BEN or IRS Form W-8BEN-E representing that it is eligible for the benefits of an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; and (B) it has not purchased such Notes in whole or in part to

avoid any U.S. federal tax liability within the meaning of U.S. Treasury Regulations section 1.881-3 (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(e) Each Holder, if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in U.S. Treasury Regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and/or any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of U.S. Treasury Regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any U.S. Treasury Regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of U.S. Treasury Regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any U.S. Treasury Regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of U.S. Treasury Regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the Holder with an express waiver of this requirement.

(f) Each Holder of Subordinated Notes will not treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or similar business within the meaning of Sections 954(h) and (i)(2) of the Code.

(g) Each Holder agrees to provide the Issuer and the Trustee (i) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in such Notes and (ii) any additional information that the Issuer, the Trustee or their agents request in connection with any IRS Form 1099 reporting requirements, and to update any such information provided in clause (i) or (ii) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. Each Holder acknowledges that the Issuer or the Trustee may provide such information and any other information concerning its investment in such Notes to the IRS.

Section 2.13. Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of an issuance solely of Additional Subordinated Notes, at any time), the Co-Issuers or the Issuer, as applicable, may issue and sell Additional Notes subject to satisfaction of the conditions set forth in Section 3.2 and provided that the following conditions are met (the "Additional Issuance Conditions"):

(i) such issuance is consented to by the Collateral Manager and a Majority of the Subordinated Notes; provided that no consent will be required in an additional issuance solely to permit the Collateral Manager, the Retention Holder or a Sponsor to comply with the U.S. Risk Retention Rules or to cure a Retention Deficiency;

(ii) unless only Additional Junior Notes are being issued, the Aggregate Outstanding Amount of Notes of such Class issued in all additional issuances may not exceed 100% of the respective original Aggregate Outstanding Amount of the Notes of such Class;

(iii) unless only Additional Junior Notes are being issued, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on Additional Notes will accrue from the issue date of such Additional Notes and the Interest Rate and price of such Notes do not have to be identical to those of the initial Notes of that Class; provided that the Interest Rate of the Additional Notes will not be greater than the Interest Rate of the initial Notes of that Class); provided, however, that in the case of any Class of Fixed Rate Notes, the Co-Issuers may issue Additional Notes of such Class or increase the principal amount of Additional Notes of the Pari Passu Class of Floating Rate Notes, subject to the preceding clause (iii);

(iv) unless only Additional Junior Notes are being issued, Additional Notes of all Junior Classes and Pari Passu Classes (relative to the most senior Class of Rated Notes being issued) must be issued and such issuance of Additional Notes must be proportional across all such Classes; provided that (A) the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes and (B) any Class may be an underlying class represented by a component of a new class of combination securities;

(v) unless only Additional Subordinated Notes are being issued, prior notice is given to each Rating Agency;

(vi) the proceeds of any Additional Notes shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations or, solely in the case of Additional Junior Notes Proceeds, for a Permitted Use;

(vii) the fees and expenses incurred in connection with such issuance will be paid or provided for on the date of such issuance;

(viii) unless only Additional Junior Notes are being issued, the degree of compliance with each Coverage Test, if applicable, is maintained or improved immediately after giving effect to such issuance and the application of the proceeds thereof; provided that this clause (viii) will not apply to an additional issuance effected solely to permit the Collateral Manager, the Retention Holder or a Sponsor to comply with the U.S. Risk Retention Rules or to cure a Retention Deficiency; and

(ix) unless only Additional Junior Notes treated as equity for U.S. federal income tax purposes are being issued, Tax Advice shall be delivered to the Issuer (with a copy to the Trustee) to the effect that any Additional Note that is a Rated Note will have the same U.S. federal income tax characterization as debt (and at the same comfort level) as any Outstanding Rated Notes of the same Class; provided, however, that such Tax Advice will not be required with respect to any Additional Notes that are Rated Notes that

bear a different securities identifier from the Rated Notes of the same Class that are Outstanding at the time of the additional issuance.

(b) Unless such additional issuance is effected in the sole discretion of the Collateral Manager and/or the Retention Holder to permit the Collateral Manager, the Retention Holder or a Sponsor to comply with the U.S. Risk Retention Rules, the Retention Letter or to cure a Retention Deficiency, any Additional Notes of existing Classes, to the extent reasonably practicable, will be offered first to Holders of that Class in such amounts as are necessary to preserve (on an approximate basis) their *pro rata* holdings of such Class.

(c) The Co-Issuers or the Issuer may also issue Additional Notes in the form of replacement notes in connection with a Refinancing, which issuance will not be subject to Section 2.13(a) but will be subject only to Section 9.2.

(d) Any Additional Notes that are Rated Notes (and Additional Mezzanine Notes treated as debt for U.S. federal income tax purposes) pursuant to clause (a) above will be issued (x) with a separate CUSIP number unless such Rated Notes are issued pursuant to a "qualified reopening" of the original series, are otherwise treated as part of the same "issue" of debt instruments as the original series or are issued with less than a *de minimis* amount of original issue discount, in each case for U.S. federal income tax purposes and (y) in a manner that will allow the Issuer to accurately provide the information described in U.S. Treasury Regulations section 1.1275-3(b)(1)(i).

The security interest of the Trustee in the funds or other property used in connection with such acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other investment so acquired, including all rights of the Issuer in and to any contracts related to and proceeds of such Collateral Obligation, Eligible Investment or other investment.

(c) The Issuer (or the Collateral Manager on its behalf) shall cause any other Assets acquired by the Issuer to be Delivered.

ARTICLE IV

SATISFACTION AND DISCHARGE; ILLIQUID ASSETS; LIMITATION ON ADMINISTRATIVE EXPENSES

Section 4.1. Satisfaction and Discharge of Indenture. This Indenture will be discharged and will cease to be of further effect except as to:

(i) rights of Holders of Rated Notes to receive payments of principal thereof and interest that accrued prior to Maturity (and to the extent lawful and enforceable, interest on due and unpaid accrued interest) thereon and the Subordinated Notes to distributions as provided for under the Priority of Payments, subject to Section 2.7(j),

(ii) the rights and immunities of the Collateral Manager hereunder and under the Collateral Management Agreement and of the Collateral Administrator under the Collateral Administration Agreement,

(iii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them (subject to Section 2.7(j)), and

(iv) the rights and immunities of the Trustee hereunder,

when (A) the Trustee, at the request of the Issuer, confirms (which may be by email) that (1) no Collateral Obligations, Eligible Investments, Restructured Obligations or Equity Securities remain on deposit or are credited in the Accounts and (2) no Trust Officer has actual knowledge or has received written notice of the filing or commencement of, or a threat received within the prior six months to file or commence, any claim or other proceeding in respect of the Collateral or the Notes, and (B) the Issuer provides an Issuer Order directing the Trustee to close

the Accounts and the Trustee confirms the closure of the Accounts to the Issuer. The Issuer shall not make the request under clause (B) if the Issuer has actual knowledge of any unresolved claim or pending proceedings in respect of the Collateral or the Notes. Following closure of the Accounts, the Trustee will, upon request by the Issuer, execute proper instruments acknowledging the satisfaction and discharge of this Indenture.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Collateral Manager and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.17 shall survive.

Section 4.2. Application of Trust Money. All Cash and obligations deposited with the Trustee pursuant to Section 4.1 shall be held in an Account and applied by it in accordance with the provisions of the Securities and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent, as the Trustee may determine; and such Cash and obligations shall be held in an Account.

Section 4.3. Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Securities, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4. Disposition of Illiquid Assets. (a) Notwithstanding Article XII or any other term of this Indenture to the contrary, if at any time the Assets consist exclusively of Illiquid Assets and/or Eligible Investments (including Cash), then the Collateral Manager may provide a notice to the Trustee to forward to the Holders of Securities requesting that any Holder of Securities that wishes to bid on any such Illiquid Asset notify the Trustee (with a copy to the Collateral Manager) of such intention within 15 Business Days after the date of such notice.

(i) The Trustee shall, after the end of such 15 Business Day period, request bids for the sale of each Illiquid Asset, at the direction of the Collateral Manager, from (A) at least three Persons identified to the Trustee by the Collateral Manager that make a market in or specialize in obligations of the nature of such Illiquid Asset, (B) the Collateral Manager, (C) each Holder that notified the Trustee that it wishes to bid and (D) in the case of a public sale, any other participating bidders.

(ii) The Trustee shall notify the Collateral Manager promptly of the results of such bids.

(iii) If a Majority of the Controlling Class or a Majority of the Subordinated Notes so directs the Trustee prior to acceptance of a bid for any Illiquid Asset, the Trustee will not dispose of such Illiquid Asset.

(iv) Subject to applicable law, if the highest bids for all Illiquid Assets (other than any bids for Illiquid Assets not being sold as directed under clause (iii)) equal (A) at

least U.S.$100,000, the Issuer shall sell each Illiquid Asset to the related highest bidder (which may include the Collateral Manager and its Affiliates) or (B) less than U.S.$100,000 (which may be zero), the Trustee shall dispose of the Illiquid Assets as directed by the Collateral Manager in its reasonable business judgment, which may result, with respect to any Illiquid Asset, in (1) selling it to the highest bidder (which may include the Collateral Manager and its Affiliates); (2) donating it to a charitable organization designated by the Collateral Manager or (3) returning it to its issuer or obligor for cancellation.

(b) Notwithstanding the foregoing, the Trustee shall not be under any obligation to dispose of or offer for sale any Illiquid Assets pursuant to the above if the Trustee is not reasonably satisfied that payment of all expenses, costs and liabilities to be incurred by the Trustee in connection with such disposition or offer, as the case may be, are indemnified or provided for in a manner acceptable to the Trustee and the Trustee will have no liability for the sufficiency or acceptability of the sale procedures or the results of any such sale or disposition of Illiquid Assets, including whether any bids are received or the amount of any bid.

Section 4.5. Limitation on Obligation to Incur Administrative Expenses. If at any time the sum of (i) Eligible Investments (including Cash) and (ii) amounts reasonably expected to be received by the Issuer in Cash during the current Collection Period (as certified by the Collateral Manager in its reasonable judgment) is less than the Dissolution Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture to any Person other than the Trustee, the Collateral Administrator (or any other capacity in which the Bank is acting pursuant to the Transaction Documents), the Administrator and their Affiliates, including for Opinions of Counsel in connection with supplemental indentures pursuant to Article VIII, annual opinions under Section 7.6, services of accountants under Section 10.9 and fees of the Rating Agencies under Section 7.14, failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a Default hereunder, and the Trustee shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee or the Bank in any capacity under this Indenture or other Transaction Document to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V

REMEDIES

Section 5.1. Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on the Class X Notes, the Class A-1 Notes, the Class A-2 Notes or the Class B Notes or, if there are no Class X Notes, Class A-1 Notes, Class A-2 Notes or Class B Notes Outstanding, any Rated Notes

of the Controlling Class and, in each case, the continuation of any such default for five Business Days, or (ii) any principal of, or interest or Deferred Interest on, or any Redemption Price in respect of, any Rated Note at its Stated Maturity or on any Redemption Date; provided that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for 10 Business Days after a Trust Officer receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined); provided further, that the failure to effect an Optional Redemption, Tax Redemption, Refinancing, Partial Redemption or Re-Pricing will not constitute an Event of Default;

(b) unless such amounts are legally required or permitted to be withheld, the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.$200,000, in accordance with the Priority of Payments and the continuation of such failure for 15 Business Days after a Trust Officer receives written notice or has actual knowledge of such failure, administrative error or omission (as applicable);

(c) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);

(d) except as otherwise provided in this Section 5.1, a default in a material respect in the performance, or breach in a material respect, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Interest Diversion Test or effect an Optional Redemption, a Partial Redemption, a Tax Redemption or a Re-Pricing is not an Event of Default and any failure to satisfy the requirements of Section 7.18 or any trade error is not an Event of Default under this clause (d)), or the failure of any material representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate delivered pursuant hereto or in connection herewith to be correct, in each case in all material respects, when the same shall have been made, which default or failure has a material adverse effect on any Class, and (if remediable) the continuation of such default, breach or failure for a period ending on the 30th Business Day after notice by the Trustee at the direction of a Majority of the Controlling Class to the Issuer or the Co-Issuer, as applicable, and the Collateral Manager specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(e) the occurrence of a Bankruptcy Event; or

(f) on any Measurement Date on which any Class A-1 Notes are Outstanding, failure of the percentage equivalent of a fraction (i) the numerator of which is equal to the sum of (x) the Aggregate Principal Balance of the Collateral Obligations (for purposes of which determination, the Principal Balance of each Defaulted Obligation shall be equal to its Market Value as of such date) and (y) without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing

Principal Proceeds and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1 Notes, to equal or exceed 102.5%.

For purposes of calculating the Aggregate Principal Balance of the Collateral Obligations under clause (f) above, each Defaulted Obligation will be included at its Market Value.

Promptly upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer, the Trustee shall, not later than three Business Days thereafter, notify the Holders, each Paying Agent, DTC and each Rating Agency of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2. Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than a Bankruptcy Event), the Trustee shall (upon the written direction of a Majority of the Controlling Class), by notice to the Co-Issuers, the Collateral Manager and each Rating Agency, declare the principal of the Rated Notes to be immediately due and payable, and upon any such declaration the principal of the Rated Notes, together with accrued and unpaid interest thereon (including, in the case of the Deferred Interest Notes, any Deferred Interest) through the date of acceleration and all other amounts payable hereunder, shall become immediately due and payable. If a Bankruptcy Event occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Rated Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee (who shall provide a copy of such notice to each Rating Agency upon receipt) and the Collateral Manager, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Rated Notes (other than the non-payment of amounts that have become due solely due to acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid Taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Base Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Base Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Rated Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee, with a copy to the Collateral Manager, has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Rated Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Rated Note, the whole amount, if any, then due and payable on such Rated Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Rated Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default or an Enforcement Event occurs and is continuing, the Trustee may in its discretion, and shall (subject to its rights hereunder, including pursuant to Section 6.3(e)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Rated Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Rated Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the

Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Rated Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Rated Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Rated Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Rated Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Rated Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Rated Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Rated Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Rated Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Rated Noteholders (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Rated Noteholders.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies. (a) If the Maturity of the Rated Notes has been accelerated as provided in Section 5.2(a) and such acceleration and its consequences have not been rescinded and annulled as provided in Section 5.2(b) or if the Rated Notes have become due and

payable at Stated Maturity or on any Redemption Date and remain unpaid (either such event, an "Enforcement Event"), the Co-Issuers agree that the Trustee may, and shall, upon written direction (who shall provide notice of such directions to the Collateral Manager upon receipt) of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(e)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Rated Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Rated Noteholders hereunder (including exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion or advice of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Rated Notes, which may be the Initial Purchaser, or other appropriate advisors, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Rated Notes, which opinion or advice shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default set forth in Section 5.1(d) has occurred and is continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class in accordance with Section 5.8(b) shall (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Rated Noteholders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the other Secured Parties or the beneficial owners or Holders of any Securities may (and the beneficial owners and Holders of each Class of Securities agree, for the benefit of all beneficial owners and Holders of each Class of Securities, that they shall not), prior to the date which is one year (or if longer, any applicable preference period then in effect) *plus* one day after the payment in full of all Securities, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceedings, or other similar Proceedings under Jersey, U.S. federal or state bankruptcy or similar laws of any jurisdiction. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer or the Co-Issuer, the Issuer or the Co-Issuer, as applicable, subject to the availability of funds as set forth in the immediately following sentence, will promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer or the Issuer (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Security shall be deemed to have accepted and agreed to the foregoing restrictions.

(i) In the event one or more Holders or beneficial owners of Securities institutes, or joins in the institution of, a proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition set forth above (each, a "Filing Holder"), such Filing Holder will be deemed to acknowledge and agree that any claim that it has against the Co-Issuers or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the

Priority of Payments, and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder or beneficial owner of any Note that is not a Filing Holder (and each other secured creditor of the Issuer), with such subordination being effective until each Note held by each Holder or beneficial owner of any Security that is not a Filing Holder (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms set forth in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement shall constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, including amounts which are subordinated pursuant to this Section 5.4(d)(i). The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Securities of each Class held by each Filing Holder.

(ii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceeding.

In addition, nothing in this Section 5.4 shall preclude, or be deemed to stop, any Holder or beneficial owner of Securities (1) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) and one day period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in the institution or commencement of (or in, either case, which such Holder or beneficial owner did not cause or direct any other Person to institute or commence such Proceeding), or (2) from filing proofs of claim in any Proceeding voluntarily filed or commenced by either of the Co-Issuers or any Issuer Subsidiary or any involuntary insolvency Proceeding which such Holder or beneficial owner did not institute or commence or join in the institution or commencement of (or in, either case, which such Holder or beneficial owner did not cause or direct any other Person to institute or commence such Proceeding).

(iii) The restrictions set forth in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Securities to acquire such Securities and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of Securities, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific

performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation proceedings, or other similar proceedings under Jersey, United States federal or state bankruptcy or similar laws.

Section 5.5. Optional Preservation of Assets. (a) If an Event of Default has occurred and is continuing (unless the Trustee has provided notice to the Collateral Manager that liquidation of the Assets will commence pursuant to this Article V), then (x) the Collateral Manager may continue to direct sales and other dispositions of Collateral Obligations in accordance with and to the extent permitted pursuant to Section 4.4 and Article XII and (y) the Trustee shall retain the Assets intact (subject to the rights of the Collateral Manager pursuant to clause (x) above), collect all payments in respect of the Assets and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Securities in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII, unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Rated Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Rated Notes (including amounts due and owing, and amounts anticipated to be due and owing, as Administrative Expenses (without regard to the Administrative Expense Cap) and due and unpaid Base Management Fee) and a Supermajority of the Controlling Class agrees with such determination;

(ii) solely for so long as any Class A-1 Notes are Outstanding, in the case of an Event of Default set forth in clause (a) or (f) of the definition thereof (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default, unless such Event of Default occurred solely as a result of acceleration), a Majority of the Class A-1 Notes directs the sale and liquidation of the Assets;

(iii) a Majority of each Class of the Rated Notes (voting separately by Class but excluding the Class X Notes) directs the sale and liquidation of the Assets; or

(iv) if no Rated Notes are Outstanding, a Majority of the Subordinated Notes directs the sale and liquidation of the Assets.

Directions by Holders under clauses (ii), (iii) and (iv) above will be effective when delivered to the Issuer, the Trustee (who shall provide notice of such directions to each Rating Agency upon receipt) and the Collateral Manager. The Trustee will provide notice of any liquidation of the Assets pursuant to this Article V to the Holders and each Rating Agency at least 10 days prior to such liquidation, and any Holder may bid for and acquire any portion of the Assets in connection with any public sale thereof to the extent permitted by applicable law and provided that such Holder meets any applicable eligibility requirements with respect to such acquisition.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not

satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation and assistance of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a security contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of one such bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion or advice of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Supermajority of the Controlling Class at any time during which the second sentence of Section 5.5(a) applies; provided that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6. Trustee May Enforce Claims Without Possession of Securities. All rights of action and claims under this Indenture or under any of the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected. Following the commencement of liquidation of the Assets by the Trustee pursuant to Section 5.4, any Money collected by the Trustee with respect to the Securities pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Securities hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a), at the date or dates fixed by the Trustee.

Section 5.8. Limitation on Suits. No Holder of any Security shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Securities, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee (with a copy to the Collateral Manager) written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the Securities of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Securities of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Securities of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Holders to Receive Principal and Interest. (a) Subject to Section 2.7(j), but notwithstanding any other provision of this Indenture, the Holder of any Rated Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Rated Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.4 and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Rated Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Class to such Rated Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

(b) Subject to Section 2.7(j), but notwithstanding any other provision of this Indenture, the Holder of any Subordinated Notes shall have the right, which is absolute and unconditional, to receive payment of the principal of and Excess Interest payable on such Subordinated Notes, as such principal and Excess Interest becomes due and payable in accordance with the Priority of Payments. Holders of Subordinated Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Rated Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8 to

institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Rated Notes to exercise any right or remedy accruing upon any Event of Default or Enforcement Event shall impair any such right or remedy or constitute a waiver of any such Event of Default or Enforcement Event or an acquiescence therein or of a subsequent Event of Default or Enforcement Event. Every right and remedy given by this Article V or by law to the Trustee or to the Rated Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Rated Noteholders.

Section 5.13. Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default or an Enforcement Event to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5 and shall not be limited by this Section 5.13.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Securities waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Rated Note (which may be waived only with the consent of the Holder of such Rated Note);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of each Holder of Securities of such Class materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Security by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so)

hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Holders (with a copy to the Collateral Manager), and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Securities or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Rated Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Securities. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) Notwithstanding anything to the contrary herein, at least 10 Business Days prior to the public sale of any Collateral Obligation in connection with a liquidation pursuant to Section 5.4, the Trustee shall notify the Collateral Manager and the holders of Subordinated Notes of its intent to sell any Collateral Obligation in accordance with this Section 5.17. Prior to the Trustee soliciting any bid in respect of such a Sale of a Collateral Obligation, the Collateral

Manager and/or the holders of a Majority of the Subordinated Notes will have the right (such right, the "Purchase Option"), by giving notice to the Trustee within three Business Days after the Trustee has notified such parties of the intention to sell and liquidate the Assets, to submit (on its behalf or on behalf of funds or accounts managed by such party) and the Trustee will accept, a firm bid to purchase such Collateral Obligation at the Market Value of such Collateral Obligation (as determined by the Collateral Manager and notified to the Trustee); provided that, solely for the purpose of this subsection, clauses (iii) and (iv) of the definition of the term Market Value shall be disregarded. To the extent more than one party provides a firm bid related to any such Collateral Obligation, each entity shall take assets (unless otherwise agreed) (i) with respect to holders of Subordinated Notes, pro rata based on holdings of Subordinated Notes and (ii) with respect to the Collateral Manager, 50% of the principal balance of such Collateral Obligation. The Holders, by their acceptance of Notes, are deemed to agree that any such sale conducted as provided in this paragraph, shall be commercially reasonable. The Trustee shall have no responsibility or liability for (i) selling a Collateral Obligation to the Collateral Manager (or any of its related parties described above) or a Holder of a Subordinated Note as described above, or the inability of any such party to provide a firm bid or (ii) any delay, failure or loss of value in liquidating a Collateral Obligation as a result of the requirements above. At the election of the Collateral Manager or the holders of a Majority of the Subordinated Notes (with the consent of the Collateral Manager), the Purchase Option shall be exercisable in connection with any Optional Redemption pursuant to Article IX hereof.

Section 5.18. Action on the Securities. The Trustee's right to seek and recover judgment on the Securities or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities. (a) Except during the occurrence and continuation of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three

Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders (with a copy to the Collateral Manager).

(b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default or Default set forth in Section 5.1(c) or (d) or a Bankruptcy Event unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice

references the Securities generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as set forth in this Section 6.1.

(e) The Trustee will deliver all notices to the Holders forwarded to the Trustee by the Issuer or the Collateral Manager for such purpose. Upon the Trustee receiving written notice from the Collateral Manager that an event constituting a "Manager Default" (as defined in the Collateral Management Agreement) has occurred, the Trustee will, not later than three Business Days thereafter, notify the Holders.

(f) The Trustee shall not be required to monitor or verify (i) AML Compliance, (ii) whether a Retention Deficiency exists, (iii) whether the RTPB Condition is satisfied or (iv) whether the conditions for a Bankruptcy Exchange are satisfied. The Trustee is hereby directed to execute the Retention Letter.

(g) The Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(h) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(i) If within 80 calendar days of delivery of financial information or disbursements (which delivery may be by posting to the Trustee's website) the Bank receives written notice of an error or omission related thereto and within five calendar days of the Bank's receipt of such notice the Collateral Manager or the Issuer confirms such error or omission, the Bank agrees to use reasonable efforts to correct such error or omission and such use of reasonable efforts shall be the only obligation of the Bank in connection therewith. In no event shall the Bank be obligated to take any action at any time at the request or direction of any Person unless such Person shall have offered to the Bank indemnity reasonably satisfactory to it.

Section 6.2. Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall notify the Collateral Manager, each Rating Agency and all Holders of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, judgment, note or other paper, electronic communication or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officer's certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, request and rely on reports of nationally recognized accountants (which may be the Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Securities and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed, or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the Independent accountants (which may be the Independent accountants appointed by the Issuer pursuant to Section 10.9) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, DTC, Euroclear, Clearstream or any other clearing agency or depository or any Paying Agent (other than the Trustee), and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager, the Issuer or the Co-Issuer with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine (i) whether the Collateral Manager has the authority to provide instructions hereunder or under another Transaction Document or (ii) the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a Securities Intermediary) to the contrary, neither the Trustee nor the Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank, or an Affiliate, is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Calculation Agent or Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Account Agreement or any other documents to which the Bank, or an Affiliate, in such capacity is a party;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Securities generally, the Issuer, the Co-Issuer or this Indenture. Delivery of reports, documents and other information to the Trustee is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive knowledge of any event or circumstance or any information contained therein or determinable from information contained therein or any other related document other than to the extent that the express duties of the Trustee hereunder require the Trustee to review such reports or information;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services), any act or provision of any present or future law or regulation or governmental authority; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, it being understood that the Trustee shall use commercially reasonable efforts consistent with accepted practices in the banking industry to maintain performance or resume performance, as applicable, as soon as practicable under the circumstances;

(r) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(s) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(t) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(u) the Trustee shall have no duty to monitor or verify compliance with the U.S. Risk Retention Rules, the EU/UK Securitization Regulation or the EU/UK Risk Retention and Due Diligence Requirements;

(v) neither the Trustee nor the Collateral Administrator shall have any responsibility to the Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Collateral Manager on behalf of the Issuer); provided that the Trustee is hereby authorized to execute any acknowledgment or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include, among other things, (i) acknowledgments with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants by the Issuer, (ii) releases of claims (on behalf of itself and the holders of Notes) and other acknowledgments of limitations of liability in favor of the Independent accountants or (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders). It is understood and agreed that the Trustee will deliver such acknowledgment or other agreement in conclusive reliance on the foregoing direction of the Issuer, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. Notwithstanding the foregoing, in on event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it in its individual capacity;

(w) neither the Trustee nor the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation, Workout Obligation, Restructured Obligation, Eligible Investment or Specified Equity Security meets the criteria or eligibility restrictions imposed by this Indenture or (ii) whether the conditions specified in the definition of "Delivered" have been complied with;

(x) to help fight the funding of terrorism and money laundering activities, the Trustee shall obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee shall ask for the name, address, tax identification number and other information that shall allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided; and

(y) neither the Trustee nor the Calculation Agent shall be responsible or liable for the actions or omissions of the Collateral Manager, or any failure or delay in the performance of its duties or obligations, nor shall they be under any obligation to oversee or monitor its performance; and each of the Trustee and Calculation Agent shall be entitled to rely conclusively upon, any determination made, and any instruction, notice, officer certificate, or other instrument or information provided, by the Collateral Manager, without independent verification, investigation or inquiry of any kind by the Trustee or Calculation Agent.

Section 6.4. Not Responsible for Recitals or Issuance of Securities. The recitals contained herein and in the Securities, other than the Certificate of Authentication thereon, shall

be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Securities. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Securities or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof. In entering into this Indenture, the Trustee shall be entitled to the benefit of every provision of the Existing Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee.

Section 6.5. May Hold Securities. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder and under the other Transaction Documents (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in each of its capacities hereunder and under the other Transaction Documents in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Bank (in each of its respective capacities hereunder and under the other Transaction Documents) and its respective Officers, directors, employees and agents for, and to hold them harmless against, any loss, claim, liability or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of duties hereunder and under the other

Transaction Documents, including the costs and expenses of enforcing this Indenture or the other Transaction Documents, defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Bank reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in Sections 11.1(a)(i), (ii) and (iii) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy with respect to the Issuer, the Co-Issuer or any Issuer Subsidiary until at least one year (or if longer the applicable preference period then in effect) *plus* one day, after the payment in full of all Securities issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Bank in its relevant capacity. When the Trustee incurs expenses after the occurrence of a Default related to a Bankruptcy Event or a Bankruptcy Event, the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, (1) having a counterparty risk assessment of at least "Baa3(cr)" by Moody's or, if such institution does not have a counterparty risk assessment by Moody's, a senior unsecured rating of at least "Baa3" (and not on credit watch with negative implications) by Moody's, (2) satisfying the Fitch Counterparty Ratings and (3) having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease

to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Collateral Manager, the Holders and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of the Rated Notes of each Class or, at any time when an Event of Default or an Enforcement Event has occurred and is continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed (x) by the Collateral Manager solely if the Trustee defaulted in the performance of any of its material duties under this Indenture or any of the Transaction Documents and has not cured such default within 45 days; provided that the consent of a Majority of the Subordinated Notes is obtained or (y) upon 30 days' notice by an Act of a Majority of each Class of Rated Notes or, at any time when an Event of Default or an Enforcement Event has occurred and is continuing upon 30 days' notice by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder, on behalf of itself and all others similarly situated, or the Trustee, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by providing notice of such event to the Collateral Manager, to each Rating Agency and to the Holders. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to provide such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Paying Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Rated Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Securities has been authenticated, but not

delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.12. Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons satisfying the requirements of Section 6.8 to act as co-trustee, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Securities shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default or an Enforcement Event has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Collateral Manager of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing (which may be by e-mail) and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Securities in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Securities. For all purposes of this Indenture, the authentication of Securities by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Securities by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation

or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer (with a copy to the Collateral Manager). The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers (with a copy to the Collateral Manager). Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers (with a copy to the Collateral Manager).

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding tax is imposed on the Issuer's payment under the Securities by law (including in connection with FATCA) or pursuant to the Issuer's agreement with a governmental authority, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings. The amount of any withholding tax imposed by law (including in connection with FATCA) with respect to any Security shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee or such Paying Agent. If there is a possibility that withholding tax is payable with respect to a distribution, such Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder or beneficial owner in providing readily available information so long as such Holder or beneficial owner agrees to reimburse the Trustee or such Paying Agent for any reasonable and documented out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or such Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Securities.

Section 6.16. Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the

power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent and Calculation Agent. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) to the actual knowledge of any Trust Officer of the Trustee, will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1. Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Rated Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Securities or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Securities or this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under any Security shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Securities and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Securities may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional Paying Agents; provided that no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Securities to withholding tax solely as a result of such Paying Agent's activities or its location. If at any time the Co-Issuers shall fail to maintain the appointment of a Paying Agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations set forth in the preceding sentence), and Securities may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers have appointed Corporation Service Company as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby (the "Process Agent"). The Co-Issuers may at any time and from time to time vary or terminate the appointment of such Process Agent or appoint an additional Process Agent; provided that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Securities and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

Section 7.3. Money for Payments to be Held in Trust. All payments of amounts due and payable with respect to any Securities that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Securities.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders of the certificate numbers of individual Securities held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee, with a copy to the Collateral Manager, of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Securities with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee, with a copy to the Collateral Manager; provided that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent (i) has a counterparty risk assessment of "Baa1(cr)" or higher by Moody's or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured rating of at least "Baa1" (and not on credit watch with negative implications) by Moody's and (ii) satisfies the Fitch Counterparty Ratings. If such successor Paying Agent ceases to satisfy such ratings or counterparty risk assessment, as applicable, the Co-Issuers shall promptly (but in no event later than 30 days after such Paying Agent ceases to have such ratings) remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Securities if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee, with a copy to the Collateral Manager, notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Securities) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Security and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment.

