Re: Steele Creek CLO 2017-1, Ltd.

Dear Sir or Madam:

Reference is hereby made to the Indenture (as amended, restated or otherwise modified, the “Indenture”), dated as of December 14, 2017, among Steele Creek CLO 2017-1, Ltd., as Issuer, Steele Creek CLO 2017-1, LLC, as Co-Issuer, and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as Trustee. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Indenture or in the form of consent (the “**Consent**”) attached hereto as Exhibit A, as applicable.

We hereby notify you that the Collateral Manager and the holders of at least a Majority of the Subordinated Notes are currently exploring an Optional Redemption of the Secured Notes from Sale Proceeds in accordance with the Indenture. In order for the Optional Redemption to proceed, a number of conditions set forth in the Indenture will have to be satisfied. Among other conditions,

funds available for such redemption (as set forth in Section 9.4(f)(ii) of the Indenture) must equal or exceed the sum of (x) the aggregate Redemption Prices of the Outstanding Secured Notes and (y) all other amounts due and payable pursuant to the Priority of Payments on the related Redemption Date. At this time, however, the Collateral Manager has determined that the expected Sale Proceeds and other funds available would not be sufficient to pay the full Redemption Price of the Class E Notes. The Indenture provides that, in connection with any Optional Redemption, holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class, in which case such reduced price shall be the “Redemption Price” for such Note.

As a condition to proceeding with an Optional Redemption, the Issuer is requesting the written consent of each Holder of Class E Notes to receiving a reduced Redemption Price in connection with the anticipated Optional Redemption (subject to such amounts being available in connection with the Optional Redemption following all senior payments due) equal its *pro rata* share of the sum of (x) less than 100% (but no less than 59.0%) of the Aggregate Outstanding Amount of such Class E Notes, *plus* (y) accrued and unpaid interest thereon (including interest on any accrued and unpaid Deferred Interest) to the Redemption Date (the “**Modified Redemption Price**”), which may be paid to the Holders of the Class E Notes on the Redemption Date and on one or more Subsequent Distribution Dates (as defined in Exhibit A) after the Redemption Date. Unless 100% of the Holders of the Class E Notes provide their consent to the Modified Redemption Price, the Issuer does not expect to proceed with the Optional Redemption at this time.

Accordingly, on behalf of the Issuer, each Holder of Notes is hereby requested to:

1. review this notice;
2. complete the form of Consent attached hereto as Exhibit A and return the same to the Trustee and the Collateral Manager at the addresses below (by overnight delivery or by e-mail) such that it is received by the Trustee and the Collateral Manager no later than 5:00 p.m. (New York time) on May 26, 2026.

Each Holder of Class E Notes further agrees that any consent and waiver provided by the Holder or beneficial owner of a Note pursuant to this notice shall be irrevocable and binding on all present and future Holders and beneficial owners of such Note.

Re: **Consent from Holders of the Class E Notes to the Modified Redemption Price (this “Consent”)**

Dear Sir or Madam:

Reference is hereby made to the Indenture (as amended, restated or otherwise modified, the “Indenture”), dated as of December 14, 2017, among Steele Creek CLO 2017-1, Ltd., as Issuer, Steele Creek CLO 2017-1, LLC, as Co-Issuer, and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as Trustee. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Indenture.

The undersigned, as the Holder of the Class E Notes indicated on the signature pages attached hereto (the “**Undersigned Holder**”), understands that the Collateral Manager and the holders of at least a Majority of the Subordinated Notes are currently exploring an Optional Redemption by Liquidation of the Secured Notes from Sale Proceeds in accordance with the Indenture (the “**Redemption**”), and that in order for the Redemption to proceed, a number of conditions set forth in the Indenture will have to be satisfied. We understand that, among other conditions, funds available for such redemption (as set forth in Section 9.4(f)(ii) of the Indenture) must equal or exceed the sum of (x) the aggregate Redemption Prices of the Outstanding Secured

Notes and (y) all other amounts due and payable pursuant to the Priority of Payments on the related Redemption Date. We further understand that, at this time, the Collateral Manager has determined that the expected Sale Proceeds and other funds available would not be sufficient to pay the full Redemption Price of the Class E Notes. The Indenture provides that, in connection with any Optional Redemption, holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class, in which case such reduced price shall be the “Redemption Price” for such Note.

Pursuant to Section 9.2 of the Indenture and the definition of “Redemption Price” therein, the Undersigned Holder hereby notifies you that it hereby elects to receive, and accepts, in full payment for the redemption of the Class E Notes a Redemption Price equal to its *pro rata* share of the sum of (x) less than 100% (but no less than 59.0%) of the Aggregate Outstanding Amount of such Class E Notes, *plus* (y) accrued and unpaid interest thereon (including interest on any accrued and unpaid Deferred Interest) to the Redemption Date (the “**Modified Redemption Price**”), which may be paid to the Holders of the Class E Notes on the Redemption Date and on one or more Subsequent Distribution Dates (as defined below) after the Redemption Date.