Section 7.4. Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of Jersey and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Securities or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from Jersey to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change will not have a material adverse effect on any Class, (ii) written notice of such change shall have been given to the Trustee by the Issuer, which notice shall be forwarded by the Trustee to the Holders, the Collateral Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular Board of Directors' and shareholders', or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored (other than, with respect to the Co-Issuer, for U.S. federal income tax purposes) or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiaries), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's declaration of trust by the Share Trustee, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, members or managers, as applicable), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder or member that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person and (J) correct any known misunderstanding regarding its separate identity.

(c) With respect to any Issuer Subsidiary:

(i) the Issuer shall not permit such Issuer Subsidiary to incur any indebtedness;

(ii) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to the costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to the assets of such Issuer Subsidiary and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law, (B) the activities and business purposes of such Issuer Subsidiary shall be limited to holding securities or obligations in accordance with Section 12.1(i)(ii) that are otherwise required to be sold pursuant to Section 12.1(i)(i) and activities reasonably incidental thereto (including holding interests in other Issuer Subsidiaries), (C) such Issuer Subsidiary will not create, incur, assume or permit to exist any lien (other than a lien arising by operation of law), charge or other encumbrance on any of its assets, or, except as otherwise expressly permitted under this Indenture, sell, transfer, exchange or otherwise dispose of any of its assets, or assign or sell any income or revenues or rights in respect thereof, (D) such Issuer Subsidiary will be subject to the limitations on powers set forth in the organizational documents of the Issuer, (E) if such Issuer Subsidiary is classified as a non-U.S. corporation for U.S. federal income tax purposes, such Issuer Subsidiary shall file a U.S. federal income tax return reporting all income effectively connected with the conduct of a trade or business within the United States for U.S. federal income tax purposes by such Issuer Subsidiary, if any, arising as a result of owning the permitted assets of such Issuer Subsidiary, (F) after paying Taxes and expenses payable by such Issuer Subsidiary or setting aside adequate reserves for the payment of such Taxes and expenses, such Issuer Subsidiary will distribute 100% of the Cash proceeds of the assets acquired by it (net of such Taxes, expenses and reserves), (G) such Issuer Subsidiary will not form or own any subsidiary or any interest in any other entity other than interests in another Issuer Subsidiary or securities or obligations held in accordance with Section 12.1(i)(ii) that would otherwise be required to be sold by the Issuer pursuant to Section 12.1(i)(i) and (H) such Issuer Subsidiary will not acquire or hold title to any real property or a controlling interest in any entity that owns real property;

(iii) the constitutive documents of such Issuer Subsidiary shall provide that such Issuer Subsidiary will (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds; provided that the Issuer may pay expenses of such Issuer Subsidiary to the extent that collections on the assets held by such Issuer Subsidiary are insufficient for such purpose, (G) observe all corporate formalities and other formalities in its by-laws and its certificate of incorporation, (H) maintain an arm's length relationship with its Affiliates, (I) not have any employees, (J) not guarantee or become obligated for the debts of any other person (other than the Issuer) or hold out its credit as being available to satisfy the obligations of others (other than the Issuer), (K) not acquire obligations or securities of the Issuer, (L) allocate fairly and reasonably any overhead for shared office space, (M) use separate stationery, invoices and checks, (N) not pledge its assets for the benefit of any other Person or make any loans or advance to any Person, (O) hold itself out as a separate

(iv) the constitutive documents of such Issuer Subsidiary shall provide that the business of such Issuer Subsidiary shall be managed by or under the direction of a board of at least one director (or, if such Issuer Subsidiary is a limited liability company that does not have a board of directors, a manager whose vote is required for the initiation of any bankruptcy or other insolvency proceeding) and that at least one such director (or manager) shall be a person who is not at the time of appointment and for the five years prior thereto has not been (A) a direct or indirect legal or beneficial owner of the Collateral Manager, such Issuer Subsidiary or any of their respective Affiliates (excluding *de minimis* ownership), (B) a creditor, supplier, officer, manager, or contractor of the Collateral Manager, such Issuer Subsidiary or any of their respective Affiliates or (C) a person who controls (whether directly, indirectly or otherwise) the Collateral Manager, such Issuer Subsidiary or any of their respective Affiliates or any creditor, supplier, officer, manager or contractor of the Collateral Manager, such Issuer Subsidiary or any of their respective Affiliates;

(v) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis;

(vi) the constitutive documents of such Issuer Subsidiary shall provide that, so long as the Issuer Subsidiary is owned by the Issuer, upon the occurrence of the earliest of the date on which the Aggregate Outstanding Amount of each Class of Rated Notes is to be paid in full or the date of any voluntary or involuntary dissolution, liquidation or winding-up of the Issuer or the Co-Issuer, (x) the Issuer shall sell or otherwise dispose of all of its equity interests in such Issuer Subsidiary within a reasonable time or (y) such Issuer Subsidiary shall (A) sell or otherwise dispose of all of its property or, to the extent such Issuer Subsidiary is unable to sell or otherwise dispose of such property within a reasonable time, distribute such property in kind to its stockholders, (B) make provision for the filing of a tax return and any action required in connection with winding up such Issuer Subsidiary, (C) liquidate and (D) distribute the proceeds of liquidation to its stockholders; and

(vii) to the extent payable by the Issuer, with respect to any Issuer Subsidiary, any expenses related to such Issuer Subsidiary will be considered Administrative Expenses and will be payable as Administrative Expenses.

(d) Notwithstanding any other provision of this Indenture, the Co-Issuers and the Trustee agree, for the benefit of all Holders of each Class of Securities, not to institute against any Issuer Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, a winding-up or liquidation of an

Issuer Subsidiary that no longer holds any assets), until the payment in full of all Notes and the expiration of a period equal to one year (or, if longer, the applicable preference period then in effect) *plus* one day, following such payment in full.

Section 7.5. Protection of Assets. (a) The Issuer (or the Collateral Manager on its behalf) will cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided that the Issuer (or the Collateral Manager on its behalf) shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Issuer (or the Collateral Manager on its behalf) has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets.

In connection with the Original Closing Date, the Issuer authorized and caused its U.S. counsel to file a Financing Statement in the appropriate jurisdiction in connection with the Grant pursuant to the Existing Indenture that named the Issuer as "debtor" and the Trustee on behalf of the Secured Parties as "secured party" and that identified "all assets in which the debtor now or hereafter has rights" as the collateral Granted to the Trustee. The Issuer further appointed the Trustee as its agent and attorney-in-fact for the purpose of preparing and filing any other Financing Statement, continuation statement or other instrument as may be required pursuant to this Section 7.5(a); provided that such appointment shall not impose upon the Trustee, or release or diminish, any of the Issuer's obligations under this Section 7.5(a). The Issuer hereby ratifies the filing of the 2024 Financing Statement as provided for under the Existing Indenture and

acknowledges and agrees that the 2024 Financing Statement (including any continuation statement filed with respect thereto) applies to the Assets under this Indenture and represents a continuous lien on the Assets for the period beginning on the Original Closing Date.

(b) The Issuer shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Original Closing Date pursuant to Section 3.1(a)(iii) of the Existing Indenture) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6. Opinions as to Assets. So long as the Rated Notes are Outstanding, within the six-month period preceding the fifth anniversary of the Original Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.7. Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral

Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Rated Notes (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency (with a copy to the Collateral Manager) within 10 Business Days after any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8. Negative Covenants. (a) Except as expressly permitted under this Indenture, the Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi) through (xi) and (xiii) the Co-Issuer will not, in each case from and after the 2026 Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Securities (other than amounts withheld or deducted in accordance with the Code or any applicable laws of Jersey or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Securities, this Indenture, any Refinancing Obligations and the transactions contemplated hereby, or (B)(1) issue any additional class of securities except in accordance with Articles II, VIII or IX or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Securities except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or

otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the Co-Issuer and Issuer Subsidiaries) or engage in any securities lending;

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors, members or managers, as applicable, to the extent they are employees);

(xi) fail to maintain an independent manager under the Co-Issuer's limited liability company operating agreement;

(xii) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement; and

(xiii) (i) in the case of the Issuer, transfer its membership interest in the Co-Issuer so long as any Co-Issued Notes are Outstanding (provided that, the Issuer shall not transfer its membership interest in the Co-Issuer except at the direction of the Collateral Manager) or (ii) in the case of the Co-Issuer, permit the transfer of any of its membership interests so long as any Co-Issued Notes are Outstanding (provided that, the Co-Issuer shall not permit the transfer of any of its membership interests except at the direction of the Collateral Manager).

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) [Reserved].

(d) Neither the Issuer nor the Co-Issuer will be party to any agreements under which it has a future payment obligation without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral

Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(e) The Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying each Rating Agency (with a copy to the Collateral Manager).

(f) The Issuer may not acquire any of the Securities (including any Securities surrendered or abandoned) except as permitted under Section 2.9. This Section 7.8(f) shall not be deemed to limit an optional, special or mandatory redemption pursuant to the terms of this Indenture.

(g) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity, or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The Issuer will be deemed to have complied with its obligations under this Section 7.8(g) if it complies with Section 7.8(h).

(h) In furtherance and not in limitation of Section 7.8(g), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Operating Guidelines or, in the alternative, Tax Advice to the effect that, taking into account the relevant facts and circumstances, the Issuer's contemplated action will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(h) in connection with the waiver, amendment or supplement of any provision of the Operating Guidelines in accordance with the terms thereof.

Section 7.9. Statement as to Compliance. On or before September 30th in each calendar year commencing in 2027, or immediately if there has been a Default under this Indenture and prior to the issuance of any Additional Notes pursuant to Section 2.13, the Issuer shall deliver to the Trustee and the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to the Collateral Manager, each Holder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10. Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any

other Person or transfer or convey all or substantially all of its assets to any Person (other than in a liquidation of Assets contemplated under this Indenture), unless permitted by Jersey law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Jersey or such other jurisdiction approved by a Majority of the Controlling Class (provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Rated Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency shall have been notified in writing of such consolidation and Rating Agency Confirmation shall have been obtained from Moody's;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, winding-up, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise be subject to U.S. federal income tax on a net basis; and in each case as to such other matters as the Trustee or any Holder may reasonably require; provided that nothing in this clause (d) shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default, Event of Default or Enforcement Event has and is continuing;

(f) the Merging Entity shall have notified the Collateral Manager of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis;

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11. Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Securities and from its obligations under this Indenture.

Section 7.12. No Other Business. The Issuer shall not have any employees and shall not engage in any business or activity other than issuing, paying and redeeming the Securities and any Additional Notes issued pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and Eligible Investments, acquiring, holding, selling, exchanging, redeeming and pledging shares in Issuer Subsidiaries and other activities incidental thereto (including issuing Refinancing Obligations), including entering into the Transaction Documents to which it is a party. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers, engaging in a business of restructuring or working out distressed debt obligations or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Co-Issued Notes and any additional Co-Issued Notes issued pursuant to this Indenture and other activities incidental thereto, including entering into the Transaction Documents to which it is a party. The Issuer and the

Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and Limited Liability Company Agreement of the Co-Issuer; provided, that (x) notice thereof shall be given to the Rating Agencies and (y) the Issuer has received Rating Agency Confirmation with respect to any material amendments thereto.

Section 7.13. [Reserved]

Section 7.14. Ratings; Review of Credit Estimates. (a) The Applicable Issuers shall promptly notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Rated Notes has been, or is known will be, changed or withdrawn.

(b) The Issuer shall obtain and pay for an annual review of (x) any Collateral Obligation for which the Issuer has obtained a Moody's Credit Estimate and (y) any DIP Collateral Obligation.

Section 7.15. Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the written request of any Holder or Certifying Person, the Applicable Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or Certifying Person, to a prospective purchaser of such Security designated by such Holder or Certifying Person, or to the Trustee for delivery upon an Issuer Order to such Holder or Certifying Person or a prospective purchaser designated by such Holder or Certifying Person, as the case may be, in order to permit compliance by such Holder or Certifying Person with Rule 144A under the Securities Act in connection with the resale of such Security. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16. Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there will at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as the Calculation Agent. The Calculation Agent may at any time resign by giving written notice to the Issuer and the Collateral Manager of such intention on its part, specifying the date on which such resignation shall become effective, provided that such notice shall be given not less than 60 days prior to the stated effective date unless the Issuer and the Collateral Manager otherwise agree in writing. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible after 5:00 a.m.

Chicago time on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on such Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Notes during the related Interest Accrual Period and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class and the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent's determination of the foregoing amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Trustee nor Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture as a result of the unavailability of the Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties.

(d) Neither the Trustee nor the Calculation Agent shall have any liability for any interest rate published by any publication that is the source for determining the interest rates of the Notes, or for any rates published on any publicly available source, including without limitation the Federal Reserve Bank of New York's Website, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto.

(e) The Calculation Agent, the Trustee and the Collateral Administrator shall have no responsibility or liability for (i) the determination or selection of (or any failure by the Collateral Manager to determine or select) an alternate or replacement reference rate (including any Fallback Rate or modifier thereto, or any administrative procedures related to the calculation thereof) as a successor or replacement benchmark to the Term SOFR Rate and shall be entitled to rely upon any determination, selection or designation of such rate (and any modifier thereto or administrative procedures related to the calculation thereof) by the Collateral Manager, (ii) determining or verifying the unavailability or cessation of the Term SOFR Rate (or any applicable Fallback Rate) or (iii) any failure or delay in performing their duties hereunder or under any other Transaction Document as a result of the unavailability of the Term SOFR Rate or other reference rate as described herein, or absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties.

(f) If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent shall be entitled to reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Collateral Manager, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction.

Section 7.17. Certain Tax Matters. (a) The Co-Issuers agree to treat (i) the Issuer as a non-U.S. corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Rated Notes as debt and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law; provided that the foregoing shall not prevent the Issuer or its agents from providing the information described in Section 7.17(b) to a Holder (including for purposes of this Section 7.17, each beneficial owner of an interest in a Note) of Class E Notes or Class F Notes seeking to make a protective QEF election and/or file protective information returns with respect to the Issuer and its investment in such Notes.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary the U.S. federal, state and local income tax returns and reports as required under the Code or applicable state or local law, or any other tax returns or information tax returns required by any other governmental authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder any information that such Holder reasonably requests (to the extent such information is reasonably available to it) in order for such Holder to (i) comply with its U.S. federal, state, or local tax return filing and information reporting obligations, (ii) with respect to the Subordinated Notes (and any Rated Notes recharacterized as equity in the Issuer for U.S. federal income tax purposes), make and maintain a QEF election (as defined in the Code) with respect to the Issuer and/or any non-U.S. Issuer Subsidiary and/or otherwise comply with the passive foreign investment company rules under the Code (such information to be provided at the Issuer's expense), (iii) with respect to Class E Notes and/or Class F Notes, file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer and/or any non-U.S. Issuer Subsidiary (such information to be provided at such Holder's expense), or (iv) with respect to the Subordinated Notes (and any Rated Notes recharacterized as equity in the Issuer for U.S. federal income tax purposes), comply with filing requirements that arise as a result of the Issuer and/or any non-U.S. Issuer Subsidiary being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); provided that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any political subdivision thereof on the basis that it is treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise is subject to U.S. federal income tax on a net basis unless it has obtained Tax Advice prior to such filing to the effect that under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer (or an agent acting on its behalf) shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all reporting, withholding and tax payment obligations under Sections 1441, 1442, 1445, 1471, and 1472 of the Code, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold (and is not required to pay any additional amounts in respect of) any amount that it or any adviser

retained by the Issuer determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications (including, in the case of the Issuer or a non-U.S. Issuer Subsidiary, an IRS Form W-8BEN-E or applicable successor form, and, in the case of a U.S. Issuer Subsidiary, an IRS Form W-9 or applicable successor form) to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax. Upon written request, the Trustee, the Paying Agent and the Registrar shall provide to the Issuer, the Collateral Manager, or any agent thereof any information specified by such parties regarding the Holders and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, by reason of it acting in such capacity and as may be necessary for the Issuer and any non-U.S. Issuer Subsidiary to achieve FATCA Compliance.

(d) The Issuer (or an agent acting on its behalf) will take such commercially reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for the Issuer and any non-U.S. Issuer Subsidiary to achieve FATCA Compliance including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer and/or any non-U.S. Issuer Subsidiary pursuant to FATCA, the Jersey AEOI Regulations, and the CRS.

(e) Upon the Trustee's receipt of a request of a Holder of a Rated Note, delivered in accordance with the notice procedures of Section 14.3, for the information described in U.S. Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder all of such information.

(f) Each contribution of an asset by the Issuer to an Issuer Subsidiary may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary, if the Issuer has received Tax Advice to the effect that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes.

(g) Upon a Re-Pricing or the adoption of a Fallback Rate that results in the deemed reissuance of Rated Notes for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under U.S. Treasury Regulations section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Rated Notes of the Re-Priced Class, Rated Notes replacing the Re-Priced Class or any Rated Notes subject to the adoption of a Fallback Rate, as applicable, are traded on an established market, and (ii) if so traded, determine the fair market value of such Rated Notes and to make available such fair market value determination to Holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or the adoption of a Fallback Rate, as applicable.

(h) The Co-Issuer has not elected and will not elect to be classified as other than a disregarded entity for U.S. federal income tax purposes.

(i) The Issuer has not elected and will not elect to be classified as other than a non-U.S. corporation for U.S. federal income tax purposes.

(j) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of any Subordinated Note (or any Rated Note recharacterized as equity in the Issuer for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

On or prior to the 2026 Closing Date, the Collateral Manager shall elect the Matrix Combination that applies to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test (collectively, the "Matrix Tests"). At any time on written notice of one Business Day to the Trustee, the Collateral Administrator and the Rating Agencies, the Collateral Manager may elect a different Matrix Combination to apply; provided that if: (i) the Collateral Obligations are currently in compliance with the Matrix Combination then applicable, the Collateral Obligations comply with the Matrix Combination to which the Collateral Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the Matrix Combination then applicable and would not be in compliance with any potential Matrix Combination, the Collateral Manager has selected a Matrix Combination that will not (A) increase the level of non-compliance of any Matrix Test from its previous level or (B) cause the non compliance with any Matrix Test; provided that if subsequent to such election the Collateral Obligations comply with any Matrix Combination, the Collateral Manager shall elect a Matrix Combination with respect to which the Collateral Obligations are in compliance. If the Collateral Manager does not notify the Trustee and the Collateral Administrator that it will alter the then-current Matrix Combination in the manner set forth above, such Matrix Combination shall continue to apply.

On any date of determination, the Matrix Combination that then applies for purposes of determining compliance with the Matrix Tests shall also apply for purposes of determining the "Recovery Rate Modifier" in the applicable Recovery Rate Modifier Matrix for purposes of the Moody's Weighted Average Recovery Adjustment.

Section 7.19. Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the 2026 Closing Date (which representations and

warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer owns such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest Granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer; provided that (A) this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(c) and (B) any security interest purported to be created by this Indenture in any Assets situate in Jersey will not be effective to give security over those Assets as a matter of Jersey law.

(v) The Issuer has caused or will have caused, within ten days after the 2026 Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received any consents or approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) All Assets with respect to which a security entitlement may be created by the Intermediary have been credited to one or more Accounts.

(ix) (A) The Issuer has delivered to the Trustee a fully executed account agreement pursuant to which the Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its

records the Trustee as the person having a security entitlement against the Intermediary in each of the Accounts.

(x) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary to comply with the Entitlement Order of any Person other than the Trustee.

(b) The Issuer agrees to notify the Rating Agencies, with a copy to the Collateral Manager, promptly if it becomes aware of the breach of any of the representations and warranties contained in this Section 7.19 and shall not waive any of the representations and warranties in this Section 7.19 or any breach thereof.

Section 7.20. OFAC. The Issuer covenants and represents that neither it nor any of its affiliates, subsidiaries, directors or officers (i) are the target or subject of any sanctions enforced by the U.S. Government (including, the Office of Foreign Assets Control of the US Department of the Treasury ("OFAC")), the United Nations Security Council, the European Union, HM Treasury, or other relevant sanctions authority (other than any sanctions imposed by Russia or Belarus) (collectively "Sanctions") and (ii) will use any payments made pursuant to this Indenture, (1) to fund or facilitate any activities of or business with any person who, at the time of such funding or facilitation, is the subject or target of Sanctions, (2) to fund or facilitate any activities of or business with any country or territory that is the target or subject of Sanctions, or (3) in any other manner that will result in a violation of Sanctions by any person.

Section 7.21. EU/UK Transparency and Reporting Requirements. The Issuer hereby agrees to be designated as the entity required to fulfill the EU/UK Transparency and Reporting Requirements. The Issuer will assume all costs of complying with the reporting requirements under the EU/UK Transparency and Reporting Requirements, including each Investor Report, each Loan Report, each Inside Information Report and each Significant Event Report (and further including the properly incurred costs and expenses (including legal fees) of all parties incurred amending the Transaction Documents for this purpose) and, if applicable, shall reimburse each of the Collateral Manager, the Retention Holder and/or the Collateral Administrator for any such costs incurred by the Collateral Manager, the Retention Holder or the Collateral Administrator in connection with their assisting the Issuer with the preparation and/or filing of such information and reports required by the EU/UK Transparency and Reporting Requirements, such costs to be paid as Administrative Expenses.

(b) A supplemental indenture (or portion thereof) that is being entered into pursuant to Section 8.1(a) (as determined by the Issuer or the Collateral Manager on the Issuer's behalf) will not be subject to any noteholder consent requirements that would be applicable under any other provision regarding supplemental indentures set forth in this Indenture that would otherwise apply, including pursuant to Section 8.2.

(c) For the avoidance of doubt, to the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture for purposes of (i) conforming this Indenture to the Offering Memorandum or to otherwise correct any inconsistency or cure any ambiguity or errors in this Indenture pursuant to Section 8.1(a)(viii) above or (ii) evidencing waivers or changes to Rating Agency requirements pursuant to Section 8.1(a)(xxiii) above, as applicable, and one or more other amendment provisions described above or below also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment related to such applicable clause only, regardless of the applicability of any other provision regarding supplemental indentures set forth in this Indenture.

(d) Notwithstanding any of the other requirements relating to supplemental indentures, solely in connection with a Refinancing of all Outstanding Rated Notes, the Co-Issuers and the Trustee may, with the consent of a Majority of the Subordinated Notes and the Collateral Manager, enter into supplemental indentures to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture if (i) such supplemental indenture is effective on the date of such Refinancing and (ii) the Collateral Manager and a Majority of the Subordinated Notes have consented to the execution of such supplemental indenture (a "Reset Amendment"). To the extent the Co-Issuers and the Trustee execute a supplemental indenture or other modification or amendment of this Indenture pursuant to a particular sub-clause of Section 8.1(a) (as identified by the Collateral Manager) and one or more other amendment provisions described above also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment pursuant to such identified Section 8.1(a) sub-clause only, regardless of the applicability of any other provision regarding supplemental indentures set forth herein.

(e) Any supplemental indenture entered into for a purpose other than the purposes set forth in this Section 8.1 must be executed pursuant to Section 8.2 with the consent of the percentage of Holders specified therein.

Section 8.2. Supplemental Indentures With Consent of Holders. (a) Additionally, with the consent of the Collateral Manager and a Majority of each Class materially and adversely affected thereby, if any, the Trustee and the Co-Issuers may execute one or more indentures supplemental hereto to add provisions to, or change in any manner or eliminate any provisions of, this Indenture or modify in any manner the rights of the Holders of the Securities

of any Class under this Indenture; provided that without the consent of Holders of 100% of each Class materially and adversely affected thereby, no such supplemental indenture shall:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Rated Note, reduce or otherwise modify the principal amount thereof or the rate of interest thereon (other than in connection with a Re-Pricing, a Refinancing or the adoption of a Fallback Rate) or the Redemption Price with respect to any Note, or change the earliest date on which Securities of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Rated Notes or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Securities or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided further that (for the avoidance of doubt), in connection with a Refinancing of all Classes of Rated Notes in full, as set forth in the definition of "Reset Amendment," with the approval of a Majority of the Subordinated Notes and the Collateral Manager, the terms relating to the Subordinated Notes may be changed without the consent of each holder of a Subordinated Note;

(ii) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive any Holder of the security afforded by the lien of this Indenture; provided that, for the avoidance of doubt, this clause shall not apply to any supplemental indenture in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to the refinancing obligations in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the lien of this Indenture;

(v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of each Class of Rated Notes whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;

(vi) modify any of the provisions of this Indenture with respect to entering into supplemental indentures, including, without limitation, to reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required for the authorization of any supplemental indenture;

(vii) modify the Priority of Payments set forth in Section 11.1(a), the Note Payment Sequence, the Coverage Tests or the definition of any of the following terms: Class, Controlling Class, Majority, Outstanding or Supermajority; provided that, for the avoidance of doubt, this clause shall not apply to any modifications necessary to effect any Optional Redemption, Refinancing, Re-Pricing or additional issuance of notes in accordance with this Indenture;

(viii) modify any of the provisions of this Indenture in such a manner as to adversely affect the rights of the Holders of any Securities to the benefit of any provisions for the redemption of such Securities contained herein;

(ix) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers; or

(x) materially alter the Additional Issuance Conditions.

(b) Notwithstanding the requirements of clause (a) above, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the definition of "Concentration Limitations," "Collateral Obligation," "Coverage Tests," "Credit Amendment," "Credit Risk Obligation," "Credit Improved Obligation," "Current Pay Obligation," "Defaulted Obligation," "Equity Security" or "Workout Obligation" as long as the prior written consent of the Collateral Manager, a Majority of the Controlling Class, a Majority of the Subordinated Notes and, solely if such supplemental indenture is being executed in connection with a Partial Redemption, a Majority of the most senior Class of Notes (other than the Class F Notes) (determined in accordance with the Note Payment Sequence) not being refinanced in connection with such Partial Redemption are obtained.

(c) Notwithstanding the requirements of clause (a) above, with the consent of the Collateral Manager, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the Collateral Quality Test or the Investment Criteria or any of the definitions related thereto, or the requirements for sales of Collateral Obligations set forth in Section 12.1, the requirements set forth in Section 12.2(e) or the requirements for Maturity Amendments set forth in Section 12.2(g) or any of the definitions related thereto; provided that, except for modifications otherwise permitted pursuant to Sections 8.1(a), (c) or (d), a Majority of the Controlling Class (other than the Class F Notes) has consented to such modification and if such supplemental indenture is being executed in connection with a Partial Redemption, a Majority of the most senior Class of Notes (other than the Class F Notes, determined in accordance with the Note Payment Sequence) not being refinanced in connection with such Partial Redemption has consented to such modification.

(d) Notwithstanding the requirements of clause (a) above, with the consent of the Collateral Manager and a Majority of the Subordinated Notes, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the Subordinated Management Fee or the Incentive Management Fee; *provided* that a supplemental indenture to increase the Subordinated Management Fee or the Incentive Management Fee requires the consent of the Holders of 80% of the Aggregate Outstanding Amount of the Subordinated Notes.

(e) For the avoidance of doubt, the consent requirements of this Section 8.2 shall not apply to any Reset Amendment.

Section 8.3. Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee will be entitled to receive, and (subject to Sections 6.1 and 6.3) will be fully protected in relying in good faith upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with.

Prior to the execution of a supplemental indenture requiring consent of any Class if such Class is materially and adversely affected thereby, except as provided in Section 8.3(d), the Trustee and the Issuer may conclusively rely on an Opinion of Counsel or Officer's certificate of the Issuer or the Collateral Manager (which opinion or certificate may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion or Officer delivering such certificate, respectively) as to whether the interests of such Class would be materially and adversely affected by such supplemental indenture; provided, with respect to any such supplemental indenture requiring a determination as to whether any Holder of Notes would be materially and adversely affected, if notice has been provided to the Trustee by a Majority of the Controlling Class at least ten Business Days prior to the execution of such supplemental indenture stating that such Holders have a reasonable basis to believe that the Majority of the Controlling Class would be materially and adversely affected by such proposed supplemental indenture, the Trustee shall not enter into such supplemental indenture without the consent of a Majority of the Controlling Class (provided, (x) such notice shall describe in reasonable detail the basis with respect to the determination that such objecting holder(s) would be materially and adversely affected (in reasonable detail) and (y) such objecting holder(s) agrees to negotiate in good faith to resolve any such objection).

(c) At the cost of the Co-Issuers, for so long as any Securities remain Outstanding, not later than 15 Business Days prior to the execution of any proposed supplemental indenture (or, in the case of any supplemental indenture in connection with a Refinancing or Re-Pricing, five days) which requires the consent or permits the objection of any holder, the Trustee will provide to the Collateral Manager, the Collateral Administrator, the Rating Agencies and the Holders a notice attaching a copy of such supplemental indenture and request any required consent from the applicable Holders to be given not less than one Business Day prior to the proposed execution date of such supplemental indenture; provided that, in the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(xxiii), the Trustee will provide such notice not later than 16 Business Days prior to the execution thereof. Any consent given to a proposed supplemental indenture by the Holder of any Note will be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the

supplemental indenture. Notwithstanding the foregoing, no notice of supplemental indenture executed in connection with a Refinancing will be required to be delivered to any Holder that is subject to such Refinancing. Unless otherwise provided pursuant to this Section 8.3(c), at the cost of the Co-Issuers the Trustee will provide notice of any proposed supplemental indenture not later than three (3) Business Days prior to the execution thereof.

(d) If the consent of all or any portion of the Holders of a Class is a condition to execution of a supplemental indenture on (or with an effective date of) the day such Class is being redeemed or paid in full, such condition will be deemed to have been satisfied. Any Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the effective date of such refinancing. Any Non-Consenting Holder will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date.

(e) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(f) The Collateral Manager shall not be bound to follow any supplemental indenture unless it has received written notice and a copy of such supplemental indenture from the Issuer or the Trustee and has consented in advance in writing. The Trustee will not be obligated to enter into any amendment or supplement that, as determined by the Trustee, adversely affects its duties, obligations, liabilities or protections under this Indenture. No supplemental indenture will be effective against the Collateral Administrator if such supplemental indenture would adversely affect the Collateral Administrator as reasonably determined by the Collateral Administrator and notified to the Issuer and the Trustee no later than the Business Day prior to the proposed date of execution of such supplemental indenture, including, without limitation, any supplemental indenture that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(g) If any supplemental indenture permits the Issuer to enter into a hedge, swap or derivative transaction (each, a "Hedge Agreement"), the consent of a Majority of the Controlling Class and the consent of a Majority of the Subordinated Notes must be obtained and the supplemental indenture shall require that, before entering into any such Hedge Agreement, the following additional conditions must be satisfied: (a) the Issuer has received a written opinion of counsel of national reputation experienced in such matters that either (i) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended, or (ii) if the Issuer would be a commodity pool, (A) the Collateral Manager, and no other party, would be the "commodity pool operator" and "commodity trading adviser" and (B) with respect to the Issuer as the commodity pool, the Collateral Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading adviser and all conditions precedent to obtaining such an exemption have been satisfied; (b) the Collateral Manager has agreed in writing (or the supplemental indenture requires) that for so long as the Issuer is a commodity pool it will take all

action necessary to ensure ongoing compliance with the applicable exemption from registration as a commodity pool operator and commodity trading adviser with respect to the Issuer, and any other actions required as a commodity pool operator and commodity trading adviser with respect to the Issuer; (c) the Global Rating Agency Condition has been satisfied; and (d) this Indenture has been amended to incorporate the then-current criteria of each Rating Agency in respect of Hedge Agreements and their counterparties.

(h) At the cost of the Co-Issuers, the Trustee shall provide to the Collateral Manager, the Collateral Administrator, the Rating Agencies and the Holders a copy of any executed supplemental indenture after its execution. Any failure of the Trustee to supply such copy will not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Securities to Supplemental Indentures. Securities authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article II of Securities originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Securities, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test is not satisfied on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to the extent necessary to achieve compliance with such Coverage Test.

Section 9.2. Optional Redemption. (a) The Issuer shall, on any Business Day occurring after the Non-Call Period, upon receipt of the Required Redemption Direction and, with respect to any Refinancing, subject to the Refinancing Conditions, redeem (i) all of the Rated Notes (in whole but not in part) from Sale Proceeds, Available Interest Proceeds and/or Refinancing Proceeds or (ii) one or more (but fewer than all) Classes of Rated Notes (in whole but not in part) from Refinancing Proceeds and Available Interest Proceeds. In connection with any

such redemption, the Rated Notes shall be redeemed at the applicable Redemption Prices. Direction of an Optional Redemption must be provided in accordance with Section 9.4.

(b) Upon receipt of a direction of an Optional Redemption of all of the Rated Notes (in whole but not in part) pursuant to Section 9.2(a)(i), the Collateral Manager shall (unless such redemption will be made with Refinancing Proceeds) direct the sale (and the manner thereof), acting in a commercially reasonable manner to maximize the proceeds of such sale, of all or part of the Collateral Obligations and other Assets in an amount sufficient that the Sale Proceeds and all other funds available for such purpose (including Refinancing Proceeds) will reasonably be expected to be at least sufficient to pay the Redemption Prices of the applicable Rated Notes and all amounts senior in right of payment to the Securities, including, without limitation, all accrued and unpaid Management Fees (unless waived by the Collateral Manager) and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such redemption in each case, on the related Redemption Date (collectively, the "Required Redemption Amount"). If such proceeds of such sale and all other funds available for such purpose would not be at least equal to the Required Redemption Amount, such Rated Notes may not be redeemed. The Collateral Manager, in its sole discretion, may cause the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(c) The Subordinated Notes may be redeemed (in whole but not in part) on any Business Day occurring on or after the redemption or repayment in full of the Rated Notes, at the direction of a Majority of the Subordinated Notes (with a copy to the Collateral Manager).

(d) In addition to (or in lieu of) funding a redemption through Sale Proceeds, on any Business Day occurring after the Non-Call Period, upon receipt of the Required Redemption Direction, the Issuer shall, subject to the Refinancing Conditions, redeem (i) all of the Rated Notes (in whole but not in part) from Refinancing Proceeds, Available Interest Proceeds and other available funds, or (ii) one or more (but fewer than all) Classes of Rated Notes (in whole but not in part) from Refinancing Proceeds and Available Interest Proceeds, in each case by obtaining a loan from one or more financial or other institutions or by issuing replacement notes (each, a "Refinancing Obligation"), whose terms in each case will be negotiated by the Collateral Manager on behalf of the Issuer (any such redemption and refinancing, a "Refinancing"); provided that the terms of such Refinancing must be acceptable to the Collateral Manager and a Majority of the Subordinated Notes and such Refinancing must otherwise satisfy the Refinancing Conditions. The Trustee shall have the authority to take such actions as may be directed by the Issuer or the Collateral Manager to effect a Refinancing. Any Refinancing Obligations will be offered first to the Retention Holder, in such amount that the Retention Holder has determined (on the basis of advice of counsel) is required for the EU/UK Risk Retention Requirements and/or the U.S. Risk Retention Rules to be satisfied.

(e) In the case of a Refinancing upon a redemption of all of the Rated Notes pursuant to Section 9.2(a)(i), such Refinancing will be effective only if the following conditions (the "Full Refinancing Conditions") are satisfied (i) the Refinancing Proceeds, Available Interest Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in

accordance with the procedures set forth herein, and all other available funds will be at least equal to the Required Redemption Amount, (ii) the Sale Proceeds, Refinancing Proceeds, Available Interest Proceeds and other available funds are used (to the extent necessary) to make such redemption and (iii) the agreements relating to the Refinancing (other than the supplemental indenture) contain limited recourse and non-petition provisions equivalent to those contained in Section 2.7(i) and Section 5.4(d). The Issuer will not effect a Refinancing without the consent of the Collateral Manager or the Retention Holder if the Collateral Manager or the Retention Holder (as applicable) determines, in its sole discretion, that such Refinancing would require the Collateral Manager, any Affiliate of the Collateral Manager, the Retention Holder or any Sponsor to comply with the EU/UK Risk Retention Requirements and/or the U.S. Risk Retention Rules or purchase any Refinancing Obligations.

(f) In the case of a Refinancing of one or more (but fewer than all) Classes of Rated Notes pursuant to Section 9.2(a)(ii), such Partial Redemption will be effective only if the following conditions (the "Partial Redemption Conditions") are satisfied: (i) the Issuer provides notice to each Rating Agency, (ii) the Refinancing Proceeds together with the Available Interest Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Rated Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing (other than the supplemental indenture) contain limited recourse and non-petition provisions equivalent to those contained in Section 2.7(i) and Section 5.4(d), (v) the aggregate principal amount of the Refinancing Obligations is equal to the Aggregate Outstanding Amount of the Rated Notes being redeemed with the proceeds of such obligations; provided that a single Class may be split into a junior and senior sub-Class or a senior and junior sub-Class may be combined into a single Class if the aggregate principal amounts of the junior and senior sub-Class are equal to the split Class or the aggregate principal amount of the combined Class is equal to the senior and junior sub-Class, as applicable, in each case, so long as such modifications do not change the Coverage Tests applicable to such Classes, (vi) the stated maturity of each class of Refinancing Obligations is the same as the corresponding Stated Maturity of each Class of Rated Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for (which may include agreement by Persons to be paid such fees and expenses for payment to occur no later than the second succeeding Payment Date), (viii) (A) the spread over the Benchmark of the Refinancing Obligations will not be greater than the spread over the Benchmark of the corresponding Class of Floating Rate Notes being refinanced and (B) the stated Interest Rate of the fixed rate Refinancing Obligations will not be greater than the stated Interest Rate of the corresponding Class of Fixed Rate Notes being refinanced (or, in the case of a Refinancing of a Class of Fixed Rate Notes through the issuance of floating rate Refinancing Obligations, a Refinancing of a Class of Floating Rate Notes through the issuance of fixed rate Refinancing Obligations, the Interest Rate payable on the obligations providing the Refinancing will be less than the then-current Interest Rate payable on the corresponding Class of Notes being redeemed, in each case as of the date of the Refinancing); provided that the requirements in clauses (A) and (B) will not apply if (1) the weighted average interest rate of the Refinancing Obligations (based on the aggregate principal amount of each class of such Refinancing Obligations) will not be greater than the weighted average Interest Rate of the Classes of Rated Notes being refinanced (based on the Aggregate Outstanding Amount of each such Class), (2) the Benchmark with respect to the Refinancing Obligations is different than the Benchmark with respect to such Class of Rated Notes being refinanced, the spread over the

Benchmark of the Refinancing Obligations may be greater than the spread over the Benchmark of the Rated Notes being refinanced so long as the Interest Rate of the Refinancing Obligations will be less than the Interest Rate of such Class of Rated Notes (determined on the pricing date of the Refinancing Obligations) and (3) if any class of Refinancing Obligations has a greater interest rate than the corresponding Class of Notes being refinanced, Rating Agency Confirmation is received with respect to each Junior Class of Rated Notes not being refinanced on the same date, (ix) the Refinancing Obligations are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Rated Notes being refinanced, (x) unless it consents to do so, none of the Collateral Manager, any Affiliate of the Collateral Manager or any Sponsor will be required to purchase any Refinancing Obligations and (xi) with respect to any Class of Rated Notes that is not being refinanced, after giving effect to the Refinancing, the aggregate principal amount of Refinancing Obligations *plus* the Aggregate Outstanding Amount of the Notes that are, in each case, senior in priority to such non-refinanced Class is equal to or less than the Aggregate Outstanding Amount of Notes senior in priority to such non-refinanced Class prior to giving effect to such Refinancing; provided that this clause (xi) shall not be applicable if the Global Rating Agency Condition is satisfied with respect to each such non-refinanced Class. One Pari Passu Class may be refinanced without the other. The Issuer will not effect a Partial Redemption without the consent of the Collateral Manager or the Retention Holder if the Collateral Manager or the Retention Holder (as applicable) determines, in its sole discretion, that such Partial Redemption would require the Collateral Manager, any Affiliate of the Collateral Manager, the Retention Holder or any Sponsor to comply with the EU/UK Risk Retention Requirements and/or the U.S. Risk Retention Rules or purchase any Refinancing Obligations. Fees, costs, charges and expenses incurred in connection with such Refinancing will be Administrative Expenses and may be paid under the Priority of Payments, from proceeds in the Ongoing Expense Smoothing Account and as a Permitted Use of Contributions and funds in the Supplemental Reserve Account.

(g) In connection with a Refinancing in which all Classes of Rated Notes are being refinanced, the Collateral Manager may, with the consent of a Majority of the Subordinated Notes, designate Principal Proceeds as Interest Proceeds (such designated amount, the "Designated Excess Par").

(h) The Trustee will be entitled to receive, and may request and will be fully protected in relying upon, a written certificate of the Issuer stating that the applicable Refinancing Conditions have been complied with. To implement a Refinancing, the Issuer and, at the direction of the Collateral Manager, the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing (including, for the avoidance of doubt, any amendments that are necessary or helpful in order to maintain a rating on any existing Class of Rated Notes or to obtain a rating on or successfully place or sell any Refinancing Obligations) and no further consent for such amendments shall be required from the Holders other than the Holders of the Subordinated Notes directing the redemption, if applicable.

Section 9.3. Tax Redemption. (a) The Notes shall be redeemed (in whole but not in part) on any Business Day at their applicable Redemption Prices (any such redemption, a "Tax Redemption") at the written direction (delivered to the Trustee, with a copy to the Collateral

Manager) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case, following the occurrence and continuation of a Tax Event.

(b) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Holders and each Rating Agency thereof.

(c) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders and each Rating Agency thereof.

Section 9.4. Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2 or 9.3, the Required Redemption Direction shall be provided to the Issuer, the Trustee and, if applicable, the Collateral Manager not later than nine (9) Business Days prior to the Business Day on which such redemption is proposed to be made, or such shorter period to which the Collateral Manager and Trustee agree (which date shall be designated in such notice). At least five Business Days prior to the Redemption Date, the Issuer (or, upon an Issuer Order, the Trustee in the name and at the expense of the Issuer) shall notify the Holders and each Rating Agency (with a copy to the Collateral Manager) of such proposed applicable Redemption Date, the applicable Record Date, the principal amount of Securities to be redeemed on such Redemption Date and the applicable Redemption Prices.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) that all of the Rated Notes to be redeemed are to be redeemed in full and that interest on such Rated Notes shall cease to accrue on the Redemption Date specified in the notice; and

(iv) the place or places where Certificated Securities are to be surrendered for payment of the Redemption Prices.

The Issuer (or the Collateral Manager on its behalf) may withdraw or amend (including to amend the Redemption Date (pursuant to the definition thereof) for one or more Classes of Rated Notes) any such notice of redemption delivered pursuant to Section 9.2 and thereby cancel a redemption or postpone a scheduled Redemption Date on any day up to and including the Business Day prior to the proposed Redemption Date by written notice to the Trustee, each Rating Agency and the Collateral Administrator. If the Issuer (or the Collateral Manager on its behalf) cancels an Optional Redemption, the Sale Proceeds of any Collateral Obligations and other Assets sold in contemplation of such redemption may, at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria. A Majority of the Subordinated Notes will have the option to direct the withdrawal of any such notice of redemption delivered pursuant to Section 9.2 on or prior to the third Business Day prior to the proposed Redemption Date by written notice to the Issuer, the Trustee, the Collateral Administrator and the Collateral Manager. If the Issuer postpones a Redemption Date with respect to one of more Classes

(including pursuant to the definition of "Redemption Date"), such Redemption Date will be rescheduled to a Business Day designated by the Issuer (or the Collateral Manager on its behalf) upon no less than three Business Days written notice to the Trustee (which will forward such notice on behalf of and at the cost of the Issuer to each Holder of Securities and each Rating Agency). The Trustee will provide notice, in the name and at the expense of the Issuer, to the Holders, the Collateral Manager and each Rating Agency of the withdrawal of any notice of redemption. It will not be an Event of Default if the Issuer is unable to effect a redemption.

Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Issuer or, upon an Issuer Order, by the Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder selected for redemption shall not impair or affect the validity of the redemption. Certificated Securities called for redemption must be surrendered at the location identified in the notice of the redemption described above.

(c) Unless Refinancing Proceeds are being used to redeem the Rated Notes, in the event of any redemption pursuant to Section 9.2 or 9.3, no Rated Notes may be optionally redeemed unless (i) at least three Business Days before the applicable scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (directly or by participation or other arrangement) from the Issuer, not later than the Business Day immediately preceding the applicable scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price (together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to such scheduled Redemption Date and all other available funds) at least equal to the Required Redemption Amount, (ii) at least one Business Day before the applicable scheduled Redemption Date, either (A) the Issuer shall have received proceeds of disposition of all or part of the Assets at least equal to the Required Redemption Amount or (B) the Collateral Manager has furnished to the Trustee evidence in form reasonably satisfactory to the Trustee that the Collateral Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction, the net proceeds of which will at least equal, in each case, an amount sufficient, together with the proceeds from the Eligible Investments (maturing on or prior to such scheduled Redemption Date) and without duplication any Cash to be applied to such redemption and (without duplication) the aggregate amount of the expected proceeds from the sale of the Assets and Eligible Investments not later than the Business Day immediately preceding such scheduled Redemption Date, the Required Redemption Amount or (iii) prior to selling any Collateral Obligations and/or Eligible Investments pursuant to Section 12.1(g), the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale or payment of Eligible Investments, and (B) for each Collateral Obligation, the product of its Principal Balance and its Market Value, shall be at least equal to the Required Redemption Amount. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) or payment of any Collateral Obligations and/or Eligible Investments and any other amounts available (including amounts for a Permitted Use) and (2) all calculations required by this Section 9.4(c).

Unless the Purchase Option is exercised, any Holder, the Collateral Manager or any of the Collateral Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

Section 9.5. Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the applicable Redemption Date, subject to Section 9.4(c) and the Issuer's right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified in accordance with the Note Payment Sequence, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Rated Notes shall cease to bear interest on the Redemption Date. Holders of Certificated Securities, upon final payment on such Security to be so redeemed, shall present and surrender such Security at the place specified in the notice of redemption on or prior to such Redemption Date; provided that in the absence of notice to the Issuer or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Issuer shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Rated Notes and payments in respect of Subordinated Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders, or one or more predecessor Securities, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(f).

(b) If any Rated Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the applicable Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6. Special Redemption. Principal payments on the Rated Notes shall be made in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period, if the Collateral Manager notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Reinvestment Period Special Redemption" or a "Special Redemption"). Any such notice in the case of a Reinvestment Period Special Redemption must be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as set forth above. On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing, Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations.

Section 9.7. Re-Pricing. (a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager) or the Collateral Manager (with the consent of a Majority of the Subordinated Notes), the Applicable Issuers shall reduce the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to one or more Classes of Re-Pricing Eligible Notes (such reduction with respect to any Class of Re-Pricing Eligible Notes, a "Re-Pricing" and any such Class of Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Class of Re-Pricing Eligible Notes other than the interest rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer (or the Collateral Manager on its behalf) may engage a broker dealer (the "Remarketing Agent") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes (such written approval not to be unreasonably withheld, conditioned or delayed) and such Remarketing Agent shall assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with this Indenture.

(b) At least 15 Business Days prior to the Business Day fixed by the Collateral Manager and a Majority of the Subordinated Notes for any proposed Re-Pricing (the date on which such Re-Pricing occurs, the "Re-Pricing Date"), the Issuer, or the Remarketing Agent on its behalf, shall deliver a notice (with a copy to the Collateral Manager, the Trustee and each Rating Agency) through the facilities of DTC and, if applicable, in accordance with Section 9.7(c) below (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Benchmark (or, in the case of Fixed Rate Notes, the revised fixed interest rate or the range of fixed interest rates, as applicable) to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to communicate through the facilities of DTC whether such Holder approves the proposed Re-Pricing and elects to retain the Notes of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements"), (iii) specify the applicable Redemption Price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may (x) be subject to Mandatory Tender and transfer pursuant to the immediately succeeding paragraphs or (y) be redeemed in a Re-Pricing Redemption with proceeds from the sale of Re-Pricing Replacement Notes (such proceeds, "Re-Pricing Proceeds") and (iv) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; provided, that the Issuer at the direction of the Collateral Manager may extend the Re-Pricing Date at any time up to the Business Day prior to the scheduled Re-Pricing Date. To the extent any Certificated Securities of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain

Announcement is delivered to the holders of Global Securities through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Collateral Manager on behalf of the Issuer) to the holders of such Certificated Securities on the Trustee's Website. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing will be a "Non-Consenting Holder" (each such Holder, a "Non-Consenting Holder") and any Holder of the Re-Priced Class that does approve the Re-Pricing will be a Consenting Holder (each such Holder, a "Consenting Holder").

Prior to the Issuer (or Trustee, upon Issuer order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Collateral Manager and the Remarketing Agent, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Collateral Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

(c) If the Issuer, the Collateral Manager and the Remarketing Agent, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the

Collateral Manager or the Remarketing Agent on behalf of the Issuer, if any, shall deliver written notice thereof to the Consenting Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such Non-Consenting Holders, and shall request each such Consenting Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Remarketing Agent (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the Non-Consenting Holders (each such notice, an "Exercise Notice") within five Business Days of receipt of such notice.

In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes held by Non-Consenting Holders to the Holders delivering Exercise Notices (a "Mandatory Tender"), sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders' Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Mandatory Tenders of Notes of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders' Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Mandatory Tenders of Notes of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be *pro rata* (subject to the Minimum Denominations and applicable DTC procedures) based on the Aggregate Outstanding Amount of the Notes that such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto or the Issuer may redeem such Notes with Re-Pricing Proceeds. Any excess Notes of the Re-Priced Class held by Non-Consenting Holders may be subject to Mandatory Tender and transferred to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer or redeemed with Re-Pricing Proceeds. All Mandatory Tenders and transfers and redemptions of Notes to be effected in accordance with this Section 9.7 shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions of this Section 9.7 and, in the case of a Mandatory Tender, in accordance with the Operational Arrangements. Unless the Issuer (or the Collateral Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees

designated by the Issuer or the Remarketing Agent on behalf of the Issuer in connection with such Mandatory Tender.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee (at the direction of the Issuer) shall have entered into a supplemental indenture dated as of the Re-Pricing Date, solely to (x) modify the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to the Re-Priced Class and/or (y) extend the Non-Call Period for the Re-Priced Class;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been subject to Mandatory Tender and transferred or redeemed pursuant to clause (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) expenses related to the Re-Pricing will be paid from available funds, including Available Interest Proceeds, amounts on deposit in the Contribution Account designated for such use, amounts on deposit in the Supplemental Reserve Account and funds in the Ongoing Expense Smoothing Account, on the Re-Pricing Date or, if the Re-Pricing Date is not on a Payment Date, the next Payment Date, unless such expenses shall have been paid or shall be adequately provided for by any entity other than the Issuer. The fees of the Remarketing Agent payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing; and

(v) the Trustee shall have received an officer's certificate from the Issuer certifying that the conditions to such Re-Pricing have been satisfied.

(e) The Issuer, or the Remarketing Agent on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not less than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer (or the Remarketing Agent) expects to have sufficient funds for the purchase or the redemption of all Notes of the Re-Priced Class held by Non-Consenting Holders.

Any notice of a Re-Pricing may be withdrawn by the Collateral Manager at least three Business Days prior to the scheduled Re-Pricing Date by written notice to the Issuer and the Trustee for any reason. Any notice of a Re-Pricing will be automatically withdrawn by the Issuer if there are insufficient funds to complete a related Re-Pricing Redemption. Upon receipt of such notice of withdrawal, the Trustee (at the direction of the Issuer) shall send such notice to the Holders of the Re-Priced Class and each Rating Agency.

In connection with a Re-Pricing, the Non-Call Period for the Re-Priced Class may be extended at the direction of the Collateral Manager prior to such Re-Pricing pursuant to a supplemental indenture.

The Collateral Manager or a Majority of the Subordinated Notes may waive any notice period requirement set forth in this Section 9.7 with respect to any notice required to be given to it.

(f) In effecting a Re-Pricing, the Trustee shall be entitled to rely upon instructions received from the Issuer (or the Collateral Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.7.

(g) The Issuer will not effect any Re-Pricing without the consent of the Collateral Manager or the Retention Holder if the Collateral Manager or the Retention Holder (as applicable) determines, in its sole discretion, that such Re-Pricing would require the Collateral Manager, any Affiliate of the Collateral Manager, the Retention Holder or any Sponsor to comply with the EU/UK Risk Retention Requirements and/or the U.S. Risk Retention Rules or purchase any Refinancing Obligations.

Section 9.8. Clean-Up Call Redemption. (a) At the written direction of the Collateral Manager to the Issuer and the Trustee, each Class of Outstanding Rated Notes will be redeemed by the Issuer in whole but not in part (a "Clean-Up Call Redemption"), at its Redemption Price, on any Business Day after the Non-Call Period on which the Collateral Principal Amount is less than 45.0% of the Target Initial Par Amount.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than Eligible Investments) by the Collateral Manager or any other Person from the Issuer, for settlement not later than the Business Day immediately preceding the related Redemption Date, for a purchase price in cash (the "Clean-Up Call Redemption Price") at least equal to the greater of (1) the Required Redemption Amount and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum expected to be received will satisfy clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer will take all actions necessary to sell, assign and transfer the Assets to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee will deposit such payment into the Collection Account in accordance with the instructions of the Collateral Manager. Any Holder, the Collateral Manager or any of the Collateral Manager's Affiliates will have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of a Clean-Up Call Redemption.

(c) The Issuer will provide written notice of the proposed Redemption Date to the Trustee and the Collateral Administrator not later than five Business Days prior to the Redemption Date (and the Trustee in turn shall, in the name and at the expense of the Issuer, notify the Holders and the Rating Agencies not later than two Business Days prior to the Redemption Date). Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer (or the Collateral Manager on its behalf) on any day up to and including the Business Day prior to the proposed Redemption Date by written notice to the Trustee and the Collateral Manager. The Trustee will

give notice of any such withdrawal of a Clean-Up Call Redemption, at the expense of the Issuer, to each Holder and each Rating Agency.

(d) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price will be distributed pursuant to the Priority of Payments.

ARTICLE X

ACCOUNTS, ACCOUNTING AND RELEASES

Section 10.1. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders and shall apply it as provided in this Indenture. Each Account shall be an Eligible Account. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Intermediary to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity; provided that the foregoing shall not be construed to prevent the Trustee or Intermediary from investing the Assets of the Issuer in Eligible Investments described in clause (ii) of the definition thereof that are obligations of the Bank. Each Account shall be established at the Intermediary on or prior to the 2026 Closing Date and shall be held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, and shall be maintained with the Intermediary in accordance with the Account Agreement. The Trustee shall be authorized to open any additional sub-accounts as may be necessary or convenient for administration of its duties hereunder.

Section 10.2. Collection Account (a) On or prior to the 2026 Closing Date, the Trustee established at the Intermediary four segregated non-interest bearing accounts, one of which shall be designated as the "Collection Account", one of which shall be designated as the "Interest Collection Account," one of which shall be designated as the "Rated Notes Principal Collection Account" and one of which shall be designated as the "Subordinated Notes Principal Collection Account" (and which together will comprise the Collection Account (and the Rated Notes Principal Collection Account and the Subordinated Notes Principal Collection Account shall collectively comprise the "Principal Collection Account")); provided, that, as identified by the Collateral Manager, all Principal Proceeds from the disposition, repayment or prepayment of SNCOs or Margin Stock credited to the Subordinated Notes Custodial Account (which are not simultaneously reinvested) and all Principal Proceeds transferred to the Principal Collection Account from the Subordinated Notes Ramp-Up Account shall be deposited in the Subordinated Notes Principal Collection Account and all other Principal Proceeds not deposited in the Subordinated Notes Principal Collection Account shall be deposited in the Rated Notes Principal Collection Account. The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or the Interest Reserve Account, all

Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII), except as set forth in Section 10.3(g) with respect to Restructured Obligation Proceeds and Specified Equity Security Proceeds. The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or the Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Account, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture, (ii) all Restructured Obligation Proceeds and Specified Equity Security Proceeds received by the Issuer that constitute Principal Proceeds (as set forth in the definitions of "Interest Proceeds" and "Principal Proceeds") and (iii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments); provided that on any Business Day after the 2026 Closing Date and on or before the second Determination Date following the 2026 Closing Date, the Trustee shall, at the direction of the Collateral Manager, transfer from the Principal Collection Account into the Interest Collection Account as Interest Proceeds an amount designated by the Collateral Manager, so long as, after giving effect to any transfer into the Interest Collection Account as Interest Proceeds, the Interest Deposit Condition is satisfied. The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. If, at any time, the deposit of Trading Gains into the Principal Collection Account would, in the sole discretion of the Collateral Manager cause (or would be likely to cause) a Retention Deficiency, such Trading Gains will instead be deposited into the Interest Collection Account as Interest Proceeds in an amount directed by the Collateral Manager; provided that the Collateral Manager may only direct the deposit of Trading Gains into the Interest Collection Account in an amount required to cure or avoid causing (or likely causing) a Retention Deficiency. For the avoidance of doubt, unless the deposit of Trading Gains into the Principal Collection Account would, in the sole discretion of the Collateral Manager cause (or would be likely to cause) a Retention Deficiency, Trading Gains shall be deposited in the Principal Collection Account as Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a). The Collateral Manager shall identify to the Trustee any assets which constitute Restructured Obligations or Specified Equity Securities.

(b) [Reserved].

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Account representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations and any other eligible assets in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer (or upon delivery to the Trustee of an

Agent Notice, such direction of the Collateral Manager shall be deemed to have been given to the Trustee to fund any such draw in the amount set forth in such Agent Notice) may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Account representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) from any amount required to exercise a warrant or right to acquire securities held in the Assets in accordance with the requirements of Section 12.2(e) and such Issuer Order and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); provided that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date. The Trustee shall not be obligated to make such payment if, in the reasonable determination of the Trustee, such payment would leave insufficient funds, taking into account the Administrative Expense Cap, for payments anticipated to be or become due or payable on the next Payment Date that are given a higher priority in the definition of Administrative Expenses.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date. Additionally, the Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a)(ii), on the Business Day immediately preceding each Interim Payment Date, the amount set forth to be so transferred in the waterfall report for such Interim Payment Date. For the avoidance of doubt, the designation of any Interim Payment Date shall be made by the Collateral Manager in its sole and absolute discretion.

(f) [Reserved].

(g) At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Account representing Additional Junior Notes Proceeds for application as directed by the Collateral Manager for a Permitted Use.

Section 10.3. Transaction Accounts.

(a) Payment Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single, segregated non-interest bearing account, which shall be designated as the "Payment Account". Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable under the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in

accordance with the Priority of Payments. Amounts in the Payment Account shall remain uninvested.

(b) Custodial Account.

(i) On or prior to the 2026 Closing Date, the Trustee established at the Intermediary two segregated non-interest bearing accounts, one of which will be designated as the Subordinated Notes Custodial Account (the "Subordinated Notes Custodial Account") and one of which will be designated as the Rated Notes Custodial Account (the "Rated Notes Custodial Account" and, together with the Subordinated Notes Custodial Account, the "Custodial Account"). Subject to the requirements in the following paragraph, all SNCOs, Transferable Margin Stock and Specified Equity Securities (each, as identified to the Trustee by the Collateral Manager) received by the Trustee shall be credited to the Subordinated Notes Custodial Account as provided herein. All Collateral Obligations, Equity Securities (that are not Specified Equity Securities or SNCOs) and equity interests in Issuer Subsidiaries shall be credited to the Rated Notes Custodial Account as provided herein. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers, with a copy to the Collateral Manager, immediate notice if (to the actual knowledge of a Trust Officer) the Custodial Account or any assets on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments. Amounts in the Custodial Account shall remain uninvested.

(ii) If a Collateral Obligation that has not been designated as a SNCO becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a SNCO (each, "Transferable Margin Stock"), then the Collateral Manager, on behalf of the Issuer, shall direct the Trustee to (x) transfer one or more non-Margin Stock SNCOs having a value equal to or greater than such Transferable Margin Stock to the Rated Notes Custodial Account, and simultaneously (y) transfer such Transferable Margin Stock to the Subordinated Notes Custodial Account and such Transferable Margin Stock shall thereafter be designated a SNCO. The value of each transferred Collateral Obligation for purposes of this transfer shall be its Market Value. At any time that the Issuer holds Margin Stock with an aggregate Market Value in excess of 10% of the Collateral Principal Amount, or the Issuer is unable to satisfy the requirement above to designate Transferable Margin Stock as a SNCO, the Collateral Manager will use commercially reasonable efforts to sell Margin Stock with an aggregate Market Value at least equal to such excess or such Transferable Margin Stock, as applicable.

(c) Ramp-Up Account. Prior to the Original Closing Date, the Trustee established at the Intermediary two segregated non-interest bearing accounts, which shall be designated as the "Subordinated Notes Ramp-Up Account" and the "Rated Notes Ramp-Up Account" (collectively the "Ramp-Up Account").

(d) Expense Reserve Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single segregated non-interest bearing account, which shall be designated as the "Expense Reserve Account". The Issuer hereby directs the Trustee to deposit to the Expense Reserve Account (i) the amount specified in the 2026 Closing Date Certificate and (ii) in connection with any additional issuance of notes, the amount specified on the date of such additional issuance. On any Business Day from the 2026 Closing Date to and including the first Determination Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Securities and any additional issuance. By the first Determination Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion). On any Business Day after the first Determination Date, the Trustee shall apply funds from the Expense Reserve Account (except as provided in the next sentence), as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with any additional issuance of notes or as a deposit to the Collection Account as Principal Proceeds. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds.

(e) Interest Reserve Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single segregated non-interest bearing account, which shall be designated as the "Interest Reserve Account". The Issuer hereby directs the Trustee to deposit to the Interest Reserve Account the Interest Reserve Amount (if any). Any income earned on amounts deposited in the Interest Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds. On or before the first Determination Date, at the direction of the Collateral Manager, the Issuer may direct that any portion of the funds then remaining in the Interest Reserve Account be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) for such Collection Period. On the second Determination Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds (or Principal Proceeds if directed by the Collateral Manager) in accordance with the Priority of Payments, and the Trustee will close the Interest Reserve Account. Any income earned on amounts deposited in the Interest Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds.

(f) Ongoing Expense Smoothing Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single segregated non-interest bearing account, which shall be designated as the "Ongoing Expense Smoothing Account". The Trustee shall transfer funds to the Ongoing Expense Smoothing Account, in the amounts and as directed by the Collateral Manager, on each Payment Date as set forth in Section 11.1(a)(i). The Trustee shall apply funds from the Ongoing Expense Smoothing Account, in the amounts and as directed by the Collateral Manager, to pay Administrative Expenses in the order of priority contained in the definition thereof on or between Payment Dates (without regard to the Administrative Expense Cap) including without limitation, Administrative Expenses incurred in connection with a Refinancing or Re-Pricing. Any income earned on amounts on deposit in the Ongoing Expense Smoothing Account will be deposited in the Interest Collection Account as Interest Proceeds.