In furtherance of the foregoing and pursuant to the Indenture, the Class E Holder hereby:

(1) acknowledges that the Collateral Manager has determined that it does not expect there will be sufficient proceeds to effect an Optional Redemption with respect to all Classes of Secured Notes in connection with the Redemption Date;

(2) understands and agrees that the Co-Issuers, the Trustee and the Collateral Manager will conclusively rely upon this Consent, its validity and effectiveness and, in the case of the Trustee, any related instructions provided by the Issuer or the Collateral Manager (on behalf of the Issuer), and will have no liability to the undersigned for doing so. In connection with the Trustee’s reliance on this Consent, it is acknowledged and agreed that the Trustee shall be entitled to all of its rights, protections, indemnities and immunities set forth in the Indenture;

(3) (i) acknowledges and agrees that the exact amount of the Modified Redemption Price will be established by the Collateral Manager by notice delivered to the Issuer and the Trustee (which notice may be provided by email) not later than two (2) Business Days prior to the Redemption Date (or such later notice as is acceptable to the Trustee in its sole discretion), and the exact amount of the Modified Redemption Price will be set forth in the Distribution Report for the Redemption Date and (ii) waives notice of the exact amount of such Modified Redemption Price as provide din Section 9.4(b)(ii) of the Indenture;

(4) acknowledges and agrees that, on the Redemption Date, the Issuer shall direct the Trustee to (i) pay all Administrative Expenses due on or prior to the Redemption Date without regard to the Administrative Expense Cap set forth in the Indenture, and (ii) retain in trust, for the benefit of the Secured Parties, an amount equal to approximately \$250,000 in the Expense Reserve Account on the Redemption Date for the payment of Administrative Expenses and any other fees and expenses (including dissolution expenses) due and payable prior to, or in connection with, or following the Redemption Date (and, for the avoidance of doubt, which are not otherwise paid on or prior to the Redemption Date in accordance with the Priority of Payments) (the “**Administrative Reserve**”) and

such amount shall be without regard to the Administrative Expense Cap set forth in the Indenture; *provided, however*, that any amounts remaining in the Administrative Reserve after payment of all Administrative Expenses shall be released no later than the Business Day prior to the dissolution of the Issuer (subject to and in accordance with the terms of the Indenture, but without regard to the Administrative Expense Cap);

(5) acknowledges and agrees that the Class E Notes shall be redeemed (and no longer Outstanding) upon the payment in full of the Modified Redemption Price on the Redemption Date, and without notice or further action on the part of the Co-Issuers or the Trustee, on behalf of itself and its successors, predecessors and assigns, and for all other persons or entities claiming by, through or under it, hereby fully, irrevocably and forever release, acquit and discharge the Collateral Manager, the Co-Issuers and the Trustee of and from any and all manner of actions, causes of action, suits, sums of money, accounts, losses, rights of contribution, rights of set off, damages, judgements, liabilities, claims and demands of any nature whatsoever in connection with its receipt of the Modified Redemption Price;

(6) acknowledges that interest on the Class E Notes shall cease to accrue as of the Redemption Date;

(7) acknowledges and agrees that the Redemption Amount for the Classes of Secured Notes senior to the Class E Notes in accordance with the Priority of Payments plus payment of Administrative Expenses on the Redemption Date, plus the Administrative Reserve, shall be payable prior to any payment of the Modified Redemption Price to the Holders of Class E Notes on the Redemption Date;

(8) agrees that no Monthly Reports or Distribution Reports will be produced after the Redemption Date;

(9) agrees that it shall not transfer, assign, or pledge any of its Class E Notes on or after the date hereof; and

(10) agrees that, although a portion of the Modified Redemption Price will not be paid until after the Redemption Date, the Class E Notes will be redeemed and interest will cease to accrue thereon on the Redemption Date. To the extent any Sale Proceeds or other distributable amounts are received subsequent to those proceeds distributed on the Redemption Date from the sale of any Assets, and after the payment in full of all Administrative Expenses and replenishment of the Administrative Reserve as necessary (in the sole discretion of the Collateral Manager and without regard to the Administrative Expense Cap), such amounts will be distributed to the Class E Holders (up to, but not to exceed, the full Redemption Price for the Class E Notes) on one or more Subsequent Distribution Dates. As used herein, “**Subsequent Distribution Date**” means any Business Day occurring after the Redemption Date as identified by the Collateral Manager to the Trustee as a “Subsequent Distribution Date” with at least two (2) Business Days’ prior written notice (which written notice may be made via email) for purposes of making a subsequent distribution to the Class E Holders on account of the Modified Redemption Price.

Accordingly, the Undersigned Holder hereby consents to the Modified Redemption Price and hereby waives any right to the portion of the Redemption Price it would have otherwise been entitled to receive in connection with the anticipated Redemption. The Undersigned Holder agrees that following the final payment of the Modified Redemption Price, it will cooperate with the Issuer and the Trustee to enable its Class E Notes to be written down or canceled in accordance with the applicable procedures at the Depository Trust Company (“DTC”) (through a DWAC instruction or otherwise).

The Undersigned Holder further agrees that any consent and waiver provided by it pursuant hereto shall be irrevocable and binding on all present and future Holders and beneficial owners of its Class E Notes. This Consent shall be effective when the Co-Issuers, the Collateral Manager and the Trustee shall have received Consents (including this Consent) that collectively were executed and delivered by holders or beneficial owners of 100% of the Aggregate Outstanding Amount of the Class E Notes.

The provisions of Sections 2.7(i) and 5.4(d) of the Indenture shall apply to this consent mutatis mutandis.

The Undersigned Holder represents, warrants and certifies that, as of the date of this Consent, (i) it is the Holder of the referenced Class E Notes in the Aggregate Outstanding Amount specified below, (ii) it is duly authorized and has the full power to execute and deliver this Consent and the attached Proof of Ownership, and such power has not been granted or assigned to any other Person, (iii) the Issuer and the Trustee may conclusively rely upon this Consent and the attached Proof of Ownership, and (iv) to the extent the Holder is a beneficial owner of Notes held by the DTC or its nominee, it has not instructed any nominee or DTC participant to respond to this Consent and the attached Proof of Ownership on its behalf. The Undersigned Holder hereby agrees to provide to the Issuer, the Collateral Manager and the Trustee any information reasonably requested for purposes of confirming beneficial ownership. All covenants and agreements in this Consent and the attached Proof of Ownership shall bind the undersigned and its respective successors and assigns.