(g) Supplemental Reserve Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single, segregated non-interest bearing account, which shall be designated as the "Supplemental Reserve Account". On each Payment Date during or after the Reinvestment Period, at the direction of the Collateral Manager, all or a portion of the amounts designated for such purpose pursuant to the Priority of Interest Proceeds shall be deposited by the Trustee into the Supplemental Reserve Account. All Restructured Obligation Proceeds and Specified Equity Security Proceeds received by the Issuer that do not constitute Principal Proceeds (as provided in the definition of "Interest Proceeds" and "Principal Proceeds") shall be deposited into the Supplemental Reserve Account at the direction of the Collateral Manager. Amounts on deposit in the Supplemental Reserve Account may be applied by the Issuer at the discretion of and as directed by the Collateral Manager for a Permitted Use. Any income earned on amounts deposited in the Supplemental Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds.

(h) Contribution Account. Prior to the Original Closing Date, the Trustee established at the Intermediary a single segregated non-interest bearing account, which shall be designated as the "Contribution Account". At any time during or after the Reinvestment Period, any Person, including any Holder of Notes may make a cash contribution to the Issuer (each, a "Contribution" and each such Holder, a "Contributor"); provided that, each Contribution (other than a Specified Contribution) must be in an aggregate amount equal to at least U.S.$500,000 (counting all Contributions on the same day as a single Contribution for such purpose). The Collateral Manager, on behalf of the Issuer, may accept any Contribution in its sole discretion and shall notify the Trustee of any such acceptance. The Collateral Manager may reject any Contribution in its sole discretion. Each accepted Contribution shall be received into the Contribution Account. If a Contribution is accepted, the Collateral Manager, on behalf of the Issuer, shall apply such Contribution to a Permitted Use at the sole discretion of the Collateral Manager. Each Contributor will receive its Contribution Repayment Amount (in accordance with payment instructions provided to the Trustee by each Contributor) as provided in and subject to the Priority of Payments. A payment of the Contribution Repayment Amount is a payment to the related Contributor only and does not constitute a distribution on the Subordinated Notes for purposes of calculating the amount of distributions on the Subordinated Notes under this Indenture. Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Account as Interest Proceeds.

Section 10.4. Revolver Funding Account. The Issuer hereby directs the Trustee to deposit to the Revolver Funding Account the amount (if any) specified in the 2026 Closing Date Certificate. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Account, as directed by the Collateral Manager, and deposited by the Trustee pursuant to such direction in a single segregated non-interest bearing account, which shall be designated as the "Revolver Funding Account"; provided that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Collateral Manager on behalf of the Issuer shall direct the Trustee to (and pursuant to such direction the

Trustee shall) deposit such funds in the amount of the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account and the Collateral Manager may, if required by the Underlying Instruments, cause the Issuer to grant a lien or other rights over such collateral to the Selling Institution, subject to the following sentence. Any such deposit of Selling Institution Collateral shall be required to be held in cash or invested in obligations that are of the type described in the definition of Eligible Investments and satisfy the following requirement (as determined and directed by the Collateral Manager): either (a) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (unless such Selling Institution Collateral is deposited in an Eligible Account) under all Participation Interests shall not have an Aggregate Principal Balance in excess of 5.0% of the Collateral Principal Amount; or (b) such Selling Institution Collateral shall be deposited in an Eligible Account.

The Trustee will deposit the amount specified in the 2026 Closing Date Certificate to the Revolver Funding Account to be reserved for unfunded funding obligations under the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations purchased on or before the 2026 Closing Date. Upon initial purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested in Eligible Investments with an overnight maturity selected by the Collateral Manager pursuant to Section 10.6 and earnings from all such investments will be deposited in the Interest Collection Account as Interest Proceeds.

Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager such that the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets, as determined by the Collateral Manager.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available at the direction of the Collateral Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided that any excess of (i) the amounts on deposit in the Revolver Funding Account over (ii) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (A) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (B) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (C) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown

Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Account.

Section 10.5. [Reserved].

Section 10.6. Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in each Account (other than the Payment Account and the Custodial Account) as so directed in Eligible Investments having stated maturities no later than the earlier of the date that is 60 days after its Delivery and the Business Day immediately preceding the next Payment Date unless such Eligible Investment is issued by the Trustee or any Affiliate in its capacity as a banking institution, in which event such Eligible Investment may mature on such Payment Date. If the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable in the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Account, any gain realized from such investments shall be credited to the Principal Collection Account upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Account. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; provided that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof. Except as expressly provided herein, the Trustee shall not otherwise be under any duty to invest (or pay interest on) amounts held hereunder from time to time. The parties acknowledge that the Trustee is not providing investment supervision, recommendations, or advice. Notwithstanding the foregoing, any Eligible Investments that are issued by the Trustee in its capacity as a banking institution may mature on such Payment Date.

(b) The Trustee agrees to give the Issuer, with a copy to the Collateral Manager, immediate notice if any Trust Officer has actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, each Rating Agency and the Collateral Manager any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies or the Collateral Manager may from time to time reasonably request with respect to the Assets, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.7 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement or the Issuer's obligations hereunder that have been delegated to the Collateral Manager. The Trustee shall promptly forward

to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in Article X, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

(e) Any account established under this Indenture may include any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts.

(f) For the avoidance of doubt, the Accounts (including income, if any, earned on the investments of funds in such account) will be owned by the Issuer or an Issuer Subsidiary, as applicable, for U.S. federal income tax purposes. The Issuer is required to timely provide or cause to be provided to the Trustee (i) an IRS Form W-8BEN-E in the case of the Issuer and any non-U.S. Issuer Subsidiary and an IRS Form W-9 in the case of any U.S. Issuer Subsidiary, or applicable successor forms, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation upon the reasonable request of the Trustee as may be necessary (i) to reduce or eliminate the imposition of U.S. withholding taxes and (ii) to permit the Trustee to fulfill its tax reporting obligations (including any cost basis reporting obligations) under applicable law with respect to the Accounts or any amounts paid to the Issuer or an Issuer Subsidiary, as applicable. If any IRS form or other documentation previously delivered becomes inaccurate in any respect, the Issuer shall timely provide to the Trustee accurately updated and complete versions of such IRS forms or other documentation. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any tax withholding amounts paid or withheld from the Accounts pursuant to applicable law arising from the Issuer's failure to timely provide or cause to be provided an accurate, correct and complete IRS Form W-8BEN-E in the case of the Issuer and any non-U.S. Issuer Subsidiary and an IRS Form W-9 in the case of any U.S. Issuer Subsidiary, or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Accounts absent the Trustee having first received (i) the requisite written investment direction with respect to the investment of such funds, and (ii) the IRS forms and other documentation required by this paragraph.

Section 10.7. Accountings.

(a) Monthly. Not later than the 26th calendar day (or, if such day is not a Business Day, the next succeeding Business Day) of each calendar month (other than a month in which a Payment Date occurs) and commencing following the 2026 Closing Date in June 2026, the Issuer shall compile and make available (or cause to be compiled and made available) to each Rating Agency, the Trustee, the Collateral Manager, the Initial Purchaser, each Holder and, upon written request therefor, any Certifying Person, a monthly report on a trade date basis (each such report a "Monthly Report"); provided, that to the extent an Interim Payment Date has occurred

during the applicable reporting period for a Monthly Report, such Monthly Report shall be prepared as if the distributions made on such Interim Payment Date did not occur. In addition, on each Interim Payment Date, the Issuer (or the Collateral Administrator on its behalf) will make available to each Rating Agency, the Trustee, the Collateral Manager, the Initial Purchaser and, upon written request therefor as provided in the Indenture, to any holder or beneficial owner of a Note, a waterfall report which identifies the distributions being made on such Interim Payment Date. As used herein, the "Monthly Report Determination Date" with respect to any calendar month will be the 8th Business Day prior to the 26th calendar day of such calendar month. The Monthly Report will contain the following information with respect to the Collateral Obligations and Eligible Investments included in the Assets, and shall be determined as of the Monthly Report Determination Date for such calendar month:

(i) Aggregate Principal Balance of Collateral Obligations and Eligible Investments representing Principal Proceeds.

(ii) Adjusted Collateral Principal Amount of Collateral Obligations.

(iii) Collateral Principal Amount of Collateral Obligations.

(iv) A list of Collateral Obligations, including, with respect to each such Collateral Obligation, the following information:

(A) The obligor thereon (including the issuer ticker, if any);

(B) The LoanX ID, CUSIP or security identifier thereof;

(C) The Principal Balance thereof (other than any accrued interest that was purchased with Principal Proceeds (but excluding any capitalized interest));

(D) The percentage of the aggregate Collateral Principal Amount represented by such Collateral Obligation;

(E) The related interest rate or spread;

(F) The Benchmark floor, if any (as provided by or confirmed with the Collateral Manager);

(G) The stated maturity thereof;

(O) to pay the amounts referred to in clause (P) of the Priority of Interest Proceeds, but only to the extent not paid in full thereunder and to the extent that the Class F Notes are or become the Controlling Class on such Payment Date;

(P) (1) if such Payment Date is a Redemption Date (other than in respect of a Special Redemption, Refinancing or Re-Pricing Redemption), to make payments in accordance with the Note Payment Sequence, and (2) if such Payment Date is a Redemption Date in respect of a Special Redemption, to make payments in the amount, if any, of the Principal Proceeds that the Collateral Manager has determined cannot be practicably reinvested in additional Collateral Obligations, in accordance with the Note Payment Sequence;

(V) any remaining proceeds to be paid (x) 20% to the Collateral Manager as part of the Incentive Management Fee payable on such Payment Date; and (y) 80% to the Holders of the Subordinated Notes.

(iii) Notwithstanding the provisions of the foregoing Sections 11.1(a)(i) and 11.1(a)(ii), in the case of any Enforcement Event that has occurred and is continuing, on each date or dates fixed by the Trustee pursuant to Section 5.7, proceeds in respect of the Assets will be applied in the following order of priority (the "Special Priority of Payments"):

(A) (1) *first*, to the payment of Taxes, governmental fees, annual return fees and registered office fees owing by the Issuer or the Co-Issuer, if any, and (2) *second*, to the payment of the accrued and unpaid Administrative Expenses, in the priority stated in the definition thereof, up to the Administrative Expense Cap; provided that the Administrative Expense Cap shall not apply following the commencement of the liquidation of the Assets as set forth in Section 5.5;

(U) (1) *first*, to pay to each Contributor (*pro rata* based on the aggregate amount of unpaid Contribution Repayment Amounts), its Contribution Repayment Amount until all such amounts have been paid in full and (2) *second*, to pay the Holders of the Subordinated Notes until the Subordinated Notes have realized the Incentive Management Fee Target Return; and

(V) to pay the balance to the Collateral Manager and the Holders of the Subordinated Notes, such balance to be allocated as follows: (x) 20% to the Collateral Manager as the Incentive Management Fee payable on such Payment Date; and (y) 80% to the Holders of the Subordinated Notes.

(iv) On any Refinancing Redemption Date or Re-Pricing Date, Refinancing Proceeds or the proceeds of Re-Pricing Replacement Notes, as the case may be, and Available Interest Proceeds will be distributed in the following order of priority (the "Priority of Redemption Proceeds"):

(A) to pay the Redemption Price (without duplication of any payments received by the Holders of the Notes being redeemed pursuant to the Priority of Interest Proceeds, the Priority of Principal Proceeds or the Special Priority of Payments) of the Notes being redeemed in the order set forth in the Note Payment Sequence;

(B) to pay Administrative Expenses related to the Refinancing or the Re-Pricing; and

(C) any remaining proceeds will be deposited in the Interest Collection Account as Interest Proceeds.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, and standing instructions are hereby provided to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date, and which may be by the Collateral Manager on behalf of the Issuer) delivered to the Trustee

no later than the Business Day prior to each Payment Date; provided that such direction and designation by Issuer Order shall not be necessary for, and shall be subject to, the payment of amounts pursuant to, and in the priority stated in, the definition of Administrative Expenses.

(d) (i) The Collateral Manager may, in its sole and absolute discretion elect to waive or defer any portion of the Subordinated Management Fee payable to it without the consent of any Holders by providing written notice to the Trustee of such election (which notice shall specify the amount to be deferred) on or before the Determination Date preceding such Payment Date; provided that any such election may be revoked by the Collateral Manager at any time and from time to time. Any such Deferred Subordinated Fee for a given Payment Date may at the sole option of the Collateral Manager be (i) distributed as Interest Proceeds on such Payment Date, (ii) deposited into the Interest Collection Account as Interest Proceeds, (iii) deposited into the Principal Collection Account as Principal Proceeds or (iv) applied by the Issuer at the discretion of and as directed by the Collateral Manager for a Permitted Use. After such Payment Date, such Deferred Subordinated Fee will be added to the Cumulative Deferred Subordinated Fee which the Collateral Manager has elected to defer on prior Payment Dates and which has not been repaid and will accrue interest as provided in the Collateral Management Agreement. The Cumulative Deferred Subordinated Fee and any accrued and unpaid interest thereon will be payable on any subsequent Payment Date at the election of the Collateral Manager to the extent of funds available for such purpose in accordance with the Priority of Payments by notice to the Trustee and the Collateral Administrator on or before the related Determination Date.

(ii) To the extent they are not paid when due on any Payment Date due to the operation of the Priority of Payments (and not as the result of an elective deferral by the Collateral Manager), the Base Management Fee and the Subordinated Management Fee will be deferred and will be payable on subsequent Payment Dates in accordance with the Priority of Payments. Any such unpaid Base Management Fee will accrue interest as provided in the Collateral Management Agreement.

(e) Not less than eight Business Days preceding each Payment Date, the Collateral Manager shall certify to the Trustee (which may be a standing certification) the amount described in clause (i)(b) of the definition of Dissolution Expenses. If the distributions to be made pursuant to this Section 11.1 on any Payment Date would cause the sum of the Principal Balances of the remaining Collateral Obligations immediately following such Payment Date (excluding Defaulted Obligations, Equity Securities, Restructured Obligations and Illiquid Assets) to be less than the amount of Dissolution Expenses (as determined by the Trustee based on such certification by the Collateral Manager), the Trustee will provide written notice thereof to the Issuer and the Administrator at least five Business Days before such Payment Date.

(f) Notwithstanding any other provision in this Indenture, and subject to the requirements set forth in the definition of Interim Payment Date and this Section 11.1(f), in connection with each Interim Payment Date, the Issuer (or the Collateral Manager on its behalf) shall direct the Trustee to transfer funds in the Collection Account as of the Interim Payment Date as follows: from (i) Principal Proceeds, the amount designated by the Collateral Manager in its sole and absolute discretion and (ii) if any Class of Rated Notes will have an Aggregate Outstanding Amount of zero after the distributions on such Interim Payment Date, Interest Proceeds, an amount no greater than the accrued and unpaid interest on such Class of Rated Notes.

For the avoidance of doubt, the designation of any Interim Payment Date and the amounts available for payment in connection therewith, shall be made by the Collateral Manager in its sole and absolute discretion. For the avoidance of doubt, (i) no Distribution Report shall be required in respect of an Interim Payment Date and (ii) no modification of the contents of a Monthly Report shall be required to reflect an Interim Payment Date to the extent such Interim Payment Date occurs between the Monthly Report Determination Date and the due date of such Monthly Report.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3, the Collateral Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), sell or otherwise dispose of any Collateral Obligation, Equity Security, Restructured Obligation or Specified Equity Security (which shall include the direct sale or liquidation of the equity interests of any Issuer Subsidiary or assets held by an Issuer Subsidiary) if, as certified by the Collateral Manager, such sale or other disposition meets the requirements of any one of clauses (a) through (k) of this Section 12.1 (subject in each case to any applicable requirement of disposition under clause (i) of this Section 12.1). In the case of clauses (a) through (d), (h) and (i) of this Section 12.1, the Collateral Manager shall not direct the Trustee to effect such sale or disposition if the Maturity of the Notes has been accelerated following an Event of Default and the Trustee has provided notice to the Collateral Manager that liquidation of the Assets will commence. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale or other disposition.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Defaulted Obligation at any time without restriction.

(d) Restructured Obligations and Extend to Sell Obligations. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Restructured Obligation or Extend to Sell Obligation at any time without restriction.

(e) Specified Equity Securities. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Specified Equity Security at any time without restriction.

(f) Equity Securities. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Equity Security at any time without restriction, and shall (unless such Equity Security is required to be sold or otherwise disposed of or has been transferred to an Issuer

Subsidiary as set forth in clause (i) of this Section 12.1) use its commercially reasonable efforts to effect the sale or other disposition of any Equity Security (other than an interest in an Issuer Subsidiary) (A) if such Margin Stock is not a Specified Equity Security, within 90 days after receipt if such Equity Security constitutes Margin Stock, unless such sale or other disposition is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold or otherwise disposed of as soon as such sale or other disposition is permitted by applicable law and not prohibited by such contractual restriction and (B) if such Margin Stock is a Specified Equity Security, to the extent described in Section 10.3(b).

(g) Redemption. After the Issuer has notified the Trustee of an Optional Redemption, a Tax Redemption or a Clean-Up Call Redemption pursuant to the requirements of this Indenture, the Collateral Manager shall direct the Trustee to sell or otherwise dispose of (which disposition may be through participation or other arrangement) all or a portion of the Collateral Obligations if the applicable requirements of Article IX are satisfied. If any such disposition is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the disposition.

(h) Discretionary Sales. So long as no Event of Default has occurred and is continuing, the Collateral Manager may direct the Trustee to sell or otherwise dispose of any Collateral Obligation (such sales, "Discretionary Sales") at any time if:

(i) after giving effect to such disposition, the Aggregate Principal Balance of all Collateral Obligations disposed of as set forth in this Section 12.1(h) during the preceding 365-day period is not greater than 25.0% of the Collateral Principal Amount (as of such Measurement Date); and

(ii) either:

(A) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such disposition that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such disposition, in compliance with the Investment Criteria, in one or more additional Collateral Obligations within 30 Business Days after the settlement date of such disposition; or

(B) after the Reinvestment Period, after giving effect to such disposition, (1) the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being disposed of but including, without duplication, the anticipated net proceeds of such disposition) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be equal to or greater than the Reinvestment Target Par Balance (for the purpose of which determination, any Defaulted Obligation shall be deemed to have a Principal Balance equal to its Moody's Collateral Value) or (2) the Adjusted Collateral Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being disposed of but including, without duplication, the anticipated net

proceeds of such disposition) is maintained or increased (when compared to such amount immediately prior to such sale).

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold will be reduced to the extent of any purchases of Collateral Obligations either already held by the Issuer or of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter).

(i) Mandatory Sales.

(i) (A) Prior to the time that (x) the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation or (y) any Collateral Obligation is modified in a manner that, in either case, could cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis, and (B) upon discovery that the acquisition or holding of any asset would violate the Operating Guidelines, the Collateral Manager on behalf of the Issuer will either (x) sell the right to receive the asset or the Collateral Obligation that is the subject of the workout, restructuring or modification or (y) contribute the right to receive the asset or the Collateral Obligation that is the subject of the workout, restructuring or modification to an Issuer Subsidiary unless, in each case, with respect to clause (A) or (B) above, the Issuer has received Tax Advice to the effect that the acquisition, receipt, ownership or disposition of such Collateral Obligation or asset, or the modification of such Collateral Obligation, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

The Issuer will cause the purposes and permitted activities of each Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of the assets that are contributed to the Issuer Subsidiary and any assets, income and proceeds received in respect thereof and, subject to Section 7.4(c)(v), will require the Issuer Subsidiary to distribute 100% of the net proceeds of any sale of such assets, net of any Tax or other liabilities, to the Issuer.

(ii) In connection with the incorporation of, or transfer of any security or obligation to, any Issuer Subsidiary, the Issuer shall not be required to obtain Rating Agency Confirmation; provided that prior to the incorporation of any Issuer Subsidiary, the Collateral Manager will, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer shall not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) any asset if the Collateral Manager obtains Tax Advice to the effect that the Issuer can transfer such security or obligation from the Issuer Subsidiary to the Issuer and can hold such security or obligation directly without causing the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. For financial accounting reporting purposes (including each Monthly Report and Distribution

Report) and the Coverage Tests and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Equity Security, Restructured Obligation or Collateral Obligation held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(j) Unrestricted Sales. If the Aggregate Principal Balance of the Collateral Obligations is less than U.S.$30,000,000 or if the sale is to be effected by the Issuer in connection with the Forward Sale Agreements, the Collateral Manager may direct the Issuer and the Trustee to sell the Collateral Obligations without regard to the foregoing limitations.

(k) Stated Maturity. Notwithstanding the restrictions of Sections 12.1(a) through (j), the Collateral Manager will, no later than the Determination Date for the Stated Maturity, on behalf of the Issuer, direct the Trustee to sell (and the Trustee shall sell in the manner specified) for settlement in immediately available funds any Collateral Obligations scheduled to mature after the Stated Maturity and cause the liquidation of all assets held at each Issuer Subsidiary and distribution of any proceeds thereof to the Issuer.

Section 12.2. Purchase of Additional Collateral Obligations; Investment Criteria.

(a) Reinvestment Period Criteria. On any date during the Reinvestment Period, unless an Event of Default has occurred and is continuing, the Collateral Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Principal Proceeds, proceeds of Additional Notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Ramp-Up Account and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction. No obligation may be purchased by the Issuer during the Reinvestment Period unless each of the following conditions (the "Reinvestment Period Criteria") is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase or exchange, in each case as determined by the Collateral Manager after giving effect to such purchase or exchange and all other sales (or other dispositions) or purchases previously or simultaneously committed to:

(i) such obligation is a Collateral Obligation;

(ii) the purchase of such Collateral Obligation would not cause a Retention Deficiency;

(iii) each applicable Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved; provided that in the case of additional Collateral Obligations purchased with Sale Proceeds of a Defaulted Obligation, the Overcollateralization Ratio Test with respect to the Class D-1 Notes and the Class D-2 Notes will be satisfied;

(iv) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Improved Obligation or a Discretionary Sale, the Reinvestment Balance Criteria will be satisfied;

(v) in the case of additional Collateral Obligations purchased with the proceeds from the sale of a Credit Risk Obligation or Defaulted Obligation sold at the discretion of the Collateral Manager, after giving effect to such purchases, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the related Sale Proceeds, or (2) the Reinvestment Balance Criteria will be satisfied;

(vi) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment;

(vii) such obligation is not a Prohibited Obligation; and

(viii) the Originator Requirement is satisfied immediately after giving effect to such reinvestment.

(b) Post-Reinvestment Period Criteria. After the Reinvestment Period, unless an Event of Default has occurred and is continuing, the Collateral Manager on behalf of the Issuer may, subject to the other requirements of this Indenture, but will not be required to, direct the Trustee to invest Post-Reinvestment Investable Proceeds and any amounts available for a Permitted Use (and, in the case of assets that are the subject of binding commitments entered into prior to the end of the Reinvestment Period, Principal Proceeds) in Substitute Obligations in accordance with the following requirements (the "Post-Reinvestment Period Criteria"):

(i) such obligation is a Collateral Obligation;

(ii) the purchase of such Collateral Obligation would not cause a Retention Deficiency;

(iii) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied after giving effect to the investment in the Substitute Obligations or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment in the Substitute Obligations;

(iv) the additional Collateral Obligations purchased will have (A) the same or earlier maturity and (B) the same or lower Moody's Rating Factor as the prepaid Collateral Obligation or the Post-Reinvestment Investable Obligations that were sold, as applicable;

(v) each Coverage Test is satisfied after giving effect to the investment in the Substitute Obligations;

(vi) in the case of Principal Proceeds received with respect to Credit Risk Obligations, either (x) the Reinvestment Balance Criteria will be satisfied or (y) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations will at least equal the related Sale Proceeds;

(vii) in the case of Principal Proceeds received with respect to Unscheduled Principal Payments, the Reinvestment Balance Criteria will be satisfied;

(viii) the Originator Requirement is satisfied immediately after giving effect to such reinvestment;

(ix) such obligation is not a Prohibited Obligation; and

(x) other than in connection with an Uptier Priming Transaction, a Restricted Trading Period is not then in effect;

provided that such Post-Reinvestment Investable Proceeds must be reinvested prior to the later of (x) 35 Business Days after receipt of such proceeds and (y) the last day of the Collection Period in which such proceeds were received.

Except as provided in this Section 12.2(b), after the Reinvestment Period, the Collateral Manager shall not direct the Trustee to invest any amounts on behalf of the Issuer unless (x) consent thereto has been obtained from each Holder and (y) each Rating Agency and the Trustee has been notified of such investment.

(c) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account and the Custodial Account) may be invested at any time in Eligible Investments in accordance with Article X.

(d) End of Reinvestment Period. Immediately preceding the end of the Reinvestment Period, the Collateral Manager will send to the Trustee and the Collateral Administrator a schedule of purchases of Collateral Obligations for which the settlement date has not yet occurred and will certify to the Trustee that, in the reasonable determination of the Collateral Manager, sufficient Principal Proceeds will be available to effect the settlement of such Collateral Obligations. For this purpose, Principal Proceeds in the Collection Account, Sale Proceeds from the sale of Collateral Obligations for which a commitment to sell has been entered prior to the end of the Reinvestment Period, and scheduled or unscheduled principal payments with respect to which the borrower has already delivered an irrevocable notice of repayment or which are required by the terms of the applicable Underlying Instruments will be included.

(e) Exercise of Warrants; Restructured Obligations; Workout Obligations; Specified Equity Securities. At any time during or after the Reinvestment Period, at the direction of the Collateral Manager, the Issuer may direct that (x) amounts on deposit in the Interest Collection Account (to the extent such payment would not result in an interest deferral on any Class of Rated Notes on the next following Payment Date and so long as, after giving effect thereto, each applicable Coverage Test will be satisfied (in the case where the Collateral Manager intends to promptly sell such Specified Equity Security following receipt thereof, on a *pro forma* basis after the related withdrawal and sale)), amounts on deposit in the Principal Collection Account (subject to the applicable requirements below) and/or amounts permitted to be used in accordance with the definition of "Permitted Use" be applied to the purchase or acquisition of Specified Equity Securities or (y) amounts on deposit in the Interest Collection Account (to the extent such payment would not result in an interest deferral on any Class of Rated Notes on the next following Payment Date and so long as, after giving effect thereto, each applicable Coverage Test will be satisfied (in

the case where the Collateral Manager intends to promptly sell such Workout Obligation or Restructured Obligation, as applicable, following receipt thereof, on a *pro forma* basis after the related withdrawal and sale)), Principal Proceeds (subject, in each case, to the immediately following paragraph) or amounts permitted to be used in accordance with the definition of "Permitted Use" be applied to the purchase or acquisition of Workout Obligations or Restructured Obligations. Notwithstanding anything to the contrary herein or in this Indenture, the acquisition of Specified Equity Securities, Workout Obligations or Restructured Obligations will not be required to satisfy any of the Investment Criteria.

In furtherance of the foregoing, Principal Proceeds may be invested in Restructured Obligations, Specified Equity Securities or Workout Obligations subject to the following conditions:

(i) Principal Proceeds may be invested in Restructured Obligations and Specified Equity Securities, so long as, after giving effect thereto, (A) each applicable Coverage Test is satisfied (in the case where the Collateral Manager intends to promptly sell such Restructured Obligations following receipt thereof, on a *pro forma* basis after giving effect to such sales), (B) the RTPB Condition is satisfied, (C) the aggregate amount of Principal Proceeds utilized pursuant to this clause (i) to acquire Restructured Obligations (other than any Uptier Priming Debt) and/or Specified Equity Securities (as applicable), that have not otherwise been recouped as Principal Proceeds pursuant to the terms of this Indenture, shall not exceed an amount equal to 5.0% of the Collateral Principal Amount at any time and (D) the aggregate amount of Principal Proceeds utilized pursuant to this clause (i) to acquire Specified Equity Securities (x) that have not otherwise been recouped as Principal Proceeds pursuant to the terms of this Indenture, shall not exceed an amount equal to 2.0% of the Collateral Principal Amount and (y) measured cumulatively since the 2026 Closing Date, shall not exceed 3.0% of the Target Initial Par Amount;

(ii) Principal Proceeds may be invested in Workout Obligations so long as each of the following conditions is satisfied after giving effect thereto: (A) each applicable Coverage Test will be satisfied (in the case where the RTPB Condition is satisfied (as applicable) and the Collateral Manager intends to promptly sell such Workout Obligations following receipt thereof, on a *pro forma* basis after giving effect to such sales) and (B) in the case of a purchase or acquisition of Workout Obligations (other than in connection with an Uptier Priming Transaction), the aggregate amount of Principal Proceeds applied to the acquisition of Workout Obligations (other than any Uptier Priming Debt), that have not otherwise been recouped as Principal Proceeds pursuant to the terms of this Indenture, shall not exceed an amount equal to 3.5% of the Collateral Principal Amount at any time;

(iii) the aggregate amount of Principal Proceeds utilized pursuant to clauses (i) and (ii) above to acquire Restructured Obligations, Workout Obligations and/or Specified Equity Securities (as applicable) (other than, in each case, any Uptier Priming Debt), in the aggregate and measured cumulatively from the 2026 Closing Date, shall not exceed 7.5% of the Target Initial Par Amount; and

(iv) the aggregate amount of Principal Proceeds utilized pursuant to clauses (i) and (ii) above to acquire Restructured Obligations and/or Workout Obligations that

constitute Uptier Priming Debt (and that, for the avoidance of doubt, are carved out of the respective limits above), (x) in the aggregate shall not exceed 5.0% of the Collateral Principal Amount at any point in time and (y) in the aggregate and measured cumulatively since the 2026 Closing Date shall not exceed 10.0% of the Target Initial Par Amount.

In addition to the foregoing restrictions, the Issuer will be permitted to acquire Restructured Obligations, Specified Equity Securities or Workout Obligations only if the Collateral Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or that failing to do so, would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Collateral Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Collateral Manager for its other clients or investment vehicles managed by the Collateral Manager).

Notwithstanding anything to the contrary herein, except as otherwise specifically provided herein, a Workout Obligation shall be treated as a Defaulted Obligation unless and until it subsequently meets the definition of "Collateral Obligation" (as determined on such date and without giving effect to any carve-outs for Workout Obligations therein).

(f) Certain Permitted Exchanges and Permitted Uses. At any time during or after the Reinvestment Period, the Collateral Manager may direct the Trustee to enter into a Bankruptcy Exchange or a Distressed Exchange or apply amounts specified in the definition of Permitted Use to one or more Permitted Uses.

(g) Maturity Amendments. The Issuer (or the Collateral Manager on the Issuer's behalf) may affirmatively vote in favor of a Maturity Amendment only if either (A) as determined by the Collateral Manager, after giving effect to such Maturity Amendment the Weighted Average Life Test will be satisfied or, if not satisfied, will be maintained or improved or (B) such Maturity Amendment is a Credit Amendment; provided that (x) the Aggregate Principal Balance of all Collateral Obligations subject to Maturity Amendments pursuant to clause (B) above then held by the Issuer shall not exceed 5.0% of the Collateral Principal Amount at any time and (y) the Aggregate Principal Balance of all Collateral Obligations subject to Maturity Amendments pursuant to clause (B) above, measured cumulatively since the 2026 Closing Date, shall not exceed an amount equal to 10.0% of the Target Initial Par Amount; provided further, that, with respect to any Maturity Amendment that would extend the stated maturity date of a Collateral Obligation beyond the Stated Maturity, the Aggregate Principal Balance of all such Collateral Obligations held by the Issuer at any point in time shall not exceed 2.0% of the Aggregate Principal Balance of all Collateral Obligations after giving effect to such Maturity Amendment (each, a "Specified Long Dated Obligation"). Notwithstanding the foregoing, the Issuer or the Collateral Manager may vote for a Maturity Amendment (A) if the Issuer receives the consent of a Majority of the Controlling Class to such Maturity Amendment, (B) the Collateral Manager expects to sell (and shall use commercially reasonable efforts to sell) the amended Collateral Obligation within 30 Business Days of the Maturity Amendment becoming effective with respect to such Collateral Obligation (each, an "Extend to Sell Obligation") or (C) if the Collateral Manager or the Issuer receives notice from the trustee or agent for the related Collateral Obligation that lenders or debtholders, as the case may be, that constitute the required lenders or debtholders, as the case may be, for approval of such amendment, waiver or supplement

have already consented (or are expected to consent) thereto, the Issuer (or the Collateral Manager on its behalf) may consent to such Maturity Amendment if a fee, additional interest or other consideration will be paid by the obligor only to the consenting lenders; provided further that (x) if the Collateral Manager has not sold any Extend to Sell Obligation within 30 Business Days as provided in clause (B) above, then for purposes of the definition of "Adjusted Collateral Principal Amount" such amended Collateral Obligation shall be treated as having a Principal Balance equal to the lower of its Market Value and 70% multiplied by its outstanding principal balance, until such Collateral Obligation is sold pursuant to the terms of this Indenture. and (y) the Aggregate Principal Balance of all Extend to Sell Obligations that the Collateral Manager has not sold within the applicable 30 Business Day period as provided in clause (B) above shall not exceed 3.0% of the Aggregate Principal Balance of all Collateral Obligations at any point in time.

(h) Prohibited Obligation. The determination of whether any obligation is a Prohibited Obligation will be made prior to the acquisition thereof by the Issuer and will be carried out based on the information actually known to the relevant Authorized Officer of the Collateral Manager at such time, which determination may include, without limitation, consideration of third-party data, environmental issues and factors (deemed relevant by the Collateral Manager) as well as the relevant Obligor's Environmental, Social and Corporate Governance policies and track record. Any such determination shall be made in the Collateral Manager's sole and absolute discretion prior to the acquisition of such Collateral Obligation; provided that, notwithstanding anything to the contrary herein, the Collateral Manager does not make any representations regarding, or warrant with respect to, any determination regarding any Prohibited Obligation and shall, in no case, have any related ongoing obligation following the initial acquisition thereof, nor any liability with respect to any such determination.

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or Section 10.6 will be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Assets Granted to the Trustee pursuant to this Indenture and will be Delivered. The Trustee shall also receive, not later than the settlement date, an Officer's certificate of the Issuer certifying compliance with the provisions of this Article XII; provided that such requirement shall be satisfied and such statements deemed to have been made by the Issuer by the delivery to the Trustee of a trade ticket in respect thereof.

(c) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchases, sales or other dispositions, the Issuer shall have the right to effect any sale or other disposition of any Asset or purchase of any Collateral Obligation (provided that such transaction complies with the Operating Guidelines (or, in the alternative, Tax Advice permitting deviations therefrom) and the other tax requirements set

forth in this Indenture) (x) that has been consented to by Holders evidencing (i) with respect to purchases during the Reinvestment Period and sales or other dispositions during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class and (y) of which each Rating Agency and the Trustee (with a copy to the Collateral Manager) has been notified.

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1. Subordination. (a) Anything in this Indenture or the Securities to the contrary notwithstanding, the Holders of each Junior Class agree for the benefit of the Holders of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to such Priority Class to the extent and in the manner set forth in this Indenture. If an Enforcement Event has occurred and is continuing in accordance with Article V, including as a result of a Bankruptcy Event, each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of any Junior Class shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; provided that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holders of the Junior Classes shall not demand, accept, or receive any payment or distribution in respect of such Class in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class to receive payments or distributions until all amounts due and payable on the Class shall be paid in full. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class.

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other

Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. Information Regarding Holders. (a) The Trustee shall provide to the Issuer (or its agents) and the Collateral Manager upon reasonable request all reasonably available information in the possession of the Trustee in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements. The Trustee shall provide to the Issuer and the Collateral Manager upon request a list of Holders (and, with respect to each Certifying Person, unless such Certifying Person instructs the Trustee otherwise, the Trustee will upon request of the Issuer or the Collateral Manager share with the Issuer and the Collateral Manager the identity of such Certifying Person, as identified to the Trustee by written certification from such Certifying Person). The Trustee shall obtain and provide to the Issuer and the Collateral Manager upon request a list of Agent Members holding positions in the Securities.

(b) Each purchaser of Securities, by its acceptance of an interest in Securities, agrees to provide to the Issuer (or its agents) and the Collateral Manager all information reasonably available to it that is reasonably requested by the Collateral Manager in connection with regulatory matters, including, without limitation, the Jersey AML Regulations and any information that is necessary or advisable in order for the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Collateral Manager from time to time.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or Jersey, in the case of an opinion relating to the laws of Jersey), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee shall also be entitled

to rely), unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default, Event of Default or Enforcement Event is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default, Event of Default or Enforcement Event as provided in Section 6.1(d).

Section 14.2. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Securities held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Securities shall bind the Holder (and any transferee thereof) of such and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(e) With respect to any vote, each Holder or proxy will be entitled to one vote for each U.S.$1.00 principal amount of the interest in a Note as to which it is the Holder or proxy;

provided that no vote will be counted in respect of any Security challenged as not Outstanding and ruled by the Registrar to be not Outstanding.

Section 14.3. Notices, etc., to Certain Parties. (a) Except as otherwise expressly provided herein, any request, demand, authorization, direction, notice, consent or waiver or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or email in legible form at the following address (or at any other address provided in writing by the relevant party):

(i) the Trustee and the Collateral Administrator at the Corporate Trust Office;

(ii) the Issuer at c/o Maples Fiduciary Services (Jersey) Limited, 2nd Floor Sir Walter Raleigh House, 48-50 Esplanade, St. Helier, JE2 3QB, Jersey or by email to MFJersey@ maples.com and cayman@maples.com;

(iii) the Co-Issuer at c/o Maples Fiduciary Services (Delaware) Inc., 4001 Kennett Pike, Suite 302, Wilmington, Delaware 19807, Attention: The Managers, telephone no: (302) 338-9130, email: delawareservices@maples.com;

(b) The Bank (in each of its capacities) shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture or any other Transaction Document and delivered using Electronic Means; provided, however, that the Issuer and Collateral Manager, as applicable, shall provide to the Trustee an incumbency certificate listing Authorized Officers and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer or Collateral Manager, as applicable, whenever a person is added or deleted from the listing. If the Issuer or Collateral Manager elects to give the Bank Instructions using Electronic Means and the Bank in its discretion elects to act upon such instructions, the Bank's understanding of such instructions shall be deemed controlling. The Issuer and the Collateral Manager understand and agree that the Bank cannot determine the identity of the actual sender of such Instructions and that the Bank shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Bank have been sent by such Authorized Officer. The Issuer and the Collateral Manager shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Bank and that the Issuer, the Collateral Manager and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer

and/or the Collateral Manager, as applicable. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such Instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. The Issuer and the Collateral Manager agree: (i) to assume all risks arising out of the use of such Electronic Means to submit Instructions to the Bank, including without limitation the risk of the Bank acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Bank and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer or Collateral Manager, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Bank immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: e-mail, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Bank, or another method or system specified by the Bank as available for use in connection with its services hereunder.

(c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to the Rating Agencies) may be provided by providing access to the Trustee's Website containing such information.

Section 14.4. Notices to Rating Agencies; Rule 17g-5 Procedures. (a) Any notice or other document required or permitted by this Indenture to be made upon, given or furnished to, or filed with, a Rating Agency, and any other communication with a Rating Agency will be sufficient for every purpose hereunder if such notice or other document relating to this Indenture, the Securities or the transactions contemplated hereby:

(i) is in writing;

(ii) has been sent (by 12:00 p.m. (New York time) on or before the date such notice or other document is due) to apidoscloxlvii17g5@usbank.com, or such other email address as is provided by the Information Agent for Posting to the 17g-5 Website in accordance with the Collateral Administration Agreement; and

(iii) upon confirmation from the Information Agent of the Posting of such notice or other document on the 17g-5 Website, has been furnished by email (A) to Moody's at cdomonitoring@moodys.com and (B) to Fitch at cdo.surveillance@fitchratings.com (or such other email address as is provided by Fitch).

(b) The Issuer will comply with its obligations under its Rule 17g-5 undertakings to each Rating Agency by it or its agent's Posting on the 17g-5 Website, no later than the time such information is provided to the Rating Agencies, all information that the Issuer or other parties on its behalf, including the Trustee and the Collateral Manager, provide to each Rating Agency for the purposes of determining the initial credit rating of the Rated Notes or undertaking credit rating surveillance of the Rated Notes (the "Rule 17g-5 Information"). At all times while any Securities are rated by any Rating Agency or any other NRSRO, the Issuer engaged a third-party to post Rule 17g-5 Information to the 17g-5 Website. On the Original Closing Date, the Issuer engaged the Collateral Administrator (in such capacity, the "Information Agent") for Posting Rule 17g-5 Information it receives from the Issuer, the Trustee or the Collateral Manager or any other Person to the 17g-5 Website in accordance with the Collateral Administration Agreement and to confirm such Posting to the requesting Person. To the extent any of the Issuer, the Trustee or the Collateral Manager is engaged in oral communications with any Rating Agency, for the purposes of determining the initial credit rating of the Securities or undertaking credit rating surveillance of the Rated Notes, the party communicating with such Rating Agency will cause such oral communication to either be (x) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for Posting to the 17g-5 Website or (y) summarized in writing and the summary to be promptly delivered to the Information Agent for Posting to the 17g-5 Website. The procedures set forth in clause (a) and this clause (b) constitute the "Rule 17g-5 Procedures."

(c) Notwithstanding the requirements herein, the Trustee will have no obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Rated Notes or undertaking credit rating surveillance of the Rated Notes, with any Rating Agency or any of their respective officers, directors or employees.

(d) The Trustee will not be responsible for creating or maintaining the 17g-5 Website, Posting any Rule 17g-5 Information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event will the Trustee be deemed to make any representation in respect of the content of the 17g-5 Website or compliance of the 17g-5 Website with this Indenture, Rule 17g-5 or any other law or regulation.

(e) The Trustee will not be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Co-Issuers, the Rating Agencies, the NRSROs, any of their agents or any other party. The Trustee will not be liable for the use of any information posted on the 17g-5 Website, whether by the Co-Issuers, the Rating Agencies, the NRSROs or any other third party that may gain access to the 17g-5 Website or the information posted thereon.

(f) The maintenance by the Trustee of the Trustee's Website will not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(g) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.4 will not constitute a Default or an Event of Default.

Section 14.5. Notices to Holders; Waiver. (a) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(i) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Securities, emailed to DTC for distribution to each Holder affected by such event and posted to the Trustee's Website), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(ii) such notice shall be in the English language.

(b) Such notices will be deemed to have been given on the date of such mailing.

(c) Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by email and stating the email address for such transmission. Thereafter, the Trustee shall give notices to such Holder by email, as so requested; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

(d) Subject to the Trustee's rights under Section 6.3(e), the Trustee will deliver to any Holder or Certifying Person any information or notice relating to this Indenture requested to be so delivered by any Holder or Certifying Person (with a copy to the Collateral Manager), at the expense of the Issuer; provided that nothing herein shall be construed to obligate the Trustee to distribute any notice that the Trustee reasonably determines to be contrary to the terms of this Indenture or its duties and obligations hereunder or applicable law. The Trustee may require the requesting Holder or Certifying Person to comply with its standard verification policies in order to confirm Holder or Certifying Person status.

(e) Neither the failure to provide any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

(f) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(g) Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation, reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified in this Section 14.5 may be provided by providing notice of and access to the Trustee's Website containing such information or document. Access to the Trustee's Website

containing such information or document will also be provided to Certifying Persons requesting such access.

Section 14.6. Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.7. Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.8. Severability. If any term, provision, covenant or condition of this Indenture or the Securities, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Securities, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Securities, as the case may be, so long as this Indenture or the Securities, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Securities, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.9. Benefits of Indenture. Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders and (to the extent provided herein) the Administrator (solely in its capacity as such) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.10. Legal Holidays. In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Securities or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date, as the case may be, and except as provided in the definition of Interest Accrual Period, no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.11. Governing Law. This Indenture and the Securities shall be construed in accordance with, and this Indenture and the Securities shall be governed by, the law of the State of New York.

Section 14.12. Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), to the fullest extent permitted by applicable law, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the

State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.13. WAIVER OF JURY TRIAL. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.14. Counterparts. This Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. This Indenture and the Securities (and each amendment, modification and waiver in respect of this Indenture or the Securities) may be executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.15. Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.16. Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by it or such Holder (as the case may be) in good faith to protect Confidential Information of third parties delivered to such Person; provided that such Person may deliver or disclose Confidential Information: (i) with the prior written consent of the

Collateral Manager, (ii) as required by law, regulation, court order or the rules, regulations or request or order of any governmental, judiciary, regulatory or self-regulating organization, body or official having jurisdiction over such Person, (iii) to its Affiliates, members, partners, officers, directors and employees and to its attorneys, accountants and other professional advisers in conjunction with the transactions described herein, (iv) as may be necessary or desirable in order for such Person to prepare, publish and distribute to any Person any information relating to the investment performance of the Assets in the aggregate, or (v) in connection with the exercise or enforcement of such Person's rights hereunder or in any dispute or proceeding related hereto, including defense by the Trustee or Collateral Administrator of any claim of liability that may be brought or charged against it. Notwithstanding the foregoing, delivery to any Person (including Holders) by the Trustee or the Collateral Administrator of any report, notice, document or other information required or expressly permitted by the terms of this Indenture or any of the other Transaction Documents to be provided to such Person or Persons, and delivery to Holders of copies of this Indenture or any of the other Transaction Documents, shall not be a violation of this Section 14.16. Each Holder agrees, except as set forth in clause (ii) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Securities or administering its investment in the Securities; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.16. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder, by its acceptance of a Security, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.16.

(b) For the purposes of this Section 14.16, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, (i) each of the Trustee and the Collateral Administrator may disclose Confidential Information (x) to each Rating Agency and (y) as and to the extent it may reasonably deem necessary for the performance of its duties hereunder (including the exercise of remedies pursuant to Article V), including on a confidential basis to its agents, attorneys and auditors in connection with the performance of its duties hereunder, (ii) the Trustee will provide, upon request, copies of this Indenture, the Collateral Management Agreement, the Collateral Administration Agreement, Monthly Reports and Distribution Reports to any Holder or Certifying Person, and (iii) any Holder or beneficial owner of an interest in Securities may provide copies of this Indenture, the Collateral Management Agreement, the Collateral Administration

Agreement, any Monthly Report and any Distribution Report to any prospective purchaser of Securities.

(d) Notwithstanding the foregoing or anything to the contrary herein, the terms of this Indenture shall not prevent any party hereto from (i) communicating directly with the Securities and Exchange Commission or its staff (without prior notice to or authorization from any other person) about a possible securities law violation, or (ii) exercising any similar whistleblower rights such party may have under applicable law in relation to communications to, any other governmental agency or authority or any self-regulatory organization about a possible violation of law, in each case to the extent such activity is protected under Section 21F of the Securities Exchange Act of 1934 or Rule 21F-17 thereunder or the whistleblower provisions of any other applicable law or regulation.

Section 14.17. Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Securities or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Securities, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Securities, any such agreement or otherwise against the other of the Co-Issuers or any Issuer Subsidiary. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect of any assets of the other of the Co-Issuers.

ARTICLE XV

ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1. Assignment of Collateral Management Agreement. (a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Obligations and the performance and observance of the provisions hereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties, all of the Issuer's right, title and interest in, to and under the Collateral Management Agreement, including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that the Issuer may exercise any of its rights under the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), so long as no Event of Default has occurred and is continuing. From and after the occurrence and continuance of an Event of Default, the Collateral Manager will continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture. The Trustee will be entitled to rely and be protected in relying upon

all actions and omissions to act of the Collateral Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereof shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee. Upon the retirement of the Securities and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee shall cease and terminate and all of the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

Section 15.2. Standard of Care Applicable to the Collateral Manager. For the avoidance of doubt, the standard of care set forth in the Collateral Management Agreement shall apply to the Collateral Manager with respect to those provisions of this Indenture applicable to the Collateral Manager.

Diversity Score Calculation

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's Industry Classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

Schedule 4

S&P Rating Definitions

"S&P Rating": With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) other than with respect to a DIP Collateral Obligation and any Uptier Priming Debt, (a) if there is an issuer credit rating of the issuer or facility rating of such Collateral Obligation by S&P as published by S&P (which may be via email), or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that complies with then current S&P criteria, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer; provided that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if the related obligor has consented to the disclosure thereof and a copy of such consent has been provided to S&P) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one subcategory above such rating; provided further that, if there is an Assigned Moody's Rating on such Collateral Obligation, the S&P Rating of Collateral Obligation shall be the higher of such rating and the S&P Rating determined pursuant to this clause;

(ii) with respect to any DIP Collateral Obligation or Uptier Priming Debt that has an issue rating assigned by S&P within the preceding 12-month period (whether or not withdrawn), the S&P Rating thereof shall be the credit rating assigned to such issue by S&P (provided that if any such Collateral Obligation that is a DIP Collateral Obligation or Uptier Priming Debt is newly issued and the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such Collateral Obligation and (2) "B" following such 90 days period; unless, during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided that if an S&P Rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such S&P Rating shall apply);

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (A) through (C) below:

(A) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be the S&P equivalent of such Moody's Rating;

(B) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; provided that, if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation shall have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and that the credit estimate provided by S&P will be at least equal to such rating; provided, further, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation shall have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided, further, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation shall be "CCC-"; provided, further, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; provided, further, that the S&P Rating may not be determined pursuant to this clause (B) if the Collateral Obligation is a DIP Collateral Obligation; provided, further, that such credit estimate shall expire 12 months after the receipt thereof, following which such Collateral Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period following the receipt of such credit estimate, the Issuer applies for renewal thereof, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised

such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Obligation; provided, further, that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the receipt thereof and (when renewed annually) on each 12-month anniversary thereafter;

(C) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC"; provided (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings and (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two-year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Obligation are current and the Collateral Manager reasonably expects them to remain current; or

In addition, with respect to any Defaulted Obligation the Collateral Manager, on behalf of the Issuer, may instruct the trustee for such Defaulted Obligation to enforce the Issuer's rights under the instruments governing such Defaulted Obligation or any applicable law, rule or regulation in any manner permitted under the Indenture. In the event any Offer is made with respect to any Collateral Obligation, Restructured

Obligation, Specified Equity Security, Eligible Investment or Equity Security, the Collateral Manager, on behalf of the Issuer, may take any action permitted by the Indenture.

(g) The Collateral Manager shall take such action on behalf of the Issuer in order that the Issuer may, subject to the applicable limitations set forth in the Indenture and the Memorandum and Articles, redeem all or part of the Securities, including any Refinancing.

Without limiting the generality of the foregoing, (i) the Collateral Manager shall not be subject to any implied duties (fiduciary or otherwise), (ii) the Collateral Manager shall not have any duty to take any discretionary action or exercise any discretionary powers, and (iii) except as expressly set forth herein or in the Indenture, the Collateral Manager shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any issuer of any Collateral Obligation, Restructured Obligation, Specified Equity Security, Eligible Investment or Equity Security, or any of its Affiliates that is communicated to or obtained by the Collateral Manager or any of its Affiliates.

(j) The Collateral Manager shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by a duly authorized Person. The Collateral Manager may consult with legal counsel (which may be counsel for an issuer of any Collateral Obligation or any of its Affiliates or for the Issuer), independent accountants and other independent experts selected by it in good faith.

(k) Except as otherwise arising in accordance with the next succeeding sentence with respect to the provision of services by third parties, the Collateral Manager shall perform or cause to be performed such services as are required of it hereunder in such offices as it may have from time to time. In providing services hereunder, the Collateral Manager may employ third parties, including its Affiliates, attorneys and financial advisors, to render advice (including legal and investment advice, but, for the avoidance of doubt, excluding final credit selection which shall remain the sole responsibility of the Collateral Manager) and assistance to the Issuer; *provided*, *however*, that the Collateral Manager shall not be relieved of any of its duties hereunder regardless of the performance of any services by third parties and no such employment shall be permitted if it would cause the Issuer to be subject to U.S. federal, state or local income tax on a net basis.

(l) The Collateral Manager may not, on behalf of the Issuer, effect purchases and sales of securities other than in accordance with the requirements of, and directions set forth in

this Agreement and the Indenture (including the Operating Guidelines or, in the alternative, the Tax Advice described in Section 8(a)(v)(y) permitting deviations therefrom).

The Collateral Manager agrees that any requests regarding the disbursement of any funds in any Account must be made in accordance with the Indenture and must be sent to the Trustee. Nothing in this paragraph shall prohibit the Collateral Manager from issuing instructions to the Trustee or Intermediary to effect or to settle any bills of sale, assignments, agreements and other instruments in connection with any acquisition, sale or other disposition of any Assets of the Issuer as permitted by the Indenture and the terms hereof.

3. Authorization to Act, Power of Attorney.

In ~~furtherance thereof, the~~addition, and without limiting the foregoing, the Issuer hereby delegates to the Collateral Manager sole control over and sole authority to direct, and to take on behalf of the Issuer, all actions the Issuer may take in its capacity (i) as owner of all of the Co-Issuer's outstanding membership interests and (ii) with respect to any Issuer Subsidiary, as owner of all of such Issuer Subsidiary's outstanding interests, as applicable. In furtherance of the forgoing, the Issuer hereby makes, constitutes and appoints the Collateral Manager, with full power of substitution, as its true and lawful agent and attorney-in-fact, with full power and authority in its name, place and stead, to sign, execute, certify, swear to, acknowledge, deliver, file, receive and record any and all documents which the Collateral Manager reasonably deems appropriate or necessary in connection with its duties under this Agreement subject, in each case, to Section 2(m) hereof. The foregoing power shall survive and not be affected by the subsequent dissolution, bankruptcy or termination of the Issuer; *provided*, *however*, that the foregoing power of attorney will expire, and the Collateral Manager will cease to have any power to act as the Issuer's attorney-in-fact, upon termination of

this Agreement in accordance with its terms. The Issuer shall execute and deliver to the Collateral Manager or cause to be executed and delivered to the Collateral Manager all such other powers of attorney, proxies, dividends and other orders, and all such instruments, without recourse to the Issuer, as the Collateral Manager may reasonably request for the purpose of enabling the Collateral Manager to exercise the rights and powers which it is entitled to exercise pursuant to this Section 3.

4. Brokerage.

The Collateral Manager will seek to obtain the best execution for all orders placed with respect to any transaction, considering all circumstances that are relevant in its reasonable determination. Subject to the objective of obtaining best execution and in accordance with applicable law, the Collateral Manager may, in the allocation of business, take into consideration all factors it deems relevant, including without limitation, the size of the transaction, the nature of the market for such security, the timing of the transaction, general market trends and research and other brokerage services (as those terms are defined in the Exchange Act) furnished to the Collateral Manager by brokers and dealers that are not Affiliates of the Collateral Manager. When a purchase or sale of a Collateral Obligation occurs as part of any aggregate sales or purchase order, the objective of the Collateral Manager (and any of its Affiliates involved in such transactions) will be to allocate the executions among the accounts in a manner the Collateral Manager considers equitable considering all of the facts and circumstances.

The Issuer acknowledges that any determination (which will not be called into question as a result of subsequent events) by the Collateral Manager described herein is subjective and will represent the Collateral Manager's evaluation at the time taking into consideration all circumstances that it considers relevant.

In addition to the foregoing and subject to the provisions of Section 2, the limitations of Section 6 and the objective of obtaining best execution and to the extent permitted by applicable law, the Collateral Manager may, on behalf of the Issuer, direct the Trustee to acquire any and all of the Collateral Obligations, Eligible Investments or other Collateral from, or sell Collateral Obligations or other Collateral to, the Initial Purchaser or any of their respective Affiliates or any other firm.

5. Additional Activities of the Collateral Manager.

Subject to the Operating Guidelines or, in the alternative, the Tax Advice described in Section 8(a)(v)(y) permitting deviations therefrom when acting on behalf of the Issuer, ~~N~~nothing herein shall prevent the Collateral Manager or any of its Affiliates from engaging in other businesses or from rendering services of any kind to the Issuer and its Affiliates, the Trustee, any

Holder or any other Person or entity, in each case to the extent permitted by law ~~and, if on behalf of the Issuer, not prohibited by the Indenture and in accordance with the Operating Guidelines or the Tax Advice described in Section 8(a)(v)(y);~~ *provided that*, with respect to such businesses or services, the Collateral Manager shall not act as an agent for the Issuer and shall deal with the Issuer on an arm's-length basis. Without prejudice to the generality of the foregoing, subject to compliance with the Operating Guidelines or, in the alternative, the Tax Advice described in Section 8(a)(v)(y) permitting deviations therefrom when acting on behalf of the Issuer, it is the case that each Manager Party may, among other things:

(e) subject to compliance with applicable law, Section 6 and the provisions of the Indenture, sell any Collateral Obligation or Eligible Investment to the Issuer while acting in the capacity of principal or agent;

(g) subject to compliance with applicable law, Section 6 and the provisions of the Indenture, purchase any Collateral Obligation, Restructured Obligation, Specified Equity Security, Eligible Investment, Equity Security or other item of Collateral from the Issuer

provided that the terms of such purchase are arm's-length and the purchase is at a fair price determined in accordance with its policies;

(h) act as an investment manager or collateral manager for any other entity which invests in securities in connection with collateralized bond or debt obligation transactions and in accordance with investment policies and objectives similar to or different from that of the Issuer; *provided*, *however*, that the Collateral Manager may act in any such capacity only to the extent such action could not be reasonably expected to require registration of the Issuer, the Co-Issuer or the pool of Collateral as an "investment company" under the Investment Company Act or violate any provisions of federal or applicable state law or any law, rule or regulation of any governmental body or agency having jurisdiction over the Issuer;

(i) subject to applicable law, act either as principal or agent on behalf of others, in buying or selling, or recommending to or directing any other account to buy or sell, at any time, securities of the same kind or class, or securities of a different kind or class of the same issuer, as those monitored or directed by the Collateral Manager to be sold hereunder or under the Indenture (and it is understood that, to the extent permitted by applicable law, the Manager Parties or any member of their families or a Person advised by the Collateral Manager may have an interest in a particular transaction or in securities of the same kind or class, or securities of a different kind or class issued by the same issuer, as those monitored or whose sale or purchase the Collateral Manager may direct hereunder);

(j) unless the Collateral Manager determines in its reasonable judgment that a purchase or sale is appropriate and otherwise in accordance with the requirements of this Agreement and the Indenture, refrain from directing the purchase or sale hereunder of securities issued by (i) Persons of which the Collateral Manager, its Affiliates or any of its or their officers, directors or employees are directors or officers, (ii) Persons for which the Collateral Manager or any of its Affiliates acts as Collateral Manager or underwriter or (iii) Persons about which the Collateral Manager or any of its Affiliates has information that the Collateral Manager deems confidential or non-public or otherwise might prohibit it from trading such securities in accordance with applicable law; and

(k) serve as a member of any "creditors' board" with respect to any Collateral.

It is understood that the services of the Collateral Manager to the Issuer are not deemed to be exclusive and the Manager Parties shall be free to engage in any other business and render investment management and advisory services for its own account and to others, including Affiliates and other Persons that may have investment policies similar to those followed by the Collateral Manager with respect to the Collateral and that may own securities of the same class, or that are the same type, as the Collateral Obligations or other securities of the obligors of the Collateral Obligations. Neither the Collateral Manager nor any of its Affiliates is under any obligation to offer investment opportunities of which they become aware to the Issuer or to inform the Issuer of any investments before engaging in any investments or to account to the Issuer (or share with the Issuer) with respect to any such transaction or any benefit received by them from any such transaction. Furthermore, the Collateral Manager and/or its Affiliates may make an investment on behalf of any account that any of them manage or advise without offering the investment opportunity or making any investment on behalf of the Issuer. The Collateral

Manager and/or its Affiliates have no affirmative obligation to offer any investments to the Issuer or to inform the Issuer of any investments before offering any investments to other funds or accounts that the Collateral Manager and/or its Affiliates manage or advise.

6. Conflicts of Interest.

(a) The Collateral Manager shall not direct the Trustee or the Issuer to engage in any transaction in which the Collateral Manager determines, in its sole discretion, that the Issuer's consent to an actual or potential conflict of interests is necessary or advisable under applicable law (including, without limitation, Section 206(3) of the Advisers Act and the rules and regulations promulgated thereunder), by reason of the involvement of the Collateral Manager or an Affiliate of the Collateral Manager or otherwise; *provided*, *however*, that the Collateral Manager may direct the Issuer to purchase from or sell Collateral Obligations to the Collateral Manager or any of its Affiliates as principal, from or to any account or portfolio for which the Collateral Manager or any of its Affiliates serves as Collateral Manager (or the equivalent) or in an "agency cross transaction for an advisory client" (as defined in Rule 206(3)-2(b) under the Advisers Act) if such transaction is (i) in compliance with the Advisers Act and (ii) conducted on an arm's-length basis (including, but not limited to, through an auction) or on terms equivalent to arm's-length terms in accordance with its standard policies for principal or agency cross transactions, and on terms no less favorable to the Issuer than if the buyer or seller, as the case may be, were an unrelated third party and any such purchase or sale is made at fair market value. The requirements of this clause (a) shall be deemed to be satisfied for transactions for which consent of the Independent Client Representative is obtained.

(b) The Collateral Manager hereby advises the Issuer that it may effect (i) cross transactions between the Issuer and another client of the Collateral Manager *provided* it has reasonable grounds to believe that any such cross transaction is justified from the perspective of the Issuer and is consistent with the Issuer's investment policies, (ii) agency cross transactions effected through a broker-dealer affiliated with the Collateral Manager pursuant to the requirements of Rule 206(3)-2 under the Advisers Act (or any successor rule applicable to agency cross transactions) and (iii) principal transactions, subject to procedures developed by the Collateral Manager to address the conflicts of interest and its obtaining any consents required by the Advisers Act. The Collateral Manager hereby advises the Issuer that there could be conflicting divisions of loyalty and responsibility regarding the parties to a cross transaction or an agency cross transaction and the Issuer hereby consents to such transactions by the Collateral Manager and acknowledges that such consent could be withdrawn at any time.

(c) None of the Collateral Manager, its Affiliates or their respective employees is prohibited from purchasing Securities of any Class. In certain circumstances, the interests of the Issuer and/or the Holders with respect to matters as to which the Collateral Manager is advising the Issuer may conflict with the foregoing interests of the Manager Parties. The Issuer hereby acknowledges and consents to various potential and actual conflicts of interest that may exist with respect to the Collateral Manager as described above and in the Offering Memorandum; *provided*, *however*, that nothing in this Section 6 shall be construed as altering the duties of the Collateral Manager as set forth in this Agreement, the Indenture or the Advisers Act.

(d) The Collateral Manager may, to the extent permitted under the Advisers Act, retain the Independent Client Representative to review and approve on behalf and constitute the consent of the Issuer to the terms of (i) applicable transactions by the Issuer described in clause (a) of this Section 6 and (ii) other transactions with respect to which such review, approval or consent of the Issuer is otherwise sought by the Collateral Manager in its sole discretion, *provided* that such retention shall be pursuant to a services agreement which shall be subject to the review and approval of the Issuer and counsel to the Issuer. The fees and expenses of the Independent Client Representative incurred in connection with each such approval by the Independent Client Representative shall be payable by the Issuer as Administrative Expenses, subject to the Priority of Payments in the Indenture; *provided* that if any such expenses are allocable to one or more entities or accounts (in addition to the Issuer) for which the Collateral Manager provides advisory or management services, the Issuer shall be responsible only for the portions of those fees and expenses fairly allocable to the Issuer in the Collateral Manager's reasonable discretion; and *provided*, *further*, that the amount of such expenses relating to the services of the Independent Client Representative payable by the Issuer in any one calendar year shall not exceed $15,000. The foregoing is in addition to any other procedures developed by the Collateral Manager to address conflicts of interest and obtain consents, in each case, in compliance with the Advisers Act.

(e) The Issuer acknowledges that various potential and actual conflicts of interest may arise from the overall investment activities of the Collateral Manager and its Affiliates, including those described in the Offering Memorandum. Affiliates of the Collateral Manager may make and/or hold an investment in an issuer's securities that may be *pari passu*, senior or junior in ranking to an investment in such issuer's securities made and/or held by the Issuer or serve as servicer, master servicer or special servicer or otherwise have ongoing relationships with respect to such an issuer. In the event that, in light of market conditions and investment objectives, the Collateral Manager determines that it would be advisable to facilitate the sale of the same Collateral Obligation, Restructured Obligation, Specified Equity Security, Eligible Investment or Equity Security both for the Issuer, and for either the proprietary account of the Collateral Manager or any Affiliate of the Collateral Manager, the sales will be allocated in a manner believed by the Collateral Manager to be equitable and which is consistent with the Collateral Manager's obligations hereunder, its standard practices and applicable law. The Collateral Manager and its Affiliates may invest in securities that are within the investment objectives of the Issuer. The Collateral Manager and its Affiliates may also invest in securities through different entities which may have similar or identical investment objectives as the Issuer.

7. Records, Confidentiality.

(a) The Collateral Manager shall maintain appropriate books of account and records relating to services performed hereunder, and such books of account and records shall be accessible for inspection by representatives of the Issuer, the Trustee, the Holders and the Independent accountants appointed by the Issuer pursuant to Article 10 of the Indenture at any time during normal business hours and upon not less than five Business Days' prior written notice. The Collateral Manager shall keep confidential any and all information obtained in connection with the services rendered hereunder and shall not disclose any such information to non-affiliated third parties except (i) with the prior written consent of the Issuer, (ii) such information as the Rating Agencies shall request in connection with the rating of the Rated

Notes, (iii) as required by law, regulation, court order or the rules or regulations of any self-regulating organization, body or official having jurisdiction over the Collateral Manager, (iv) to its professional advisors, (v) such information as shall have been publicly disclosed other than in violation of this Agreement, (vi) to the extent required, in connection with establishing trading or investment accounts or otherwise in connection with effecting transactions on behalf of the Issuer, (vii) such information that was or is obtained by the Collateral Manager on a non-confidential basis from a non-affiliated third party *provided* that the Collateral Manager does not know of any breach by such source of any confidentiality obligations with respect thereto or (viii) such information as may be necessary or, in the judgment of the Collateral Manager, desirable in order for the Collateral Manager to prepare, publish and distribute to any person any information relating to the investment performance of the Issuer, the Securities or the Collateral and the Collateral Manager's engagement by the Issuer to perform services hereunder, including to Holders, owners of interests in Securities and prospective purchasers of interests in Securities. For purposes of this Section 7, the Holders and the Initial Purchaser shall in no event be considered "non-affiliated third parties." The Collateral Manager shall not be liable for any subsequent disclosure of information disclosed by it in accordance with this Section 7. Notwithstanding anything in this Agreement (including this Section 7) to the contrary, the Collateral Manager (and any of its employees, representatives or other agents) may disclose to any and all persons without limitation of any kind, the U.S. income tax treatment and tax structure of the Issuer or any transactions undertaken by the Issuer and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment or tax structure; it being understood and agreed, for this purpose, (x) the name of, or any other identifying information regarding (A) the Issuer or any existing or future investor (or any affiliate thereof) in the Issuer, or (B) any investment or transaction entered into by the Issuer, (y) any performance information relating to the Issuer or its investments, and (z) any performance or other information relating to previous funds or investments managed by the Collateral Manager, does not constitute such tax treatment or tax structure information.

(b) The Collateral Manager consents to the release of information relating to the Securities, the Collateral and the investment performance of the Collateral to third-party data providers and vendors that would be expected to make such information and models of the Collateral generally available to their subscribers.

(c) Notwithstanding the foregoing or anything to the contrary herein, the terms of this Agreement shall not prevent any party hereto from (i) communicating directly with the Securities and Exchange Commission or its staff (without prior notice to or authorization from any other person) about a possible securities law violation, or (ii) exercising any similar whistleblower rights such party may have under applicable law in relation to communications to, any other governmental agency or authority or any self-regulatory organization about a possible violation of law, in each case to the extent such activity is protected under Section 21F of the Securities Exchange Act of 1934 or Rule 21F-17 thereunder or the whistleblower provisions of any other applicable law or regulation.

8. Obligations of Collateral Manager.

(a) The Collateral Manager shall not intentionally take any action that would:

(i) materially adversely affect the status of the Issuer or the Co-Issuer for purposes of the laws of Jersey, United States federal or state law or any other law which, in its judgment, made in good faith or as advised by the Administrator, is applicable to the Issuer or the Co-Issuer;

(ii) not be permitted by the Issuer's or the Co-Issuer's Governing Instruments;

(iii) violate any law, rule or regulation actually known by one or more Authorized Officers of the Collateral Manager of any governmental body or agency having jurisdiction over the Issuer or the Co-Issuer, including, without limitation, actions which would violate any law of Jersey or United States federal, state or other applicable securities law, the violation of which would have a material adverse effect on the Issuer or on the ability of the Collateral Manager to perform its obligations hereunder;

(iv) require registration of the Issuer or the Co-Issuer as an "investment company" under the Investment Company Act;

(v) cause the Issuer or the Co-Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis; *provided*, *however*, that the Collateral Manager shall be deemed to have complied with this clause (v) if it complies with (x) the Operating Guidelines or (y) Tax Advice to the effect that an action, when considered in light of the other activities of the Issuer, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis, so long as there has been no change in any U.S. federal income tax law or the interpretation thereof since the date hereof, or the date of such Tax Advice, as applicable, that the Collateral Manager actually knows (at the time such action is taken, when considered in light of the other activities of the Issuer) would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes notwithstanding compliance with the Operating Guidelines (or such Tax Advice); it being understood that the Collateral Manager shall not be required to monitor or make any independent investigation of any U.S. federal income tax laws, any regulations or guidance promulgated thereunder, or the interpretation thereof, in order to satisfy the "actual knowledge" element of this Section 8(a)(v)(y); or

(vi) cause the Issuer or Co-Issuer to violate any provision of the Indenture.

In furtherance of the foregoing, the Collateral Manager shall at all times comply with the Operating Guidelines or, in the alternative, the Tax Advice described in Section 8(a)(v)(y) permitting deviations therefrom.

If the Collateral Manager is ordered by the Administrator or the requisite Holders or beneficial owners of Notes, to take any action which would, or could reasonably be expected to, in each case in the Collateral Manager's reasonable business judgment, have any such consequences set forth in this Section 8(a), the Collateral Manager shall promptly notify the Administrator and the Trustee of its determination and need not take such action unless the

Administrator again requests the Collateral Manager to do so and the Trustee, at the written direction of a Majority of each Class of Securities, has consented thereto in writing. Notwithstanding any such request, the Collateral Manager need not take such action unless arrangements satisfactory to it are made to insure or indemnify the Collateral Manager from any liability it may incur as a result of such action. None of the Manager Parties shall be liable to the Issuer except, as to the Collateral Manager only, as provided in Section 11 of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, any indemnification or insurance provided for in this Section 8 shall be payable solely out of the Collateral in accordance with the Priority of Payments.

(b) The Collateral Manager shall observe any directions given to it by the Issuer pursuant to this Agreement, except where the Collateral Manager reasonably determines that to do so would violate this Agreement or the Indenture or applicable law; *provided*, *however*, that the Collateral Manager, when performing its duties hereunder, shall always do so in a manner consistent with the requirements of the Indenture and this Agreement. The Collateral Manager will not be liable for any special, indirect, consequential, punitive, exemplary or treble damages or lost profits.

(c) No delegation of duties by the Collateral Manager hereunder shall relieve it from any liability hereunder. The Collateral Manager will provide notice to the Trustee (for forwarding to Holders and the Rating Agencies) of any delegation of control over the investment, reinvestment or disposition of the Collateral Obligations, Restructured Obligations, Specified Equity Security and Equity Securities. Notwithstanding anything to the contrary herein, no delegation hereunder shall be permitted if it will cause the Issuer to be subject to U.S. federal, state, or local income tax on a net basis.

(d) From and after the occurrence of an Event of Default, the Collateral Manager will continue to perform and be bound by the provisions of this Agreement and the Indenture.

9. Compensation.

(a) The Issuer shall pay to the Collateral Manager, for services rendered under this Agreement, on each Payment Date, the Management Fee subject to the Priority of Payments. The provisions of the Indenture, which set forth the amounts and times referred to in the preceding sentence, shall not be amended without the written consent of the Collateral Manager.

(b) If on any Payment Date there are insufficient funds to pay any amount in respect of the Base Management Fee or the Subordinated Management Fee in full, the amount not so paid shall be deferred and shall be payable on such later Payment Date on which funds are available therefore in accordance with the Priority of Payments. Any Base Management Fee deferred in accordance with the Priority of Payments shall accrue interest at the Benchmark applicable to the Rated Notes for each Interest Accrual Period that such amount is unpaid.

(c) On any Payment Date, the Collateral Manager may, in its sole discretion, waive or defer all or a portion of its Subordinated Management Fee (the "Deferred Subordinated Fee") by written notice to the Trustee on or before the related Determination Date. An amount equal to the Deferred Subordinated Fee for any Payment Date may, at the sole option of the Collateral

Manager, be (i) distributed as Interest Proceeds on such Payment Date, (ii) deposited into the Interest Collection Account as Interest Proceeds, (iii) deposited into the Principal Collection Account as Principal Proceeds or (iv) applied by the Issuer at the discretion of and as directed by the Collateral Manager for a Permitted Use. After such Payment Date, the Deferred Subordinated Fee will be added to the cumulative amount of the Deferred Subordinated Fee that the Collateral Manager has elected to defer on prior Payment Dates and has not yet been repaid (the "Cumulative Deferred Subordinated Fee") and will accrue interest (in arrears) for the period commencing on the Payment Date on which it was deferred to (but excluding) the Payment Date on which it is repaid (at the election of the Collateral Manager) at the Interest Rate applicable to the Class ~~F~~F-R Notes for each Interest Accrual Period that such amount is unpaid. The Cumulative Deferred Subordinated Fee and any accrued and unpaid interest thereon will be payable on any subsequent Payment Date at the election of the Collateral Manager to the extent funds are available for such purpose in accordance with the Priority of Payments by notice to the Trustee and the Collateral Administrator on or before the related Determination Date.

(d) Except as otherwise provided in the proviso below and Section 27, the Collateral Manager shall be responsible for its overhead expenses of an ordinary and recurring nature, such as rent, supplies, secretarial expenses, stationery, charges for furniture and fixtures, employee insurance, payroll taxes and compensation of employees, incurred in connection with the operation of its business and all expenses incurred in the performance of its obligations under this Agreement, including the expenses and fees of any third party employed by the Collateral Manager pursuant to the terms of this Agreement; provided, however, that the Collateral Manager shall not be responsible for (i) any Reimbursable Expenses as defined in the Offering Memorandum; (ii) any fees, expenses or other amounts payable to the Rating Agencies, the Collateral Administrator, the Trustee, the Independent accountants appointed under the Indenture or any other accountants; (iii) the expenses incurred in connection with the services provided by the Independent Client Representative as described in and limited by Section 6(d); (~~iii~~iv) any fees and expenses incurred by it to employ, and any fees and expenses associated with, outside lawyers or consultants necessary in connection with the default, restructuring or enforcement of any Collateral; (~~iv~~v) the fees and expenses of employing, and any fees and expenses associated with, outside lawyers to provide advice in connection with the performance of the Collateral Manager's obligations under Section 8; (~~v~~vi) the fees and expenses of any other legal advisors, including, without limitation, outside lawyers, consultants, or other professionals retained by the Issuer or the Collateral Manager on behalf of the Issuer or to render services or advice for the benefit of the Issuer in connection with the services provided by the Collateral Manager pursuant to Section 2 including, without limitation, legal due diligence and documentation reviews and other reviews in connection with such transactions, whether proposed transactions or transactions which are, in fact, consummated; or (vii) any out-of-pocket costs or expenses ~~(including Reimbursable Expenses as defined in the Offering Memorandum)~~ incurred by the Collateral Manager in connection with: (1) complying (including, without limitation, providing assistance with respect to the Retention Holder's or the Issuer's compliance) with the U.S. Risk Retention Rules, the EU/UK Risk Retention Requirements, to the extent applicable (other than the purchase price of Securities acquired by the Collateral Manager to comply with the U.S. Risk Retention Rules and/or the EU/UK Risk Retention Requirements or expenses related to financing the purchase of such Securities) and/or the EU/UK Transparency and Reporting Requirements; (2) legal and accounting services (including third-party accounting services), bookkeeping services, consulting services, rating agency services, asset assignment and

settlement, tax preparation and filing, independent appraisal, audit and other professional fees and expenses, including expenses of the independent client representative; (3) research expenses~~(~~, including ~~research-related travel,~~the fees, costs and expenses for other third party research utilized by the Collateral Manager, including specialty data subscription and license-based services and risk analysis software, industry information, analytics, research subscription (e.g., ~~license-based~~ services such as Bloomberg) and expert networks/research resources, ~~as well as any Environmental, Social and Corporate Governance related research and/or analysis)~~and any environmental, social and governance technology or vendor data and any other valuations, information, services or certifications required by the Issuer's governing documents or by-law or regulation, including in connection with applicable law and/or regulation; (4) all fees and expenses of portfolio management and/or market information systems and/or services (e.g., Moody's Analytics, WallStreet Office, WSOWeb) valuation, and/or pricing services and software that may be required to price the ~~Collateral Obligations~~Issuer's investments and portfolios (e.g., Markit); (5) the fees, costs, commissions and expenses of all legal and tax advisers, administrators, auditors, consultants, finders (including the fees of any consultant, operating partner or finder who may be engaged on behalf of the Issuer or the Collateral Manager, on an exclusive or non-exclusive basis, to source investments); (6) depository fees, valuation expert fees, insurance premiums and ongoing tax and expenses incurred in connection with legal and regulatory compliance relating to the Issuer's activities (including, without limitation, regulatory filings of the Collateral Manager relating to the Issuer's activities); (7) the Issuer's information, communication and reporting costs and expenses (including expenses related to reports to be filed with the SEC, the U.S. Commodity Futures Trading Commission, the National Futures Association, the U.S. Treasury, the IRS, and other national, state, provincial or local regulatory authorities in any country or territory, and any costs associated with outsourcing the completion of such reports or any other regulatory requirement (including regulatory filings, "blue sky" filings and related out-of-pocket or other expenses of the Issuer or the Collateral Manager)); (8) costs and expenses of any litigation and other extraordinary expenses relating to the Issuer or an entity in which investments are made by the Issuer; (9) indemnity expenses, taxes, investment expenses such as commissions, assignment fees, trade execution and settlement fees, filing and registration fees, fees of loan pricing services, custodial fees, bank service fees and other expenses related to sourcing, identifying, evaluating, structuring and negotiating potential investments (including proposed but unconsummated investments); (10) fees relating to the purchase, settlement, holding, monitoring, financing, refinancing, sale or transmittal of Issuer assets (including fees and expenses of any legal, financial, accounting, consulting or other advisors or lenders, investment banks and other financing sources and any deposits or down payments that are forfeited in connection with, or amounts paid as a penalty for unconsummated transactions, as well as related travel expenses (i.e., "broken-deal costs")); (11) insurance, interest and other expenses incurred in respect of hedging; and (12) any other expenses related to the Issuer's operations, including any other out-of-pocket, third-party expenses that the Collateral Manager determines to be allocable to the Issuer. Any expenses of the Collateral Manager in the performance of its duties under this Agreement that the Collateral Manager is not responsible for shall be reimbursed by the Issuer to the extent funds are available therefore in accordance with and subject to the Priority of Payments and the other limitations contained in the Indenture. To the extent that such expenses are incurred in connection with obligations that are also held by the Collateral Manager, any of its Affiliates or other accounts

managed by the Collateral Manager, the Collateral Manager shall allocate the expenses among the accounts in a fair and equitable manner.

(e) Payments under this Agreement to the Collateral Manager will be made to an account as specified by the Collateral Manager to the Trustee in U.S. Dollars and in freely transferable and immediately available funds. The Collateral Manager may change its account for receiving a payment by giving notice to the Issuer at least two Business Days prior to the scheduled date for the payment to which such change applies.

10. Benefit of the Agreement.

The Collateral Manager shall perform its obligations hereunder in accordance with the express terms of this Agreement (including the Operating Guidelines or, in the alternative, the Tax Advice described in Section 8(a)(v)(y) permitting deviations therefrom), and the express terms of the Indenture applicable to it. The Collateral Manager agrees that such obligations shall be enforceable at the instance of the Trustee, on behalf of the Holders.

11. Limits of Collateral Manager Responsibility and Indemnities.

(a) The Collateral Manager assumes no responsibility under this Agreement other than to render, in good faith, the services called for hereunder, and under the terms of the Indenture expressly applicable to the Collateral Manager, in accordance with the standard of care described in Section 11(b). Subject to such standard of care, none of the Manager Parties shall be responsible for any action of the Issuer or the Trustee in following or declining to follow any advice, recommendation or direction of the Collateral Manager, including as set forth in Section 8.

Notwithstanding anything in this Agreement to the contrary, the Collateral Manager shall not be, liable to the Issuer for any liabilities or considered to be in breach of this Agreement where such breach, in each case, arose (or arises) from or is caused by events or circumstances beyond the Collateral Manager's reasonable control, including, but not limited to, liabilities resulting from nationalis~~s~~zation, epidemic, strikes, expropriation, devaluation, revaluation, confiscation, seizure, cancellation, destruction or similar action by any governmental authority, de facto or de jure; or enactment, promulgation, imposition or enforcement by any such governmental authority of currency restrictions, exchange controls, ~~t~~Taxes~~, levies or other charges~~ affecting the Issuer's property; or the breakdown, failure or malfunction of any utilities, telecommunications systems or computer system; or any order or regulation of any banking or securities industry including changes in market rules and binding market conditions affecting the execution or settlement of transactions; or acts of war, terrorism, insurrection or revolution; or any other similar or third-party event.

(b) None of the Manager Parties will be liable to the Issuer, the Trustee, the Holders or any other Person for any acts or omissions arising from (i) the Manager Parties or the Independent Client Representative under or in connection with this Agreement, or the provisions of any Transaction Document applicable to it, or for any decrease in the value of the Collateral, except by reason of acts or omissions constituting willful misconduct, gross negligence or reckless disregard in the performance of the obligations of the Collateral Manager hereunder and

under the express terms of the Indenture applicable to the Collateral Manager or (ii) any untrue statement of a material fact or alleged untrue statement of a material fact, in each case, contained in the Offering Memorandum or any omission or alleged omission of a material fact necessary in order to make the statements in the Offering Memorandum, in light of the circumstances under which they were made, not misleading, except to the extent such liability or claim is based upon any untrue statement of a material fact or omission of a material fact in the Collateral Manager Information. The Collateral Manager may, with respect to the affairs of the Issuer or the Collateral Manager's obligations or rights hereunder or the terms of the Indenture applicable to it, consult with counsel and accountants, in their capacity as such, selected by the Collateral Manager, and the Collateral Manager shall be fully protected, to the extent permitted by applicable law, in acting or failing to act hereunder if such action or inaction is taken or not taken by the Collateral Manager in accordance with the advice or opinion of such counsel or accountants, *provided*, in the case of matters covered by Section 8(a)(v), such reliance must comply with such Section.

(c) The Issuer shall indemnify, and hold harmless the Manager Parties and the Independent Client Representative (each, an "Issuer Indemnified Party") from and against any and all expenses, losses, damages, liabilities, demands, charges, claims or injuries suffered or sustained by any of them, of any nature whatsoever (including, without limitation, judgments, interest thereon, fines, charges, costs, amounts paid in settlement, expenses and attorneys' fees incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation, whether pending or threatened, or any appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or commission (each, a "Proceeding")), incurred in connection with: (i) the issuance of the Securities (including, without limitation, any untrue statement of a material fact contained in the Offering Memorandum (excluding the Collateral Manager Information) or omission to state a material fact necessary to make the statements in the Offering Memorandum (excluding the Collateral Manager Information) in light of the circumstances under which they were made not misleading), (ii) the transactions contemplated by the Offering Memorandum, the Indenture or this Agreement, or (iii) any other act or omission in connection with the performance by the Collateral Manager of its duties hereunder, under the terms of the Indenture or under the terms of any other Transaction Document applicable to the Collateral Manager (collectively, "Damages"), excluding any such Damages (A) in respect of or arising from any acts or omissions of any such party made in the performance of the express duties of the Collateral Manager under this Agreement or the Indenture and in the case of the Independent Client Representative, the duties of the Independent Client Representative, in each case constituting willful misconduct, gross negligence or reckless disregard in the performance of the Collateral Manager's express duties hereunder or under the provisions of the Indenture applicable to it or duties of the Independent Client Representative, as the case may be, or (B) in respect of any untrue statement or alleged untrue statement or omission or alleged omission of a material fact in the Collateral Manager Information. Notwithstanding anything to the contrary contained herein, the obligations of the Issuer under this Section 11 shall be payable solely out of the Collateral in accordance with the Priority of Payments.

If a Proceeding is brought against any Issuer Indemnified Party with respect to which indemnity may be sought from the Issuer pursuant hereto, or if any Issuer Indemnified Party receives notice from any potential litigant of a claim that such Issuer Indemnified Party

reasonably believes will result in the commencement against such Issuer Indemnified Party of any such Proceeding, such Issuer Indemnified Party shall, as promptly as practicable after receiving notice thereof, give notice to the Issuer and the Trustee of the commencement of such Proceeding or of the existence of any such claim. Any failure to give or any delay in giving such notice to the Issuer and the Trustee of any such Proceeding or claim shall not relieve the Issuer from its obligations under this Section 11(c). In case any such Proceeding shall be brought against any Issuer Indemnified Party, the Issuer will be entitled to participate in the defense of such Proceeding and, after written notice from the Issuer to such Issuer Indemnified Party, to assume the defense of such Proceeding with counsel of its choice, or, as provided in the next succeeding sentence of this paragraph, compromise or settle such Proceeding, at its expense (in which case the Issuer will not thereafter be responsible for the fees and expenses of any separate counsel retained by such Issuer Indemnified Party); *provided*, *however*, that such counsel shall be satisfactory to the Issuer Indemnified Party. Notwithstanding the preceding sentence, an Issuer Indemnified Party will be entitled to employ counsel separate from counsel for the Issuer and from any other party in such Proceeding if such Issuer Indemnified Party reasonably determines that a conflict of interest exists or may arise which makes representation by counsel chosen by the Issuer not advisable. In the event an Issuer Indemnified Party is entitled to employ separate counsel pursuant to the preceding sentence, the fees and disbursements of such separate counsel will be paid by the Issuer.

Notwithstanding the election by the Issuer to assume the defense of such Proceeding, (x) the Issuer may not enter into any compromise or settlement of such Proceeding without such Issuer Indemnified Party's prior written consent if such compromise or settlement (A) does not finally and completely satisfy, discharge and release such Issuer Indemnified Party from any and all Damages related to or arising from all matters forming the basis for the claim in respect of which such Proceeding was brought or (B) imposes any other material liability or obligation on such Issuer Indemnified Party and (y) such Issuer Indemnified Party shall have the right, at its own expense, to employ separate counsel and to participate in the defense of such Proceeding.

(d) Upon written request from any Issuer Indemnified Party, the Issuer shall advance promptly to such Issuer Indemnified Party any legal expenses and other costs for which an Issuer Indemnified Party is indemnified hereunder incurred by such Issuer Indemnified Party as a result of any claim made or Proceeding commenced against such Issuer Indemnified Party which arises out of, relates to or is connected with the Collateral Manager's duties and obligations hereunder or under the Indenture; *provided*, *however*, that the Issuer or the Independent Client Representative, as the case may be, shall not be obligated to make any payments to an Issuer Indemnified Party pursuant to this Section 11(d) unless such Issuer Indemnified Party undertakes to repay the advanced funds to the Issuer in the event that it is determined in a final judicial decision that such Issuer Indemnified Party is not entitled to indemnification pursuant to this Section 11. Notwithstanding anything to the contrary contained herein, the obligations of the Issuer under this Section 11 shall be payable solely out of the Collateral in accordance with the Priority of Payments.

12. No Joint Venture. The Issuer and the Collateral Manager are not partners or joint venturers with each other and nothing herein shall be construed to make them such partners or joint venturers or impose any liability as such on either of them.

(b) The Collateral Manager shall be, for all purposes herein, deemed to be an independent contractor and shall, unless otherwise provided herein or authorized by the Issuer from time to time, have no authority to act for or represent the Issuer in any way or otherwise be deemed an agent of the Issuer.

13. Term; Resignation; Replacement of Collateral Manager.

(a) This Agreement shall continue in force until the first of the following occurs: (i) the discharge of the Indenture in accordance with its terms, (ii) the liquidation of the Collateral and the final distribution of the proceeds of such liquidation in accordance with the Indenture or (iii) the execution of a management agreement with a Successor Manager.

(b) ~~The~~Notwithstanding any other provision hereof to the contrary, the Collateral Manager may resign and terminate its obligations under this Agreement upon 30 days' written notice to the Issuer, the Trustee and ~~the~~each Rating Agenc~~ies~~y; *provided*, that the Collateral Manager shall have the right to resign immediately upon the effectiveness of any material change in the applicable law or regulations which renders the performance by the Collateral Manager of its duties under the Collateral Management Agreement or under the Indenture to be a violation of such law or regulation. Notwithstanding the foregoing, no removal or termination of the Collateral Management Agreement by the Collateral Manager shall become effective upon the Issuer executing an agreement with a successor Collateral Manager (the "Successor Manager") pursuant to which the Successor Manager accepts its appointment as collateral manager and assumes the duties of the resigning Collateral Manager hereunder. If the Collateral Manager is removed, until the Successor Manager accepts its appointment as collateral manager and assumes its duties as Collateral Manager, the removed Collateral Manager will not be permitted to direct a purchase of any Collateral Obligation nor the sale or disposition of any Collateral Obligation (other than a Credit Risk Obligation, a Defaulted Obligation or an Equity Security).

(c) Within 30 days after the date of resignation or removal of the Collateral Manager (a "Manager Termination Date"), by written notice to the Issuer and the Trustee (who will forward any such notice to the Holders), a Majority of the Subordinated Notes may propose one or more successors that satisfy the Successor Criteria, and the Issuer will appoint such Successor Manager unless the Majority of the Controlling Class has provided written notice of objection to the Issuer within 15 days after receipt of notice thereof. If the Majority of the Controlling Class gives timely notice of objection, a Majority of the Subordinated Notes may follow the same procedures to make one or more proposals.

If (x) a Majority of the Subordinated Notes has not exercised its right to appoint a replacement Collateral Manager during the 30-day period described above or (y) within 15 days after a proposed replacement Collateral Manager has been objected to by a Majority of the Controlling Class, then a Majority of the Controlling Class will have the right to appoint a replacement Collateral Manager by written notice to the Issuer and the Trustee (who will forward any such notice to the Holders), and the Issuer will appoint such Successor Manager unless a Majority of the Subordinated Notes has provided written notice of objection to the Issuer within 15 days after receipt of notice thereof.

For purposes of the foregoing procedures for appointment of a Successor Manager, (i) a Successor Manager proposed by a Majority of the Subordinated Notes may not be an Affiliate of any beneficial owner of Subordinated Notes included in such Majority and (ii) a Successor Manager proposed by a Majority of the Controlling Class may not be an Affiliate of any beneficial owner of Notes of the Controlling Class included in such Majority.

If no Successor Manager has been appointed within 120 days of the Manager Termination Date, a Majority of the Controlling Class or a Majority of the Subordinated Notes may petition any court of competent jurisdiction for the appointment of a Successor Manager; *provided* that if neither a Majority of the Controlling Class nor a Majority of the Subordinated Notes has so petitioned for the appointment of a Successor Manager within 150 days of the Manager Termination Date, the Issuer, the Collateral Manager, the Trustee or any Holder may so petition. Any such appointment by any court of competent jurisdiction will not require the consent of, nor be subject to the disapproval of, the Issuer, any Holder or the Collateral Manager. The Issuer will provide notice to the Holders and the Trustee (for forwarding to ~~the~~each Rating Agenc~~ies~~y) of the appointment of a Successor Manager promptly after the effectiveness of such appointment.

(d) Any Successor Manager is required to be an established entity that satisfies the following criteria (collectively, the "Successor Criteria"): (i) has the ability to professionally and competently perform duties similar to those imposed upon the Collateral Manager hereunder; (ii) is legally qualified and has the capacity to act as Collateral Manager hereunder, (iii) does not by its appointment cause the Issuer to become subject to U.S. federal, state or local income tax on a net basis; and (iv) if such successor is to commit to retain the EU/UK Retention Notes subject to and in accordance with the EU/UK Risk Retention ~~and Due Diligence~~ Requirements, such successor enters into an agreement on substantially the same terms as the A&R Retention Letter to acquire the EU/UK Retention Notes on the date of its appointment as Successor Manager.

14. Assignments, Amendments.

(a) The Collateral Manager shall be permitted to assign this Agreement to any Person in whole or in part, ~~unless a Majority of the Controlling Class (excluding any Manager Securities) has objected within 15 days after notice of such proposed assignment or delegation~~with the prior written consent of the Issuer. Notwithstanding the foregoing, the Collateral Manager shall be permitted to assign this Agreement without obtaining consent of ~~any Holder~~the Issuer (a "Permitted Assignment") to any Person that is (A) the surviving entity of a merger, consolidation or restructuring of the Collateral Manager, (B) an Affiliate or other entity to which all or substantially all of the assets and personnel of the Collateral Manager have been transferred or (C) any capitalized manager vehicle established by the Collateral Manager or any Affiliate that will employ or utilize the services of the personnel of the Collateral Manager. Any consent required for an assignment under the Advisers Act shall be obtained from the Issuer.

The Collateral Manager will provide notice to the Trustee (for forwarding to Holders and the Rating Agencies) of any assignment of this Agreement.

Notwithstanding the foregoing, the Collateral Manager shall not be required to obtain such consents or satisfy such condition with respect to a change of control transaction that is deemed to be an assignment within the meaning of Section 202(a)(1) of the ~~Investment~~ Advisers Act; *provided* that, if the Collateral Manager is a registered investment adviser under the ~~Investment~~ Advisers Act, the Collateral Manager shall obtain the consent of the Issuer, in a manner consistent with SEC staff interpretations of Section 205(a)(2) of the ~~Investment~~ Advisers Act, to any such transaction.

Notwithstanding anything to the contrary herein, no assignment hereunder shall be permitted if it will cause the Issuer to be subject to U.S. federal, state, or local income tax on a net basis.

(b) This Agreement may be amended by an agreement in writing executed by the parties (a) without the consent of any Holders, (x) to (i) correct inconsistencies, typographical or other errors, defects or ambiguities or as required in order to comply with applicable law or (ii) conform this Agreement to the Offering Memorandum or the Indenture (as amended from time to time) or (y) to make any amendment of the type described in the Indenture that may be made to the Indenture without the consent of the Holders, (b) with the written consent of a Majority of the Controlling Class and/or a Majority of the Subordinated Notes with respect to any modification of the standard of care applicable to the Collateral Manager or requirements for assignment or amendment of this Agreement, removal of the Collateral Manager for cause or appointment of a Successor Manager solely to the extent that such amendment would be reasonably expected to have a material adverse effect on the Holders of the Controlling Class or the Subordinated Notes, respectively, and (c) except as provided in clauses (a) or (b), only with the consent of (i) a Majority of the Controlling Class, solely to the extent any Class of Rated Notes is materially and adversely affected by such amendment, and (ii) a Majority of the Subordinated Notes, solely to the extent any holder of Subordinated Notes is materially and adversely affected by such amendment. The Collateral Manager will provide written notice (including via email) to the Trustee (for forwarding to the Holders, the Initial Purchaser and the Rating Agencies) prior to the execution of any amendment of this Agreement. If Holders of at least in the case of clause (b) or (c), a Majority of the Controlling Class or a Majority of the Subordinated Notes have provided written notice to the Collateral Manager and the Issuer at least two Business Days prior to the proposed execution date of any amendment that such Class would be materially and adversely affected thereby (*provided* such notice shall include the basis, in reasonable detail, of such material adverse effect determination), the Collateral Manager and the Issuer will not enter into such amendment without consent from a Majority of the Controlling Class and a Majority of the Subordinated Notes, as applicable. Notwithstanding anything to the contrary herein, the Collateral Manager may amend or supplement the Operating Guidelines (without execution of an amendment to this Agreement, the consent of any Person or notice to ~~the~~any Rating Agenc~~ies~~y) if the Collateral Manager ~~shall have~~has received Tax Advice to the effect that, assuming the Issuer complies with the Operating Guidelines as modified by such amended or supplemental provisions, the Issuer will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise be subject to U.S. federal income tax on a net basis.

15. Removal of the Collateral Manager by the Issuer for Cause.

Upon the occurrence of a Manager Default, the Issuer will remove the Collateral Manager solely at the direction of a ~~Majority~~Supermajority of the Controlling Class or a Majority of the Subordinated Notes (in each case, excluding any Manager Securities) upon, 45 Business Days' prior written notice to the Collateral Manager and the Trustee (for forwarding to ~~the~~each Rating Agenc~~ies~~y). No removal under this Section 15 shall be effective until the date as of which a Successor Manager shall have agreed in writing to assume all of the Collateral Manager's duties and obligations pursuant to this Agreement. If any event enumerated in the definition of Manager Default shall occur, the Collateral Manager will give prompt written notice thereof to the Issuer and the Trustee (for forwarding to the Rating Agencies and the Holders) upon becoming aware of the occurrence of such event. The Trustee shall have no duty to monitor or verify whether any such cause exists.

Prior to the delivery of a notice of removal of the Collateral Manager for cause, the Issuer at the direction of a ~~Majority~~Supermajority of the Controlling Class and a Majority of the Subordinated Notes will waive any event constituting cause as a basis for removal of the Collateral Manager upon written notice to the Issuer, the Collateral Manager and the Trustee (for forwarding to the Holders).

Following the delivery of a direction for the removal of the Collateral Manager for cause, but prior to the effective appointment of, and acceptance by, a successor Collateral Manager in accordance with this Agreement, such direction may be withdrawn by a Majority of the Class submitting such direction by written notice to the Issuer, the Collateral Manager and the Trustee (for forwarding to ~~the~~each Rating Agenc~~ies~~y).

16. Action Upon Resignation or Removal of the Collateral Manager. From and after the effective date of termination of this Agreement or the effective date of the appointment of a Successor Manager, the Collateral Manager (or in the case of the appointment of a Successor Manager, the resigning or removed Collateral Manager) shall not be entitled to compensation for any further services hereunder, but shall be paid all compensation accrued to the effective date of such termination, resignation or removal, and shall be entitled to receive any indemnification owing under Section 11. Upon such resignation or removal, the Collateral Manager (or in the case of the appointment of a Successor Manager, the resigning or removed Collateral Manager) shall as soon as practicable:

(i) deliver to the Issuer all property and documents of the Issuer or otherwise relating to the Collateral then in the custody of such Collateral Manager; and

(ii) deliver to the Trustee an internally prepared accounting with respect to the books and records delivered to the Trustee or the Successor Manager appointed pursuant to Section 13(c).

(b) Notwithstanding such termination, resignation or removal, the Collateral Manager (or in the case of the appointment of a Successor Manager, the resigning or removed Collateral Manager) shall remain entitled to indemnification and shall remain liable to the extent set forth in Section 11.

17. **Representations and Warranties**. The Issuer hereby represents and warrants to the Collateral Manager as follows:

(i) The Issuer has been duly incorporated and is validly existing under the laws of Jersey, has the full corporate power and authority to own its assets and the securities and other instruments proposed to be owned by it and included in the Collateral and to transact the business in which it is presently engaged and is duly qualified under the laws of each jurisdiction where its ownership or lease of property or the conduct of its business requires such qualification, except for failures to be so qualified, authorized or licensed that would not in the aggregate have a material adverse effect on the business, operations, assets or financial condition of the Issuer.

(ii) The Issuer has full corporate power and authority to execute, deliver and perform all of its obligations under this Agreement, the Securities and each other Transaction Document, and to perform all of its obligations hereunder and thereunder and has taken all necessary action to authorize this Agreement and the other Transaction Documents on the terms and conditions hereof and thereof and the execution and delivery of this Agreement and the other Transaction Documents and the performance of all obligations imposed upon it hereunder and thereunder. (iii) The execution, delivery and performance of the Transaction Documents and the documents and instruments required hereunder or thereunder do not violate or conflict with any provision of any existing law or regulation binding on the Issuer, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on the Issuer, or the Governing Instruments of, or any securities issued by, the Issuer or of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which the Issuer is a party or by which the Issuer or any of its assets may be bound, the violation of which would have a material adverse effect on the business, operations, assets or financial condition of the Issuer or on the ability of the Issuer to perform its obligations under the Transaction Documents, and will not result in or require the creation or imposition of any lien on any of its property, assets or revenues pursuant

to the provisions of any such mortgage, indenture, lease, contract or other agreement, instrument or undertaking (other than the lien of the Indenture).

(iv) The Issuer is not in violation of its Governing Instruments or in breach or violation of or in default under the Indenture, the other Transaction Documents or any contract or agreement to which it is a party or by which it or any of its assets may be bound, or any applicable statute or any rule, regulation or order of any court, government agency or body having jurisdiction over the Issuer or its properties, the breach or violation of which or default under which would have a material adverse effect on the validity or enforceability of this Agreement or the Indenture or the performance by the Issuer of its duties hereunder or thereunder.

(v) The information contained in the Offering Memorandum, as the same may thereafter be amended or supplemented, as of the latest date of any such amendment or supplement and as of the 2026 Closing Date, is true in all material respects and does not omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, except that the Issuer makes no such representation or warranty with respect to the Collateral Manager Information contained in such Offering Memorandum.

(i) The Collateral Manager has full power and authority to own its assets and to transact the business in which it is currently engaged, is duly incorporated and validly existing under the laws of the jurisdiction of its incorporation, and is duly qualified as a foreign company and is in good standing under the laws of each jurisdiction where the performance of this Agreement would require such qualification, except for those jurisdictions in which the failure to be so qualified, authorized or licensed would not in the aggregate have a material adverse effect on the ability of the Collateral Manager to perform its obligations under this Agreement and the provisions of the Indenture applicable to the Collateral Manager.

(ii) The Collateral Manager has full power and authority to execute and deliver this Agreement and to perform all of its obligations hereunder, and under the express provisions of the Indenture applicable to the Collateral Manager and has taken all necessary corporate action to authorize this Agreement on the terms and conditions hereof and the execution and delivery of this Agreement and the performance of all obligations required hereunder and under the express terms of the Indenture applicable to the Collateral Manager. This Agreement has been, and each instrument and document required hereunder or under the terms of the Indenture to be executed and

delivered by the Collateral Manager or by the Collateral Manager on behalf of the Issuer will be, executed and delivered by a duly authorized officer of the Collateral Manager, and this Agreement and each instrument and document required hereunder, or under the terms of the Indenture to be executed and delivered by the Collateral Manager or by the Collateral Manager on behalf of the Issuer, when executed and delivered by the Collateral Manager, will constitute a valid and legally binding obligation of the Collateral Manager enforceable against the Collateral Manager in accordance with its terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability to equitable principles of general applicability (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(iii) The execution, delivery and performance of this Agreement and the express terms of the Indenture applicable to the Collateral Manager and the documents and instruments required hereunder, or under the terms of the Indenture to be executed and delivered by the Collateral Manager or by the Collateral Manager on behalf of the Issuer will not, to the actual knowledge of (i) any Officer or principal of the Collateral Manager and (ii) any other person who is authorized to act in matters relating to, and binding upon, the Collateral Manager with respect to its management duties hereunder and under the Indenture (after due inquiry), violate any provision of any existing law or regulation binding on the Collateral Manager, or any order, judgment, award or decree of any court, arbitrator or governmental authority binding on the Collateral Manager, or the certificate of formation or operating agreement of, or any securities issued by, the Collateral Manager or of any mortgage, indenture, lease, material contract or other material agreement, instrument or undertaking to which the Collateral Manager is a party or by which the Collateral Manager or any of its assets may be bound, the violation of which would have a material adverse effect on the business, operations, assets or financial condition of the Collateral Manager or which could reasonably be expected to adversely affect in a material manner its ability to perform its obligations hereunder, and under the express terms of the Indenture applicable to it and will not result in or require the creation or imposition of any lien on any of its property, assets or revenues pursuant to the provisions of any such mortgage, indenture, lease, material contract or other material agreement, instrument or undertaking.

(iv) There is no charge, investigation, action, suit or proceeding before or by any court pending or, to the actual knowledge of (i) any Officer or principal of the Collateral Manager and (ii) any other person who is authorized to act in matters relating to, and binding upon, the Collateral Manager with respect to its management duties hereunder and under the Indenture, threatened that, if determined adversely to the Collateral Manager, would have a material adverse effect upon the business, operations, assets or financial condition of the Collateral Manager, or upon the performance by the Collateral Manager of its duties under this Agreement and the Indenture.

(v) The Collateral Manager Information contained in the Offering Memorandum, as the same may be thereafter amended or supplemented, as of such date, as of the date of any such amendment or supplement, and as of the 2026 Closing Date, is true and correct in all material respects and does not omit to state any material fact

necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(vi) No Manager Default or event (to the actual knowledge of the Collateral Manager) that with the giving of notice or passage of time would become a Manager Default has occurred or is continuing.

(vii) The Collateral Manager is registered as an investment adviser under the Advisers Act.

(viii) The Collateral Manager has delivered true and correct copies of its certificate of formation and operating agreement to the Issuer.

18. **Amendments of Other Documents**. The Issuer will not amend the Indenture or enter into supplemental indentures if such amendment or supplement will adversely affect the interests or increase the obligations of the Collateral Manager without obtaining the Collateral Manager's written consent.

The express terms hereof and thereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof and thereof. In the event of any inconsistency between this Agreement and the Indenture, the Indenture shall control.

The Collateral Manager agrees that the payment of all amounts to which it is entitled pursuant to this Agreement shall be subordinated to the extent set forth in the Priority of Payments.

26. Indulgences Not Waivers.

Neither the failure nor any delay on the part of any party hereto to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless given in writing and signed by the party asserted to have granted such waiver.

This Agreement may be executed in any number of counterparts by original, facsimile or other written form of communication, each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. The Collateral Manager agrees that the Issuer's obligations hereunder will be solely the corporate obligations of the Issuer and that the Collateral Manager will not have any recourse to any of the directors, officers, employees, shareholders or administrators of the Issuer with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated hereby.

(b) The Collateral Manager hereby agrees not to institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Jersey bankruptcy laws, United States federal or state bankruptcy laws, or similar laws of any jurisdiction until the date which is one year (or if longer, the applicable preference period then in effect) plus one day after the payment in full of all amounts payable in respect of the Securities.

APIDOS CLO XLVII LTD
OPERATING GUIDELINES

The purpose of these tax guidelines is to help ensure that APIDOS CLO XLVII LTD (the "Company") (i) is either treated as an "investor" for U.S. federal income tax purposes or qualifies for the safe harbor contained in Section 864(b)(2) of the Code, (ii) is not treated as a dealer in stocks, securities or derivatives, as originating loans, as providing guarantees, or as providing insurance or reinsurance, and (iii) does not invest in assets that could cause it to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. These guidelines should be read consistently with that purpose. Reference in these guidelines to the Company include the Collateral Manager acting on the Company's behalf.

Equity Interests

1. The Company will only hold interests that are treated as equity for U.S. federal income tax purposes in an entity that is:

   (i) (A) treated as a corporation for U.S. federal income tax purposes, and (B) the equity interests in the corporation are not "United States real property interests" within the meaning of Section 897(c)(1) of the Code, *provided* that stock will not be treated as a "United States real property interest" within the meaning of Section 897(c)(1) of the Code if the class of such stock is regularly traded on an established securities market and the Company holds no more than 5% of such class at any time, all within the meaning of Section 897(c)(3) of the Code;

   (ii) (A) treated as a partnership or disregarded entity for U.S. federal income tax purposes, (B) not treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, and (C) does not own any "United States real property interests" within the meaning of Section 897(c)(1) of the Code; or

   (iii) (A) treated as a grantor trust for U.S. federal income tax purposes, (B) all of the assets of which are treated as debt instruments for U.S. federal income tax purposes and would satisfy these guidelines if acquired directly by the Company, and (C) all of such assets are in registered form for U.S. federal income tax purposes.

Real Property Interests

2. The Company will not hold any interest in (i) real property located in the United States or the U.S. Virgin Islands or (ii) property (including any equity interest) that is treated as a "United States real property interest" within the meaning of Section 897(c) of the Code, except as provided in paragraph 1(i)(B) above.

Non-Loan Private Debt Securities

3. Subject to paragraph 27 below, the Company will not acquire investments that are treated as debt instruments for U.S. federal income tax purposes at their initial offering unless (A) they are not loans and are issued in a public offering or (B) with respect to any other securities that are not loans ("Non-Loan Private Debt Securities"), (1) they are purchased pursuant to an offering memorandum, private placement memorandum or other similar offering document, (2) the Company does not communicate directly or indirectly with the obligor, its employees, agents or affiliates (including, without limitation, to solicit, negotiate the terms of, or structure the security) other than customary due diligence communications that would be reasonably necessary for a secondary market investor to make a reasonably informed decision to purchase a security for its own account, (3) any comments on the terms of any such Non-Loan Private Debt Securities are made only to the placement agent or other similar person with respect to the Non-Loan Private Debt Securities, and (4)(x) in the case of an offering consisting of only one tranche of Non-Loan Private Debt Securities, the Company does not acquire 50% or more of such class of Non-Loan Private Debt Securities or (y) in the case of an offering consisting of multiple classes of Non-Loan Private Debt Securities, either (i) the Company does not acquire 50% or more of any class of Non-Loan Private Debt Securities being offered or (ii) if the Company acquires 50% or more of any class of Non-Loan Private Debt Securities, (a) they are not the most senior class of securities being offered by the obligor, (b) they do not constitute the "controlling class" and (c) the Company's investment in such Non-Loan Private Debt Securities represents not more than 20% of the aggregate principal balance of all classes of securities being concurrently offered by the obligor in connection with the offering of such securities.

Special Restrictions Applicable to Loans

4. The Company will hold a loan only if (1) the loan is issued by an entity that is treated as a corporation for U.S. federal income tax purposes, (2) the loan is issued by an entity that is not treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, (3) the loan is treated as indebtedness for U.S. federal income tax purposes, or (4) the acquisition, ownership, and disposition of the loan will not cause the Company to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

5. The Company will acquire only loans which constitute loans of a type that bank and non-bank purchasers regularly purchase and commit to purchase in secondary market transactions.

6. Except with respect to (x) Revolving Obligations and Delayed Drawdown Obligations described in paragraph 11 or (y) investments described in paragraph 27, the Company will not acquire a loan prior to 48 hours after the later of (1) the date that the loan has been fully funded and the seller thereof has completed all of its obligations with respect

to the loan and (2) the last date on which the loan was significantly modified within the meaning of U.S. Treasury regulations Section 1.1001-3.

7. Except with respect to investments described in paragraph 27, the Company will not, directly or indirectly, communicate with any obligor, solicit, negotiate the terms of, or structure a loan other than (a) customary due diligence communications that would be reasonably necessary for a secondary market investor to make a reasonably informed decision to purchase a loan for its own account, (b) comments regarding errors or inconsistencies contained in the documentation pursuant to which the loan is issued, (c) communications regarding the contents of these guidelines or any "concentration limitations" or similar investment restrictions to which the Company is subject, so long as those communications are not used to negotiate the terms of the loan, and (d) negotiations permitted under paragraph 12 with respect to investments held by the Company.

8. The Company will not hold a loan, directly or indirectly, for or on behalf of, or as nominee for, any bank. Further, the Company will not use funds borrowed from a bank on a limited recourse or other basis to acquire an interest in a loan if the effect of such use of borrowed funds is to shift the economic benefits or burdens of ownership of an interest in such loan to such bank, it being understood that if a loan is treated as sold (including by participation or otherwise) by the Company to a bank for federal income tax purposes, such transaction shall not be considered to violate this restriction.

9. Except with respect to investments described in paragraph 27, the Company will not have a contractual relationship with the obligor with respect to a loan until the Company actually closes the purchase of the loan subject to a commitment.

10. Except with respect to investments described in paragraph 27, the Company will not be listed as an original lender. For avoidance of doubt, the Company will not be treated as an original lender if a loan is renegotiated in compliance with paragraph 12.

11. The Company will acquire an interest in a Revolving Obligation or Delayed Drawdown Obligation (each, an "Obligation"), or enter into a commitment to acquire any risks or benefits of such an interest, only if:

(a) all of the terms of any advance required to be made by the Company are fixed as of the date of the Company's acquisition (or determinable under a formula that is fixed as of such date), and such Obligation does not permit the Company to have any discretion as to whether to make advances thereunder, *provided* that the fact that certain advances under such Obligation may be made under optional bidding procedures will not disqualify the Obligation from this prohibition so long as the Company does not exercise any such option. For this purpose, a condition to advancing funds that requires a determination based on objective factors that there has been no material adverse change in the condition of the borrower does not constitute the exercise of discretion; and

(b) the Company does not acquire any interest in the Obligation that would cause the Company to own more than 25% of the commitment amount in respect of the Obligation; and

(c) on the date of acquisition, the aggregate funded and unfunded commitments under all Obligations with unfunded commitments do not constitute more than 10% of the aggregate principal balance of the Company's assets.

(d) As used herein:

(1) "Delayed Drawdown Obligation" means an investment that pursuant to its terms requires the Company to make one or more future advances to the obligor thereunder, but any such investment will be a Delayed Drawdown Obligation only until all commitments to make advances to the obligor expire or are terminated or reduced to zero; and

(2) "Revolving Obligation" means any investment (other than a Delayed Drawdown Obligation) that is a loan (including, without limitation, revolving loans, unfunded commitments under specific facilities and other similar loans and investments) that pursuant to its terms may require one or more future advances to be made to the obligor thereunder by the Company, but any such investment will be a Revolving Obligation only until all commitments to make advances to the obligor expire or are terminated or reduced to zero.

Modifications

12. The Company will not consent to a modification of the terms of any investment unless the investment is treated as indebtedness for U.S. federal income tax purposes and:

(a) at the time of acquisition the investment was performing and there was no reasonable expectation that the investment would likely default, and either—

(i) (1) the modification is proposed by either the obligor or a holder of an interest in the investment that is not the Company, the Collateral Manager, or an affiliate of the Collateral Manager,[1] (2) the modification is not

[1] For purposes of these guidelines, "affiliate" of the Collateral Manager or the Company means (a) any other Person who, directly or indirectly, is in control of, or controlled by, or is under common control with, the Collateral Manager or the Company or (b) any other Person who is a director, officer, employee, member, shareholder or general partner of (i) the Collateral Manager or the Company, (ii) any subsidiary or parent company of the Collateral Manager or the Company or (iii) any Person described in clause (a) of this sentence. For purposes of this definition, "control" of a Person means the power, direct or indirect, to (x) vote more than 50% of the securities having ordinary voting power for the election of directors of such Person or (y) direct or cause the direction of the management and policies of such Person, whether by contract or otherwise. Activities of affiliates of the Collateral Manager and employees, agents or personnel of such affiliates who are involved in the issuance of loans or Non-Loan Private Debt Securities primarily acting on behalf of the borrower or issuer thereof, or of equity investors or owners in such borrower or issuer, whose interests are adverse to the lenders under or investors in such Loan or Non-Loan Private Debt Securities, and who are not acting on behalf of lenders or investors, shall not be considered to be conducting such activities on the Collateral Manager's behalf or in furtherance of the performance of its obligations under these guidelines.

negotiated by the Company, the Collateral Manager, or an affiliate of the Collateral Manager, (3) the modification does not provide for the advance of additional funds by the Company, and (4) the Company is not the largest holder of the investment; or

(ii) (A) the investment subsequently defaults or default is reasonably expected, (B) the modification is intended to protect the Company's investment, and (C) subject to paragraph 27 below, the modification does not provide for the advance of additional funds by the Company; or

(b) either—

(i) (A) the modification changes the yield of a fixed rate debt instrument or a debt instrument that pays interest at an applicable benchmark rate plus a spread, and makes no other changes to the terms of the investment, and (B) the aggregate change in yield effected by the modification and any previous modifications to the investment does not exceed the greater of (x) .25% and (y) 5% of the investment's annual pre-modification yield (calculated pursuant to U.S. Treasury regulations Section 1.1001-3(e)(2)(iii));

(ii) the modification changes the timing of an interest, principal, or other payment due on the investment by no more than the lesser of (A) 5 years and (B) 50% of the original term of the investment (determined without regard to any optional extensions), and makes no other changes to the terms of the investment;

(iii) the modification consists solely of an agreement by the Company to stay collection or waive an acceleration clause or similar default for up to two years following the obligor's initial failure to perform, plus any additional period during which the Company and the obligor conduct good faith negotiations or during which the obligor is in a Title 11 case; or

(iv) the modification consists solely of a combination of the modifications described in paragraph 12(b)(i) and paragraph 12(b)(ii).

The Company may negotiate any modifications described in paragraph 12(a)(ii) or (b). The Company may make additional advances in connection with certain modifications if the conditions set forth in paragraph 27 are satisfied.

13. The Company will not acquire an investment with the expectation of restructuring or "working out" the investment.

14. Notwithstanding the foregoing, the Company may consent to a modification of the terms of any investment if it has received Tax Advice to the effect that such action will not cause the Company to be treated as engaged in a trade or business within the United

States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

Letters of Credit

125. The Company will not participate in any letter of credit facility or synthetic letter of credit facility.

Limitation on Acquisition of Real Estate Mortgages

136. The Company will not acquire any investment if the investment constitutes a real estate mortgage (as defined for purposes of Section 7701(i) of the Code), unless immediately following such acquisition, no more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Company consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code, except upon Tax Advice that the acquisition of such investment will not cause the Company to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

Restrictions on Acquisitions of Investment From or That Were Originated By the Collateral Manager or its Affiliates.

147. The Company will not acquire any investment with respect to which the Collateral Manager or any affiliate thereof originated, or acted as underwriter or placement agent, or from the obligor of which the Collateral Manager or any affiliate thereof received any compensation (other than any compensation received in a person's capacity as a borrower or acting on behalf of a borrower), unless an affiliate (and not the Collateral Manager) originated or acted as underwriter or placement agent with respect to the investment or received the compensation from the obligor and (a) the affiliate is neither directly nor indirectly owned or controlled by the Collateral Manager (and, for the avoidance of doubt, the fact that the Collateral Manager and an affiliate are under common control shall not by itself deem the affiliate to be directly or indirectly controlled by the Collateral Manager if no such direct or indirect control exists), (b) no officers, directors or employees of the Collateral Manager are involved in the affiliate's loan origination business, (c) none of the affiliate's officers, directors or employees is involved in the investment decisions of the Collateral Manager, (d) the Collateral Manager has the sole ability to designate and purchase such investment and the affiliate has no role in the designation or purchase of such investment, (e) the Collateral Manager does not have any information with respect to the investment that is not available to all potential investors, and any information provided to the Collateral Manager (whether in written or oral form) by the affiliate is provided to all unrelated investors prior to their commitment to purchase, (f) there is no fee sharing in any form between the affiliate and the Collateral Manager, whether with respect to this transaction or any other transaction, and the Collateral Manager and its employees are not provided any incentives (monetary or otherwise) to purchase the particular investment as opposed to any other investment, (g) the Collateral Manager applies identical criteria to all investments and any decision to purchase such investment was made without any consideration of the role of the affiliate, and (h) with respect to loans, the Company does not acquire 50% or more of any class of

the investment, and at least 50% of the investment is acquired by persons not affiliated with the Company or the Collateral Manager (and that have not given discretionary trading authority to the Collateral Manager) on substantially the same terms and conditions as those of the Company.

Restrictions on "When Issued" Commitments to Purchase

18. Except as permitted by paragraph 27 below, the Company will not acquire, or enter into a commitment, forward sale agreement, or arrangement or understanding to purchase an investment that is treated as indebtedness for U.S. federal income tax purposes (collectively, a "commitment"), before completion of the initial closing and full funding of the investment unless:

    (a) the investment is an Obligation described in paragraph 11 (including satisfying paragraph 18(c) below); or

    (b) in case of an investment that is not a loan, such commitment is made only in connection with a firm commitment underwriting, a reasonable best efforts underwriting, or customary underwriter or placement agent allocation (*i.e.*, "circling procedures") and only after the seller has committed to acquire the investment; or

    (c) (i) the seller (and the originator of the investment, if different from the seller) has made a legally binding commitment to fully fund the investment, which may be subject to customary conditions but may not be conditioned on the Company's ultimate acquisition of the investment; and (ii) either (A) the Company is not obligated to purchase the investment if the condition of the obligor, the investment, or market conditions have changed between the date of the commitment and the date of the purchase in a manner that would have a materially adverse effect on the Company, or (B) (i) the Company enters into the commitment no sooner than 48 hours after the seller of the commitment (which cannot be the Collateral Manager) has delivered its own legally binding commitment to fully fund the related investment and after all material terms of the investment have been agreed to, and (ii) the Company's commitment is documented in a form for secondary market purchases that is substantially similar to that used for commitments given by all other persons who will acquire an interest in the investment from the seller (including as to the absence of a material adverse change condition); or

    (d) the investment is a Broadly Syndicated Loan described in paragraph 28 below.

Restrictions on Acquisitions of Synthetic Securities

19. The Company will not acquire or enter into any credit default swap, total return swap or other derivative instrument.

Trading and Not Dealing

20. The Company will buy, sell and hold investments only for its own account and will not buy, sell or hold investments for or on behalf of, or as nominee for any person other than the Company. The Company will buy and hold its assets solely for investment with the expectation of realizing a profit (either with respect to a single investment or a combination of investments) from income earned on the investments and/or any rise in their value during the interval of time between purchase and sale. The Company will buy and sell investments only (x) through a broker-dealer or a financial institution, or (y) from or to an affiliate of the Collateral Manager (consistent with paragraph 17 above).

21. The Company will not act, hold itself out, or perform services as a middleman, or as a retailer or wholesaler of any investment, for any person. The Company will not buy investments to subdivide them and sell the components or buy investments and sell them with different investments as a package or unit. The Company will not make a market in any investment. The Company will not have or seek customers for its investments. The Company will not be regulated as a broker or a dealer in any jurisdiction, and the Company will not apply for a license to operate as a broker or a dealer in any jurisdiction. The Company will not hold itself out as a broker or a dealer or in any other manner as ready to enter into (and will not enter into) trades or other transactions (including purchases or sales of investments or other property) at the request of, as the agent of, for or on behalf of, or otherwise for the benefit of another person.

22. The Company will not engage in any activities which entitle it to any fee, commission, spread, markup or servicing income, other than a commitment fee, a fee for consenting to a modification of an investment or a fee that would be included in the "stated redemption price at maturity" (within the meaning of Section 1273(a)(2) of the Code) of the investment.

23. The Company will not hold itself out as being willing to enter into either side of, or to offer to enter into, assume, offset, assign or otherwise terminate positions in (x) interest rate, currency, equity, or commodity swaps, or caps or (y) derivative financial instruments (including options, forward contracts, short positions, and similar instruments) in any commodity, currency, share of stock, partnership or trust, note, bond, debenture or other evidence of indebtedness, swap or cap.

Not a Regulated Entity

24. The Company will not register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company. The Company will not be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any governmental authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements.

25. The Company will not hold itself out to the public as a bank, insurance company or finance company. The Company will not hold itself out to the public, through advertising or otherwise, as originating loans, lending funds, or making a market in loans or other assets.

Not a "Surrogate Foreign Corporation" or an "Inverted Corporation"

26. The Company will not, directly or indirectly, acquire (i) 70% (or such other percentage as shall be established pursuant to regulations issued under Section 7874 of the Code) or more of the properties held, directly or indirectly, by a corporation that is organized under the laws of the United States or any state thereof or (ii) 70% (or such other percentage as shall be established pursuant to regulations issued under Section 7874 of the Code) or more of the properties constituting a trade or business of a partnership that is organized under the laws of the United States or any state thereof unless the Company has received Tax Advice to the effect that the acquisition will not cause the Company to be (i) a surrogate foreign corporation or (ii) an inverted corporation within the meaning of Section 7874 of the Code.

Protective Investments

27. If the Company owns an interest in an existing debt obligation of an obligor ("Pre-Existing Debt") which is either in default or, in the Collateral Manager's judgment, when compared to similarly situated debt obligations in the market there is a substantial likelihood that it would default within two years, as evidenced for example by a material deterioration in value, either:

    (a) the Company may acquire a proposed debt obligation of such obligor ("Rescue Debt") at original issue if:

        (i) at the time the Pre-Existing Debt was acquired, the Pre-Existing Debt was not in default and, in the Collateral Manager's judgment, the obligor thereunder had sufficient liquidity to generally meet its financial obligations, including on the Pre-Existing Debt;

        (ii) the Pre-Existing Debt was not acquired with the intention of investing in any Rescue Debt pursuant to this paragraph 27;

        (iii) in the Collateral Manager's judgment, (1) the Company's acquisition of a portion of the Rescue Debt is necessary to protect the value of the Company's interest in the Pre-Existing Debt, (2) the recovery on the Pre-Existing Debt by the lenders who do not participate in the Rescue Debt would likely be less than the recovery on the Pre-Existing Debt by those who participate in the Rescue Debt, such that participation in the Rescue Debt by the Company is a necessary condition to enhancing the potential for recovery on the Pre-Existing Debt by the Company and (3) the recovery on the Pre-Existing Debt would likely be less if a Rescue Debt on the proposed terms is not made available to the obligor; *provided* that the Company's primary commercial motivation for advancing the

Rescue Debt is to minimize losses from the Pre-Existing Debt rather than to earn the return from the Rescue Debt;

(iv) at the date of purchase by the Company, the aggregate par amount of all debt obligations held by the Company acquired pursuant to this paragraph 27(a), including such purchase, will not constitute more than 1% of the aggregate principal amount of all assets held by the Company; it being understood that for purposes of determining this percentage, any principal of the Rescue Debt attributable to a roll-up of the Pre-Existing Debt will be disregarded;

(v) the principal amount of the Rescue Debt does not exceed 50% of the principal amount of the Pre-Existing Debt, disregarding for purposes of determining this percentage any principal of the Rescue Debt attributable to a roll-up of the Pre-Existing Debt;

(vi) the Company has not acquired more than four other debt obligations pursuant to this paragraph 27(a) in the taxable year in which it acquires such Rescue Debt; and

(vii) if the Rescue Debt is syndicated, the Company is not the lead syndicate member and there is at least one other syndicate member that is not an affiliate of the Collateral Manager; or

(b) the Company may acquire a portion of a new debtor-in-possession or similar work-out loan or other debt obligation issued in connection with a bankruptcy proceeding of the same obligor or an affiliate of the obligor (a "DIP Loan") at original issue if all of the following conditions are met:

(i) at the time the Pre-Existing Debt was acquired by the Company, the Pre-Existing Debt was not in default and, in the Collateral Manager's judgment, the obligor thereunder had sufficient liquidity to generally meet its financial obligations, including on the Pre-Existing Debt;

(ii) the Pre-Existing Debt was not acquired with the intention of participating in the DIP Loan;

(iii) in the Collateral Manager's judgment, (1) the Company's acquisition of a portion of the DIP Loan is necessary to protect the value of the Company's interest in the Pre-Existing Debt, (2) the recovery on the Pre-Existing Debt by the lenders who do not participate in the DIP Loan would likely be less than the recovery on the Pre-Existing Debt by those who participate in the DIP Loan, such that participation in the DIP Loan by the Company is a necessary condition to enhancing the potential for recovery on the Pre-Existing Debt by the Company, and (3) the recovery on the Pre-Existing Debt would likely be less if a DIP Loan on the proposed terms is not made available to the obligor; *provided* that the Company's primary commercial motivation for making the DIP Loan is to minimize

losses from the Pre-Existing Debt rather than to earn the return from the DIP Loan;

(iv) the Company will not bid, and does not intend, to participate in the DIP Loan in excess of its pro-rata portion (compared with the Pre-Existing Debt); *provided*, *however*, that it may end up acquiring a percentage interest in the DIP Loan that exceeds its percentage interest in the related Pre-Existing Debt due to the pro-ration of the unsubscribed portion of the DIP Loan among the participants in the DIP Loan;

(v) at the time of the purchase of a portion of the DIP Loan and taking into account such purchase, the aggregate par amount of all debt obligations held by the Company acquired pursuant to this paragraph 27(b) will not exceed 15% of the aggregate principal amount of all assets held by the Company;

(vi) the face amount of the portion of the DIP Loan the Company bids to acquire will not exceed the face amount of the related Pre-Existing Debt held by the Company; *provided*, *however*, that the face amount of the portion of the DIP Loan that the Company ends up acquiring may exceed (but will never be more than twice) the face amount of the related Pre-Existing Debt held by the Company as a result of the pro-ration of the unsubscribed portion of the DIP Loan among the participants in the DIP Loan so long as the acquisition of such excess portion is not intended by the Company; *provided further* that for purposes of determining the face amount of the DIP Loan any principal attributable to a roll-up of the Pre-Existing Debt is disregarded; and

(vii) the Company will not acquire 33% or more of the face amount of the DIP Loan.

Broadly Syndicated Loans

28. For purposes of the requirements in these tax guidelines, a "Broadly Syndicated Loan" shall mean a loan that: (i) is marketed and sold pursuant to a "customary underwriting"; (ii) is acquired in a "permissible fund acquisition"; and (iii) constitutes a "syndicated loan," each as defined below.

(a) Customary Underwriting. A loan is marketed and sold pursuant to a "customary underwriting" if the Collateral Manager reasonably believes that the underwriting of the loan includes the following features:

(i) a bank, financial institution, or other entity that regularly originates broadly syndicated loans as part of a trade or business, or a syndicate of banks, financial institutions, or other entities that regularly originate broadly syndicated loans as part of a trade or business (the "lead bank") negotiates the terms of the loan with the issuer or the borrower;

(ii) the lead bank assists the issuer or borrower with compiling a "confidential information memorandum," a "bank book" or a similar written document to be used in connection with soliciting loan sales, that describes the material terms of the loan and of the issuer or the borrower (a "Bank Book"). For the avoidance of doubt, a Bank Book, once initially provided and disseminated, may be updated to reflect changes to the material terms through supplements or through data postings on Bloomberg, Intralinks or Syndtrak;

(iii) the lead bank markets or seeks buyers for the loan from a wide (although potentially targeted) group;

(iv) the lead bank effectuates its underwriting process through soliciting indications of interest or orders, making loan allocations or similar procedures;

(v) the lead bank is paid or compensated by the issuer or the borrower in respect of its underwriting, arranging, placement or for other similar services; and

(vi) the lead bank is free to sell or allocate such loan to the highest bidder (or to allocate the loan based on other criteria determined in its sole discretion), even after (A) a "soft circling" process has occurred, (B) indications of interest have been provided and (C) preliminary allocations have been communicated to the Company.

(b) Permissible Fund Acquisition. A loan is acquired in a "permissible fund acquisition" if the following criteria are satisfied:

(i) neither the Collateral Manager, the Company nor any affiliates thereof provided any underwriting, placement, arranging, structuring or other similar services on behalf of any lending entity or any intermediary in connection with the issuance or origination of such loan;

(ii) the commitment is entered into (A) after receipt of the Bank Book (including any supplements thereto) and (B) at a time when the material terms of such loan (other than interest rate and pricing) have been fully negotiated, it being understood that the interest rate and pricing of the loan might not be finalized until just prior to execution and funding;

(iii) the Collateral Manager has no reason to believe that the loan would not be executed on the same terms regardless of whether the commitment was made or the Company obtained an allocation;

(iv) the commitment is provided pursuant to typical allocation procedures and the lead bank for such commitment has acknowledged that the lead bank is not acting as the agent of the Company for this purpose;

(v) the commitment relates to a purchase of less than 5% of the face amount of the respective tranche of which the loan forms a part;

(vi) the Company, together with any related or commonly managed or advised parties, purchases less than 20% of the face amount of the respective tranche of which the loan forms a part;

(vii) each commitment is independently agreed upon (and there is no ongoing understanding or arrangement by which the Company has agreed to provide funds to the lead bank or issuers or borrowers) although the Company may purchase different tranches of loans offered contemporaneously; and

(viii) to the best of its knowledge, the Company provides its commitment at the same time as commitments are provided by the majority of the lending syndicate.

(c) Syndicated Loan. A loan constitutes a "syndicated loan" if the following criteria are satisfied:

(i) the aggregate size of the loan facility (including undrawn commitments) is at least $100 million;

(ii) The Company and the Collateral Manager reasonably believe that the lead bank is acting in the ordinary course of its trade or business of originating and syndicating loans; and

(iii) The loan is considered by the market to be a broadly syndicated loan offered to typical institutional non-bank investors.

Tax Advice

29. Notwithstanding the criteria set forth above, an investment shall be eligible for acquisition, or the Company may engage in any activity if the Company has received Tax Advice to the effect that such action will not cause the Company to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis.

(g) The Collateral Administrator shall assist the Independent certified public accountants in the preparation of those reports required under Section 10.9 of the Indenture.

(h) The Collateral Administrator shall assist the Collateral Manager in the preparation of such other reports that may be required by the Indenture and that are reasonably requested in writing by the Collateral Manager and agreed to by the Collateral Administrator, which agreement shall not be unreasonably withheld.

(i) The Collateral Manager shall cooperate with the Collateral Administrator in connection with the preparation by the Collateral Administrator of all reports, instructions, the Monthly Reports, the Distribution Reports and the statements and certificates (including the Redemption Date statement) required in connection with the acquisition and disposition of Collateral Obligations under the Indenture. The Collateral Administrator shall cooperate with the Collateral Manager in connection with the Collateral Manager's review of the contents of the aforesaid reports, instructions, statements and certificates and will use commercially reasonable efforts to provide such items to the Collateral Manager within a reasonably sufficient time (as agreed between the Collateral Manager and the Collateral Administrator) prior to any applicable due date to enable such review. Upon receipt of approval from the Collateral Manager, the Collateral Administrator shall transmit the same to the Issuer for execution and shall distribute such reports, instructions, statements and certificates after execution by the Issuer or the Collateral Manager, as applicable. The Collateral Manager shall have no responsibility either for the proper distribution by the Collateral Administrator of such authorized reports, instructions, statements and certificates or for any unauthorized distribution by the Collateral Administrator of reports, instructions, statements or certificates. The Collateral Manager shall timely provide to the Collateral Administrator all Market Value information, when applicable.

(j) The Collateral Administrator shall notify the Collateral Manager upon receiving any documents, legal opinions or any other information including, without limitation, any notices, reports, requests for waiver, consent requests or any other requests relating to corporate actions affecting the Collateral Obligations or Eligible Investments and forward copies of any such documents to the Collateral Manager.

If, in performing its duties under this Agreement, the Collateral Administrator is required to decide between alternative courses of action, the Collateral Administrator may request written instructions from the Collateral Manager as to the course of action desired by it; provided, that except to the extent required by the Indenture or the Collateral Management Agreement, the Collateral Manager shall have no obligation to provide such instructions. If the Collateral Administrator does not receive such instructions within two Business Days after it has requested them, it may, but shall be under no duty to, take or refrain from taking such action. The Collateral Administrator shall act in accordance with instructions received after such two Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions. The Collateral Administrator shall be entitled to rely on the advice of nationally recognized legal counsel and Independent accountants in performing its duties hereunder and shall be deemed to have acted in good faith if it acts in accordance with such advice.

The Collateral Administrator shall have no obligation to determine Market Value or the purchase price of any Asset in connection with any actions or duties under this Agreement.

Nothing herein shall prevent the Collateral Administrator or any of its Affiliates from engaging in other businesses or from rendering services of any kind to any Person.

The Issuer agrees to pay, and the Collateral Administrator shall be entitled to receive, as compensation for the Collateral Administrator's performance of the duties called for herein including those of the Information Agent, the amounts set forth in a separate fee letter between the Issuer and the Collateral Administrator, subject to the Priority of Payments.

4. Limitation of Responsibility of the Collateral Administrator.

(a) The Collateral Administrator will have no responsibility under this Agreement other than to render the services called for hereunder in good faith and without willful misconduct, gross negligence in the performance of, or reckless disregard of its duties hereunder. The Collateral Administrator may exercise any of its rights or powers hereunder or perform any of its duties hereunder either directly or by or through agents or attorneys, and the Collateral Administrator shall not be responsible for any misconduct or negligence on the part of any non-affiliated agent or attorney appointed hereunder with due care by it. To the extent not inconsistent with the Indenture, the Collateral Administrator shall be afforded the same rights, protections and immunities that are afforded to the Trustee pursuant to the Indenture. Neither the Collateral Administrator nor any of its Affiliates, directors, officers, shareholders, agents or employees will be liable to the Collateral Manager, the Issuer or others, except by reason of acts or omissions constituting bad faith, willful misconduct, gross negligence in the performance of, or reckless disregard of the Collateral Administrator's duties hereunder. occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark transition event or Benchmark replacement date and (iii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a "Benchmark" rate as described in the definition thereof.

5. No Joint Venture. Nothing contained in this Agreement (i) shall constitute the Collateral Administrator, the Issuer and the Collateral Manager as members of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, (ii) shall be construed to impose any liability as such on any of them or (iii) shall be deemed to confer on any of them any express, implied or apparent authority to incur any obligation or liability on behalf of the others.

6. Term. This Agreement shall continue in effect so long as the Indenture remains in effect with respect to the Notes, unless this Agreement has been previously terminated in accordance with Section 7 hereof; provided, that the Collateral Manager and the Collateral Administrator shall be released from their respective obligations hereunder upon such party's ceasing to act as Collateral Manager or as Collateral Administrator, as applicable. Notwithstanding the foregoing, the indemnification obligations of all parties under Section 4 hereof and the obligations of the Collateral Administrator under Section 7(f) hereof shall survive the termination of this Agreement, the resignation or removal of the Collateral Administrator or the release of any party hereto with respect to matters occurring prior to such termination, resignation, removal or release.

7. Termination.

(a) This Agreement may be terminated without cause by any party hereto upon not less than 90 days' prior written notice to each other party hereto and to the Rating Agencies. If the Issuer shall fail to appoint a successor Collateral Administrator within 30 days after such notice of resignation, then the Collateral Administrator may petition any court of competent jurisdiction for the appointment of a successor Collateral Administrator.

(b) At the option of the Collateral Manager or the Issuer, this Agreement shall be terminated upon ten days' written notice of termination from the Collateral Manager or the Issuer to the Collateral Administrator and the Issuer or the Collateral Manager, as applicable, if any of the following events shall occur:

(ii) the Collateral Administrator is dissolved (other than pursuant to a consolidation, amalgamation or merger in which the Collateral Administrator is the surviving entity or, if the Collateral Administrator is not the surviving entity, the surviving entity agrees in writing to assume the duties and obligations of the Collateral Administrator hereunder) or has a resolution passed for its winding-up or liquidation (other than pursuant to a consolidation, amalgamation or merger or, if the Collateral Administrator is not the surviving entity, the surviving entity agrees in writing to assume the duties and obligations of the Collateral Administrator hereunder);

(iii) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Collateral Administrator in any involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, conservator, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Collateral Administrator or for any substantial part of its property, or order the winding-up or liquidation of its affairs;

(iv) the Collateral Administrator shall commence a voluntary case under applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Collateral Administrator or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or

If any of the events specified in clauses (ii), (iii) or (iv) of this Section 7(b) shall occur, the Collateral Administrator shall give prompt written notice thereof to the Collateral Manager and the Issuer after the happening of such event.

(c) Except when the Collateral Administrator shall be removed pursuant to subsection (b) of this Section 7 or shall resign pursuant to subsection (d) of this Section 7, no removal or resignation of the Collateral Administrator shall be effective until the date as of which a successor collateral administrator reasonably acceptable to the Collateral Manager and the Issuer shall have agreed in writing to assume all of the Collateral Administrator's duties and obligations pursuant to this Agreement.

(d) Notwithstanding the foregoing, the Collateral Administrator may resign its duties hereunder without any requirement that a successor collateral administrator be obligated hereunder and without any liability for further performance of any duties hereunder upon at least 90 days' prior written notice to the Collateral Manager and the Issuer of termination upon the occurrence of any of the following events and the failure to cure such event within such 90 day notice period: (i) failure of the Issuer to pay any of the amounts specified in Section 3 within 90 days after receipt by the Issuer of an invoice from the Collateral Administrator for such amount due pursuant to Section 3 hereof or (ii) failure of the Collateral Manager or the Issuer to provide any indemnity payment or expense reimbursement to the Collateral Administrator required under

Section 4 hereof within 90 days of the receipt by the Collateral Manager or the Issuer of a written request for such payment or reimbursement.

(e) If U.S. Bank shall resign or be removed as Trustee under the Indenture, U.S. Bank shall also resign or be removed as Collateral Administrator.

(f) Promptly upon the effective date of termination of this Agreement pursuant to Section 7 or resignation or removal of the Collateral Administrator pursuant to Section 7, the Collateral Administrator shall forthwith deliver to, or as directed by, the Issuer all property and documents of or relating to the Assets then in the custody of the Collateral Administrator, and the Collateral Administrator shall cooperate with the Issuer and any successor Collateral Administrator in making an orderly transfer of the duties of the Collateral Administrator.

13. Bankruptcy Non-Petition and Limited Recourse. Notwithstanding any other provision of this Agreement, the Collateral Administrator and the Collateral Manager may not, prior to the date which is one year (or the then applicable preference period) and one day after the payment in full of all the Notes and any other debt obligations of the Issuer that have been rated upon issuance by any Rating Agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under United States federal or state bankruptcy laws, or any similar laws. 16. Assignment of Issuer's Rights and Consent. The parties hereto hereby acknowledge and consent to the Issuer's Grant pursuant to the Indenture of its right, title and interest in, to and under this Agreement.

17. Jurisdiction. With respect to any suit, action or proceedings relating to this Agreement or any matter between the parties arising under or in connection with this Agreement (***Proceedings***), to the fullest extent permitted by applicable law, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Agreement precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

18. Waiver of Jury Trial. EACH OF THE ISSUER, THE COLLATERAL ADMINISTRATOR AND THE COLLATERAL MANAGER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE PARTIES HERETO. The Collateral Administrator agrees to coordinate with the Collateral Manager with respect to any communication

to a Rating Agency and further agree that in no event shall it engage in any oral communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager.

21. Powers and Duties of the Information Agent.

(a) In connection with Section 14.4(b) of the Indenture, the Issuer hereby appoints the Collateral Administrator to act as its agent (the "Information Agent") and in so acting, the Information Agent shall have all the protections and benefits provided for the Collateral Administrator hereunder.

(f) In no event shall the Information Agent be deemed to make any representation in respect of the content of the 17g-5 Information Website or compliance of the 17g-5 Information Website with the Indenture, the Rule, or any other law or regulation.

(g) The Information Agent shall not be responsible or liable for the dissemination of any identification numbers, passwords or certifications which may be required for access to the 17g-5 Information Website, including by the Issuer, any Rating Agency, any of their respective agents or any other Person. The Information Agent shall have no liability for any failure, error, malfunction, delay, or other circumstances beyond the control of the Information Agent, associated with the 17g-5 Information Website or the Posting Email Account.

(i) The Information Agent shall not, and shall have no obligation to, engage in or respond to any oral communications, in connection with the initial credit rating of the Notes or the credit rating surveillance of the Notes, with any Rating Agency or any of its officers, directors, employees, agents or attorneys.

(j) To the extent the entity acting as the Collateral Administrator is also acting as the Information Agent, the rights, protections, immunities and indemnities of the Collateral Administrator set forth herein and the Indenture shall also apply to it acting as the Information Agent.

The Issuer shall also determine (which determination may be made in consultation with the Collateral Manager) whether any reports, data and other information is necessary or essential in connection with the preparation of any Loan Reports, Investor Reports, Inside Information Report and Significant Event Report (such reports, collectively, the "**Transparency Reports**").

(b) The Collateral Administrator shall compile the Transparency Reports in accordance with, and its obligations under this Section 22 shall be subject to, the reporting side letter entered into on or around the date hereof by the Issuer, the Collateral Administrator and the Collateral Manager (the "**Reporting Side Letter**"). This Section 22 supersedes any prior agreement with U.S. Bank (in any capacity) or the Collateral Administrator with respect to any reporting related to EU/UK Securitization Regulation.

(c) The Collateral Administrator shall make such Transparency Reports (together with the Transaction Documents, the Offering Memorandum, and any other information required to be disclosed pursuant to the EU/UK Transparency and Reporting Requirements, as provided to it by the Collateral Manager and the Issuer) (the Transparency Reports and any such other documents or information, the "**Reportable**

The Reporting Website shall, unless otherwise instructed by the Issuer (or the Collateral Manager on its behalf), be accessible to any person who certifies to the Issuer and the Collateral Administrator that it is: (i) the Trustee, (ii) the Issuer, (iii) the Collateral Manager or sponsor or originator under the EU/UK Securitization Regulations, (iv) the Initial Purchaser, (v) a Hedge Counterparty, (vi) a Rating Agency, (vii) the holder of a beneficial interest in any Note from time to time, (viii) a national competent authority of an EU member state as determined under the EU Securitization Regulation or a national competent authority of the UK as determined under the UK Securitization Regulation (each, a " **Competent Authority**"), (ix) a Holder of the Notes, (x) a potential investor in the Notes, (xi) the Retention Holder, or (xii) Intex Solutions, Inc., in each case in the form of the certification attached hereto as Exhibit A (the "**Certification**"), which Certification may be provided electronically. In addition, the Collateral Administrator shall publish any event-based disclosure on the Reporting Website to the extent and as provided by the Issuer or the Collateral Manager to the Collateral Administrator in the manner and form set forth in the Reporting Side Letter. The Issuer, Collateral Manager, Trustee, and Rating Agencies may also access the Reporting Website, which may be the same website used by the Trustee under the Indenture. For the purposes of posting Transaction Documents, the Offering Memorandum and other related documentation, the Issuer or the Collateral Manager shall provide the Collateral Administrator with such documentation (by email and in pdf format) and the relevant instructions, and other necessary information and data, as the case may be, in each case in sufficient time before the date on which the Issuer requires such documentation or applicable reports to be made available on the Reporting Website. For the avoidance of doubt, (i) any drafts of the Transaction Documents which were made available by the Issuer on the Reporting Website prior to the issuance of the Notes shall be removed from such website upon the posting of the final Transaction Documents as described above and (ii) Transaction Documents may be removed, replaced and/or supplemented to the extent such documents are amended or replaced after the date hereof, including without limitation in connection with a Refinancing.

(d) The Issuer (with the consent of the Collateral Manager) and the Collateral Manager shall be entitled to appoint Reporting Entities to assist them with providing such data to the Collateral Administrator provided that prior written notice of such appointment is given to the Collateral Administrator. The Collateral Administrator may rely without liability on any such data received from the Collateral Manager, the Issuer or any of their agents (including any Reporting Entity) and shall have no liability to verify the accuracy of such data. The Collateral Administrator shall be entitled to treat any such data received from any agent of the Issuer or the Collateral Manager (including any Reporting Entity) as if such data was received from the Issuer or the Collateral Manager, as applicable. The Collateral Administrator shall not be liable, and have no responsibility, for the failure to complete the Transparency Reports, the non-publication or late publication of the Transparency Reports or any errors in the Transparency Reports to the extent such failure, delay or error results from incomplete or incorrect data or any delay in data being provided

to the Collateral Administrator from the Issuer, the Collateral Manager or any of their agents (including any Reporting Entity) or data not being provided in the format agreed with the Collateral Administrator. If the Collateral Administrator is uncertain as to how any data field in a Transparency Report should be populated, it may seek instructions from the Collateral Manager or the Issuer and may rely without liability on any instructions received.

(e) The Issuer shall provide, or cause to be provided, to the Collateral Administrator all necessary information as may be required for the Collateral Administrator to compile the Transparency Reports on behalf of the Issuer. The Collateral Manager (or any other agent appointed on the Issuer's behalf) shall, on behalf of and at the expense of the Issuer, use reasonable commercial efforts to cooperate with and provide to the Collateral Administrator (or any applicable Reporting Entity) and the Issuer any reports, data and other information required or otherwise reasonably requested for compliance by the Issuer with the EU/UK Transparency and Reporting Requirements and preparation of the Transparency Reports which (i) it is in the possession and/or control of or which it can reasonably obtain, (ii) is not subject to legal or contractual restrictions on its disclosure (unless the relevant information can be summarized or disclosed in an anonymized form, in accordance with such legal or contractual restrictions on disclosure), (iii) the Collateral Administrator does not have access to, (iv) the Issuer does not otherwise have access to, is not already required to be provided to the Issuer directly, or is not otherwise in the Issuer's possession, and (v) is reasonably necessary for the proper performance by the Issuer, as the Reporting Entity, of its reporting duties under the EU/UK Transparency and Reporting Requirements. In addition, the Issuer (or the Collateral Manager on its behalf) shall provide any necessary instructions to the Collateral Administrator in respect of the compilation, preparation and/or provision of the Transparency Reports.

(f) The Collateral Administrator shall not be liable for the accuracy or completeness of the information or data that has been provided to it and the Collateral Administrator shall not be obligated to verify, audit, re-compute, reconcile, recalculate or otherwise independently investigate the veracity, accuracy, genuineness or completeness of any such information, document or data, or its sufficiency for any purpose (including without limitation for purposes of the EU/UK Transparency and Reporting Requirements or EU/UK Securitization Regulations). The Collateral Administrator shall not be liable for failing to perform, or for any delay in compiling or making available the Transparency Reports or any other Reportable Information, or for any errors, which results from or is caused by a failure or delay or error on the part of the Issuer, the Collateral Manager or any other Person in furnishing necessary, timely and accurate information to the Collateral Administrator. To the extent any Transparency Reports or other Reportable Information are made available to any Person on the Reporting Website, such Reportable Information shall for all purposes be deemed to have been made available by the Issuer, and the Issuer shall remain solely responsible for ensuring that the provision of such Reportable Information satisfies the requirements of the EU/UK Transparency and Reporting Requirements and any other applicable laws, including, without limitation, applicable securities laws.

(g) For the avoidance of doubt, the Collateral Administrator will not assume any responsibility for, or obligation under, the EU/UK Securitization Regulations and will not assume any responsibility for the Issuer's or any Holder's obligations under the EU/UK Securitization Regulations. In providing such services, the Collateral Administrator (i) assumes no responsibility to the Holders, any potential investor in the Notes, any Competent Authorities (as determined under the EU/UK Securitization Regulations) or any other party, whether under or with respect to the EU/UK Securitization Regulations, or with respect to any such party's use or onward disclosure of any documents posted on the Reporting Website or any information contained in such documents, or otherwise, (ii) shall not be responsible for monitoring or verifying the Issuer's or any other party's compliance with the EU/UK Transparency and Reporting Requirements or the EU/UK Securitization Regulations and (iii) shall have the benefit of all of the powers, protections, immunities and indemnities granted to it under this Agreement , the other Transaction Documents and the Reporting Side Letter. Any reports complied by the Collateral Administrator, including without limitation such reports as may be posted, and any other documents or information that may be posted, to the Reporting Website, and the Reporting Website itself, may include disclaimers excluding liability of the Collateral Administrator for the information provided therein.

(h) The Collateral Administrator shall not have any duty (i) to verify or investigate on an independent basis the veracity, genuineness, accuracy or completeness of any documentation provided to it by the Issuer, the Collateral Manager, any Reporting Entity or any other party or whether the Reportable Information is sufficient for any purpose (including without limitation for purposes of, or for compliance with, the EU/UK Securitization Regulations), or (ii) to determine whether or not the provision of such documents, or other information, and making the same available via the Reporting Website, satisfies the EU/UK Transparency and Reporting Requirements or the EU/UK Securitization Regulations.

(i) The Collateral Administrator shall be entitled to rely conclusively upon any instructions it receives from, and any determinations made by, the Issuer or the Collateral Manager, in respect of the preparation, provision or accessibility of the Transparency Reports, other Reportable Information or the acceptance of a Certification in respect thereof and the Collateral Administrator shall have no obligation, responsibility or liability whatsoever for actions taken (or forbearance from action undertaken) pursuant to and in accordance with such instructions or determinations.

(j) The Issuer confirms that it (or the Collateral Manager on its behalf) will be solely responsible for handling and responding to any inquiries raised by Holders of the Notes, potential holders of the Notes or Competent Authorities having access to any Reportable Information (including without limitation, any Transparency Reports) on the Reporting Website and agrees that the Collateral Administrator shall have no responsibility for dealing with such inquiries.

(k) The Collateral Administrator shall not assume or have any responsibility or liability for monitoring or ascertaining whether any person to whom it makes any Reportable Information (including without limitation, any Transparency Reports) available on the

Reporting Website falls within the category of persons permitted or required to receive such information under the EU/UK Transparency and Reporting Requirements or EU/UK Securitization Regulations. The Collateral Administrator shall be entitled to conclusively rely upon any Certification provided to it, as described this Section 22 (which may be provided electronically), and the Collateral Administrator shall be entitled to conclusively assume that each such person is a person to whom the Reportable Information (including without limitation, any Transparency Reports) should be made available on the Reporting Website and shall not be liable to anyone whatsoever for so relying, assuming or doing.

(l) For the avoidance to doubt, (i) this Section 22, Exhibit A hereto and the Reporting Side Letter may be amended by agreement in writing (which may be by way of email) between the Collateral Manager, the Collateral Administrator and the Issuer and the prior written consent of the Holders of the Notes will not be required and (ii) any amendments, modifications or other updates to the EU/UK Securitization Regulations, the EU/UK Transparency and Reporting Requirements, or the forms of the Transparency Reports (in each case, as in effect as of the date hereof) shall not affect the duties of the Collateral Administrator hereunder until such time as this Agreement or the Reporting Side Letter, as applicable, is amended to effect any such changes.

(m) Notwithstanding anything to the contrary in this Agreement, the Collateral Administrator shall be entitled to resign from its obligations hereunder and under the Reporting Side Letter to prepare the Transparency Reports or post other Reportable Information on the Reporting Website. In addition, the Issuer may (with the consent and assistance of the Collateral Manager) by notice in writing to the Collateral Administrator at any time; (i) if the Issuer has reasonable grounds to believe (following consultation with the Collateral Administrator) that the Collateral Administrator will fail or be unable to perform any of its duties or responsibilities under this Agreement or the Reporting Side Letter insofar as they relate to the Collateral Administrator's obligations hereunder or under the Reporting Side Letter to prepare the Transparency Reports or post other Reportable Information on the Reporting Website (and any notice given in respect of this sub paragraph (i) shall include a description of the Issuer's grounds for such belief); (ii) following the occurrence of a default, failure or inability of the Collateral Administrator to perform any of its duties or responsibilities under this Agreement insofar as they relate to the Collateral Administrator's obligations hereunder or under the Reporting Side Letter to prepare the Transparency Reports or post other Reportable Information on the Reporting Website which has not been cured within five days of the occurrence of such default, failure or inability to perform; or (iii) when the Collateral Administrator (in its sole discretion) determines it will no longer provide reports or information in connection with the EU/UK Transparency Requirements, assume itself or appoint another third party to assume the obligations of the Collateral Administrator to make the relevant information available for the purposes of the EU/UK Transparency Requirements. Any such resignation or termination of appointment of the Collateral Administrator shall be only in respect of the Collateral Administrator's obligations to provide the Transparency Reports and/or posting such information to the Reporting Website under this Agreement and the Reporting Side Letter and shall be without prejudice to the Collateral Administrator's other obligations under this Agreement which shall not be affected by any such resignation or termination. No termination of the appointment of the Collateral Administrator to prepare the

Transparency Reports and/or posting Reportable Information to the Reporting Website shall be effective until the date on which a successor reporting agent reasonably acceptable to the Issuer and the Collateral Manager (such acceptance not to be unreasonably withheld or delayed) has agreed in writing to assume all of the Collateral Administrator's duties and obligations pursuant to this Agreement and the Reporting Side Letter with respect to the provision of the Transparency Reports and/or other Reportable Information. If a successor reporting agent does not take office within 60 days after termination of the appointment of the Collateral Administrator to prepare the Transparency Reports or post other Reportable Information, the Collateral Administrator, the Issuer, or the Collateral Manager may petition a court of competent jurisdiction for the appointment of a successor reporting agent.

(n) Notwithstanding anything herein or any other document to the contrary, any change, modification or update to the forms of Transparency Reports shall only be made if mutually agreed upon by the Issuer, the Collateral Manager and the Collateral Administrator.
